

Bodyguard 3101

Chapter 3101 Chu Pengzhan's Past (2)

Of course, pure metal and earth element physiques might also be able to accept the inheritance, but it was impossible for the dark night Palace and the yellow Earth high sect. These two sects could only produce inheritors of a single bloodline.

However, the young ye Wan 'er didn't want to marry the young master of the sky elixir sect, Tian Ji Xing, so ... Just like the cliché plots in novels and TV shows, she ran away from the marriage!

On the way to escape from the marriage, the young ye Wan 'er met the handsome Chu pengzhan. The two fell in love and tasted the forbidden fruit. It was also at this time that ye Wan' er got pregnant, with Chu Mengyao!

However, paper couldn't contain fire. The Grand Elder of the Dark Palace activated the Dark Phoenix guiding stone! Ye Wan 'er had already lost her virginity, and her bloodline had become even more impure. In theory, the Dark Phoenix guiding stone wouldn't be able to find ye Wan' er, but the Grand Elder sacrificed his strength and joined forces with many masters to forcefully activate the Dark Phoenix guiding stone, and found ye Wan 'er and Chu pengzhan who had already escaped abroad!

Originally, ye Wan 'er and Chu pengzhan were already dead for sure. However, they didn't expect to meet a noble person who helped them while they were on the run. This was an extremely powerful person who tried to persuade Mr. Yang.

Mr. Yang's terrifying strength made the Grand Elder compromise and let ye Wan 'er and Chu pengzhan go. He didn't even dare to let out a fart and left with his tail between his legs. He didn't forget to please Mr. Yang when he left.

However, later on, master yang suddenly disappeared and never appeared again. Because of Master Yang's disappearance, the Grand Elder once again set his sights on ye Wan 'er. He forcefully took ye Wan' er back to the Dark Palace and forced her to continue trying to accept the inheritance!

However, because Mr. Yang's power was too strong, even the Grand Elder was traumatized. When he took ye Wan 'er away, he didn't dare to do anything to Chu pengzhan and Chu Mengyao!

However, no matter how powerful a person was, after disappearing for more than ten years without any news, the shadow in the Supreme elder's heart gradually disappeared. From his point of view, the person was probably dead, which was why she wanted to kill Chu pengzhan and Chu Mengyao.

It had been so many years, and this had always been a secret in Chu pengzhan's heart. He didn't tell Chu Mengyao because ancient sects were far away from these people in the secular world. They were existences that could only be looked up to!

No matter how strong Lin Yi was, he could go against the noble houses and hidden houses, but he couldn't go against an ancient sect.

It was also because of Lin Yi's recent visits to the ancient sects and his connections with the other ancient sect members that pengzhan decided to tell Mengyao and Lin Yi about all of this!

Pengzhan wouldn't have dared to mention it before, afraid that Mengyao or Lin Yi would do something irrational. After all, the Mr. Yang from back then had disappeared, and pengzhan had no one to back him up. He was afraid too.

"Ah? This means that the Grand Elder of the Dark Palace has captured my mother and now wants to capture me?" Chu Mengyao heard Chu pengzhan talking about the past and she couldn't help but be shocked and angry, "This Grand Elder is too bad. She took my mother away so that you don't have a wife and I don't have a mother. She's a typical example of bullying the weak and fearing the strong. Why didn't that Mr. Yang come back to punish her?"

"Yeah, I didn't expect the Dark Palace to come looking for you again ..." Chu pengzhan smiled bitterly, "If Mr. Yang was still here, how would she dare to take your mother away? She's already so scared that she doesn't know how to please her!"

"Now it seems that mother must have failed to accept the inheritance, so she came to me?" Mengyao nodded-she wasn't stupid, after all. She immediately realized the Dark Palace's intentions.

"That should be the case, but what makes me feel strange is that there is no dark Phoenix bloodline in your bloodline. There is only a very small part of it, almost negligible. In the beginning, the Supreme elder had no idea about you, but she gave up after she examined you. How come she has come to you now?" Chu pengzhan asked curiously.

"Oh? Is it like this?" Mengyao was confused as well. If that was the case, why would the Grand Elder come all the way here?

"Oh, shield bro, do you think Yaoyao sis' bloodline changed after eating that Black Phoenix?" Yushu suddenly remembered something important-there was once when Lin Yi bought a black pheasant, but the seller insisted that it was a Dark Phoenix. Could it be the Dark Phoenix?

"Me? When did you eat the black Phoenix?" Mengyao blinked, but her face changed. "You're talking about that dream? And I ate a Dark Phoenix in real life?"

"It should be!" Lin Yi nodded. "Now that I think about it, you said that you were in a dream, and the person in the dream didn't seem to be you, but someone else. A group of people called you master and gave you a Dark Phoenix to eat ... I guess this is a kind of memory inheritance under a coincidence!"

"Memory inheritance?" Mengyao didn't quite understand what Lin Yi meant.

"The place where you ate the Dark Phoenix is probably very close to the Dark Palace. According to my guess, the first Dark Phoenix bloodline in the dark Palace was produced by consuming the Dark Phoenix, and that person might be your ancestor!" "We have the Dark Phoenix, and you're blood-related to your ancestor," Lin Yi said. "It's probably some mysterious force that made you consume the Dark Phoenix!" The memory of your ancestor consuming the Dark Phoenix has also been passed down to you. "

"Holy shit, shield bro, you're almost as good as detective Shu, you're so good!" Yushu said, impressed.

"In that case, it's very possible!" "That explains it," Mengyao nodded, "why the Grand Elder didn't care about me before, but came to me now ..."

"It must be like this!" Lin Yi nodded, "and now, it means that your bloodline is the same as your ancestor's. It's easy for this bloodline to accept the inheritance."

"I don't understand why mom didn't come to see me all these years if she's the inheritor. She didn't even give me a call. From the Supreme elder's attitude towards me, she doesn't want to fall out with me. Then mom should have some status in the dark Palace! Xiaoxiao's in the Ice Palace, and she can even talk to us!" Mengyao asked, confused.

Chapter 3102 The Person You Care About The Most

"Your mother's personality is actually the kind of cowardly personality that would submit to adversity. Why would she fight with the Grand Elder for something?" Naturally, she would do whatever the Grand Elder said! Back then, the Grand Elder also used our safety to threaten your mother, so your mother left with the Grand Elder. "

"But mom can say that if you threaten me again, I won't go. I won't go even if you kill me!" Chu Mengyao's personality was completely different from ye Wan 'er' s. The Miss wasn't that easy to bully!

"If your mother had a personality like yours, then even if you don't see her, you'll be able to call her often!" Pengzhan said with a bitter smile.

"Right, mom is in the dark Palace now. She must have failed to accept the inheritance, so the great elder came to find me. Since mom is in the dark Palace, I can ask her to come back and accompany you. Then I will go to the Dark Palace, so you won't be lonely." Chu Mengyao didn't care if her mother was an elder or if the Grand Elder wanted her to stay in the dark Palace. Since she thought of this, she would do it.

In fact, the Grand Elder didn't use Chu Mengyao's mother as a hostage before because she didn't want to let ye Wan 'er leave! No matter what, ye Wan 'er was a Sky Class early phase-she was a great help to the Dark Palace, who were weaker!

Although ye Wan 'er had an argument with him about him killing Chu pengzhan and Chu Mengyao, and was a little disheartened, as long as Chu Mengyao was still alive and had gone to the Dark Palace, ye Wan' er would be more than happy to continue working for the Dark Palace!

As for Lin Yi, the Grand Elder didn't dare to kill him. She realized that Chu Mengyao's personality was completely different from ye Wan 'er' s. If something didn't go her way, she'd threaten her that she'd rather die than go to the Dark Palace. The Grand Elder was helpless.

Besides, the Grand Elder valued Chu Mengyao far more than ye Wan 'er. Whether ye Wan' er could receive the inheritance or not was entirely based on luck, but Chu Mengyao had the Dark Phoenix bloodline that was so pure that it was shocking. So as long as Chu Mengyao went to the Dark Palace, she could receive the inheritance with a 100% chance, without a doubt!

So the Grand Elder had already thought it through. To make Chu Mengyao happy, she would return to the dark Palace and restore ye Wan 'er's position as the palace Master, and then let Chu Mengyao be the Vice Palace Master. Of course, if Chu Mengyao could successfully accept the inheritance, she could even be the Grand Elder!

The Grand Elder was such a person. For the sect, he would do anything. He already had no face.

As for elder li, he could give him some power as long as Mengyao was happy to accept the inheritance. He could even give all the power to the black-robed elder, but Mengyao had to be willing to accept it first.

Chu pengzhan heard Chu Mengyao's words and became excited. Could ye Wan 'er come back? All these years, Chu pengzhan had been hoping for ye Wan 'er to return to his side one day, even in his dreams!

And so, at this very moment, Chu pengzhan couldn't hold back his feelings anymore and stood up from the sofa, "Yaoyao ... Your mom can come back?"

"En, I think that if I use this as a threat, Grand Elder should agree!" Mengyao wasn't sure, but she could at least use it as a way to threaten the Grand Elder. Whether or not the Grand Elder would let her go depended on her attitude and mood.

"But ... Yaoyao, you're sacrificing yourself in exchange for your mother's return. I ... I'd rather you not leave ..." Chu pengzhan calmed down after the initial excitement. He knew that this was in exchange for Chu Mengyao's inheritance!

"Even if my mother doesn't come back, I'm afraid I'll still go!" "Dad," Mengyao smiled, "since we're leaving, why don't I fight for more benefits?"

If Chu Mengyao's words were to be heard by the Grand Elder, she would probably puke blood. She hid everything about ye Wan 'er before because she was afraid that Chu Mengyao would change her. That was a Sky Class early phase master, a part of the Dark Palace's strength, and she just left like that ...

"Uncle Chu, Yaoyao is right. Even if aunty ye doesn't come back, Yaoyao still has to go. So, rather than that, why don't we ask for more benefits?" Lin Yi said with a nod.

"Alright, in that case, thank you!" "Yaoyao, I didn't think that you'd be the one to leave in the end. Your mother's back. When will we be able to reunite as a family?" pengzhan said emotionally.

"We'll have to rely on shield bro for that! When shield bro becomes Sky Class late phase peak, he'll sweep the entire ancient world! We'll be the world's No. 1 then!" "By then, the Grand Elder will probably come and lick shield bro's shoes ..." Yushu said.

"Shu, you're being so mean!" Mengyao glared at Yushu. "Don't say that-if the Grand Elder heard it, she'd want to kill Lin Yi again!"

"Oh, Shu knows. I'm just saying it in secret at home, right?" Chen Yushu nodded indifferently.

"Shu, after I leave, no one will care about you anymore. You have to listen to Lin Yi, understand? Don't always cause Lin Yi trouble!" Chu Mengyao looked at Shu. Although he was talking about her, there was a strong sense of reluctance in her eyes. After all, she and Shu had lived together for so many years, and now they were going to be separated.

"MHM, don't worry, Yao Yao. I'm good Shu." Yushu nodded seriously, putting away her joking expression. Mengyao couldn't help but laugh at the last part, though.

Looking at Chu Mengyao at this moment, Lin Yi's heart was also extremely sad. He originally thought that the only people who could stay with him would be the Miss and Shu. Even when he knew that Shu was going to leave a few days ago, Lin Yi still felt that the Miss would not be able to leave no matter what. He would live with her forever.

Although they didn't hint or promise each other anything, they both knew that although they were friends, their feelings for each other had exceeded ordinary friends. What was this?

Every time Lin Yi came back from a trip, the Miss would be like a little wife waiting for her husband to come back. She'd greet him and look at him calmly, but it'd become a habit.

Did he like the young lady? She probably did, or Lin Yi wouldn't be living with her all this time.

Perhaps, in the depths of Lin Yi's heart, the person he cared about the most was the Miss!

Chapter 3103 A Sleepless Night

However, Lin Yi didn't realize it himself.

However, did the young miss like him? Lin Yi wasn't too sure. Sometimes he was sure, but sometimes it was a blur. It was a strange feeling, but since the Miss didn't say anything, Lin Yi wouldn't break this warm habit.

Perhaps, one day in the future, the two of them would break through their friendship and become lovers. However, neither of them would be too surprised because they had already developed such a tacit understanding and feeling between them. However, it was definitely not now.

Lin Yi, on the other hand, enjoyed the warmth and habit of being with the Miss. There was no passion of love, only the dull care and concern ...

However, the appearance of the Dark Palace's Grand Elder broke the peace between Lin Yi and the Miss. The Miss would finally leave, and she would wake up from her dream.

"It's late. Daddy, you should go back. We're going to rest too. Perhaps the Grand Elder will come tomorrow morning. The black-robed elder beside her knows about this place." Mengyao said to pengzhan. He'd spent quite a bit of time talking about the past, and it was already night time.

"MHM, Yaoyao, I'll be leaving then. I won't be a part of tomorrow's business. Yi, I'm counting on you!" Chu pengzhan knew that it wasn't a good time for him to show his face tomorrow. He was afraid that if he saw the Grand Elder, he would make the Grand Elder angry and embarrassed. After all, Mr. Yang had once helped him.

"Don't worry, uncle Chu. I'll help Yaoyao make sure aunty ye comes back. " Lin Yi nodded.

Pengzhan didn't say anything else, but stood up and left the villa with Li Fu. They got into the car and quickly disappeared into the night.

In the villa, Chu Mengyao also stood up and yawned. She said to Shu, "Alright, Shu, come upstairs and sleep with me. It's not like I'm not coming back!"

"Oh ... Okay!" Yushu went upstairs with Mengyao obediently. She knew that this might be the last day she'd be sleeping with Mengyao.

Lin Yi sighed. He wanted to follow, but he still said, "Han, you should go rest too. I'm going to sleep too."

"Okay ..." Xu Shihan didn't expect something like this to happen in Lin Yi's house. She nodded and went upstairs.

After returning to his room, Lin Yi sat cross-legged on his bed and started circulating the third stage of the art of Dragon mastery. He knew that he had to work harder to make his own voice at the ancient level.

Otherwise, Xiaoxiao, Yaoyao, and even Shu and nine in the future would be at someone's mercy. Although Lin Yi had a good relationship with the huofan mountain and yellow Earth high sect, he couldn't stop them from doing something, but he could protect them if he was strong enough.

Upstairs, in Chu Mengyao and Chen Yushu's room.

Although the lights were off, the two sisters did not sleep.

"Shu, are you asleep?" Mengyao asked.

"No, how about you, Yaoyao sis?" Chen Yushu asked.

"Of course I'm not sleeping. Otherwise, how am I supposed to talk to you?" Mengyao didn't know whether to laugh or cry.

"Oh, Yaoyao sis, you're leaving tomorrow, I can't sleep." Chen Yushu replied.

"Yeah, me too." Mengyao smiled, a little sad. "Then let's have a chat."

"Okay." Chen Yushu nodded.

"That's amazing, I didn't think I'd be an inheritor ..." Chu Mengyao sighed, "I'd never have thought of this before, but ever since Lin Yi moved into the villa, our lives changed a lot. "

"Yeah, so Yaoyao sis, have you ever regretted it?" Chen Yushu asked.

"Regret? Of course not, this is good, it's much more interesting than the ordinary life we used to live. Plus, if it wasn't for Lin Yi, we might be dead already. One Zhao Qibing is enough to kill us all. " Mengyao said.

"I'm not talking about that. I'm saying, do you regret not being in a favorable position to enjoy the moonlight first?" Chen Yushu asked.

"The pavilion closest to the water enjoys the moonlight first?" Mengyao blinked, and her face reddened instantly. Luckily, it was dark, and Yushu couldn't see it, "Don't talk nonsense, Lin Yi and I are just friends. "

"Oh? I didn't say that, but Yaoyao sis "mind isn't pure, thinking of shield bro all of a sudden. There must be a problem!" Yushu said with a smile.

"Then what did you say?" Mengyao hmped and asked.

"I'm saying, um ... Yaoyao sis didn't manage to push shield bro down, are you regretful?" Chen Yushu replied.

"What's the Difference?" "Are you trying to get information out of me?!" Mengyao raged. I'm going to tear your mouth apart!"

Although Chu Mengyao said that, she didn't really tear Shu's mouth apart. She didn't want to play with Chen Yushu anymore. She was leaving tomorrow and she didn't have the mood.

"Hehe, actually, Yaoyao sis is on the same level as shield bro's other wives now. They're all vice Palace Masters, elders, and all inheritors. Yaoyao sis is one too. She's going to be very strong in the future!"
"We're only missing Shu now," Yushu said, "she'll work hard and become an inheritor too, then the mistresses and mistresses can work together again!"

"Hehe, alright, work hard then!" Mengyao thought that Yushu was joking, so she smiled. "Let's recall what happened in the past year ..."

"Okay ..." Yushu said, "It's March 12th this year, right? shield bro moved into the villa for the first time, and we really hated him back then"

"Yeah, it was March 12th, but I was robbed on March 13th. It was also from then on that I felt that Lin Yi wasn't a bad guy. At least he stood up for me, stood up for me ..." Chu Mengyao nodded ...

Chu Mengyao and Chen Yushu recalled everything that happened in the past year. Before they knew it, the sky was already bright ...

Today was destined to be a sleepless night. Many people were having insomnia!

Other than Mengyao and Yushu, pengzhan, the Grand Elder, and the black-shirted elder were also unable to sleep. The two of them had spent the whole night discussing how to persuade Mengyao, but they couldn't come up with anything. After all, the Grand Elder really didn't know how to persuade others. She thought that Mengyao would go back with her happily, but she was caught off guard by this!

However, the black-robed elder suggested an idea, and that was to use ye Wan 'er as an exchange!

Chapter 3104 The Reaction Of The Dongfang Family

However, she was flatly rejected by the Grand Elder. No matter what, ye Wan 'er was an expert. She still felt a little heartache when she was exchanged.

Other than that, Dongfang buruo was also suffering from insomnia!

Dongfang Cha had previously helped him find a female student and had called to say that he had found one, but he had not returned. When Dongfang buruo called again, Dongfang Cha's phone had been switched off.

Before this, Dongfang buruo didn't think much of it. However, when it was midnight, Dongfang Cha still didn't show up, and Dongfang buruo tried to call again, but his phone was still turned off. Only then did he get anxious and quickly called his father, Dongfang jinxing!

"Not weak? It's so late, what's the matter?" Dongfang jinxing was always cultivating at night. As the head of the Dongfang family, he had to deal with a lot of things during the day, so he could only cultivate at night. This was also the reason why his cultivation speed was slower than Dongfang Yinxing's.

"Dad, Dongfang tea has disappeared!" Dongfang buruo said anxiously.

"Eastern tea? Disappear? What do you mean by that?" Dongfang jinxing didn't quite understand what Dongfang buruo meant. "Isn't he with you? How did it disappear?"

"He ... He went out for a while and never came back ..." Dongfang buruo said after hesitating for a moment. He still didn't know that his father, Dongfang jinxing, had already found out that he had sent Dongfang Cha to find him beautiful women, so he was stammering and didn't dare to tell the truth.

"Did he find you a female student?" "He didn't come back after he left?" Dongfang jinxing asked directly.

"Ah? "Dad, you know ..." Dongfang buruo was shocked. Could it be that his father had stopped Dongfang Cha, so he didn't come back? That's not right. From his father's tone, he didn't know that Dongfang Cha hadn't returned either. He quickly said, "Yes, he called me earlier and said that he found two of the best and would be back soon, but ... There was no news of him after that."

"He told me about this before. I know, but he already found two female students and they disappeared when he was about to come back?" Dongfang jinxing's heart trembled, but he was still a little confused. What could have happened to Dongfang Cha in the secular world?

"Yes, his phone was turned off too. There's been no news at all!" Dongfang buruo said.

"Okay, I got it. Don't sleep yet. I'll look into it and contact you immediately!" Although Dongfang jinxing felt that with Dongfang Cha's strength, there shouldn't be any problems, he still stood up and decided to retrieve the surveillance information from Dongfang Cha's car.

After Dongfang jinxing heard Dongfang buruo's words, he immediately ended his cultivation. He simply packed up and quickly walked to the Dongfang family's monitoring room. The Dongfang family was a

relatively Modern Family. At least, they knew how to use everything that people used now, and they were even more advanced.

The way she dressed was no different from a modern person.

Dongfang jinxing quickly entered the control room, and the disciple in charge of guarding the control room quickly greeted, ""Young master, why have you come?"

"En, can you show me the recording of Dongfang Cha after he went to Eastern Sea city?" Dongfang jinxing said to the disciple. Without Dongfang jinxing or Dongfang Badao's authorization, even the disciple in charge of the monitoring room could not access the surveillance cameras at will.

"Alright, young master, please proceed with fingerprint authorization!" After the disciple pulled up the surveillance footage, he was unable to play it. He needed the fingerprint authorization of Dongfang jinxing or Dongfang Badao.

Dongfang jinxing nodded, then reached out and swiped on the fingerprint scanner. The surveillance computer made a "beep" sound, and the fingerprint verification was successful. The computer monitor also began to play Dongfang Cha's every move.

Before this, it was an ordinary scene of Dongfang Cha and Dongfang buruo arriving at Eastern Sea city. Next, it was the scene of Dongfang Cha driving to the eastern sea city industry University and waiting for a while at the teaching building.

Dongfang Jin had already fast-forwarded all of this until Dongfang Cha knocked out the two girls. The main point was here!

"It's the dark elder of the Dark Palace?" Dongfang jinxing was shocked when he saw the person on the screen! The Grand Elder of the Dark Palace was respectfully called the dark elder. It didn't mean that her name was the dark elder, but that every generation of Grand elders would be called by this name.

However, this wasn't considered a surprise. What happened next made Dongfang jinxing's face turn extremely ugly because elder anye had actually killed Dongfang Cha. After that, the image was cut off. It seemed that elder anye had sent someone to find the surveillance camera and destroy it.

"Dark night Palace, you and I have no enmity, yet you killed an elder of my Dongfang family. Are you saying that our Dongfang family's elders are easy to bully?" From the image, Dongfang jinxing didn't know that Chu Mengyao was the inheritor that the Dark Palace was looking for. In his eyes, they were just two pretty little girls. What does it have to do with you that we're arresting our people? Do you think you're a hero who'll help when you see injustice?

Dongfang jinxing was furious. This was the third person to die in a row in his family. First, it was Dongfang bu's loss, then it was Dongfang Jian, and finally, it was Dongfang Cha! These were all top-notch experts, and they all died just like that?

No matter how strong the Dongfang family was, losing three Sky Class Masters in a row was enough! Dongfang jinxing didn't dare to make a decision on his own. He copied the video into his phone and quickly headed to where Dongfang Badao was cultivating.

"Who is it?" Dongfang jinxing had just reached Dongfang Badao's room when he heard Dongfang Yinxing's voice! After all, who from the Dongfang family would come here in the middle of the night? That was why his tone was a little harsh.

"Come in, it's gold Star." Dongfang Badao finally spoke. He was stronger than the Silver Star of the East, so he could tell that the footsteps were coming from the gold Star of the East.

"Yes, father!" Dongfang jinxing pushed the door open and entered the room. Then, he hurriedly said, ""Dad, second brother, something big has happened. Dongfang Cha is also dead!"

"What?" Dongfang Badao stood up abruptly, his eyes filled with disbelief, ""Jinxing, what did you say? Dongfang Cha is also dead? How did he die? Could it be that he was killed when he was investigating Dongfang Jian's death?"

"No, it has nothing to do with that. Dongfang Cha didn't even go to the practitioner's trade association. Instead, he went to find a woman for bu RUO ..." Dongfang jinxing sighed and explained the whole situation to Dongfang Badao and Dongfang Yinxing.

Chapter 3105 Issuing A Challenge

"Dark Palace? Elder an ye? I'll F * ck her grandmother. If she's not weak, what does it have to do with her? She's going through menopause, right?" When Dongfang Yinxing heard this, he was immediately enraged. This was also the kind of person who spoiled Dongfang buweak. Dongfang Yinxing did not have any children, so he treated Dongfang Busu and Dongfang buhuang as his own. It could be said that in the family, Dongfang Badao was the first to spoil them, then Dongfang Yinxing, and then Dongfang jinxing!

However, Dongfang jinxing sometimes didn't Dare to Discipline Dongfang Bushu and Dongfang buruo too much because of Dongfang Badao!

As a result, Dongfang Buda's acting tough was beaten to death, and Dongfang buruo went out to look for women, but the elder Dongfang cha he brought along was beaten to death.

"Because of what?" Dongfang Badao, on the other hand, frowned. ""Jinxing, you're telling the truth. Are you hiding anything?"

"Dad, we're all family. What's there to hide?" Dongfang jinxing smiled bitterly and said, ""I have a video of what happened at that time. Take a look!"

Dongfang Badao nodded. Even though he was shocked, he still couldn't understand why the Grand Elder of the Palace of Darkness would attack Dongfang Cha. There was no reason at all.

However, after watching the video, Dongfang Badao was also baffled. How did he just kill Dongfang Cha? It seemed, it seemed like elder an ye was standing up for the two girls who were caught?

But who were those two girls? Dongfang bada didn't think that any ancient-level disciples would go to school in the secular world. There were hidden-level disciples, but it was basically impossible for them to go to the ancient-level, so Dongfang bada ruled out the possibility that the two girls were disciples of the Dark Palace. But if they weren't disciples, could they be relatives of the dark elder?

"Tomorrow, send out a letter of challenge. The Dongfang family is declaring war on the Dark Palace. The reason is Dongfang tea!" "We don't dare to cause trouble for the everyday and every day sect for the time being, but the palace of the dark night ..." Dongfang Badao replied coldly.

Recently, the Dongfang family had been dying one after another. Dongfang Badao could not take it anymore. This time, he wanted to vent all his anger on the Dark Palace. Dongfang Bushu was dead, but he did not dare to take revenge. Dongfang Jian was dead, but he did not know how he died. Only Dongfang Cha's death was worthy of the Dongfang family's attention!

"Yes, father. Then what reason should I use tomorrow morning to issue a letter of challenge to the Dark Palace?" Dongfang jinxing asked.

"Let's just tell the truth. There's no way to hide this. If the truth is different from what we said and the Dark Palace spreads it, it'll be disadvantageous to us. We have to tell the truth!" Dongfang Badao pondered for a moment before saying, ""It's just two female students from the secular world. It's not a big deal. No one can say anything bad about our Dongfang family!"

"Alright, I understand!" Dongfang jinxing nodded. Indeed, although this sounded a little absurd, which ancient sect didn't have some dirty tricks up their sleeves? Dongfang jinxing knew that there were still ancient sects supporting the secular world's merchants in smuggling and robbing. Many people were also aware of this, so bullying men and taking advantage of women was really not a big deal!

That night, Dongfang jinxing did not sleep. He kept thinking about how to deal with the Dark Palace. After all, they were going to declare war on the Dark Palace the next morning. They needed to have the first step of the plan. Otherwise, they would be laughed at by others if they only talked without practicing.

The next day, just as the sky started to brighten, Dongfang jinxing sent a letter to all of the ancient levels. This was a letter declaring war on the dark night Palace. Because the Dongfang family was a Modern Family, they used fax instead of messenger pigeons or letters.

In fact, the other ancient sects also had fax documents, but they weren't used to using them.

Dongfang jinxing's declaration of war had shocked many of the ancient sects. It had been so many years since there had been a fight between the ancient sects, and now it had happened, and it was the powerful Dongfang family against the weak Dark Palace?

Of course, after reading the contents of the letter, no one felt that the Dongfang family was bullying the Palace of Darkness. After all, the people of the Dongfang family had clearly stated that it was the Supreme elder of the Palace of Darkness who had killed the Dongfang family's elder Dongfang Cha.

It all started because Dongfang tea had caught two female students! This caused all the discussions on the ancient level to lean towards the Dongfang family's side. Which ancient sect didn't have some dirty tricks up their sleeves? In everyone's opinion, what the Dongfang family had done was really nothing. This Grand Elder was simply a busybody. He deserved to be challenged by others!

Didn't elder an ye say that he was going to find an inheritor when he entered the secular world? Why didn't he find an inheritor? why did he go and meddle in other people's business? Are you so free that your balls hurt? of course, she doesn't have balls.

Otherwise, if the other ancient sects were to interfere with every house that did something bad behind their backs, what would they do? Therefore, no one stood up for the Dark Palace. Of course, they also knew that the declaration of war would only cause some casualties to the Dark Palace and make them pay a price. The Dark Palace could not be destroyed, and the Dongfang family would not dare to destroy the Dark Palace.

However, not long after the news of the Dongfang family declaring war on the Dark Palace was released, messenger pigeons from the Dark Palace's Black-robed elders also arrived at the heads of the various ancient sect leaders!

The Dongfang family had captured the inheritor that the Dark Palace was looking for?

This news was like a thunderclap that resounded throughout the entire ancient world. This time, no one was criticizing the Dark Palace anymore. Instead, they began to accuse the Dongfang family's elder

Dongfang Cha of being reckless! He actually dared to capture the inheritor of the dark night Palace. If this wasn't courting death, what was it?

Fortunately, you were discovered by elder an ye and killed Dongfang Cha in time to save the inheritor!

If this inheritor was really harmed by Dongfang bu RUO from the Dongfang family, the result would be ... Hehe, if the five elements sect found out, they would probably exterminate the entire Dongfang family! At the level of the ancient times, all the sect leaders more or less knew something about the five elements sect.

And these people were all Sky Class late phase peak or Sky Class late phase peak full Masters-they were all looking Forward to the Sky Class Island Plan, looking forward to the day they could step into the path of the sky!

And so, these inheritors became the key to the Sky Class Island Plan. The Dark Palace had just found an inheritor, and they were almost destroyed by the Dongfang family's Dongfang bu RUO. This didn't affect the interests of the Dark Palace as a single sect, but the interests of the entire ancient world!

In this way, the situation was immediately reversed. From supporting the Dongfang family, it became that the Dongfang family deserved to die. It was already a good thing for one of them to die, so why didn't they kill the whole family?

Chapter 3106 Long-Term Plan

This wasn't a joke-he was the inheritor of the Sky Class Island Plan!

Compared to advancing to the heavenly Dao, what were the dirty things in the sect? Therefore, everyone felt that elder an ye had done too much and should have killed Dongfang buruo as well!

Of course, Dongfang jinxing was also the first to receive the news. He was so angry that he almost vomited blood!

The person that Dongfang Cha had captured was the inheritor that the Dark Palace was looking for? Could there really be such a coincidence? However, he also knew that the Dark Palace wouldn't lie about this matter. As long as they verified it, they would know whether it was real or fake. The person caught by Dongfang Cha was definitely the inheritor of the Dark Palace. This also explained why the elder of the Dark Palace would kill people for no reason. No one could accept the fact that you almost harmed their inheritor.

"I'm so angry, I'm so angry!" Dongfang jinxing felt that he had done something extremely stupid. If he had known that things would turn out like this, he would never have sent out a challenge letter. But now, the Dongfang family had become the laughingstock of all the ancient sects. Not only did they not have any support, but they were also being scolded by everyone for being shameless. They had made a mistake, and yet they were the first to complain. They pretended to be wronged and deceived everyone's feelings!

Dongfang jinxing knew that not only had the Dongfang family's prestige plummeted, but it was also impossible for them to cause trouble for the Dark Palace! Because none of the ancient sects supported the Dongfang family's actions!

If it wasn't for the previous letter of challenge, Dongfang jinxing could still jump out and pretend to be wronged to win sympathy after the dark night Palace made a statement. After all, although they had captured your inheritor, they didn't know about it. Couldn't you have told us? did you have to kill him?

In this way, there might be people who would support him. After all, wouldn't it be strange if he didn't know? Who wasn't wrong? If it was someone from another ancient sect, would you just kill them?

But now, it was useless to say anything. Besides, it would only make him a laughingstock.

After taking a deep breath, Dongfang jinxing quickly walked toward Dongfang Badao's room. This time, he didn't knock on the door, nor did he wait for the person inside to speak. He just walked in.

"Jinxing, have you sent out the challenge letter?" When Dongfang Badao saw Dongfang jinxing barging in, he was instantly displeased. 'You're also a practitioner. Don't you know that it's not good to disturb someone else's cultivation?'

However, Dongfang Badao thought that Dongfang Heng was too excited to deal with the Dark Palace, so he didn't say much.

"Yes, it's been sent out!" Dongfang Badao nodded his head, his face twisted in anger, ""However, the Dongfang family has lost a lot of face this time!"

"Oh? What do you mean by that?" Dongfang Badao was taken aback, while the Silver Star of the East opened his eyes and looked at the gold Star of the East with a strange look.

"I've just sent out my letter of challenge. At this time, the ancient level is still supporting us and supporting us to take revenge. We all know in our hearts that which sect doesn't have some dirty tricks? That was why everyone thought that the dark elder of the Dark Palace was a busybody. However, who would have thought that the Dark Palace would also make a statement not long after that, saying that our Dongfang family had captured their inheritor! "One of the two female students is actually the inheritor of the Dark Palace. This is great. All the ancient levels are scolding our Dongfang family for dying. Even one death is too little, the whole family should die!" Dongfang jinxing said with hatred, "now,

our Dongfang family is in a dilemma. It's impossible for us to take revenge. If we don't take revenge, it's equivalent to slapping our own face. We've thrown ourselves into the Pacific Ocean!"

"The statement made by the Dark Palace? After we did?" Dongfang Badao furrowed his brows and said, ""If that's the case, then they're doing this on purpose? Why didn't you say it before? why did you say it after we sent the letter of challenge? Isn't this clearly embarrassing our Dongfang family? Jinxing, as long as you grasp this point, you still have a chance to turn the tables!"

The older the ginger, the spicier it gets. Dongfang Badao had found a way to counter it in a short time. Although he didn't say that the Dark Palace was lying and that it was intentional, the other ancient sects couldn't help but let their imagination run wild. When that happened, the pressure on the Dongfang family would be greatly relieved.

"Dad, if that's the case, what you said is a good idea. However, the Dark Palace uses pigeons to send letters. It seems that they issued a statement as soon as the matter ended yesterday, but everyone only received it now. We used a fax ..." Dongfang jinxing said weakly.

"This ..." Dongfang Badao was taken aback. It was only then that he suddenly remembered that the Dongfang family used modern equipment! In the past, he would often laugh at the other ancient sects for falling behind, saying that they still had to wear ancient clothes and use pigeons to send letters. Wasn't that tiring?

But today, Dongfang Badao realized that while fax was convenient ... If the Dongfang family did not have a fax, then this matter would be much easier to handle. After all, using a pigeon to send a letter was not as convenient as a fax. They had to first have a specialized Beast Tamer show the pigeon a map and determine the direction before they could set off. By this time, the news from the Dark Palace had already spread!

Xiao He's victory was really due to Xiao He's defeat!

"Father, we can't do anything about this anymore. Let's not talk about it anymore. We're just enduring for now so that we can get revenge in the future!" "The palace of the dark night?" the Silver Star asked. We'll remember this and wait for the storm to pass before we go to the Dark Palace for trouble. But it's impossible now. "

"That's right, Silverstar is right. Jinxing, don't be angry, just do what you need to do. Send another elder to help Dongfang buruo, but don't do things like capturing the girls. Once you're done with Xu Shihan, come back!" Dongfang Badao said.

"Yes, father!" Dongfang jinxing took a deep breath and calmed the depressed mood in his heart. He nodded and took his leave.

Although Dongfang jinxing was extremely angry, he still calmly called Dongfang buruo after returning to his room and told her what had happened.

"I see ... Now that Dongfang Cha's dead, what should I do about Xu Shihan?" Dongfang buruo asked worriedly, but in his heart, he was scolding Dongfang Cha for being such a bastard. How could he have offended the Dark Palace's inheritor? There were so many beautiful women out there, but you just had to capture an inheritor. What a lucky day!

He couldn't find any more female students because Dongfang jinxing had already warned Dongfang buruo to capture Xu Shihan directly and not to cause any more trouble!

Chapter 3107 The Conditions For Going To The Dark Palace

"I'll send another master to help you with Xu Shihan-this time it's our Dongfang family's elder Dongfang song. Don't make any unreasonable requests, his main task is to help you catch Xu Shihan!" Dongfang jinxing instructed.

"Yes ..." Although Dongfang buruo was indignant, he still nodded in response. He had no choice. He had to listen to Dongfang jinxing.

"Okay, come back early after you're done. If there's nothing else, I'll hang up first." Dongfang jinxing said.

After hanging up the phone, Dongfang buruo had no intention of staying in the hotel. He decided to go out and Scout the surroundings to see if there was anything fun to do. Since he couldn't go and catch female students, he could still go to places where he could have fun.

However, just as Dongfang buruo stepped out of the hotel, he saw someone who made him excited! That was Xu Shihan's manager, Wang Jie! She was actually staying in this hotel!

This made Dongfang buruo very excited-he'd spent a lot of effort searching for her, but now, she'd come knocking on his door! He thought it'd take some time to find out where she was!

Dongfang buruo didn't hesitate and quietly followed ...

Miss Wang, on the other hand, was just a normal person-she wouldn't feel like she was being followed by a practitioner. She drove to Lin Yi's Villa as usual.

After Dongfang buruo saw this, she did not force her way in. Instead, she memorized the route and returned to the hotel ...

Mengyao wasn't wrong-the Grand Elder and black-clad elder were standing in Lin Yi's Villa early in the morning, before the sun even rose, but they didn't dare to force their way in. They flew into the villa, but still said,"Lin Yi, we're here!"

In fact, when the Grand Elder and black-robed elder appeared in the yard, Lin Yi had already sensed it, but he didn't go out. After all, the Grand Elder and black-robed elder didn't come with any bad intentions. Why did Lin Yi go out so early?

After lazily ending his training, Lin Yi opened the window and looked at the Grand Elder and black-robed elder in the yard."Chu Mengyao isn't up yet, don't wake her up. You'll be in trouble if you wake her up! Let me tell you, the young miss hates it when people disturb her sleep. If she doesn't sleep well, she'll be in a bad mood. If she doesn't go to the Dark Palace with you, you'll be crying. "

"You ..." The Grand Elder was infuriated by Lin Yi's words. He was about to scold Lin Yi but was stopped by the black-robed elder.

"Please calm down, Grand Elder. Don't bother with this guy. We're here for Chu Mengyao, so we'll just wait for a while!" The black-robed elder said hurriedly.

"En, you're right, I won't lower myself to your level!" The Grand Elder nodded and ignored Lin Yi. He stood in the yard and didn't say anything.

In fact, Chu Mengyao didn't sleep at all. She heard the Grand elder's voice and got up to wash up.

After a while, Chu Mengyao and Chen Yushu came down, but they didn't see the Grand Elder in the living room. She couldn't help but wonder, wasn't the Grand Elder here?

"You guys are awake." Lin Yi walked out of the room and saw the dark circles under Yaoyao and Shu's eyes. He couldn't help but smile bitterly. "It looks like you two didn't sleep all night!"

"Yeah, I couldn't sleep either, so I didn't sleep." Mengyao sighed, confused. "Lin Yi, where's the Grand Elder? Why don't I see her?"

"She's standing at the door!" "Don't mind her, we'll talk after dinner." Lin Yi shrugged.

"That ... Isn't very good, is it?" The young miss was still kind.

"Alright, I'll go make dinner. Let her in," Lin Yi smiled.

"Alright," he said. Chu Mengyao nodded and went to open the door. She saw the Grand Elder and the black-clothed elder standing outside.

"Chu Mengyao, what's your decision?" How powerful was the Grand Elder? She'd heard the entire conversation between Lin Yi and Mengyao from the villa, so she knew that Mengyao was awake, but she didn't want to act up.

"Come in and talk." The young miss naturally wouldn't reveal her trump card so easily. She didn't agree, nor did she disagree. She only said indifferently.

"Alright!" From the Grand elder's point of view, if she could enter the sect, it meant that there was progress. Otherwise, she would be shut out. He quickly walked into the living room of the villa with elder black clothes. The two of them sat on the sofa and said, ""Chu Mengyao, I'm sure you know what an inheritor is? Your friends Feng Xiaoxiao and Tang Yun are the inheritors, right? we've already found out about this, you can imagine the benefits!"

Yesterday, the Grand Elder and the black-robed elder were discussing strategies, and naturally, they'd found out about Chu Mengyao's friends. She wanted to use them as an example.

Tang Yin? Mengyao was taken aback-it was a good thing Lin Yi went to the kitchen to make breakfast, or she'd be suspicious. Who was Tang Yin? However, Chu Mengyao couldn't say anything. She only said calmly, ""Don't mention my friend. Now, I just want to ask, what can I get from the Dark Palace?"

"Palace Master of the Dark Palace, all the cultivation resources of the Dark Palace are open to you!" The Grand Elder said.

"Grand Elder, let's be honest and talk." Chu Mengyao was very rational. She had been thinking about it the whole night. At this time, she looked at the Grand Elder and said, "You're hiding something from me, right?"

"I ... What can I hide?" "What do you mean, Chu Mengyao?" the Grand elder's face changed.

"It seems that Grand Elder doesn't want me to go to the Dark Palace." Mengyao shook her head. "Then there's no need for us to talk. You're hiding something from me. How can I guarantee that you'll keep what you're saying?"

"What ... What do you want to say?" The Grand Elder took a deep breath and thought of something. However, he asked with uncertainty.

"One person for one person." Mengyao said, "I think I've made myself clear enough. Grand Elder, you should understand. If you agree, we'll talk about the rest. Otherwise, forget it!"

"You knew? Your mother's matter?" The Grand Elder could now confirm that Chu Mengyao already knew about Ye Wan'er's matter, otherwise she wouldn't have suggested a one-person exchange.

"Okay, I know. If you ask my mom to come back and keep my dad company, I'll consider leaving with you." Mengyao said.

Chapter 3108 Another One

"This ... I'll have to think about it ..." The Grand elder's face didn't look too good. This was the condition she didn't want to accept the most, but she didn't think that Chu Mengyao would bring it up first. It seemed like the black-clothed elder was right, ""What other conditions do you have? Tell me everything, I'll consider it!"

"One more thing ... I want absolute freedom. My friends can come and visit me at any time, or I'll come home to visit when I have time. You can't stop me from calling my friends and family!" Mengyao said.

"This ... That's not a problem," The Grand Elder already knew that Chu Mengyao's personality was completely different from ye Wan 'er' s. It was basically impossible to expect Chu Mengyao to be as submissive as ye Wan 'er. So the Grand Elder agreed to Chu Mengyao's condition without thinking, because she knew that even if she didn't agree, Chu Mengyao would do it no matter what!

You won't let me go home? You won't let me see my friends? Alright, I won't cultivate or pass on the legacy. What can you do? So, in order to make Chu Mengyao happy, the Grand Elder agreed readily.

As for the first condition, because it involved the interests of the Dark Palace, she had to carefully weigh it and consider it. She couldn't make a decision immediately.

"That's it. If you agree, I can go with you. " "If you don 't, then there's nothing I can do," Mengyao said.

"This ..." The Grand Elder took a deep breath and almost nodded in agreement! After all, Mengyao said she'd go with her if she agreed, and the Grand Elder really wanted her to leave right now, but her rationality made her say, "I'll think about it carefully before I give you an answer!"

"Okay ..." Chu Mengyao nodded. At this time, Lin Yi had already brought breakfast to the table.

"Yaoyao, Shu, han, it's time for dinner." Lin Yi called out, not taking the Grand Elder seriously at all.

"Alright, let's eat first. I'm also hungry." The Grand Elder was only thinking about how to get Chu Mengyao to go to the Dark Palace with her yesterday and didn't even eat dinner. She was a little hungry now.

"You? I'm sorry, I didn't prepare your share. " Lin Yi shrugged and pointed at the food on the table. "This is our own."

"You!" The Grand elder's face immediately turned red, but he knew that he couldn't get angry at this moment. Everything had to be done for the sect's sake, so he just snorted coldly and said, ""I'm a Sky Class, a practitioner-I don't need to eat, I was just teasing you. You let me eat, but I won't eat! Black clothes, let's go!"

"Yes, Grand Elder." The black-robed elder quickly replied.

Therefore, the Grand Elder quickly left with the black-robed elder without a trace ...

Mengyao let out a long breath of relief after the Grand Elder left. She sat down at the table. "It seems that my conditions put Grand Elder in a difficult position."

"It's okay. Stick to this bottom line and she will compromise." Lin Yi gave the Miss a look before asking, "This is also your father's wish. Otherwise, you wouldn't have left, right?"

"Yes, if my mother doesn't come back, I'd rather die than leave!" Mengyao blinked, but still went along with Lin Yi.

Not far from the door, the Grand Elder and the black-robed elder were hiding in the dark. They didn't leave, and the Grand Elder wanted to eavesdrop on Mengyao's conversation after they left. He wanted to know what Mengyao's bottom line was.

However, when the Grand Elder heard Chu Mengyao's words, he stumbled. Her face became a little gloomy. It seemed that she had to agree?

"Let's go!" The Grand Elder did not eavesdrop any further. Instead, he left quickly with the black-robed elder.

The Grand Elder was a Sky Class master, and he wanted to eavesdrop on them, but Lin Yi was a Sky Class master as well. He could feel that the Grand Elder hadn't left yet, and that was why he asked Mengyao. He wanted the Grand Elder to eavesdrop on him, and now, he'd achieved his goal.

"Alright, the Grand Elder has left. She was eavesdropping just now." "Let's eat," Lin Yi said to Mengyao.

"I see ..." The young miss suddenly realized. "Lin Yi, do you think she'll agree to it?"

"In theory, it shouldn't be a big problem." Lin Yi said.

With that, everyone started eating in silence. Mengyao's departure was getting closer and closer, and the entire living room was filled with a sad atmosphere.

Today, Chu Mengyao and Chen Yushu didn't go to school and stayed at home. Perhaps, they would leave tonight!

Mengyao couldn't bear to leave her dad, Shu, general Weiwu, and ... Lin Yi!

Dongfang Cha's death meant that the Dongfang family had sent another elder here, but this elder was Sky Class mid phase-his name was Dongfang song. This person had received orders from Dongfang jinxing to only cooperate with Dongfang buruo to deal with Xu Shihan and the people around her, and other than that, he was not to agree to any of Dongfang buruo's requests!

If he really couldn't change his mind, he would call Dongfang jinxing and ask him to talk to Dongfang buruo.

Fortunately, Dongfang bingruo was well-behaved this time. He knew what his father had sent this person for, so he didn't make any more outrageous requests! Of course, Dongfang buruo didn't feel guilty at all about Dongfang Cha's death. From Dongfang buruo's point of view, it was Dongfang Cha who didn't wear his own eyes and had a conflict with the people of the Dark Palace. Who could he blame?

Didn't you ask about her background before you caught her? Go up and catch him? Are you not afraid of death?

Therefore, Dongfang buruo did not feel any psychological burden at all! It had to be said that Dongfang buruo was a person who relied on his status as the only heir to the young master. Otherwise, how could the people of the Dongfang family respect him?

"Young master buruo, the young master asked me to help you deal with Xu Shihan and her people ..."
Dongfang song told Dongfang buruo his purpose of coming here as soon as he arrived. He wanted Dongfang buruo to know that this was his purpose of coming here, so that he wouldn't cause any more trouble.

"I understand!" "I've been following her manager, Wang sis, during the day," Dongfang buruo said. "I've found out where she's staying, so we'll just go and catch her tonight!" After we're done, I'll have some fun with Xu Shihan in this hotel, then we'll kill her and return!"

Chapter 3109 Condition Reached

"That's for the best, young master burou. " Dongfang song nodded.

Damn it, who the hell is this, using a chicken feather as a token of authority, a Fox exploiting a Tiger's might! Dongfang buruo secretly despised Dongfang song in his heart. 'You're still trying to negotiate with me? When I become the young master, see how I'll deal with you!

However, Dongfang buruo didn't show it on the surface. He was already impatient. He had followed Xu Shihan's manager, sister Wang, and found out where she was staying, but he didn't act rashly. He knew his own strength, and although he didn't think that Xu Shihan had any strong Masters around her, he was a person who valued his life. So after getting her location, he returned to the hotel and waited for Dongfang song.

In the blink of an eye, it was already evening, and the Grand Elder brought the black-robed elder to Lin Yi's Villa again.

This time, Lin Yi opened the door and let the Grand Elder in, "You're here? What's your decision?"

"Chu Mengyao, I've thought about it and I agree to your conditions!" When the Grand Elder said this, he changed the topic. "However, your father, ye Wan 'er, must always exist as an honorary elder of the Dark Palace and can not leave the Dark Palace! Of course, she can live in the secular world. "

Chu Mengyao nodded. She knew that the Grand Elder had already compromised. This was the best way. It was almost impossible to expect her mother to leave the Dark Palace completely.

"Sure, that's not a problem. As long as my mother is back, it's fine." Mengyao nodded, "then tell me about the Dark Phoenix bloodline. What do I have to do after I get there? how?" Also, I hope that Grand Elder won't hide anything from me and tell me what I have to do after I become an inheritor!"

"I ..." The Grand Elder hesitated. Mengyao had told her what she had to do after she went, and it was fine to tell her, but what she had to do after becoming an inheritor? it was hard to say because it was dangerous, and the Grand Elder was afraid that Mengyao would go back on her words.

"Grand Elder, since I've already promised you, I won't go back on my word. I just want to know." Mengyao said, her eyes determined.

"Alright, since that's the case, I'll tell you ..." The Grand Elder had no choice but to nod and say, ""You're going to the dark night Palace to cultivate in a residence in the dark Phoenix Mountain range. While you're cultivating, you'll comprehend the metal-elemental power inheritance in the dark Phoenix Mountain range! The Dark Phoenix bloodline belongs to the metal element, you should know this. However, the inheritance we obtained is the Dark Phoenix bloodline, not the metal element inheritance. Instead, we awaken the Dark Phoenix bloodline in our bodies to activate the metal element! In this world, there are very few people with the Dark Phoenix bloodline. Usually, their ancestors obtained it by chance and then continued it through the only blood-related method. Therefore, there are very few people who can be used as a reference. Only your mother, ye Wan 'er, can you have a good chat with her! At the very least, I haven't found any other Dark Phoenix bloodline yet!"

The Grand Elder thought that they'd find a new inheritor of the Dark Phoenix bloodline, but she didn't expect it to be Chu Mengyao. She'd seen Chu Mengyao's bloodline when she was little, and it was pitifully small and useless. How did it suddenly become so pure?

"Okay, I'll talk to my mom," Mengyao nodded.

"However, with the purity of the Dark Phoenix bloodline in your body, you can accept the inheritance with 100%." The Grand Elder consoled him, "but, how did your bloodline become so pure?" Could something have happened?"

The Grand Elder seemed to ask casually, but he actually wanted to find out the reason and leave a way out for the Dark Palace! If he could find out the method to purify the Dark Phoenix bloodline, the future glory of the dark night Palace could be guaranteed.

It had to be said that although the Grand Elder was very sinister and unreasonable, he was very loyal to the sect and did not have any selfish motives.

"I ... I ate a ... Black Phoenix ..." Mengyao didn't hide anything.

"What? You ... You've swallowed the Dark Phoenix?" The Grand Elder was shocked and immediately thought of something. "Could it be that the Dark Phoenix that appeared before was bought by you?"

"Yes, I bought it." "So, consuming the Dark Phoenix will make the Dark Phoenix bloodline purer?" Lin Yi nodded.

"It doesn't mean that it has become pure. It means that a person without the Dark Phoenix bloodline will also possess the Dark Phoenix bloodline after consuming it!" The Grand Elder was excited-Mengyao was the first generation of the Dark Phoenix bloodline, and her children would be able to inherit it as

well! Even if they didn't get the chance to go through the sky Class Island Plan, it'd still be good for them-they'd be able to reach Sky Class late phase peak, and the Dark Palace's overall strength would be guaranteed!

Of course, the disappointment was that Chu Mengyao's method of obtaining the Dark Phoenix bloodline couldn't be copied. Almost all the disciples of the Dark Palace knew that the first inheritor of the Dark Phoenix bloodline was born after consuming the Dark Phoenix. However, dark phoenixes were very rare, and it was hard to find one in hundreds of years. This one appeared and was consumed by Chu Mengyao by chance. It seemed that Chu Mengyao was lucky.

"I see ..." Chu Mengyao nodded, ""No wonder you didn't take me away before ..."

Chu Mengyao felt that she was quite lucky. At least she had lived in the common world for so many years, and she had met Lin Yi ...

(Shu: I'm crying, Yaoyao sis values her boyfriend over her friends!)

"Yes, let's not talk about the past. Now that you've come to the Dark Palace, there's almost no danger in your cultivation. You can even describe it as a smooth journey. After all, there's no level barrier for the inheritors who have received the inheritance of enlightenment!" "The only thing you're worried about is what you're going to do and where you're going to do it-to be honest, I'm not too sure about that. It's said that they're going to carry out a Sky Class Island Plan, and all Sky Class late phase peak Masters will have a chance of becoming a Sky Class master. I heard that there'll be some danger when they open the sky Class Island, but I'm not sure what it is exactly ..."

Mengyao nodded. She'd heard all of this when Xiaoxiao and Tang Yun became inheritors!

Chapter 3110 A Big Misunderstanding

The situation was similar to what the Grand Elder had said. They all said that it was dangerous, but they didn't know what the specific danger was!

The Grand Elder probably knew the same thing as the Ice Palace and Snow Valley, so Mengyao didn't ask any more questions. She nodded, "If, I'm saying if, Lin Yi's strength is enough, will he be able to help me at the last moment?"

"This ... I'm not too sure." The great elder shook her head, "but, according to the news, even Sky Class late phase peak and full Masters like us can't interfere. Our bodies don't match it-going would be suicide!"

"Well ..." Chu Mengyao fell silent. She wanted Lin Yi to help them at the last moment, but it seemed that it was impossible now. Even the Grand Elder couldn't help, let alone Lin Yi!

Lin Yi, on the other hand, only smiled and didn't say anything. Only Lin Yi himself knew that he could do it! Because if taganlong could do it, he could definitely do it! Taganlong had five elements and five attributes, while Lin Yi had seven attributes. He had two more attributes than taganlong, so Lin Yi had no problem at all.

However, Lin Yi couldn't tell anyone about this. It was a secret, and he didn't want others to know about it too early! Tian Gang knew that, but he wouldn't say it out loud. Lin Yi trusted her, but he didn't trust the Grand Elder at all.

"Yaoyao, it's okay. I'll be there to support you guys." Lin Yi said with a smile.

"En, that's good!" Mengyao let out a breath of relief. She was just a little worried, but Lin Yi's words put her at ease.

Besides, Mengyao had a vague idea of what was going on-she knew about Lin Yi's Constitution, and she'd heard about how little one and little eleven went to sun Jingyi to heal taganlong. Taganlong's Constitution was similar to Lin Yi 's, and since taganlong was an important member of the future Sky Class Island Plan, Lin Yi should be able to go too.

Of course, the Miss and Lin Yi were on the same side, but she didn't have any sense of belonging to the Dark Palace. She couldn't tell the Grand Elder about this.

"In that case, when can you come with us?" The Grand Elder looked at Mengyao expectantly. Naturally, she hoped that it would be as soon as possible, but she was also afraid that Mengyao wouldn't be able to leave immediately.

"Let's ... Leave today!" Mengyao took a deep breath and gritted her teeth. She had to leave sooner or later, and there was no point in staying here for a day or two. The Grand Elder had also agreed for her to contact Lin Yi and Shu, so they could visit her at the Dark Palace when they missed her. Since she had made up her mind, she would leave tonight.

"Tonight ... That's great!" The Grand Elder was overjoyed when he heard Mengyao's words, but at that moment, there was a loud "bang" and the villa door was kicked open!

The Grand Elder was too excited and didn't notice the person outside, so she froze when the door was kicked open. Lin Yi, on the other hand, had sensed someone coming, but he didn't know if it was for the Grand Elder or himself.

However, the Jade didn't give him any warning, which meant that there wasn't any real danger. As expected, Lin Yi didn't care about the two at all when he saw their strength! An Earth Class late phase peak and a Sky Class mid phase-they were nothing in Lin Yi's hands.

The jade pendant would give an early warning based on the actual danger. This kind of Jade that did not pose a threat to him would not give an early warning as his strength increased. This was a little intelligent.

"Dongfang song, go and catch him!" It was Dongfang buruo, of course. He'd brought Dongfang song and barged into Lin Yi's Villa to get Xu Shihan. As far as he was concerned, everyone in the house was from the secular world, and he didn't care about them at all.

However, when Dongfang buruo saw that there were two other super beauties on the sofa, her eyes lit up! He shouted at Dongfang song, "Dongfang song, you can't let these two go either. Hmph, I haven't had fun with them before. This time, I'm going to have a good time, especially with these two girls. I'm going to have sex three times tonight!"

"Yes, young master burou!" Dongfang song nodded. Since it was someone related to Xu Shihan, and although Dongfang jinxing had told him to work with Dongfang buruo to capture her, he had also said that he could deal with the people around her. So, he would just capture them as well. This way, he wouldn't go against Dongfang jinxing's wishes, and he wouldn't offend Dongfang buruo either, so why not?

And so, in the next moment, Dongfang song reached out to grab Chu Mengyao and Xu Shihan. As for the Grand Elder, he completely ignored it, because in his eyes, she was just an old lady, probably a nanny or something.

He was on guard against Lin Yi and the elder-as far as he was concerned, these two were probably Xu Shihan's bodyguards, and so Dongfang song didn't hide his strength at all, showing it all!

"What are you guys doing?!" The Grand Elder saw Dongfang song coming up to grab Chu Mengyao. She was furious, completely furious.

"The Dongfang family is handling matters. Unrelated people, get lost or die!" Dongfang song snorted coldly and said to the Grand Elder. In his eyes, the Grand Elder was the nanny of the villa. He was fearless because he did not know!

"What?" The Supreme elder was completely dumbfounded. Your Dongfang family is indeed not as powerful as our dark night Palace. This is undeniable. However, even if you are powerful, you can't keep bullying us!

I killed one of your elders, Dongfang Cha, but I've already made a statement saying that he captured the Dark Palace's inheritor-and now you're sending a Sky Class mid phase here?

He didn't even put the dark night Palace and the inheritor in his eyes! It would have been fine if the heir was just from the Dark Palace, but this also involved the interests of many ancient sects. The Dongfang family was too arrogant! Was he seeking death?

"You dare to touch one?" The Grand elder's face was ashen as he asked in a sinister manner.

"You motherf * cking old hag, you're still talking to me. I think you're looking for death!" Dongfang song was also furious. You're just a nanny, why are you acting all high and mighty in front of me? Therefore,

Dongfang song showed no mercy in his anger and slapped the Grand Elder with the intention of killing him!
