

Bodyguard 2971

Chapter 2971 Zhong Pinliang's Anger

Mengyao sighed at the thought. Where was her mother?

Jingyi had just reunited with her family, and uncle Fu and granny sun dragged her into the house for a chat. Outside, Lin Yi and the others were discussing when to leave ...

However, just as they were discussing, there was a knock on the door-it was han Jingjing!

"Lin Yi bro, how are you?" Han Jingjing rushed into the villa and saw Lin Yi in the wheelchair. Her face was filled with anxiety.

Lin Yi looked at han Jingjing's travel-worn face and felt a little strange. He didn't want to disturb han Jingjing's closed-door cultivation, so he didn't tell han Xiaochao to inform han Jingjing, but he was afraid that the commotion outside the villa had alerted han Xiaochao, so he told han Jingjing when she came out to eat.

Lin Yi saw some biscuit crumbs at the corner of her mouth-she must've just eaten something, but why did she look like she just came back from a long journey?

"I'm just injured. Jing Jing, you've come out of seclusion?" "But, how many days have you not slept?" Lin Yi asked. Why do you look so Haggard?"

"One day and one night, it's nothing. Jingjing heard that Lin Yi bro was injured, so she rushed over." "Is there anything I can help you with?" Han Jingjing asked.

"Not for now ..." Lin Yi smiled bitterly. He wanted to test his skills after the test, but he was too busy with the forging fire and didn't think that he'd be useless now, ""By the way, Jing Jing, I plan to make a trip to the West Star Mountain village in a few days. Are you coming?"

"Go back to the Starwest village?" Han Jingjing was slightly stunned.

Lin Yi told Jingjing about his plan to go back to the village, but a hint of envy and anticipation flashed in Jingjing's eyes. She hid it well and said with regret, "No, Jingjing's research over the past few days is at a critical moment. She can't leave, or all her previous efforts will be for nothing ..."

"So that's the case. But that's fine. You shouldn't attract any enemies while you're in seclusion here. Just be careful." "If you really can't do it, you can hide in the Hidden House Han, Pi, or Zhuang."

"There's no need. Jingjing can just cultivate here ..." Han Jingjing said, ""Then, Lin Yi bro, if there's nothing else, I'll be leaving ..."

"En, go back and rest early. Don't think too much. This matter will be over soon." Lin Yi consoled.

Han Jingjing nodded and left without saying anything else ...

.....

On the highway from Donghai city to Yanjing city, a car sped through the night ...

The everyday and every day sect.

"Chunyang, how's naipao?" Pinliang hadn't heard any news of naipao's mental demons for the past few days, and so he went to celestial master Chun Yang to ask. Although he had the Mad dragon master's thoughts, he also had pinliang's thoughts. Naipao was still his little brother.

"Master, Zhang naipao's still in his practicing, he hasn't gotten over his heart's demon yet. This time, Lin Yi really gave him a huge blow!" Heavenly venerate Chunyang smiled wryly and said, ""It's also a necessary part of the chrysanthemum Arts! "When you're in high spirits, you'll receive a fatal blow. You'll be able to walk out of your inner demons and reach a higher level in martial arts. However, once you can't think things through, it's equivalent to going into a dead end. It's possible that you won't be able to come out for the rest of your life ..."

"Is there any solution?" Pinliang asked with a frown.

"The best way is to get rid of his heart's demon, but if that doesn't work, then we'll kill the person who created it for him to get rid of it. But there's a downside to this-if he kills Lin Yi, he'll lose the motivation to train, and that'll be a huge loss ..." Celestial pure yang explained.

"I see ..." Pinliang frowned."However, if I can't get rid of my inner demons forever, wouldn't that be even more tragic? How about this-we'll wait a bit longer, and if Pao can't get out of his heart's demon by himself, then we'll send chunyang over to kill Lin Yi. "

"Pure Yin?" Chunyang was taken aback-chunyin was his junior, but he was a practitioner maniac-he didn't really care about the sect's business, either, and was always in isolated practicing. Now that he'd reached Sky Class late phase peak, Lin Yi would be dead for sure if chunyin were to take him out! "Master," Chunyang said worriedly, "won't we get into trouble if the everyday and every day sect interferes with the matters of the secular world?"

"What kind of trouble can it cause? Why don't you just ask him to disguise himself and not let others find out?" "Don't you know about assassination?" pinliang said, nonchalant.

The corners of celestial venerable pure sun's mouth twitched. This was the first time he'd heard of an ancient sect disguising itself as an assassin! The everyday and every day sect might be a demonic sect, but they did things their own way-they wouldn't play any games of hiding their identities, because ancient sects all had their own pride!

However, Zhong pinliang's soul was still in the Mad dragon patriarch's body, and this evil idea naturally affected Zhong pinliang's thoughts, making him come up with this idea that made celestial master Chunyang not know whether to laugh or cry!

"Disguise ... This isn't something that can be disguised just because you say so. Techniques, strength, and figure ... As long as someone investigates this, they'll be able to find out that our everyday and every day sect is involved ..." Heavenly venerable pure yang said with a bitter smile.

"He doesn't have any evidence either! Plus, Lin Yi was already dead, who could avenge him? In these ancient sects, other than the five elements sect, who else would dare to provoke us?" Pinliang curled his lips, not thinking much of it. "Plus, we killed Lin Yi because of Zhang naipao-even if the five elements sect found out, it was for that plan. They wouldn't just sit around and do nothing if something happened to someone as important as Zhang naipao."

"That makes sense!" Only then did celestial master Chun Yang remember that naipao was an important part of the plan as well. With that, the five elements sect would have no problems as long as they were on his side. He nodded, "Alright, it's settled then. Let's get celestial master chunying to take action."

The two were talking when they heard hurried footsteps outside the door. Celestial venerable Chunyang frowned. No one was supposed to interrupt him when he was talking to pinliang alone!

Chapter 2972 A Letter From Home

Therefore, something big must have happened, or it was a disciple who didn't know the rules.

"Ancestral master mad dragon, sect leader, I have something to report!" The person who spoke was a disciple of heavenly venerable Chunyang.

"Come in!" Upon hearing the voice of his follower, celestial venerable pure yang knew that something big must have happened. Thus, he let him in and asked, ""What happened?"

"According to the news, the Lin Yi that the kuanglong patriarch asked us to pay close attention to has been poisoned, and his meridians and dantian have been destroyed. He's a cripple now!" The disciple said.

"Oh? What happened? tell me in detail!" Pinliang blinked.

"It's like this ..." The follower told pinliang everything he knew. It was no secret that Lin Yi had a falling out with the Hidden House Zhao, that they poisoned him, and destroyed his meridians and energy

Center. He also told him about how the Dark Palace went to look for trouble with Lin Yi, but was stopped by the sky elixir sect's young master.

However, pinliang didn't really mind the heavenly silkworm transformation. These two were completely unrelated people, how could they have anything to do with each other? From his point of view, the heavenly silkworm transformation was nothing more than a way to highlight the fairness and justice of the sky elixir sect, so as to attract more practitioners to join the next test!

"That's good news-Lin Yi has so many enemies, even if we don't do anything, someone else will!"
"Master, it'll save us a lot of trouble in hiding if someone else takes action," heavenly venerate Chunyang said.

"En, then let's wait and see. If no one else makes a move, then we'll kill Lin Yi!" Pinliang nodded in agreement.

.....

Hidden house Zhao.

These past few days, the Hidden House Zhao had been watching Lin Yi's movements, hoping that someone would be able to kill Lin Yi. So when the elder in black appeared, they were very excited, but what they didn't expect was for Zhao Qibing to lose an arm, and for the elder to leave in sadness.

"Qikun, does Lin Yi know the sky elixir sect's young master, the sky silkworm sect?" Old master Zhao also felt that there was something strange about this. Why did the sky elixir sect have to make a move over such a small matter?

In the past, these ancient sects were all high and mighty existences, and master Zhao didn't even see them appear once in a few years. How did they all appear all of a sudden?

"No. If they did, it'd be the Vice sect Master Feng Xiaoxiao, not the sky silkworm transformation." Qikun, naturally, didn't mention that the sky silkworm transformation had asked him about Lin Yi during the test.

In truth, qikun didn't think too much about it-he didn't say anything because he didn't want to cause more trouble. As far as he was concerned, the heavenly silkworm sect was allowed to ask Lin Yi questions during the test, so it wasn't strange for them to seek justice afterward. This also highlighted the sky elixir sect's principle of fairness and justice, and it was a very humane consideration for the practitioners.

"Right, if you didn't mention it, I really would've forgotten about Zhao qijiu. How is he? To what extent have you cultivated it? I heard that he's already stepped into the heaven rank?" Zhao Yu's father asked in a "concerned" manner.

He couldn't help but be concerned about that-now that qikun was back, if he didn't take care of his relationship with qijiu, it'd definitely affect the unity of house Zhao. If qijiu was just a normal Earth Class, then so be it, but if he was a Sky Class, what would he do if he got into a fight with Qibing?

"Probably Sky Class ..." Qikun didn't really know-after all, everyone in house Zhao had read qijiu's letter, and if he knew, others would know as well.

"How about this-if you don't have anything to do during this time, why don't you come to the Ice Palace? tell them that I asked you to come and see him, and that we'll help him arrange whatever he needs. I'll write a letter to encourage him, and when he comes back, I'll make him a member of the Hidden House Yu, someone like Yu Yi, by Zhao Qibing's side!" Old Zhao said.

Hearing the old man's words, qikun didn't say anything on the surface, but he laughed coldly inside-how could he not see through what the old man was thinking? He promised to make qijiu join Zhao Qibing's side!

As far as the old man was concerned, qijiu might've been following qikun before, but he was still a member of the Zhao family-he should be more loyal to house Zhao than to qikun. As long as he worked for house Zhao, he could join the old man's side as long as he didn't betray the house.

And what old Zhao was doing was pretty much an open scheme-he'd handed over his personal letter, and qijiu, as a hidden house Zhao disciple, had to write back. It was impossible for qikun to hide the letter and not hand it over-he'd just been trying to get on good terms with house Zhao, and now he was betraying them again.

Of course, old Zhao had underestimated qijiu's loyalty-he was the same as qikun, receiving Lin Yi's help during the Ice Palace test, and he was the same as qikun-he was extremely grateful to Lin Yi, and so as long as qikun didn't betray Lin Yi, he wouldn't betray qikun!

The Hidden House Zhao was nothing in qijiu's eyes-if he kept on staying in the Ice Palace, he'd be able to get an outer elder position. There weren't any men in the inner sect, but wasn't manager li, who managed the inn, Living a Good Life?

"Yes, Grandpa!" Qikun pretended to think for a while before nodding. His expression, however, was a little unnatural-of course, it was an act.

Old Zhao saw this and was very satisfied with Qikun's performance. If Qikun had agreed right from the start, he wouldn't have believed it. The more he hesitated, the more it meant that he was struggling in his heart. Only the final decision would be effective.

"En, I'll write a letter right away." There was a reason why old Zhao sent Qikun away-Qibing was in the dark Palace, learning and not at home. If Qikun stayed, he might use his connections to secretly work with the other members of House Zhao. Old Zhao was the head of the house, but he knew the problem-the only solution was to make Qikun leave. Even if he didn't have to see Qijiu, he would find a reason to make him leave.

Old master Zhao displayed his many years of Black-bellied character as the head of the family and wrote a long letter to his family!

Chapter 2973 I'm Willing!

Back at home, old Zhao was giving Qijiu praise and praise, hoping that he would come back and contribute to the house.

Elder Bi had passed away, and his position was temporarily taken over by elder Mian, but he was old after all, and the younger generation still needed to find another disciple to replace him-and old Zhao was hinting that it was Qijiu.

Qikun laughed coldly inside as he read the old man's letter-the old man had just said that the position of elder Mian was his, and now it was Qijiu 's? But Qikun didn't care about elder Mian's position at all, so he pretended not to be peeking and looked left and right.

"You can just bring this letter to qijiu." After writing the letter, old Zhao didn't even show it to qikun-he just sealed it up and put house Zhao's special seal on it before giving it to him.

"Okay, Grandpa." Qikun was a lot more obedient after the mental struggle earlier-he took the letter respectfully and said,"When should I leave?"

"You can pack up and leave today." Old Zhao wanted to get rid of qikun as soon as possible, and so he decided his fate with a wave of his hand.

Qikun didn't say anything-he just nodded and went back to his room to pack.

However, what made qikun a little regretful was that he never got the recipe. The food from that day was thrown away when he and Qibing sent Lin Yi off, and there was nothing left. Qikun could only look for the recipe, but no one mentioned it ever since, not even qikun.

After packing his stuff, qikun drove towards the Ice Palace. He wanted to go check on Lin Yi, but he didn't want to cause any more trouble. After all, who knew if the old man really trusted him and was watching him?

In fact, the old man did ask elder Mian to follow qikun for a while, and only returned to the Hidden House Zhao after seeing that he was really heading for the Ice Palace.

.....

Although uncle Fu and sun luofei were pleasantly surprised by sun Jingyi's reunion, they had their own things to do. Chu pengzhan's company was in the midst of development, especially after giving Lin Yi such a large sum of money to support fatty Lai's company. This forced Chu pengzhan and uncle Fu to work even harder, and in order to save on manpower expenses, they had to do many things themselves.

And so, pengzhan, uncle Fu, and sun luofei left the villa the next morning, leaving Jingyi behind to heal Lin Yi.

"Jingyi, shall we start healing now?" Chu Mengyao and Chen Yushu had to go to school to take care of their final exams. Lin Yi had special privileges, but they didn't. They had to apply for leave.

"Now ..." Sun Jingyi was no longer as natural and unrestrained as before. She was a little shy and shy after hearing Lin Yi's words.

"Jingyi ... If you think it's too difficult, then forget it. I'll think of something else. Even if my meridians and dantian recover, I don't have any pills to take." Lin Yi said, thinking that Jingyi was regretting her decision.

"No, it's not!" Jingyi shook her head, "I'm already very happy to be able to help you. You've been helping me and saving me all this time, but ... I'm afraid that Yaoyao won't be happy if she sees this ..."

"Her? How could he not be happy? She's happy to see you help me heal, right?" Lin Yi asked, confused.

"When you're healing ... You need to take off your clothes ..." Sun Jingyi removed her strong woman's pretense and looked like a normal girl now. She was only a year or two older than Lin Yi, so it was natural for her to be shy.

"Take off my clothes?" Lin Yi blinked, but smiled. "I'm undressing, why would Yaoyao be unhappy? She was not the one taking off her clothes! Besides, a doctor has the heart of a parent. I cured Yaoyao's poison when she was naked!"

"Lin Yi, you're not the one taking off your clothes, we're taking them off together ..." Sun Jingyi explained with a red face, but she was a little surprised inside. The Miss was such a conservative person, she would actually take off her clothes in front of Lin Yi?

Jingyi could tell that the Miss did like Lin Yi, but that didn't mean she'd take off all her clothes. After all, they weren't that close yet, and it seemed like the Miss wasn't as guarded against Lin Yi as she'd thought.

"You're going to take it off too?" Lin Yi was a little surprised at Jingyi's words. "Why are you taking it off?"

"There's no need for ordinary healing, but to repair your meridians and dantian, I'll need a medium to transfer the true Qi in my body to each of your acupuncture points, so I'll have to take off my clothes. Otherwise, it'll be ineffective as long as there's some obstruction." Jingyi explained.

"Then what is the medium?" Lin Yi understood-he'd been using his art of Dragon mastery to figure out Jingyi's situation, but while it was similar to house sun's Arts, they were different.

"The medium is ... Water! We have to be in the same sealed pool to complete the treatment. " Jingyi said.

The two of them stripped naked and were in the same sealed pool? Isn't that a love bath? Just thinking about it made Lin Yi feel a little suspicious-it wouldn't be a big deal if he didn't have any feelings for Jingyi, but he did have some feelings for her, after all. They weren't half lovers for nothing, and after going through so much together, they'd developed feelings for each other.

"You don't have to worry about Yaoyao and the others" feelings. This is your own feeling!" "You've made such a huge sacrifice, why are you asking about others?" Lin Yi said with a bitter smile.

"I ... I'm willing ..." Jingyi said quietly.

Lin Yi sighed as he looked at Jingyi-it seemed like he'd gotten himself a love debt again, and now he had Xiaoxiao and Xinyan. The Miss and Shu hadn't revealed their true feelings yet, but Lin Yi could feel it-he'd have to pay them back eventually.

However, Lin Yi had thought things through now and didn't have as many concerns as before. These girls were willing to help him when he was injured and in trouble. Lin Yi wasn't a stone-hearted person, how could he not see it?

And so, Lin Yi looked at Jingyi and nodded slowly, "Jingyi, don't worry, I won't let you down!"

Chapter 2974 Don't Disturb Us

It was a promise, a solemn promise from the bottom of Lin Yi's heart.

"En ..." Sun Jingyi nodded shyly but happily. She understood what Lin Yi was trying to say and was very happy, "Now ... You know why my mother wanted to marry my father in the first place ..."

"Yeah, but don't feel bad. I have Xiaoxiao, Xinyan, the Miss, and Shu with me. Don't be unhappy." Lin Yi said.

"Xiaoxiao's so close to me, she even helped me mess with Wu Chentian before. She won't have a problem with that, and Xinyan wouldn't fight for anything either. As for the Miss, don't forget about my father ..." Jingyi didn't feel any danger.

"You've really thought it through. Could it be premeditated?" Lin Yi joked.

"Yes, I did it on purpose. Actually, I didn't need to use water as a medium. I deliberately said to use water!" "I'm just thinking of upgrading our relationship from half-lover to full-lover," Jingyi said with a smile.

"Ha ... Really?" Lin Yi asked, surprised.

"It's true. " Jingyi nodded seriously, "Not only do you not need water as a medium, but you can also do it without a medium."

"You don't need a medium?" Lin Yi was even more surprised-Jingyi didn't sound like she was joking, could it be true?

"Yeah, you can push me down too." Jingyi said as she chuckled at Lin Yi's stunned face.

"Alright, then why don't we use water as a medium? although I think this method isn't bad, our development doesn't seem to be that fast?" Lin Yi asked.

"I think so too ..." Sun Jingyi nodded, "It happened so quickly. I feel like it's a little too fast."

Lin Yi nodded. He was a little disappointed, but he still respected her choice. "When do we start healing?"

"Anytime!" "But seriously, you really don't have to use water as a medium-you can use other things as well," Jingyi said.

"What else is there?" Lin Yi didn't think there was any other way.

"For example, take off all our clothes and bury us in the ground, or jump into a fire, or jump into molten iron, or freeze us in ice ... Metal, wood, water, fire, and earth, of the five elements, anything can be done except for wood ..." Jingyi explained.

"Then forget it, I'll just use water!" Lin Yi shook his head. It was dirty to be buried in the ground, but at least it was reliable. Jumping into fire, molten iron, or ice-wasn't that just suicide? He had died before he could even heal his injuries.

"Haha ..." Jingyi laughed. "That's why I'm not lying to you. I'm telling you the simplest and most feasible method."

"Let's go, let's take a couple's bath!" Lin Yi was in a wheelchair, and it wasn't very convenient for him to move around, so he had Jingyi push him into the bathroom.

Chentian and Zhishan, on the other hand, were a little surprised-why was Jingyi pushing Lin Yi into the bathroom? they'd been talking alone in his room, after all, and it was quite surprising that she'd just come out and go to the bathroom.

"Boss, what are you going to do?" Chentian couldn't help but ask-it wasn't that he still had feelings for Jingyi, but he was just worried about Lin Yi.

"Let's take a couple's bath!" Lin Yi joked, "Don't disturb us!"

"Oh ..." Chentian was full of questions, but he couldn't ask too much. He watched as Lin Yi and Jingyi walked into the bathroom.

Now that she'd made up her mind, Jingyi didn't have to hold back anymore-this wasn't the time, after all, and she couldn't just wait for Lin Yi to take her clothes off for her, could she? Lin Yi was injured and couldn't take off his clothes, so Jingyi had to do it herself.

She filled the tub with water and slowly took off her clothes. She had her back to Lin Yi, but she could still feel the heat on her face!

She didn't think that her first time meeting Lin Yi would be in this situation!

But that was good too-this was a good way to get things done. Jingyi gritted her teeth and took off the rest of her undergarments before coming to her senses.

Lin Yi's breathing was a little rushed-Jingyi's body was perfect, no doubt about it. Her skin was smooth and shiny, with a healthy glow to it. Her legs were long and slender, and her body was perfect. Lin Yi couldn't help but gulp when his eyes moved to her upper body!

He'd seen Yao Yao and Shu naked before, but that was when they were treating patients or when they didn't mean to. This time, he'd be in the same room as Jingyi for a long time.

The water in the tub was steaming hot, quickly filling the entire bathroom. This hazy feeling made Lin Yi feel like he was in a Fairyland, peeking at a fairy taking a bath. Especially that blush on sun Jingyi's delicate face, the shallow dimples, it made sun Jingyi have an indescribable temptation at this moment ...

"Jingyi, can you stop seducing me ..." Lin Yi had a physiological reaction and couldn't help but say bitterly.

"You're the one who's thinking too much, alright? I only wanted to heal you!" Jingyi said with a straight face.

"Okay, then my clothes ..." Lin Yi could only lower his head and try not to look at Jingyi. There were some things that weren't so easily forgotten after seeing them, and even if he didn't look at them, it would make people's imagination run wild!

"I'll help you take it off. " Jingyi walked over and bent down to help Lin Yi unbutton his shirt, but this position allowed her chest to jump right into Lin Yi's eyes. Even with his head down, Lin Yi could feel the White moving around in front of him, especially that Virgin scent on Jingyi's body-it was something he couldn't reject.

His mental fortitude was much worse than when he first came back to Songshan! Lin Yi couldn't help but sigh.

Lin Yi didn't have much clothing on him, only a shirt and a pair of shorts. Jingyi took off his shirt quickly, but the shorts were a little hard to take off! Lin Yi was in a wheelchair, and both his arms and legs were broken-he couldn't use any strength at all, and so Jingyi had to use her strength to pull his pants off.

It was just that, although sun Jingyi was a practitioner as well, she was a very special type of practitioner-what she trained wasn't strength at all, and her strength wasn't as great as a refiner 's. She had to use all her strength to pull Lin Yi's shorts up.

Chapter 2975 Fall

Jingyi's pulling was strenuous, but Lin Yi let out a breath of relief-there was finally no more white in front of him! He'd rather not have this advantage and let Jingyi take off his clothes first!

"Jingyi, you can do it!" Jingyi gritted her teeth and encouraged herself before pulling on Lin Yi's shorts, pulling them down with both her hands and legs!

"Plop!" A loud sound was heard, followed by Jingyi's cry of surprise as she fell down heavily. Lin Yi's shorts, however, were successfully pulled down.

Jingyi had used too much force, and the ground was a little slippery from the mist-her body was slanted earlier, and she slipped and fell flat on the ground, her head resting between Lin Yi's legs!

"Ugh ..." Jingyi felt like her face was stuck to a metal stick, and it hurt her face, but she couldn't figure out what it was. She got up unsteadily and tried to see what it was.

But that was a good thing-Jingyi's face turned red from embarrassment, not daring to look at Lin Yi anymore ... She wondered if Lin Yi would think she was a pervert on purpose? But I really didn't do it on purpose!

"Ugh, your angle, if it was just a little off, I'd probably be crippled ..." Lin Yi couldn't help but make a joke when he saw how awkward Jingyi was, but he didn't care about the ambiguous feeling anymore after the shock.

"If you cripple me, I'll help you heal." Jingyi chuckled as well, the awkwardness between the two gone. "I'll help you into the bathtub. "

Jingyi said as she helped Lin Yi into the tub before jumping in herself, sitting opposite Lin Yi. The two of them looked at each other, and Lin Yi's heart, which had calmed down a little, started beating again.

"Then what?" Lin Yi tried his best not to think about all these messy things, constantly reminding himself that healing was the priority and everything else could wait.

"Put your hand on my body and then don't do anything. Just wait for me to heal you!" He said. Jingyi said.

"Alright," he said. Lin Yi nodded and put his hand on Jingyi's shoulder.

"Where are the acupuncture points on my shoulders? Can't you move to another place?" Jingyi said, not sure if she should laugh or cry.

"Change location?" Lin Yi blinked-with his position and angle, he'd only be able to touch her shoulders and chest, but ... How could he do that?

"Hurry up!" Jingyi, on the other hand, didn't think too much about it-she'd been focusing on using house sun's Arts to heal Lin Yi, and didn't think about this point.

"Alright then!" "If you're this brave, then I can't be coy anymore!" Lin Yi gritted his teeth.

With that, Lin Yi placed both his hands on Jingyi's chest.

"Ya!" Jingyi flinched at Lin Yi's attack-she still flinched subconsciously,"W-what are you doing? Wasn't it healing? Is your hand alright?"

"It's not healed yet, my arm was injured before, and I could only stretch it out. If you don't let me touch my shoulder, then I'll move down, and it'll be here ..." Lin Yi could tell that Jingyi didn't mean anything special, and he'd misunderstood her, so he apologized.

Jingyi only remembered now that Lin Yi's arm was injured, and from this angle, he'd be touching his chest if not his shoulder!

"But ... You touching me, I can't calm down and chant the arts ..." Sun Jingyi felt that since she had already decided to follow Lin Yi, it was fine to be touched by him, but her heart was beating fast, how could she calm down and chant the arts?

"Then ... Turn around, I'll put my hand on your back!" Lin Yi said, feeling that what he was doing was making him uneasy.

"En ..." Sun Jingyi nodded and turned around. Lin Yi placed his hand on sun Jingyi's smooth back ...

But even so, Lin Yi's heart was still beating faster. After all, the couple's bath itself was already very ambiguous, and the other things stimulated Lin Yi's senses.

She took a few deep breaths and calmed herself down, starting to use house sun's practitioner's Arts-it was her first time saving someone, after all, and she'd never saved anyone before, so she had to move forward slowly ...

It was a good thing that house sun's practitioner's Arts were already very mature-Jingyi didn't feel anything when she started circulating them, but Lin Yi was surprised to find that there was a huge amount of Qi in the water flowing into his meridians through his body's acupuncture points, quickly healing his injuries and healing his meridians!

This feeling was the same as when Lin Yi used the art of Dragon mastery to heal himself, the only difference was that Lin Yi didn't have to do anything, he just had to enjoy it ...

"It's effective. It feels exactly the same as when I'm healing myself!" Lin Yi said with certainty.

Jingyi let out a breath of relief at Lin Yi's words, continuing with her practitioner's Arts to help Lin Yi heal ...

Mengyao and Yushu returned home after school, but Lin Yi and Jingyi weren't there. Chentian and his men were in the living room, waiting for something.

"Wu Chengtian, where's Lin Yi?" Chu Mengyao looked at Lin Yi's room curiously. Lin Yi's room door was open and the inside was clear, but Lin Yi was not inside.

"Boss, he ..." Chentian hesitated-he didn't know if he should say it or not, but he didn't want to lie to Mengyao either-it was impossible. He remembered that Lin Yi didn't tell him to keep it a secret when he went into the shower, ""Boss and sun Jingyi are taking a couple's bath in the bathroom!"

"Ah?" Mengyao blinked as she looked at the bathroom in disbelief, an uncomfortable sourness rising in her heart. She remembered that Jingyi was uncle Fu's daughter, and Lin Yi and her were half a couple in the past, too, so she didn't want to be too calculative. She nodded as if nothing had happened, "Why did they think of taking ... Taking a bath? Lin Yi's injuries are healed?"

"I ... I don't know ..." Chentian shook his head.

"Oh, Yaoyao sis, I know! Jingyi sis must've seen that shield bro's legs aren't working, so she's pushing him into the bathroom! We have to go in and stop him!" Chen Yushu replied.

Chapter 2976 Injuries Recovered!

Chu Mengyao frowned and glared at Chen Yushu. She didn't think sun Jingyi was that kind of person. Besides, even if she wanted to push her, she would do it in Lin Yi's room. Why did he have to go to the bathroom?

Plus, even if Lin Yi was injured, Jingyi couldn't just push him away like that-it was unreasonable!

"Shu, don't talk nonsense. They must be doing something important." "Don't mess around!"Mengyao said.

"Oh ..." Yushu didn't really want to go into the bathroom."I was just thinking that since Jingyi sis pushed shield bro down, we can go in and have a 4p too ..."

"If you want to play, play by yourself. I'll open the door for you?" Chu Mengyao was annoyed by Chen Yushu's words and naturally, she was not happy.

"I'm the second wife, of course I'll let the first wife win. " Chen Yushu stuck out her tongue. She really didn't dare to! After all, house Yu's Yu Yi was very strict with her. Although Chen Yushu liked Lin Yi very much, she didn't dare to cross the line and cause her parents to be killed.

Mengyao pouted, naturally not believing Yushu's words. She thought that Yushu was just good with her words,"I saw the TV!"

Chu Mengyao said as she picked up the remote control and turned on the TV, changing to Pleasant goat's channel.

In fact, Mengyao herself was a little frustrated. Her eyes were on the TV, but her mind was on the bathroom. She trusted Lin Yi and Jingyi, but she couldn't guess what the two were doing in the bathroom.

Yushu, on the other hand, was a big-hearted girl, enjoying the show. Mengyao was pissed off-this girl was the one who wanted to go to the bathroom, and now she was the one being heartless!

Chentian and the others saw that the two ladies weren't too happy, so they all sat down and waited for Lin Yi to come out.

Pleasant Goat was done, and Mengyao switched to another series. She watched as the male and female leads went through hell and back in love, completely uninterested. Yushu, on the other hand, commented from time to time, "Elder sister Yaoyao, look, this woman's chest isn't even as big as mine, and she's already being called the goddess of waves. She really has no taste ... Elder sister Yaoyao, look at that woman, she's so ugly. She's not even half as good looking as you, and she's even the goddess of otakus ..."

"Alright, if you think your chest is big, then go act in a TV show!" Mengyao glared at Yushu and was just about to flip out when she heard the bathroom door open ...

Chu Mengyao subconsciously turned around and was surprised to see Lin Yi pushing open the bathroom door and walking out! And behind him was a tired and shy sun Jingyi!

"Lin Yi, you're fine?" Chu Mengyao was surprised and happy-sun Jingyi went to heal Lin Yi! It seemed that he had misunderstood her before! No matter what she did with Lin Yi in the bathroom, it was all for Lin Yi's sake. Chu Mengyao felt relieved at this moment,""Jingyi sis, you're the one who helped Lin Yi, right? Thank you so much!"

"Yaoyao, healing Lin Yi is what I should do. We're good friends, you don't have to thank me." Jingyi shook her head-she didn't think there was anything wrong with giving for Lin Yi.

"Yaoyao, Jingyi ... We're a family now, so you and Shu shouldn't make things difficult for her ..." Lin Yi felt that he needed to give them a hint. Although he didn't think that Mengyao and Yushu would do something so stupid now, they did reject Xiaoxiao before.

"Why would I?" Mengyao understood Lin Yi's hint right away and looked at Jingyi, envious of her for no reason. However, she maintained her composure and replied,"Sister Jingyi is uncle Fu's daughter, so she's like my own sister."

"That's right, that's right, Yaoyao sis "sister is Shu's sister." Yushu said readily. She'd never object to what Mengyao accepted.

"But why did you go to the bathroom when you were recuperating? Wu Chentian said you guys are going to take a bath?" Mengyao had accepted sun Jingyi's existence, but she was still curious.

"It's like this, Jingyi needs a medium to heal ..." Lin Yi didn't hide anything and explained why he went to the bathroom with Jingyi to Chu Mengyao, Chen Yushu, and Wu Chentian.

Although Lin Yi said it so casually, Chu Mengyao could imagine the romantic atmosphere of a man and a woman alone in the bathroom. She was envious but not jealous. She only nodded, "I see, it's all thanks to sister Jingyi this time. The next step should be to find the Qi gathering pill, right?"

"Yes, I'll call Kang Zhaoming of the sky elixir sect later and ask him when he can make the Qi gathering pill. But don't tell anyone that I've recovered from my injuries-after all, I've only recovered from my injuries, but not my strength. If this gets out, I'm afraid house Zhao or the other houses will send people to cause trouble again." Lin Yi said.

"Okay, boss, we'll keep it a secret!" Chentian said, nodding.

Lin Yi went back to his room and called Kang Zhaoming. Chu Mengyao pulled sun Jingyi to have a private conversation. She wanted to find out what they were doing in the bathroom.

Jingyi may be uncle Fu's daughter, but she didn't want to take advantage of her seniority. She understood Mengyao's position in Lin Yi's heart, and so she'd try her best to build a good relationship with her.

Jingyi didn't hide anything when Mengyao asked her about the bathroom, even telling her how she helped Lin Yi take off his pants, how she threw it on the floor, and how she stuck her face to that area. It made Shu and Yaoyao laugh, and Mengyao let down her last bit of guard at Jingyi's honesty.

Lin Yi dialed Kang Zhaoming's number directly. Kang Zhaoming was a little puzzled by Lin Yi's call.

"Hello? Lin Yi?" Kang Zhaoming was surprised that Lin Yi was still in the mood to call him even though he was crippled. What an optimistic attitude!

"Kang Zhaoming, is my Qi gathering pill done?" Lin Yi cut to the chase.

"Qi gathering pill ..." Kang Zhaoming was stunned. Lin Yi's Energy Center was destroyed, why would he need Qi gathering pills?" Lin Yi, as far as I know, you're already a cripple, why are you still concerned about the pill?"

"Oh, so you know that I'm disabled. Did you poison me?" Lin Yi said casually.

"This ... This ... How is this possible?" Kang Zhaoming was shocked and jumped. He couldn't see Lin Yi's expression, so he was suspicious. Did Lin Yi know something?

Chapter 2977 Seeking An Audience With Feng Xiaoxiao

Lin Yi wasn't serious at first, but he started to get suspicious after hearing Zhaoming's tone, "So it's related to you, kid?"

"Of course not!" "I'm just an elder of the sky elixir sect, why would I do that?" Zhaoming denied. It's the Hidden House of you's Yaowang who's proficient in poisoning!"

"Oh ..." Lin Yi heard that Kang Zhaoming was very tight-lipped, so he couldn't get any information out of him. "When can I successfully make my Qi gathering pill?"

"This requires time. You know, I promised you half a year before, and it's only been a month. Plus, I'm busy with the sky elixir sect's matters, so I can only find time to help you with your pill concoction. " "But don't worry, I'll give it to you within half a year!" Zhaoming said.

"That's fine," Lin Yi didn't have a choice-that was what Kang Zhaoming had promised him, and since it was half a year, Lin Yi had to accept it.

Lin Yi hung up the phone, and Zhaoming went to find the xuanchen ancestor.

"Master, that Lin Yi just called to ask me about the Qi gathering pill, wasn't he crippled? Why did he still want the Qi gathering pill? Don't you think there's something wrong with this?" Zhaoming told him everything that Lin Yi told him on the phone.

"Hmm ..." Ancestor xuanchen pondered for a moment and said, ""Lin Yi's Energy Center and meridians are all destroyed-there's no point in getting the Qi gathering pill, but does he have any Earth Class late phase peak underlings? Is he trying to create Another Sky Class to protect him?"

"That's possible!" Zhaoming thought that the analysis was correct, ""That means that han Tianba of the Hidden House han should be Earth Class late phase peak, and the Hidden House Zhuang should have someone of that level as well. It's not surprising that he created Another Sky Class."

"Let's delay him for now-there's no rush, and Lin Yi might die before half a year, so we don't have to make him the ultimate Qi gathering pill anymore. If he's still alive after half a year, then we'll make one for him-if he wants to make a Sky Class master, then so be it, it's no harm to us anyway-he's just an ant, and if it weren't for boss Bai, I'd have killed him already! Would the hidden Zhao family even have a chance to make a move?"

"That's true!" Kang Zhaoming nodded in agreement.

.....

After a long journey, qikun had finally arrived at the Ice Palace's Ice Spirit town!

Coming back to this familiar place again, qikun was filled with all sorts of emotions-the memories from before came back to him. He went against Lin Yi, followed him, and met the Sky Class old lunatic in the cave with him-thinking about all this made his heart ache!

Back then, Lin Yi was so full of himself, but he fell for house Zhao's trap out of trust in him and became a cripple. As his little brother, he couldn't do anything for him-Lin Yi didn't blame him, but qikun himself felt terrible.

He stopped the car in front of the ice Spirit Inn. At this time, there was no one participating in the Ice Palace test, so the inn was extremely quiet. Suddenly, an unfamiliar car stopped, and even manager li came out to see what was going on.

"Sir, are you here to stay?" Manager li asked from a distance. Although the ice Spirit Inn was specially built for the heavenly elixir sect's trial, it was still open for business and would receive some backpackers and adventurers.

"No, I'm here to find someone." Qikun parked the car and got out, getting straight to the point.

"It's you?" Manager Li saw that the person coming down from the car was Qikun—he recognized him immediately! Back then, after the test, everyone had left the inn except for Qikun, who stayed for a while to wait for Lin Yi. He still had a deep impression of that.

"Manager Li, do you know me?" Qikun was quite happy to see that Manager Li recognized him.

"En, you're Vice Palace Lord Feng's friend and the family of the outer sect's steward Zhao," Manager Li recognized Qikun and was much more polite, "Is there something you need to do here?"

"I have something to discuss with Vice Palace Master Feng. I wonder if Manager Li can help me arrange it?" Qikun asked.

"You can stay here first. I'll help you send a message to the palace Master. If he agrees, Vice Palace Master Feng will naturally come here to see you!" Said Manager Li.

"Alright," he said. Qikun nodded and stayed in the inn for the night, in the same room as before! It was obvious that this place had been empty since Qikun left last time—the furniture hadn't been moved at all!

Even if someone had cleaned the room after it had been moved in, it was impossible for the facilities in the room to remain the same, such as the location of the telephone and remote control in the room ...

Manager Li didn't dare delay—after Qikun checked in, he sent a messenger pigeon to Bing Tang, telling her that Qikun was here and wanted to see Vice Palatial Lord Feng.

After Bing Tang received manager Li's letter, she didn't give it to Feng Xiaoxiao. Bing Tang knew about Lin Yi's injury long ago, but she didn't tell Feng Xiaoxiao. She didn't want Feng Xiaoxiao to be distracted, and she wouldn't help Lin Yi.

[illegible]

"Aunt Qing, tell qijiu and Yu Bing to go to the ice Spirit Inn, tell them that their old friends have come to visit." But Rock Candy wasn't an unreasonable person-Xiaoxiao couldn't help but worry about Lin Yi's injuries when she saw qikun. In fact, even rock Candy couldn't heal Lin Yi's injuries, so it was better not to know than to let Xiaoxiao worry!

It didn't take long for Rock Candy to figure out why qikun was here-he wanted to ask Xiaoxiao for help! However, what made Rock Candy surprised was that Lin Yi was injured because of qikun's betrayal. Why was qikun here for Xiaoxiao? Was he not afraid of death?

There must be something Rock Candy didn't know about, but Rock Candy didn't have the mood to get to the bottom of it. She wasn't interested in it.

"Yes, Palace Master!" Qing had also seen the letter in Bing Tang's hands. When the Ice Palace sent the documents to her, Qing would usually go through them first. If she could make a decision, she would give her approval. If she couldn't make a decision, then she would send them to her.

Chapter 2978 Many Things Have Happened

Qing understood Rock Candy's concerns, so she didn't say anything and went to send a message to qijiu and Yu Bing. Qing was impressed by this young man, but there wasn't much she could do.

Zhao qijiu and Yu Bing heard that there was an old friend visiting and paused for a second before guessing that this person was either Lin Yi or Zhao qikun. And so, the two went to the ice Spirit Inn happily.

Qijiu, on the other hand, brought the medicine the Ice Palace had given him-he was planning on giving Lin Yi or qikun a surprise!

Very quickly, the two arrived at the ice Spirit Inn. Manager Li was very polite to them-after all, qijiu and Yu Bing's status was different from before. They weren't only outer sect managers, they were friends of vice Palace head Feng.

"Manager Zhao, manager Yu, your friend Mr. Zhao qikun has been waiting upstairs for a long time!" Manager Li said to the two. Of course, he didn't know why it was qijiu and Yu Bing who came instead of vice palatial Lord Feng.

But this was a decision made by the higher-ups, and manager Li had no right to interfere.

"It really is master kun!" Qijiu rushed up the stairs excitedly, while Yu Bing, on the other hand, had a look of disappointment on his face. It wasn't that he wasn't happy to see qikun, but they weren't that close-after qikun made Lin Yi his boss, he left the Ice Palace. The two didn't interact much, and he was the closest to Lin Yi.

Qikun heard the footsteps and opened the door to see qijiu running in front with Yu Bing behind. He was very happy, "Qi Jiu, Yu Bing, you guys are here, why isn't sis-in-law here?"

"Eh?" Yu Bing blinked, "you're still looking for Xiaoxiao's sis-in-law?" She didn't come?"

In front of outsiders, Yu Bing naturally called Feng Xiaoxiao vice Palace head Feng, but in front of his own people, he called her sister-in-law.

"Is that so ..." Qikun frowned. He had asked manager li to contact Xiaoxiao for him, but since she wasn't here, it was probably Rock Candy's order. He didn't ask anymore, ""I'm very happy that you two are here!"

"Master kun, I'm really happy that you came to see me! What happened after you and boss Lin Yi went back? How's the Zhao family?" Qijiu didn't have any sources of information in there-he was an outer sect manager, but the information he had was limited to the inside. He knew nothing about the outside world.

Hearing the question, qikun's face darkened quite a bit. He sighed and didn't hide anything, ""It's all my fault, I'm the one who hurt boss Lin Yi!"

"What? What's wrong with boss?" Yu Bing's face changed as well as he stared at qikun, "Something happened to the boss?"

"En ..." Qikun didn't hide anything and explained how Lin Yi went to house Zhao as a guest and was poisoned, destroying his meridians and energy Center ...

Yu Bing knew about Lin Yi's miraculous healing abilities, but he understood that with his meridians and dantian destroyed, there was no way he could recover!

Even if Lin Yi had heaven-defying abilities, he couldn't use his practitioner's Arts, and even if his dantian was shattered, he couldn't dissolve the pill-there was nothing he could do!

Qijiu looked at qikun in shock-he didn't think something like this would happen."Then ... What should we do now?"

"Yeah, boss Lin Yi's a cripple now, so did his enemies come after him? Did the Hidden House Yu take revenge on him?" Yu Bing was worried that his own family would come after Lin Yi-after all, he still had a lot of grudges with the Hidden House Yu.

However, Yu Bing's question made qikun's face turn weird,"House Yu ... They didn't take revenge, and not only that, they even helped boss Lin Yi ..."

"What do you mean?" Yu Bing blinked, thinking he'd heard wrong,"You mean our hidden house Yu?"

"From my point of view, which house Yu could it be? The common house Yu doesn't exist anymore ..."Qikun smiled bitterly as he told them about Yu Yi's appearance.

Yu Bing's mouth was wide open after hearing what qikun said, "You're saying that it was Yu Yi-qianbei himself?"

"Yes, Zhao Qibing knows him, he can't be wrong!" Qikun nodded. "But, our guess is that house Yu only attacked because of your sister, Yu Ning!"

"What? My sister ... Ning can order Yu Yi around?" Yu Bing felt that the world was changing too quickly. He hadn't even been in the Ice Palace for a year-why was the outside world changing so drastically?

"Not really, there was a small incident ..." Qikun explained, telling Yu Bing about how Qibing and Yu Shan were in cahoots, trying to rape Yu Ning, and how Lin Yi saved him and sent him back to the Hidden House Yu.

"This means that boss Lin Yi's relationship with our hidden house Yu must've improved, or Grandpa wouldn't have asked Yu Yi to help! "This is great, this is great! My sister's wish can finally come true" Yu Bing was overjoyed. This was the first time he smiled ever since he heard that Lin Yi was injured! Lin Yi's relationship with the Hidden House Yu had always been Yu Bing's biggest concern. He had planned to settle the relationship between his sister and Lin Yi after he came back from the Ice Palace and took over house Yu, but he didn't expect that he wouldn't be in house Yu, and instead, Lin Yi and house Yu had formed a friendship!

"Although this is a good thing, boss's injury has always been a sore point in my heart!" Qikun wasn't too happy, "after all, boss Lin Yi's enemies aren't just my Grandpa-there's also the Lin mountain sect, the Golden Bell sect, and the Hidden House you. Of course, even if these houses and sects are afraid of Yu Yi's interference, there's still the dark night Palace and the everyday and every day sect that are boss 'enemies!"

Although the everyday and every day sect hadn't made a move yet, qikun was still worried-what if they did as well? they wouldn't be as lucky as the Dark Palace was that time, since the heavenly silkworm transformation had interfered and the rewards were involved. The everyday and every day sect wouldn't use the rewards as a reason, and so the sky elixir sect wouldn't interfere either ...

"How come there's also the dark night Palace and the everyday and every day sect? Aren't these two from ancient sects?" Yu Bing's face changed!

"I'll have to start from the sky elixir sect test ..." Too much had happened recently, and Qikun could only tell them one thing at a time. He then told Yu Bing and Qijiu everything that happened during the test ... "

Chapter 2979 Qijiu Presents

"This Dark Palace is really shameless. They're looking for trouble. The everyday and every day sect didn't say anything, but they're jumping around. But according to what you said, the young master of the heavenly elixir sect is a good person, isn't he?" "It's said that the sky elixir sect's young sect master wanted to force the sect master to marry him as his concubine," Yu Bing said, confused. "But it seems like their personalities aren't the same?"

"Yes, I also feel that the heavenly silkworm transformation is completely different from the legendary heavenly silkworm transformation. It seems to be a bit too good for us!" Qikun nodded. "But, he made Qibing and the elder of the Dark Palace kneel and apologize, and broke one of Qibing's arms. From what I can see, the heavenly cocoon sect is a very overbearing person. I'm a little conflicted now!"

"Forget it-these are all things that'll happen in the distant future-the sect master and young sect master Tian are too far away from us. We should think about how we can help boss Lin Yi recover!" Yu Bing said with a wave of his hand, deciding not to talk about these things.

"I'll first find a way to repair boss 's meridians and energy Center, and then I'll find two Qi gathering pills to help boss break through to Sky Class. That way, the poison's restriction will be solved." "It's easy to say, but it's really hard to do!" Qikun said. First of all, it's not easy to find two Chi-amassing pills!"

"Eh? Master kun, I don't have any Qi gathering pills, but I do have a few medium grade Qi gathering pills. Do you think boss Lin Yi can use them?" Qijiu didn't have the time to tell Qikun that he'd gotten some

pills after hearing the news of Lin Yi getting crippled, but the Qi gathering pill was a good topic to talk about.

"Middle Qi gathering pill? What's that?" Qikun asked, surprised.

"It's a kind of elixir that's less effective than the Qi gathering pill. Although it's not as effective as the Qi gathering pill, it can still improve one's strength. Moreover, it doesn't have the level defect of the Qi gathering pill, which prevents one from cultivating after consuming it." "This time, I was planning to give it to master tan as well, but I was worried about boss Lin Yi, so I didn't have the chance to say it," qijiu said.

With that, qijiu took out an exquisite wooden box from his pocket like he was presenting a treasure, putting it in front of qikun. "Master kun, there's one small Qi gathering pill and three medium Qi gathering pills in here!"

"Oh? Can these three medium Chi-amassing pills be worth two Chi-amassing pills?" "But why didn't you take it?" qikun asked. Didn't they say that you've already taken it, and that you could break through to the Sky Class?"

"If I take it, I'll definitely be able to charge into the heaven rank!" Qijiu said, "But I didn't use it-I don't have much to pursue, and as long as you're happy I'm happy, so I kept it and prepared to give it to you. Even so, I'm about to break through to Earth Class myself, and this small Qi gathering pill can help you break through to Earth Class in the future. These three medium Qi gathering pills can help you all the way to Earth Class late phase peak, but if you give it to boss Lin Yi, two Qi gathering pills won't be as effective, but ... Breaking through to the Sky Class shouldn't be a problem!"

"Oh? Why do you say so?" Qikun blinked, surprised and happy.

"Master kun, you just said that boss Lin Yi is now an Earth Class late phase, and this Qi gathering pill can help him break through to Earth Class late phase peak! Of course, even an Earth Class mid phase peak could reach Earth Class late phase peak with one mid Qi gathering pill-this meant that there was still half of the pill's effect left, and with the other two, breaking through to Sky Class early phase was no problem! That's because one Qi gathering pill is equivalent to two medium Chi gathering pills, so three medium Chi gathering pills are more than enough!"

"Oh? In other words, there's even a chance of breaking through to Sky Class early phase peak?" Qikun asked, pleasantly surprised.

"That's impossible. " Qijiu shook her head,"breaking through the barrier is different from normal. For example, if you're at Earth Class late phase peak, even if you take three Qi gathering pills, you'll still be Sky Class early phase-it's useless to take pills when your strength isn't stable yet. Your meridians and energy Center aren't used to the new level yet, and you can't refine that much of the medicine, so it's a waste to take it."

"So that's how it is." Qikun was a bit disappointed."But this way, boss's problem with the pills is solved. All that's left is to fix his dantian and meridians."

"Yes, that's all I can do. Master kun, my abilities are limited-you'll have to think of a way to fix boss Lin Yi's Energy Center and meridians. My words don't carry much weight in the Ice Palace-if it weren't for Xiaoxiao sis-in-law, I wouldn't even be able to get these pills!" Qijiu said.

He was a reasonable man, and he knew who gave him everything he had today. He didn't lose himself, and so he didn't feel any pain in giving this pill to Lin Yi.

"By the way, old master Zhao has written a letter to your family." He'd already changed the way he called old man Zhao-he felt that this sort of person didn't deserve to be his grandfather.

Qijiu knew what had happened to qikun, and naturally didn't think much of the old man. He took the letter from qikun and read through it before throwing it to the side."Master kun, how do you want me to reply?"

"We're done! I'll go straight to boss Lin Yi when I get back! Reply my a * s!" Qikun smiled,"I'm just respecting your choice-I want to know if you're planning on getting a position like elder bi in the Hidden House Zhao,"

"I've told you, I'm not an ambitious person. My choice is to follow master tan. Since he's old master Zhao's enemy, then he's my enemy too. " Qijiu said.

Qikun patted qijiu's shoulder, pleased. He was sure that qijiu wouldn't betray him, but hearing him say it himself still made him happy,"Hehe, you made the right choice. I think that following boss Lin Yi will give us a much better future than following house Zhao. Boss Lin Yi's lackeys are all over the ancient level, and old Zhao's vision is too limited. I don't know what he's thinking, but if we follow Lin Yi, the Hidden House Zhao will be more than just the Hidden House Zhao in the future."

"Master tan, you can start your own ancient Zhao family in the future." Qijiu said with a nod.

"That's still a long way to go. Let's see what boss thinks first. " "By the way, will you be able to see sis-in-law Xiaoxiao?" qikun smiled.

Chapter 2980 Treacherous Zhao Qikun

"Not now-you'll only see her at the Ice Palace sect's monthly gathering, but only from a distance-you won't be able to talk to her. If you want to see her, you'll have to talk to manager li." Yu Bing said, shaking his head.

"Alright, I got it." Qikun nodded,"if that's the case, then I won't hold you up any longer. You guys go back early-I'll wait for sis-in-law Xiaoxiao here. I don't have much use for this pill-boss Lin Yi has it, so you can take it yourself, qijiu. It'll be good for you to break through to Earth Class."

"That's good. " Qijiu didn't reject it this time and took it back-since qikun said Lin Yi had some, he wouldn't interfere.

Yu Bing and qijiu said goodbye to qikun and returned to the Ice Palace-they were both outer hall managers, and they couldn't be away for too long. After they left, qikun came to the front desk.

"Manager li, may I ask why vice Palace Lord Feng isn't here?" Qikun asked.

"I'm not sure-I told the sect master directly that Mr. Zhao is here to see vice sect Master Feng, but it's up to the sect master to decide who she wants to send. " "I can help you ask again," said manager li.

"Then I'll have to thank manager li." Qikun thanked him and went upstairs to continue waiting.

The next day, manager li found qikun and told him what the sect master wanted,""Mr. Zhao, the sect master said that vice Palace Master Feng is currently breaking through the level barrier and can't come out to see you. That's why she sent two of your old friends to see you."

"Is that so ..." Qikun didn't know if Rock Candy was telling the truth, but since it was manager Li's message, he didn't have anything to doubt. He nodded, ""If that's the case, I'll take my leave first. I'll leave a letter for vice Palace Master Feng. If it's convenient, please help me pass it to him!"

"Sure!" Manager li replied.

Qikun didn't waste any time-he started writing a text, explaining Lin Yi's current situation and asking Xiaoxiao if she had any solutions. He signed his name and gave it to manager li.

Manager li didn't say anything-he tied it to a bird right in front of qikun and sent it to the Ice Palace ...

That afternoon, qikun started his journey back to Eastern Sea city ...

However, qikun didn't drive all the way to Eastern Sea city-he parked his car in a parking lot in a nearby city. Then he went to a nearby car shop and bought a car that cost tens of thousands. He got a temporary license and drove back to Eastern Sea city!

He'd come back this time in a low-profile way-he didn't want house Zhao to find out. He'd used the time difference to make them think that he was still in the Ice Palace.

When qikun's car stopped in front of Lin Yi's Villa, he felt all sorts of emotions-he'd opened the car door, but couldn't walk away! He felt really bad-he felt like he'd let Lin Yi down, and he didn't know how to face him!

Although qikun's request saved his life at house Zhao's Hongmen banquet, in the end, Lin Yi's injuries were brought by qikun. If it wasn't for him, he wouldn't have gone to the banquet ...

Chen Yushu noticed a brand new car without a license plate parked in front of her villa. It was a little strange-there seemed to be someone in the car, but they didn't get out. It should be time for han Xiaochao to finish school. With this car blocking the villa's entrance, han Xiaochao's BMW X5M wouldn't be able to get in any time soon. Chen Yushu went out and reminded,"You can't Park here ... Eh? Zhao qikun?"

Yushu suddenly realized that the person in the driver's seat was qikun!

"Whoosh!"

Yushu picked up a rock and threw it at qikun's car, creating a big hole in his car.

"Shu ... Why did you hit me ..." Qikun was still mumbling when a rock came flying at him, scaring him so much that he jumped off the car subconsciously.

"I'll beat you to death, you traitor!" Yushu threw another stone over, and this time it hit qikun's forehead!

Qikun was a practitioner, and he had Qi protecting him, but even he was in a bad shape from this."Shu, let me explain"

"Explain your head, I'll smash you to death!" Yushu said as she threw another stone at him! Now that elder Pi and the other Masters were in the house, she naturally wasn't afraid of qikun.

"Shu, what's going on?" Mengyao heard the commotion outside and walked out to ask, but when she saw Yushu throwing a stone at qikun, her face changed, "Zhao qikun? What are you doing here?"

"Let me explain ..." Qikun covered his head and didn't dare to fight back. He smiled bitterly, but he felt that it was normal for him to get hit. After all, Lin Yi was injured because of him!

"Shu, Yaoyao, stop smashing, let qitan in!" Lin Yi heard Mengyao's scream and knew that qikun was here. He quickly walked out of the villa to stop him.

"Eh? Boss, have you recovered from your injuries?" Qikun was extremely surprised to see Lin Yi walk out of the villa-Lin Yi's injuries were serious, and without his self-healing ability, it'd take at least a year or so for him to fully recover from these injuries, and they were just external injuries!

"Come in and talk." Although Lin Yi's meridians and dantian had recovered, his strength hadn't recovered yet. He didn't want to show his face in public and be seen by people with ulterior motives. When they were talking, Lin Yi was standing in the villa's door. At least, people wouldn't be able to see him if they weren't facing him.

Lin Yi was also afraid that people from house Yu or Dark Palace were still nearby.

Mengyao and Yushu didn't stop qikun anymore after Lin Yi spoke, but they still didn't give him a good attitude.

But once qikun entered the villa, Lin Yi explained, not sure if he should laugh or cry."Shu, Yaoyao, you've misunderstood qitan-he didn't go back on his word!"

"You still haven't gone back on your word? Didn't he cause your injuries?" Mengyao didn't quite get what Lin Yi was getting at.
