Chapter 274 Don't You Love Her

No matter how Janessa shouted, the car still rushed to the wharf.

The car stopped at the wharf.

Janessa lowered her head with disappointment, "What are you doing here? Are you courting death? "

What if it wasn't Rayan who was driving? Maybe it was someone else.

Janessa comforted himself. When she looked up, she saw a strange but familiar face.

Finally, he came.

A tall and strong man got out of the car and stood on such a wharf. Everyone was defeated by him.

Noble was an exception.

Noble was also very handsome, but his face was more enchanting, while Rayan was really handsome.

"Mr. Lu, I am so honored to have you here." Noble could speak Chinese, but maybe because he had been abroad all year round, his Chinese was a little incoherent.

"Noble, come at me if you have anything. Why do you kidnap a woman?" Rayan pointed at Janessa and said disdainfully. He didn't even look at Janessa.

As if the two were not familiar at all.

A trace of disappointment flashed through Janessa's heart. He came here only for Noble, not for her at all.

She should have known it, shouldn't she? Why was she so upset?

Janessa lowered his head sadly. That was right. At least she didn't have to think that Rayan came for her.

"Do you think I don't know what you are thinking if you don't look at her?" Noble looked at Rayan with his bright eyes, as if he wanted to see through Rayan.

"Do you think you still know me so well ten years later?" Rayan didn't care what Noble said at all.

It seemed that he just came here for sightseeing, not to save Janessa.

Although Rayan didn't look at Janessa, he was worried. On the way here, he thought of the days they had been together again and again. He had thought that the bad memory would appear in his mind, but along the way, he could only remember the good memory between them.

As for memory, it was just about that night when they had been both drugged. Under the influence of the drugs, it was the most harmonious and relaxed time for the two.

It was pathetic to think about it. The only beautiful scene between them was the night after divorce.

"You said you don't love this woman?" Noble smiled as lovely as a younger brother.

Noble had a pair of very cute tiger teeth. If Janessa didn't know that he had another side, she might really be deceived by his kind mask.

"Yes."

"You said you didn't come for this woman?"

"Yes."

"Okay." Noble asked two questions in a row, and Rayan admitted, so Janessa was put down.

But he stopped when Janessa was still five centimeters away from the ground.

Janessa was still hanging in the air.

"Since you don't love this woman, then this woman has nothing to do with you. Bros, you haven't had sex for a long time. This woman is yours. As long as she don't die, you can do anything. "Noble's thin lips opened and closed, revealing these cruel words.

Janessa was scared and wanted to run away, but her feet were not on the ground at all. She couldn't run away even if she wanted to.

A group of men rubbed their hands and approached Janessa step by step.

There were about a dozen people approaching Janessa.

In their world, it was not a good thing for a woman to be left in their hands.

After being tortured by a group of men, she would be either dead or disabled.

Janessa widened his eyes in horror and kept kicking the men coming over. The first two kicks were really fell on the men's bodies, but soon, these men found the rules. The next second, Janessa's feet were caught.

Seeing that Janessa was surrounded by them, Rayan was thinking about what to do.

Before he could finish his thought, he heard Janessa's scream.

Looking through the crowd, he saw that Janessa's trousers were taken off, and there was only a cute underpants left. These men hadn't had sex for many years. How could they control themselves when they saw a woman with such a good figure who could be tortured by them?

The men had already taken action together.

"Stop! Noble, just kill me! " Janessa kicked crazily to prevent the men around her from approaching her. Although she was not a virgin, being tortured by so many men... She couldn't survive. Even if she was lucky enough to survive in the future, she would be ashamed to see others.

Laughing loudly, Noble looked at Janessa pitifully, "Look, this is the man you had before. You have been a couple for more than three years, but he just watches you being tortured by other men. How pathetic! "

Noble said this to both Janessa and Rayan.

However, Rayan was still indifferent.

The men in Rayan's impression would never hurt innocent people. So he was betting.

"Ha-ha, I've already seen through him. He murdered my child for another woman. From that moment on, I wanted to kill him. " On the one hand, Janessa really didn't want to see Rayan here. On the other hand, she really thought of the day when she had been left at home by Rayan.

It was at that time when her child...

There was hatred in Janessa's eyes.

She would never forget that scene.

"Oh, I see. Guys, wait a minute." Noble walked to the side of Janessa, seeing the hatred in her eyes.

Had he gotten wrong news?

"What can you explain, Rayan?"

"Who would like such a woman? Now that you are interested, just take her away." As soon as he finished speaking, Rayan was about to get on the car.

He had a rough idea of the terrain here. As long as he discussed with Rylan later, he would know how to save Janessa.

Hearing that, Noble nodded. Then he stood in front of Janessa and pinched her face hard with one hand.

Janessa didn't expect him to do so, and she screamed subconsciously.

Glancing at that scene, Rayan stopped opening the door and looked up at Noble.

"Why are you in such a hurry to leave? Since you don't like this woman, you can see how she is with others. " As Noble spoke, he put down Janessa on a table. There were many pieces of iron on the table, and it hurt very much under her body.

But Noble didn't show any mercy to Janessa. He tore her clothes into pieces.
