

BO LOVE LIFE 401

Chapter 401: Mr. Bo, Don't You Find Me Dirty?

Chu Ci waved his hands and sent some subordinates to step forward and restrain Xi Mubai.

He then stepped forward and said, "It's the middle of the night, Young Master Xi, you should go home early. As for the other matters... don't interfere!"

As soon as he finished speaking, he shoved Xi Mubai into the car and drove in a different direction, before the latter could even react.

"Luo Zheng, I will save you, I will definitely save you! Wait for me..."

Xi Mubai looked extremely dejected and his heart was full of resentment.

He took another look, only to see Luo Zheng being forcibly taken away by Bo Hancheng. The only thing he could do was to shout that sentence!

Bo Hancheng was listening to Luo Zheng while glaring at her. She was full of reluctance and was still trying to struggle out of his grasp.

Feeling a sudden chilliness in his heart, he placed his large palm on her waist and gibed, "Your boyfriend treats you really well!"

Luo Zheng stubbornly looked up at Bo Hancheng and retorted with a cold smile, "How could my boyfriend treat me badly? Unlike him Mr. Bo, you're dating Mu Nianqing while imprisoning me at the same time. It's disgusting!"

"I'm disgusting? Great, wonderful!"

Bo Hancheng burst into laughter while being infuriated and at the same time that the car pulled over, he continued to instruct Chu Ci without even turning back, "Teach him a lesson, let his parents pick him up at the hospital!"

Chu Ci was stunned, and felt that it would be a little bit tricky to do so. Although he was in Beijing, and it would be easy to deal with the Xi Family... falling out with them directly at this moment, would make it a little hard to clean up the aftermath.

Seems like Third Brother is really exasperated and he can't stay rational!

What else can I do? I can only follow his orders!

Luo Zheng knew that she had gone overboard and she felt that given his pride, he should have been agitated enough to let her go!

To her surprise, things didn't go according to her expectations. What's going on?

She watched as the car door opened and Xi Mubai was shoved out of the car.

Luo Zheng looked back and glanced at the spot where Chu Ci was at. Xi Mubai didn't look as refined as he used to, and was instead, in a disheveled state. "Mr. Bo, that's my boyfriend, who are you to touch him? Let me go, I want to go with him..."

Bo Hancheng turned a blind eye to it and instead, picked Luo Zheng up by her waist, and threw her into the back seat.

“Call someone to come and drive.”

After instructing coldly, Bo Hancheng got inside the car too.

Holding Luo Zheng firmly in his arms and controlling her to stop her from escaping, he pinched her chin and warned in a low voice, “Luo Zheng, do you believe that he’ll get hurt deeper with every word of yours?”

Luo Zheng’s focus was not on Xi Mubai, but instead, she wanted to leave Bo Hancheng. Hence, she placed both hands on Bo Hancheng and questioned, “Bo Hancheng, what do you want?”

After the chauffeur got inside the car, he rolled up the partition which instantly divided the space in front and that of the back.

“Don’t you know what I want?”

Bo Hancheng stared at Luo Zheng who was in his arms, feeling like he was trying to bear with it for every single second.

“In the beginning, you approached me, pestered me and seduced me! Why? Do you think you can leave now just because you want to? Ha... Sister Zheng, you are so naive!”

After hearing this, Luo Zheng could vaguely guess something which left her in huge disbelief. She then looked away and avoided his fingers.

“Don’t tell me... that you still want me, Mr. Bo?”

Luo Zheng questioned him as she tried to bear with the warmth that was a result of her desire for the drug. Although it was not considered a relapse, it was still agonizing.

“But, Mr. Bo, don’t forget, in your eyes, I’m already filthy! Since that’s the case. Don’t you find it too dirty to touch me?”

Luo Zheng said provocatively and stared at his sullen expression. She was feeling terrible too.

...

Chapter 402: Untitled

Ever since the Gu Family banquet where he mistook her for being in an affair with another man, she had been trying to explain herself.

However, before she could even explain, she found out about the cruel truth. His woman turned out to be Mu Nianqing!

That was not all. He was the one who chose Mu Nianqing and insisted on abandoning Luo Zheng. Later on, he even locked her up and sent Mu Nianqing to chat with her to relieve her boredom.

He clearly knew that she detested Mu Nianqing. Moreover, when she was at her weakest, she couldn’t control her emotions and was baited into attempting to murder Mu Nianqing.

In the end, he abandoned her again.

Being abandoned twice was already tiresome enough and she didn't want to go through it again for the third time!

"You know that I'm scared of filth and yet, you still let another man get intimate with you? Luo Zheng, you are really cheap!"

Bo Hancheng hollered coldly and stared at her without much pity.

"Yes, I am cheap, but what... about you? What are you doing... "

Luo Zheng tried to bear with the discomfort and she continued to speak out against him.

"I'm filthy but you're not any cleaner."

Thinking about Mu Nianqing's statement about her having slept with Bo Hancheng, she was suddenly filled with repulse. "Bo Hancheng, go away! Stay away from me..."

He watched as she pushed him away in repulsion with both hands and with a sullen expression, he leaned over and pressed her down before kissing her forcefully.

That was not all. He put her down and pressed her against the chair. He then leaned over and pinned her down beneath him, making it impossible for her to move.

"Mm..."

Luo Zheng was disgusted by his kiss and she continuously retreated to avoid him while pushing him away.

Bo Hancheng held onto her wrist and tried to hold the other one but Luo Zheng struggled and dodged frantically. She even scratched it vigorously.

All of a sudden, a bloodied scratch was formed on his face.

She had also scratched him previously but it was not too deep, and he could still somewhat ignore it... However, at this moment, a sharp pain formed on his face.

In addition, Bo Hancheng's mood was already gloomy and he was looking down at her coldly from above.

Luo Zheng stared at his bleeding skin and there was now a blemish on his handsome face. She held her breath again.

A faint stream of blood trickled down his arm.

Upon seeing this, Luo Zheng finally remembered that there was a wound on his arm. When she was suffering from the relapse, she slit his arm with a penknife. She reckoned that she had just touched his wound.

Somehow, Luo Zheng felt a little scared and her heart was racing. She said in an unnaturally feeble voice, "If you want to do this, go find another woman, why bother forcing me? I did say that I'm willing to be your partner in bed but from the moment you chose Mu Nianqing, my words no longer count..."

She paused and said to him in an aggrieved manner, "You claimed that I'm dirty, just because... you think that another man has touched me? What about you? You've already touched Mu Nianqing a long time ago. What does that mean?"

Bo Hancheng listened and at last, he questioned, "Doesn't count? What about the things that you said before? Do they not count too?"

He had asked a similar question not too long before.

Back then, Xi Mubai answered for Luo Zheng who remained silent.

However, at this moment, she did not hesitate at all because she was hell-bent on refusing him. She raised her head to look at him and admitted, "Yes, it doesn't count. Everything that I've said to you before, no longer counts..."

Before she finished saying her words, Bo Hancheng stopped restraining himself and instead pressed his hand against her swan-like neck.

"Luo Zheng, you're asking for death!"

Chapter 403: Bo Hancheng Ties Luo Zheng With The Belt

"Luo Zheng, you're asking for death!"

Bo Hancheng wrapped his large palm around her neck and would be able to strangle her as long as he tightened his grip.

Luo Zheng looked down and felt extremely fatigued. She suddenly closed her eyes and said, "If you want to strangle me, just do it! It's nothing more than my life. Kill me and I will never owe you anything again..."

Luo Zheng's tone was a little peculiar but at this moment, Bo Hancheng was no longer in the mood to find out.

Staring at her for a long time, his palm stiffened but he didn't apply force in the end!

"Luo Zheng, I hope that what you said is true!"

At last, Bo Hancheng laughed at himself with an ambiguous meaning.

If he had really chosen Mu Nianqing and touched her, how could he still harbor such intentions about her now?

He made up his mind while thinking about it.

He had to make her his. Once he really does, he would have no regret!

When the time comes, he could either destroy or abandon her.

He forced himself to remove his hand, so as not to accidentally strangle her. Bo Hancheng then sat up, leaned against the car seat and calmed himself down.

Sensing that he was leaving her body alone, Luo Zheng felt a sense of relief and she opened her eyes again.

She quickly sat up and curled up in a corner of the seat while staring at him with her guard up.

For a while, she couldn't guess what was on his mind. Why did he suddenly stop?

Could it be... that he has decided to let me off?

While thinking about it, Luo Zheng immediately denied the idea and thought to herself that that was definitely impossible. She knew him too well.

Looking out of the car window, she realized that they were getting closer and closer to Royal Orchid Garden and she was filled with a strong, ominous feeling.

She tilted her head and stared at the handle of the door, and couldn't help but reach out and try to turn the handle in a bid to see if she could open it.

At the next moment, she discovered that the door could not be opened and hence, felt slightly depressed.

However, she did not notice for a while that she had made a soft sound, thus awakening Bo Hancheng who had closed his eyes to soothe his mind.

His heart wrenched up and he could guess her intentions. He thought back to how she tried to jump out of the car when he wasn't staying alert earlier!

Back then, she was lucky enough to not sustain any major injuries. However, she wanted to repeat it again.

In an instant, Bo Hancheng extended his long arm and pulled her into his embrace. "Luo Zheng, you're trying to jump out of the car again? Is your life so cheap!?!"

"No..."

Luo Zheng stared at his handsome face which was growing sullen, and his abyss-like eyes, that seemed to contain a violent storm that was brewing.

All of a sudden, she held her breath and quickly explained, "I just want to take a look..."

Luo Zheng really wished she could cry but she had no tears at all. She did feel a sudden urge to pull the handle of the door just now!

For a while, she forgot that she had already tried the same thing with him earlier!

"Sister Zheng, do you think... I will believe you?"

Bo Hancheng chuckled and asked.

Luo Zheng felt a sharp pain in her heart and she looked down before saying in contempt, "Well, yeah, you won't believe me. Anyway, you've never believed me, you only believe in yourself..."

Before she could finish speaking, she heard a clicking sound, which seemed to be the sound of something being unbuckled.

Upon hearing it, Luo Zheng raised her head and her pupils constricted. What did she see?

He suddenly got up and slowly removed his belt before pulling it out swiftly.

Luo Zheng was stunned, and finally realized what was going on. Feeling fearful, she asked, “Bo Hancheng, what are you doing? What are you doing...”

Before she finished, he had already grabbed both of her hands and held onto them firmly. He then tied them together with his belt.

“Bo Hancheng, you lunatic! Let me go...”

Chapter 404: Your Body Is Too Dirty, You Must Go Back And Wash Up. Otherwise, I Won't Be Interested...

“Bo Hancheng, you lunatic! Let me go...”

She had never expected him to tie her up with the belt. She turned pale and she began struggling in panic.

However, she was not as strong as him and during the scuffle, her hands had already been tied up together. A slight struggle would cause her wrist to bleed because of the friction with the belt.

“Bo Hancheng, how could you tie me up with the belt? Untie me...”

Luo Zheng glared at him coldly as she couldn't accept it all of a sudden.

However, Bo Hancheng remained calm and answered calmly, “This is your punishment for disobeying me!”

All of a sudden, Luo Zheng flew into a rage and exclaimed, “Bo Hancheng, let go! Let go of me...”

Unfortunately, he ignored her and pressed his large palm against her waist without uttering another word.

They made their way to Royal Orchid Garden.

Luo Zheng could not pull her wrists out of his hands and was locked in his arms. Hence, there was no solution for her at all. She had no choice but to say furiously, “Bo Hancheng, I know what you want! You just want to make love with me, don't you? I just wonder if you can bring yourself to do it with me since I've already been touched by someone else. Don't you hate filth...”

“Yes, I do hate filth. When the time comes, I will just use a condom! That would solve the issue, wouldn't it?”

Bo Hancheng said with a cold smile as he grabbed her chin.

Feeling an immense pain in her chest, Luo Zheng's eyes turned red and she continued to provoke him, “In that case, why bother, going through the hassle of going back to the mansion? We'll just do it in the car, lest we dirty your place, Mr. Bo...”

The atmosphere fell silent for a while.

“You think I don’t want to, eh? It’s a shame that you are too dirty now so you must go home to wash yourself clean. Only then, will I be aroused!”

Bo Hancheng said in a cruel tone after a long time.

At the same time, he stuck his big palm under her nightdress, groping her delicate skin and pinching her forcefully everywhere with his rough fingers, leaving behind a trace of marks and welts.

“Of course, you’re right. No matter how you wash yourself, you’ll still stain me because you’re already dirty deep down. Hence, I have to change the place. Let’s go to the place where you live alone!”

“Bo Hancheng, you... mm! It hurts...”

Luo Zheng was so infuriated that her heartbeat accelerated and she still wanted to retort.

At the age of seventeen, Luo Zheng had developed completely and was already sexually sensitive. Yet, she was treated that way by Bo Hancheng, causing sweat to form on her forehead.

“Sister Zheng, you are really a disobedient child! Be good and stop making so much noise, otherwise...”

He did not finish the rest of his words but Luo Zheng could imagine that they were definitely not nice.

Luo Zheng bit her lip and was forced to get closer to his chest. The familiar, subtle scent of tobacco of his was still there, but it was no longer the same. It was now mixed with a tinge of indifferent ruthlessness.

She was doomed to face the ordeal tonight!

Forget it, if he wants it, I’ll just give it to him. Luo Zheng thought to herself. However she felt extremely aggrieved and wronged, and she tried to stop herself from crying. She said angrily, “Bo Hancheng, don’t regret treating me like this!”

At this moment, the car entered Lanyuan Estate and stopped at Bo Hancheng’s residence.

“Regret? Ha, Luo Zheng, don’t overestimate yourself!”

As he spoke, he opened the door and alighted.

He then grabbed her by her shoulder and pulled her out of the car roughly, instead of carrying her out!

Chapter 405: Bo Hancheng...He Has Never Touched Me...

Luo Zheng’s ankle was already swollen and she felt an excruciating and sharp pain the moment she got out of the car. She swayed unsteadily and almost fell to the ground.

Upon seeing this, Bo Hancheng’s eyes darkened, and instead he wrapped his arms around her waist, dismissed the driver, and slowly entered his home.

The surroundings were quiet in the middle of the night.

After entering his home, Bo Hancheng did not go up to the second floor immediately, and instead headed straight to the first floor.

At the thought of having stabbed Mu Nianqing there before, Luo Zheng felt a strong sense of reluctance. "I don't want to go to the first floor..."

However, Bo Hancheng was thinking that Luo Zheng had been together with Xi Mubai on the second floor previously, and he did not know what they had done.

His heart sank and he stared at her coldly. "It's not up to you!"

As soon as he finished speaking, he walked towards the door and kicked it open. After he entered, he closed it and locked himself and Luo Zheng in the room.

He switched on the lights and felt a little softhearted when he saw how pitiful Luo Zheng looked.

However, that only lasted for a moment and Bo Hancheng grew relentless again. He picked her up by her waist and carried her to the bathroom.

"Sister Zheng, pick the place. Do you want to do it in the bathroom or outside?" Bo Hancheng asked coldly without showing any mercy.

The blue poison was taking its toll on Luo Zheng's body, making her feel a burning sensation in her body. She was extremely feeble and the only thing she could say was, "Bo Hancheng... if you dare to touch me... I will hate you... I will really hate you ..."

Despite knowing that she couldn't escape and probably had to resign to her fate, Luo Zheng still refused to admit defeat!

"It's up to you to decide if you want to hate me or not. It's your business, it has nothing to do with me..."

Bo Hancheng said coldly with some extraordinary cruelty.

As soon as he finished speaking, he turned on the faucet in the bathroom and a stream of water began to flow out through the sprinkling shower head. He then reached out to grab Luo Zheng, making her stand under the shower head.

"Bo Hancheng... you bastard... pervert... beast..."

Luo Zheng stood under the shower head and was soon drenched in water, with her seaweed-like tresses cascading down her chest.

That was not all. Her hands were still tied together by the belt and after a long time, she had developed abrasions from the friction between her skin and the edges of the belt. There was also some blood and it seemed like the belt was almost going to be embellished in her skin.

At this moment, she felt a stinging and sharp pain because of the water that had come in contact with her skin.

Bang!

At the next moment, the petite Luo Zheng was forcefully slammed against the wall by Bo Hancheng.

He then adjusted the direction of the shower head and continued to make Luo Zheng stand under it. Sounding extremely cruel, he said, "I haven't even done anything and yet, I'm already a bastard, a pervert, a beast, and... what else? What other names can you call me..."

After he finished speaking, he began tearing up her nightdress.

Soon, her nightdress slid down her shoulders and landed on her waist before sliding down onto the ground.

In an instant, her flawless body was exposed. She was burning hot and there were plenty of marks on her body which had been left behind by him.

"Tell me where he touched you..."

Bo Hancheng placed his hand on her and washed her from head to toe while the water flowed.

He then moved his hand backwards and unbuckled her bra, after which she was almost stark naked.

"No... he never touched me..."

Luo Zheng felt rather ashamed and embarrassed to have her body presented in front of him.

After all, she had overestimated herself. She thought that she would not be bothered but now that she was facing him, she still minded it... She felt ashamed, agonized and embarrassed about letting him bathe her.

"Sister Zheng, you're lying again! Are you lying because you think I'm gullible? Is that why you're so dauntless..."

Chapter 406: Don't Act Like This, I'm scared, I Really Am...

"Sister Zheng, you're lying again! Are you lying because you think I'm gullible? Is that why you're so dauntless..."

Bo Hancheng said coldly with an emotionless gaze.

While listening, Luo Zheng felt like she was on the verge of breaking down. While sobbing, she spluttered, "No... I didn't lie... It's true... He didn't touch me..."

She paused and met his emotionless eyes. Her heart ricocheted and she exclaimed, "Bo Hancheng, don't do this! I'm really scared to see you behave like this. I'm so scared... you shouldn't be like this! You are not like this..."

Even if it were seven days ago, Mr. Bodyguard shouldn't be like this. Although she only had a brief period of contact with Mr. Bodyguard at the end of her previous life, she still felt that Mr. Bodyguard should be a cheery, kind hearted and warm person, and not the cold, dark and cruel man he was now.

In fact, Bo Hancheng was not the way he was now, at the beginning. He had simply turned into his current self unknowingly.

He was like a psychopath who was mentally unsound and extremely daunting!

“What are you afraid of? Before this, haven’t you always wanted me to get intimate with you!?!” Bo Hancheng sneered and answered.

He felt rather disappointed to hear her say that he ought not to behave that way. At the end of the day, she still didn’t know him well... However, that didn’t matter now.

Anyway, she was just a plaything to him now, whom he must get his hands on. Once he owns her... there will be no more trouble!

Having confirmed that idea, Bo Hancheng moved his palm downwards and caressed her while cleaning her.

“Here... here... or here? Sister Zheng, you must clean yourself thoroughly...”

While speaking, he did not stop touching her and instead, skimmed through every part of her body to ensure that she was clean.

“Bo Hancheng, you’re sick in the head! Don’t touch me...”

Luo Zheng was almost terrified by his touch.

Especially at this moment, he was still smiling mirthlessly, as if he were a devil clothed in a god’s skin.

Perhaps it was not until this moment that Luo Zheng realized how terrible the man whom she had provoked truly was!

“Luo Zheng, you were the one who forced me into this, and now you want to retreat? It’s too late!”

Sensing that Luo Zheng was terrified of him, a dull ache formed in Bo Hancheng’s heart deep down.

However, he felt that way for only a moment, and he began to unbutton his shirt, revealing his muscular abs.

Without stopping, he removed his pants too.

“Bo Hancheng, what are you doing? Go away...”

Luo Zheng looked away and barked in a tone of panic, not daring to look at him at all.

“What do I want to do? Didn’t you already find out long ago?! Why are you pretending to be innocent?”

He sneered and stepped forward, clad in nothing.

Luo Zheng was overwhelmed with terror and she finally realized that things were not as wonderful as she used to imagine!

She was filled with disgust, repulsion and abhorrence.

She used to think that Bo Hancheng was different from other men and she never felt repulsed by him... but now, she was once again overwhelmed by xenophobia. Bo Hancheng was no exception!

Hence, he placed his hand on her waist and held her tightly in his arms.

Barfs

Unable to tolerate it any longer, she covered her mouth and began barfing.

All of a sudden, Bo Hancheng said coldly with a sullen expression, "Is it really that intolerable?"

Luo Zheng's stomach was churning and when she heard him question her, she initially wanted to retort. However, she couldn't take it any longer and hence, said coldly, "Bo Hancheng, I can't, I really can't, I can't do it! Stop. Don't touch me again, alright..."

Chapter 407: Bo Hancheng, You're A Jerk, You're A Heartless Jerk...

If he were to ruthlessly continue, she would probably develop a phobia and end up being traumatized by him.

He was no different from other men.

Actually, she didn't wish for things to turn out that way either. Regardless of what happened, she still hoped... that he would be special. She didn't want the only special thing about him to disappear too!

"Why can't you do it? Others can touch you but I can't? Luo Zheng, no one has ever dared to play with me like this. You definitely have to pay the price for that..."

While speaking, he raised her chin with his hand and was about to kiss her.

However, Luo Zheng barfed again, thus causing him to lose plenty of interest as his face grew sullen... and hence had no choice but to retreat and kiss her swan like neck. However, she began to moan unbearably.

Barfs

At the next instant, Luo Zheng again expressed her repulsion.

Bo Hancheng lost his patience and grabbed her round breasts. "Little imp, I wanted to show you some mercy and be gentle with you but it seems... you don't need it at all!"

As soon as he finished speaking, he stepped forward domineeringly and moved her away from his body.

Sensing his strong and obnoxious desire, she began to shiver and could not help but plead, "Bo Hancheng, let me go. We'll do it next... next time, okay? I can't take it now. Just bear with it..."

It was not that Bo Hancheng didn't want to take pity on her but rather, she had exhausted his patience and forced him to this point.

However, he discovered that he had hopelessly become softhearted after hearing her pleading.

However, that only lasted for a moment and he soon became cold and stubborn again. He continued to step forward slowly.

"Bo Hancheng, I was lying to you previously. Xi Mubai and I didn't do anything at all! The bite marks on my neck that night, and the welts were caused by Gu Changye! You too, know that Gu Changye is sexually impotent so nothing happened between us either. I didn't do anything with anyone at all..."

Luo Zheng was really intimidated and scared. Bo Hancheng almost ruined her and hence, she was no longer that stubborn. Instead, she came clean feebly.

To her surprise, Bo Hancheng sneered after hearing her words, "It turns out that Xi Mubai is not the only one. There is also Gu Changye! Well, I shouldn't have underestimated you..."

Upon hearing his words, Luo Zheng felt a sudden sense of suffocation in her heart and she looked up at him. "Bo Hancheng, do you not believe me? You don't believe me at all? Everything I said is true! I didn't dirty myself, and I have always been clean. Out of all men in this world, the only one I can accept is you. I can't accept others at all, believe me..."

There was a change in Bo Hancheng's expression as he listened to her speak in a hoarse voice.

However, it was only for a moment and he soon leaned over again. "I almost got deceived by you. Sister Zheng... you're certain that I'll continuously compromise and give in to you, aren't you? Unfortunately, things are different now..."

After he finished speaking, he placed his large hand on her and began to pull on her underwear again.

He then began to invade and violate her slowly with just the tip.

Luo Zheng tried to close her legs but to no avail because he was stopping her with his thigh. Hence, she had no choice but to feel him approach her while being filled with desires.

If he were to move forward a little, he would completely possess her!

She paused and lost the last bit of rationality within her. She then looked up at him with tears and resentment in her eyes. "Bo Hancheng, I have never let you down before! But what happened in the end? You don't believe me... hurt me... and let me down... you are a jerk... a heartless jerk with no conscience..."

...

Chapter 408: She Is Still Clean...

At the end, she was almost sobbing and venting all her grievances.

"I don't want you... I really don't want you anymore... do what you want... just do it..."

Luo Zheng seemed to have given up on resisting and decided to go all out. There was nothing else she was thinking about.

Since he refused to believe her regardless of her explanation, so be it!

If this is the only way to prove my innocence, then... I shall let him prove it!

Bo Hancheng had a complicated expression and he glanced at Luo Zheng, feeling extremely aroused and overwhelmed with sexual desires. He couldn't ignore it at all.

Luo Zheng raised her head to look at Bo Hancheng stubbornly with misery and agony in her heart.

Seeing that Bo Hancheng had paused all of a sudden, Luo Zheng sneered softly in derision with tears in her eyes. "What's the matter, Mr. Bo? Do you find me dirty or do you need to use a condom?"

"Luo Zheng, don't force me!"

Bo Hancheng tried to endure it, and a thin layer of sweat formed on his forehead. He was just as uncomfortable as Luo Zheng.

"I'm forcing you? What a joke, Bo Hancheng... Who is the one doing the forcing?"

Her tone was rather cold when she spoke.

Before Bo Hancheng even responded, Luo Zheng suddenly bit her lip and said softly, "It's a pity that there is no condom here, and I will make you dirty, Mr. Bo! I'm sorry but you have to feel aggrieved..."

Bo Hancheng had only entered Luo Zheng a little and she already felt an excruciating pain because her skin was tearing apart. However, the pain radiated throughout her body and she couldn't continue.

At this moment, he could not quite describe his feelings. Perhaps, he was shocked. Perhaps, he was overjoyed or perhaps, he regretted it... No matter what it was, he felt sympathy for Luo Zheng when he looked at her, and he felt an urge to protect her.

Luo Zheng could not tell what he was thinking and she simply forced herself to look at him. "Mr. Bo, are you satisfied? I'm sorry to have accidentally soiled you! However, it should be alright. When it comes to such things... you won't be at a disadvantage because you're a man!"

After enduring the pain, Luo Zheng felt as if her lower body had been split open, making her feel a stinging and burning pain that was extremely unbearable.

However, it was just the beginning and she could not imagine what it would feel like to have him enter her completely.

Despite feeling dejected, Luo Zheng still prepared herself to take all the pain and braced herself for it because she had no choice.

At the next moment, she gritted her teeth and wanted to break through her own barrier to make the both of them become one!

However, before she could even do anything after being ready to take action,

Bo Hancheng beat her to it and pulled himself out to move away from her.

"Mm..."

Luo Zheng's calf turned weak and she almost fell onto the ground.

During the critical moment, he put his hand on her waist and pulled her into his embrace again, allowing their skin to be pressed together!

Chapter 409: Hurt?

With tears in her eyes, she looked up at Bo Hancheng, only to be greeted with his kiss which was planted on her eyes. "Enough! I believe you..."

She had already proven with her actions that she was still innocent and had yet to be stained by another man. What else was there for him to doubt?

However, he didn't expect that she was so determined as to prove herself using such a method!

While feeling a dull ache in his heart, he began to regret compelling her.

For the first time in his life, such a thought surfaced in his mind.

Bo Hancheng, she's not wrong. You are a jerk, a pervert and a beast!

I clearly know that she's still young, weak, and unable to tolerate these sexual encounters... Yet, I still compelled her and drove her into a corner. I was the one who forced her at the end of the day!

While thinking about it, he watched as the tears in Luo Zheng's eyes rolled down slowly.

He pressed his thin lips and sighed softly. "Sister Zheng, you shouldn't have agitated me... "

Bo Hancheng had always known what his true self was like... During normal circumstances, he would usually be indifferent about things.

Although he was possessive, he rarely wanted to possess anyone. Luo Zheng was the only person he felt possessive over!

Luo Zheng didn't say a word but tears were dripping from her eyes. She was filled with pain all over.

Apart from the sounds of the faucet, there was silence in the bathroom.

The matter happened too suddenly and Bo Hancheng didn't know what to say to make it up to Luo Zheng.

However, her hands were tied together and she was filled with resentment.

He reached out to grab her slender wrist and carefully unbuckled the belt before throwing it onto the ground.

Later on, he looked at the red welts and lowered his head to kiss her, causing her to shiver.

"Does it hurt?"

Bo Hancheng asked softly, though he found his question to be rather redundant.

At this moment, she should be in extreme pain!

However, what's the point of going on?

He turned off the faucet, grabbed the towel on the shelf and wrapped it around Luo Zheng. He was just about to pick her up and leave!

"Mr. Bo, have you decided not to go on because you believe that I'm no longer a virgin?"

Luo Zheng reached her arm out and pressed it against his chest while questioning him coldly.

Believe me? Does he... believe me?

Isn't it ridiculous that he chose to believe me only when things have happened? Does it mean anything at all?

Bo Hancheng was suddenly at a loss over what to do, which was something rare for him. However, at this moment, he clearly knew that he was at a loss.

He had been insisting that she had given herself to another man and was no longer clean.

However, it turned out that he was wrong and she was still a clean girl!

He wanted to apologize, but the matter happened all too suddenly. He was extremely prideful and he couldn't bring himself to say those words. "Yes, I believe you, so I don't want to do it."

"Mr. Bo, you really have great endurance. You actually managed to stop just because you wanted to..."

Luo Zheng said softly with some derision that no one could understand.

"If I'm no longer a virgin, you'd trample all over me. If I am, you'd cherish me and dote on me! Bo Hancheng, what do you mean by that? What am I to you!?!"

Luo Zheng asked, feeling a little melancholic.

Having worked hard for such a long time, she was still just an object to him. How tragic!

"It's not like that..."

Chapter 410: Bo Hancheng, Are You Trying To Force Me To Death!?!

"It's not like that..."

Bo Hancheng could not explain himself and all he could do was refute with a few words.

Although he couldn't quite pinpoint what she meant to him, she was still an important existence... that was something that he couldn't deny, and if he did, it would only be a lie that he could not believe!

Although he cared about her virginity, it was not the only standard to measure her worth.

He just wanted her to be obedient and keep a distance from other men. However she kept rebelling and even left with Xi Mubai!

It was not that he didn't want to treat her well but she was the one who kept agitating him.

Of course, he had also been acting ridiculously and was in the wrong for misunderstanding her. He refused to believe that she was innocent and even ignored her explanation!

However, at this very moment, she looked at him in a provocative manner and said, "I finally know that all it takes is something as trivial as a hymen to make your attitude change drastically! Had I known earlier, I would have gone for the reconstruction surgery earlier..."

As soon as she said those words, Bo Hancheng's face grew sullen and he stared at Luo Zheng coldly.

"Mr. Bo, I'm really sorry to have made you happy for nothing! I got my hymen reconstructed via surgery. How is it? Aren't the results of the reconstruction very realistic..."

Before she could finish speaking, he pinned her down beneath him and sucked on her lips again to stop her from saying anything to agitate him.

He knew that Luo Zheng was deliberately saying those words to take revenge on him!

Although he did not have any experience, he could clearly feel how delicate, tight, wonderful and addictive she was.

If it weren't for the various factors that allowed him to maintain his last bit of rationality and sanity, he would have really gotten intimate with her.

At that time, she was trying to bear with the pain and the memory of her appearing pale and feeble was deeply etched in his mind.

An idea popped up in his mind without his realization. If he were to take advantage and make her his completely, not only would their relationship not improve, it might become further strained.

It would escalate to the point where it was irreparable!

Luo Zheng refused to cooperate. She continuously moved her head to avoid him while her body shook unsteadily. He then slowly retreated and huddled up in the corner of the bathroom.

"Mr. Bo, since you don't want to do it anymore, can you let me go now?"

After saying the difficult sentence, Luo Zheng's body shivered a little and she was filled with repulsion towards Bo Hancheng.

I knew it. I knew I couldn't get over this emotional and psychological barrier.

In her previous life, Mu Sen set her up and caused her to develop genophobia. As a result, she had been detesting acts of intimacy with other men... She initially thought that Bo Hancheng was special but after he started to compel her just now, he was no longer special!

"Luo Zheng, you know I won't let you go!"

Bo Hancheng was just about to step forward and carry Luo Zheng out of the bathroom.

To his surprise, Luo Zheng refuted vehemently this time and she yelled, "Don't come here! Bo Hancheng, don't hold me in your arms again, I can't stand it..."

Her brief remark seemed like a dagger to his heart which made him feel pain and regret.

At the next moment, his voice grew deeper and he finally put down his pride, dignity, arrogance, and aloofness to apologize to her seriously.

"Bo Hancheng, do you want to force me to death?!"

However, her words stopped him from continuing.

Standing at a step away from Luo Zheng, he looked at how sad and pathetic she was. A sudden feeling of dismay radiated through his limbs and body... She shouldn't be like this in the first place. She should be radiant, clean and warm.

So did I force her into acting like this?

Did I force her into this desperate situation!?!

At last, Bo Hancheng said with a heavy heart, "Okay, I will let you go." She had left his restraints and for the first time in his life, he admitted defeat.
