Chapter 2731 House Kang's Development

"But we have to show some respect to Zhaolong-we can't mess with the sky elixir sect, but we can't mess with Lin Yi either!" "We can't offend Lin Yi just to please Zhaolong. It'll be hard for us if Lin Yi kills us!" Grandpa you was calmer.

"I know, don't worry, Grandpa, I won't mess with Lin Yi face to face!" Youpan Hu quickly promised. In fact, he wouldn't even dare to provoke Lin Yi face to face-he was afraid that Lin Yi would beat him up.

Zhaoming was very pleased with himself-his days at the sky elixir sect felt like a lifetime had passed. He was standing in the middle of the top few in the sect, going from a good-for-nothing young master to an elder of an ancient sect!

Looking back, Zhaoming realized that the Head of House Kang was nothing. House Kang wasn't even a normal Noble House before, and he still wanted to fight for the position of head! This position was nothing in his eyes!

The hatred she had for her big brother Zhaolong had also disappeared!

A person's perspective was different when they stood at a different height. The Kang Zhaoming now was no longer the Kang Zhaoming of the past. He hoped that his brother could make house Kang stronger and stronger!

It was impossible for him to give up his position as an elder of the sky elixir sect and return to house Kang, so Zhaoming had to support his brother as much as he could.

With mixed feelings, Zhaoming dialed the number to his grandpa's room.

"Hello, I'm Kang Laicai!" Miracle doctor Kang picked up the phone. House Kang had been keeping a low profile these days. They had the Hidden House you's support, but they weren't even a Noble House yet. They were helping the Hidden House you sell some low-end pills, but Kang Laicai wasn't as tough as he used to be after losing his title as a miracle doctor.

"Grandpa, it's me, Zhaoming!" It's been so long since Kang Zhaoming heard his grandpa's voice again. He was extremely excited as he thought about how house Kang begged their grandparents to fight for the title of a Noble House. He thought about how his family's medical company was messed up by Lin Yi. Kang Zhaoming was filled with emotions ...

"Zhaoming?" Miracle doctor Kang was taken aback as well. "Zhaoming, how are you? it's been so long, did you suffer in the sky elixir sect?"

"Of course I've suffered a lot ..." Zhaoming recalled his time at the sky elixir sect. It felt like a lifetime ago-the pain wasn't something a normal person could endure. Just the continuous use of pills to break through was enough for him, and then the ghost-style alchemy training day and night. It was true that great teachers produced great students, but if Zhaoming wasn't trained like a dog, he wouldn't have the strength he had now!

One could say that before Zhaoming's success, the five elements sect and sky elixir sect didn't treat him as a person, but as a tool. Now that he'd made the life-prolonging and toxin-expelling pill, Zhaoming finally had the status he deserved.

"Al!" Miracle doctor Kang sighed."House Kang is small, not even a Noble House. Compared to those ancient sects, it's like heaven and earth. Grandson, you've suffered. Grandpa can't help you get out of this misery ... Our only support is the Hidden House you, but they can't help us say these things ..."

"Haha, Grandpa, don't say that-your grandson's suffering is over, and the good times are here for house Kang!" Zhaoming laughed,"what Noble House? what hidden house? if I say house Kang is the Hidden House Kang, then he is the Hidden House Kang. Who dares to say no?"

"Ah?" Miracle doctor Kang was dumbfounded at the words."Zhaoming grandson, are you out of your mind? what nonsense are you talking about?"

"Grandpa, you don't know yet, do you? I've already helped the sky elixir sect with that big matter, and I'm now the eighth elder of the sky elixir sect, one of the most powerful people in the sky elixir sect!" Zhaoming said.

"What? You've become an elder of the sky elixir sect? Is that true?" "Plus, if you didn't have the strength to back it up, would you even be able to get to that position?" miracle doctor Kang asked in disbelief.

"Of course it's true!" "Strength?" Zhaoming asked. I'm now a Sky Class master, a golden class level three refiner-the top of all refiners-even the Hidden House you's old man has to bow down to me!"

"You ... You're already a Sky Class master, and a golden class, third level refiner at that?" Miracle doctor Kang's heart almost exploded from the words. How was this possible? How could Kang Zhaoming be this strong?

"Of course. Although I don't know what the sky elixir sect wants the bone cleansing pill for, but they've spent all their money on me to make this pill. I dare say that even the young master of the sky elixir sect doesn't have the same treatment as me, so how can I not be powerful?" Kang Zhaoming said proudly.

"Heavens!" Miracle doctor Kang was shocked, but after the shock, he believed Zhaoming's words. He raised his head and shouted, "Hahaha, house Kang is finally going to rise again!"

"Of course, Grandpa, don't be afraid. As long as I'm here, house Kang will be glorious!" "I'm a Sky Class, and I'll live a long life-I'll be able to protect house Kang for at least a hundred years! You guys can go ahead and expand the house!" Zhaoming said.

"Good! I'll announce that you're the next Head of House Kang!" Miracle doctor Kang said excitedly.

"Hehe, Grandpa, leave the position of House leader to big brother. I'm an elder at the sky elixir sect, I can't come back to house Kang, but I'll always be house Kang's Guardian!" Zhaoming said.

However, miracle doctor Kang didn't think that Zhaoming was bluffing at all. He had the ability and capability to make a house with a Sky Class master into a hidden house, and this Sky Class master was an elder of one of the biggest ancient sects, the sky elixir sect. This made the Hidden House even more ancient!

The Hidden House you had the sky elixir sect's backing, but it wasn't as close as Zhaoming's. After all, Zhaoming was more inclined to his own house.

"I understand now, Zhaoming-you're the pride of house Kang!" Miracle doctor Kang let out a breath. "I'll inform Guifeng, Cuipu, and Zhaolong right away. Tell them to come back and share the good news!"

"Okay, Grandpa, if you need anything in the future, you can call me at any time. I don't have a satellite phone yet, so you can call the sky elixir sect and find elder Kang or the eighth elder. I'll get a satellite phone in a few days, and I'll give you the number!" Zhaoming said.

Chapter 2732 Furious Zhaolong

"Alright, alright, I got it!" Miracle doctor Kang hung up the phone excitedly.

Today was house Kang's day of celebration-other than miracle doctor Kang, Zhaolong was also the most excited! He'd been holding it in for far too long-seeing Lin Yi hitting on his fiancée right in front of him was a huge humiliation!

But in the past, he'd had to endure it so he wouldn't piss Lin Yi off. When he couldn't take it anymore, he'd just look at the Ninja Turtle, and he'd let it go. Now, Zhaolong didn't need to hold back anymore-he could finally resist, go against Lin Yi and go after Xinyan!

That was because he also had a backer!

Zhaolong understood that Lin Yi wouldn't dare to kill boss Bai in his class, but he was afraid that Lin Yi would play dirty. However, he realized that Lin Yi didn't really dare to kill pinliang after what happened to him a while ago! Even if pinliang wasn't boss Bai's student, he wouldn't dare!

At the end of the day, it was because pinliang had an ancient background-if he wasn't a disciple of the everyday and every day sect, would Lin Yi be so scared of him? So now that Zhaolong had a background in the ancient level, with an elder brother in the sky elixir sect, he didn't believe that Lin Yi would dare kill him!

At least, as long as he didn't go too far in fighting Lin Yi for Xinyan, Lin Yi wouldn't be able to do anything to him.

Although miracle doctor Kang said that Zhaoming was now an elder of the sky elixir sect, and house Kang could do whatever they wanted, Zhaolong wasn't stupid enough to face Lin Yi. Lin Yi couldn't be judged with common sense-if you didn't cross his bottom line, he wouldn't do anything to you because of your background, but if you crossed his bottom line, he wouldn't care who you were-he'd just kill you first!

And so, while house Kang was discussing their future plans, Zhaolong was also planning how to pursue Xinyan. At least, he'd be able to suppress Lin Yi on this matter and get rid of all the hatred he'd been holding for so long!

In the beginning, Zhaolong didn't have any feelings for Xinyan. The marriage was only beneficial for the development of house Kang, but as time went by, especially with Lin Yi's participation, Zhaolong subconsciously treated Xinyan as his exclusive property, not allowing anyone to touch her. Seeing Lin Yi and Xinyan getting closer and closer every day, Zhaolong's heart was filled with anger and pain. He wouldn't let go of this opportunity to turn things around!

It had become a long-suppressed, perverted mentality-no matter how powerful house Kang was now, he still didn't want to break off the engagement with Xinyan. If he did, wouldn't it just prove that he was afraid of Lin Yi?

They were afraid of Lin Yi before, but now that they had Zhaoming, the elder of the sky elixir sect, backing them up, there was nothing to be afraid of!

The next morning, Lin Yi woke up to find Xinyan still sound asleep. He didn't wake her up, and after breakfast with Mengyao, Yushu, and Jingjing, he left her alone and headed to school.

Lin Yi was still carrying Xinyan when they entered the classroom, and Zhaolong, who'd just entered the room in high spirits, saw that. He couldn't hold it in anymore! Even if he didn't have Kang Zhaoming's support, Lin Yi carrying his fiancée into the classroom in public was enough to make him go crazy!

"Lin Yi, what are you doing? Quickly let go of that loli!" Kang Zhaoming roared.

"? ?" Lin Yi looked at Kang Zhaoming, confused. "What are you saying? Are you crazy?"

"Ugh ... Let go of Wang Xinyan!" Kang Zhaoming read a lot of romance novels yesterday, trying to find a way to defeat Lin Yi and win Xinyan back, but he had read too much. His mind was filled with the plots of those books when he walked, and he was so excited to see Lin Yi hugging Xinyan that he said the wrong thing.

"You're really sick. Can't you see that she's asleep? Let her go and she'll fall to the ground!" Lin Yi frowned and ignored Zhaolong as he continued walking into the classroom.

"Wait, I should be the one carrying her. Why are you carrying her?" Zhaolong was in a hurry to stop Lin Yi.

Lin Yi ignored him.

"Eh? Oh right, how did she fall asleep? How did you meet her? Where did you two go yesterday?" Zhaolong realized that something was wrong-Xinyan was asleep, so they didn't run into each other at school. There was no way she'd walk while sleeping, and Lin Yi must've carried her to school. What happened between them?

Zhaolong felt like he'd been cuckolded, and his face reddened as fire shot out of his eyes. He couldn't ask too many questions in front of his classmates, however, since Lin Yi had already entered the classroom. He'd be the one who'd get embarrassed if he did.

So Zhaolong had no choice but to follow Lin Yi into the classroom, pissed off.

"What's wrong, Kang bro?" Although you Panhu saw this scene, he still asked without changing his expression.

"Lin Yi's too much!" "It looks like he really doesn't see me as Xinyan's fiancé!" Zhaolong said, his face green.

"This matter ..." Right Panhu calculated in his heart and said, "I really can't help you with that, bro. The problem is, Lin Yi doesn't know your background yet, so he won't put you in his eyes. If he does, he'll be a bit scared."

"You're right ..." Zhaolong calmed down after hearing what coiling Tiger said. Lin Yi was acting so recklessly because he didn't think much of house Kang at all. But it wasn't surprising-house Kang was at the end of their days, so it was normal for Lin Yi to look down on them. After all, he didn't even care about coiling Tiger's hidden house you! "Then what should I do? I can't just stupidly tell Lin Yi that my brother is the sky elixir sect's eighth elder, can I?"

"Well, it's not impossible ..." Right Panhu thought for a moment and said, ""After class, I'll go talk to Han Jing Jing and see if I can get her personal notes. You can help me out and tell her that your brother is the sky pill sect's eighth elder, so Lin Yi can hear it."

"That's good, that's a good idea!" Zhaolong agreed immediately-this was indirectly telling Lin Yi about his background.

Coiling Tiger's idea was killing two birds with one stone. He could study the personal notes with Jingjing and get on Zhaolong's good side, allowing him to achieve his goal. Coiling Tiger was very pleased with himself-he wasn't that smart after all, he was just too careless last time.

Chapter 2733 A Little Guidance

Xinyan was still asleep during the first period, and Lin Yi took notes for her, not bothering her. He was curious, though-what was wrong with Xinyan?

From Lin Yi's tests, there was nothing wrong with Xinyan's body, just that she was extremely weak. But Lin Yi had been making medicine for her every day, so why was it that her condition was getting worse instead of getting better?

Zhaolong had wanted to bring Yu Panhu to show off after class, but Xinyan wasn't awake yet, and Xinyan couldn't see him. He had no choice but to put the thought aside and walk to Lin Yi patiently."What did you do to her last night? Why is she still sleeping?"

Lin Yi glanced at Zhaolong. "She's sick, what can I do to her? Besides, I don't need to tell you what I did to her, do I?"

"She's my fiancée, I have the right to know. " Zhaolong said.

"Oh, she is your fiancée? We're not married yet, and I'm still saying that she's my girlfriend!" Lin Yi said.

"You ..." Zhaolong held back his anger and turned to leave. He snorted in his heart. Lin Yi, when Xinyan wakes up and finds out about my background, I'll make you wet your pants! I'll let you be arrogant for a while!

Xinyan didn't wake up until noon, and Zhaolong and Panhu had bought lunch to eat in the classroom. Seeing that Xinyan was awake, Zhaolong stood up and walked towards Lin Yi and Xinyan!

Lin Yi frowned when he saw the two walking over, but what he didn't expect was for right-hand Tiger to sit next to han Jingjing, who was behind Lin Yi. Zhaolong, on the other hand, sat on the other seat, not bothering Lin Yi and Xinyan.

"Han Jingjing, how's your pill refinement recently? How about we have an exchange?" You Pan Hu said to han Jingjing, who was writing and drawing on the tablet. He looked at the tablet in han Jingjing's hand and really wanted to snatch it away.

"Oh ..." Han Jingjing closed the tablet and glanced at you Panhu. "You're here to cheat Jingjing of her good information again?"

"Uh ... Cough, cough, cough ..." Right Panhu choked on Han Jing Jing's words. What did she mean by 'I'm here to cheat you of your good information'? It's just a lousy notebook from before. You scammed me of so much money at the auction!

However, Yu Panhu couldn't say it. After all, the auction was voluntary, and no one forced him to buy the items at the auction. Therefore, he could only admit that he was unlucky if he made a loss buying the items. "How can you say that it's a lie? aren't we having an exchange? I just wanted to ask if you've encountered any difficulties in your recent alchemy. "

"Can you help me solve my problems?" Han Jing Jing asked.

"Of course I can 't, but I can find a powerful Alchemist to guide you. That Alchemist is quite powerful!" You Panhu said.

"Oh? Who is that?" "You're not talking about your grandfather, are you?"han Jingjing frowned.

"That's impossible-my grandpa's only a second level refiner, and the one I'm talking about is a third level refiner, a Sky Class master!" You Panhu said in a tempting tone,""So, do you want him to give you some pointers?"

"Oh, then let him come." Han Jing Jing said perfunctorily.

"That's an elder from the sky elixir sect, how can you just come and go as you please? How about this, you give me your Alchemist's personal notes, I'll show it to him and let him give you some pointers. Just a few words from him and you'll benefit a lot!" You Panhu said.

"You're cheating Jingjing of her notes again. Who knows if there's such a person?" Han Jing Jing glared at you Pan Hu and didn't want to talk to him anymore.

"Uh ... How could it be a lie? There's really such a person, and Kang Zhaolong bro can be a witness! If you don't believe me, you can ask Kang bro!" Coiling Tiger winked at Zhaolong, signaling that it was his turn.

Zhaolong had been waiting impatiently for a while now. "Of course-that's my brother Kang Zhaoming, the eighth elder of the sky elixir sect, a Sky Class master, a third level refiner!"

"Oh, is that so ..." Han Jingjing said indifferently.

Zhaolong was paying attention to Lin Yi's expression and reaction when he said that, but to his dismay, Lin Yi didn't seem to hear him at all. He was still quietly eating his lunch box, not showing any signs of discomfort.

Of course, Lin Yi was only shocked on the surface. In fact, he was extremely shocked in his heart. He didn't think that a useless young master would become a Sky Class master, third level refiner.

Wasn't this a little too crazy? Lin Yi knew that a freelancer like him couldn't be compared to an ancient sect's disciple, but he didn't think that Zhaoming could go from a normal person to Sky Class in such a short time. Even faster than naipao?

Even though Lin Yi understood that an elixir master's training speed was faster than a normal practitioner's, and that they were also weaker than a normal practitioner, Lin Yi still felt a little

unbalanced. Was he on drugs? How could his strength grow so quickly? Even if Feng Xiaoxiao was an inheritor, she couldn't be as fast as him, right?

However, this also meant that either Zhaolong was bragging, or sky elixir sect had hidden their strength in the ancient world. They weren't just one of the strongest sects in the ancient world, they must have something else to rely on!

The only thing Lin Yi didn't understand was how Zhaoming became the eighth elder of the sky elixir sect. What did he do to deserve the sky elixir sect's support for a young master? Even raising Zhaolong would be better than him, right?

Suddenly, Lin Yi thought of a possibility. When Kang Zhaoming kidnapped Guan Xin, he asked him for the recipe of the pill of life extension and toxin cleansing, but Lin Yi gave him a new recipe that was a combination of the original recipe and the original recipe.

Lin Yi had set up two small flaws in the recipe-one of them was that the person who wanted to make the new bone cleansing pill had to have taken either the longevity pill or the bone cleansing pill before. Only a person with a pure body could make it.

And apparently, Zhaoming had eaten the other half of the dog poop pill of life extension and toxin cleansing from miracle doctor Kang's birthday party, which made him one of the candidates for the new bone cleansing pill!

Chapter 2734 Do You Know Who My Master Is

Later on, the sky elixir sect must've found out about this secret, and put a lot of effort into making Zhaoming a Sky Class master and a golden class third level refiner. However, this also meant that the sky elixir sect valued Zhaoming very much-in other words, the bone cleansing pill was very important to them!

Otherwise, they wouldn't be able to raise Zhaoming like this. But why would they need the bone cleansing pill? Lin Yi couldn't figure it out, and decided to ask boss Bai when he had time.

Everything made sense now-house Kang was in cahoots with house you and sky elixir, and the master who kidnapped Guan Xin was either from house you or sky elixir. Zhaolong guessed that this was a show-off after he got cocky!

Zhaolong was a little disappointed at Lin Yi's lack of response-was Lin Yi afraid of the sky elixir sect? Why was there no reaction at all? It was true that Lin Yi was strong, and he could kill Sky Class early phase Masters in seconds, but the sky elixir sect was a big sect, how could he not be afraid?

"How is it? Han Jingjing, do you want his advice?" Yu Panhu didn't really care about Lin Yi's reaction. He just wanted han Jingjing's personal notes. He wasn't interested in messing with Lin Yi anymore. Since he couldn't afford to mess with the Hidden House of you, then it was better not to mess with them.

"The sky elixir sect's eighth elder, huh? that's so weak compared to my master. I'm not interested." Han Jing Jing said with a lack of interest.

"Your master? Who is your master?" You Panhu's eyes lit up as he asked han Jingjing. He had always wanted to find out han Jingjing's master. Otherwise, how could han Jingjing know how to refine pills?

"My master, you don't know?" Han Jing Jing asked.

"Who is it? Can you tell me?" You Panhu asked eagerly.

"Alright, since you're so sincere, I'll tell you." "Actually, Jingjing's master is the pill Saint Zhang Liju ..."
Han Jingjing said.

"What? Did you really get Zhang Liju's inheritance?" The right coiled Tiger was shocked.

"Jingjing hasn't finished. Do you want to hear it or not? if you don 't, then forget it." Han Jing Jing was not happy to be interrupted by right coiling Tiger.

"Then ... Then you can continue ..." Right Panhu said.

"My master is the disciple of the pill Saint Zhang Liju, the most powerful pill master in the world, ancestor Xuan Tian!" Han Jing Jing said.

"..." Right coiling Tiger was speechless after hearing this."You mean boss Bai?"

"Don't you already know?" Han Jing Jing unhappily glared at right coiling Tiger."""Are you just playing with me? If there's nothing else, let's go. Jingjing wants to study!"

"This ... Alright!" No matter how ignorant Yu Panhu was, he couldn't say that Kang Zhaoming was stronger than boss Bai. Even if boss Bai's meridians were destroyed, he was still stronger than Kang Zhaoming.

Zhaolong was a little troubled-he'd wanted to scare Lin Yi a little, but it seemed like Lin Yi wasn't even bothered by it.

Xinyan heard Zhaolong's words from the front. The news that Zhaoming had become a Sky Class master and the sky elixir sect's eighth elder was like a heavy hammer to her chest, making it hard for her to breathe!

Why was Zhaoming so lucky? She'd already surpassed Lin Yi and become a Sky Class master? And with such a high position in the sky elixir sect? All of this made Wang Xinyan feel like the world was spinning!

She had hope in her heart, but now it seemed like Lin Yi was being left behind by his opponent again?

Wang Xinyan sneaked a glance at Lin Yi, not saying anything.

"Don't be afraid, it's nothing. A Sky Class Alchemist doesn't have much fighting power. " Lin Yi could tell that Xinyan was worried, "Let's eat. "

"En ..." Wang Xinyan didn't feel at ease because of this. Although Lin Yi's words made sense, Wang Xinyan also knew what it meant to be a golden class third level refiner, how rare it was!

Lin Yi had always wanted han Jingjing to become a golden class third level refiner, but he never succeeded. Now that Kang Zhaoming had become one, one could imagine how high his position was in the sky elixir sect. So, even if Kang Zhaoming's own strength wasn't that great, he had the sky elixir sect behind him!

And so, Xinyan couldn't bring herself to be happy, but she still started eating so Lin Yi wouldn't worry ...

Zhaolong and Panhu were the most confused. The two returned to their seats, and Zhaolong said unhappily, "How come Lin Yi doesn't seem to have any reaction?"

"Kang bro, I think there are three possibilities!" "First of all, Lin Yi has other sources of information," youpan Hu said after some thought, "so he didn't show any signs of shock. Second, Lin Yi didn't care about this at all. The eighth elder was a Sky Class master, a third level refiner, but with Lin Yi's strength, killing him shouldn't be hard! Third, Lin Yi is pretending to be calm, but I don't think that's possible!"

"Oh ... Not bad, you're right. My brother may be a Sky Class master, but Lin Yi can kill Sky Class Masters in seconds, and the refiner's strength is even weaker-that's probably why Lin Yi doesn't care!" Zhaolong seemed to have thought things through after what coiling Tiger had said-he remembered Lin Yi's strength. "Then what do we do?"

However, both of them were wrong. Lin Yi was the third and most impossible possibility.

"But it's fine, at least Lin Yi won't dare to do anything to you. The eighth elder may not be as strong as Lin Yi, but he represents the sky elixir sect, and there are other Masters in the sky elixir sect. Just do what you need to do. Didn't you see what we said just now? Lin Yi didn't react, but he didn't kick us out either," You Panhu analyzed.

"That's true. " Zhaolong felt a little better.

In the afternoon, Lin Yi found boss Bai in between classes.

"Yi, why are you in such a rush? I haven't done any research on Xinyan's special condition yet, so you'll have to wait for a while. " Boss Bai shrugged helplessly, thinking that Lin Yi was here to ask him about Xinyan.

"Mr. Bai, you've misunderstood. I'm looking for you to ask you about something else." Lin Yi waved his hand and pointed to an empty area. "Let's go over?"

"Oh, okay!" Boss Bai nodded, but he was a little confused. What did Lin Yi want to ask him?

"Mr. Bai, it's like this, have you heard of the bone washing pill?" Lin Yi asked.

Chapter 2735 Zhaolong Wants To Break Off The Engagement

"Of course I've heard of it. Besides, the five-elements sect used to have this recipe, but we lost it later. Why are you suddenly asking about it ..." Boss Bai said, suddenly looking enlightened."Oh, I know. Did you also read some ancient books and materials and know some conditions for the inheritance of the origin attribute physique?"

“？”Lin Yi blinked at the words,"What do you mean? How could it be related to my void attribute?"

"Eh? You don't know?" Boss Bai looked at Lin Yi, confused.

"Of course I don't know ... Could it be that this marrow and bone cleansing pill is related to the inheritance?" Lin Yi suddenly remembered something.

"Not bad! Because the void attribute is obtained through external means, it's not particularly pure, and there are many flaws in it. The function of the marrow and bone cleansing pill is to purify the void attribute and increase the success rate of the inheritance!" Boss Bai nodded and said, "let me give you an example. Two people with the same void attribute accept the inheritance together. Originally, their chances are the same, and anyone can obtain this inheritance. However, one of them takes the bone washing pill. Then, the result will definitely be the one who takes the bone washing pill to receive the inheritance!"

"In other words, after taking the bone washing pill, I can definitely accept the inheritance?" Lin Yi asked.

"Not really. It's just to increase the success rate. Nothing is absolute, and this can also fail!" Boss Bai said as he shook his head.

"So that's how it is ... The sky elixir sect might be making this bone cleansing pill." Lin Yi said.

"Sky elixir sect? Perhaps the five elements sect needs it?" "Taganlong was crippled by you," boss Bai said with a frown. "Perhaps the five elements sect is in a hurry to cultivate another replacement, so they used the marrow and bone cleansing pill?"

"That's not it either. They probably started searching for the pill recipe before I crippled taganlong." Lin Yi shook his head, denying the thought.

"Perhaps, it's another plan that has already been prepared." Boss Bai thought for a moment and said, "taganlong is the light in their plan. From what I know, there should be a spy. Perhaps they didn't give up on the spy from the beginning, and the light and dark were carried out at the same time. Even if one of them went wrong, it wouldn't affect the whole plan."

"I see." "So, their spy might have five or seven elements, but one of them is void?" Lin Yi guessed.

"It's possible, but I don't know the details. Xuanchen couldn't have told me." Boss Bai said.

The bell rang, and Lin Yi returned to his seat. He'd pretty much asked all the questions he wanted to ask- he'd learned something, at least- he knew that there was a condition that increased the success rate of accepting the inheritance with the origin attribute.

Lin Yi, Xinyan, and Jingjing walked out of the classroom after school as usual, and went to the parking lot to drive back to the villa with Mengyao and the others.

Zhaolong was still holding a grudge over what happened between Lin Yi and Xinyan this morning, and so he didn't go back to his dorm or house Kang after school. He followed Lin Yi and Xinyan to the parking lot, and his eyes turned green with anger when he saw Xinyan getting into Lin Yi's car!

"As expected, there's a problem!" Zhaolong pointed at Lin Yi's car, furious. He wanted to drag Xinyan out of the car, but his rationality told him that he'd get a good beating if he did that. It was true that Lin Yi didn't dare to kill her, but he'd definitely beat him up. As long as he didn't kill her, he'd be fine!

After all, pinliang didn't even have it easy with Lin Yi before.

"Brother Kang, calm down, you have to calm down. Let's follow them and take a look!" Right Panhu stopped the car beside Zhaolong and opened the door.

"Alright, I'll go and see where they are going!" Zhaolong nodded and got in the car, while coiling Tiger followed Lin Yi.

Zhaolong knew that he wasn't strong enough to face Lin Yi alone. He calmed down and took out his phone to record the entire car!

Lin Yi noticed that Yu Panhu was following them, but he didn't bother with him. After all, many people in the class knew where he lived-it wasn't a secret. As long as he didn't do anything dangerous, Lin Yi didn't have time to bother with him.

The car stopped in front of Lin Yi's Villa. Han Jingjing and han Xiaochao went back to their own villa, while Lin Yi, Wang Xinyan, Chu Mengyao, and Chen Yushu entered Lin Yi's Villa. This scene was captured by Zhaolong, who was parked far away at the intersection!

"Lin Yi, you're living with Wang Xinyan? Who can 't?" Zhaolong wanted to smash his phone on the floor a few times, but he held himself back. This was important evidence! He couldn't beat Lin Yi in a direct fight, but he could think of other ways!

"Brother Kang, don't be impulsive! Impulsiveness is the devil!" Coiling Tiger didn't want Zhaolong and Lin Yi to fight, either-it wouldn't do him any good.

"Let's go to the Xiao family!" Zhaolong said after a deep breath.

After the re-marriage between house Xiao and house Kang, they moved to Donghai city to help house Kang do some business. Especially now that house Kang was working for house you, house Xiao could get a lot of benefits even if they had to run an errand. Hence, house Xiao was very close to house Kang.

Especially yesterday, after the news of Zhaoming becoming the eighth elder of the heavenly elixir sect spread, Xiao Ji and Xiao Ben decided that they'd follow house Kang's lead from now on, stabilizing the marriage between the two houses. House Kang was getting stronger and stronger, and house Xiao was already on a higher level than them. Without this marriage, it was hard to say if house Kang would continue supporting house Xiao.

Zhaolong's sudden visit surprised Xiao Ji and Xiao Ben-after receiving the Guard's report, the two brothers personally went to the front door to welcome Zhaolong and Panhu in!

"Young master Kang, young master you, your visit has brought light to this humble house!" "Big brother, get sis-in-law to wash the fruits and pour us some tea!" Xiao Ben said with a smile.

"No need! I can't eat, but I can't drink too little!" Zhaolong waved his hand coldly, his face dark. "I'm here today to break off the engagement!"

"Gah!" Xiao Ben froze, and Xiao Ji's leg stopped in mid-air as well. The brothers were dumbfounded-Zhaolong was here to break off the engagement?

Chapter 2736 Understanding

Could it be that after Zhaoming became the eighth elder of the sky elixir sect, house Kang felt that house Xiao wasn't worthy of him anymore?

With that thought, Xiao Ben felt bitter, but he didn't dare to get angry. After all, house Kang was no longer an existence that house Xiao could hope to reach, they could only look up!

"Young master Kang, you ... What do you mean? didn't we agree on the marriage? You can't break off the engagement just because your brother is rich now, right?" Xiao Ji was a straightforward person-he couldn't hold it in anymore, and asked directly-he wanted to die knowing why!

Xiao Ben thought to himself that his brother didn't know how to beat around the bush. Now that he'd said it, there was no room for negotiation. In this case, didn't it mean that he had to break off the engagement even if he didn't want to?

"My brother is rich?" "You think house Kang would do something like that?" Zhaolong sneered. We've already resolved the previous misunderstanding. Will the same mistake be made a second time?"

"Then you are ..." From Zhaolong's words, it didn't seem like it was because of Zhaoming's status or his ancient background that made house Kang abandon house Xiao. There was another reason!

With that thought, Xiao Ben was grateful for his brother's direct statement-if it weren't for that, he wouldn't even have known the reason! He had to know the reason to deal with it. If he didn't know the reason, he wouldn't know where Zhaolong's anger came from.

"Look at your phones!" Zhaolong threw his phone in front of Xiao Ben with a cold Hmph.

"Ah? This ..." Xiao Ben picked up Zhaolong's phone, not sure what he was looking at. "What do you want me to see?"

"Watch the video on the phone!" Zhaolong hmped.

Xiao Ben didn't know what was going on, but he opened the video folder on Zhaolong's phone and played the first video ...

"Ah ... Ah ... Ah ... Ah ..." A woman's moans came from the phone. Xiao Ben and Xiao Ji stared at the video in shock. In the video, Zhaolong was lying on top of a woman, moving up and down, and the woman was screaming like crazy ...

"This ... Young master Kang, you're showing us this ... You're saying that you've fallen for another woman, and you don't like our Xinyan?" Xiao Ben didn't understand why Zhaolong wanted him to watch this video. He could only guess.

"Ahem ... Not this one, let's look at the last one!" Zhaolong's face reddened-he'd taken this when he was looking for a miss. He couldn't vent his anger on Xinyan and Lin Yi, so he decided to vent it on the Miss.

It was you Panhu, the kid who liked to take selfies on his phone. Zhaolong didn't pay much attention to it at the time, but it was a little awkward when Xiao Ben let him out.

"Uh ..." Xiao Ben closed the video and played the last one.

Xiao Ben saw a car in the video, and the car stopped in front of a villa. The door opened, and Xinyan got out with a group of people. Xiao Ben saw a few familiar faces in the group, and one of them was house Xiao's biggest enemy, Lin Yi!

As for Lin Yi, Xiao Ji and Xiao Ben hated him to the core-all of their backers had joined Lin Yi one after another, from the common house Wu to the Hidden House Pi!

"Lin Yi? "This video is ..." Xiao Ben thought about it and asked carefully.

"This villa is Lin Yi 's, and he went back to this villa with Xinyan after school-I don't think I need to explain what that means, do I?" "My fiancée is living with another man, what else can I do if I don't break off the engagement?" Zhaolong sneered.

Zhaolong had come here to make a scene to save his face. He was the one who started it first, and house Xiao would try their best to fix it. If it was him who started it first, then it would be too much for him to do.

"This ... I'm afraid there's a misunderstanding?" "This video is of a group of men and women going to a villa," Xiao Ben said,"maybe they're going to a party?"

"What party? A party?" "That's Lin Yi's Villa, and Mengyao and Yushu live there. What's there to play with now that Xinyan's following them in?"Zhaolong said with a glare. Plus, I saw Wang Xinyan being carried to school by Lin Yi this morning, and she even slept the whole morning. She didn't sleep at all, what did she do that night? Can you guess?"

"Uh ..." Xiao Ben blinked, his face dark. He'd already confirmed something, but he still said, ""Young master Kang, don't be so anxious, it could be a misunderstanding, let me go and find out the truth."

"Alright, then you can ask her to come over. I'll wait here. I want to see if there's any misunderstanding!" Zhaolong said with a cold smile as he plopped down on the sofa.

"Alright, young master Kang, please rest first. I'll go find her and ask her what's going on!" Xiao Ben said as he walked towards the room.

Zhaolong hmped coldly as he looked in the direction that Xiao Ben left. He knew that Xiao Ben was trying to frame Xinyan, but he didn't care. If Xinyan and Lin Yi were fine, then he'd continue to force house Xiao to let Xinyan be with him!

If something happened between Xinyan and Lin Yi, he'd force Xinyan to be with him, but he'd dump her after he got tired of her and use it to humiliate Lin Yi. No matter what, he'd thought of a plan on his way here, so he wasn't afraid at all.

Xiao Ben went into the room and quickly called qinlin. He was going to find Xinyan, and he was afraid that she wouldn't give him any face, so he could only contact her through qinlin.

"Second brother, what's the matter?" Qinlin asked after picking up the call. Her relationship with Xiao Ji and Xiao Ben had improved, but it was only on the surface. She still couldn't get over the fact that they forced Xinyan to marry Zhaolong.

"Qinlin, Wang Xinyan is in trouble! We're in big trouble!" "House Kang," Xiao Ben threatened, "they're trying to destroy us, and Wang xuben and you won't be spared either!"

"Ah? What did that mean? What trouble could Xinyan have caused? Why is house Kang trying to destroy us?" Qinlin froze, not knowing what was going on!

Chapter 2737 Xiao Qinlin's Phone Call

"Wang Xinyan was fooling around with another man, and Zhaolong caught her!" "Don't you know that house Kang isn't the same as before?" Xiao Ben said angrily. House Kang's Kang Zhaoming, who is also Zhaolong's brother, is the eighth elder of the ancient sect, sky elixir sect. He can easily destroy us if he wants to-hurry up and ask Wang Xinyan what's going on, bring her to house Xiao and explain this!"

"Xinyan ... You can 't?" Qinlin knew that Xinyan liked Lin Yi, but they'd talked about it before. Xinyan said that she'd only be friends with Lin Yi, and that she'd marry Zhaolong after graduation. She didn't believe her,"There must be a misunderstanding. Xinyan isn't that kind of child ..."

"I hope it's a misunderstanding too, so hurry up and ask her what's going on, then bring her here to explain to Zhaolong and calm him down!" "Zhaolong's already recorded it with his phone-Xinyan did walk into Lin Yi's Villa!" Xiao Ben said.

In fact, Zhaolong didn't even say anything about destroying house Xiao-it was just that Xiao Ben didn't want to lose a strong backing like house Kang, so he made it up to scare qinlin! Zhaolong only said that he wanted to break off the engagement, but house Xiao would suffer a huge loss if he did.

"This ... Okay, I'll ask Xinyan what's going on!" Qinlin quickly replied.

Qinlin, on the other hand, had been successfully tricked. She hung up on Xiao Ben and called Xinyan.

Xinyan had just returned to the villa and was about to drink the Chinese medicine Lin Yi made for her when she saw her mother's call. She was a little confused, but she stood up and spoke to Lin Yi, Mengyao, and Yushu, "It's my mother. I'll go to the bedroom to answer it. "

"Okay, but don't take too long. The medicine will be cold soon." Lin Yi nodded, not thinking too much about it.

Wang Xinyan replied and walked into the bedroom to pick up the phone. "Mom," she said.

"Xinyan, where are you?" Qinlin asked urgently.

"Ah? "I ... I'm at ..." Xinyan wanted to say Lin Yi's home, but she was too embarrassed to do so. "I'm at my classmate's house ..."

"Classmate? Lin Yi, right?" Qinlin's heart jumped.

"Hmm ... What's the matter?" Wang Xinyan could tell the difference in her mother's tone.

"Xinyan, you're really ... What did you promise me? Didn't she say that she would marry Zhaolong after graduation? Why was she at Lin Yi's house? You guys are cohabiting?" Qinlin panicked at Xinyan's answer. "Did you know that Kang Zhaolong went to house Xiao today and threatened your second uncle to destroy house Xiao, as well as your dad and me?"

"Ah?" Wang Xinyan was also shocked, her face turning pale. "Zhaolong ... He went to the Xiao's to look for second uncle?"

"Isn't that so!" "Xinyan, tell mom, is there anything between you and Lin Yi ..." Qinlin sighed.

"No, there's nothing between us. Nothing happened between us!" Xinyan said, a little scared.

She didn't have any sense of belonging to house Xiao, so it didn't matter if they were destroyed or not. What she was worried about was her parents' safety, and Lin Yi's safety! The sky elixir sect was a huge force-one Sky Class late phase peak could easily destroy Lin Yi and her family ...

This was what she'd been worried about all this time, and so she'd restrained herself from becoming Lin Yi's girlfriend, and nothing happened between them. Otherwise, how could she be fine sleeping with Lin Yi every day?

"Really?" Qinlin let out a breath of relief after hearing what Xinyan said.

"It's true!" Wang Xinyan said firmly.

"That's good!" Qinlin was finally at ease. "It's good that you're fine. Xinyan, I'll drive over to pick you up. Tell me the address, and we'll go to the Xiao's together to explain to Zhaolong."

"There's nothing going on, why should I explain to him? Didn't we agree to get married after graduation? Why is it so troublesome?" Xinyan frowned, thinking that Zhaolong was a despicable man. He'd come up with all kinds of tricks, and now he was threatening her own family.

"There's no other way, house Kang is strong now, we have to go. " "You don't want anything to happen to mom and dad because of this misunderstanding, do you?" qinlin asked helplessly.

"Then ... Come to the entrance of the xueshang District. I'll get it ready." Xinyan nodded her head in agreement. She couldn't give Zhaolong an excuse to get angry over this, could she?

"Alright, I'll be there immediately!" Qinlin said.

After hanging up, Xinyan sighed. She knew that she might not be able to live in Lin Yi's Villa anymore, and Zhaolong would come after her if she did, but she really didn't want to move.

She adjusted her emotions and walked out of the room, pretending that Lin Yi and the others weren't paying attention to her, "Yaoyao, Lin Yi, my mom's here. She's at the entrance of the business district. I'm going out for a bit, I'll be back soon."

"Oh, then go ahead. Be careful. Do you need me to send you?" Lin Yi didn't think much of it.

"No, it's not too late. I'll leave after I take my medicine." Xinyan picked up the medicine on the table and drank it all in one gulp. She waved at Lin Yi and the others before quickly leaving the villa.

Qinlin rushed to xueshang District, picked up Xinyan, and headed to house Xiao's Villa.

"Xinyan, why are you in Lin Yi's house? Wouldn't that be giving Zhaolong something to use against him?" Xiao qinlin said helplessly as she drove.

"Mom, I'm just a guest ..." Wang Xinyan said quietly.

"You're Zhaolong's fiancée now, don't you know how to avoid suspicion? It'd be fine if it was some other time, but Zhaolong's in your class right now. If you get too close to Lin Yi, he won't feel good. " "Since you're planning to marry Zhaolong after graduation, don't make him unhappy with these details," qinlin advised. "Otherwise, you'll end up fighting after you get married!"

"Oh ..." Xinyan didn't want to marry Zhaolong at all. She wanted to wait until graduation to see Lin Yi grow up step by step, until he was strong enough to fight against the sky elixir sect. At that time, she would choose to be with Lin Yi with a legitimate reason.

Chapter 2738 Fainted Again

If Lin Yi really couldn't reach that level, then she'd choose to commit suicide on their wedding night. If she died, Zhaolong wouldn't be able to vent his anger on others.

Qinlin looked at Xinyan and knew that she was still against marrying Zhaolong, but time was of the essence, so she didn't say anything. She had to deal with this first.

They arrived at house Xiao's Villa, and qinlin brought Xinyan into the living room. They saw Zhaolong sitting on the sofa, his face ashen.

"Xinyan, you're here. Hurry up and tell Zhaolong what's going on," Xiao Ben gave Xinyan a look as he spoke, telling her to talk it out and not piss Zhaolong off.

"What do you want me to say?" Xinyan glared at Zhaolong, a little angry. She felt that it would be embarrassing if he kept on doing this.

"What did I just say?" Zhaolong's face softened when he saw Xinyan. After all, he didn't really want to break off the engagement, he was just trying to scare house Xiao. His attitude towards Xinyan improved a lot. "You're staying at Lin Yi's house, and he's carrying you to school this morning, and you're still asking me what I wanted to say?"

"I'm going to play with Yaoyao and Shu," Xinyan explained unwillingly, but she didn't want to have a falling out with Zhaolong. She didn't want her parents and Lin Yi to be in danger.

"Play with them? As far as I know, they're not from our medicine major, and you didn't know them in high school. How can you go and play with them when you're not familiar with them?" Zhaolong asked.

"I met him through Lin Yi." Xinyan didn't hide it from him-there was no way she could keep it a secret, and Zhaolong knew anyway, so she told him the truth. "I've met them and we got along quite well, so I'm staying with them. "

"So you're saying that you and Lin Yi don't have that kind of relationship?" Zhaolong asked with a frown.

"Of course not." "I told you, I'll marry you after graduation," Xinyan said. "I'll never do that again. "

"You can say whatever you want, but you have no evidence! Let's do it this way, I can believe you, but let's check if you're a Virgin. If you're a Virgin, then I'll believe you!" Zhaolong said. This was why he was here-the truth test was more important than anything house Xiao and Xinyan said.

"How?" Xinyan looked at Zhaolong warily. "Don't tell me you're going to examine it yourself?"

"I ... I ..." Zhaolong was thinking of that, but Xinyan's look of disdain made him feel awkward. "How is that possible? Do you think I'm such a dirty person? I mean, let's go to the hospital for a check!"

"On what basis?" Xinyan felt that Zhaolong's request was too much, and it made her feel humiliated.

"No reason. It's to prove your innocence!" Zhaolong said.

"Before we get married, we'll naturally do a pre-marital checkup. What's the point of doing it now?" Xinyan didn't want to agree to Zhaolong's unreasonable request.

"Qinlin, you talk to Xinyan. If she's really a Virgin, then we're not afraid of being checked. An upright body is not afraid of a crooked shadow. After the check, young master Kang can be at ease!" Xiao Ben said.

"This ..." Qinlin had no choice but to pull Xinyan to the side and whisper, ""Xinyan, tell me the truth, are you still a Virgin?"

"Of course I am!" Xinyan felt hurt-why didn't even her mother believe her?

"If that's the case, then go and check it out. Otherwise, this matter will definitely not end so easily!" Qinlin said.

"Alright, I agree!" Xinyan gritted her teeth, tears flowing down her face. She felt wronged and wronged. Why did she have to marry Zhaolong? Why did he have to say whatever he wanted?

How could he be so unlucky? Had he become a sacrifice for the family's interests? She was born into the Xiao family, which did not bring her much happiness and enjoyment, but she had to bear more pressure and burden than anyone else ...

All of a sudden, Wang Xinyan felt dizzy, angry, and tired. Her vision went black, and she fell to the ground ...

"Xinyan, what's wrong?" Qinlin's face went pale at the sight of Xinyan.

Xiao Ben and Xiao Ji's faces changed as well! They didn't really care about Xinyan's life, what they wanted was to use Xinyan's marriage to bring house Kang's support to house Xiao! So nothing could happen to Xinyan!

Zhaolong was stunned as well-Xinyan couldn't take a blow, could she? Why did he faint after saying a few words? Didn't he just want her to check if she was still a Virgin? Was there a need to? Could it be that he had a guilty conscience?

"Hurry up and send her to the hospital. Also, check if she's still a Virgin!" Zhaolong said, adding on to his request.

And so, qinlin quickly picked Xinyan up and carried her to the car outside the villa, driving straight to Donghai first hospital. Zhaolong was in coiling Tiger's car, following behind, followed by Xiao Ji and Xiao Ben's car.

Both Wang xuben and house Kang had shares in the first hospital of Donghai city. Although it wasn't much, it was a hospital that both of them trusted, so Zhaolong wasn't afraid that the hospital would cheat. After all, the hospital was very formal, and with the Kangs 'shares, Wang xuben wouldn't be able to affect the results.

After a full-body checkup, the results came out-Xinyan wasn't sick, just weak. She passed out probably because she was panting, but she wasn't sick. As for whether or not she was still a Virgin, the result was that Xinyan was still a Virgin.

Zhaolong was relieved by the result, and he stopped making a scene. He still looked down on Lin Yi-they were already living in the same villa, and he just went to play with Mengyao and Yushu. Did Lin Yi really not get what he wanted?

It looked like it was true. The results of this hospital's examination could not be fake!

However, Xinyan's sudden unconsciousness worried Zhaolong. When would she wake up? Zhaolong was planning to apologize to Xinyan after she woke up. After all, he'd already checked, and Xinyan was still a Virgin. He'd really wronged her!

No matter how close she was with Lin Yi in school, she still didn't have any physical relationship with him. This made Zhaolong feel that he still had a chance. At least Xinyan wouldn't dare to go against the marriage. If he was gentler to Xinyan, would she jump into his arms?

Chapter 2739 I Will Go Back

If he succeeded, it would be the heaviest blow to Lin Yi! Zhaolong wasn't afraid of Lin Yi anymore, and so he dared to go against him.

At night, Lin Yi didn't see Xinyan coming back, so he called Xinyan's phone to ask if she'd come back to sleep. No one picked up, and just as he was about to hang up, a man's voice came from the other end!

"Lin Yi, why are you calling Wang Xinyan?" Zhaolong heard Xinyan's phone ring and took it out from her bag. He was a bit annoyed when he saw that it was Lin Yi. The test results showed that Xinyan was still a Virgin, but he felt that Lin Yi had other intentions towards her!

"Zhaolong?" Lin Yi blinked when he heard Zhaolong's voice. "Why are you here? Where's Xinyan?"

"Of course Xinyan's with me-we're sleeping together tonight, so you don't have to worry about her!" Zhaolong said coldly before hanging up.

"Hello?" Lin Yi didn't expect Zhaolong to hang up so quickly, not even giving him a chance to speak!

But, why was Xinyan with Zhaolong? Didn't she go out with her mother? Did Xinyan go to Zhaolong and lie to him about her mother? Lin Yi shook his head at the thought. Xinyan wasn't a good liar, and there was no reason for her to lie to him. Could it be that Zhaolong had kidnapped her?

If not, why would Xinyan's phone be in Zhaolong's hands?

With that in mind, Lin Yi called Xinyan again, but the call was cut off after two rings. It seemed like Zhaolong didn't want to pick up Lin Yi's call.

Lin Yi frowned. He was about to call Xinyan's mother, qinlin, but remembered that Xinyan was with her when they left the house, and now she was with Zhaolong. Would she tell him where Xinyan was if he called her?

Helplessly, Lin Yi dialed a number that he hadn't called in a long time.

The call went through, but the other side was silent. Lin Yi didn't speak, and the other side didn't speak either.

"Princess?" Lin Yi probed.

"Are you looking for me for something or to chat?" The hacker princess's grumbling voice came from the other end of the phone. "If you're looking for me, I'll hang up. If you're looking for me to chat, I'll chat with you for a while!"

"Ugh ..." Lin Yi couldn't help but smile bitterly. He was looking for her to find Wang Xinyan's location, but the hacker Princess was obviously angry with him. He'd tried to contact her once when he was looking for Guan Xin, but they hadn't contacted each other since. No wonder the hacker Princess was unhappy.

"Alright, alright. Hero Eagle, big brother ah Yi, tell me, what did you want from me?" The hacker Princess knew that Lin Yi must have something important to tell her, so she stopped throwing a tantrum and asked directly.

"Help me locate a phone number." "The number is ..." Lin Yi said.

"Oh ..." The sound of typing came from the hacker princess's side. "He's at the first hospital of Eastern Sea city."

"The hospital?" Lin Yi blinked-why was Xinyan in the hospital? It seemed like Kang Zhaoming's words couldn't be trusted. There was more to this than met the eye.

"Yeah ..." The hacker Princess said,""If you don't believe me, then forget it."

"Who said I don't believe you ..." Lin Yi smiled bitterly,""I believe you!"

"You ... Haven't come back to see me and sister little seven for many years ..." The hacker princess's voice was a little bitter."Forget it, you can go back to your work ..."

"I ..." Lin Yi actually had his own difficulties. Ever since his master left, he followed his master's orders- other than studying with old Lin at West Star Mountain, he'd been training outside. He'd never really rested all these years, even until the last mission. He never really went on a break, so he never returned to that Island called X.

Princess's words reminded him of his childhood. He had two followers in his training team, little seven and the hacker Princess. It seemed that he should find time to go back and take a look ...

"Hehe, it's fine. You can go back to your work!" The hacker Princess smiled as if she didn't mind, but Lin Yi could hear the hope and anticipation in her voice.

"I'll go back after some time!" Lin Yi wouldn't make promises easily, but this time, he did.

Lin Yi didn't know what kind of attitude he should have towards the hacker Princess when they met again. When they were young, he and little seven could be considered childhood sweethearts, and all these years, Lin Yi could feel the hacker princess's feelings for him from her tone of voice over the phone. However, this feeling would disappear after they met again ...

As time passed and as he grew older, the feelings he had for her during his childhood became a permanent memory in his mind.

He'd thought that he'd spend the rest of his life taking on missions and doing them until he grew old and adopted a child, just like old Lin did, to repeat his life.

At this time, Lin Yi didn't want to face relationships the most. He knew that he could lose his life at any time in his work, and relationships were just a luxury to him.

But after coming to Songshan city, Lin Yi's life path changed. It didn't seem like what he imagined. He gradually had his own life, so Lin Yi accepted Yu Ning.

And now, facing the hacker Princess again, Lin Yi finally realized that he could face her face to face. He was worried that the childhood memories would be gone, and they'd be normal friends again.

It was better to reminisce than to see each other.

However, even so, he couldn't always run away from this matter. There had to be an end to it. The childhood sweethearts could only be left in his childhood memories.

"Ah?" The hacker Princess paused, not expecting Lin Yi to say that. He'd never mentioned coming back before.

However, before the hacker Princess could say anything, Lin Yi had already hung up.

Lin Yi was worried about Xinyan's condition, and so he didn't bother with the hacker Princess. He greeted Mengyao and left the villa for the first hospital.

It wasn't hard for Lin Yi to find Xinyan's room number at the service desk in Songshan's first hospital. He went straight to the room and was surprised to see qinlin, Xiao Ji, Xiao Ben, and Zhaolong all there.

Chapter 2740 Take Away

Wang Xinyan's room was a super large intensive care unit, and the outer room was for family members to rest. Lin Yi's entrance obviously surprised everyone.

"Lin Yi? What are you doing here?" Zhaolong wasn't expecting Lin Yi to come-he was even more confused as to how Lin Yi found his way here.

"Wang Xinyan's sick, so I can't come?" Lin Yi glanced at Zhaolong before walking into the room.

"Wait, don't go in!" Zhaolong stood in front of Lin Yi, trying to stop him from entering the room.

"Are you crazy?" "I don't need your permission to visit my classmate," Lin Yi said with a look.

"You ..." Zhaolong didn't expect Lin Yi to be this aggressive. He just told Lin Yi about Zhaoming, why wasn't he afraid?

"Go to the side." Lin Yi grabbed Zhaolong by his collar and pushed him to the side before entering Xinyan's room.

"You ..." Zhaolong was furious. He turned to Xiao Ji and Xiao Ben, wanting them to say something, but they avoided his eyes. They did hate Lin Yi, but they couldn't afford to offend him. Lin Yi didn't even care about Zhaolong, so they'd be humiliating themselves if they went up to him.

Zhaolong had no choice but to follow Lin Yi into the room-he saw Lin Yi holding Xinyan's hand, and fire shot out of his eyes. He ran over and pushed Lin Yi's hand away,"Lin Yi, don't go too far! Xinyan is my fiancée, and house Xiao acknowledges that. Who are you to interfere? I'm telling you, I'm not a pushover-house Kang is no longer the house Kang of the past. My brother Kang Zhaoming is now the eighth elder of the ancient sect, the sky elixir sect. "

"The eighth elder? I'll give you a slap!" Lin Yi was checking on Xinyan's body when Zhaolong interrupted him. He was so angry that he slapped Zhaolong's face.

"You ... You dare to hit me?" Zhaolong looked at Lin Yi in disbelief. "Aren't you afraid that my brother will come and deal with you?"

"You want to compete with me in terms of ancient background? I'm not afraid to tell you-my small wife is the future sect master of the Ice Palace. You have an ancient sect background, who doesn 't? Don't always talk about this thing, if you have the ability, then find him!" Lin Yi said coldly.

There was a limit to his tolerance-Zhaolong was always so energetic, and Lin Yi didn't want to have a direct conflict with the sky elixir sect, so he just ignored him. Xinyan, however, just fainted out of nowhere, and Lin Yi didn't believe that Zhaolong had nothing to do with it.

"Ugh ..." Zhaolong suddenly remembered Xiaoxiao, the girl who almost screwed him over the last time they had dinner. His mouth twitched. He knew about Xiaoxiao's incident, but he didn't think of it!

Now, he finally understood why Lin Yi wasn't afraid-he found himself a good wife! His brother was an elder, but Lin Yi's wife was a vice Palace Master, a future Palace Master! This background wasn't any worse than his own!

"Why did Xinyan faint? Is it because of you?" Lin Yi frowned-Xinyan's condition seemed to be better than yesterday, especially after the medicine. She was still weak, but the cause of fainting shouldn't be weakness-it was something else.

"I ..." Zhaolong didn't expect Lin Yi to be this good, able to see the cause of Xinyan's fainting in an instant. He misunderstood-Lin Yi was just guessing, but he had a guilty conscience, and thought that Lin Yi had confirmed it.

"Did you really cause this?" Lin Yi's face darkened after seeing Zhaolong's reaction.

"I ... I didn't, I just saw you and Wang Xinyan together, so I went to house Xiao. Is that wrong? "She's my fiancée, I ..."Zhaolong was starting to get scared-bringing up Zhaoming's background didn't work on Lin Yi.

"Pa!" Lin Yi sent a slap across Zhaolong's face, sending him to the ground."Oh, I didn't like you, so I knocked you out. Was I wrong?"

Zhaolong didn't hear Lin Yi's last sentence-he'd probably faint again if he did.

Lin Yi picked Xinyan up and walked out of the room. Xinyan's body was fine now, and there was no point in staying in the room. He might as well bring her back.

Zhaolong was unconscious, and Lin Yi carried Xinyan out of the room under the shocked gazes of Xiao Ji, Xiao Ben, and Xiao qinlin.

Xiao Ji and Xiao Ben pouted, not daring to say anything-they could only watch as Lin Yi left, not daring to say anything! Qinlin, on the other hand, only sighed, wondering if she had done something wrong.

He shouldn't have forced his daughter to marry Zhaolong. But if he didn't let Xinyan marry Zhaolong, what would happen to house Xiao? What about her and her husband's pharmaceutical companies? Zhaolong's background wasn't to be underestimated!

But it seemed like Lin Yi wasn't afraid of Zhaolong at all. Was Lin Yi being impulsive or confident to knock Zhaolong unconscious after he revealed his background? Qinlin couldn't quite grasp the pros and cons of this matter anymore.

It seemed like Xinyan liked being with Lin Yi? As Xinyan's mother, qinlin naturally wanted her daughter to be happy, and so her heart started leaning towards Lin Yi. She just didn't know if Lin Yi was a match for house Kang.

And so, qinlin didn't stop them and just let them be. Zhaolong had already fainted, and his fiancée was taken away, so he couldn't blame anyone!

He drove Xinyan back to the villa, and since she was still unconscious, Lin Yi couldn't carry her to practition. He asked Mengyao and Yushu to change her into her pajamas and let her sleep upstairs.

The night passed by uneventfully, and the next morning, Lin Yi was preparing breakfast when he saw Mengyao, Yushu, and Xinyan coming down the stairs together. Xinyan wasn't sleeping at all? Lin Yi blinked at the sudden change-he'd gotten used to Xinyan sleeping all the way to noon these past few days, and he was quite surprised to see her awake so early in the morning.

"Xinyan, you're up?" Lin Yi asked.

"En ..." Wang Xinyan nodded shyly, ""But I'm still a little sleepy, and I don't have much energy, but when I get up ..."

"That's good ..." Lin Yi nodded. He didn't say anything else, but he was worried inside. Even if Wang Xinyan had recovered, she couldn't have recovered so quickly.
