

Bodyguard 2641

Chapter 2641 Is There Something Wrong With Her Brain?

Fatty Lai frowned but continued, "Ten million!"

He was going to donate the money to the orphanage anyway, and even if he didn't do it this way, he'd be donating it on his own. He had to complete the mission Lin Yi gave him, but why would Qibing fight with him over this item?

Fatty Lai knew the ins and outs of this thing-Lin Yi had made it on a whim, and it had no value at all. What was Zhao Qibing thinking?

Fatty Lai was confused, but Qibing was the same. Qibing was about to explode-was this fatty Lai crazy? He was just Lin Yi's follower, was there a need to suck up to him? Could it be that Lin Yi sent them to raise the price?

That couldn't be right-Lin Yi didn't even know that Qibing would come to the charity auction, and he couldn't have guessed what Qibing's plan was. The possibility of him raising the price to please Lin Yi was very low.

"15 million!" Zhao Qibing was furious and added five million! If it wasn't for the fact that fatty Lai was Lin Yi's follower, Qibing would've sent someone to warn him. But if he really did, he wouldn't even think about breaking his leg. He would just be beheaded.

"Twenty million!" Fatty Lai was a little pissed off as well, but he wasn't afraid of Qibing.

"..." Zhao Qibing was speechless. What kind of person was this! Although Qibing could afford twenty million, twenty million just to please Lin Yi for no reason? he didn't know if Lin Yi would appreciate it or not. It was a bit too much.

So Qibing hesitated-he'd already made his stance clear, and Lin Yi wouldn't be able to say anything if he gave up now, would he? It was his Lackey who kept increasing the price, not that he didn't want to bid, so he kept silent ...

"Twenty million ..." Tai Weiliang was extremely excited."Number 60 bid 20 million. Please exceed the bid!"

However, Qibing didn't bid this time. He wasn't a spendthrift-it was fine to please Lin Yi a little, but it'd be meaningless if he went too far.

Yushu panicked a little when Qibing stopped bidding. Fatty Lai's twenty million was for the orphanage, but Qibing's wasn't. If Qibing didn't bid this time, there wouldn't be a next time.

"Oh, the gentleman in number 74 has bid eight million. It looks like he's determined to get it. If he doesn't get it, he'll be in big trouble, and the owner of this item won't be happy either ... So, twenty million going once ..." Chen Yushu looked at Zhao Qibing and said slowly.

F * ck, big milk cow, you're trying to scare me!

However, Zhao Qibing was really frightened. He raised his sign again," 22 million!"

Fatty Lai was about to bid when Chen Yushu waved her hand at him. Fatty Lai paused and stopped bidding. Although Lin Yi didn't give him any direct orders, Chen Yushu's orders were the same.

"Twenty-two million going once ... Twenty-two million going twice ... Twenty-two million going three times, sold! Congratulations to Mr. 74 for winning the bid. " Yushu had successfully gotten Qibing to be the boss.

This strange auction puzzled many people. Even if they were donating money, there was no need to do this, right? Strange, very strange!

Plus, from the looks of it, it wasn't as simple as donating. If Qibing wanted to donate, he could've just called out the high price of twenty-two million. There was no need to increase the price bit by bit when there was a competition. The last price was obviously given through gritted teeth!

However, to say that this auction item had any value was also nonsense. What value could an ordinary item have? Puzzled, everyone was puzzled!

Even Lin Yi was confused-was there something wrong with Qibing?

However, no matter how strange the situation was, the auction still had to continue. The following auctions were much more normal, and nothing outrageous happened again. Even fatty Lai bid 5 million for an unassuming item, not 20 million.

"The next item is a tablet computer with a study note provided by han Jingjing from the Biology and Medicine major. It's her personal notes on studying medicinal knowledge. The starting price of this personal note is five million. Those who need it, don't miss it!" Otherwise, there won't be such a shop after this village!" Yushu said as she picked up the newest item.

Yushu's words sent the crowd into an uproar-five million? A study note? The strange situation has reappeared? What was it that cost five million? Even if it was installed on a tablet, it shouldn't be so expensive!

This was the highest starting bid at this point of the auction!

Even the starting bid of the previous item that was sold at a high price of 22 million was very low. How did a study note worth 5 million suddenly appear?

Tai Weiliang and Zhen huanzi were also getting anxious! On the auction item list, the starting price of this item was clearly 500 dollars. How did it suddenly become 5 million dollars? Did Yushu say something wrong?

With that thought, tai Weiliang and Zhen huanzi quickly gave Yushu a look, but she ignored them and looked at the audience.

Five million? Study notes? Tablet? You Pan Hu couldn't sit still after hearing Chen Yushu's introduction! If it were any other study notes, he would not have taken it seriously. But this was han Jingjing's study notes, and the starting price was frighteningly high!

Could it be ... Lin Yi did this on purpose? You Panhu had told Lin Yi before that he wanted to trade for Han Jingjing's personal notes, but Lin Yi rejected him on the grounds that he had nothing to trade. Now that he was auctioning it, didn't that mean that Lin Yi wanted to trade it for money?

Right, Lin Yi did say that he was short on money before, and even asked Coiling Tiger to donate eight to ten million. Could this be what the personal notes were?

Thinking back to the auction this time, Lin Yi was the one who organized it, donating to that Songshan orphanage or something. Right now, he was almost certain that Lin Yi was the one who prepared the notes for him, and he was the one who bought it!

Thinking back to the hint Yushu gave him, that must be it! Therefore, you Panhu quickly raised the auction sign in his hand and shouted, "Five million and ten thousand!"

"Whoosh! Whoosh!"

The audience was in an uproar again! There were really people who bought it? What was this situation? There was already one strange incident before, and this time ... When everyone's eyes fell on right Panhu, they suddenly realized that he was sitting with Zhao Qibing!

It seemed like they were working together? There's nothing wrong with these two, right?

Chapter 2642 Who's Taking Advantage?

The corners of tai Weiliang and Zhen huanzi's lips twitched as well. 'Someone's really willing to buy it for five million? Even though it was only a 10000 bid, the starting price was too high!

This time, no one was competing with Yu Panhu because no one knew what it was. The only thing they could think of was that Han Jingjing might be a beautiful woman and Yu Panhu was interested in her and wanted to please her, so he spent a high price to buy this study notes.

This was the only possible explanation. Otherwise, who would spend such a high price on something useless? Even if he wanted to buy it, he couldn't possibly spend five million!

Under everyone's astonished gazes, right Panhu was enjoying it very much. He thought to himself, what do you idiots know! GE spent 5.01 million to buy the alchemist's personal notes, it was simply too worth it!

Lin Yi probably didn't expect his bro to shamelessly increase the price by ten thousand, did he? Hahahahaha, he must have miscalculated and thought that he could get a higher price in the auction. But he didn't expect that he was invincible because he was shameless!

"5010,000 going once ... 5010,000 going twice ... 5010,000 going three times, sold! Congratulations to Mr. 75 for winning the bid. " Seeing that no one else was bidding, Chen Yushu let right coiling Tiger close the deal.

This time, fatty Lai didn't come out to cause trouble, which made right-hand Panhu very glad. If fatty Lai came out to cause trouble, he would have to increase the price! This made it even more solid-fatty Lai's bid wasn't to raise the price, he really wanted to buy Lin Yi's stuff!

Lin Yi probably told him to donate money this way, but he didn't expect Zhao Qibing to appear! After that, perhaps Lin Yi had hinted to him to give up, and it was a lucky hit for Qibing.

"Phew ..." Right coiling Tiger heaved a sigh of relief. It was a close call but not a close call. It was really close call! Most importantly, he had actually managed to obtain han Jingjing's personal Alchemist's personal notes at a super low price of 5.01 million. It was simply worth it!

"I say, second young master you, why did you bid for this? Are you doing this to please Lin Yi?" Zhao Qibing looked at right Panhu strangely.

"This is what I've always wanted. Five million and ten thousand, that's way too cheap. I'm sure Lin Yi's heart will ache at that price!" Youpan Hu said proudly, "if he had asked for tens of millions, I might have bought it too. But it's only five million. Wahahaha, it's shockingly cheap!"

"Oh ..." Qibing didn't care about the notes, he was more concerned about his leg.

The auction was still going on, and after a few more items, it was time for Wang Xinyan's donation! It was a jade bangle, a birthday gift from Xinyan's father. It was quite valuable, and it was a gift for Xinyan's birthday.

Of course, this was only for Xinyan herself-it wasn't a big deal for others. But no matter what, Xinyan's gift was still worth something-just the Jade bracelet alone would be worth a few hundred thousand on the market.

Therefore, the starting price of this item was relatively high, set at 150000 Yuan.

Zhang duopan and fan ganhe sat together. Zhang duopan heard that he meiyue had also donated an item, so naturally, he wanted to bid for it to show off. Fan ganhe liked Wang Xinyan and wanted to follow suit, but when he heard that Wang Xinyan's bracelet was actually worth 150000, and that it was only the starting price, and the final price was not certain, he immediately wilted and didn't dare to bid.

It was Zhaolong's turn to strike! He'd always been suppressed by Lin Yi, and it'd been frustrating. Seeing his fiancée and his enemy going out and out together made him one of the most frustrated fiancées in history, but he had no choice. Kang Zhaoming hadn't established a firm foothold in the heavenly elixir sect yet, and even the Hidden House you didn't dare to mess with Lin Yi. Going against Lin Yi was the same as asking for death.

And so, he had no choice but to wait for a while-he wanted to take a roundabout route and start with Wang Xinyan! If Xinyan's feelings were for him, then there was nothing he could do about it-with his personality, he'd just let her be.

"Two hundred thousand!" Zhaolong announced his price.

"The gentleman in number 73 has bid 200000. Are there any higher bids?" Zhen huanzi asked.

House Kang was rich now, and Zhaolong was being trained as the heir of house Kang, but Zhaolong wouldn't spend money like that! He was older than coiling Tiger and Qibing, so he wouldn't act rashly. In his eyes, this bracelet was only worth two hundred thousand. Any more than that would be a waste of money!

As for donating to an orphanage, Zhaolong wasn't that kind of person. The life and death of those children had nothing to do with him. He was a selfish person.

When fan ganhe heard the bid, he was a little tempted. After all, the increase this time was not as outrageous as the previous bids. Previously, when the entrepreneur bosses wanted to donate, they would not make such a low price. They would at least raise it by 100000 or 200000. But this time, the bid was 200000!

Looking at Zhang duopan, fan ganhe was a little hesitant.

"No more than five hundred thousand. I'll get it for you." Zhang duopan said this on account of fan ganhe's many years of being at his beck and call. However, in his heart, he thought that the Jade bracelet definitely could not be sold for 500000 Yuan. This promise was equivalent to nothing. He was only trying to win fan ganhe over.

Fan ganhe shed tears of gratitude and quickly shouted, ""Two hundred and fifty thousand!"

Zhaolong frowned. It wasn't surprising that someone was bidding for it-there were people bidding for the better items before. After all, they were all donating money, and who wouldn't want to buy something that was of similar value?

"Three hundred thousand." Zhaolong announced his bid calmly.

"Three hundred and fifty thousand." Fan ganhe was very happy. It was the first time he had such a sense of achievement in bidding. It was hundreds of thousands of Yuan. He just threw it away.

"Five hundred thousand." Zhaolong was starting to get impatient-the other party had been pressuring him, not willing to raise his bid by even a single cent. He decided to test the waters with five hundred thousand.

"..." Fan ganhe was just feeling good when Zhaolong's bid of 500000 woke him up. He wanted to cry but had no tears! She had woken up from her dream ...

"One million." Naturally, Lin Yi didn't mind raising the price. In fact, he wanted to raise the price earlier, but fan ganhe beat him to it, so Lin Yi waited.

Chapter 2643 Final Auction Item

Xinyan's heart skipped a beat as she heard Lin Yi's bid-she didn't think that Lin Yi would be involved in this kind of fight. She looked at Lin Yi, confused. Was he trying to raise the price for Zhaolong, or did he really want to get the bracelet?

If it was the first, it would be understandable, but if it was the second, she couldn't help but blush.

Xinyan found it harder and harder to reject Lin Yi's feelings. There were some things that she couldn't control just because she wanted to, but she was also afraid that Lin Yi and Zhaolong would get into a conflict. At least for now, Lin Yi shouldn't make an enemy of the sky elixir sect.

Lin Yi's fight with small one at the school gate last time was extremely dangerous. If it wasn't for boss Bai's timely intervention, the result would've been hard to say, and so Xinyan was very afraid that Lin Yi would get into a conflict with an even stronger force. She was always very careful when interacting with Lin Yi.

Zhaolong was a little embarrassed at Lin Yi's bid, but he couldn't give up just like that. What would he do if Lin Yi really got the bracelet?

"Two million!" No matter how smart Zhaolong was, he'd already doubled the price when he was fighting Lin Yi for a woman!

Zhaolong's way of bidding made the other bosses who were interested in the bracelet give up. It seemed like Zhaolong was determined to get it, so there was no need to compete with him.

"Five million." Lin Yi said faintly as he raised his board.

Xinyan jumped. She didn't mind Lin Yi raising the price, but Zhaolong would hate them if he raised it too much. She didn't want to have a conflict with Zhaolong, but she didn't know how to stop it.

"One ..." Zhaolong was just about to bid ten million when he realized that ten million was too much. "Six million!"

"Ten million." Lin Yi said, still very calm.

Zhaolong's mouth twitched-ten million, he didn't say it himself, but Lin Yi did! He was shaking in anger! Lin Yi, just you wait-one day, when my little brother Zhaoming becomes a Big Shot, I'll kill you!

"Eleven million!" Zhaolong said after a deep breath.

The good thing was that house Kang wasn't the old house Kang anymore. They'd taken over the sky elixir sect and hidden house you's low-end elixir sales, making them a lot of money!

Don't look down on the low end of the pill-it didn't have much of an effect on practicing, but it did have a special effect on strengthening the body and extending life. It was why it was very popular in the high end auctions of the common world, just like the one house Yu held. Lin Yi's pill of life extension and toxin cleansing could be sold for hundreds of millions, but a second class pill could only be sold for around ten million in the practitioner market.

Lin Yi didn't bid this time-it was a good price, and it'd be bad if it exceeded Zhaolong's budget.

Xinyan let out a breath of relief. The bracelet wasn't anything special to her, it was just a gift. She was happy that she could get so much money to donate to the orphans, so it didn't really matter if Zhaolong got it.

"Congratulations, Mr. 73, for winning this item ..." Zhen huanzi announced the ownership of Wang Xinyan's bracelet. The next item up for auction was an item donated by he meiyue. It was also a piece of jewelry, but the material of the jewelry was gold.

According to the market price, the value of this gold jewelry was about a few thousand to ten thousand Yuan. It was not particularly precious, so the starting price was set at twenty thousand Yuan.

However, even 20000 Yuan was a very high price for Bai Weitao. He glanced at he meiyue and weighed the price in his heart. He could afford 20000 Yuan, but he was afraid that others would increase the price.

Therefore, instead of bidding a price that couldn't be won, it was better to remain silent.

He meiyue naturally saw through Bai Weitao's thoughts and smiled. "It's just a piece of jewelry, don't worry about it. It's not like it has any sentimental value. Lin Yi didn't bid for Xinyan's bracelet, did he?"

"That's true ..." Bai Weitao was relieved after hearing he meiyue's words.

As for the gold jewelry, as Bai Weitao had expected, it was indeed won by Zhang duopan, and he meiyue did not say anything.

The auction continued, and it soon reached the final climax!

"The next auction item is very special!" Chen Yushu picked up the microphone again. "This auction item is a kiss! Everyone knew who the most beautiful girl in the economics Department was. The kiss was from the most beautiful girl in the school, Chu Mengyao! Of course, it's not a real kiss, but a safe kiss through the glass. If you want to kiss the goddess, don't miss it!"

Pinliang had another purpose in coming to the auction today-he wanted to use the auction as an opportunity to go up the stage and announce his challenge to Lin Yi!

Pinliang had been keeping a low profile ever since he'd returned to school. He'd never set up an arena or publicly promote himself, but today, he was going to shock everyone! He challenged Lin Yi in public again!

He had the centipede in his hand, and there was nothing he'd be afraid of. He'd challenged Lin Yi in front of everyone so that they'd all be witnesses, in case Lin Yi went back on his word.

He'd been worried that he wouldn't have a chance to go on stage, and the last item was a kiss from Chu Mengyao! It made him extremely excited! If he could kiss Mengyao on stage and challenge Lin Yi, that would be so cool!

It was a safe kiss, separated by a glass window, but pinliang could still fantasize about it in his heart. At least it was better than that idiot an Jianwen buying a broken glass, so pinliang was eager to give it a try.

He'd suggested this event back in high school-he'd wanted to have a safe kiss with Mengyao, but things didn't go as he'd hoped. He'd drawn two "flower-like" girls, and it'd made him sick.

Now that he had such a chance again, how could he let it go?

"This safe kiss is the last item up for auction. It will be done on stage in front of all the guests, so please don't miss it!" Chen Yushu replied.

Can I really go on stage? And in front of all the guests? Pinliang was even more moved-he was afraid that Yushu would go back on her word and not let him kiss her, and he'd be wasting his money then!

But she couldn't go back on her word in front of all the guests-what was the point of the auction then? And so, pinliang was completely at ease.

Chapter 2644 Intense Competition

"Safe Kiss's starting price is one million Yuan. Interested parties can start bidding now." Chen Yushu replied.

This auction item was very special, and there was a lot of controversy during the Student Union's review, but it was a safe kiss through the glass.

The Student Union agreed. After all, the atmosphere in the University was very open, and it was a safe kiss, so it wouldn't cause any bad influence.

A million Yuan! Even the rich people present felt that it was a bit expensive to buy a kiss from the school Belle. After all, Chu Mengyao wasn't a big star, she was just the school Belle. No matter how pretty she was, they still felt that a million for a kiss was a bit expensive.

Moreover, this was only the starting price. The final transaction price might not be much!

Of course, these rich people wouldn't do such a public kiss on stage. If their wives found out, wouldn't it be a big deal? Even if it was a safe kiss, it was not safe!

As for the single students who came to the auction, although they were very tempted, who had so much money? To put it bluntly, the purpose of this auction was to get these big shots to donate money, and there were only a few students who could actually participate. How many of them were as rich as you Panhu, Zhao Qibing, and Kang Zhaolong?

"One million two hundred thousand!" Zhong pinliang started bidding. Zhong fabai's company didn't have much money, but Zhong pinliang had money. This money came from the everyday and every day sect, but it was only Zhang naipao's monthly allowance. In the sect, every disciple had their allowance, but the amount was different for each person.

The outer disciples only got a couple thousand a month, and pinliang was one of them. It wasn't even enough to pay for his trip down the mountain. The outer disciples, on the other hand, only got around twenty thousand a month.

There were more inner sect disciples, who had about 100000 Yuan as their monthly allowance! Of course, the most abundant was the direct disciples-people like naipao were at the very top of the line, the disciples of the sect leaders, elders, and elders-they were the most superior of all, getting a million every month, and when they needed it, they could take it as they pleased-as long as it was beneficial to their practicing, the sect could give them as much money as they wanted!

The everyday and every day sect was a famous evil sect in the pugilistic world. They produced some magical and strange medicines, such as those that could increase one's strength instantly, those that could poison, those that could drug, and all kinds of strange treasures. These could all be sold for a lot of money, so the everyday and every day sect was never short of money.

Naipao was practicing on the mountain, so he didn't need much money at all. With his monthly allowance and some other rewards, he had twenty million in savings. He gave some to his family every month, and the rest to pinliang.

It had to be said that naipao was an enemy, but he was very loyal to his boss, Zhong pinliang. With his current position, he could've easily surpassed Zhong pinliang otherwise.

"Two million," Lin Yi raised his bidding board.

Pinliang had wanted to declare war on Lin Yi in the first place, and he couldn't back down now. He was pissed that Lin Yi was fighting with him, but he still raised the price, "Three million!"

"Four million," Lin Yi continued.

"Five million!" Pinliang was very rich now-naipao had told him to call him if he ran out of money, and pinliang could just go to the sect to get some. This made him feel very safe.

The rapid increase in the bidding price scared the people present! Wasn't this just a safe kiss from a School Belle? How could it be sold at such a high price? Could it be that the two bidders were the suitors of the school Belle, and were the school's rich second generation young masters?

That was the only possibility. Otherwise, who would pay such a high price for a kiss from a School Belle? He was definitely pursuing this.

Therefore, the price was raised to 10 million in the blink of an eye!

Even Lin Yi himself was shocked by the price-he'd just raised the price a bit, and pinliang was spending ten million on a kiss? When did his family become so rich? Could it be Zhang naipao's money?

It was a possibility-pinliang's family wouldn't spend money like this no matter how rich they were. Only the ancient sects had this kind of wealth.

"18 million." Lin Yi didn't want to raise the price any higher, afraid that he'd have to kiss Mengyao if pinliang didn't bid ... But a safe kiss like this wasn't as exciting as an indirect kiss, after all ...

"Twenty million!" This was pinliang's limit-he could still ask naipao for more money, but it'd be too much trouble. He gritted his teeth and glared at Lin Yi, hoping that he'd stop.

As expected, Lin Yi didn't make another bid, and Yushu could tell how much pinliang could take."Number 82 has bid 20 million. Are there any higher bids? Oh ... Looks like there's no more. 20 million going once, 20 million going twice, 20 million going three times, sold! Congratulations to Mr. 82 for winning this item. A kiss from a beauty is worth a thousand gold. Let's invite Mr. 82 up on stage and end the auction with one last kiss. Let's give him a round of applause!"

"Hua Hua Hua", a loud applause sounded in the auction house. 20 million for a kiss, this was considered big news. Everyone was very curious, but most of them were envious.

Pinliang said as he walked up the stage.

"Next up, let's welcome the most beautiful girl in the economics Department, Chu Mengyao!" Chen Yushu invited again.

The applause was even louder this time-the school beauty was obviously more popular than the big-headed pinliang.

Mengyao blushed as she walked onto the stage. She knew that pinliang wouldn't kiss her, but she still felt embarrassed, especially in front of the whole school.

If it weren't for the fact that she wanted to get more donations for the orphanage, Mengyao wouldn't have cooperated with Yushu's act! However, she learned that there were dozens of abandoned babies being sent to Yu Xiaoke's place every day, and many of them had congenital diseases. The follow-up treatment of each baby might cost millions of Yuan. It was a huge bottomless pit, but they couldn't just leave them to die, right?

And so, for the sake of these sick children, Mengyao accepted it despite her reluctance.

"Yaoyao ..." Pinliang was excited-this was the goddess of his dreams! He'd had a crush on her for three years, and this was the first time he'd had the chance to get close to her.

"Mr. 82, this is the safety glass. Please hold onto it and don't break it. Otherwise, you won't be able to kiss me anymore and you'll lose this precious opportunity." Yushu said as she handed pinliang a glass shard.

Chapter 2645 Speechless

"This ..." Pinliang looked at the glass in Yushu's hand, hesitating. Was this girl going to do the same thing she did to an Jianwen?

Did she apply lubricant on the glass, and when he took it, it fell to the ground and broke?

He wouldn't have given it much thought if Yushu didn't add anything, but now that she said it, he hesitated.

"You don't want it?" Yushu looked at pinliang, surprised."Mr. 82, are you going to give up this precious opportunity?"

"I ..." Pinliang used the stage light to look at the surface of the glass-there wasn't any oil on it, so he took it carefully."Of course not, I'm just a little excited. This is the first time I'm standing on the same stage as the goddess of my heart, and we're about to kiss. I'm just very excited ..."

"Oh, okay. If that's the case, we can start now. Miss Chu Mengyao, please stand properly. Mr. 82, you can start now. Do you want to kiss me on the face or on the mouth first?" Chen Yushu asked.

"Oh? Can you do it one by one?" Pinliang asked, pleasantly surprised.

"Of course you can. You can Kiss My Face first, then my mouth." Chen Yushu nodded.

"Good, good! Then I'll kiss your face first!" Pinliang picked up the glass excitedly and placed it in front of his mouth, ready to kiss Mengyao's face. However, Yushu stopped him just as he was about to touch her face!

"Stop!" Chen Yushu suddenly shouted.

"Oh?" Pinliang jumped in shock, almost falling off the stage. He was about to ask what Yushu was doing when he realized that something was blocking his mouth,"Oh, oh ... Wuwu ..."

"Mr. 82, what's wrong with your mouth?" "Everyone, look! Mr. 82" s mouth is swollen like a sausage! What's going on?!"Yushu exclaimed. Could he be a monster from outer space who has disguised himself as a student?"

"Ah?" All the guests were stunned as well-they could clearly see pinliang's lips, swollen like sausages. His mouth was completely sealed, and he couldn't speak.

"Mr. Number 82, do you have a hidden disease? That won't do. I can't kiss our school Belle. What if I infect her? Don't you think so, everyone?" Chen Yushu asked.

"Yeah, why did his mouth suddenly swell? there must be a problem!"

"That's right, I think this kid must have a hidden illness ..."

"It's not an unmentionable disease, it's an acute infectious disease ..."

"I think it's sexually transmitted disease. He got it from his gay friend ..."

"Venereal disease ... Pfft, you're so evil ..."

The guests were all talking about this, and pinliang was quite shocked. Why was his mouth swollen? What was going on?

"Mr. Number 82, you are sick. Should we go to the hospital? Look at you, can you still continue the kiss safely?" Yushu asked, concerned.

"Wuwuwu ... Oh oh oh ..." Pinliang wanted to say something, but his lips were so swollen that he couldn't open his mouth. He couldn't say anything, and all he could say was some meaningless tone.

"What did you just say?" Chen Yushu asked.

"Wuwuwu ... Oh oh oh ..." Pinliang tried his best to express what he meant. He wanted to kiss even if he was sick. How could he give up on this rare opportunity?

"Oh, Mr. 82 is so great and kind!" "He said that for the safety of the school Belle, he won't be close to her anymore. He's giving up on this opportunity, but he'll still donate the money he spent on the auction to the orphanage. Please give Mr. 82 a round of applause!" Yushu said.

"Alright!"

"That's great, that's so loving!"

The applause in the hall rose and fell. This time, no one scolded pinliang for being sick. Instead, they sympathized with him. He had spent twenty million Yuan, but he still couldn't become the school's most beautiful girl. What a perfect time for him to be sick.

And so, with Yushu's help, pinliang was pushed off the stage, and returned to the stage with tai Weiliang and Zhen huanzi, ending the auction ...

Lin Yi didn't know the exact details of the safe kiss, but he knew that pinliang's lips had been touched by the medicine he'd concocted. The medicine didn't have any side effects, though-at most, it'd make his lips red and swollen, but it'd be gone after a while. Lin Yi didn't want to kill him and make an enemy out of the everyday and every day sect too early.

Pinliang rubbed his swollen lips after he was kicked off the stage, not knowing what was going on.

"Liang bro, what's wrong?" Xiaofu was already waiting for pinliang, and ran over to ask.

"Wuwuwu ... Oh oh oh ..." Pinliang couldn't say anything and pointed at his mouth.

"Type it out, then type it out. Liang bro, you're using your phone to tell me?" Xiaofu suggested.

"Wuwu!" Pinliang nodded and took out his phone from his pocket. He called Xiaofu, "I don't know what's going on either, but my mouth swelled up just as I was about to kiss Mengyao, and I couldn't speak ..."

"Oh?" Xiaofu was confused as well, but he was an onlooker, and he guessed what was going on. "Liang bro, don't you think it's that bitch Chen Yushu who's trying to harm you?"

Pinliang's eyes lit up as he slapped his thigh and typed on his phone, "Yeah, it must be. There's something wrong with the glass!"

Pinliang wasn't stupid-he immediately understood what was going on after Xiaofu's reminder. Jianwen had been scammed once before, and pinliang was wondering why Yushu wasn't scamming him anymore-she did something to the glass!

Pinliang was very angry at that thought. F * ck, this little B * tch! She's the worst person in the universe! Chen Yushu's interference had taken away his chance to challenge Lin Yi. It seemed like he'd have to use another method to announce the challenge.

"What should we do now, Liang bro?" Xiaofu asked.

Pinliang frowned as he took out a small bottle from his pocket. Inside were some of the pills naipao gave him before he left the mountain. Pinliang found a rank one antidote and forced it into his mouth.

After a while, his mouth finally returned to normal. He didn't know if it was the effect of the antidote pill or if Lin Yi's poison was naturally detoxified.

Chapter 2646 Lost Bracelet

"I'm so angry!" Pinliang's mouth could speak now, and he was fuming. Yushu was too evil! She screwed him over!

"Liang bro, what should we do? Should we take revenge?" Xiaofu asked carefully.

"Revenge, of course we have to take revenge!" Pinliang gritted his teeth in anger. "After a few days, when things are over, I'll let out the hundred drunken centipede to bite her and knock her out, scaring Lin Yi and the others!"

"Why not now? Moreover, biting her once, was it just to scare her? Aren't we going to take the opportunity to beat her up?" Xiaofu felt that this wasn't enough.

"Idiot, if we go up and beat her up and Lin Yi finds out about this secret, will he still accept my challenge?" "Plus, what if she comes for revenge after we beat her up?" pinliang said with a wave of his hand. I'm not afraid of her if we fight, but I'm afraid that she'll play dirty tricks on me. Even if I'm with Chu Mengyao in the future, I'll be tricked every day, so I'm just scaring her. "

"I see." Gao Xiaofu nodded.

"Let's go, we'll pay the money from the auction ..." Pinliang couldn't go back on his word, unless he quit the school. But that was impossible-he still had to find a chance to announce his challenge to Lin Yi. If he left, who would he challenge?

Plus, if he won the challenge, he'd be staying as Mengyao's bodyguard, and he'd have to stay in the school.

Lin Yi, Yushu, Mengyao, and Xinyan had just finished the auction procedures and were walking out of the temporary staff room. Both the buyer and the seller had to go through the procedures after the auction and get their tickets to the party.

As the four of them walked out, Zhaolong, who had also finished his paperwork, followed them out and stopped Xinyan from leaving.

"Xinyan!" Zhaolong walked over quickly and greeted Xinyan.

"Zhaolong? What's the matter?" Xinyan guessed that Zhaolong was here to show off after getting her bracelet.

"Xinyan, I've bought that bracelet. I'll return it to its original owner." Zhaolong said with a smile.

"Ah ... That bangle ... There's no need for that. Since I put it up for auction, I shouldn't take it back. You donated money to the kids, so you deserve to keep it ..." Xinyan didn't really want to accept Zhaolong's gift, especially in front of Lin Yi. She didn't know if it was childish or not, but she just didn't want to. She wanted to cut off all ties with Zhaolong.

"Hehe, you're right. But since you're my fiancée, what's mine is yours. So, you'd better take it!" Zhaolong didn't forget to announce Xinyan's ownership in front of Lin Yi.

Xinyan's heart tightened when Zhaolong pointed out that Xinyan was his fiancée. She wanted to reject him, but she was afraid that Zhaolong would use his status as his fiancée to make things difficult for her, so she had no choice but to nod. "Alright then ..."

"That's more like it!" Zhaolong put his hand into his coat pocket with a smile, but his face changed as soon as his hand reached in. Then, he quickly touched all over his body, and cold sweat broke out on his forehead. The bangle was gone!

Lin Yi, Xinyan, Mengyao, and Yushu stood in front of Zhaolong, watching him rummage through his pockets.

"Zhaolong, what are you doing? Where's the bracelet?" Yushu was getting impatient. "If you want to give it to us, then give it to us. If you don't want to, then forget it. We still need to go eat. Why are you wasting our time?"

"My ... My bangle is gone ... I put it in my pocket, how did it disappear?" Zhaolong started panicking as he searched left and right for the bracelet. "That's not right. It's such a short distance. How could it be lost?"

"Just tell me if you don't want to give it to me. How can you still throw it away?" Yushu pouted, "it's gone at such a short distance?" Who would believe that! Shield bro, do you believe me?"

"It's not easy to evaluate this. " Lin Yi shook his head, his face full of disbelief.

"It's not that I don't want to give it to you, but I really lost it! If you don't believe me, you can also search me!" "I really did lose it!" Zhaolong quickly explained.

"Lost? This bangle belongs to sister Xinyan, how can you throw it away! It seems that you don't care about it at all. Otherwise, how could you lose it?" Yushu said sarcastically as she looked at him.

"I ... I ..." Zhaolong was about to explode from anger. He'd heard from right-hand Panhu and Zhaoming about how scary Yushu was, but he didn't think much of it. Now that he'd experienced it himself, he finally knew how scary she was!

"Forget it, sister Xinyan, it's not good to be at odds with this kind of person. Let's go eat." Chen Yushu pulled Wang Xinyan's hand and was ready to leave.

Zhaolong wanted to explain, but he was afraid that the more he explained, the more Yushu would argue with him. He stomped his feet helplessly and turned back to look for the bracelet.

However, no matter how hard he searched, he could not find it.

"Hand it over." Xinyan raised her hand in front of Lin Yi after Zhaolong left, a smile on her face.

"What?" Lin Yi blinked, but still pretended not to know.

"The bangle, you must have gotten it back." Wang Xinyan said with certainty.

"Ha ..." Lin Yi smiled and nodded. He took out the bracelet from his pocket and gave it to Xinyan. "You're really smart, you guessed it right away. "

"Of course, it's easy to guess." Wang Xinyan took the bracelet and put it on.

Lin Yi realized that Xinyan could be quite cute at times. She looked quiet, but once you got to know her, she'd start joking around. Lin Yi liked her personality.

"Xinyan sis, you know shield bro so well, he's already surpassed us!" Yushu said with a smile.

"I ... I only understand that ..." Xinyan blushed, embarrassed.

As the four of them were talking, Bai Weitao and he meiyue also walked over. However, there were two little tails behind them. One of them was Zhang duopan, and the other was fan ganhe.

"Bai Weitao, you can't even afford the gold jewelry that he meiyue donated. What a coward!" "Bai Weitao, if I were you, I would be so embarrassed. How could I be with he meiyue?" Zhang duopan said, pouting.

Chapter 2647 The Masquerade Party Begins

"Zhang duopan, we're old classmates, why are your words so unpleasant to hear?" He meiyue felt a little uncomfortable and turned around to look at Zhang duopan, ""What does Bai Weitao's wealth have to do with the amount of love he gives? He also donated an item and it was won by someone else. This is considered a contribution to the orphanage. "

"Hehe, meiyue, I was just joking," When Zhang duopan heard he meiyue's words, he naturally didn't want to mock Bai Weitao anymore. He took out the gold jewelry and handed it to he meiyue, saying,""Meiyue, this jewelry is yours. I bought it for you and I'm returning it to you."

"How can I accept this? I donated it to you, and since you won it, it's yours. " He meiyue shook her head and rejected Zhang duopan's good intentions,""Besides, this gold jewelry doesn't have any sentimental value to me. It's just a piece of jewelry, so you should keep it."

"Don 't, meiyue ..." Zhang duopan saw that he meiyue was about to leave and reached out to hold her hand.

He meiyue furrowed her brows, not expecting Zhang duopan to be so touchy. She quickly shook off Zhang duopan's hand and said,""Zhang duopan, we're old classmates, why do you have to be like this? Is it good if I fall out with you and we can't even be friends anymore?"

Bai Weitao's face turned red. He really wanted to beat Zhang duopan up, but he also knew that if he made the first move, the one who would be beaten up would definitely be him. This was because Zhang duopan had fan ganhe, who was a sports athlete, by his side!

Bai Weitao took a deep breath and said,""Zhang duopan, meiyue is my girlfriend now. What's the meaning of this?"

"What happened to your girlfriend? Aren't you guys not married yet? Besides, I'm just returning the gold jewelry to meiyue, and I don't mean anything else. If you have the ability to auction this gold jewelry back, then I won't have to return it to her, right?" Zhang duopan's mouth twitched as he spoke in disdain.

"You ..." Bai Weitao was furious.

However, Zhang duopan ignored him and turned to he meiyue, ""Meiyue, I'm a man, what's the use of this gold jewelry? Besides, you've been wearing it for so long, and you have feelings for it. You wouldn't be willing to give it away just like that, would you?"

"I've only worn it a few times, so I don't have any feelings for it. " "If there's nothing else, I'll take my leave," he meiyue said indifferently.

"Since you don't want it, then give it to me. I'll donate it to the orphanage for you. This gold is well-preserved and can be exchanged for money." Lin Yi walked over and snatched the gold accessory from Zhang duopan's hands.

"You ..." Zhang duopan glared at Lin Yi, but he couldn't say anything to refute him. After all, he'd already said that a man like him had no use for the gold jewelry, and if he asked for it back, it would seem like he was being petty. He meiyue didn't like him in the first place, so she would definitely think that he had ulterior motives for giving the gold jewelry back. He could only hold back his anger and say indifferently, "That's fine, it's a show of love anyway!"

"Hehe, you're so kind!" Bai Weitao saw that Lin Yi was here, and he finally got his revenge. He felt great immediately, and mocked Zhang duopan.

"...Of course. Otherwise, how could I bid for it?" Zhang duopan said helplessly.

However, after he meiyue left, a sly smile appeared on Zhang duopan's face. Although he meiyue did not want the gold jewelry, he had already achieved his goal!

Just now, when he was holding he meiyue's hand, he had put some perfume on her hand! The fragrance of this powder lasted for a long time, and it would be effective for at least two to three days.

Zhang duopan's motive for doing this was for tomorrow's masquerade. He wanted to recognize he meiyue at The Masquerade, and then use this opportunity to make a request of he meiyue.

As for what his request was, it would depend on he meiyue's reaction. Naturally, he wanted a more excessive condition.

As for the gold jewelry, he didn't really care much about it. It was just a medium to get in touch with he meiyue. His anger was just to confuse Bai Weitao and he meiyue.

After Yu Panhu got the tablet, he opened it immediately. However, he didn't know how to use such a high-tech product and couldn't figure it out after a long time. He had no choice but to look up a tutorial on the internet and finally found a document called learning notes.

With an extremely excited mood, right coiling Tiger opened the learning notes and looked at them. However, the moment he looked at them, his face turned ugly. Because, those learning notes were not Alchemist's learning notes at all, but the learning notes of boss Bai's medical class!

It recorded what boss Bai usually taught in class. Of course, there were also some of Han Jing Jing's own understanding and opinions, but they were all things that had nothing to do with alchemy. Right Panhu

didn't want to study any medicinal properties, and he didn't want to prescribe medicine either. What he wanted most was to refine pills, but it was obviously not the case.

"Motherf * cker, I've been tricked again!" Right coiling Tiger gritted his teeth in anger. He smashed the tablet on the ground and stomped on it a few times.

"Young master you, don't get too worked up. Don't smash it, let's go question Lin Yi ..." The yellow-haired guy quickly stopped him, afraid that he would break the tablet.

"Question my ass! Pig brain!" You Panhu said angrily, "the auction didn't mention that this was an Alchemist's personal notes, who should I go to?" He would be mocked if he went! I was wondering why it was so cheap. I thought I had picked up a big bargain, but I didn't expect it to be so bad! This Lin Yi really isn't a good person-looks like I'll have to trade with him properly. "

"That's true ..." The yellow-haired man nodded after listening. He could only admit that he was unlucky. There was no other way.

The next night, the masquerade party started on time. Lin Yi wore the male thief's mask this time, Xinyan wore a Pleasant Goat mask, Mengyao wore a beautiful goat mask, and Yushu wore a Big Bad Wolf mask.

Lin Yi and Xinyan entered the masquerade party separately from Mengyao and Yushu. Lin Yi didn't want to go to an event like this-he'd rather stay at home and train with Xinyan.

But since Yushu wanted to join, Lin Yi had no choice but to go with Xinyan. However, he didn't dance or walk around after entering the venue, but found a corner and sat down.

Xinyan, on the other hand, was sitting not too far away from Lin Yi. The two weren't too close, but it was just enough for Lin Yi to smell the aroma, and they could start practicing.

Chapter 2648 Recognized

Zhao Qibing rushed to the entrance of the dance hall and saw right Panhu waiting for him. He asked anxiously, "I say, second young master you, is there any way? Did Lin Yi come or not?"

"He's here, I already saw him just now!" You Panhu said as he pulled out a photo from his phone and sent it to Zhao Qibing, "This is the one. You just need to look for him with this mask. This person is Lin Yi."

You Panhu had already gotten the picture of the mask Lin Yi was wearing from third brother you, and he was standing at the entrance, naturally seeing Lin Yi who had just entered. He told Zhao Qibing with absolute certainty that Lin Yi was in the arena.

"Oh, that's good. I'll go in then. Are you going in or not?" Qibing asked.

"I'll wait and see. " You Pan Hu wanted to wait for Han Jingjing to see if she had attended the ball. If she had, he would be able to recognize her and ask for her personal notes.

He'd already sent Blondie to guard the villa-he'd be the first to know what she was wearing if she left, but the Blondie just called to tell him that her car was still parked outside. Lin Yi, Mengyao, and Yushu were all here, but she wasn't-it went without saying that she wasn't interested in the party.

As for recognizing Lin Yi, he wasn't interested at all. He could ask Lin Yi to give him han Jingjing's personal notes, but Lin Yi would just say that it was han Jingjing's and not his. If he couldn't do it, then all his efforts would be in vain. He might as well give this opportunity to Zhao Qibing.

After waiting for a while, there was still no news from the yellow-haired guy, so right coiling Tiger left the masquerade party. There was no point in staying here any longer.

Pinliang came as well, bringing Xiaofu with him. However, he only had an entrance ticket, so he couldn't bring anyone in. He wanted to see if there were people who didn't want to go or were resold, but he ran into coiling Tiger, who was about to leave.

"Right coiling Tiger, what are you doing?" Pinliang called out.

"Oh, young master Zhong, what's the matter?" Yu Panhu put on a smile. He didn't like Zhong pinliang, but he didn't dare offend the everyday and every day sect.

"You're not going to The Masquerade?" Pinliang asked.

"Me? I can't go. I have something else to do." The right Panhu shook his head, but he did not explain the real reason.

"Where's your entrance ticket?" Pinliang asked immediately.

"What are you doing here?" Yu Panhu was stunned. He took out the admission ticket and asked.

"If you don't need it, then give it to me. I'm missing one." Pinliang said.

"Oh, okay, then you can have it." Yu Panhu didn't mind and gave his admission ticket to Zhong pinliang.

Pinliang thanked him and entered the party with Xiaofu.

Pinliang's target this time was Mengyao. He was tricked by Yushu at the auction and didn't get to kiss her. He couldn't miss this chance at The Masquerade. Of course, he wouldn't ask Mengyao for anything inappropriate, it was unrealistic. He just wanted Mengyao to go on a date with him once. It wasn't against the law, and it wouldn't put Mengyao in a difficult position either. It was something she couldn't reject.

"Waa! You're Wang Xinyan, I recognize you!" Yushu pulled Mengyao over to Pleasant Goat excitedly as the ball started.

"Shu, stop it, Lin Yi's training ..." Xinyan didn't know whether to laugh or cry. They came here together and even prepared the mask together, so naturally, Yushu could recognize her.

"I'm not fooling around, sister Xinyan. You've been recognized, so you have to agree to one of my requests. " Yushu said seriously."These are the rules of The Masquerade. It's not like you can't acknowledge someone you know before."

"Then ... Alright, what do you want me to agree to?" Xinyan felt helpless, but happy at the same time. Shu coming to mess with her meant that she was starting to accept her, acknowledging her position as a new member.

"Oh, let Shu think about it ..." Chen Yushu pretended to be deep in thought and suddenly said, ""I got it, I got it. Sister Xinyan, you'll be shield bro's girlfriend, right?"

Xinyan blinked, not sure what to say. "Well ... I'm Zhaolong's fiancée, I can't be Lin Yi's girlfriend, can I?"

"Is that so? alright then, I'll just owe you first." Yushu was just testing the waters, and didn't insist after Xinyan's rejection.

"Shu, stop messing around. The four of us are together, it'll be easy for people to recognize us." Mengyao said.

"Okay ..." Yushu nodded and left with Mengyao.

Xinyan didn't know if she should be laughing or crying-did she just owe Shu a favor for no reason?

There were more and more people in the ball, and the music started playing. People could go to the dance floor and dance, or take some snacks from the free self-service area and enjoy them at the surrounding tables.

Lin Yi was in the middle of practicing when a man with a black mask came running over, giving Xinyan a fright! It was a masquerade party, but the man was dressed like a bank robber. Xinyan asked subconsciously, "What ... What are you doing?"

"Ha, I recognize you, you're Lin Yi!" It was Zhao Qibing-he didn't even want to attend the party in the first place, and if it wasn't for the fact that he couldn't enter with his real face, he wouldn't even be bothered to wear the mask.

Lin Yi snapped out of his meditative state for no reason and looked at the masked man, "Zhao Qibing, are you crazy? What's the matter?"

"I recognize you. According to the rules of the ball, you have to promise me one thing!" "You're not going back on your word, are you?" Qibing said.

"Oh, what is it? Don't tell me you want me to break your legs again?" Lin Yi asked with a frown.

"Ha, boss Lin Yi, you're so smart! That's right, hurry up and interrupt, I can't wait!" Qibing was overjoyed that Lin Yi knew what he was up to.

"You want me to hit you? that's intentional injury, right? It's against the law. I won't do it. " With that, Lin Yi closed his eyes and continued training.

Chapter 2649 Zhong Pinliang's Date

"Then I can change it. If you don't break my legs, you can go out with me for a day. We can go to the amusement park together, just the two of us. We can go on the roller coaster and the merry-go-round!" "That's not against the rules, is it?" Qibing said. You can choose one!"

"..." Lin Yi was speechless. He didn't think that Zhao Qibing would be so shameless to ask him to go to the amusement park with him? Lin Yi smiled bitterly as he shook his head. "Forget it. I'll just break your legs. Right here?"

"Yes, it's here. I've arranged everything. Break my legs. I'll say that I fell on my own. The yellow-haired and purple-haired are waiting for me at the door!" Qibing said.

"Alright then!" Lin Yi nodded helplessly and agreed. He looked at Qibing and quickly gave him two kicks.

"Pa!" "Pa!" Qibing kneeled down with two crisp sounds, but his face was full of surprise and joy, "Good, that's great, it's finally broken! Boss Lin Yi, thank you so much-you're so fast, even faster than normal practitioners-you're like a professional killer on TV! I didn't even have time to react and your leg was broken-it's so clean and efficient, not sloppy at all!"

"Alright, if it's broken, then get lost. Don't be a hindrance here." Lin Yi waved his hand impatiently, but he was even more confused. This Zhao Qibing didn't seem to be an idiot, asking him to break his legs again and again. What was he trying to do? Could it be that he was cultivating some kind of evil martial technique?

Zhao Qibing quickly found the staff at the ball, and the staff was shocked when he heard that his leg was broken, but Zhao Qibing didn't care at all, he just let the staff drive him to the entrance, got into uncle Zhu's car and left ...

Pinliang, on the other hand, was looking for Mengyao with Xiaofu. He didn't know what Mengyao was like, but he was looking for Yushu. He knew that Mengyao and Yushu were probably together.

"Liang bro, is that big milk cow Chen Yushu?" Xiaofu said as he found the target.

"Oh? Which one?" Pinliang blinked.

"It's that gray wolf over there. " Xiaofu said, pointing somewhere nearby.

"Oh?" Pinliang looked at them carefully-a gray wolf and a beautiful sheep, indeed. It fit Mengyao and Yushu's personalities perfectly, and it was true that they liked to watch the happy yang and gray wolf. Yushu's chest was one of a kind, and no one could compare to it. Pinliang was sure that the combination was Mengyao and Yushu, "Let's go!"

"Alright!" Gao Xiaofu nodded and walked over with Zhong pinliang.

"You're Chu Mengyao, I recognize you!" Pinliang said, pointing at the sheep.

Mengyao didn't expect pinliang to be the first one to recognize her. She was surprised and disgusted. She frowned,"Zhong pinliang?"

"Haha, it's me. Yaoyao, you have to agree to one of my requests, right?" Pinliang said, pleased with himself.

"What request?" Mengyao asked helplessly.

"Of course, I won't force you to do anything. It's definitely something you can do!" "How about we go on a date after the party?" pinliang asked. Let's go watch a movie?"

"Ah? A date?" Mengyao looked at pinliang oddly.

"Don't worry, it's just a date. It's not against the law. We'll just go to the movies. Is that okay?" Pinliang knew Mengyao very well-he knew how to control the situation and make it impossible for her to reject him.

"But ... Shu and Lin Yi have to come." Chu Mengyao hesitated but still agreed.

"That's fine. " Pinliang didn't want the two third wheels to be here, but he was afraid that Mengyao would turn on him.

"Alright then, let's go and watch a movie." "But, how did you recognize me?" Mengyao nodded.

"Secret, secret, haha!" Pinliang looked at Yushu's chest and left with Xiaofu.

Pinliang's strange look at the end startled Mengyao, but she understood what was going on after looking at Shu. She was a little annoyed. "Shu, you idiot! It's all because of you that Zhong pinliang got us out!"

"Ah? What does it have to do with Shu?" Chen Yushu was confused.

"Can't you disguise your breasts? Even if a cow wears a mask, she's still a cow!" Mengyao said.

"Yaoyao sis, you're just jealous!" "You want one? not yet!" Yushu said nonchalantly.

"Who cares? I'm looking for Lin Yi, he can give me a breast enhancement anytime. " Chu Mengyao remembered that Lin Yi seemed to be able to perform acupuncture to enlarge his chest.

"Then go and find it!" Chen Yushu replied.

"..." Chu Mengyao glared at Chen Yushu, but her eyes weren't very obvious due to the mask, and Chen Yushu ignored her.

On the other side, Zhang duopan had also recognized he meiyue. However, Zhang duopan's condition was a little too much. He wanted he meiyue to be his girlfriend. After he meiyue rejected it, he settled for the second best. He wanted he meiyue to agree to go on a date with him once, which was similar to Zhong pinliang's request.

After the party, Mengyao, Yushu, Lin Yi, and Xinyan went to the cinema. Pinliang's request wasn't too much, and Mengyao wouldn't find it too difficult to complete.

The six of them went to the movie theater together. This movie theater was the largest one near the University town. It had four screening rooms, and four different movies were shown at the same time for students to choose from. Therefore, there were many people here. Although most of them were couples who came for dates, everyone still hoped to choose the movie they liked to watch.

Of the four, there had to be one that was more or less to pinliang's taste. There were urban romance, horror, detective, and Hollywood's latest blockbusters, and pinliang had his own plans.

"Yaoyao, this is a new horror movie, and it's really good. It's even a 3D display, it's really cool!" Pinliang loved watching horror movies, and he wanted to hold Mengyao's hand and comfort her when she was scared!

Most importantly, he had watched this horror film before and knew the plot, so he was not that afraid.

"No, I won't." Mengyao, naturally, knew what pinliang was thinking. She shook her head in rejection. "I hate horror movies. Let's watch something else."

"I see ..." Pinliang was a little disappointed. "Then what do you think I should look at?"

Chapter 2650 Familiar Person

"Let's watch a detective film. It fits the characteristics of detective Shu 007. " Chen Yushu suggested.

"A detective film ... That's fine too ..." Pinliang looked at the introduction. It was quite interesting. He'd watched it before, and he could tell Mengyao the plot. Since he couldn't watch horror movies, he'd just go for a detective film.

The six of them bought the movie tickets and walked into the cinema together. There were not many students who came to this cinema to watch detective films. Perhaps students liked horror and romance films, and they were not very interested in detective films, which were more logical and logical.

After all, most of the students here were on dates, so they couldn't concentrate on the movie. Horror movies and romance movies didn't matter, but detective movies were different. If they missed a plot, they might not understand it, so students generally wouldn't choose it.

Lin Yi's group arrived just in time-the movie hadn't even started yet, and the staff were busy selling popcorn, drinks, and other snacks. The four found a row of seats, and Mengyao didn't want to sit next to pinliang, but she had no choice.

Mengyao didn't want to go back on her word over something as small as this-pinliang wouldn't do anything too extreme with Lin Yi around.

Soon, the movie started, and Mengyao focused on the movie.

"Yaoyao, do you want some?" Pinliang had Xiaofu buy a bunch of snacks for Mengyao.

"Oh, give it to Shu." Mengyao passed it to Yushu, not keeping a single pack for herself.

"Liangy, you're the best. You used to buy me good food when we were in high school, and you still do now." Yushu took the bag and gave some to Lin Yi and Xinyan, eating happily.

"..." Pinliang was speechless, but he forced himself to say, ""Hehe, that's right. When I become Chu Mengyao's bodyguard, I can buy you one anytime, anywhere!"

"Oh, then you have to work hard. Are you going to challenge me again?" Chen Yushu asked.

"Hehe, I can't say for sure. Let me think about it first." Even if pinliang wanted to challenge Lin Yi, he wanted to do it in public. He didn't want Lin Yi to go back on his word in private, and he'd lose for nothing if Lin Yi said he never kept his word.

"Shu, you think food isn't enough to stuff your mouth? Stop talking. " Mengyao frowned. Yushu had changed the topic again, and Mengyao didn't want to hear it. "Hurry up and watch the movie. Aren't you detective Shu 007? This movie is quite interesting, you should analyze it later!"

"Oh ... Okay." "This movie isn't that interesting ... I don't even know what it's about!" Yushu said, shutting her mouth.

Pinliang wanted to say more, but Mengyao wouldn't let him. He changed the topic and said, "This movie must be boring at the beginning, right? But we're about to get into the plot. Look, this servant will die in a while!"

"Dead? How do you know?" Mengyao said with a frown.

"I can deduce it!" "Keep looking if you don't believe me!" Pinliang said with a smile.

Sure enough, it didn't take long for the murder to happen, and the servant really died!

However, pinliang's words pissed off a young man sitting in front of him. He turned around and glared at him, telling him to stop talking.

Pinliang didn't realize it, however, and continued to show off in front of Mengyao, ""See, I told you, this servant is dead! Do you know who killed him? "Actually, this case isn't complicated at all. The truth is that the scriptwriter has led us down the wrong path. The old man is the murderer, not the guest ..."

Pinliang had watched the movie before, and so he told Mengyao everything about the murderer, his motive, and his methods.

"..." Mengyao was speechless. She glared at pinliang, ""You've already said it. Why should I still look at it? are you sick?"

"I ... I just wanted to explain to you ..." Pinliang didn't think that he'd overreach himself. He wanted to please Mengyao, but he didn't know that Mengyao would hate him even more after he revealed who the killer was.

"Kid, stand up!" Pinliang didn't even get to finish his sentence when the young man sitting in front of him on the right stood up and grabbed him by the collar.

"What ... What are you doing?" Pinliang asked, surprised.

"Do you know what kind of person I hate the most?" "I hate talkative people like you the most," the young man said angrily. "No one will think you're mute if you don't speak!" You've already told me who the murderer is, what do I think?"

"I ..." Pinliang was about to curse when he felt a sharp aura. He was a little surprised, but he didn't want to lose face in front of Mengyao, ""What does what I say have anything to do with you? You still care about what other people say? Do you know who I hate the most? I hate people like you who think they're all that. Why do you have to care about what others say?"

"Brat, are you looking for training?" The young man was immediately enraged.

Lin Yi looked at the young man, surprised. He was an Earth Class? Which family's expert was this? Why did he look familiar? The man's appearance made Lin Yi think of something, but he wasn't sure what it was ...

"A cultivator?" Pinliang wasn't a high-tier practitioner, not even golden class-he'd only learned some basic arts, and he was only half a step into the path of a practitioner after coming back from the everyday and every day sect, but he could still feel the Qi of a practitioner!

Although he didn't know what kind of strength this person had, he was definitely a cultivator.

"Eh?" "You know about cultivators?" the young man was surprised.

"Hmph, I don't care which sect or family you're from. I'm telling you, I'm the disciple of the sect master of the everyday and every day sect, celestial venerable pure yang. If you continue to play dumb with me, my master will definitely not let you off!" Pinliang let out a breath of relief-he was a practitioner, and even if he was a freelancer, he'd have heard of the everyday and every day sect.

"I'm sorry, I don't belong to any sect, and I've never heard of the everyday and every day sect. If you want to compare your background with mine, then you're wrong." "I won't make things difficult for you," the young man said indifferently."Just apologize to me and pay for my movie tickets. Then, I'll let this matter go."
