

Bodyguard 3091

Chapter 3091 Dongfang Cha Takes Action

And so, Dongfang Cha said, "we don't just judge the school's most beautiful girl by her looks, but by her character as well. This Wang Xinyan doesn't study hard, but she's in a relationship. Forget about it. Let's talk about Chu Mengyao and Chen Yushu. Do you have their photos?"

"There are!" One of the boys quickly pulled out his phone and showed a picture of Chu Mengyao and Chen Yushu to Dongfang Cha, "It's here. One has the goddess-like look, and the other has an angel's face and a Devil's body!"

Dongfang Cha's eyes lit up when he saw the photos-they were so pretty that even he was moved! Dongfang Cha thought, 'if Dongfang buruo is done for, I'll be able to play with him too. Then this trip wouldn't be in vain. But, I wonder if young master Dongfang buruo can let me play with him?' At this thought, Dongfang Cha's heart began to itch and he became even more enthusiastic!

Originally, he was very unhappy that Dongfang buruo had asked him to do this. He was here for official business, not to act as a pimp for Dongfang buruo! But now, he was very willing to do it. It would be very satisfying to have sex with one of the two girls, let alone two!

"Can you send it to me?" Dongfang Cha asked.

"Of course you can!" The boy used his phone to send a message to Dongfang Cha.

After getting Chu Mengyao and Chen Yushu's information and photos, Dongfang tea gave the money to the boys and started thinking about how to make a move ...

Chu Mengyao and Chen Yushu were both from the economics Department, which meant that they were definitely in the economics building. He just needed to wait near the economics building and he could catch them!

With this in mind, Dongfang Cha went back to the hotel to pick up his car. However, on the way, he received a call from the young master, Dongfang jinxing.

"Young master!" Dongfang Cha answered the call respectfully.

"Dongfang Cha, you've arrived, right? I saw the GPS tracking your car, and you've already arrived at Eastern Sea city. You're driving out now, are you going to the cultivator trade association?" Dongfang jinxing asked.

"I ..." Dongfang Cha's voice faltered. He wasn't going to the cultivator trade association, he was going to East Ocean industry University! However, it was impossible to lie to Dongfang jinxing. Dongfang Cha would not dare to lie in front of Dongfang jinxing. Even if she were to lie, Dongfang jinxing had to believe her first!

Not only was this car equipped with the Dongfang family's satellite positioning system, but it also had a voice recording and video recording system. How would he dare to talk nonsense?

Therefore, after a slight hesitation, Dongfang jinxing decided to tell the truth. After all, betraying Dongfang was not weak, and it was better than lying to Dongfang jinxing!

"Young master, I'm going to East Ocean industry University!" Dongfang Cha said.

"East Ocean industry University?" "Dongfang Cha, what are you going there for?" Dongfang jinxing asked in surprise.

"Young master, it's like this ..." Dongfang Cha didn't dare to hide anything. He told Dongfang jinxing about how Dongfang buruo wanted to have some fun with some female students after coming to Eastern Sea city, but ended up finding two sick girls instead. "And now, I'm going to catch some female students for young master buruo ..."

"I'm not weaker than this little brat!" Dongfang jinxing frowned, but he couldn't say anything. Dongfang wasn't weak, and his father Dongfang Badao pampered him a lot. Dongfang Badao even allowed him to go after Xu Shihan this time, so what was the big deal with capturing two female students?

Therefore, although Dongfang jinxing was not very happy, he still said, "Alright, then be careful. Don't let anyone see it and leave behind any evidence! We may be an ancient sect, but we're still restricted by other ancient sects!"

"Don't worry, young master. The purpose of my driving here is to knock them out and put them in the car. I'll do it secretly. Who will find out?" Dongfang Cha said.

"Alright, after you're done with these things, try to find some time to investigate Dongfang Jian. If you're in the secular world and you don't even go to the cultivator trade association, it won't make sense. Don't forget the reason why we're in the secular world!" Dongfang jinxing instructed.

"I understand, young master. I'll go tomorrow!" Dongfang Cha said.

Dongfang jinxing didn't say anything else and hung up the phone. In his opinion, arresting two students wasn't a big deal. The ancient sects didn't have much of a concept of human life. In their eyes, ordinary people were no different from ants, and the experts were the most important.

Dongfang Cha drove the car directly to the economics Department and waited.

At this moment, it was not far from the end of school.

Time passed by, and finally, Dongfang Cha waited until class was over. Students began to come out of the economics building in twos and threes ...

As a Sky Class practitioner, Dongfang Cha's spirit sense was extremely sensitive. He didn't even need to get close to the students to clearly identify Chu Mengyao and Chen Yushu.

However, after ten minutes, Dongfang Cha found Chu Mengyao and Chen Yushu!

However, Dongfang Cha didn't make a move immediately. Instead, he followed behind the two of them. There were many people here. If he made a move and the other students blocked his way, he would be in a bad position. Although he wasn't afraid of killing all these students, it would still be troublesome!

So, Dongfang Cha waited until the two girls were walking towards the parking lot, and when there was no one else on the road, he stepped on the gas and sped up, stopping right next to them. He opened the door and jumped out, blocking the two girls "path!

The other students either went back to their dorms or the cafeteria after school, and almost no one went to the parking lot. Only Chu Mengyao and Chen Yushu went to the parking lot every day, so there wasn't anyone on the road. The place that Dongfang Cha chose to attack was in a blind corner, so even if there were people, they wouldn't be able to see it.

"You ... What are you doing?" Chu Mengyao looked at the person in front of her warily and asked.

However, Dongfang Cha wasn't stupid. He didn't waste any time with the girls. He grabbed them by the collar and smacked them on the back of their necks, knocking them out!

Dongfang Cha didn't stop after knocking out Mengyao and Yushu. He opened the back door and threw them in the back seat before closing the door and returning to the driver's seat. He started the car again, the whole process done in one breath

Chapter 3092 The Rage Of The Grand Elder

The Supreme elder had brought the black-robed elder with him. They had been heading straight for Eastern Sea city since they left the Dark Palace. After a long journey, they finally arrived at Eastern Sea city.

After finding a hotel to stay in, the Grand Elder immediately took elder black-clothes out of the hotel.

She couldn't wait any longer. The inheritor was the future hope of the Dark Palace. The Grand Elder followed the principle of being careful. The earlier she saw the inheritor, the earlier she could be at ease. What if something happened later?

It had to be said that the Wan'er's matter had already made the Grand Elder a little crazy. She was afraid that if she was a step too late, something would happen that would catch her off guard, so she did not take any rest in the hotel.

Fortunately, the Grand Elder and the black-robed elder were both cultivators, so they were not tired!

This time, the Grand Elder and the black-robed elder didn't drive. Instead, they walked and sped through the city. The Grand Elder had already sensed the aura of the inheritor of the Dark Phoenix bloodline, and she couldn't wait to fly over.

Following the aura of the Dark Phoenix bloodline inheritor, the Grand Elder immediately chased after him!

As they got closer, the Grand Elder became more and more excited. When the Grand Elder and the black-robed elder entered the campus of East Ocean Industry University in weird clothes, they immediately attracted the attention of the students!

Because these two people actually came to school in ancient costumes. Were they here to shoot a TV?

However, the Grand Elder didn't care about these people's sidelong glances. She was here to find an inheritor. Other things didn't matter. The Grand Elder lived for the sect, not for her own face.

They're almost there, almost there! The Grand Elder was very excited!

However, just as the Grand Elder saw the inheritor of her dreams, she saw a man driving a white SUV knock out the inheritor and another girl, and drag them into the car!

The Supreme elder was suddenly furious. A wave of anger could not help but shoot up from his ribs. This is my inheritor, what the f * ck are you? He actually captured the inheritor? What are you trying to do?

After capturing Chu Mengyao and Chen Yushu, Dongfang Cha called Dongfang buruo while driving.

"Dongfang Cha, what's wrong? What's the matter?" Dongfang buruo had just finished having fun with the two waiters and was resting when he received a call from Dongfang Cha.

"Young master buruo, I've captured two campus Belles as you've requested. They're the two most beautiful campus Belles of East Ocean industry University. I'll bring them back for you to enjoy!" Since Dongfang jinxing had already given his silent approval, he naturally dared to make the call in the car. Otherwise, if the recording and video were to be transmitted back, he would be in serious trouble. However, it didn't matter now.

"Oh? It's already settled? That's great, I'm done having fun here too. You can bring them back just in time. I'll have some fun after dinner!" Dongfang buruo said happily after hearing Dongfang Cha's words.

"Alright, young master bu RUO ..." Dongfang Cha couldn't help but continue. "Young master buruo, when you're done, can you let me have some fun too?"

"Sure, no problem!" Dongfang buruo readily agreed. If you want your subordinates to do your best, you can't just not give them some benefits, right? This time, Dongfang Cha had tasted the sweetness of it. Next time, he would be even more enthusiastic in helping him find beautiful women.

"Alright, I'll go back immediately ... Huh!?" Dongfang Cha had just hung up the phone when he slammed on the brakes! He suddenly realized that an old lady was standing in front of his car!

"Old woman, are you F * cking looking for death? What are you doing in front of the car? Why aren't you getting lost?" Dongfang Cha cursed in exasperation! If he wasn't a Sky Class and wasn't quick-witted, he would've been dead already!

Although Dongfang Cha wasn't afraid of running someone over, it would still be troublesome if he did. After all, there was still a Man in Black not standing in front of the car not far away. The two school beauties in the car might be discovered, and his plan would be ruined! As such, Dongfang Cha was extremely furious.

Dongfang Cha was furious, but the Grand Elder was even more furious. He was so angry that he laughed, "What did you just say? Did you just call me an old woman?"

"You old thing, don't think that you're a star just because you're wearing a costume. Don't dawdle and get lost, or I'll kill you!" Dongfang Cha didn't think too much about the attire of the great elder and the black-robed elder, thinking that they were actors from some drama. After all, the ancient clans were different from the ancient sects. Most ancient clans had already accepted the clothing of modern society, but ancient sects still retained their traditions.

Furthermore, Dongfang Cha didn't even think that the Grand Elder of the Dark Palace would appear here. This was simply unrealistic!

Originally, when the Grand Elder heard Dongfang Cha's phone call in the car, he was already furious. You want to have some fun? Why couldn't the Grand Elder understand what Dongfang Cha was trying to say? He wanted to push the two girls in the car!

However, one of them was the inheritor of the Dark Phoenix bloodline chosen by the dark night Palace. If you F * cking lost your virginity, wouldn't the Grand Elder go crazy? This had almost pushed the Dark Palace into the abyss of eternal damnation. How could the Grand Elder not be angry?

Therefore, the Grand Elder had already decided to kill him. He nodded and said, ""Very good, very good, not only did you dare to kidnap the person this old woman values, you even dare to call this old woman and old thing! Today, I'll let you die first!"

Dongfang Cha furrowed his brows. He didn't want to waste time with the Grand Elder, but this woman was blocking his way. What was he to do? Since he couldn't kill them, he could only get out of the car, throw the two people aside, and quickly drive away ...

"Old thing, you're looking for death!" As he spoke, Dongfang Cha reached out to grab the Grand Elder, preparing to throw her out!

However, when Dongfang Cha grabbed the Grand elder's arm, he felt his entire body shake. He actually didn't manage to grab it? Could the other party be an expert?

When the Grand Elder was caught, although he was angry, he naturally circulated his internal strength to resist.

"Sky Class late phase peak?" Dongfang Cha was dumbfounded! He didn't expect the other to be a practitioner, Sky Class late phase peak at that! But, before he could finish his sentence, he was slapped by the Grand Elder

Chapter 3093 Another Dead

"Bang!" Dongfang Cha was sent flying-a Sky Class late phase peak wasn't something a small sky Class early phase could fight against! However, as he was sent flying, Dongfang Cha quickly activated his Qi cultivation technique and used his Qi to protect his body so that he wouldn't be killed!

When Dongfang chazhan revealed his Sky Class early phase strength, the great elder was surprised-he was a Sky Class too? Early phase Sky Class? Could this man be Lin Yi?

Could it be that Lin Yi kidnapped the two girls in the car and was planning something? From the phone call, it seemed like he sold it out to someone, and that person had the meat while Lin Yi had the soup!

It wasn't the Grand elder's fault for misunderstanding-after all, practitioners were extremely rare in the common world, not to mention Sky Class Masters-even Mystic class Masters were rare, and even golden class Masters were as rare as Phoenix Feathers and water chestnuts. So, when a practitioner with the same strength level as Lin Yi appeared in Donghai city, the Grand Elder naturally thought that it was Lin Yi!

"Die!" The Grand Elder already had the intention to kill him, and now that this person was Lin Yi, he was even more determined to kill him!

The Grand Elder directly used her heaven-grade divine weapon. A Red Ridge was thrown out, shining with golden light!

"Don't kill me, I'm Dongfang ..." Dongfang Cha was really scared-the guy was Sky Class late phase peak, he wasn't a match for him at all, and so he started laying out his background. He believed that as long as he did that, they would both be from the ancient world, and the guy would let him go. At most, the Dongfang family would just have to sacrifice some benefits to make up for it!

However, before he could finish his sentence, the Grand elder's Red caltrop smashed into Dongfang Cha's chest with a loud "boom". Dongfang Cha's chest caved in, and he died with his eyes wide open before he could even finish his sentence!

"The East? What East?" After killing Dongfang Cha, the Grand Elder realized that something wasn't right. Things weren't what she thought-this person didn't seem to be Lin Yi!

"Black shirt, this man isn't Lin Yi?" The Grand Elder frowned and turned to ask the black-robed elder.

"No, it's not Lin Yi!" The black-robed elder shook his head!

"Check his body, see if there's any token ..." The Grand Elder also felt that there was something wrong. Could Dongfang be a member of the ancient Dongfang family?

The black-robed elder nodded and quickly searched Dongfang Cha's body. However, he did not find any useful clues, so he got into Dongfang Cha's car and started searching again!

After a short while, the black-robed elder got out of the car and handed a listening device, a surveillance camera, a GPS positioning system, and a mobile phone to the Grand Elder. Then, he said, "Grand Elder, these are all the suspicious items on the carriage!"

The bugs and surveillance cameras transmitted signals through the 3G network. This caused the Grand elder's expression to change slightly. It looked like the scene of him killing someone had already been transmitted!

Thinking of this, the Grand Elder angrily crushed the bug and surveillance camera. As for the GPS, it was no longer important. Whether or not it was destroyed, Dongfang Cha's family would already know his location.

Opening Dongfang Cha's phone, elder Dongfang saw the contact list of the Dongfang family's old master, Dongfang family's young master, and the strong young master. He immediately understood that his guess was correct. This person was indeed from the ancient Dongfang family!

"Throw this man's body into the trunk of the car. Don't let anyone find it!" The Grand Elder instructed the black-clad elder. Although no one has passed by for the time being, she was not sure if anyone would pass by later.

"Yes!" The black-robed elder nodded and quickly lifted Dongfang Cha's body from the ground and threw it into the trunk of the SUV.

After the black-robed elder was done, the Grand Elder said, "It seems that this person is from the Dongfang family. The scene of me killing him just now should also be transmitted back to his family! However, it's not our fault. Black clothes, immediately send a message to the Dark Palace and spread

the news that the Dongfang family has kidnapped the Dark Phoenix bloodline inheritor of our Dark Palace with ill intentions. That's why I've killed him!"

"Yes, Grand Elder!" The black-robed elder nodded. He also knew that killing a member of the Dongfang family was not a small matter. After all, the Dongfang family was more powerful than the Dark Palace. However, if the Dark Palace had a reason for their actions, it would be different!

The inheritor of the Dark Phoenix bloodline in the dark Palace was a big deal to the entire ancient level. If someone from the Dongfang family was captured and pushed down, it would not only affect the interests of the Dark Palace, but also the interests of the entire ancient level and the five elements sect!

As long as the news was released, the Grand Elder believed that no matter how strong the Dongfang family was, they could only swallow their anger. After all, they could not possibly become enemies with the entire ancient level!

After receiving the order, the black-robed elder went to contact the Dark Palace. He knew the severity of the situation. Although the great elder had killed Dongfang Cha because he wanted to harm the inheritor of the Dark Palace, no one knew about it. No one else knew, so the Dark Palace had to spread the news first. Once the other ancient sects found out, the Dark Palace would be fine.

After all, the Dark Palace's search for an heir was beneficial to the entire ancient world-there were Sky Class late phase peak Masters in the ancient sects, and every one of them wanted to reach the path of the sky.

"Your Dongfang family is powerful and powerful, but you can't just take the inheritor of the Palace of Darkness away. If you really take her away, not to mention killing you, I'll even exterminate your entire Dongfang family!"

Therefore, as long as this news was released, no one would say anything bad about the Dark Palace. They would all say that the Dongfang family's Dongfang Cha had brought this on himself. This was also the goal that the Grand Elder wanted to achieve!

"Alright, Supreme elder, I'm sure it won't be long before the entire ancient world knows that the inheritor of the Dark Palace was almost pushed down by Dongfang Cha of the Dongfang family. In order to protect the inheritor, the Supreme elder had killed Dongfang Cha." The black-robed elder didn't try to twist the truth because there was a video and audio transmission system in the car. Although it was later destroyed by the Grand Elder, the previous audio and video could still be transmitted to the Dongfang family.

At that time, if the situation was true, then so be it. But if the situation was not true, would the Dongfang family let it go? If the news from the Dark Palace was the same as what they saw, they could only accept their loss.

Chapter 3094 The Real Lin Yi Is Here

"En, well done." The Supreme elder nodded and walked quickly to the White SUV. She wanted to see how the inheritor she had been thinking about all this time was doing. However, before the Supreme elder could even get to the SUV, she saw a man running towards her, covered in dust!

The Grand Elder didn't know who this person was, but the black-clad elder's face changed when he saw him. It was Lin Yi!

There was an alert app on Yushu's phone-she'd activate it if she was in danger, and it'd send an alert signal on its own. It'd also send her phone's current location along with the alert signal to a specific number.

It was a safety measure that Yushu had come up with, and so Lin Yi came straight to school after receiving the news without even driving! It wasn't far anyway, and it would be faster if Lin Yi ran over.

The Grand Elder was confused as he watched Lin Yi rush over-why was there another one after he killed one? The person in front of him was obviously someone with bad intentions. The Grand Elder could even feel that this person's target was the car in front of him!

"Who's there!" The Grand Elder roared and revealed his Sky Class late phase peak strength. With the impulse from before, the Grand Elder didn't dare to kill anymore-killing too many people was troublesome after all. Plus, this guy didn't kidnap Chu Mengyao and Chen Yushu, he just rushed over, so the Grand Elder revealed his strength to back off!

The Grand elder's strength made Lin Yi's face change slightly! He didn't think that it was Sky Class late phase peak! And beside the Grand Elder was the black! Robed elder! Lin Yi knew this person-he was from the Dark Palace, Zhao Qibing's master!

This discovery put Lin Yi on alert-what was a Sky Class late phase peak doing in the common world? They were targeting Chu Mengyao and Chen Yushu?

Lin Yi didn't see Dongfang Cha, so he subconsciously thought that the Grand Elder and black-clad elder were here for Chu Mengyao and Chen Yushu!

So, even if the opponent was strong, Lin Yi had no choice but to face it. "What did you guys do to Yaoyao and Shu? When did the Dark Palace become so shameless that they would randomly capture people from the secular world?"

"Yaoyao? Shu?" "Yaoyao Shu?" the Grand Elder blinked, "who's got Yaoyao Shu?" You know me? You know about the Dark Palace?"

"Grand Elder, this man is Lin Yi!" The elder in black said. As for Yaoyao and Shu, could it be Chu Mengyao and Chen Yushu? The two people in the car were Chu Mengyao and Chen Yushu? How was that possible?

One of them was the inheritor of the Dark Phoenix bloodline?

"Lin Yi?" The Grand elder's brows furrowed-she didn't think she'd run into Lin Yi here, after all! She was just about to kill Lin Yi, but Lin Yi came to her on his own accord, saving her a lot of effort ...

However, something was wrong! The Grand Elder suddenly realized that Lin Yi was here for the two girls. Did Lin Yi know them? Yaoyao? Shu? Could it be that ... Yaoyao was Chu Mengyao?

The Grand Elder had guessed what elder black Yi had guessed as well-she wasn't stupid, either. Who else would be close to Lin Yi, and whose name was Yao Yao?

And so, the Grand Elder wanted to kill Lin Yi, but decided against it after some thought. If Yaoyao really was Chu Mengyao, didn't that mean that she was the Dark Phoenix bloodline inheritor he was looking for?

It wouldn't be good for her to kill Lin Yi then-Mengyao and Lin Yi had a special relationship, after all. If she killed Lin Yi now, would Mengyao retaliate? But even so, the Grand Elder didn't take Lin Yi seriously. After all, ye Wan 'er's weak personality made the Grand Elder think that all inheritors had to listen to him. If he wanted to kill Lin Yi, Chu Mengyao wouldn't dare to say no!

However, the Grand Elder was confused. How did Chu Mengyao become the inheritor of the Dark Phoenix bloodline? When Chu Mengyao was born, the Grand Elder had checked her body. The Dark Phoenix bloodline in Chu Mengyao's body was pitifully small, and it was impossible for her to accept the inheritance. However, what she felt now was extremely pure dark Phoenix bloodline, even purer than ye Wan 'er's by countless times!

An inheritor of this bloodline could receive the inheritance 100% of the time when they returned to the Dark Palace. So, the Grand Elder wasn't sure if it was Chu Mengyao. Could it be the girl next to Chu Mengyao?

After all, the Grand Elder had seen Dongfang Cha knock out the two girls and put them in the car, but she was too far away to see who was in the car. She didn't want to waste time talking to Lin Yi and waved her hand, "I wasn't the one who dealt with these two. Instead, I saved them. If you don't believe me, look at the trunk of the car!"

"Oh?" Lin Yi paused, but he caught a whiff of blood nearby, and saw a pool of blood not far away! However, Lin Yi was even more confused now. Didn't the Dark Palace have a grudge against him? Why would he help Chu Mengyao and Chen Yushu?

Could it be that they didn't know and were only helping out of justice? However, in Lin Yi's understanding, people from the Dark Palace were all arrogant and domineering people who bullied others. How could they be chivalrous?

If Lin Yi didn't see the dead body in the trunk, he wouldn't have believed the Grand elder's words!

However, the person in the car had clearly died not long ago. As a doctor, Lin Yi could easily tell that this wasn't a fake body that the Grand Elder had randomly pulled.

"Who are they?" Lin Yi said, pointing at the dead body in the trunk.

"Dongfang Cha of the ancient Dongfang family, you don't have to ask too much about these things. It won't do you any good!" The Grand Elder said arrogantly, as if it was an honor to kill an elder of the ancient rank.

The Dongfang family? Lin Yi's heart skipped a beat-the Dongfang family couldn't be this unlucky, could they? One had died in the sky elixir sect's trial, another had been killed by him at the cultivator trade association, and now another had been killed by the Grand Elder of the dark night Palace. What bad luck!

"Then why did you kill him?" Lin Yi asked without changing his expression. In fact, Lin Yi was still a little worried!

Chapter 3095 Face-Smacked

How did the people of the ancient Dongfang family suddenly appear on the campus of East Ocean industry University? Could it be that the Dongfang family already knew that he was the one who killed Dongfang Jian? did they send another elder to capture Chu Mengyao and Chen Yushu to avenge Dongfang Jian?

Although it seemed reasonable, it didn't make sense at all. Even if the Dongfang family wanted to do something, they should've done it to him. Chu Mengyao and Chen Yushu were unnecessary.

"Nothing much. It seems like they were captured and sent to someone!" "Hmph!" The Grand Elder snorted and said,"if this old woman didn't see it, I reckon that the two of them would have been deflowered!"

"Oh?" Lin Yi blinked-if that was the case, then the Dongfang family probably wasn't here for him. This was probably a random event.

"That's Chu Mengyao in the car?" The Grand Elder asked coldly, having guessed what was going on.

"What are you doing?" Lin Yi didn't answer, but asked back.

The Grand Elder took one look at Lin Yi before turning to open the car door. He saw Chu Mengyao and Chen Yushu in the back seat, and immediately recognized the inheritors of the Dark Phoenix bloodline. He quickly carried Chu Mengyao out of the car and said to Lin Yi,"This old woman is taking this person away! I'm going to take him back to the Dark Palace to cultivate!"

"You want to take her away?" "What right do you have to take her away?" Lin Yi frowned.

"She's the inheritor of the Dark Phoenix bloodline of the dark night Palace that I've been looking for. I'm taking her away to let her receive the inheritance and become a peerless master!" The Grand Elder then turned to Lin Yi,"Is she Chu Mengyao or Chen Yushu?"

"Grand Elder, she's Chu Mengyao!" Lin Yi didn't say anything, but the black-robed elder spoke first. He was also shocked. Luckily, he didn't hurt Chu Mengyao when he came to Lin Yi last time. Otherwise, she was the inheritor of the Dark Phoenix bloodline! If she was injured, even ten heads of the black-robed elder wouldn't be enough to kill the Grand Elder!

Thinking of this, he was so scared that he broke out in cold sweat.

"Chu Mengyao? It's really him ..."The Grand Elder was also very surprised, but he didn't show it on his face, but his heart was in turmoil! Luckily, she came here herself and didn't ask Zhao Qibing to kill Chu Mengyao. She would regret it if she did!

"Grand Elder? You're the Grand Elder of the Dark Palace?" Lin Yi looked at the Sky Class late phase peak in front of him, his mind racing. It looked like she was here to find the inheritor on behalf of the Dark Palace, but when she saw him, she wanted to teach him a lesson or kill him at first, but when she heard Chu Mengyao's name, she stopped!

"That's right, Lin Yi junior. Since I've found an inheritor, and the inheritor is Chu Mengyao, I'll let you go this time. But if I see you again, I won't be polite!" The Grand Elder had already killed a Sky Class early phase master today, and didn't want to kill anymore, so she let Lin Yi go for now.

Lin Yi blinked as he looked at the Grand Elder in surprise. The Grand Elder didn't seem to understand the situation, did he? Most ancient sects would beg for an inheritor to train in them, and yet she wanted to take Chu Mengyao into the dark Palace and kill him at the same time!

Even someone as strong as the rock Candy Girl didn't dare to say she was going to kill Lin Yi-did the Grand Elder not recognize the reality?

Lin Yi couldn't help but ask,"I say, Grand Elder, how are you so sure that Chu Mengyao will go with you?"

"She's not coming with me? Why didn't she come with me? I can make her a peerless master, something that many people dream of becoming a disciple of the Dark Palace, and she'll be the palace Master of the Dark Palace the moment she goes!" The Grand Elder said matter-of-factly, "Besides, look at Zhao Qibing, he's so happy and excited after joining our sect!"

"Ahem ..." Lin Yi was speechless. The Grand Elder was too narcissistic. Do you think that everyone wants to join your Dark Palace? Lin Yi curled his lips and snorted, "Why don't you wake her up and ask her if she's willing to go with you?"

"Do you still need to ask? This is for sure!" The Grand Elder said confidently as she massaged the acupuncture points on Mengyao's neck. She then turned to Lin Yi, "I'll let you see if she's willing to leave with me!"

Chu Mengyao slowly woke up, but she didn't expect to be in an old woman's arms. She subconsciously took two steps back and looked at the old woman in fear, "Who ... Who are you?"

"I am the Grand Elder of the Dark Palace! Chu Mengyao, I'll tell you some great news-you've been chosen as the Dark Palace's inheritor! Once you join us, you'll be the palace Master!" "How is it?" the Grand Elder asked. Are you happy? Are you excited?"

"Dark night Palace?" Chu Mengyao immediately went on alert. This Dark Palace was Zhao Qibing's sect, and they didn't seem to be kind people. They wanted to kill Lin Yi without distinguishing right from wrong, so Chu Mengyao was extremely against it, "You ... Stay away from me. I won't join the Palace of Darkness, nor do I want to be the palace master of the palace of Darkness, and I don't want to be the inheritor!"

There had to be a reason behind all this. From Chu Mengyao's point of view, the palace Master, the inheritor, as long as they were from the Dark Palace, they weren't realistic. There must be some kind of scheme involved!

"Gah? You ..." The Grand elder's eyes went wide-he didn't think that Mengyao would reject him! As far as she was concerned, it didn't make any sense. Everyone was crying to join the Dark Palace, and it was an ancient sect! Plus, Mengyao was the sect leader the moment she entered! What an honor was this?

Yet, Chu Mengyao rejected it? How could that be possible?

The Grand elder's expression was extremely ugly." "Chu Mengyao, you need to think this through. Don't you want to be a master? That's a peerless expert! As long as you accept the inheritance, it won't be a dream for you to have my strength! It looks like you know about practitioners-you should know that I'm Sky Class late phase peak!"

"How is it?" Lin Yi looked at the Grand Elder mockingly. Did you think it was a good thing to go to the Dark Palace? Mengyao didn't agree to it at all! Lin Yi understood the Miss very well! After all, the Dark Palace was Lin Yi's enemy!

Chapter 3096 The Key Is Lin Yi

So no matter how tempting and generous the Dark Palace's offer was, Chu Mengyao wouldn't easily join them.

"Ah, Lin Yi, you're here ..." Chu Mengyao also noticed Lin Yi and was instantly happy," "Lin Yi, these people are all from the Dark Palace. They weren't the ones who took Shu and me, but they're not good people either. Let's go, ignore them!"

After Chu Mengyao woke up, she understood the Grand elder's words. The inheritor could obtain the strength of Sky Class late phase peak. To be honest, Chu Mengyao was tempted, but the Dark Palace was Lin Yi's enemy. Without Lin Yi's consent, Chu Mengyao would never join the Dark Palace!

Mengyao had obtained strength for Lin Yi's sake, so that the difference between them wouldn't be too big. She didn't want to cause trouble for Lin Yi when he went out, so Mengyao wouldn't put the cart before the horse if she made him unhappy.

So Chu Mengyao said that on purpose. From Chu Mengyao's point of view, the Grand Elder had a favor to ask of her and wouldn't attack her just because of that.

"You ... You actually dare to reject me?" The Grand Elder looked at Mengyao in disbelief as if he had heard the funniest joke in the world. It was impossible, did he hear wrong?

"Lin Yi, Chen Yushu's still in the car, let's go back." Chu Mengyao ignored the Grand Elder and continued talking to herself.

"You ..." The Grand Elder was furious. She looked at Chu Mengyao and said, ""You dare to leave? if you do, then fine, I'll kill Lin Yi!"

"If you kill Lin Yi, I'll never go to the Dark Palace with you. Even if you take me there, I'll never practice the arts and make you regret it for the rest of your life!" Mengyao knew how to threaten people. It wasn't that she didn't want to go to the Palace of Darkness, but she needed to have enough bargaining chips!

"You ..." The Grand Elder didn't expect Chu Mengyao to say that. Ye Wan 'er's submissiveness made her think that all the inheritors of the Dark Palace would listen to her, but Chu Mengyao had completely overturned her impression!

The Grand Elder wanted to call her a bitch, but she swallowed the words back. She didn't dare to offend Mengyao anymore, and Mengyao's face was filled with determination. It seemed like she would really do it!

If what Mengyao said was true, then the Grand Elder wouldn't dare to scold her anymore.

"What about me? You're the one who begged me, did you not understand the situation?" The eldest miss looked at the Grand Elder and said coldly, ""Who cares about your stupid Dark Palace? What kind of attitude is this? Lin Yi, let's go, ignore this old lady!"

"Alright," he said. Lin Yi nodded and carried Shu out of the car, only to find that she had woken up on her own! This girl didn't say anything in the car earlier because she had been eavesdropping! "Shu, you didn't get out of the car when you woke up, you made us worried!"

"Oh, shield bro, Shu thinks that this old lady is too annoying. She's asking for help and yet she's acting so arrogant. Is she stupid?" Chen Yushu looked at the Grand Elder with disdain.

"You ... You guys ... What did you call me? Old lady? Old lady?" The Grand elder's chest heaved up and down as he panted heavily. Clearly, he was extremely furious! After all, when had the Grand Elder ever suffered such humiliation before? From her point of view, ye Wan 'er being obedient was the right thing to do, but why was she not obedient when it came to Chu Mengyao?

Not only was she disobedient, but she also dared to refute and threaten her! The Grand Elder was called an old woman twice today. The first time, she killed the person who scolded her. The second time, she didn't dare to do it!

Chu Mengyao's words were very clear. She didn't care about your Dark Palace in the first place. If you want to use force then fine. Even if you capture her, she won't cultivate according to your wishes. Let's see what you can do!

However, Chu Mengyao and Chen Yushu completely ignored her this time. They turned around and prepared to leave with Lin Yi.

The Grand Elder finally became anxious and shouted, ""Wait a moment!"

"Is there anything else?" Lin Yi found it funny-the Grand Elder was too full of herself, wasn't she? She'd offended Mengyao, and the Miss was a vengeful person!

"Um ... Chu Mengyao, how do I get you to join the Dark Palace?" The Grand Elder felt a deep sense of defeat, but fortunately, she was shameless. Whatever face and the like, they were all fleeting clouds to her!

Since the hard way didn't work, she would use the soft way. As long as it was good for the Dark Palace, she felt that she could lower her status and do it.

"I'll think about it, but I don't want to go now!" Mengyao said without even turning her head. Dark Palace? Mengyao wanted power, but she wouldn't act rashly. The Grand elder's words were too much of a shock for her, and she needed to go back and digest it.

"This ... Good!" The Grand Elder was unwilling, but he still nodded. He had no choice. Chu Mengyao and ye Wan 'er were completely different. Ye Wan 'er was willing to accept anything, but Chu Mengyao was resistant. The Grand Elder needed to change his perspective.

"Black-robed elder, what do you think we should do now?" The Grand elder's face darkened as she watched Mengyao, Yushu, and Lin Yi leave. She would've taken Mengyao away with her before, but she was afraid that it would be useless now. Mengyao's tone was very firm. "You take me, I won't cultivate, and you can't do anything about it!"

The Grand Elder could force Mengyao to cultivate with torture, but she didn't dare to take the risk. What if Mengyao couldn't take it and died? At that time, wouldn't the Dark Palace be finished?

After all, Chu Mengyao was the Dark Palace's last hope. If anything happened to her, the Dark Palace would probably be removed from the ancient level.

"This Chu Mengyao won't listen to force or persuasion, she's completely different from ye Wan 'er!" The black-robed elder frowned as well, "he's really like Lin Yi!"

"I'm not talking about that. I'm asking you what to do!" The Grand Elder snorted and said, "I know what you're saying, but I want to know how Chu Mengyao can come back with us to the Dark Palace!"

"Well ... I can't do anything about it for now, but I think that the problem lies with Lin Yi. I can tell that if Lin Yi agrees, then Chu Mengyao will agree!" The black-robed elder said, "we can choose to use threats and promises. We can't just force her blindly. We have to use some good conditions to tempt her. That's the only way."

Chapter 3097 You Go First, I'll Go First

"Yeah, you're right. How about this, let's go back to the hotel and discuss how we can make Chu Mengyao give in!" The Grand Elder nodded. She was always like this-she'd go soft if someone else was hard on her. Now that she wanted Mengyao to go to the Dark Palace, she had to go soft.

That was why ye Wan 'er had always been too weak. Although she failed in the end, before she failed, if she had been tougher and told the Grand Elder that if he didn't let her see Chu Mengyao and Chu pengzhan, she wouldn't have cultivated. Or if he didn't send someone to protect Chu Mengyao, she wouldn't have cultivated!

In this way, the Grand Elder could probably only do as she was told in order for her to cultivate in peace. However, ye Wan 'er had never thought of threatening the Grand Elder, which resulted in the Grand elder's arrogant personality.

And now, the mother didn't manage to blackmail the Grand Elder, and the daughter, the powerless Chu Mengyao, managed to blackmail the Grand Elder. It was the complete opposite!

The car was driven away by the black-robed elder. After all, there was still a dead person on it. This was the secular world and it had to be dealt with. Although the person was killed by the Grand Elder, the body still had to be claimed by the Dongfang family. Although they were not in the right, the person was dead after all. This was also a rule of the ancient world. If you killed someone, the body had to be returned.

Lin Yi, Mengyao, and Yushu were on their way back. Mengyao's brows were locked the whole time, and she was in a bad mood, thinking about the Dark Palace. Shu, on the other hand, didn't seem to mind at all. She just smiled, "Yaoyao sis, you're going to become an inheritor! You're so powerful! You'll be able to help shield bro then ..."

"Shu, you look pretty happy that I'm leaving?" Mengyao didn't know whether to laugh or cry at Yushu's words. She glared at her, "Do you know that if I leave, there will be no one to accompany you?"

"Oh ... It's better for you to leave first than me ..." Chen Yushu mumbled.

"What are you saying?" Mengyao didn't hear it clearly, thinking that Yushu was complaining to her. She was a little angry. "Although I can gain strength if I leave, but ... Have you ever thought about it? If I leave, I'll end up like Xiaoxiao, and it'll be hard for me to see you again ..."

"Yeah, who would want to leave if they could? But ... Looking at that old lady's attitude, it seems like she's insistent on Yaoyao sis going. " Chen Yushu said as she looked at Lin Yi.

Lin Yi, naturally, knew what Yushu was talking about. Yushu was an inheritor herself, but Yaoyao didn't know that she'd leave the villa one day to say goodbye to him and Yaoyao and start a new life.

However, Chen Yushu was afraid that Chu Mengyao would be sad if she knew, so she didn't tell her. However, if Chu Mengyao left first, Chen Yushu wouldn't feel so much pressure in her heart. Moreover, the sisters were both inheritors, so they could take care of each other.

"Let's go back ... Let's talk about it ..." Chu Mengyao was also a little lost. Everything happened too suddenly, and she felt that she was caught off guard.

Lin Yi nodded. Although there was some conflict between him and the Dark Palace, he knew that an ancient sect wouldn't give up after finding an inheritor. If they didn't agree, then Chu Mengyao would have endless trouble.

And at the start, these ancient sects might be patient enough to ask you for help, but if you still don't know what's good for you, they might do something even worse.

To be honest, the time Lin Yi spent with the Miss was endless. It would be a year in three months, and time passed by in a flash. If the Miss suddenly left, Lin Yi's heart would feel empty, and he wouldn't be used to it.

The three of them walked to the parking lot, each with their own thoughts on their minds. Lin Yi got into the car, and so did Mengyao and Yushu. Han Xiaochao was a little surprised by Lin Yi's visit-it was usually Mengyao who drove or Chentian who picked them up, and Lin Yi rarely came to school himself.

Even though Han Xiaochao was a nerd, he felt that something was wrong after he got in the car. However, he had no idea what had happened.

"Little Chao, how's your sister doing recently?" It'd been a long time since he'd seen Han Jingjing-she'd only appeared once when he was injured, and it'd been a long time since then. Lin Yi missed her quite a bit.

"I'm fine ... Her door is closed and she doesn't really talk to me. But I think she's probably researching something?" Han Xiaochao thought for a while and said.

Lin Yi nodded, "when will your sister come out? tell her that we all miss her. Ask her to come over to my villa."

Chu Mengyao and han Jingjing's relationship wasn't bad, so naturally, Chu Mengyao had to say goodbye to han Jingjing. Although they hadn't discussed it yet, Lin Yi had already decided that Chu Mengyao would leave for sure. It was only a matter of time ...

"Alright," he said. Han Xiaochao nodded, indicating that he understood. Then, he started to read in the car. This bookworm, it was only a few minutes 'drive from school to home, and he still had to read. He was simply a little obsessed.

Soon, the car arrived at the villa. Han Xiaochao went back to his house, while Lin Yi, Mengyao, and Yushu went back to the villa.

"Lin Yi, Yaoyao, Shu, you're back!" Xu Shihan had been staying in the villa for the past two days, not daring to go out. At least, before the problem was solved, she didn't dare to go out.

"Yes, I'm back. Han, you don't have work today?" Lin Yi was a little surprised-Shihan sure had a lot of free time these days, staying at home all day as if she had nothing to do.

"I wanted you to accompany me to buy something, but you seem to be quite busy every day, so I didn't want to disturb you." Xu Shihan saw that Lin Yi was at home, but he was locked up in his room doing something, so Xu Shihan didn't want to disturb him.

Lin Yi blinked, remembering that he'd been training in his room every day. He'd just reached the third stage of the art of Dragon mastery not long ago, and he was in a hurry to level it up. Plus, when he was

free, he'd try to form the forging fire, trying to form the Jade space and the essence Necklace as soon as possible. This was also to build the foundation for forging God-tier weapons in the future.

Chapter 3098 Making A Decision

There was also the nine Fuxi needles. Although Lin Yi was already familiar with it, its power was still a little lacking. It could be said that even with a divine weapon in hand, it wasn't as powerful as the raging fire Bagua Palm!

Weapons weren't even as powerful as skills-this was something impossible for other Sky Class Masters, but it was the case for Lin Yi. The nine Fu Xi needles couldn't be used beyond his level, and while Lin Yi couldn't use the needles at mid phase when he was Sky Class, the raging fire Eight Trigram palm was fine.

So, to Lin Yi, the nine Fu Xi needles were of little value-unless he could find a way to use it beyond his level, he could only use it against Sky Class early phase Masters of similar strength.

Because of this, Lin Yi was looking forward to the creation of heaven-grade weapons even more, and so he practiced the forging fire every day, completely neglecting Xu Shihan!

Xu Shihan didn't look for Lin Yi, so he didn't ask her about it. In the end, Xu Shihan didn't want to disturb him.

"How about I go out with you tomorrow?" Lin Yi smiled bitterly, embarrassed.

"It's okay, it's fine. I've already asked sister Wang to buy the things. " Shihan smiled."If it's nothing important, I'll have Wang sis bring my work to the villa. I hope you don't find it annoying. I'll be practicing my singing at home for a few days."

"Of course not, that's great. Yaoyao and Shu are the first audience of your new song." Lin Yi said with a smile.

Normally, Mengyao would be very happy-her idol was singing a new song in her house, and she was the first fan to hear Xu Shihan's new song.

But now, all she could think about was the Dark Palace. Should she go or not? Mengyao couldn't decide.

"Eh? Yaoyao, Shu, you guys look troubled. " Xu Shihan could tell that Chu Mengyao and Chen Yushu seemed to be in low spirits today. She didn't talk much,"Did my presence in the villa affect your normal lives?"

"No, it's not." Mengyao shook her head."Sister Shihan, actually ... It's nothing. An ancient sect came to me today. They want me to be their inheritor and Palace Master, but ... I don't know if I should go or not ..."

Xu Shihan froze. She knew about Feng Xiaoxiao's situation. Although it wasn't very detailed, she understood that after becoming an inheritor, she had to stay in the sect. She wouldn't be able to see Lin Yi and Chen Yushu often!

Shihan was a little surprised-Xiaoxiao was an inheritor, Tang Yun was an inheritor, and so was Mengyao? How many inheritors were there? why were they all gathered around Lin Yi? Was this a coincidence or fate?

In fact, what Xu Shihan didn't know was that this was all predicted by someone a dozen years ago. Lin Yi's mission back then had a deeper meaning to it, but Lin Yi didn't know about it.

"Ah?" Xu Shihan was taken aback, but she couldn't give any advice on this kind of thing. After all, she didn't know much about these things, and she only knew about practitioners from Lin Yi. Although Xu Shihan was an illegitimate daughter of an ancient sect, she had never come into contact with these things, "Yaoyao, I really can't help you with this, I can't give you any advice. But what did Lin Yi say?"

"Yaoyao, don't blame me for being honest. The ancient sect's search for an inheritor was orchestrated by ancestor xuanchen of the five elements sect. Even teacher Bai can't stop it, let alone me. Furthermore, once an ancient sect discovers an inheritor who is in line with their sect, it'll be like a Wolf looking at lamb. It might even be worse. So, I'm afraid it's impossible to refuse this." "In my opinion, going or not is just a matter of time and benefits!" Lin Yi said.

"If the Dark Palace can give Yaoyao enough benefits, then it's fine. If they can't ... To be honest, I really can't do anything to a Sky Class late phase peak ..." Lin Yi smiled bitterly. His opponents were getting stronger and stronger, and while Lin Yi was a Sky Class as well, there was still a huge gap between them!

Especially after reaching Sky Class, the advantage of Lin Yi's wild fire Bagua Palm wasn't as obvious anymore. His Qi couldn't keep up, so Lin Yi couldn't use it even if he had power. That was why Lin Yi wanted to train to the third stage of the art of Dragon mastery, where he could recover his Qi even faster, and he wanted a Sky Class weapon!

With that, Lin Yi spent all his time researching, and naturally, he didn't have time to care about Xu Shihan. However, once he remembered that Lin Yi was Xu Shihan's bodyguard, he couldn't help but blush. He wasn't a good bodyguard at all!

"I know ..." Chu Mengyao nodded and sighed, "Lin Yi, I understand even if you don't say it-the Grand Elder, Sky Class late phase peak, has already made her move, and I have to go with her ... I was only able to put on a show with her today because she's desperate for talent, but if I really make her lose her patience, the consequences will be serious ..."

Of course, with the Grand elder's personality, it wasn't unusual for him to do something like that. As far as Lin Yi was concerned, the people of the Dark Palace were all extremely shameless-they'd come after the sky elixir sect for a problem they'd caused in the test!

"So you're saying ..." Lin Yi asked.

"I ... I don't want to go, but when I think about how I'll become stronger and not be a burden to you every time I go out to do things, I want to go again ..." Chu Mengyao sighed faintly. For the first time, the Miss revealed her heart."But I don't know what my fate will be like. Will I be like Xiaoxiao, going to do something dangerous?"

"This ... Maybe?" Lin Yi thought about it and nodded. He didn't want to lie to the Miss. After all, normally, as long as Feng Xiaoxiao was doing something dangerous, and it was the same for 9th and Yushu, there was no reason for Chu Mengyao not to. That was why Lin Yi said that.

"En, I'm not afraid of that. Even Xiaoxiao isn't afraid, so what's there for me to be afraid of?" In fact, Chu Mengyao was saying in her heart,"Tang Yun isn't afraid either. She's willing to sacrifice so much for you, while I can't do anything. I didn't bring you any benefits from this trip to the Dark Palace ..."

Chapter 3099 Where Mrs. Chu Went

"So, you've decided to go?" Lin Yi asked after some thought.

"En ..." Chu Mengyao nodded, "However, I can't agree too readily. Otherwise, when I go to the Dark Palace, I'll be like Xiaoxiao, without freedom. I want to be able to come back to see you often!"

"Hehe, of course I have to tell them." Lin Yi nodded. Mengyao didn't go to the Dark Palace with a purpose, unlike Xiaoxiao who went to live. Mengyao should have more freedom than Xiaoxiao.

Although Chu Mengyao had already decided to leave, the atmosphere in the villa didn't improve much. Everyone was still immersed in depression. During dinner, Chu Mengyao didn't have much appetite. After two bites, she put down the rice bowl in her hand.

"Don't be sad, Yao Yao-it'll be fine. Maybe one day Shu'll become an inheritor too, and she'll go and be with you! By then, we'll all be shield girls under shield bro, and with Xiaoxiao, we'll be a three-man Sky Class fighter. Wahahaha, let's see who dares to mess with us! Let's sweep the world of cultivation together!" Chen Yushu replied.

"You've also become an inheritor?" Mengyao didn't believe Yushu's words, naturally. "This thing requires luck and luck. You don't have the Dark Phoenix bloodline, so how are you going to get there?"

"I can go to other sects. For example, I can ask Huo Shao Yun if they need an inheritor. Anyway, I have fire attributes. Maybe they will accept me!" Chen Yushu replied.

"It's okay, Shu, I know you're just trying to comfort me. It's nothing, it's fine as long as you've thought it through. " "I can't hide from what's going to happen. I'll be fine," Mengyao said.

"En, that's good." Chen Yushu nodded.

"Right, Yaoyao, aren't you going to inform uncle Chu?" Lin Yi suddenly thought of Chu pengzhan. Chu Mengyao was going to the Dark Palace. Should he inform Chu pengzhan?

"Of course I have to tell him. I'll call daddy now!" Since Mengyao had already decided to follow the Grand Elder to the Dark Palace to become an inheritor, she had to call pengzhan and tell him.

"Okay ..." Lin Yi didn't have much of an appetite today. He watched the people around him leave one by one, and his heart ached. Xiaoxiao, now it was Yaoyao, Shu, and nine. They were all inheritors, and there was also ... Possibly Guan Xin!

However, Lin Yi really couldn't stop it. Even if he had the power to level an ancient sect and kill the xuanchen ancestor, Lin Yi couldn't stop this because it was boss Bai's dream!

It was boss Bai's goal to bring the five-elements sect back to the ancient level. Lin Yi was now a direct disciple of the five-elements sect, so he had to fight for the sect's business. All Lin Yi could do was to get stronger as soon as possible so that he could have enough strength to protect Xiaoxiao and the others when the big plan came.

This was also why Lin Yi didn't show any strong opposition to Mengyao going to the Dark Palace!

At this time, Chu Mengyao had already dialed Chu pengzhan's phone. Chu pengzhan was having dinner with his business partners, and he was surprised to receive a call from Chu Mengyao so late at night, "Yaoyao, what's up?"

"Daddy, are you busy? Can you ... Come to the villa for a while?" Mengyao said firmly after some hesitation.

"Now? Yaoyao, I'm having a meal with a client. Is your business very important?" Can we go tomorrow?" Pengzhan asked, surprised.

"It's very important. Can you please decline?" Mengyao didn't know if the Grand Elder of the Dark Palace would come looking for her again tomorrow. Perhaps tonight would be the last night she stayed in the villa.

"Alright, I'll head over now!" Pengzhan could tell that there was something wrong with Mengyao's tone, so he agreed.

After hanging up, Chu pengzhan apologized to the client, but the client wasn't unhappy. He didn't dare to be unhappy. Chu pengzhan was the chairman of the Chamber of Commerce in Eastern Sea city, and the Hidden House Zhao was destroyed. The Hidden House han was the only big power in Eastern Sea city now. With the Hidden House Han's support, Chu pengzhan's business was booming. If it weren't for the huge amount of money he gave Lin Yi, Chu pengzhan's business would be much bigger than it was now.

Of course, pengzhan had never regretted giving Lin Yi the money. As far as he was concerned, Lin Yi was the Savior of his family. Without Lin Yi, the company would've been swallowed up by Gubang and the others, and Yaoyao's life would've been lost.

After the dinner, pengzhan got into uncle Fu's car and rushed to Lin Yi's Villa. However, Mengyao wasn't in a good mood earlier, so he called Lin Yi on the way to the villa to ask him what trouble Mengyao was in.

"Uncle Chu?" Lin Yi was surprised to receive a call from Chu pengzhan. He didn't think that Chu pengzhan would call him not long after Chu Mengyao called.

"Yi, it's me. I want to ask you if Yaoyao is in trouble. You told me on the phone that I should go over now?" Pengzhan let out a breath of relief when he saw Lin Yi pick up. It'd be a big problem if Lin Yi didn't pick up. Lin Yi was with Mengyao right now, so it shouldn't be a big deal.

"Uncle Chu, it's a bit complicated. Why don't we wait until you're here?" Lin Yi couldn't explain it clearly on the phone.

"Oh?" Pengzhan blinked, not expecting Lin Yi to say something like that. He didn't press the issue and said, "Alright, I'll head over now!"

He hung up the phone and shrugged. "Yaoyao, uncle Chu's calling. He looks worried,"

"Yeah, daddy's always worried about me. I wonder if he'll be able to accept the fact that I'm gone this time." Mengyao sighed, worried. "Mommy left us when we were young, and now I'm leaving. I wonder if daddy will be lonely in the future ..."

Lin Yi had always been curious about where Chu Mengyao's mother went. He thought that she had passed away, but the Miss scolded her. It was clearly a misunderstanding. Lin Yi still didn't know where Chu Mengyao's mother went.

"Right, Yaoyao, where did your mom go?" Lin Yi asked.

"My mom ... I don't know, dad never told me. He only said that my mom went to a very far place and won't be back for a long time ..." Chu Mengyao shook her head, a trace of confusion flashing in her eyes.

Chapter 3100 Chu Pengzhan's Past (1)

Lin Yi nodded-it seemed like the Miss really didn't know, or she wouldn't have been tricked by pinliang.

Not long after, the sound of a car came from outside the villa-it was probably Chu pengzhan!

As expected, the doorbell rang. Lin Yi opened the door and saw Chu pengzhan rushing in with sweat all over his head, ""Yi, Yaoyao, what happened?"

"Let's talk inside. " Lin Yi gestured for pengzhan to enter the living room.

"En ..." Chu pengzhan nodded and quickly walked into the living room. He couldn't wait to say: "Yi, can you tell me now?"

"Actually, uncle Chu, it's like this, we have to start from this afternoon ..." Mengyao was going to be honest with Chu pengzhan, so Lin Yi didn't hide it from him. He told him everything from the afternoon when Dongfang Cha from the ancient Dongfang family kidnapped Chu Mengyao and Chen Yushu, to the Dark Palace's Grand Elder and black clothes elder's help, to when Lin Yi arrived.

Pengzhan's face changed when he heard that Mengyao and Yushu met the Dark Palace people this afternoon and even saved them, but he still asked, "And then?"

"Next is the main point of the matter! Yaoyao is the inheritor of the Dark Phoenix bloodline!" "The Grand Elder of the Dark Palace wants to take her back to the Dark Palace for training ..." Lin Yi said.

"What? Grand Elder was bringing Yaoyao to the Dark Palace? How can we do that?" Chu pengzhan stood up after hearing this, he was extremely agitated and angry, "Why is she taking Yaoyao away again? On what basis?"

"Why should I ..." Lin Yi smiled bitterly, "Uncle Chu, don't be angry. There's no reason for these ancient sects. It was the same when Xiaoxiao was forced to stay in the Ice Palace ..."

"Yeah ..." Chu pengzhan also realized that he had lost his composure and sighed slightly. He sat back on the sofa, but his face was extremely ugly, "The Dark Palace ... The Dark Palace again ... If our benefactor was still here, they wouldn't dare to do this!"

"Benefactor? What do you mean by that?" Lin Yi blinked.

"It's nothing ... I've lost my composure ..." Chu pengzhan was shocked. He didn't dare to mention what happened back then casually, not even to Chu Mengyao and uncle Fu. He didn't think that he would lose his composure and spill his thoughts when he heard that the Dark Palace wanted to take Chu Mengyao away.

"Nothing much? Daddy, are you hiding something from us? You ... You knew about the Dark Palace before?" Mengyao asked suspiciously after hearing pengzhan's words.

At this moment, pengzhan was struggling in his heart. Should he tell Mengyao that his wife, Yaoyao's mother, was in the dark Palace? However, after struggling for half a day, Chu pengzhan decided that he shouldn't continue hiding it and he had to tell the truth!

After all, even if Chu Mengyao came to the Dark Palace, she would still need to know about these things. So Chu pengzhan took a deep breath and said, ""Yaoyao, since you've asked, I'll tell you everything! Didn't you always ask me where your mother went and what she was doing? I'll tell you everything today!"

"My mother?" Mengyao's breathing quickened, but her heart skipped a beat. "My mother ... Could she be related to the Dark Palace? This ... What is going on?"

"That's right, Yaoyao. You guessed it right. Your mother ... Is the palace Master of the Dark Palace!" Chu pengzhan nodded and said word by word.

"Ah?" Although Chu Mengyao guessed that her mother's death was related to the Dark Palace, she never thought that her mother was actually the palace Master of the Dark Palace. This ... How could this be possible?

Wasn't the Dark Palace Lin Yi's enemy? Why would her mother send someone here to go against Lin Yi? If that was the case, could it be that her mother had sent the Grand Elder?

Mengyao couldn't be blamed for overthinking-after all, in her understanding, the sect master was the most powerful in a sect, and wasn't that the case for the Ice Palace she knew? Rock Candy was the most powerful existence in the Ice Palace, and its words carried enormous weight!

Even though the Grand Elder was in the snow Valley, he still respected Xue Li's opinion. Xue Li also participated in the affairs of the snow Valley.

Was that why Chu Mengyao thought that since her mother was the head of the Dark Palace, she was the mastermind behind all this? But ... Did her mother not like her anymore? Why would she do that to her daughter?

At this thought, Chu Mengyao's heart was filled with sadness, "Mom ... Don't you want us anymore?"

"Yaoyao, it looks like you're wrong!" Chu pengzhan smiled bitterly and shook his head, "It's not that your mother didn't want us, she was forced to leave. Although your mother is the palace Master of the Dark Palace, she doesn't have any actual power. The entire Dark Palace is under the control of the Grand Elder!"

"Forced to leave ... The Grand Elder made the decision?" Mengyao blinked as she thought of something. "Could it be that mother is also an inheritor? She was also captured by the Grand Elder and taken to the Dark Palace?"

"Not bad!" "It's a long story!" Pengzhan nodded. "I'll tell you in detail ..."

Back then, ye Wan 'er had been the young Palace Master of the dark night Palace. However, her Dark Phoenix bloodline had gone through several generations and was no longer pure. It was very difficult for this bloodline to accept the inheritance and become an inheritor.

According to the five elements sect's calculations, the Sky Class Island Plan would be open for at least twenty years, so the Dark Palace decided to let ye Wan 'er marry the sky elixir sect's young master, Tian Ji Xing, who was also the Father of the heavenly silkworm transformation.

The sky elixir sect had a secret technique. Of course, it was actually a secret technique of the five elements sect. Through some means, they could concentrate all the Dark Phoenix bloodline in ye Wan 'er's body onto the fetus. This way, the fetus would have the complete Dark Phoenix bloodline in the mother's body.

In this way, although the Dark Phoenix bloodline in ye Wan 'er's body was not pure, her child would have an extremely pure dark Phoenix bloodline. Although it was not as pure as the ancestor's, at least in terms of receiving the inheritance, there would be no problem!

The Dark Palace was the same as the yellow Earth high school. They all passed down their inheritors through bloodlines, unlike other inheritors of fire, water, mist, ice, and wood elements, who only needed pure physiques that matched the same attribute.
