### Chapter 2691 Elder Yu's Attitude

"Elder Mian, go and spread the news. It's better to do it as soon as possible." Old Zhao said to old Mian.

"Yes, I'll send the message now ..." Elder Mian nodded.

At this time, Lin Yi also brought Yu Ning to the foot of the mountain where the Hidden House Yu was! At this time, it was impossible for Lin Yi to sneak up-he was stopped by a few Earth Class Masters at the foot of the mountain!

Originally, these Earth Class disciples didn't appear unless something big happened. They were all cultivating hard, but today Yu Ning was missing, and they were sent out to search for Lin Yi at the foot of the mountain.

"Who has come? Hurry ... Dismount your spirit beast and accept the inspection!" One of the disciples, Yu BA, yelled. Lin Yi didn't drive or ride here, and he didn't know what to say.

Lin Yi, on the other hand, was very obedient and told Lil "Feng to stop. In fact, with Lin Yi's skills, these people were no match for him at all. Even if they tried to force their way in, they wouldn't be able to stop the purple lightning Beast.

But since they were in the Hidden House Yu, Lin Yi had to give Yu Ning some face, or else it would be embarrassing.

"Miss Yuning?" Yu BA finally saw the person behind Lin Yi on the spirit beast, and this person was Yu Ning! Yu BA's face paled as he quickly pressed the beeper in his hand, "I'm Yu BA, I've found miss Yu Ning, she and a stranger appeared at the foot of the mountain on a spirit beast, we're calling for help!"

"Yu BA, there's no need to call for help, let us go up." Yu Ning said.

"This ..." Yu BA hesitated. If it was just Yu Ning alone, he would let her go without a second thought. But she came with someone else, and there was also ... A Mystic late phase peak spirit beast. He didn't know how strong the spirit beast was, so he didn't dare to act rashly.

But, just as he was hesitating, the old elder had already brought Xiaochen to the foot of the mountain. One was Sky Class early phase peak, and the other was Earth Class late phase peak. They were very fast, and they were in their own territory, so it didn't take long for them to reach the foot of the mountain.

"Lin Yi?!" After seeing Yu Ning, the old ancestor of house Yu was excited, but when he saw Lin Yi, he was shocked! Wasn't Lin Yi in Donghai city? He had already confirmed with Chen Yushu and you Panhu that Lin Yi didn't come to kidnap Yu Ning. Why did Lin Yi come back with Yu Ning?

He came all the way from Eastern Sea city ... The elder of house Yu was even more shocked when he saw the purple lightning Beast! He was no stranger to this purple lightning Beast-he'd seen it at the Hidden House Summit, but it was only golden class late phase peak back then. How did it become Mystic late phase peak after so many days?

The purple lightning beast's speed was already very fast before, and it would definitely be even faster after leveling up. It made sense that Lin Yi could get here in such a short time!

"Old Yu, how have you been?" Lin Yi said faintly as he looked at the old man. He wasn't being respectful, and he didn't even get off his spirit beast. It wasn't like he was meeting his elder.

The old man only reacted after hearing Lin Yi's question-the Lin Yi now was no longer the Lin Yi He used to be! Not to mention the fact that his Mount was a Mystic late phase peak spirit beast, even his own strength was not something the elder could underestimate.

An Earth Class mid phase peak killing a Sky Class master in seconds, there was no way the elder wouldn't be moved! Especially when he heard that even the practitioner trade Association's Vice President and the Hidden House you's Sky Class master called him senior. What was the point of the elder acting cool for?

However, in front of Yu Ning, he naturally couldn't call Lin Yi senior. He just politely said, ""So it's swordsman Lin, our hidden house Yu's presence brings light to our humble dwelling, what a rare guest!"

"Haha, you're too kind, old Yu." Lin Yi said with a smile.

Yu Ning looked at her grandfather in shock, and then looked at Lin Yi. Lin Yi really didn't lie. He came here, and it seemed that not only did his grandfather not dare to keep him, but he was also very polite. Could it be that Lin Yi was strong to this point?

"Lin shaoxia, I wonder how my granddaughter came back with you?" Old master Yu squinted his eyes and looked at Yu Ning who was hugging Lin Yi. He wanted to say something but didn't in the end.

"Oh, Zhao Qibing kidnapped Xiaoning, and I happened to save her," Lin Yi made it sound simple, but the old man knew that it wasn't that simple!

Not to mention how Lin Yi knew that Yu Ning was kidnapped, just the fact that Lin Yi was able to find Yu Ning accurately was already very strange. But old ancestor Yu didn't dare to press too hard. After all, if Lin Yi didn't want to say, no one could make him say.

"I see, thank you for saving me, young hero Lin, and even sending someone to my door. I'm truly honored, there aren't many people in the Hidden House that young hero Lin would take the initiative to help!" The elder said politely.

"What's wrong, elder Yu, aren't you going to invite me up?" Lin Yi asked.

"Haha, look at me, I was just talking and forgot!" "Actually, no one can stop you if you want to go up, Lin shaoxia!" The old elder laughed.

"Little Feng, let's go." Lin Yi said to the purple lightning Beast.

The purple lightning Beast slowly walked up the mountain. Yu Ning, who was sitting behind Lin Yi, wanted to come down, but the purple lightning Beast had already left. She could only continue to sit behind Lin Yi and hug him.

Old Yu's face changed a little, but he didn't say anything. He didn't want to anger Lin Yi just yet-the kid was a tough nut to crack, and he might just kill someone over a small disagreement. Old Yu himself was Sky Class early phase peak, and he might not be killed by Lin Yi, but it was different for the others. Yu Xiaochen wasn't even a weapon, and the Hidden House Zhao's elder bi wasn't Lin Yi's match at all.

They came to the living room of the Hidden House Yu. Lin Yi got off the purple lightning Beast, and Yu Ning followed him down, but they heard the old ancestor say, "Lin shaoxia, please come in. Yu Xiaochen, Xiao ning must be in shock, take her to rest and ask her about Zhao Qibing. This Zhao Qibing sure is gutsy, how dare he do something like this?"

In fact, the old ancestor of house Yu said so much to let Yu Ning leave first, and he wanted to talk to Lin Yi alone.

Chapter 2692 No Reason?

Yu Ning looked at Lin Yi, a little reluctant, but she misunderstood. Seeing her grandfather's politeness to Lin Yi, she thought that her situation had turned for the better, so she didn't insist. She just looked at Lin Yi affectionately and left with Yu Xiaochen.

"Young hero Lin, please come in!" After Yu Ning left, the old ancestor made a gesture to Lin Yi.

"Master Yu, you sent Yu Ning away because you have something to say to me, right? If you have something to say, just say it. There's no need for formalities. " Lin Yi saw the old man's intention and got straight to the point.

"Lin shaoxia is still the most straightforward. I'll tell you the truth then." "Lin shaoxia, thank you for your help. If it wasn't for you, that bastard Zhao Qibing would've ..." The old elder nodded.

"As I said, I just happened to be there." Lin Yi waved his hand.

"No, you're helping us out for no reason, and I'm very grateful for that. I'll give you some treasures as a token of my appreciation!" The elder of house Yu said.

"For no reason?" Lin Yi frowned as he looked at elder Yu.

"That's right, so we naturally can't let young hero Lin do it for nothing. We'll compensate him!" "We, the Hidden House Yu, can't owe you a favor," the old elder said with a nod.

"Elder Yu, what's the meaning of this? Xiaoning and I are old friends, right? I'm sure Grandpa Yu knows about it, right?" Lin Yi also understood the words of the old ancestor at this moment. He wanted to try his best to cut off the relationship with him. He didn't want to connect the rescue with his acquaintance with Yu Ning, and simply wanted to see Lin Yi as a benefactor!

"Lin shaoxia, I'm in a difficult situation too. There are some things that you don't know, and even ning doesn't know. But since we've come to this point, I won't hide it anymore. I'll tell you the truth. The situation is like this. Although I can see what's going on between you and ning, there are some things that I can't make the decision for!" The elder changed the topic and started playing the emotional card.

"What do you mean?" Lin Yi's heart skipped a beat as he looked at the old man.

"Ning was engaged when she was young. She was engaged to an ancient sect!" Elder Yu said, "our hidden house Yu values this marriage a lot, and so does the other sect, so I hope you can understand. You may be strong enough to kill Sky Class Masters in seconds, but can you kill Sky Class late phase peak in seconds?" And not just one? So young hero Lin, I hope you can control yourself and not cause trouble for the Hidden House Yu, and not for yourself. The ancient level is not something you can fight!"

Lin Yi was a little shocked at the words, and looked at the old man with suspicion. He didn't fully believe it, but it did explain why the other hidden houses were all trying to get close to Lin Yi, but the Hidden House Yu didn't. It seemed like they had found another master.

Ancient sect, ancient sect again! Lin Yi took a deep breath. With his current strength, naturally he wasn't an opponent of an ancient sect. But, since he had made up his mind to face Yu Ning's matter, he didn't want to give up easily!

"I once told the common house Yu that they owe me two wives, and now that the common house Yu is destroyed, as the Hidden House Yu that supports the common house Yu, I'll naturally hold you guys responsible for this!" "Yuning, it's one, I think we're missing one more?" Lin Yi said faintly.

"Young hero Lin must be joking ..." Old Yu's heart skipped a beat, but he maintained a calm face, ""Our hidden house Yu only has one granddaughter, Yu Ning, who's of the right age. We're already engaged, so naturally we can't give Lin shaoxia two wives, haha ..."

"Is that so?" "An ancient sect?" Lin Yi smiled. I won't ask now, but before Yu Ning gets married, I hope you can tell me. I'll ask her personally, whether it's her wish or not. "

"This ... That's not a problem," The old elder thought about it and nodded. The Lin Yi now wasn't someone he could mess with!

Although Yu Ning's marriage was made up by him, the truth was pretty close, so the elder didn't blush at all.

"Since that's the case, I'll take my leave." Lin Yi said faintly, "since elder Yu doesn't want to have too much to do with me and only sees me as an outsider, there's nothing for me to stay. See you again."

"Young hero Lin, as a token of my appreciation, I will give you some heavenly treasures that you need. What do you want?" The elder asked.

"Oh, do you have any of colored steel, pure yellow jade, or blue crystal powder?" Lin Yi asked.

"Oh? I do have some colored steel, but I don't have anything else. Young hero Lin, you only want colored steel?" The elder was curious as to what Lin Yi wanted it for-it wasn't anything useful.

"Yes." Lin Yi nodded.

"Alright," he said. The elder didn't ask any more questions, and only waved to Yu BA, "Yu BA, go find Yu Yi and ask him to bring the colored steel over."

"Yes, ancestor!" Yu BA nodded and went to handle it.

After a while, Yu Yi came over with a small box in his hand. It was probably the colored steel.

The elder took it and passed it to Lin Yi, ""Young hero Lin, can you take a look and see if this is the thing?"

Lin Yi opened the box and took a look. It was indeed a colored steel, and it was even bigger than the one he got from the Hidden House han. This made Lin Yi a little surprised. Although Yu Ning's engagement made him depressed, this colored steel was still a surprise!

"Alright, this is it. I will accept it then." Lin Yi said as he took the steel.

Since the old Yu was trying to cut ties with Lin Yi, there was no need for him to do so. Lin Yi could see that everything was fake, and only strength was important. As long as he had strength, everything was fine. Without strength, everything was empty talk.

Before, when Lin Yi wasn't strong enough to kill a Sky Class in a second, would the elder be so polite to him? It was obviously impossible. He had already shown mercy by throwing him out. Maybe he could take this opportunity to kill him!

Chapter 2693 Yu Ning's Loss

But now, the old ancestor didn't dare to do that. He still didn't try to build a relationship with Lin Yi, but it was obvious that he respected Lin Yi a lot. He even gave him a gift-this was a change in attitude.

"Of course, this is what Lin shaoxia deserves!" The elder of house Yu said with a smile.

"If there's nothing else, I'll take my leave-it seems like elder Yu doesn't plan on having me stay for supper." With that, Lin Yi walked towards the door, and elder Yu didn't stop him. Their relationship was only a small one.

Lin Yi walked out of the living room and got on the purple lightning Beast. He took one last look at the Hidden House Yu's Castle and took a deep breath. He thought to himself that he would definitely come back to this place!

Then, he patted the purple lightning beast's shoulder and said, "Little Feng, let's go back!"

One man and one beast, leaving a trail of dust behind them. Old Yu's brows were furrowed-he didn't know if today's incident was a blessing or a curse. Now that he had a better relationship with Lin Yi, he didn't have to worry anymore. He heard that Lin Yi's strength had increased drastically these days, and he was a little afraid that the Hidden House Yu would go up against him.

But now that Lin Yi had the colored steel, the two wouldn't have any conflicts anymore. What made master Yu worried was Yu Ning's situation. After Lin Yi heard about the marriage agreement with the ancient sect, although he left temporarily, master Yu could see that Lin Yi would not give up easily. He was just temporarily enduring it.

So the elder was a little worried-would there be trouble in the future? He'd made things clear to Lin Yi, but if Lin Yi had enough strength, the situation wouldn't be within his control.

With that thought, the elder sighed and turned to Yu Yi, "Gather all the family members for supper. I have something to say!"

"Ah ... Okay!" Yu Yi paused-the elder never gathered the whole family for supper, and even if he wasn't here, the Hidden House Yu wouldn't sit down and eat together so seriously. It was always whoever was hungry that would go to the dining room. But today was obviously an important day, so Yu Yi quickly went to inform the other members.

Yu Ning was the happiest. After she went back to her room, Yu Xiaochen only asked about what happened. He didn't say much, and he didn't show any unhappiness or anything special about Yu Ning's admiration and respect for Lin Yi!

And now, Grandpa Yu wanted to gather the whole family for supper. Obviously, there was something important. Yu Ning thought that it might be a supper specially prepared for Lin Yi. Otherwise, there was no need to hold another family supper in the middle of the night.

Yu Ning happily took her little spirit beast to the dinner party. Lin Yi seemed to be very knowledgeable about spirit beasts, so Yu Ning wanted to ask him to help her see what happened to her spirit beast and why it was injured.

Yu Shan was sent to the banquet hall under Yu BA's supervision as well. The Hidden House Yu was in a mess earlier, and Lin Yi had visited once on his spirit beast, but Yu Shan didn't know about it. He was isolated in his room and couldn't get any news.

He felt a little strange that he was suddenly invited to a banquet at this time. Was it a blessing or a curse? But when he saw Yu Ning in the hall with the spirit beast, his heart sank. Yu Ning was fine, did that mean Zhao Qibing was in trouble?

Thinking about the possibility that Qibing didn't succeed, Yu Shan's heart was filled with hatred. What the f \* ck, he'd already taken her away, and he still didn't get what he wanted? was she a eunuch? He wasn't wrong, Zhao Qibing had really become a eunuch!

At the same time, Xiaochen received the news from the Hidden House Zhao-he was furious, and while it might seem like they were trying to get Qibing off the hook, if what the Hidden House Zhao said was true, then Xiaochen's anger towards Yu Shan would only grow!

Xiaochen was already suspicious of him, and now it seemed that if he wasn't a spy, Qibing wouldn't be able to complete his plan. However, Xiaochen didn't get angry right away-he just sat in his seat with a dark face, waiting for the old Yu's arrival.

Yu Shan's face wasn't looking good either, and his father, Yu xiaozhong, felt that something wasn't right as well. He wanted to ask Yu Shan something, but didn't dare to, and could only wait for the feast to start.

Not long after, the Head of House Yu, Yu Tianxing, arrived at the hall and sat on the main seat. He'd received news from Yu Yi that Yu Shan was a traitor!

"Grandpa, where's Lin Yi?" Yu Ning didn't feel that the atmosphere was wrong. She was immersed in the happiness of reuniting with Lin Yi. At this moment, she saw her grandfather coming, but Lin Yi didn't come. She suddenly felt a little strange.

"Lin Yi's gone." The old ancestor said faintly, "don't think about him anymore. You two are from two different worlds. I've talked to him, and he has his own girlfriend. He only sees you as a normal friend. Don't think too much about it!"

"Ah? This ... This is impossible!" Yu Ning heard her grandfather's words and was shocked. When she was in the hotel room, she could clearly feel Lin Yi's feelings for her, and when they held hands, she could also feel Lin Yi's feelings for her. How could they be ordinary friends?

It must be because Grandpa didn't agree to it, so he was spouting nonsense! Yu Ning felt very angry and wronged. Why did her grandfather still not agree to her relationship with Lin Yi? Her grandfather was already very respectful towards Lin Yi-what was wrong with this?

"Nothing is impossible." "Ning, I'll talk to you about you and Lin Yi after dinner, but we need to talk about something else!" The elder waved his hand.

"Oh ... Okay." Yu Ning nodded and sat there with the spirit beast in her arms. She didn't have any appetite.

The Hidden House Yu's dinner was sumptuous, but no one had the appetite to eat-especially Yu xiaozhong and Yu Shan, who were both sweating.

"Yushan, you're doing pretty well, huh? Betraying your sister and colluding with Qibing? Are you still a Yu?" The old elder changed the topic and looked at Yu Shan.

"Ah ... I ..." Yu Shan knew that his plan was exposed the moment he heard the question. It was useless trying to avoid it now. Zhao Qibing had probably confessed already, and there was no point in hiding anymore. His psychological defense was broken, and he knew that things were bad.

Chapter 2694 Happy Again

"Father, is there a misunderstanding?" Xiaozhong was shocked and quickly explained for her son, "Yu Shan's a cripple, how could he do something like this?"

"A cripple? It's because he's a cripple that he has accumulated grudges, right?" "Yu Yi," the elder said faintly, "give them the phone number of the Hidden House Zhao's elder Mian ..."

"Yes!" Yu Yi took out a recording pen and started playing the phone call.

"Qibing's already confessed. Yu Shan set this up because he hated Lin Yi ..." Elder Mian's voice came from the recording.

"Impossible, this is impossible! Zhao Qibing didn't know about Yu Ning and Lin Yi ..." Yu Shan screamed, "And I didn't set it up. It was him. He made me do it. I have a recording of the call. I have the evidence!"

"Yu Shan...You ..." Yu xiaozhong knew that he was done for the moment he heard Yu Shan's words. It didn't matter if Yu Shan set this up or not, he had to be a part of it. He was an accomplice in this kidnapping case, and it was over for Yu Shan this time.

"Yu BA, take him away and keep an eye on him, I don't want to see him again!" House Yu's elder didn't ask for the details anymore, waving his hand and letting Yu BA take Yu Shan away. It didn't matter if it was Zhao Qibing or Yu Shan's idea anymore, as long as Yu Shan was involved, "Put him under house arrest and only provide the servants with leftover cold food every day. It's fine as long as he doesn't starve to death."

"Yes!" Yu BA nodded in agreement.

Yu Shan was taken away, and he didn't want that to happen-if it worked, if Lin Yi cried, if house Yu fell, he wouldn't care. Even if he died, he'd die a worthy death, but now, he didn't want that!

Xiaozhong's face was ashen as he sat there, not saying a word.

"You guys go ahead, I don't want to eat anymore either-I came here to tell you guys this news. Yu xiaozhong, you don't have to be in charge of the house's Affairs anymore, just focus on your training!" The old elder waved his hand and said faintly.

"Yes ... Father ..." Yu xiaozhong knew that his position in house Yu was over. It was already good enough that he could keep the resources he had before. He could only sigh-it seemed like his line wouldn't have any chance to compete anymore.

"Yuning, come with me." With that, the old elder stood up.

"Oh ..." Yu Ning was a little worried as she followed the old man out of the banquet hall and into a small room.

"Ning, have a seat." The elder of house Yu gestured for him to sit, "I'll tell you about Lin Yi. "

"En ..." Yu Ning nodded and looked at master Yu with anticipation.

"I'm sure you know what's going on between you and Lin Yi. It's impossible. Let's not talk about your future, it's an unusual path. Even now, Lin Yi already has a few wives. Do you still want to go and join in the fun?" The old ancestor of house Yu wanted to use this conversation to completely cut off the communication between Yu Ning and Lin Yi. He also understood that it was better to block it than to

disperse it. Now that he couldn't block it anymore, Lin Yi's strength was no longer something he could do as he pleased.

"Grandpa, don't you have a few wives too? What's wrong with that?" Yu Ning blinked her eyes in confusion and asked.

"Ahem ahem ahem ..." The elder of house Yu just realized that Yu Ning had been living in the Hidden House Yu since she was young. Other than training, she never left the house. She would have heard and seen things in the Hidden House Yu, so she wouldn't care about this. He was wrong!

"Oh, even if this isn't a big deal, you should know that you have to remain a Virgin for the big plan in the future, or you'll bring disaster to the Hidden House Yu!" Plus, this isn't a good thing for Lin Yi-the Lin Yi now may be able to look down on the hidden houses, but he's no match for the person who started the big plan. If he goes up against someone from that place, he'll be dead for sure. You don't want to harm yourself and others, and make Lin Yi an enemy of that place, do you?"

"This ..." Yu Ning was silent. Although she didn't know much about the future plans, she had a rough idea because of her own future. The one who made this plan was a powerful sect, even stronger than the ancient sects. This was also the reason why the Hidden House Yu developed so quickly in the past few years, so what the elder Yu said might not be a lie! Of course, Yu Ning didn't know that even if it wasn't because of her, Lin Yi had already formed an unresolvable hatred with that place. Even if they didn't provoke Lin Yi, one day Lin Yi would kill his way back. So Yu Ning nodded, but she was still a little unwilling, "But I can keep a distance from him and not cross the last line!"

"You know, but does Lin Yi know? You guys are so passionate. If something unexpected happens, it'll all be over!" "Plus, do you know about that place?" the elder shook his head. What would they think if they saw this? They'll kill Lin Yi for sure to prevent any future trouble. "

"This ..." Yu Ning was silent again. Yes, what if that place killed Lin Yi without distinguishing right from wrong?

"So, if you don't want to hurt Lin Yi, then don't have anything to do with him anymore." The elder of house Yu said.

"Oh ... Then after that plan, can I be with him?" Yu Ning asked, not willing to give up.

"We'll talk about that plan later. We don't know what will happen." The elder didn't answer the question directly.

"Alright, I wanted to ask Lin Yi to help me take a look at this spirit beast-he seems to be very good at raising spirit beasts, and Yubing bro said that he could help me with that." Yu Ning raised the spirit beast in her hand and said.

"Oh?" A glint flashed across the elder's eyes as he hesitated. He looked at the spirit beast in Lin Yi's arms and estimated the time the plan would be activated. He then said unwillingly, "Okay, I'll invite Lin Yi over soon, but you shouldn't have any contact with him in private!"

"Alright, thank you, Grandpa!" Yu Ning heard her grandfather's words and was very happy. She thought that she wouldn't be able to see Lin Yi for a while! Moreover, this time, although her grandfather gave a clear answer to whether she could be with Lin Yi after the plan, this meant that there was hope. How could Yu Ning not be happy?

But what made Yu Ning a little strange was that her grandfather didn't seem to care much about his spirit beast's injury before, but this time, why did he suddenly seem to care?

## Chapter 2695 Receiving Good News

In fact, Yu Ning misunderstood. It wasn't that the old ancestor didn't care, but it was useless even if he did. He couldn't do anything about it! This spirit beast was bought from the Qian Mountain sect at a high price and had followed Yu Ning since she was young. If the Qian Mountain sect, which specialized in raising spirit beasts, couldn't do anything about it, then he naturally wouldn't waste his time.

But this time, the situation was different. Lin Yi was able to take away the spirit beast of the GaN mountain sect and even increase his strength. This was something that the elder of house Yu would definitely be touched by, so Lin Yi might really have a way.

Plus, the importance of this spirit beast to Yu Ning, the old ancestor of house Yu knew it better than anyone else. He didn't have a way before, but now he had a way. Even if he had to ask Lin Yi, he could only accept it.

It was already midnight when Lin Yi got back to Donghai city. He packed up the colored steel and went to bed. He didn't care about Qibing and the Hidden House Yu's relationship. It didn't matter much if the two houses fell out or not.

The next morning, Lin Yi was telling Mengyao, Yushu, Jingjing, and Xinyan what happened last night when his phone rang.

He picked it up and saw that it was from boss Bai. He quickly picked it up, "Mr. Bai, you were looking for me?"

"Yi, I've found some information about your special Constitution!" Boss Bai's voice sounded very excited. "Also, we have news of a solution!"

"Oh? Really? That's great. What's the news?" Lin Yi asked, pleasantly surprised.

"Uh ... It's just information ..." Boss Bai smiled bitterly. ""Aren't you a little too anxious?"

"So it's just news ..." Lin Yi smiled bitterly, thinking that he was overexcited.

"It's good enough that there's news, and it's very reliable. I've read a lot of ancient books from the sect and found some information ..." Boss Bai explained.

"Thank you for your hard work, Mr. Bai. What's the news?" Lin Yi said gratefully.

"Lin Yi, if it's possible, we should go to Zhang Liju's tomb again. His research in this area should be on the shelf in his tomb!" Boss Bai said.

"Oh? Was it the research of Zhang Liju's Grandmaster? It wasn't in the alchemist's personal notes?" Lin Yi blinked-he didn't think he'd have to go to Liju's tomb.

"No, it's just personal notes about dan-making, it's one of the most important works of Zhang Liju's Grandmaster, but a dan-maker might have a few notes in their life, like notes about strange things, and your body belongs to that." Boss Bai explained.

"So that's how it is. Then this matter should be done sooner rather than later. When are we going?" Hearing that there was a way to solve the problem with his body made Lin Yi a little anxious.

"Any time is fine. Let's do it this weekend. Make some arrangements and we'll go together." Boss Bai said.

"Alright, I'll make the arrangements." Lin Yi nodded excitedly.

"What's wrong? Good news? You look so happy. " Mengyao asked as she looked at the happy Lin Yi. Mengyao didn't say anything about Lin Yi's story last night, but she was still troubled by the fact that Lin Yi suddenly had a first love. Where did this first love come from?

But Xinyan didn't say anything, she just listened quietly, as if she didn't show much jealousy towards Yu Ning's appearance. In fact, Xinyan was very clear about her position, she knew that if she could be with Lin Yi like this, every day she spent with him was one day less. If Lin Yi didn't have the ability to fight against the ancient sect, then she would have to marry Zhaolong in the end.

And so, she'd already gotten what she wanted, and getting jealous over her first love wasn't worth it at all-Xinyan didn't have the time to think about that.

"Hehe, Mr. Bai has found a possible solution to my Constitution. I might be able to refine pills in the future." Lin Yi didn't hide anything from him. He was familiar with the people here. Han Xiaochao had already finished his breakfast and went to his car to read. He wasn't interested in Lin Yi's adventure. He was a complete nerd.

"Oh? So it's like this!" Chu Mengyao nodded, "Then I'll have to congratulate you. This way, you can see Xiaoxiao as soon as possible. To be honest, I've missed her a lot!"

Xiaoxiao and Mengyao had been at loggerheads before, but their relationship had grown very close, and Mengyao hoped that she'd come back soon.

"But we still need to go to Zhang Liju's tomb, we don't know if we can find a way or if it'll work. Everything is still unknown." Lin Yi shrugged. It was good news, but he didn't know if the notes were in the tomb or not.

"It's always good to have hope," Mengyao said with a smile.

"Yeah, Lin Yi bro's so strong, he'll be fine." Han Jingjing was Lin Yi's most loyal fan, and she was a bit of a fangirl.

"Haha, it has nothing to do with Zhang Liju's notes ..." Lin Yi laughed.

"Jingjing feels that there won't be any problems." Han Jing Jing said.

Mengyao was curious sometimes-what made han Jingjing trust Lin Yi so much? Last time, han Jingjing was about to die, but she still kept Lin Yi's Secret. She and Shu were suspicious that han Jingjing had some kind of purpose for Lin Yi, but now it seemed that even if she had a purpose, doing this for Lin Yi was enough to make Lin Yi trust her and cherish her!

At least, Mengyao was willing to let Jingjing and Lin Yi be together. This girl was aloof from the world and worshipped Lin Yi. Mengyao would be at ease if she kept her at home. There wouldn't be any problems.

After breakfast, the group went to school. When they reached school, Lin Yi wanted to give Yu Xiaoke a call, but as soon as the call went through, Lin Yi suddenly remembered his identity. He was Lin Yi, not the male thief!

But since the call was connected, Lin Yi decided to tease Yu Xiaoke a little. It was rare for him to be in a good mood today.

"Hello? Lin Yi? What's the matter?" Yu Xiaoke picked up the phone. She felt a headache coming on, but she couldn't just ignore it. She complained in her heart, "didn't her brother play cards with Lin Yi yet?" Why was he still calling her?

Chapter 2696

It was May 20th, which wasn't a holiday. At least, 520 and 521 were dates or couples getting married every year. It was said that couples who wanted to register for marriage lined up on that day.

Lin Yi had been in Songshan for two months now, and he had just recovered from Ma Zhu's injuries. He came to school early in the morning and found that the school today was different from the past!

There were students putting up banners and signs on the field, and Lin Yi took a closer look-it was "520, heart beating memories, a confession before graduation!"

Lin Yi was about to ask someone when he saw the Dean, Wang Zhifeng. He quickly waved at him, "Good Morning, chief Wang. Do you have time? I have something to ask you."

"Ah, it's you, Lin Yi. What's up?" Wang Zhifeng saw Lin Yi and quickly walked over to ask.

"What's going on in the school? Is there some sort of event?" Lin Yi asked.

"Oh, it's May 20th today, 520. It's also because I love you. Every year, when the third-year students graduate, they will spontaneously organize a pre-graduation confession. This has been a tradition for many years. Initially, it was because of a game called "heartbeat memories" that became popular. So, on the eve of graduation, students would confess to the boy or girl they have a crush on." Wang Zhifeng explained. Lin Yi had transferred here halfway, it was normal for him to not know the school's tradition.

"Oh? So, the school won't interfere?" Lin Yi was a little surprised—he didn't think that Zhifeng wouldn't interfere with a confession event like this.

"This ... It's a tradition. Moreover, only graduating students are allowed to participate in this event. Non-graduating students are not allowed to participate." Wang Zhifeng smiled. "Lin Yi, I'm not an open-minded person, you should understand that ... It's just that I'm strict with my students for their own good. Since we're about to graduate, and the college entrance exam is just a few days away, I naturally won't interfere with events like this. After all, having events like this at a time like this won't affect your studies, but it'll help you relax and relieve the pressure before the exam. It doesn't matter if your confession is successful or not. A young first love is always unforgettable. I won't be a sinner in vain and let these students regret it a few years later. "

"So that's how it is." Lin Yi nodded in understanding. Naturally, Wang Zhifeng wasn't an open-minded person—he wouldn't have found himself a lover otherwise. It seemed that the students' fear of him had misunderstood him.

"Lin Yi, you can join this event too. To make it go smoothly, we'll stop classes in the afternoon and rest for a day tomorrow." "There's a spontaneous traditional event tomorrow," Zhifeng said. "Couples who've successfully confessed will go out together. Of course, those who didn't succeed can join as long as both parties are willing. It's for everyone's own good, so that we don't have to be caught off guard by these couples before the college entrance exam! "There's a saying that it's better to let them go than to block them. As the Dean, my responsibility is to guide the students' values and views on love. Everyone is about to graduate, so I can't say much. I can only guarantee that before the college entrance exam, everyone will be able to be more disciplined. Some things can't be rushed. If it affects the college entrance exam, it's a big deal. As for after the college entrance exam, you'll be university students. Some universities can even get married, so why should I interfere?"

This was the first time Lin Yi felt that the Dean had a great image. He had some shortcomings, but he was responsible for teaching his students, and Lin Yi was touched. "Director Wang, with a director like you, it's no wonder Songshan's first school's grades have always been at the top. It's really not easy for a private school to achieve such results!"

"Hehe ..." Wang Zhifeng heard Lin Yi's praise and grinned. It wasn't easy for Lin Yi to flatter him. After Lin Yi found out about his privacy, there was no need for Lin Yi to flatter him anymore. Lin Yi must be speaking the truth now. How could Wang Zhifeng not be happy?

"Director Wang, I'll talk to uncle Chu about it. You're a serious and responsible director." Lin Yi said.

"Haha, thank you, Lin Yi!" Zhifeng was overjoyed-Lin Yi's words could very well increase his salary.

Lin Yi wanted to go to the teaching block, but decided to leave the school after some thought. He went to the flower shop near the school and ordered a bouquet of flowers. He was planning on confessing to Tang Yin this afternoon. He did give her a ring before that, but he still wanted to attend a confession event before graduation.

Wang Zhifeng was right-this was a good memory before graduation. Lin Yi believed that he and Tang Yin would be able to finish their love life together, but the more memories they had, the better.

However, Lin Yi suddenly remembered that Chu Mengyao and Shu didn't need Lin Yi's company this morning. It was a little strange that he went to the school to pick up Tang Yun. Did they already know about the confession event before graduation?

Were they also preparing to confess to someone else? Lin Yi shook his head. He didn't think that Mengyao would confess to anyone. There must be something else.

In fact, Mengyao sent Lin Yi away because she didn't want Yushu to talk nonsense! The girl had been nagging at Mengyao the whole night, and Mengyao couldn't sleep well.

"Yaoyao sis, this is a confession before graduation. You'll regret it for the rest of your life if you don't grab this chance!" "There's only one chance! If Tang Yin gets there first, we'll have no chance left!" Yushu continued.

"What do you mean by" we "? If you want to confess, then do it yourself, why drag me into it? I told you, I'm full of gratitude towards Lin Yi, but that doesn't mean I like him!" Mengyao said.

"Yaoyao sis, you don't mean what you say!" Chen Yushu replied.

"You can say whatever you want. Anyway, your mouth is on your body." Mengyao said.

"Yao Yao's feeling guilty-you'd have ripped Shu's mouth apart if she'd said anything else!" Chen Yushu replied.

"You're asking for a beating, right?" Mengyao said, raising her hand as if she were about to hit Yushu.

"Yaoyao sis, you have to focus on driving. Shu hasn't even slept with shield bro yet, you can't die yet!" "I haven't even done 3p yet!" Yushu said.

Chapter 2697 Special 2:

....."You go with Tang Yin, don't drag me along." Mengyao said, depressed.

"Yaoyao sis, how did you know I was talking about you? He must be thinking about something, and that's why he's saying it. " Yushu said, surprised.

"Tang Yin's here," Mengyao said helplessly as she pointed to a spot not far away.

"Oh ..." Chen Yushu looked up and saw Tang Yun walking over. She shut her mouth helplessly.

"Be nice to Tang Yun when she comes-you promised to be friends with her." Mengyao reminded.

"Okay, okay, I know. At most, I won't attack her. But if she suddenly becomes good, it's not easy to change!" Chen Yushu replied.

Tang Yin walked over and opened the car door, surprised that Mengyao was the one driving. "Why...Is it you guys? Lin Yi?"

"Lin Yi's leaving today, Shu and I are coming to pick you up." "Isn't today the school's traditional Confession Day?" Shu wants to confess to Lin Yi, and she's asking if you're okay with it. "

"Ah? She ... Confessed her love to Lin Yi?" Tang Yin froze, caught off guard by Mengyao's question, "Then ... Then ... Why are you telling me ..."

"You're Lin Yi's girlfriend, so I'm asking for your opinion," Mengyao didn't know if the question was meant for her or for Shu, but she thought it was for Shu. There were some things that she could only say when asked by others.

"I ... It's ... It's her freedom ..." It would be a lie to say that Tang Yun didn't know that Chu Mengyao and Chen Yushu liked Lin Yi. During the time when Lin Yi was injured by Ma Zhu, Tang Yun saw how much they cared for Lin Yi.

Besides, Mengyao had made up her mind to leave with Lin Yi when he wanted to go back to Starwest village. If Tang Yin still couldn't tell, then she would be too insensitive! She was a girl, and she understood things better than Lin Yi. Mengyao had always said that she didn't like Lin Yi, but Tang Yin felt that even if she didn't like him, she would still have feelings for him. Yushu, on the other hand, would definitely like Lin Yi.

Although she already knew this, she still didn't know how to respond to Mengyao's words. She was a traditional girl, how could she accept all this?

And so, she couldn't go back to the village with Lin Yi. She was a little disappointed, but relieved at the same time. After all, Chu Mengyao and Chen Yushu couldn't go back together. At school, Lin Yi was only Chu Mengyao's follower and bodyguard, but when they went back to the village, what identity would they have to stay by Lin Yi's side?

They might be friends at the start, but as time went by, they would become lovers. Would Tang Yin accept that or not? If he didn't accept it, could he still chase them back? Of course not, so Tang Yin could only accept it.

Even though she was mentally prepared for this, Tang Yin still felt conflicted.

"Okay, Yunyun, I was just joking with you, don't take it seriously. Shu's like that, always telling people that she likes Lin Yi, but if she really did, something would've happened between them already. A man and a woman living alone in a villa, do you think they'd still be like this?" Chu Mengyao was just testing the waters. She saw that Tang Yun didn't know what to do, so she changed the topic and smiled.

"Oh ... I know ..." Tang Yun nodded. Although she was relieved, she still felt that there was something wrong. Chu Mengyao seemed to be just comforting her?

However, Tang Yin had already prepared for the worst. There were some things that the more you tried to resist, the more problems you would have. It was better to let nature take its course. Lin Yi's choice was Tang Yin's choice.

Tang Yun got in the car, and Chu Mengyao started the car. They arrived at a gift shop.

"What are you doing here?" Tang Yin asked, confused.

"Shu's going to confess to Lin Yi this afternoon, she's going to get a present. Yunyun, do you want one too?" Mengyao asked.

"Me ... I don't think so ..." Tang Yun forced a smile. She was Lin Yi's girlfriend, but she had to confess to Lin Yi with Yushu? She felt a little conflicted, so she might as well not confess.

"Oh, Shu, just get a card as a token of appreciation, no need for a gift." Mengyao said to Yushu after seeing the disappointment in Tang Yun's face.

"Oh ..." Yushu listened to Mengyao this time and didn't argue. She went to the gift shop and came back a while later with a red card with a big heart on it.

Tang Yin pretended that she didn't see anything, but kept quiet on the way to the school ... She didn't say anything as she made her way to class nine.

Looking at Tang Yun's back as she left, Chu Mengyao suddenly felt a pain in her heart. She felt that she shouldn't let Shu continue making a scene, and so she snatched the card from Chen Yushu's hand.

"What are you doing, Yao Yao?" Yushu asked, startled.

"You don't have to give me this card. You can confess to me anytime you want, you don't have to do it today." Mengyao said.

"Oh ..." Chen Yushu was a little depressed, ""A small wife has no human rights!"

"You know that you're the second wife, so why don't you behave yourself? What rights do the second wife have in front of the first wife?" Mengyao hmped.

"Then, Yaoyao sis, I'll listen to you if you say you're the main wife." Chen Yushu replied.

"Then I'll reluctantly admit it." Mengyao said casually.

"Oh, the recording is done!" Yushu said happily as she raised the recording pen in her hand. "I'll play it for shield bro. "

"He doesn't even know that I'm talking about his first wife." Mengyao pouted, not thinking much of it.

"Don't you know it now? You're confessing. " Chen Yushu replied.

"..." Chu Mengyao was speechless as she snatched the pen from Chen Yushu's hand, ""I'll let you record!"

Chen Yushu's happiness turned into sadness.

Mengyao had given the heart-shaped card to Lin Yi, asking him to give it to Tang Yin in the afternoon. Lin Yi was a little confused-did the Miss leave the house this morning just to buy him a card? Wasn't her concern for him a little too much?

In the afternoon, the school field became extremely lively. However, the third-year students basically stood in their respective classes. Although there were many onlookers, there were very few who went on stage to confess to their crush in front of the whole grade.

After all, at this young age, many people would have a crush on someone, but they might not say it out loud. How many people would really say it out loud and be together?

Chapter 2698

To Lin Yi's surprise, the first one to go up was Zhong pinliang!

"Yaoyao, on this special day, I'm confessing to you that I like you. I swear that one day, I'll make you my girlfriend!" Pinliang wasn't very cultured, and his declaration of love was simple, but with his opening speech, the atmosphere became lively.

Unfortunately, Mengyao didn't go up to the stage to give a response. Pinliang's confession failed!

This was within pinliang's expectations-he didn't expect Mengyao to come up on stage and accept his confession, so he wasn't too sad.

He shook his head and left the stage with Xiaofu. He didn't know where they went. He didn't have the face to stay anymore after his failed confession.

With pinliang's lead, the situation became much more lively. Three or four more students went up on stage to confess their love, but only one of them succeeded. From the look in the girl's eyes, it seemed like the two had already hooked up, and the confession was just an excuse.

It was just that up until now, no girls had gone on stage to confess their love. All the people on stage were boys!

In fact, there were some girls who had a crush on other boys, but they didn't go on stage only because they were embarrassed!

What surprised Lin Yi even more was that the first girl to confess was Feng Xiaoxiao. Feng Xiaoxiao walked up the stage and picked up the microphone naturally, without any stage fright. She said directly, "I know that my confession this time will definitely not be successful, but to set an example for all the women here, I've decided to be the first to try!"

Lin Yi's heart tightened as he saw Xiaoxiao go up the stage. Was this girl going to confess to him? If he'd known earlier, he would've gone up on stage and confessed to Tang Yun first. It was supposed to be a good thing, but with Xiaoxiao's interference, it changed.

Xiaoxiao's name was quite famous-the little witch had left for two years, but most of the students still remembered her when she came back. Whether it was flattery or genuine praise, everyone cheered.

"As for me, I'm going to confess to someone today. I believe this person knows that I'm confessing to him. I know that he won't go on stage to accept my confession, so I won't say his name." Feng Xiaoxiao looked at Lin Yi's direction and smiled, "Alright, my confession is over. Let's continue!"

With that, Xiaoxiao walked down the stage in a carefree manner. Her way of confessing surprised Lin Yi, and at the same time, he felt that she was a weird and smart girl. She didn't say Lin Yi's name in this place, but she had already achieved her goal-she didn't make things difficult for him, and she didn't cause any trouble for Lin Yi. This made Lin Yi feel that Feng Xiaoxiao was hard to deal with. He didn't know what she was thinking ...

After Xiaoxiao's confession, Lin Yi didn't wait any longer-he walked up to the makeshift gym, ready to confess to Tang Yun!

Lin Yi had replaced zou ruoming and Zhong pinliang as the new big Four, and almost everyone knew about Lin Yi and Tang Yin. As soon as Lin Yi stepped onto the stage, everyone started shouting Tang Yin's name, helping Lin Yi build up his momentum.

Tang Yin's face was red-she was surprised at Xiaoxiao's confession as well, but it was clear that she was leaving some room for everyone. She didn't want to embarrass everyone, and so Tang Yin had a good impression of Xiaoxiao.

Tang Yin walked up to the stage amidst everyone's cheers, and Lin Yi didn't say anything. He handed the heart-shaped card and flowers to Tang Yin-all the words he wanted to say were in the card and flowers.

Tang Yun blushed as she took the card and the flowers. However, when she picked up the heart card, she was a little surprised. Tang Yun clearly remembered that Chen Yushu had bought this card this morning!

She ... Wasn't she going to confess to Lin Yi? Why did she give the card to Lin Yi? Did Lin Yi give it to her again? Tang Yin opened the card, confused. It was Lin Yi's handwriting-it was simple, but it touched her heart.

"Summer that can't be forgotten, tree shade, ring, promise."

It was a short sentence, but it expressed Lin Yi's thoughts and his promise to her. Tang Yin was prepared to keep this card for the rest of her life, to put it in her glasses and her bed ...

However, it also proved that this card wasn't a tool for Chen Yushu to confess to Lin Yi. She really gave it to Lin Yi, and there was no meaning to it.

Tang Yin looked at Mengyao and Yushu in shock, a flash of gratitude in her eyes. No matter what, she was very satisfied with today's event-be it Xiaoxiao or Yushu, they didn't cause any trouble.

Chen Yushu looked at Tang Yun's back on the stage, a little envious,"Yaoyao sis, it's all your fault for not letting me go on stage. Otherwise, I would've confessed to shield bro and he would've accepted it."

"You can keep fantasizing!" Mengyao said disdainfully.

"If he doesn't come up, I'll tell him about how he kissed me and how he saw me naked." Chen Yushu replied.

"If you don't think it's embarrassing, just say it." Mengyao said nonchalantly.

"Oh ... Forget it then ..." Chen Yushu sighed and mumbled to herself, "I'm going to leave eventually anyway. I'm just a passer-by. I just ... Want to leave behind a good memory ..."

"What did you just say?" Mengyao didn't hear what Yushu was saying.

"It's nothing ..." Chen Yushu shook her head and sighed.

Chu Mengyao didn't understand what Chen Yushu was saying. She didn't know that she, Tang Yun, Feng Xiaoxiao, and Chen Yushu would leave one by one and meet again one by one after a while ...

This period of high school had become a beautiful memory. When it was recalled in another time and place, it was filled with emotions.

But no one could predict the future, not even Prophet Shu. If they did, confessing to Lin Yi together would probably make this memory even more beautiful ...

The event ended perfectly, and Zhifeng let out a sigh of relief. Tomorrow would be the last group activity before graduation, and he'd be there the entire time. He didn't want anything to happen.

After this event, the graduating class would be preparing for their exams. Wang Zhifeng hoped that they would all get good results and a bright future ...

#### Chapter 2699 Big Opinion

"Hehe, Xiaoke, I just had nothing to do, so I called you." Lin Yi really didn't have anything to do this time- the male thief wanted to go to Zhang Liju's tomb with you Xiaoke, not Lin Yi.

"Ah? You're fine?" Yu Xiaoke's face darkened. As expected, she was right, Lin Yi was interested in her! Otherwise, why would he call me for no reason? From Yu Xiaoke's impression, although she didn't have a good impression of Lin Yi, Lin Yi wasn't the kind of person who had nothing better to do.

"Yeah, but I guess I have something to do. Are you free this Friday night?" Lin Yi asked.

"Ha? This Friday?" Yu Xiaoke was stunned. Was Lin Yi asking her out? Was he looking for her to go on a date? Let's go out for a meal together ... What was supposed to come had finally come.

"I have some plans for the future of the orphanage. If you don't want to go, then forget it." Lin Yi said faintly.

"I ... I'll go!" Yu Xiaoke gritted her teeth.

"Hehe, that's good. I thought you didn't want to build an orphanage." Lin Yi found it interesting to play with Yu Xiaoke, especially after he had two identities. He had a weird, evil interest when he saw Yu Xiaoke go crazy ...

"But for dinner ... I'm a big eater, so I won't go if I'm not full. I'll say this first, how much are you going to pay me for dinner?" Yu Xiaoke asked.

" 1000 Yuan. That should be enough, right?" Lin Yi didn't expect this from Yu Xiaoke, but he still answered.

" 1800 Yuan? that's not enough. It's not even enough to fill the gaps between my teeth. It should be at least 18000 Yuan, okay?" Xiaoke asked.

"..." Lin Yi was speechless. A thousand turned into eighteen thousand, but Lin Yi didn't mind it too much. He nodded,""Okay, then 18000 is fine. See you on weekend night!"

Yu Xiaoke hung up the phone gloomily and sighed helplessly. What should she do? What should I do? Should he explain it to Lin Yi? But what if Lin Yi decided to stop the orphanage in a fit of anger?

But if she didn't make it clear, was she supposed to just give in to Lin Yi? Xiaoke didn't feel good herself- what about the male thief? Yu Xiaoke was conflicted.

But, just as she was struggling, her phone rang again. She was still Lin Yi, but it was an unknown number. She picked it up, confused,"Hello, how are you?"

"Is it lady Yan?" Lin Yi said as he disguised himself as the male thief. He was using the school's public phone to make the call, and since he was disguised as the male thief, he couldn't use his phone number.

"Ah? You're the male thief?" Yu Xiaoke heard the voice and the way he called her-she immediately realized that it was the male thief. She was excited, "Male thief, male thief, it's really you? I've missed you so much, you finally took the initiative to call me!"

"..." Lin Yi didn't know what to say. Wasn't this change too fast? Lin Yi calmed himself down and said, ""It's me. "

"Male thief, why are you looking for me?" "Or did you miss me?" Xiaoke asked, "you should've called me."

"It's like this, I want to go to Zhang Liju's tomb again to get something, do you have time to come with me?" Lin Yi asked.

"Yes, yes, I'll go with you." Yu Xiaoke agreed without thinking, sweeping away the gloomy mood from her date with Lin Yi.

"Alright, let's do it together this Friday night." Lin Yi said.

"Good ... What? Friday night?" Yu Xiaoke froze and remembered Lin Yi's date. She was shocked and annoyed. Why did Lin Yi have to treat her now of all times? But it ended up clashing with the male thief's invitation!

"What's wrong? Do you need something?" Lin Yi asked, feigning surprise.

"It's nothing ... It's just a friend asking me out for dinner. It's also Friday ..." Yu Xiaoke didn't want to lie to the male thief, so she told him the truth.

"A friend asked you out for dinner? Is he your boyfriend?" "If you don't have the time, then ..." Lin Yi asked on purpose.

"Don't, don't forget it. It's not my boyfriend's, it's just ... Just one of my suitors!" "But I don't like him anymore!" Xiaoke said.

"Oh, I didn't say 'forget it.' What I meant was, why don't you eat first? after you're done, when are you free to set off?" "But if you don't like him, why did you go eat with him?" Lin Yi asked.

"I was forced to, wasn't I?" Xiaoke said gloomily, "he's the biggest donor to the orphanage. At first, I thought he just wanted to help the orphanage. That's what he said at the beginning, but later on, he seemed to be interested in me. I was afraid that he wouldn't continue donating to the orphanage, so I agreed to his dinner request ..."

"I see. But Xiaoke, to be honest, you should consider it. He's been donating to you all this time. He must really like you and care about you. I think you'll be happy with him, right?" Lin Yi tried to persuade her.

"But I only like you!" "If I didn't know you, I might've considered it, but now, I really don't want to be with anyone else ..." Xiaoke said. "Don't worry, I'm actually scamming him when I go for a meal. I'll ask him to give me 18000 Yuan to treat me to a meal. I'll take the money and treat him to a roadside stall. I'll take the extra money, hehehehe ..."

"Is that so ..." Hearing Yu Xiaoke's evil laughter, Lin Yi was covered in sweat. This girl lied to him and told him ...

"Yes, yes. By the way, I'll go find you after dinner. You can give me a call halfway and I'll make an excuse to leave. How about it?" Yu Xiaoke asked.

"To call you ..." Lin Yi thought. I'm having dinner with you, how can I call you? "I don't have a phone," he said. "It's more troublesome to call you, so you should find an excuse yourself."

"If that's the case, that's fine too. I'll think of a way! If he doesn't let me go, I'll continue to scam him of his money. When he's out of money, he'll naturally let me go!" Yu Xiaoke said.

Lin Yi touched his wallet and smiled bitterly. It seemed like Yu Xiaoke didn't like his identity as Lin Yi!

Chapter 2700 Tang Yuqi's Invitation

But Lin Yi didn't think much of it-wasn't this even more interesting?

If Yu Xiaoke fell in love with Lin Yi, this challenge would be very difficult. Lin Yi thought that it was a good game!

To be honest, Lin Yi really did like Yu Xiaoke, but he didn't feel comfortable letting her go on like this. This girl would do anything for the children in the orphanage, and she would do some dangerous things. Lin Yi was worried that she would die if she was not careful.

"Alright, it's decided then. I'll wait for you at the entrance of the orphanage. Whoever gets there first can wait for each other." Lin Yi said.

"Alright, see you there!" Yu Xiaoke said happily.

"En, I won't leave until we meet." Lin Yi shook his head and hung up.

After confirming the time with Yu Xiaoke, Lin Yi called boss Bai and told him to leave on Friday night. He told boss Bai to prepare in advance, and boss Bai wouldn't have any problems.

Song Lingshan received Tang Yuqi's call. Although song Lingshan had been perfunctory with Tang Yuqi and secretly observing his character, Tang Yuqi wasn't a normal person. He was a detective, and he already realized that song Lingshan was hiding something from him!

Tang Yuqi was a detective, so he didn't act rashly. He used his carefulness and patience to investigate a case. He decided to be friends with song Lingshan first, then slowly find out the truth.

"Miss song, are you free tonight? I'll treat you to a meal to thank you for your help all this time. Although I don't have any news of my second uncle yet, I'm very grateful that you've been helping me find out and deal with him all this time." Tang Yuqi said.

"This ..." Song Lingshan hesitated. Tang Yuqi's words were Grand and she couldn't reject him.

"Miss song, you won't refuse to give me face, right?" Tang Yuqi said with a smile.

"Alright, then." Song Lingshan actually wanted to observe Tang Yuqi's character and find out his true purpose and background, so she agreed. After all, Tang Yun's situation was no small matter, and she couldn't just tell Tang Yuqi.

They had dinner at a Western restaurant near the police station. Western food was a synonym for romance, and most of the people who went there were couples. It was easy for song Lingshan and Tang Yuqi to cause misunderstandings if they ate there.

Song Lingshan wanted to reject him, but she considered that Tang Yuqi came back from overseas and was a Westerner. Eating Western food was just like eating at his own house, so song Lingshan agreed.

During dinner, the two of them only talked about Tang Yuqi's family. Song Lingshan didn't mention anything about Tang Yun and Tang Jucheng, but Tang Yuqi didn't rush to ask either. It seemed like he was just expressing his gratitude to song Lingshan, which made song Lingshan feel relieved.

But after this dinner, song Lingshan realized that Tang Yuqi wasn't a bad person, but was he just pretending or was he really like that? Lingshan wouldn't say anything before she understood the situation.

In a blink of an eye, it was Friday night. Lin Yi carried a big bag and got in boss Bai's car, heading to Songshan.

Lin Yi didn't drive since he didn't want Yu Xiaoke to see through him. Boss Bai had a car too, so he got in.

In his bag, Lin Yi had Skybolt pig and the thousand silk mask. He didn't bring the male thief's mask since there was no need to.

"I'll go visit her Grandpa with Xinxin later. You go eat first and call me when you're done. " Boss Bai said.

"Alright," he said. Lin Yi nodded.

"Lin Yi, be careful ..." Guanxin was a little nervous when she heard that Lin Yi and boss Bai were going to the tomb. Although Lin Yi had been there before, she knew the dangers of the tomb. It was because of the afterthought that she was worried.

"It's fine, I won't do it like last time. I'm more experienced now, and I have Skybolt pig with me, so there shouldn't be any problems." Lin Yi, on the other hand, had a lot more confidence now. In fact, the second time they went to the tomb, they met Skybolt pig, and the path after that was very smooth because Skybolt pig was much more familiar with the tomb than Lin Yi and you Xiaoke.

"That's good ..." Guan Xin let out a breath of relief. She was a little envious of Yu Xiaoke, who could go on adventures with Lin Yi. She, on the other hand, could only stand in the distance and watch Lin Yi silently. Although Guan Xin didn't ask for much, she hoped that she could be a person who could help Lin Yi, a person who was useful to Lin Yi.

Guan Xin swore to herself that she'd learn to make elixirs and help Lin Yi in the future, to become someone useful to him. Otherwise, Lin Yi wouldn't be short of pretty girls around him, but he'd have too many of them who were just pretty.

"Mr. Bai, have you considered the matter I told you last time?" Lin Yi asked.

"You mean, the matter of recovering from my injuries?" Boss Bai immediately understood what Lin Yi was referring to.

"That's right, that's the matter. " "If you want to recover, there's no time like the present-just before we enter the tomb," Lin Yi said.

"I've thought about it. If it's possible, I naturally want to recover from my injuries. However, will it be a burden on you?" Boss Bai hesitated for a moment before asking, "I know that cultivators don't get their true Qi for nothing. They cultivate it with great effort. I know this better than you. I'm afraid that a large amount of true Qi is needed to heal someone's injuries. You've just finished healing Jingjing. Do you still have the energy to care about me? Besides, we're going to explore the ancient tomb soon? Will it affect the plan?"

"I won 't." Lin Yi shook his head, "we're all on the same side, so I'll be honest with you. I can help you recover, and even your strength, but because of my level, I can only help you return to Mystic late phase peak. With one small Qi gathering pill, you'll be able to break through to Earth Class early phase, but your strength will be stuck at Earth Class early phase."

"Oh? What do you mean by that?" Boss Bai was slightly taken aback, and then said, ""You're saying that you can help me raise my strength to Mystic late phase peak, and eat a small Qi gathering pill to become an Earth Class early phase, and I won't be able to level up anymore?"

"You can understand it that way, unless you have a Qi gathering pill to consume." Lin Yi said.

"I understand what you mean. The side effect of you increasing my strength is that the Zhen Qi you send me is extremely pure. In this way, I can no longer absorb the spiritual Qi of heaven and earth for cultivation, but can only use the method of taking pills to increase my strength?" Boss Bai understood what Lin Yi meant.
