

## **Blessed 38**

### [Chapter 38 Will Be Waiting For You In The Grove](#)

Later, Corrie turned around and went back to her bed.

Scrolling down the photos, Corrie picked up one of her favorite photos. When she finished selecting the photo, she wrote a message under it.

Then, she sent it to Aver through private message.

With a proud smile on her face, she thought to herself, 'All men are the same. They are all lascivious. So, I believe that you'll take the bait and fall into the trap.'

In fact, Corrie had already made up her mind, which was to hook up with this rich man!

At that time in the boy's dormitory.

When he finished reading the private message, Trevor blushed and his heart started beating fast. After that, he didn't continue to reply and closed the dialogue box with Jaycee.

Shaking his head, Trevor thought to himself, 'Are girls nowadays so bold and proactive like her?' Truth to be told, he couldn't stand this kind of stimulation.

Before he could finish thinking more about the matter, two new private messages arrived.

Well, one of them was from Corrie!

However, he didn't expect the message to be a beautiful sexy photo of her!

The photo showed her delicate and elegant collarbone. What was more, it exposed a large part of her plump chest. She was wearing a T-shirt which barely covered her ample bosom.

Under the photo, there was a message which said, "Nine o'clock tomorrow night. I will be waiting for you in the grove. Can't wait to see you!"

Actually, the grove was a place where many couples on the campus met up to have sex.

Obviously, she was inviting Trevor to have sex with her. Furrowing his eyebrows, Trevor thought to himself, 'You haven't even seen me before, yet you want to have sex with me? What the hell is wrong with you?'

Because of this message, the impression he had for Corrie became worse and worse.

Shaking his head, Trevor replied, "Let's talk about it when I have time."

I'm busy right now."

As soon as he sent her the reply, he went offline.

Actually, he wasn't planning on meeting Corrie anytime soon. He just replied that way to stop her from sending more messages.

The way Corrie was fawning on him right now was the complete opposite of the way she acted when they met before.

All the things that happened tonight made him feel a bit disappointed. Heaving a sigh, he said under his breath, "Is this the power of money?"

Looking back at the drastic changes in his identity in just a day, Trevor felt that he still needed to adapt to his new life.

For a long time, Trevor tossed and turned on the bed as he thought about all the messy things that needed to be sorted out. In the end, he simply decided to sleep without thinking much.

The next morning, Trevor woke up full of energy. At that time, he received a call from Jaycee.

The moment he saw Jaycee's caller ID, his first thought was that his identity as 'Aver' was exposed.

However, when he picked up the phone, he found out that she just wanted to ask him to host a livestream together.

With a frown on his face, Trevor summarized what Jaycee said and asked, "So, you mean you want to broadcast a video of me talking about my experience on campus?"

And that will help me publicize and eliminate all those malicious slanders?"

On the other side of the phone, Jaycee said, "Exactly! If you agree with it, when can I contact you?"

Even though Jaycee's voice was back to the normal tone that she used when she was broadcasting the campus news, it was clear that she was a bit enthusiastic.

Much to Jaycee's dismay, Trevor said, "Thanks for your offer. But I have to decline, Jaycee."

Hearing this, Jaycee's face fell in an instant and she said, "Okay...you can contact me if you need anything."

Listening to the sound of the phone hanging up, Jaycee was a bit disappointed.

Last night, she spent her time making plans for her future as an Internet celebrity. Therefore, she didn't even sleep well. Now, there were dark circles under her eyes.

Moreover, Jaycee didn't get any reply from 'Aver' yesterday which made her feel a bit resentful.

Now, she was rejected again by Trevor.

With a determined look on her face, Jaycee said, "I'm not going to give up like this. I'll definitely find out who 'Aver' is!"

Scratching her messy hair which she hadn't combed since she woke up, Jaycee thought of another idea.

Since Jaycee was a celebrity on the campus, the news spread like a wild fire the moment she uploaded a new video this afternoon.

Of course, Trevor also found out about the video from his roommate. However, when he clicked on the video, he was stunned at the first glance...

"Why didn't I know that I am so good at this? Damn, when did I even become like this?"
