

Bodyguard 3071

Chapter 3071 New Mission

After all, it was Dongfang xiaocui who started this, so Feng Tianlin wanted Feng Shanshan to be on guard. The only thing that made Feng Tianlin happy was that Dongfang xiaocui was a fool, but Feng Shanshan wasn't. Although he looked gentle, he was a very smart person.

Upon reaching Feng shangxin's room, Feng Tianlin quickly opened the door and walked in.

"Dad, you're here!" Feng Shanshan didn't feel that being under house arrest was a kind of torture. Instead, he was at ease and began to cultivate. When he saw Feng Tianlin, he nodded to him and continued to cultivate.

"Psalms, there's something I need to tell you! Can you help me analyze it? what other preventive measures do I need to take?" Feng Tianlin could tell that Feng Shanshan wasn't an ordinary person ever since he returned safely from the sky elixir sect test. Although he was a good person, he wasn't just a good person!

"Oh? What's wrong? Or is it because of some heaven-defying matter?" Feng Shangguan immediately stopped his cultivation and raised his head to ask.

"It's like this. Your mother is a prodigal. She can't do anything but cause trouble!" "It's like this ..."Feng Tianlin said with resentment.

When Feng Shangshi heard her mother's actions, he frowned. He didn't agree with her, but he could only smile bitterly, ""Dad, don't be angry. Mom has always been like this. You know that. You've understood this since the day you married her ..."

"Al! "Yeah, if I wasn't so weak back then, I would've rejected the marriage, but I ..." Feng Tianlin was a weak person compared to Feng Tianlong. His brother was able to reject the marriage and find true love, which was something Feng Tianlin envied but didn't dare to do.

However, it was too late for him to regret now. He could only take one step at a time!

"It's good that I have a son like you. You didn't let me down!" This was the only thing that Feng Tianlin was glad about.

"Dad, let's not talk about this for now. How are you going to deal with this?" Feng Shanshan waved his hand and asked Feng Tianlin, "Sister Shihan's in danger, and the guy's a Sky Class early phase-only I can deal with him myself, but I can't leave yet ... Uncle won't let me leave, and I can't take the charge of running away ..."

"This is also what I wanted to discuss with you!" "It's like this, I found a bodyguard for Shi Ping, and he's a Sky Class early phase master ..."Tianlin said.

"What? Sky Class early phase? Dad, did you make a mistake? An early phase Sky Class, you think you can be someone's bodyguard?" Feng Shitan suddenly felt that this was impossible, because it was too ridiculous.

Which Sky Class early phase practitioner wouldn't train hard and earn money as a bodyguard in the common world? Even if he had to work for others, he would go to a big family to be a guest and obtain some cultivation resources!

"At first, I found it a little strange, but the other party said it with such confidence ..." Feng Tianlin then told Feng Shangyi everything that had happened.

After Feng Shanshan heard it, he also felt a little strange, "It doesn't sound like a scam, but I still don't get it. I'm afraid this matter isn't that reliable! According to what you said, even if this person is a Sky Class early phase, he's only a freelancer-it's impossible for him to go against a Sky Class early phase from the Dongfang family! You have to know, at the Sky Class level, the difference between practitioners is very obvious, especially between the individual practitioners and the practitioners from these noble houses. "

"That ... You're right ..." Feng Tianlin couldn't help but frown. Feng Shasha was right-how could a Sky Class master in the common world be the same as a Sky Class in an ancient sect?

Not to mention the common world, even the Sky Class Masters of the ancient sects and hidden houses were different!

At the thought of this, Feng Tianlin, who had just heaved a sigh of relief, became nervous again. "Then what should we do? But that's the only way I can think of right now. It's not realistic to find a powerful Sky Class in such a short time ..."

"I do have a suitable candidate, but I don't know if he'll be willing to help ..." Feng Shasha hesitated for a moment before saying. Although he was embarrassed to ask for help, he had no choice for the sake of his sister.

"Oh? Who is it?" Feng Tianlin quickly asked.

"Boss Lin Yi!" Feng Shanshan said.

"Lin Yi?" Feng Tianlin was slightly taken aback.

"Not bad! If boss Lin Yi can make a move, then killing that Sky Class early phase won't be a problem at all!" Feng Shasha nodded and said with certainty, ""When boss Lin Yi was at Earth Class late phase peak, he could already kill Sky Class middle phase in seconds. Now that he's at Sky Class early phase, Sky Class early phase is nothing to him!"

"Psalms, can you get Mister Lin Yi to help you?" Feng Tianlin heard Feng Shasha's words and immediately realized that Lin Yi was the most suitable candidate. A normal Sky Class early phase master was no match for the Dongfang family's Sky Class early phase master, but Lin Yi could kill them in seconds. Even Sky Class Masters who were higher levels were no match for Lin Yi. If they invited someone like this, wouldn't xu Shihan be safe?

"I'll try, but I'm not 100% confident!" Feng Shanshan said after hesitating for a moment.

"Okay, then call Mister Lin Yi immediately. We'll pay him whatever he wants, and whatever conditions he has, just name them!" Feng Tianlin quickly said.

"I'll give him a call now. " Feng Shasha nodded and took the phone from Feng Tianlin. She called Lin Yi's number, but Lin Yi's voice came from the other side.

At this moment, Lin Yi was on the phone with old Lin!

"Yi, I got you a mission!" Old Lin's voice came from the other end of the phone.

"Oh? What kind of mission?" Old Lin's words came out of nowhere, and Lin Yi paused, not understanding what the old man meant. "I say, old man, what are you talking about?"

"Yi, didn't you ask me to take on missions for you? you want to earn money, right?" "You don't need money anymore?" old Lin asked back.

"I'm lacking! What kind of mission?" Lin Yi suddenly remembered that he did ask old Lin to accept the mission for him, but he'd been too comfortable for too long and didn't react in time.

"A bodyguard's mission!" "150 million per month!" Said old Lin.

Chapter 3072 The Superstar's Personal Expert

"Bodyguard?" Lin Yi frowned, "this is a long term mission. The pay isn't bad, but aren't there short-term assassination missions?" Although I don't have any enemies for the time being, I'm still worried about leaving Donghai's Villa for a long time!"

"Don't worry, I've already thought about it for you. The mission's requirements are simple-they only need the bodyguard to be a Sky Class master, and the person they're protecting can accommodate the bodyguard and follow him to his city. That way, you won't have to leave Eastern Sea city-you can complete the mission here!" Old Lin explained.

"Oh? There's such a good thing?" Lin Yi was a little surprised, "but, since they asked for Sky Class bodyguards, the person they're protecting must be something special, right?" This mission was not that easy to complete, right? The enemy we're facing probably isn't weak, right?"

"I'm not sure about that. I'll give you the other party's phone number, and you can talk to him about the details!" "Besides, other than a fixed monthly salary, you can also ask him for some cultivation resources, and he agreed without hesitation. I'm guessing that he's not a simple person either!" Old Lin said.

"Okay, I got it. Old man, send me your phone number!" He said. Lin Yi nodded. It wasn't an easy mission, but Lin Yi needed money. And this mission was very suitable. He could carry out the mission without leaving Eastern Sea city, so why not?

Lin Yi hung up and waited for old Lin's message, but his phone rang again!

Lin Yi thought that it was old Lin calling, but it was an unknown number!

"Hello? Hello there!" Lin Yi picked up politely since he didn't know the caller.

"Boss, it's me, I'm Feng Shasha!" It was a familiar voice! The call was from Feng Shasha. When Lin Yi's call didn't go through, he kept calling until Lin Yi ended his call with old Lin.

"Poems!" Lin Yi was a little surprised when he received a call from Feng Shasha. He thought that it would be difficult to contact him after Feng Shasha returned, "Long time no see, how have you been?"

"Boss, I'm calling because I need your help with something ..." Feng Shangguan felt a little embarrassed after saying this. He hadn't contacted Lin Yi for a long time, and now that he was calling, he had to ask for help. This made Feng Shangguan blush.

"What favor? tell me!" Lin Yi, on the other hand, was very straightforward-he'd always treated these lackeys very well!

Lin Yi's straightforwardness made Feng Shanshan even more embarrassed, but he had no choice. If he didn't ask for Lin Yi, he didn't know who else to ask. He could only bite the bullet and say, "Boss Lin Yi, it's like this ... I need you to protect someone ..."

"What? You want me to protect someone's safety?" Lin Yi was surprised-wasn't this too much of a coincidence? Old Lin had just accepted a mission for him to be a bodyguard, and now Feng Shasha was here begging him?

Normally, Lin Yi would've agreed, but he'd already accepted the mission. How could he? So Lin Yi was put in a difficult position. He wanted to refuse, but he couldn't!

"Boss, don't worry, the reward won't be a cent less!" Feng Shanshan quickly added after hearing Lin Yi's shocked tone.

"It's not that I don't want to, but ... I have other things to do. I need to protect someone else, so I'm afraid I can't promise you ..." Lin Yi smiled bitterly, ""This is also a coincidence ..."

"Is that so ..." Feng Shuping was a little disappointed, but he didn't force it. Since Lin Yi said that he had something to do and needed to protect someone, what else could he say? "It's okay, I'll think of another way, boss, you can go back to your work ..." He could only say.

"Okay ..." Lin Yi said apologetically, "There's no other way this time ..."

After hanging up the phone, Feng shangxin smiled bitterly and passed on Lin Yi's words to Feng Tianlin. After Feng Tianlin heard it, he was a little disappointed. He didn't know Lin Yi, so he said to Feng shangxin, "Psalms, maybe Mr. Lin Yi didn't want to help and found an excuse ... How can there be such a coincidence?"

"Dad, you don't understand boss Lin Yi. He must really have something to do, it's not what you think ..." Feng Shangping understood Lin Yi and defended him.

"Forget it. I'll just place my hopes on my bodyguard ..." Feng Tianlin smiled noncommittally, not bothering to explain himself to Feng Shanshan.

Feng shangxin still wanted to explain, but just then, Feng Tianlin's phone rang again!

Lin Yi didn't lie to Feng Shangyi. Old Lin gave him a mission, and he had to carry it out. Otherwise, it would affect old Lin's reputation as a manager. This mission was actually issued by Feng Tianlin himself, but Lin Yi didn't know about it, and neither did Feng Tianlin and Feng Shangyi!

However, because the number Feng Tianlin gave old Lin wasn't the same number Feng Shasha used, Lin Yi didn't realize that the two were the same person. He still followed the agreement and dialed Feng Tianlin's number, ready to discuss the details of the mission!

"Hello, how are you?" Feng Tianlin didn't know Lin Yi's number, so he picked up the phone without thinking.

"Is it Mr. Xu?" Lin Yi asked politely.

"Yes, it's me. You are ..." Feng Tianlin immediately guessed that the person who called him was most likely the bodyguard he found on the mission entrustment website.

"I'm the bodyguard you're looking for. " "Now, I need to confirm the details," Lin Yi said.

"Okay, Mr. Bodyguard, please go ahead." Feng Tianlin didn't know Lin Yi's surname, so he called him Mr. Bodyguard.

"First, I want to confirm the gender, age, occupation, and lifestyle of the protected person." Lin Yi asked.

"Since it's a cooperation, I won't hide it from you!" "The person you need to protect is a girl," Feng Tianlin said."She's 20 years old this year and a celebrity."

"A celebrity?" Lin Yi couldn't help but frown. "Doesn't that mean that celebrities have to go everywhere to attend events? Then do I have to follow her around?"

Chapter 3073 The Phone Is Connected To A Different Line

"I'll ask her to try her best to cancel it. If she really can't, I'll discuss it with you first. What do you think?" Feng Tianlin asked.

To be honest, Lin Yi didn't want to be a celebrity's bodyguard. A celebrity couldn't live in his own villa—he was a public figure, after all, and it was another matter if the celebrity was willing to live with him or not. Plus, Lin Yi had to go around with the celebrity to do events.

However, the employer said that he could cancel the celebrity's activities as much as possible, so it didn't seem like he was a big celebrity. It shouldn't be a problem for them to live together, so he said, "For the safety of the protected, I want her to live with me. Can you do that?"

"Living together ..." Feng Tianlin wasn't afraid of anything else, but he was afraid that Lin Yi would steal from him! His daughter was a big star, and a popular one at that. If she was pushed down by a bodyguard, where could he go to reason? He was a Sky Class master ...

"I'm just trying to make it easier for me to protect her. After all, even if she doesn't live at my place, I'll still have to live at her place. It's just a matter of habit." Lin Yi didn't know Feng Tianlin's concerns, and thought that Feng Tianlin was not used to it!

After all, Lin Yi didn't even know what the celebrity looked like. Who knew if he was an ugly monster? Lin Yi knew that some celebrities weren't even as good as a normal person after removing their makeup, so he didn't have that thought at all.

"This ... That's true!" Feng Tianlin thought about it carefully. It was true. If he found a bodyguard for Xu Shihan and they didn't stay together at night, how would the Dongfang family protect their daughter when they came? Feng Tianlin nodded. ""That's fine, but is there anyone else in your residence? I'm afraid my daughter won't be used to it. "

"There are!" Lin Yi, on the other hand, was starting to get impatient-he'd only accepted this mission because he needed money, but he was a Sky Class now, after all, and he still had a bit of a temper,"Mr. Xu, since you've asked for a Sky Class master, you should be considered a practitioner-don't you think that I'm already doing a good job protecting your daughter? what's there to be picky about?"

"Well ..." Feng Tianlin couldn't help but smile bitterly. Indeed, he didn't hire a normal bodyguard, but a Sky Class master. He couldn't treat him like a normal bodyguard. With that thought, Feng Tianlin quickly apologized, ""I'm sorry, Mr. Bodyguard. I'm just thinking about my daughter. Please forgive me."

"Alright, you can ask your daughter or the people around her to contact me directly." Lin Yi said.

"Alright. How should I address you, Sir?" Feng Tianlin asked.

"Ling Yi, this is the number. You should be able to see it." Lin Yi didn't leave his real name-it was the name he used when he was on a mission, so he used it out of habit.

"Alright! Mr. Ling Yi. " Feng Tianlin nodded and hung up.

"Ling Yi?" Feng Shanshan, who was standing beside him, was stunned. Why was this name so familiar?
"Dad, let me see your phone ..." He said.

"Oh? What's wrong?" Feng Tianlin handed his phone over to Feng Shasha.

Feng Shanshan looked at the number on Feng Tianlin's phone and exclaimed, ""It's ... It's ... It's really ... Really boss?"

"What boss?" Feng Tianlin felt a little strange, but he quickly reacted. ""You're saying that the person on the phone is Lin Yi?"

"Yes, this number is boss Lin Yi 's, and Ling Yi is the name boss used before ..." Feng Shangshi said excitedly, ""You see, boss does have something to do, but I didn't expect him to take the mission as a bodyguard!"

Feng Tianlin was also extremely surprised. He didn't think that the bodyguard he hired would be Lin Yi! This Lin Yi wasn't a normal Sky Class early phase-he could use it on a Sky Class mid phase! Even if the Dongfang family sent a Sky Class early phase master, Feng Tianlin wouldn't have to be afraid.

"I didn't expect that. Is Lin Yi lacking money?" Feng Tianlin asked curiously.

"I'm short of money...Oh right!" Feng Shanshan suddenly remembered the news he got from GE Xian. After he returned to house Feng, although he didn't contact Lin Yi, he had been paying attention to him. He also knew about the bankruptcy of Lin Yi's medical company. If Lin Yi said that he was short of money, it was true! And so, Feng Shanshan told Feng Tianlin about this.

"Sigh, if that's the case, I should give him more money, but I only have 300 million in my private savings, which is only enough to hire him for two months ..." Feng Tianlin smiled bitterly, ""I want to pay more, but I don't have the money!"

"I understand, we'll just do our best. But, I really didn't expect that with boss's help, sister Shihan will definitely be fine!" Feng Shasha heaved a sigh of relief, but at the same time, she suddenly became nervous, ""Wait, dad, if boss Lin Yi killed the people from the Dongfang family for Shihan sis, wouldn't he offend them?"

"This ..." Feng Tianlin's expression changed slightly. "I didn't think about this before. After all, a bodyguard's job is to take someone's money and help them solve their problems. We've paid the reward, so even if the bodyguard gets hatred points because of the Dongfang family, it doesn't have much to do with us. But now that this person is Lin Yi, if you don't make things clear, there'll be estrangement in the future. So, Shangping, if you want to tell Lin Yi, just say it, I support you!"

"Dad, thank you!" Feng Shanshan said, a little touched. Since Feng Tianlin said this, it meant that he was prepared for Lin Yi to quit at any time. But Feng Shanshan knew Lin Yi's personality, "But don't worry, dad. I know boss's personality. If the person he's protecting is my sister, he'll only do his best. Even if he doesn't pay, he'll do it!"

"Okay, then you make the call!" Feng Tianlin said.

Feng Shasha picked up her phone and dialed Lin Yi's number again, but this time, she used the number Feng Tianlin used to contact Lin Yi.

"Mr. Xu, is there anything else?" Lin Yi saw the caller ID and picked it up. He thought that Feng Tianlin had forgotten to tell him something!

"Boss, it's me!" Feng Shanshan quickly replied after hearing Lin Yi's voice.

"Gah?" Lin Yi blinked, surprised. "Feng Shanshan? Why are you using this number to make a call? Could it be that the phone is connected?"

Chapter 3074 It's A Person

"Boss, the person who called you just now was my father ..." Feng Shasha said weakly, "The person he asked you to protect and the person I want you to protect are the same person ..."

"Pfft ... No way? Such a coincidence?" Lin Yi felt that this was too much of a coincidence-he'd just left the mountains for a mission, and it was to protect Feng Shasha's family!

"Yeah, I was wondering why you suddenly went to protect others, boss. So it's this mission!" Feng Shanshan said.

"Since we're on the same side, I don't need money. Just give me some cultivation resources." Lin Yi didn't have enough money, but he couldn't get paid for protecting Feng Shasha's family.

"That works too!" Feng Shanshan did not reject him, but agreed readily, "My father has 350 million in his private savings. Take it, boss. It's not a reward. As your underling, I'm helping you. I've heard about your company. I'm doing my part!"

"Alright, then I'll be impolite to refuse." Lin Yi nodded in agreement since she'd put it that way.

"By the way, boss, I'm calling to remind you that the people who are looking for trouble with my sister are from the ancient Dongfang family!" "The other party's background is very strong. Boss, it's fine if you reject him. After all, I don't want you to get into trouble!" Feng shangxin said.

"The ancient Eastern family?" Lin Yi's heart skipped a beat, but he said faintly, "The ancient plane ... It's fine-I'm a Sky Class now, and I'll step into the ancient plane sooner or later. I'll just take a look at the Dongfang family first."

If it were any other house, Lin Yi would've helped as well, but he'd probably ask Feng Shanshan to keep his identity a secret. He didn't want to make an enemy out of an ancient sect for no reason, at least as a representative of the ancient house Feng, he'd keep his identity a secret.

But the ancient Dongfang family already had a grudge against Lin Yi, and elder Dongfang's death would be traced back to Lin Yi sooner or later. It didn't matter whether Lin Yi went against them or not. Even if Lin Yi killed a few more people from the Dongfang family, it would only make the hatred even greater. If he didn't kill them, the Dongfang family would find out about elder Dongfang's death and wouldn't let him go easily.

"Boss, you've decided?" Feng Shanshan was taken aback. He didn't know what Lin Yi was thinking, he thought that Lin Yi was doing this for him.

"Hehe, of course I've thought of it." "Alright, I got it. Get your sister to contact me!" Lin Yi smiled.

"She's my sister!" "By the way, my father hid his family name from you. Please don't be angry, boss!" Feng Shasha said.

"Hehe, I also concealed it. Under the premise of not being familiar with it, it's understandable to do so!" Lin Yi said nonchalantly.

"Okay, boss, I'll let father and sister contact each other!" Feng Shasha felt a lot more relaxed after settling this matter, especially after Lin Yi said that he was about to step into the ancient world anyway, and going against the Dongfang family wouldn't bring him any trouble.

"How is it?" Feng Tianlin quickly asked after Feng Shanshan hung up.

"The boss has agreed, and he knows about the Dongfang family's situation, but he's not worried. He also wants to use the Dongfang family to see the ancient level ..." Feng Shangshi said.

Feng Tianlin nodded and sighed, "I have to say, Lin Yi's growth this year is too fast. From nothing to something, he's appeared out of thin air. The noble houses and hidden houses can't stop him anymore. I think there'll be another bloody storm in the ancient world. Fortunately, you've established a relationship with Lin Yi early on. Perhaps he'll be the last straw for us father and son ..."

Feng Tianlin didn't really like Lin Yi at first, so when Feng Shasha returned to the family, he thought that Feng Shasha was too impulsive to acknowledge a practitioner as her boss. But after paying attention to him for a while, Feng Tianlin finally understood what kind of person Lin Yi was!

A solo cultivator destroyed a hidden house without even blinking, what kind of methods and courage was this! Plus, Lin Yi was now an enemy of the everyday and every day sect, and yet he wasn't hurt at all. What did that mean?

All of this showed that Lin Yi had extraordinary abilities, and it was a wise move to let him be Xu Shihan's bodyguard!

"Dad, it's great that you're supporting me," Feng Shanshan heaved a sigh of relief. It seemed like Feng Tianlin wasn't against him calling him boss, which made him very happy.

"I naturally do not object!" "I'll call Feng sanhuang right now and make the arrangements," Tianlin said with a smile.

"Master!" Feng sanhuang saw Feng Tianlin's number and quickly found a place with no one around to pick up the call. He said in a low voice, "Is there something you need me to tell you?"

"Arid triad, how has little han been recently?" Feng Tianlin asked.

"Master, miss has been very safe recently. There hasn't been any danger. However, because of the attack last time, miss has been very low-key recently and hasn't gone to other cities to participate in activities." Feng sanhuang said.

In fact, it wasn't because Xu Shihan had been keeping a low profile recently-it was because Feng nitian was crippled, and Feng Tianhu didn't have the mood to deal with Xu Shihan anymore. All his attention was on Feng nitian, and now that Feng nitian was dead, he started to deal with Xu Shihan again.

"Yes, but arid triad is about to face great danger!" "The Dongfang family is preparing to attack han-that Dongfang guy isn't weak, he likes her and wants to ... And they've sent a Sky Class early phase to deal with you guys!"

"What? Sky Class early phase!" Feng sanhuang was shocked-he didn't think that Feng Tianhu would be able to use a Sky Class master against him and Xu Shihan. Did house Feng change? Feng Tianhu had already taken over the position of family head? "Could it be that Feng Tianhu has risen to power and is working with the Dongfang family? That's not right, the second mistress should be on master's side ..."

Feng sanhuang only knew a little about the Feng family's Affairs on the surface. He didn't know what had happened in detail since he was far away.

"You don't need to know about these things. Feng Tianhu didn't take the position, and it was a bit of a freak combination of factors that led to the Dongfang family's actions ..." Feng Tianlin naturally couldn't explain the consequences of Dongfang xiaochui's foolishness.

"But ... An early phase Sky Class ... I'm no match for him at all, what should I do?" Feng sanhuang was shocked.

Chapter 3075 No!

He didn't know what to do-after all, Sky Class early phase wasn't something he could handle so easily, and so he was a bit dumbfounded when he heard the word Sky Class.

"Arid triad, don't worry-Shi Ping has already contacted a bodyguard for her, a Sky Class early phase!" "You just need to think of a reason for her to accept this new bodyguard," Feng Tianlin said.

"Alright, I can easily do that!" All these years, Feng sanhuang had been by Xu Shihan's side, and she trusted him, but he was still worried, ""Master, they're both Sky Class early phase, can they fight against the Dongfang family?"

"This isn't a normal Sky Class early phase, it's an early phase Sky Class that can jump levels, hehe, you'll know when you see it!" "I'll send you his number, you can contact him directly!" Feng Tianlin smiled.

"What? He could fight enemies above his level? Which ancient sect's elite disciple is this?" Sanhuang was surprised-these weren't normal fighters, either. They were usually important training targets for ancient sects or families, just like nitian from house Feng.

But, why would someone like him be a bodyguard for her? These were all incomparably arrogant experts!

"Hehe, you'll know when the time comes." "However, you have to go to the city he's in and live with him. This is also a requirement of this master ..." Feng Tianlin didn't say much.

Feng Tianlin told Feng sanhuang some of Lin Yi's requirements and precautions.

"Alright ..." Sanhuang was confused, but he could only nod.

Not long after he hung up, he received a text from Feng Tianlin. It was a phone number, and the owner of the number was called "Ling Yi."

After getting the number, Feng sanhuang went to see Xu Shihan.

"Brother Feng, is there anything I can help you with?" Xu Shihan saw Feng sanhuang walking over and asked. Under normal circumstances, Feng sanhuang was his bodyguard and driver, so he rarely talked to her. It was Wang sis who was in charge of work.

"Miss Xu, I've received news that the group of people who had previously dealt with you will probably make their move on you soon!" Feng sanhuang said to Xu Shihan seriously, "So, for your safety, I want to get my friend to be responsible for your safety."

"Ah? Those people still want to make a move?" Shihan was shocked-she'd been keeping a low profile these days, and there hadn't been any accidents recently, so she thought that it was over. She didn't expect that group to still make a move!

"Yes, the information should be accurate." Feng sanhuang nodded.

"Sure, you can just tell sister Wang about the salary. It's better to have an extra bodyguard." Xu Shihan didn't doubt Feng sanhuang's words and chose to believe him. She nodded.

"But my friend still has other things to do. Can we go to the city he's in for a while?" Sanhuang asked.

"Ah? We're even going to his city ..."Shihan paused-it wasn't that she didn't want to go, but it was hard to work in a strange city.

"That's for sure. If we ask him for help, we have to accommodate him, right?" Feng sanhuang didn't mention the money-in fact, he didn't know how much it was, but as far as he was concerned, it was already good enough that a Sky Class early phase could help!

"That's true. " Xu Shihan didn't have the temper of those big stars, so she nodded and agreed.

However, the manager, Wang sis, heard the conversation between Feng sanhuang and Xu Shihan and was a little unhappy, ""Feng, can't you protect miss Xu? Who else was he looking for? If we go to another city, how are we going to continue our work? Miss Xu is going to release a record in the first half of next year. If you go to a small city without a recording studio, how are you going to make a record?"

"Sister Wang, let's listen to brother Feng," Xu Shihan shook her head. She was the only one who knew how vicious the people who wanted to deal with her were. If it wasn't for Lin Yi when they were in trouble in the black alley, she would have died there!

Feng sanhuang never said things he wasn't confident in. Since he said he was asking for help, it meant that he wasn't confident in fighting back. Xu Shihan wouldn't argue with him on this matter.

"Oh ..." Wang sis didn't want to-she didn't know how dangerous it was, but Shihan was insistent, so she had no choice.

Feng sanhuang dialed Ling Yi's number.

"Hello, are you Mr. Ling Yi? I'm the protected's current bodyguard. May I know which city you're in?" Feng sanhuang asked politely. The opponent was a Sky Class master!

"It's me. I'm in Eastern Sea city. I can pick you up when you arrive at the airport. " Lin Yi said. She was Feng Shanshan's sister, after all, so Lin Yi naturally treated her with more enthusiasm.

"Alright, we'll take today's flight and reach Donghai airport at night." Feng sanhuang said,"we are the senior members of the airline. We have a special VIP green channel. You can wait for us at the arrival exit of the VIP green channel. I'll book the ticket and let you know the specific time."

"No problem," he said. Lin Yi nodded.

After making the call, Lin Yi called Mengyao and Yushu down.

"Shield bro, it's the weekend, why are you calling us so early in the morning? what's up?" Chen Yushu yawned as she came upstairs.

Mengyao was confused as well-why did Lin Yi wake them up on a weekend morning?

"Yaoyao, Shu, I called you this time because I have something important to tell you." Since Lin Yi had decided on the mission, it was time for him to tell them the details. After all, the celebrity they were protecting had to live at home too.

"Oh? What's the matter?" Yushu asked, confused.

Mengyao didn't ask, but she looked at Lin Yi with wide eyes, waiting for him to say something.

"It's like this ... I'm short on money recently, you two know that, so I took on a bodyguard mission to protect someone ..." Lin Yi got straight to the point.

"Bodyguard mission?" "Protect the guy or the girl?"

"It's a girl, a celebrity ..." Lin Yi said.

"No..." Chu Mengyao heard that Lin Yi was going to protect a woman, and she was a celebrity at that. She subconsciously stopped him, but the word "no" came out of her mouth ...

Chapter 3076 Personal Seat

However, after she said this, she blushed again. Why did she stop him? What was he afraid of? Could it be that she was afraid that the pretty girl Lin Yi was protecting might fall in love with him too?

Eh? Not also ... How could it be "also"? She didn't even like Lin Yi!

"What I mean is ... You're supposed to protect me and Shu, how can you go protect other people?" Chu Mengyao saw Lin Yi and Shu looking at her strangely and explained with a blushed face.

"But shield bro's mission is already over. Could it be that Yaoyao sis is afraid that someone else will take away your position as the big miss in shield bro's heart?" Yushu, on the other hand, knew Mengyao very well and said what Mengyao was thinking.

"How ... How is this possible? I just ... Um ... I just thought that shield bro shouldn't be going on a long trip since the final exams are coming up. "It's New Year's in a month ..."Mengyao was still rambling.

"It's fine. I'll get them to move into the villa. I won't go far. " "Plus, this mission was given to me by one of my followers, Feng Shanshan, so I couldn't really say no ..." Lin Yi said.

"I see, okay then ..." Chu Mengyao thought that it would be fine if they moved to the villa. Lin Yi wouldn't do anything with the celebrity under her and Shu's eyes, right? After all, he didn't even need to do anything, and Shu could turn the world upside down.

Back then, weren't tang Yun and Feng Xiaoxiao also speechless at Shu's actions?

"Then I'll go and prepare. I'll clean up two rooms on the first floor and pick them up." Lin Yi nodded and went to tidy up the room. Granny sun had already left, so the house chores were left for everyone to do.

Chen Yushu waited for Lin Yi to leave before speaking, "Don't worry, Yao Yao-she's just a celebrity. She definitely wouldn't be able to threaten Yaoyao sis "position. If she had any lewd thoughts about shield bro, Shu would let her know who the main wife was in this villa! Plus, shield bro's seen Shihan sis before- he wouldn't even bat an eye at a normal star!"

"I'm not worried about that. "I'm just worried that the celebrity's not easy to get along with ..."Naturally, Mengyao wouldn't admit it. But it made sense-he'd seen a big star like Xu Shihan before, so if he wanted to date someone, he'd go for Xu Shihan. Why would he be interested in a small star? When he thought of this, he felt much more at ease!

"It doesn't matter. She lives on our territory, so she has to follow our rules! She must be begging shield bro to be her bodyguard. If she doesn't want to, she can just leave!" Chen Yushu replied.

Lin Yi packed up his room, and it was almost time. He drove to Donghai airport. Feng sanhuang's flight was at noon, and he would be there in the afternoon. He thought that since they were in danger, they should meet up with Lin Yi as soon as possible. This way, they could ensure Xu Shihan's safety.

Donghai airport's VIP green Passage lounge. Although this lounge was dedicated to the VIP and people who came here to pick up people came down from the VIP passage, there were still many people here and the seats were almost full.

Lin Yi looked around and found a good seat, by the window and on the big sofa. No one was sitting there, so Lin Yi didn't stand on ceremony and sat down. He picked up a magazine and started reading.

It was half an hour away from the plane, so Lin Yi arrived a little earlier.

But not long after Lin Yi started reading the magazine, an extremely arrogant voice came from behind, giving Lin Yi a big shock!

"Your mother, who let you sit here? Don't you know that this seat is reserved for our master Jun?" The voice came from behind Lin Yi! It wasn't that Lin Yi didn't pay attention to the people behind him, but there were quite a lot of people coming to pick him up in the green VIP passageway. As long as they didn't attack him, Lin Yi couldn't care less.

Lin Yi frowned. Was there a special seat for him? But Lin Yi looked down and saw that his seat had better light and was a more comfortable one, nothing special about it.

"What are you looking at? Hurry up and give up your seat for our master Jun!" The voice was getting impatient when Lin Yi lowered his head.

If the seat was reserved for him, Lin Yi would've just given it up. He was strong, but he didn't want to bully normal people for small things like this. In his eyes, they were all practitioners.

However, this seat wasn't reserved for him at all-there was no label on it. Lin Yi was a little unhappy. He stood up and turned around to look at the person who was scolding him. It was a Man in Black, but what surprised Lin Yi was that he couldn't tell his strength, but he was a master!

"Where did it say that this seat is yours?" Lin Yi asked faintly. The other party was a master, but that was in comparison to normal people. Lin Yi didn't care about him at all.

The Man in Black didn't answer Lin Yi's question, as if he didn't put Lin Yi in his eyes at all. He reached out his hand and pushed Lin Yi to the side, not even bothering to explain.

However, to his surprise, Lin Yi didn't move at all!

"You ..." The master jumped-he knew his own strength. He pushed Lin Yi, but he didn't manage to move him, so he increased his strength immediately, showing off his strength as a Mystic late phase peak physical master!

However, he thought that he would be able to push Lin Yi away for sure this time, but to his surprise, Lin Yi didn't move at all! He was still standing at the same spot!

"Pa!" Lin Yi, on the other hand, sent a slap across the face, sending the mystic flying!

"BOOM!" With a loud crash, the mystic fell to the ground with blood all over his mouth and his teeth falling out. However, he didn't feel the pain anymore because he had already fainted!

"Move! Move aside!" Just as the mystic was sent flying, there was a commotion at the entrance of the resting room. A pale-faced young man walked in under the escort of a few Men in Black!

However, when they saw the mystic lying on the ground with his mouth full of blood, they were completely stunned!

A burly Man in Black ran over quickly. "Junior Brother, what's wrong? Who hurt you?"

Lin Yi frowned. Since when were there so many masters in Donghai city?

Chapter 3077 An Old Acquaintance

That guy earlier was a physical practitioner, and this one was probably one too-Lin Yi's golden finger was useless against physical practitioners when they didn't show their strength.

However, what shocked Lin Yi the most was that the pale-faced young man they were protecting was an old acquaintance of Lin Yi's, Zhen Yingjun! He is master Jun?

When Lin Yi and Ma Zhu died together and their meridians were broken, Lin Yi didn't go after Zhen Dazhou and Zhen Yingjun who ran back to Donghai city. At that time, Lin Yi wasn't a match for the Golden Bell sect.

After that, Lin Yi didn't care about the Zhen family anymore when the Golden Bell sect was about to be destroyed.

However, Zhen Yingjun seemed to have become more powerful after not seeing him for a while? So many masters suddenly appeared around him-they weren't the strongest, but that was only in Lin Yi's eyes. Mystic late phase peak was already a very strong existence in the common world!

Of course, this wasn't what surprised Lin Yi the most. What surprised him the most was that the Man in Black he just slapped wasn't dead! He had only lost a mouthful of teeth, but his life was not in danger!

Lin Yi didn't use any skills, but after knowing that the man was a practitioner, he didn't hold back. He used his Sky Class early phase strength to slap him, and he didn't die!

After all, he was only a Mystic late phase peak, two levels lower than Lin Yi. How was he still alive? Wasn't this person too strange? Could it be that he was also a member of the Golden Bell sect?

However, the Golden Bell sect was about to be exterminated. How could they send so many experts?

"You're the one who injured my Junior Brother?" The Man in Black checked the mystic on the ground and found that his life wasn't in danger. He stood up and looked at Lin Yi angrily, but he didn't let his guard down. Someone who could hurt his Junior Brother couldn't be simple, "Who are you? Why did you attack?"

"Zhen Yingjun, I didn't expect to see you again." Lin Yi didn't care about the Man in Black. Although their defense was very strong, Lin Yi didn't care about it. With their physical strength, they couldn't block Lin Yi's martial arts at all. Moreover, he didn't even need to use the strong raging fire Eight Trigram palm. Just the tenth form of the raging fire Fist was enough to kill them!

Of course, in the eyes of other practitioners, this was already a very powerful existence. The tenth form of the wild fire Fist was a martial skill for an Earth Class late phase Peak Master. To kill a Mystic late phase Peak Master with an Earth Class peak martial skill was an irony!

This was also the capital of these Men in Black.

"Lin ... Lin Yi?" Zhen Yingjun's breathing quickened and his already pale face turned even paler. He was still very scared after what happened before and thought that he could look down on everyone after returning to Donghai city, his own territory, and getting the support of a new powerful force. However, when he stood in front of Lin Yi, he couldn't help but have his legs cramp, "Kill him! This kid is a bad guy, we can't let him Live!"

Zhen Yingjun's words made the Man in Black and the other two men beside him surround Lin Yi!

"Brat, no matter which sect you're from, you're going to die today! Master Jun has already spoken, so you won't be able to live!" The first man in Black said coldly to Lin Yi. He was furious that Lin Yi ignored him, so he was ready to kill Lin Yi after Zhen Yingjun gave the order.

"Clear the area, clear the area. The flintlock team is doing things here. All unrelated people can leave!" Other than the four men in Black, there were a few bodyguards with bulging waists behind Zhen Yingjun. It was obvious that they had guns. When these people shouted out the name of the flintlock squad, everyone in the resting room was shocked. They all stood up and looked at Lin Yi with pity before leaving quickly.

"Which sect are you from? The Golden Bell sect?" Lin Yi didn't answer the question but asked back.

"Golden Bell sect?" Man one hmphed coldly at the words. "The Golden Bell sect isn't even worthy of our support! Looking at your level, you're only at the hidden level. You'll be scared to death if we tell you about our sect!"

"Scared to death?" Lin Yi blinked. Could these people be from the ancient level? That Zhen family was quite impressive, actually establishing a connection with the ancient level.

"I'll tell you, we're from the iron cloak sect. Are you scared now?" Black shirt number two reported his sect and looked at Lin Yi mockingly, waiting for Lin Yi to pee his pants in fear.

"Tie Yi sect?" Lin Yi asked in return, "I've never heard of it!"

"You ..." Black shirt number two was enraged. Lin Yi's words disdained their existence, and it made him extremely angry, "Little brat, you're looking for death!"

"You don't have to be angry. Lin Yi's only at the common house level. He doesn't even know how many hidden houses there are, how could he know how strong the ancient house is?" Zhen Yingjun calmed down and waved his hand, "Don't waste your breath on them, just kill him!"

From Zhen Yingjun's point of view, it didn't matter how powerful Lin Yi was back then. Now that he had the ancient level as his backing and the famous iron cloak sect, he wasn't afraid of Lin Yi anymore!

"Zhen Yingjun, you still owe me money, right? Where's the 250 million you owe me last time? I'm short of money recently, return it to me and I'll forget about today's matter. It's not easy for your subordinates to cultivate up to this point, so I won't kill them. " Lin Yi turned to Zhen Yingjun and said.

"Fearsome on the outside but cowardly on the inside!" Zhen Yingjun sneered, "Lin Yi, you don't have to hide your fear anymore. I know you're scared, that's why you're saying all this. Don't think I don't know. I know this very well. You must die today!" Don't waste your time talking to him, just kill his mother!"

"Alright, master Jun!" The Men in Black from the iron cloak sect nodded, and black shirt number one threw a punch at Lin Yi!

Lin Yi frowned. To be honest, he didn't really want to make enemies with the iron cloak sect. After all, he already had grudges with the dark night Palace, the everyday and every day sect, the blood-clad yellow spring sect, and the ancient Eastern family. There were only a few ancient sects, and he had offended four of them at once. There was also the heavenly elixir sect, whose attitude was unknown. Lin Yi really didn't want to make enemies with the iron cloak sect.

However, what puzzled Lin Yi was why Zhen Yingjun could order the people of iron Yi sect.

Chapter 3078 Returning The Money

What was their relationship? One must know that Zhen Yingjun was also very respectful in front of Ma Zhu, but these people from the tie Yi sect became his henchmen. It was strange!

"Tie Yi sect, don't do anything, I don't want to kill you. My enemy is Zhen Yingjun." Lin Yi said to the group.

However, the more Lin Yi acted like this, the more the people from iron cloak sect thought that Lin Yi was scared and was trying to scare them. So, black shirt number one didn't stop and threw a punch at Lin Yi!

Lin Yi sighed. He had no choice but to make a move! However, Lin Yi still held back a little. Although he revealed his Sky Class early phase strength for a moment, he still used the eighth style of the wild fire Fist!

He could only severely injure black shirt number one, but he couldn't let him die! He hoped that he'd be merciful enough to stop the iron cloak sect from looking for trouble. Otherwise, he'd have to kill them the next time!

Lin Yi wasn't afraid of trouble, but he wanted to avoid unnecessary trouble.

"BOOM! BOOM! BOOM! BOOM!"

Lin Yi didn't attack, but his attacks were clean and precise. In an instant, in just an instant, all four Men in Black, including number one, were sent flying!

The number one was obviously the strongest among them, at the peak of Earth Class early phase. The others were all unconscious, but he was injured, but he didn't. He looked at Lin Yi in shock and said, "Sky Class ..."

The number one knew that he'd kicked an iron board-Lin Yi was so young, and yet he was already Sky Class early phase! He couldn't be some nobody, and he couldn't have been raised by a small Noble House-there must be a bigger force behind him!

He said that he had never heard of the tie Yi sect, perhaps because he looked down on the tie Yi sect!

"What?" Zhen Yingjun wasn't as clueless as before. He knew the meaning of Sky Class! How could Lin Yi be a Sky Class master? This wasn't realistic at all. Back then, he had to fight Ma Zhu head on, and both of them were injured. But now, he didn't even see clearly and his bodyguards fell to the ground. Even the weakest one, the black shirt number one, was no match for him!

"Zhen Yingjun, I told you I don't want to fight and I warned you. If you want your men to die, then I can't do anything!" Lin Yi tried his best to push the blame onto Zhen Yingjun so that the iron Yi sect could get even with Zhen Yingjun. He walked towards Zhen Yingjun step by step.

However, Lin Yi had misjudged the relationship between the iron Yi sect and Zhen Yingjun. The iron Yi sect wouldn't do anything to Zhen Yingjun, at least not now!

"Don't ... Don't come near me ... I'm telling you, even though you've defeated them, I have the entire iron cloak sect behind me. If you dare to touch me, I'll make sure you suffer the consequences!" Zhen Yingjun acted tough on the outside but was actually weak on the inside. He kept retreating as a Sky Class master shocked him.

"Pa!" Lin Yi slapped Zhen Yingjun's face and his handsome face became crooked again!

"Iron cloak sect? You used to think that the Golden Bell sect was very powerful, but what about now?"
Lin Yi stood in front of Zhen Yingjun indifferently.

"You ... You can't kill me ..." Zhen Yingjun was really scared and kept stepping back, "Lin Yi, house Zhen is very powerful now, very powerful!"

"Oh, even if you change your name to awesome Zhen, it's none of my business." "Pa!" Another crisp sound was heard as Lin Yi slapped Zhen Yingjun's other face.

"Let me go ... I'll agree to any condition you have ..." Zhen Yingjun's heart softened. He had to lower his head in front of Lin Yi.

"I can let you go, but I'm just collecting your debt. 250 million, when will you give it to me?" Lin Yi asked.

"This ... I've already given you 250 million back. Can you give me less this time? How about 150 million?"
Zhen Yingjun said after some hesitation.

"Pa!" Another slap, and Lin Yi was getting impatient, "Don't dawdle, take out your money to buy your life, if you don't have money, you'll die! 150 million is fine, I'll cut off both of your arms, so it's 100 million. How about it?"

"Then ... Okay ... I ... I'll transfer the money to you after I get back!" Zhen Yingjun rolled his eyes and thought, "I'll leave first. Lin Yi won't be able to find me if I go back. I'll be able to do whatever I want."

"Go back?" Lin Yi knew what Zhen Yingjun was thinking and he sneered, "Now, immediately, transfer! Otherwise, I don't mind turning you into one of them. Of course, they're practitioners, and they're also physical defense practitioners. They didn't die in my hands, but you might not die, you might die in an instant! But it's not bad, you don't have to pay back the money. "

"I ... Alright!" Zhen Yingjun took a deep breath and reminded himself that he had to lower his head when he was under someone else's roof. Just you wait! Then, Zhen Yingjun took out his phone and spoke to Lin Yi, "Give me your account number!"

Lin Yi told him his account number and Zhen Yingjun made a few calls to transfer the money to Lin Yi. He didn't dare to play any tricks as he knew how ruthless Lin Yi was. He had to get through this first and there would be plenty of chances to settle the score with Lin Yi in the future!

Plus, house Zhen had the iron cloak sect as their backing and was very rich now. Although 250 million was a lot, Zhen Yingjun could afford it.

It wasn't long before Lin Yi received a notification on his phone-he nodded in satisfaction after checking that the amount was fine, ""Alright, you can get lost now!"

"Alright!" Zhen Yingjun gritted his teeth and looked at the bodyguards in white with guns on their waists nearby. He ordered, "What are you doing? Carry them on your back and follow me!"

"Yes!" Although the bodyguards in white were very powerful in front of outsiders with guns, they were still far from cultivators. Although they didn't fall down, they didn't dare to pull out their guns in front of Lin Yi. Zhen Yingjun didn't even think about turning the tables with them.

Zhen Yingjun came in a threatening manner and left with his tail between his legs. Lin Yi frowned as he watched them leave. Although Lin Yi didn't kill Zhen Yingjun today, he would have a conflict with house Zhen and iron cloak sect sooner or later. However, the time wouldn't be too close!

Chapter 3079 The Phone Rang

After all, Lin Yi didn't kill anyone from the iron Yi sect and Zhen Yingjun, so they wouldn't be so desperate.

After they returned, they would carefully investigate his background again and make a judgment on whether to touch him or not. Of course, if the iron cloak sect did not want to cause trouble, the loss of 250 million was still a loss. After all, no one had died.

He was still not strong enough! Lin Yi sighed. If he had absolute strength, these people wouldn't be able to get out of here today. But Lin Yi didn't want to cause too much trouble, so he let them go.

However, it wasn't like he didn't get anything. At least Lin Yi got back 250 million, and fatty Lai's medical company now had this 250 million. With the 350 million Feng Shasha gave them, they should have no problem maintaining their operations.

However, the assets that house Liu had mortgaged and the construction of Yu Xiaoke's orphanage still wasn't enough. Lin Yi could only hope that the genius girl from house Liu would give him a surprise and bring back the glory of house Liu's agency.

Zhen Yingjun left as quickly as he came. The guests who were chased away all returned to their rooms when they saw Zhen Yingjun leave. However, they all looked at Lin Yi with respect. There weren't many people in Donghai who could beat Zhen Yingjun's bodyguards and beat Zhen Yingjun up!

Lin Yi had earned 250 million from this small incident-it seemed like there were benefits to coming to pick him up.

After Zhen Yingjun left, Xu Shihan's plane was about to land. The plane was moving on time and Lin Yi put down the newspaper when he saw the flight number on the LED screen.

Very quickly, the sound of footsteps could be heard at the entrance of the lounge. Someone had gotten off the plane. A few people in the lounge stood up, probably to pick up the passengers who had gotten off the plane.

Lin Yi looked at his phone-no one was calling yet, but he assumed that the person he was supposed to pick up would call him when he got off the plane.

However, Lin Yi didn't receive the person in question. Instead, he saw a group of familiar faces coming out of the tunnel. It was the superstar Xu Shihan, her bodyguard Feng sanhuang, and her manager, Wang sis!

The three of them surprised Lin Yi-was she performing in Donghai city?

But since he'd seen her, he had to greet her-she was the company's spokesperson, after all, and she had a pretty good relationship with the girls.

"Little han, arid triad, why have you come?" Lin Yi wasn't familiar with Wang sis, so he only nodded at her.

"Lin Yi?!" Xu Shihan was surprised, not expecting to run into Lin Yi at the airport. She was wearing sunglasses, and this was the VIP exit. The people who came out of here were either rich or powerful, and no one was gossiping about her.

And Lin Yi called her "han," who would've thought that Xu Shihan was actually han?

"We ..." Xu Shihan paused and looked at Feng sanhuang awkwardly. She didn't know if she should tell Lin Yi about this, or if it was a secret! In her heart, Xu Shihan trusted Lin Yi, but Feng sanhuang didn't say anything, so she couldn't do anything.

Feng sanhuang was surprised that Lin Yi was here as well. He trusted Lin Yi a lot when Xu Shihan was in trouble last time, but he couldn't say anything since there were outsiders in the room,""Mr. Lin, long time no see. We're here for some business, but can we talk in private?"

"Talk outside? But I'm here to pick someone up, so I have to call the person who picked me up and tell him to wait for me outside. " Lin Yi said as he took out his phone.

"Just in time, someone is coming to pick us up. I'll make a call too." Feng sanhuang nodded and picked up his phone, ready to make a call.

However, Lin Yi realized that the number he dialed was occupied, and Feng sanhuang's phone was the same-the user was busy.

Helplessly, Lin Yi put down the phone. He guessed that the other party was trying to contact him, so he waited for the other party to call. Feng sanhuang had the same thought and waited for Ling Yi's reply after hanging up.

"The call didn't go through, let's talk while we walk." Lin Yi said to sanhuang.

"Alright!" Feng sanhuang nodded and put down his phone as well, walking towards the door with Lin Yi.

After leaving the VIP room, they came to the parking lot near the airport. Feng sanhuang, Xu Shihan, and Wang sis got into Lin Yi's car first. After they got in, Feng sanhuang said,""Mr. Lin, our trip this time is actually a secret. Even many people in the company don't know about it because miss Xu might be in trouble again!"

"Oh? Trouble again? Or the same group from last time?" Lin Yi asked, stunned.

"This ... Is similar, but it's even more powerful!" Feng sanhuang didn't say much. After all, Feng Tianhu was the one who found this person. Although it was the Feng family last time, it was the Dongfang family this time, but they only sent one person.

"If that's the case ... Then it's a little dangerous. What are your plans this time?" Lin Yi asked.

"This time...I won't hide it from you, Mr. Lin. I have a friend here. I'm here to ask him for help to protect miss Xu's safety." Feng sanhuang said. This was the excuse he gave Xu Shihan.

"That's good. I have something else to do during this period of time. If there's nothing else, I can help you." Lin Yi said with a nod.

"Mr. Lin, thank you for your kindness, but the enemy this time is a Sky Class early Phase-I'm afraid you don't have the confidence to deal with him, and neither do I ..." Feng sanhuang naturally didn't know that Lin Yi was a Sky Class now. His impression of Lin Yi was the last time he met him.

"Ha ... Early phase of Sky Class?" Lin Yi only smiled faintly when he heard the enemy's strength. Sky Class early phase-Lin Yi didn't even care about that anymore!

"Oh right, Mr. Lin, let's talk later. I'll give my friend a call first!" Feng sanhuang suddenly remembered that Ling Yi didn't reply to him, so he quickly took out his phone and prepared to call back.

"Alright," he said. Lin Yi nodded. He wanted to call his employer to ask if they were there, but the car was quiet, and it wasn't good to call at the same time. He decided to wait until Feng sanhuang finished his call.

Feng sanhuang's call went through, but at the same time, Lin Yi's phone rang!

Chapter 3080 Everyone Was Surprised

Lin Yi didn't think too much about it and picked up the phone. He saw that it was his employer calling, so he couldn't reject it. Even if Feng sanhuang was on the phone, Lin Yi still picked it up, ""Hello, I'm at the airport. Have you guys gotten off the plane?"

Lin Yi waited for a response, but the other party didn't say anything. Feng sanhuang, on the other hand, had an extremely shocked expression on his face! The call went through, and he heard Lin Yi's voice!

However, he was also a little uncertain, so after hesitating for a moment, he still said into the microphone, ""Hello, are you Mr. Ling Yi?"

This time, it wasn't only Feng sanhuang who heard Lin Yi's voice, but Lin Yi also heard Feng sanhuang's voice from the phone! Of course, even if Lin Yi didn't hear it, Feng sanhuang's "Mr. Ling Yi" already represented a lot of problems. Lin Yi could understand it immediately. The person he was waiting for was Feng sanhuang, and the celebrity he was supposed to protect was Xu Shihan!

Both of them were stunned. Lin Yi put down his phone, and so did Feng sanhuang. Lin Yi was a little awkward, and so was Feng sanhuang, but they were more worried about Xu Shihan's thoughts!

She told Xu Shihan that she was asking for her friend's help, but Lin Yi was right in front of her, and she didn't even know that the person she was going to ask for help was Lin Yi. No matter how stupid Xu Shihan was, she would be able to figure out that something was wrong, right?

"Mr Feng? It's you?" Lin Yi said with a bitter smile.

"That's right, it's me!" Feng sanhuang smiled bitterly. "Mister Lin Yi, why did you change your name to Ling Yi? I'm ..."

"I'm just accepting a task. I didn't think much of it. It's an acquaintance among acquaintances!" Lin Yi smiled bitterly. "Back then, Shangshi told me to protect his sister, but I thought that she didn't know me. I told Mister Feng that my name was Ling Yi, and Shangshi knew my name, so she didn't change it. But, I really didn't think that the person she was protecting was miss Xu!"

"Brother Feng, are you hiding something from me?" Xu Shihan raised her head and looked at Feng sanhuang. Of course, she didn't think that Feng sanhuang would harm her. After all, the person Feng sanhuang found was Lin Yi. Xu Shihan knew what kind of person Lin Yi was. He wouldn't help Feng sanhuang to harm people.

Lin Yi did say that he was here to protect her, but he wasn't Feng sanhuang's friend at all. He even said that she was someone's sister. What was going on?

Wasn't he an orphan? Why did she have a younger brother? And so, she subconsciously thought that Feng sanhuang was hiding something from her, and it wasn't a small matter!

It had to be said that Xu Shihan's guess was quite accurate, because Feng sanhuang was indeed hiding some things, but these things, without Feng Tianlin's permission, he didn't dare to tell Xu Shihan!

If Xu Shihan knew the truth-that he had a father who didn't dare to acknowledge her, would she be unhappy? However, Feng sanhuang knew that it wasn't that Feng Tianlin didn't want to acknowledge him, but that he couldn't. If he didn't acknowledge him now, there were so many dangers already. If he really acknowledged him, Feng Tianhu would make a big issue out of it, and it would be even more troublesome!

So, Feng sanhuang looked at Lin Yi hesitantly. Although he was the one who caused the trouble, Lin Yi was the one who told him about it. It seemed that Lin Yi was close to Xu Shihan and the young master, Feng Shasha. So, it was better for Lin Yi to tell him about it. At least, Feng Tianlin wouldn't blame Feng sanhuang ...

Lin Yi paused at the pleading look in sanhuang's eyes. What did he mean by that? Did Xu Shihan not know about this? But wasn't this Feng shangxin's arrangement? He would not tell his sister ...

It was wrong! Sister? Xu Shihan's surname was Xu, and Feng shizhang's surname was Feng! Although Feng Tianlin said that his last name was Xu, it was just a fake name he made up, or he meant to represent Xu Shihan.

However, there was probably something wrong with this!

But Lin Yi didn't know how much she knew, so he could only test her, ""Han, your father and brother asked me to protect you ..."

But he regretted it right after he said that-he suddenly remembered that Xu Shihan told him about her childhood!

Xu Shihan was probably Feng Tianlin's illegitimate daughter, and after the attack, she probably never saw Feng Tianlin again. Naturally, Xu Shihan wouldn't know about Feng Tianlin and Feng shangyue!

Lin Yi didn't think about this at first, thinking that Feng Tianlin and Xu Shihan were always in contact. Now that he thought about it, Xu Shihan didn't seem to have mentioned that she met her father again after she was separated from her mother.

"You ... Have met my father? I have a younger brother?" Xu Shihan's eyes widened in shock as she looked at Lin Yi. Her body trembled a little as she was obviously very emotional, and her breathing became faster. However, in the next moment, cold sweat appeared on her forehead, and her breathing became faster as she couldn't help but moan, ""It hurts ... My head hurts ... Sister Wang, give me the medicine ..."

Wang sis was shocked as well-what Lin Yi told Feng sanhuang in the car today had shocked her as well. Lin Yi knew Xu Shihan's father? From the looks of it, Feng sanhuang seemed to know about this as well!

The talkative Wang sis didn't dare to interrupt today, she didn't know what to say. But Shihan was having a headache right now, so she subconsciously grabbed her bag and started rummaging through it!

Xu Shihan would always ask Wang sis to bring the painkiller from miracle doctor Guan medicine company with her whenever she went out.

"No need to thank me ... Besides, I'm the one who gave you a headache. I should be the one saying sorry." Lin Yi smiled bitterly, "I didn't expect you to not know about your father and brother. I thought you already knew!"

"I don't know ..." Shihan shook her head, ""Since my mom was injured and separated from me, I've not seen my father since ..."
