

Bodyguard 3081

Chapter 3081 The Young Miss's Hidden Bitterness

"Do you hate him?" Lin Yi asked after a moment of silence.

"I ... I suddenly heard that my father knew about me but didn't see me. I did feel a little uncomfortable, but after thinking about it, maybe he has his own difficulties!" Xu Shihan smiled at Lin Yi, "'I'm an illegitimate daughter, and he has his own life. At least, Lin Yi, you're hired by my father and ... My brother to protect me. At least they care about me, and I'm treated like this by a brother I've never met before. On the contrary, I'm very happy today. You've let me know some things that I've always wanted to know. It's great that my father is fine. "

"Alright, do you want to see him?" Lin Yi knew that he couldn't hide it anymore, but from what he could see, Xu Shihan was still relatively calm. She was an adult, and she could face this with rationality.

"He must have his reasons for not seeing me, so it doesn't matter if I see him or not. I want to see him, but I'm relieved to know that he's fine ..." Xu Shihan smiled bitterly, "'To be honest, I don't have much of an impression of him in my memory."

Lin Yi nodded and looked at Feng sanhuang, "Feng sanhuang, do you have anything to say? I've already said a lot. You can fill in the rest!"

"Fine ..." Feng sanhuang was helpless. Lin Yi had said so much, and it didn't matter if he said it or not. Even if Feng Tianlin blamed him, Lin Yi would take the blame, so he just told him the truth, "'Miss Xu, I'm the bodyguard your father sent to protect you! "In fact, master has always been concerned about you. All these years, you've had a smooth journey on the star path, and it's actually master who has secretly helped you. If there are people with bad intentions, I'll help you solve them. If there's pressure from the company, master will use his connections to settle it. You should have felt these things ..."

"I see ..." Xu Shihan nodded as realization dawned on her. In these years, she felt that her path to stardom was too smooth. She didn't encounter any unspoken rules or reject any company events, and the company didn't freeze her. Instead, they still welcomed her with a smile, and so her fame grew!

Of course, it couldn't be denied that Xu Shihan's hard work and talent were part of it, but without someone helping her in the dark, it wouldn't be so smooth. After all, she wasn't the only one with hard work and talent, but she was the only one who succeeded-this meant that there was something wrong!

Many of the stars in the company now relied on their bodies or their families' power to get to the top-Xu Shihan was very clear about this. Although there were some who achieved success through their own efforts, there weren't many. Xu Shihan was the most successful one, and this was a miracle, but now it seemed that it wasn't a miracle, it was inevitable!

"Then ... What's my father's name?" Xu Shihan asked.

"He ..." Feng sanhuang looked at Lin Yi again. Feng Tianlin's name, he didn't know if he should tell Xu Shihan.

"His name is Feng Tianlin, he's from the ancient house Feng, an ancient noble House, you should have heard of this name before ..." Lin Yi said to Xu Shihan, "It's a higher level of the hidden houses!"

"Ancient ..." Shihan nodded, but she didn't seem to know much about it. "So ... My surname isn't xu, my surname is Feng ..."

"By the way, do you know your mother's name? Perhaps I can help you look for it?" Lin Yi asked. Feng Tianlin kept looking for them, but he might not be able to find them. After all, Feng Tianlin didn't dare to look for them openly. There might be Feng Tianhu's trusted aides in the Feng family, and if Feng Tianhu found out, things would probably get worse!

But Lin Yi was different. He could ask GE Xian for help. GE Xian was like a Messenger in the ancient level. He might be able to find it.

"I don't know ..." Shihan shook her head and sighed, "I was really too young at that time. I don't remember my mother's name ..."

"Then forget it. I'll ask uncle Feng myself when I have the chance." Lin Yi nodded, "let's talk it out now. Han, since we're all so familiar with each other, let's go back to my villa. Yaoyao and Shu miss you too!"

"En, okay!" Xu Shihan let out a breath of relief. If they were going to Lin Yi's Villa, then there wouldn't be a problem. Xu Shihan, Chu Mengyao and Chen Yushu were getting along well with each other. Everyone was familiar with each other, and there was no inconvenience in living together.

On the way here, Shihan was still worried about these things, but in the blink of an eye, everything was fine.

Feng sanhuang was a little worried. He wanted to find a chance to call Feng Tianlin and tell him what happened. Now that everything was out of his control, he was supposed to keep it a secret. Now, Xu Shihan knew about it, and it was all because of his mistake!

Although, this mistake could be said to be a freak combination of factors-he didn't know that Ling Yi was Lin Yi, and he just happened to know Lin Yi. In the end, he recognized Lin Yi first at the airport, and then called Ling Yi, which made Xu Shihan suspicious.

At the end of the day, he was still responsible. If he had made an agreement with "Ling one" beforehand and told him their names and clothes, then this kind of misunderstanding wouldn't have happened. But now that it had happened, no one could change it.

As the car drove towards the villa, Chu Mengyao and Chen Yushu sat on the sofa, whispering to each other.

"Yaoyao sis, you must like shield bro, don't deny it." Chen Yushu replied.

"How is that possible? I don't like shield bro. " Mengyao said.

"Look, you're even talking incoherently now, and you're still calling him shield bro?" Chen Yushu said in disbelief.

"I didn 'T. You were the one who abducted me." Mengyao was asking herself if she liked Lin Yi when she said that. She probably liked him ... But was there still a possibility between them?

Time and time again, denial and misunderstandings, kept the relationship between Chu Mengyao and Lin Yi at the level of friends. They didn't go any further! Mengyao couldn't help but have feelings for Lin Yi after seeing all the other girls around her becoming his girlfriends one after another.

However, so what if he had thoughts? Was she supposed to take the initiative and confess to Lin Yi? Mengyao couldn't bring herself to do that-it wasn't like her!

Chapter 3082 Yaoyao's Rampage

If Lin Yi didn't say it, she wouldn't say it either. Even if Lin Yi accepted her, it would be a kind of charity, wouldn't it?

With Lin Yi and Mengyao's relationship, Mengyao believed that as long as she said it, Lin Yi would take care of her face and accept her, but this wasn't what the Miss wanted. The love she looked forward to could be less intense, but she didn't need charity from others!

Why could Tang Yun, Feng Xiaoxiao, Wang Xinyan, and sun Jingyi do it? Was it because Tang Yin was pretty, Xiaoxiao was the one who took the initiative, and Xinyan and Jingyi were helping Lin Yi?

But he wasn't worse than Tang Yin. Damn Lin Yi, why did you have to chase me? The Miss was touched by Yushu's words today, but she realized that she did care about Lin Yi, and she was looking forward to Lin Yi pursuing her.

As for what he said about not liking her, he was just lying to himself!

At first, it might have been true, but as time went on, Mengyao didn't know if it was true or just an excuse to numb herself ...

Could it be that she was too familiar with Lin Yi? There were many times when a couple who were too familiar with each other couldn't become a couple ... But she and Lin Yi weren't too familiar with each other, at least she didn't know what he was thinking, and Lin Yi didn't know what she was thinking.

With that thought, Mengyao glared at Yushu. Big-breasted girl, can't you be a little more helpful? if I say I don't like it, won't you continue helping? Where's your usual intelligence? He dropped the ball at the critical moment! Stupid unlucky Shu!

"Oh ... Yaoyao sis, why are you glaring at me ... I won't say it anymore, okay?" Chen Yushu saw Chu Mengyao's scary eyes and shrunk her neck and shut her mouth.

"..." Chu Mengyao wanted to kick Chen Yushu into outer space. When did she stop her from talking? What I mean is ... Can you put more strength into your words? you stupid Shu, I'm so angry!

Chen Yushu looked at Chu Mengyao's angry face and found it strange, "Yaoyao sis, I've already stopped talking, why are you still glaring at me? then Shu won't make this kind of joke anymore, okay?"

"No!" Mengyao finally gathered her courage and shouted.

The roar scared Yushu so much that she jumped up from the sofa with a "whoosh," her hair standing on end!

But just as Yushu was wondering what Yaoyao meant by "no" and why she was so angry, she heard the sound of a car coming from the villa entrance.

Mengyao yelled, mustering all her courage. She was too embarrassed to explain anything to Yushu, so she stood up and said, "Lin Yi's back, let's go take a look. I wonder which celebrity it is? Do we like her?"

"We only like big sis Shihan, we don't like anyone else." Chen Yushu replied.

"Then let's go out and take a look. She's Lin Yi's guest, after all." Mengyao said as she walked towards the villa's entrance.

Chen Yushu saw Chu Mengyao leaving and followed her out of the villa.

At this time, Lin Yi's car entered the villa. He got out first, and at the same time, the other doors opened as Xu Shihan got out of the car.

"Ah?" Mengyao froze when she saw Shihan. "Lin Yi, didn't you go pick someone up? why did you bring Shihan back?"

"Hehe, Yaoyao, the person I'm supposed to protect is Xu Shihan. She's Feng Shasha's sister, and I just found out about it. Let's talk about the details inside!" Lin Yi shrugged with a bitter smile. To be honest, he was shocked too at first!

"Alright then!" Mengyao nodded, relieved and happy-she was going to live with a star she liked, after all. But she was a little disappointed-with Shihan joining, Lin Yi's attention would be on other girls again. When would he notice her?

The thought scared even the Miss herself ... I ... Do I really care about Lin Yi that much?

Chu Mengyao glanced at Chen Yushu out of the corner of her eye and was a little annoyed. Big chest but no brain. She was right. She failed at the critical moment. She was nice to you for nothing!

Yushu felt like she'd been shot under Mengyao's angry glare-she'd tried so hard to get Lin Yi and Mengyao together before, but she'd always get scolded. Now that she didn't have the guts to do it anymore, she'd only get the ire of the people around her!

The group entered Lin Yi's Villa together. Wang sis was a strict person, but she had a good impression of Lin Yi, especially when he did solve Xu Shihan's headache problem with his medicine company. He was Xu Shihan's Savior, too, so she was still very polite to him.

"Mr. Lin, it's no problem for miss Xu to stay here, but it's a little inconvenient for me to stay here, right?" Wang sis had also visited Lin Yi's Villa and found that it wasn't too big. There weren't that many rooms.

There were two rooms upstairs-Xu Shihan had one, Chu Mengyao and Chen Yushu had one, and there were three rooms downstairs, one for Lin Yi, one for Feng sanhuang, and one for Wu Chentian. There were no empty rooms.

Therefore, Wang sis said in a reasonable manner,""How about I move out? There's a hotel nearby, and it looks pretty good ..."

"No need!" Chentian walked out of his room as well-he'd been practicing in his room all this time, and while he couldn't practice by himself after Lin Yi leveled up his spiritual practitioner's Arts, he was still a physical-spiritual practitioner-he needed to level up his spiritual one as well, and so he'd be practicing when he had free time and coming out when he needed to, "Mr Feng, you're staying in the same room as me, right? We're both men, so it's fine!"

"Alright!" Feng sanhuang didn't mind, "you're also a cultivator, right?" At night, I'm mainly meditating and cultivating. We can also compare notes and discuss cultivation matters. "

"Then it's decided." Lin Yi nodded, "han, you can stay upstairs with Yaoyao and Shu, while Wang sis and Feng bro can stay downstairs."

After arranging the rooms, Lin Yi told Mengyao and Yushu about Xu Shihan's situation. Mengyao and Yushu pitied Xu Shihan's childhood. They didn't think that there would be such sadness behind a big star.

Feng sanhuang, on the other hand, went to find a quiet place and called Feng Tianlin.

"Arid triad, how is it? have you seen the bodyguard I found for han? How is it?" Feng Tianlin quickly asked after picking up the call.

Chapter 3083 The Ancient Dongfang Family

"Yes, but ... Master, there's a small problem here ..." Feng sanhuang smiled bitterly, ""Miss Xu, I know your identity and your situation ..."

"You know? What's going on?" Feng Tianlin was taken aback, and his heart immediately tensed up. He asked in a deep voice, ""What happened? How did han know?"

"It's like this ..." Feng sanhuang didn't dare to hide anything and told Feng Tianlin the truth that he misunderstood Lin Yi as someone else. He didn't dare to push all the blame onto Lin Yi-he wasn't that kind of person.

"Oh?" Feng Tianlin was taken aback by Feng sanhuang's words. He didn't think that things would turn out this way. However, he couldn't blame Feng sanhuang for this. If he had to blame someone, he should blame himself for not telling Feng sanhuang that Ling Yi was Lin Yi. However, Feng Tianlin didn't think of that much!

But when he heard Xu Shihan's reaction, he heaved a sigh of relief, and his heart was filled with comfort! Feng Tianlin had been hiding the truth from Xu Shihan all these years because he didn't dare to tell her. He was afraid that if he told her the truth, she would hate him and ignore him!

After all, when Xu Shihan's mother was hurt that year, Feng Tianlin had a huge responsibility. It was he who didn't protect her and her mother well, causing Xu Shihan to be separated from her mother when she was young. So, Feng Tianlin could only do something for Xu Shihan behind the scenes, but he didn't dare to acknowledge her!

Feng sanhuang didn't expect that Dongfang xiaochui would be unhappy and Feng Tianhu would take the chance to take revenge on Feng Tianlin because they already knew where Xu Shihan's village was. It was only Feng Tianlin's own heart that couldn't get past his own anger!

Plus, Feng Tianlin was a weak-willed person, and with his current status, he couldn't guarantee that old man Feng wouldn't agree to Xu Shihan's return to the family if he told old man Feng about her. If old man Feng didn't agree, then Feng Tianlin would be even more embarrassed.

That was why he had been working hard all these years. However, his personality had determined that he was not cut out to be a family head. He would endure silently, but he was not decisive. In this aspect, he was far from Feng Shasha!

Feng Shanshan knew how to endure, but he would make a decisive decision at the critical moment. This was why he didn't hesitate to call Lin Yi his boss, and even said it in the family meeting! In comparison, Feng Shanshan was a better candidate for the head of the family.

Nitian, on the other hand, was a man of courage but no wisdom, arrogant and despotic. People like him could grow if they didn't meet a strong enemy, but they wouldn't stand a chance if they were crippled by someone.

All of this was actually based on luck. Although the earth Overlord had been crippled, he was still lucky! Moreover, he knew how to turn back from his lost path!

If Feng Nitian was a little smarter, he would just repent at home and not fight with Feng Shangguan. He might even ask Lin Yi for help and Lin Yi might be able to cure him. But if he didn't repent, then he couldn't blame anyone else.

"Arid triad, it's good to talk about this matter!" Feng Tianlin was very pleased that Xu Shihan didn't hate him, so he said, ""When this is over, I'll go and see han in person!"

"Yes, master!" Feng sanhuang heaved a sigh of relief when he heard that Feng Tianlin wasn't too angry ...

And so, Xu Shihan stayed in Lin Yi's Villa for the time being, and Lin Yi gave the two huge sums of money to fatty Lai. Fatty Lai's medical company also got some relief.

Lin Yi let out a sigh of relief at this situation. Luckily, the idiot Zhen Yingjun came to give him money. However, he needed Liu Jinghan's help if he wanted Yu Xiaoke's orphanage and house Liu to go back to normal.

The genius of the Liu family? Lin Yi had only seen her once at the noble House meeting, and she was wearing a veil at that time. Lin Yi didn't pay much attention to her, but for han Jingjing to praise her so much, it seemed that Liu Jinghan was quite capable. At least, the little genius han Jingjing wouldn't just recommend a mediocre person.

Lin Yi decided to meet Liu Jinghan after he was done with his work.

In fact, even if the ancient Dongfang family had decided to deal with Xu Shihan, they couldn't do it right away. After all, there were restrictions in the ancient world, and it wasn't allowed.

Although the ancient Dongfang family was powerful, they did not dare to openly violate these rules. They had to find a suitable excuse! It was only with an excuse that it would be convenient to make a move! Of course, this excuse couldn't have anything to do with Xu Shihan.

Although Xu Shihan was Feng Tianlin's illegitimate daughter, it wasn't made public, and the Feng family didn't acknowledge their roots and ancestors. If they attacked Xu Shihan, it would be the same as attacking someone from the secular world, and it would be a challenge to the rules of the entire ancient world!

Unless, the Dongfang family sent out a few men of sacrifice and refused to admit it even if they were discovered. However, that was impossible. If Dongfang buruo also wanted to go personally, it would not be as simple as not admitting and hiding his identity.

And so, the Dongfang family had been looking for an excuse these past few days, and their men were all ready. The master sent by Dongfang jinxing this time was the early phase of Sky Class, Dongfang Cha. He was also a famous master of the Dongfang family, experienced and good at kidnapping and blackmailing.

The Dongfang family wasn't as clean as it looked on the surface. If an ancient family like this didn't make some black money, how could they support such a family? The Dongfang family had so many experts, but they did not have any source of income. The annual money for medicinal herbs and pills was not a small amount.

"Young master, I've just received some very bad news. Elder Dongfang Jian ... Is dead!" Just as Dongfang jinxing was trying to find an excuse to enter the secular world, a disciple of the Dongfang family ran over quickly and said while panting.

"What did you say?" Dongfang jinxing was startled and jumped up from his seat. He looked at the disciple and asked, "Dongfang Jian is dead? Didn't Dongfang Jian go to the cultivators' trade association to look for herbs that could help bu RUO improve her meridians? How did he die?"

"Young master, this is the news from the cultivators trade association. Elder Dongfang Jian ... Has fallen ..." The disciple said carefully.

"What's the matter? How did Dongfang Jian die? Could he have been killed by someone?" Dongfang jinxing's face turned extremely gloomy. "Tell me the details!"

Chapter 3084 Powerful Strength

"I'm not sure. According to Vice President Ouyang of the cultivators trade association, elder Dongfang Jian had a conflict with someone when he was looking for medicinal herbs. The other party was very powerful, even more powerful than elder Dongfang Jian, so he was killed!" The disciple said.

"Who is it? Who was more powerful than Dongfang Jian? After all, Dongfang Jian was a Sky Class mid phase peak-who could kill him? Could it be a siege?" Dongfang jinxing asked in a deep voice.

"I'm not sure about that. Vice-President Ouyang said that when the cultivators trade association arrived, elder Dongfang Jian was already dead. However, they did not see who did it!" The disciple said.

"You didn't see it? You didn't ask them to investigate?" Dongfang jinxing's originally good mood suddenly turned sour. Originally, Dongfang buruo was going to look for Xu Shihan, and Dongfang jinxing was very happy about it. He could stand up for Dongfang xiaocui and make his son happy, so why not?

Even when Dongfang xiaocui called to cancel it, Dongfang jinxing knew that she still hoped that something would happen to Xu Shihan. However, he couldn't do it because of Feng Tianlin.

Hence, Dongfang jinxing rejected the offer forcefully. Dongfang xiaochui and Feng Tianlin had no other choice.

And now, Dongfang Jian was dead-this was a huge blow to his head! The Dongfang family was strong, but they weren't Sky Class Masters-they were Sky Class mid phase peak Masters! Dongfang jinxing was only sky Class late phase!

This was the second member of the Dongfang family to die-before this, his other son, Dongfang Bushu, had died. He was even more talented than Dongfang jinxing, and Dongfang jinxing had wanted to train him as the future hope of the Dongfang family. Who would've thought that he'd be killed by Zhang naipao in the test!

Dongfang clan dared not seek revenge for the everyday and every day sect casually as they were typical bullies. Being different from fiery mountain in this aspect, after realizing that they were not as powerful as the everyday and every day sect, Dongfang clan didn't find them any trouble at all.

Of course, this was also because Dongfang Busu's incident had happened during the sky elixir sect's test. If it wasn't for the sky elixir sect's test, and if it was any other situation, the Dongfang family would definitely demand an explanation. Even if they weren't a match for him, they would at least give him some compensation, right?

The good thing was that Dongfang jinxing's other son, Dongfang buruo, was a bit of a popinjay, but he had talent. He was now an Earth Class late phase peak, and as long as his meridians were optimized, breaking through to Sky Class wouldn't be a problem-reaching Sky Class late phase peak wouldn't be a dream!

Dongfang jinxing had two good sons, and they were his pride. Now that Dongfang Jian had died while collecting herbs for Dongfang buruo, Dongfang jinxing had to avenge Dongfang Jian.

Otherwise, who would be willing to work for the Dongfang family in the future?

Thinking of this, Dongfang jinxing waved his hand, signaling the disciple to leave first. Then, he quickly walked to the room of the current master of the Dongfang family, Dongfang Badao.

The Dongfang family had three Sky Class late phase peak Masters, all in isolation trying to break through to full cultivation. One of them was Dongfang Badao, the other was his son, Dongfang jinxing's younger brother, Dongfang Yinxing, and the last one was Dongfang Busu, who had died in the sky elixir sect test!

With three Sky Class late phase peak, the Dongfang family's strength was obvious-it was quite strong, and master Dongfang was as overbearing as his name suggested! Once he reached the great circle of perfection, he would definitely seek an explanation from the everyday and every day sect. However, he did not dare to do so now!

Dongfang jinxing knocked on the door, and master Dongfang's voice came from inside, ""Who is it? What's the matter?"

"Father, it's me, Jin Xing!" Dongfang jinxing replied.

"Oh, Gold Star. Come in." Dongfang Badao nodded his head.

"Father, something's happened! Elder Dongfang Jian is in trouble!" Dongfang jinxing said quickly as soon as he entered the door.

"What? Did something happen to Dongfang Jian? What happened? What's going on?" Dongfang Badao was shocked as he quickly asked.

"It's like this ..." Dongfang jinxing quickly told master Dongfang what his disciple had said.

"The cultivators trade association? Did you have a conflict with someone else?" "Jin Xing, did you call the cultivators 'trade association personally to ask?" Dongfang Badao frowned.

"Not yet. I'm here to see if father has any instructions." Dongfang jinxing said.

"In that case, I'll ask the cultivators trading Association personally!" Dongfang Badao knew that with Dongfang jinxing's status, he wouldn't be able to get anything out of him, so he decided to call him personally. After all, the practitioner trade association was a very powerful existence, and even the president was a Sky Class master. A few of the Honorary Presidents were even Sky Class late phase peak Masters, how could the Dongfang family dare to do anything?

"Silverstar, give me my phone!" Dongfang Badao said to Eastern silver Star.

"Yes, father!" Although Dongfang Yinxing was more powerful than Dongfang jinxing, he did not have a family, nor any children. He did not want to care about the trifles of his family, and he liked to cultivate every day, so he did not compete with Dongfang jinxing.

Furthermore, because he had no children, just like master Dongfang, he was biased towards Dongfang Busu and Dongfang buruo. He had wanted to train these two to become the successors of the Dongfang family, but one of them had died. Now, he was preparing to train the other one. Elder Dongfang Jian had even been killed while searching for medicinal herbs for him. How could Dongfang Badao tolerate this?

"Hello? Is it President li?" Dongfang Badao took the phone and dialed the number of the cultivator trade Association's President, President li.

"It's me, master Dongfang Badao. What's the matter?" President Li also had Dongfang Badao's phone number, so he spoke politely.

"It's like this, President Li. An elder of the Dongfang family has died in your cultivator's trade association branch. Do you have any news?" Dongfang Badao asked.

"Vice President Ouyang is in charge of this. We've reported the situation to your Dongfang family truthfully. I didn't ask too many details." "I think it's going to be difficult for the Dongfang family to take revenge ..." President Li said.

"Oh? Why do you say that?" Dongfang Badao asked.

Chapter 3085 An Excuse To Go Out

"Those who don't have an invitation letter to the cultivators trade association are allowed to attend as long as they are strong enough. I'm sure you know that, master Dongfang. We didn't know the identity of the murderer in advance, not even who the murderer was or how many people there were. We didn't know Dongfang Jian's identity either. It was only after a few days of investigation that we found out his identity, and we informed the Dongfang family immediately!" "And you have no clues at all," President Li said. "How can you talk about revenge?"

"President Li, I feel like there's something strange about this. It's impossible to say that Vice President Ouyang doesn't know anything, right? A fight between Sky Class Masters, wasn't he going to take a look? If he was really hiding out of fear of death, this didn't make sense, right? How can such a cowardly person be the Vice President?" Dongfang Badao wanted to find a breakthrough from this Vice President Ouyang. So, in the end, he just wanted President Li to relent and let the people from the Dongfang family go directly to Vice President Ouyang for questioning.

"Master Dongfang, to be honest, I'm a little suspicious about this matter too. Either Vice President Ouyang didn't report it, or he's incompetent as a Vice President. However, I have no choice!" President Li

smiled bitterly. "I'm not afraid to tell you, master Dongfang. Although Vice-President Ouyang is my subordinate, he has an uncle who is the Honorary President of our cultivator trade association. He is also the number two Honorary President. Even I don't dare to do anything to him ..."

"I see ..." Dongfang Badao nodded his head. Luckily, he hadn't acted rashly. Otherwise, he would have stirred up a hornet's nest if he had gone to deal with vice guild leader Ouyang! The number two Honorary President was definitely a Sky Class late phase peak!

"So, there's nothing we can do. If master Dongfang wants to find the murderer, you can investigate it in secret." President Li said.

"Alright, thank you very much, President Li!" Dongfang Badao nodded. It seemed that the Dongfang family would have to investigate this matter themselves. However, this would give Dongfang Badao a reason to allow his family's elites to enter the secular world!

It wasn't a big deal to send an heir or an elder to investigate Dongfang Jian's death, so no one would suspect anything. As for the small conflicts and conflicts between the two families during the investigation, no one would say anything. After all, these things were inevitable!

After hanging up, Dongfang Badao called Dongfang Yinxing, then looked up at Dongfang jinxing and said, ""Jin Xing, this time, let bu RUO and Dongfang Cha investigate Dongfang Jian's death on the surface. In the dark, they can do whatever they want. This way, it won't be considered a violation of the ancient agreement! But first, we have to give the sky elixir sect and the other big sects a heads up, tell them our purpose before we act, so we don't give them anything to use against us!"

"Yes, father, I understand!" Dongfang jinxing's eyes lit up as he understood Dongfang Badao's intentions. This way, he could kill two birds with one stone. He could investigate Dongfang Jian's death, and Dongfang buruo could deal with Xu Shihan.

"Alright, you can leave now. I'm going to continue cultivating!" "I've already touched the barrier to the full circle. I think I'll be able to make some progress in the next six months, and by then, our Dongfang family will have a Sky Class late phase Peak Master in full circle. We'll be able to rise to the level of an ancient sect!" Dongfang Badao said.

"Alright, father. Then you and brother will continue to cultivate. If you can both break through, our Dongfang family will be even more powerful!" Dongfang jinxing quickly said.

"Yes, Silverstar is still a bit short. If he didn't lose, I'm afraid his strength would be no less than Silverstar's. Sigh, he was the genius of our Dongfang family, but he died just like that! Hmph Hmph, once I break through to Sky Class late phase peak, I'll go get even with the everyday and every day sect-I'll make them give me an explanation!" Dongfang Badao laughed coldly.

"That's right, we can only swallow our anger now. " Dongfang jinxing nodded.

"Jinxing, your strength isn't bad. If you train hard, it shouldn't be a problem for you to reach Sky Class late phase peak. You're just thinking too much about the family, but your talent isn't much worse than Silverstar's." Dongfang Badao warned.

"Alright, father, I will work hard!" Dongfang jinxing smiled wryly. Before, he had always wanted to be the young master. However, after becoming the young master, he realized how much it would delay his cultivation!

Of course, if Dongfang Yinxing had not abdicated his position and competed with Dongfang jinxing, Dongfang jinxing would not have thought so. If he had been like the ancient Feng family, it would have been a different story.

After leaving Dongfang Badao's room, Dongfang jinxing went to prepare for Dongfang bu RUO and Dongfang Cha's entry into the secular world. With the attitude of 'a good meal is never afraid of late', they had to be fully prepared so that they would not be criticized for entering the secular world at will!

The Dongfang family wasn't strong enough to ignore others-if Dongfang Badao and Dongfang Yinxing both became Sky Class late phase peak, then the Dongfang family wouldn't have to be afraid anymore.

.....

Dark night Palace.

The Grand elder's face was extremely dark, because this morning, she had received a piece of bad news. The palace Master, ye Wan 'er, did not receive the inheritance when she took the Qi gathering pill to break through to the Sky Class. In other words, ye Wan' er had failed to receive the inheritance!

It had to be known that ye Wan 'er had already lost her virginity, so it would be extremely difficult for her to accept the inheritance. The moment she broke through to the heaven rank was the best time to comprehend the inheritance. If she didn't have the opportunity to comprehend the inheritance by then, then there wouldn't be any hope in the next few years.

Therefore, the Grand elder's heart was shattered at this moment. The Dark Palace's dream of rising to the top was also shattered! The Grand Elder was hoping that she and ye Wan 'er would become Sky

Class late phase peak at the same time, and then join the Sky Class Island Plan, and step into the path of heaven together. That way, the Dark Palace's strength would increase by leaps and bounds!

Otherwise, the Dark Palace would continue to remain silent and get worse and worse. In the end, they might even fall out of the ancient level and become a member of an ordinary sect in the hidden level! The Grand Elder didn't want to see this happen. She couldn't let the Dark Palace fall in her hands!

Chapter 3086 The Decision Of The Dark Palace

Although the Dark Palace's metal element inheritor was an indispensable part of the Sky Class Island Plan, he wasn't irreplaceable! If the Dark Palace really couldn't make it, he believed that that place, which was the five elements sect, would definitely attack and find other alternatives!

It was also possible for a cultivator with a better aptitude for metal attribute to obtain the inheritance of enlightenment from metal. Although the success rate was relatively low, he heard that the wood attribute inheritor was replaced in this way, so the Grand Elder really felt a sense of urgency!

"Ye Wan 'er, what do you think we should do?" The Supreme elder was really anxious this time. "Back then, you married a mortal and gave birth to a little B * stard, causing a portion of your Dark Phoenix bloodline to be separated! Now, if you can't get the inheritance, the Dark Palace is finished! I'm finished! Did you know?"

"I'm sorry ..." Ye Wan 'er lowered her head. She was Sky Class early phase now, but she didn't feel happy at all. She knew that she wouldn't be able to get the inheritance any time soon-this was a fatal blow to the Dark Palace!

"I'm sorry? What's the use of saying sorry?" "I've made up my mind," the Supreme elder gritted his teeth, "I'm going to kill that mortal Chu pengzhan and that B * stard Chu Mengyao to vent my anger!" Otherwise, it won't be enough to calm my anger!"

"Don't ..." Ye Wan 'er jumped in shock. She didn't think the Grand Elder would be so cruel as to attack Chu pengzhan and Chu Mengyao. "Grand Elder, you ... You don't remember Mr. Yang from back then?"

"Good! Ye Wan 'er, you dare to use that yang to threaten me?" After the Grand Elder heard ye Wan 'er's words, it was as if she had stepped on her sore foot, and she flew into a rage, ""That yang guy has disappeared for more than ten years, and it's hard to say if he's dead or not, yet you're using him to threaten this old woman? I'm telling you, if he was still healthy, he would have stood up a long time ago. Why would he wait until now? Ye Wan 'er, stop fantasizing!"

The Supreme elder roared in exasperation! Of course, this was said to ye Wan 'er, and also to the Grand Elder herself, because she had a guilty conscience! Although that ruthless man had disappeared for more than ten years, it was undeniable that he was an extremely terrifying existence in the Grand elder's heart!

Not to mention the Grand Elder, any ancient sect would be scared out of their wits when they mentioned those two people who had looked down on the Vajra duo fiends. And the Grand Elder had really fought with one of them, and he had compromised!

The master surnamed yang was ye Wan 'er and Chu pengzhan's backer. If it wasn't for him supporting ye Wan 'er, the Grand Elder wouldn't have let Chu pengzhan and Chu Mengyao go. It was because of this fear that the Grand Elder didn't allow anyone to mention this person!

Even if this person had disappeared for more than ten years and had not appeared again, the Grand Elder would still feel guilty when she heard this name, so she was flustered and exasperated!

"I ..." Ye Wan 'er felt wronged. Was it wrong for her to pursue love? Was it wrong to not want to marry someone you didn't like?

However, in the end, it was because master yang had left. If master yang was still here, would the Grand Elder dare to do this? And if Mr. Yang was still here, then the Dark Palace wouldn't have declined because of him, right?

"Alright, I announce that from today onwards, ye Wan 'er is no longer the palace master of the palace of the Eventide!" The Supreme elder had already made a decision. "I'll temporarily be the palace Master of the Dark Palace until we use the Dark Phoenix guide stone and find a new inheritor of the Dark Phoenix bloodline. She'll be the new palace Master of the Dark Palace! The new palace Master will lead us to glory!"

Ye Wan 'er didn't really care about the position of the palace Master. She wanted to be an ordinary girl and spend the rest of her life with Chu pengzhan, staying at home with her husband and children. How happy would that be?

However, she was now forcefully pushed to the position of Palace Master. Every day, other than cultivating, she would be passing on the inheritance. She had already had enough of it, but she couldn't speak of it. Now, ye Wan 'er was free!

However, what she was most afraid of was that the Grand Elder would make a move on Chu pengzhan and Chu Mengyao! Therefore, under such circumstances, she didn't care if she would fall out with the Grand Elder. Instead, she said anxiously, ""Grand Elder, you're looking for a new dark Phoenix inheritor, and ... Fighting Chu pengzhan and Chu Mengyao are two different things. Your priority right now is to find an inheritor, why are you arguing with these two normal people ... Besides, Chu Mengyao's bodyguard Lin Yi isn't someone to be trifled with. I heard that he's already at the early phase of Sky Class, and he can fight people above his level!"

"You're threatening me again?" The Grand elder's eyes widened and he said furiously, ""Lin Yi, he's just a freelancer trash, Sky Class early phase? Even if I'm fighting someone stronger than me, what can he do

to me? I killed him with one slap! I wouldn't have thought of that if you didn't mention it, but I'm definitely going to get my revenge on this Lin Yi!"

"That's right, Lin Yi's too arrogant and doesn't put the Dark Palace in his eyes at all-we should've killed him earlier! The Grand Elder is wise!" Zhao Qibing opened his mouth. He could tell that ye Wan 'er had lost her power. Now, he just had to follow the Grand elder's footsteps and serve the new palace Master well. It would be best if he could become the palace master's confidant, and then the time for him to be invincible would come!

"You guys ..." Ye Wan 'er fell to the ground limply. However, she could understand the Grand elder's anger. From the Grand elder's point of view, it was because ye Wan' er was young and insensible, and she got together with Chu pengzhan, which led to the Dark Palace's current situation.

"Alright, that's enough. Elder li, take Wan 'er to her residence to reflect on her actions. She won't be needed in the future!" The Grand Elder didn't mind ye Wan 'er and elder li meeting. Even if they were to plot something, they wouldn't be able to get anything. Ye Wan' er had lost her power and was just an ordinary disciple of the Dark Palace who wasn't even an elder. She could only order elder li around. The others wouldn't listen to her. And elder li couldn't help her with anything. After all, elder Li's abilities were limited."The rest of you, Follow me to the dark Phoenix Palace and activate the Dark Phoenix guiding stone to find the next Master's inheritor. We'll kill Lin Yi, Chu pengzhan, and Chu Mengyao while we're looking for the inheritor!"

"Ai! "Let's go, miss, let's go back ..." Elder li sighed. It seemed that the Grand Elder had already made up his mind. He did not give ye Wan 'er a chance to speak or explain. Now, they could only wait for the Grand Elder to find the Dark Phoenix's inheritor and be in a good mood before pleading with her!

Chapter 3087 Dark Phoenix Guide Stone

"Elder li, tell me ... How can we stop the Grand Elder ..." Ye Wan 'er felt as if a knife was cutting into her heart. She felt that she was a failure as a mother. Not only was she unable to raise her daughter, but in the end, she was also unable to protect her. She even wanted to harm her. This made ye Wan' er wish that she was dead.

"My lady, the Grand Elder won't do anything to you and your son-in-law for now. After all, she doesn't care about them. The Dark Phoenix bloodline is our top priority. The Grand Elder is still angry. When she finds the Dark Phoenix bloodline inheritor and is in a good mood, we can ask her to stop ..." Elder li comforted her.

However, whether the Grand Elder would change his mind or not, elder li actually did not have much confidence. But in order to not let ye Wan 'er be sad, he could only say things in a good direction.

"That's true ..." Ye Wan 'er heaved a sigh of relief, ""Elder li, let's go back first. Can you help me find out how Yaoyao is doing?"

"I'll try my best ..." Elder li sighed. "I've already given the control of the dark shadow group to black shirt's disciple, Zhao Qibing. If I want to find out more about this, I can only rely on the people I've trained in the dark shadow group, but it's hard for these people to act alone without Zhao Qibing's permission!"

"Elder Li, I'll have to trouble you then!" Ye Wan 'er said with a bitter smile. She also knew that the Grand Elder was now on guard against her and elder li, so he did his best to strip them of their power and make them have no right to speak in the dark Palace.

The Grand Elder brought the elders and disciples of the Dark Palace to the Dark Phoenix shrine at the top of the Dark Phoenix Mountain range. The ancient divine weapon, the Dark Phoenix guide stone, was placed there! The guiding stone was originally used to find the Dark Phoenix. However, an ancestor of the dark night Palace accidentally discovered that the Dark Phoenix guiding stone could also be used to find inheritors with the Dark Phoenix bloodline. This discovery was still being used to this day!

As the Grand Elder of the Dark Palace, it was quite easy to activate the Dark Phoenix guiding stone. After she finished her preparations, she activated the Dark Phoenix guiding stone!

Under the dark Phoenix guiding stone was a huge world map with extremely accurate coordinates. After the dark Phoenix guiding stone was activated, a small stone that was originally unremarkable suddenly emitted a golden light and flew into the sky. It reached a very high altitude. If it wasn't for the dazzling light, the people of the Dark Palace would not even be able to see its existence!

However, the light was too dazzling. Even though the Dark Phoenix guide stone had already flown a few thousand meters up, everyone could still see the golden light emitted by the Dark Phoenix guide stone. This was the power of an ancient divine artifact!

However, this divine tool could only be used to find the inheritor of the Dark Phoenix bloodline, and it couldn't be used as a heaven-grade divine weapon. Otherwise, it would probably be extremely powerful!

The Grand Elder and the others held their breaths as they looked at the Dark Phoenix guide stone in the sky. They knew that the Dark Phoenix guide stone was looking for the inheritor of the Dark Phoenix bloodline. It was searching for the owner of the Dark Phoenix bloodline in the great thousand world!

It was Qibing's first time seeing something like this, and he couldn't help but click his tongue in surprise. This Dark Phoenix guiding stone was really something! If he didn't see it with his own eyes, he would have thought that he was watching a science fiction movie!

The hidden houses didn't know much about these divine weapons, which was also why old Zhao didn't have a heaven-grade divine weapon. The hidden houses didn't have enough resources to have such powerful items!

Even the ancient sects didn't have many heaven-grade weapons left, and not every Sky Class master could find one that suited them!

This was also the reason why Lin Yi was able to exchange for some benefits and benefits after he took out a divine weapon that the snow Valley fancied. Otherwise, why would the snow Valley suffer so much loss?

The Dark Phoenix guiding stone continued to spin in the air, emitting a dazzling golden light. Everyone present from the Dark Palace was extremely nervous at this moment, and their hearts were beating rapidly. The Grand Elder himself even held his breath!

The content of the Dark Phoenix guide stone was related to the future development of the entire dark night Palace. If the Dark Phoenix guide stone couldn't find the inheritor of the Dark Phoenix bloodline, then the dark night Palace would be finished!

In fact, the Dark Phoenix guiding stone didn't stay in the sky for a long time. It could even be said to be very short. However, this short ten minutes felt like a long time to everyone present! Even Zhao Qibing was a little nervous. After all, if the Dark Palace was strong, then he would be the strong one. If the Dark Palace was finished, how could he get revenge on Lin Yi?

And so, Qibing prayed silently in his heart, praying that the Dark Phoenix guide stone would be able to find an inheritor of the Dark Phoenix bloodline.

Gradually, the golden light on the Dark Phoenix guide stone became weaker and weaker, and the Dark Phoenix guide stone also began to fall!

Either the Dark Phoenix's Guide stone found the inheritor of the Dark Phoenix bloodline, or the Dark Phoenix's Guide stone didn't. There were only these two possibilities, and the result was about to be revealed.

The Dark Phoenix's guiding stone landed on a certain spot on the map. However, no matter where it landed, as long as it didn't land on the original spot, it meant that it had found the inheritor of the Dark Phoenix bloodline!

"I found it, I found it, Grand Elder, I found it!" Zhao Qibing pointed at the map and shouted. As far as he was concerned, the Dark Palace was going to be a Big Shot soon, and he, Zhao Qibing, was going to be a Big Shot too.

"What are the coordinates? note it down and check it on the computer!" The Grand Elder was also very excited. He didn't expect to really find it! In this world, other than the descendants of the Dark Palace, there were actually other people with the Dark Phoenix bloodline?

One had to know that the Dark Phoenix guide stone couldn't be wrong. If it said there was, then there must be!

Now, there was no need to look for the coordinates by looking for a map. With computers and the use of high-tech equipment in the dark Palace, as long as the coordinates of the Dark Phoenix's guiding stone were entered into the computer, they could accurately locate a certain city!

Although it was only within the range of a city, as long as he had a rough idea, the Grand Elder could sense the existence of the inheritor of the Dark Phoenix bloodline. He just had to follow his sense and find him.

"Yes!" As soon as the Grand Elder finished speaking, a disciple of the Dark Palace came over with a laptop.

Chapter 3088 Find The Inheritor!

He entered the coordinates Qibing had given him into the computer, but the city's location surprised the Grand Elder!

"Reporting to Grand Elder, the coordinates show that it's in the North of Eastern Sea city." The disciple reported the results to the Grand Elder.

"Eastern Sea city?!" The Grand Elder was no stranger to Eastern Sea city-it was the city she sent people to cause trouble for Lin Yi, and the Dark Phoenix bloodline inheritor was here as well!

If he had known earlier, he would have gone to Eastern Sea city himself. Only those who had cultivated the Dark Palace heart technique and reached the late stage of heaven realm could sense the aura of the Dark Phoenix bloodline. The black-robed elder did not have this ability.

"That's right, it's Eastern Sea city!" The disciple turned the laptop screen around and aimed it at the Grand Elder.

The Grand Elder took a look and nodded. That disciple would not lie to her. Now, she was ready to go to Eastern Sea city in person!

"Eastern Sea city? That's great, it's the will of the heavens!" "This way, I don't have to do anything anymore-I'll just find the inheritor and kill Lin Yi, Chu Mengyao, and Chu pengzhan!" The Supreme elder sneered.

"The Grand Elder is wise!" Qibing was overjoyed-if the Grand Elder was here, Lin Yi wouldn't be able to do anything! The Grand Elder was Sky Class late phase peak now-killing Lin Yi was a piece of cake.

"Alright, Qibing, stop with the flattery-I know you want to kill Lin Yi, but so do I!" "But this time, you don't have to go with me," the Grand Elder said."After all, on the surface, I'm going out to find an inheritor. If you go with me, it won't be easy to take revenge!"

"Yes ..." Zhao Qibing wanted to see Lin Yi die with his own eyes, but since the Grand Elder said no, he couldn't force it, right?

"Black-robed elder, please tell the sky elixir sect and the other ancient sects that the dark night Palace has activated the Dark Phoenix's Guide stone and found a new dark Phoenix inheritor. I'm going to enter the mortal world!" The Grand Elder said to the black-robed elder.

"Yes!" "This time, it's perfectly justifiable for the Dark Palace to make a move. Let's see if the sky elixir sect still dares to stop us!" The black-robed elder quickly nodded in agreement.

After returning the Dark Phoenix's Guide stone to its original position and sealing off the mechanism, the Grand Elder led the crowd to disperse and prepare to enter and exit the secular world.

Wan 'er and elder li were also the first to know what had happened in the dark Palace. Although Wan' er and elder li had lost their power, they still had some confidants in the dark Palace. What had happened

before didn't need to be hidden. It was an exciting event that needed to be spread to all the disciples of the Dark Palace. So, Wan 'er and elder li also knew.

"Elder li, what a coincidence, both of them are in Eastern Sea city ... The Grand Elder is going to deal with Yaoyao and pengzhan, what should we do?" Ye Wan 'er was a little out of her wits-she was a Sky Class early phase, but she didn't have the air of a Sky Class master at all-she was just like a little girl.

"Miss, I didn't expect such a coincidence to happen either. Originally, if it was two cities, after the Supreme elder found the Dark Phoenix's inheritor, he might have placed all his attention on the Dark Phoenix's inheritor and wouldn't have the mood to find trouble with Little Miss and uncle. However ... Now that they're both in the same city, it's easy for him to take revenge. This is a little difficult!" Elder li also had a headache. The coincidences caught him off guard.

"Then ... What should I do?" Ye Wan 'er panicked,"I'll go ask the Grand Elder for mercy. I'm a Sky Class master after all. Even if I'm not the master, I can still be an elder of the Dark Palace. The Grand Elder wouldn't want me to have a bad opinion of the Dark Palace because of Yaoyao and pengzhan, right?"

"Oh ... That's a good reason. How about this, we'll go and seek an audience with Grand Elder right now!" Elder li nodded and then said.

"Alright!" Ye Wan 'er also nodded her head. She quickly ran with elder li to the room where the Grand Elder was.

At this moment, the black-robed elder had just informed the sky elixir sect and the other ancient sects. This way, the Dark Palace would have a good reason to enter the mortal world.

"Grand Elder, Palace Master ... Ye Wan 'er and elder li are here to see you!" A disciple carefully reported to the Grand Elder. He had almost blurted out the words "Palace Master". After thinking about it carefully, he felt that something was wrong. Right now, ye Wan 'er was no longer the palace Master.

"Oh? What are they doing here?" The Grand Elder frowned. He was definitely here to plead for mercy. However, he was in a good mood now, so he said to the disciple, ""Alright, then let them in!"

"Yes!" The disciple quickly responded, then turned around and left the room.

After a while, ye Wan 'er and elder li walked into the Grand elder's room together.

"Ye Wan 'er, elder li, why have you come?" The Grand Elder asked.

"Grand Elder, elder li and I are here to congratulate you on finding an inheritor of the Dark Phoenix bloodline. This is a joyous occasion for the dark night Palace. As the former palace Master, I'm naturally happy as well." Ye Wan 'er didn't dare to talk about Chu pengzhan and Chu Mengyao directly, so she put in a few good words first.

"En, this is indeed a good thing." The Grand Elder was also very happy. The Dark Palace was almost finished, but now, it was back to life!

"There's one more thing that I'd like to be so bold as to tell Grand Elder ..." Elder Li said.

"Speak." The Grand Elder waved his hand and said to elder li.

"It's like this, Grand Elder-you see, ye Wan 'er was the palace Master before, but she's no longer one now, but she's at the early phase of Sky Class. We're in need of talents right now, so is it possible for ye Wan' er to be an elder?" Elder Li said.

"That's for sure-Sky Class early phase, an elder of the Dark Palace is more than enough!" The Grand Elder nodded and said.

"So, in the future, ye Wan 'er will still have to work for the dark night Palace. Grand Elder, since you've already found a new inheritor of the Dark Phoenix bloodline, can you let ye Wan' er's family off?" Elder Li said,"you see, if you kill ye Wan 'er's daughter and husband, she won't be happy either. Will she still be able to work for the Dark Palace in peace in the future?" You won't lose anything even if you don't kill them. The inheritors are the most important thing in the dark Palace now!"

Chapter 3089 The East Is Not Weak

"Oh ..." The Grand Elder couldn't help but nod. She had to admit that elder Li's words made sense. If she had killed Chu pengzhan and Chu Mengyao, then ye Wan 'er would probably be traumatized as well, and she wouldn't be as active in helping the Dark Palace anymore ...

The Supreme elder was a person who placed benefits above all else. In her heart, face and dignity were not important. Only the sect's interests were the most important. As long as it could bring benefits to the sect, it was a good thing. People who brought benefits were good people. The opposite was true.

"No, Grand Elder!" Just as the Grand Elder was hesitating and was about to agree to elder Li's request, Zhao Qibing jumped out!

"Oh? Qibing, why can't you?" The Grand Elder asked.

Zhao Qibing only wanted to kill Lin Yi. As for Chu Mengyao and Chu pengzhan's death, it didn't matter to him. The people he wanted to kill the most were Lin Yi and Chen Yushu! However, even if the Grand Elder wanted to let Chu Mengyao and Chu pengzhan go, he wouldn't kill Lin Yi for him alone. Hence, Zhao Qibing jumped out to object.

"Grand Elder, think about it. If you make a mistake and don't get punished, then wouldn't anyone make a mistake?" Zhao Qibing asked back, "if the new dark Phoenix inheritor also had a boyfriend, and she slept with him in private, would she learn from ye Wan 'er and we wouldn't punish her?" Without a severe punishment, how can she be obedient?"

"Hmm ... Qibing, you're right!" The Supreme elder nodded. Indeed, rules were rules. If they let Chu Mengyao and Chu pengzhan go, then the new inheritor of the Dark Phoenix bloodline would follow suit. Wouldn't that be a mess?

"Grand Elder, it's not like that ..." Ye Wan 'er was suddenly a little anxious ...

"Supreme elder, I agree with Zhao Qibing's opinion!" The black-robed elder did not give ye Wan 'er a chance to speak. He interrupted her and said to the Grand Elder, ""Not only must we punish him, we must punish him severely! When we find the bloodline inheritor, we'll kill Chu pengzhan and Chu Mengyao in front of the inheritor. We'll make an example out of her and show her the consequences of not listening to us!"

"En, black-robed elder, you're right!" The Grand Elder nodded her head, having already made her decision. She waved her hand at ye Wan 'er and said, ""Ye Wan 'er, you should go back with elder li. I've made up my mind. The matter has been decided and can not be changed!"

"This ... Grand Elder, I beg you, please let Yaoyao and the others off. They are innocent ..." Ye Wan 'er was anxious and knelt on the ground.

"Zhao Qibing, see him out!" The Grand Elder snorted coldly, not moved by ye Wan 'er's plea at all.

"Ye Wan 'er, elder li, please? You don't want to anger the Grand Elder, do you?" Zhao Qibing was a villain, and he didn't put ye Wan 'er and elder li in his eyes at all. The two of them were just existences who had lost power in the dark Palace. Zhao Qibing believed that as long as he could get the support of the Grand Elder and the new master, his position in the dark Palace would be as high as he could sleep.

Of course, this was all wishful thinking on the Grand elder's part. Now that the inheritor of the Dark Phoenix bloodline had been found, would he come to the dark night Palace to cultivate? What if they didn't come? From the Grand elder's perspective, the Dark Palace was so powerful, an ancient sect that could achieve immortality and strength through cultivation. This was something that everyone wanted, just like Zhao Qibing.

Therefore, in the Grand elder's opinion, as long as he found the inheritor of the Dark Phoenix bloodline, she would cry and beg to return to the dark night Palace with him to cultivate. She didn't even think about the problem of her not coming.

Ye Wan 'er and elder li were helpless and could only go back first. Ye Wan' er could only wash her face with tears, while elder li could only sigh, but there was nothing he could do!

.....

A raxxus LX570 was parked below the xueshang business hotel, which was located in Donghai University town.

A young man and a middle-aged man alighted from the car. These two people were Dongfang buruo and Dongfang Cha, who had come to Eastern Sea city.

"Dongfang Cha, are you sure that Xu Shihan is in Eastern Sea city?" Dongfang buruo had been on the road for a long time, so he had some necessities. Although he was a practitioner, he rarely took a car, and this sudden trip made him very uncomfortable. He just wanted to find a girl to have some fun, and the best person was Xu Shihan.

Therefore, as soon as the car stopped and arrived at the destination, Dongfang buruo was a little impatient.

"I'm sure, young master buruo. Xu Shihan secretly took a plane to Eastern Sea city before. She didn't inform the media, but I still found her flight records through a news company in the secular world," "Plus, Feng Tianlin from the ancient house Feng already knows about this," Dongfang Cha said. "He doesn't want anything to happen to Xu Shihan, so he'll definitely make her hide. That means she's definitely in Eastern Sea city."

"Then how do we know where she is?" "What?" Dongfang buruo was getting impatient. "Eastern Sea city is so big, where can we find them?"

"Don't worry, we'll have news soon. I have other sources of information." Dongfang Cha said.

"Alright, in that case, let's wait for a while!" Dongfang buruo knew that he wouldn't be able to see Xu Shihan today, so he turned to Dongfang Cha, ""Go and find me some female students. I want to have some fun. I've been cooped up at home for so long, and I finally have a chance to come out and have some fun!"

"No problem, young master!" Dongfang Cha nodded. Although he thought that Dongfang buweak and Dongfang Bushu were far apart, he had no choice. Dongfang Bushu was dead after all. Now that Dongfang buruo had become the only heir to the Dongfang family, Dongfang Cha's pleasing of Dongfang buruo was equivalent to laying the foundation for his future position in the Dongfang family.

"En, then get me a room to rest first ..." Dongfang buruo nodded and said.

As far as he was concerned, getting Xu Shihan to bed wasn't a difficult task at all with the help of a master like Dongfang Cha. Even without Dongfang Cha, he was an Earth Class late phase peak, and he could handle it!

However, it would be more difficult to investigate the cause of Dongfang Jian's death. Who knew who he had offended in the cultivators 'trade association? Now, the cultivators trading Association was not cooperating and they were relying on their own investigations. Where would they go to investigate?

To be honest, Dongfang buruo's visit to the secular world was to mess with Xu Shihan. As for Dongfang Jian, it was just an excuse, and he didn't take it to heart at all!

Chapter 3090 Who's The School Belle?

He was a cold-blooded man. Even though Dongfang Jian had died because of him, he didn't care.

Who asked him to be an elder of the Dongfang family? It was his honor to sacrifice for the family!

Dongfang Cha went to look for female students for Dongfang buruo. It had to be said that there were many materialistic girls working part-time. Dongfang Cha didn't even need to go out. He just asked the hotel and got many phone numbers.

After finding two for Dongfang buruo, Dongfang Cha left the hotel to find out more about Dongfang Jian.

Dongfang buruo didn't care much about Dongfang Jian, but Dongfang Cha did.

Dongfang Cha was also an elder in the family, so he naturally had to find out the cause of Dongfang Jian's death. Otherwise, if he died one day, no one would avenge him ...

However, just as Dongfang Cha left the hotel, he received an extremely angry call from Dongfang buruo.

"Dongfang Cha, do you want to F * cking kill me?"

Dongfang buruo shouted from the other end of the phone!

"Young master bu RUO ... What's wrong?"

Dongfang Cha's head was filled with confusion. He didn't know why Dongfang bu RUO was suddenly so angry. He carefully asked, ""Why would I harm you? What happened?"

"What is it? Where the F * ck did you find this female student for me?"

Dongfang buruo roared.

"She's at the hotel. The hotel's waiter gave me her name card. She's a part-time girl I found ..."

Dongfang Cha said carefully. He didn't know how he had offended Dongfang buruo. Could it be that the quality of the women he had found was too low?

That couldn't be. He had looked at the photos on the card and picked the two most beautiful ones. Why was Dongfang buruo not satisfied?

"Is that a student? Mushrooms are growing down there!"

"One with mushrooms and the other with flowers!" Dongfang buruo roared. Luckily, I have good eyes, or else I'd be dead if I got aids!"

"Hiss ..."

Dongfang Cha jumped in shock. How could he have expected to encounter something like this?

It seemed that this was not a female student, but the sick Lady in Disguise. She had almost tricked Dongfang buruo!

"Young master buruo, I don't know either. You know that after I found them, I had them go to the room. I could only see their looks, but I couldn't take off their clothes to check!"

Dongfang Cha said with a bitter smile.

"Damn it, I'm telling them to get lost!"

"I'm very angry right now," Dongfang buruo said. "Go and catch two innocent female students for me. I want a Virgin!" I think you should be able to tell with your eyesight, right?"

"I can tell, but ... Young master buruo, we're here to investigate the cause of Dongfang Jian's death. What if something goes wrong when we're just randomly arresting people?"

Dongfang Cha was a little hesitant. He didn't want to cause any more trouble.

"Capturing Xu Shihan is one thing, but can't we capture a female student?"

"Dongfang Cha, if my father finds out that you've found two sick ladies for me ... Hmph, think about it!" Dongfang buruo snorted coldly.

"Young master bu RUO, don't be angry. I'll go and find you two beautiful female students!"

"But it's not like you can find such high-quality female students in a short time ..." Dongfang Cha quickly said.

"It's okay. I've already hooked up with two hotel waiters. It's okay, just for fun. But you have to find me a beautiful woman, just these few days!"

Dongfang bu RUO nodded.

"Sure, no problem ..."

Dongfang Cha heaved a sigh of relief. As long as he had enough time, he could take his time to search for it. He didn't need to rush to find it!

Dongfang Cha had originally wanted to make a trip to the cultivators trade association, but he had no choice but to change his plan and camp at a nearby school. If he wanted to find a beautiful woman, he had to use some tricks!

Dongfang Cha glanced at the navigation map on her phone. The nearest University in the vicinity was East Ocean industry University, so she headed directly in the direction of East Ocean industry University.

After entering the campus, Dongfang Cha didn't look around like a fool and wait for a rabbit at the entrance. Instead, he saw a few losers sitting under the basketball stands and chatting.

"Brothers, are you chatting?"

Dongfang Cha quickly walked over and pretended to chat.

"Uncle, Who are you?"

These students were obviously still on guard. They were still on guard when an unfamiliar man suddenly came over to chat them up.

"Hehe, I'm the person in charge of the National Campus Belle program on the xxx website. I'm here to count the campus Belles of East Ocean industry University ..."

Dongfang Cha asked calmly.

"Why should we believe you?"

The boy obviously didn't believe Dongfang Cha's words.

"Hehe, which one of you knows more? I'll have to pay for the information."

As he spoke, Dongfang Cha pulled out a stack of cash from his pocket. There were about three to four thousand dollars.

The boys' eyes suddenly lit up, and they all rushed to say, "I know, I know ..."

"Alright, then all of you can say it together. Everyone can add on together. This money is all yours!"

Dongfang Cha said.

These guys were also good friends from the same dormitory, so it didn't matter who they gave the money to. They would all spend it together, so everyone started talking at the same time.

"The three most popular girls in our school are Chu Mengyao, Chen Yushu, and Wang Xinyan! These three are the three most popular girls in our school's list of campus beauties ..."

One of the boys started to talk.

"After the three of them is ..."

The other boy was about to add on when he was interrupted by Dongfang Cha.

"Let's not talk about the rest. We don't want just anyone in the school Belle selection. We only want the prettiest girls in each school ..."

"Now, tell me, what are these three school beauties" majors? do they have boyfriends or something ..."

Dongfang Cha remembered Dongfang buruo's request for his first daughter. This time, he had to find out. If she had a boyfriend, then forget it. She was probably no longer a Virgin.

"Chu Mengyao and Chen Yushu are in the economics Department. I don't think they have a boyfriend, and I've never heard of them being close to any guy ..."

"But, these two are really goddesses," a boy said. "One is super beautiful, and the other has a super good figure. They're a perfect combination!"

"Wang Xinyan's love life, on the other hand, is a mess. She has a boyfriend at school, and I think she has a fiancé as well, but they live together ..."

Another boy said.

Dongfang Cha immediately excluded Wang Xinyan-how could a girl like that be good enough? Let's go with the two from before!
