

Bodyguard 2531

Chapter 2531 Who's More Cowardly?

"Who ... Who said I'm done?" Pinliang's heart skipped a beat as he clutched at his chest, "Who did you hear about my underwear ..."

"What underwear?" Lin Yi looked at pinliang, stunned. "I'm talking about that iron rod. Don't you always use it to beat people up? Do you need me to say that?"

"Oh ... You're talking about the metal rod ..." Pinliang sighed in relief. He thought that Lin Yi was talking about his mid-quality Golden Cicada underwear-he was afraid that Lin Yi would know his secret, as long as it wasn't the mid-quality one. It seemed that Lin Yi didn't know his secret yet.

As for the steel rod, it wasn't a bad idea to use it as a bet. After all, pinliang didn't think that Lin Yi had the ability to beat him. As long as he set the rules, he wasn't afraid of Lin Yi.

"What, you can't bear to?" Lin Yi said, amused by pinliang's reaction.

"Who said that? I'm just afraid you don't have the ability to win!" Pinliang said with a wave of his hand, "Alright, then we'll use the black steel rod as the bet. If you win, you can take it. If you lose, you'll have to obediently give up your seat. How about it?"

"Alright, it's a deal." Lin Yi nodded.

"Okay, Yaoyao, Shu, you're all here to listen. You'll be the witnesses. This afternoon, we'll do it on the field where we used to fight!" Pinliang said.

"Okay, liangy, I have faith in you, but ... I also have faith in shield bro!" Yushu's bullshit made pinliang quite depressed-he was quite happy with the first half, but the second half made him realize that Yushu wasn't helping either side!

But this was a good thing-Yushu had always been biased towards Lin Yi, treating him as an enemy. Now that she treated him the same, it was an improvement! Pinliang was happy again.

"Sure, let's do it at noon then." Lin Yi replied.

"Yaoyao, are you feeling better?" Pinliang changed the topic back to Mengyao after deciding on the time with Lin Yi.

"Much better, there's nothing much." Mengyao said with a nod.

"Then you have to come and watch my competition with Lin Yi at noon-you'll see for yourself, Yaoyao, and you'll know who's the best bodyguard!" "The most important thing for a bodyguard is to be able to take a beating. Taking a beating for the employer is the only way to protect the employer!" Pinliang said.

"Don't worry, liangy, I'll bring Yaoyao sis to watch!" Yushu gave pinliang a reassuring look before lowering her voice."However, you have to work hard. Don't drop the ball at the critical moment. If you really lose, I can't help you anymore."

"No problem, big sister Shu. Don't worry, I won't let you down. I'll definitely win!" Pinliang felt so good at Yushu's words that he was filled with confidence.

They parted ways in the parking lot. Lin Yi, Jingjing, and Xinyan walked towards the biology Building, while Mengyao, Yushu, and Xiaochao walked towards the economics building. Pinliang, on the other hand, had already reported to school, but he was a freelancer, and he was only here to get his degree. It didn't matter if he went to class or not, and he didn't plan on going to class. He went straight to the dormitory with Xiaofu to prepare for the competition.

"Jing Jing, I've sold all those pills. I've also contacted a supplier of medicinal herbs. If possible, we can refine more pills to sell." Lin Yi didn't hide anything in front of Xinyan and told Jingjing.

"Sure, but Jing Jing's skills are limited. Without Lin Yi bro's help, she wouldn't be able to make so many pills." Han Jing Jing said.

"It's fine, I'll help you with the pill refining. " Lin Yi nodded.

The three didn't say anything else and went straight into the classroom. Panhu and Zhaolong were enraged when they saw Lin Yi, Jingjing, and Xinyan, but they were smart enough not to cause trouble for Lin Yi.

The two of them had placed their hopes of causing Lin Yi trouble on Zhong pinliang. Although he didn't do anything to Lin Yi yesterday, Lin Yi didn't do anything to him either. This meant that Lin Yi wasn't invincible yet, and they had high hopes for Zhong pinliang. They hoped that he would bring them a surprise.

"What a coward!" "I'm the brother of the heir to the sky elixir sect's elder, and yet I have to suffer like this every day, watching my fiancée get so close to another man, and yet I can't do anything about it!" Zhaolong said in a low voice.

"No choice, brother Kang, just bear with it. Don't talk about being cowardly, our hidden you family is even more cowardly!" "We went to the practitioner's market to buy something, but Lin Yi got there first and even took the money from selling the pills!" Youpan Hu said, depressed.

You Panhu already knew that Lin Yi had stolen your third brother, and he was quite upset about it. Even elder you didn't say anything, but it was still unfair to you Panhu. Lin Yi was getting more and more overbearing, and his authority in the hidden houses was getting bigger and bigger. You Panhu was shocked!

Back at the Hidden House's old master Tang's birthday party, Lin Yi had to rely on the Ice Palace to get a place in the Hidden House, right? But now, in the blink of an eye, a few months had passed, and Lin Yi alone was enough to make the Hidden House people tremble in fear!

Especially the Sky Class skill that Lin Yi used in the ring yesterday, it made you Panhu's jaw drop. Not to mention the third of the right, no sky Class master in the Hidden House of you could withstand this power. It could be said that whoever was hit would be crippled.

"We can't do anything to this kid?" Zhaolong was extremely frustrated-he'd never had an easy time with Lin Yi, and house Kang had always been suppressed by him.

"If we don't deal with him now, someone else will help us deal with him. Why not?" You Panhu shook his head."Since the disciples of the everyday and every day sect have interfered, let them deal with it.

The everyday and every day sect isn't any weaker than the sky elixir sect. In fact, they're even more evil."

"That's true, I hope Zhong pinliang doesn't disappoint us. " Zhaolong said, nodding.

Lin Yi spent the whole morning training, and pinliang had already posted a "challenge" on the school VS BBS forum. It was going to be held at 12:30 pm on the gyms in the school field.'The school Belle's personal expert competition'. All students are welcome to watch if you have nothing to do after eating.

Chapter 2532 I'm Doing This For Your Own Good

Zhaolong was the first to hear the news. He looked at his phone and laughed."Ha, you're right, lil bro you! Zhong pinliang really doesn't want to be left out, he's challenging Lin Yi this afternoon!"

"See, Didn't I tell you? we'll just wait and see. Someone's helping us take care of Lin Yi for now, so we don't have to do anything. " "Let's go and have a look at noon!"You Panhu said proudly.

"Of course we have to go!" Zhaolong said in agreement.

After the meal, it was almost midnight. A large number of students had gathered near the gymnastics platform in the small sports field. The Student Union had even sent some members to maintain order!

The school didn't prohibit sparring between students. It was one of the extracurricular activities. As long as the two sides didn't go too far, the school wouldn't interfere. After all, martial arts clubs, boxing clubs, Taekwondo clubs, and other clubs often had competitions and sparring.

Pinliang was already on the stage, and Xiaofu was busy setting up the banner. The theme of today's banner was "bodyguard's battle. "It looked a little silly, but it was the synonym of romance on campus!

Someone was even playing the guitar and arranging a flower array outside the girls 'dormitory. Wasn't that silly? But it was romantic. Although most failed, it was undeniable that some succeeded and touched the goddess in their hearts!

Of course, pinliang did this on purpose to make a difference from yesterday's incident. If someone tried to use yesterday's incident as an excuse, wouldn't it be pinliang's fault? He didn't know how to explain.

"Damn it, it's 12:20, why isn't Lin Yi here yet? " Pinliang mumbled as he looked at his watch. "I bought a watch last year ..."

At the start, pinliang had his hands behind his back, acting all cool and cool-but that was when Lin Yi was fast approaching. Now that he'd been on stage for over twenty minutes, even if he wasn't tired, the students were starting to get tired of it. They'd think he was just standing there like an idiot, acting cool for them.

"Liang bro, isn't the meeting at 12:30? "There's only ten minutes left ... "Xiaofu said quickly.

"Damn, if I knew this would happen, I wouldn't have come so early!" Pinliang said, a little depressed as he sat down on a chair and waited for Lin Yi.

However, just as he sat down on the chair, he discovered a figure appearing in front of him with a leap! Lin Yi arrived, standing on the stage and looking down at pinliang.

"Liangy, you're feeling pretty good? You're taking a break before the battle?" Lin Yi only came up after pinliang sat down, probably to torment him a little.

"F * ck!" Pinliang almost exploded at the sight of Lin Yi-what was this guy doing here, sitting down when he was supposed to show off? Are you playing with me?

But pinliang saw that Mengyao and Yushu were here as well, and they were watching from below the stage. He didn't want to lose his status and argue with Lin Yi over such meaningless stuff, so he stood up and said, "As the host, it's normal for me to be here first. It's no big deal."

"Hehe, let's start then. How do we compete? What do you think? My time is limited. After I'm done with you, I still need to go back and rest. " Lin Yi smiled, but pinliang couldn't help but think that Lin Yi was asking for a beating.

"The rules of the competition are very simple. From now until the class starts at 1 o' clock, there's half an hour. Within this half an hour, we'll fight each other. Whoever can beat the other ... Well, whoever can beat the other until they vomit blood and can't get up will be considered the winner!" Pinliang said, setting the rules on purpose. "You must vomit blood!"

"Just this?" "Sure, I'll make sure you puke blood." Lin Yi smiled and nodded.

"Ugh ..." Why did pinliang feel like Lin Yi wasn't scared at all? That shouldn't be the case. Could it be that he had thought of another great killing move? Pinliang suddenly thought of naipao. Was Lin Yi planning on using some sort of ultimate move? 'No, even if it's a big move, my mid-grade Golden Cicada underwear can defend against it!'

However, just to be safe, pinliang added a condition. "Of course, we can't kill each other. This is a school. We can't kill each other."

"Don't worry, if you're afraid of death, just say it! I'm not stupid. I'll kill you in front of everyone. " Lin Yi's lips twitched. He couldn't just beat pinliang to death in school, of course! Even if there was no one around, Lin Yi wouldn't kill him.

Lin Yi wasn't a reckless person-with his current strength, he could barely go up against a hidden house. It was much stronger than before, but there was still a huge gap between him and an ancient sect. He didn't want to mess with them yet.

"I'm doing this for your own good!" "Alright, let's get started," pinliang said shamelessly. "Everyone's a witness! Whoever makes the other spit blood wins!" Otherwise, you won't be able to do it even if you fall to the ground a hundred times!"

There were many people here who had seen the match, and they knew how strong pinliang was. He wouldn't be hurt even if he was hit, and so they started whispering to each other, cursing at pinliang for making such a ridiculous request!

Lin Yi did beat pinliang up yesterday, but it wasn't enough to make him spit blood.

However, pinliang didn't care what these people thought. What they thought had nothing to do with him. He only cared about what Mengyao and Yushu thought. When he saw that Mengyao and Yushu didn't show any signs of resistance to his suggestion, he relaxed.

It seemed that the relationship between Chu Mengyao, Chen Yushu and Lin Yi wasn't as solid as he thought. Perhaps there were some cracks in their relationship, which allowed his plan to proceed smoothly!

It seemed that as long as she beat Lin Yi, replacing him would be an easy thing!

"Then I'm going to start!" With that, Lin Yi threw a punch at pinliang!

This time, Lin Yi didn't use any skills at all-he only used his normal strength to hit pinliang! Pinliang's low grade Golden Cicada undergarments could only defend him from attacks from people under Earth Class-not even Earth Class Masters could defend against that. Lin Yi only needed to hit him normally and he'd be crippled.

If Lin Yi were to use a martial arts skill, pinliang would be dead in one move. In order to keep pinliang alive, Lin Yi decided to attack him as normal as possible.

Chapter 2533 Vomiting Blood

"Bang!"

Pinliang gritted his teeth as he looked at Lin Yi in shock.

"You ... You ... How is this possible? How can you hurt me?" Pinliang said, shocked.

"Aren't you talking nonsense? You're just standing here and letting me hit you, doesn't it hurt? Do you think it's realistic?" Lin Yi asked.

"But ..." Pinliang didn't even have time to ask anything before Lin Yi's fist came at him!

"Bang!"

Pinliang cried out in pain as he fell back two steps and sat on the ground.

Pinliang was wearing a low-tier Golden Cicada undergarments, but it didn't work on Lin Yi-one casual punch from Lin Yi was enough to make pinliang cry for his mom and dad. After all, the Golden Cicada undergarments were strictly based on the level of Qi used-no matter how powerful the attack was, it could only defend against Qi below Earth Class!

On the other hand, even a light punch with earth-tier Qi would be enough to render the low-tier cicada undergarments defenseless. Pinliang was in that situation.

Lin Yi walked over and kicked pinliang's butt again. Pinliang fell flat on his face.

" Impossible! This is absolutely impossible! " Pinliang got up from the ground and looked at Lin Yi in disbelief. "You ... Aren't you an earth-rank master? "

Lin Yi didn't bother with him, but kicked pinliang's crotch again. Pinliang cried out in pain as he kneeled on the ground with his hands on his balls. He was sweating.

"Lin Yi ... You're so cunning, you don't use dirty tricks!" Gao Xiaofu saw that Zhong pinliang was in trouble and called out.

"Tsk, what dirty trick? Didn't we agree before that as long as the other party vomited blood, it's fine. There's no rule that we can't fight like this. " Bai Weitao also came to watch the battle and directly retorted.

Gao Xiaofu immediately shut his mouth, speechless.

Pinliang, on the other hand, squealed for a long time before crawling up with his balls in his hands."Lin Yi, you ... You're a Sky Class master?"

"Bang!"

Another kick answered pinliang's question, landing on his head. It wasn't enough to kill him, but it was enough to make him see stars.

Pinliang didn't even have time to react before Lin Yi gave him another kick. Lin Yi didn't want to kill him- it was way too easy to make him suffer. He was annoyed just by looking at him. It was true that he liked Mengyao, but this guy's mentality had reached an extreme and twisted state.

He even kidnapped, and rape was the only thing missing. How could Lin Yi pity someone like this? If the guy was as normal as Chentian and Yutian, Lin Yi wouldn't mind giving him a fair chance to compete and give up, but the guy wasn't normal-Lin Yi had to use abnormal methods to deal with him.

"

However, neither of them was realistic. Pinliang couldn't accept it.

The Golden Cicada undergarments were a treasure bestowed to him by the sect master of the everyday and every day sect, celestial venerable pure yang. How could they not work? Moreover, it had always been useful before, so why did it suddenly not work today? It didn't make sense at all-Lin Yi was still helpless when it came to his undergarments yesterday!

Pinliang couldn't accept Lin Yi becoming an Earth Class in one day, either. Lin Yi was still Earth Class mid phase peak yesterday, and if he said he'd become Earth Class late phase today, he'd believe it, even if he said he'd become Earth Class late phase peak!

But reaching Sky Class all of a sudden was something he wouldn't be able to accept even if he was beaten to death. What kind of speed was this? With this speed, naipao wouldn't be able to get revenge even if Lin Yi reached Sky Class late phase peak-they'd never be able to get revenge in this lifetime!

" Stop ... I admit defeat, I admit defeat ..." Pinliang almost cried. Lin Yi's methods were brilliant, and while pinliang was in pain, he didn't suffer any internal injuries.

Lin Yi was a doctor to begin with, and he had done a lot of research on the weak but not fatal parts of the human body, which was why pinliang's tragedy happened.

And so, he couldn't care less about winning or losing-he'd been tortured to death by Lin Yi already, and he'd made enough of a fool out of himself. He knew that Lin Yi could easily beat him up now, and all he had to do was break his Golden Cicada undergarments.

Pinliang guessed that Lin Yi was just torturing him for fun-he'd give him the finishing blow when he broke down! So pinliang might as well just admit defeat.

Pinliang was curious as to how Lin Yi managed to break his Golden Cicada undergarments, but it didn't matter anymore. The outcome was already decided, and he had to give up no matter how unwilling he was.

"Oh, you haven't vomited blood yet. The competition isn't over yet." Lin Yi kicked pinliang's butt again. "According to your previous agreement, you will only lose if you beat one party until they vomit blood and can't get up. You haven't vomited blood or can't get up, so you can't do it yet."

"F*ck" Pinliang gritted his teeth and bit his lip. He spat out a mouthful of blood and fell to the ground, shouting, "I'll go!" "I vomited blood and can't get up. Is this okay? "

Pinliang's actions immediately drew the disdain of the students! They weren't stupid-pinliang wasn't spitting blood! His lips were only bleeding, but this guy was too wretched just because he was afraid of getting beaten up.

Gao Xiaofu was also dumbfounded. What was going on? Wasn't pinliang supposed to win for sure? How did he lose?

"Gao Xiaofu, What are you looking at? Hurry up and announce the results of the competition. What are you doing?" Pinliang reminded when he saw Xiaofu standing there in a daze.

"Ah? Oh, oh, oh!" Xiaofu reacted and shouted, "I declare Zhong pinliang the winner!"

"What?"

"F * ck, it's a black whistle!"

"He even vomited blood and still won? "

" Is there a mistake? even if they're operating behind the scenes, there's no such thing. Do they think that everyone is blind or that they don't have enough intelligence? "

"Zhong pinliang, since Gao Xiaofu said you won, let's continue? " Lin Yi stretched out his right leg, ready to kick pinliang.

"Gao Xiaofu, are you F * cking blind? I almost vomited blood. How did you win?" Pinliang yelled, panicking.

Chapter 2534 Another Round

"Ah ah ... No, it's Lin Yi who won, I was wrong ..." Gao Xiaofu quickly changed his words, only to realize that he had just said the result in his mind, but the actual result was completely different from what he expected.

"If that's the case, then I'll be leaving. Congratulations, Liang-chan. You've failed in your promotion."
"Where's the steel rod?" Lin Yi asked with a mocking smile.

"Ugh ... I ..." Pinliang froze, remembering the bet he made with Lin Yi. He didn't think that he'd lose, and so when Lin Yi asked him to use the steel rod as a bet, he agreed without even thinking about it. But now, he wasn't very willing to lose it to Lin Yi.

"What, you want to renege on your debt?" Lin Yi's eyes went cold as he lowered his voice and whispered into pinliang's ear. "If you comply with the bet, I will also comply with the bet. If you don't, then you have to be careful tonight. Don't get robbed. Not only will you lose your black fine iron rod, but you will also be beaten to death."

Zhong pinliang immediately realized that Lin Yi wasn't just any cruel person. He was someone who would even cut off an Jianwen's kidney. If Zhong pinliang broke his promise, he would be in real danger! Of course, he didn't know that Lin Yi didn't dare to kill him.

As far as pinliang was concerned, Lin Yi was a man who didn't care about anything. After taking down the noble houses and hidden houses, even Zhang naipao and Feng nitian from the ancient sects were crippled by him. What did pinliang have to make Lin Yi worry?

That was impossible-Lin Yi could kill him as easily as killing an ant! And so, pinliang decided to compromise. He took a deep breath and said to Xiaofu, "Xiaofu, give him the thing!"

"Oh ..." Gao Xiaofu's heart ached a little, but he didn't dare to disobey Zhong pinliang's orders, nor did he dare to go against Lin Yi. He quickly passed the steel rod to Lin Yi.

Lin Yi accepted the steel rod, satisfied. He jumped off the stage and walked towards Mengyao and Yushu.

"Oh, shield bro's still the best. Liangy, you're such a disappointment. It looks like you're still not good enough!" Yushu said as she looked at pinliang pitifully.

Pinliang's vision went black, and he almost fainted. He lost the chance! In his mind, Chen Yushu really did support him before, but now he wasted the opportunity, causing Chen Yushu to be a little disappointed in him!

Chen Yushu was an important middleman for him to pursue Chu Mengyao and become Chu Mengyao's personal bodyguard. If Chen Yushu gave up and stopped helping, then he would be in big trouble!

"Let's go back to class. " The Miss didn't say much in front of others, and she only said those six words before pulling Yushu away. Lin Yi saw a smile on the miss's face as she turned.

Hehe, the Miss was still the Miss, after all. Lin Yi found her personality very heartwarming. He greeted Bai Weitao, and the two walked towards the biology Building.

Xinyan didn't even join in on the fun-she was taking an afternoon nap in the classroom, and for some reason, she was a lot more sleepy than before. Xinyan was a little suspicious, but she didn't take it to heart.

"Wait!" Pinliang stood up and called out to Lin Yi, "Lin Yi, let's fight again if you have the guts!"

"What else do you want to compete in?" Lin Yi asked, the steel rod still in his hands.

"I lost because I didn't use any weapons! That steel rod is my ultimate weapon. I was tricked by you before and used it as a bet. But if I use it as a weapon, I can definitely beat you!" That wasn't what pinliang was thinking at all-he'd thought that Lin Yi wouldn't be able to do anything to him in half an hour, even if he was exhausted. He didn't think that he'd need a refined black iron rod, and it'd be too bloody if he used it on Lin Yi in front of everyone like how he'd used it on coiling Tiger and pinliang. The school would interfere, and it'd be an unfair victory, too, so pinliang didn't use it.

Who knew that Lin Yi would be able to break his middle-grade Golden Cicada undergarments all of a sudden! Pinliang was both shocked and furious, and he couldn't care less anymore. Yushu was going to give up on him if he didn't make a move now. He could only walk forward and act shamelessly again.

"Oh, it seems that if I don't fight with you again, you won't be satisfied, right?" Lin Yi turned to pinliang and asked faintly.

"Of course. You were the one who attacked me before, so it's my turn to attack you this time!" Pinliang said.

"Alright then, since you want to be beaten up again, I'll fulfill your wish." Lin Yi jumped up onto the stage again and threw the steel rod to pinliang. "Tell me, what are the rules this time?"

"The rule this time is, whoever begs for mercy first loses. How about it?" With the steel rod in his hand, pinliang was confident that he could beat Lin Yi to a pulp! From his perspective, weren't Zhao Qibing and you Panhu the same?

"Oh, that's fine. But what's the bet this time?" Lin Yi asked.

"It's still the same. If I win, I'll replace you as Yaoyao's bodyguard. If you win, you'll take this black steel rod away!" Pinliang said.

"Did you take the wrong medicine? This black fine iron rod is mine now, but I took pity on you and lent it to you. You really think it's yours?" Lin Yi said with a cold smile.

"I ..." Pinliang blinked. It was true after thinking about it. "Then ... I don't have any treasures to lose to you. What do you think I should do?"

"How about this, if you lose, you'll declare on this stage that you'll stop harassing Chu Mengyao?" Lin Yi asked.

"No! No way!" Pinliang hesitated, but his attitude was surprisingly firm. "I can be killed but not humiliated. I can't agree to your condition!"

"..." Lin Yi was speechless. He didn't think that pinliang would have a bottom line.

"How about this, if I lose, I'll leave this place?" Pinliang said he was leaving, but he didn't say he wasn't coming back.

"Alright," he said. How could Lin Yi not notice the loophole in his words? But she couldn't be bothered to argue with him-the earlier the fight, the faster it'd be. Zhaolong's promise was like a fart, wasn't it? Pinliang had promised, but Lin Yi couldn't go back on his word. After all, shameless people were invincible!

"Shall we start?" Pinliang asked.

"Alright, let's start!" Lin Yi nodded.

Chapter 2535 Come Beat Me Up

"Waya ..." Pinliang spun the steel rod in his hand, covering his entire body!

Pinliang didn't seem to have much power on him, but he was good at using the steel rod. He covered all his weak points, and Lin Yi couldn't get in at all!

Lin Yi couldn't help but smile at the way pinliang was acting-the guy was quite the talent, after all, using defense as an attack to get closer to him. Was the steel rod really that good, though? Lin Yi didn't have the time to test it out with the steel rod, but pinliang seemed to be very confident!

Lin Yi threw a punch at pinliang, but pinliang didn't back down. He raised his steel rod and swung it at Lin Yi's arm!

"Bang!"

The steel rod landed on Lin Yi's arm, and Lin Yi's fist landed on pinliang's chest!

Lin Yi was just testing him, and the strength wasn't much different from before, so pinliang could still take it. He gritted his teeth and smashed the steel rod at Lin Yi again and again.

"Bang Bang Bang ..."

Lin Yi grimaced in pain from pinliang's attack-he had no choice but to take two steps back. Pinliang's steel rod was a good thing, indeed-it could break through a practitioner's Qi protection. Of course, he didn't know if it would work on a Sky Class, but an Earth Class like Lin Yi wouldn't be able to defend against it!

Of course, the metal rod couldn't cause too much damage to Lin Yi. He couldn't kill him, but he'd be injured if he took too many hits. Lin Yi couldn't use his Qi to defend himself, so he could only take the hits passively!

Although, if Lin Yi gritted his teeth, he could quickly kill Zhong pinliang, but his goal wasn't to kill Zhong pinliang. He just wanted to teach Zhong pinliang a lesson, but he couldn't do that now. He couldn't just keep punching Zhong pinliang like before, he would get beaten up for sure!

Lin Yi frowned-he'd used the second stage of the art of Dragon mastery to quickly repair the damage he'd taken, but he still didn't want to be a punching bag like that. He didn't want to just let pinliang hit him like an idiot, and so he compressed a super-small energy bomb and threw it at pinliang!

Lin Yi could fire these small Qi bombs instantly, and they didn't do much damage. Pinliang was charging forward with the stick when he felt something hit his leg-it was the Qi bomb that exploded.

And so, pinliang fell to the ground, and Lin Yi walked over in a few steps, kicking the acupuncture point on pinliang's wrist. Pinliang's grip loosened, and the steel bar fell to the side as he cried out in pain. "Ah, Yingluo."

At first, the students thought that pinliang would be able to turn the tables after seeing how strong he was. Even Xiaofu thought that pinliang would win this time, but who would've thought that pinliang would be knocked to the ground after just two moves, and then get kicked by Lin Yi?

Yushu and Mengyao, on the other hand, didn't flinch at all as they watched the fight. They both knew that pinliang wouldn't be able to do anything to Lin Yi even if he had the refined black iron rod. The rod could break a practitioner's Qi Shield, but pinliang's strength was only at the level of a normal person.

It would definitely hurt Lin Yi, but he could heal himself. Unlike Zhao Qibing and Yu Panhu, Lin Yi's counterattacks were effective, but they were ineffective.

As a result, pinliang's fate was destined to be tragic. Even if Lin Yi didn't use these super-small energy bombs, he could still beat the sh*t out of pinliang-he'd only have to pay a small price.

"Aiyo, stop fighting, stop fighting. I admit defeat. I admit defeat, okay?" Pinliang said helplessly.

"Oh, you really lost this time, right? You won't go back on your word, will you?" Lin Yi stopped hitting pinliang.

"I won 't, I've really lost!" Pinliang nodded and got up from the ground, handing the steel stick to Lin Yi.
"I'll give it to you, I lost!"

Lin Yi nodded and jumped off the stage with his steel rod. Mengyao and Yushu naturally left as well, and the rest of the people left ...

After Lin Yi left, pinliang got up from the arena. In fact, he wasn't hurt at all-Lin Yi had gone easy on him, and pinliang could feel that. He only blamed it on Lin Yi not wanting to get too bloody in school.

"Right coiling Tiger, wait!" Pinliang called out to right Panhu, Zhaolong, the yellow-haired, purple-haired, and the others.

"Liang bro, what are you doing?" Pinliang had just been taught a lesson by Lin Yi, but right-hand Tiger wasn't Lin Yi-he didn't have the right to be cocky in front of pinliang. He stopped and turned around, a smile on his face.

He was cursing inside, though-pinliang, you're pretty cocky, aren't you still crying for your mom and dad from Lin Yi's beating? What's this? he's only good at acting tough in front of weaklings like us, but when it comes to Lin Yi, he'll just admit defeat! They bullied the weak and feared the strong!

Fighting Lin Yi wasn't as tough as before, and his weapon wasn't working as well-what an embarrassment! He and Zhaolong were so afraid of Lin Yi that they'd put their hopes on him!

"That purple hair, you're the strongest, right? Come and beat me up!" Pinliang said, pointing at purple hair.

"Ah? Me? Beat you up?" Purple hair's eyes widened and he dug his ears, thinking that he had heard wrong. "Liang bro, what are you saying? Are you kidding me?"

"Nonsense, I don't have the time to joke with you. Hurry up, come over and beat me up!" Pinliang ordered.

"I ..." The purple-haired guy hesitated. He didn't know what pinliang was trying to do. Was he toying with him or did he really want to get beaten up?

"Liang bro, what's the meaning of this? You should have explained it clearly, otherwise the purple hair wouldn't dare to hit you!" You Panhu had no choice but to ask on behalf of his subordinate.

"It's nothing. I'm just trying to see if I can defend against his attack!" "Come on, hit me a few times, and I'll stop!" Pinliang said.

"Oh ..." Right Panhu hesitated and said to purple hair, ""Then go ahead, you can try!"

"Alright," he said. The purple-haired guy nodded and walked up to pinliang, testing the waters with his fist.

"Eh?" Pinliang felt like the purple hair didn't even hit him-it didn't hurt at all!"I told you to hit me, so hit me with all your might. Don't pretend to lie!"

Chapter 2536 Didn't Fail

"Okay, I'll hit you then ..." The purple-haired guy didn't use his full strength, but he did use thirty to forty percent of his strength. Pinliang didn't seem to be hurt at all, so the purple-haired guy didn't hold back and quickly punched him.

"Use more strength, continue hitting!" Pinliang didn't feel anything as he continued to order.

"Oh ..." The purple-haired guy was sure that pinliang wasn't afraid of a beating anymore. He knew that it was a waste of time to beat him up, but he was still pissed at pinliang for beating him up so badly!

Therefore, along with the resentment in his heart, the purple-haired man beat more and more viciously. Right-hand Tiger and yellow-haired man were envious. They were also victims in the past. Right-hand Tiger asked enviously, ""Liang bro, why don't I and Blondie try and beat you up too?"

"Let's fight," Pinliang nodded, not holding back at all. He wanted to see how strong he was, too, so he agreed.

The two brothers were overjoyed, and so they started beating up pinliang with the purple-haired guy. Their hands were hurting, but pinliang was still fine, like he wasn't hurt at all!

Right coiled Tiger, purple hair, and yellow hair, on the other hand, were exhausted. They couldn't do anything to pinliang no matter how hard they tried.

"Alright, stop fighting, there's no need to fight!" Pinliang said with a wave of his hand. His Golden Cicada undergarments didn't stop working, so why didn't they work on Lin Yi?

"Oh ... No need ... Alright!" Youpan Hu stopped reluctantly, and the purple-haired and yellow-haired men also stopped reluctantly. Although they were exhausted and their hands were sore, it was great and they were happy!

"Alright, you guys can go. There's nothing else for you guys!" Pinliang said to coiling Tiger as he headed back to the dormitory with Xiaofu.

Youpan Hu and the others looked at each other and left in a hurry. Pinliang was really weird-no matter how they hit him, he didn't react at all. How did Lin Yi beat him up so badly that he cried for his parents?

These people didn't understand and could only come to one conclusion-Lin Yi was too strong, he wasn't a normal person! If even Zhong pinliang wasn't Lin Yi's match, then they had to be extra careful-they couldn't mess with him ...

"Liang bro, what's going on today? why is Lin Yi able to hit you all of a sudden? " Xiaofu asked, confused.

"I don't know. Who knows? I thought my underwear was not working, but I checked with right Panhu and the others. There was no problem. My underwear is still working!" Pinliang frowned, "did Lin Yi become a Sky Class master in two days?" That's impossible, how did he level up so quickly?"

"Yeah, I think it's unbelievable too. You had such an obvious advantage just now, Liang bro, why did you suddenly fall and get beaten up by Lin Yi?" Xiaofu asked, remembering the strange situation.

"Eh? Didn't Lin Yi hit my leg?" Pinliang didn't pay much attention to it, thinking that Lin Yi had sneaked an attack on his leg and caused him to fall ...

"No, Lin Yi didn't even get close to you. All we saw was Liang bro falling down for no reason ..." Gao Xiaofu said.

"No way? So strange? "My leg was in pain, like someone hit me" Pinliang thought for a moment, thinking that Lin Yi was a bit too much for common sense to handle. "Forget it, let's not think about this. It seems that we thought too simply before. Let's pack up. We'll prepare to go up the mountain in the next two days and return to the sect every day!"

"Okay ..." Gao Xiaofu didn't dare to say more and nodded.

.....

In the Hidden House Zhao, an old man excitedly brought a small box to old man Zhao and reported, ""Old patriarch, we've gained a lot from the cultivator's market auction this time! "This time, there are many small Qi gathering pills. In the past, there were only one or two. Even with the wealth of the Hidden House Zhao, we couldn't get them. But this time, we finally got four! "Of course, this is also

because our family has recently earned a lot of money. With money in our hands, we dare to bid with confidence. Otherwise, in the past, we would have to give up as long as it exceeded ten million ..."

The Hidden House Zhao didn't have much money before, or they wouldn't have allowed Qibing to leave the mortal world and find ways to earn money. No matter how much Li Cihua earned, he had to be very careful with the money he earned to maintain the operations of the Hidden House Zhao. Ten million for pills was a luxury!

One could say that hidden houses weren't as rich as common houses, and that was why the Hidden House Yu used the common house Yu to make money! But now, without the restraints of the Hidden House Arbitration Association, the Hidden House Zhao started to do business like crazy in Eastern Sea city. With the Hidden House Zhao's connections, they easily accumulated a huge amount of wealth!

Even Lei Daming from before had brought over a hundred million in profits to the Hidden House Zhao in a short period of time. This was also the reason why the Hidden House Zhao did not kill Lei Daming after he got into trouble and sent him away instead.

This old man was sent by the Hidden House Zhao to participate in the practitioner market's auction. His name was Elder Mian, and although he was a little weaker than Elder Bi, he was still an Earth Class late phase peak, only recently.

"Oh, small Qi gathering pills, give them all to Qibing, we don't need them now." With a wave of his hand, old master Zhao decided on the use of these small Qi gathering pills! The only people from the Hidden House Zhao who had the strength to use these pills were Zhao Qibing and Zhao Qikun, two Mystic class Masters. Only they could quickly break through to Earth Class after eating these four small Qi gathering pills, but Zhao Qikun-the old man had already decided to send him to his death, why would he waste these pills on him?

Plus, the name of the pill reminded old Zhao of the pill he used before-it was Zhao Qibing's hard work that allowed him to become a Sky Class master! So, whenever he had the chance to do something for his grandson, he wouldn't let it go.

He had already eaten something as valuable as the Chi-amassing pill. It was a third-grade pill that was hard to find even if it was worth hundreds of millions. What was a small Chi-amassing pill worth ten million? If Qibing ate it, then so be it.

Although he'd realized and seen that Qibing wasn't as great as he'd thought, he had no other choice. He'd already given up on qikun, and he didn't need to think about using him again!

Chapter 2537 Choosing A Battle Technique

So even if Zhao Qibing wasn't as good, he believed that with some training, Zhao Qibing would be able to get to the top eventually.

Besides, the world of cultivation was a world where strength was everything. Even if Zhao Qibing was arrogant and spoiled, as long as he was strong enough, no one could say anything. Just like Lin Yi, how arrogant and overbearing he was? But who would dare to do anything to him?

And so, Zhao Qibing was very lucky and took four small Qi gathering pills in a row, but it was also his luck that Lin Yi had this many small Qi gathering pills in this auction. There weren't any of these in the previous auctions!

Although the small Qi gathering pill was also a second-grade elixir, the materials used to refine it were more expensive. Although it seemed that the cost of a single pill would not be much more than other elixirs, it should be known that there was a waste rate in refining elixirs. The more waste there was, the higher the cost of a single pill. Therefore, the small Qi gathering pill was one of the least number of elixirs in each auction. Generally, there were one or two pills, and they only appeared once every three years.

The Hidden House of you wasn't stupid. Even the sky elixir sect's success rate wasn't particularly high, and there was a chance of it being scrapped! Of course, if the sky elixir sect's old ancestor were to concoct the pills himself, he could guarantee that he would succeed in making one pill, but where would he find the energy to concoct these ordinary second ranked pills?

These elixirs were all concocted by the other elders and disciples of the sky elixir sect, so the success rate was naturally low and the cost was too high, so they weren't willing to make too many.

This way, the Hidden House you would be able to control the number of small Qi gathering pills they sold. They'd guarantee that they'd release some at a time, but not a lot, creating a situation where there was a price but no market. Who would've thought that Lin Yi would break this rule?

Lin Yi and han Jingjing made elixirs at a very low cost-not to mention that han Jingjing could make one elixir at a time, but the two of them could make a few more if they worked together.

"Wahahahaha, I can't believe that I, Zhao Qibing, can become an Earth Class!" Qibing had taken four small Qi gathering pills, and after a day and night of training, he had finally become an Earth Class early phase!

Although he still couldn't reach Lin Yi's level, he was already very excited. With a stroke of luck, he became one of the practitioners with the fastest cultivation speed! Of course, other than the timing, there was no one to inherit the Hidden House Zhao now. Qikun's participation in the sky elixir sect test was set in stone, and he would never return. Naturally, Zhao Qibing was the only one left, and he had to be trained.

Now that he was an Earth Class master, he naturally had the right to learn martial arts, but uncle Zhu's King fist wasn't suitable for him. Besides, uncle Zhu was injured and couldn't get up from his bed, so he couldn't teach Qibing.

It seemed like he had to ask for some martial arts skills. Qibing thought about it and went to his grandpa's room.

His leg that was broken by pinliang was naturally healed as well. Old Mian had brought back a lot of second ranked pills this time, including the small reversion pill and Meridian opening pill. Qibing only took one small reversion pill and his leg was healed.

Old Zhao was in the middle of his practicing when he heard elder Mian's announcement that Zhao Qibing was here. He let him in immediately-since he had already made up his mind to train Qibing as his successor, he wouldn't hold back anymore. Although Qibing was a little arrogant and spoiled, he was still more daring than the cautious Zhao Guangyin.

Guangyin may be cautious, but he wasn't the same as before-the Hidden House Council was only a name now, and all the other hidden houses were ready to make a move. If they didn't make a move now, they'd be eliminated and reduced to a normal house.

"Eh? Qibing, you've broken through? He's already an Earth Class early phase?" Seeing Zhao Qibing walk in, the old man was surprised.

"Thank you, Grandpa, for the pill. I've broken through to Earth Class early phase!" Qibing didn't hide his Earth Class early phase Qi, so the old man could tell with one look.

"Oh, you're the one I've chosen to be the next young master. I'm going to cultivate you with all my strength now!" "Qibing, is there something you need from me?" old Zhao asked.

"Yes, Grandpa. I'm an Earth Class now, can I learn martial arts?" Qibing asked.

"I've neglected this!" Old Zhao nodded, "but none of the skills we've been practicing are suitable for you. You have a metal body, and elder Bi's Overlord fist happens to be a metal element skill, but it has its flaws. Elder Bi said that it's not suitable for you, and he thinks that you should practice footwork instead- your legs are longer, and you have the advantage!"

"Is that so? then what should I cultivate?" Qibing asked.

"You wait, I'll help you look around-if it doesn't work, I'll call the Hidden House Yu and see if they have any good martial arts, and I'll get you one." Old Zhao said.

"Thank you, Grandpa!" Qibing said happily.

"En, you can leave first. I'll find you again when I'm done." Old master Zhao waved his hand, signaling for Qibing to leave.

Qibing's heart was racing as he left the old man's house. He felt like he had to go out and take a look around after leveling up. He was an Earth Class early phase now, an invincible existence in the common world ...

Of course, he didn't dare take revenge on Lin Yi. He was confident, but he wasn't exploding. What he wanted to do was to take revenge on Zhong pinliang. Zhong pinliang had someone backing him up, and while he couldn't kill him, he could at least beat him up.

Since he was going down the mountain to train, he couldn't blame anyone else for getting beaten up because he wasn't strong enough. Even Zhong pinliang's sect wouldn't say anything about it. Of course, the premise was that they couldn't kill Zhong pinliang first.

Zhao Qibing drove his Porsche Cayenne to Donghai city industry University, and when he arrived at the school gate, he saw Zhong pinliang and Gao Xiaofu's car!

After losing the arena, pinliang went back to his dormitory to pack up and prepare to go back to the everyday and every day sect with Xiaofu. He didn't expect to run into Zhao Qibing's Porsche Cayenne on the road in front of the school!

"F * ck!" Pinliang was furious-he wouldn't do anything to Lin Yi, but that didn't mean he wouldn't do anything to anyone else! After the verification of the right coiled Tiger, the purple-haired and yellow-haired men, pinliang knew that his middle-grade Golden Cicada undergarments were still working."Zhao Qibing, get back right now! How dare you block my car? you must have gotten enough of the beating last time!"

Chapter 2538 Failed Again

"Zhong pinliang? Since you're here, I don't need to look for you!" Qibing was overjoyed to see pinliang here-he jumped out of the car and went to open the door,"Get out of the car!"

"Aiya? This little brat is still pretending!" Pinliang was furious-he'd let Lin Yi show off in front of him, and he'd let it go, but Qibing had the balls to do the same! There was no way he'd be able to take it! He didn't even need Qibing to try and provoke him-he just got out of the car and grabbed Qibing's collar,"I think you still want to break your legs?"

"Broken legs? I'll let you taste what it's like to have a broken leg!" Qibing threw a punch at pinliang's face, and with a loud "bang," pinliang's nose started bleeding! This scene made Qibing even more excited-Earth Class was really something! He couldn't even do anything to pinliang before, and now that he was only an early phase Earth Class, he was able to kill pinliang with one punch! The difference in strength was no joke!

"I ... I'm bleeding?" Pinliang's face went pale as he wiped his face and saw the blood on his hand. He couldn't believe it-didn't he have the ability to defend against anything under Sky Class? Why couldn't he block Zhao Qibing's punch?

Moreover, the bone-deep pain on his face was not fake. It was so deep that he almost cried.

"Bang!"

Qibing didn't care and sent another slap across his face. He had been humiliated by pinliang earlier, and now that he had the chance to take revenge, he wouldn't let it go so easily. He couldn't beat pinliang to death, but he could at least cripple him.

Pinliang cried out again, "It hurts, it hurts so much ..."

"Bang!"

"Ah, I'm going to die from the pain ..."

"Bang!"

"Stop fighting ..."

"Bang!"

"You ... You're a Sky Class? You've also advanced to the heaven rank?"

"Bang!"

"Ah, my leg! My leg is broken ..."

"Bang!"

"Ah ... I'm dizzy ..."

Qibing finally got back at pinliang after beating him up, and drove away, humming a tune. "Potions, potions, kicks, electric cannons, flying kicks ..."

Xiaofu wasn't a practitioner, so he just stood there and couldn't do anything. He helped pinliang up after Qibing left, asking weakly, "Liang bro, are you okay? please don't die"

"F * ck, are you cursing me? Even Lin Yi didn't kill me, how can a Zhao Qibing do that?" Pinliang said, enraged.

"Well, didn't you faint just now ..." Gao Xiaofu said carefully.

"If I didn't faint, would he have stopped? "You're killing me ..."Pinliang climbed up limply. His leg wasn't broken, but his bones were broken. Qibing didn't get too carried away.

"I see" Xiaofu looked at pinliang's miserable state. "Liang bro, why's your bra not working again?"

"Who knows? "It's selective, and it's intermittent. It didn't work in front of Lin Yi, it worked in front of right-hand Tiger, and now it's not working again ..."Pinliang started to suspect. He could believe it if Lin Yi was Sky Class, but was it even possible for Zhao Qibing to be Sky Class? Did he take a Qi gathering pill?

"Then, what should we do now ..." Gao Xiaofu asked carefully.

"Let's go back to the Daybreak sect. I don't want to stay in this place for another minute." Pinliang ordered Xiaofu as he got into the car.

"Yes ..." Gao Xiaofu quickly nodded. He got into the car, started the engine, and drove away.

Zhao Qibing was in a good mood after beating Zhong pinliang up. He wanted to go for a few laps on the street. After all, his racing skills were quite good. Normal professional racers weren't his match. He had lost in the race earlier, and he hadn't been racing since.

However, his phone rang before he could find a suitable road for racing.

"Grandpa?" Qibing was surprised-the phone number came from his grandfather's study room, and his grandfather wouldn't normally call his own son. It must be something important.

"Qibing, where are you?" Old master Zhao's voice came from the phone.

"I'm on the street, Grandpa. What's the matter?"she asked. Qibing asked carefully.

"I've already spoken to the Hidden House Yu's old master Yu, you can go to him and pick a martial skill. " "But remember to be humble and polite when you get there. Don't let others look down on you!" Zhao Yu's father instructed.

"Don't worry, Grandpa, I know what I'm doing!" Zhao Qibing was overjoyed after hearing his grandpa's words. He didn't expect to hear the news so soon. He thought that it would take a while! One couldn't blame him for being so happy-as far as he was concerned, martial arts were very important to a practitioner, and the reason why Lin Yi could fight an Earth Class mid phase peak above his level was because of the exquisiteness of his martial arts!

Otherwise, why didn't Lin Yi have such an obvious advantage when he was golden and Mystic? Although he could barely fight someone above his level, it would be more obvious after he trained in a martial skill, so Qibing wanted to pick a powerful martial skill for himself.

And obviously, the king fist didn't meet Qibing's requirements-it was just a normal martial skill, nothing special about it. Elder bi had no choice when he started training, but now that he had a choice, he naturally hoped that Qibing could learn something more powerful.

"En, you go ahead." Elder Zhao nodded-he called the Hidden House Yu's elder Yu, and it took quite a bit of effort-after all, he'd taken the Qi gathering pill from him, making Xiaochen lose the chance to break through to Sky Class. But the two houses were in-laws after all, and in the hidden world, the two houses were bound together.

He wasn't too happy that he didn't make Yu Xiaojin's son the heir, but he could understand what the old man was doing! It was the same as in ancient times. Why were the sons of foreign princesses not qualified to be the Emperor?

Was Xiaojin's son a part of house Yu or house Zhao? If they went to house Yu in the future, then wouldn't house Zhao be a branch of house Yu? How much courage did he need to make such a decision?

If there were other choices, he wouldn't be too inclined to let Yu Xiaojin's son become the heir, and so he agreed to it. Although he agreed to let Zhao Qibing choose a few exquisite martial arts, he put some obstacles in his way.

Chapter 2539 Yu Ning's Admirer

When Zhao Qibing drove to the Hidden House Yu's Villa that night, the Hidden House Yu gave him some face, and Yu Xiaochen came out to welcome their "nephew" Zhao Qibing.

At the dinner, Zhao Qibing saw the crippled Yu Shan. Compared to Zhao Qibing's success, Yu Shan was in a worse state. The two were both participants in a power struggle, but Zhao Qibing was the winner, and Yu Shan was the loser!

House Yu's future was destined to be Yu Bing's, and Yu Shan was just a stepping stone for him to get to the top. The only reason he could come to this dinner was because there weren't many descendants in house Yu-only Yu Ning and Yu Shan were at home, and the others were all disciples and descendants of the elders. They weren't from the main branch of house Yu, so they couldn't come.

Of course, elder Yu didn't attend the dinner-he didn't have to give Qibing any face. With Xiaochen here, he was already giving the Hidden House Zhao enough face.

However, after Zhao Qibing saw Yu Ning, he was shocked! He had never seen such a beautiful and refined woman in his entire life. She was simply a fairy from a fairy tale!

Tang Yun was pretty too, and Qibing had his eyes on her before, but he just wanted to play with her. He didn't even care about ordinary girls like her, but Yu Ning was different. She was the little princess of the Hidden House Yu!

Qibing, naturally, knew what Qikun was thinking-he also knew about his relationship with Lin Yi. It'd be great if Qikun died in the test, but what if he didn't? After all, that Lin Yi was the biggest variable. Who knew what would happen if he participated in the sky elixir sect test?

And so, Qibing had to find himself some allies-his father got his position because of Yu Xiaojin, and Qibing had to take over his father's business through nepotism. He didn't have much power himself, and with the Hidden House Yu's support, he'd have a strong backing.

Moreover, the most important point was that Yu Ning was too beautiful. Her face was as clear as water, without any trace of makeup. She was quiet and gentle. The only decoration on her soft hair was a hairpin.

Although the hair clip looked a little rustic, like the hand-made stuff worn by a primitive tribe, it didn't look rustic at all on Yu Ning's hair. Instead, it had a touch of spirituality, and Zhao Qibing had the urge to take her for himself!

Too beautiful, too beautiful, too exciting ... Zhao Qibing took a deep breath, in order not to ruin the Hidden House Yu's impression of him with his dirty look, he smiled and looked at Yu Ning, ""This must be cousin Yuning, I've heard a lot about you. My aunt always said that little sister ning is a beauty, but it seems like she was wrong!"

“？”Yu Ning slightly frowned, who would say such things? How could he be so rude?

Xiaochen's face darkened as well-what the hell was this Zhao Qibing, did he know how to talk?

However, Qibing continued, "The beauty of the world is an insult to sister Xiaoning. Sister Xiaoning is the most beautiful girl in the universe ..."

Xiaochen let out a breath of relief, a smile on his face again. This Zhao Qibing wasn't too bad, he might be a little nauseating with his words, but he couldn't get away with it easily. He was very happy to hear that his daughter was pretty.

"The universe's most invincible beauty?" Yu Ning's face didn't have any happy expression, she just said faintly, "Brother Qibing, you've watched too many TV shows, right? You even used your lines?"

"This ..." Zhao Qibing's expression froze. This was indeed something he saw in a TV drama. It was a very old TV drama called "the heroine breaks through the heaven" and there was a line like this in it. He thought that no one else had seen it before and wanted to use it as his original creation to get the beauty to smile. Who knew that Yu Ning had seen this movie before?

"Let's eat, hehe. " Yu Ning didn't want Zhao Qibing to look bad, she just wanted to get rid of his thoughts of showing off.

"Oh ..." Qibing smiled awkwardly and raised his chopsticks.

Yu Shan looked on coldly. He didn't say anything, but his eyes were filled with anger and unwillingness. Even if his father wasn't the head of the house, it didn't affect his status as a direct descendant of house Yu. Why did the son of the head of the house have the right to be treated so well, but not him, a non-head?

They were both his grandfather's grandsons. Why? Why? He didn't want to give up, especially after he was crippled. His heart was twisted-he hated Yu Bing, he hated Yu Xiaochen, he even hated Yu Ning!

Seeing the hatred in his son's eyes, Xiaochen's second brother sighed deeply. He was angry that he didn't fight back, but if he was a little stronger, a little stronger, his son wouldn't be like this! But, the father and son didn't think about it-if Yu Shan didn't separate from Yu Bing at the Ice Palace test and go against Lin Yi, he wouldn't have ended up like this!

Although there was no lack of practitioners who'd been bullied by naipao and nitian in the test, if they didn't fight back, they could've just kept themselves safe-why did Yu Shan have to be crippled?

However, angry people often didn't consider this. A villain wouldn't blame others. This was the truth.

Zhao Qibing seemed to like Yu Ning, Yu Shan thought to himself. Was this a condition he could use? If he was successful, he would be able to make Zhao Qibing and the Hidden House Yu hate him. It wouldn't do him any good, but he'd lost all hope of being the head of the house, and it was impossible for him to be the head anymore. All he wanted was revenge, and to make Yu Xiaochen suffer.

Because of Yu Ning's cold attitude, Zhao Qibing didn't say anything inappropriate. After all, he was here to ask for a martial skill, and if Yu Xiaochen really hated him, it would be a huge loss. So Zhao Qibing decided to think about it and ask his Grandpa to think of a way.

After dinner, Xiaochen called Zhao Qibing to a private room and gave him two martial skill books, "I've been looking for it, our hidden house Yu only has these two gold element skills, I'll give them to you. "

"Ah? Just two ..."Qibing was disappointed-he thought there'd be a whole bunch of martial arts for him to choose from!

"You know, our hidden house Yu is all water and fire element practitioners, we don't have many gold element Arts. Although my father and grandfather found an ancient ruin when they were young, there weren't many in there." Xiaochen said.

Chapter 2540 Surprising Choice

In fact, Xiaochen did have something against Qibing-he kept looking at his daughter while they were eating, and he called Qibing a Toad lusting after a Swan's meat!

Lin Yi was so powerful, she didn't even dare to marry her daughter to him. Although it was a good choice to marry her daughter to Lin Yi, but at the end of the day, house Yu didn't even find the ancient ruins. Everything they had now was given to them by that place, and the Hidden House Yu was the representative of that place in the hidden level. Their words were like an imperial edict to house Yu!

If something happened to Yu Ning, then even if they all died, they wouldn't be able to pay for it. This was also why the Hidden House Yu was worried that something would happen between Yu Ning and Lin Yi, and wanted to get rid of Lin Yi.

And so, in order to punish Qibing, Xiaochen took out two of the five gold element skills he had prepared, one of the hardest and the other the easiest. He wanted to make things difficult for Qibing, so that he couldn't make a compromise.

"I see ..." Qibing didn't doubt it and nodded as he took the two martial skills.

"Of these two martial skills, one is very difficult to cultivate but is very powerful, and the other is very easy to cultivate but is not particularly powerful. You can choose." Xiaochen explained.

"Alright, thank you, uncle." Qibing picked up the simple martial skill book and started reading. The name of the book was "steel fist," and as the name suggested, it could make one's fist as hard as steel. In fact, steel was already very strong for ordinary people, but for practitioners, the hardness of steel was really not good.

Qibing flipped through the book-this martial skill was easy to learn and use, but his face turned bitter when he saw the power. What was this martial skill? The power it could unleash was only two-thirds of the power of an ordinary martial technique?

In other words, this martial skill was much weaker than ordinary martial skills? Elder BI's tyrant king fist was weaker than normal martial skills, but it wasn't as weak as this Iron Fist-Qibing wouldn't have picked this skill no matter how stupid he was.

"Uncle, this martial skill isn't good enough, it's even weaker than our family's King fist, it's really ..." Zhao Qibing smiled bitterly.

"Oh, that's true, but the other martial skill is pretty strong, but you'll have to pay a price for it ..." Xiaochen pointed at the other martial skill.

"Ah? "I see ..." Qibing opened up the other martial skill book. It was called "thousand legs," and the name alone was overbearing. It seemed like a very powerful martial skill, much more powerful than the iron fist!

The next chapter was the introduction of "thousand legs," and it made Qibing's heart beat faster. This was too awesome, too awesome, this thousand legs was heaven-defying! The first form of a martial skill was twice the power of a normal martial skill. As the level increased, each form would be equivalent to a normal martial skill plus one form. In other words, one form was equivalent to two forms, two forms were equivalent to three forms, three forms were equivalent to four forms, and so on.

In this aspect, it was similar to Lin Yi's wild fire Fist-they were both top-tier martial arts! Of course, Zhao Qibing's was a little more powerful than Lin Yi 's, and that was that even a normal person could achieve this effect. Lin Yi's had to be very experienced to achieve this effect, and uncle Fu obviously didn' t.

Qibing was getting more and more excited as he read on-this skill was amazing! Not only was the second form equivalent to the third form, but the second form could also unleash two moves at the same time. This was also why this skill was called "thousand legs." The first form could unleash one kick, the second form two kicks, the third form three kicks, and so on. From this, it was similar to Lin Yi's thousand changes of wood and forest.

"Uncle, this martial skill is awesome! It's exactly what I need!" Qibing said fondly as he held the skill in his hand.

"It's awesome, but Qibing, you should read the introduction first before you decide if you want to practice it. " Xiaochen laughed slyly, as if he cared.

"Oh? Could it be that it's very difficult to cultivate?" Qibing was prepared for this, "It's fine, uncle. As long as this martial art technique is really powerful, I can successfully cultivate it no matter how difficult it is!"

"Haha, that's good, I knew you had the spirit, Qibing. That's why I'm giving you this martial skill book!" Xiaochen laughed as he patted Qibing's shoulder.

Qibing felt a little light-headed as he continued to flip through the thousand legs, but his face changed as soon as he started! The prerequisites for cultivating the thousand kick were actually written like this.

"If you want to practice the thousand legs, you must break your legs. Break your legs nine times and activate one move."

"What? I'll have to break my legs?" Qibing was stunned as he looked at the requirements for thousand legs. What kind of martial skill was this? why did he have to break a leg?

"Yeah, that's why I said it's very difficult!" Xiaochen said, "Only through suffering can one rise above others. Qibing, if you think this training condition is too harsh, you can give it up. After all, this is not a path that normal people can endure. You need to break your leg nine times to trigger the first form, and it's the same for the second and third forms. The more you break your leg, the harder it becomes. You can Break It Yourself in the beginning, but later on, you'll have to find someone stronger to break it. That's why this martial skill is powerful. However, it's also very difficult to cultivate!"

"Is that so ..." Zhao Qibing hesitated, he remembered something and was happy! His leg had been broken many times. Although it wasn't enough for nine times, he would be able to cultivate smoothly after a few more times! With that thought, Qibing gritted his teeth, "Uncle, I'll practice this martial technique. I'm a person who can bear hardships!"

"Oh?" Qibing's answer surprised Xiaochen! They thought that Qibing would back off after seeing such a difficult training method, and that the Hidden House Yu would also explain that it wasn't that they didn't want to help, but that Qibing was too weak to train!

Not only would it be a blow to Zhao Qibing, but it would also make the old man think about whether he should continue supporting Zhao Qibing. This would also leave a chance for Yu Xiaojin's son! From Xiaochen's point of view, Qibing wouldn't choose the simplest martial skill, and this was a difficult one, too. With Qibing's status, he wouldn't go and learn it even if he had a broken leg, but he didn't think that Qibing would actually choose this martial skill.
