

Bodyguard 2681

Chapter 2681 Lin Yi's Arrival

Uncle Zhu thought that Lin Yi was panicking because he had thought of this, "Should we think of a way to stop Zhao Qibing from having his way? Why don't you spread the news and make the Hidden House Yu and hidden house Zhao lose all their faces? even if Yu Ning marries Zhao Qibing in the future, the two houses will still have a grudge against each other, and they won't be able to work together anymore. "

"Zhu Lao er, listen to me, no matter what you do, you have to buy me some time. We can't let Zhao Qibing get what he wants, we can't even let him touch Yu Ning, do you understand?" Lin Yi didn't have time to explain to second brother-he had to give the order.

"Ah? "Okay ..." Uncle Zhu was confused as to why Lin Yi would ask him to stop it, but he still agreed. He guessed that Lin Yi wanted this thing to fail, and after it was exposed, the Hidden House Yu would definitely not marry the Hidden House Zhao because Yu Ning didn't lose anything. They might even turn against each other and fight.

However, uncle Zhu didn't understand why he couldn't even touch it. As far as he was concerned, if Zhao Qibing took advantage of them but didn't do anything substantial, then the Hidden House Yu would be even angrier. It would be better than Yu Ning not taking any losses at all.

However, this was Lin Yi's order, and uncle Zhu had to follow it. He was a little worried, "But Zhao Qibing isn't an idiot-what if he doesn't listen to me if I try to buy time?"

"If you can't delay, it doesn't matter if you're exposed. Just knock Zhao Qibing out first!" Lin Yi said.

"Ah?" Uncle Zhu froze. He didn't understand what Lin Yi was thinking. Lin Yi had just taken him in and made him a spy in the Hidden House Zhao. He hadn't even done anything yet and he was exposed. It wasn't in Lin Yi's interest, was it?

"Don't worry even if you're exposed. Just follow me from now on. I just need to spread the word and the Hidden House Zhao won't dare to touch you. " Lin Yi said as he fed uncle Zhu a pill.

"I got it!" Uncle Zhu knew that Lin Yi was determined to do this, but he didn't have anything to worry about anymore. It was a good thing to be able to follow Lin Yi around at all times, so he quickly agreed.

"Where are you? I'll be right there!" Lin Yi let out a sigh of relief after giving the order to uncle Zhu.

"I'm in the Presidential Suite 2909 of the Diyu Grand Hotel in Diyu city, which is near Tianyu town." Uncle Zhu had memorized the address and told Lin Yi directly.

"Okay, I know. Wait for me." With that, Lin Yi hung up the phone and walked out of the room.

Mengyao and Yushu were surprised to see Lin Yi walking out in such a hurry!

"Lin Yi, what are you doing?" The Miss asked, looking at Lin Yi strangely.

"Yaoyao, something happened to my friend, I need to go out now. You and Shu should go to bed early, I might not be coming back tonight." Lin Yi said quickly.

"Ah, okay." Mengyao didn't ask any further after seeing Lin Yi's panic.

Chen Yushu was confused. Yu Yi just called to ask about Lin Yi's movements and Lin Yi was about to leave. What was the connection? But Yushu wouldn't stop Lin Yi from leaving-Yu Yi didn't order her to do that, and even if he did, she'd find an excuse to do so.

It was just that Chen Yushu had a feeling that this matter was related to the Hidden House Yu. She didn't know if Lin Yi could resolve it.

Lin Yi didn't go to the yard to drive, but went to the back of the villa where the spirit beasts lived. He waved, "Little Feng, come out. Take me to Diyu city."

From here to Diyu city, it was basically a three-hour drive. Even if Lin Yi was a godly driver, he wouldn't be able to get there in a short time. He would need at least two hours, and there would be a lot of changes. However, Lin Yi didn't need to drive because he had the purple lightning Beast as his trump card.

The purple lightning beast's speed was much faster than a car, even faster than most practitioners. Especially after Lin Yi raised the purple lightning beast's strength to Mystic late phase peak, its speed and stamina were a notch higher. It didn't take much effort to run from Donghai city to Diyu city.

Lin Yi didn't use it because of its weird appearance. Wouldn't he be looking for a crowd if he rode it on the streets? But Lin Yi couldn't care too much about it today, especially since it was evening.

"Roar Roar ..." The purple lightning Beast responded and ran to Lin Yi's side. Lin Yi straddled it and let it run towards the direction of Diyu city ...

Lin Yi didn't know the exact location, but he knew the general direction. Lin Yi used his phone to pull up the navigation map on the purple lightning beast's body and changed the beast's route according to the directions.

The purple lightning beast's speed could only be described as the speed of the wind and lightning, even faster than Lin Yi's butterfly microsteps at full speed. Lin Yi's Qinggong wasn't slow either, but it lacked stamina. It couldn't maintain this speed all the way to Dishui city, and even if Lin Yi could use the art of Dragon mastery to recover his energy, he would still be much slower than the purple lightning Beast.

Zhao Qibing, on the other hand, was taking his shower slowly. Although he was anxious, he wasn't an idiot who couldn't wait for his sperm to get to his brain. He had already started the video recording, and only if Yu Ning took the initiative to ask for sex would it work. If he took the initiative, then the video recording would be meaningless, so he had to wait until the effect of the medicine Yu Ning took was beyond control.

So Qibing didn't mind taking a longer bath. He looked at his legs that were getting stronger and stronger, feeling very proud. Although these two legs had been broken many times, ever since he started practicing thousand legs, these two legs had become like iron legs. He only needed two more times to master the first form, and Qibing was looking forward to this moment!

One must know that the thousand legs martial art was very strange. Although it was an internal martial art, when it was used, it could achieve the effect of both internal and external cultivation. On one hand, it could create several legs, and on the other hand, each leg was as hard as the iron leg technique of the external martial art. It could be said that although this martial art was difficult to cultivate, it brought many advantages.

Uncle Zhu had been waiting outside the room, paying close attention to what was going on in the room. He let out a breath of relief when he saw that Qibing was still in the shower-the longer he took, the better. This way, he wouldn't have to waste time.

Chapter 2682 Here I Come

Finally, Qibing finished his shower and walked out of the bathroom. He looked at Yu Ning on the bed and found that she was still unconscious. There was nothing wrong with her body, so the medicine hadn't taken effect yet.

But it was no wonder, Yu Ning was in a coma, lying on the bed motionless, so it was reasonable for the drug to take effect slower than normal people. Zhao Qibing was a little anxious, but he knew that he couldn't rush it, so he could only say helplessly, "Uncle Zhu!"

"What's the matter, master Bing?" Uncle Zhu had been standing at the entrance of the inner room the whole time, and he immediately pushed the door open and walked in when he heard Qibing's call.

"Uncle Zhu, the drug hasn't taken effect yet, I'm fine, you can talk to me!" Qibing said.

"Okay ..." Uncle Zhu looked at Yu Ning on the bed and let out a sigh of relief, ""Master Bing, there's a good saying, "don't be afraid of being late when you're done cooking." To be safe, you should wait until Yuning's drug takes effect. Otherwise, even if we record it, it won't look like it. "

"I know that." Qibing nodded, "that's why I asked you to come here and talk to me."

"Oh, right, master Bing, this medicine is an aphrodisiac, but what if Yuning resists? You also know that some people with strong willpower won't easily give in. What if she keeps resisting?" Uncle Zhu started trying to scare Qibing, hoping that he would delay the plan, "So I think, after this medicine takes effect, the effect will be fully displayed. When Yuning takes the initiative to ask, you can do it!"

"That's not a problem. Don't worry. Yaowang's medicine is very powerful. After taking it, one will be in a half-confused state of fantasy. What she sees isn't real. She will enter an illusory world and imagine me as the man she likes. This way, she will act naturally and submissively, as if she's asking for sex. There won't be any flaws!" "Even if she realizes that something's wrong after we're done, we'll still have the recording. If we insist that she initiated it, the Hidden House Yu will have no choice but to admit defeat!" Qibing said.

"I see. This potion is so awesome!" Uncle Zhu sighed.

"That's right. It's pretty awesome. Look at who made it." Qibing said, pleased.

Time passed, second by second, Yu Ning's face gradually became a little red, this was the sign of the drug taking effect, it had been half an hour since uncle Zhu called Lin Yi, uncle Zhu's heart was extremely anxious, the drug was about to take effect, Zhao Qibing was about to go into battle, but Lin Yi still didn't appear, he had no choice but to do it himself.

In fact, Lin Yi had already reached the vicinity of Diyu city and was rushing over. The purple lightning Beast was already very fast, and Lin Yi didn't stop for a second, "Little Feng, all the best! We're almost at our destination!"

"Roar Roar!" The purple lightning Beast let out a victorious roar, and its speed increased even more. Lin Yi guessed that it must have felt that it was about to reach the finish line and exploded.

In the hotel room, Yu Ning's breathing began to become rapid, and her whole person woke up from the coma. Her eyes became blurred, and her delicate little face became a cooked crab shell. A very strange desire made her groan ...

Yu Ning was a little shy, she didn't know what was wrong with her. She remembered that she was walking and chatting with her cousin, and the next moment, she didn't know anything. In the blink of an eye, they were in a strange place.

Yu Ning wasn't young anymore, naturally she knew what this feeling meant. Sometimes she would have wet dreams, and this feeling was similar to those wet dreams ...

Yu Ning's reaction made Qibing very happy. He took a deep breath and turned to uncle Zhu, "Uncle Zhu, I'm going in now, you stand guard at the door, don't let anyone in!"

"Yes ..." Uncle Zhu replied nonchalantly on the surface, but he was panicking inside. Lin Yi wasn't here yet, so he had to be prepared!

Uncle Zhu retreated to the door, ready to wait for Lin Yi, but he was also paying attention to Zhao Qibing. If Zhao Qibing made a move, he would knock Zhao Qibing unconscious at once, but there was still some time.

The medicine in Yu Ning's body had only just taken effect, there was still a few minutes before Zhao Qibing's actual action.

In fact, Zhao Qibing was also waiting for Yu Ning to summon him. Even if he was thirsty, he couldn't wait this long.

Yu Ning felt someone come into the room. She turned her head and looked at Zhao Qibing.

In her eyes, Zhao Qibing wasn't Zhao Qibing, but he had transformed into Lin Yi. This was naturally the effect of the medicine!

Seeing Lin Yi, Yu Ning's heart was filled with joy. She didn't expect to see Lin Yi here, was she dreaming? Yu Ning felt that it wasn't realistic, because she was at home a moment ago, how did she see Lin Yi in a daze?

So, all of this could only be explained as a dream-it seemed like she was dreaming about Lin Yi at night, and she saw him in her dream because she missed him so much.

However, even in a dream, Yu Ning didn't want to miss this opportunity. If she couldn't see Lin Yi in reality, then she could only meet Lin Yi in her dreams. Because she thought it was a dream, Yu Ning forgot her shyness. Anyway, it wasn't the first time she had this kind of wet dream, and she had already done something with Lin Yi before.

"Come ..." Yu Ning wanted to get up to welcome Lin Yi, but she felt that her body was a bit heavy, so she greeted Lin Yi.

"Hehe, beauty, here I come!" Zhao Qibing heard Yu Ning calling him and he couldn't stop smiling. This medicine was amazing, he had to praise Yaowang when he got back!

Uncle Zhu stood at the door, his heart was beating fast. His hand was already on the door, if Zhao Qibing really dared to touch Yu Ning, he would rush in!

"... Come ..." Yu Ning saw Lin Yi smiling foolishly and didn't come over. She was a little anxious and said, ""What are you doing standing there? Hurry up and come over, I ... I've missed you ..."

"Hehe, I'm coming, I'm coming!" Zhao Qibing couldn't resist the temptation anymore and rushed towards Yu Ning.

"Lin Yi, slow down ..." Yu Ning saw that Lin Yi was so anxious and couldn't help but smile, but she wasn't annoyed in her heart. She was happy for her charm.

Chapter 2683 Let Me Tell You Why

"Bang!"

At the same time, uncle Zhu pushed the door open and rushed in-Qibing was about to enter the battle, so naturally, he had to make a move!

When Yu Ning called him Lin Yi, Zhao Qibing was so scared that he stopped and looked left and right. What Lin Yi? Where was Lin Yi?

The next moment, uncle Zhu burst through the door. Qibing thought that Lin Yi was really here, and he fell to the ground in shock!

However, he turned around and saw that it was uncle Zhu. He was furious, "What are you doing? What are you doing here? Are you trying to scare me to death?"

"I ... I ..." Uncle Zhu's mind was spinning, he didn't know if he should expose himself at this moment, but he also heard Yu Ning call him Lin Yi, and he thought of a plan, ""Master Bing, I heard her calling for Lin Yi, and I thought Lin Yi was here. I was so scared that I came in to protect you!"

"You heard it too?" Qibing thought he heard wrong because from his point of view, Yu Ning and Lin Yi shouldn't have any interaction. Yu Ning didn't go out all year round, and Lin Yi didn't have a good relationship with the Hidden House Yu, so he couldn't have visited her. He thought that he heard wrong, but he didn't expect uncle Zhu to hear it too.

"Yup!" "That's why I thought Lin Yi was here!" Uncle Zhu quickly nodded.

"No, it's fine. You can leave first!" Qibing frowned as he waved his hand, signaling for uncle Zhu to leave.

"Oh ... Okay!" Qibing was glad that uncle Zhu had successfully bought him some time and made him hesitate. Most importantly, he didn't expose his identity.

Uncle Zhu left the room and continued to monitor Qibing's every move. This time, Qibing was obviously hesitating. He looked at Yu Ning in shock but didn't dare to move forward.

"What ... What did you call me?" Qibing asked carefully.

However, Yu Ning couldn't hear what Zhao Qibing was saying at all. She could only feel that Zhao Qibing was alone. Her vision and hearing were all in her own fantasy world. She didn't hear the conversation between Zhao Qibing and uncle Zhu.

And uncle Zhu's appearance just now, was turned into a hotel staff by Yu Ning, so Yu Ning said, ""Lin Yi, was that the hotel staff? What's he doing here?"

“!!!”Zhao Qibing heard it clearly this time, Yu Ning really did call Lin Yi's name. His back was cold, and cold sweat broke out on his forehead. He was a little scared!

Yes, if someone from the Hidden House Yu appeared, Zhao Qibing wouldn't be so scared, but the name Lin Yi had already created a shadow in his heart. Hearing Yu Ning call Lin Yi, he knew that Lin Yi was most likely Yu Ning's sweetheart. He was so scared that his legs started to cramp, he almost knelt on the ground, "Um ... Ning, the person you like is Lin Yi?"

Yu Ning was still in her own fantasy world, and because of the effect of the aphrodisiac, Yu Ning's fantasy was inevitably a little ambiguous. When Yu Ning heard the words of "Zhao Qibing's version of Lin Yi," she naturally heard it as: "I've asked the waiter to bring condoms. "

So, Yu Ning's face turned red and she rebuked shyly, ""I don't think I'll need a condom. It's just a dream anyway. I won't get pregnant ..."

“.....!!!”Qibing's eyes were wide open, not knowing what Yu Ning was mumbling to herself. Could it be that Yu Ning's words were different from what he was saying? That must be it-Qibing had never used this drug before, and today was his first time using it, so he wasn't too familiar with its effects.

"Lin Yi, what are you doing? "Come on, I miss you ..." Yu Ning wouldn't be able to say something so bold in real life, but she thought she was dreaming, so naturally she was more daring.

"I ..." Zhao Qibing looked at Yu Ning on the bed, gritted his teeth and stomped his feet. He thought about his future, thought about the deep hatred between him and Lin Yi, and finally made a difficult decision, and that was to rush up!

What's done is done, so what if Lin Yi was angry? At that time, he would have a marriage alliance with the Hidden House Yu, and Yu Ning would be his woman, what was he afraid of? Plus, Yu Ning's words reminded Zhao Qibing that if he got Yu Ning pregnant this time, she would be on his side in the future. What was there to be afraid of Lin Yi?

With that thought, Qibing decided to give it his all!

He rushed over and heard a loud "bang" behind him!

Qibing's heart almost fell out of his chest again. He turned around and saw uncle Zhu rushing in, standing at the door!

"Damn, uncle Zhu, are you crazy? What do you want now?" Qibing was furious-what was wrong with uncle Zhu today? was he trying to scare him to death?

"I ... I ..." Uncle Zhu was nervous. Why wasn't Lin Yi here yet? But he had no choice-since he decided to follow Lin Yi, he shouldn't regret it. He took a deep breath and decided to knock Qibing out, but just as he was about to rush over, a voice that made him overjoyed came from behind.

"I was the one who kicked him in!" Lin Yi appeared at the door and "kicked" uncle Zhu away. Uncle Zhu fell into the room and fainted.

"Lin ... Lin Yi?!" Qibing's legs started to shake when he saw Lin Yi appear behind uncle Zhu. He didn't suspect uncle Zhu anymore-as far as he was concerned, Lin Yi was the one who kicked uncle Zhu in.

"Zhao Qibing, you've got some guts! Do you know who she is?" Lin Yi looked at Yu Ning on the bed, seeing that she was fully dressed, he finally let out a sigh of relief. But seeing Yu Ning's panting face, he knew that the drug had taken effect. If he came a little later, things would be troublesome, at least uncle Zhu would be exposed.

"I ... Isn't she the Hidden House Yu's Yu Ning?" Qibing replied shakily, ""Lin Yi ... You ... What are you doing here? This matter doesn't seem to have anything to do with you? Don't you have a grudge against the Hidden House Yu?"

"Yes, but I'll tell you now, why do I have a grudge against the Hidden House Yu?" Lin Yi looked at Zhao Qibing and said faintly, "Yu Ning was my first love, and my status at that time wasn't enough for her, so I have a grudge against the Hidden House Yu, do you understand?"

With Lin Yi's current status, naturally, he didn't have to worry about his past being spread out. Even if the hidden houses knew that he had no background and no powerful people behind him, his own strength was enough to make them tremble.

Chapter 2684 I'm Lin Yi

Lin Yi was here today because he was prepared to face the past and face his relationship with Yu Ning, so Lin Yi told Zhao Qibing the truth.

"Huh!?" Zhao Qibing was stunned and dumbfounded. He didn't expect Lin Yi and Yu Ning to have this kind of relationship. He wasn't scared when he kidnapped Yu Ning before, but now that he knew that Yu Ning was Lin Yi's woman, he was really scared, "Um, boss Lin Yi, I didn't know-I didn't know about this, so you can't blame me for not knowing. Since she's your girl, I'll be leaving now-there's nothing for me to do here. She drank the aphrodisiac, you'll be so happy later, boss Lin Yi!"

"You're leaving just like that? Do you think that's possible?" Lin Yi looked at Qibing with a half-smile.

"Uh ... Then you can punish me. Break my legs. I'll definitely stand here and let you hit me!" Qibing said.

"Break your legs? Oh, that's fine too. " Lin Yi suddenly sent a kick between Qibing's legs as he spoke.

"Bang!"

"

"Lin Yi ... You ... Where are you kicking ..." Qibing was in so much pain that he felt like he was going to die.

"Your legs, didn't you ask me to break your legs? I'm going to break your third leg!" Lin Yi said faintly.

"You ..." Zhao Qibing was furious but he didn't dare to get angry. He could only suppress his anger.

"Zhu laoer, stop playing dead, I didn't kick you to death. Get up now and get Zhao Qibing out of here!" Lin Yi said as he turned to uncle Zhu, who was in the corner.

"Ah ... Okay ..." Uncle Zhu stood up shakily, carrying Qibing in his arms and walking towards the door. He hadn't been exposed yet, so he was still Qibing's Lackey on the surface.

Qibing was in excruciating pain, but he was a practitioner-he wouldn't have passed out. He regretted letting Lin Yi break his legs! Who would've thought that Lin Yi would break his third leg? what a cheap mouth he had! He was a eunuch now!

However, as angry as Qibing was, he didn't dare to show it on his face. He was afraid that Lin Yi would break other parts of his body if he was angry. He was happy to have his legs broken, but what if Lin Yi didn't break his legs?

So Qibing didn't want to take the risk. He carefully laid in uncle Zhu's arms and pretended to be dead. Uncle Zhu carried Qibing and quickly left the hotel to relieve himself, but he closed the door for Lin Yi when he left.

After Zhao Qibing and uncle Zhu left, Lin Yi looked at Yu Ning on the bed. The aphrodisiac was still in effect. His heart was very complicated. He didn't know what to do ... Should he go with the flow and accept this fact, or help Yu Ning get rid of the aphrodisiac?

Lin Yi was able to neutralize the effects of an aphrodisiac made by Yaowang, which was why he was so conflicted.

If Lin Yi couldn't cure this medicine, then Lin Yi could just lie to himself and force himself to do it. Anyway, he would comfort himself that this medicine had no cure. If he didn't go up, it might put Yu Ning's life in danger.

However, Lin Yi's medical skills were superb, and removing the aphrodisiac was no problem at all. Hence, Lin Yi was hesitant, not knowing if he should advance or retreat.

Looking at Yu Ning on the bed, Lin Yi fell into a trance, as if he had returned to that Valentine's Day night, the romantic night he spent with Yu Ning in the cave ...

At that time, Lin Yi was worried about the difference between his identity and Yu Ning's identity. He thought that he didn't have a fixed residence and it was impossible for him to give the Hidden House Yu's little princess a stable life, so Lin Yi ruthlessly rejected Yu Ning's confession.

But after some time, Lin Yi would have enough strength to look down on all the ordinary families and compete with the hidden families. At this time, the gap between him and Yu Ning was no longer a big difference!

Hidden house Yu? The Hidden House han, Pi, and Zhuang had all become his followers. Even if the Hidden House Yu was one of the strongest hidden houses, three leathers were better than Zhuge Liang. He already had three hidden house followers, so wasn't that enough to talk to the Hidden House Yu?

Thinking about all these things, Lin Yi felt a lot more open-minded!

Plus, since Lin Yi could choose to appear here and say those words to Zhao Qibing, it meant that in the depths of Lin Yi's heart, he accepted Yu Ning's identity and re-faced his relationship.

Thinking of this, Lin Yi took a deep breath and decided to make the best of it. In fact, this was also the best way to ease the awkwardness between him and Yu Ning and find back the feelings they once had! Otherwise, Lin Yi really didn't know how to find an entry point after Yu Ning woke up and let their relationship return to that time ...

Now that Zhao Qibing had created such a great opportunity for Lin Yi, if he missed it again, then he would really be letting down the heavens!

"You ... What did you do to Lin Yi?" Just when Lin Yi decided to do something with Yu Ning, Yu Ning looked at Lin Yi in horror and asked!

Originally, she was fantasizing that Lin Yi would come over and make out with her. Suddenly, another person came into the room and kicked "Lin Yi" down. Then "Lin Yi" was carried away by the hotel staff, which made Yu Ning shocked and angry!

He looked closely-it was yang huaijun! So, Yu Ning got even angrier, "brother yang, why are you like this?" What did she do to Lin Yi?"

Yu Ning couldn't be blamed for recognizing the wrong person. After the drug took effect, Yu Ning's first impression was that Zhao Qibing was Lin Yi, and in her mind, Zhao Qibing was Lin Yi! After the real Lin Yi appeared, it was impossible for Yu Ning to see both of them as Lin Yi. Because of the effect of the medicine, although Lin Yi looked familiar to Yu Ning, she changed Lin Yi's image to another familiar person, yang huaijun!

Lin Yi was about to rush over, but Yu Ning's question was a bit inexplicable! What did she do to Lin Yi? what yang bro?

"Yang bro, where's Lin Yi?" Yu Ning saw that Lin Yi didn't answer and suddenly became a little anxious. The strange desire in her body was getting stronger and stronger, and she was just about to make out with Lin Yi when yang huaijun interrupted her. How could she not be angry?

"Lin Yi? I'm Lin Yi, you know?" Lin Yi pointed at himself, confused. He shook his head and continued walking.

Chapter 2685 Making Use Of The Mistake And Failing

But, in Yu Ning's ears, it was not the case, ""You ... What are you doing? Don't come over ... Brother yang, I ... I've always been your big brother, don't joke around ..."

It wasn't strange for Yu Ning to say that-in the team that went for training, yang huaijun was interested in Yu Ning as well.

It was just that when Yu Ning chose Lin Yi, he didn't say it out loud, burying it in his heart. This was also why he said those things to huaijun when they first met.

Yu Ning naturally knew this as well-she'd seen through huaijun's feelings for her, but they both understood that they could only maintain a brother-sister relationship.

“? ? ? !!!”

Lin Yi was even more shocked-when did he become yang bro?

Yu Ning was confused?

But, Lin Yi remembered that Yu Ning was drugged by Zhao Qibing's drug, it was normal for her to be confused. But why did Yu Ning think of him as brother yang?

Lin Yi didn't know whether to laugh or cry. He could only stop the next step, pointed to himself and asked Yu Ning, "Who am I?"

"Jun bro, you said Lin Yi had something to do?"

Yu Ning still couldn't hear what Lin Yi said, she just asked in confusion.

“.....”

Lin Yi finally understood-Yu Ning had mistaken him for yang huaijun!

"Brother Jun, I ..."

Yu Ning's desire was getting more and more intense, but the person she liked was Lin Yi. Facing yang huaijun, she really didn't know what to say. Yu Ning said, "Can you help me get Lin Yi back?"

Lin Yi listened to Yu Ning's words, and at this time he guessed something!

The medicine that Zhao Qibing used was probably an illusionary medicine, and Yu Ning must have thought that the Zhao Qibing before was Lin Yi!

And when he came back, because of his first impression, Yu Ning thought he was yang huaijun!

Lin Yi was speechless at the thought.

This Zhao Qibing really was a scammer. Lin Yi wanted to make use of the mistake and do something with Yu Ning, but now that Yu Ning was treating him as yang huaijun, what the hell was going to happen!

If he pushed Yu Ning forcefully, who knew what extreme actions Yu Ning would do, so Lin Yi had to give up the previous idea.

"I'll help you detoxify, Lin Yi will be back soon. "

Lin Yi sighed and cursed Zhao Qibing in his heart. He finally made up his mind to push Yu Ning down, and this kid made such a stupid medicine!

Lin Yi felt that breaking his third leg was already a light punishment. He wanted to break all the bones in his body and let him practice a thousand kicks?

It would be more like practicing a thousand bones!

Lin Yi took out the silver needles from his pocket and used his Qi to detoxify them. Then he sat on the bed of Yu Ning and quickly inserted the needles into her body.

But even so, Lin Yi still couldn't avoid touching the sensitive parts of Yu Ning's body.

Although Yaowang's potions weren't much in Lin Yi's eyes, they were still much better than other normal potions. If Lin Yi didn't use acupuncture, the toxins wouldn't be expelled quickly.

Yu Ning wanted to stop "yang huaijun" from "abusing" her, but she saw him take out a silver needle and perform acupuncture on her. The desire in her body was reduced a lot the moment the silver needle was inserted into her body!

But, even so, Yu Ning wanted to resist, to push huaijun's hand away, to stop him from touching her, but she didn't have the strength to do so ...

Yu Ning didn't know what yang huaijun wanted to do, but she couldn't fight back, and the desire in her body was making her uncomfortable.

She gritted her teeth and closed her eyes, praying that Lin Yi would come back soon and stop huaijun!

Yu Ning didn't think that yang huaijun would do anything dirty, but no matter what, his hand was touching her, and Yu Ning really didn't want it to happen!

Even in her dreams, she didn't want to do this!

What kind of dream was this? it was a nightmare!

Yu Ning prayed that Lin Yi would come back quickly, and also prayed that she could wake up from this dream as soon as possible!

If Lin Yi didn't come back, she'd rather wake up, because there was no happiness in the dream.

However, as time went on, Yu Ning found that the desire in her body was getting lighter and lighter, and her thoughts seemed to be getting clearer and clearer.

It didn't seem like ... She was very confused or sleepy. This ... Didn't seem like a dream?

As Yu Ning's thoughts became clearer, Yu Ning also returned to her usual shrewdness.

She knew that when people were dreaming, they would not think that they were dreaming. Moreover, she did not feel like it was a dream!

When huaijun's needles pierced his body, it wasn't particularly painful, but he did feel some pain.

She heard that you wouldn't feel pain in your dreams, so Yu Ning was a little confused. Was this not a dream?

With that thought, Yu Ning's eyes shot open, and she wanted to yell at huaijun to stop him from touching her.

However, when she opened her eyes and saw huaijun, it wasn't the same yang huaijun from before, but a blurry yet familiar figure.

This figure, as the scene in front of Yu Ning changed, became clearer and clearer!

It was Lin Yi! It was actually Lin Yi!

How could that be possible? Huaijun was the one who'd come, so why was it Lin Yi now?

Yu Ning was a little dumbfounded, but, although her mind had recovered, with the discharge of the poison in her body, she lost a lot of strength, so she couldn't speak anymore!

In fact, this was something that couldn't be helped. Lin Yi used acupuncture and massage to gather the toxins in Yu Ning's body and then expel them out of the body. But it was inevitable that he had to use Yu Ning's own physical strength to complete it.

Yu Ning's body was already consumed by the flames, and now it was even more so, so she had no energy at all!

As the poison in Yu Ning's body decreased, Yu Ning became more clear-headed, and the illusionary memories became a reality!

This was a situation that would occur after the effects of the drug wore off. The things that they had seen and heard before would be released from their memories, and the illusionary scenes that were created would also be distinguished by the person involved.

This was also the magical part of Yaowang's medicine. After Yu Ning woke up, she would know that the person she had sex with was actually Zhao Qibing, and everything before was an illusion!

Things had already become a fact, no matter how unwilling Yu Ning was, she could only suffer in silence!

Chapter 2686 Who Am I?

Plus, from Yaowang's point of view, girls were just like that. Even if the first time was given to someone she didn't like, as long as the person worked hard, he could still capture her heart and make her remember the truth of the process. This was also the purpose. When Yu Ning found out that the person she had sex with was Zhao Qibing, she might even like Zhao Qibing.

But now, Yu Ning's mind was like a movie playing back the scenes that happened before. "Lin Yi" was Zhao Qibing, the "waiter" was Zhao Qibing's follower, and "huaijun" was the real Lin Yi!

The only reason he was like this was because of Zhao Qibing's aphrodisiac!

Yu Ning, who knew the truth, was ashamed and angry! The real Lin Yi was right in front of her, and he wanted to do something with her, but she rejected him! Yet, she was still thinking about the fake Lin Yi ... Zhao Qibing, you bastard!

Yu Ning became more and more clear-headed, and more and more regretful. She wanted Lin Yi to stop detoxing her and continue doing what he just did, but she didn't have the strength to speak.

Of course, even if she had the strength, Yu Ning knew that this was the reality, but she couldn't make up her mind to do this. Although she liked Lin Yi, she also knew her mission and future. Before the plan started, she had to keep her virginity!

Although Yu Ning didn't know what the plan was, the old Yu and Yu Xiaochen had warned her more than once not to be impulsive! Of course, if the warning was too much, Yu Ning would rebelliously say, "I'll break up with Lin Yi, so what?"

This also led to the Hidden House Yu to guard against Lin Yi as if he was a thief. Guarding against fire, theft, and Lin Yi had become the Hidden House Yu's motto and safety slogan for these years, putting Yu Ning in a state of semi-house arrest.

In fact, Yu Ning sometimes regretted it. If it wasn't for her rebellious phase of youth, saying such things, the Hidden House Yu wouldn't be watching her like this, guarding against Lin Yi like he was a thief, and they wouldn't let the Hidden House Yu try to kill Lin Yi whenever they had the chance ...

No one knew that the Hidden House Yu's old ancestor was so determined to kill Lin Yi because of what Yu Ning said back then ... Even after Yu Ning explained it, the old ancestor didn't believe it. He was still on guard against Lin Yi, afraid that Lin Yi would ruin his big plan!

After Lin Yi had removed all the poison from Yu Ning's body, he took away the silver needles on her body. However, Yu Ning's body was covered in sweat. The medicine that was discharged from her body was all over her body, giving off a pungent smell.

After putting the needles away, Lin Yi stood up and walked out of the room ...

Yu Ning saw that Lin Yi was about to leave and wanted to stop him, but because of her weak body, she couldn't say a word. Seeing Lin Yi's figure disappear at the door of the room, Yu Ning was very disappointed.

In fact, Lin Yi wasn't leaving-he was just going to get a dry towel. He went to the closet in the outer room, opened it, and took out a dry towel before turning back into the inner room.

Yu Ning saw Lin Yi coming back and was suddenly very surprised. After Lin Yi walked over, he lifted Yu Ning's clothes and helped her wipe her body. He had touched what needed to be touched, Lin Yi didn't care anymore. Anyway, he had decided to face this love of the past, there was no need to worry.

Yu Ning's heart was shy and warm as Lin Yi wiped her body. Yu Ning closed her eyes and quietly enjoyed the warmth of this moment.

As for Lin Yi, he naturally didn't know that Yu Ning had regained consciousness. He thought that she was in an illusion and didn't talk to her.

After all, Lin Yi didn't know how long Yaowang's medicine could last. Lin Yi had only expelled most of the medicine out of Yu Ning's body, there must be a small amount left. Lin Yi didn't care about this part, as it would turn into urine and be expelled out of the body over time. It didn't affect her body much, so there was no need to rush it out.

This didn't seem like poison. If it was poison, Lin Yi could only do what he did to the Miss, letting Yu Ning force the poison out of her body.

After wiping Yu Ning's body, Lin Yi stood up again. Yu Ning thought that Lin Yi was really going to leave this time and wanted to stop him, but her weak body made her unable to speak.

Lin Yi didn't actually want to leave, but he went to the bathroom and washed the towel. Then he came back and was ready to use the wet towel to wipe Yu Ning's body again.

Yu Ning saw that Lin Yi was back, and her heart was filled with surprise. But this time, Yu Ning's physical strength recovered a little, so her surprised expression betrayed her conscious state at the moment.

"You're awake?" Lin Yi's steps stopped, a little embarrassed. He held the towel in his hand, not knowing if he should continue wiping Yu Ning's body. He didn't know if Yu Ning would still remember what happened after the effects of the drug. Even if she did, Yu Ning would have mistaken him for yang huaijun, and this made Lin Yi extremely embarrassed.

"En ..." Yu Ning was also a little embarrassed that Lin Yi saw through her situation, she naturally couldn't continue to pretend to be confused. But thinking about how she rejected Lin Yi as yang huaijun, Yu Ning was a little mad. Even if she didn't do anything with Lin Yi, kissing and hugging were fine, but now ...

"Hehe, it's good that you're awake ..." But Lin Yi was a little surprised. Why wasn't Yu Ning surprised to see him? Logically speaking, Yu Ning should be surprised-did he think he was yang huaijun? Lin Yi thought that it was possible. He pointed at his nose and asked, ""Who am I?"

Yu Ning heard Lin Yi's question and her face turned red, but this question had to be answered, so Yu Ning replied, "Lin Yi ... I'm sorry, I ... I didn't know it was you ..."

"Uh ... Then you found out after that?" Lin Yi heard Yu Ning's answer and was slightly surprised, but then he asked again, "You woke up after that? You've been awake all this time?"

"En ... Before, I didn't have the strength to talk ... I'm sorry ..." Yu Ning was very apologetic in her heart. She felt that Lin Yi's heart must be very hurt. It wasn't easy for him to take the initiative, but he was heartlessly rejected by her, ""I really didn't do it on purpose, I took Zhao Qibing's medicine and imagined him as you, and after you came in, I thought you were yang huaijun, big brother yang ..."

"Uh ... I guessed it ..." Lin Yi nodded in understanding.

Chapter 2687 Reunion After A Long Time

However, Lin Yi didn't know what to say after saying that. After all, the two hadn't seen each other for a long time. If something had happened before, it wouldn't be so awkward, but nothing had happened, and now there was a misunderstanding. Lin Yi really didn't know what to say ...

"Long time no see ..."

"Long time no see ..."

After a moment of silence, the two of them didn't expect to speak at the same time, and to say the same sentence, which surprised them both!

However, after saying this, the two really didn't know what to say. The situation was different from usual. Lin Yi just helped Yu Ning detoxify, and Yu Ning was kidnapped by Zhao Qibing. Lin Yi didn't know what to say ...

After some thought, Lin Yi replied politely, "Are you alright ..."

"Are you okay ..." What Lin Yi didn't expect was that Yu Ning asked the same question at the same time. Lin Yi found it a little funny, and Yu Ning naturally thought the same. She wanted to ease the awkward atmosphere between the two, but she didn't expect Lin Yi to say the same thing.

However, this did ease the atmosphere between the two of them. The two of them couldn't help but smile at each other ...

" En, I'm fine ... But not too well ..." Yu Ning really didn't expect that she would see Lin Yi again in such a situation. She thought that it would be difficult for her to see Lin Yi again, but she didn't expect Lin Yi to appear again at her most critical moment ...

It was just like the night she was most afraid of, when Lin Yi gave her warmth and let her spend Valentine's Day in peace ...

Out of the longing for Lin Yi and the memory of the past, Yu Ning unconsciously opened up her mouth and began to tell Lin Yi about her missing Lin Yi ...

Especially when she thought of Lin Yi's overbearing words to Zhao Qibing when he just came in, it made Yu Ning secretly happy. It seemed that Lin Yi still liked her, and their feelings had never changed. So after a short silence, the words that Lin Yi had been holding in all these years came out like a flood ...

" Lin Yi, do you know, do you know how much I've missed you all these years ... From that time, when my brother yang told me that you've appeared again, do you know how excited I was ... I wanted to run over to see you so much ..." Yu Ning began to talk about how much she missed Lin Yi, once the words were opened, it was hard to stop, " "After that, I've been following you through my brother, until the two of you went to the Ice Palace together for the test. You know, I was both happy and worried-my brother said you'd lost all your strength, and I was like a headless fly, trying to get you some treasures from home, but the next day, I heard from my brother that you'd recovered. You've defeated naipao and nitian, two ancient level practitioners-I was happy for your strength, but also worried that the people behind them would come after you. It looks like they didn't do that, and that's a relief ... Although, when I found out that you went to the test for your girlfriend, I felt sad and happy for her-you were willing to take such a risk for her ... Did you know that? In the days to come, I'll be so envious,

jealous, and hateful! But today, I'm not envious of them anymore, because when I was in danger, you came too. It means that I'm as important as she is in your heart ..."

Yu Ning was born in the Hidden House Yu, and the concept of monogamy wasn't very clear to her. After all, she had been living in a family with multiple wives since she was young. She didn't think that Lin Yi having a girlfriend had anything to do with her, she was just happy that Lin Yi still remembered her.

"Ha ..." Lin Yi smiled, "you have a very special place in my heart. I can't say that you're more important than Xiaoxiao, but you're unique."

"En ..." Yu Ning was already very happy that Lin Yi said that, ""But after that, my brother stayed in the Ice Palace, and I lost contact with you. No one in the family told me anything about you ... It looks like they still don't want us to be together ... Right, you already know about my family background, right?"

Before, Lin Yi wasn't very clear about the concept of noble houses and hidden houses. When he was training with Yu Ning, he only knew that Yu Ning's house Yu was very powerful, but he didn't know the details, which was why Yu Ning asked.

After all, when Lin Yi was participating in the Ice Palace test, he couldn't compete with the Hidden House at all. After Lin Yi was injured, house Yu even sent people to kill him. So in Yu Ning's impression, Lin Yi absolutely couldn't compete with the Hidden House Yu.

"En, the Hidden House Yu's miss." Lin Yi said. However, Lin Yi felt a little strange. Why would the old ancestor of house Yu oppose Yu Ning being with him? Lin Yi's current strength was enough to make most of the hidden houses lower their heads.

Even if the Hidden House Yu was stronger and didn't lower their heads in front of Lin Yi, there was no need to go against him. It would be good to rope him in! Marrying Yu Ning over was actually the best way for the Hidden House Yu and Lin Yi to improve their relationship.

As far as Lin Yi was concerned, hidden houses were more conservative and valued boys over girls. It was reasonable for them to give up a daughter to win him over, right? If Yu Tianxing could marry his daughter to Zhao Guangyin, why couldn't he marry Lin Yi?

This was also something Lin Yi didn't understand-he was at least a lot stronger than that Zhao Guangyin, right?

"Then ... What is your current strength?" Yu Ning saw that Lin Yi didn't have any special expression and was a little disappointed. She thought that Lin Yi was still the same as before, afraid of the Hidden House Yu's power.

"Earth Class mid phase peak," Lin Yi said.

"Ah, you're already Earth Class mid phase peak?" Yu Ning's eyes were wide open-she couldn't believe it. Lin Yi's speed of leveling up was this fast. At the Ice Palace test, he was only Mystic late phase, how did he reach earth mid phase peak so quickly?

"It's not that fast, not as fast as the disciples of the aristocratic families and sects. " Lin Yi laughed at himself,"that Zhao Qibing, he was just a normal trash at first, but after eating a bunch of pills, he forcefully rose his strength to Earth Class early phase. He could even practice martial arts now, and it only took a few months ..."

Yu Ning heard Lin Yi's words and was a little sad. Lin Yi was right, the disciples of hidden houses cultivated this fast. Although the strength gained from taking pills was not as strong as the strength gained from hard work, as long as it was stabilized, it was the same.

Chapter 2688 Precious Memory

"You'll have to have Pills first. In fact, not all hidden houses have pills in stock. You'll have to buy them from the ancient sects ..." Yu Ning said.

"Hehe, I understand." Lin Yi didn't think much of it-didn't he sell large quantities of pills to the hidden houses as well? Qibing's strength was probably due to the pills he sold, so Lin Yi had to thank him for his contribution to the orphanage.

"Right, do you have any contact with the other hidden house disciples ..." Yu Ning was concerned about Lin Yi's current status. If Lin Yi could become good friends with a few hidden house disciples, just like with Yu Bing, then the resistance between the two of them would be less in the future. Even if it wasn't possible now, after that incident, Yu Ning would be able to be with Lin Yi after completing her mission.

"The disciples from the other hidden houses, they're okay." "I'm on good terms with the Hidden House Pi, hidden house han, and hidden house Zhuang ..." Lin Yi smiled.

"En, that's good. If you're good friends with the children of these families, then my grandfather will definitely have a whole new level of respect for you." Yu Ning said.

Lin Yi smiled bitterly, thinking that Yu Ning was too naive. These days, the disciples of the house were more than just Lin Yi's good friends. He was just Lin Yi's follower, even their elders were following him around, how could these old Yu's not see it?

The fact that he didn't offer an olive branch to Lin Yi in a situation like this meant that the Hidden House Yu either had a stronger backing or had some secret reason! Lin Yi was almost at the top of the Hidden House level, at least on the surface. If the old Yu still treated him this way, then there must be something wrong.

It was just that Lin Yi didn't have a way to explain this to Yu Ning. There were some things that she might not be clear about, who knew what the Hidden House Yu was planning? Just like the Hidden House Zhao, they didn't have anything to rely on, but they were always going against him.

Lin Yi felt helpless when it came to Zhao Qibing-he should've killed him earlier, but he couldn't do that. His rationality overcame his impulse-if he killed Zhao Qibing, he'd break the peace between the hidden houses and him.

Within the Hidden House level, Lin Yi wasn't the type of person who could summon a hundred people with a single call. At least, he had grudges with the Hidden House Yu, hidden house you, hidden house Zhao, and the GaN mountain sect. If Lin Yi killed Zhao Qibing, then all the other hidden houses would be in danger. If they really teamed up, Lin Yi wouldn't be a match for them at all.

Lin Yi was one of his own, and he knew what he was doing. He may look like a big Shot on the surface, able to kill Sky Class Masters in seconds, but that was only on the surface. He couldn't do sneak attacks continuously, and so he had to be careful. He didn't cross the line while intimidating the hidden houses.

If he touched one of them, they might team up to fight him, but if he didn't touch any of them, they would just be minding their own business, and they wouldn't team up so easily. This was also why Lin Yi let Zhao Qibing go, but this time, he didn't let Zhao Qibing off so easily either. His third leg was something that even Yaowang would need a lot of effort to heal.

"It's almost time, I'll send you home. " Lin Yi said as he saw Yu Ning's spirit getting better.

"Ah ... Going home ..." Yu Ning wanted to spend more time with Lin Yi, but she suddenly remembered that she was caught by Zhao Qibing. Her family must be in a mess, and if her grandfather came over and saw her with Lin Yi, what if he misunderstood and killed Lin Yi in anger?

Thinking of this, Yu Ning quickly nodded, "Lin Yi, will you be contacting me more often in the future?"

"Of course I will. I'll give you my phone number. You can call me at any time." Lin Yi said with a smile.

"Okay, I'll call you when I have the chance." Yu Ning nodded happily.

"Pack up, I'll send you back." Lin Yi said.

"Eh? You're sending me off?" Before, Lin Yi said that he was going to send her home, Yu Ning thought she heard it wrong, but Lin Yi said it again, Yu Ning was sure that she didn't hear it wrong, so she was a little confused, "You ... Are you telling the truth?"

"What's so strange about that?" Lin Yi blinked, but didn't think too much about it.

"You're going to my house ... Aren't you afraid that my father and grandfather will leave you there? Do you really dare to go back with me?" Yu Ning stared at Lin Yi in disbelief. She really didn't understand, how did Lin Yi dare to go back with her? Aren't you afraid of seeing your family?

"He might not have dared to go in the past, but it doesn't matter now. Your grandfather wouldn't dare to leave me behind." Lin Yi said faintly.

"You don't dare?" Yu Ning looked at Lin Yi in shock. If it wasn't for the fact that Lin Yi was not a person who talked big, she would have thought that Lin Yi was talking nonsense! Even the head of the Hidden House Yu didn't dare to keep Lin Yi?

After all, the Hidden House Yu was at the top of the hidden houses, and Lin Yi was able to fight him?

"Hehe, you'll know when you get there." Lin Yi smiled and stood up. He walked to the camera not far away, turned off the camera, took out the memory card, and put it in Yu Ning's hand, "This memory card has the evidence of Zhao Qibing kidnapping you. You can do whatever you want with it."

"En ..." Yu Ning didn't care about the evidence, but the scene of Lin Yi and her together. This video would be a precious memory for Yu Ning forever. Yu Ning decided to keep this memory card forever and take it out to look at it when she had nothing to do!

In the past, Yu Ning's biggest regret was that she didn't take a picture with Lin Yi, so she could only use drawing as a substitute. But now, the male and female protagonists in this video were herself and Lin Yi. When she missed Lin Yi, she could take it out and see.

Yu Ning carefully put the memory card away, afraid of losing it, but she was also afraid that Lin Yi would see her purpose. Her face was a little red, and she didn't dare to look at Lin Yi directly. But she saw that Lin Yi didn't care and put away the camera, Yu Ning breathed a sigh of relief.

"Let's go, I've already packed up. " Yu Ning actually didn't have much to clean up, she just tidied up her messy hair and pulled up the wrinkles on her clothes.

"Okay, I'll send you back now." Lin Yi nodded, naturally holding Yu Ning's hand, "Heavenly Rain Town, right?"

Chapter 2689 They Wouldn't Dare

"En ..." Yu Ning nodded shyly, but she didn't break free. In fact, in her heart, she was willing to do anything with Lin Yi. It was just that because of the plan, Yu Ning couldn't give herself to him yet, but she could accept holding hands and kissing Lin Yi.

Lin Yi naturally pulled Yu Ning out of the room, and the two took the elevator down.

Out of the hotel, Yu Ning was blown by the cold wind outside, and she sobered up a lot, ""Lin Yi, how did you get here so quickly? weren't you in Songshan?"

In Yu Ning's memory, it was still when Lin Yi was in Songshan city. When Lin Yi went to Donghai city, she basically lost all contact with the outside world, so she didn't know that Lin Yi went to Donghai city.

"I'm studying at a University in Eastern Sea city. " "I came here because someone told me, of course. I'll tell you, don't tell anyone else," Lin Yi said.

"En, en." Yu Ning quickly nodded. Lin Yi told her to keep it a secret, she naturally couldn't just talk about it.

"It's Zhao Qibing's follower, he's actually my underling. " Lin Yi said.

"Ah? You've already planted your men in the Hidden House Zhao?" Yu Ning looked at Lin Yi in surprise.

"Hehe, in fact, the hidden you family also has one." "But that's not important-I'll send you back first," Lin Yi said with a smile.

"En, okay." On one hand, Yu Ning was surprised at Lin Yi's powerful ability, but on the other hand, she felt that Lin Yi had too many enemies. Lin Yi planted spies in these families, didn't that mean that his relationship with these families was hostile? So Yu Ning couldn't help but worry, ""You've offended all of them?"

"I can't say that I offended them. They were the ones who wanted to go against me. I had no choice." Lin Yi shrugged and brought him to a quiet place near the hotel.

Yu Ning was a bit puzzled, why did Lin Yi bring her here? He was just about to ask when he saw Lin Yi wave his hand, and a strange spirit beast charged over!

Yu Ning lived in a hidden house, so she was no stranger to spirit beasts. She even had a spirit beast of her own, and she had it with her since she was young. It was just that this spirit beast was fine at first, but during this period of time, it suddenly fell sick for no reason. It looked like it was seriously injured, and Yu Ning was worried, but there was nothing she could do.

After all, no one in the Hidden House Yu knew how to raise a spirit beast, and the elder of house Yu didn't say anything when he saw the condition of the spirit beast, so Yu Ning couldn't do anything.

"Spirit beast?" Yu Ning's spirit beast was much smaller than the purple lightning Beast, but it didn't prevent Yu Ning from recognizing that the purple lightning Beast was a spirit beast.

"Yes, it's called little wind. It's very fast, which is why I could come here so quickly from Eastern Sea city." Lin Yi said.

"Ah, so you have a spirit beast!" Yu Ning was even more surprised. She didn't expect that when she met Lin Yi again, Lin Yi even had a spirit beast. She almost didn't know Lin Yi.

"En, so this spirit beast is from the GaN mountain sect. At the Hidden House Summit, they wanted to use this spirit beast to kill me, but I didn't expect to take it. Your Grandpa was so angry back then." "They didn't manage to stop me back at the Hidden House Summit," Lin Yi smiled. "They won't be able to do it again."

"Lin Yi, aren't you only earth Class mid phase peak now?" Yu Ning was a little surprised, "at first ... They let you take this spirit beast away?"

"Haha, I'm indeed Earth Class mid phase peak ... But there are some things you'll find out eventually. It's hard to explain in a few words, but I can fight people above my level." Lin Yi's situation wasn't something that could be explained in a few words.

"En!" Yu Ning hugged Lin Yi's waist and rode on the purple lightning Beast, her forehead gently leaning on Lin Yi's back, quietly enjoying this moment of happiness.

Today's events made Yu Ning have an unreal feeling, as if happiness came too fast and too suddenly, she was afraid of losing it. Only by holding Lin Yi and leaning on him could she clearly feel his existence.

"Little Feng, go to the heavenly Rain Town. This is the map." Lin Yi pulled out the navigation map on his phone and showed it to the beast.

"Roar Roar Roar!" The purple lightning Beast nodded, indicating that it had memorized the scroll. It then sped off in the direction of the heavenly Rain Town ...

Hidden house Zhao-uncle Zhu didn't even drive this time, he got a friend of the Hidden House Zhao to use a private jet to send Zhao Qibing back.

As much as he wanted Qibing to become a eunuch, it'd be best if he died, but he was Lin Yi's spy in the Hidden House Zhao. He had to do his best for Qibing before he was exposed, to avoid suspicion.

Especially after what happened this time, Qibing would be suspicious if he didn't. That was why Uncle Zhu was very active.

Old Zhao had already heard from uncle Zhu that Lin Yi kicked Zhao Qibing into a eunuch, and he was both shocked and furious. He and Yaowang quickly welcomed Zhao Qibing into the Hidden House Zhao.

"Grandpa ... I didn't think that Lin Yi would be gone ... Ouch ... It hurts ..." Qibing gritted his teeth in pain.

"Yaowang, take a look at Qibing's injuries!" Although old Zhao was also very worried, he still ordered calmly on the surface.

"Yes!" Yaowang quickly nodded and started checking on Qibing's injuries ...

At this time, old master Zhao said, ""Uncle Zhu, what happened? How did Lin Yi know about this?"

"This ... I don't know either!" Uncle Zhu's face was filled with confusion and anger. "Who knows how Lin Yi found out? it's so weird, I only found out the truth the moment before I went on the mission to capture Yu Ning. Did someone else find out before me? There's a mole, there's definitely a mole, definitely! Old master, I think there's something fishy about this. We have to investigate, investigate thoroughly!"

"A mole?" Old master Zhao initially suspected that uncle Zhu was a traitor, but after hearing that he only knew the truth the moment before he caught Yuning, he hesitated. Looking at his angry face, it didn't seem like he was the one who leaked the secret. Could there really be a mole?

Only Yu Shan, himself, and old Mian knew about this-the only one left was Zhao Qibing himself. They couldn't leak anything, and Yu Shan was a part of the operation-it wouldn't do him any good if he did. The only one left was old Mian, could it be that something happened to him?

At this thought, old Zhao turned to look at elder Mian.

"Old master, you have to believe me. I would never reveal the secret. I've been following you all this time. How could I have the chance to reveal the secret?" Elder Mian was shocked and quickly explained.

Chapter 2690 Lucky Again

"Grandpa, I don't think it's our people who leaked the information. When Yu Ning was caught, she was still talking about Lin Yi's name. Her lover is Lin Yi. I'm guessing that Yu Ning had a date with Lin Yi before this, and I was F * cking unlucky to have bumped into a gun ..." Zhao Qibing calmed down and analyzed it carefully. It was impossible for elder Mian and Yu Shan to leak the information, and uncle Zhu was the last to find out. Even if they did, it would be too late. Plus, he didn't have any reason to do that-he'd been crippled by Lin Yi and Chentian, and he hated Lin Yi to the core!

So, after thinking about it, this was the only possible explanation: "Plus, Lin Yi also said that he and Yu Ning had that kind of relationship ... Sigh, I'm just unlucky. If I knew that Yu Ning was Lin Yi's woman, I wouldn't have done this even if I had to eat shit ..."

"Is that so?" Zhao Yu's father was stunned for a moment, then he nodded and said, ""If Lin Yi and Yu Ning are related, then it's hard to say ... Forget it, let's not talk about this. Yaowang, how's Qibing's injury?"

"Old head, Qibing's injuries are very serious. This Lin Yi is very cunning. When he kicked, he didn't just kick, he added pure energy into it and blew up the meridians around his yang. On the surface, it looks like his yang is broken, but in reality, even if he took the small recovery pill, it only healed the surface. The inside can't be healed, unless he uses the big recovery pill." Yaowang said after a careful look.

"It's that serious?" Old Zhao was shocked-Zhao Qibing was the future head of the house, and the Hidden House Zhao couldn't just stop there! "Then ... Other than the recover pill, is there any other way?" he quickly asked.

"I can only try. I can't guarantee anything." "Fifty percent," Yaowang said after some hesitation.

"That's good, as long as there's hope. " Zhao Yu's father heaved a sigh of relief.

"Of course, you don't have to worry too much, old master. The Hidden House Zhao won't be cut off. Even though master Bing can't have sex anymore, there's still another way to go about artificial insemination, but it's a little more troublesome." Yaowang was an expert in medicine, so he reassured old master Zhao.

"That's good. " Zhao Yu's father was relieved.""Then try your best. It's good that you don't f * ck. You've suffered a loss because of a woman this time. You can't suffer this kind of loss again in the future."

"..." Zhao Qibing's heart was filled with tears. I'm crying ...

"Alright, let's put this matter aside for now. Old Mian, we need to think about how to deal with this. Qibing didn't succeed, so our relationship with the Hidden House Yu will only worsen. We need to think of a way to calm their anger," Old Zhao said.

Hearing that, elder Mian heaved a sigh of relief. It seemed like elder Zhao was no longer suspicious of him. However, he could not think of a good way to deal with it at the moment, so he said,""Let me think about it ..."

"En, Qibing, do you have any ideas?" Old Zhao turned to look at Zhao Qibing, who was being treated by Yaowang.

"Grandpa, didn't Lin Yi go? Why don't we just tell the Hidden House Yu that it was Lin Yi who took Yu Ning? Anyway, when I was studying it with Yu Shan, we did it too. We'll let Yu Shan tell his Grandpa that it was Lin Yi who took Yu Ning away, wouldn't that be the perfect answer to that sentence?" Qibing thought about it and said, "didn't we owe Lin Yi the Qi gathering pill we got last time?" It was a lucky hit, so it should be the same this time, right?"

"You can't do it this time!" Zhao Yu's father shook his head, ""Let's not talk about the fact that Yu Ning would remember what happened after the medicine wore off, and that she has evidence. You two idiots, you didn't even bring the camera with you when you left, do you think the Hidden House Yu wouldn't know the truth?"

"This ..." Zhao Qibing thought about it and agreed. Not only would Yu Ning remember the truth after the incident, even if she didn't, there were still cameras. He and uncle Zhu were in a hurry and forgot about this.

"I ... I was scared out of my wits by Lin Yi. I'm sorry, old master ..." Uncle Zhu said, sweating.

"Forget it, Lin Yi's a strong guy-it's normal for you guys to be scared. Even this old man, a Sky Class master, would be scared of Lin Yi." Zhao Yu's father didn't continue to blame him, but said, ""Elder Mian, do you have a solution?"

"Old master, in my opinion, since we can't hide it anymore, is there any other way besides taking the initiative to admit our mistakes?" Elder Mian said with a bitter smile.

"It's not like we can't admit our mistakes, we can push all the blame onto Yushan and say that Qibing was tricked by him ... Hmm, let me think, let me sort out my thoughts ..." Old Zhao was a cunning man after all, he came up with a plan quickly. "Isn't Yu Ning in love with Lin Yi? I have an idea, we'll just say that Yu Shan was injured by Lin Yi, and Yu Shan wanted revenge, but he didn't have the strength, so he

let Qibing go and kidnap Yu Ning to take revenge on Lin Yi, what do you guys think? Hahahahaha, I'm a genius!"

"Yeah!" Qibing slapped his thigh in excitement, but Yaowang was in the middle of his acupuncture-the needle missed and went straight into his balls. Qibing cried out, "Oh ... My balls, my balls hurt ..."

Yaowang was also a little embarrassed, "It's fine, it's just a small wound, it's not a big deal. Master Bing, please don't move ..."

"Okay ..." Zhao Qibing was so scared that he didn't dare to slap his legs and shout, "Grandpa, that's a good move, but I don't feel too good about Yu Shan becoming my scapegoat ... He's here for me, after all."

"He can't run away no matter what. Even if you don't blame it on him, he definitely won't recover this time. It's better to let him be a waste and display his greatest value!" Old master Zhao waved his hand and said.

One had to admit that old Zhao was quite the guy-he'd managed to hit the bullseye twice. This time, he blamed it on Yu Shan, and he was more than half right. Other than not knowing Yu Ning's value to the Hidden House Yu, he didn't know that Yu Shan wanted revenge on the Hidden House Yu. He was right about Yu Shan's revenge on Lin Yi.

"You're right ..." Zhao Qibing was a cruel man, and he nodded in agreement after hearing his father's words.

Uncle Zhu, on the other hand, was even more disheartened-this Zhao Qibing wasn't a wise man, he was just a scapegoat, selling out after using him, what kind of person was he! Uncle Zhu felt that it was a wise decision to follow Lin Yi-following Zhao Qibing would only lead to his death.
