

Bodyguard 2451

Chapter 2451 Embarrassing Himself Again

Zhaolong had no other strengths but his passion for studying. He'd memorized all of the coach's pointers just for this moment.

"Oh, I don't know how to either. You can teach me and Xinyan." Lin Yi looked at Zhaolong, his face expressionless.

"Ah?" "What?" Zhaolong blinked. You don't know how to do it either?"

"Yeah, Zhaolong, since you're so kind, you won't only teach Xinyan but not me, right? Boss Bai encouraged students to help each other. You won't treat him differently, right?" Lin Yi said faintly.

"I ..." Zhaolong was a little speechless-he didn't think Lin Yi would come out at a time like this to mess things up."Okay, then I'll slide one round and you watch me slide. How much you can learn will depend on your comprehension ability! Xinyan's a girl, and her parents asked me to take care of her. It's not that I don't want to teach you, it's just that we don't have time. "

"Oh, then you can go ahead." Lin Yi nodded.

Zhaolong quickly changed into his ski shoes, skis, and put on his goggles. After everything was ready, he said,"All of you, watch carefully!"

"Oh." Lin Yi replied, a teasing look in his eyes. Zhaolong, on the other hand, couldn't see it since he had turned around. He warmed up and began to ski according to the techniques he learned from the ski coach ...

Skiing wasn't actually that difficult-as long as you didn't make any sharp turns or race, or do any dangerous movements, it was easy for the average person to grasp the concept in a short amount of time. Zhaolong had already practiced before, and he was able to get used to it in no time ...

Zhaolong was getting faster and faster. He wanted to show off in front of Xinyan, but tragedy always happened when he was feeling smug. With a loud crack, his skis broke!

Zhaolong's whole body fell to the ground, and due to inertia, he rolled down the slope like a snowball. He didn't stop until a long time later, but his whole body was covered in snow. He struggled for a long time before he could get up.

Yu Panhu and his two men were squatting at a corner. He didn't like skiing, so he was only here to accompany Zhaolong. He was just about to do something when he saw Zhaolong in trouble. He quickly brought his men over.

"Kang bro, are you okay?" Yu Panhu helped Zhaolong up.

"No... We're really F * cking unlucky!" Zhaolong looked at the broken skis, speechless. His luck was pretty bad today.

"The skis broke? This thing can break? It wasn't Lin Yi, was it?" You Panhu frowned, remembering how Lin Yi somehow screwed up Zhao Qibing during the Hidden House meeting. He had a bad feeling about it.

"Lin Yi? It can't be, right? "I didn't even let him touch my skis ..." Zhaolong hesitated and asked with uncertainty.

"It's hard to say. He didn't touch your skis, but he is a cultivator. If he hits a small stone or something, it can break your skis, right?" You Panhu said.

"Go find Lin Yi!" Zhaolong couldn't take it anymore-he took off his skis and went to Lin Yi for an explanation.

"Kang Zhaolong, your skiing skills are godly. Doing a front flip ten times while you're skiing is something we can't do. You can go and participate in a ski show." Lin Yi said mockingly, pissed off at the thought of Xinyan's fiancé.

"Lin Yi, did you do it? You broke my skis and embarrassed me in front of Xinyan?" Zhaolong didn't care about Lin Yi's sarcasm.

Zhaolong's words made Xinyan look at Lin Yi. She didn't like Zhaolong, and didn't want to have anything to do with him, but Zhaolong was still her fiancé. He had reason on his side, and since Xinyan didn't want to be with him, she didn't want to have any conflict with Lin Yi, either.

"What did I do?" Lin Yi blinked, remembering Zhaolong's broken ski. He didn't know whether to laugh or cry."You mean skis?"

"Hmph! It's good that you admit it!" Zhaolong hmphed coldly.

"Admit what? you bought a pair of skis made of poor quality steel plates. In such a cold day, the steel plates are hard and brittle. The skis must be made of aluminum alloy with toughness. Don't you know that?" "You paid a high price to buy a set of garbage, and you're saying someone broke it?" Lin Yi said, stunned.

"Is ... Is that so?" Zhaolong blinked. "That's impossible. I bought a Fishman-branded skis, the best of the best. How could there be a problem?"

"A knockoff, right?" Lin Yi said with a smile.

Zhaolong's eyes slid down to the ski in his hand, and when he saw the three big words "entertainment brand" on it, his face twitched. This ski wasn't a murloc brand, it was a counterfeit with the same pronunciation!

He took a closer look at the quality of the skis, it was really bad, it was simply trash! Zhaolong's face reddened at the sight-he didn't even notice the details before, and Lin Yi noticed it all along.

"You ... Why didn't you tell me before?" Zhaolong was a little guilty, but he was still angry that Lin Yi didn't warn him earlier. He wouldn't have made a fool of himself if he did.

"I told you, don't regret it. You didn't listen." Lin Yi said.

"F * ck!" Zhaolong thought about it-Lin Yi did say something like that, but he thought that Lin Yi was just trying to argue with him. He didn't think that Lin Yi was actually joking!

Xinyan, on the other hand, thought differently. Lin Yi was a generous man, even in front of his love rival. He even warned Zhaolong about it, but Zhaolong didn't listen. Who could he blame?

Xinyan's face reddened at the thought of the word "love rival," and she cursed under her breath-how could she think that? He had to wait at least four years before he could think about these things after he graduated from University, right?

"Xinyan, Jing Jing, did you guys understand Zhaolong's demonstration? Of course, I'm talking about the previous ones, but you don't have to learn the back ones. " Lin Yi asked.

"Jing Jing has gained some insight." "But I don't think he's as good as Lin Yi bro!" Han Jingjing nodded.

Zhaolong looked at Jingjing disdainfully-wasn't this girl's bragging too explicit? However, Yu Panhu frowned. Lin Yi and han Jingjing's relationship seemed to be getting better and better. This was not good for him to get close to han Jingjing!

Chapter 2452 Zhaolong's Invitation

Zhaolong didn't want to stand there any longer. He hmphed and turned to coiling Tiger."Younger brother you, come with me to find the shop owner to settle the score. He dared to sell us counterfeit goods!"

After Zhaolong left, Xinyan hesitated for a bit before starting to ski with Lin Yi and Jingjing. She wasn't very skilled, but she was smart enough to learn from the others.

Lin Yi wasn't planning on taking advantage of Xinyan, either-he could do that anytime he wanted to. It didn't have to be skiing, and Lin Yi just followed behind Xinyan and Jingjing, afraid that they'd fall like Zhaolong.

The afternoon passed by quickly, and Zhaolong and coiling Tiger were back a long time ago. They didn't go skiing, though, but sat in a nearby beverage store and sipped on hot tea. The ski issue was just Zhaolong's excuse-he didn't really have a reason to look for the ski seller.

He was the one who wanted to buy the skis, and the boss and Lin Yi told him not to buy it. He didn't listen, so who was to blame? He could only blame his bad eyesight for not seeing the knockoff brand clearly.

At night, everyone's resting place was another villa on the mountain. They had to take a cable car or a helicopter to get there.

Of course, the price of a helicopter was too high, and only the rich would choose this method. The school used cable cars for the students, and Zhaolong and Panhu had already asked around about this.

Each cable car could only fit two people, and it would be a great opportunity for Zhaolong and Xinyan.

There were the least number of students in the pharmacy department, so boss Bai arranged for everyone to be last. However, this way, the students in the pharmacy department could also play at the ski resort for a while longer, and naturally, no one objected.

"Xinyan, can you ride the cable car with me later?" Zhaolong walked over to invite him, the ski in his hand already lost to God knows where. "Auntie called just now and asked me to take care of you?"

Xinyan was about to reject him, but the second half of Zhaolong's sentence put her in a difficult position. Zhaolong's words touched Xinyan's most nervous heart, and it reminded her that it wouldn't be good for Lin Yi if she interacted too much with him!

The sky elixir sect was an existence that Lin Yi couldn't surpass, and if she acted too close to Lin Yi, it would bring him a lot of unnecessary trouble!

Xinyan sighed at the thought of Zhaolong's constant fawning on her. She didn't know why Zhaolong was still looking for a marriage alliance with her family now that he had such a powerful backer. Was it all about his face?

But come to think of it, sometimes, one's life was all about face, especially for the noble houses. What was the difference between house Xiao, who was one of the noble houses, and house Xiao, who wasn't? Without that strength, what was the use of winning a title?

But house Xiao still wanted to stand firmly in the ranks of noble houses, and so did house Kang. In the eyes of these big houses, their reputation was more important than anything else, right? She was Zhaolong's fiancée, and getting together with Lin Yi, especially since he was an enemy of house Kang, would be a slap in the face.

Looking at Zhaolong's injuries, Xinyan hesitated. Sharing the same cable car with him shouldn't be a problem-he wouldn't do anything dirty with his injuries, would he?

"Okay, but we're still students. Even if we're engaged, some things can only be discussed after we graduate from college." Xinyan said after some hesitation. Her meaning was clear, and Zhaolong would understand.

As expected, Zhaolong's eyes flashed with annoyance. He'd just transferred, but with right-hand Tiger around, he'd heard quite a bit of Lin Yi and Xinyan's gossip!

She'd lived with Lin Yi during the military training, and they'd been so intimate in the car ... Xinyan even seemed to have helped Lin Yi do that ... All of that made Zhaolong feel like he'd been cuckolded.

But he wasn't too sure-with his years of experience, he could tell that Xinyan was still a Virgin. He calmed himself down and said, "Of course. Auntie also said that we should respect each other!"

If he wanted to develop his relationship with Xinyan, staying in the cable car wasn't all that bad. When the time came, Xinyan would start to rely on him!

"Alright," he said. Xinyan didn't reject Zhaolong anymore.

Lin Yi frowned. He didn't really want Xinyan and Zhaolong to share the same cable car, but it was true that one cable car could only fit two people. Besides, it was Xinyan's decision, and Lin Yi wouldn't interfere.

However, Xinyan's words made Lin Yi think. Xinyan clearly didn't like Zhaolong anymore-they could've been intimate before, but now it was respect.

What Lin Yi didn't understand was what Xinyan was thinking. She didn't like Zhaolong, and yet she still wanted to keep the engagement. Was there some secret she couldn't tell? Lin Yi wanted to know the secret, but Xinyan wouldn't tell him anything if he asked her directly. He'd have to observe her from the side.

The other students had all left for the resort on the opposite mountain, and his classmates were on the cable cars as well, leaving only Lin Yi, Jingjing, Zhaolong, and Xinyan.

The last to take the cable car was right coiling Tiger's two underlings, curly yellow hair and purple hair.

"We're leaving now, Lin Yi-you'll have to stay back. " Zhaolong gestured for Xinyan to enter.

Xinyan saw that he was really well-behaved, and didn't try to get physical with her, so she nodded and got on the cable car.

The two seats in the cable car were opposite each other, so they didn't have to worry about being too close. After Xinyan got on, Zhaolong followed.

After Xinyan and Zhaolong's cable car was far away, Lin Yi and Jingjing got on the cable car behind them.

"Xinyan, you seem a little scared? Do you have a fear of heights?" Zhaolong asked, smiling at the nervous Xinyan.

Xinyan wasn't afraid of heights, she just wasn't used to sharing the same cable car with Zhaolong!

Chapter 2453 Cable Car Breakdown

He couldn't answer Zhaolong's question directly, so he just nodded.

"Hehe, do you need my warm palm?" Zhaolong reached out his hand, hoping Xinyan would hold it.

"No... It's fine ..." Xinyan shifted her gaze to the outside of the cable car. There were two snowy mountains, and in the middle was a bottomless Valley. It was so beautiful, and it made people feel relaxed and happy. It was a pity that the person who was riding the cable car with her wasn't Lin Yi.

Xinyan's heart skipped a beat at the sudden thought of Lin Yi. She realized that she couldn't stay calm after Lin Yi confessed to her. She would think of Lin Yi often, and although she did before, it was always vague. Now, she always thought of Lin Yi as her boyfriend, and this made things difficult for Xinyan. She knew that she couldn't go on like this, but she had no choice!

The most difficult thing to control was the human heart. Emotions couldn't be changed by one's own will. Even if Wang Xinyan tried to stop thinking about Lin Yi, she would still think about Lin Yi if she reminded herself not to think about him. It was really difficult.

"Xinyan, do you think the cable car will crash and fall?" Zhaolong asked.

"I ... How would I know?" Xinyan frowned. Couldn't Zhaolong say something auspicious? Why do you think that there's a problem with the cable car after you get on it?

"It's not impossible for the cable car to fall into the valley. " "But it's fine, I've prepared some equipment for an escape ..." Zhaolong said.

"..." Xinyan was speechless. Zhaolong was the perfect boyfriend. He never told a disgusting joke during dinner and cursed the cable car to crash the moment he got on. If it were Lin Yi, he'd probably use this chance to practice with her ...

Why was she thinking of Lin Yi again? Wang Xinyan shook her head ...

Seeing Xinyan shake her head, Zhaolong thought that she didn't believe the cable car would fall. It wouldn't fall under normal circumstances, but this was a special case!

Zhaolong had been studying so pure and so flirtatious for the past few days. The main characters were hitting on girls at a ski resort, where they fell into a Valley together, struggled in the wilderness, and finally fell in love!

In the wilderness, especially in times of danger, it was easy for people to feel helpless. If Zhaolong put in his heart, he should be able to win Xinyan's heart.

However, what she was afraid of came true-Xinyan was enjoying the beautiful view outside the window when she suddenly heard a loud boom, and she felt the gravity go out of control. She suddenly realized that the cable car she was on had left the ropeway, and was falling down into the valley!

"Ah?" Xinyan didn't know what to say-she was pissed that Zhaolong was a jinx. She'd never hang out with him again, even if her mother was there to talk to him. The guy was so unlucky, getting beaten up by robbers and gangsters all day. He was even cheated on his skis, and his cable car was cut off halfway.

Zhaolong didn't expect Xinyan to view him as a dangerous person that she shouldn't have any contact with, and yet she was still gloating over the plan she came up with!

He'd studied the location of the ski resort before-the cable car was set up between two mountains, and there was a lake at the foot of the mountain with a cave nearby. It was a paradise for lovers-if he and Xinyan could get lost here together, he was sure something interesting would happen, and Xinyan's heart would probably be moved by the loneliness.

"Xinyan, don't worry, we'll jump out now. If we don 't, we'll die for sure if we fall from this cable car ..."
Before Zhaolong could finish, Xinyan pushed open the door of the cable car and jumped out. She wasn't confident in Zhaolong, but in Lin Yi. After being with Lin Yi for a long time, she knew that falling from this height wasn't dangerous for a practitioner like Lin Yi, and she didn't want to be taken advantage of by Zhaolong.

At that moment, Xinyan was thinking that if Lin Yi really didn't care about her coming to save him, then he'd be better off dead. It'd save Zhaolong from taking advantage of him, and she wouldn't have to worry about all this ...

Lin Yi saw that the cable car was shot down by purple hair's hidden weapon and frowned. He could guess what Zhaolong was up to! No wonder the kid wanted to share the same cable car with Xinyan-he wanted to play the love game.

"Jing Jing, stay in the cable car. Don't wait for me, I'll go save Xinyan. Take care of yourself." Lin Yi said.

"En, en." Han Jingjing didn't stop Lin Yi and quickly nodded to show that she understood.

Before the cable car left the ropeway, the door was controlled and couldn't be opened unless the circuit was destroyed or the cable car was derailed. But Lin Yi broke through the window and jumped down in Xinyan's direction.

With their speed, Lin Yi shouldn't have been able to catch up to Xinyan, but he was a practitioner, and with the help of his Qi, catching up to Xinyan wasn't a problem.

Zhaolong didn't expect Xinyan to jump down so quickly, but he wasn't even done yet! Zhaolong wanted to tell her that he had a parachute, but Xinyan didn't even wait for him!

Zhaolong jumped-Xinyan would've been dead if she'd fallen in! With that thought, Zhaolong jumped off the cable car and chased after Xinyan, opening the parachute in his bag.

Luckily, Zhaolong's backpack was equipped with a jet-propelled engine, or he wouldn't have been able to catch up to Xinyan! Of course, this propulsion system was also prepared for a safe landing.

There was a lake at the bottom of the valley after all, and the water was still running. It wasn't frozen yet, and there was only a thin layer of ice on top. Zhaolong was afraid of falling into the lake, so he used the jet-propelled grenade to change his landing position. He didn't expect to use it to chase Xinyan.

Xinyan didn't think too much about it when she jumped down, but the sound of the wind blowing in her ears really scared her. She looked down at the abyss, and she felt like she was really going to die!

"Xinyan, I'm coming, grab me!" Zhaolong didn't even have time to open his parachute-he had to go after Xinyan! If he did, he'd slow down his descent, and he wouldn't be able to catch up to Xinyan.

Chapter 2454 Reaping The Fruits Of One's Own Labor

Xinyan's survival instincts kicked in-she really wanted to grab Zhaolong, but she knew that if she did, their relationship would be complicated. She gritted her teeth and pretended not to hear anything.

Just because Xinyan didn't hear him, it didn't mean Zhaolong didn't care. He chased after Xinyan with his jet-assistant, but just as he was about to catch up, he felt a strong force behind him push him to the side ...

"Get lost!" Lin Yi kicked Zhaolong's back, sending him flying dozens of meters away.

"Fuck! Lin Yi, why are you here again?" Zhaolong was enraged when he saw Lin Yi. He was about to explode-he thought that they'd fall into the valley together, and that they'd have a romantic love story! He didn't think that Lin Yi would follow them!

Not only did he follow her, but he also ruined his chance to get intimate with Xinyan. Zhaolong was furious."Lin Yi, aren't you being too mean? You actually kicked me from behind?"

"It's still not as bad as you asking purple hair to shoot down the cable car. " Lin Yi glared at Zhaolong coldly. This guy had some tricks up his sleeve, he wasn't a complete idiot. He got rid of the cable car and even brought a parachute and a jet just to spend a romantic trip to the bottom of the valley with Xinyan.

"I ..." Zhaolong didn't think that Lin Yi would be so clear about what he'd done. His face froze, not knowing how to retort.

Xinyan, on the other hand, was furious. She thought that the fall was an accident, but it turned out to be Zhaolong's scheme!

Xinyan's hatred towards Zhaolong grew even stronger when she thought about how he was treating her life like a joke. She couldn't bear to see him suffer every time, but now she felt that he deserved it!

So, when Lin Yi came over to hug her, she only struggled a little and accepted it. It was also because of Zhaolong's anger.

Zhaolong's face didn't look too good after Lin Yi exposed him. He thought that Lin Yi was the big villain in so pure and so flirtatious, but why did it seem like the big villain became the main character in reality?

But Zhaolong was helpless-he could only watch as Lin Yi hugged Xinyan. The most important thing right now was to stay alive. He reached for the parachute button on his bag, but his face turned pale the moment his hand touched it!

The parachute's button had just been kicked out by Lin Yi!

"Lin Yi, you've broken my parachute!" Zhaolong said, glaring at Lin Yi.

"Oh." Lin Yi didn't even look at him, only hmped.

"F * ck, are you trying to kill me?" Zhaolong shouted as he saw Lin Yi ignore him. "Come and save me! I'll die if I fall!"

"Oh." Lin Yi said, ignoring him.

"I ..." Zhaolong panicked. He didn't expect this to happen. The parachute was broken. How could he survive if he fell? Zhaolong had no choice but to beg for mercy. "Lin Yi, I beg you, save me, I don't want to die ..."

"Oh." Lin Yi continued to ignore him.

"You ... You saved me. I can turn a blind eye to what happened between you and Xinyan. Please ..."

Zhaolong didn't care about his dignity anymore. His life was more important! However, although he said so, he didn't think so in his heart!

He'd have to live anyway, and there was nothing he could do if he denied it.

"You can control the jet-assist yourself. Isn't there a lake down there? You won't die from jumping into the lake. " Lin Yi suggested, but he didn't believe Zhaolong's words. The guy was a despicable man, doing something so evil.

"I ..." Zhaolong saw that Lin Yi wasn't going to help him, so he had no choice but to use the jet to adjust his falling direction, landing in the lake below the valley ...

Xinyan found it funny that Zhaolong was acting like a stray dog. She didn't feel sorry for him anymore-he brought this on himself. The cable car was going fine, but he had to let coiling Tiger's men destroy it. He had to pay for it.

Lin Yi was carrying Xinyan, and Xinyan couldn't feel the cold wind around her because of the pure Qi protection. Zhaolong, on the other hand, had to face the cold wind and observe the situation under his feet, and also operate the jet support with cold sweat all over his body, afraid that he'd fall and be half-disabled.

A while later, Lin Yi landed on the ground with Xinyan in his arms. Xinyan didn't even feel the impact of the landing-it was completely neutralized by Lin Yi's pure Qi protection.

Zhaolong sat on the ice, piercing a hole through it and falling into the lake. He crawled out after a long time, sneezing. He looked miserable.

"Achoo!" Zhaolong crawled out of the lake, trembling. Luckily, he knew how to swim and he fell into the shallow water. He wouldn't be able to reach the top of his head even if he stood up straight. Otherwise, he would've frozen to death even if he didn't fall.

Lin Yi was looking around, not in a hurry to go back. This was an opportunity for Zhaolong to get close to Xinyan, but it was also an opportunity for Lin Yi.

Spending time alone with Xinyan was something he couldn't ask for, and so he wasn't in a hurry to leave.

"Xinyan, let's find a place to stay first." Lin Yi said as he saw a cave nearby.

"...Alright." Xinyan looked at Zhaolong, and nodded after some hesitation. Zhaolong was in a sorry state, but Xinyan gritted her teeth at the thought of what he'd done to the cable car-how could this man not care about other people's lives? Do you want to kill me?

Lin Yi and Xinyan entered the cave, and Zhaolong followed shamelessly. He had no choice but to follow-this was the cave he found on the helicopter with right Panhu the other day, and it was the closest to them. He even hid some branches in the cave to start a fire!

Chapter 2455 Water

If they went to other caves, where would they find branches? He was shivering from the cold. It would be like killing him if he were to pick up more branches. How could he do that?

"Eh, there are some branches here. Can we start a fire?" Xinyan was feeling cold as well-Lin Yi had used his Qi to protect her, but she still felt the chill in this empty Valley.

"We'll split it in half when we meet!" Zhaolong yelled as he ran over, panting. His heart was bleeding-he found the branch, after all, and he had to give Lin Yi half of it. He didn't dare to refuse since Xinyan "found" it first, after all.

"Oh, then I'll give you half." Lin Yi said faintly. He could tell with one look that this branch was man-made-who else could it be but Zhaolong?

"Hehe ..." Zhaolong didn't stand on ceremony. "By the way, do you have a lighter? Why don't we just use this fire? I'll start a fire, and we can all warm up together without separating. How about it?"

"Oh, okay." Lin Yi didn't want to freeze Zhaolong to death in a situation like this. After all, boss Bai was very concerned about the harmony between his disciples, and Lin Yi respected him more. Boss Bai's background wasn't simple, either, and Lin Yi didn't dare to disobey him.

"Then I won't be polite!" Zhaolong was overjoyed. He took out a lighter from his pocket and crouched in front of the branch, ready to light it.

"You're quite well-equipped, huh? You don't smoke, but you carry a lighter with you? You prepared this long ago, right?" Lin Yi looked at Zhaolong, stunned. "He wanted to have a romantic cave night with Wang Xinyan, I didn't expect to join."

Zhaolong was a little embarrassed, but couldn't deny it. He looked at Xinyan's unhappy face, and thought that he'd gone for wool and came home shorn today. He wouldn't have carried out this plan if he'd known.

However, something even more unfortunate was yet to come. Zhaolong's face froze as he flicked the lighter. The lighter was soaked in water and it didn't work!

"Aren't you lighting the fire? What's wrong?" Lin Yi looked at Zhaolong with a half-smile.

"Water ..." Zhaolong said with a pale face.

"Since you can't contribute, then there's no other way. Don't you enjoy this fire anymore." Lin Yi said faintly.

"You ... You have a way?" Zhaolong paused, looking at Lin Yi. "You have a lighter?"

"No, I didn't," Lin Yi said, shaking his head.

"If you don't, why are you criticizing me?" "Can you fix the lighter for me?" Zhaolong said with a glare.

"You can fix it yourself." Lin Yi threw out a fire element refinement fire, and the pile of branches caught on fire with a whoosh. The fire was strong.

Only then did Zhaolong remember that Lin Yi was an Alchemist-he could create fire, so he didn't need a lighter at all. He thickened his skin and asked, "Since the heat from this fire is a waste if I don't use it, why don't you let me rub it?"

"Sure, but you'll have to pick up the branches when they run out." Lin Yi didn't kill them all.

"Alright, let me dry my clothes first." Zhaolong agreed readily. These were the branches that he and right Panhu had picked up, and he knew where to find them.

Zhaolong was shivering as he warmed himself up by the fire. Xinyan had already recovered-she wasn't wet, just a little cold. She was fine.

"Are you hungry?" Lin Yi asked.

"I'm ... I'm fine ..." Xinyan still couldn't let it go. She didn't like Zhaolong, but she was afraid that he'd do something to Lin Yi when he was desperate.

"I'll go and catch some fish. " Lin Yi said as he stood up.

"Okay ... I'll sleep for a while then, I'm a little sleepy ..." Xinyan found an excuse, not wanting to be alone with Zhaolong.

Zhaolong was speechless-he was overjoyed when he heard that Lin Yi was going to catch fish, but he didn't know what to say when he heard that Xinyan was going to sleep. He couldn't ask Xinyan to talk to him instead, could he?

After Lin Yi left, Xinyan closed her eyes and took a nap, leaving Zhaolong alone by the fire. He was drooling when he thought about the delicious grilled fish he was going to have! Although he had some chocolate and compressed biscuits in his backpack, how could they be as delicious as the grilled fish?

Lin Yi walked to the lakeside. Naturally formed lakes like this had some live fish. He walked carefully to the hole Zhaolong had smashed into, closed his eyes, and used the Jade's senses to catch fish. He caught

four live fish in no time and took out a blade from his shoe to cut open their stomachs and clean them before returning to the cave.

Lin Yi didn't think Zhaolong would do anything to Xinyan, but he still wanted to be quick. He let out a breath of relief when he saw Xinyan still sleeping.

"You're back?" Xinyan opened her eyes at the sound of footsteps, and was overjoyed to see Lin Yi.

"Yeah." Lin Yi found a few branches and skewered the fish, roasting it on the fire.

Zhaolong didn't know what to say to Xinyan, who'd been asleep for less than twenty minutes. It was obvious that she didn't want to talk to him! He could clearly feel that Xinyan had been a lot colder to him ever since the cable car incident.

Xinyan had kept her distance from him before, but it wasn't like now, where she didn't even want to talk to him.

Soon, the fish was done. There wasn't much seasoning, but it was still delicious. Zhaolong was drooling. "Can I eat it now?"

"It's done, but you can't eat it," Lin Yi said as he handed a grilled fish to Xinyan.

"W-why?" Zhaolong's outstretched hand froze.

"If you want to eat it, go get it yourself. Xinyan and I will each get two skewers, there's no share for you." Lin Yi said as he started munching on a stick.

Zhaolong really wanted to grab a bunch of them, but he didn't dare to-he was afraid of getting beaten up. He forced a smile and made a face that looked worse than a crying face. "Alright ..."

"He's a bad person, but you don't have to be so harsh ... We're classmates, after all. " Xinyan didn't want Lin Yi to piss off Zhaolong too much.

"You want to eat something and get it for free, how can there be such a cheap thing?" Lin Yi didn't mind.

Zhaolong didn't have Lin Yi's strong senses, nor was he as agile as Lin Yi!

Chapter 2456 Trouble

So even if he could see a few fish swimming through the ice, he couldn't catch them. He didn't feel anything, but he used too much strength and the ice under his feet cracked. Zhaolong jumped back into the cold Lake, screaming, "Ah, Yingluo."

Zhaolong's scream attracted Lin Yi and Xinyan's attention, but Lin Yi didn't bother with him when he saw that Zhaolong had only fallen into the lake. He wasn't far from the shore, and the water was shallow.

Zhaolong wasn't in a hurry to come back up after falling into the lake. He endured the cold and reached his hand into the lake, trying to catch some fish to roast. However, the fish were all very smart, and Zhaolong couldn't catch them no matter how hard he tried. Just as he was feeling depressed, he felt two

things at the bottom of the lake. He didn't know what they were, but he picked them up and found that they were a turtle and a small bottle in its claws!

After Zhaolong caught it, the turtle let go of its claws and retracted its head and claws back into its shell, leaving the bottle in Zhaolong's hands.

"Hey, my luck is not bad. I didn't catch any fish, but I caught a turtle!" Zhaolong chuckled, thinking that a soft-shelled turtle would do as well. He hadn't tried it yet, and didn't know how it would taste. He didn't touch it anymore, but climbed back to the shore and ran back quickly, waving the turtle in front of Lin Yi and Xinyan. "What do you think? it's quite high-end, right? this thing is a high-priced product on the market!"

"Oh, then you can eat." Lin Yi looked at the turtle, not thinking much of it. He'd never heard of a turtle that could be roasted-how was he supposed to roast it with such a thick shell?

"Xinyan, do you want to eat?" Zhaolong didn't have any intention of letting Lin Yi have any-his target was Xinyan.

"No, thank you. I'm full." Wang Xinyan shook her head, thinking that the turtle was quite scary.

Zhaolong was getting ready to grill the turtle, but he realized that he didn't know how to grill it. The turtle retracted its head and limbs, making it impossible for Zhaolong to start!

"What is this?" Zhaolong looked at the small bottle in his hand. It was a transparent bottle with an unknown blue liquid inside. He didn't know what it was, but he didn't open the bottle to see.

After all, this thing was found in the lake. Who knew if it was poison or a chemical? It wouldn't be fun if it was poisonous!

Zhaolong wanted to throw the bottle away.

"Wait," Lin Yi stopped Zhaolong.

"What are you doing? You want it?" Zhaolong asked.

"What if it's some kind of chemical explosive, and you throw it and it explodes?" Lin Yi, naturally, wouldn't say that he was interested in the bottle. He only frowned and spoke in a bad tone.

"Tsk, you're just scaring people!" Zhaolong's face was full of disdain, but his heart was shaking. He'd thought that there might be something bad in the bottle, and that it might be a chemical, but he didn't think that it was a chemical. What if it really was an explosive? wouldn't it explode if he dropped it?

Zhaolong handed it to Lin Yi like it was a hot potato.

"I'll throw it far away. " Lin Yi stood up and walked out of the cave, but he didn't throw the bottle away. He asked calmly, "Elder Jiao, why do I feel like this is some good stuff?"

"It's indeed a good item. It contains a powerful water energy, but I don't know what it is. " Elder Jiao's voice sounded in his ear.

"Hmm ... As long as it's something good, I'll leave it behind!" Lin Yi put the bottle back in his pocket and returned to the cave.

Zhaolong was roasting the turtle because the shell was too thick. He decided to throw the whole thing into the fire, thinking that no matter how thick the shell was, it would be cooked.

The little turtle was obviously in pain after being thrown into the fire. It struggled to get out of the fire, but Zhaolong kicked it back in as soon as it did. Zhaolong kicked it like a ball, having a lot of fun.

Xinyan frowned. Turtles were supposed to be food for humans, but she didn't like people who mistreated turtles like this. You can't kick turtles like balls, can you?

The turtle's struggle was getting weaker and weaker after being kicked into the fire a few times. It was obvious that it couldn't hold on any longer, and the sound of the flames burning on the turtle's shell was a little harsh. Xinyan turned away, not wanting to see Zhaolong torture the turtle.

But at this time, Lin Yi suddenly felt an extremely strong presence appear, bringing with it a very dangerous feeling. The Jade on his chest also sent out an alert signal at this time!

The Jade's warning signal would only alert Lin Yi or his team members when they were in real danger, and Lin Yi trusted the Jade's signal a lot. Plus, that sudden feeling he had made him subconsciously alert.

He wanted to hold Xinyan's hand and leave the cave-the cave was small, and he could see the end, but Lin Yi felt like the danger wasn't coming from the cave, but from outside!

And so, Lin Yi wanted to leave the cave as soon as possible-if he was too late, he'd be stuck in the cave!

But the danger came too quickly-it only took a few seconds for Lin Yi to sense the danger, and it was already here before he could leave with Xinyan!

Lin Yi took in a cold breath at the sight of the giant creature outside the cave. He had no choice but to pull Xinyan back into the cave, hoping that the creature wouldn't get stuck at the entrance.

However, Zhaolong didn't seem to sense any danger. He was still happily kicking the turtle.

"Ah!" Xinyan raised her head and realized that something was wrong as well-she jumped in shock.

"Roar!" With a roar, a giant claw reached into the hole and sent Zhaolong flying with a slap. It then took the little turtle from the fire!

Zhaolong didn't get hit, but the force still sent him flying. His head hit the wall of the cave, and blood started flowing. He didn't know what was going on, and was about to curse when he looked up and was dumbfounded!

Chapter 2457 Heaven Rank Turtle

A huge turtle was blocking the entrance of the cave. It looked at the half-dead little turtle in front of it with a sad and angry look and roared, ""All of you must die, to be buried with my child!"

"A heaven rank spirit beast ..." Lin Yi was annoyed at Zhaolong's luck. He caught a little bastard, and now an old heaven rank bastard was here!

The turtle was stunned. It did not expect the person in the cave to be able to tell that it was a spiritual beast, and a heaven rank spiritual beast at that! The reason he had spoken earlier was to scare the cruel humans in the cave before killing them.

However, he did not expect that there would be cultivators in the cave! Only cultivators would be able to recognize that it was a heaven rank spiritual beast.

"Since you know that I'm a heaven rank spiritual beast, don't even think about living after you've crippled my child!" "Come out!" The turtle roared angrily. "Die!"

Zhaolong was scared out of his wits. He didn't think that the small turtle he caught would attract a big turtle. Of course, that wasn't the main problem. The main problem was that the big turtle could speak!

"Heaven rank turtle, the one who crippled your child is him, the one you just sent flying. It has nothing to do with us. Every debt has its debtor, don't come looking for us." Lin Yi said, troubled as he looked at the sky Turtle.

I didn't expect to encounter a heaven rank spiritual beast here! It was unknown how many years this spirit beast had been cultivating here, but it was no wonder. Although this place had been developed into a tourist attraction, the two mountains were connected by a cable car. No one had come to the bottom of the valley, so no one would have thought that such a soft-shelled turtle spirit beast was hidden at the bottom of the lake.

"Lin Yi, you're so mean, you betrayed me!" Zhaolong's face changed, not expecting Lin Yi to say something like that.

"You were the one who caught that little turtle. What does it have to do with us?" Lin Yi asked.

"I ..." Zhaolong didn't know what to say anymore.

"Roar! I don't care, all of you have to die!" The turtle didn't seem to want to hear Lin Yi's explanation, "You're all in cahoots. You saw him ravage my child, but you didn't stop him. So, you're all going to die!"

"Hahaha!" Zhaolong said as he looked at Lin Yi's speechless poker face. He couldn't help but gloat.

"Idiot." "You don't have to die if I die?" Lin Yi looked at Zhaolong.

"Gah!" Zhaolong's laughter came to a stop as he realized that Lin Yi was dead. He had to die too, right?

"Come out and face your death!" The big turtle said impatiently.

"If we don't go out, do you think we're stupid? go out and die?" Zhaolong hmphed.

"You're not coming out? Alright, then I'll block the entrance of the cave and see if you'll die!" The turtle roared and used its claws to hit the wall of the cave. Suddenly, there was a loud explosion and small stones fell down. If this continued, the entrance would be destroyed by the turtle. Even if it couldn't get in, Lin Yi and the others would suffocate in the cave.

This turtle obviously wasn't an offensive spirit beast-it might be a defensive or something else. Although it could break a lot of rocks with its full strength, this level of attack was something a golden class master could do.

Plus, the fact that the turtle didn't kill Zhaolong with a single claw was proof of that.

Although the turtle didn't kill Zhaolong directly because it wanted to save the little turtle, Zhaolong didn't seem to be injured. It was obvious that the turtle wasn't strong enough!

Lin Yi let out a breath of relief. He was afraid that the turtle would come in and kill the three of them without saying anything.

"You're in trouble!" Lin Yi glared at him.

"Lin Yi, don't blame me-if you don't think of something, we're both going to die!" Zhaolong had no choice but to pin his hopes on Lin Yi.

"..." Lin Yi was speechless, but he still spoke helplessly, ""Stop! I can save your child!"

"You? To save my child?" The big turtle's movements paused for a moment, but then it snorted coldly and said, ""How is that possible? My child is so heavily injured, and he hasn't even broken through to golden class yet. I can't do anything about it, don't try to lie to me!"

"If you want your child to die, then continue your nonsense!" Lin Yi said.

"You ... Can you really save my child?" The big turtle asked after a moment of hesitation.

"Won't we know if we can or not after we try?" Lin Yi shrugged, "I can go out and treat your child now. If I'm cured, you'll let us go. If I'm not, you'll kill me. How about it?"

"...Sure!" Da Jiayu hesitated. Although Lin Yi's request was a little unfair-it was their people who crippled Xiao Jiayu, and it was normal for them to treat him. Da Jiayu could still punish Lin Yi and the others, but at this point, da Jiayu couldn't treat Xiao Jiayu, and he could only place his hopes on Lin Yi.

Lin Yi didn't want to stand up for Zhaolong, but the turtle was treating them as a group now. Saving Zhaolong was the same as saving himself, and he couldn't care less as he walked towards the entrance

...

Xinyan's heart jumped-she was afraid that the turtle wouldn't keep its promise, and subconsciously wanted to stop Lin Yi, but she knew that she couldn't stop him once he'd decided on something. Plus, what could Lin Yi do if he didn't go out? Would the turtle let them go?

Xinyan looked at Zhaolong with disdain. What a coward! He caused trouble but didn't take responsibility.

Lin Yi walked out of the cave slowly. The big turtle didn't attack Lin Yi, but put the small turtle down and asked coldly, "Why aren't you treating him?"

Lin Yi nodded and sat down with his legs crossed. He picked up the little turtle and started channeling the second stage of the art of Dragon mastery, healing the little turtle! The reason why Lin Yi dared to come out wasn't because he was taking a risk, but because he had a general understanding of the turtle's strength. Even if it wanted to kill Lin Yi, it wouldn't be easy.

"Earth Class mid phase peak?" The turtle was surprised to see Lin Yi's strength when he was channeling. Spirit beasts were rare, but human practitioners weren't a lot either!

Big turtle had lived for over a thousand years, and had seen a lot. It was normal for some rich people to have a few golden class bodyguards, and some gang bosses or robbers might have golden class Masters, but those were rare. Mystic class and above were rare, and only hidden houses had them. Earth Class was even rarer!

Chapter 2458 Unforeseen Event

Lin Yi didn't answer the big turtle's question and continued to heal the small turtle. It didn't take long, especially since the small turtle was only scalded. Although it was only half-dead, Lin Yi didn't have any problems healing it.

Of course, other than healing the turtle, Lin Yi wouldn't help it increase its strength. First, they weren't that close, and second, he didn't want to expose too much in front of Zhaolong!

Healing a spirit beast wasn't a big deal-Lin Yi was a "miracle doctor" himself, after all, and Zhaolong knew a thing or two about that. Lin Yi was in a blind spot outside the cave, and he couldn't see what was going on outside.

If Zhaolong were to ask, Lin Yi could just say that he used miracle doctor Guan's special medicine.

At first, the big turtle didn't really believe Lin Yi was able to heal the small turtle. After all, the small turtle was almost cooked, how was he supposed to heal it? However, as Lin Yi activated his practitioner's Arts, suspicion flashed across the turtle's eyes, followed by excitement!

It could feel that the small turtle's injuries were getting better. Although it couldn't see the small turtle's injuries, it could feel that the small turtle's vitality was gradually increasing. This calmed the big turtle's anger.

"It's done," Lin Yi put the small turtle on the ground and spoke to the big turtle, "If you want to take revenge, then find that guy. If you don't want to take revenge, then please leave!"

The turtle looked into the cave and hesitated. He picked up the little turtle and walked towards the lake slowly. Lin Yi then realized that the ice of the lake had all been broken, turning into floating ice. The turtle's nest was at the bottom of the lake!

After the two left, Lin Yi turned back to the cave and spoke to Zhaolong and Xinyan, "Let's go!"

"Ah, okay!" Zhaolong nodded immediately.

Xinyan was a little troubled-why was Lin Yi leaving so quickly after sending the turtle away? But since it was Lin Yi who said it, she didn't hesitate. She nodded and followed Lin Yi and Zhaolong out of the cave.

"Where are we going?" Zhaolong walked out of the cave. The cold wind blew, and he didn't want to leave, but the thought of the turtle made him shiver. He didn't dare stay any longer.

"How do you plan to leave?" "If we follow your plan, how are you guys going to get back after falling off the cable car?" Lin Yi frowned.

"I ..." Zhaolong looked at Lin Yi, and then at Xinyan, a little embarrassed. "I'll get right coiling Tiger to pick us up with a helicopter in two days ..."

Lin Yi was a little speechless,"let's leave this place first!" He said. That turtle will probably catch up to us soon ..."

"Isn't it settled? "Why did it go back on its word ..." Zhaolong asked carefully.

"I don't know what was in that bottle. It might be the turtle's treasure. I lost it. If it remembers, do you think it will come back?" Lin Yi said.

"F * ck! Why did you throw it away? You're looking for trouble!" Zhaolong said, a little upset.

Lin Yi didn't know whether to laugh or cry at Zhaolong's words. He glared at him. "Didn't you pick it up?"

Zhaolong suddenly remembered that if he didn't get the little bastard and the broken bottle back, there wouldn't have been so much trouble. He quickly shut his mouth and didn't dare to say anything.

"Call right coiling Tiger and ask him to send a helicopter to us immediately!" Lin Yi said.

"I ... Don't have a phone, someone stole it ..." Zhaolong smiled bitterly.

"Here you go," Lin Yi said as he handed his phone to Zhaolong.

In order to save his own life, Zhaolong didn't dare to play any tricks. He called Yu Panhu's number, but after a long while, he remembered that Yu Panhu's number was taken away as well. He had no choice but to call boss Bai, hoping that they would be together!

"Lin Yi? How are you guys?" Boss Bai received Lin Yi's call and relaxed.

He'd just received the news that the cable car Zhaolong and Xinyan were on had crashed, and Lin Yi had jumped down with them. He was confident in Lin Yi's Earth Class abilities, but he was still worried about Xinyan and Zhaolong.

He wanted to call for help immediately, but right coiling Tiger stopped him. He said that Zhaolong would be fine, and that he and Xinyan were out for a date.

Boss Bai frowned as he asked what was going on. He was angry that Zhaolong was treating his life like a joke, but he was relieved to know that he was fine. He scolded Panhu, and told him that if he didn't pass the final exam, he'd be fired!

They weren't in school, but boss Bai was still pissed off at right Panhu for helping Zhaolong-he didn't care about the danger!

"Mr. Bai, I'm Kang Zhaolong!" Zhaolong said with a sobbing tone, "Teacher Bai, is right coiling Tiger nearby?"

"Right coiling Tiger? He's here!" Boss Bai passed the phone directly to right Panhu, unwilling to get involved in their trivial matters.

"Brother Kang, what's wrong?" Youpan Hu was a little upset-he could've just lied to boss Bai and let it go, but Lin Yi jumped in with him, and he must've noticed something was wrong. He couldn't hide it anymore, so he had to tell the truth.

"Brother you, quickly send a helicopter to pick us up! We're in trouble!" Zhaolong said quickly.

"Ah? Good!" Panhu blinked. He didn't know what trouble Zhaolong was talking about, but he heard the urgency in Zhaolong's voice.

After agreeing, he went to the resort's security Department to prepare a helicopter to pick up Zhaolong. This was the agreement they had made the last time he came to the resort. They wouldn't have to rush to find the cable car if it crashed, and they would only send a helicopter when he arrived.

But this time, there was a little accident. As soon as Panhu entered the security room, he saw Lengzi su and his two men, who were screaming and bandaging the wound. The security guards from before were also there.

You Panhu frowned and ignored them. Instead, he turned to another security guard sitting at the desk and said, "Captain sun, according to our previous agreement, now send a helicopter to find my friend!"

Just as the security Captain was about to agree to right coiling Tiger's request, he suddenly heard an angry Shout!

Chapter 2459 The Shock Of The You Family

"No!" Lengzi su shouted. "No!" No one was allowed to go, why did they send a helicopter? Throw this brat out!"

Lengzi su had suffered a loss. He had just looked for his uncle to stand up for him, but after his uncle heard about you Panhu's hidden background of the you family, he hesitated for a moment and asked Lengzi to bear with it. Lengzi su felt very angry!

This resort's ski resort was his own territory. In the past, it was always others who suffered losses. This time, it was his turn to suffer losses, so he naturally wasn't willing!

After Captain sun heard lengzi SU's words, he was suddenly in a difficult position. On one side was the General Manager, and on the other side was lengzi su. These two people, one told him to go east and the other to go west. He had a big head, but thinking that the resort's general manager was still the most important, Captain sun said to lengzi su, "Brother lengzi, this is an order from the General Manager ... What do you think?"

"Isn't my uncle just afraid that the firewolves will blame him? It's okay, my cousin and the person in charge of the firewolves are good friends. If something happens, I'll tell him!" "F * ck off!" Lengzi su shouted hysterically, "Captain sun, tell him to get lost!" Otherwise, I'll tell my cousin and you'll get lost with him!"

"This ..." Captain sun fell silent after hearing su lengzi's words. He knew that su lengzi had a cousin who was also a pretty awesome character. He was sworn brothers with the newly appointed leader of the fire Wolf Gang's branch in the province, so he hesitated.

You Panhu frowned. He didn't think that the deal would be ruined by Zhaolong's previous actions!

He decided not to wrangle with these people at the moment. He could tell that with su lengzi around, it was impossible for them to send a helicopter. He could only ask for help from his family!

After leaving the security room, you Panhu found a phone at the resort's Service Desk and directly dialed the phone of his home ...

Hidden house of the right, the short robber had returned to the Hidden House of the right, holding the body of the tall robber in his arms, his face full of anger and sadness.

When the old man of the you family heard that the short robber had returned, he was about to ask him if he had succeeded in this mission, but when he suddenly saw the body of the tall robber in his hand, his expression suddenly froze. "Shorty, what are you ..."

"Old head you, that Lin Yi is really strong-he's only earth Class mid phase peak, but he killed Gao with one hit and injured me. I'm going to go into isolation and heal now, and I'm not taking this mission anymore!" With that, the shorter robber placed the taller robber's body on the ground and quickly ran back to his own courtyard to heal his injuries!

He was a customer of house you, not one of elder you's men, so his attitude towards elder you wasn't very good. Of course, it wasn't elder you's fault. He already told you Lin Yi's strength, and you took this mission because you were greedy for cultivation treasures. You could only blame it on your bad luck if you died or got injured.

The short robber could only go back to recuperate on his own.

However, when old master you saw the situation in front of him, he was scared out of his wits! Did Lin Yi really have the ability to fight a Sky Class? He injured a Sky Class early phase and killed an Earth Class late phase peak with one hit?

It seemed like Lin Yi had gone easy on elder bi before, and now that it was these two robbers "turn, he didn't give them any face!

Aside from the shock, old man you's heart was filled with deep fear-if Lin Yi was that strong, then house you wouldn't be a problem at all. He was a Sky Class master, but he wasn't even as strong as those customers. He was only a Sky Class refiner back then, and his combat strength wasn't that strong.

He couldn't mess with Lin Yi anymore-that was the first thought that came to his mind. He subconsciously wanted to call you Panhu and tell him to stay away from Lin Yi, in case he got killed by him, but his phone rang first.

"Hello," he said. Old master you took a deep breath and picked up the phone.

"Grandpa, I'm right coiling Tiger." "Grandpa, our plan failed! Zhaolong has offended the local tyrant ..."
Panhu said quickly.

With that, right Panhu explained what had happened.

"Let's not talk about that first. Let me ask you, how is Lin Yi so strong? He actually killed an Earth Class late phase peak and injured a Sky Class early phase?" Old master you asked hurriedly, avoiding you Panhu's topic.

"This ..." Right-hand Panhu's heart trembled. It was indeed so. The two cultivator robbers behind were the Masters sent by his family, and the few guys before them were the real robbers!

Right Panhu's mouth twitched at the thought of this. He was really unlucky to have encountered such a thing!

However, while he was shocked at Lin Yi's strength, he was also worried about Zhaolong's situation. "Grandpa, let's not talk about this for now. Zhaolong's in a hurry, something big seems to have happened. The phone he's using is Lin Yi's too ..."

"Using Lin Yi's phone? Did Lin Yi force him to make this call on purpose?" Grandpa you knew about Panhu and Zhaolong's plan as well, but he'd thought that Lin Yi would be in a hurry to go back with the romantic trip. Perhaps Lin Yi was the one who forced Zhaolong to make the call.

"It's hard to say, but there's no point with Lin Yi here. Plus, he's so dangerous, what if he does something to Zhaolong if we don't get them here as soon as possible?" You Pan Hu said.

"You're right!" Old man you nodded and said, "I'll send a helicopter over as soon as possible!"

"Alright, I'll wait here then!" The right coiled Tiger nodded.

"It's fine ... We'll talk about Lin Yi when you get back. " Old man you felt that house you should adjust their strategy towards Lin Yi. At least, before the sky elixir sect made their stand, house you should try to avoid direct conflict with Lin Yi. This guy was too strong.

It had been twenty minutes since Zhaolong ended the call, and Lin Yi frowned when he saw no helicopter! According to right coiling Tiger's efficiency, it should take twenty minutes to borrow a helicopter from the resort and fly over from the top of the mountain, not to mention that these were all prepared in advance.

"Why are you so slow? Didn't you guys already rent a helicopter?" Lin Yi looked at Zhaolong and asked coldly.

Chapter 2460 Escape

"I don't know either. I did greet him, but who knew that he wouldn't come even after waiting so long?" Zhaolong was panicking as well, his forehead covered in cold sweat. Lin Yi said that if the turtle found out that the bottle was gone, it might come looking for trouble, and it'd be hard for him to escape then. Lin Yi was a practitioner, and if he escaped with Xinyan, he wasn't what if the turtle kept him?

"Why don't we run that way first, then call Yu Panhu and tell him to find us there?" Zhaolong suggested.

"That's fine. " Lin Yi nodded. He was afraid that the turtle would come looking for trouble.

And so, the group quickly walked in the direction that Yu Panhu was pointing at, while Yu Panhu took Lin Yi's phone and dialed boss Bai's phone again.

"Ms. Bai, I'm Kang Zhaolong, I'm looking for right-hand Panhu ..." Zhaolong said quickly.

Boss Bai frowned as he handed the phone to you Panhu. He already knew that the resort didn't want to send a helicopter, and he knew the reason behind it. He thought that Zhaolong was too much of a troublemaker. Boss Bai thought that you Panhu was a good student, so he asked him to sit in on the class, but who knew that it was such an idiot. He was so angry that he didn't want to waste time talking to him anymore.

"Brother Kang, don't worry. The resort refused to send a helicopter because of our previous conflict with su lengzi. I've already called a helicopter from the you family. It should be here in twenty minutes. Just wait a little longer!" You Panhu took the phone and explained. Then, he deliberately asked, "Did Lin Yi force you to do something bad to you?"

Yu Panhu said this to destroy boss Bai's good impression of Lin Yi in front of him. Boss Bai taking Lin Yi as his disciple and teaching him alchemy skills made Yu Panhu very jealous. With Lin Yi in front of him, Yu Panhu couldn't take his place. Only by constantly destroying Lin Yi's image in boss Bai's heart could he smoothly rise to the top.

However, boss Bai didn't seem to care at all-he didn't even look at him, much to his disappointment. Boss Bai had heard what he said, but from what he could see, it was normal for Lin Yi to threaten Zhaolong. If he didn't threaten Zhaolong to get a helicopter as soon as possible, was he really going to stay in the valley with him? Wasn't that crazy?

"No, we ran into a water monster ..." Zhaolong was still talking when he heard a loud splash behind him. He turned around subconsciously and saw the turtle coming out of the lake again!

"Not good, let's go!" Lin Yi grabbed Xinyan's hand and started running-the turtle must've noticed the bottle's disappearance, judging from how angry it was.

Lin Yi was starting to regret not leaving earlier and waiting for right-hand Panhu's helicopter to pick them up, only to find out that the resort wasn't sending any helicopters anymore because Zhaolong had offended lengzi su.

You Panhu's voice wasn't loud, but Lin Yi could still hear him in the quiet Valley.

"I'm shouting at Yingluo, don't run! Give me back the ice crystal!" The turtle let out an angry roar and charged in the direction of Zhaolong and the others.

"Brother you, the water monster is catching up. Let's stop talking. You let the helicopter go north and wait for us there!" With that, Zhaolong hung up the phone and ran after Lin Yi and Xinyan ...

"Roar!" The big turtle didn't expect these people to run away so quickly, so it jumped out of the lake and chased after them!

"Lin Yi, wait, wait for me!" Zhaolong's face was ashen as he trembled in fear-Lin Yi was pulling Xinyan away at the speed they were running.

Lin Yi didn't have the time to deal with Zhaolong.

"Howling cricket, you're looking for death!" Seeing that none of the three had stopped, the turtle was certain that the ice crystal had been stolen. It was furious and quickly chased after them.

It was just that although the turtle was huge and its steps were big, it was still a turtle-type animal and its crawling speed wasn't that fast. Its big steps could barely keep up with Lin Yi and the others 'running speed, maybe even a little faster!

Just as it was about to catch up to Zhaolong, the turtle swung its claw. It didn't hit Zhaolong's body, but the wind from the claw still hit Zhaolong's back. Zhaolong stumbled and fell to the ground, disoriented!

"Help, Lin Yi, help me!" Zhaolong cried out for help after hitting the ground, hoping that Lin Yi would help him.

Zhaolong cried for help as he got up from the ground, enduring the pain. His physical fitness was usually quite good. In college, his sports results were quite good, but he had been beaten several times in a row today. He had not eaten anything to replenish his strength, so he had used up most of his strength. In addition, he had fallen, so his legs were a little unsteady.

The turtle was getting closer and closer to him, and its claws were about to reach him again. Zhaolong yelled, "Stop! Don't chase me, that little bottle was thrown away by the person in front, it has nothing to do with me, don't look for me!"

The turtle chuckled at Zhaolong's shameless words. "I've never seen someone as cunning as you. You hurt my child before. I said that all of you had to die. Now, I don't care who touched my turtle saliva ice crystal, you all have to take responsibility!"

Zhaolong knew that he couldn't convince the turtle, and that the turtle's claws were about to hit him. In the face of death, he burst out with a strong desire to escape. He used all his strength and ran forward like crazy, catching up to Lin Yi and putting some distance between them!

However, it was all thanks to Zhaolong's shameless words that made him slow down. Otherwise, he would've slapped him already.

Even so, Zhaolong didn't dare let his guard down. He knew that he'd reached his physical limits and wouldn't be able to keep running. He begged Lin Yi with a sad face, "Lin Yi, please save me, I'll ignore what happened between you and Xinyan if you save me. I promise I won't pursue this matter ..."

Zhaolong's words were still artful at a time like this. He didn't say that he wanted to cancel the engagement, but he said that he didn't care about Lin Yi and Xinyan's relationship. It was obvious that he was looking for an excuse to go back on his word.
