

## Bodyguard 2951

### Chapter 2951 Cruel Zhao Qibing

Now that he'd been "crippled," the old man had nothing to fear, and so Lin Yi decided to just let them hit him. Breaking his dantian was a painful thing, but as long as he could make it back alive, there was still hope!

"Crack!"

With a crisp sound, Lin Yi's right leg was broken by Zhao Qibing!

"You d \* MN Lin Yi, did you enjoy hitting my leg? It's my turn this time! You can go to hell!" With that, Qibing raised his leg again and kicked at Lin Yi's left leg!

"Crack!"

Another crisp sound, and Lin Yi's left leg was broken as well. Both of his legs were broken, and Lin Yi fell to the ground, but he didn't even make a sound. He just endured the pain.

"I'll step! I'll step on it! I'll step step step step step!" Zhao Qibing was addicted to his broken legs and jumped up excitedly, stepping on Lin Yi's broken legs and stepping back and forth, shouting excitedly as he stepped, as if he was playing a very interesting game.

Lin Yi lay on the ground, his face expressionless. Today's incident had taught him a lesson-even if it was something his follower said, he had to be careful because his follower could be kept in the dark too!

Qikun's heart was about to explode from the way Qibing was stepping on him, but Lin Yi didn't cry out in pain-he was impressed. He didn't think that Lin Yi would still be this strong even without the protection of his Qi.

In fact, this pain was nothing to Lin Yi. The self-harm he'd done with the compressed energy bomb was much more painful than this, and he'd gotten through it. He just regretted not wearing the mid-quality Golden Cicada underwear-he'd taken it off and put it away after the test.

However, even if Lin Yi did, the old man was already a Sky Class master-there was no way Lin Yi could just leave without getting hurt.

Naturally, qikun couldn't show any sympathy at this point-he pretended to be excited as he watched Qibing stomp on Lin Yi, stepping on Lin Yi's arm."Lin Yi, I've been pissed off at you for a long time, what right do you have to be my boss? What are you doing? I'll stomp you to death!"

"Crack!"

Another crisp sound-Lin Yi's arm was broken ...

"Zhao qikun, very good, I've finally seen through you." Lin Yi's voice was cold, and it made qikun shiver!

However, qikun didn't believe that Lin Yi couldn't tell that he was pretending. From what Lin Yi said at the start, "seeing him act," Lin Yi should've already understood that he was going to save him.

"Is that so? But I'm sorry, it's too late!" With that, qikun stepped on Lin Yi's other arm, and with another crack, Lin Yi's left arm broke as well!

"Hmph," he snorted. Lin Yi hmphed coldly, not saying anything else.

Qikun walked away after that-he wasn't like Qibing, who wanted to do a zombie dance on Lin Yi's legs so badly that his bones were cracking and about to be crushed!

"You're done? Then I'll continue stomping!" Qibing obviously didn't have enough strength to just step on Lin Yi's legs, so he took over qikun's job and started stomping on Lin Yi's arms as well.

"Is there any meaning? If you have the ability, then step on him to death!" Qikun's lips twitched as he looked at Qibing in disdain.

"Don't provoke me. Do you think I don't dare to?" Qibing hmphed coldly, pissed off at qikun's question.

"Go ahead then-as long as you announce to the world that you're not related to the Hidden House Zhao, Lin Yi's ancient follower will come for you, and I won't have to fight you for the young master's position anymore," Qikun said nonchalantly.

"Do you think I'm stupid?" Qibing stomped on the floor a few more times before walking to the side, his interest disinterested. He said to his father, "Grandpa, I'll leave the breaking of the meridians and dantian to you-if I can't do it well, I think qikun will be even worse off."

Old Zhao watched his two grandsons mocking each other, but his face didn't change. He only nodded and stood up, walking to Lin Yi and started patting him.

Breaking someone's meridians was a difficult task, but of course, if Lin Yi didn't have his Qi protecting him, it would be much easier. All Grandpa Zhao had to do was find the right spot and hit it.

So, from top to bottom, Grandpa Zhao broke all the meridians in Lin Yi's body, and then broke his dantian. Only then did he stand up, satisfied, ""Qibing, qitan, take Lin Yi Home. He's our guest, of course we have to take him back!"

"Yes, Grandpa!" Qibing and qikun both cupped their fists.

"Elder Mian, spread the news of Lin Yi being poisoned, especially the GaN mountain sect, Golden Bell sect, hidden house you, and hidden house Yu, don't miss this opportunity!" Zhao Yu's father continued.

"Yes, master!" Elder Mian nodded in response.

Lin Yi, on the other hand, was carried out of the Hidden House Zhao by Qibing and qikun. Qibing laughed as he walked, but the way he looked at qikun was a little cold. He felt that qikun had taken his position as the young master away from him, and he wasn't happy about it. After they left, he couldn't help but mock, "Some people are really unscrupulous in order to climb up the ranks. They can even betray their own boss. What a weirdo."

"A wise man submits to fate, Zhao Qibing. You were just an illegitimate child, what right do you have to fight me?" Qikun said with a cold smile.

"Hmph, I'm an illegitimate child, but I'm also the son of the current head of the house, Zhao Guangyin. You, on the other hand, are only a branch family descendant!" Qibing said, curling his lips.

After getting in the car, Qibing drove while qikun escorted Lin Yi from the back. They returned to Lin Yi's Villa in xueshang District, and when they arrived at the door, Qibing didn't even knock before blowing the horn of the car. It was like a train that was roaring, and not only the people in Lin Yi's Villa, but even the people living in the villa nearby were deafened by the sound.

"Is there a problem? Who the F \* ck wants to die by driving a train here?" Lin Yi hadn't even let anyone out of his villa when a resident who was on his way home saw a Porsche Cayenne honking its horn in front of him, and the sound was deafening!

You think you're driving a train when you're driving a Porsche Cayenne? Does that mean that my Aston Martin visage can be driven like a rocket? This person was not a good person to begin with. He started his business by demolishing buildings. He was skilled and belonged to a gray identity that was half black and half white. At that time, he got out of the car and wanted to teach this reckless rich second generation a lesson.

Chapter 2952 Killing Yushu

"Woof! Buzzzzzz! Whoosh!" A muscular man with a black tank top, a crew cut, and a tattoo on his arm came out of the Aston Martin and smashed the driver's window of Qibing's cayenne, yelling, ""Damn you, you little brat, don't you know how to show off with a bit of money? F \* ck your grandfather, get out of the car!"

After returning to the Hidden House, Zhao Qibing didn't cause much trouble in the common world anymore. After all, he had to care about the hidden rules in the hidden world. He didn't want to talk to this man at first, but he didn't expect this man to scold his grandfather. Wasn't that scolding old Zhao? If he didn't do something, qikun would go back and complain to his father, and he'd be dead.

And so, Qibing opened the door, jumped out of the car, and kicked the man in the chest. The man flew out and spat out a mouthful of blood. He landed heavily on his sports car with a loud thud, and passed out.

"What's this? you overestimate yourself and dare to scold me? If it wasn't for the fact that I'm fighting for the position of the patriarch and don't want to cause any more trouble, I would've killed you!" Qibing hmphed coldly and didn't care about the man anymore.

Originally, many of the neighbors wanted to follow the man after hearing Qibing's blaring, but they didn't expect Qibing to kick the man away so easily. They didn't know if he was Dead or Alive, so they all backed off in fear!

The residents all knew how strong the man was-he was a thug who could take on ten people at once, and he was even a boxing coach before. How strong was he to be sent flying by Zhao Qibing?

At this time, Chen Yushu just came out and saw Zhao Qibing kicking the man away. She frowned, "Little Zhao, what are you doing here? Didn't you treat shield bro to a meal?"

"Hehe, isn't that Chen Yushu?" Qibing looked at Yushu, a cruel smile on his face. "That's right, Lin Yi's done eating, we've sent him back! Qitan, return Lin Yi to miss Chen!"

Qikun didn't want to, but there was nothing he could do-he had to carry Lin Yi out of the car to prevent Qibing from seeing through his plan. He slammed Lin Yi in front of the villa, and Yushu's foot made a loud "bang" on the ground.

"Shield bro, what's wrong?" Chen Yushu and Chu Mengyao were shocked to see Lin Yi's hands and feet covered in blood and his face pale as he fell to the ground.

"Qikun, what's going on? What did you do to Lin Yi?" The reason Mengyao asked what qikun did to Lin Yi and not what happened to him was because qikun threw him to the ground-that didn't fit his status as a follower!

"Chu Mengyao, Chen Yushu, can't you guys tell? Qikun has betrayed us and returned to our hidden house Zhao! I'm not afraid to tell you that Lin Yi's current state was caused by Zhao qikun!" Qibing didn't forget to smear his reputation.

"You ..." Chu Mengyao was angry and anxious at the same time. She didn't think that Zhao qikun would betray her. Lin Yi just had one meal and he was beaten up like this! Obviously, with Lin Yi's strength, it was impossible for house Zhao's people to hurt him unless they used a trick! But the one who tricked Lin Yi the least was Zhao qikun, so naturally, Chu Mengyao thought that it was Zhao qikun who did this to Lin Yi, "How can you be so ungrateful? Lin Yi's been nice to you, but you betrayed him at the most critical moment!"

"Miss Chu, as the saying goes, a wise man submits to fate. Now that I have the chance to become the head of the Hidden House Zhao, why shouldn't I do it?" Qikun hmped coldly, "Since there's nothing else, I'll take my leave first. You guys take one last look at Lin Yi-his enemies will probably be here soon, and when that happens ..."

Qikun's tone was cold, but he was telling Mengyao and Yushu to think of something-he couldn't say it out loud, so he had to do it this way.

"You ... Get lost!" Mengyao was furious-she never thought that qikun would betray her like this.

"Fine, I'll get lost. Do you think I want to stay here?" Qikun said faintly and turned to get into the car.

Lin Yi knew that qikun was innocent, but he couldn't explain anything in front of Qibing. He could only let him leave.

However, Zhao Qibing didn't want to let it go just like that. His eyes were still on Chen Yushu, revealing an evil look!

"Chen Yushu, I didn't dare to touch you before, but this time, no one can save you!" Qibing's voice was filled with anger, "You little B \* tch, you came to my company and wanted to see the building collapse. You even hit my legs and head with a stick! Do you really think I'm afraid of you? If it wasn't for Lin Yi protecting you, do you think you'd still be alive today? Although I don't dare to kill Lin Yi yet, I don't have that much to worry about if I kill you. You're just a common girl of house Chen, you'll die for nothing!"

Qibing hated Yushu to the bone-he'd wanted her dead for a long time now, but this girl went to his company to watch the building collapse and even got him beaten up! He'd be letting Lin Yi down if he didn't kill her!

"Zhao Qibing, don't go too far!" Lin Yi didn't say anything, but he couldn't hold it in anymore! Lin Yi could accept it if they laid their hands on him, but he couldn't tolerate Yushu and Mengyao. "Don't forget, I

still have some ancient level underlings. If you really want to fight, then think about what's waiting for you!"

"Are you trying to scare me?" Zhao Qibing didn't move at all, he just glared and laughed, "Ancient little brother? That's yours, not Yushu 's! I don't believe your ancient follower can avenge her! If your ancient underlings were really that useful, why didn't you contact them? On the way back, I didn't take your phone away, nor did I restrict you from contacting others. Do you think I don't know? Don't use your broken arm as an excuse. I know that if you want to make a call, you can!"

"Give me a call if you break your hand!" "Zhao Qibing, I'd advise you to stop before you go too far," Lin Yi said, a little annoyed.

"Enough? I, Zhao Qibing, have had enough of this!" Qibing ignored Lin Yi and jumped up, throwing a punch at Yushu! He really hated Chen Yushu too much, otherwise he wouldn't be so cruel!

Chapter 2953 Yu Yi Appears

Qikun was panicking as well-he wanted to stop them, but he wasn't as strong as Qibing, and his identity as a spy was another matter altogether. He had to maintain that identity for the time being, only then could he find a way to save Lin Yi.

However, watching Yushu get hit was still a pain!

However, at this critical moment, a loud roar was heard!

The purple lightning Beast sensed the danger at the door and rushed out of the backyard with general Weiwu, not caring about being discovered. They rushed towards Zhao Qibing who was about to attack Yushu!

The purple lightning Beast and general Weiwu's arrival made Lin Yi let out a breath of relief. Although he knew that these two Spirit beasts wouldn't just sit by and do nothing, they would definitely come and save Chen Yushu. After all, it was only a guess. Lin Yi would only be at ease if they really came!

Qikun let out a breath of relief as well, only remembering that Lin Yi still had a backup plan. If it weren't for these two Spirit beasts, Yushu would've been in danger today!

However, what Lin Yi and Qikun didn't expect was that Qibing wasn't scared at all-he started laughing!

"Hey! I knew you stupid spirit beasts would come!" Qibing laughed coldly as he waved his hand, scattering the powder towards the two Spirit beasts! "You think I wouldn't be prepared just because I dared to kill Chen Yushu here?"

The two Spirit beasts were hit by the powder and fell to the ground, unconscious. It was just an instant change, but everyone was shocked!

Zhao Qibing came here prepared. The powder in his hand was provided by the sect leader of the GaN mountain sect, it could deal with all spirit beasts below Earth Class. As long as the powder was sprinkled on the spirit beast, it would knock it out and wake up after an hour. It wouldn't cause any harm to the spirit beast, but it could make it temporarily unconscious.

There wasn't a lot of this powder, and the sect wouldn't have brought it out if they didn't have to deal with Lin Yi.

"Chen Yushu, let's see who can save you now! Is your spirit beast finished?" "Now, come and face your death!" Qibing said proudly.

"F \* ck! You little Zhao, are you trying to be awesome? Do you think that I won't dare to hit you a second time after I hit you once?" He didn't know when, but the steel rod had appeared in Yushu's hand, and she was about to swing it at Qibing!

It turned out that Skybolt pig had seen the situation from afar and gave the steel rod to Chen Yushu!

"Hmph!" Zhao Qibing thought that Chen Yushu was just putting up a last-ditch struggle. As far as he was concerned, his punch on Chen Yushu's body was much more powerful than Chen Yushu's hit with the stick. If he didn't handle it well, Chen Yushu would be killed on the spot. In that case, Chen Yushu might not even be able to hit him with the dark Iron steel stick.

And so, Qibing didn't even try to Dodge, he just threw it at Yushu.

"Bang!"

A loud noise sounded, but it wasn't the sound of Qibing's fist hitting Yushu's body, but the sound of Yushu's steel rod hitting Qibing's head!

"Ah! ----Qibing cried out in pain as his head started bleeding. Although his fist landed on Yushu's body, she only took two steps back-she didn't seem to be hurt at all!

Qibing looked at Yushu in disbelief-how was this possible? He didn't use any martial arts, but an earth-class early phase fist should've left Yushu half-crippled if not dead. How could she be completely fine?

Qibing, on the other hand, was bleeding from the head!

"Wayayayayaya! You're looking for death!" Qibing was furious-he charged at Yushu again, ready to take her down with his palm!

"Stop!" At this time, before Qibing could reach Yushu again, a black figure suddenly appeared in front of her, blocking her way!

"Gah!" Qibing was surprised, but he wasn't an idiot-he quickly stopped in his tracks, because this Man in Black was Sky Class early phase! However, Qibing was stunned when he saw the face of the person in front of him! This person was Yu Yi from the Hidden House Yu! The Sky Class master that had been following elder Yu!

Zhao Qibing had been to the Hidden House Yu before, naturally he had seen this Yu Yi.

However, Qibing didn't understand why Yu Yi was here!

"Isn't this Mister Yu Yi? From what I know, doesn't the Hidden House Yu have a grudge against Lin Yi? Why are you here to meddle in my business?" Qibing didn't understand why Yu Yi suddenly stopped him.

Lin Yi, on the other hand, was surprised by Yu Yi's appearance. Did Yu Ning send him to help him? But thinking about it, it didn't seem possible-Yu Yi was Yu Xingxing's follower, and had a high position in the Hidden House Yu. Even the head of the house, Yu Xiaochen, couldn't order him around, much less Yu Ning.

"Zhao Qibing, you should stop now!" Yu Yi didn't reply to Qibing's question because there were some things he couldn't answer! The date of the marriage and inheritance was about to be announced, and Yu Yi decided to come here to prevent anything from happening to Yushu. Who would've thought that she would run into Zhao Qibing who was trying to kill Yushu!

If it wasn't for the fact that Yu Yi couldn't tell him, he would've killed Zhao Qibing already! Yushu wasn't someone he could touch! Yushu's inheritance and engagement aside, he couldn't just stand by and watch Qibing bully her!

"What do you mean?" Qibing was confused, "Yu Yi, you're protecting Lin Yi?"

"Hmph!" Yu Yi hmphed coldly, but didn't reply.

"Is it because of Yu Ning? Your hidden house Yu is on Lin Yi's side?" Qibing felt like he had guessed something, and he was extremely shocked as he asked with uncertainty, "Could it be that a house like the Hidden House Yu is starting to build a good relationship with Lin Yi?"

"This is not something you should worry about." Yu Yi said faintly.

"Mr. Yu Yi, let me give you a piece of advice-Lin Yi's a cripple now, and even God can't save him. He's destined to be a cripple for the rest of his life, and he has a lot of enemies-someone might come for revenge tomorrow. I advise you to stay away from him, in case you get yourself into trouble!" Qibing advised.

"This is our hidden house Yu's business, we don't need you to worry about it." "Are you done?" Yu Yi asked. If you're done, then get lost! Do you need me to give you a ride?"

#### Chapter 2954 Serious Injuries

"You ..." Zhao Qibing didn't expect Yu Yi to be so stubborn, and his attitude was cold no matter what he said, ""Forget it, I'll be leaving then. If you don't want to listen, then so be it!"

"Hmph!" Yu Yi hmphed coldly and replied.

Qibing really didn't know what to do-he turned around and got in the car, ""You drive, my head is broken!"

"You deserve it, who asked you to meddle in this!" Qikun said sarcastically as he got into the driver's seat, started the car, and drove off ...

"Mr. Yu Yi, why are you helping me? "It's ning ..."Lin Yi was injured, but it wasn't to the point where he couldn't speak. He asked curiously.

However, Yu Yi didn't give Lin Yi a reply. He turned around and left ...

Yu Yi's sudden arrival, help, and departure confused Lin Yi, but there was one person who understood why he did it-Chen Yushu!

However, Chen Yushu couldn't reveal anything. She squatted down and held Lin Yi's hand,"Shield bro, how are you?"

"Yeah, Lin Yi, how did you get injured like this? I'll carry you back to your room to recuperate!" Mengyao said.

"Okay ..." Lin Yi smiled bitterly. Even if he went back to his room, he wouldn't be able to heal. He couldn't use his Arts, so how could he heal? Even with the two Spirit beasts, general Weiwu and Skybolt pig, Lin Yi couldn't get pure energy from them with his Arts suppressed.

This was a dead end, and if Qibing didn't suggest breaking Lin Yi's dantian, then he could use the Qi gathering pill to break through to Sky Class, and then use the small recovery pill to recover some of his meridians, and then use the art of Dragon mastery to completely recover his meridians.

Even if he didn't have the recover pill, he could use general Weiwu or Skybolt pig to recover, but Zhao Qibing messed up Lin Yi's plan. He had to admit that Zhao Qibing was quite devious, and he put Lin Yi in a very difficult situation.

Chu Mengyao and Chen Yushu moved Lin Yi back to the room in a mess. They were helpless, but Lin Yi smiled and consoled them,"Shu, why're you wearing a mid-quality cicada bra?"

Lin Yi remembered that he'd put the mid-tier Golden Cicada underwear away when he came back from the sky elixir sect's test. He didn't think that Shu would take it out and wear it now, but luckily she did, otherwise she wouldn't have been able to take that punch!

Although Yu Yi stopped Qibing, the mid-grade Golden Cicada underwear still played a decisive role.

As for Yu Yi's appearance, Lin Yi didn't understand, but he was grateful. If it wasn't for him, Qibing would've turned his attention to Mengyao after his attack on Yushu failed. Yushu had a mid quality Golden Cicada bra, but Mengyao didn't. If Qibing really hit Mengyao, the consequences would be unimaginable.

"I don't know, Shu just thought it was fun, so she put it on. I didn't expect Prophet Shu to be so good at it!" Yushu didn't know that Lin Yi wouldn't be able to recover yet, so her tone was very relaxed, without a trace of sadness.

"I see ..." Lin Yi suddenly remembered that Yushu told him to be careful before he went to the Hidden House Zhao's banquet. He didn't think much of it at that time, but now it seemed that Yushu's prophetic skills were quite ...

At that thought, Lin Yi started regretting his decision-he shouldn't have trusted Qikun too much, after all, even he could make mistakes! But this time, the old man was willing to sacrifice two hundred million to join Lin Yi-he really didn't think he'd be able to play this kind of trick.

"Shield bro, Yaoyao sis and I will be leaving first. You can rest and recover first, and when you're done, you can tell us what happened today." Chen Yushu replied.

"Okay ..." Lin Yi nodded.

Chen Yushu pulled Chu Mengyao and was about to leave when Chu Mengyao suddenly stopped, "Wait!"

"What's wrong, Yao Yao?" Yushu blinked.

Mengyao turned around and looked at Lin Yi. "Wait, Lin Yi, are you hiding something from us? Your injuries ... Are they very serious?"

The Miss was very smart. When Lin Yi was injured before, other than that time when he resigned, he always recovered very quickly. Even if he couldn't recover completely, at least his broken arms and legs could recover. However, it had been a while since Lin Yi came home, and his injuries didn't seem to be getting better at all. Besides, Lin Yi didn't ask general Weiwu or Skybolt pig to come over. This made Chu Mengyao suspicious!

Lin Yi's injuries might be more serious than he thought!

"Oh, right!" Chen Yushu reacted immediately and frowned, "Shield bro, what's going on?"

Looking at the Miss and Shu's expressions, Lin Yi knew that he couldn't hide it anymore. The two of them were already suspicious, so he had to tell them the truth, "That's right. This time, it's much more serious than I thought! I'm temporarily ... Crippled ..."

Lin Yi didn't hide anything from the two girls who were the closest to him. He knew that even if house Zhao could trick him into selling him out, Mengyao and Yushu wouldn't ... He told them everything that happened today ...

When Chu Mengyao and Chen Yushu heard that Lin Yi was poisoned, they were both shocked and uneasy. If Lin Yi couldn't cure the poison, what should they do? Plus, Lin Yi's dantian was broken, and no pill would have any effect on him. It was the same as walking on the road to death!

"Don't worry. Although the situation is serious, it may not be as bad as you think. There may be a solution!" Lin Yi smiled as he looked at the two's silent and sad expressions, "Do me a favor, call professor Guan Xuemin, and old Bai and teacher Bai, tell them to come to the villa and think of something! With Grandpa Guan's medical skills, he'll be able to take care of all these injuries. It'll take a while for me to recover, but it'll be fine! As for the meridians and energy Center, I'll have to trouble you to think of a way to break the poison. There's no hope of that happening, and I can't get the food from Zhao Qibing, so I can't analyze it. "

"Yeah, I didn't think Zhao qikun would betray us too!" "If it wasn't for him, you wouldn't have gone to the banquet!" Mengyao complained.

Zhao qikun? Lin Yi heard Mengyao's reminder and suddenly thought of Zhao qikun. Yes, Zhao qikun may look like a traitor, but he was actually a spy. If it was possible, Zhao qikun would help him get some food back!

Chapter 2955 Helpless

However, he didn't tell Mengyao and Yushu about qikun's situation. He was afraid that they'd pretend not to know the truth and drag him down with them.

"Alright, stop complaining-Yao Yao, call Grandpa Guan and Ms. Bai. Shu, call Wu Chentian, Pi Zhishan, and han xiaopo. Tell them to come over and keep the villa safe." As for the Hidden House Zhuang, Lin Yi

didn't inform them. His relationship with the Hidden House Zhuang was only based on threats and intimidation. He couldn't guarantee that the Hidden House Zhuang wouldn't have other thoughts after hearing that he was crippled. It was a lesson from house Zhao-he'd be more cautious of people who weren't safe.

"Alright!" Grumbling aside, Mengyao called Xuemin right away, but she didn't say much on the phone, only saying that Lin Yi had something to discuss with him and that he should come to the Donghai city villa as soon as possible.

Xuemin wasn't sure why Lin Yi was looking for him so urgently, but he wanted to visit Guan Xin as well. He agreed immediately and prepared to leave.

Boss Bai, on the other hand, was a lot easier-he'd rushed over from school as soon as he heard that Lin Yi was looking for him. The school was pretty close, and it didn't take long for him to appear at Lin Yi's Villa.

Boss Bai was surprised to see Chu Mengyao at the door. He was already confused enough that it was Chu Mengyao who called him, and now it was Chu Mengyao who opened the door. Boss Bai was even more confused.

Normally, Lin Yi would call him personally, and although Chu Mengyao was the closest person to Lin Yi, it still seemed a little weird. Boss Bai couldn't help but ask, ""Chu Mengyao, wasn't Lin Yi looking for me? Where is he?"

"Ms. Bai, there were some things I couldn't say on the phone ..." Chu Mengyao's face was pale, ""Lin Yi's in trouble, he's in his room, you'll know when you see ..."

"What? Lin Yi's in trouble?" Boss Bai was shocked! She quickly walked into the villa, even forgetting to change her shoes. Mengyao, however, didn't remind her-she didn't have the time to care about that.

He pushed the door open and walked into Lin Yi's room. Boss Bai was shocked to see Lin Yi lying on the bed with blood all over his limbs,""Lin Yi, what's wrong? Why don't you heal yourself?"

Boss Bai knew what Lin Yi was capable of-he should've self-healed by now, but why was he still in this state? It'd been a while since she'd called-Lin Yi should've recovered by now!

"Teacher Bai, it's a long story!" Lin Yi smiled bitterly, not hiding anything. He explained everything to boss Bai in detail, especially about the poison.

"So that's how it is ..." Boss Bai couldn't help but frown and fall into deep thought ...

"Teacher Bai, you're very knowledgeable. Is there really no antidote for this thousand-year poison that I'm suffering from?" Lin Yi wasn't willing to give up. If he could find the antidote, then everything would be much easier. After all, the poison had a suppressive effect on practitioner's Arts. Once he was poisoned, he wouldn't be able to use the practitioner's Arts.

Lin Yi's meridians and energy Center were all damaged, but as long as he could use the chant, he could use Skybolt pig or general Weiwu to guide the chant and heal his meridians and energy Center.

However, if he couldn't use the mantra, everything was just empty talk.

"I think I've seen this thousand-year poison somewhere before, but as you know, I've spent most of my time studying alchemy. I'm too lazy to touch anything that has nothing to do with alchemy, so I can't think of any information about this poison for a while." Boss Bai shook his head helplessly and said apologetically, "But I'll ask Junior Brother xuanzhen if I have the chance. He might know."

"However, old man Zhao also said that this poison has no cure. I'm afraid that even if we know the details, it will be useless." "Boss Bai," Lin Yi said, "under normal circumstances, how do you fix a damaged dantian?"

"Repairing your dantian ..." Boss Bai narrowed his eyes and fell into deep thought. "It's said that in the ancient times, the Masters of some ancient sects could not only repair the dantian and meridians, but also rebuild the body. But these methods have been lost. I only heard my master tell me some similar strange things, but he didn't mention the details. I guess my master didn't know either ..."

"I see ..." Lin Yi smiled bitterly.

"If there was a way to repair it, my meridians wouldn't have been damaged for so long without a solution." Boss Bai spread his hands and said, "I only met you after you healed me. This is the only way I've seen and heard of to heal someone's injury ..."

"If I wasn't poisoned, it wouldn't be a problem to repair my meridians and dantian. But I can't do it now." Lin Yi didn't know what to do-if boss Bai didn't know what to do, then there really wasn't any other way. Lin Yi's only hope now was elder Jiao and that damn thing. "It's fine, Mr. Bai. You can rest here for a bit. I've called Grandpa Guan Xuemin over to check on my injuries. No matter what, I'll have to get them treated first. "

"That's good. I'll go to the living room and contact xuanzhen. You can take a rest." Boss Bai didn't disturb Lin Yi, standing up and walking out of the room.

Mengyao and Yushu followed him out, leaving Lin Yi alone in the room.

"Elder Jiao, you know about my current situation, right? What should I do?" Lin Yi asked urgently after entering the Jade space.

"Lin brat, your situation is not looking good. The art of Dragon mastery has been completely suppressed. I can't think of a solution for now." Elder Jiao's face turned serious as well, evidently troubled by Lin Yi's current situation.

"Where's that ghostly thing?" Lin Yi looked at the corner of the Jade space.

"There's no reaction. It's probably in a dormant state again." "It can only help when you're in danger," elder Jiao said, "but that's only if it's awake. If it doesn't, it won't even know if you die."

"Alright," he said. Lin Yi shook his head. He didn't want to wake the thing up right now. After all, it was a trump card at a critical moment. He didn't want to use it if he could. It wouldn't benefit him if he used it too much and it got impatient.

Chapter 2956 Qikun Tricked

"Other than the art of Dragon mastery, do you remember any other methods that can repair the meridians and energy Center?" Lin Yi asked.

"I can't remember for now." Elder Jiao shook his head.

Lin Yi didn't ask any more questions-elder Jiao had said everything he needed to say, and he didn't know what else to say. Lin Yi could only give up.

As for his external injuries, Lin Yi already had a treatment plan in his heart. Although the bones in his limbs were quite broken from Qibing's stomping, Lin Yi was confident that he could recover.

Before he became a practitioner and didn't know the benefits of the art of Dragon mastery, Lin Yi's medical skills were superb. To an assassin, getting injured was a common occurrence, so his healing methods were also very advanced.

So all Lin Yi had to do was come up with a prescription and come up with a set of acupuncture methods for Xuemin to do. He believed that with Xuemin's medical skills, it wouldn't be a problem at all to treat him.

As expected, Xuemin agreed to Lin Yi's suggestion without a second thought.

Xuemin had come to Lin Yi's place happily, thinking of bringing Guan Xin along with him, but after learning of Lin Yi's condition, he couldn't bring Guan Xin along. She'd be worried if she saw him.

"Yi, you're seriously injured this time. If you didn't suggest a treatment plan, even I wouldn't be 100% confident!" Xuemin said.

"Yes, but I can only treat superficial injuries. As for the other internal injuries, I can't do anything for the time being." Lin Yi sighed.

"The level of the enemy you're facing now is beyond my ability. I can't help you." "But you have to hang in there," Xuemin said. "If you really can't do it, just hide. I don't want Xin Xin to be sad ....."

Lin Yi's heart moved-he knew what Xuemin meant, but he couldn't give Guan Xin too much of a response right now. He already had enough women by his side, and he couldn't really make any more promises to her. He'd just have to go with the flow for things like this.

But Lin Yi still nodded,"I understand. Thank you for the reminder, Grandpa Guan."

In fact, Lin Yi had thought of hiding himself when he had no other choice. He'd brought Chu Mengyao, Chen Yushu, Han Jingjing, and the others back to the West Star Village. According to the old man, even Sky Class late phase peak Masters would be killed in seconds if they went there. As long as they didn't leave the village, they would be safe.

However, if Pi Zhishan, Han Xiaopo, Wu Chentian, and the others were all on Lin Yi's side, then the enemies in the hidden level would still be wary. As for the enemies in the ancient level, even if Lin Yi wasn't injured, he would still be dead if the elders of the Everyday and Every Day Sect came to attack him.

It was even more so for the Five Elements Sect, and Lin Yi didn't have any room to fight back at all. He decided to wait and see what the situation was like. After all, the situation this time was different from the past, and those low-level clowns wouldn't act rashly.

At night, Wu Chengtian, Wu gonggao, han xiaopo, han Tianba (elder han), Pi Zhishan, Pi Zhihai, and Grandpa Pi all came to Lin Yi's Villa. Lin Yi didn't expect so many people to come!

Lin Yi was touched, but at the same time, he let out a breath of relief. With this old man Pi, a Sky Class master, and a bunch of Earth Class Masters, he didn't have to worry about the hidden dangers anymore. On the other hand, he really didn't know who would go against him in the ancient world.

Hidden house Zhao, Zhao Qibing and Zhao qikun returned to the house and sat down in the meeting room, waiting for their old man to announce the next step.

Soon, old Zhao walked into the meeting room and looked at Qibing and qikun, ""How is it? Did it go smoothly after sending Lin Yi back?"

"Don't even mention it-I was planning on killing that Chen Yushu, but who would've thought that Yu Yi from the Hidden House Yu would stop me from touching Lin Yi's people!" Zhao Qibing said hatefully.

"What? House Yu is interfering?" Old Zhao frowned after hearing what Qibing said. What was this? Could it be that house Yu didn't agree to killing Lin Yi? Or ... Did house Yu's Yu Ning influence his decision?"

"I'm not sure about that, but I'm starting to regret not killing Lin Yi on the way here. If the Hidden House Yu intervened, then Lin Yi's enemies wouldn't dare to act rashly. Even the Hidden House you wouldn't be able to make an enemy out of the Hidden House Yu!" Qibing said, a little regretful.

"It'll be good if you kill him, I'm in favor of that-after you kill him, Lin Yi's ancient follower will come after you for revenge, and I'll be the head of the house. " Qikun's lips twitched.

"Qitan, stop!" Zhao Yu's father suddenly waved his hand.

"Grandpa, you're ..." Qikun paused.

"Qitan, after careful consideration, I think the position of young master should still go to Qibing. After all, I promised him first. As for you, you've betrayed the house before, and now you've betrayed boss. This won't be enough to convince the public, so if you stay safe and sound in our hidden house Zhao, I can find you a future position as elder Mian." Old Zhao poured a bucket of cold water on qikun's head!

Qikun's face changed-it wasn't that he cared about the young master position-he was a spy, after all, but he didn't think his Grandpa would be this heartless! Even the competition he promised him was a lie!

Perhaps this wasn't some deep thought at all-the old man had planned this from the start, and wanted to kill the donkey after the incident with Lin Yi. He never even considered making him the young master! This was all a scam!

As expected, this kind of crazy person didn't deserve to be qikun's family anymore-now, qikun had finally made up his mind to cut off all ties with the Hidden House Zhao! He'd always had some hope before, but after what happened this time and thinking back to how old master Zhao treated first Zhu and second Zhu, he felt like he was just a chess piece that the old man could use.

When he could be used, he would pretend to promise benefits, but when he couldn't be used, he would throw it away! Elder Mian? In the eyes of the other house Zhao disciples, elder Mian was already at the top of the food chain, but he wasn't a direct descendant of house Zhao. Qikun was a direct descendant-what was there to be proud of when he was in the position of an attendant?

## Chapter 2957 Who Are You?

"Grandpa, you've been lying to me all this time, haven't you?" Qikun's face changed.

Zhao Yu's father was stunned, but he didn't try to hide it. He just nodded and said, ""That's right. If I didn't lie to you, how could you have been so loyal to me? Lin Yi was betrayed by his follower-he must be heartbroken! Hahaha!"

"So that's how it is, they're using me ..." Qikun's face darkened as he lowered his head.

"Zhao qikun, why don't you think about who you are? you've already betrayed house Zhao once, how can we use you? With a pig's brain like yours, you still want to compete with me for the position of the family head? how is that possible?" Qibing finally understood the truth of the situation as well, and he couldn't help but mock at qikun, "You've given up now, right?"

"So, no matter how hard I work, I'm still not as good as Zhao Qibing in your eyes!" "Are you guys not afraid that I'll switch to Lin Yi's side again?" qikun sighed.

"Oh? Can you?" Old Zhao looked at qikun with a smile that wasn't a smile, "Do you think Lin Yi will still accept you if you tell him? Don't forget who broke his arm!"

Qikun's face went ashen, but his eyes were still filled with unwillingness. "On what basis? I've also brought back a third ranked pill. "

"There's no basis for it-as the head of the house, you have to disown your own family. Zhao Qibing did better than you in this aspect, that's all!" Old Zhao said faintly, "if you really want to know why, then it's because Zhao Qibing is Zhao Guangyin's son. If he takes the position, it'll be more in line with house Zhao's current peaceful situation. If you take the position, let's not talk about whether Zhao Guangyin will agree to it or not. Even his direct line of descent wouldn't want to see this."

"I see!" Qikun nodded, disappointed. In fact, he was just acting. "I understand now. I don't need the position of elder Mian. I'll be free from now on and be a good-for-nothing rich young master. It'll be very comfortable."

"Right, it's good to get over it!" Qibing breathed a sigh of relief when he saw qikun's disappointment. His Grandpa was on his side, but qikun's constant trouble was a big problem, "There's nothing wrong with being a hedonistic son of a rich family who bullies men and women like I was in the past. "

"I understand ..." Qikun stood up and left, not wanting to say anything more.

Old Zhao and Qibing smiled at each other-this was the best result. Qikun wasn't going to fight for it, so let him be. House Zhao didn't really care much about one person anyway.

"Keep a close eye on Lin Yi's side, see what the Hidden House Yu is up to!" Old Zhao said.

"Okay, I'll be at floating cloud Bar for a few days. It's pretty close to Lin Yi's house, I'll just get some information there." Qibing said.

The next morning, Xuemin followed Lin Yi's orders and went to get some medicine and started treating Lin Yi. Chentian and the others, on the other hand, were acting as bodyguards around the villa.

What made Lin Yi slightly relieved was that the news should've spread by now, but not a single hidden house had come for revenge. The Zhuang brothers, on the other hand, had come!

"Wu Chentian, why didn't you tell us that boss was injured? do you think we're weak or something? We don't have any Sky Class Masters, but you can't look down on us like that, can you?" Zhuang niaopao said, a little angry.

"This ..." Chentian smiled bitterly, "I don't have a Sky Class master in my house, do I? Perhaps the reason why Boss didn't invite you is because the Zhuang family is far away?"

"What about house Pi?" "House Pi's not even further away than us?" Zhuang niaopao asked, still a little unwilling.

"Alright, Zhuang niaopao, we're here because we have a Sky Class master-since we're here, let's protect the Boss together. There's no point in talking about this." Zhishan said, trying to smooth things over.

"You're right. " Zhuang niaoqiang gave Zhuang niaopao a look, telling him not to dwell on it. He had a rough idea-perhaps it was because the Hidden House Zhuang was the last to join Lin Yi, and Lin Yi didn't really trust them, so he didn't call them.

But Zhuang niaoqiang and Zhuang niaopao were getting more and more ahead of them. Since they started working with zou Tiandi, Zhuang niaoqiang and Zhuang niaopao saw zou Tiandi and zou ruoguang quite often. They always heard them talk about how powerful Lin Yi was. House zou was the only one who was able to get away from all the powerful people in Songshan because they followed Lin

Yi and didn't change their minds. Those half-hearted and self-righteous people like the Golden Bell sect were all dead.

As a result, the Hidden House Zhuang's thinking was also influenced-they felt that following Lin Yi was the best choice. When they heard that Lin Yi was injured, they didn't think of house Zhuang's future, but to protect him first!

As far as they were concerned, Lin Yi's injuries were definitely healed, and they didn't think much of it.

However, the zou brothers' arrival did make Lin Yi let out a breath of relief. It seemed that his little brothers were quite reliable.

Just as Lin Yi was feeling happy about his follower's situation, the first thing that made him unhappy came to the villa.

A deafening roar came from Lin Yi's Villa entrance, "Is this Lin Yi's house?"

The voice was filled with disdain and contempt. Wu Chengtian and the others were shocked. They quickly walked out of the villa and saw a middle-aged man in Black standing in front of the door with an arrogant face. His eyes and nose were facing the sky, like he was the king of the world.

"Who are you? What are you doing here?" Wu Chengtian took a look at the person's strength-it was an Earth Class late phase peak, but Wu Chengtian was with Lin Yi, and he had already met a Sky Class master. Why would he be afraid of an Earth Class late phase peak?

"You're that Lin Yi kid?" The Man in Black looked at Chentian and snorted.

"Why are you looking for our boss?" Zhuang niaopao didn't like the man's cocky attitude-he was an Earth Class late phase peak, but they had a bunch of Earth Class practitioners on their side, not to mention a Sky Class like old Pi.

"Your boss? So you're Lin Yi's lackeys?" The Man in Black looked at Zhuang niaopao's group in surprise. He didn't expect Lin Yi to have this many men.

"Who are you? You're just an Earth Class late phase peak-don't you think it's a bit too much to say that in front of me?" At that moment, Grandpa Pi walked out!

Chapter 2958 Returning The Pill

With that, he moved the Qi around him, revealing his strength as a heaven class physical master.

"Heaven rank? So what!" The Man in Black was not afraid at all. Instead, he looked even more disdainful,""They're just a bunch of hidden house cultivators. Do they think they're that powerful?"

"What do you want to do? Don't waste your time. " Elder Pi's face didn't look too good-he was a Sky Class, and he wasn't happy to be looked down on by an Earth Class. It'd be fine if it was someone like Lin Yi, but this was someone he'd never even met before.

"Hmph, I'm not afraid to tell you that I'm from the ancient sect, Xuanji Dark Palace!" "I'm an elder and emissary of the Dark Palace," the Man in Black said arrogantly."Why aren't you kneeling down?"

"An ancient sect?" Elder Pi frowned-he'd heard of the Palace of Darkness before. They were one of the weakest ancient sects, but they were still ancient sects, after all, and they had a lot of resources. He couldn't go against them, and so he said, "As far as I know, the ancient sects never interfere with the matters of the common world or the hidden world. Are you openly violating the ancient world's agreement by coming here?"

"Hmph, since Lin Yi's in the sky elixir sect's test, he's no longer from the common world. Plus, we're here for the Dark Palace's own business, not to interfere with the common world's or the hidden world's business!" The Man in Black wasn't too happy with what elder Pi said, but he couldn't just say that the Palace of Darkness was ignoring the ancient rules.

"If there's anything, just say it." Old master Pi asked faintly.

"Hmph, you guys can represent Lin Yi? Tell that junior to get the hell out here!" The Man in Black from the Dark Palace said coldly.

"You're looking for me?" Mengyao and Yushu pushed Lin Yi's wheelchair out of the villa, and Lin Yi's head started to hurt when he heard that the people were from the Dark Palace. He didn't think that they'd be so vengeful-the Ancient Ones came to the common world to cause him trouble? He was now a cripple, how could he deal with it?

It was only an Earth Class late phase peak, and Grandpa Pi would be able to handle it, but if he killed this guy and another Sky Class came, how would he deal with that?

However, Lin Yi was thinking too much. Even if the Dark Palace was shameless, they wouldn't dare to go against the ancient rules. They just took advantage of a loophole and crossed the line! When it came to

the interests of the ancient sects, they allowed people of the ancient level to come to the secular world for personal matters, as long as they could resolve it peacefully.

But the elder's actions were his own actions-as far as he was concerned, he was just scaring Lin Yi. The other ancient sects wouldn't be able to see it, and no one would say anything. His real purpose was to force Lin Yi to hand over the pill he'd gotten.

"Hmph, so you're Lin Yi junior?" The Man in Black looked at Lin Yi and froze! "How did you become disabled?" Could it be that you've done too many bad things and are being punished by the heavens?"

"If you have something to say, say it." Lin Yi frowned-he wasn't sure what the Man in Black was here for. Logically speaking, he didn't kill those two disciples of the Dark Palace, so there shouldn't be any grudges between them. Even if they wanted revenge, it should be the everyday and every day sect coming for him, not the Dark Palace.

"During the trial, you snatched two of my disciple's spirit herbs. I heard that you gave them to you and your little brother!" "The Supreme elder orders you to return these two trial spiritual herbs immediately," the Man in Black said."If you don't, it's a provocation to the Dark Palace. It's equivalent to a declaration of war!"

Lin Yi didn't understand what the Man in Black was saying, "We've given all the spirit herbs to the sky elixir sect. If you want them, you can go to them. What are you doing here?"

"Hmph, you and your underlings exchanged two grade three great recovery pills for the trial elixir that you stole from us. Don't think I don't know about that!" "Since you don't have any spiritual medicine, then give me the stolen third-grade great recovery pill that you exchanged for with the spiritual medicine you stole!" The Man in Black said.

"Ha ..." Lin Yi finally knew why he was here-it was for the rank 3 recover pill! After beating around the bush, he wanted to snatch the grade three great recovery pill away!

If Lin Yi wasn't injured, he would've sent this guy flying with a slap already, but now, even if he was facing a weaker Earth Class late phase peak, Lin Yi couldn't let his guard down.

"What are you laughing at? Hurry up and hand over the stolen goods, and I'll exempt you from your punishment. Otherwise, you'll be publicly opposing the Dark Palace!" The Man in Black sneered.

"Openly going against your dark night Palace?" Lin Yi thought it was funny, "I think you're going against the sky elixir sect, right?" It's been made clear during the test that no matter what happened during the test, the grudges won't be brought out of the test grounds. I think your Dark Palace is trying to go against the heavenly elixir sect!"

"You little brat, what do you know!" The Man in Black frowned. Lin Yi was right, and what he was doing was against the rules of the sky elixir sect, but would they pick a fight with the Dark Palace for a puny freelancer? Obviously, he would not!

They were all from ancient sects, and while they didn't have a good relationship usually, they wouldn't fall out over such a small thing. Which ancient sect didn't have their own dirty ways? If everyone were to slap each other's faces, there would be no meaning at all!

As long as he could get by on the surface, it was fine. This was also why the Dark Palace dared to break the rules and come here. Even if the sky elixir sect knew, would they really stand up for Lin Yi?

Between Lin Yi and the Dark Palace, it was obvious which one was more useful to the sky elixir sect!

"We're just taking back what we deserve. This is an internal matter of our sect, what does it have to do with sky elixir sect?" Therefore, the Man in Black said with confidence.

"What if I don 't?" Lin Yi asked.

"Not giving? Then you can wait for the revenge of the Dark Palace! You may have a Sky Class master with you, but I don't believe that they'd dare to attack me!" The Man in Black said confidently.

Lin Yi was speechless-there really was nothing he could do against this sort of fearless idiot! Lin Yi wouldn't mind if he wasn't injured-he'd be fine with fighting the Dark Palace, but he was injured now, and he didn't want to make enemies.

#### Chapter 2959 The Pills Are Gone

Besides, Lin Yi didn't know how strong the Dark Palace was. If it was a big sect, it'd be a big headache for Lin Yi. With the way the Man in Black acted, the whole sect was probably like this. If Lin Yi provoked them, it'd be a disaster!

"My little brother is from the ancient Feng clan and the divine fist Palace. There's also GE Xian. He comes and goes without a trace. If you can find him, then go and ask for him." Lin Yi said after some thought.

"Lin Yi junior, don't talk nonsense. Don't think I don't know that you have a grade three great recovery pill in your hands, and your hidden house Zhao follower also has one. These are the two I want, there's no need to use the ancient house Feng and divine fist Palace to talk!" The Men in Black weren't stupid-they'd heard about Lin Yi's group from the first and second disciples of the Dark Palace.

The Dark Palace dared to come to Lin Yi and Qikun for pills, but they didn't dare to go to the Divine Fist Palace or House Feng—wasn't that suicide? As for GE Xian, he was also from the ancient level. He was a rogue cultivator who sold information as his profession. The Dark Palace did not dare to provoke such a rogue cultivator. If he twisted his mouth, the entire ancient level would know what the Dark Palace had done. That would be embarrassing!

"Qikun's no longer my follower—my injuries came from the Hidden House Zhao. If you're looking for him, then go to the Hidden House Zhao—I can't do anything about it!" Lin Yi said faintly.

"What?" "Really?" the Man in Black was stunned. "Are you kidding me?"

"Why would I be confused?" Lin Yi shook his head. "As for my grade three great recovery pill, I've already taken it. But it doesn't seem to have any effect because my dantian is broken."

"Ah? You've already eaten it? Your dantian is broken?" The Man in Black felt a little dizzy—he didn't think that getting the great recovery pill would be this difficult. He thought that he could give it to Lin Yi after scaring him a little!

"This isn't a secret. You'll find out the truth if you ask around about the Hidden House Zhao. I'm injured, but why would I keep the recovery pill if I don't eat it?" Lin Yi asked.

"Your dantian is broken, so why would you eat a da Huan pill? Isn't that a waste?" "What a waste of heavenly gifts!" The Man in Black said hatefully.

"You can think whatever you want. If you want the great cyclic pellet, I've already told you to ask Feng Shangshi, Li Ciba, and GE Xian for it. I don't have any more." Lin Yi said.

"You ... You ... Just you wait. I'll first report to the Grand Elder and see how she'll punish you! I'm so angry!" The Man in Black didn't say anything else after hearing Lin Yi's words. He waved his hand and left.

"You're leaving just like that?" Chentian paused, thinking how easy it was to trick this man into leaving just like that.

"I'm afraid I'll have to come back ..." Lin Yi sighed, "We've dealt with it for the time being, but it looks like the Dark Palace won't let this go."

After the elder in black from the Palace of Darkness left, he returned to the hotel he was temporarily staying in and dialed the number of the Grand Elder.

"So it's elder black clothes. How's the matter? That Lin Yi kid returned the pill to us, right?" From the Grand elder's point of view, this was an extremely easy task. Lin Yi heard the name of an ancient sect, why didn't he hand over the pill? After all, this was different from the trial. One's background and power were the deciding factors, not one's strength.

"No, Grand Elder, there's been a slight deviation!" The black-robed elder said.

"What's wrong? That Lin Yi kid won't give it to you?" The Grand elder's tone changed and he immediately became angry.

"It's not that I don't want to give it to you, it's like this ..." The elder quickly told the Grand Elder about Lin Yi falling out with the Hidden House Zhao and getting injured.

After the Grand Elder heard this, he was very surprised. ""Is this true? Is he telling the truth?"

"This should be true. After all, you can find out if you ask around." The black-clad elder said helplessly, ""Lin Yi doesn't have the recover pill with him right now, what should I do? We can't just kill him, can we?"

"Not to the extent of killing him. Although he's just an ant-like solo cultivator, we're an ancient sect. Killing people without any cause or effect will give people something to use against us. You can scare him and use that Chu Mengyao girl as a hostage to get GE Xian's pill back! Otherwise, you'll cripple Chu Mengyao and see if he'll give it to you! If she doesn't give it to him, she'll cripple her father, Chu pengzhan! I don't believe that Lin Yi won't give it to her! As for Zhao qikun, he's just a hidden house-they won't dare to not hand him over if you go there yourself!" The Grand Elder said after some thought.

"Yes! Then I'll go find Lin Yi tomorrow!" The black-robed elder's mouth twitched. He knew who Chu Mengyao was. It wasn't a secret in the dark Palace, and anyone with a bit of status would know. But since the Grand Elder insisted, the black-robed elder had to agree.

He wasn't elder li, and he didn't have any feelings for Mengyao, especially for Chu pengzhan.

After hanging up the phone, the black-clad elder decided to go to the Hidden House Zhao again to get the Grand recovery pill back, as well as to find out the truth of Lin Yi's words.

The Hidden House Zhao was also in Donghai city, and although it wasn't close to Lin Yi's Villa, it didn't take long for an Earth Class late phase peak like the black-clad elder to run there. Not long after, he arrived at the entrance of the Hidden House Zhao's Manor.

"Who's there? This is private property, please leave if you have nothing else to say. " The disciple on Guard's words were tactful. After all, there were often ordinary people who accidentally barged in here, so they couldn't treat them rudely.

"This is the Hidden House Zhao?" The black-robed elder glanced at the disciple on guard and asked.

"Oh? You know about the Hidden House Zhao? Who are you? What business do you have here?" The disciple on Guard's expression froze and he quickly asked.

"Tell your manager to come out and tell him that we have an important guest!" The black-robed elder said arrogantly.

"Honored guest?" The disciple on Guard's face changed and said, ""Are you here to cause trouble? Whoever you want to see, just say it. Don't look for trouble, this is not a place for you to behave atrociously!"

"What's wrong? You're not going to report it?" With that, the black-robed elder revealed his strength as an Earth Class late phase peak.

"Earth Class late phase peak?" The guard was surprised-there was a Sky Class early phase at home, but Earth Class late phase peak was still a rare find. He didn't dare to be slow and quickly said,"Then please wait ..."

"Hmph, if you don't show some tricks, you'll think you're a Big Shot!" The black-robed elder sneered and looked on.

Chapter 2960 Zhao Qibing's Master

The guard told elder Mian that an Earth Class late phase peak had arrived, and elder Mian immediately informed elder Zhao. Not long after, the old man came out with Zhao Qibing.

They didn't dare to neglect or act arrogantly, wondering if they were here to get back at Lin Yi. But that couldn't be-Lin Yi knew that he was a Sky class, so why did he bring an Earth Class late phase peak? Was he going to die?

Despite their thoughts, they still quickly came to the door. When old master Zhao saw the Man in Black at the door, he couldn't help but ask,""May I ask what business you have here?"

"You're the person in charge of the Hidden House Zhao?" The black-robed elder looked at old master Zhao and asked.

"Yes, I'm the head of the Hidden House Zhao, and you are?" Old Zhao frowned-it didn't seem like they were here to get back at Lin Yi, but what were they doing?

"Long story short, Lin Yi has a follower called Zhao qikun, right?" "He's a disciple of your hidden house Zhao, right?"the black-robed elder asked.

"Yes ..." Old Zhao hesitated but still nodded. After all, there was no way to hide this. Whether or not qikun was from house Zhao was something that could be found out easily. He was just a little confused- did he come because of Lin Yi?

"Lin Yi and his follower stole our elixirs during the sky elixir sect's test. Our Grand Elder is very angry, and sent me to tell you that if you hand over the elixir you got in exchange for the class 3 great recovery pill, the stolen item, we'll let you off the hook. Otherwise, hehe!" The black-robed elder threatened.

"What? Lin Yi and Zhao qikun's elixirs in the test were stolen from your Dark Palace?" Old master Zhao was stunned. He knew about the Dark Palace, it was an ancient sect, but even though he didn't participate in the sky elixir sect's test, he knew that no one had any background or status in the test. Whatever happened in there was up to the heavens, and there was no such thing as settling scores after the fact. What's wrong with the Dark Palace?

"That's right. Hurry up and hand over that rank-3 great recovery pill, and I guarantee that you'll be fine!" The black-robed elder urged impatiently.

Old Zhao and Qibing looked at each other. They didn't know why someone from the Dark Palace would break the rules and come here for the pill, but qikun had already given the pill to their old master, so of course, they wouldn't give it away.

Although qikun had handed over the pill in exchange for the title of young master, old Zhao pretended not to know and kept the pill for himself.

"Lin Yi doesn't only have Zhao qikun as his follower, and he has a rank 3 great recovery pill as well-you can go to him for it!" Qibing encouraged.

"Lin Yi was injured by you guys, and he took a recover pill-it's a waste. If I could get it from him, would I need your help? If you don't want to suffer any physical pain, quickly hand over the great recovery pill. Otherwise, I'll break your dog legs when I'm impatient!" The black-robed elder was instantly infuriated when he saw that the hidden Zhao family's people were so insensible.

"Break my legs? Then I won't hand it over either! Hit me if you dare!" Qibing's eyes lit up as he said firmly.

"You think I don't dare to fight?" The black-robed elder was furious as well-he sent a kick at qikun's legs, yelling, "The third move of the thousand-legged centipede!"

"Bang!"

Qibing's legs were broken, but he looked at the black-robed elder in shock. The martial skill that the black-robed elder was using was also called "thousand legs"!

Qibing knelt on the ground, but he had already forgotten about the pain. His eyes were filled with anticipation, "Master, please accept this disciple's bow!"

"?"The black-robed elder froze-was there something wrong with this Zhao Qibing? He was kneeling on the ground after his legs were broken. Why did he suddenly become a disciple? "I broke your legs, not your head. Are you crazy? Who is your master?"

"Master, to tell you the truth, I've been practicing the thousand kick as well, and that's why I asked you to break my legs. I've been trying to figure it out myself, but I still couldn't get the hang of it, so when I saw you now, I naturally knelt down before you ..." Zhao Qibing wasn't stupid-he knew that this was an opportunity. Even house Kang's Kang Zhaoming had somehow managed to become the eighth elder of the heavenly elixir sect, what kind of opportunity was this?

Even Zhong pinliang was able to become a disciple of the everyday and every day sect, and he, Zhao Qibing, had a higher starting point than them all, but he had never been heard of before. How could he let go of such a good opportunity?

Qibing didn't know how big the Dark Palace was, but it was an ancient sect after all. With an ancient sect as their backing, would house Zhao still be the same?

The black-robed elder didn't listen to Qibing's illogical flattery, only hearing that he had broken his leg to practice the thousand legs technique. He was shocked and couldn't help but ask,"Did you break your leg before you became a cultivator, or after you became a cultivator?"

"We did, and we did ..." Qibing wanted to answer according to what the elder wanted, but he wasn't sure what the elder wanted to hear.

"Oh? In other words, before you became a cultivator, you also had a broken leg? Did you break both legs?" The black-robed elder hurriedly asked.

"Yes, both legs ..." Qibing didn't know what was going on, but he still nodded.

"Don't move, let me check!" The black-robed elder immediately bent down to check Qibing's legs, and a look of surprise appeared on his face! "Not bad, not bad ..." He said.

"Master, you've decided to take me as your disciple?" Qibing was surprised and happy to hear the black-shirted elder praise him.

"This ..." The black-robed elder hesitated for a moment, then said, ""I'll have to ask the Grand Elder first. I can't give you an answer right now!"

Although the black-robed elder felt that Zhao Qibing was a good candidate and wanted to take him in as his direct disciple, the Supreme elder was extremely overbearing in the dark Palace. He had to get the Supreme elder's approval before he could take him in.

Although it seemed that one could only cultivate thousand legs after breaking his legs enough times, elder black clothes knew that there was a prerequisite for cultivating thousand legs to the extreme. That was, before becoming a cultivator, one must break both legs and recover them completely without leaving any residual effects. Only a metal attribute cultivator could cultivate thousand legs to the great success.
