

## Bodyguard 2651

### Chapter 2651 Uncle Zhu's Message

"On what basis?" Pinliang didn't want to, but he didn't have the mid-quality Golden Cicada underwear anymore. He didn't dare use the centipede in front of Lin Yi, either. What if Lin Yi found out and decided not to fight him? Even if he were to use it, he would use it in a place with no one around. So, although he was unwilling to use it, he was already a little soft-hearted. "I've already told you who I am, but you haven't. Even if I apologize, you have to let me know who you are, right?"

"My name is Tang Yuqi. I'm a detective from overseas." The young man said calmly. He was a famous detective overseas, and even if pinliang wanted revenge, he'd have to think twice before doing so.

The reason he was angry was because he was a detective and a fan of deduction. He liked to analyze things himself when he was watching movies, but he was unraveled by pinliang just as he was about to get into character.

"Oh, it's an overseas friend. Xiaofu, give him a hundred Kuai." Pinliang gave himself a way out and asked Xiaofu to give Tang Yuqi a hundred Kuai. "I'm sorry to disturb you!"

"Forget it," he said. Tang Yuqi took the 100 yuan, turned around, and left the cinema ...

Lin Yi frowned as he watched the man leave. He felt like he'd seen this man somewhere before ... But he was from overseas, and that made him a little suspicious.

Could it be that he had seen her before during a mission? That couldn't be. He didn't know anyone with the surname Tang. Could he be related to the Hidden House Tang?

Tang geqi and Tang Yuqi sounded like brothers, but unfortunately, they shouldn't be brothers. Otherwise, one of them was from a hidden aristocratic family, and the other was an overseas detective. They were two completely unrelated people.

As for their surnames, and the word "Yu" in the middle of their names, perhaps their seniority in the family tree happened to be the same, and they might have been relatives hundreds of years ago ... Moreover, Tang Yuqi and Tang GEI did not look very similar.

Lin Yi found him familiar, but not because of Tang Yingzhi.

Tang Yuqi had already left. Lin Yi shook his head and continued to watch the movie.

Zhong pinliang had learned his lesson this time. He didn't say anything else. He hated Tang Yuqi, but he knew that he couldn't do anything to him. His top priority was to become Chu Mengyao's bodyguard!

Now, he only had the drunken centipede, but no powerful moves. The centipede wasn't weak, but there were conditions to use it. So pinliang thought that maybe he could go ask for some more treasures after he defeated Lin Yi?

Qibing and uncle Zhu arrived at floating cloud Bar, and Cihua ran out to welcome them.

"Master Bing, you did it?" Cihua was overjoyed when he saw Qibing's broken leg, "Lin Yi's making a move?"

"En, he's finally making a move!" Qibing was helped into the bar by uncle Zhu,"It wasn't easy, this Lin Yi's learned his lesson. He won't break my legs so easily. It's hard for him to even do it now. I still need two more times to practice my thousand-kick technique. Tell me, how can I break my legs two more times?"

"I ... I think we should go to Lin Yi ..." Li Cihua thought about it and said,""We're not good at it, only Lin Yi can control it well ..."

"That's true, but it's too difficult for Lin Yi to make a move right now. I spent a lot of effort this time, and with right-hand Panhu's help, I only managed to break my leg. I'm afraid there won't be such a good opportunity next time. " Zhao Qibing shook his head,"how about this, Cihua, try to keep an eye on Lin Yi. Try to get him and the people around him on your side. Try to analyze his psychology and see how he can make him break my leg again."

"Alright, I got it." "I'll give Lin Yi a free membership card tomorrow, and if he accepts it, I'll ask him for help ..."Cihua nodded.

"Don't give it to Lin Yi, give it to Chen Yushu. He can't accept it if you give it to Lin Yi, but if you give it to Chen Yushu, there's still a chance. " "If Chen Yushu agrees, she'll probably be able to get Lin Yi to hit me," Qibing said after some thought.

"That's fine. " Cihua said.

"Then I'll go back to the Hidden House Zhao first. My leg is broken, I need to apply some herbs to practice thousand legs." With that, Qibing and uncle Zhu left.

After returning to the Hidden House Zhao, Qibing went back to his room to apply some medicine, while uncle Zhu found a place with no one around and called Lin Yi.

Lin Yi was watching a movie when he heard his phone ring. He took it out and was surprised to see that it was second Zhu.

"Hello?" Lin Yi lowered his voice as he picked up.

"Boss, I'm second Zhu. I have important news to tell you." Uncle Zhu lowered his voice and said carefully.

"Oh? What's the news?" Lin Yi asked.

"It's like this, you still don't know why Zhao Qibing wants you to break his legs, right?" Uncle Zhu asked.

"I don't know. Do you?" Lin Yi was looking for a chance to ask elder Zhu, but second Zhu's call came first.

"En, didn't I recover my strength and break through? And so, old Zhao let me follow Zhao Qibing. Today was my first time coming out with Zhao Qibing, and on the way, I asked him about the cause of his broken leg. " Second brother Zhu said, "actually, Zhao Qibing is practicing a martial skill called thousand legs. This skill requires one to break his legs nine times before he can learn the first form. Zhao Qibing has broken his legs a few times before, but he still needs a few more times. So, I asked you for help, boss ..."

"Oh? Like this?" "A martial arts skill?" Lin Yi asked, surprised. But there's such an abnormal martial technique?"

Lin Yi did think that Qibing might have some sort of martial arts skill, but it was just a guess. He didn't think that he would be right.

"Yes, but I'm not too sure about the details because I've just started following Zhao Qibing. There are some things I can't ask him in detail, I'm afraid he'll get suspicious." Uncle Zhu said.

"Alright then, keep an eye on his movements. Also, if possible, make a copy of his martial arts technique for me to see. I want to see what it is." Lin Yi ordered.

"Alright, I'll keep an eye on it." Uncle Zhu replied.

However, uncle Zhu didn't take care of Qibing when he received a phone call in his room, and he didn't hear it, which almost caused a big problem later.

After Qibing returned to his room, he applied medicine on his leg and was about to take out the thousand kick martial arts technique to study it when his phone rang.

Chapter 2652 Qijiu's News

Zhao Qibing took out his phone and saw that it was an unknown number. He hesitated and didn't want to answer it, so he hung up. However, not long after he hung up, the call came again.

"Hey! Who is it?" Zhao Qibing picked up the phone impatiently. He was in the middle of studying a martial art, and it was natural for him to be upset when he was interrupted.

"Zhao Qibing, right? I'm Yu Shan. " A low male voice came from the other end of the phone.

"Yu Shan?" Qibing paused-there weren't many Yu's he knew, and Yu Shan seemed to be ... He asked uncertainly, "You're ... Hidden house Yu's Yu Shan?"

"It's me. " "We met a while ago," Yu Shan replied.

"Haha, so it's brother Yu Shan!" Qibing didn't like this useless Yu Shan, but he was still from the Hidden House Yu. His thousand kick came from the Hidden House Yu, and naturally, he wouldn't offend them,"Brother Yu Shan, why are you calling me all of a sudden?"

"Hehe, if that's the case, I'll call you brother Qibing," Yu Shan smiled and changed his tone, "There's some bad news, I want to tell you, brother Qibing. "

"What news?" "Bad news?" Qibing asked, surprised.

"That's right, qijiu Zhao from the Ice Palace. You should know him, right?" "He's from your hidden house Zhao,"Yu Shan said." He was accepted as an outer disciple with my big brother, Yu Bing. "

"Of course I know, but what's wrong with him?" Qibing's heart skipped a beat, but he still asked.

"In the outer disciple test, he got a hundred-thousand-year-old natural treasure, and was given a few pills by the sect master. Some of them were lost recipes that were somewhere between the lesser Qi gathering pill and the lesser Qi gathering pill-I don't know what they're called, but they can increase the strength of Earth Class and above practitioners without the side effects of the Qi gathering pill. These lost pills are lost with each use, and he must be very lucky to have been given them to qijiu!" Yu Shan couldn't help but get angry as he spoke-Lin Yi, Yu Bing, if it weren't for you guys, I'd be the one practicing in the Ice Palace, the one who'd find the hundred-thousand-year treasure!

It had to be said that after Yu Shan became a cripple, his mentality had become twisted. He never thought about why he was crippled, nor did he think about the evil things he wanted to do before. All he thought about was hatred-hatred towards Lin Yi, and hatred towards Yu Bing!

He knew that his life was over-he wouldn't be able to have power or status anymore, and so he wanted revenge. He wanted Lin Yi and Yu Bing to regret it for the rest of their lives! However, it was impossible for him to do this with his own strength. He could only rely on the strength of others.

Just as Yu Shan was thinking for a long time and still couldn't come up with a good idea, Zhao Qibing came to house Yu as a guest, and his interest in Yu Ning gave Yu Shan hope-he had a great idea!

"What? Then what is his current strength?" Qibing was shocked-he'd used the large amount of pills he got from the Hidden House Zhao's practitioner market to become an Earth Class, and naturally didn't think much of people like qikun and qijiu. Plus, he was about to learn the thousand kick, and that would only get him stronger.

And so, as he grew stronger, he didn't really care about qijiu anymore-he didn't expect Yu Shan to bring him this news.

"According to Yu Bing, qijiu went from Mystic late phase peak to earth late phase peak after taking the pill, and he's in isolated practicing for Sky Class right now ..." Yu Shan exaggerated a little-qijiu did find a hundred-thousand-year treasure, and the sect master did give him some pills-these pills could indeed help him break through to Earth Class late phase peak!

But this so-called isolated practicing for Sky Class was just something he made up-even if the pills were at their best, making qijiu an Earth Class late phase peak, who would break through into sky right after that?

However, Qibing's mind was in a mess, and he didn't know how powerful the lost pill was. He was shocked,"What? He's going to break through to the Sky Class? That's like my grandfather ..."

Qibing was scared-the old man was only sky Class early phase, and if qijiu became one-if he still supported qikun, there would be no place for Qibing anymore!

"That's right. That's why I told you the moment I received the news!" "Brother Qibing, I felt like we hit it off the other day, and I'd like you to be in the top position too, not that Zhao qijiu or Zhao qikun," Yu Shan said.

"Then ... What should I do? Yushan bro, if you're telling me this, you must have a way to solve this, right?" Qibing quickly asked.

"I don't have a way." Yu Shan shook his head."Unless you're stronger as well, there's really nothing we can do. I'm telling you this so that you can prepare in advance, in case you're caught off guard."

"Ah?" Qibing was dumbfounded-he'd been full of confidence earlier, but who knew qijiu was this strong?

"Brother Qibing, actually, I feel that if we, the Hidden House Yu, support you, then even if Zhao qijiu becomes a Sky Class master, we won't have to be afraid of him anymore." Only then did Yu Shan say what he wanted to say, but he pretended to be emotional."Our hidden house Yu has two Sky Class Masters, one of them is Sky Class early phase peak, and with old Zhao, we have three Sky Class Masters. Three to one, how can we lose to Zhao qijiu?"

"That's true, but why would the Hidden House Yu support me?" Zhao Qibing frowned,"unless Yuning can marry me, your grandfather wouldn't meddle in house Zhao's business ..."

"Yuning, I can't do anything about that, you can only rely on yourself." Yu Shan said with a bitter smile.

"Right, brother Yu Shan, you and Yu Ning are siblings, do you have any ideas for me to get her?" Qibing asked quickly.

"A way ... I don't have one." Yu Shan said "helplessly,""As you know, before I became a cripple, I was a strong contender for the heir of house Yu. The women I liked either fell for me or forced themselves on me. I didn't even have to pursue them ..."

Chapter 2653 Advancing Step By Step

"That's true. " Zhao Qibing nodded in agreement-it wasn't just Yu Shan, he was the same too, but Yu Ning was different from those other girls, she was a lady from a Noble House, and she wouldn't throw herself at him. As for forcing herself on him ... Zhao Qibing's heart skipped a beat. If things were really done, with house Yu's status, they wouldn't announce it publicly, and he wasn't some random kid, he was the heir of the Hidden House Zhao, As long as he was willing to take responsibility, the Hidden

House Yu wouldn't say anything, right? Thinking up to this point, Qibing's heart began to stir."Brother Yu Shan, if ... I'm saying if, I force Yu Ning on the Overlord, what would your grandfather's attitude be like?"

"Ah? Brother Qibing, no way? How could you have such a thought?" Yu Shan was "shocked," but on the inside, he was excited that Zhao Qibing had fallen into his trap, "I'm telling you, our hidden house Yu isn't a normal house. If you do that, things will get out of hand, and you'll be in trouble ..."

"Trouble? What trouble could there be? Do you think you can kill me? The Hidden House Yu wasn't a normal house, and the Hidden House Zhao was a normal house? I'm also the heir to the Hidden House Zhao, I just have to be responsible for Yuning, then everything will be fine. Don't spread your dirty laundry in public, and getting married as soon as possible is the right thing to do!" Qibing didn't think much of it, thinking that Yu Shan had lost a lot of courage after becoming a cripple, and didn't think of things from all angles.

"This ... Does it make sense?" Yu Shan "hesitated" before continuing,"But the point is, even if you want the Overlord to force himself on you, you won't have the chance-Yu Ning always stays in the Hidden House Yu,"

"Oh, so you're not the spy, brother Yu Shan?" Qibing laughed as he tested the waters, not knowing that Yu Shan was the one who led him to this topic.

"I ... I ..." Yu Shan stammered,"scared" a little,"Brother Qibing, stop joking. I'm a cripple, what can I do as a spy? My position in the Hidden House Yu is very low right now, don't get me in trouble!"

"Haha, big brother Yu Shan, how could I harm you? If I really do have a good relationship with Yu Ning, then I'll be your brother-in-law, and we'll be even closer!" "I'll need Yushan bro's help with this!"Qibing said.

"I ... How can I help you? Do you want me to trick Yu Ning out and let you force yourself on her? That won't do, I really won't!" Yu Shan shook his head and denied it, but it was fine if he denied it. He even hinted at Qibing's method, and he had to admit that he was up to no good.

"It's simple, didn't you say it, Yu Shan bro? As long as you find a chance to trick Yu Ning out, then everything will be solved. Big brother Yu Shan, I'm begging you, as long as you help me this time, I'll never forget your kindness when I'm in power!" Zhao Qibing couldn't help but want to complete this plan. Zhao qijiu's incident triggered him, and he really did want house Yu's help. Secondly, he really liked Yu Ning, so no matter what he said, it was a profit, "When I become the head of the family, you'll definitely get some benefits!"

"I'm a cripple, what benefits do I need?" Yu Shan smiled bitterly, "brother Qibing, it's impossible for me to become the head. I'm just a useless person who wants to live the life of a rich kid. I don't want to do those risky things ..."

"Don't!" Qibing was panicking-the desire in his heart had been ignited, and he wouldn't be able to eat or sleep in peace if it didn't come true. "Brother Yu Shan, you're a cripple, but that doesn't stop you from becoming the house's External Affairs elder. You'll be in charge of the business in the common world, and you'll be able to take care of the food. As long as you have the power to speak, you might be able to recover. From what I know, the great recovery pill, a third class pill, should be able to cure your injuries, right? Although your injuries are serious, they aren't incurable, right?"

"A grade three great recovery pill?" A glimmer of hope flashed in Yu Shan's eyes, but it quickly dimmed down. Even the ancient sects would find it hard to get a third rank pill, let alone the hidden houses. What did the Hidden House do to get a third rank pill?

Plus, even if he did get a third rank pill, with his current position in house Yu, they wouldn't let him use it! Even if there was a glimmer of hope, he would not choose to take revenge. He would choose to take the risk!

Yu Shan was injured by Lin Yi when he was still a Mystic-it wasn't a serious injury, and a big recovery pill was enough for him to recover, but house Yu's cold attitude and the disappointment of elder Yu made Yu Shan lose all hope. He knew that he had been given up!

Ever since master Yu found out the truth, there was no way he could recover. He was happy that he could live his life as a rich kid. House Yu was already showing him mercy by not kicking him out.

"Yeah, it's not like there's no hope!" "As long as you have the right to speak in house Yu, anything can be discussed, right?" Qibing said.

"That's true ..." Yu Shan didn't think so. "But these are all secondary. If you want me to help you, I can, but you have to promise me one thing!"

"What is it?" Qibing quickly asked.

"One day, when you're strong enough, you have to help me get rid of Lin Yi! "He's the one who injured me, and he's the one I hate the most. If you promise to help me get revenge, I'll help you ..." Yu Shan said after a pause.

"Lin Yi?" Qibing froze, a bitter smile on his face. "My hatred for him is no less than yours, but I'm not his match ..." He said.

"What I'm saying is that one day, if you have the strength, you must help me take revenge. If you don't, I naturally won't force you." Yu Shan thought to himself-it didn't matter if Lin Yi died or not, what he wanted the most was Yu Bing!

Yu Shan naturally knew about Yu Ning and Lin Yi's relationship, so sending Yu Ning to Zhao Qibing was equivalent to taking revenge on Lin Yi! Yu Ning's identity was a bit special, and she couldn't lose her virginity. Yu Shan knew a thing or two, but he didn't know the details. But that didn't stop him from dealing with house Yu!

If something happened to Yu Ning, the ones suffering would be Grandpa Yu, Yu Xiaochen, and Yu Bing! As for whether house Yu would fall or not, Yu Shan didn't care! As far as he was concerned, the current house Yu and the Fallen House Yu were no different to him.

#### Chapter 2654 Purpose Of Analysis

His position in house Yu was no different from the normal disciples, and this made Yu Shan feel no joy in his life. The only thing that kept him alive was hatred, and now that he had his revenge, he didn't mind dying!

From a cultivator and a competitor for the position of the young master of the family, he had suddenly become a cripple and an abandoned child. No one would feel good about this.

"One day, of course, that's no problem!" Zhao Qibing let out a breath of relief and agreed immediately. Yu Shan didn't even have to say it, and even if Yu Shan didn't say it, there was no way Zhao Qibing would let Lin Yi go with his strength.

"Alright, then I'll take the risk and help you this once. But you can't rat me out after this. You have to take all the responsibility!" Yu Shan said.

"Sure, no problem!" Zhao Qibing agreed without thinking. He was going to lay his cards on the table with house Yu after he forced himself on them anyway. He would rather take the responsibility himself than drag Yu Shan into it. The result would be the same to him, but to Yu Shan, it would definitely hurt him.

"If that's the case, I'll think of a way. We'll see if we can take Yu Ning out for a walk after dinner. Then, you can bring your men over, knock us all out, and take Yu Ning away. Then, we can carry out your plan." Yu Shan said. This was the plan he'd thought of before, but if he'd told Qibing about it directly, Qibing would've been suspicious, and might've even reported him to house Yu. But he'd slowly started this topic from Zhao qijiu, so it wasn't that sudden. Plus, it seemed like Qibing was the one who asked for it, and Yu Shan only agreed to it because he had no other choice.

"Okay, let me know in advance-it'll take three hours to drive from here to the Hidden House Yu, I need to be prepared!" Qibing nodded.

"Then what are you still preparing? Why don't you come over today and wait for me?" Yu Shan said.

"Alright, I'll be there immediately!" Qibing quickly replied.

After hanging up, Zhao Qibing's emotions were surging. This was a despicable move, but to Zhao Qibing, it wasn't dangerous at all. He didn't know that Yu Ning was an inheritor, and he didn't know how important Yu Ning was to house Yu, to that place. That was why he was tricked by Yu Shan and fell for it.

If he knew that Yu Ning had such a powerful force behind her, he would be scared out of his wits.

But things were always like this, the ignorant were fearless. Zhao Qibing felt that if he and Yu Ning were already married, then no matter how unwilling master Yu was, he would still agree to his marriage proposal. After all, he was the future head of the Hidden House Zhao, it was not a bad thing for Yu Ning to marry into his house.

However, Zhao Qibing didn't lose his mind. After the excitement, he didn't act on his own and went to the old man's house.

"Master Bing, you're looking for the head?" Elder Mian smiled at Qibing-he wasn't as experienced as elder bi, and naturally couldn't be as powerful as the latter, supporting whoever had the chance to become the head of the house. On the other hand, elder Mian was just trying to get on Qibing's good side for his own position.

"That's right, elder Mian. Is my Grandpa here?" Qibing nodded.

"Yes, the head just finished his cultivation. You can go in now, master Bing." Elder Mian said.

"Alright, thank you, old Mian." Zhao Qibing nodded and entered the yard where his father was cultivating.

Old master Zhao had just finished his cultivation when he heard the voice outside the door. He said,""Qibing, didn't you just break your leg? Why are you still wandering around?"

"Oh, I've taken the small reversion pill. Grandpa, I'm fine now." "Grandpa, I'm here to ask you something important, can you see if it's possible ..." Qibing said.

"Oh? What's the matter? tell me. " Old Zhao signaled for Qibing to continue.

"It's like this ..." Zhao Qibing told the old man about how Zhao qijiu got lucky and found a hundred thousand year old treasure and a cultivation pill, as well as how he wanted house Yu's support to force himself on Yu Ning.

"What? You're saying that qijiu's trying to break through to Sky Class?" Old Zhao's heart skipped a beat- he never would've thought qijiu would have this kind of encounter! At this moment, he was even starting to regret treating qikun like this-if he gave up on Qibing and supported qikun instead, then the Hidden House Zhao would have two Sky Class Masters!

However, that would also be a little unfair to Zhao Qibing. After all, this Sky Class was given to him by Zhao Qibing, and there was no turning back now. The Hidden House Zhao had already signed Zhao qikun up for the test, and he couldn't go back on his words anymore. He could only force himself to continue!

So, the most important thing now was to kidnap the Hidden House Yu onto Zhao Qibing's war chariot. As long as the Hidden House Yu supported Zhao Qibing, then even if Zhao qijiu was a Sky Class master, it would be useless. House Yu had two Sky Class Masters, one of them was even Sky Class early phase peak, and Zhao qijiu wouldn't be able to do anything.

So, as for Zhao Qibing's words about forcing Yuning into a corner, although old master Zhao felt that it wasn't good for house Zhao's reputation, but from the perspective of benefits, it was still possible.

Zhao Guangyin and Yu Xiaojin's marriage had given the Hidden House Zhao a lot of benefits over the years-they didn't have a Sky Class before, and were at the bottom of the hidden houses "hierarchy, only a little stronger than the Hidden House han.

But with house Yu's help, house Zhao's status slowly rose. Now, even though old Zhao was a Sky Class master, compared to the Hidden House Yu, the Hidden House Zhao was still a lot weaker.

Because of the Qi gathering pill, house Zhao and house Yu's relationship had fallen to the freezing point. If Zhao Qibing could get the beauty back, then the two houses would be on good terms again, and this was great for the Hidden House Zhao.

The only thing he was worried about was Yu Shan's motive-he was an old man, and he didn't believe that Yu Shan would be so kind as to tell Zhao Qibing about this, not to mention that he was helping him out of the kindness of his heart!

"Yu Shan, did he just tell you that? I have a feeling that his goal is not simple!" Old Zhao said,"it's weird that he told you about Zhao qijiu. You two didn't even know each other before, you only met once. If it were you, would you do that?"

"I won't ..." Zhao Qibing shook his head hesitantly,""But that's only for now. If it was before, and I had the chance to please the young masters of the other hidden houses, I would've done the same ..."

Chapter 2655 Who Are We Taking?

"Oh? "You're saying ... Oh, right, now that Yu Shan's crippled, his position in the Hidden House Yu must be dropping, especially after what happened to Yu Bing at the Ice Palace test. It'd be weird if Yu Xiaochen was nice to him, but he'd have to find someone else to back him up ..."Old master Zhao nodded.

"He said ... He wants me to get revenge on Lin Yi, this ..." Zhao Qibing was a little worried after hearing what elder Yu said.

"I'm not afraid of that-I'm guessing it's just an excuse. There are some things he can't say-you said you'd help him become an elder of house Yu, but he didn't object to that, did he? "I think he's not willing to be lonely and be a useless person for the rest of his life, so he wants to get some benefits from you ..." Old master Zhao analyzed.

"Grandpa's the best, you hit the nail on the head. I didn't expect ..." Zhao Qibing said respectfully.

"Haha, but it's fine-it'll be good for us if we do this well, and we'll help Yu Shan out a little in the future. After all, we'll never forget the person who helped us!" Old Zhao nodded,"but, this is a big deal, you have to do it well. If you mess it up, then our relationship with the Hidden House Yu will be irreparable. It's impossible for you to propose again. Elder Yu seems to love Yu Ning a lot, so this either you succeed or you don't do it. We can't afford the consequences of failure!"

"I understand!" Qibing nodded happily-his grandpa's words meant that he agreed with him.

"It's better to keep a low profile for this matter. You just need to bring one of your subordinates to help. There are too many people, and it'll be troublesome if the news gets out." "Also," Zhao Yu's father said,"don't say a word to this man until the moment before the plan is carried out, in case he leaks the news."

"Don't worry, Grandpa, I know what to do. " Qibing replied.

"Ah, elder Bi's gone-it'd be great if he came with you, I trust him ..." Old Zhao sighed, "Old Mian can do that too, but I've been asking him to look for a heaven-grade weapon for the past few days. He's in contact with the cultivators trade association, so it's not good for him to leave ... How about this, who's your most trusted subordinate in our family?"

"That's uncle Zhu then, he's the first one to follow me, and one of the first lackeys to serve me. Why don't we bring him along?" Qibing said after some thought.

"Sure, but don't mention the word" Lackey "in the future. You're the young master, you have to learn how to win over people's hearts. You still have to be respectful to him." Old master Zhao reminded.

"Haha, Grandpa, of course I know. I was just saying it in front of you. I'm actually good at winning people's hearts. Uncle Zhu and his brother, big Zhu, were so grateful to me with just a few words that they swore to follow me ..." Zhao Qibing laughed proudly.

"En, I'll slowly explain to you the principles of controlling your subordinates in the future. This is a necessary ability for a family head. You should go and do your things first. We'll talk when you come back." Old Zhao nodded and told Zhao Qibing.

Qibing left the old man's place and found uncle Zhu, "Uncle Zhu, get the car ready right now, we're going out for a bit, there's something I need to do!"

"Now?" Uncle Zhu blinked, "master Bing, didn't we just get back?" What's the point of going there?"

"Don't ask so much. You'll know when you get there. " Zhao Qibing didn't explain too much-he remembered his father's words, to be careful and not leak any information ...

"Yes." Uncle Zhu quickly nodded and went to prepare the car ...

In the Ice Palace, there was the highest and most luxurious dormitory among the outer disciples. This was where the highest-ranking outer disciples lived, and was also the manager of the outer disciples. He was in charge of the division of labor and cultivation, as well as the distribution of rewards, punishments, and monthly stipends. His authority was quite great!

The most important thing was that the chief Deacon did not have to do the work of the outer disciples. He only had to move his mouth to assign the tasks. At other times, he could cultivate with peace like the inner disciples, and he would have all the privileges of the inner disciples!

Apart from not being able to live with inner sect disciples, the monthly stipend and cultivation resources enjoyed by them were no different from that of inner sect disciples. Even the ordinary inner sect disciples had to respectfully call the chief Deacon of the outer sect "senior brother."

As for the outer sect executive, it had been Yu Bing before-of course, this was also because of Xiaoxiao. He was pretty talented, but he wouldn't have been able to get this position otherwise. It was no different from an inner sect disciple, perhaps even higher.

Now, the Ice Palace had another vice manager-it was the one who found the hundred-thousand-year treasure, Zhao qijiu. Although he was also arranged to live in the dormitory next door, he was close to Yu Bing, and they were both Lin Yi's underlings, so their relationship was pretty good.

According to past management, there would always be differences between the deacons and vice deacons, but Yu Bing and qijiu were different-they'd both gotten to their positions thanks to Lin Yi, with Xiaoxiao's approval. They were both under Lin Yi's wife, so what was the point of fighting?

Therefore, the two of them simply moved to live in the same villa and often exchanged cultivation experiences. The progress of the two was also incomparably fast! After all, the spiritual energy here was rich, and there was no lack of cultivation resources. The two of them could stand at the top of the disciples' food chain, so it could be said that their lives were as carefree as they could be.

"Are you still not planning to take the medicine for cultivation?" Yu Bing looked at qijiu, confused-he'd been storing them away ever since he'd gotten those pills, not using them at all. He didn't want to ask too much since they were his after all, and it'd be bad if qijiu misunderstood and thought he was asking for them.

But qijiu hadn't used it for a while now, and Yu Bing couldn't take it anymore.

"Me?" Qijiu paused, then smiled wryly. "You haven't asked me for a long time, so I thought you knew my purpose. I didn't expect that you really didn't know, and you asked me out of curiosity ..."

"People are always curious when they encounter something they don't understand. I'm no exception." Yu Bing paused for a second before smiling, "things like practicing pills are better done as soon as possible. The Qi gathering pill you have now can help you break through to Earth Class, but once you're an Earth Class, it'll be useless ..."

Chapter 2656 Ice Palace, Rock Sugar

"I know that, but I want to keep the pill and give it to boss Lin Yi and master kun when I see them!" Qijiu shook her head and said firmly, "I'm indebted to master tan, and boss Lin Yi saved both of our lives. As the saying goes, a drop of water should be repaid with a spring. I, Zhao qijiu, don't have much power, and I don't want to be some master-all I can do is try my best to repay master tan and boss Lin Yi, and

it's natural for me to keep these pills for them. Plus, these were given to us by the boss "wife-if it weren't for vice-palatial master Xiaoxiao, how could I have these pills? Those hundred-thousand-year-old treasures grew in the Ice Palace's territory-if I didn't find them, it'd be good enough if they even gave me one pill-how could they give me so many?"

"That's true!" Yu Bing couldn't help but be moved by qijiu's words-he didn't think that qijiu would be so true to his words, being so loyal to Lin Yi and qikun. But he thought about himself-if he were the one who got the pills, would he give them to Lin Yi?

The answer was obvious-Yu Bing would definitely do that! He was able to keep his life from Yu Shan, stay in the Ice Palace to practicion, and become an outer sect Deacon-it was all thanks to Lin Yi. If it wasn't for Lin Yi, he might've died in a foreign land.

And so, Yu Bing's gratitude towards Lin Yi wasn't any less than qijiu 's-when qijiu asked to keep the pills, he understood what he was thinking, but he still tried to persuade him, "It's been so long-boss Lin Yi must've broken through into the earth Class already, and he might even step into the sky Class soon. I think you should take the small Qi gathering pill yourself, and leave the middle one for boss Lin Yi. "

"Actually, I'm leaving the lesser Qi gathering pill for master tan ..." Qijiu smiled."Yu Bing, you don't have to persuade me, I've made up my mind. I won't touch these pills, I'd rather keep cultivating!"

"Alright, since that's the case, let's work hard together!" Yu Bing nodded.

In fact, Feng Xiaoxiao really wanted to give these pills to Lin Yi directly, but she couldn 't. She had an agreement with Lin Yi-if Lin Yi couldn't make the ice heart Jade bone pill within two years, then she would have to accept the inheritance. Also, if Lin Yi could become a Sky Class late phase Peak Master or a golden class third level or above, then Rock Candy would be Lin Yi's little wife. So Feng Xiaoxiao couldn't help Lin Yi secretly, and Rock Candy wouldn't allow it.

And so, the only thing she could do now was to give these pills to Lin Yi's lackeys, letting them grow as much as they could, so that they could become Lin Yi's support in the future. But what she didn't expect was that qijiu would be so loyal, leaving the pills for Lin Yi!

However, what Xiaoxiao didn't know was that when she was missing Lin Yi, Bing Tang was also paying attention to him! Lin Yi had promised her that he'd make the pill within two years, but Rock Candy didn't really believe him. Naturally, he paid more attention to Lin Yi.

Of course, there was another reason for this-Rock Candy had once bragged that if Lin Yi became a golden class third level refiner or Sky Class late phase Peak Master, she'd marry him and be his little wife. Rock Candy was afraid that Lin Yi would really achieve his goal by accident. Then, would she marry or not?

This was a problem Rock Candy was struggling with, especially after seeing Lin Yi's strength increase by leaps and bounds-from Mystic late phase back in the Ice Palace to Earth Class mid phase peak!

And what surprised him the most was that Lin Yi was actually selling a whole bunch of second class pills at the practitioner's trade association, and they were all high quality ones at that! Could it be that Lin Yi had become a second class refiner in such a short time?

One had to know that many refiners couldn't even reach level two in their entire lives, and even if they were, they wouldn't be able to make a pill as plump as Lin Yi 's. This situation made Rock Candy both surprised and conflicted.

However, she wouldn't tell Xiaoxiao about this-she was the Vice sect master now, but she was only in charge of the sect's internal affairs. Bing Tang was in charge of the sect's external Communications and Information, and getting information from manager Li wasn't something Xiaoxiao could interfere with.

.....

At night, after the movie, Lin Yi left with Mengyao, Yushu, and Xinyan. Pinliang had a successful date with Mengyao, but their relationship hadn't progressed at all. In fact, it wasn't even as good as before because of him talking too much ...

"Liang bro, it's all that Tang Yuqi's fault. If it wasn't for him, we wouldn't be so useless today!" Xiaofu said angrily.

"Tang Yuqi ... Forget it. Let's not care about him for now." Pinliang frowned. "I finally see it now. Chen Yushu's an ungrateful Wolf. No matter how much I fed her, she wouldn't be full. She sold me out in the blink of an eye!" If I want to get close to Yaoyao, the biggest obstacle isn't Lin Yi-it's her!"

"Oh? Then what should he do? Should we get rid of her?" Xiaofu made a throat-cutting gesture. He'd seen too much blood in the everyday and every day sect recently, and he'd grown cold towards human life.

"I'm afraid that's impossible. It's a bit difficult, and Lin Yi isn't someone to be trifled with. If Chen Yushu dies for no reason, he'll definitely suspect me!" "But, in order to make sure that this girl doesn't come and mess up my fight with Lin Yi, I'm planning to let the centipede bite Yushu a bit before the fight so that she'll pass out, so she won't cause any more trouble," pinliang said.

"Right, that's a good idea. We'll be able to fix this girl and give Lin Yi some trouble at the same time, killing two birds with one stone," Xiaofu said in agreement.

"Then it's decided!" Pinliang came up with a plan in a few sentences. "Tomorrow morning, I'll go to the school's broadcast room and announce that I'm going to challenge Lin Yi!"

The school's charity party was a huge success this time. The total amount of donations exceeded one hundred million, of course, Zhong pinliang and Zhao Qibing took up the majority of it. The other bosses and public figures didn't donate that much, some in the tens of millions, some in the millions, some in the hundreds of thousands, and some in the tens of thousands.

The school was surprised by the amount of donations-it was much more than the previous years, thanks to pinliang and Qibing. They didn't know why the two were offering such a high price, but as long as they were kind-hearted, no one would question them ...

#### Chapter 2657 Zhong Pinliang's Challenge

The next morning, Lin Yi called Yu Xiaoke and told her the good news.

However, Lin Yi couldn't feel any happiness from her tone. This made him a little confused, "Yu Xiaoke, you're not happy?"

"I'm happy ..." You Xiaoke said weakly, but her heart was in a mess! It's the school's donation money, why did you call? To show that you care about me? Yu Xiaoke couldn't help but overthink. Once she misunderstood Lin Yi, she would think that Lin Yi had special feelings for her no matter what he did.

"What's wrong with you? Are you feeling uncomfortable?" Lin Yi asked, concerned.

Although Lin Yi's current identity was Lin Yi, he was also a male thief. These two identities would inevitably overlap in front of Yu Xiaoke, so it was reasonable for Lin Yi to show concern for Yu Xiaoke.

"I'm fine, I'm fine!" Yu Xiaoke's period came these few days and she was in a bad mood, but she couldn't tell Lin Yi about this. She didn't think that their relationship was that good.

"Oh ... Then forget it. I'll bring the donation over in a few days, and I'll take a look at the orphanage too." Lin Yi didn't think much of it.

"Don't ... Don't you come!" Yu Xiaoke said subconsciously, but after saying that, she felt that she was overreacting. "I mean, how did you bring so much money?" You can just transfer the money directly, or what if it's lost?"

"A bank transfer is fine, but the charity fund will be in the school's account for the time being. The school's finance department will issue a check, so you just have to go to the bank to exchange and transfer the money! I'll take a look, I'll exchange it for you when I'm free. " Lin Yi said.

"Alright, then transfer the money after you're done. I'll send you the orphanage's account number in a bit!" Yu Xiaoke said.

"That's fine. " Lin Yi didn't think much of it-after all, it'd be troublesome for him to make the trip himself.

Lin Yi had just entered the classroom when a familiar male voice came through the speakers. "Hey, hey, hey, can you hear me?"

Whether it was in the classroom, the field, or the students resting in the dormitory, they were all stunned when they heard this sound. It was rare for the school Broadcast to have such a sound test. Only those who were not familiar with the broadcast would be like this.

"Hello everyone, I'm Zhong pinliang. I believe you all know me, so I won't have to introduce myself!" Pinliang's voice came from the speakers again. "I'm here to announce something important. I'm going to challenge Lin Yi to a martial arts duel. It'll be at 1 p.m. Today, on the school field. Lin Yi, I'll be waiting for you there, don't be scared-whoever doesn't come is a coward, son of a B \* tch!"

Pinliang had planned to announce the challenge at the auction last night, but Yushu's interference forced him to do so in the morning.

This was after he had spent a long time trying to get in touch with the student council before he came to the broadcast room to issue a challenge. The school did not prohibit students from learning from each other. As long as it was not too big a deal, the school would not interfere.

Pinliang's challenge was a bit too crude, though. He might even get punished for it, but he didn't care. As long as he could be Mengyao's bodyguard, it was worth it.

He was afraid that Lin Yi wouldn't come for the challenge, and so he had to make a threat.

Lin Yi listened to pinliang's announcement, surprised. The kid was here to challenge him again? Could it be that he had some trump card?

Zhong pinliang's challenge reverberated throughout the campus of Donghai city's Industry University. Naturally, Yushu and Mengyao had heard the news in the economics classroom.

"Yaoyao sis, Zhong pinliang really did have a purpose this time. It looks like he got something from the everyday and every day sect, or he wouldn't be challenging shield bro to a fight." "But, he doesn't have pinliang's Golden Cicada undergarments-he'll get a beating if he goes up there!" Yushu said.

"Who knows?" Mengyao shook her head, "why didn't I see that yesterday?" His disguise is good enough.  
"

"Yeah, I'll go check it out during lunch break and see if I can find out what cards Zhong pinliang has up his sleeve." "I'll leave this mission to detective Shu 007!" Yushu said.

"Then be careful ..." Chu Mengyao hesitated and nodded. She didn't want Lin Yi to lose either. Knowing yourself and your enemy was the key to victory. "Zhong pinliang seems to be on guard against you. If you really can't handle it, don't force yourself."

"Yeah, I know." Chen Yushu nodded.

At noon, Chen Yushu called Zhong pinliang right after class.

"Shu, what's up?" Pinliang hated Yushu, but he was still friendly on the surface. After all, she was Mengyao's best friend.

"Liangy, where are you? Why are you challenging shield bro again? are you confident in winning?" Chen Yushu probed.

Pinliang now knew that Yushu was on Lin Yi's side-there was no way she would be on his side. He also knew that Yushu was probably here to get some information. He'd already suffered a loss before, so how could he suffer a second time? But he was also thinking of getting Yushu out-he wanted to release the centipede to knock her out and mess up Lin Yi's mood. He was just wondering what excuse he could use to ask her out, and now she'd come to him on her own! He was overjoyed, but he didn't show it, "I'm practicing martial arts in the small park behind the school. You'll know if I'm confident when you see my unique skill. "

"Oh? You have a unique skill? Then I'll show Shu!" Yushu didn't think that pinliang would agree so quickly,"Wait for me in the small park behind the school. I'll be right there!"

"Okay ... Wait!" Pinliang suddenly changed the topic. "You're not here to get information for Lin Yi, are you? Did you take away my Zhong pinliang's Golden Cicada undergarments last time?"

"What middle-grade Golden Cicada underwear? What was that thing? Is it the same thing as pinliang's Golden Cicada underwear?" Chen Yushu asked.

"You don't know? Oh ... It's nothing. You can do it. " Pinliang said, feinting.

Chapter 2658 The Clothes Are Smoking

Ten minutes later, Yushu arrived at the park behind the school. If it were summer, there would be a lot of couples dating here, but it was winter now, and the weather was cold. Naturally, there weren't many

people here. Pinliang, on the other hand, was near a flower bed by the fountain, practicing some unknown technique ...

In fact, pinliang was just following the moves blindly-he couldn't activate the skill yet, but he could copy it and put on an act. He didn't want Lin Yi to faint on the stage, and he wouldn't have a way to deal with it.

"Liangy?" Yushu was confused when she saw that pinliang was really training. Did he inherit the skill? How did he become a cultivator?

"Oh, Shu, you're here?" Pinliang stopped his practice and called out to Xiaofu, "Xiaofu, go get some drinks ..."

This was what they'd agreed on beforehand-Xiaofu would spray some of the drug on the drink bottle, luring the centipede to bite Yushu without anyone noticing. Yushu didn't even know.

"Alright, Liang bro!" Xiaofu turned around and went to get some drinks, while pinliang sat down on a nearby flower bed. "Shu, tell me the truth, do you think I can be Chu Mengyao's bodyguard or not? Why do I feel like you've been toying with me?"

"Well, I can tell you the truth. When shield bro first came, we tricked him quite a few times, but he dodged every single one of them. This is also the path to becoming Yaoyao sis' bodyguard. " "There's a saying that you need to be strong to forge iron. A gentleman can't blame others, so you've been tricked. It only means that you're not strong enough, and you need more experience," Yushu said.

"I see ..." Pinliang thought about it and realized that Yushu's words made sense. It was true that they didn't like Lin Yi at first, and they even encouraged him to teach him a lesson. It seemed that Yushu wasn't lying this time.

But that didn't mean pinliang would let Yushu go just because he didn't lie to her. Xiaofu came back with three bottles of drinks, giving one to Yushu and the other to pinliang. He finished one himself.

Yushu wasn't prepared for it, and took it directly. Pinliang had always given her snacks, after all, and she didn't expect Xiaofu to do something to the drink.

Pinliang finished the drink in one gulp and threw the bottle away. He stood up and said to Yushu, "How about I show you my ultimate move now? Let's see if I can beat Lin Yi!"

"Alright!" Yushu nodded as she watched pinliang start practicing his skills. The skills came from fighting, not from triggering, but Yushu didn't know what was going on. She thought that pinliang had learned them from somewhere else!

Pinliang played with it for a while, and released the centipede when Yushu wasn't paying attention ...

When the centipede wasn't attacked, it was supposed to be looking for the lure. Yushu wasn't far away, and the centipede locked onto her in an instant. It ran to Yushu's side, burrowed into her pants, and bit down ...

"Eh? What's that?" Chen Yushu suddenly felt a slight pain in her lower leg. She was about to go and check it out when she suddenly felt dizzy and fell to the ground unconscious.

The centipede, on the other hand, quickly slipped out of Yushu's pants and back into pinliang's sleeve.

"Haha, this hundred drunken centipedes is really useful!" Pinliang was overjoyed to see Yushu faint-his confidence was boosted, and he was full of hope for the fight with Lin Yi. He turned to Xiaofu,"Give me the phone, I'll call Yaoyao and ask her to pick up Chen Yushu!"

"Alright!" Gao Xiaofu quickly handed his phone to Zhong pinliang. Zhong pinliang was practicing martial arts and it wasn't convenient for him to carry his phone around, so he gave it to Gao Xiaofu to keep.

Pinliang took the phone and dialed Mengyao's number.

Mengyao was waiting for Yushu to come back from the cafeteria after ordering some food when Yushu went to check on the situation. Pinliang's call made Mengyao uneasy,"Hello? Zhong pinliang, what's the matter?"

"Yaoyao, it's bad! Shu fainted!" Pinliang said, panicking.

"What? Shu fainted? What's going on?" Chu Mengyao was shocked. She stood up and ran out of the cafeteria, not caring about the food on the table. She ran towards the park behind the school.

"I don't know. Shu said she wanted to watch me practice, so I performed for her. But she suddenly fainted for no reason. I didn't dare to move, afraid that she might have an acute disease. It would be bad if something happened if I moved ..." Pinliang said.

"Liang bro ... You ..." Pinliang was explaining to Mengyao when Xiaofu interrupted.

"Xiaofu, don't say anything. We'll talk later!" Pinliang interrupted impatiently before turning to Mengyao. "Yaoyao, come to the park behind the school. It's inappropriate for me to carry her to the school Hospital ..."

"Alright, I'll head over immediately!" With that, Mengyao hung up and quickly called Lin Yi, telling him about Shu's unconscious state and asking him to get to the park behind the school as soon as possible.

Pinliang hung up the phone and looked at Xiaofu, "Fu, what's up? Can't you see that I'm on the phone with Chu Mengyao? What if we were to be exposed?"

"No, Liang bro, your sleeve ..." Xiaofu pointed at pinliang's sleeve, his face full of shock.

"What's wrong with my sleeve?" Pinliang asked, confused.

"Your sleeve is smoking ..." Gao Xiaofu suddenly exclaimed, ""Oh no, your sleeve is on fire ..."

"What?" Pinliang realized that his clothes were smoking, and his sleeves were on fire! This situation immediately gave him a big fright. ""What's the matter? What happened to my sleeve? Why is there a fire?"

Pinliang screamed as he fell to the ground and rolled around. He knew a thing or two about how to put out a fire, but it didn't work. He rolled around on the ground a few times, and the fire on his sleeve was still burning!

#### Chapter 2659 Centipede On Fire

Pinliang had no choice but to jump into the fountain beside the flower bed!

It was winter, and the fountain had warm water, but the weather was too cold. The water in the fountain had ice shards on it. Pinliang shivered from the cold, but the fire on him was finally put out!

Pinliang quickly climbed out of the pool and sneezed. "What's going on? Why is my body on fire for no reason?"

"Liang bro, that drunken centipede is still in your sleeve, will you be okay?" Xiaofu thought of the drunken centipede, wondering how it was doing.

"That's right, my centipede!" Pinliang was taken aback as he remembered that the sleeve that was on fire was the one that contained the centipede. He didn't know what had happened to the centipede, but it still didn't come out even after he finished chanting.

He hurriedly flipped open his sleeve and finally found the drunken centipede, but how was it still the drunken centipede?

The centipede was already dried up, and even though pinliang was drenched, the centipede was still red and smoking. Pinliang subconsciously threw the centipede on the ground ...

"Why is this drunken centipede smoking? Did it catch on fire just now?" Gao Xiaofu looked at the centipede on the ground, puzzled.

"What ... What's going on?" Pinliang looked at the centipede on the ground, dumbfounded. This was his trump card against Lin Yi, and now that it was on fire and dried up, it was obviously dead. What was he going to do about the test this afternoon? How did the centipede die?

The two were still studying the centipede when Mengyao and Lin Yi came running over. Pinliang had no choice but to roll it up with his sleeve, his face as dark as it could get ...

"Shu, how are you?" Chu Mengyao ran over and grabbed Chen Yushu's hand, calling out her name. She was the closest to Chen Yushu. Although they were always noisy, she was the one who cared the most when there was trouble.

"Yaoyao, don't be nervous. Let me take a look first!" Lin Yi let out a breath of relief when he saw that Yushu was still breathing.

"En ..." Chu Mengyao knew that she couldn't help much and quickly moved to the side to make room for Lin Yi.

Lin Yi placed his hand on Yushu's pulse, carefully examining her body's condition. Mengyao, on the other hand, glared at pinliang. "Zhong pinliang, did you do it?"

"What do you mean I did it ..." Pinliang said with a sad face. Mengyao didn't know why he was so sad, but it didn't look like he did anything to Shu. How would she know that pinliang's centipede had already dried up ...

"Shu's fine, she's just passed out. Everything's normal, and her breathing's steady. She doesn't look like she's poisoned, but she's drunk. But there's no alcohol in her body. That's weird, maybe she's too tired?" Lin Yi said after checking Yushu's condition.

"Oh? Is it like this?" Mengyao was confused as well, but she let out a breath of relief after hearing that Yushu was fine. "It's good that she's fine. Since she's fine, let's carry her back to the dormitory to rest. She looks really tired ..."

"Alright," he said. Lin Yi nodded and picked Yushu up. He looked at pinliang, who was sad for no reason, and said, "Zhong pinliang, I'll challenge you again in the afternoon. I'll send Shu back first."

"Okay ..." Pinliang wanted to cry, but no tears came out. He was thinking about what he should do- should he run? The drunken centipede was dead. If he went up the stage, wouldn't he be waiting to be beaten? He wasn't looking for a beating to this extent!

However, it would be embarrassing if he tried to run away. He had just bragged this morning and said that whoever didn't come would be the son of a B \* tch. Was he Zhong pinliang the son of a B \* tch? Pinliang was helpless, but there was nothing he could do ...

"Liang bro, what do we do?" Xiaofu didn't know what to do either.

"What else can we do? Run away, return to the sect and hide for a while. How could this centipede catch fire? "That's weird ..."Pinliang didn't have a choice-he'd just have to run, or he'd lose the fight anyway.

"Uh ... He's running away?" Xiaofu blinked, but after thinking about it, what else could he do but run?  
"Then shall we go back to the dormitory to pack up?"

"En, let's pack up and leave immediately!" Pinliang said, making up his mind.

Pinliang had no choice but to run-his centipede was dead, and he had no cards left to fight Lin Yi. He had no choice but to hurry back to the dormitory with Xiaofu, packing up his stuff and leaving the building.

However, the students passing by didn't think that they would run away. They thought that they were preparing for the match in the afternoon, and pinliang found an opening.

The two of them quietly went to the parking lot, got into the car, and drove out of the school gate ...

Lin Yi walked Yushu back to Mengyao's dormitory, and since she had fainted, the lady at the door didn't stop Lin Yi from going upstairs.

"Lin Yi, is Shu really fine?" Mengyao asked as she looked at the unconscious Yushu on the bed.

"I'm really fine. At least from what I can see, all the functions in my body are normal. He just fainted." "If nothing goes wrong, he'll wake up in about an hour," Lin Yi said.

"That's good. " "Have you eaten yet?" Mengyao asked, relieved. I haven't eaten yet. "

"No, I'll go buy it." Lin Yi hadn't even eaten when Mengyao called him over.

"It's okay, there's instant noodles in the dormitory. I'll go make two bowls. I'm a little worried about Shu," Mengyao didn't have much of an appetite, so she got up and went to make some noodles.

"Alright," he said. Lin Yi nodded.

The instant noodles were finished very quickly. Since Shu was unconscious, Lin Yi and Chu Mengyao sat there with nothing to do, and the atmosphere was a little awkward.

Although they were living together now, there was always Chen Yushu at home to cheer them up.

Chapter 2660 Pinliang Ran

The two of them rarely had the chance to be alone, so they didn't know what to say.

"You ..."

"You ..."

Lin Yi was about to say something when Mengyao opened her mouth. The two looked at each other and smiled.

"You go first," "I'm fine, actually," Lin Yi said with a smile.

"It's nothing much, I just wanted to ask if you're going to Zhong pinliang's challenge later?" Mengyao said with a smile, easing the tension between the two.

"I don't want to go, but I can 'T. He said that in the broadcast. If I don't go, I'll be a coward. Although I don't know who my mother is, I was raised by old Lin. Isn't that the same as scolding him?" Lin Yi smiled bitterly and shook his head helplessly.

"That's true. Zhong pinliang's really annoying. He's a little too stubborn. I don't like him, but he's never stopped bothering me. If it weren't for Shu's constant protection, I'd be really annoyed. " Mengyao sighed, her head aching at the thought of pinliang.

"That's true, but he's quite single-minded. It's just that he's a little abnormal to be so clingy." "And this guy's pretty lucky, too," Lin Yi said."He's still alive after an Jianwen cut his kidney ..."

"Forget it. Since there's no other way, then let's go." "I wonder what's pinliang up to this time?" Mengyao asked. According to his personality, if he doesn't have something to rely on, he won't easily challenge you. "

"We'll have to wait for Shu to wake up first. " Lin Yi already knew that Yushu was going to find out what pinliang had up his sleeve.

An hour passed by quickly, and Yushu opened her eyes in the middle of their conversation."Where am I? Eh? Yaoyao sis, shield bro? You're all here? This is a dormitory?"

"Shu, you fainted all of a sudden, what happened?" Mengyao asked, overjoyed to see Yushu awake.

"Ah ... Right, Zhong pinliang said that he'd show me his ultimate move, but I suddenly felt dizzy and didn't know what happened ..." Chen Yushu remembered,""I fainted? Why would I?"

"Could it be Zhong pinliang?" "Did he use some sort of method to make you faint?" Lin Yi asked.

"Eh? I felt a pain in my leg, as if I was bitten by something. I wanted to see what was going on, but I fainted!" Chen Yushu suddenly remembered the situation and quickly said.

"Let me see, which leg?" Lin Yi quickly asked.

"This is the place!" Chen Yushu opened up her pants and revealed her white legs. On it, there was a row of teeth marks. Chen Yushu was surprised,"What is this? I think it was bitten by a bug?"

"Let me see ..." Lin Yi observed the bite marks on Yushu's leg, but he couldn't tell what it was, ""Could it be a spiritual beast? Pinliang didn't get a spirit beast, did he?"

"It's possible. Shu knows that this spirit beast is pinliang's trump card. He's planning to Bite Shield bro and knock him unconscious in the afternoon's challenge. That way, he'll win!" Chen Yushu immediately thought of the cause and effect, "He's using Shu as an experiment!"

Yushu's deduction was pretty much the truth, but she didn't know what pinliang's motive was. She thought that pinliang was using her for an experiment.

"That's possible!" Lin Yi nodded, keeping his guard up. If pinliang really was going to use this unconscious spirit beast, then Lin Yi had to be careful. What if he fell for it and fainted? wouldn't he lose the battle before it even started? "Shu, it's all thanks to you this time. If you didn't risk your life, I might've been too careless!"

"Oh, that's good. Shu didn't faint for nothing. But Zhong pinliang's bad, he bit me with a spirit beast!" "I'll screw him over the next time I see him!"Yushu said angrily.

However, what Yushu didn't expect was that this time, even if it wasn't forever, it was almost the end. She hadn't heard from pinliang for a long time, and while Mengyao let out a breath of relief, she missed him a little. It was so lonely without someone to mess with ...

It was half past one in the afternoon, and the school field was filled with students. Many departments didn't have classes on Monday afternoons this month, and pinliang had picked a day like this to join in on the fun.

Lin Yi, Mengyao, and Yushu arrived at the school's field when someone called out, "Lin Yi's here!" Everyone's eyes focused on him!

In fact, Lin Yi wasn't a famous person in the school-he'd only gained a bit of fame after beating Zhong pinliang last time, and pinliang's opponent this time was still Lin Yi, so he'd gained some fame.

Lin Yi and the others came to the middle of the field to see Bai Weitao, he meiyue, Wang Xinyan, han Jingjing, and the others already there. Even you Panhu and Kang Zhaolong were there to watch the show, but Zhong pinliang was nowhere to be seen!

According to the usual management, pinliang would be waiting for the match at the start of the day, while Lin Yi would be on time. But this time, Lin Yi was here, but pinliang wasn't.

"Where's Zhong pinliang?" Lin Yi asked, surprised.

"I didn't see him. He hasn't come. His follower isn't here either. If you didn't come, we would have thought that the challenge was canceled!" Bai Weitao asked in confusion.

"He didn't come?" Lin Yi was even more confused-pinliang wouldn't be late, after all. He'd have come here long ago if he was sure he'd win!

Lin Yi waited for a while, but pinliang and Xiaofu still hadn't arrived. It'd already been twenty minutes, and the students were starting to get impatient as they complained about pinliang for not keeping his promise.

Helplessly, Lin Yi took out his phone and dialed Zhong pinliang's number. The call went through, but the other side didn't pick up. The call ended immediately, and Lin Yi was even more confused. What was Zhong pinliang doing?

Lin Yi called again, but the call was hung up again. Helpless, he turned to the people present. "Which one of you is in the same class as Zhong pinliang? Who's going to see if he's in the dormitory?"

"No, we just went to look for him ..." Someone replied as soon as Lin Yi finished his sentence. It turned out that someone else had lost their patience and went to look for Zhong pinliang.
