

## Bodyguard 2571

### Chapter 2571 Strength Stacking

"Oh?" Lin Yi picked up a random book and flipped through it. As expected, he didn't know whether to laugh or cry at the contents! The toad fist's difficulty level was simple, and the first move was equivalent to one-fifth of the power of a normal martial art technique ...

It was easy to train in, but it was useless in Lin Yi's eyes. He flipped through the other book and found something similar. It was just like what old man Zhuang said-it was for show and had no practical use!

"Yeah?" "Senior Lin, you'd better take a look at these basic martial arts and mental cultivation methods!" Old master Zhuang said with a bitter smile.

"Alright," he said. Lin Yi nodded and turned his attention to the other martial arts and practitioner's Arts manuals.

"These are the two mantras of our hidden house Zhuang. We cultivate metal-type mantras that are firm and fierce, and open and bold!" "I'm cultivating a metal-type mental cultivation method," old man Zhuang said. "Zhuang niaoqiang and Zhuang niaopao are cultivating a combined metal-type mental cultivation method. The two of them can only unleash their maximum power when they're together, but it's a lot weaker when they're alone."

"Oh? There's a mental cultivation method for two people to attack together?" Lin Yi was surprised-he couldn't tell that this hidden house Zhuang had such good stuff!

"Yes, this combined heart technique is a very mysterious heart technique that can only be passed down in the ancient times. My ancestors happened to obtain some treasures from the everyday and every day sect, and one of them was this heart technique incantation!" Said old master Zhuang.

"Then this mental cultivation method can allow two people's strength to overlap and become an even more powerful combination?" Lin Yi understood the meaning of the words.

"You can say that-now that both of them are Earth Class early phase peak, if they use this practitioner's art at the same time, they'll be as strong as Earth Class late phase peak, and with their combined martial arts, they'll be even more powerful!" Said old master Zhuang.

"It's indeed very powerful!" "But, this practitioner's Arts can only be practiced by two people at the same time?" Lin Yi asked, surprised. Is there no effect when cultivating alone?"

Lin Yi looked at the practitioner's Arts, and the first thing he thought about was if he could work with han Jingjing. If it was possible, the two of them combined would be Sky Class, if not Sky Class. After all, Zhuang niaoqiang and Zhuang niaopao combined were earth Class late phase peak. Lin Yi was Earth Class mid phase peak, and han Jingjing was Earth Class early phase. According to the amount of Qi in their bodies, they should be about there.

So Lin Yi asked, suppressing the excitement in his heart. If he could succeed, he could make the third level pill in advance. Not only would he be able to make the icy heart Jadestone pill that he promised the rock Candy Girl, but he would also have hope for the Qi gathering pill!

With so many Qi gathering pills, Lin Yi could mass-produce a few Sky Class Masters! This was also why Lin Yi was desperately trying to recruit followers-when he reached Sky Class, he could mass-produce Earth Class late phase peak Masters, and one Qi gathering pill would be enough for them to break through to Sky Class. Only then would Lin Yi be able to truly talk to the ancient level as an equal!

Just thinking about it made him excited and excited-they were all Sky Class early phase Masters, but that was still a pretty big force, at least on the same level as the weakest ancient houses or ancient sects! By then, even the rock Candy Girl wouldn't be looking down on Lin Yi anymore!

Hmph Hmph Hmph Hmph, is this Rock Candy Girl going to be the little little Mistress for sure? Lin Yi thought, two-faced.

"Only when two people practice it at the same time can their strength be superimposed. If one person practices it, then only half of the practitioner's strength can be superimposed on the other person who has not practiced it. The power will be greatly reduced, and the power can't be retrieved after the half of the strength is superimposed ..." Said old master Zhuang.

"You can't take it back? Did you give it to another person?" Lin Yi asked.

"No, when you stop circulating your mental cultivation method, the Qi that you've injected into someone else's body will dissipate. It's impossible for another person to absorb it." Old master Zhuang smiled bitterly. "That's why you practice the 'bird gun' and 'bird cannon' at the same time. There are too many disadvantages if you practice it alone. This mental cultivation method isn't for one person at all."

"Is that so ..." Lin Yi was a little disappointed. If he and Han Jingjing wanted to combine their strength, they would have to practice the same chant at the same time, but it would be difficult to practice the same chant again.

"Yes, but senior Lin shouldn't have to worry about this. After all, a cultivator can only practice one heart technique. This has been a constant law since ancient times. Very few cultivators practice two heart

techniques." Old master Zhuang said, "this is the so-called 'you can't do two things at the same time'. If you want to practice another mantra, you have to abandon the current one, and it may not be successful. You may lose both the wife and the soldiers, and you may not be able to practice any of them. So, I don't think senior Lin would do such a thing that puts the cart before the horse, right?"

"That's true ..." Lin Yi suddenly remembered that it was true. When he was helping Chu Mengyao, Chen Yushu, and the others find their practitioner's Arts, he looked up a lot of practitioner's information. It was also because a practitioner could only choose one practitioner's art that Lin Yi didn't help Chu Mengyao and Chen Yushu choose casually. After all, it was fine if they chose the right one, but it would be bad for them if they chose the wrong one!

Lin Yi couldn't help but smile bitterly at the thought. It seemed that his idea was good, but it was extremely difficult to put it into practice. No matter how good the chant was, Lin Yi couldn't practice it himself, let alone han Jingjing!

The art of Dragon mastery was Lin Yi's trump card-how could he just waste it like that? That would simply be a waste of God's gifts.

"This is a joint attack martial technique, which is also used in conjunction with the previous mental cultivation method. For elder Lin, it's obviously not of much use. He can collect it, but to practice it ..." Old man Zhuang shook his head. "Senior Lin should be cultivating a fire attribute martial skill, right? As for my martial skill, although it's for a single person, senior Lin's mental cultivation method doesn't match it, so I shouldn't be able to cultivate it ..."

"Oh, then forget it." "I'll make a copy of this for my collection," Lin Yi said with a wave of his hand.

"Alright," he said. Lin Yi's desire to copy down the martial arts and practitioner's Arts wasn't out of old man Zhuang's expectations. Normally, even if practitioners couldn't practice it themselves, they would still like to collect some martial arts and practitioner's Arts.

Chapter 2572 Elder Zhu Is Here

It was like how old man Zhuang had exchanged many useless arts and techniques with others, but Lin Yi only copied the combined arts and techniques, not the individual ones. This made old man Zhuang a little confused-why didn't Lin Yi copy everything?

But Lin Yi's thoughts weren't something he could guess at-old man Zhuang told Zhuang niaoqiang to make a copy of it with a photocopier, since it didn't even take time to copy in this high-tech era.

After getting the copies, Lin Yi left the Hidden House Zhuang's Treasury.

At the same time, Lin Yi received a call from boss Zhu. He'd arrived at the highway entrance to the Hidden House Zhuang, but the guards wouldn't let him in.

"Wait a moment." Lin Yi passed the phone to old man Zhuang."My men are here. They're stopped at the highway entrance. Can you tell them?"

"Yes, senior Lin!" Old master Zhuang quickly took the phone and said a few words to the person on the other side of the phone. The guards at the highway entrance let them through in a hurry.

In the guest room, Lin Yi saw Ziyu and boss Zhu perfectly fine, but Chen Xi wasn't awake yet. She was still on Lin Yi's shoulder.

"Eh? Lin Yi bro, what's wrong with Xi?" Ziyu asked, a little surprised as she pointed at Chen Xi on Lin Yi's shoulder. She was the only one who'd dare talk like that in front of Lin Yi. Boss Zhu, old man Zhuang, Zhuang niaoqiang, and Zhuang niaopao were all standing aside respectfully.

"Xiao Ling has fainted, but I saw that she didn't have enough sleep, so I let her sleep for a while." "Don't worry about her!" Lin Yi said.

"Argh! I recognize it! It was these two little bastards who hit me ... Uh, knocked me out!" Ziyu suddenly saw Zhuang niaoqiang and Zhuang niaopao not far behind Lin Yi-she'd even said "I'm your mother" out of excitement, but remembering that Lin Yi didn't allow her to use vulgarities, she quickly changed her words. Still, she was furious-she glared at Zhuang niaoqiang and Zhuang niaopao, wanting to eat them alive!

Zhuang niaoqiang and Zhuang niaopao looked at each other helplessly, impressed by Ziyu's memory. She could remember their faces in an instant, but this girl seemed to be Lin Yi's sister as well. Why else would she talk to him like that? Zhuang niaoqiang and Zhuang niaopao could only explain carefully, "'I'm sorry, we didn't mean to ..."

"Not on purpose? He did it on purpose!" Ziyu said.

"Uh ... This ..." Zhuang niaoqiang was a little embarrassed-he did do it on purpose, but it'd be a lie if he said it wasn't. He was just making up an excuse, and Ziyu took it seriously."That ... I'm already senior Lin's little brother now. We're on the same side. Can we forget about the things that happened in the past?"

"Little brother?" Ziyu paused, looking at Lin Yi with confusion."Is he really your little brother?"

"Yeah, but I just got to know him." Lin Yi nodded.

"Since you're Lin Yi bro's lackeys, you're naturally my ... My lackeys as well. Why aren't you calling me big sis?" Ziyu said as she pointed at Zhuang niaoqiang and Zhuang niaopao.

"Um ... Hello, big sister." Zhuang niaoqiang and Zhuang niaopao didn't want to lose out in front of them, and quickly called out.

"That's more like it. I'll remember that you hit me before, and I won't punish you. But in the future, if I ask you to do something, just be quick!" Ziyu wasn't stupid-she could tell that these two weren't normal people. How could they be small people living in a Manor like this? It was a good thing to have two lackeys like that-they were much more useful than that zou ruoming guy.

"Alright, no problem!" Zhuang niaoqiang and Zhuang niaopao had been looking for an opportunity to work for Lin Yi, and Lin Yi would have no choice but to take them in if they were to work for his sister.

However, Lin Yi didn't interrupt. Since house Zhuang wanted to move into Songshan, it would be good for Zhuang niaoqiang and Zhuang niaopao to take care of Ziyu and Chen Xi. At least they were more reliable than Cihua. Ruoming didn't dare to go against them, but he wasn't high up in the hierarchy, and even Chen Xiaoba couldn't handle him.

"Mr. Lin, I've brought Chen Xiaoba and Chen bawang. They're in the car at the entrance. Would you like to see them?" Old Zhu asked after Ziyu and the Zhuang brothers were done.

"Oh? You've brought it?" Lin Yi nodded and turned to old man Zhuang. "Old master Zhuang, Chen bawang and his son are from the Zhuang family. Since you've brought them here, you can decide how to deal with them."

"Bird gun, bird cannon, bury them." Old master Zhuang was a little sick of talking about Chen bawang and his son. He had almost lost his life and buried the entire hidden house Zhuang with them! Although the result was good, it was just a coincidence. If he used Chen Xi, everything would be over!

And the cause of all this was Chen Xiaoba's greed for Ziyu's beauty! Even if Chen Xi didn't exist, Lin Yi wouldn't let the Zhuang family off so easily if Chen Xiaoba ruined Ziyu.

So, as soon as old man Zhuang opened his mouth, he sentenced the two troublemakers to death. They were going to develop in Songshan anyway, and they could just find someone else when the time came.

"Yes, Grandpa!" Zhuang niaoqiang and Zhuang niaopao replied, but they didn't move immediately. They turned to Lin Yi. "What do you think, boss?"

Zhuang niaoqiang and Zhuang niaopao's disobedience didn't anger old master Zhuang, but made him very happy. It seemed like his grandsons weren't just training like idiots-they were quite tactful and knew how to please Lin Yi!

"Let's listen to old man Zhuang," "There's a guy called zou Tiandi in Songshan who's not bad," Lin Yi said faintly. "He'll be a good spokesperson if you train him."

Zou Tiandi and Zou Ruoming were too low level for Lin Yi, and he couldn't just take them as his lackeys. After all, they weren't practitioners, and Lin Yi couldn't train them. However, seeing that they'd been helping him, Ziyu, and Chen Xi out during this time, Lin Yi decided to give them a little help.

"Yes!" Zhuang Niaoqiang and Zhuang Niaopao followed their boss out to dig a hole to bury the man, while old man Zhuang remembered Zou Tiandi's name at Lin Yi's words.

"As for the Hidden House Zhao ..." Old man Zhuang was worried about the Hidden House Zhao's reaction. After all, Songshan used to be their territory.

"Li Cihua, tell him to go back to Donghai city. If he doesn't want to leave, tell him I asked him to." Lin Yi said faintly.

#### Chapter 2573 Lin Yi's Promise

"Yes, senior Lin." Old man Zhuang was pleased with Lin Yi's support. He thought that Lin Yi wouldn't support them too much before he showed enough sincerity, but it seemed like he was really supportive of the Hidden House Zhuang. "That business in Songshan, a portion of the profits, should I send it to Lin Qianbei's account on a regular basis, or ..."

"It's fine, just donate them to the orphanage in Songshan." Lin Yi said with a wave of his hand.

He didn't need the money, so he might as well donate it to Yu Xiaoke and let her improve the orphanage.

"Alright," he said. Old man Zhuang nodded without making a sound, remembering the name of an orphanage in his heart. He was an experienced man, and naturally guessed that Lin Yi was taking care of this orphanage and put it under protection.

Soon, Zhuang niaoqiang, Zhuang niaopao, and boss Zhu came back. It seemed like they had already taken care of Chen Xiaoba and his son.

"Senior Lin, you won't be able to see these two people again." Zhuang niaoqiang said carefully.

"Alright, elder Zhu, introduce yourself. You can look out for them when you're in Songshan." Lin Yi said, looking at him.

Elder Zhu gritted his teeth. He knew that if he exposed his identity here, it would mean that he had completely turned against the Hidden House Zhao and Zhao Qibing, but he had no choice. If he didn't show his true feelings, he would end up like Chen Xiaoba and Chen bawang.

"Elder Zhu, I'm from the Hidden House Zhao. I'm Mister Lin's subordinate." Elder Zhu introduced himself.

"Oh? Someone from the Hidden House Zhao?" Old master Zhuang was taken aback-he didn't think that boss Zhu would be someone like that. They'd be going to Songshan to make enemies with the Hidden House Zhao, and now that boss Zhu was working for Lin Yi ... What did that mean? Could it be that the Hidden House Zhao had already decided to join Lin Yi? But he had never heard of it.

"Of course, in front of you, I am only Mr. Lin's subordinate. I have nothing to do with the Hidden House Zhao." Elder Zhu explained when he saw old man Zhuang in a daze.

"Oh ..." Old master Zhuang nodded, understanding the relationship between Lin Yi and boss Zhu. It turned out that boss Zhu didn't represent the Hidden House Zhao, and they didn't have much of a relationship.

"Alright, if there's nothing else, I'll take my leave. You guys can use my name to develop your business in Songshan. I believe Li Cihua will back off." Lin Yi said.

"Okay, senior Lin, please ..." Old man Zhuang wanted Lin Yi to stay for dinner, but it seemed like Lin Yi didn't have the intention at all. The deal was settled, though-as long as Lin Yi agreed to let the Hidden House Zhuang use Lin Yi's name!

Lin Yi's name was a golden signboard-wasn't that what the Hidden House han was relying on?

Lin Yi nodded and brought Ziyu and Chen Xi out of the Hidden House Zhuang with boss Zhu. He still had a lot of things to ask boss Zhu, and didn't want to stay for long. Of course, he didn't want Ziyu and Chen Xi to hear him.

"Ziyu, I'll take you home?" Lin Yi asked after getting in the car.

"Okay ..." Ziyu was very well-behaved in front of Lin Yi.

Boss Zhu drove, Lin Yi sat in the passenger seat, and Ziyu looked after Chen Xi in the back. The car slowly drove out of house Zhuang's Manor.

Ziyu was curious-why did he call himself from the Hidden House Zhao? What kind of family was the Hidden House Zhao? It sounded very impressive. Wasn't he just a rag-and-bone man?

However, she couldn't ask if Lin Yi didn't want to explain. She was just getting curious when Lin Yi said, "Ziyu, don't tell Chen Xi about what happened today. She's innocent, I don't want her to be exposed to these things."

Ziyu was going crazy-what did he mean, she wasn't innocent anymore? It could be polluted at will? She was happy that Lin Yi was nice to Chen Xi, but at the same time, she was unhappy.

"You're different from Chen Xi, you used to be the boss, it's normal for you to cut people with a knife, but you didn't show any expression when you saw Chen Xiaoba and Chen bawang being buried, so there are some things that you should know. " Lin Yi continued.

"Oh?" Ziyu was overjoyed-didn't that mean she knew more secrets? Then I seem to be more powerful than Chen Xi? With that thought, Ziyu was happy again.

"Also, don't say anything about elder Zhu's identity. Just let him protect Chen Xi." Lin Yi said.

"Alright," he said. Ziyu felt that she was an adult now, and she could talk to Lin Yi as an equal-didn't that mean she had a chance? Ziyu's heart started beating faster.

"What's wrong with you? Why do you look so unnatural?" Lin Yi turned to look at Ziyu, confused.

"It's ... It's nothing, I just think that Lin Yi bro trusts me, I'll keep this a secret!" Ziyu said.

"Oh ..." Lin Yi nodded, not thinking too much about it.

It was almost time, and so Lin Yi didn't treat her to dinner. He carried Chen Xi to her place, put her down, and left with boss Zhu. Ziyu was a little disappointed-she wanted to wake Chen Xi up, but she didn't see Lin Yi this time. She'd be really disappointed if she woke up and found out!

Ziyu knew Chen Xi very well-she didn't say it, but she missed Lin Yi every day, hoping that he'd come to Songshan to visit them. This afternoon, Ziyu told her that Lin Yi was at school looking for them, and Chen Xi was so happy that her face was red.

It seemed that he could only hide it from Chen Xi ... He didn't know what kind of excuse he would make up to explain what happened before. Ziyu's head hurt.

Only Lin Yi and boss Zhu were left in the car, and Lin Yi turned to boss Zhu. "Tell me, what's up with Chen Xi?"

"Chen Xi is Zhao Guangyin's illegitimate daughter, but the Hidden House Zhao values boys over girls, so Zhao Guangyin didn't really care about her. In order to not anger his wife, he even wanted to kill her and her mother. However, by chance, he found out that Chen Xi had the body of a human furnace, and with some training, she could become a good human furnace. So, I was sent to Chen Xi's side to protect her. On one hand, he's teaching Chen Xi how to cultivate the cultivation method of the furnace. " Elder Zhu cut to the chase and told him the whole truth."I was also ordered by Zhao Guangyin to poison Chen Xi's mother, but Mr. Lin saw through my plan ..."

Chapter 2574 Ying Ziyu's Lie

Lin Yi nodded-things weren't too far from what he'd guessed."What does Chen Xi want to do after becoming a furnace? What is Zhao Guangyin trying to do?"

"You know, the Hidden House Zhao and hidden house Zhuang were similar-they didn't have a Sky Class master, and were at the bottom of the hidden houses. Just having a marriage with house Yu wasn't enough-it's always been the Hidden House Zhao's dream to grow and find a backer for their family." "So, once she succeeds, she'll be given to some young man from an ancient sect as a cultivation vessel," elder Zhu said."That'll give the Hidden House Zhao an ancient level backing. "

"I see." Lin Yi nodded. No wonder the Hidden House Zhao didn't want to side with him and kept going against him. They had a trump card! But it wasn't surprising-the ancient stratum backing was nothing compared to Lin Yi!

However, the Hidden House Zhao's people were all short-sighted and neglected Lin Yi's growth rate. Lin Yi was able to go from a golden class master who was injured by uncle Zhu to an Earth Class mid phase peak who could kill Sky Class Masters in a short time-this growth rate was simply amazing!

Lin Yi might not be as strong as the ancient level now, but what about after a while? If they knew about Lin Yi's plan to mass-produce Sky Class Masters, they wouldn't think that way.

"You protect Chen Xi. Before they touch her, let me know." Lin Yi said.

"Okay, Mr. Lin." Elder Zhu didn't understand why Lin Yi wasn't doing anything to the Hidden House Zhao yet. With Lin Yi's capabilities, wasn't it just a matter of minutes? What he didn't know was that although Lin Yi could destroy the Hidden House Zhao, it would still take a lot of effort. He could only attack them one by one, and once the other hidden houses who had grudges against Lin Yi felt that Lin Yi had become a threat, they would team up and fight Lin Yi to the death!

At that time, it wouldn't be as simple as a life and death struggle-Lin Yi knew how strong he was. He could ambush a Sky Class, but going up against a few Sky Class Masters was suicide.

Now, as long as Lin Yi didn't completely annihilate their family, they wouldn't join forces. They all had their own plans, and no one wanted to put in more effort to go against Lin Yi and be killed by Lin Yi. So, they maintained a delicate balance.

What Lin Yi needed to do was to maintain this balance and get as many hidden houses to side with him as possible. If he could turn enemies into friends, he would do so. If he couldn't, he wouldn't make a move on them until he had complete confidence.

"En, how are your brother's injuries?" Lin Yi asked faintly. If he wanted elder Zhu to follow him, he had to give him something in return. Second Zhu's injury was an opportunity. If Lin Yi could heal him, then elder Zhu would follow Lin Yi with all his heart.

"He ..." Boss Zhu's face froze at Lin Yi's question, his eyes full of surprise and disbelief. "Second brother ... He's crippled now, so Mister Lin means ..."

"Let's find a suitable opportunity. I'll treat him," Lin Yi nodded, "Do your best, I'll help Zhu er increase his strength. It's not impossible for him to reach Mystic late phase peak."

"Ah!" The elder Zhu didn't think that Lin Yi would really treat his brother's injuries-not only that, he wanted to raise his brother's strength to Mystic late phase peak as well! This was great news! One had to know that elder Zhu's initial plan was to fix his second brother's meridians and let him return to the path of a practitioner. Lin Yi's promise had far exceeded his expectations, and for the first time, he had the urge to follow Lin Yi. "Thank you, Mr. Lin!"

Lin Yi waved his hand, "you should be able to tell that I've never mistreated anyone who's truly working for me. Be it the common house Liu or house Wu, or the Hidden House Han or house Pi, they've all received benefits!"

"I understand. Don't worry, Mr. Lin. From now on, the two of us will be at your beck and call!" Elder Zhu said excitedly.

"Hehe, I still have some small Qi gathering pills with me-if he wants to break through to Earth Class, it's not impossible." "That'll depend on your performance in the future," Lin Yi smiled.

"I understand!" Elder Zhu said excitedly.

Two flowers bloomed, and upstairs, Ziyu put Chen Xi on the bed. Not long after, Chen Xi woke up. She'd been sleeping for a while now, and her energy had recovered. She sat up in a daze and looked around, surprised.

"Eh? What am I doing at home?" Chen Zhao rubbed his eyes to make sure he was awake and wasn't seeing things. "Ziyu-Jie? Are you there?"

"Xi, you're awake?" Ziyu quickly went into the bedroom.

"I ... Fell asleep?" Chen Xi looked at her suspiciously. "Ziyu sis, aren't we in school? I remember ... Lin Yi bro was here. Should we go to the school gate to find him? Where's Lin Yi bro?"

"Ugh ..." Ziyu's head hurt as she looked at Chen Xi. She couldn't tell her the truth yet, but Lin Yi clearly didn't want her to get involved with violence. "It's like this, aren't we going to the school gate to look for Lin Yi bro? It wasn't Lin Yi bro, it was Chen Xiaoba in disguise. He wanted to take revenge on us, and when we opened the car door, his lackeys knocked you out, so I fought with them. Xi, you know how I used to be a big sister, I'm pretty good at dealing with these punks ..."

"Ah ... Is that so ..." Chen Xi was shocked and disappointed that Lin Yi didn't come for real, "Those people are really bad. Are you hurt?"

"No, they're so weak in front of your big sister Ziyu!" "And then I beat them up and ran away," Ziyu said, "and then I saw you faint, so I carried you home."

"He fainted? Carry me? You're back home?" Chen Xi's eyes widened in disbelief. "Ziyu sis, why didn't you take me back to school or to the infirmary? wouldn't that be easier? There's still some distance between our neighborhood and the school. Can you carry me ... That far?"

Chapter 2575 Lies Are Hard To Round

"Ugh ..." Ziyu realized that her words weren't very realistic. It didn't make sense-they should've gone back to school or the infirmary like Chen Xi said, why go home? School isn't over yet? But luckily, Ziyu's brain was quite sharp-she quickly came up with a plan. "Yes, it was Grandpa Zhu. Grandpa Zhu was scrap picking near the school, so I asked him to help. It was the two of us who carried you back!"

"So that's how it is!" Chen Xi nodded, believing Ziyu's words. After all, she knew that boss Zhu often went to pick up scraps near the school. "Then I'll have to thank Grandpa Zhu in person."

With that, Chen Xi was about to get up and go find the elder Zhu. She was a very polite girl, and since the elder Zhu helped her carry her back, Chen Xi naturally wouldn't pretend that she didn't know.

"Ah? Don't ... Don't go!" Ziyu jumped-the boss was talking to Lin Yi downstairs, where was she supposed to find him?

"What's wrong? Ziyu sis?" Chen Xi jumped at the sight of Ziyu's reaction.

"Um ... Grandpa Zhu's got a guest ..." Ziyu said.

"A guest?" Chen Xi was even weirder. She'd known elder Zhu for so many years, but she'd never heard of any friends. It seemed that the only guests in his house were her and her mother, right? So Chen Xi subconsciously thought that her mother was in the Zhu family, so she said, ""It's fine. I don't mind thanking you! Ziyu sis, I'll be off!"

Ziyu saw that Chen Xi was leaving and quickly pulled her back, "Don't go, don't go, Grandpa Zhu isn't home, he's downstairs talking to Lin Yi ... Huh?"

Ziyu accidentally blurted out Lin Yi's name ...

"Lin Yi bro's here? Is he downstairs?" Chen Xi paused, turning to Ziyu.

"No, no, I mean, Grandpa Zhu is picking up scraps in the woods downstairs!" Ziyu quickly changed her words, but the pronunciation was quite similar.

"Grandpa Zhu is scrap picking in the woods downstairs?" Chen Xi's eyes widened, "is there ... A small forest downstairs?" There's no forest in our neighborhood, right?"

"Ha, I was wrong. I meant the garden in the neighborhood." Ziyu said.

"A small garden?" Chen Xi was even more puzzled. "The small garden has people from the real estate company cleaning it every day. Where is there anything to pick up?"

Chen Xi often went scrap picking with elder Zhu, and she knew if you could pick up anything in the garden. Ziyu's words didn't make sense.

"This ... I don't know!" Ziyu didn't think that Chen Xi would be so easy to trick-she wouldn't have hidden it if she'd known. She'd just say that Lin Yi was here too, and that he'd help beat Chen Xiaoba up. But Ziyu didn't think that all she'd wanted to do was simplify things to cover up the violence-this lie was getting harder and harder to cover up. She had to use ten sentences to cover up one lie, and it was so troublesome. In the end, she couldn't cover it up anymore, either, so she had to stop.

"Ziyu sis, are you hiding something from me?" Chen Xi was suspicious. She stood up and was about to leave the room. "I'll go to the balcony and see what Grandpa Zhu is doing. "

"Alright, alright, little Xi! Don't go, I'll just tell you the truth!" Ziyu saw that Chen Xi was going to the balcony, and knew that they were going to be exposed! Lin Yi's big Cherokee was parked downstairs,

and Chen Xi would definitely recognize it. Rather than letting her see it herself, she might as well just tell her.

"Ziyu-Jie? You are indeed hiding something from me?" Chen Xi was a bit surprised-she didn't think that Ziyu would really lie to her.

"Sigh, to be honest, it was Lin Yi bro who saved us and beat Chen Xiaoba and the others away. Otherwise, I wouldn't be able to beat so many people no matter how good I am at fighting!" "It's just that Lin Yi bro seems to be looking for Grandpa Zhu for something, so Grandpa Zhu went to his car to talk. I was afraid that you'd be disappointed if you didn't see him, so I didn't tell you ..."Ziyu explained.

"Ah, I see ..." Chen Xi lowered her eyes in disappointment."He ... Doesn't like to talk to me ..."

"No, Xi, what are you thinking about?" Ziyu didn't know whether to laugh or cry."See, I told you I wouldn't tell you. You'll be disappointed if I tell you! In fact, Lin Yi bro didn't want me to wake you up on purpose. He saw that you've been lacking sleep recently, so he told me to let you sleep a little longer until you wake up naturally! I care so much about you!"

"Really?" Chen Xi had been going out with boss Zhu to pick up scraps at night, and she had to do her homework when she came back, so it was true that she didn't get enough sleep. Lin Yi was a doctor, too, so it wasn't hard for him to notice.

"Of course it's true!" Ziyu nodded,"plus, you don't know how careful Lin Yi bro was, carrying you all the way here. He didn't let us touch you because he was afraid you'd wake up. I'm so jealous of him!"

"Ah?" Chen Xi's little face suddenly turned red, and the disappointment from before was swept away, and she suddenly became happy again. "Then why didn't you tell me, Ziyu sis? I'm ... I'm quite happy ..."

"Hehehe, little Jue's heart is moved!" Ziyu said, looking at the embarrassed face. "But since you're awake and Lin Yi bro hasn't left yet, why don't you give him a call and ask him to come up?"

"Ah? Let Lin Yi bro come up? I'll make a call?" Chen Xi was a little moved, but she still said, ""Isn't that bad? Lin Yi bro's already gone, I'll ask him to come back ..."

"Didn't you not leave yet? He left before because you didn't wake up, and he didn't know when you were going to sleep, so he left first. But it's different now, you're awake!" Ziyu said.

"That ... That's not very good, is it?" "I ... I'm embarrassed ..." Chen Xi said, embarrassed.

"What's there to be embarrassed about?" "Ziyu frowned, " Xi, let me tell you-Lin Yi bro has so many pretty girls around him! If you don't work hard and grab onto them, you'll be eliminated and regret it for the rest of your life! To put it bluntly, do you want to be as lonely as Auntie for the rest of your life?"

"I ... I ..." Chen Xi was confused and worried. Yes, her mother was alone her whole life, and she liked Lin Yi. If she couldn't be with Lin Yi, would she end up like her mother?

Chapter 2576 Determined

"And think about it, relationships are built bit by bit. You can't just fantasize about it and let it heat up all of a sudden, right? That's not realistic!" "You don't have many chances to see Lin Yi bro anyway," Ziyu said. "If you don't hurry up and grab the chance, when will you see him again?" The more you see Lin Yi bro now, the more your relationship will heat up, and over time, you'll get it. But if you don't see him, that chance will slip away!"

"Is ... Is that so?" Chen Xi thought about it, and it seemed to make sense, so she nodded and made up her mind. "Then ... Then I'll get Lin Yi bro to come up and sit for a while?"

"That's right, you're just expressing your gratitude. It's not a big deal!" Ziyu said.

"En, en!" Chen Zhao let out a breath of relief after hearing this. "Should I ... Make the call now?"

"Wait, you still need to prepare!" Ziyu said, stopping her.

"Prepare? What else do I need to prepare?" Chen Xi looked at her strangely.

"Of course, I'm preparing to create an ambiguous atmosphere!" "Right now, Lin Yi bro probably sees you as a little sister, so I think you should change his mind and make him think that you're not a little girl anymore!" Ziyu said.

"Ah? "This ... How do I make it ..." Chen Xi blushed as she asked. It was a little embarrassing, but she agreed with Ziyu's words. Lin Yi had always treated her like a little sister, but Chen Xi didn't think that way. She already liked Lin Yi, and she didn't want to just be a little sister ...

"Look at you. You're still wearing a coat at home. How can that highlight your exquisite figure?" Ziyu said as she took off Chen Xi's jacket. "You should wear less at home. You have to make Lin Yi bro think that you're a girl and not a little girl. You have to show off your body!"

"But ... But, isn't this a little too little?" Chen Zhao took off his jacket. He only had a tank top left. It was a low-cut tank top, which made her feel embarrassed.

"Young? That's a lot!" Ziyu shook her head. "No, you have to keep taking it off. Take off your bra too!"

"What!" Chen Xi jumped, subconsciously covering her chest as she stammered, "Bra ... Bra too?"

"Yeah, you need to know what hazy beauty is. You don't need a bra, you wear a thin tank top instead. This way, you'll be full of hazy beauty. Lin Yi bro will definitely like it!" Ziyu said.

"This ... I don't think we should?" Chen Xi was a very thin-skinned girl, how could she do such a bold thing?

"Why not? I must!" "You're also changing Lin Yi's impression of his sister by doing this. He'll be surprised-my sister can't be that sexy!" Ziyu said.

Chen Xi still couldn't make up her mind. "Um, let's forget about the bra this time. Can we do it next time?"

"How can you do it next time? How about this, I'll take off my clothes too and give you a demonstration. I'll keep you company so that you won't be too lonely!" With that, Ziyu took off her jacket and put her hands under her shirt, taking off her bra and throwing it aside. "See, I've already demonstrated it. Why aren't you taking it off?"

In fact, Ziyu had her own plans. She didn't want to fight with Chen Xi for anything, but Lin Yi had more than one girlfriend, right? If Chen Xi became Lin Yi's girlfriend, she could also buy one free one, right? But the condition was that Lin Yi had to have a good impression of her before she could give it to him. Otherwise, if Chen Xi was promoted to a girlfriend, she would still be a sister. That would be sad.

And so, she decided to change Lin Yi's impression of her, turning her from a little girl to a sexy girl!

"Ah? Ziyu sis, you ... You don't have to keep me company anymore ... "Ziyu's" sacrifice "touched Chen Xi- she was an outsider, and if she didn 't, wouldn't she be letting her down as the person involved?

With that thought, Chen Xi clenched her teeth and threw her bra aside as well. Her tank top was different from Ziyu's shirt though-it was way too low, and the slightest movement would reveal the little white rabbit on her chest, making her really shy.

"I ... This is still not good, right?" Chen Xi looked at her own chest and then at Ziyu 's, "Yours is much more secure than mine. How about I change my shirt too?"

"What do you mean by change!" Ziyu said, exasperated. "I told you to show your young girl side to Lin Yi, not me! Why are you competing with me?"

Chen Xi thought about it and agreed-Ziyu had already demonstrated it, if she still couldn't do it, wouldn't she be letting her down? "Alright, I'll call Lin Yi bro now ....."

However, Chen Xi was probably nervous. She used one hand to make the phone call, while the other hand held onto the collar of her small vest, not letting herself be exposed.

Ziyu looked at how careful Chen Xi was being, and felt helpless. She was already satisfied at this point, and she'd just have to take it slow.

Lin Yi was talking to boss Zhu when his phone rang. Lin Yi looked at the caller ID-it was Chen Xi's number! After Ziyu and Chen Xi went to high school, Lin Yi bought Chen Xi a phone as well, but she rarely used it.

"Little Xi?" Lin Yi answered.

"Lin Yi bro, it's me," Chen Xi thought about what she was going to do later and was a little embarrassed. Her voice was a little shy.

"Xi, you're awake?" Lin Yi didn't think that Chen Xi would wake up so quickly.

"Yes, I'm awake. Thank you, Lin Yi bro, for saving Ziyu sis and me, and for bringing me ... Home." "Lin Yi bro, you're leaving?" Chen Xi whispered.

"I'm still downstairs. Since you're awake, I'll go and see you. " How could Lin Yi not understand the meaning behind Chen Xi's words? He smiled and didn't say anything. He directly asked to see Chen Xi.

"En, en, I'll wait for you at home!" Chen Xi was overjoyed. She didn't even say anything and Lin Yi came.

"Alright, you wait here. I'll be up in a while." Lin Yi hung up and turned to boss Zhu. "Is there a supermarket in this neighborhood? Go buy some fruit and visit Chen Xi and Ziyu. "

Chapter 2577 Too Careless

"Alright, I'll go now." On the surface, elder Zhu was a scavenger, but he wasn't poor at all.

A while later, boss Zhu came back with two bags in his hands. Lin Yi took a look-one bag was papayas and the other was milk. Lin Yi was speechless. He went to visit two girls, and they gave him these?

Wouldn't this cause a misunderstanding? How could Lin Yi not know that papayas with milk were breast enhancing foods? Ziyu and Chen Xi would misunderstand if he did that!

Seeing Lin Yi's expression, boss Zhu was a little worried, "Mr. Lin, in the supermarket, I saw that only papayas are considered fresh. The other fruits aren't that fresh, so I bought another box of milk. Is it too little?"

"Uh ... You don't know about these two things?" Lin Yi looked at him, but he didn't think that an old Bachelor like him would have the time to study breast enhancement. He shook his head, "Forget it, it's too little. You should at least buy some other fruits, right?"

Papaya milk-Lin Yi would be embarrassed if he did that, but it wouldn't be so obvious if he mixed it with something else.

"It's already night time, so there aren't many fresh fruits. Also, the grapes are not bad. Although some are rotten, we can pick out some good ones." "Should I go pick some more?" elder Zhu said quickly.

"Go!" Lin Yi nodded.

So, elder Zhu went to buy grapes again. This time, it took a long time, and he came back with a bag of grapes. "Mr. Lin, that's all I've picked, is that okay?"

"Alright, let's go. I'll go visit Chen Xi and Ziyu, you should go home and rest." Lin Yi locked the car and went upstairs with him.

"Okay, Mr. Lin." Elder Zhu went back to his own house, and Lin Yi went to Chen Xi and Ying Ziyu's room, knocking on the door.

Soon, the door opened, and it was Ziyu. Chen Xi was covering her chest, not opening the door. Ziyu didn't know whether to laugh or cry-she was creating an opportunity for her, and she was being so coy!

"Lin Yi bro, you're here!" Ziyu said, happy to see him.

"Yes, since Xiao Ling is awake and I haven't left, I came back to take a look." "I bought you guys some fruits," Lin Yi nodded.

"Little Xi, aren't you going to take it? I'll get Lin Yi bro some slippers. " Ziyu's eyes rolled as she thought of a way. Wasn't Chen Xi holding her chest? Then I won't let you cover me. Hehehe, thank me, right?

"Ah? "Okay ..." Chen Xi quickly went over and took the three bags from Lin Yi's hands, but she used one hand to take them, the other hand still covering her chest. This made Lin Yi a little confused. What was Chen Xi doing?

However, Chen Xi was still a girl. She didn't have that much strength. How could she lift three bags with one hand? Chen Xi took the bag and almost dropped it on the ground. She was so scared that she didn't care to cover her chest and quickly reached out her other hand to help.

The movement was so big that Chen Xi's tank top couldn't cover anything, and the two little bunnies jumped into Lin Yi's eyes ...

Lin Yi felt awkward and quickly looked away. Why was Chen Xi wearing so little? But Lin Yi couldn't really say anything-Ziyu wasn't wearing much, either. This house was usually lived by two girls alone, so it was normal for her to wear less. What was the point of wearing so much at home?

Lin Yi could understand why, since Shu used to be naked too.

After a couple of coughs, Lin Yi switched to the compromise Ziyu was giving him. Chen Xi, on the other hand, managed to hold onto the three bags, but she felt a cold sensation on her chest the next moment. She realized that she was exposed, and she saw Lin Yi's awkward expression. Her face reddened immediately!

This time, Chen Xi couldn't care less about the plan Ziyu was talking about-creating an ambiguous relationship to show her girly side. She put the three bags down and ran into the bedroom,"I ... I'm going to put on some clothes ..."

Ziyu said helplessly as she stomped her feet. Why didn't you treasure it? I've finally created an opportunity for you, but you've thrown it away. Really ...

"Hehe, it's warmer at home, so we don't usually wear much. Xi, you're embarrassed." Ziyu explained,"Lin Yi bro, have a seat."

"Alright," he said. Lin Yi was a bit embarrassed as well-he looked at Ziyu, and realized that she wasn't wearing a bra either. It wasn't as obvious as Chen Xi 's, but it was still a bit obvious. Lin Yi's mouth was dry.

Only now did Lin Yi remember that Ziyu wasn't a little girl anymore-the stuff he found in her drawer, as well as her body, made Lin Yi realize that she was a 1st year high school girl!

He thought of her as a kid, but Ziyu and Chen Xi weren 't. It seemed that he had to change the way he talked to them. He couldn't always be like a parent, or it might cause the girls to become rebellious.

Ziyu noticed Lin Yi's gaze as well, surprised and happy. He finally noticed her? Hmph, Hmph, Hmph, how is it? I'm still considered quite capable, right ...

"Ahem, Ziyu, next time I come, don't wear so little. You're not young anymore." Lin Yi coughed a couple of times to break the awkwardness.

Ziyu was just about to puff out her chest and say "no," but she started to sweat! She almost got carried away, but Ziyu quickly calmed herself down. If she seduced Lin Yi here, then not only would she be sorry to Chen Xi, but Lin Yi would probably be angry too, right?

Lin Yi might just beat her up and give her some bamboo meat-she still felt a bit scared when she thought back to Lin Yi's ass.

He was too careless, too careless! Ziyu did pull herself back in time-she still hadn't completely changed Lin Yi's image of a little girl yet, and she couldn't do anything inappropriate. But what Lin Yi said today was a good thing-he finally realized that he and Chen Xi weren't little girls anymore.

"Haha ..." Ziyu didn't want Lin Yi to see through her thoughts, so she changed to a more serious topic,""Lin Yi bro, have you heard anything about my brother recently ..."

"Ah ... Your brother!" Lin Yi's heart tightened as he hesitated,"Your brother is still carrying out a special mission. The mission has not ended yet, so he can't come back."

Chapter 2578 Chen Xi Is Touched

"Not yet ..." Ziyu was a little disappointed."Then ... Will it be dangerous?"

"I don't think so? You know how skilled I am, and your brother's skills aren't inferior to mine. Furthermore, there are so many teammates fighting side by side, so there won't be any problems. " Lin Yi said.

"Is ... Is that so?" Ziyu was starting to get suspicious-she remembered someone telling her that the mission was over, and her brother was left there for a long surveillance mission. How did he have a team? Moreover, even if he was monitoring them, he couldn't not contact his family, right?

"Of course it is. You should know that when you're on a mission, you have to be strictly disciplined and can't contact your family. So, in a few years, your brother will be back. When the mission is completed, you can take the pension for the rest of your life!" Lin Yi, naturally, didn't know that Ziyu had received a reply. He was still following his own understanding-huaijun and the pangolin were on a mission together, so they had to have a lot of teammates. How could he have guessed wrong?

"Oh ..." Ziyu was suspicious, but she didn't ask anymore. Her brother's job was dangerous to begin with, and some things were good things and not bad things. They couldn't avoid bad things, and Chen Xi was about to come out. She couldn't ask too many questions that would affect the mood.

"Don't worry, Ziyu, your brother will contact our people soon. I'll update you on the latest developments." Lin Yi's heart ached a little-he could pretty much confirm that the pangolin was a cyborg, but he didn't know how to tell Ziyu that.

"En ..." Ziyu nodded.

Chen Xi finished changing and pushed open the door. She was wearing a loose set of home clothes, covering her petite body completely. Ziyu didn't know what to say! Shouldn't you change into something more youthful and sexy? What are you doing with that big cloth bag?

"Xi, if you're too tired from studying, then don't go scrap picking. I just talked to your Grandpa Zhu, and I helped him find a decent job with a high salary. He won't need to scrap pick anymore, and he can give you a portion of the money he earns," Lin Yi's words not only explained why he wanted to talk to boss Zhu downstairs, but it also solved Chen Xi's problem of scavenging, studying, and lack of sleep.

"Ah ..." Chen Xi blushed, a little shy. She didn't think that Lin Yi would care about her so much. He even arranged a job for Grandpa Zhu so that she could study hard and not waste her rest time! From Chen Xi's point of view, Grandpa Zhu was just an old man who picked up scraps. What kind of decent job would hire him? What could he do? Lin Yi had arranged a high-paying job for him-he must've done it to make up for her.

(Elder Zhu: I'm crying, I'm an Earth Class after all, it's not cheap to be a guard in a rich family!)

Thinking of this, Chen Zhao was extremely grateful, but he was also a little worried."It won't be too much trouble to arrange a job for Grandpa Zhu, right?"

"Hehe, it's no trouble at all." "Actually, Grandpa Zhu's pretty good at running errands," Lin Yi said with a smile.

Ziyu covered her mouth and laughed. It was clear that Chen Xi didn't know how strong boss Zhu was. She was surprised when she saw boss Zhu beat up Chen bawang, but after knowing who he was, and that he was a master under Lin Yi, she wasn't that surprised anymore.

"Then ... I'll thank Lin Yi bro on behalf of Grandpa Zhu." Chen Xi knew that Lin Yi had already arranged everything, so she could only thank him.

"Alright, I'll be leaving now. You guys rest well at home and go to bed early. If you run into any trouble in the future, just look for Grandpa Zhu or zou ruoming." Lin Yi stood up and prepared to leave.

"Lin Yi bro, you're leaving already?" Ziyu didn't want to leave-Lin Yi only came here once in a while.

"It's getting late, I'll treat you guys to a meal some other day! The final exams are coming soon, right? I'll reward you well when you get good results!" Lin Yi said.

"How good can it be? She's already the top of her grade, so she'll probably get into the final exam as well. I'm a little worse, but I'll probably make it into the top ten ..."Ziyu found it hard to imagine that she'd be able to study hard one day, and get into the top ten in a school like Songshan's first school, where there were so many masters.

"Yeah, just maintain this level." Lin Yi said with a nod.

Lin Yi left Chen Xi's house with Ziyu and Chen Xi's help, but he didn't expect to find a BMW blocking his way. He was a bit annoyed at first, but when he saw the person coming out of the car, he was happy!

It was zou Tiandi and zou ruoming!

"God Lin!" Tiandi jumped out of his car as soon as he saw Lin Yi. He'd received the clear signal from the Hidden House Zhuang that they'd be helping him take over some of Cihua's businesses in Songshan, officially becoming the representative of the Hidden House Zhuang!

Tiandi was a little confused at first-he couldn't believe that he'd just fallen into a trap like this! The Hidden House Zhuang was a powerful existence, and didn't they have Chen bawang as their spokesperson in the neighboring city? Why did they suddenly want to enter Songshan?

Besides, wasn't Songshan the territory of house Zhao's hidden representative, li Cihua? What would li Cihua do if they came? However, the Hidden House Zhuang's next words put Tiandi at ease. Zhuang niaoqiang had clearly told him that the Hidden House Zhuang was now working for Lin Yi. As if he'd been injected with chicken blood, Tiandi quickly got the contact's number, big Zhu 's, and Lin Yi's current location. He quickly drove over with ruoming to thank Lin Yi for coming.

"Why are you guys here?" Lin Yi was a bit surprised-what were these two doing here? it was normal for them to know Chen Xi's address, since they were always protecting her and Ying Ziyu in the dark, but how did they know he was here?

"God Lin Yi, the Hidden House Zhuang has already informed me to be their spokesperson. I got your news from Mr. Zhu, so I rushed over to thank you!" Tiandi said passionately.

"Oh, you already know about it. That's good. Work hard in the future, but do a proper business. Don't do anything evil. You should know how Chen bawang and his son died!" Lin Yi warned faintly. He didn't want Tiandi and his son to become bullies. House zou had some illegal businesses, but they weren't as reckless as bawang Chen.

#### Chapter 2579 Pinliang Returns

"I understand. I'll manage my nightclubs, entertainment cities, and other businesses well. I won't do anything like bullying people." Tiandi treated Lin Yi's words like a Royal Decree-he'd do whatever Lin Yi asked him to do.

"Okay, that's good. I'm going back to Eastern Sea city. You guys can go back to work." Lin Yi looked at ruoming. "Don't fool around in school. Learn some knowledge so that you can take over your father's business in the future. You can't be in your senior year forever, right?"

"Uh ... Okay, God Lin!" Ruoming said awkwardly.

Lin Yi got into the car, and so did the Zous. The two cars left the neighborhood, driving in two different directions ...

Back at Chen Xi and Ziyu's house, Chen Xi was covering her face with her hands, embarrassed as she sat on the sofa, mumbling to herself, ""Ziyu sis, did I embarrass myself today? will Lin Yi bro think that I'm an easy girl ..."

"Why would I?" Ziyu said, looking at how shy Chen Zhao was. "This is our house, even if we don't wear anything, it's fine. Don't worry, Lin Yi bro won't think too much!"

"Ah, that's good ..." Chen Zhao heaved a sigh of relief.

"Xi, it's not that I want to criticize you, but look at what you've done. I was trying to create an opportunity for you, but you went back to your room to change, leaving me alone in the living room with Lin Yi bro. Are you creating an opportunity for me or for you?" Ziyu asked.

"I...Ziyu sis, I'm sorry, I didn't live up to your good intentions ..." Chen Xi lowered her head and said.

".....Forget it!" Ziyu looked at Chen Xi's guilty face and felt a little guilty as well. She was helping Xi to pursue Lin Yi, and now she was thinking of getting intimate with Lin Yi as well. Did that count as letting Xi down?

"I ... I'll definitely work hard next time!" Chen Xi saw that Ziyu's face was a bit off-she thought that she was angry at her for not giving up.

"Alright, alright, let's see what Lin Yi bro bought us!" Ziyu didn't want to talk about this anymore-she didn't want to spill the beans.

"En ..." Chen Xi remembered that she put it aside and the two of them ran over to see what Lin Yi had brought.

"Eh? Why is it papayas and milk? This is breast enhancement food!" Ziyu was surprised to see the papayas and milk. "Hehehehehe, isn't it a little ambiguous? Is Lin Yi bro trying to hint at something?"

"How ... How is that possible? Ziyu sis, you're thinking too much, aren't there other things? "These are grapes ..." Chen Xi blushed and opened another bag. "We bought it together. It shouldn't be what you think ..."

"Why not?" Ziyu's eyes started to move to Chen Xi's chest, a smile on her face. "Xi, I think this papaya and milk are for you! It seems like Lin Yi bro didn't completely ignore you-he wants you to grow!"

"It can't be ..." Chen Xi was a little shy, but she was more surprised. Did Lin Yi bro really think that way? Was he really hinting at her? However, did he dislike her small breasts and like girls with big breasts?

"Look, these are grapes. This further confirms my guess!" Ziyu said, pointing at the bag. "Usually, in novels, there will be some vague descriptions, such as eating grapes or something. It means eating the grapes on a girl's chest. So, the hint is so obvious. I don't believe that the people who bought these groups didn't have any thoughts!"

(Achoo! Elder Zhu sneezed again. Why did it seem like someone was making fun of him again?)

"Ah ... Then ..." Chen Xi started to believe her.

"Look at how small these grapes are-Lin Yi bro's definitely hinting that your little rabbit is too small, and that you should eat some papaya milk to get more nutritious!" Ziyu analyzed.

(Elder Zhu: I'm innocent. These grapes are small because the big ones have been picked out. The remaining ones are either rotten or small. It took me a lot of effort to pick them out!)

"I ... I see ..." Chen Zhao blushed and said shyly, ""Then ... Then I'll eat it later ..."

"Yes, yes, let's eat together!" Ziyu nodded.

"Ziyu sis, you're very old already, right?" Chen Xi looked at her strangely.

"What do you know? Lin Yi bro has a milk cow big sister by his side, I'm still far from that!" Ziyu said.

"But ... I'm the one who surpassed him. What's the use if you surpass him?" Chen Xi was even more confused.

"Ah ... Me ..." Ziyu didn't know what to say-why did she always have no door? She accidentally blurted out the truth again and quickly explained,""I'm just giving you a goal. With me as a role model and urging you to catch up, you will have the motivation. Otherwise, where would you get the motivation without comparison? I'm sacrificing myself to help you!"

"Ah, Ziyu sis, you're so great!" The pure Chen Xi said, touched.

"Haha ... It's alright ..." Ziyu said, a little ashamed.

.....

Back in the everyday and every day sect, pinliang and Xiaofu were carefully kneeling in front of celestial master Chun Yang, while naipao was kneeling behind him.

"What? You're saying that Lin Yi's already a Sky Class? You've leveled up so quickly?" Celestial master Chunyang couldn't believe what he was hearing. How was this possible? What kind of insane leveling speed was this? he didn't practice any demonic Arts, so how did he level up so many levels in one go?

He was at the peak of the mid phase of the earth Class before, and now he was Sky Class? Did he eat a bunch of Chi-amassing pills? That didn't seem realistic.

"Not only Lin Yi, even Zhao Qibing became a Sky Class master ..." With that, pinliang told him about how he met Zhao Qibing and got beaten up.

"What? Zhao Qibing had become a Sky Class master? How is this possible?" Celestial master Chunyang was in even more disbelief now-it was weird, but it wasn't unacceptable for a freak like Lin Yi to suddenly step into Sky Class. After all, he was someone who could beat Naipao-he was a master among masters, but to say that a small hidden house's disciple could break through from a Mystic to Sky Class was a joke!

#### Chapter 2580 Fatty Lai's Trouble

This was no longer as simple as being unrealistic. It was simply impossible.

"Liang bro, could it be that there's a problem with your mid-quality Golden Cicada underwear?" Naipao said calmly.

"My underwear? I also suspected that the Golden Cicada underwear didn't work, but I found you Panhu of the hidden you family and his men to check it. My underwear didn't fail!" Pinliang said.

"Oh? Take off your underclothes, I'll check!" Heavenly venerate Chunyang also felt that there might be a problem with the undergarments.

"Yes!" Pinliang quickly removed his undergarments and presented them respectfully.

"Oh? This isn't a middle-grade Golden Cicada underwear!" Celestial master Chunyang's face changed when he saw the underwear. Pinliang couldn't tell, but he could tell that there was something wrong with it!

"Not a medium-grade Golden Cicada bra?" Pinliang blinked, looking at celestial master Chunyang suspiciously. "Master, isn't this the mid-grade Golden Cicada inner wear that I was wearing before? Don't tell me that this underwear can be downgraded automatically?"

"It's not an automatic demotion. It's your underwear that has been replaced by someone else!" Heavenly venerate Chunyang pointed at the Golden Cicada inner garment in his hand. "This is a low-grade Golden Cicada underwear. Although it looks the same as a mid-grade Golden Cicada underwear, I can tell the difference with one look! Low grade Golden Cicada undergarments can defend against attacks from people under Earth Class, but it's useless against people above Earth Class. You can defend against right coiled Tiger and his men's attacks, but you can't defend against Lin Yi and Zhao Qibing's attacks. That Zhao Qibing must've broken through to Earth Class. "

"What? Was it switched? How is that possible?" "I've been wearing this the whole time, how could it have been replaced?!" Pinliang said, shocked.

Pinliang suddenly thought of something. He'd never put on undergarments before, and that was when he went to Mengyao and Yushu's room. He took a shower there, and didn't the undergarments stop working the day after he took a shower?

"Chen Yushu! It must be her, this little devil, it must be her, she changed my undergarments!" Pinliang finally understood why Yushu, who had always been on the opposite side, was suddenly supporting him. He was happy about it, but it seemed like Yushu had set him up on purpose to trade for the middle-grade Golden Cicada underwear!

Thinking back to Mengyao's cold, the dirty water at their dormitory door, and her concern, pinliang realized that he'd been tricked again. These two girls were still on Lin Yi's side, swapping his mid-quality Golden Cicada undergarments!

"Liang bro, let's go back and get even with her?" Xiaofu was furious as well. He'd only said that to save pinliang from celestial master Chunyang's anger.

"There's no need to be in such a hurry to settle accounts. " Celestial venerable Chunyang waved his hand and threw the lower-grade Golden Cicada underwear to the side. ""We will definitely get back at them. But if you go there rashly, what can you get in return other than asking for a beating?"

Pinliang and Xiaofu looked at each other, silent. She was right, asking Lin Yi for mid-quality Golden Cicada underwear? Even if Lin Yi did admit it, he could still get his fortune read!

"Master, since the undergarments were changed, that means Lin Yi isn't a Sky Class-he's definitely an Earth Class. Let me and Liang bro go down the mountain to get back at him, okay?" Naipao was still loyal to pinliang.

Celestial master Chunyang frowned. He only accepted pinliang as an in-name disciple because naipao was his favorite student-he had no respect for pinliang at all. He wasn't happy that naipao was going to stand up for him,"Right now, you're in the most important stage of the second stage of the chrysanthemum Arts, don't get distracted by other things!"

"Yes, master ..." Naipao quickly cupped his fists and left-he was being too impulsive, after all. He wasn't even at the peak of the second floor yet, what if he wasn't Lin Yi's match?

"Alright, Zhong pinliang, don't blame yourself too much. It's just a mid-quality Golden Cicada bra, you'll get it back sooner or later." Celestial master Chun Yang didn't really care much about undergarments-it didn't really matter if it was gone. He waved his hand for naipao's sake,"You can leave first. I will help you think of a foolproof way to let you personally get back at them!"

"Many thanks, master!" Pinliang was overjoyed-to be honest, he'd rather do it himself, not let naipao do it himself! He'd thought that celestial master Chun Yang wanted him to get back on his feet, but the truth was that he didn't want him to interrupt naipao's cultivation!

Zhong pinliang was getting a little annoying-he was just an ordinary man. If it wasn't for naipao's respect for this boss, he would've kicked him away already.

.....

Fatty Lai had run into some trouble these few days, and it was a big one!

Miracle doctor Guan's medical company's reputation was rising, and they recently expanded their factories and increased their production capacity. Their products were sold overseas and the demand for them couldn't meet the demand. This time, fatty Lai was going overseas to expand his market in a small country.

Because of miracle doctor Guan's medical company's good reputation, their products were all exempted from customs. Fatty Lai was planning to rest for a while to adjust the time difference before meeting the biggest medical businessman in the country, but not long after he arrived at the hotel, an uninvited guest came!

Beside this uninvited guest was the medicine merchant who invited fatty Lai to this small country!

It was weird to visit so late at night, but fatty Lai didn't think too much about it. He thought that the two of them couldn't wait to welcome him, so he invited them into the house with enthusiasm.

"Mr. Lai, let me introduce myself. I'm military counselor Zhuge, and my nickname is military counselor. Of course, you can also think of it as a Bandit's nickname." The stranger who had entered the room with the merchant suddenly said.

This situation surprised fatty Lai-this guy was clearly the host now!

Fatty Lai thought that this person was the assistant or secretary of a pharmaceutical businessman, but he didn't expect all the signs to show that this person was the one who made the decisions!
