[Chapter 392 Completely Different From His Girlfriend](#)

Seeing that a beautiful lady was siding with Trevor, Orion started to get jealous. Then, he softened his tone and explained, "Hello, beautiful lady.

Actually, I am not impulsive like this. It's just that Trevor and I are on bad terms."

To make Luisa have a better impression of him, Orion tried his best to act like a gentleman.

However, Luisa's frown deepened after hearing his words.

She just pouted and said resentfully, "Well, if that's the case, I believe there's nothing to say. Let's go, Trevor!"

After saying that, Luisa held Trevor's hand and intertwined their fingers, declaring her relationship with Trevor!

Her actions didn't go unnoticed by Orion.

Seeing it, Orion was dumbfounded. But how could this be possible?

At that time, his mood turned sour.

He was jealous that a beautiful girl stood for Trevor.

Moreover, the relationship between the two seemed to be something special.

Damn it. How could a poor loser like Trevor be so lucky?

Thinking about it, Orion couldn't help but put on a gloomy face.

Of course, Trevor noticed every subtle change on Orion's face. Therefore, he said with a smile on his face, "Yes, you are right, Luisa. We don't have to pay attention to these people. They will ruin our mood to eat."

After saying that, Luise held Trevor's hand and intertwined their fingers, declaring her relationship with Trevor!

At that time, his mood turned sour.

In fact, his anger dispelled the moment Luisa defended him and took the initiative to intertwine their fingers.

It wasn't worth arguing with such kind of bastard at this time!

After all, it was rare for them to come to a Michelin-starred restaurant. So, he didn't want to ruin it by looking at the annoying face of Orion. He only wanted to look at the beautiful girl beside him the whole day.

Anyway, today, he wanted Luisa and the two kids to experience something new.

Therefore, Trevor decided to ignore Orion.

Taking Luisa's hand, he led the two kids to the Blue Lake Restaurant.

However, the indifferent attitude of Trevor only made Orion even more furious.

Gritting his teeth, he thought to himself, 'You are just a poor loser, Trevor. What right do you have to look down on me?'

In fact, he didn't want to lose to someone like Trevor.

Thinking about it, he darted forward and stretched his hand out to stop Trevor.

Then, he said, "Trevor, stop pretending to be a rich guy. Do you think this restaurant is like a shop on the roadside that anyone can afford?"

Hearing his words, Luisa's eyes widened.

Then, she asked in surprise, "Trevor, is this restaurant really expensive?"

Then, she asked in surprise, "Trevor, is this restaurant really expensive?"

At that time, the girl with heavy makeup whose name was Tillie took this as her chance to cut in.

"Of course, this is the only Michelin-starred restaurant in Jork. How can a poor loser afford to eat here? Orion, I want to eat some of the most expensive dishes. Is that okay for you?"

Unlike Tillie, Luisa was a little worried that Trevor would spend a lot of money. Therefore, she said, "Trevor, why don't we go to another restaurant? It doesn't matter where we eat."

At that time, the two kids also nodded their heads to show their thoughts.

Thinking that Trevor and the others were going to retreat, Tillie smiled triumphantly.

She even held Orion's arms more tightly as she felt inferior to Luisa's beauty.

However, on the other hand, Orion wasn't happy. So, he only forced a perfunctory smile.

When he took a look at his girlfriend, he felt that she was just trying to empty his wallet.

However, the beauty who was standing beside Trevor was concerned about Trevor's situation and cared about him genuinely. She was completely different from his girlfriend!
