

Bodyguard 2991

Chapter 2991 Something Big Happened

It was early in the morning, and everyone had a sumptuous meal. After that, elder han called a bus over, and other than gonggao and Zhihai, who were guarding the house, all of Lin Yi's lackeys, including elder han and elder Pi, got on the bus and headed to the Hidden House Zhao ...

In the Hidden House Zhao, old Zhao had welcomed a few very important guests today. They were old man you from the Hidden House you, leader Jin from the Golden Bell sect, and leader wo from the Qian Mountain sect!

They came to the Hidden House Zhao today to discuss the second step of the plan to destroy Lin Yi!

The first step of their plan to take down Lin Yi-the Hidden House Zhao-had been completed. They'd only needed to wait for Lin Yi's enemies to come after him and kill him, and everything would be fine. But after waiting for a long time, Lin Yi's enemies did come, but because of the sky elixir sect's interference, they left!

This made old Zhao extremely frustrated-he thought that Lin Yi would die once he returned, but after waiting for a few days without any movement from Lin Yi's Villa, old Zhao finally lost his patience. The Hidden House you, Golden Bell sect, and Ganshan sect, who were also Lin Yi's enemies, were also losing their patience, and so they decided to meet at the Hidden House Zhao to discuss the second step of their plan.

"Old man you, Lin Yi ate the poison and is now disabled, but no one's looking for trouble with him. This isn't good!" Zhao Yu's father waited for everyone to sit down and said.

These people were all Lin Yi's enemies, and they all came with the same goal. There was no need for small talk, and they could just go straight to the point.

"It's all your hidden house Zhao's doing, wasting time. If you guys had killed Lin Yi after he was poisoned, all this wouldn't have happened. Now that all of Lin Yi's lackeys are here, it won't be easy to make a move. " Old man you grunted and complained.

"You can't blame the Hidden House Zhao for this-if you're so capable, why didn't you wait outside our house and kill Lin Yi?" "Who wouldn't be worried about Lin Yi's ancient rank lackeys?" old Zhao's lips twitched.

"It looks like Lin Yi's followers from the ancient sects aren't here at all. It's obviously unreliable." "But you two don't have to complain to each other," Golden Gate said,"we were all afraid of taking revenge from our ancient brothers before, but now that everything's fine, let's discuss how to kill Lin Yi."

"That's right, there won't be any results even if we argue. " Gate master wo also nodded in agreement.

"I do see a way. The few of us can team up and go to Lin Yi's house and then kill him. It's not impossible." "Elder you and I are both Sky Class Masters," old Zhao said,"one of us needs to keep old Pi in check, and the other one needs to take out Lin Yi's lackeys. Gate master wo will deal with the spirit beasts, and gate Master Jin will just need to kill Lin Yi."

"Hmm ... This plan isn't a problem, but are you sure one of you can keep old Pi in check and the other can take out Lin Yi's lackeys?" Comparatively speaking, sect Master Jin's job was easier-he only had to get rid of the useless Lin Yi, but if anything else went wrong, he'd be in trouble too.

"There can't be any problems." "I'll keep old Pi busy. The head of the you family still has a few Sky Class Masters-call them all over and kill Lin Yi's lackeys! It's a one-sided massacre!"

"That's a good idea, I still have to bring experts!" Old man you pursed his lips."Those are all guests. They won't come without benefits. I'm going to bleed!"

"Don't say that. Because of this plan, we, the hidden Zhao family, have already given out two hundred million Yuan. Do you think you guys have paid more than I did?" Old master Zhao retorted.

"Alright, I agree with this plan!" Old master you thought about it and agreed. The Zhao family had also paid a lot, so he nodded and agreed.

"I don't have any problems with that either!" Gate master wo was quite experienced in dealing with spirit beasts. He pondered whether he should knock out the purple lightning Beast this time and then transport it back. After all, the purple lightning Beast was their Qian Mountain sect's spirit beast. If they could bring back a few other spirit beasts, it would be a huge profit!

In that case, old man you will contact the Masters in the family. We are ready to set off!" Seeing that everyone had agreed, old master Zhao had no more opinions. Just as he was about to set off, there was a rapid knock on the door of the conference room!

Master Zhao frowned and thought to himself,"why are my disciples so unruly?" Didn't he know that he was having a meeting with all the leaders of the hidden houses and normal sects?

However, he couldn't lose his temper in front of outsiders, so he asked patiently,""Who is it? What's the matter?"

"Master, bad news, bad news!" A disciple of the Hidden House of Zhao barged into the meeting room while shouting.

"What's not good? What's with your shouting and shouting? There's me, the hidden you family's head you, the Qian Mountain sect's head wo, and the Golden Bell sect's head Jin. We're all top masters. Even if the sky falls, there's still someone here. Why are you crying?" Old master Zhao was completely furious. Wasn't he being laughed at in front of outsiders?

"Yes ... Yes ..." The Hidden House Zhao disciple was in fear and didn't dare to refute, ""Master, there's really a problem ..."

"What's the problem? tell me!" Master Zhao waved his hand and asked.

"There's no need for him to say it, let me do it. " An abrupt and familiar voice suddenly rang out, causing all the family and sect Masters present to shiver all over. It was as if they had been struck by lightning, and they were all frozen on the spot!

"Lin ... Lin Yi?" Old master Zhao was very familiar with this voice and shouted in horror.

"Hehe, it seems like old master Zhao is very familiar with my voice. I haven't even arrived and you've already recognized me." Lin Yi's voice was getting closer and closer, finally appearing at the entrance of house Zhao's meeting room.

However, Lin Yi came in a wheelchair, and the one pushing the wheelchair was qikun!

"Gah?" Old Zhao's heart almost fell out of his chest when he heard Lin Yi's voice, but he laughed out loud when he saw that Lin Yi was in a wheelchair, "Wahahahahaha, Lin Yi, are you out of your mind? Why didn't he stay at home after being crippled? why did he come here in a wheelchair to die? And, Zhao qikun, didn't you go to the Ice Palace? Why was she with that trash again? "Do you think that you two good-for-nothings can get your revenge by coming here? How childish!"

Chapter 2992 Sail With The Wind

"Old master Zhao, do you really think that I've betrayed you? Then you're wrong, very wrong!" Qikun said coldly, "I'm just trying to confuse you so that I can save my boss and my own life. I'm here to get justice!"

"Good, very good!" The old man nodded, "I knew there was something wrong with you, kid. That's why I didn't give you the title of heir, but sent you to the Ice Palace. Now, it seems like I was right-you're a traitor!"

"Hehe, whatever you say. My intention to stay by boss 'side has never changed!" Qikun said.

"Indeed, whatever you say. Do you think that you and that crippled Lin Yi can get justice? All of you will have to stay here today!" Old master Zhao laughed and said.

Old man you, leader Jin, and leader wo all thought it was weird-this Lin Yi was crippled, and he was still here with qikun? Wasn't this an act of seeking death? These two people didn't look like they had IQ problems!

Therefore, with the mentality that there must be something wrong when things don't change, old master you, gate Master Jin, and gate master wo didn't stand up to speak. Instead, they observed and saw the situation clearly.

"Old master Zhao, do you really think that there are only the two of us here today?" Lin Yi opened his mouth and spoke-he snapped his fingers behind him, and all of them-old Pi, old han, Pi Zhishan, Wu Chentian, han xiaopo, Zhuang niaoqiang, Zhuang niaopao, and the others-all rushed into the meeting room!

"I knew it. You two can't be so stupid. It turns out that you've brought helpers. What a good plan!" Old Zhao laughed coldly, "normally, house Zhao wouldn't be able to do anything to you if you guys came. With old Pi, a Sky Class master, house Zhao would definitely be turned upside down!" But today, you've really chosen the wrong time! Do you know who is sitting here? You might not know Zhao qikun, but you should know Lin Yi, right?"

"Old man you, gate master wo, and gate Master Jin, you're here too!" Lin Yi said faintly.

"That's right, we're here for the second part of the plan, Lin Yi. We were just about to go to your house to mess things up, and you guys came to us on your own accord. Since you're here to cause trouble, the ancient people won't be able to find fault with us if we kill you. Elder Pi, elder han, you can die too!" Old master Zhao laughed arrogantly, ""Hahahahaha!"

"Oh? Was that so? So, old master you, gate Master Jin, gate master wo, you're all on old master Zhao's side, and you're ready to go against us?" Lin Yi looked at the three elders with a smile.

"Naturally!" Old man you, gate Master Jin, and gate master wo all nodded and replied.

"Oh, then I won't stand on ceremony!" Lin Yi suddenly stood up from the wheelchair and started channeling his practitioner's Arts-his Sky Class early phase strength was completely revealed!

"Gah!" Zhao Yu's father was shocked.

"Ah?" Gate Master Jin and gate master wo were shocked.

Old man you, on the other hand, was the fastest to react. He quickly said, ""That is ... Impossible! I haven't finished my words! I'm fully supportive of Lin Yi-after all, he's my coiling Tiger's classmate, and they're pretty close. The reason I'm here today is to deal with the Hidden House Zhao-the old man Zhao tried to poison Lin Yi!"

"Is that so? Since when did I have such a good relationship with right coiling Tiger?" Lin Yi smiled as he looked at the old man.

"Why not? Have you forgotten that coiling Tiger often gives you good treasures? Those medicinal cauldrons and pill refining materials?" Old master you said quickly.

"Oh, that seems to be the case!" Lin Yi nodded. His main purpose here today was to get justice from the Hidden House Zhao. As for the others, Lin Yi didn't plan on making a big move. After all, house you still had the sky elixir sect as their backing. Lin Yi didn't want to touch them yet.

The sky silkworm sect helped Lin Yi once, and Lin Yi just kicked them out of their hidden level-it didn't seem right.

"Yes, yes, I also want to say that. That's naturally impossible!" Gan mountain sect leader wo didn't back down and said, "Our Qian Mountain sect has always been on good terms with Lin Yi-we've always been grateful to Lin Yi-qianbei for taking in our purple lightning Beast, solving a big problem for our sect. If it weren't for that purple lightning Beast, we wouldn't have been able to do anything to it. It was Lin Yi-qianbei who took in the spirit beast with a sense of justice, reducing our burden! So, this time, I'm also like old master you, to punish the Hidden House Zhao's bad behavior!"

"Yeah, so is our golden clock sect. I'm grateful to Lin Yi-qianbei's follower for killing that old bastard, Jin Wudi. If he's not dead, how can I take over? So Lin Yi-qianbei is my Savior! I'm going to fight the Hidden House Zhao too!" Golden Gate Lord also hurriedly shouted.

Old master Zhao's face had already changed color. He had already experienced the shamelessness of his three allies! What it meant to sail with the wind, what it meant to curry favor with the powerful, these three people really displayed it to the fullest!

"Old man you, don't you F * cking try to deny it. You gave us the poison!" Old master Zhao couldn't care much anymore. In order to pull these three people into his camp, he could only shed all pretenses of cordiality. "You with the surname wo, weren't you the one who gave us the poison to deal with the spirit beasts? Who was the one who agreed to kill Lin Yi? Treachery, extremely shameless!"

"Old man Zhao, don't you slander me and talk nonsense. When did I give you poison? We, the Hidden House of you, make elixirs, not poison!" Old master you immediately retorted.

"That's right, bullshit. If we had a poison to deal with spirit beasts, why didn't we use it at the Hidden House Summit?" Gate leader wo chimed in. It wasn't that he didn't use it at the Hidden House Summit, he just didn't bring it! However, this became the best excuse for his rebuttal.

"That's complete nonsense. Lin Yi-qianbei killed Jin Wudi and helped me get to the top. I can't even thank him enough, why would I kill him?" Sect Lord Golden Gate was also furious.

"You guys ..." Old master Zhao was so angry that he almost vomited blood. If these three were standing by his side, he might have a chance of winning today. If these three betrayed him, what would happen to the Zhao family?

Lin Yi was able to kill Sky Class Masters in seconds when he was at the late phase of the earth Class, and now that he was at the early phase, wouldn't he be able to do it even more? He might even be able to kill Sky Class late phase!

Chapter 2993 Three Allies

With that thought, old Zhao fell back into his chair, his body shaking in fear. He lost all the demeanor and presence a Sky Class master should have as he pointed at Lin Yi, "Impossible, impossible. You've been poisoned. Your dantian and meridians have been destroyed. How can you be fine?"

"Who told you I'm crippled? Who told you I was poisoned?" Lin Yi, on the other hand, looked at the old man and teased him, "Oh, right, that poison of yours, it's pretty good, helping me break through to Sky Class after eating it. It's really good stuff, do you have any more? Can I have some more?"

"No... Impossible! How was this possible? "Could it be ..." Old master Zhao suddenly turned his head and glared at old master you. "Old man you, you tricked me! That's not poison, it's a breakthrough drug, right?"

Old master you was also stunned and thought to himself, how is this possible? This poison was given by the sky elixir sect, how could it be used to break through? But ... Elder you suddenly remembered something-the heavenly silkworm sect had stepped out to solve the Dark Palace's problem when Lin Yi was in trouble. Could it be that there was a secret between the heavenly elixir sect and Lin Yi?

The medicine came from Lin Yi's rival, Kang Zhaoming, but he was an Alchemist, and he started out in the middle of nowhere. How much knowledge could he have? What did he know? Maybe he would be deceived by the heavenly silkworm transformation without even knowing!

If that was the case, then this poison really could be a scheme of the sky elixir sect! But no matter what, this wasn't something old man you could be involved in. Thinking about how he came to participate in the plan to harm Lin Yi, he really didn't want to live!

His master, the sky elixir sect, was helping Lin Yi and didn't want him to die. It seemed like he had to make some adjustments to his hidden house you's development plan! Thinking of this, old master you said lightly, ""Yes, that's right, that's the medicine for leveling up. So what if I gave it to you? I've been playing the game of spy!"

"Your mother's balls! You tricked me!" Old master Zhao was so angry that his whole body was twitching ... And he was speechless!

Lin Yi, on the other hand, looked at old man you with interest. He found it funny to hear what he said! But now it seems that this poison was indeed given by the hidden you family.

"So you three are my allies?" Lin Yi asked as he looked at the three leaders.

"That's true, but I don't dare to call myself an ally. We're just errand boys!" Old master you didn't dare to be careless-the Lin Yi now wasn't someone they could deal with.

Lin Yi smiled and looked at them with a deeper meaning, "If that's the case, then you guys can help me destroy the Hidden House Zhao. That'll save me a lot of trouble!"

"Ah?" Old master you was stunned by Lin Yi's words! What? He wanted him to deal with the Hidden House Zhao?

Old master Zhao's face was extremely ugly as well-he was furious that Lin Yi had attacked the Hidden House Zhao, but there was nothing he could do. He could only try to scare Lin Yi, "Old man you, you need to think this through. Don't fall into Lin Yi's trap. When you destroy our hidden house Zhao, the ancient sect will know and they won't let you off easily!"

"Is that so?" Old man you made his decision quickly. If they didn't make a move now, Lin Yi would probably destroy them all. Old man you knew how cruel Lin Yi was. He didn't even blink when he destroyed the common house Yu, and he didn't care about the hidden noble houses' interference at all!

And now, Lin Yi probably didn't care about the pressure from the ancient level anymore-he'd already made enemies with them a long time ago. The everyday and every day sect, the Dark Palace-they were all his enemies, but he was still alive and well!

Before, the heavenly silkworm transformation appeared to help Lin Yi deal with the pressure from the Dark Palace. It was probably because Lin Yi was in closed door cultivation and the heavenly silkworm transformation didn't want to disturb him, so they intervened. Otherwise, with Lin Yi's current strength, he could've killed the elder in black!

"Senior Lin, may I ask what we should do?" Gate master wo asked impatiently.

"Other than old man Zhao and Zhao Guangyin, kill all the core members. As for the servants who are weak, just dismiss them." Lin Yi said to old man you. As for old man Zhao, Lin Yi was concerned about qikun's feelings-he had to let qikun deal with him himself.

As for Zhao Guangyin, Lin Yi didn't want to take his life, but he knew that he was Chen Xi's father. He could avoid the death penalty, but he couldn't escape the punishment. Lin Yi would destroy his meridians and energy Center. Zhao Guangyin, on the other hand, wouldn't be able to recover that easily. He could only be a normal person for the rest of his life.

"Yes!" Elder you and the others were relieved to hear that they didn't have to deal with elder Zhao and Zhao Guangyin personally. They could deal with the small fries without any pressure, but against elder Zhao, even a Sky Class master like elder you would still be injured.

After all, old man you was an Alchemist, not good at fighting, and gate master wo and gate Master Jin were weak-they were only earth Class Masters. It would be a lot of pressure for them to face the Sky Class old man Zhao. If old man Zhao fought them to the death, then they would be at a disadvantage as Earth Class Masters.

So they thought that Lin Yi wanted them to die together, but it seemed like that wasn't the case. Lin Yi was going to let them go this time, but he had to do something.

After receiving the order, the three of them took action and ran out of the meeting room to get rid of the core figures of the Zhao family. Old master Zhao sat in his chair dejectedly, his eyes a little dull, unable to speak.

Qikun sighed as he looked at the old man. "If you knew this would happen, why did you do it? If you really wanted the Hidden House Zhao to submit to boss, you wouldn't have ended up like this, right? I really don't understand what's so good about Zhao Qibing that you're acting this way!"

"Zhao qikun, you traitor! Don't say that-you know how strong you are. Zhao Qibing is an Earth Class early phase, and a disciple of an ancient sect-Dark Palace! A small Mystic mid phase peak, what right do you have to fight for the heir position?" Old master Zhao finally said what was on his mind.

"Haha ..." Qikun laughed self-mockingly, ""So, in your eyes, there's only Zhao Qibing? he's just an Earth Class early phase, and he's that strong in your eyes?"

"Just an Earth Class early phase? And what are you? He's laughing at me for being inferior to him!" Zhao Yu's father didn't care anymore!

Chapter 2994 The Last Kinship

"You're doing this because you're relying on Lin Yi, aren't you?" he sneered. Yes, I miscalculated. I didn't expect Lin Yi to break through instead of being poisoned. So what? The person you're relying on is him. If something happens to him, you'll be in trouble too. What's the use of you if you don't have your own strength?"

"Alright, Earth Class late phase peak, in your eyes, it's like you've been a fart for many years!" Qikun shook his head-he was getting more and more disappointed in his father.

"What did you just say?" "What Earth Class late phase peak?" Grandpa Zhao was surprised.

Qikun didn't reply-he started channeling his practitioner's Arts, unleashing all of his strength as Earth Class late phase peak in front of the old man.

"You ... You're Earth Class late phase peak now? How is this possible?" Old Zhao looked at Qikun in shock, "That's impossible-you were Mystic mid phase peak before, how did you level up this fast? Did you take some kind of elixir?"

"I don't need to tell you this." Qikun shook his head, "you don't want me to be a part of house Zhao anymore anyway!"

"Hmph, so what? My grandson Zhao Qibing is a disciple of an ancient sect, the Dark Palace. If you kill me, Zhao Qibing will avenge me!" Seeing that Lin Yi didn't kill him, Grandpa Zhao thought that Lin Yi was afraid of the dark Palace.

"If Zhao Qibing wants revenge, I'm always waiting for it. Kang Zhaoming said so too, but he just watched his brother's fiancée with me every day. Do you think he doesn't want to kill me?" Lin Yi looked at the old man and laughed, "I didn't kill you not because of Zhao Qibing-I'll get even with that Zhao Qibing when I have time. I didn't kill you because you're Zhao Qikun and Chen Xi's grandfather, and I don't want them to be sad!"

Qikun, naturally, knew that Lin Yi was speaking the truth-he even killed the everyday and every day sect during the test, what more the family of a Dark Palace disciple? Qikun was very touched that Lin Yi said that-after all, Lin Yi still cared about his feelings.

"Boss, cripple him and keep him alive. Send him abroad and let him live as an ordinary rich man. He doesn't have to worry about food and clothing. This is my request!" Qikun said after some hesitation. He might've cut off all ties with house Zhao, but he couldn't do something like killing his Grandpa.

After all, the old man didn't have the heart to kill him with his own hands-this was the last thing he'd do to repay him.

"Sure." Lin Yi nodded-he'd been planning on doing this all along. He looked at the old man and asked,"Old master Zhao, do you have anything else to say?"

"Will you let me go if I say anything?" Zhao Yu's father said with hatred.

"I can 't," Lin Yi said, shaking his head.

"Then what's there to say?" Old master Zhao snorted coldly and said,""Do it, Zhao Qibing will get revenge for me!"

Lin Yi frowned and tapped on the old man's body a few times, causing the old man to shriek in pain. Lin Yi had to go through the same pain as well.

Qikun turned his head away, not looking at the old man. He only took a deep breath after Lin Yi made his move,""Grandpa, this is the last time I'm calling you Grandpa. If you're smart, take the money from the Zhao family and spend the rest of your life abroad. Don't come back. This place doesn't belong to you anymore!"

"You don't need to care about my business! The cat's tears are so hypocritical!" Old master Zhao snorted coldly and said with a grimace.

Qikun sighed, but didn't say anything.

"Wu Chentian, you're from the common house Wu, you have a lot of connections. Arrange for elder Zhao to go abroad!" Lin Yi turned to Chentian.

"Alright, boss!" Chentian nodded, "I'll make sure."

The Sky Class master, old Zhao, the Hidden House Zhao-they were all history now.

"Zhao qikun, are you willing to take over the Hidden House Zhao?" Lin Yi asked. After all, after the old man left, the Hidden House Zhao still had a spot as a hidden Noble House. With the support of Lin Yi, old han, old Pi, old Zhuang, old you, and even the leaders of the Jin and wo sects, qikun might be weak, but he should be able to stand firm.

"No, boss. Thank you for your kindness. Let this sad family become history. I will follow you from now on." Qikun shook his head, rejecting Lin Yi's suggestion.

Lin Yi nodded and didn't force the issue.

As they were talking, gate master wo returned with a trembling woman and a child in his hands!

"Elder Lin, this woman is the wife of the Hidden House Zhao's young master, Zhao Guangyin. This is his son, but she said that she's the aunt of your brother and old friend, so she didn't want me to kill her ..."

The gate leader didn't dare to make a decision without permission after hearing the woman's words. He brought the woman in front of Lin Yi and asked for his opinion.

"Yu Xiaojin?" Lin Yi knew about the marriage between the Hidden House Zhao and hidden house Yu, and so he immediately knew who this woman was after the gate leader mentioned it-she was Yu Bing and Yu Ning's aunt!

"Yes ... Senior Lin ... I'm Yu Ning and Yu Bing's aunt. I'm in the Hidden House Zhao, and I'm really pitiful right now. Zhao Guangyin ignored me, and I have nothing to do with them ... Please don't kill me and my child ..." Yu Xiaojin no longer had the authority of a young lady, she was just a poor woman who wanted to live.

The fact that gate leader wo had just killed two of house Zhao's most loyal disciples in front of her completely broke her down-she couldn't even say a word in front of the mastermind, Lin Yi.

"Send her back to the Hidden House Yu." Lin Yi waved his hand, not wanting to talk too much with Xiaojin. He'd just treat it as giving Yu Ning and Yu Bing face, as well as Yu Yi's sudden appearance to help him sell him to the Hidden House Yu.

"Yes!" After receiving the order, gate leader wo's attitude towards Yu Xiaojin improved, "Let's go, miss Yu, I'll get someone to take you to the Hidden House Yu!"

"Okay, okay, thank you, Master Lin ..." Xiaojin said, panicking. She could see the situation clearly-Lin Yi was the one giving orders here, and she thanked him.

"Elder Lin, Zhao Guangyin's gone!" Not long after Yu Xiaojin left, old man you came running in and said to Lin Yi.

Chapter 2995 One Escaped

"Zhao Guangyin?" Lin Yi looked at old man you and frowned.

"Yes, according to the Zhao disciples, after elder Lin and the others entered the Zhao villa, Zhao Guangyin left the Hidden House Zhao from the back door under elder Mian's escort. It's been more than half an hour, and I haven't found anyone in the back mountain ..." Elder you said quickly.

"One of them actually ran away?" Lin Yi blinked-he didn't expect guangyin to be this fast. The reason Lin Yi came to the Hidden House Zhao in a wheelchair and didn't let elder Pi and the others get off first was to confuse the Hidden House Zhao, making them think that they couldn't take over the Hidden House Zhao and were here to die.

In fact, elder Zhao did think so before, and because of elder you, leader wo, and leader Jin, he thought that Lin Yi and the others would never come back.

But this Zhao Guangyin was a talent-the situation was clearly leaning towards the Hidden House Zhao's side, but he still ran away! It seemed like Zhao Guangyin wasn't as submissive as Lin Yi thought!

"Yes, elder Lin. Zhao Guangyin escaped with elder Mian the moment you entered the Hidden House Zhao!" "What do we do now?" asked old master you. It's impossible to catch up to him, because I don't know where he went. "

"Let's not care about him for now. Let's get rid of the others first. " Lin Yi didn't know why, but he had a bad feeling when he heard that Zhao Guangyin had run away. He felt like something bad was going to

happen, but he couldn't think of the consequences. After all, Zhao Guangyin was only an Earth Class, and even Zhao Qibing, an ancient sect disciple of the Dark Palace, wasn't a threat to him. What could Zhao Guangyin do?

However, the dispirited old man started laughing when he heard that Guangyin had run away. "Zhao Guangyin, Zhao Guangyin, you're really something. You didn't call me along when you left. It's been so many years, and you're still trying to lie to your old man!"

At this point, elder Zhao finally understood that Guangyin's lack of self-awareness was all an act. Elder Zhao was too strong, too egoistic and too greedy for power, he had been holding onto the position of the head of the house all this time. As the young head of the house, this was the only way for Guangyin to protect himself.

At this crucial moment, Guangyin's intelligence was revealed-he was obviously smarter than his father, and had been on guard against Lin Yi the whole time. He knew that something bad was going to happen when he saw Lin Yi and the others, so he ran away.

However, after grumbling, old master Zhao laughed happily again, ""Good, good, good, very good, finally one of us got away. Lin Yi, you want to kill the Hidden House Zhao? that's impossible!"

"I didn't want to annihilate your whole family-isn't Zhao Qikun still alive and well?" Lin Yi looked at the old man, deep in thought. It seemed that the old man had been triggered and lost his mind.

This was also understandable. Life had its ups and downs, and the winner who originally had the upper hand had lost everything in the blink of an eye.

Soon, old master you, gate master wo, and gate Master Jin returned. Most of the servants and non-core disciples of the Zhao family were dismissed, and the stubborn and loyal disciples and core disciples were all killed by these three people.

Although the three of them weren't very strong, they could easily kill the disciples of the hidden Zhao family who were weaker than them.

"Senior Lin, we've finished what you asked us to do. Can we leave now?" Old master you asked.

"Let's go? No rush, since you all admire me so much, let's take a photo at the entrance of the Hidden House Zhao. The crippled old man Zhao will be our foil!" Lin Yi said.

"Ah? We're even taking a group photo?" Old master you paused, his face turning ugly. How could he not know what Lin Yi meant? Now that the Hidden House Zhao was destroyed, if they started a rumor after they left and spread the same story, Lin Yi might get into some trouble. After all, Lin Yi wasn't at the top of the ancient level yet, and it wouldn't be easy for him to deal with if the ancient level questioned him.

But now that Lin Yi had brought elder you, sect leader Jin, and sect leader wo in front of the crippled old man Zhao for a photo, it meant that they had a lot to do with what happened today. These three wouldn't bring this up unless they had water in their heads.

Even if old Zhao went to the ancient sect and said that Lin Yi was the one who destroyed the Hidden House Zhao, they'd still be able to lie and say that Lin Yi didn't do it.

"How can we prove our friendship if we don't take a group photo?" Lin Yi replied faintly.

"This ... Alright, a group photo, then let's take a group photo!" Old man you nodded helplessly.

And so, elder you, sect leader Jin, and sect leader wo all followed Lin Yi and took a picture in front of elder Zhao. Although the three of them weren't very happy, they forced a smile on their faces to cater to Lin Yi. After all, they were afraid of death!

After Finishing the Picture, Lin Yi waved his hand. "Alright, you guys can go now. Behave yourselves when you get back. Don't think about useless things, or it won't do you any good."

"I understand, senior Lin. We'll know our place when we return!" Old master you and the other two said quickly.

Lin Yi nodded and left the Hidden House with his lackeys. The bustling house suddenly became cold and quiet, with people either dead or gone. Of course, Grandpa han would take care of the aftermath. After all, the matters of the hidden houses weren't something ordinary people could interfere with.

However, just as Lin Yi left the Hidden House Zhao and was about to return home to celebrate, his phone rang. It was a normal ringtone for Lin Yi, but for some reason, he felt a little scared this time!

He looked at the caller ID-it was Ziyu. Lin Yi was confused, but he quickly picked it up. "Ziyu? What's the matter?"

"Lin Yi bro, bad news, your little lover's been taken away!!" Ziyu yelled through the phone.

"What do you mean by my little lover?" Lin Yi blinked, not quite understanding what she was saying.

"It's little Xi, she's been taken away!" Ziyu said.

"Chen Xi? How did she get captured? Who took him away?" Lin Yi finally understood who Ziyu was talking about, but he couldn't care about that right now.

Chapter 2996 Seeking Refuge With The Sky Elixir Sect

"I don't know who it was, but the teacher said Xi's father was looking for her today, so she left and never came back ..." Ziyu said. "It's already lunch break, but there's still no news. I quickly called you."

"Chen Xi's father? Zhao Guangyin?" Lin Yi connected these two people immediately-could it be that Zhao Guangyin had kidnapped Chen Xi after coming out of the Hidden House Zhao, and wanted to use her as a bargaining chip to make Lin Yi let the Hidden House Zhao go?

This was the only possibility he could think of, but why didn't guangyin call him to explain himself after he had gotten what he wanted? Didn't Zhao Guangyin know that time was money?

The longer he stayed in the Hidden House Zhao, the more danger the Hidden House Zhao would face. Now that all the core disciples and people of the Hidden House Zhao were dead, he didn't do anything. This didn't make sense. Did he take Chen Xi away for some other purpose?

However, it was all for naught. Zhao Guangyin and elder Mian were both practitioners, and earth Class at that. Hiding from them was as easy as flipping his hand. Even if Lin Yi asked song Lingshan to help him search, it would be useless!

Lin Yi consoled, "Ziyu, don't worry, it was her father who took her away. I'll take care of this, just be safe!"

"Okay, I understand. Lin Yi bro, you have to get Ziyu back as soon as possible. What if something happens to her?" Ziyu said.

"Ziyu, don't worry, I'm in a hurry too." Lin Yi nodded.

After hanging up, Lin Yi told everyone about guangyin taking Chen Xi away, but everyone was confused. They didn't understand why he took Chen Xi away. If he wanted to threaten Lin Yi, wouldn't it be better to take Ying Ziyu away with him?

He couldn't figure it out, but he still called boss Zhu. Chen Xi's safety had always been his responsibility, but no one picked up after Lin Yi's call went through!

Lin Yi frowned-it seemed like something had happened to boss Zhu as well, and he didn't know if he was in danger."Have you seen second Zhu?"

"No, I didn 't!" Han Tianba knew second brother Zhu, but he didn't see him among the people before. He didn't pay attention to him at that time. Now that he thought about it, he found the problem.

Lin Yi nodded, his face serious. Either second Zhu and elder Zhu were still with Chen Xi, or they'd been exposed!

But now it seemed that the possibility of being exposed was higher. Otherwise, boss Zhu wouldn't have ignored his calls.

"Mister Lin, elder Pi and I will use our house's power to search for Zhao Guangyin. You should contact old master Zhuang as well-hidden houses all have some power after all." Han Tianba quickly said when he saw Lin Yi's frown.

"I guess that's the only way." Lin Yi nodded and called GE Xian. GE Xian was the information collector of the practicing world, so he should have a way to get information about Zhao Guangyin. Of course, that was if Zhao Guangyin was still in the practicing world. If he went into hiding, then no one could do anything.

"Boss?" "Boss, I was just about to call you. I heard that your meridians and energy Center are all destroyed?" This news had already spread in the ancient level. What exactly was going on? You didn't mention this when you called me before, did you?"

"I'm fine. I'm fine. Don't worry. " "I'm looking for you because I need you to help me find out about two people. One is Zhao Guangyin, the young master of the Hidden House Zhao. The other is Chen Xi, Zhao Guangyin's illegitimate daughter!"

"Oh? Alright, boss, I'll remember it. If they appear in the world of cultivation, I should be able to find out their news. " GE Xian nodded and did not ask for the reason. He only said, ""After seeing these two people, should I take measures to arrest them first, or ..."

"If possible, it's best to find out what they're up to and track them down. It'll be good if you can catch them, but I'm afraid you won't be Zhao Guangyin's match. You're on par with him in terms of strength," Lin Yi said.

"That's fine. If I'm alone, I'll Scout out their whereabouts first. I'll take action if I have enough manpower." GE Xian said.

"Alright, I'll leave this to you!" Lin Yi said.

At the moment, they could only wait for more news, and this cast a shadow over Lin Yi's good mood. The others, on the other hand, didn't dare to bring up the celebration anymore after seeing Lin Yi's terrible expression. Qikun felt even guiltier-this was all caused by his hidden house Zhao.

.....

On a dilapidated National Highway, an inconspicuous old Mitsubishi Pajero off-road vehicle was speeding at full speed! Although the car wasn't eye-catching and was very old, it was unusually fast. In other words, the driver of the car was an excellent racer!

And he was actually a one-armed man! That's right, this one-armed man was Zhao Qibing. He was a good driver, and even losing an arm didn't affect his driving skills.

There were three people in the car-Zhao Guangyin, elder Mian, and the unconscious Chen Xi!

"Qibing, are you sure you can do this? This is our hidden house Zhao's last chance to revive!" Guangyin said, worried.

"Dad, don't worry, I've already gotten in touch with the sky elixir sect's elder Kang Zhaoming. He said that before the sky elixir sect's young master started his heavenly silkworm transformation, he would find some girls to be his cultivation vessels, and absorb all the yin energy to turn it into his own true Qi. He used to have a maid called Tian die, but she was sucked to death by him!" Zhao Qibing said with certainty, "Chen Xi has a good cultivation vessel body. When the time comes for the sky silkworm transformation, it will definitely give us great benefits. It won't be a problem for you to join the sky elixir sect. We will have One Sky elixir sect and one dark Palace. When we rebuild the Hidden House Zhao, let's see if that Lin Yi still dares to mess with us!"

"Oh ... That's the only way!" Zhao Guangyin nodded and sighed, "I'm afraid it's over on your grandfather's side ..."

"If it's over, then it's over. It's all that old man's fault for not being smart enough to mess with Lin Yi himself. He didn't know how to use his power. If he was willing to give Chen Xi away to bribe the sky elixir sect, Lin Yi would've been dead long ago!" Qibing said in disdain.

Chapter 2997 Excellent Cauldron

"Sigh, in the end, he's my father and your grandfather. If we just leave like this and ignore him, I'll feel a little bad!" Zhao Guangyin was in low spirits.

"Dad, why don't you think about how he has treated you all these years? And how did you treat me? Even if it was Zhao qikun, how did he treat him? Did he have any affection in his eyes? He chose you to be the young master because you are his puppet. You don't have your own opinions, but he can still control the Hidden House Zhao! And he chose me because I helped him level up, and Zhao qikun, on the other hand, just because he hates Lin Yi, he's always making things difficult for him!" Zhao Qibing

pouted and said, "If we want to deal with Lin Yi, we need to know how to kill with a borrowed knife. Now that the opportunity is in front of us, we'd be idiots if we don't grab it!"

"Ah, I know that even if I told your Grandpa, he wouldn't believe me. He might even make me stay here ..." Guangyin knew his father's personality-if he told him that Lin Yi might have recovered and come back for revenge, would he believe him?

If Qibing didn't come back to visit his family and heard that Lin Yi was here to cause trouble the moment he saw Guangyin, he would've run away with Guangyin and Elder Mian out of fear! None of them would've survived!

Elder Mian ran with Elder Bi because he was smarter than Elder Bi-he knew how Elder Bi died, it was Lin Yi who killed him. He didn't want to follow in Elder Bi's footsteps.

"Right? that's why I didn't want to inform that old man!" "Don't be too sad, dad," Qibing said. "There'll be plenty of chances for revenge. When we come back from our studies, it'll be Lin Yi's death Day!" Hmph, no matter how strong that Lin Yi was, he was no match for an ancient sect! You didn't see how powerful the elder was in front of Lin Yi. He was only an Earth Class, but old Pi, a Sky Class, didn't even dare to make a move! If it wasn't for the skysian transformation, Lin Yi's family would've been destroyed already. "

"That's true!" Zhao Guangyin nodded. The hidden level was very strong compared to the normal level, but it was nothing in front of the ancient level! However, he was still worried, "Oh right, isn't there a feud between the Dark Palace and the sky elixir sect?" There won't be any problems if we rashly visit the heavenly silkworm transformation, right?"

"Haha, haven't you heard of this saying? There are no eternal enemies in the face of benefits. If we put this good furnace in front of the heavenly silkworm transformation, what hatred will there be?" Qibing

waved his hand. "Plus, I'm a core disciple of the Dark Palace. They have to take care of the ancient people's face."

"I hope so." Guangyin nodded, "but I didn't think that elder Zhu and second Zhu were both on Lin Yi's side!" They want to take Chen Xi from us at this critical moment! Luckily, we're all Earth Class Masters, and we managed to subdue the two brothers. Otherwise, this plan wouldn't have worked!"

"Hmph, in fact, when I caught Yu Ning last time, I already felt that something was wrong when Lin Yi came to the door. I started to suspect second Zhu, but I didn't have any evidence, so I took precautions this time. I didn't expect it to be the two of them!" "Hmph!" Qibing hmphed coldly, "if it wasn't for the time constraint, I would've killed the two of them to vent my anger!"

"This time, we're all on the same side. Once we get to the sky elixir sect, there won't be any Lin Yi's spies around us anymore, and we'll be free from Lin Yi's shadow." Elder Mian nodded and said.

.....

In the sky elixir sect, Kang Zhaoming was sitting in Tian Gang's room in the heavenly cocoon transformation. He was smiling carefully. Ever since patriarch xuanchen told him that he had to build a good relationship with the heavenly cocoon transformation even with his relationship with xuanchen, Kang Zhaoming had been trying to please them.

He could tell that if he wanted to have a say here, just relying on patriarch xuanchen wasn't enough. The heavenly silkworm organization might give him face, but they wouldn't give him face!

"Little Ming, what's the matter?" Tian Gang could tell that Zhaoming was a fickle-minded person, but how smart was he? He had been sitting in the position of young sect master with the identity of the heavenly silkworm transformation, so he could no longer show his emotions on his face.

"Young sect master Tian, I heard that the mental cultivation method you're cultivating requires young girls with excellent physiques to be your cultivation vessels?" Kang Zhaoming acted first and reported later because he felt that he had a 90% chance of success.

"Oh? Who did you hear that from?" Tian Gang asked expressionlessly.

"Uh ... In this sect, all the elders with some status know that your previous maid, Tian die, is a good cultivation furnace, right?" Zhaoming said carefully.

"Oh, so what if I am?" Tian Gang nodded. For the sake of patriarch xuanchen's plan, she had indeed disguised herself as a vicious and lecherous young sect master. As for Tian die, Tian Gang had announced to the public that she had been used as a cultivation furnace and died.

"I heard that young master Tian has been looking for a better cultivation furnace to replace Tian die?" Zhaoming relaxed after seeing that the heavenly silkworm transformation didn't show any signs of displeasure, but rather, acknowledged his words.

"That's right, how can it be so easy to find a furnace? Why are you asking this?" Tian Gang didn't even look for a furnace. Her claim of finding a furnace was just a cover up. However, wasn't it up to Tian Gang to decide whether they found it or not?

"Hehe, young sect master, I have a great furnace right in front of you, look ..." Kang Zhaoming finally let out a breath of relief. It looked like he had done a great job this time.

"What excellent furnace? You said you're a furnace?" Tianjie paused, his eyes looking at Zhaoming oddly. "Aren't you a man? Could it be that you're actually 'brother Kang'?"

"Uh ... Of course not ..." Kang Zhaoming was embarrassed by the words and quickly explained, "It's like this, a core disciple of the Dark Palace, Zhao Qibing, has brought you a great furnace for you to cultivate in. He's on his way now!"

"Zhao Qibing from the Dark Palace?" Tianjie was annoyed at Zhaoming for being so nosy, but he couldn't reject him on the surface. He pretended to be happy, "Oh? Didn't I just teach him a lesson? why is he sending me a cauldron now? Is there a problem with this?"

"I can guarantee that there won't be any problems!" Zhaoming said, shaking his head.

Chapter 2998 Private Talk

"It's like this, that Lin Yi didn't care about the ancient sect's restrictions and destroyed the Hidden House Zhao. Zhao Qibing was just going back to visit his family when he ran away with his father. He wanted us to take his father, Zhao Guangyin, in, so he gave his sister, Zhao Guangyin's daughter, to you as a human furnace!"

"What? The furnace was Zhao Guangyin's daughter, Zhao Qibing's sister? They're willing to do this?" Why did this sound so strange to Tiangang?

"Of course, she's an illegitimate daughter, so she doesn't have any feelings for me! The most important thing is that she's Lin Yi's God-sister, hehe, the type of sister that Lin Yi loves!" Zhaoming smiled evilly as he explained, "they think that if this girl is harmed by you, young master, Lin Yi will go crazy. But they don't dare to reason with you, young master. This way, Zhao Qibing will be sad when he sees Lin Yi suffer. It would be the same as him taking revenge for the Hidden House Zhao!"

"Lin Yi's little sister?" Tian Gang's expression changed slightly, becoming a little unnatural, but he quickly concealed it. ""Since that's the case, then bring him over for a look."

"Yes!" Zhaoming was overjoyed at the heavenly silkworm transformation's agreement. "They'll be here soon. I'll bring them to see you as soon as possible!"

After Zhaoming left, Tianjie went into deep thought. Her face changed again and again, as if she was having some kind of mental struggle. In the end, a flash of determination crossed her face and she made a decision.

Zhao Qibing drove the car to the airport of a nearby city and got on a private jet. This was the Hidden House Zhao's Secret property. The registered name of the plane had nothing to do with the Hidden House Zhao, but it was secretly used by the Hidden House Zhao.

The plane headed straight for the heavenly elixir sect, landing at the airport of the city closest to the sect in no time. There was already a car arranged by Kang Zhaoming in the airport. With the tacit approval of the heavenly silkworm transformation, Kang Zhaoming had also used the resources of the heavenly elixir sect. The car quickly brought Zhao Qibing, Zhao Guangyin, elder Mian, and Chen Xi into the heavenly elixir sect. In the guest room, they saw Kang Zhaoming waiting for them.

"Elder Kang, how have you been? this little brother has missed you to death since we last met!" Zhao Qibing had worked with Kang Zhaoming to kill Lin Yi before, but at that time, Zhao Qibing was the leader. Now, he had to respect Kang Zhaoming as his big brother.

"I've already told the young sect master about your matter. " Zhaoming didn't bother to exchange pleasantries with Qibing-Qibing was just a normal core disciple of the Dark Palace, while Zhaoming was already an elder of the sky elixir sect. The difference in status between the two of them was huge, and Zhaoming naturally had to put on some airs, "Have you brought the person?"

"I've brought it!" Zhao Guangyin quickly waved at elder Mian, and elder second placed the unconscious Chen Xi on the ground in front of Kang Zhaoming.

"Tsk, tsk, she's a little beauty. The young sect master will definitely like her when he sees her!" Zhaoming looked at Chen Xi's face, very satisfied. If she was a twisted and crooked person, the heavenly silkworm transformation wouldn't be interested in her even if she was a good furnace.

"That's good, that's good!" Zhao Guangyin let out a breath of relief-it seemed like he had succeeded!

"I'll take you to see the young sect master. You know what to say then, right? There are things you can say and things you can't say. Don't talk nonsense. If you anger the young sect master, you'll all be in trouble!" Zhaoming said.

"Don't worry, elder Kang. Your little brother here has been in the dark night Palace before, so I know some rules." Qibing said quickly.

Zhaoming nodded and led the Zhaos to the room for the heavenly silkworm transformation. After receiving little Peach's report, they entered the room without a hitch.

"Young head, Zhao Qibing, Zhao Guangyin, mianhuashu, and furnace Chen Xi from the Hidden House Zhao are all here!" Kang Zhaoming introduced the Hidden House Zhao's to the heavenly silkworm transformation.

"En, Zhao Qibing, I didn't expect to see you again." Tian Gang looked at Zhao Qibing and asked.

"Young master Tian, you're too polite. I've offended you last time, so I'm here to apologize to you." Qibing didn't see anything wrong with it-after all, he didn't dare to look at the heavenly silkworm transformation in Lin Yi's Villa.

Even now, he didn't dare to look straight at them. Therefore, he didn't realize that the two heavenly silkworm transformations were actually not the same person! Of course, unless it was someone from the sky elixir sect, it would be hard for outsiders to notice the difference between Tian Huan and Tian die.

"Oh, I see." Tian Gang looked at Chen Xi who was on the ground and asked,""This is the furnace you gave me?"

"Not bad!" Qibing quickly replied,"she's a good furnace, but because we don't have the right methods, we're only using the normal methods to raise her. If you can teach her, she'll become a great furnace!"

"Oh, I heard that she's your sister, that Lin Yi's little lover?" Tian Gang nodded and asked.

"Yes, I am!" Zhao Qibing nodded, "but don't worry, young sect master. She's still a Virgin. She's definitely not lost her virginity!"

"I can see that. You don't have to tell me." "Alright, I know what you're here for-Xiaoming's already told me. How about this, Zhao Guangyin, right? you and mianhuaxu can stay here and train with elder Kang Zhaoming!"

"Yes! Thank you, young sect master, for your help!" Qibing was overjoyed-Zhaoming was an acquaintance, and following him would help him with his revenge plans. Plus, Zhaoming was Lin Yi's enemy, too, and they could work together.

Tian Gang saw Zhao Qibing's expression, how could he not know what he was thinking? However, putting all of Lin Yi's enemies together was just a convenient way for Tian Gang to monitor them.

Poor Zhao Qibing and Zhao Guangyin didn't even know about this. They were still immersed in the great plan to revive the Hidden House Zhao, dreaming of one day using the sky elixir sect's power to revive the Hidden House Zhao and kill Lin Yi. They didn't know that Tian Gang was just keeping them under control.

"Little Ming, take them to rest. I want to talk to this furnace alone." Tianjie signaled for Zhaoming to leave.

"Yes! Young sect master!" Zhaoming quickly nodded and gestured for Qibing and the others to leave. Now that the heavenly silkworm transformation had spoken, Zhaoming could naturally place Zhao Guangyin and mianhuapei under his wing.

These two were earth Class Masters, after all, and they were both attack-type Masters as well-with some Qi gathering pills, they'd be able to become Sky Class. Zhaoming was planning for himself as well ...

Chapter 2999 Tian Huan And Chen Xi

After Zhaoming left with Qibing and the others, Tian Gang carried Chen Zhao into her secret room. There was a formation set up in the room, and even a Sky Class master wouldn't be able to hear what was going on inside.

After entering the secret room, Tian Gang stretched out his hand and massaged Chen Xi's body twice. Chen Xi slowly woke up.

Opening her eyes, Chen Zhao looked at the unfamiliar environment and people in confusion. She didn't shout. Instead, she subconsciously shrank.

Chen Xi thought she was ridiculous. Her father had already tried to harm her once, but she still foolishly believed him and saw him again! She thought that she was safe on campus, and with elder Zhu's protection, her father Zhao Guangyin wouldn't be able to do anything to her!

But Chen Xi didn't know that elder Zhu had been knocked out by Zhao Guangyin, elder Mian, and Zhao Qibing this morning, and that she was also taken away by her own father not long after she came out!

So, since the other party wanted her to wake up, it meant that she had been taken to a place where the other party felt safe, which was the other party's territory. There was no use shouting here. Although Chen Xi was young, she could still understand these principles.

He could only blame himself for being so silly and naive. He thought that his father would always be his father and would not harm him. However, he did not expect that he would harm him for the second time!

"You're awake?" Tianshuo looked at the girl in front of him carefully. She was cute, but was she Lin Yi's lover? Lin Yi had a tendency to like lolis? HM, that yang Qiqi was also the petite Type ...

"And you are? Where is this place?" Chen Xi didn't see her father and the others. She felt a little strange. She looked at the handsome man in front of her with confusion.

"Am I handsome?" Tian Gang smiled at Chen Xi.

"Ah?" Chen Xi was stunned. She didn't expect this handsome man to ask this question. She was confused, but she still nodded honestly. "He's quite handsome ..."

"Do you want to be my woman?" Tian Gang nodded and continued to ask. His voice was very warm, making people feel unspeakably comfortable.

"I don 't." Chen Xi shook her head.

"Why?" Tian Gang asked with interest.

"Because...Because I already have someone I like ..." Chen Xi saw that the heavenly silkworm transformation was very affable and didn't look fierce, so she dared to speak some truth.

"Oh, then I'll go kill him!" "Isn't this good enough?" Tian Gang said indifferently.

"Don 't!" Chen Xi was shocked and quickly shook her head. ""I ... I was actually lying to you. I don't have anyone I like."

"Haha, you're Lin Yi's little girlfriend?" Tian Gang changed the topic.

"Ah?" Chen Xi was stunned. She didn't think that this person would know Lin Yi. He must've asked those questions on purpose!

"I'm just joking, I'm actually Lin Yi's friend. " Tian Gang sighed in his heart. It seemed that Chen Xi and Lin Yi were indeed related!

"Is that so?" Chen Xi looked at Tian Gang with some vigilance, as if she didn't believe her words.

"To be honest, I'm the young sect master of the sky elixir sect, and you're just a cultivation vessel that your father and brother sent to me. To put it bluntly, you're my personal belonging, and I can do whatever I want with you." "Since I've told you so much, I actually want you to know that I have no ill intentions toward you," said Tian Gang.

"Really?" Chen Xi felt that the person in front of her didn't seem to be lying to her. "Then, can you let me go?"

"No," Tian Gang shook his head decisively, "If I let you go, your father and brother will capture you again and offer you to someone else as a human furnace. At that time, it won't be as easy as it is now. Do you understand what I mean?"

"Oh ..." Chen Zhao nodded. What Tian Gang said made sense. If he was really his father's bargaining chip for glory, they would definitely catch him again if he went back. "Then what should I do?"

"Stay by my side and be a maidservant. I will teach you the best cultivation method to become a human furnace. You don't need to use your previous cultivation method." Tian Gang said.

"Ah? Then I ... Won't I still have to cultivate into a human cauldron and be used by others?" Chen Xi was stunned, not understanding what Tian Gang meant.

"What if this person is Lin Yi?" "Do you want to be someone who can help him?" Tian Gang smiled.

"En, en!" After Chen Xi heard this, she nodded shyly. She had to admit that one sentence from Tian Ji hit the nail on the head. To be able to become someone who could help Lin Yi, Chen Xi was really happy!

She'd always been telling her that the girls around Lin Yi all had their own unique traits, and that she didn't have any competitive advantage-she'd either have to act cute or seduce them, but Chen Xi wasn't good at any of those things. Now that tianshuo said he'd give her a chance to help Lin Yi, of course she'd be moved.

"From now on, your name is Tian Xi. You will be my personal maid. However, don't tell anyone about this. You are only responsible for me. Do you understand?" Tian Gang asked.

"Yes, don't worry. I won't trust my father or anyone else ..." Chen Zhao nodded, then felt a little embarrassed. "But ... Your personal maid ..." He said.

"Hehe ..." Tian Gang smiled and turned around. He didn't know how, but he wiped his face twice. Then, his hair fell down. He turned around and turned into a gentle and beautiful woman.

"Ah? Y-y-y-you ... You're a girl?" Chen Xi's eyes widened. If she still couldn't tell that the beautiful man was a woman, then there must be something wrong with her eyes.

"That's right. However, can you keep this a secret for me? Including Lin Yi?" Tian Gang nodded and asked.

"En, don't worry, sister. I'll definitely keep it a secret!" Chen Zhao nodded hard. For some reason, she felt that Tianji was very trustworthy. It gave her a sense of security.

Tian Gang didn't know why he showed his true face in front of Chen Xi. Maybe she was Lin Yi's little lover, and Tian Gang felt that he could trust her.

"From now on, in front of me, you can call me young sect master. To the public, my name is heavenly silkworm transformation!" "Don't give yourself away in front of outsiders," Tian Gang said to Chen Xi.

"En, en!" Chen Zhao nodded.

However, after hesitating for a moment, Chen Xi asked weakly, ""Young sect master, can I contact Lin Yi bro?"

Tian Gang hesitated and shook his head. ""Not for now, but I'll tell him when I get the chance. If you contact him, your father and brother will get suspicious and think of other ways to deal with Lin Yi. That's not what you want to see, right?"

Chapter 3000 Tiangang's Plan

"Okay, I know." Chen Xi nodded obediently, "then you have to tell Lin Yi bro, young master, he ... He'll be worried ..."

"Don't worry, I'll help you pass on the message. " Tian Gang said.

Chen Xi was relieved.

After arranging a place for Chen Xi to rest, Tian Gang fell into deep thought! With Zhao Guangyin's arrival at the sky elixir sect, the news of Lin Yi breaking through to Sky Class early phase and trampling the Hidden House Zhao also spread!

Tianshuo was shocked-Lin Yi was fine? And he broke through to the early phase of Sky Class? Tiandie had seen with her own eyes how serious Lin Yi's injuries were-could it be that Lin Yi was faking it?

Tian Gang couldn't figure out how Lin Yi managed to heal himself when his meridians and energy Center were destroyed and he couldn't even use his Arts. However, even though Tian Gang couldn't figure it out, he was relieved.

That's right, how could the man she was concerned about fall so easily? It didn't matter if he was able to recover or if it was just a disguise, Tian Gang thought that Lin Yi was very strong. A solo practitioner destroying a hidden house, just what kind of ability was that?

Although this was an easy task for an ancient sect, it was a sect. How could it be the same as a solo cultivator?

As for Chen Xi's news, Tian Gang didn't plan on calling Lin Yi to tell him. What identity should she use to call Lin Yi? How could he explain it? What if Lin Yi asked her to give him back?

It was fine for Tian Gang to give it to him, but what would patriarch xuanchen think? If she didn't give it to him, Lin Yi wouldn't be happy, and so would tianshuo.

So, Tian Gang decided to spread the news that the young master of the sky elixir sect, the sky silkworm transformation, had found a great furnace, but because he didn't have a good corresponding practitioner's art, he decided to let this furnace cultivate again and use it two years later.

Everything made sense now, and Lin Yi didn't have to worry about anything happening to Chen Xi within the next two years.

Of course, Tian Gang was not afraid that Chen Xi would be snatched away and used by others in the next two years. Even patriarch xuanchen could not! After all, Tian Huan had to maintain his lecherous identity in front of outsiders, so it was impossible for him to give what was in his bag to others.

After thinking of Chen Xi's future, Tian Gang let out a sigh of relief.

House Zhao's father and son, as well as elder Mian, settled down in the guest room while Zhaoming went to meet the xuanchen patriarch!

"Disciple Kang Zhaoming greets master!" Zhaoming saw the Black Earth patriarch's face the moment he entered. He didn't know why the Black Earth patriarch was unhappy, but he knelt down in fear and respect.

"Kang Zhaoming, who told you to give the heavenly silkworm transformation a human furnace?" "Who are you?" patriarch xuanchen asked coldly.

"Ah?" Zhaoming blinked. He didn't think that the xuanchen ancestor was angry because of this, but he didn't know what he did wrong. "Honored master, didn't you say that I'm an elder of the sky elixir sect after all, and that I should have a good relationship with the young master? I was thinking, a maidservant was killed by him, so I found a furnace to please him, is there anything wrong with that?"

The xuanchen ancestor blinked and realized that he was indeed a little too impatient. Zhaoming didn't know the reason behind it and didn't know that the heavenly silkworm transformation was actually a female, which was why he did all this. He knew that Tian Gang couldn't use a furnace to cultivate as it required the balance of yin and yang. Tian Gang and Chen Xi both had Yin attributes, so how were they supposed to use them? The so-called killing of a maidservant was just an announcement. Xuanchen remembered that the maidservant died in an accident.

"A cultivation vessel is such a huge matter, if you don't discuss it with me, what if the heavenly silkworm transformation doesn't like it? Aren't you flattering the wrong person?" Patriarch xuanchen explained,""I'm doing this for your own good!"

"I'm sorry, master. I was too impatient. Next time, if there's something big, I'll definitely discuss it with you first!" Kang Zhaoming quickly replied.

"Yeah, I heard that Zhao Guangyin and mianhua are both Earth Class Masters?" Asked patriarch xuanchen.

"Yes, master!" Kang Zhaoming quickly replied.

"Find a chance to test them. Ask them if they want to become stronger. If they do, I can help them." The xuanchen ancestor said after some thought.

"What do you mean?" "You're giving him a Qi gathering pill, master?"Zhaoming blinked.

"Where would we find so many Chi-amassing pills for them to consume?" Patriarch xuanchen shook his head."I'm working with a faction to transform cultivators. However, I don't know if it'll succeed or if there are any drawbacks, so I planned to find someone to try it out. Coincidentally, the two of them came to me."

"So it's like this, if you don't handle it well, you'll die easily!" Zhaoming nodded. "You're indeed a vicious person, master. I didn't expect you to harm the Hidden House Zhao. I'm impressed!"

"Alright, stop flattering me. I'll let small one follow you. When the time is right, show off your ability in front of the two people from Zhao clan. I'm afraid that they will take the initiative to beg you to become stronger!" Said patriarch xuanchen.

"En, that's right. Don't worry, master. I've made arrangements. I won't let you down this time!" Kang Zhaoming nodded and prepared to leave.

"Wait! Before you leave, tell little peach to inform the heavenly silkworm transformation to come see me. Tell her that I have something to discuss with her!" Ancestor xuanchen instructed.

"Yes, master!" Zhaoming didn't think too much about it. After he left, he found little peach and told her to inform the heavenly silkworm transformation to meet patriarch xuanchen. As for himself, he went to find little one to meet Zhao Guangyin and mianhua.

The heavenly silkworm transformation knew that patriarch xuanchen or patriarch xuanzhen would definitely look for her because of the cauldron, so she was not surprised. She went straight to patriarch xuanchen's room and said respectfully, "Disciple Tian Gang greets uncle-master xuanchen!"

"Yeah, Tiangang, I heard that Kang Zhaoming gave you a cultivation vessel. How are you going to handle this?" Patriarch xuanchen did not beat around the bush and asked directly.

"Martial uncle xuanchen, I plan to announce to the public that the mental cultivation technique this cultivation vessel has been cultivating previously isn't too suitable. I plan to let her cultivate a good

cultivation vessel mental cultivation technique again. After that, I'll let her be one of my maids and temporarily replace little Peach's position." "This way, not only can I hide the fact that I'm a woman, but I can also make everyone think that I didn't use the furnace because the mental cultivation method she's cultivating isn't suitable," Tian Gang said.

"En, that's not bad." Patriarch xuanchen nodded. Although he really wanted to give this cultivation furnace to his other disciples, it would be a waste to give it to Tian Gang!
