[Chapter 391 Be Jealous](#)

"Trevor, what are you doing at the door of the Blue Lake Restaurant? Are you waiting for some celebrities to interview? You are so ridiculous. Do you really think you will be lucky every day?"

The one who spoke was none other than Orion who was walking up from behind with a disgusted look on his face.

There was a woman beside him and she was wearing a heavy makeup. Judging by the way they were standing, they seemed to be in a relationship.

Then, Orion walked up towards Trevor with his eyes filled with contempt. Suddenly, he rolled his eyes and joked, "Oh wait, do you live at the door of the restaurant here? You can enjoy the cool air and smell the fragrance whenever the door opens."

Before Trevor could say anything, Dilan and Noor defended him in childish voices, "Don't say like that to Trevor!"

"That's right. Our Trevor is the best!"

Hearing the kids' words, the girl beside Orion snorted disdainfully.

She raised her eyes to look at Trevor and then glanced at the two children's clothes which looked a bit shabby.

After staring at them for a while, she puckered her lips in disgust and took a step back as if she smelt something bad.

Later, she rubbed her chest against Orion's arm on purpose and said in a spoiled tone, "Orion, where did these poor guys come from? They look so disgusting that I even lost my appetite."

Immediately, Orion's face changed into an obscene look. Right now, the round glasses he was wearing couldn't make him look like a gentleman.

Immedietely, Orion's fece chenged into en obscene look. Right now, the round glesses he wes weering couldn't meke him look like e gentlemen.

Without caring the presence of the children, he pinched his girlfriend's buttock with satisfaction and mocked, "Don't mind him, sweetheart. Trevor is just a big fool from our department."

In fact, Orion was very pleased. He still remembered how he had to flee in dejection at the Aegean Sea Theater last time.

Especially when Trevor announced the cooperation between the Purple Band and the Sanderson family.

This shocking news had caused a great uproar in the entertainment circle the moment it was announced.

Trevor would definitely become famous if he announced it exclusively to the public.

Since this was a rare opportunity, Orion thought that Trevor was a fool for not seizing it.

In fact, if it weren't for the fact that Trevor sneaked into the backstage of the theatre, he might have got the chance to interview the celebrities and become famous instantly.

Therefore, he was blaming everything on Trevor because he was jealous.

Honestly, Orion wanted to show his sense of superiority by mocking his stupidity since he was jealous of Trevor's "good luck".

Of course, Trevor had no idea what the other party was thinking. Otherwise, he would just shrug and smile helplessly. Originally, Trevor had planned to leave as soon as he got the autograph. However, Orion was the one who made things complicated. Therefore, he had no choice but to act as if he went there to conduct an interview.

At that time, Trevor was about to retort when someone spoke for him again before he could.

At that time, Trevor was about to retort when someone spoke for him again before he could.

Once he heard the words, he felt moved.

Obviously, Luisa was the one who spoke this time. Even a kind-hearted girl like Luisa couldn't help but feel angry when she heard Orion's insults.

"You are also a student from our school. Why are you being so mean to Trevor? I can't believe you said that. You really have bad manners."

Orion was stunned when he heard Luisa's words. Only then did he notice the beautiful girl beside Trevor.

If he didn't have girlfriend right now, he would have accosted Luisa immediately.

After all, Luisa, who wore light makeup was way more charming than his girlfriend who wore heavy makeup.

It was needless to say that his girlfriend was far inferior to Luisa in terms of looks.

Truth be told, Orion never expected that a poor guy like Trevor could win the favor of a pretty girl like Luisa. Therefore, he naturally thought that Luisa wasn't together with Trevor.

Who would have thought that a beautiful girl like Luisa would speak for this poor guy?

The thought made Orion even more jealous!
