

## **Blessed 363**

### [Chapter 363 Is There Any Reward For Tha](#)

What Trevor didn't know was that the two big stars were talking about his identity after he said goodbye to them.

At that time, Trevor's heart was beating so fast and a trace of happiness lingered in his chest.

As there were many people on the spot, it was very crowded. They even had to worry about stepping on other people's shoes with each step!

In order to prevent from getting separated, Trevor mustered up his courage and took the initiative to hold Luisa's delicate hand.

Of course, that was his excuse to hold her hand.

When Trevor intertwined his fingers with Luisa's, she didn't resist.

Today, Luisa was wearing a light yellow short skirt with a pair of ponytail on both sides of her head. She looked so young and energetic which attracted the attention of many passers-by.

Her face was a little flushed because of Trevor's actions. However, she got closer to Trevor and leaned her head on his shoulder.

Last time, she took the initiative to hold Trevor's hand. So, this could be regarded as his turn, right?

Without caring about the crowd around them, the two snuggled up to each other cozily.

Trevor could feel that his face was burning hot and his heart was beating fast. At that time, he was glad that he took the initiative to get closer to her.

Time passed quickly when they were lost in their own world. Soon, the concert officially began and they were allowed to enter.

As Ronald gave them the VIP tickets, they didn't need to wait too long. They quickly entered the venue and found their seats.

This theater was built long time ago and the interior design was quite classical.

Most of the time, it was used as the venue for many kinds of concerts.

The decoration of the style of the stage was indeed eye-catching.

Despite its classical appearance, the stage built had a special sense of technology.

The blue and purple neon lights flickered and all kinds of angular iron and steel were used as decorations. Moreover, the cold air that was blowing from the back of the stage gave off a sense of punk-style coldness.

In contrast to the classical decoration of the building, the unique stage was a bit sharp. However, unexpectedly, it didn't look out of place as it maintained a delicate balance.

In fact, this was the unique style of the Purple Band, tonight's star!

Even though Trevor didn't know much about music, he could still feel the wild charm of the band. It was a little deviant from ordinary people.

Tugging at Trevor's hand, Luisa indicated Trevor to lean down. Then, she said excitedly, "It's the Purple Band. I really like their songs and they are really popular. I never had a chance to enjoy them performing live!"

Seeing the happy look on Luisa's face, Trevor laughed from the bottom of his heart. Then, he said jokingly, "If you like it, we can come to concerts like this frequently in the future."

Right now, he thought he did right by following his father's advice to get to know each other.

As they talked, the atmosphere between the two of them became more harmonious.

At this time, all the lights in the whole theater began to turn soft. Suddenly, a series of flames rose from the edge of the stage, revealing all of the members of the Purple Band.

Pointing at the center of the stage in surprise, Luisa whispered in Trevor's ear, "Can you see the girl in the center? She is Alicia Calderon. I really like her. She is the lead singer of this Purple Band."

After listening to Luisa's words, Trevor raised his head to look in the direction she was pointing. When he saw the person, he was stunned.

She was the girl he had met outside the theater who was friends with Celine.

Even though they added each other on WhatsApp, they all used their net names.

Originally, Trevor thought that the girl had a sweet voice. However, he had no intention of keeping in contact with her.

What was more, he never paid attention to the entertainment industry, so he didn't recognize the woman.

Only now did he realize that Alicia was the lead singer of the Purple Band.

Moreover, she was the singer that Luisa liked very much!

This was the most important thing for Trevor.

Smiling faintly, Trevor asked tentatively, "Do you want the lead singer's autograph, Luisa?"

Raising her eyebrows, Luisa asked, "Can I?"

Her pretty face was filled with curiosity and doubt.

Trevor couldn't help but feel a little excited after experiencing a wonderful feeling of holding her hands.

Without answering her question directly, Trevor decided to change another way.

With a smile on his face, he asked, "Well, do I get any rewards if I can get her autograph?"
