

## Blessed 95

### [Chapter 95 A Kind-hearted Girl](#)

A young man who was leading the group was dressed in a set of Kiton suit and wore a Rolex watch.

It was none other than Marlon, who was the captain of the baseball team.

Once Marlon came into the room and saw that Trevor was interacting with Luisa, he almost cursed.

The fact that a poor loser like Trevor was talking and laughing with his goddess, made him jealous.

However, in order to maintain a good image in front of Luisa, he gave them a smile and said, "Luisa, your makeup skills are really good. The performance was wonderful because of your help."

Hearing this, Luisa smiled and said modestly, "Actually, you should be praising Trevor because he helped me a lot."

At that time, Marlon's mind wandered to the scene he had just seen when he came into the room and he became angry.

Nonetheless, he had to restrain his anger as he didn't want to lose temper, especially in front of Luisa.

A fake smile appeared on his face as he said, "Anyway, everyone has worked hard for this event. So, I'll treat you to lunch. There's a good restaurant called Spring Restaurant around here and the food there is very delicious. Let's go and have a meal together."

Once everyone heard Marlon's invitation, they agreed immediately. After all, it was a free lunch and no one would pass this kind of opportunity.

Aggy was also standing in the crowd. Honestly, she had always known that Marlon liked Luisa for a long time. Even though she was jealous, she wanted to go to the restaurant.

Therefore, if Luisa declined the offer, she wouldn't have the chance to go there.

Thinking of this, she held Luisa's arm affectionately and said with a fake smile on her face, "I heard that the food in the Spring Restaurant is very expensive and the ordinary people can't even afford it. Marlon is so generous. Let's go and have a taste of the dishes there, Luisa."

Because of the enthusiastic looks on everyone's face, Luisa nodded.

After that, Aggy turned to look at Trevor and said, "Trevor, you don't have to come with us since you didn't do anything helpful."

"Yes, he just followed Luisa the whole time without doing anything. Don't let him come with us."

"Besides, his cheap clothes disgust me and it makes me feel sick when he stands next to me."

"I don't think the security guards will let him into the restaurant."

The rest of the student union members started making rude remarks towards Trevor.

Truth be told, they were just jealous of Trevor since he seemed to be close to Luisa.

For that reason, they sneered at Trevor with disgust once they got an opportunity. None of them wanted him to go with them.

As Trevor was used to this kind of rude remarks, his face was expressionless. In fact, if it weren't for Luisa, he would have left the place once he finished decorating the venue as he didn't want to stay with these people for so long.

He was about to turn around and leave when Luisa suddenly grabbed his arm.

Turning to look at everyone, Luisa said angrily, "I am not going to stand by and allow you guys to insult him like that. Trevor helped us a lot. If he isn't going, I won't go either."

Her words made everyone stunned. No one expected that Luisa would defend Trevor.

Was she really in love with this poor man?

Furrowing her eyebrows, Aggy said, "Luisa, why are you defending him when he doesn't deserve your concern?"

Of course, she knew that Marlon mainly invited Luisa which meant if Luisa refused to go, no one would get a chance to go either.

Hearing this, Marlon couldn't help but stare at Trevor with his eyes filled with hatred. Gritting his teeth, he said, "Trevor, since Luisa is saying so, you can come along with us."

Although Marlon didn't like Trevor one bit, he couldn't lose a chance to have a meal with Luisa.

Trevor rolled his eyes at his words. Obviously, he too, didn't want to go with them. However, since Luisa kept defending him, he had no choice but to go with them as he didn't want to disappoint her.

On their way, Trevor sighed in his heart and thought to himself, 'Luisa is really different compared with others. She is not the kind of woman who favors the rich and dislikes the poor. She really is a kind-hearted woman.'

Thinking about it, he looked at Luisa with tenderness in his eyes.
