### Chapter 2491 Yu Xiaoke's Worry

"But these elixirs of yours, such as the small Qi gathering pill, small return pill, Meridian opening pill, and some spirit gathering pill, have been auctioned countless times. Because they were all supplied by the hidden you family, the starting price is the same every time, and the final price is also the same. There won't be too much fluctuation between the upper and lower prices. So, if you think you're losing money, you can choose to give up."

The Mister said all this because he was worried that Lin Yi's cost would be too high, and he'd lose money at the final price.

"Then what's the general starting price and the final price?" Lin Yi asked.

"There are records here. I'll find them and show them to you." The Mister pulled out a list from a pile of documents and handed it to Lin Yi.

Qiqi, on the other hand, was very surprised-Lin Yi had brought out so many pills for auction. He really did have a lot of stuff, and she'd want to take them back if she didn't need the blue crystal for something to cure nine.

Lin Yi wasn't in the mood to guess what Qiqi was thinking-he took the sheet of paper from the Mister and looked at it carefully, taking a cold breath as he did!

The Mister smiled at Lin Yi's reaction,"The Hidden House of you mass-produces pills, so they have an advantage in price. If you don't think it's worth it, then don't sell it."

The price was too low in Lin Yi's eyes, and he was obviously doing this on purpose.

However, he misunderstood. Lin Yi looked at the price on the list and sighed at the huge profits of the pill business. No wonder the Hidden House you didn't care about the medicine business in the secular world. It couldn't be compared to this!

Here, even a pill's transaction price was over ten million. It was a sky-high price, and the twenty or so pills Lin Yi brought were sold for over two hundred million. Where else could he find a business that made so much money?

The ingredients for these pills were precious, but they only cost a few million. If Lin Yi had time, he could ask old Lin to plant some at home, but he didn't have time, so he asked from the you house.

After all, the materials used for these pills were not particularly rare. The cost of making grade one and grade two pills was actually not high. The high point was that they often failed to refine them!

However, this price was still not as high as the transaction value of the longevity and toxin cleansing pill. Could it be that the value of the longevity and toxin cleansing pill was that high? Lin Yi was a little surprised at how much effort house Kang was putting in to get the recipe.

They had the Hidden House you's backing, and yet they still wanted the recipe-it was obvious how valuable it was, but Lin Yi didn't see what was so special about it.

"This price is acceptable. No problem." Lin Yi said after looking at the list.

"Oh?" The pawnshop teacher was a little shocked, but he did not ask further. He nodded and said, "Alright, in that case, let's do the registration."

"Alright," he said. Lin Yi nodded.

It didn't take long for the procedures to be done. Lin Yi didn't use his real name, only an auction number. This number would be used for the auction, but Lin Yi had collected it earlier than the others.

Yang Qiqi wasn't you Xiaoke-she didn't have a chance to take the blue crystal from Lin Yi's bag in front of so many people. Even after Lin Yi put his bag on, she still didn't find the right opportunity and gave up.

They walked out of the yard and Lin Yi found Yu Xiaoke nearby. She looked like she was looking at a stall not far away, but Lin Yi could see her eyes glancing at him from time to time. He couldn't help but smile bitterly!

Lin Yi knew exactly how Xiaoke felt about Qiqi, and it was only natural that she'd get jealous when she saw her touching her. However, Lin Yi wasn't going to let Qiqi off so easily-this girl was too much of an annoyance, and he wanted to teach her a lesson by punishing her.

Seeing that she couldn't stop Lin Yi from touching her, Qiqi decided to touch him as well. Of course, her main goal was to steal the blue crystal from his bag-only with the blue crystal could she get the blood back.

What kind of person was Yu Xiaoke? Qiqi's motive was clear-she was a thief, after all, and she could tell that Qiqi wanted to be one. Yu Xiaoke was a little annoyed-why was this male thief so lecherous? Was he captivated by this hot-looking girl in front of him? He didn't even know what the other party's goal was?

From what she could remember, the male thief was an extremely smart person-his wisdom and alertness in the tomb were all beyond normal people. Plus, if he wanted to be lecherous, he could've done it to her-it wasn't like she wouldn't let him touch her, so why would he touch a woman who had bad intentions towards him?

Very quickly, it was time for dinner. Lin Yi, Han Xiaopo, and Yang Qiqi arrived at a hotel in the market. They had to pay for the food, but the rooms were free. The practitioner's trade association provided rooms for them.

In fact, this place was not open to the public at all. Other than when the cultivators' market was held, it was closed at other times. The facilities here were built for the sake of the market.

In the restaurant, there were not many cultivators eating. This place was open all day, so there was no need to eat at this time. Moreover, many cultivators only bought their things and ate in their rooms. They would not sit here.

Lin Yi ordered a few dishes casually and sat down. "Have you found what you want to exchange?"

"I ... I ... I don't have anything to change. I'm just here to take a look." Qiqi said quickly.

"Hehe." Lin Yi didn't say anything else-Qiqi's acting was just too bad, and she might be the only one who didn't know that she'd already exposed her true thoughts.

Yu Xiaoke was in the restaurant as well, and she was panicking. Could this male thief be a fake? Otherwise, the male thief in her previous impression wouldn't have looked like this. Could it be that the mask was fake?

Seeing Qiqi search Lin Yi's bag, Xiaoke panicked-what if this guy really was the male thief? Yu Xiaoke had no choice but to buy a lunchbox and sit at Lin Yi's table.

The most common food here was the lunchboxes. In fact, these lunchboxes were mostly given free of charge to the staff of the cultivator market and the disciples of the law enforcement Hall. Very few cultivators would buy them! Cultivators were not poor, so who would buy a lunchbox? Yu Xiaoke's frugality was different.

Chapter 2492 It's Me!

Yu Xiaoke's sudden arrival gave yang Qiqi a shock. She quickly pulled back her hand that was going through Lin Yi's bag and glared at Yu Xiaoke. What was wrong with this person? He didn't know them, there were so many seats beside them, but he just had to come to their side, wasn't this just being annoying?

But, Yu Xiaoke was already sitting next to them-Qiqi couldn't just kick her out, could she? Helplessly, Qiqi gave up and looked for another chance.

"Ahem ..." Yu Xiaoke turned to look at Lin Yi and realized that he didn't seem to notice her. She quickly coughed.

Qiqi was about to hit her when Xiaoke sat down and started eating, but who would've thought that Xiaoke would cough again? she jumped, and her heart almost fell out of her chest. She quickly pulled her hand back.

Lin Yi turned to Xiaoke helplessly as well, but he didn't say anything after some hesitation. He knew that Xiaoke might have noticed something, but he couldn't say anything in front of Qiqi.

At that moment, Qiqi's phone rang. She took it out and looked at the caller ID. She quickly stood up and turned to Lin Yi, "Young hero, I'm going to take a call. Wait for me ..."

With that, Qiqi walked away quickly to a corner of the restaurant and picked up the phone carefully.

Qiqi's departure gave you Xiaoke some space to interact with Lin Yi.

"Hey ... It's me ..." Yu Xiaoke lowered her voice and hinted to Lin Yi, ""It's me!"

Lin Yi was speechless. He didn't want to meet Yu Xiaoke because he didn't want her to be involved. He didn't want to avoid her, but now that she took the initiative to meet him, Lin Yi couldn't pretend that he didn't know her.

"It's the flying Sparrow, long time no see!" Lin Yi said.

"It's you indeed!" Yu Xiaoke heard Lin Yi call her the flying Sparrow and was excited. This man was the male thief, but if he was, why was he so perverted? And so, Yu Xiaoke lowered her voice, ""Male thief, that girl just now was ..."

"Flying Sparrow, it's not convenient to talk here. Let's talk in my room tonight." Lin Yi didn't want to explain much.

"En, okay!" Yu Xiaoke heard Lin Yi's words and knew that he might have something he couldn't tell her. She didn't force him and nodded.

Lin Yi's attention, on the other hand, was on Qiqi, who was not too far away! Qiqi was far away, and her back was facing Lin Yi-he couldn't read her lips, but she forgot an important fact-Lin Yi was Earth Class mid phase peak, and if he wanted to eavesdrop on her, he'd hear every word.

"Hey ... Yes, I found the blood of an earth element Sky Class spirit beast, it's indeed here ... I know, I'll try my best to get it back ... Yes, for the sake of little 9th's illness, I'll get it for sure ..." Qiqi's tone was sour as she spoke. She was confident that she'd be able to bring the blue crystal here, but who would've thought that it'd be taken away right in front of the market? she didn't know if she could get it back from Lin Yi.

In order to stop her family from worrying, Qiqi didn't tell them the truth-even if she did, it wouldn't help, and it'd only make them worry. She might as well think of a way to get the blue crystal back herself.

"Yes, I know, I'll be careful-I'll go back as soon as I get the blood, and we can't delay little Jiu's illness any longer ..." Qiqi said, ""Alright, I know. Goodbye ..."

After the call, Qiqi let out a long sigh and put her phone away, worried. She looked at Lin Yi not far away with a complicated gaze, gritted her teeth, and walked back with determination.

What Qiqi didn't know was that Lin Yi had heard every single word she said, and his feelings were getting complicated!

Yang Qiqi was trying to save someone? Using the blue crystal to exchange for the earth element heaven rank spirit beast's blood to save his life?

Thinking about it, it made sense-Qiqi was a rather conservative person. Last time, she was about to stab him to death because she saw her body, and now she was throwing herself at him to seduce him. She wouldn't do this unless she had no other choice!

If Qiqi was only after the blood for something else, Lin Yi wouldn't have helped her. Getting the blue crystal was a given, but Qiqi was trying to save someone. Lin Yi thought differently.

Saving people ... Lin Yi knew how it felt to do it even if he had to-wasn't it the same back in the Ice Palace? In order to cure Feng Xiaoxiao, no matter how hard it was, even if he had to pay with his life, Lin Yi gritted his teeth and endured it.

And that was probably what Qiqi was feeling right now. Otherwise, Qiqi wouldn't have gritted her teeth and endured him touching her.

At that thought, Lin Yi felt a little apologetic towards Qiqi-this cool girl wasn't that bad after all. At least she stole the blue crystal to save someone, and Lin Yi could understand and accept that reason ...

Whatever, he'd find a chance to get her to steal it back. The Sky Class practitioner with the blood of an earth element Sky Class beast wanted something from a water element Sky Class beast anyway, and Lin Yi just so happened to have that bottle on him. He'd just wait for Qiqi to return the blue crystal to him, and then go get the thing he needed back for the blue crystal.

Qiqi didn't say anything after she came back, eating quietly. To her surprise, Lin Yi's lecherous hands seemed to have stopped touching her, and she had dinner in peace.

After the meal, Lin Yi, yang Qiqi, han xiaopo, and Yu Xiaoke went to the service desk in the main hall and booked four adjacent rooms before going upstairs together.

Yang Qiqi didn't know what Lin Yi's relationship with Yu Xiaoke was, but from their conversation, she could guess that the two knew each other. However, yang Qiqi didn't have the intention to talk to Yu Xiaoke. She just wanted to get the blue crystal back. As for who Lin Yi knew, it didn't matter to her.

The four of them went back to their rooms after they got upstairs, and Lin Yi threw his bag on the sofa as soon as he got back-it was a chance for Qiqi to steal! Of course, other than the blue crystal, there was nothing else in his bag.

Chapter 2493 Indifferent

He'd put the pills up for auction already, and the ice crystal was with him-he wasn't stupid enough to put it in his bag, too. If Qiqi decided to steal it with her, it'd be a huge loss for him.

With that done, Lin Yi sat down cross-legged on his bed, channeling the second stage of the art of Dragon mastery while waiting for Qiqi's arrival. He guessed that Qiqi wouldn't be able to hold herself back any longer and would come to his room to steal the blue crystal.

As expected, Lin Yi heard someone knocking on the door not long after.

"Who is it?" Lin Yi smiled and walked over.

"It's me ..." Qiqi tried her best to make her voice sound more seductive. She didn't know how to seduce men, but she'd seen similar scenes in TV shows before, so it wasn't too hard for her to do it now. It was just a little embarrassing, but luckily she had her face covered, so no one could see what she looked like.

Lin Yi opened the door, letting Qiqi in.

Qiqi closed the door behind her as she walked in, turning to Lin Yi. "Young hero, thank you for your help today. This little girl is very polite ..."

"..." Lin Yi was speechless. Which TV show did he see this way of talking? But Lin Yi wasn't in the mood to tease her anymore. He nodded, ""It's nothing,"

Qiqi was taken aback by Lin Yi's cold attitude-why didn't he like her anymore? Didn't he lecherously touch her chest before? Why was he so unmoved when she threw herself into his arms at night?

This change made Qiqi's heart skip a beat-she didn't know what made Lin Yi like this, but she couldn't just give up now that she was here. She had to get the blue crystal back, and so she gritted her teeth and threw herself into Lin Yi's arms ...

However, Qiqi was thinking, "I'll endure it for the sake of little 9th's condition, but I'll return the humiliation ten times over! Just you wait, when I'm strong enough, I'll take your life first!"

Lin Yi was taken aback by Qiqi's sudden action, but he understood the reason immediately-it was probably his attitude that made Qiqi worried! Lin Yi didn't know if he should laugh or cry at the thought.

He did touch Qiqi before, but he'd at least acted like he was interested in her-it'd make it easier for her to get closer and steal the blue crystal, but if Lin Yi lost interest in her, she wouldn't have the chance to steal it, either.

Lin Yi pushed Qiqi away helplessly. He knew that Qiqi must be gritting her teeth in hatred, but she had to pretend to be nice to him. This girl had a strong heart, and Lin Yi respected her the most.

She was the same as Yu Xiaoke-they both had their own beliefs and beliefs. Yu Xiaoke was willing to give up a lot for the children in the orphanage, and so was yang Qiqi-she was willing to sacrifice herself for her friend.

And so, Lin Yi really didn't have the heart to take advantage of her anymore. At least he didn't think that Qiqi was that bad or selfish anymore, and that stealing the blue crystal was within reason.

From another perspective, if someone stole his chance to treat Feng Xiaoxiao, Lin Yi would probably do the same.

"Haha, no rush, I'll go take a shower first ..." Lin Yi said this to create an opportunity for Qiqi to steal the blue crystal! Otherwise, with this cool chick's three-legged cat stealing skills, there was no chance of success at all!

Lin Yi was already relaxed enough-if it was Yu Xiaoke, she would've gotten the blue crystal already. But Qiqi wasn't good at this, and so Lin Yi decided to go take a shower and leave her in the room for her to do whatever she wanted.

"Ah ... Okay ..." Qiqi was delighted at the words-this guy was a pervert, after all. He even wanted to shower? It was self-evident what he would do after taking a shower! Hmph, serves you right for throwing things. When you go take a shower later, I'll steal that blue crystal. Hehehehe, what a heaven-sent opportunity!

Qiqi, naturally, didn't know that Lin Yi was doing this on purpose, and she didn't connect this man to the Lin Yi and Ling Yi she met before.

Lin Yi didn't say anything else and went to the bathroom, locking the door. He really did take off his clothes and shower.

Qiqi heard the sound of water coming from the bathroom, and her heart leaped with joy. After making sure that Lin Yi was really taking a shower, she quickly walked over to his bag and started rummaging through it.

The blue crystal was in Lin Yi's bag-there was nothing hidden there, and so Qiqi saw it the moment she opened it. Her hands were shaking with excitement as she quickly and carefully stole it out!

Her heart was beating very fast-she'd killed people before, but she didn't have much experience in stealing. She carefully put the bag back to its original appearance and took a deep breath before quickly putting it in her pocket. She didn't dare show it off in her hands-what if someone saw it and decided to do something bad to her? that'd be tragic.

After that, Qiqi carefully made her way to the door ...

Yu Xiaoke went back to her room and tidied up. She wanted to go to Lin Yi's room, but she didn't expect to see yang Qiqi sneaking into Lin Yi's room as soon as she opened the door. Yu Xiaoke was depressed, but at the same time, she cursed yang Qiqi for being shameless. She was an embarrassment to the thief sect. She had to sacrifice her beauty to steal things. What a shame!

Yu Xiaoke didn't knock on the door immediately because she didn't know Lin Yi's purpose. She was afraid that her appearance would disrupt Lin Yi's plan, so Yu Xiaoke decided to wait in the corridor for yang Qiqi to come out. If yang Qiqi succeeded, she would help her steal the thing back.

To Xiaoke's relief, not long after Qiqi entered the room, she opened the door and sneaked out ...

Although Yu Xiaoke knew that Lin Yi might have a motive, but if something really happened between Lin Yi and Yang Qiqi, Yu Xiaoke would be very unhappy. It wasn't that she was petty, it was something that was reasonable, especially with a girl with a bad character like yang Qiqi. Yu Xiaoke was even more unhappy.

Even if it happened, it would be a thief with a higher level of thievery than him, right?

Qiqi, on the other hand, came out not long after-she didn't have time to do anything.

## Chapter 2494 Back Again

Qiqi looked perfectly fine, too. Nothing seemed to have happened.

Qiqi could make sure she didn't make any noise when she opened the door, but she couldn't make sure it was completely silent when she closed it from the outside. She didn't lock the door, only leaving it ajar, and walked out quietly.

However, Qiqi saw Yu Xiaoke walking towards her the moment she stepped out of the door. She jumped in shock and almost fell over. She didn't dare to look Yu Xiaoke in the eye and quickly ran back to her room.

How could Yu Xiaoke not see the guilty look on Qiqi's face? It seemed like she had most likely stolen something!

How could Yu Xiaoke let her take it away? So when Qiqi walked past with her head lowered, Yu Xiaoke subconsciously brushed past her and touched her. Yang Qiqi wanted to get back to her room as soon as possible, so she didn't want to talk to Yu Xiaoke anymore. Even if she knew that Yu Xiaoke bumped into her on purpose, she could only accept it guiltily.

Xiaoke pushed open Lin Yi's room door and walked in to find that there was no one in the room. At the same time, she heard the sound of water coming from the bathroom. She understood now-Lin Yi was in the shower, and Qiqi took advantage of this time to steal something!

As for why Lin Yi was taking a shower, it was obvious-Qiqi must've seduced him into taking a shower, and she must've stolen the thing at that time. Otherwise, with her skills, she wouldn't be able to get anything out of Lin Yi!

Thinking about this, Xiaoke felt even more depressed-the male thief was a pervert, taking the bait so easily and even going to shower stupidly. If she didn't realize that something was wrong and stole the thing back, he would've lost a lot!

Yu Xiaoke sat on the sofa, waiting for Lin Yi to come out of the shower. She was suddenly filled with anticipation-was Lin Yi planning something with yang Qiqi? Now that Qiqi wasn't here, and she was in Lin Yi's room-could something have happened between them?

Thinking about this, Yu Xiaoke was a little nervous. If Lin Yi wanted to push her down, would she agree, agree, or agree?

Just as Xiaoke was panicking, the bathroom door opened, and Lin Yi walked out in his bathrobe. He wasn't wearing the male thief mask, but he was wearing the thousand silk mask Sky Class Spider gave him.

In the washroom, Lin Yi had heard the sound of Qiqi leaving-she'd kept her voice low, but there was no way she could hide it from an Earth Class mid phase peak like him.

Lin Yi knew that Yu Xiaoke came in, which was why he insisted on not coming out of the shower. He could hear Yu Xiaoke's footsteps and knew that she was fine in his room.

As for not wearing the mask, Lin Yi was too lazy to do so. Besides, Xiaoke wanted to take off his mask many times, so Lin Yi decided to just take it off himself. He still had the mask anyway, so he didn't have to worry that Xiaoke would recognize him.

"Xiaohe, you're here? She's already gone?" Lin Yi was drying his hair with a towel as he looked at Yu Xiaohe on the sofa.

"Eh? You knew she left?" Yu Xiaohe was taken aback, but immediately realized that Lin Yi wasn't wearing a mask this time. She was surprised and happy at the same time. She forgot to mention yang Qiqi's matter. She stood up and said, "Male thief, is this your real face? You're finally willing to take off your mask in front of me. I'm so happy!"

"Hehe, yeah." "So, are you disappointed?" Lin Yi smiled.

Lin Yi looked like a normal person with the mask on-he wasn't as handsome as he used to be, and he wouldn't be able to tell in a crowd. This was what the mask wanted-it'd be a failure if he stood out too much.

"No, I didn't!" Yu Xiaohe shook her head heavily, "It doesn't matter what you look like. What I like is the person who carefully protected me in the tomb! Moreover, although your looks aren't particularly outstanding, you're the most perfect in my heart!"

Lin Yi froze, not expecting Yu Xiaohe to be so bold as to reveal her true feelings again. He didn't know how to respond to that ...

"I ... I'm going to take a shower. Although that annoying girl is gone, I'm still here ..." Yu Xiaohe said boldly.

"This ... Xiaoke, it's okay, you misunderstood ..." Lin Yi jumped. Although he was tempted, he couldn't do anything with Yu Xiaoke in this place. He quickly waved his hand to stop her. "I was the one who suggested taking a bath. I wanted to create an opportunity for her to steal the blue crystal."

"Ah? You ... Did you let her steal it on purpose?" Yu Xiaoke's eyes were wide open in shock, not understanding why Lin Yi would do that.

"Xiaoke, sit down first. I'll tell you the details." Lin Yi smiled bitterly, "she's actually quite a pitiful person. She's determined, and she's willing to compromise."

"Oh?" Yu Xiaoke heard Lin Yi's high praise for Yang Qiqi and she wasn't too happy, but she sat down obediently.

"Actually, the truth is like this. The things she stole were her own, and I just took them from someone else ..." With that, Lin Yi told her everything that happened at the practitioner's market.

"Ah, so it's like this!" Yu Xiaoke suddenly understood-so this really was Qiqi 's! But Yu Xiaoke was a little unhappy, "Although the thing is hers, she was incompetent and was robbed. If you snatch it from the person who robbed it, it will be yours. What right does she have to steal it back?"

"That's what I thought before. I thought she was repaying my kindness with ingratitude. I helped her get back a small Qi gathering pill. She should be satisfied, or she wouldn't get anything." "That's why, when she tried to throw herself at me, I used that as an excuse to tease her a little. But later, I heard her on the phone in the restaurant, and that changed my mind ..."

Lin Yi then told her about Yu Xiaoke picking up the phone and saving people. After hearing it, Yu Xiaoke couldn't help but be silent! Indeed, if what Lin Yi said was true, then he and Qiqi were quite similar in some ways...

#### Chapter 2495 Zhong Pinliang Leaving The Mountain

Xiaoke was doing this for the kids in the orphanage, while Qiqi was doing this for her sick friends and family ...

"I see ... But, I took back what she stole ..." Yu Xiaoke helplessly took out the blue crystal and gave it to Lin Yi.

"Ah?" Lin Yi was stunned when he saw the blue crystal in Yu Xiaoke's hand. He didn't expect Yu Xiaoke to get the blue crystal back! Of course, this was as easy as lifting a finger for her.

Qiqi took a while to calm down after she got back to her room. She patted her chest and reached into her pocket carefully, wanting to take the blue crystal out for a look. But when she put her hand in her pocket, her face changed!

What about the blue crystal? The blue crystal was gone!

Qiqi looked through her pockets again, but it was empty!

Qiqi was completely dumbfounded-where did the blue crystal go? He had clearly stolen it back and put it in his pocket. Moreover, he had been so close to it along the way, so it was impossible for him to lose it ...

That's right! Qiqi suddenly remembered one person-Yu Xiaoke! He only met Yu Xiaoke recently, and she bumped into him when he walked out of Lin Yi's room. Could she have stolen the blue crystal at this time?

At that thought, Qiqi's eyes flashed with anger! She was angry at Yu Xiaoke for ruining her plans every time! She rushed out of the room and went straight to Lin Yi's room. She remembered that Yu Xiaoke went into Lin Yi's room before.

Lin Yi heard the footsteps as well, and he put on the mask.

She came to Lin Yi's room and saw that it wasn't locked. She pushed the door open and saw Yu Xiaoke presenting the blue crystal to Lin Yi like it was a treasure. She was furious!

In fact, she misunderstood Yu Xiaoke. Yu Xiaoke didn't present the treasure, but she didn't know whether to laugh or cry. She was kind enough to help Lin Yi get the blue crystal back, but Lin Yi asked yang Qiqi to steal it!

"You ... Y-y-y-you ... You're so mean and wicked. You stole my blue crystal and used it to please this evil tyrant?" Qiqi pointed at Yu Xiaoke, panicking.

Yu Xiaoke was feeling sorry for yang Qiqi and was prepared to send the blue crystal back to her, but she didn't expect yang Qiqi to scold her as soon as she came in. She even called the perfect male thief in her heart a big bully, how could she not be angry?

"What a joke. This blue crystal was clearly taken by the man ... He snatched it from that skinny man. How did it become yours?" "Aren't you embarrassed at all?"Xiaoke said, not willing to back down.

"You ... Y-y-y-y-you ..." Qiqi had an idea,""Yeah, even if he took it from the skinny man, I took it from him, so it's mine!"

"Oh, that's right. You said it yourself. If you take it, it's yours. If I steal it back from you, it's mine." Xiaoke said matter-of-factly,"so, what are you still shouting for?" Aren't you embarrassed to sell your body?"

"I-i-i-i-i ... Y-y-y-y-you ..." Qiqi was at a loss for words-she was no match for Yu Xiaoke in terms of defense and trickery. Yu Xiaoke had been at the bottom of society, dealing with gangsters all day long. Yang Qiqi was no match for her.

"I what, you what? You have nothing to say, right?" Xiaoke hmphed,"you tricked her into taking a shower and you left with the blue crystal. Do you think she's an idiot?!"

"I ..." Qiqi just said the word 'I' when she remembered Yu Xiaoke's words. She felt wronged and started crying,""Wuwuwu ... You're all bullying me ..."

Qiqi wiped her tears, feeling wronged as she ran out the door and back to her room ...

Yu Xiaoke and Lin Yi, on the other hand, looked at each other.

Lin Yi didn't stop Yu Xiaoke's attitude towards yang Qiqi because he wanted to give her a warning. He was going to give the blue crystal back to her, but it was only because she needed to save someone's life. Lin Yi wasn't too happy with the way she repaid kindness with ingratitude.

This was also why he didn't stop Yu Xiaoke-he just didn't think that yang Qiqi would be so weak, running away after Yu Xiaoke's words! Was she feeling wronged? Lin Yi shook his head. He still lacked social experience!

"Male thief, I'm sorry, I didn't think that I would scare her away ..." Yu Xiaoke hesitated and said, embarrassed.

"It's nothing, we'll talk about it later ..." Lin Yi smiled bitterly and shook his head, "I'll see how it goes tomorrow. "

"En ..." Yu Xiaoke saw that Lin Yi didn't blame her and instantly let out a breath of relief.

"Oh right, Xiaoke, why have you come to this cultivator's city square? It seems that it costs a lot of money to participate in the cultivator's market, right? Where did you get your invitation?" Lin Yi asked.

"I stole it ..." Yu Xiaoke said embarrassedly, "I was thinking of coming here to see if I could take some money back ..."

"Hehe, alright, I got it. " "We'll see how it goes tomorrow, I'll help you with it," Lin Yi said.

"Alright!" Yu Xiaoke nodded happily.

Suddenly, Lin Yi's phone rang. He looked at the caller ID and saw that it was Chu Mengyao. However, he didn't want to answer the call in front of Yu Xiaoke, so he hesitated. Should he hang up or answer it first?

However, Yu Xiaoke seemed to have noticed Lin Yi's inconvenience and smiled, "You pick up the phone first, I'm going back to my room ..."

Yu Xiaoke knew that Lin Yi wasn't looking for Yang Qiqi, and she let out a breath of relief. She knew that there was no way anything would happen between Lin Yi and her. She stood up and walked out of the room, helped Lin Yi close the door, and went back to her room.

Lin Yi, on the other hand, picked up the phone, "Hello? I'm Lin Yi ..."

"Lin Yi, it's me," Mengyao's voice came from the phone.

"Yaoyao, what's wrong? what happened?" Lin Yi asked nervously. Mengyao wouldn't call Lin Yi when he was out, as she didn't want to disturb him.

"Zhong pinliang came back all of a sudden ..." Mengyao was speechless at the name. She didn't think that pinliang would come to Donghai city industry University and harass her on his first day.

Chapter 2496 Someone Is Out Of Luck

"Zhong pinliang? Why did he come back?" "He's giving you trouble?" Lin Yi blinked.

"Ah, he came to find me as soon as he came to school ..." Chu Mengyao said, a little annoyed, "Furthermore, I don't know where he learned a set of martial arts, but it's very powerful ..."

"Oh? He learned Kung Fu?" Lin Yi was surprised.

"Yeah, it's like this ..." Chu Mengyao told Lin Yi everything that happened today in detail ...

Pinliang and Xiaofu spent some time on Mt. Mingri of the everyday and every day sect. Pinliang was also accepted as an in-name disciple by the sect leader, celestial venerable Chunyang. He was given a precious item, the Kasaya's medium-grade Golden Cicada undergarments!

This mid-grade Golden Cicada undergarments could defend against any attack from Sky Class and below- it was a great treasure!

Pinliang and Xiaofu's grades weren't that good, but they paid to go to a Joint School. They also attended classes, but they didn't have the same graduation certificates. Pinliang and Xiaofu didn't care about these things, though.

The first thing pinliang and Xiaofu did when they got back to school was look for Mengyao.

"Yaoyao!" Pinliang hadn't seen Mengyao for days, and his heart was filled with indescribable emotions.

"Zhong pinliang?" Mengyao and Yushu had just finished class and were about to go to the cafeteria for lunch when they saw pinliang and Xiaofu waiting for them. They were surprised.

"Haha, Yaoyao, we're classmates again. This is something to be glad about!" Pinliang knew that Mengyao had never liked him before, but he wasn't discouraged. The chance he'd been waiting for had finally come! He was invincible under Sky Class now, and he had the right to pursue Mengyao again!

"Oh." Mengyao nodded, "I'm going to eat with Shu, you can go back to work."

Mengyao still didn't like pinliang very much. She gave him a few perfunctory words and was ready to leave.

"Wait, Yaoyao, where did Lin Yi go?" The first thing pinliang wanted to do after coming back to school was to spar with Lin Yi, to see who was better.

"Lin Yi's been away for two days, what's up?" Mengyao asked.

"Haha, it's fine. Isn't he too incompetent as a bodyguard? I'm not even by your side to protect you. " Pinliang shook his head, his face full of mockery. "Yaoyao, I think you should get someone else!"

"Change? Who? Don't tell me it's your turn?" Mengyao frowned, not willing to waste any more time with pinliang. Wasn't this guy scared of Lin Yi? Why did he suddenly become so arrogant after disappearing for a while?

"Hehe, that's right!" Pinliang patted his chest happily after hearing Mengyao's words, "I was just about to recommend myself, but I didn't expect Yaoyao's eyes to be so sharp!"

Mengyao was speechless at pinliang's shameless words. After a while, she said helplessly, "'I'm going to eat. "

"Don 't! How about this, let me treat you to a meal!" Pinliang said, stopping Mengyao.

"No need," Mengyao said faintly.

"Yaoyao, we're old classmates after all. You're not going to reject my treat, are you?" "Plus, I'm no longer the Zhong pinliang I used to be, I'm a master!" Pinliang said. Lin Yi might not even be as strong as me, so I'll be your bodyguard this time, and I guarantee that no one will dare to bully you!"

Mengyao frowned and was about to say something when Yushu interjected. "Liangy, you're really that good now?"

"Of course, I'm quite powerful now!" Pinliang said with a nod.

"Oh, we have a few enemies in school. Since you're so powerful, can you help me beat them up?" Yushu's eyes darted around as she thought of a way to get rid of pinliang.

"Oh? Someone dares to bully you? And Lin Yi didn't care? He's really not a good bodyguard!" Pinliang said, troubled.

"Shield bro, he did. He beat that guy up, and he begged for mercy, but I didn't think it was enough, so I wanted to beat him up again! If you can 't, then forget it!" "Get out of the way, I'm going to eat with Yaoyao sis," Yushu said.

"Sure, who said I can't do it!" "Tell me, who do you want me to teach a lesson to?" pinliang said.

"The president of the school's Boxing Club, li biaoan, go and beat him up!" Chen Yushu replied.

"Oh, okay, I'll remember that!" Pinliang nodded and agreed, "I'm going to show Yaoyao what I'm capable of, just wait and see!"

"Okay, after you beat him up, I'll assign you to a few more missions. If you pass, I'll consider persuading Yao Yao to take you in as her bodyguard." Chen Yushu replied.

"Haha, Shu, you and I are the best, hehehehe!" Pinliang took out a map of the school and looked at it. He waved his hand happily. "Xiaofu, let's go, we're going to mess around!"

"Yes, Liang bro!" Xiaofu said as he walked towards the club with pinliang ...

"Phew ... He's finally gone." Mengyao let out a breath of relief before turning to Yushu. "Shu, why did you let him fight that li biao han?"

"That li biao han's a golden class late phase peak, didn't Zhong pin liang say how strong he was? Then let him go get beaten up. " "If you don't send him there to get beaten up, he'll still bother us," Yushu said.

"You're right, but isn't this a little bad?" Mengyao didn't like pin liang, but she thought that Shu's idea was a little bad.

"What's so bad about it? it's not bad at all. " Yushu said matter-of-factly. "If you can't even beat li biao han, how can you be a bodyguard!"

"Alright, I hope he won't be beaten to death." Chu Mengyao shook her head and went to the canteen with Chen Yushu.

However, before Mengyao and Yushu could finish their meal, pin liang brought Xiao fu to the cafeteria, looking all high and mighty. He found the girls and said proudly, "Li biao han, it's done. He's so weak in front of me-he's just a golden class late phase peak, and I sent him to the hospital to beat up!"

"Ah?" Mengyao froze at pin liang's words. Yushu, on the other hand, widened her eyes in shock. Was this Zhong pin liang? He actually won against li biao han? He knew that li biao han was a golden class late phase Peak Master?

It seemed like Zhong pin liang really went to cause trouble for li biao han, and he even won. Was Zhong pin liang really that strong?

## Chapter 2497 Shu's Mission

"Haha, I told you, I'm no longer the Zhong pinliang I used to be, I'm a master Zhong pinliang now!" Pinliang said, pleased with himself as he looked at Mengyao and Yushu's shocked expressions. "So, am I qualified to be your bodyguard now? Lin Yi isn't much either!"

Li biaohan was really unlucky!

Zhong pinliang arrived at the boxing club, asked who li biaohan was, and went up to him with a Special Steel stick! Naipao had given this to him, and it was made from black steel-the material used to make God weapons. Although the everyday and every day sect couldn't make it into a god weapon, it wasn't too hard to make one that didn't require Qi.

The reason he made pinliang this steel rod was to make up for pinliang's weakness of only being able to defend and not attack! Pinliang's mid-quality Golden Cicada undergarments protected his entire body from harm. After putting it on, even his face and hands that weren't covered were automatically protected. It was enough to prove that this mid-quality Golden Cicada undergarments was a super treasure.

However, pinliang wasn't afraid of being hit-if the others couldn't hit him, he couldn't hit them either. In order to help him win, naipao asked the sect master, celestial Chunyang, to make this steel rod for pinliang.

Although this dark steel rod wasn't a heaven-grade weapon, it could still hit all cultivators under heaven-grade, and true Qi protection was useless. It would still be injured if it encountered the dark steel rod that was used to forge heaven-grade weapons!

However, pinliang didn't have Qi, so the damage was limited. The lower the practitioner's level, the greater the damage, and it was suitable for long battles. One or two hits wouldn't cause too much damage!

This thing wasn't afraid of Qi, but the damage it dealt depended on how much strength pinliang had. The stronger pinliang was, the more vicious it would be!

As a result, li biaoan was in big trouble. Zhong Pingliang entered the boxing club alone and smashed li biaoan with the black steel rod. Whether it was li biaoan or his men, Zhong Pingliang didn't Dodge or hide no matter how they attacked!

Li biaoan was strong, but he couldn't handle Zhong Pingliang's endless smashing. His head was broken and he fell to the ground, unconscious. His men were also crying out in pain.

"Listen up, my name is Zhong pinliang, and I'm the boss of this school from now on. I'm the leader of the bullies, and anyone who's not happy about it can come to me anytime!" Pinliang said arrogantly after knocking down all the men from the club."Chu Mengyao is my goddess. Anyone who bullies her is going against me. I'm Yaoyao's bodyguard now. Whoever wants to die, come!"

After announcing Mengyao's victory, pinliang left the club with Xiaofu. Xiaofu didn't make a move, only watching from the outside. He only jumped out to cheer after seeing pinliang win.

The news spread quickly on campus, and the news of pinliang taking on the entire club spread like wildfire.

"Yaoyao, I've taken care of that li biaohan guy. He'll probably be in the hospital for the next few months!" Pinliang said, pleased with himself.

"That's right. The moment Liang bro makes his move, we'll know if he's good or bad. The entire Boxing Club is ruined by Liang bro alone!" Xiaofu added.

"Ah?" Mengyao blinked, not expecting pinliang to be this strong!

Yushu, on the other hand, was looking at pinliang in disbelief. This guy's become this strong? This won't do, I need to find something to assess his strength, see if he's as strong as shield bro! If he's stronger than shield bro, I'll have to think of a way to get rid of him.

"Oh, liangy, I didn't expect you to make me dig my eyes out!" Yushu said, surprised.

"Haha, that's right. Shu, do you think I'm qualified to be Yaoyao's bodyguard now?" Pinliang thought that Yushu was really impressed with him, but it wasn't surprising. He'd become so strong now, and his mentality had changed unnaturally, thinking that he was the strongest.

"Now? That li biaohan's the worst of the bunch, and you beating him up only means that you have a chance to become Yaoyao sis' personal bodyguard, but that's just a chance!" "I'm going to give you a few more missions to test you. If you complete them, I'll recommend you to Yaoyao sis and make you her personal bodyguard!" Yushu said.

Yushu was starting to trick pinliang again—a Mission Pass, and a mere recommendation at that—if Mengyao didn't agree to it, then everything would've been for nothing.

Pinliang's confidence, however, was so high that he didn't realize that Yushu was teasing him. He wanted to show off, "Alright, just say it. I'll hit whoever you want me to hit, and as many times as you want me to hit!"

"There's a guy called you Panhu, he has a golden class master and a Mystic class master by his side, can you take care of them?" Chen Yushu started to trick right coiling Tiger again.

"Golden and Mystic? It's no big deal. Tell me, where are they from?" Pinliang nodded as soon as he heard their levels.

"They're from the Biology and Medicine Department ..." Yushu said.

"Alright, I'm going to deal with them!" Pinliang nodded and strode out of the canteen to find right Panhu and his men.

Yushu realized that something wasn't right-pinliang should know how strong Mystic class Masters were, but he didn't seem to care at all.

"Yaoyao sis, this doesn't seem right. Is pinliang an Earth Class already?" Yushu said as she looked at pinliang's back.

"That's weird ... Shu, don't shoot yourself in the foot. What if he's really strong, are you really going to let him be my personal bodyguard?" Mengyao said, speechless.

"I won 't. My last mission is to have him fight shield bro. I'll only recommend him if he can beat shield bro." Chen Yushu replied.

"Oh, then aren't you setting him up ..." Chu Mengyao nodded but immediately frowned, ""What if he's really stronger than Lin Yi?"

"This ..." Chen Yushu hesitated, ""Yao Yao, actually, if he's really stronger than shield bro, we can't do anything if he comes to bother you ....."

"That's true. " "Then ... Will Lin Yi be his match?" Mengyao asked after some thought.

Chapter 2498 I'm The Victim

"I don't know. I'll test him again. Will this guy accept the inheritance? How did he become so powerful all of a sudden? This is too much of a scam!" Yushu couldn't figure out how pinliang had become so strong all of a sudden.

"Inheritance? "No way ..." Mengyao blinked, feeling uneasy. She was really worried that Lin Yi wouldn't be a match for her ...

Yu Panhu was very happy today because Lin Yi didn't come to school. These past few days, with Lin Yi around, he and Kang Zhaolong had been acting like cowards. It wasn't that they were cowards, it was because Lin Yi's presence was too shocking.

Lin Yi wasn't here today, so the two hid for the whole morning. They were just about to meet up with Han Jingjing in the afternoon when someone was shouting at the door!

"Where's the right coiling Tiger? Who asked youpan Hu to come out, Liang bro!" Pinliang shouted as he knocked on the door frame with his steel rod.

The right coiling Tiger was stunned! He was considered a tough guy in school-other than Lin Yi, who would dare to not give him face? Even Li Biaohan of the Firewolf gang and Zhuang Niodao of the Hidden House Zhuang wouldn't dare to say such things!

Other than Lin Yi, who dared to use the word "scram" on her, no one else was that tired of living!

"Who are you? Do you not want to live? You dare to scold our young master you?" Before Panhu could say anything, his two underlings stood up and rushed to the door.

"You two are right coiling Tiger's subordinates? A golden class and a Mystic class?" Pinliang asked as he looked at the two.

"Not bad! Where did you come from?" The yellow-haired man was stunned. He didn't expect this guy to be able to tell him and the purple-haired man's strength. This meant that he didn't seem like a clueless hothead. Did he really have some background?

"Oh, if that's the case, then just wait to be beaten up!" Pinliang's stick landed on the man's head. It didn't split his head open, but it was still bleeding!

The yellow-haired man didn't expect pinliang to hit him without any warning! This time, he didn't fall down directly, but he was still dizzy. Before he could react, the stick came again!

Pinliang's speed was high-he knew that he was at a disadvantage, so he tried to end the fight as quickly as possible.

"Little brat, you're looking for death!" "Purple hair, kill him!" The yellow-haired man was furious.

The purple-haired man reacted as well-he threw a punch at pinliang as soon as he saw the metal rod hit the yellow-haired man! However, the purple-haired guy was confused-pinliang didn't seem to be a practitioner. The iron rod was strong, but he couldn't tell what level pinliang was at.

This guy had no Qi at all, and he couldn't use the surrounding spiritual Qi to form Qi like other physical practitioners? What was this guy's strength?

However, no matter how strong he was, he was confident that he could cripple pinliang with one punch! He was a Mystic, after all, and his punch wasn't weak at all-he'd be able to kill pinliang with one punch if he didn't hold back a bit.

But what happened next was a little unbelievable! The purple-haired man's fist landed on pinliang's body, but pinliang didn't react at all. He didn't even Dodge or make a sound as he continued to hit the yellow-haired man with the iron rod!

"Bang, bang, bang ..."Pinliang's speed increased, and he realized how good it felt to hit people-no wonder Lin Yi liked to bully him!

"Oof ..." The yellow-haired man panicked. He couldn't protect himself with his Qi anymore after the purple-haired man failed to take down pinliang. He started punching and kicking pinliang! But the tragedy was that his punches and kicks didn't seem to have any effect on pinliang!

Pinliang was still beating him up, completely ignoring the purple-haired man and himself.

Finally, the Blondie's vision blurred, and he lost his balance and fell to the ground, unconscious. Pinliang, on the other hand, turned around and started hitting the purple-haired guy with his steel rod!

This feeling made pinliang feel like he was in heaven-when he fought with others, he could beat them even if they couldn 't!

The purple-haired man realized that something was wrong. This kid was obviously not afraid of being hit. No matter how hard he hit him, it was useless. He didn't seem to be injured at all, but he had been hit so hard that he had many external injuries! The purple-haired guy also realized that the rod in pinliang's hand wasn't an ordinary metal rod. It was like a treasure that could pierce through his Qi protection and hurt him!

With that thought, the purple-haired guy reached out to grab the steel rod from pinliang's hand. However, just as he grabbed the end of the rod and was about to take it away, he felt a strong, high voltage coming from the end of the rod and spreading to his entire body!

The purple-haired man let out a blood-curdling screech and did a breakdance on the spot for a while before falling to the ground with black smoke coming out of his head. It was unknown whether he was Dead or Alive after being electrocuted!

"SB!" Pinliang looked at the purple-haired guy on the ground with disdain. Naipao had asked the pure yang God to design this black steel rod for him. A sect like the everyday and every day sect naturally had their own methods. They couldn't make sky-grade weapons, but they could modify some of the mechanisms in the weapons. For example, pinliang's Black steel rod had some mechanisms installed in it that would release high voltage electricity when someone tried to take it.

You Panhu stood in the classroom and looked at The Fiend who had suddenly appeared at the door. He was bewildered. Who is this kid? Where did he come from? How could he be so fierce that he could beat his two subordinates to the ground?

"It's your turn!" Pinliang pointed at the right Panhu with the steel rod. "Come over. If you don't defend, I'll give you a quick death."

"Who the hell are you? Have I ever offended you?" You Panhu felt a little guilty. Although his hidden you family was very powerful, he wasn't powerful now. The person in front of him was obviously very strong in combat. The most important thing was that he wasn't afraid of fighting. This made you Panhu tremble with fear.

"I'm Zhong pinliang!" Pinliang knocked on the door frame. "You didn't mess with me, but you messed with my goddess!"

"Who's your goddess?" The right coiling Tiger was stunned.

"Chu Mengyao, I'm her personal bodyguard!" Pinliang said.

"Chu Mengyao?" You Panhu was stunned again and almost cried, ""Damn, when did I offend her? I don't really know her. The only time I came into contact with her was when the big-breasted girl next to her hit me with a bowling ball! I'm the victim!"

Chapter 2499 Tapping Device

"I don't care. My goal is to beat you up!" Pinliang didn't care how he explained himself. His goal was to beat him up and claim credit from Yushu. He didn't care if he was telling the truth or not.

"I ... I'm the second young master of the hidden you family. If you hit me, you'll definitely have a bad ending!" Yu Panhu had no choice but to use house you's name, hoping that Zhong pinliang would be scared and give up.

"What hidden house you? It's just a small hidden house, nothing. I'm the disciple of the sect master of the everyday and every day sect, celestial venerable pure yang!" With that, pinliang raised his black steel rod and swung it at coiling Tiger ...

You Panhu was stunned. The everyday and every day sect? Why did their disciples come to the East Ocean City industry University? What was going on? But before he could figure it out, pinliang's iron rod hit him ...

He was not even as good as the purple-haired and the yellow-haired man. He was a pure Alchemist and had no offensive or defensive skills at all. He also had no experience. Therefore, his wailing sound echoed throughout the entire corridor. After a while, right coiling Tiger rolled his eyes and lay on the ground, accompanying the yellow-haired and purple-haired man!

"Liang bro's really awesome!" Xiaofu ran out of nowhere and said proudly, ""These people are a piece of cake to Liang bro!"

"That's right, don't you know who gave me this treasure!" Pinliang left the biology Building with Xiaofu to look for Mengyao and Yushu.

Mengyao and Yushu didn't expect pinliang to be back so quickly!

"Liangy, you've taken care of that right-hand Panhu?" Yushu had a bad feeling-pinliang really did seem to be a lot stronger than before.

"Ha, that's right, don't you see who's the one who made the move!" "That kid and his two underlings aren't good enough, they're just trash in front of me!" Pinliang laughed. So, now I'm qualified to be Yaoyao's personal bodyguard?"

"This ..." Chen Yushu hesitated, ""No, these guys are just small characters, shield bro can take care of them in minutes! If you want to be Yaoyao sis "personal bodyguard, you still need to work hard!"

"Is that so ..." Pinliang was a little disappointed, but it made sense. Lin Yi was already an Earth Class master, and fighting Mystic and golden class practitioners would be a piece of cake for him. All he did was prove that he could fight, but he didn't show Mengyao and Yushu how strong he really was. That was a problem.

"That's right. That's why you need to prove your strength!" Chen Yushu replied.

"What's my next mission?" Pinliang asked.

"Well, let me think about it. I can't recall anything at once, so I don't want to make things difficult for you." "How about this, liangy? you go back and wait for my news. Right, Yaoyao sis said she wants to eat spicy skewers from Songshan's food street. You should go buy some ..." Yushu said.

"Oh, that works too!" Pinliang nodded. "Isn't it just spicy skewers? I'll go and buy it now ..."

With that, pinliang left with Xiaofu. Mengyao, on the other hand, was a little worried. Yushu had sent pinliang away for the time being, but he'd come back to bother them sooner or later, especially now that he was capable ...

"Shu, Zhong pinliang's so strong, what should we do? Shouldn't I tell Lin Yi?" Mengyao said after some thought.

"Yeah, we have to tell shield bro, but we need to figure out why pinliang's so strong first!" "Only by knowing yourself and your enemy can you win every battle!" Yushu said.

"Then how do we investigate him?" Mengyao asked.

"I'm going to talk to han Jingjing. Doesn't she like to use high tech? I'll see if she has a bug or something. We'll install one on Zhong pinliang, and we'll be able to hear his secrets. " Chen Yushu replied.

"That's good. " Mengyao said with a nod.

And so, while pinliang went to buy spicy skewers, Yushu went to find han Jingjing.

Han Jingjing didn't have the bug with her, but she knew where to buy it. Mengyao drove the two girls to buy the bugs in the afternoon, and pinliang had just returned ...

That was close-pinliang would've suspected something if he'd seen them out of school.

In fact, it was all because Mengyao had a guilty conscience. Even if she wasn't in school, pinliang wouldn't have thought much about it. Shu, on the other hand, walked up to pinliang with the micro-listening device in her hand and took the hot spicy skewers from him with a smile,"Liangy, thank you!"

"Haha, no need to thank me. This is what I should do!" "I'll just take it as a preparation for what I'll have to do as Yaoyao's personal bodyguard!"Pinliang said.

"En, not bad, it's still hot!" Yushu patted pinliang's shoulder and stuck the bug on his back. It was small and delicate, like a button on a shirt. You wouldn't be able to tell if you didn't look closely,"Yaoyao sis wanted me to encourage you, keep it up! Liangy, you know that Yao Yao likes brave people!"

"I know, I know!" Pinliang thought that Yushu's Pat on the shoulder was Mengyao's idea, and he was extremely excited! He knew that Chen Yushu had been toying with him a lot before, but she had never patted his shoulder with such care!

This change was enough to explain the change in Mengyao's heart. If she still hated him, she wouldn't have hinted for Yushu to Pat his shoulder and encourage him. From pinliang's point of view, Yushu had always been condescending to him, never this kind.

"En, it's good that you know." "There's something Yaoyao sis didn't want to say, so I'll pass it on for her. Do you want to hear it?" Yushu nodded.

"Of course, I want to hear it!" Pinliang said.

"Alright, I'll tell you since you want to hear it. We've only seen a part of your abilities, and we don't know much about you yet. How about this? you'll try your best to challenge some Masters and make a name for yourself. That's the only way you'll have a chance of becoming Yaoyao sis's personal master!" Chen Yushu replied.

Chapter 2500 Why Did You Come Back?

"Look at shield bro, he's famous now. Whether it's an Jianwen or Zhao Qibing, they're all scared out of their wits when they hear shield bro's name. So, he doesn't even need to do anything when there's a lot of trouble. As long as he says his name, they'll be scared to death. But you can't do that yet."

"Is that so ..." Pinliang nodded. Yushu was right-Lin Yi's name was like the shadow of a tree! Even the practitioners from the Ice Palace test were scared when they heard the name "Ling Yi"-of course, that was what naipao had told him.

Naipao's loss forced him to take Lin Yi seriously-he had to work hard and defeat Lin Yi the next time they met.

An Jianwen ... Zhao Qibing ... These two names made pinliang feel a little guilty. He was strong and powerful now, but an Jianwen and Zhao Qibing weren't pushovers either. Although they weren't strong individually, they had a gang and family behind them. The Firewolf gang had a lot of Masters, and the Hidden House Zhao had a Sky Class master. Pinliang didn't dare to go and cause trouble for them.

However, he was also eager to prove how strong he was, so he had to come up with a way.

"Alright, I'll go back and think about how to prove my courage. I'll go back now, Shu, please put in a good word for me in front of Yaoyao!" Pinliang said.

"No problem!" Yushu nodded readily and waved pinliang away. Once he was far away, she put in her earphones.

"Will we really be able to find out what they're trying to do?" Mengyao sighed. She couldn't figure out why pinliang was so strong.

"I think so ... They're discussing how to prove Zhong pinliang's strength ..." Chen Yushu said.

It was true-pinliang and Xiaofu were discussing how to prove their strength.

"Liang bro, how about you go beat up Zhao Qibing and an Jianwen again?" "Isn't that the simplest way?"Xiaofu asked.

"Idiot!" Jianwen kicked Xiaofu, "why are you still so stupid?" Why was he so impulsive? Can't you learn from me and plan before you act? Zhao Qibing and an Jianwen are not that easy to beat up!"

"That Zhao Qibing, no matter how strong he is, he can't be above Sky Class, right? He's at most an Earth Class, what's there to be afraid of?" "And that an Jianwen, he's just an ordinary person, right?" Xiaofu said. Liang bro has the Golden Cicada undergarments on him-as long as the opponent isn't a Sky Class master, he should be able to win for sure, right?"

"You idiot, Zhao Qibing has the Hidden House Zhao behind him, and they have a Sky Class master! Of course, I'll beat him up and reveal my identity as a disciple of the everyday and every day sect. The Hidden House Zhao wouldn't dare to do anything to me, but an Jianwen is the most important! Although he's just an ordinary person, don't you know that the Firewolf gang has many experts? Their strength isn't any weaker than our everyday and every day sect?" Pinliang glared at Xiaofu, "You think I don't want to touch an Jianwen? He even cut off one of my kidneys. If possible, I would send him to heaven first, but that's not possible, he's not afraid of us!"

"Then let's start with Zhao Qibing?" Xiaofu said.

"I guess this is the only way." "Let's beat up that Zhao Qibing first, we'll think of other ways ..." Pinliang said.

"Alright, we'll go find Zhao Qibing later!" Xiaofu nodded.

"Later my ass, are you stupid, going to house Zhao to fight Zhao Qibing is just asking for death!" "Either you hide your identity and get beaten up by that old Sky Class master, or you tell them who you are, but there's no way they'll fight!" Pinliang raged.

"Then what do we do?" Gao Xiaofu asked carefully. He realized that his intelligence wasn't enough. It seemed that Liang bro wasn't the same as before. He was much more intelligent! In fact, a person would grow after going through ups and downs. Pinliang's comprehension was the only thing that mattered.

"Let's go back and talk to coiling Tiger, that guy must know Zhao Qibing. Tell him to call Zhao Qibing and ask him out. He knows who we are, he wouldn't dare to disobey. " Pinliang said.

"Ah? "That works too ..." Xiaofu thought, realizing that Liang bro was smart!

Therefore, the two of them went back to look for you Panhu. You Panhu had just woken up. Although he had taken the pill with the yellow-haired and purple-haired men and didn't need to go to the hospital, he was also seriously injured and could only rest in his seat.

The three of them were extremely depressed. They didn't even know Chu Mengyao and Chen Yushu, and they were beaten up for no reason. Not only that, this guy was also a disciple of the everyday and every day sect. It was impossible for them to get revenge now. Even the sky elixir sect would avoid the people from the everyday and every day sect. There was no other reason than these people were too evil!

Zhong pinliang, for example, didn't seem like he had much attack power, and his combat index was very low, but he was surprisingly good at taking hits. The difference between him and the Golden Bell sect disciples was that he didn't have any strength at all, different from physical Masters.

Not only that, but the iron rod in his hand was even more bizarre. The seemingly ordinary iron rod could actually pass through the true Qi protection, which was a bit strange.

"We're so unlucky! We thought we'd be able to rest for a few days after Lin Yi left, but this Zhong pinliang came out of nowhere! Damn it!" The right coiled Tiger was furious.

"Young master you, did this person hit the wrong person? We didn't even bully Chu Mengyao, and you were hit in the head by that big breasted girl next to her! This is so unfair!" The yellow-haired man said indignantly.

"What can we do?" "We can't get back at them, can we?" you Panhu said helplessly. Let's not talk about whether we can beat him. Even if we can, do you think his background is so weak? The everyday and every day sect!"

"It's a good thing he's not trying to take our lives-this is probably over now. Let's be more careful of him in the future, just don't mess with him. Treat him the same way we treat Lin Yi. " The purple-haired guy thought for a while and suggested.

"En, I think it's fine." You Pan Hu nodded in agreement.
