

Bodyguard 2521

Chapter 2521 Martial Technique Ineffective

"All-purpose Shu ..." Chen Yushu thought, "There's actually a way, and that's for old man Pi to give him a punch, and everything would be solved-old man Pi's a Sky Class, and there's no way he'd be able to defend against that!"

"That's a good idea, but didn't elder Pi go back? Plus, if they sent elder Pi out for something like this, wouldn't it bring trouble to the Hidden House Pi? Wasn't pinliang backed by the everyday and every tomorrow sect? Will there be any problems if they find out that a hidden house's master has come to the common world?" Mengyao asked, worried.

After all, this time was different from before. Before, it was Grandpa Pi who secretly went to save Wang Xinyan, and the robber was an idiot. No one could tell him anything about Grandpa Pi, but this time, it was in front of everyone.

"Yeah, that's why there are times when you can't do everything ..." Yushu shrugged helplessly. "Actually, this is easy to handle. We just have to ignore him."

"Ignore him?" Mengyao blinked.

"Yeah, I'm just ignoring him!" "It'll be great if we can beat shield bro when he's back, but if we can't, I'll find a way to get pinliang's Golden Cicada undergarments changed, and shield bro will be able to beat him!" Yushu said. I'll tell him that the previous matches don't count, and that those that weren't watched by us don't count. I'll ask him to fight shield bro again, and shield bro will definitely win!"

"Shu, it looks like you're not scared at all-no wonder you're not nervous." Mengyao let out a breath of relief.

"It's not that I'm fearless, I'm actually thinking about how I can get my hands on liangy's treasure. "That iron rod of his is pretty good too, if shield bro could get it back ... Hehehehe ..." Yushu laughed sinisterly.

"It's not good to snatch them all, right?" "Will the everyday and every day sect agree?" Mengyao asked, worried.

"If they don't agree, then let them give liangy some more treasures. When he comes back to show off, we'll snatch it!" "Liangy's such a nice guy, giving shield bro equipment all the time!"Yushu said nonchalantly.

"Pfft ..." Mengyao almost burst out laughing. This pinliang sure was unlucky to have met a cheapskate like Shu. He lost everything he got.

But Mengyao didn't pity him. Pinliang kidnapped her and Shu before, and he did a lot of bad things to Lin Yi. Why would she pity him?

Lin Yi arrived at Donghai city's Industry University in xiaopo's car. He heard some students talking about Zhong pinliang's ring as soon as he parked the car in the parking lot, and naturally paid attention to it.

Lin Yi didn't expect pinliang to use this method to force him to abdicate-he was a lot smarter than before, but would it really work with Shu around?

"Let's go and take a look. " Lin Yi said.

"Boss, do you have a problem with this Zhong pinliang or something?" Han xiaopo could roughly see some clues.

"Haha, yeah, Chu Mengyao's admirer, my high school classmate." "This guy's always been against me," Lin Yi said."He's joined the everyday and every day sect recently, and got himself some mid-quality Golden Cicada undergarments or something. He's no longer afraid of anyone under Sky Class. "

"So it's him!" Han xiaopo suddenly understood after hearing Lin Yi's words. No wonder Lin Yi asked about the mid-quality Golden Cicada underwear yesterday.

The two of them followed the crowd to where pinliang was holding his arena. They saw pinliang standing on the stage, looking down on everyone. However, no one went up to the stage anymore. They all knew that it was impossible to beat him down, so they were all watching from below the stage to see if there were any idiots who would go up to die.

"Lin Yi! Ha, Lin Yi, you're back?" Pinliang was in the crowd, and he saw Lin Yi right away-he called out excitedly,"Lin Yi, come up since you're back, don't be a coward!"

Lin Yi didn't want to go up the stage immediately-he didn't know pinliang's situation, and he didn't want to make a move before he figured out Yushu and Mengyao's intentions! But pinliang had already said that, and if Lin Yi backed down in front of everyone, it'd be giving pinliang an excuse to force him to abdicate!

He'd tell Chu Mengyao and Chen Yushu that if Lin Yi didn't even dare to compete with him, what right did he have to be their bodyguard? This would put Mengyao and Yushu in a difficult position.

"Alright, since you've invited me, I'll come up and try." Lin Yi nodded and jumped onto the arena pinliang had set up. It was called an arena, but it was more like a gym.

"I'm standing right here, you can hit me!" Pinliang crossed his arms as he looked at Lin Yi, as if he were a high and mighty being.

"The fifth style of the wild fire Eight Trigrams palm!" Lin Yi didn't use his strongest move right away- that'd be too energy consuming. He'd only need to use the fifth style of the palm to test if pinliang was really invincible under Sky Class, and if he could even defend against Lin Yi's eleventh style of Sky Class!

"BOOM!" Lin Yi's palm landed on pinliang's body, and although he was unscathed, he was forced back a few steps by the force of Lin Yi's palm. He looked at Lin Yi in surprise!

"Not bad, not bad. But to me, it's a piece of cake!" Pinliang wasn't expecting Lin Yi to be this strong-he was the only one who'd managed to force him back a few steps ever since he'd left the mountain! The others, on the other hand, couldn't do anything to him at all. All the force was neutralized by the Golden Cicada underwear, and pinliang himself didn't feel anything.

However, Lin Yi's attack made him take a few steps back. It was clear that Lin Yi was stronger than the others! But pinliang thought about it-he'd been fighting Mystic and golden class Masters before, and only Lin Yi was an Earth Class. It made sense for him to be stronger, but even Earth Class Masters didn't do anything to him, did they?

He had underestimated his enemy and was careless. He couldn't stand firm and adjust his posture in time, which led to him taking a few steps back. Now he had to concentrate!

Pinliang was surprised, but Lin Yi was even more surprised. The fifth style of Lin Yi's palm was as powerful as the eleventh style of a sky tier martial skill!

Chapter 2522 Victory

The fact that the eleventh form didn't work on pinliang shocked Lin Yi!

It seemed that this mid-grade Golden Cicada underwear was really a super good thing. Could it be that the underwear was really divided according to strength? He wasn't a Sky class, so even if he used a Sky Class skill, he wouldn't be able to hurt pinliang at all?

Lin Yi didn't want to give up, so he didn't answer pinliang's question. He activated his strongest skill, the seventh form of the Kungfu's flaming Eight Trigrams palm!

"BOOM!"

Lin Yi's palm landed on pinliang's chest again, and a powerful fire Qi burst out from his palm! Even an early phase Sky Class master would be heavily injured if they took a hit like that, but pinliang was only sent flying!

His body was sent flying out of the ring along with Lin Yi's burst of pure energy, landing heavily on the ground!

"Alright!"

"Oh, Yingluo."

"That's great!"

"That's too awesome!"

The audience cheered when they saw Lin Yi knock Zhong pinliang off the stage! There was a good saying, "the layman sees the fun, while the expert sees the skill!" The students here were all normal people, not practitioners. As far as they were concerned, Lin Yi had defeated pinliang, and that was his victory! Pinliang had to pay Lin Yi a thousand Kuai as a reward!

Of course, even though pinliang was lying on the ground, Lin Yi knew that he wasn't really hurt. Other than the fall, he was perfectly fine!

This situation made Lin Yi very helpless and speechless. Even a Sky Class early phase was no match for him, and Zhong pinliang was just a normal practitioner with no strength. He couldn't do anything to him. How sad was this?

It seemed like the cicada armor was only protecting pinliang from attacks of a lower level. As long as he wasn't a Sky Class, even if he used a Sky Class skill, he wouldn't be able to do anything to pinliang!

Although most of the people below the stage were cheering, there were also a few people who kept quiet out of fear after seeing this scene! They were right-hand Panhu, yellow-haired, purple-haired, li biaoan, and the others!

Right-hand Panhu, yellow-haired, and purple-haired were fine. After taking the pills, they were no different from being uninjured. Li biaoan was not fine. At this moment, his legs were in a cast and he was sitting in a wheelchair. He looked very miserable! He had actually come here to find a sense of balance!

He'd felt less depressed when he saw other people getting bullied by pinliang, but seeing how Lin Yi couldn't do anything to pinliang made him feel a strong sense of fear!

You Panhu and the others were the same. They were all practitioners, and naturally, they could tell that Lin Yi's palm was the thirteenth form of a sky tier martial skill! They didn't know how an Earth Class mid phase peak like Lin Yi was able to use the Sky Class 13th form, but they were even more surprised that Zhong pinliang wasn't hurt at all!

Lin Yi's move was enough to cripple a Sky Class early phase or even early phase peak, but pinliang wasn't hurt at all-other than being sent flying off the stage, he didn't seem to have any other injuries!

"Kid, you lost, right? Can't you? Do you know that there's always someone better than you?"

"That's right, quickly pay up! It's time to spit out all the money we've taken in!"

"Hurry up and give me the money!"

It had to be said that all of the students were focused on pinliang's compensation-they didn't care why he wasn't afraid of the fight, nor did they care if Lin Yi could do anything to him. They just wanted pinliang to pay up after seeing that he lost!

"I ..." Pinliang was a little pissed. He stood up and jumped onto the stage. "No, let's compete again. Your conditions are different from the others. It doesn't matter if you beat me, you must beat me!"

"What the hell is this? Can you keep your word? You said it yourself, I'll get 1000 Yuan if I beat you down. Why is it different now?"

"That's right, isn't this a lie? You were so happy when you won, but when you lost, you started changing the conditions. Isn't this cheating?"

"Liar! This kid is a liar!"

"Right, where's the brother who lost money just now? Let's get a refund from him together!" It was one of the sports department students who had just gone up on stage. He was instigating the people who had just lost money to go to Xiaofu and ask for money!

As expected, the others responded to his words and surrounded him. "Quickly return the money!"

"I ... I ..." Xiaofu looked at pinliang, troubled.

"Do you want to get beaten up? Scammer, if you don't return the money, we'll beat you up and send you to the school leaders, saying that you're scamming your classmates!" One of the students said.

"Right, the school will definitely give you guys a demerit!" Another student said.

"Who knows, he might even be expelled!" Another student said, adding oil to the fire.

"Return, return it to them!" Pinliang said helplessly. He was really worried that Xiaofu would get beaten up. He wasn't afraid of being beaten up, but Xiaofu was. What if he was beaten half to death? Returning the money was a little embarrassing, but it was still better than getting beaten up. He would lose even more face!

"Alright, I'll give you a refund!" Gao Xiaofu had no choice but to return the money to the people who went on stage one by one before they let him go.

Lin Yi, on the other hand, was weighing the pros and cons. "I'm sorry, if you want to compete in something else, we can do it another day. I don't have time today!"

With that, Lin Yi jumped off the stage, not caring about pinliang anymore. He knew that he'd lost the fight, but the other students didn't all they saw was Lin Yi beating Zhong pinliang!

This way, pinliang wouldn't be able to use public opinion to post on the school's BBS forum and force Mengyao and Yushu.

"You ..." Pinliang was furious, but there was nothing he could do now that Lin Yi had left. He couldn't just force Lin Yi to fight, could he?

Beating Lin Yi up with a stick was even more unacceptable-it was fine if there were no one around, but with so many people watching, people might think that he was using a stick because he couldn't afford to lose a thousand Kuai, and that would be even more disadvantageous to him.

"Gao Xiaofu, where's the one thousand Yuan?" Lin Yi walked to Xiaofu after he got off the stage and extended his hand.

"I ..." Gao Xiaofu hesitated. He looked at the angry crowd and was afraid of getting beaten up. He helplessly took out a thousand Yuan and gave it to Lin Yi.

Chapter 2523 This Works Too?

Pinliang wasn't afraid of a beating, but Xiaofu was. One slap from Lin Yi would kill him.

Lin Yi pocketed the thousand Kuai-he didn't care about it at all. He'd just wanted to piss pinliang off a little, and make him drop a rock on his own foot. He'd also be able to cover up his loss, in case pinliang tried to force Mengyao to abdicate again.

Lin Yi took the money and left, and while pinliang was cursing Lin Yi for being a coward in his heart, he didn't dare say it out loud in public. If he did, the students watching from below might come up with some nasty words for him!

After all, everyone saw that pinliang had lost, and it was only natural for Lin Yi to reject his challenge. In their eyes, it was pinliang's shameless behavior, and so even the slightest bit of dissatisfaction would be seen as a sore loser by the students.

And so, pinliang didn't have the face to continue setting up the arena. He quickly packed up with Xiaofu and left the field under the disdainful gazes of the students.

After the two of them left, the other students left as well. The commotion died down as quickly as it started. The nosy students had already posted the battle report on the school's BBS forum. Chu Mengyao and Chen Yushu saw the results at the first moment.

"Yay, shield bro didn't let us down after all, he beat Zhong pinliang!" Chen Yushu pointed at the post on the computer screen excitedly.

Chu Mengyao wasn't as excited as Chen Yushu. After looking at it, she said helplessly, "It looked like Lin Yi won, but he still lost. He really can't do anything to Zhong pinliang in mid-quality Golden Cicada underwear ..."

"That's true, but Yaoyao sis, we should be content. This result is much better than I expected!" "At least Zhong pinliang can't use this to force us to abdicate. If he wants to be your bodyguard, then we won't have to think of a reason to reject him anymore. As long as I steal his treasure, he'll get beat up, roarrrr ..." Yushu said.

"Shu, why is your smile so creepy ..." Mengyao's hair stood up on end.

"It's been a long time since Shu's toyed with people, and I'm a little excited to suddenly have business!" Yushu said, embarrassed.

Lin Yi's call came in as the two were talking, and Mengyao picked it up. "Lin Yi, you're back?"

"Yeah, I met Zhong pinliang before ..." Lin Yi said.

However, Mengyao continued before Lin Yi could finish, ""Yes, I know. I saw the live broadcast on the school's BBS forum. You beat him ..."

"What do you mean by 'knocked down'? anyone else would've been dead by now, but he's not even injured. This mid-quality Golden Cicada underwear is really strange!" Lin Yi said with a bitter smile.

"Don't worry, shield bro. I'll leave the rest to Shu!" Chen Yushu snatched the phone back and said to Lin Yi, "It's always shield bro protecting Shu, but this time Shu's going to protect shield bro!"

"You? Done?" Lin Yi blinked.

"Shu wants to change pinliang's mid-quality Golden Cicada underwear ..." Mengyao explained Shu's idea to Lin Yi.

"This works too?" Lin Yi didn't even think of using his own low-tier Golden Cicada underwear to exchange for pinliang 's! Pinliang would be in deep trouble if he succeeded!

"Roarrrr ... Of course." Mengyao mimicked Yushu and started laughing.

"..." Lin Yi blinked, "miss, when did you get infected by Shu?"

"What do you mean by infectious? We're very similar, alright?" Mengyao hmped.

"Alright, I won't bother about it then. I'll just wait for the good news." "I'll head back first then, I'll come pick you guys up tonight!" Lin Yi said.

It was the weekend, and although there were still people in school, they were all electives students. Mengyao and Yushu would come to school if Lin Yi wasn't home, but they wouldn't come if Lin Yi was home.

Lin Yi had come to school, but he didn't have the intention to go for an electives class. He'd just gathered the colored steel, the yellow jade, and the blue crystal-it wasn't a lot, but he wanted to go back and try making a Jade space!

One had to know that Lin Yi had been looking forward to this for a long time, and now that he finally had all the materials, why wouldn't he give it a try?

"En, see you tonight ..." Chu Mengyao said.

Lin Yi turned around and got into han xiaopo's car, "Let's go back to the villa in xueshang District. " Lin Yi said.

"Okay, boss." Han xiaopo nodded and started the car.

At the same time, pinliang and Xiaofu found a place with no one around and sat down, panting heavily.

This was the school's little forest. In the summer, these small pavilions were the Paradise for young people to fall in love, study, and play cards. In the winter, there was no one. No one was stupid enough to come here and sit in the cold.

"What a miscalculation, who would've thought that Lin Yi would come back at this time!" "My mid-grade Golden Cicada underwear can defend against attacks from anyone under Sky Class, but Lin Yi's an Earth Class mid phase peak! He can still send me flying!" Pinliang said, pissed.

"Yeah, we shouldn't have held this arena. We could've changed the rules the moment Lin Yi came, instead of letting him come up!" Xiaofu nodded.

"Things were going quite smoothly. After we were done, we could go to Chu Mengyao and Chen Yushu and force them to let me be their bodyguard. It doesn't matter if they're willing or not, as long as I become their bodyguard, everything would be much smoother! Wasn't Lin Yi not welcomed back then?" Pinliang's plan wasn't bad, but there were some problems with the execution.

"I wonder if Chu Mengyao knows about this?" "Liang bro, why don't you give Yushu a call and see what she's thinking?" Xiaofu asked after some hesitation. Don't let them see the situation, or let Lin Yi say something bad to Liang bro. "

"Not bad, that's a good suggestion. Lin Yi's a cunning one, I need to call Chen Yushu first and tell her that Lin Yi was the one who messed around in this competition!" With that thought, pinliang quickly took out his phone and dialed Yushu's number.

Chapter 2524 Drenched In Dirty Water

"Hey, liangy? What's the matter?" Yushu had just finished planning the next step of the plan, and was thinking about how to trick pinliang into coming here, and pinliang walked right into the trap! What a nice guy!

"Shu, you know about the fight I had with Lin Yi, right?" Pinliang asked.

"Fight? What fight?" Chen Yushu pretended to not know and asked.

"Haha, it's like this!" Pinliang was overjoyed to hear that Yushu didn't know. "I've organized a Challenge Tournament. In order to test if I can be a qualified bodyguard for you and Yaoyao, I've set up a rule. Whoever beats me down will be rewarded with a thousand Yuan! "Of course, this is only for ordinary people. Cultivators naturally can't do it. I'll definitely have to take action ..."

Pinliang said, trying to give Yushu a heads-up to prepare for what was going to happen next, but he didn't expect her to agree with him!

"That's right, that's right. If you don't attack when you encounter a cultivator, you're an idiot!" Chen Yushu added.

"Ugh ... Right ..." Pinliang smiled bitterly. Did that make him an idiot? But in order to smear Lin Yi's name, he didn't mind being an idiot. He continued, "But, I didn't think that Lin Yi would suddenly come back and beat me down on stage, and even ask for a thousand Yuan from me. As a cultivator, could he follow the same rules as ordinary people? Isn't this cheating? I asked him to continue competing with me, but he took the money and left. How shameless!"

"Oh, about that, I know!" "Yaoyao sis and I didn't see your fight, so that doesn't count. Even if you want to fight, we'll have to see it with our own eyes. Otherwise, it doesn't count!" Yushu said.

"Yes, yes, yes!" Pinliang was overjoyed at Yushu's words. "That's right, that's it. A match without the two of you is not counted. He will only be acting shamelessly for a while. When the real competition begins, let's see how he can still act shamelessly!"

"But liangy, I don't have time to talk to you about this right now, I'm really busy!" Yushu interrupted.

"Ah? Big sister Shu, what are you busy with?" "Do you need my help?" pinliang asked, trying to flatter him.

"It's okay, Yao Yao's feeling a little uncomfortable, maybe she caught a cold. She's lying on the bed, I need to take care of her!" Chen Yushu replied.

"Ah? Yaoyao caught a cold? Are you okay?" Pinliang quickly asked, "Do you need me to go and help?"

"No need. You can't enter the girls' dormitory!" Chen Yushu replied.

"Ha, other people can't enter, but I can?" Pinliang's lips twitched-he'd already found out that the woman bullied the weak and feared the strong, and he'd be able to do whatever he wanted as long as he gave her some benefits in private!

"There's no need for that, right? It's not convenient, right?" "But Yaoyao sis is only in her pajamas ..."
Yushu said hesitantly.

Mengyao glared at Yushu after hearing that. Wasn't it you who asked me to wear it? Besides, my pajamas are very tight, okay? He had covered everything that needed to be covered, and he was even lying under the blanket!

"Eh? Pajamas?" Pinliang almost drooled when he heard that, but he quickly put on a serious face to hide his looks, "What's inconvenient about that? I'm going to be your bodyguard soon. Don't tell me that you won't be wearing pajamas at home in the future? Wait for me, I'll be there right away!"

"Don't, please don't come ..." Yushu's tone changed from a hesitant one to a determined one.

Pinliang, on the other hand, didn't notice the change in Yushu's tone, "Wait for me, I'll be right there!"

"Don't ... Please don't come ..." Chen Yushu said and hung up.

"Pfft ..." Mengyao almost burst out laughing when Yushu hung up, ""Shu, you're pretty good at acting like this, aren't you? Tell me, did you practice it all this time to seduce Lin Yi?"

"I'm not ... I'm just practicing for Yaoyao sis ..." Chen Yushu stuck out her tongue.

"Replace me? What does it have to do with me?" Mengyao blushed as she remembered something. She glared at Yushu, "Aren't you going to prepare? Zhong pinliang's coming soon!"

"Woohoo, I'll go prepare!" Yushu ran out of the dormitory with the basin in her arms.

Pinliang, on the other hand, turned to Xiaofu after hanging up. "Take these things and wait for me, I'm going to find Chu Mengyao!"

"Liang bro, you don't need my help?" Xiaofu asked carefully.

"You'll help? Help, my ass!" Pinliang glared at Xiaofu, "Didn't you hear that Yaoyao wears pajamas? What are you going to do? And it's a female dormitory, why are there so many people? It won't be easy to enter then!"

"Oh, okay ..." Xiaofu didn't really want to see Mengyao in her pajamas-he just wanted to see if there were any other pretty girls in the dormitory, and maybe he'd run into one. But he couldn't do that now. Zhong pinliang didn't want him to go at all. He could only carry the Bunch of Banners back to the dormitory and wait for Zhong pinliang to return.

Pinliang said goodbye to Xiaofu and ran towards Mengyao's dormitory. He'd already gotten Mengyao's room number, and he told the old lady that his girlfriend was sick and needed to be taken care of. He gave her a hundred Kuai, and she let him go after checking the room number and name.

Pinliang, on the other hand, jogged all the way to Mengyao's dormitory. He was about to knock on the door when he saw that it wasn't locked. He pushed the door open happily and rushed in!

He still had a little anticipation in his heart. If he suddenly rushed in, he might be able to see some ambiguous scenes!

However, wishes were good, but reality was cruel. Pinliang didn't see anything when he entered the dormitory. He only felt a basin of water fall from the sky, and the dirty water splashed all over his face. Luckily, he reacted quickly and dodged in time, or the dirty water would've gotten into his neck!

"What is this? What's going on?" Pinliang wiped the dirty water off his face and sneezed, confused.

Chapter 2525 Switching Successful

"Liangy? What are you doing here?" "Didn't I tell you not to come?" Yushu said with a shocked expression.

"Oh my God ... Big sister Shu, what is this thing? why is there soil inside the black water?" Pinliang asked, his face bitter.

"Ah, this is to prevent perverts from coming!" Yushu explained with a bitter face. "Yaoyao sis is sick, I have to be prepared for fire, theft, and sex!"

"Fire, theft, and pervert?" "Huh?" pinliang blinked. With this basin of dirty water?"

"Yeah, think about it, water can put out fire, right? And I've also designed the basin of water on the door. If someone were to push the door open, the basin of water would fall down. Isn't this anti-theft and anti-perverts?" Chen Yushu explained.

"Are there ... Lechers here? Can perverts come in? Isn't this the girls "dormitory?" Pinliang didn't know what to say-he wasn't sure if Yushu was doing this on purpose, after all, there were so many cases like this.

"Since it's a female dormitory, how did you get in?" Chen Yushu asked.

"Ah? "This ..." Pinliang thought about it carefully-it was true, he was still in there! Yushu's anti-theft measures against perverts were understandable, but she was still a little pissed."But, isn't this a scam? I'm dead because of you!"

"Liagy, that's not right. Didn't I tell you not to come? I told you not to come!" "But you didn't listen to my advice and came here, so who can you blame?" Yushu said with a straight face.

"But, even if I don't come, won't others come? It won't be good if someone else is the one being slandered!" Pinliang said.

"Everyone else would knock on the door first. Who told you to barge in without knocking?" Yushu suddenly blinked and looked at pinliang teasingly. "I say, liangy, are you doing this on purpose? Do you want to see something you shouldn't?"

"Gah!" Pinliang was taken aback, as if Yushu had stepped on his sore spot. He shook his head awkwardly, "How could I? I'm just worried about Yaoyao's illness. I'm not that bad!"

"Alright, Shu, stop messing with Zhong pinliang. He's really unlucky." Mengyao opened her mouth and said softly, "I don't think Zhong pinliang's a pervert anymore. He knows that you're not easy to deal with, Shu. Why would he act like a pervert in front of you?"

"That's true, that's true. Yaoyao, you know me best!" Pinliang's heart warmed up at Mengyao's words, and he was pleasantly surprised. He thought that Mengyao was starting to acknowledge him!

"Alright, Zhong pinliang, look at the dirty water on your hair. Hurry up and take a shower, don't catch a cold. It'll be bad if you catch a cold too." "Shu, can you take him to the bathroom and let him take a shower?" Mengyao asked.

"Ah? To let liangy take a bath here? That's not good, is it?" Chen Yushu heard Chu Mengyao's suggestion and her face changed, "Yaoyao sis, your sexy underwear is in the bathroom!"

Mengyao blushed. "Shu, don't talk nonsense. What mine ... Besides, the bathroom is separate. It's not like we're taking a shower outside."

Of course, Mengyao wouldn't leave her undergarments in the bathroom, but pinliang didn't know that. His heart raced when he heard that there were undergarments in the bathroom, and he almost had a

nosebleed."Shu-Jie, I'm really not feeling well, let me take a bath! Don't worry, I won't do something so dirty. If I can't even get through this, how am I supposed to be your and Yaoyao's bodyguard?"

"If that's the case, then you can't just look around and move around!" Chen Yushu thought about it and finally agreed, "But you should go in and take off your clothes first. After you enter the bathroom, I'm going to check in the bathroom to see if you've touched our underwear! You're not allowed to lock the door!"

"Don't worry!" Although pinliang said that, he felt a little regretful inside. He wanted to poke at Mengyao's underwear, but that wish obviously wouldn't come true. He pretended to be calm, "My bodyguards are very good. You can check them at any time!"

"Alright then, go and take a shower!" Yushu said with a wave of her hand.

"Then I'll go!" Pinliang said as he entered the bathroom. He didn't have to shower, but he'd have to leave if he didn't. He wanted to stay a little longer at Mengyao's place!

Pinliang went into the bathroom, and Yushu grinned at Mengyao, making a victory gesture. "Oh, it's done!"

"Don't get carried away. Don't let him find out later!" Mengyao reminded.

"Don't worry, just leave it to Shu. " Chen Yushu quickly took out the low quality Golden Cicada underwear from her closet and stood at the door of the bathroom, listening for any movement inside.

Not long after, they heard the sound of the bathroom door opening, followed by the sound of water. Pinliang had clearly entered the bathroom.

But for safety's sake, she decided to wait until pinliang was completely covered in soap before entering.

After a while, Chen Yushu estimated that it was about time, so she opened the bathroom door and walked in.

"Shu, you're in for a check?" Pinliang asked, guessing that it was Yushu who'd entered the bathroom.

The bathroom's glass was made of opaque frosted glass, and she could only see a vague figure through it. Yushu was afraid that pinliang would notice something, so she said, "Since you've already said so, why should I still check? I'm here to pee. Turn around and don't look at me!"

"Oh, sure, no problem! But we can't see anything through this frosted glass!" Pinliang said, but he still turned around! He thought to himself, who would want to see a troublemaker like you? If I see you and you cling to me again, I won't be able to live for the rest of my life!

Yushu's hands weren't idle as she pretended to go to the toilet-she flipped through pinliang's clothes, and saw a set of middle-grade Golden Cicada underwear! Pinliang's Golden Cicada undergarments looked very similar to the low-grade ones he'd had before.

This also confirmed Chen Yushu's previous guess. It was very easy for Chen Yushu to change the clothes, and very quickly, Chen Yushu completed the switch!

Chapter 2526 Studying The Jade

Yushu flushed the toilet and walked out. "Alright, you can continue with your bath. You can turn around now!"

"Oh ..." Pinliang was in the middle of washing his hair and didn't pay much attention to it. He only responded casually when he heard the bathroom door close.

"You got it?" Mengyao asked as she looked at Yushu, who was walking out of the bathroom with a smile on her face.

"YES!!!!" Yushu said gleefully as she waved the bra in her hand.

"Don't you think it's dirty? Zhong pinliang wore it!" Mengyao said, pouting.

"Uh ... For shield bro's sake, I'll bear with it." Yushu said as she put pinliang's underwear into a bag ...

About ten minutes later, pinliang finished his shower and came out of the bathroom in a new set of clothes. His jacket was stained with some dirty water, but he didn't put it on again. "Shu, Yaoyao, I'm done. I feel much fresher now. The water was so dirty ... Oh, where did you get the dirty water?"

"Someone else's mopping water." Chen Yushu replied.

"Oh, Yaoyao, how are you? Are you feeling better? Do you need to go to the hospital?" Pinliang didn't even notice that his middle-grade Golden Cicada undergarments had been swapped.

"It's okay, I'll be fine after some rest. I'm a little sleepy ..." Chu Mengyao yawned.

"I'm sleepy ..." Pinliang paused, hesitating. He wouldn't have the face to stay here if Mengyao was asleep. Even if he stayed here, he couldn't possibly talk to Chen Yushu, could he?

He didn't want to talk to her-from his years of experience, he knew that nothing good was going to happen if they stayed together for too long!

"En, I'll sleep for a bit ..." Chu Mengyao said and closed her eyes.

"Liangy, you've come to see Yaoyao sis, can you get out now?" Yushu asked as she turned to pinliang.

"This ... Okay, then, Yaoyao, rest well. I'll come and see you another day!" Pinliang said helplessly. He didn't want to leave, but he had to.

"That's enough, liangy. Yao Yao's already asleep, and you're still talking to her?" Yushu glared at him.

"Then ... I'll be leaving ..." Pinliang was a little regretful, but at least his relationship with Mengyao had improved a lot, which made him very happy.

He didn't know why, but even though he was powerful now, he still couldn't let go of Mengyao. Logically speaking, with his current strength, it should be easy to find a pretty girl, but maybe it was because of the persistence in his heart that he couldn't forget his unforgettable love for Mengyao.

After pinliang left, Mengyao woke up as well. She didn't catch a cold at all, and only frowned. "Get someone to disinfect the bathroom in a while. I hope you don't get infected with some disease ..."

Mengyao's hatred for pinliang had reached a new level-she was a clean freak, after all, and there was no way she'd share a bathroom with him! In her mind, this was a very disgusting thing.

"It's all for shield bro ..." Chen Yushu picked up her phone and dialed the number of the student Service company.

This was a part-time service company set up by the Student Union. It could provide cleaning services, running errands for students, introducing private tutors, and other services to students! The University was different from the previous aristocratic high schools. Although there were many students from rich families here, some of the students' family conditions were not too good. The Student Union provided them with a work-study opportunity, which was a great thing.

Professional cleaning of the dormitory was also one of the projects, which provided services for rich children.

Of course, Chu Mengyao and Chen Yushu weren't the kind of people who would just do whatever they wanted. They usually cleaned the dormitory by themselves, but they didn't have professional disinfection equipment.

Mengyao and Yushu left after the cleaners arrived. They weren't afraid that the cleaners would steal anything since all the valuable items were locked in their own cabinets. The cleaners were also registered with the Student Union, so they wouldn't steal anything.

After Lin Yi got home, he told Han Xiaopo to go back first. He needed to study the good stuff he got from the practitioner market.

In his room, Lin Yi organized his gains—a blue crystal, a Sky Class earth element spirit beast's core, and a piece of pure yellow jade. It was just three things, but they were all extremely precious.

With the addition of this sky-class earth-type core, Lin Yi now had a total of six cores. He could use the refining method he got from the Tegan family to make an Essence Necklace, but two of them couldn't be used!

It was an inner core that was given to him by the lion, and it obviously contained less energy than the other inner cores. It shouldn't be a heaven rank spiritual beast's inner core!

As for the other one, it was given to him by that damn thing that was beyond Sky Class, but it didn't allow him to use it carelessly. Lin Yi really didn't dare to use it to make an Essence Necklace—that would be too much of a waste. That inner core was obviously different from the other cores!

In other words, Lin Yi could only use the four cores of the Sky Class spirit beasts.

With that thought, Lin Yi decided to put the necklace on hold for a while and wait until he had another beast core.

Lin Yi looked at the damn thing in the Jade space. It was still curled up in a corner, not moving. Lin Yi had gotten used to this guy's existence these days, so he ignored it. Other than taking up a small area, it didn't cause any disturbance to Lin Yi's life.

He put the core away and took out the Jade refinement method he copied down, the colored steel, and the yellow jade he collected earlier.

In comparison, the most common material at the moment was pure yellow jade, and there were only small pieces of colored steel and blue crystal.

After arranging the materials, Lin Yi opened up "Jade refinement" and started reading it carefully. There were two prerequisites for refining the Jade space. The first was to collect all the materials, and the second was that the art of Dragon mastery had to be completed at the second stage!

Lin Yi's practicing speed was fast, but he was still a bit away from full-class, but this condition could be achieved through his own effort. He didn't need to waste time and effort to find it.

As he continued reading, Lin Yi understood why elder Jiao said that one had to complete the second stage of the art of Dragon mastery to create the Jade space. It was because a forging fire was needed to create the Jade space, and the prerequisite for this was the completion of the second stage of the art of Dragon mastery!

As long as he could form the forging fire, he could refine the jade pendant.

Chapter 2527 Wang Xinyan Is Sick

Lin Yi didn't know if the fire of forging was related to the forger, but it did sound similar. The only difference was that the fire of forging was directly transformed by the art of Dragon mastery, and there was no special chant or method of condensing it.

At this point, Lin Yi put down the "Jade refinement" and put the good stuff he got from this trip into the drawer. The drawer was filled with good stuff-three map fragments, wannianchun box, five spirit beast cores, yellow jade, blue crystal, and colored steel. As for the heavenly network and thousand silk mask, Lin Yi had them with him.

After that, Lin Yi sat cross-legged on his bed and continued practicing. He couldn't help but think of Xinyan-he didn't know if it was because he missed her, or because he wanted her to help him practice.

A while later, Lin Yi heard the sound of a car coming from outside the villa. He wasn't expecting Mengyao and Yushu to drive back first.

"Shield bro, Shu has something good for you!" Yushu took out the mid-quality Golden Cicada underwear as soon as she entered the house, showing it to Lin Yi as if she was showing off."Zhong pinliang's middle-grade!"

"Zhong pinliang's Zhong pinliang?" Lin Yi blinked, finally understanding what Shu meant. He couldn't help but be surprised,"Shu, you're saying that this is pinliang's Golden Cicada underwear?"

"Yeah, I replaced it with a low-grade Golden Cicada underwear. He's an idiot!" "What do you think, Shu? you're good, right?" Yushu said, pleased with herself.

"En, he is indeed very powerful." Lin Yi nodded.

"Is there any reward?" "Like a kiss of love as a reward, for example ..." Yushu said.

"Pfft ... What does that have to do with me?" Mengyao almost kicked Yushu when she heard that.

"Of course it's related. Actually, it's all Yaoyao sis" credit. If she didn't pretend to be sick to attract Zhong pinliang's attention, Shu wouldn't have had the chance to switch!" "So, all the credit goes to Yao Yao sis," Yushu said.

"Then ... I don't want the reward. I'll give it to you." Mengyao said, a little embarrassed.

"Okay, come on shield bro, kiss Shu ..." Yushu said happily.

"Haha ..." Lin Yi naturally wouldn't really kiss Shu. Although they did kiss before, and Shu even confessed to him that night, Lin Yi knew that although Shu seemed bold, she was very conservative in some aspects.

Otherwise, with Shu's personality, he would've been pushed back a long time ago. The fact that she hadn't yet proved this point.

"Then I'll write it down first. I'll return it in the future!" Chen Yushu didn't force it. She picked up a pen and wrote down a line on the calendar in the living room. "X year X month X day, shield bro owes Shu a love kiss. I'll return it double in the future."

Lin Yi blinked and looked at Shu, thinking that there was a hidden meaning behind her actions. Lin Yi had a feeling that this might come true in the future. Why else would Shu remember this?

But before Lin Yi could think about it, Shu handed the underwear to him and said, "Shield bro, wash it before you use it."

"Yeah," Lin Yi nodded, "pinliang wouldn't have anything to rely on if I didn't have this, and I'd be able to beat him without it."

"No, pinliang has a ... What's it called? it's pretty much the same as the Jingu staff, and it seems to be able to break through a person's pure Qi protection. He can just use the staff to hurt them, what if he hits you with it?" Yushu said, worried.

"Oh? That's a good thing, isn't it?" "Alright, I'll put it on then. I'll go take care of him tomorrow," Lin Yi nodded.

"Good, good, it's finally settled. Otherwise, this guy would have been so annoying ..." Chu Mengyao heard Lin Yi's words and sighed in relief.

"Since you're back, I'll go and see han Jingjing. Have you seen each other these two days?" Lin Yi asked.

"No, she's always researching. We don't disturb her when we're free." "But Wang Xinyan came yesterday and asked where you were," Mengyao said.

"Wang Xinyan? You came yesterday?" Lin Yi blinked.

"Yeah, she said she felt a little dizzy and wanted you to help her. But you weren't here, so she left." Mengyao said.

"Dizzy?" Lin Yi blinked.

"Aiya, I think it's just Xinyan sis missing shield bro, so she didn't have an excuse and just said she was dizzy!" Chen Yushu replied.

"Shu, don't say that. Do you think everyone's like you?" Mengyao glared at Shu before turning to Lin Yi. "I didn't remember until you mentioned it. Give her a call and ask her what's going on."

"Alright," he said. Lin Yi was getting nervous-what was with Xinyan's head? He didn't want anything to happen to Xinyan-even if he didn't consider it from an emotional point of view, Xinyan would still be of great use to him.

And so, Lin Yi gave up on the idea of looking for han Jingjing and called Wang Xinyan. Not long after, Wang Xinyan's lazy voice came from the other side of the phone, "Hello? Lin Yi?"

"It's me, Xinyan. How are you? I'm back, and Yaoyao said you felt a little dizzy. Are you feeling better?" Lin Yi asked.

"I don't know what's going on, I'm just a little dizzy, and I fell asleep just now ..." Wang Xinyan didn't usually sleep during the day, and she fell asleep before. "Maybe he caught a cold?"

"You caught a cold? I'll go to school to find you. " "A cold isn't a small thing, you can't let your guard down, you might not even be able to attend class if it gets serious ..." Lin Yi said.

"It can't be that serious ... I'm so sleepy ..." Wang Xinyan said. "I'm in the dormitory, you can't come in, right ..."

"Maybe we should get Yaoyao and Shu to pick you up. You can have dinner at my house tonight, or you can sleep at my place if you can 'T. I'll take a look for you." Lin Yi said. It was for Xinyan's own good, but he couldn't help but think of how he could hug Xinyan while practicing at night, and at the same time, he couldn't help but think of the ambiguous relationship between the two ...

"Ah ... I don't think it's good to trouble them ..." Xinyan didn't reject and said that she didn't want to trouble Mengyao and Yushu. This made Lin Yi happy.

"It's fine, it's no trouble at all. " Lin Yi said.

"Then ... Okay, I'll pack up first, I'll be downstairs by the time they arrive ..." Wang Xinyan thought about it and agreed.

Chapter 2528 Actually, She's Not Sick

"Alright," he said. Lin Yi hung up and turned to Mengyao, but someone beat him to it.

"See, Yaoyao sis, shield bro has forgotten about his old love after getting a new one. He's treating us like he's running errands. He didn't even ask us and just told Xinyan sis that it's no trouble ..." Chen Yushu said with a face of resentment.

"Alright, Shu, stop pretending-isn't Wang Xinyan sick?" "Plus, didn't you ask her to be Lin Yi's first wife?" Mengyao said, not knowing whether to laugh or cry.

"Hehe, I was just casually saying." Chen Yushu smiled and lowered her voice to Chu Mengyao, "Yaoyao sis, I'm doing this for your own benefit. Aren't you going to do anything to shield bro in the future? I'm just trying to make your presence known!"

"Alright, let's not talk about this anymore ..." Chu Mengyao's face reddened and she coughed. "Let's go find Wang Xinyan, it'll be bad if she gets anxious ..."

Chen Yushu and Chu Mengyao muttered as they walked out of the villa. Although their voices weren't very loud, Lin Yi could still hear it clearly. He couldn't help but smile bitterly. His relationship with Chu Mengyao and Chu Yushu seemed a little strange!

In fact, it wasn't that Lin Yi didn't like the Miss, it was just that the miss's thoughts were always uncertain, sometimes passionate, sometimes cold. When Lin Yi tried to hook up with other people, the Miss was already unhappy, and when Lin Yi wanted to go further with her, she backed off. Lin Yi didn't want to scare her, so he could only let things go naturally.

Plus, he was Mengyao's follower, after all. It wasn't right for him to steal from a prostitute-it'd damage his reputation if word got out. He might not be Mengyao's bodyguard anymore, but it was still a taboo in the industry.

It didn't take long for Mengyao and Yushu to return with Xinyan. She'd combed her hair and washed her face, but Lin Yi could tell that she was exhausted.

"Oh, shield bro, Xinyan sis is here. It's up to you whether you want to push her down, cure her, or train. I'm going to watch TV with Yaoyao sis!" Yushu said as she pushed Xinyan in front of Lin Yi.

"Ha ... Xinyan, where do you feel uncomfortable?" "Let's go to my room?" Lin Yi said after some hesitation.

"En ..." Wang Xinyan snorted and followed Lin Yi into his room. In fact, Wang Xinyan had expected this situation before coming here. Even if Lin Yi cured her, he wouldn't let go of the opportunity to cultivate.

Of course, Xinyan thought of Lin Yi as an upright person-she only called him here to train, and nothing else.

Xinyan wasn't prepared for this at all-she took off her jacket as soon as she entered Lin Yi's room and lay on his bed.

Lin Yi wasn't in a hurry to practice, and instead took Xinyan's pulse to check her condition. His brows furrowed immediately-Xinyan didn't seem to be having a cold, and there were no signs of it.

"Xinyan, do you have any other symptoms other than dizziness?" Lin Yi asked.

"No... What's wrong? My body ... Is there something wrong with it?" Xinyan asked, surprised by Lin Yi's words.

"No, I didn't." Lin Yi shook his head, "you don't have a cold, but there's nothing wrong with your body either. You're just a little weak!" You said before that your body has been weak since you were young. This should be the reason. "

"Oh ... I see. It's good that you're not sick." Wang Xinyan let out a breath of relief and nodded.

"I'm not sick, but I'm a little too weak. " "How about this, I'll make you some medicine," Lin Yi said. "Drink it for a few days and you should be fine."

"En ... Sure." Xinyan didn't reject Lin Yi's request at all-whatever he said, she'd do.

"Then you rest well first. I'm going out for a while." With that, Lin Yi stood up and quickly left the room.

Mengyao and Yushu were watching TV in the living room when Lin Yi came out of his room.

"Shield bro, why are you out here again?" Chen Yushu looked at Lin Yi, puzzled.

"I'm going to the pharmacy to get some medicine. I'll be back in a while. " Lin Yi said.

"Then you should go. Don't worry about the family, I'll take care of Xinyan for you!" Chu Mengyao quickly replied.

Lin Yi nodded and quickly left the villa, driving to the biggest pharmacy nearby.

Lin Yi didn't even need to copy the recipe-he could just go to the pharmacy and say it out loud, since Xinyan only needed it for her body. She didn't need a lot of stuff, and normal pharmacies would be able to get all that.

When Lin Yi got back to the villa, he saw that Xinyan had already changed into her pajamas, sitting on the sofa listlessly watching TV with Mengyao and the others. She yawned when she saw Lin Yi,"Lin Yi, you're back, thank you ..."

"What are you thanking me for, Xinyan? if you're tired, you can go to sleep. It'll take a while for me to brew the medicine." Lin Yi said, seeing that Xinyan wasn't in a good state.

"No, I can rest here. I'll wait for a while and sleep after I take my medicine," Wang Yao said. Wang Xinyan said.

"That's good. Then you can take a nap after drinking the medicine." With that, Lin Yi went to the kitchen to prepare the medicine.

"Shield bro is so sweet! Xinyan sis, do you feel happy?" Chen Yushu asked quietly after Lin Yi left.

"Ah ... I ..." Wang Xinyan blushed and didn't know how to answer. To be honest, she liked Lin Yi and was touched by everything he did for her. But because of house Kang, house you, and the heavenly elixir sect, she couldn't tell Lin Yi her true feelings.

"Don't be embarrassed, Xinyan sis. Why are you so similar to Yaoyao sis? you like shield bro, but you don't want to admit it ..."Yushu sighed."I really don't understand what you two are thinking."

"Shu, don't talk nonsense, why did you drag me into this again?" Mengyao said, annoyed.

"Alright, it's hard to be a good person, and it's hard to be comfortable!" Chen Yushu shrugged and continued to watch TV.

Lin Yi quickly finished brewing the medicine and gave it to Xinyan with a smile."Xinyan, you've waited for a long time, right? Hurry up and drink it, will you?"

"Hehehehe, shield bro's so gentle. I remember you were only like this when Xiaoxiao was sick, right?" Yushu said with an envious smile.

Chapter 2529 Don't Tell Anyone

"Ah ..." Wang Xinyan was embarrassed by Chen Yushu's words. She took the medicine from Lin Yi with a red face and drank it down ...

Lin Yi's thoughts drifted to the Ice Palace, ten thousand miles away. He thought of Xiaoxiao, his cute little wife. He wondered if she was doing well. He hadn't heard from her for a long time, and he really did miss her. If possible, he'd go to the Ice Palace to visit her!

But he couldn't do it now-he couldn't make a third class pill like the ice heart Jade bone pill yet, and even if he went, the rock Candy Girl wouldn't be happy with him. So Lin Yi decided that he'd wait until he could make a third class pill with Han Jing Jing, and when he became a Sky Class master, then he'd go to the Ice Palace and see if the rock Candy girl's little wife counted.

Mengyao could guess what Lin Yi was thinking when she saw the blank look on his face. He probably thought of Tang Yin, so she kicked Shu, ""Don't talk nonsense. Why are you talking about this at this time?"

"Ah ..." Shu blinked, but she was smart enough to figure out the reason. She stuck out her tongue and said to Lin Yi, ""It's okay, I'll just help shield bro find a small wife. I think Han Jing Jing is a good match, she's perfect for Xinyan sis. "

"..." Lin Yi was speechless. How could they be a set?

Xinyan was starting to feel sleepy after drinking the medicine, and her eyelids were twitching. Lin Yi smiled at her. "Xinyan, why don't you go and rest? you can have a good sleep after you finish your medicine and you'll be fine tomorrow."

"En, sure." Xinyan nodded obediently as she stood up and walked to Lin Yi's room.

Xinyan didn't want to say it out loud, but her actions showed her intentions. She was supposed to sleep with Mengyao and Yushu, but she ended up sleeping in Lin Yi's room.

It didn't matter if it was just to help Lin Yi with his training or not, it was clear that Xinyan liked Lin Yi. Mengyao could see it, Yushu could see it, and even Lin Yi could see it.

But they all understood that Xinyan had her concerns, and Lin Yi was trying to help her resolve them, but he wasn't successful.

"Hurry up, shield bro, what are you waiting for?" Chen Yushu saw that Lin Yi didn't follow into the room and immediately urged.

"Then ... I'll go to sleep first ..." Lin Yi was a little embarrassed.

"Shu, I'm tired too, let's go get some sleep." Mengyao yawned and turned off the TV.

"But I'm not tired ..." Yushu's eyes widened.

"Are you sleepy?" Mengyao said, pinching Yushu.

"Ugh ..." Chen Yushu was in pain and said bitterly, ""I'm more awake now ..."

"And now?" Mengyao said, tightening her grip.

"Now ... I'm sleepy, I'm sleepy, okay? I'm asleep ..." Yushu said, gritting her teeth.

"If you're tired, go to sleep." Mengyao dragged Yushu up the stairs.

Lin Yi didn't know whether to laugh or cry as he watched the two walk away, but he was grateful for the miss's understanding. Lin Yi was going to sleep with Xinyan to get stronger, and Mengyao was very supportive of this.

Lin Yi found Xinyan already asleep in her room, a sweet smile on her pretty face as she lay on the bed. Lin Yi didn't expect Xinyan to fall asleep so easily on his bed-it seemed like she really believed that he wouldn't do anything to her.

Lin Yi didn't waste any more time-Xinyan was already being so generous, what was there to be shy about? He pulled Xinyan into his arms and started channeling the second stage of the art of Dragon mastery.

Xinyan's lips twitched as if she felt Lin Yi's hug, but she was still sound asleep, and Lin Yi let out a breath of relief ...

Xinyan had a good night's sleep, from six at night to the next morning. She didn't wake up until six in the morning. She had slept for twelve hours! Xinyan found herself in Lin Yi's arms when she woke up. Lin Yi was being nice, not touching the sensitive parts of her body, but it was still a couple-like hug, and she couldn't help but sigh ...

She'd always wanted to keep her distance from Lin Yi, but she was touched to the point of sleeping with him yesterday! Her head was spinning last night, and she didn't think too much about it, but she couldn't help but think about a lot of things when she woke up today ... If she continued with Lin Yi like this, then ... She didn't want to think about it anymore ...

"You're awake?" Lin Yi asked as he came back to reality after sensing Xinyan's movements.

"En ..." Wang Xinyan nodded, trying to break free from Lin Yi's arms, but her chest accidentally rubbed against Lin Yi's arm. "Ah ..."

"Ugh ... I didn't mean it ..." Lin Yi blinked and smiled bitterly.

"It's not your fault ..." Xinyan was even more embarrassed, but she felt that Lin Yi's arm wasn't letting go yet, still on her bunny. "Still not letting go?"

"Ugh ... Okay, I forgot ..." Lin Yi let go of her arm reluctantly.

Xinyan glared at Lin Yi, "You're pushing it!"

"I really didn't do it on purpose. Plus, you were the one who touched it ..." Lin Yi was speechless.

"Don't say anymore!" Xinyan's face reddened even more as she turned away, not daring to look at Lin Yi.

"Okay, I won't say anymore. Xinyan, thank you ..." Lin Yi thanked her from the bottom of his heart.

"It's nothing, if you didn't take care of me, I wouldn't have recovered yet ..." Xinyan remembered how Lin Yi was busy brewing the medicine for her yesterday, and her heart warmed up instantly. Her embarrassment towards Lin Yi lessened a bit, but she still said after some hesitation, ""Lin Yi ... Can you not tell anyone about what happened yesterday?"

"Yesterday? What's the matter?" Lin Yi blinked, not quite understanding what Xinyan was talking about.

"It's ... It's about us sleeping ..." Wang Xinyan stammered.

"Let's sleep?" Lin Yi's mouth was wide open-Xinyan's words had changed the whole thing. He was the one who was practicing with Xinyan in his arms, how did it become sleeping together?

Chapter 2530 Another Challenge

"You ... Don't tell me you're going out to show off?" Xinyan was taken aback by the look on Lin Yi's face-she knew that some boys were bored, and would go to school and tell everyone about it after they'd slept with their girlfriends. Of course, if they slept with a girl who wasn't their girlfriend, they'd be even more famous and impressive.

"Uh ... Am I that kind of person?" "If I were that shallow, I'd just say that I'm living with three school beauties" Lin Yi didn't know whether to laugh or cry.

Xinyan agreed-Lin Yi wasn't that kind of person. She was the one who was panicking-she wasn't afraid of Lin Yi going around telling everyone that he slept with her, but she was afraid that Zhaolong would get the news, and it'd be bad for Lin Yi if he asked for help from the heavenly elixir sect.

After all, they'd slept together during the military training when they were wearing clothes, and there were a lot of students around them-but sleeping in Lin Yi's Villa was a different story. Who would believe that they didn't do anything?

"You're right, I'm just overthinking it ..." Wang Xinyan nodded."But I'm feeling much better after a good night's sleep,"

"Then come over and sleep tonight." Lin Yi invited.

"I ... I'm fine now, right ..." Xinyan panicked at Lin Yi's invitation.

"I've bought medicine for a course of treatment," Wang Yao said."You need to consolidate your strength. Your body is weak, not sick." Lin Yi said seriously.

"Then ... Okay, but how long will it take? it can't be too long. If I don't stay in the dormitory all the time, meiyue and Ling will be suspicious ..." Wang Xinyan agreed after some hesitation, but she was still worried.

"Only a week ..." Lin Yi felt a little regretful. Xinyan still couldn't let go of herself. It seemed like she still had her worries.

"Alright then ..." Wang Xinyan nodded, agreeing to it.

"Then I'll go make breakfast. You can sleep for a while." Lin Yi said as he stood up.

"Do you need my help?" Wang Xinyan asked.

"No need," Lin Yi smiled and walked out of the room.

Making breakfast was a piece of cake for Lin Yi-after granny sun and uncle Fu left, Lin Yi became the Miss "personal maid again ... Well, now it was the maid of four misses, and han Jingjing.

After making breakfast, Lin Yi called Mengyao and Yushu down for breakfast. He then called han Jingjing and asked her to bring han Xiaochao over for breakfast.

"Shu's famished, I didn't eat anything last night. Yaoyao sis is so evil, I was about to starve to death in the middle of the night and wanted shield bro to get me some food, but Yaoyao sis didn't agree and forced me to sleep, telling me that I wouldn't be hungry after I fell asleep ..." Chen Yushu complained about Chu Mengyao's evil deeds as she went downstairs.

"Pfff ..." Lin Yi didn't think that the Miss had such a funny side. She wasn't hungry after sleeping? Hehe ...

"In the end, Shu kept dreaming the entire night. She dreamed that there was a piece of roasted shark meat in front of her, but she couldn't eat it, she couldn't eat it ..." Chen Yushu sat at the table, picked up a fried pancake and started eating, ""It's not as good as shark meat, but it's pretty good. Shield bro's breakfast sure is good"

"Can't you shut your mouth by eating?" Mengyao glared at Yushu. "Hurry up and eat if you're hungry. Stop dilly-dallying! Are you an old lady?"

"..." Chen Yushu stopped talking and started to destroy the food in front of her.

Xinyan realized now that the villa was full of joy and happiness-Yushu was the one who made everyone laugh with just a few words.

Soon, han Jingjing and han Xiaochao arrived. Wang Xinyan was there as well. Han Jingjing was an exception, but she didn't ask.

After breakfast, the six of them headed to school in Lin Yi's seven-seater Grand Cherokee. To Lin Yi's surprise, he ran into someone he didn't want to see in the parking lot early in the morning, provoking Zhong pinliang!

Pinliang and Xiaofu had just arrived at the school as well. They lived on campus, but the environment wasn't as good as the outside. They had rented an apartment near the school when they first arrived and stayed there every night.

Pinliang's eyes were spitting fire as he watched Lin Yi and Mengyao get off the car! Lin Yi, look around you, you've got so many pretty girls already, and you're giving me Mengyao?

However, in front of Mengyao, pinliang acted very magnanimous. He greeted her, "Isn't that Yaoyao and Shu? Lin Yi, it's hard on you as a bodyguard-let me take over if you're too tired. "

"A defeated opponent still dares to boast shamelessly? How come you don't remember that you lost a thousand Yuan to me yesterday?" "Zhong pinliang, why didn't you remember what you went to the everyday and every day sect for?" Lin Yi asked, still a little confused. I beat up your follower Zhang naipao, and you want to follow in his footsteps?"

"Aiya?" Pinliang laughed at the words. "I say, Lin Yi, didn't you beat me yesterday? But I'm fine. Do I look like I'm injured? Not only can I run, but I can also jump. Look, how nimble am I?"

"Are you playing with a monkey?" Lin Yi asked as he looked at the energetic pinliang.

"Don't say those useless things. " Pinliang didn't mind. He waved his hand."Lin Yi, since we've met here, I won't waste my time looking for you! I, Zhong pinliang, officially challenge you for the position of Chu Mengyao's personal bodyguard. How about it, do you dare to accept my challenge?"

"Battle? What's in it for you to fight me? If you lose, the seat is yours, but if you win, you won't get anything? Do you think that everyone else is as stupid as you?" Lin Yi curled his lips in disdain.

"Then what do you think we should do? What took you so long to accept my challenge?" "Huh?" pinliang blinked,"but I think you're probably afraid of losing to me!" You couldn't do anything to me yesterday, so today will be the same!"

"I didn't even want to hit you yesterday-we're old classmates, after all! I didn't even kill Zhang naipao, how could I kill you? If I wanted to kill you, you would have died long ago. Why would you wait until now?" Lin Yi said mockingly.

"F * ck! Just tell me, do you dare to accept the challenge?" Pinliang said, worried.

"It's fine to accept the challenge, but there has to be a bet, right?" "If I lose, I'll give my seat to you, but if you lose, shouldn't you give me something?" Lin Yi said.

"What do you want?" Pinliang asked.

"I heard that you brought back something good from the everyday and every day sect?" Lin Yi asked.
