

Bodyguard 2671

Chapter 2671 Whose Clothes Are They?

The car slowly drove into the sea view Bay Villa area. Lin Yi parked the car in front of the Chu villa and got out. He said to Yu Dake, ""Wait for me here, I'll be right back after I get some clothes."

"Okay, Mr. Lin, you can go now." Yu Dake said, still thinking about what Lin Yi meant. What did he mean by her body having an affair with the male thief? He didn't care?

Did he really not care? Did he care too much about Yu Xiaoke that he didn't care about these things, or did he not care about Yu Xiaoke at all and just treated her as a toy? The more Yu Dake thought about it, the more conflicted he felt-even more so than Yu Xiaoke!

If Lin Yi had known that he would be so conflicted, he wouldn't have teased him! Whether he cared or not, Lin Yi wouldn't make a cuckold out of himself. Others might not know, but Lin Yi himself knew. Was there any difference between Lin Yi and the male thief?

Lin Yi got out of the car and entered the villa he hadn't seen in a long time. He felt emotional as he looked at the familiar scene. He went upstairs and went to Chu Mengyao and Chen Yushu's room. It was once a forbidden area for Lin Yi, but he didn't know when it started, but the two's rooms were open to him, and he could walk here as if it was flat ground.

Lin Yi took a travel case and put the two's winter clothes in it, but there were too many clothes for the two of them. Lin Yi could only choose some according to his taste. After putting the clothes in, he went downstairs to his room.

Lin Yi didn't have many clothes-he only had a leather jacket that uncle Fu bought for him when he first arrived. This was his first winter here, and he didn't really buy any clothes, so it was quite convenient. He opened his closet and took out his jacket, putting it on the top of his suitcase.

However, when Lin Yi took out the jacket, he pulled out a worn-out school uniform from his closet!

"Eh?" Lin Yi picked up the school uniform, confused. He had no memory of it at all. When did he leave it in his closet? Instead of throwing away this broken school uniform, what was he doing here?

However, when Lin Yi picked up the school uniform and looked at it carefully, he realized that it was a girl's uniform!

Could it be Yaoyao or Shu? But why did Yaoyao and Shu leave their uniforms here? Or did he put it there himself? Could it be that he had a habit of collecting school uniforms? Lin Yi couldn't figure out where this uniform came from!

Lin Yi didn't dare throw it away since he couldn't remember where he got it from. He put it back in his closet and decided to ask Yaoyao and Shu if they knew where he got it from.

He put the uniform back, but there was a familiar smell on his hand. It came from the uniform, but Lin Yi didn't think it was the Miss or Shu's smell. Even if they used perfume, it wouldn't be this smell.

As for Xinyan ... Lin Yi didn't think he'd ever get her uniform in high school, right?

Xiaoxiao, on the other hand, didn't even seem to be wearing a uniform! Back then, she was one of the big four tyrants on campus, and she didn't even wear a uniform to school.

Lin Yi shook his head-he wouldn't think about it if he couldn't figure it out right now. He packed his stuff and left the villa. He put his luggage in the trunk and got in the car, heading back to Donghai city.

Yu Dake left that night and went back to the Hidden House you. He exchanged contact numbers with Lin Yi, saying that they would contact each other when they had time. Yu Dake was very regretful that he couldn't help Yu Xiaoke, but there was nothing he could do. On one hand, she was his Savior, and on the other, she was his sister. He couldn't force her.

Chu Mengyao and Chen Yushu were still awake. The Miss who was watching cartoons on the sofa got up to welcome Lin Yi when she saw him. She took the big luggage from Lin Yi's hands,"Lin Yi, you're back. Thank you for your hard work."

"Hehe, you're too polite." Lin Yi smiled,"the leather jacket on the top is mine. The clothes below are yours and Shu's ... Oh, right, there's something. There's a damaged girl's uniform in my closet. Is it yours?"

"Ah?" Mengyao blinked, confused."What girl's uniform?"

"It's our school uniform, but it's torn. It looks like it's been specially kept?" Lin Yi said.

"Your collection?" Chu Mengyao was even more confused. She looked at Lin Yi up and down. She didn't think that Lin Yi had a hobby of collecting other people's school uniform.

"I don't know if it's me or not, I don't remember ..." Lin Yi was just curious. It wasn't a big deal, but he wanted to get to the bottom of it.

"Then ..." Mengyao was about to say something when she raised her head and saw Yushu behind Lin Yi, blinking her eyes at her. Mengyao was shocked and thought of a possibility, ""Oh, that looks like my school uniform. I threw it in before you moved into the villa!"

"Yours?" Lin Yi looked at the enlightened Mengyao, suspicious. "Your ... Since it's so broken, why didn't you throw it away?"

"Oh, that's a school uniform that I quite like, so I kept it." Mengyao said.

"You? You like the school uniform?" Lin Yi was even more confused-since when did the Miss like school uniforms? And why was he still keeping it when it was already in tatters? With Chu pengzhan's status as the chairman of Songshan's first school, he could have as many school uniforms as he wanted. Why would he keep a broken one?

"Oh, shield bro, what's wrong with you today? What's the big deal about not putting in a school uniform?" "Oh, Shu got it. Is shield bro trying to use the school uniform to masturbate and confirm his target?" Yushu interrupted.

"Pfft ..." Lin Yi blushed, remembering how Yushu "caught" him in the act when he first came to the villa. He coughed a couple of times, realizing that he was acting a little weird today. Why would he study a broken school uniform?

However, the uniform seemed to have some sort of magic to it-it was deeply imprinted in Lin Yi's mind, and he couldn't help but want to know what it was! In fact, this was one of the side effects of the herb liquid. Although Lin Yi had forgotten about Tang Yun after drinking the liquid mixed with her blood, and he had also forgotten everything related to her, the things could be forgotten, but the items would still be there. If he accidentally saw an item from the past, he would feel like he knew it before, and it would mess up his memory.

Chapter 2672 Can't Find Her

However, the herb liquid was only used for practitioners in the valley. Since they were in the valley, they couldn't come into contact with the things from the past, so there wouldn't be this problem. Lin Yi, on the other hand, was still living in the same place, but Tang Yun wasn't there, so it often caused confusion and gaps in his memory.

"Forget it, I was just asking." Lin Yi shook his head, not wanting to dwell on the topic.

Mengyao and Yushu let out a breath of relief, worried that Lin Yi might have thought of something.

However, the things that happened these few times made them more and more worried. They didn't know if Lin Yi would come into contact with more things and things related to Tang Yun. If that was the case, what would they do?

He didn't know how Tang Yun was doing, but Mengyao and Yushu missed her a lot. They knew that Tang Yun couldn't call her so easily, and they couldn't go to the valley to visit her, so they couldn't tell Lin Yi.

The two of them went upstairs, both a little worried.

"Shu, your plan doesn't work. Didn't you say that Lin Yi wouldn't miss Tang Yin anymore if you found him a big wife? He's already found a wife, but he still wants to!" "If I knew this would happen, I wouldn't have helped him ..." Mengyao said helplessly.

"Ah ... Oh ... Uh ... This, it's definitely because sister Xinyan hasn't agreed to be the main wife! It'll be fine once you agree ..."Yushu said."Yaoyao sis, are you jealous? are you regretting it now? if you knew this would happen, you would've taken the position yourself!"

"Ahem ... What does it have to do with me? I don't think Wang Xinyan is bad." Mengyao shook her head."I'm just saying. Wang Xinyan can help Lin Yi with his training. I can't let an outsider take advantage of it."

"Yeah, but Yaoyao sis" position as the first wife is going to be taken away!" Chen Yushu replied.

"What first wife? Don't drag me into this, tell me what we should do about Tang Yin first. " Mengyao said, ignoring Yushu's question.

"Yaoyao sis has a guilty conscience." Chen Yushu pouted, seeing that Chu Mengyao didn't want to talk about this, she could only say,"Maybe we should ask Tang Yin sis?"

"What do you mean?" Mengyao asked.

"Maybe we should get Xiaobo and Fen to go to the valley? We can't go, but they can!" Chen Yushu suggested.

"That's fine, I'll let them see how Tang Yun is doing. I miss her a lot ..." Chu Mengyao's personality was like this. She used to argue with Tang Yun, but now that their relationship had improved, she missed her a lot.

"Okay, I'll give Kang Xiaobo a call ..." Chen Yushu picked up the phone and decided.

Xiaobo didn't think that Yushu would ask him to visit Tang Yin-it was a pleasant surprise. Fen and Xinwen had mentioned that they wanted to visit Tang Yin before they came to the company, but Xiaobo didn't know how to explain it to Lin Yi. After all, he was the Vice President of a medicine company now. He couldn't just leave for a vacation for no reason, could he?

Even if they were going on a vacation, they should at least tell Lin Yi first. Plus, he just went on a vacation with Fen during the summer break-going on a vacation again in such a short time? It wasn't too realistic either, and so Fen and Xinwen had to put the idea on hold.

Now that Yushu was asking him to visit Tang Yin, and even said that she'd be able to settle Lin Yi's stuff, Xiaobo was naturally overjoyed and agreed immediately.

The reason Yushu gave Lin Yi was simple-didn't she have a high fever all the time? She needed a type of herb right now, and she needed to buy it from a medicine merchant herself. This medicine merchant was recommended by Xinyan's father, and was very reliable. This medicine merchant also had a lot of other wholesale herbs, so she asked Xiaobo, the Vice President of the medicine company, to go and see and buy the herbs Shu needed. As for the other herbs, if they were cheap, they could buy some as well.

Lin Yi was a little curious as to how Yushu knew what kind of herb Xinyan needed, but she always did weird things that were out of Lin Yi's expectations. He didn't ask if she didn't want to tell him, but it was Xinyan's father's recommendation anyway, so there shouldn't be a problem.

Xinyan was also involved in the scam, but she was happy to help after knowing the truth. The only thing that troubled her was that Mengyao wanted her to be the main wife instead of Tang Yun-she really couldn't do that! Tang Yun couldn't acknowledge Lin Yi because of the ancient sect, but she couldn't either!

With Zhaoming's identity as a member of the Tianming alchemy sect, she couldn't be with Lin Yi in a proper way. She'd be hurting Lin Yi if she did that, and so she was conflicted-should she come clean with Mengyao? Speak of his own difficulties?

But no matter what, Xiaobo had the right to take Fen and Xinwen to the valley. He had a mission for Yushu, and there was a lot of things he wanted to talk to her about. The two of them were Tang Yin's childhood friends, and now that Tang Yin was gone, they missed her very much. They were really excited to see her.

This morning, an overseas detective came to the Songshan police station. Because Tang Yuqi was very famous overseas, and some people in the police station here knew about Tang Yuqi's name and had seen the cases Tang Yuqi solved on TV, they respected this person. So when he suddenly came to the Songshan police station, everyone was surprised and thought he was investigating some case.

However, when Tang Yuqi explained why he was here, everyone was surprised. They didn't expect the famous detective Tang Yuqi's hometown to be Songshan, and that he was here to find his uncle!

"Tang Jucheng, that name sounds familiar ... Oh, I remember now, our Captain song was in charge of a case before, it's his family 's!" It was the new captain of Songshan's Criminal Investigation Unit, one of song Lingshan's ex-subordinates, Zhang.

"Oh? A case happened at his house?" Tang Yuqi's expression changed. He asked worriedly, "What happened?"

Tang Yuqi was a detective, so he naturally knew that a case that the criminal investigation team was in charge of wasn't a small case, so he was a little nervous. He didn't want something big to happen.

"Haha, don't worry, it's not a big deal. It's just Tang Jucheng's daughter. She was injured in a violent demolition case, and her head was hit by the falling debris, but she's fine now." Captain Zhang introduced.

Chapter 2673 Moved Away Long Ago

"I see ..." Tang Yuqi let out a sigh of relief. Tang Jucheng's daughter was his cousin. It was good that she was fine!

Captain Zhang naturally knew the whole story, but there were some details he couldn't tell Tang Yuqi. It involved Lin Yi and Zhao Qibing, so he couldn't say much, "Now that Tang Jucheng has moved, I'll ask the police to check his new address for you. You can go visit him."

"Alright, thank you!" Tang Yuqi quickly said.

It didn't take long for them to find out Tang Jucheng's new address. When his family came to move their accounts, they moved to the new address, Xuanji changhuan garden, which was the area fatty Lai developed.

Tang Yuqi didn't waste any time. He got into the rented car and rushed to Chang Xiang garden. He knocked on Tang Jucheng's door according to the house number provided by Captain Zhang.

However, no one came out to open the door after Tang Yuqi knocked for a long time. Just as Tang Jucheng thought that the person in the house had gone out and was about to wait outside, the neighbor was knocked out!

"Who are you looking for?" An old man walked out of the room next door and looked at Tang Yuqi vigilantly.

"Hello, Sir. Is this Tang Jucheng's house?" Tang Yuqi asked with a smile.

"Yes, you're looking for him?" The old neighbor still did not let down his guard. He was ready to ring the alarm at the door to call the security guard. "Who are you?"

"Hello, Sir. My name is Tang Yuqi. I'm from overseas and I'm tang Jucheng's nephew. I just came from the police station. The police helped me get my second uncle's address." Tang Yuqi introduced herself.

"Oh, it's Jucheng's nephew!" When the old neighbor heard that Tang Yuqi had gotten the address from the police station, he heaved a sigh of relief. "Here's the thing, you're late. Tang Jucheng's family has already moved away ..."

"Moved away? Didn't he just move in not long ago?" Tang Yuqi was a little confused. Tang Jucheng's family had just moved in not long ago, and this community was newly built. There was no reason to move out as soon as they moved in!

"They just moved in, but I think they went out of town. I don't know the details, but I saw Tang Jucheng and his wife pack their bags into a car and left. They never came back." The old neighbor said.

"You're out of town? He never came back?" Tang Yuqi suddenly felt like he was late and quickly asked.

"Yes. After he left, there was no news from him. He never came back." The old neighbor nodded.

"Do you know when they're leaving, Sir?" Tang Yuqi hurriedly asked.

"Probably in July or August. If you want to find them, you should ask those who are familiar with their family. I'm not sure about other things." The old neighbor said.

"Okay, uncle, I'll have to trouble you then. I'll go to the police station to ask again ..." Tang Yuqi didn't know anyone here, so he didn't know anything. He didn't know who Tang Jucheng's family usually kept in touch with, so he could only go to the police station to ask for more information.

After leaving the Chang Xiang garden community, Tang Yuqi returned to the police station again. He found Captain Zhang and told him in detail about the trouble he had encountered.

"The whole family moved away?" Captain Zhang was also stunned. He immediately found the household registration police and asked. Then he said to Tang Yuqi, "We have no news here ... I don't think they moved. Maybe they went to a friend's house?"

"I think so, Captain Zhang. Do you know who is more familiar with my second uncle's family? "Because his family just moved to this area, so he's not familiar with the neighbors ..." Tang Yuqi said.

"His family is quite familiar with our old captain, Captain song. Why don't you ask Captain song?" Captain Zhang thought about it and suggested, "the shanty town has been demolished, but the new community hasn't been built yet. The migrants haven't moved back yet. They're all renting houses outside. I'm not sure who's close to their families, so it's hard to find them one by one. Why don't you ask Captain song and see if there's any news?"

"Okay, then I'll have to trouble Captain Zhang to help introduce him." Tang Yuqi nodded.

Captain Zhang called song Lingshan and told her about Tang Yuqi's situation. He wanted to tell her over the phone, but Tang Yuqi didn't have anything to do and Songshan wasn't that far away, so he went to Donghai in person.

On the phone, song Lingshan didn't show anything, only saying that she would do her best to help Tang Yuqi. But after hanging up, song Lingshan fell into deep thought. Tang Yun going to the snow Valley to cultivate was a secret. Although song Lingshan knew, she couldn't tell Tang Yuqi so easily. Even if Tang Yuqi was Tang Jucheng's nephew and Tang Yun's cousin, this matter involved a lot of trouble, especially Lin Yi. Would Tang Yuqi's appearance involve Lin Yi?

So Lingshan was hesitating if she should tell Tang Yuqi the truth.

Just as song Lingshan was hesitating, Tang Yuqi arrived at the Donghai City Police station and met song Lingshan.

Song Lingshan's beauty made Tang Yuqi's eyes light up. He didn't expect the female officer in front of him to be so heroic and valiant, but also not lacking in charm.

Tang Yuqi was an authentic Chinese, and his aesthetic point of view was also the same as that of the Easterners. He had been overseas and hadn't had a girlfriend until now. He also hadn't met a suitable Easterner, but he didn't expect to meet a girl in Donghai city that could move his heart.

"Hello, Ms. Song, I'm tang Yuqi. Captain Zhang of the Songshan police station told me to come and see you." Tang Yuqi said politely. However, he didn't address song Lingshan as formally as he did now. He called her miss song.

"Hello, Mr. Tang." Song Lingshan didn't mind the way Tang Yuqi called her. She thought that he was used to calling young women that since he came from overseas. "You're looking for Tang Jucheng's family, aren't you, Mr. Tang?"

"Yes, miss song. Captain Zhang said that you have a good relationship with my second uncle's family. You were also in charge of my cousin's case. Is that true?" Tang Yuqi asked.

"That's true, but I'm tang Jucheng's family, so I'm not that close. After I was transferred to the Donghai police station, we didn't talk anymore. " Lingshan said.

"Miss song, as far as I know, you weren't in Donghai city when my second uncle's family moved. So please think about it again. My second uncle's family moved in July or August. Do you have any impression of them?" Tang Yuqi was a detective, so he paid attention to details. He didn't mean to refute song Lingshan, but he just said it when he thought about it.

However, Lingshan's face changed slightly. There were some things that she couldn't say!

Chapter 2674 Temporarily Hide

Especially since Tang Yun's training in the valley was a secret. Without Chu Mengyao's permission, she couldn't tell Tang Yuqi.

This was already beyond her job scope, so she pondered for a bit and said, "Did they leave in July or August? I really didn't notice that. I thought he just left recently ..."

"Is that so?" As a detective, Tang Yuqi was very sensitive. He felt like song Lingshan was hiding something from him.

"Of course, but I can help you ask around. I have a friend who's pretty close to Tang Yin, I'll see if she knows anything." Lingshan decided to ask Mengyao first before deciding.

"Oh? In that case, can you introduce me to this friend so that we can pay him a visit together?" Tang Yuqi's eyes brightened, and he quickly asked.

"I'm afraid I can't do that. Before my friend agrees, I can't reveal her identity," Lingshan shook her head, "She's different from me. You asked me to help you find your second uncle through Captain Zhang. It's my job, but my friend doesn't want anyone to disturb her. I hope you can understand, Mr. Tang. "

"I understand." Tang Yuqi nodded and said, "I was a little anxious and reckless. Alright then. Captain song, this is my business card. My contact information is on it. I'll stay nearby for now. We'll keep in touch at any time. If you have any news, please let me know immediately."

"Sure, I'll let you know if I have any news." Song Lingshan nodded and took Tang Yuqi's business card. It was in a foreign language, but Tang Yuqi had written a temporary number on it.

Tang Yuqi didn't say anything more. He just got up and left. From song Lingshan's tone and expression, he could tell that song Lingshan was hiding something from him, but he couldn't ask. From Tang Yuqi's deduction, it probably involved song Lingshan's friend, and it should be some private information. If song Lingshan didn't want to tell him, then there was no point in asking. He might as well wait patiently for the news.

Song Lingshan waited for Tang Yuqi to leave before calling Chu Mengyao. Although she had some conflicts with Chu Mengyao in the past, their relationship naturally became much better after the time they cooperated and let Chu Mengyao escape with the unconscious Lin Yi.

"Lingshan sis? You're looking for me?" Chu Mengyao was surprised. She was in class and song Lingshan called. She asked for leave from the teacher and came out of the classroom to answer the call. Usually, song Lingshan wouldn't call her for small talk. The only possibility was that she had something to do.

"Yes, Yaoyao. I do have something important to discuss with you. I can't make up my mind, so I'm asking for your opinion." Lingshan said.

"Ah? You're asking for my opinion?" Mengyao was taken aback. She didn't understand why Lingshan was asking for her opinion. "Lingshan sis, why are you ... Asking me about your matters?"

"Haha, I didn't make myself clear. This isn't just about me, it's about Lin Yi and Tang Yin." "Actually, it's like this, someone's here for Tang Yin" Lingshan quickly added.

"You're here for Tang Yin? What's going on?" Chu Mengyao was shocked and asked, "Who is it?"

"It's not an enemy, it's Tang Yun's relatives. Don't worry, Mengyao, it's like this ..." With that, song Lingshan told Chu Mengyao in detail about Tang Yuqi looking for Tang Jucheng's family today.

Chu Mengyao heard song Lingshan's words and fell into deep thought. She really didn't dare to tell anyone about Tang Yun's situation! Although Tang Yuqi was Tang Jucheng's nephew and Tang Yun's cousin, they weren't very close. He didn't know what kind of person he was and whether he would reveal this secret.

The most important thing was that this was kept from Lin Yi. If Tang Yuqi knew, would he tell Lin Yi? If he did, then all his efforts would be in vain. With Lin Yi's personality, he would definitely go to the valley to find Tang Yun and stop her from practicing the heartless Sutra, but if he really did stop her, would the valley let him go?

With Lin Yi's current strength, he could fight people above his level and kill Sky Class Masters in seconds, but he was still far from the Sky Class late phase peak of the ancient level. Chu Mengyao couldn't let Lin Yi take the risk!

Plus, it was hard to say if the Tang Yin now was still the Tang Yin of the past. Would Tang Yin, who'd learned the heartless chant, still have any interactions with Lin Yi?

All of this was Chu Mengyao's concern, so after some hesitation, she said, ""Lingshan sis, I think we need to be careful about this. Although this person is Tang Yun's cousin and is considered a close relative, we don't know his character, so I think we should observe and interact with him for a while. If this person is really reliable, then there's no harm in telling him. But if he isn 't, telling him would only ruin things. Would it cause him any trouble if he told him? Eh? He's called Tang Yuqi?"

Chu Mengyao said. She suddenly felt that the name Tang Yuqi was familiar. I seem to have heard of it somewhere?

However, Mengyao couldn't recall who it was at the moment. It was probably someone she wasn't very familiar with, maybe she'd only heard of his name or met him once. Mengyao didn't bother thinking about it.

"Yes, he's called Tang Yuqi. Why? do you know Yaoyao?" Lingshan blinked.

"I don't know him, I think he's just familiar. Maybe that's why I heard Lin Yi say that there's a disciple of the Hidden House called Tang Qiqi." Mengyao said.

"Oh, I think so too. I'm going to observe this Tang Yuqi first. If he's really a reliable person, then it's fine for me to tell him the truth. But if he's not, then forget it." "Also, it's important to know if he knows anything about practitioners. I'll find a chance to test him," Lingshan said.

"Okay, Lingshan sis, you decide, but just try not to affect Lin Yi." Mengyao said.

"Yes, I understand." "Don't worry, I'll see what I can do." Lingshan nodded.

Chapter 2675 Going Out For A Walk

The Hidden House Yu's town was a place with beautiful mountains and clear waters. On a small hill, there were many ancient European castles and manors. This was the base of the Hidden House Yu.

When they chose their location, they usually chose a quiet place because it was far away from the noise. The air pollution was less, and it was easier to cultivate.

This was also the reason why the Hidden House Han and the Hidden House Zhao were both established in the suburbs.

The town wasn't a tourist attraction, and the castle on the mountain was pretty, but it was private property, so there weren't many tourists. Qibing and uncle Zhu found a hotel to stay in.

Uncle Zhu didn't know what Qibing was doing here. He had been staying here for a day, and there was still no news or mission. He asked Qibing, but he only smiled and told him to wait patiently.

Uncle Zhu didn't want Qibing to get suspicious, so he didn't ask any more questions. He waited in the hotel room silently, but during this time, he secretly gave Lin Yi a call.

"Boss, I'm second Zhu!" Uncle Zhu lowered his voice. He didn't need to be on guard against Qibing—he was just an Earth Class early phase who didn't train hard to stabilize his strength. There was no way he could hear what uncle Zhu was saying in the room. Qibing's perception was not good at all—he wasn't even as good as second Zhu!

Even though Lin Yi was the one who helped second brother Zhu level up, he'd been spending every second of his time stabilizing his strength. To him, it was normal to work hard for the past few decades, it would be weird if he didn't. Plus, Lin Yi's leveling up was much easier to stabilize than normal, uncle Zhu just needed to stabilize the energy he gained from the Qi gathering pill.

"Oh? Uncle Zhu, what's the matter?" Lin Yi asked.

"Boss, Zhao Qibing brought me to the heavenly Rain Town. I don't know what's going on, but he's been here for a day. I asked him, but he didn't say what he wanted to do." Uncle Zhu said.

"Oh? What kind of place is this heavenly Rain Town?" Lin Yi didn't know that the Hidden House Yu was located in Tianyu town.

"This is the Hidden House Yu's territory, and Zhao Qibing's thousand kick martial arts came from the Hidden House Yu. So I suspect that he's here to ask for some martial arts or something?" Uncle Zhu guessed.

"Oh? "That's where the Hidden House Yu is ..."Lin Yi was a little surprised, but he didn't know what Qibing was up to,"it's the Hidden House Yu."Zhu Lao er, keep an eye on Zhao Qibing's movements, and let me know if anything happens."

"Alright, boss. I'll see if he's going to come up with any new trump cards." Second Zhu brother nodded and said.

Zhao Qibing was actually waiting for Yu Shan's call. It wasn't that he didn't trust uncle Zhu, but he didn't want to cause more trouble, so he didn't tell him anything according to what elder Yu said.

Finally, in the evening, Zhao Qibing finally received a call from Yu Shan!

"Big brother Yu Shan, how is it? Is there any news?" Zhao Qibing saw Yu Shan's name on the phone and quickly asked excitedly.

"In a bit, the Hidden House Yu will be holding a family dinner. After the dinner, I'll try to bring Yu Ning out. If I come out, I'll send you a text and you'll be ready, okay?" Yu Shan asked quickly.

"No problem, I've prepared everything. Don't worry, brother Yu Shan, I'll catch Yu Ning. Can you tell me where to wait?" Qibing patted his chest as he promised.

"In a bit, I'll think of a way to get Yu Ning to go out with me. It should be near the Hidden House Yu's back mountain, you just have to wait there." Yu Shan ordered.

"Okay, I'll go over now." Qibing nodded.

After hanging up, Qikun went to knock on uncle Zhu's door, scaring the hell out of him, "Who is it?"

"Uncle Zhu, it's me, open the door!" Qibing said quickly.

From Qibing's tone, uncle Zhu thought that he had heard his conversation with Lin Yi. His heart was about to explode, but he opened the door quietly and asked carefully, "Master Bing, I was playing with my phone, what's up?"

"Oh, then stop playing and go out with me to do something. Hurry!" Qibing didn't care what uncle Zhu was doing at all.

"Ah? Good!" Uncle Zhu let out a breath of relief, ""Do what? Master Bing, I need to be prepared. "

"Arrest them!" "Hurry up, there's no need to prepare, let's go!" Qibing said.

"Oh, okay!" Uncle Zhu nodded and quickly followed Qibing out of the room. He asked as they walked, "Who are we going to catch?"

"You'll know when we get there. " Zhao Qibing waved his hand and didn't say anything.

Uncle Zhu had no choice but to follow Qibing ...

Hidden house Yu, today was the day of the family dinner. Every once in a while, the Hidden House Yu would hold a dinner, and all the direct descendants would attend. Yu Shan and Yu Ning, as the younger generation, were no exception.

If it was before, Yu Shan wouldn't have attended a gathering like this. He was already a cripple, and he didn't want to have any status in the house anymore. He couldn't be bothered to attend a gathering like this.

However, today was different. He had a mission to complete, so he came to the gathering.

Xiaochen was a little surprised that Yu Shan was here-he didn't really like Yu Shan, but as the head of the house, he still nodded and smiled,"Yushan, you're finally here for the family dinner? I thought you'd only come out when there were outsiders. "

"Hehe, uncle, I've thought it through. So be it if I'm crippled. Although I can't cultivate anymore, I can still contribute to the family. I can't continue to be so dispirited." Yu Shan said.

"Oh? It's good that you can think this way. " Xiaochen said encouragingly after a pause.

The dinner this time was no different from the usual dinner. The old elder of house Yu also came down from the mountain to join the dinner, but he didn't talk much. Even when he saw Yu Shan, he only nodded and didn't say anything.

The dinner ended quickly, and just as everyone was about to leave, Yu Shan spoke up,"Ning, it's rare that I'm in a good mood today. Why don't you push me out for a walk?"

He was a cripple now, and had to move around in a wheelchair. Yu Ning was surprised that Yu Shan would say something like that. After he got injured, he didn't talk to his family, did he?

Chapter 2676 Zhao Qibing Takes Action

Yu Ning looked at her father, Yu Xiaochen, confused. Xiaochen was confused as well, but remembering how Yu Shan's personality changed before dinner, he couldn't reject him. He nodded,"Ning, just push Yu Shan around the area-you two should have a chat. If he's recovered, I'll give him some Butler duties."

"Yes, father." Yu Ning nodded and pushed Yu Shan's wheelchair out of the Hidden House Yu.

The old elder of house Yu had already left, so he didn't know about this. Xiaochen didn't think too much about it, either-he wouldn't have thought that something would happen near his house, so he didn't mind.

Yu Ning pushed Yu Shan out of the castle and came to the manor in the mountain behind the house. She didn't know what to say. She knew how Yu Shan got injured. Although he deserved it, at least it was caused by her brother and Lin Yi, so she still felt a little guilty.

"Ning, I know that you must be thinking that I hate your brother, right?" Yu Shan saw that Yu Ning wasn't saying anything, so he started a conversation. He couldn't just keep quiet, otherwise, how could he stall for time and let Yu Ning push him to the back mountain?

"Ah ..." Yu Ning froze, not expecting Yu Shan to be so direct. But she still shook her head, "No, we're all Yu, and we're all cousins. It's all in the past now, and Yushan bro, you're here for the family dinner-it means you've gotten over the trauma, right?"

"Hehe, yeah, you're right. There's a saying that you can't write two" Yu "in one stroke. Although Yu Bing and the others crippled me, I brought it on myself. I was injured because I wasn't strong enough, so who can I blame? It's good that you've thought it through. " "I've been thinking about a lot of things these days ..." Yu Shan smiled. Can't you see that we're talking about family matters? What are you doing so close? Are you trying to eavesdrop?"

Yu Shan stopped the conversation abruptly and chided a servant who was tending to the garden nearby.

"Argh! Young master Yushan ... I ... I wasn't eavesdropping!" The servant was shocked and quickly shook his head to prove his innocence.

"Yushan bro, he's just working here-he's not trying to eavesdrop on us, so don't make things difficult for him." Yu Ning was kind and tried to stop him, but she didn't doubt Yu Shan's actions. Yu Shan had always been like this, ever since he was crippled, his temper wasn't very good. He often scolded the servants and disciples at home, so his actions were normal to Yu Ning.

"Hmph, aren't you going to thank miss Yuning?" Yu Shan hmphed coldly.

"Thank you, miss Yuning, thank you ..." The servant quickly said gratefully.

"Ning, let's go to the back of the mountain where there's no one else. We don't want the servants to eavesdrop on us." Yu Shan hmphed again before speaking to Yu Ning.

"Oh, okay ..." With what happened just now, Yu Ning didn't think much about it and pushed Yu Shan towards the back of the mountain ...

The two of them chatted as they walked, and it was quite an intimate conversation. Yu Ning thought that Yu Shan had really thought things through, and was very happy. The harmony of house Yu was the most important thing to Yu Ning, and if Yu Shan could think things through, it would be good for him to be in charge of some Butler work.

Yu Shan was laughing coldly on the inside. Ning, you're too naïve, believing whatever I say? You'll be dumbfounded when Zhao Qibing takes you away!

At this moment, Zhao Qibing was already hiding in the Hidden House Yu's back mountain. The two of them were both Earth Class practitioners, and it was easy for them to hide from the patrolling disciples. The Hidden House Yu was only a hidden house, and the patrolling disciples were only golden class Masters-they couldn't be compared to the ancient level.

Zhao Qibing had already received the message from Yu Shan, and was ready to take Yu Ning away at any time. When Yu Shan and Yu Ning got closer, Zhao Qibing ordered uncle Zhu, ""Uncle Zhu, knock that girl out and carry her away! But you have to pay attention to the position of the shoulder, don't touch it, she's my future wife!"

"Yes!" Uncle Zhu's heart shivered as he quickly replied. He thought to himself, "I'm already so old, of course I wouldn't touch you." However, he was curious why Zhao Qibing would come to the Hidden House Yu's territory to capture someone. What was he up to?

Uncle Zhu didn't know Yu Ning, so he didn't know who the man and woman were. He was a little hesitant before he moved, ""Master Bing, only the woman? What about the man in the wheelchair? Should we kill them or capture them together?"

"When you get there, knock the man out and only capture the woman." Qibing said.

"Ah? Doesn't that mean he saw my face?" Uncle Zhu asked, stunned.

"Don't worry, that's My Spy, the Hidden House Yu's young master Yu Shan, and that girl is his sister Yu Ning, I'm planning to take her as my wife!" Qibing was worried that uncle Zhu wouldn't be at ease, so he explained. Of course, he wasn't afraid of the news being leaked when they were about to move!

He would be exposed sooner or later, and that would be the time for him to propose marriage to the Hidden House Yu. What was done was done, there was nothing to be afraid of.

"Ah? Yu Ning? But do we need to knock out an inside man?" Uncle Zhu froze, thinking that this Zhao Qibing was quite bold, even daring to kidnap the Miss of house Yu. However, he didn't think much of it, since he didn't know the relationship between Lin Yi and Yu Ning. In uncle Zhu's impression, Lin Yi and the Hidden House Zhao and hidden house Yu were enemies.

"Yes, wouldn't we be exposed if we don't knock him out? Alright, let's get to work!" Zhao Qibing ordered as he saw the two approaching.

"Yes!" Uncle Zhu nodded and understood. He quickly rushed over and knocked Yu Ning unconscious before she could react. Then, he knocked Yu Shan unconscious before he could react. He carried Yu Ning away ...

Qibing didn't dare to stay any longer after seeing uncle Zhu succeed-he quickly ran away with uncle Zhu, getting into a car at the foot of the mountain and leaving the Hidden House Yu's territory!

"Hu ..." Zhao Qibing didn't let uncle Zhu drive today, he was driving himself. He was a racer, and his driving skills were much better than uncle Zhu 'S. He was the perfect person to run away, and only when they were out of house Yu's territory did Zhao Qibing let out a breath of relief, ""It's finally done. Everything's fine now. Everything went smoothly!"

Chapter 2677 Yu Shan's Lie

"Master Bing, where are we going now?" Uncle Zhu asked carefully.

"To a hotel, but not the one from before. We can't stay in the town. Let's go to the city next door!" Zhao Qibing was afraid that someone in the town would recognize Yu Ning and cause unnecessary trouble. He had already checked the route, he was going to a five star hotel in the city next door.

"Oh ..." Uncle Zhu nodded, he had a rough idea, ""Master Bing, you're not trying to force us ... If you do that, will it cause a war between the Hidden House Yu and house Zhao?"

"Haha, uncle Zhu, you've only seen the surface, you didn't see the pros and cons in the middle ..." With that, Zhao Qibing explained his analysis and plan to uncle Zhu ...

After listening to Zhao Qibing's analysis, uncle Zhu suddenly realized that it wasn't the time to hold miss Yu accountable for something like this. Turning the bad thing into a good thing was the most important thing, so Zhao Qibing's words made sense. When Yu Ning became his wife, everything would be fine ...

However, could Lin Yi use this to his advantage? Uncle Zhu decided that he'd find a chance to inform Lin Yi about this as soon as possible-it'd be great if Lin Yi could make use of it, but if he couldn't, he'd do his best.

Hidden house Yu, after Yu Shan and Yu Ning left, there was no news for a long time. Yu Xiaochen was starting to get worried and called Yu Ning's pager. This pager was only used within the Hidden House Yu's area, similar to a walkie-talkie system, it couldn't contact the outside world.

Xiaochen was afraid that Yu Ning would contact Lin Yi, so he restricted her communication.

After the call went through, it showed that the call was not within range-Xiaochen was shocked! This meant that the walkie-talkie was either shut off or out of the range of the Hidden House Yu's signal!

But it was impossible for Yu Ning to turn off the beeper, and the beeper was solar powered, it couldn't be out of power. The only possibility was that something had happened!

With that thought, Xiaochen called Yu Shan's number again-it was connected, but no one answered. The same thing happened to Xiaochen when he switched to Yu Shan's phone-no one picked up, and cold sweat started to drip down his forehead.

"Men!" Xiaochen roared.

"Master!" It was Yu Qi-Yu Liu had died, and he was now in charge of Yu Liu's work, becoming Xiaochen's follower.

"Go, send someone to search for Yu Ning and Yu Shan near the family mountain range. Report to me immediately if you have any news!" Xiaochen ordered.

"Yes, master!" After receiving the order, Yu Qi quickly left to find Yu Ning and Yu Shan.

Xiaochen, on the other hand, was frowning, wondering if he should tell his father about this. But he decided to wait-if it was just a false alarm, he wouldn't want his father to know. The old head of House Yu was already at Sky Class early phase peak, and could very well break through to Sky Class mid phase. He spent most of his time practicing, and Xiaochen didn't want to disturb him.

However, very quickly, Yu Qi came back with bad news. They found Yu Shan in the back mountain of the house, but he was knocked out by someone and was unconscious. Yu Shan was alone, and there was no trace of Yu Ning beside him!

This news made Xiaochen's heart sink-he quickly ordered Yu Qi to increase the search area and send Yu Shan over. He needed to know what was going on.

Very quickly, Yu Qi brought Yu Shan over,"Head of the house, Yu Shan's here, but we didn't do anything after finding him. We didn't wake him up after making sure he wasn't injured ..."

"Yeah." Xiaochen nodded and massaged Yu Shan's body a few times, and Yu Shan opened his eyes in a daze."This is bad! Someone has kidnapped sister Xiaoning!"

"What!" Xiaochen's eyes went wide, surprised. "What's the matter? Where did Yu Ning go? Who took it?"

"Ah, uncle, go and save sister Xiaoning! Some bad guys have taken her away!" Yu Shan struggled to get up from the stretcher.

"Don't get so worked up. Tell me slowly, what happened?" Xiaochen frowned at Yu Shan's rambling.

"Ah ... It's like this, ning was pushing me around the back of the mountain when two people suddenly appeared, knocked me out, and took her away ..." Yu Shan said.

"Who's there? What did those two people look like? which direction did they run in?" Xiaochen frowned.

"Those two ... One old and one young, I don't know the old one, but the young one seems to be Lin Yi ... I'm not sure, it was too fast, after all, the young one took ning away and the old one hit me, and I fainted, I don't know what happened ..." Yu Shan said. "As for which direction he went, I don't know either. I fainted and didn't see clearly."

"What? Lin Yi?" Xiaochen froze-he didn't think that it would be Lin Yi!

In fact, Yu Shan was just trying to smooth things over here-his goal was to give the Hidden House Yu the wrong direction and buy time for Zhao Qibing! He said that it seemed to be Lin Yi, but he wasn't sure if it was. Even if Xiaochen found out the truth, he could just say that he didn't see it clearly.

"I think it's Lin Yi ... But I'm not sure. Uncle, you know that I'm injured and can't move very well. I only saw him from the side, but I didn't get a clear look." Yu Shan said.

"Yu Qi, search! Search the entire town, and then send people to wait at the highway entrance of the nearby city, find Yu Ning's whereabouts!" Xiaochen ordered.

"Yes!" Yu Qi said.

Xiaochen regretted not giving Yu Ning a phone, otherwise he could use the phone's location. But now it was impossible, he had no idea at all, and Yu Shan had been unconscious for a while now, he didn't even know if he could stop Lin Yi.

With the current situation, Xiaochen didn't have time to suspect Yu Shan. He quickly ran towards the top of the mountain-this was way out of his control. If Yu Ning was just his daughter, he could make the decision himself, but Yu Ning's identity was special, and he had to let the old Yu decide.

The old elder had just returned to his practicing area when he heard Xiaochen's voice, "Father, something has happened, something big has happened!"

Chapter 2678 Framing Lin Yi

"Master, the old master is in the middle of cultivation. Please keep your voice down!" Yu Yi heard Xiaochen's shout and jumped in shock, stopping him.

"Yu Yi, something big happened at home, Lin Yi took Ning away, quickly inform father!" Xiaochen said to Yu Yi.

"Argh! Yes!" Yu Yi's forehead was covered in cold sweat as he turned around to inform the elder.

At this moment, the old Yu's voice came from inside and he appeared in front of Yu Xiaochen, "Xiao Chen, what did you say? Lin Yi kidnapped Yu Ning? Is that true? Are you sure? Lin Yi broke into our hidden house Yu's Castle?"

"Father, it's like this, it's Yu Shan ..." As he spoke, he quickly told him about how Yu Shan wanted to go out for a walk after the meal, and how Yu Ning pushed him out. He also told him about how Yu Shan was unconscious, and how he claimed that Lin Yi took Yu Ning away after he woke up.

"Did Yu Shan say that?" The old elder was an old fox-he was panicking, but he was a lot calmer than Xiaochen, and immediately picked up on the unlogic, "What are they doing in the back mountain? Why did they have to go to such a remote place? Since Lin Yi kidnapped Yu Ning, why did he keep Yu Shan? why didn't he kill him? Didn't they have a grudge against each other back then?"

"This ..." Xiaochen was starting to get suspicious as well, "I don't know why they went to such a remote place. Should I go and ask again? But Lin Yi didn't kill Yu Shan-it's understandable that he didn't want to make an enemy out of us hidden house Yu. After all, he liked Ning, and it wouldn't be good to kill her family ..."

The old elder nodded, "Let's go, we'll go ask Yu Shan!"

"Yes!" Xiaochen and Yu Yi quickly followed behind the old man, and the three of them went down the mountain.

Yu Shan saw that his plan was successful and was secretly happy, but he still acted like he was out of his wits. Yu Qi had already arranged for people to expand the search area, and sent out all the Hidden House Yu's people, but there was still no news of Yu Ning.

Yu Shan knew that Zhao Qibing must have left safely.

"Yu Shan, why did you and Yu Ning go to such a remote mountain?" Yu Shan was just about to celebrate when the old Yu's deep voice came from behind him like a clap of thunder, giving him a huge shock-he almost fell off his wheelchair!

"Ah, Grandpa ..." Yu Shan had learned how to keep his emotions a secret after all this time of depression. He adjusted his emotions and came back to his senses, "Grandpa, we were talking about how to resolve our grudges. There were some servants walking around nearby, and I was afraid that they would gossip about our family affairs, so I told one of the servants to stay away from us. However, sister Ning was kind enough to help him out and didn't let me blame him anymore. Then, she pushed me to the back of the mountain, where it was less crowded and easier to talk ..."

Yu Shan pushed all the blame onto Yu Ning, shirking his responsibility.

"Oh? Which servant?" The elder of house Yu asked.

"Ah? Not far from the entrance, there was a flower-making servant, I don't know what his name was ... "Yu Shan" paused, "before smiling bitterly.

However, the fact that Yu Shan didn't know this servant alleviated the suspicion of the elder. If Yu Shan had found this witness right away, then that would be suspicious!

"Yuqi, go and ask if that's the case!" The elder ordered.

"Yes!" Yu Qi responded and quickly ran out. Not long after, she returned with a servant.

The servant was the one that Yu Shan was scolding earlier-he was scared, but he didn't dare hide anything. He told him everything, and it was the same as Yu Shan 's. Only then did the elder nod and believe Yu Shan's words.

"You're saying that Lin Yi kidnapped Yu Ning?" The elder waved his hand for Yu Qi to take the servant away as he continued to question Yu Shan.

"I'm not sure, I just thought that it was Lin Yi, but I didn't see it clearly. I don't know if it's him ..." Yu Shan shook his head.

"Alright, Yu Qi, push Yu Shan down first ..." The elder looked at Yu Qi and gave him a look.

Yu Qi could tell from the elder's suspicions about Yu Shan, and naturally understood what he meant now. He wanted him to keep Yu Shan under guard for now, and so he quickly replied, "Yes!"

Then, Yu Qi pushed Yu Shan out of the hall, and Yu Shan naturally understood that there were too many suspicious points in his plan. Yu Xiaochen was worried about Yu Ning's safety and didn't have time to think about it, but the old elder was different. He was a meticulous person, and he definitely saw through the flaws in his plan.

It was normal to lock him up now, and Yu Shan didn't mind-once Qibing got what he wanted, he'd get what he wanted-he'd disgust Lin Yi and destroy house Yu as well, and he'd get his revenge.

After Yu Qi left with Yu Shan, the old elder turned to Xiaochen, "Xiao Chen, what do you think?"

"There's nothing wrong with Yu Shan's words, but they're still suspicious. " Xiaochen said after some thought. There were only the three of them in the hall, so there was no need to hide anything.

"That's right, Yu Yi, call Yushu now and ask her where Lin Yi is. " The old elder nodded and turned to Yu Yi.

"Yes! Old family head!" Yu Yi replied as he took out his phone and dialed Chen Yushu's number.

Yu Shan never would've thought that the elder had a backup plan that could track Lin Yi's movements! However, it didn't matter even if he knew. Zhao Qibing had already left the range of the Hidden House Yu's search. As long as he held on and pushed Yu Ning down, then there was no turning back. So what if he knew that it wasn't Lin Yi?

Lin Yi, Mengyao, Yushu, and Xinyan had just finished school, and they went back to their rooms to practice after dinner, while Mengyao and Yushu were watching TV in the living room.

Yushu's phone rang, and she picked it up lazily. Her heart skipped a beat when she saw who was calling!

Chapter 2679 Chen Yushu's Phone Call

Yushu's lazy attitude changed back to her usual shrewdness as she stood up and walked to the bathroom. "Yaoyao sis, I'm going to take a call. It's from my brother,"

"Oh." Mengyao didn't mind. If it was Yutian, he'd probably be talking to Yushu for a long time. It was normal for Yushu to go to the bathroom to answer the call. She didn't want to disturb her.

"Hello?" Yushu picked up the phone carefully after entering the bathroom. She lowered her voice and asked, "What is it? Do you want to give me an antidote? It's not time yet, is it?"

"Shu, there's something I need to confirm with you-where's Lin Yi?" Yu Yi didn't answer Yushu's question.

"Lin Yi ... He's at home, what's wrong? You guys aren't going to make me deal with him again, are you?" Chen Yushu asked.

"At home? Are you sure?" Yu Yi asked.

"Yes, he's in the room. Are you going to talk to him?" Yushu realized that she was wrong-Yu Yi didn't call to give her the antidote, nor did he ask her to deal with Lin Yi-he just wanted to know where he was.

"He never left before?" Yu Yi asked, still unsure.

"Yeah, I've never left." Yushu didn't know what Yu Yi was up to.

"Then it's fine." With that, Yu Yi hung up.

"? ?" It was ridiculous! Yushu put her phone away and walked out of the bathroom, wondering what was wrong with Yuyi to make such a weird call.

"Eh? Shu, you're done? So fast?" Mengyao was surprised to see Yushu back so quickly.

"Oh, my brother just said a few words and something happened. You know what his job is ..." Chen Yushu shook her head helplessly.

"Oh." Chu Mengyao nodded and didn't think too much about it. She continued watching the TV.

Yu Yi, on the other hand, told the elder what Yushu said.

"You're sure Lin Yi's at home and hasn't come?" The elder frowned, starting to suspect Yu Shan again.

"Yes, she has no reason to lie to me." "She wouldn't dare lie to me," Yu Yi said. "She's afraid I won't give her the antidote next time. "

"That's true," The old elder nodded, but he still wasn't at ease. He turned to Xiaochen, "Xiao Chen, you have the phone number of the hidden you family's you Panhu, right? Wasn't he in the same class as Lin Yi? Ask him if he saw Lin Yi today! If Lin Yi didn't leave until after school, it means that he didn't do it. There wasn't enough time, and even if he came here after school, he wouldn't have enough time. "

"Okay, father, but I have zhentian you's phone number. I don't have Panhu's phone number, but I can ask him." Xiaochen nodded and went to make the call.

Meanwhile, the old Yu and Yu Yi were waiting for news from Yu Xiaochen-it didn't take long before he had confirmation as well.

"How is it?" The old elder asked as he saw Xiaochen walk over. With his personality, he rarely got this anxious, and for Yu Ning, he was a little flustered! If something really happened to Yu Ning, the Hidden House Yu wouldn't be able to handle the xuanchen ancestor's anger!

"We're sure that Lin Yi didn't do it-Shu didn't lie to us. Lin Yi was at home, and Yu Panhu confirmed that Lin Yi only left the classroom after school. " Xiaochen said.

"It's good that it's not Lin Yi ..." House Yu's old ancestor let out a breath of relief. If it was Lin Yi who kidnapped Yu Ning, and the two of them, who were already interested in each other, met again and started a fire, the possibility of something really happening was too high. It was impossible for house Yu's old ancestor not to worry!

But if it wasn't for Lin Yi, it would be a lot different. The elder of house Yu naturally didn't think of Zhao Qibing as a factor. From his point of view, whoever came to take Yu Ning and entered the no man's land of the Hidden House Yu must be a practitioner above Mystic class. Their purpose of taking ning away should be for money!

As long as they were after money, it would be easy. The Hidden House Yu didn't lack money-they could give it to them if they wanted, and if they really did ask for too much, they could use that place to suppress them. These years, the name of that place wasn't as low-profile as before-it spread to all the sects and families. Any practitioner with some ability would have heard of "that place." They didn't know what it was exactly, but it didn't affect the threat it posed.

"Father, what should we do now?" Xiaochen asked.

"On one hand, increase the intensity of the search. Yu Yi, you'll be in charge of this." "On the other hand, Xiaochen, you go talk to Yu Shan, but don't force him or alert him, just try to see if he has anything to do with this!" The old elder said.

"Alright! I'll go now. " Yu Xiaochen and Yu Yi both replied.

As for the old ancestor of house Yu, although he was anxious, he couldn't do anything. He could only wait here for news. The person who kidnapped Yu Ning must have a purpose. It was impossible for them to kidnap her without making a sound, so all the old ancestor Yu could do now was wait.

Time passed by, and Qibing arrived at a hotel in the nearby city.

In order to hide it from the people in the hotel, uncle Zhu prepared a long box and put Yu Ning in it. Yu Ning was slim and was placed in the box. From the outside, it looked like a large electronic piano or musical instrument.

Uncle Zhu carried his suitcase and entered the hotel with Qibing. Qibing had made a reservation online, so it didn't take him much time to get the room card and go upstairs with uncle Zhu.

Zhao Qibing had booked a luxurious Presidential Suite. In his eyes, Yu Ning was his future wife, not the type of girl that he would just find to sleep with. He had to be serious for their first time. In the Presidential Suite of a five-star hotel, it would not be a disgrace to their status.

After entering the room, Qibing and uncle Zhu both let out a breath of relief. If they were found out by the Hidden House Yu, they would die a horrible death! Even if the Hidden House Yu didn't do anything to Zhao Qibing for the sake of the Hidden House Zhao's reputation, uncle Zhu would definitely be in trouble.

And so, uncle Zhu's hatred towards Qibing deepened! As far as he was concerned, no wonder Zhao Qibing didn't tell him the truth before, only telling him when the time came. He would only tell him the truth when the time came.

Chapter 2680 Sinking Into Memories

He was afraid that Qibing wouldn't dare to go. Uncle Zhu wasn't happy that he was made into a scapegoat, but on the surface, he still followed Zhao Qibing's orders and poured Yu Ning out of the box onto the king-sized bed in the Presidential Suite.

"Master Bing, everything's been prepared as you ordered. What do you think we should do now?" Uncle Zhu asked.

"Oh, give this powder to Yu Ning, I'm going to set up the camera!" Qibing said as he took out a packet of powder from his bag and handed it to uncle Zhu. He then took out a camera.

"Oh? What is this powder?" Uncle Zhu was taken aback.

"This is an aphrodisiac that Yaowang made for me. It's colorless and tasteless, but it's very strong. Girls will take the initiative after taking it!" Qibing didn't hide anything anymore, "I'm going to film the entire process of me and Yu Ning in bed, and let old man Yu see that Yu Ning was actually the one who took the initiative. This way, the Hidden House Yu can only suffer in silence, and for the sake of their reputation, they'll marry Yu Ning to me!"

"So that's how it is!" Uncle Zhu's heart skipped a beat, thinking that this was a brilliant idea. This way, even if the Hidden House Yu suspected him, Qibing had the recording, and he could stand on the side of reason. He could say that he and Yu Ning were a couple, and it was Yu Ning who initiated it, what could the Hidden House Yu do?

Even if Yu Ning told the truth, the Hidden House Zhao only needed to release the video and find the other hidden houses to judge. Then the face of the Hidden House Yu would be thrown to their grandma's house!

The only way was for the Hidden House Yu to accept it and marry Yu Ning to Zhao Qibing. With the help of the Hidden House Yu, Zhao Qibing would be able to become the young master of the Hidden House Zhao without a doubt!

But if that happened, wouldn't Qibing's backing become stronger? wouldn't that make him go against Lin Yi? With that thought, uncle Zhu couldn't help but worry-could he mess up Qibing's plan?

However, his ability was limited. He could only ask Lin Yi and see if Lin Yi had any ideas.

Uncle Zhu took his time to prepare the medicine with boiling water. Zhao Qibing had already set up the camera. He chose a very clever angle, but it could capture him and Yu Ning, but it couldn't capture them clearly. The main thing was Yu Ning's body, but it could capture Zhao Qibing's body clearly.

This video was for old Yu and Yu Xiaochen to see. Although Yu Ning was their granddaughter, Zhao Qibing didn't want his wife to be seen by others, so he had to make it blurry. If necessary, he would find a woman who knew post-editing to mosaic it for him.

"Uncle Zhu, are you okay or not? the water should be enough, hurry up and give it to Yu Ning, it's not like you're going to burn her to death!" Zhao Qibing saw that uncle Zhu was still shaking the cup to dissipate the heat, he didn't feed Yu Ning the medicine, he was a little anxious, "The drug will take half an hour to take effect, and Yuning is still unconscious, so it'll probably take longer. You should hurry up, I can't wait!"

"Oh, okay ..." Uncle Zhu wanted to buy some time, but since Zhao Qibing had already said so, he had no choice but to force the medicine into Yu Ning's mouth.

Qibing nodded as he watched uncle Zhu feed Yu Ning the medicine, "Alright, you can go out and guard the door. I'll take a shower first!"

"Yes, master Bing!" Uncle Zhu quickly left the room and went to the outer room. The first thing he did was pull out his phone and call Lin Yi ...

Lin Yi was cultivating in his room when his phone rang. He quickly stopped cultivating and picked up the phone.

"Second Zhu?" The call was from Zhu laoer, and Lin Yi picked it up. It must be Zhao Qibing's side making new progress.

"Boss, I have something important to report to you!" Uncle Zhu said quickly, "here, Zhao Qibing is making his move. He just brought me to the Hidden House Yu and captured Yu Ning. Now, Zhao Qibing wants to force himself on the Hidden House Yu and force the Hidden House Yu to marry Yu Ning to him ..."

"What?" Lin Yi heard uncle Zhu's words and was shocked and angry. Zhao Qibing took Yu Ning away?

Lin Yi's mind suddenly went blank, and he didn't hear what uncle Zhu said after that. Lin Yi's thoughts drifted back to that moon night many years ago, the Valentine's Day he spent with Yu Ning in the cave ...

He'd been getting stronger and stronger these days, and was even on the verge of surpassing the hidden houses, but he had mixed feelings about this relationship that he'd rejected before-he didn't know how to face it.

Could she really get back the love she had once missed? Lin Yi had tried to avoid this question once, not even giving a direct answer to Yu Bing. He knew that this was a sign of weakness-he didn't dare to face this relationship that he had rejected before it even started.

At the end of the day, Lin Yi didn't dare face the past and didn't want to go back to his old life. His current life made him comfortable.

But, just when Lin Yi thought that he would never have anything to do with Yu Ning in his life, Zhu's second brother's phone call changed his original life path.

But he had to admit that Zhao Qibing's move was effective. After all, the Hidden House Yu wouldn't shamelessly expose this. Instead of fighting to the death, it was better to sit down and talk about letting Yu Ning marry Zhao Qibing.

"Boss, if Yu Ning marries Zhao Qibing, then Zhao Qibing will really be the head of the Hidden House Zhao. It'll be even harder for us to deal with him then, since he has the Hidden House Yu behind him ..."
