

Bodyguard 3111

Chapter 3111 Three Dead

In Dongfang song's eyes, the Grand Elder was just a mortal. It didn't matter if he died.

"You're looking for death!" The Grand Elder was about to go completely berserk this time. You want to kill me with your strength? I'll send you to hell first! The Grand Elder flicked his finger and patted his waist. A red silk quickly shot toward Dongfang song!

Dongfang song's eyes suddenly narrowed, full of horror and disbelief. He seemed to understand something in an instant, but it was too late to Dodge. With a loud "bang", the red silk smashed into Dongfang song's body. Dongfang song's whole body was directly sent flying and crashed into the villa's wall. He twitched a few times, then fell to the ground and died.

Dongfang was also dumbfounded-Sky Class late phase peak? Why was this Xu Shihan so strong? why did she have this kind of master as her bodyguard? Then how was he supposed to capture her?

This Sky Class late phase peak wouldn't attack him, would he? He wouldn't kill himself, right?

"You're Dongfang buruo from the Dongfang family?" Although the Supreme elder was furious, he also knew that some people could be killed and some people couldn't be killed. Although Dongfang buruo was the main culprit, he was the only descendant of the Dongfang family. If the Supreme elder killed him, then no matter what the reason was, the Dark Palace and the Dongfang family would be in a situation where one of them had to die.

Therefore, the Grand Elder didn't attack, but asked.

"I ... Am ... You ... Don't kill me ..." Dongfang buruo was so scared that he trembled and took two steps back. He wanted to run away but didn't dare to.

"Your Dongfang family has repeatedly tried to capture this old man's inheritor. What is the meaning of this? Do you have some sort of special fetish?" The Grand Elder was furious, "I'll let you go this time on account that we're both from the ancient rank. The East isn't weak, is it?" Go back and tell Dongfang jinxing not to go too far. The inheritor of the dark night Palace involves the interests of the entire ancient level, and your Dongfang family is no exception. I hope you don't cause trouble, or you'll be making an enemy of the entire ancient level!"

"Ah?" This time, Dongfang buruo finally understood what was going on-this old lady wasn't a master hired by Xu Shihan, she was looking for an inheritor in the villa, and it seemed like that inheritor was one of the two girls he wanted Dongfang to catch!

So that's how Dongfang Cha died? Dongfang buruo felt like crying. He couldn't help but wonder how unlucky he was. Xu Shihan could've stayed with anyone else, but she had to stay with the inheritor. He had never met Chu Mengyao and Chen Yushu before, so he didn't know that they were the ones Dongfang Cha was looking for. Now, he was here to capture her. It was no wonder the Grand Elder of the Dark Palace was furious!

But ... This was a complete misunderstanding!

"I'm sorry, I'm sorry, I'll leave now ..." Dongfang buruo was screaming in his heart, but he couldn't do anything about it. After all, he needed the Grand Elder to believe him, and he didn't reveal that he was here to deal with Xu Shihan. He was afraid that Xu Shihan would be alerted and move away, and he wouldn't be able to find her next time. So, he only apologized and didn't even mention anything about Xu Shihan.

"Take this corpse! I don't want to see you again!" The Grand Elder waved his hand and said.

"Yes!" Dongfang buruo quickly picked up Dongfang song's body and left the villa dejectedly.

Looking at Dongfang buruo's back as he left, the Grand Elder shook his head and sighed in his heart. Although he had let Dongfang buruo off, he had also made enemies with the Dongfang family. He just didn't know if the Dongfang family would let this matter go.

However, killing one was the same as killing two. After killing one, it was time to make an enemy, so it didn't matter if it was one more. Killing Dongfang song in front of Chu Mengyao also proved her importance in the Grand elder's heart. After leaving the Dark Palace, he would definitely not treat her badly!

However, the Grand Elder was extremely surprised. The Dongfang family didn't seem to be stupid or arrogant. He had already made a statement, and they also knew that he was here to find an inheritor. However, Dongfang buruo had actually brought another person to capture him. What was going on?

Lin Yi frowned as well. From what he could see, Dongfang buruo's shock and helplessness wasn't an act. This kid wasn't that scheming, so it seemed like Dongfang buruo's target this time was Xu Shihan, not Chu Mengyao and Chen Yushu.

As for the order to capture Chu Mengyao and Chen Yushu, it was just a sudden idea. The Grand Elder misunderstood and thought that the Dongfang family was here to capture Chu Mengyao. Thus, another member of the Dongfang family died ... Speaking of which, the Dongfang family was quite tragic. Quite a few people had died recently!

The thing was, Lin Yi hadn't even made a move yet, and someone had already made a move for him-this saved him a lot of effort. At least the Dongfang family wouldn't notice him for now, and it'd be easier for him to protect Xu Shihan from behind the scenes. What if he was exposed and the Dongfang family sent out a Sky Class late phase or Sky Class Peak Master?

That wasn't what Lin Yi wanted to see-he couldn't fight Sky Class late phase and above with his current strength, so he was happy to have the Grand Elder take the blame for him.

"Chu Mengyao, you can see that I'm willing to go against the Dongfang family and kill their Masters to protect you. You should know how important you are to me, right?" The Grand Elder said to Mengyao.

"Okay, then ... Let's go ..." Chu Mengyao naturally knew that today's incident was probably a misunderstanding because she knew about Xu Shihan's situation, but she didn't say much. After all, she and the Dark Palace could only work together for the time being,""But I'm the palace Master now, right?"

"That's right. You are the new palace Master of our Dark Palace!" The Grand Elder nodded.

"Then I'll make it clear, who's more important, the palace Master or the elder?" Mengyao looked at the elder and asked.

"Of course, the palace Master is the most powerful one. In the dark Palace, the palace Master is the most powerful person besides me!" The Grand Elder quickly said. Of course, this power was given to her by the Grand Elder. If she said Chu Mengyao had power, then she did. The previous Palace Master Wan

er was not even as powerful as a normal elder. However, Chu Mengyao was going to change the history. The Miss wasn't someone to be bullied.

When Lin Yi first moved into the villa, the Miss was so spoiled that Lin Yi almost got kicked out.

Chapter 3112 The Young Miss's Confession

"Oh, if that's the case, black shirt, you have a student called Zhao Qibing, right?" Mengyao turned to the elder in black and asked faintly.

"This ... In response to Palace Master's words, yes!" The black-robed elder sweated. He could tell that Chu Mengyao wasn't easy to bully. Even the Grand Elder did not dare to provoke her. She was completely different from the ye Wan 'er of the past! Therefore, the black-robed elder did not dare to be negligent.

"Oh, I don't like him. From tomorrow onwards, let him clean the toilets in the dark Palace." Mengyao said.

"This ..." The black-robed elder thought highly of Zhao Qibing, and he wanted to see Zhao Qibing as his successor. He didn't want to clean the toilet just like that.

"Black clothes, you're not willing?" The young miss's face turned cold.

"Black clothes, do you not want to be an elder anymore? If he doesn't want to sweep, you can sweep with him!" The Grand Elder panicked. It wasn't easy to talk Chu Mengyao out of it, and now she's going back to the Dark Palace. What's with this? do you want to die?

"Yes ... Then let Qibing clean the toilet ..." The black-robed elder was shocked and quickly said.

"Yeah." Mengyao nodded, her face relaxing. The Miss didn't like Zhao Qibing for a long time, but she didn't mention it to the Grand Elder as a condition. After all, punishing Zhao Qibing was a piece of cake for the Miss as the head of the Dark Palace. Why would she talk about it as a condition?

She only had one condition, and the Grand Elder had to agree to it no matter what. If she had more, the Grand Elder could only agree to one or two of them. There was nothing she could do if she rejected the others. This was how smart the Miss was.

Of course, the Miss didn't kick Qibing out of the palace-the guy was too cunning, and Mengyao wanted to keep him under her watch. If he did anything, she'd notice immediately, and she'd be able to use all sorts of methods to deal with him. It was a way to get back at him.

"Then can we go now?" The Grand Elder asked.

"En ..." The Miss nodded, looking up at the villa one last time. She smiled at Lin Yi, Shu, and Xu Shihan, then turned and walked out of the villa.

Goodbye ... Mengyao said in her heart. But I'll soon reach Sky Class late phase peak, and by then, I'll be the one calling the shots in the dark Palace. No one will be able to stop me from coming back ...

"Yaoyao sis ..." Chen Yushu's eyes were red and she couldn't help but call.

Chu Mengyao's steps paused as she walked out of the villa. She stopped and turned to Shu, "Shu, listen to me ... I can come back after I leave! Don't mess around anymore, and listen to Lin Yi at home, understand?"

"Oh ..." Chen Yushu nodded obediently.

"Goodbye, Lin Yi ... Take care of Shu for me ... I'll leave her to you." Chu Mengyao wanted to walk away, but she was stopped by Shu. She turned back and looked at Lin Yi, her heart full of reluctance.

It was the kind of heartache one felt when one was separated from their loved ones. At this moment, the Miss finally realized how much she loved Lin Yi and didn't want to be separated from him.

I like him? Yes ... I like her!

In that instant, Chu Mengyao finally confirmed her feelings.

Most of the time, one would only realize how important it was after losing it.

So, I do like him ...

"Don't worry," Lin Yi nodded.

"Lin Yi ..." Chu Mengyao gritted her teeth. After understanding her feelings, Chu Mengyao didn't want to leave with any regrets. She wanted to tell Lin Yi her feelings but she couldn't say it.

At this time, Chu Mengyao was suddenly a little annoyed. Damn Shu, you're always so supportive, but you screw up at the critical moment. Can't you just say "Oh, Yaoyao sis can't bear to leave shield bro!?" At that time, the young miss would definitely nod shyly and say, "yes!"

However, Shu wouldn't tell her. Chu Mengyao really wanted to strangle her!

"Hmm?" Lin Yi looked at the change in the Miss "expression, not knowing what was wrong.

"Drop Lian Shu at the critical moment!" Mengyao glared at Yushu and stomped her foot. She turned around and was about to leave, but she couldn't say what was on her mind. The Miss was a shy person.

"Oh?" Yushu didn't know what was going on-why was Yao Yao scolding her when she was leaving? But Yushu wasn't an idiot-she knew Mengyao better than Lin Yi did, after all, they'd lived together for so many years."Ohoho, don't worry, Yaoyao sis, I'll guard the door for you and won't let anyone take your position as the main wife!"

Lin Yi looked at Shu, a little confused. They were about to leave, and Shu was still joking around? However, what surprised Lin Yi even more was what happened next!

The young miss's face actually turned slightly red. She nodded her head lightly and said in a barely audible voice, ""En!"

"Hmm?" Lin Yi paused-Mengyao's voice was soft, but he was a Sky Class master! He heard everything! Lin Yi froze for a moment, and something seemed to have touched his heart ...

It turned out that the young miss liked him! That "en" meant that Lin Yi understood Mengyao's intentions.

"Yaoyao ..." It was impossible for Lin Yi to say that he didn't like the Miss. After spending so much time together, he realized that everyone had feelings for her, not to mention that they'd been through so much together. It was just that Lin Yi had never been sure of the Miss "feelings before.

Mengyao smiled shyly and turned around. Before she left, she said softly, "Lin Yi, I like you ..."

Mengyao let go of the stone in her heart and relaxed a lot. She didn't even look at Lin Yi after she finished speaking and quickly disappeared into the night.

"Me too ..." Lin Yi said as he looked at Mengyao's back, ""I'll go visit you ... Actually, I've had feelings for you since we first came to Songshan ..."

Lin Yi's confirmation made Chu Mengyao very happy, but she didn't stop walking. She was afraid that she wouldn't be able to move if she stopped.

When she first came to Songshan? Didn't that mean that Lin Yi liked her even earlier than Tang Yin? Mengyao's heart was filled with happiness at the thought, as sweet as honey.

However, Chu Mengyao regretted that she didn't understand her feelings earlier. Why didn't you say it earlier? That way, she and Lin Yi could have some sweet time together, right?

Chapter 3113 The Shocked Dongfang Jinxing

But now, she had to go to the Dark Palace. It'd be hard for her to even see Lin Yi again! She and the Grand Elder had gotten her freedom, but Mengyao couldn't go in and out of the mortal world all the time. There was a limit to everything, and Mengyao wouldn't challenge the Grand elder's mental limits just because of that!

It could be seen that the Grand Elder of the dark night Palace was different from the Grand Elder of the snow Valley. Although the dark night elder had also changed, the overbearing mentality formed over the years could not be changed just because he wanted to.

The Grand Elder didn't stop Lin Yi and Chu Mengyao's sweet talk. Her attitude towards Chu Mengyao and ye Wan 'er were completely different. There was nothing she could do about it. Their personalities were different!

Of course, the Grand Elder didn't think much of Lin Yi-he thought that Lin Yi was just a freelancer, and so he'd never said anything to Lin Yi since he'd come to Mengyao.

But Lin Yi didn't mind-as long as the Grand Elder was nice to Mengyao, he didn't care about anything else! Only people like Chu Mengyao could get along with someone like the Grand Elder, or they were stronger than her, just like Mr. Yang back then ...

Mr. Yang ... Lin Yi had his suspicions when pengzhan first mentioned Mr. Yang. Who was this Mr. Yang? He's actually this strong, not even putting the Sky Class late phase peak Grand Elder in his eyes?

Of course, Lin Yi would never link it to his master. After all, he had no idea what his master and Lin Dongfang did in the past, and Lin Dongfang had never mentioned it to him.

If it wasn't for Lin Dongfang's sudden display of dominance, Lin Yi wouldn't have thought much of it. After all, these things were too unfamiliar to Lin Yi.

"Ohoho, Shu's finally the second wife!" Yushu said suddenly after Mengyao left.

"Hmm?" Lin Yi blinked at Yushu's words, but he quickly understood what was going on. He smiled bitterly, "Shu, Yaoyao's gone, and you're still making a scene?"

"I'm leaving too ..." Yushu said weakly.

Lin Yi suddenly remembered that Yushu was leaving as well. In the blink of an eye, everyone around her would leave one by one ... Perhaps they would meet again in the near future, and Lin Yi looked forward to that day.

He went back to the living room and sat on the sofa, silent. Everything felt like a dream. The Miss left just like that, and the villa seemed to be missing something.

"Dongfang buruo was here to catch me, but I didn't expect Yaoyao to be involved ..." Xu Shihan broke the silence first. She felt that she needed to tell Lin Yi.

"I've also thought of this. " Lin Yi only smiled.

Xu Shihan was startled. She thought to herself, yeah, why wouldn't Lin Yi think of the same thing as her? Lin Yi was the one who told her about her background and the Dongfang family's plan.

"They sent a Sky Class mid phase this time, and I'm afraid they'll send an even stronger master next time-will they drag you down with them?" "We can't ask the Grand Elder for help, can we?" Shihan asked, worried. Even though Yaoyao went to the Dark Palace and is the new palace Master, she hasn't established herself yet ..."

"I know that, but ... We'll deal with it as it comes ..." Lin Yi was worried as well. It was best if the Dongfang family just went back and stopped what they were doing. If they sent out an even stronger master, Lin Yi really wouldn't be able to deal with it ...

"I'm sorry ... I've caused you trouble ..." Shihan said apologetically.

"Hehe, what are you talking about? I'm your bodyguard. I'm paid to help you. That's an old saying." Lin Yi smiled nonchalantly, but he was thinking that he should test it out with Han Jing Jing one day since he was a Sky Class now-if they could make Qi gathering pills together, then he'd be able to break through continuously. However, Han Jing Jing seemed to be very busy recently-he told han Xiaochao to contact him, but she didn't call yet, probably still in isolation.

At night, Lin Yi went to his room to practition, while Yushu and Shihan went upstairs to rest.

Dongfang buruo carried Dongfang song's body back to the hotel. However, he didn't dare to take out the body. Instead, he put it in the trunk of the car. The first thing he did after driving the car back to the hotel was to call his father, Dongfang jinxing.

"Not weak. How is it? is the matter settled?" From Dongfang jinxing's perspective, with a Sky Class mid phase like Dongfang song, taking down Xu Shihan would be a piece of cake.

"Dad, he's dead ... Dongfang song ... He's been killed!" Dongfang buruo said nervously. He still hadn't recovered from the shock. It could be seen that he was quite frightened.

"Dead?" Dongfang jinxing almost threw his phone out. How did Dongfang song die? How did he die? "Not weak? what did you say? Xu Shihan's bodyguards were that strong? He can even kill a Sky Class mid phase like Dongfang song?"

"Dad, no, it's not Xu Shihan's bodyguard, it's the Grand Elder of the Dark Palace ..." Dongfang buruo quickly said.

"Dark Palace? Grand Elder? What? She went to find trouble with you again?" This time, Dongfang jinxing was completely furious. Previously, because the Dongfang family was in the wrong, he didn't immediately go to the Dark Palace to cause trouble for Dongfang Cha's death. However, the Dark Palace couldn't take an inch and ask for a yard, right?

Was he trying to kill them all? We sent Another Sky Class mid phase, and you just killed him?

"Dad, we're not looking for trouble with her ... It's ... It's like this ..." This time, Dongfang burong didn't dare to hide anything. After all, the Grand Elder was going to make a statement, and if he lied, it would be easily seen through. So, he decided to tell the truth, telling Dongfang jinxing that he didn't know Xu Shihan.

Dongfang buruo's words made Dongfang jinxing completely dumbfounded. You guys went to capture someone else's inheritor again? You can't blame the Grand Elder of the Dark Palace for that! Are there people like you? He had to catch them a second time? 'I'm lucky to have let you off this time!'

Therefore, although Dongfang jinxing was extremely angry, he couldn't say a word. There was no way to find trouble! However, Dongfang jinxing was still very upset. As long as he had the chance, he would definitely seek justice!

Chapter 3114 Lacking Money Again

"Forget it. You're not to blame for this. It's the fault of the Grand Elder of the Dark Palace. If he had revealed his identity earlier, this wouldn't have happened." The people of the Dongfang family were all like this. When there was a problem, they would not blame it on themselves but blame others instead.

"Yes, yes. Dad, what should I do now?" Dongfang buruo said unwillingly, ""Are we just going to forget about Xu Shihan?"

"Forget it? How is that possible?" Dongfang jinxing didn't dare to cause trouble for the Dark Palace, so he could only find trouble with Xu Shihan, ""This time, I'll send a Sky Class mid phase peak from the Dongfang family to help you!"

In fact, Dongfang jinxing didn't want to send out such a strong practitioner, but all the low level practitioners were dead. Now, the Dongfang family only had two Sky Class mid phase peak, two Sky Class late phase, and two Sky Class late phase peak full Masters left. Although the Dongfang family was

strong, it was hard enough to lose so many Sky Class Masters in a row-they almost fell from a peak ancient power to a mid-tier ancient power!

Fortunately, the family's top master was fine. Otherwise, Dongfang jinxing would really want to cry.

"Okay, thank you so much, dad!" Dongfang buruo was overjoyed-he didn't think that Dongfang jinxing would support him with all his might. Of course, if Dongfang jinxing knew that Dongfang Jian was killed by Lin Yi from the start, and that Lin Yi was now Xu Shihan's bodyguard, he wouldn't send this Sky Class mid phase peak out anymore-it was suicide!

However, Dongfang jinxing needed to find an outlet to vent his anger. He couldn't touch the dark Palace for now, but he could touch Xu Shihan. If someone didn't die, he wouldn't be able to calm his anger.

.....

Lin Yi had just returned to his room to rest when he received fatty Lai's call.

"Hey, fatty Lai, what's up?" Lin Yi answered.

"Boss ... The bank's asking for money ..." Fatty Lai smiled bitterly,""Previously, the company and the Liu family owed the bank a lot of loans. Now, although the company can operate normally, we don't have the money to pay off the loan. Once it's paid off, the company's operation will definitely be in big trouble."

"Oh?" Lin Yi frowned-he'd thought that the company would be fine once it started running smoothly, and he didn't expect to be in so much debt. "Our business is booming now. Can't the bank give us some more time? Even if the Liu family's vitality is greatly damaged, the Wu family and the sun family are the top families in the secular world. Can't you say hello?"

"Boss, the truth is ... The bank did urge us before, and I asked someone to extend the time limit for us. The bank saw that our business was getting better, so they didn't press us anymore, but now, they're under a lot of pressure ..." Fatty Lai said helplessly. If he could think of a way, he'd naturally do it, but now that he had no other way, he came to Lin Yi for help.

"Okay, I know. I'll think of a way." Lin Yi said with a nod.

After hanging up, Lin Yi couldn't help but smile bitterly. He started the company to earn some pocket money for himself, but now it was his job to earn money for the company. No matter what, he had to think of a way.

Because the company carried the hopes of the orphanage. Although Yu Xiaoke was indifferent to Lin Yi, the biggest donor, and it made Lin Yi angry, but Lin Yi's other identity was the male thief.

He'd wanted to wait for han Jingjing, but he had to call her now.

The phone rang for a while before it was picked up. Han Jingjing's tired voice came from the other end. "Lin Yi bro?"

"Yeah, you're resting?" Lin Yi wasn't surprised to hear Jingjing's voice. After all, Jingjing was in closed-door research, and sometimes her day and night were reversed. It was normal for her to go to bed early.

"No... What's the matter, Lin Yi bro?" Han Jing Jing asked.

"Well, if you're free, come to my villa. I have something to talk to you about." Lin Yi said.

"Oh, okay. I'll go over tomorrow morning. I have something to do here. I'll go when I'm done." Han Jing Jing said.

"Alright," he said. Lin Yi nodded and hung up.

Lin Yi was planning on getting Han Jingjing to make some more elixirs and raise her strength to Earth Class late phase peak at the same time. He wanted to see if he could make some Qi gathering elixirs with her.

After calling Han Jing Jing, Lin Yi continued to refine the forging fire. With his recent efforts, he was getting better at controlling the forging fire. He believed that if this continued, he could try to refine the Jade space in half a month at most.

It was midnight, and Lin Yi was concentrating on refining his forging fire when he heard footsteps. He opened his eyes slightly and looked in the direction of his room. "Shu?"

Lin Yi could tell that the footsteps were from Shu.

"Shield bro, I can't sleep." Yushu was in her pajamas, yawning as she walked in.

"You miss Yaoyao?" Lin Yi looked at Shu and fell silent. To be honest, he missed Mengyao a little too. Mengyao had only left for a few hours, but the feeling was different. In the past, even if Lin Yi was out for a long time, he would still be at ease knowing that the Miss and the others were at home. But now, Lin Yi always felt like he had lost something.

"Yeah." "I always thought that I'd be the one to leave, but I didn't expect it to be Yaoyao sis." Yushu nodded.

"The world is unpredictable. However, this might be a good thing." Lin Yi smiled, "you and Xiaoxiao are both inheritors now. If Yaoyao isn't, it'll be hard for her to get along with us. So, it's a good thing to think about it from this perspective."

"Yeah ..." Yushu nodded, ""Shield bro, it's getting late, I'm going to bed"

"Alright," he said. Lin Yi nodded, sighing as he watched Yushu leave all alone. He could feel Yushu's sadness.

A BMW rushed from Yan Jin to Donghai city overnight. Although the girl driving was tired, the car still drove fast.

It was five in the morning when the doorbell rang. Lin Yi put away the forging fire and pushed the door open to see Han Jingjing standing there. She looked extremely Haggard, as if she hadn't rested for days.

Chapter 3115 Trying Out A Third-Grade Pill

"Did you stay up late?" Lin Yi opened the villa door and looked at Han Jingjing, his heart aching. Han Jingjing said that she wanted to make an invention to help him. It seemed that she had been working hard day and night, otherwise she wouldn't be like this.

"It's okay. " "Lin Yi bro, what's the matter?" Han Jingjing shook her head.

"I want you to help me refine some pills. Then, I'll see if I can go to the cultivators trade association to exchange for some money! House Liu and fatty Lai's banks are asking for money again, I have to help them get some!" Lin Yi explained. The practitioner's trade association had rules that only bartering was allowed, but he believed that with Lin Yi's previous experience and his relationship with vice guild leader Ouyang, it shouldn't be a problem for him to make an exception for some money.

"Alright, let's start now!" After hearing this, Han Jing readily agreed.

"Wait, I'm Sky Class early phase now-I'll raise your strength to Earth Class late phase peak and see if you can make a level 3 pill!" Lin Yi said.

"Alright," he said. Han Jing Jing nodded and entered the villa with Lin Yi.

After arriving at Lin Yi's Villa, Han Jingjing sat by the bed and stretched out her hand as if she was very familiar with it. She was ready to start chanting the arts.

Lin Yi didn't hold back-he took Jingjing's wrist and started channeling the third stage of the art of Dragon mastery! The third level could also help others increase their strength, but the speed of improvement could not be mentioned in the same breath as the second level!

Back when he was helping Wu Chengtian and the others level up, Lin Yi hadn't even reached the third stage of the art of Dragon mastery yet. He was still using the second stage to level up, so it took him a lot of time. This time, however, Lin Yi was shocked to find out that han Jingjing's strength went from Earth Class early phase to Earth Class late phase peak in less than two hours!

The speed of the third stage of the art of Dragon mastery was simply too heaven-defying!

Han Jingjing's strength had soared all the way to Earth Class late phase peak before stopping. It seemed that the third stage of the art of Dragon mastery couldn't break through the limits of her own strength-it couldn't raise her to Sky Class early phase.

But Lin Yi wasn't surprised-the result was good enough.

"Lin Yi bro is so amazing, I'm so satisfied ..." Han Jingjing's body was filled with energy, and she was much more energetic than before. The fatigue she felt when she entered the room was gone.

"Pfff ..." Lin Yi looked at the blushing han Jingjing. Her words were really easy to misunderstand and make people think wrong. So satisfied?

He did not know if han Jingjing did it unintentionally or if she was just trying to tempt him.

"Then, shall we start refining the pill now?" Lin Yi asked.

"En en, first test the third ranked pill or first refine the pill for sale?" Han Jing Jing asked.

"Let's try to refine a third-grade pill first!" Lin Yi's pursuit of strength was far greater than his pursuit of money. Without money, he could find a way, but without strength, people could die sometimes.

"Alright," he said. Han Jing Jing nodded. "In order not to waste the materials, I'm simulating the refinement of a third-grade pill now. However, this might not be accurate. Without the actual object, it's still a little lacking."

"En, as long as the simulation is successful, we can try it out in reality." Lin Yi nodded.

Han Jingjing nodded and began to condense the pill fire. In an instant, a ball of pill fire appeared in her hand. Her other hand did not stay idle. Instead, she tapped a few times on the tablet computer and began to simulate the pill refinement according to the time and temperature curve she had summarized.

Lin Yi, on the other hand, started channeling the spring rain to help Jingjing-in theory, an Earth Class late phase peak wouldn't be enough to make a third class pill, and only sky Class early phase would have a chance.

If he wanted to increase the success rate, he would have to increase his strength as well. The initial stage of the heaven rank was the lowest limit.

However, even with Lin Yi's help, a thin layer of sweat quickly formed on han Jingjing's forehead. The amount of Qi consumed by a third grade pill was completely different from that of a second grade pill!

Time passed by, second by second. Lin Yi and han Jingjing were both very nervous, waiting for the moment of success. But what made Lin Yi nervous was that han Jingjing's stamina was quickly used up, and Lin Yi was starting to feel his stamina running out ...

"Phew ..." Lin Yi and han Jingjing both sighed.

He had failed!

She'd failed at the last moment, and while Lin Yi was a Sky Class early phase, the spring Rain's technique wasn't the same as the art of Dragon mastery. Lin Yi's stamina and Qi were enough to make the pill, but the spring Rain's conversion rate wasn't particularly high, and it used up a lot of stamina and Qi-it wasn't as good as the art of Dragon mastery, and so she'd failed.

And it failed at the last moment, too! In other words, if Lin Yi's strength was just a little higher, he would've succeeded!

"It still doesn't work. The simulation of refining the easiest recover pill has already failed, let alone the more complicated Qi gathering pill." Han Jingjing shook her head,"no, Lin Yi bro, it's all because Jingjing's level is too low. It'd be great if she was a little higher!" It's always Lin Yi bro helping Jingjing level up, and Jingjing herself is a big idiot!"

"Jing Jing, don't say that. You've already done very well!" Lin Yi blushed. If han Jingjing was stupid, then not many were smart. Who in the world of practicing could have invented the scientific way of making pills?

"Hey, Lin Yi bro, help Jingjing recover her Qi, and I'll make you first and second class pills!" Han Jing Jing said.

Lin Yi nodded and started helping her recover her Qi quickly. Making first and second class pills was a lot easier for her, and soon, Lin Yi finished making all the materials he had. These were the materials vice-leader Ouyang gave him when he went to the practitioner's trade association last time. In theory, these materials could only make about ten pills, but in han Jingjing's hands, it was more than double the amount. He had refined a total of 25 pills!

Lin Yi couldn't help but think that Han Jing Jing was a genius.

"Jingjing, you don't know about Yaoyao's departure, right? I didn't disturb you when you were in seclusion." Lin Yi said.

"Oh? Where did she go?" Han Jing Jing asked, slightly stunned.

"It's like this ..." Lin Yi explained Chu Mengyao's visit to the Dark Palace.

Chapter 3116 Actually Can't Sell

"It's a pity that I couldn't say goodbye to her in person, but don't be sad, Lin Yi bro. She went to level up, and I really want to level up as well to help you!" Han Jing Jing said seriously.

"MHM, Jingjing, if there's nothing else, you can go back. I won't disturb you ... By the way, what are you researching?" Lin Yi asked curiously. Han Jingjing had been in isolation for a while now, but Lin Yi didn't know what she was researching.

"Hehe, it's something related to making elixirs-it'll definitely help Lin Yi bro, you'll know when the time comes!" Han Jingjing said mysteriously. Then, she suddenly smiled and blinked her eyes adorably. "Actually, it's because Jingjing hasn't succeeded yet. If she didn't, shield bro would laugh at her for being an idiot!"

"Hehe, why would I?" "I won't ask then," Lin Yi smiled, "you should go back early."

"En, en!" Han Jingjing nodded. It was getting late. She ... Had to rush back. Thinking about how she still had many things to do, han Jingjing could not help but feel a headache ...

Lin Yi didn't think that han Jingjing would leave so quickly, leaving Lin Yi's Villa and returning to her own villa.

"Sister, you're back!" Han Xiaochao was pleasantly surprised to see han Jingjing. After all, he had not seen her for a long time.

"En ..." Han Jingjing nodded. "I still have things to do. You can read by yourself first."

As han Jingjing spoke, she did not pay much attention to han Xiaochao and went upstairs ...

Lin Yi didn't just sit around and do nothing. He took the pills to the practitioner's trade association. He needed to make sure that the Masters from the Dongfang family hadn't arrived yet. He needed to sell the pills at the Association and get some money. When Dongfang buruo came looking for trouble at night, Lin Yi would go back.

However, Lin Yi had underestimated the enthusiasm of the Masters from the Dongfang family. They didn't come this morning, but flew to Donghai city last night!

There was a reason why this master from the Dongfang family was so enthusiastic. He was the younger brother of the deceased Dongfang Jian, and his name was Dongfang hard! Although Dongfang hard was here to help Dongfang buruo deal with Xu Shihan, he didn't go to Dongfang buruo at first. Instead, he went to the practitioner's trade association to investigate his brother's death.

Of course, this was also tacitly approved by Dongfang jinxing. After all, Dongfang jinxing also wanted to know how Dongfang Jian died. Dongfang Qian also wanted to go to the cultivators trade association to see if he could buy the medicinal herbs for Dongfang buruo's cultivation.

Lin Yi made his way into the practitioner's trade Association's marketplace without a hitch and dialed vice guild leader Ouyang's number.

"Mr. Ling?" Vice guild leader Ouyang picked up the call, surprised. Lin Yi just killed a master from the Dongfang family, and he still called him? Although they had managed to withstand the pressure and cover it up very well, paper can't cover up fire. Vice guild leader Ouyang wasn't the only one present that day. Although the others were all non-affiliates, what if the Dongfang family found them?

"It's me, Vice-President Ouyang. I'm at the cultivator trade Association's city square, are you there? I need to talk to you about something!" Lin Yi said.

"Yes, I'm in the office. You can just come to me directly!" Vice guild leader Ouyang said.

Lin Yi brought the pills and walked to vice guild leader Ouyang's office with ease. "Vice guild leader Ouyang, how have you been?"

"Mr. Ling, you're here." Vice guild leader Ouyang stood up and smiled at Lin Yi, "I wonder what Mr Ling is here for?"

"Vice guild leader Ouyang, I have some finished pills in my hands. Can you help me exchange them for some money? I'm short of money recently." With that, Lin Yi placed all the pills he'd brought on vice guild leader Ouyang's desk.

"This ..." Vice guild leader Ouyang's face turned ugly as he looked at the pill on the table. He didn't know how to explain it to Lin Yi.

"What's wrong?" "Vice guild leader Ouyang, do you have any problems?" Lin Yi blinked.

"Mr Ling, I won't hide it from you. The higher-ups of the cultivator trade association have just sent a notice. It's a notice personally sent by the honorary Grand Supreme President. They won't allow our branches to privately purchase and sell pills. All of our pills will be exclusively supplied by the sky elixir sect from now on." Vice guild leader Ouyang said awkwardly, ""Although I have a backer in the cultivators trade association, I can't disobey the words of the honorary chairman!"

"Sky elixir sect?" "What?" Lin Yi was a little confused, "aren't they making high level pills?" They want to take over the market for rank-1 and rank-2 pills?"

"I'm not sure what's going on either. All of a sudden, an elder Kang from the sky elixir sect came to our practitioner's trade association to work with us. They're in charge of providing us with a large number of first and second grade pills. They've also signed an agreement with the honorary chairman of the Grand Supreme sect to supply us with the pills exclusively." "That's why I hope Mr. Ling can forgive me ..." Vice guild leader Ouyang explained.

"Elder Kang?" Lin Yi frowned as he thought of Kang Zhaoming. This kid wanted to cut off his source of income, but how did he know that he was here to sell pills? did he send someone to investigate?

However, what was his purpose in doing this? At most, this would cut off his source of income and wouldn't hurt his Foundation. At most, it would only disgust him ... Could it be that it was just to disgust him?

Lin Yi couldn't help but admire Zhaoming for his ability to influence the sky elixir sect's decision, making them mass produce so many first and second grade elixirs. Just how much manpower and resources did they need to spend?

Plus, while these Class 1 and class 2 pills didn't look cheap, they were worlds apart from Class 3 pills. Lin Yi found it hard to imagine that the sky elixir sect would waste their energy and Qi on these garbage just to disgust him.

Were they all right in the head?

"That's right, it's elder Kang. He's the new elder of the sky elixir sect, and I heard that his words carry a lot of weight in the sect. " "So, Mr. Ling, I hope you won't make things difficult for me. I don't have any other choice," vice guild leader Ouyang said.

"I know," Lin Yi nodded. He could tell that Vice-President Ouyang wasn't lying. He made it sound like it was real, and Lin Yi had a grudge against Kang Zhaoming. Vice-President Ouyang probably didn't know about this. After all, Lin Yi's identity was Ling Yi, not that Lin Yi.

Chapter 3117 The East Comes For Revenge

Lin Yi said, "Then there's no other way. Let's work together again in the future!"

"That's right. You know that we, the practitioner trade association, aren't afraid of the sky elixir sect, but we don't want to offend a powerful ancient sect over such a small matter. It's not in our interest, and no matter how strong Mr. Ling is, he's just one man. Unless Mr. Ling can come up with enough background or benefits, then our honorary chairman will change his mind. " Vice guild leader Ouyang said, "after all, we are businessmen, and businessmen only pursue profits. Other than our background, if the profits are enough, we don't care if they are the sky elixir sect or not. It's just that the sky elixir sect's pills aren't any weaker than yours in terms of quality and price. I can't help you."

"I understand," As for lowering the price, Lin Yi didn't think about it at all. After all, Han Jing Jing was very busy right now and didn't have much time to make elixirs. If he lowered the price of the elixirs, Lin Yi wouldn't be able to make much profit from it.

This wasn't a long-term deal, and Lin Yi didn't bother asking vice guild leader Ouyang to fight for it. He changed the topic, "May I ask, how's the matter with the Dongfang family? Did they send someone to ask?"

"The Dongfang family only asked me once through our President, but I said that it was because their family members had a conflict with someone when they were buying medicinal herbs, resulting in the death of their elder. However, the murderer ran away quickly, so we didn't see the murderer's face."
"Mr. Ling," vice guild leader Ouyang said, "at the moment, it's only the Guild leader who's putting pressure on you. I can still help you cover it up. However, if it's the honorary guild leader who's asking, I can't do anything about it."

"I understand." "I see, thank you, vice guild leader Ouyang!" Lin Yi nodded.

"Wayayayayayaya, so it's you guys who are in cahoots. My brother died so miserably!" Lin Yi and Vice-President Ouyang were still talking when Dongfang Qian barged in. He was here to investigate Dongfang Jian's death, but he was a cautious man. He didn't ask everyone he met, and instead used his spirit sense to sense what everyone was talking about in the practitioner's trade Association's marketplace. When he heard the conversation between Lin Yi and Vice-President Ouyang, he was enraged and rushed over with a ferocious expression!

The opponent was Sky Class mid phase peak, and Lin Yi was weaker than him-it was hard for him to sense his presence, and only when he revealed his strength did he realize something was wrong!

"BOOM!" With a loud bang, the door to vice guild leader Ouyang's office was kicked open. Dongfang Qiang appeared in front of the two of them.

"Who are you?" Vice guild leader Ouyang asked with a frown. He had naturally heard Dongfang Qian's words and could vaguely guess what was going on, but he wasn't sure.

"Who am I? I'm the younger brother of the late Dongfang Jian, Dongfang hard! It turns out that you were the ones who killed my brother. Today, you will all die!" Dongfang Qiang sneered and began to

chant his mental cultivation technique. A pair of iron forks appeared in his hands, which were obviously his heaven-grade divine weapons!

Lin Yi frowned-he could kill a Sky Class mid phase peak in seconds, but that was only if the opponent wasn't paying attention. Now, this Sky Class mid phase peak was going all out right from the start, and he even had a Sky Class weapon! This made Lin Yi nervous-he'd be lying if he said he was confident.

"Vice guild leader Ouyang, let's attack together! Otherwise, we're both going to die today!" Lin Yi yelled.

Vice guild leader Ouyang's face changed. He could tell how strong this man was. Dongfang Jian had probably heard everything he said. Although he didn't kill Dongfang Jian, Dongfang Jian obviously didn't care. He thought that this man was Lin Yi's accomplice and was ready to kill him as well.

After hesitating for a moment, vice guild leader Ouyang also knew that today's matter would not end peacefully. So, he didn't stay any longer. He reached under his desk and pulled out a large blade. This was his heaven-grade divine weapon. The large blade glowed with a dark blue light; it was clearly a top-grade divine weapon. Vice guild leader Ouyang's mental cultivation technique was Water-type, and since he was the honorary guild leader of the No. 2 branch, the item in his hands definitely wouldn't be bad.

Just as Ouyang took out his blue blade, Dongfang hard moved. His hands shook slightly, and the steel fork let out a "Wuwu" sound as if it came from the depths of hell. A killing intent jumped out, and the terrifying killing intent seemed to materialize along with the sound, transmitting towards Lin Yi and Ouyang!

"Not good! Don't listen!" Lin Yi's Jade sent out a strong warning signal, and he knew that there was something wrong with the voice.

Vice guild leader Ouyang was stunned when he heard the voice, his eyes dazed. Lin Yi's shout woke him up, and cold sweat started forming on his forehead.

The sound of the Pitchfork was demonic, and it instantly confused vice guild leader Ouyang's mind. It was probably a method that could affect other people's minds. If it wasn't for Lin Yi's reminder, he would've been a demon under the Pitchfork by now!

Although this was Lin Yi's fault, and Dongfang Jian was killed by him, he was still very grateful to Lin Yi. After all, Dongfang Qian didn't care that much. In his eyes, vice guild leader Ouyang was also involved in this, and he was dead for sure!

"Hmph, a puny Sky Class early phase could see through my demonic sound, not bad! However, with the strength of the two of you, it's impossible for you to kill my big brother together. Tell me, who else are your accomplices? I can give you a quick death and spare you from torture!" Dongfang Yuan snorted coldly and asked arrogantly.

"If you want to know, then you'll have to defeat us first!" Lin Yi didn't give Dongfang Qian a chance to speak as he shot the nine Fu Xi needles at him. Dongfang Qian's face turned extremely ugly-he didn't think that Lin Yi would make the first move and ruin his plan!

That's right, Dongfang Jian was telling Lin Yi and vice guild leader Ouyang all this because he had a plan. He practiced a mental cultivation method that could hypnotize and confuse people's minds. He wanted to hypnotize Lin Yi and vice guild leader Ouyang to find out the truth about his brother's death, but Lin Yi interrupted him. How could he not be angry?

Chapter 3118 Escape And Framing

But this made Dongfang hard lose his patience. He raised his Pitchfork and jumped up, swinging it at Lin Yi. He could tell that Lin Yi was a Sky Class early phase, but he was stronger than vice guild leader

Ouyang. He could see through his plans time and time again, so he decided to get rid of Lin Yi first before getting the truth out of vice guild leader Ouyang.

"Little brat, you're looking for death!" Dongfang hard swung his fork and blocked Lin Yi's nine Fuxi needles. Lin Yi was Sky Class early phase-he was no match for Dongfang hard, who was Sky Class mid phase peak. Vice President Ouyang's Blue blade, on the other hand, was extremely powerful. After Lin Yi made his move, Vice President Ouyang made his move as well. The blue blade and the fork collided with a thunderous sound. Dongfang hard was forced back a step, but Vice President Ouyang was in a worse state. He actually took four or five steps back and almost fell to the ground!

Lin Yi didn't waste any more time. He took advantage of the fact that Dongfang hard hadn't recovered and suddenly activated the ninth style of the raging fire Eight Trigram palm, smashing it on Dongfang hard's body!

However, Dongfang Qian was already on guard against Lin Yi. He dodged to the side subconsciously when he saw Lin Yi's attack. Although he didn't think that Lin Yi, an early phase Sky Class master, could do much damage to him, he didn't want to get hurt.

What he didn't expect was that he dodged correctly-when he saw Lin Yi's move, he was a little dumbfounded. This was equivalent to the fifteenth move of a Sky Class skill! If this hit him, he'd be either dead or injured!

But, how did Lin Yi manage to use such a powerful move? At this moment, Dongfang hard finally understood that his brother was really killed by Lin Yi. There was no need for anyone else to do anything. If he wasn't on guard, he would've fallen for Lin Yi's trick already.

Even so, the half of Dongfang hard's body that was swept by Lin Yi's raging fire Eight Trigram palm was still burning in pain, and his meridians were also injured quite badly, making Dongfang hard extremely angry!

"Demonic sound fork! Kid, die!" The steel forks in his hands started making "Wu Wu" sounds again as Dongfang hard shouted. Lin Yi's mind went blank as if he was in a strange illusion, but he was prepared for Dongfang hard's sound fork. He roared at the same time as the sound fork sounded!

"Hell demon fist!" Lin Yi's voice was very loud to cover the sound of the sound fork. Since you're playing with me, I'll play with you, too, Lin Yi thought.

Dongfang hard was using the demonic tuning fork with all his might, and he didn't dare to go head to head with Lin Yi anymore. He was already a little scared of Lin Yi's attack just now, so he wanted to make Lin Yi lose his mind before he attacked. However, Lin Yi shouted something that he didn't hear clearly, but not only did Lin Yi not lose his mind, he even threw a punch at him!

Dongfang Qian was using the demonic sound fork with all his might, and it was too late for him to Dodge. Luckily, he saw that Lin Yi's punch wasn't as powerful as before, and he was confident in taking it head-on, so he didn't mind!

At this moment, Lin Yi was gritting his teeth and holding on-this was his last fight. The ninth style of the Ba Gua Zhang palm had almost used up all of Lin Yi's energy, and it didn't do anything to Dongfang hard at all. Lin Yi had to use the other ultimate move he learned from naipao!

However, to Lin Yi's surprise, Dongfang Qian didn't Dodge but took the attack head on. This time, Dongfang Qian was 100% caught!

A red light shot out from Lin Yi's fist and entered Dongfang hard's mind. In the next moment, before Dongfang hard could react, he felt an endless sea of fire appear behind him, surging towards him. He could even feel the hot waves of fire. He subconsciously cried out in shock, his eyes revealing a look of shock.

"Vice guild leader Ouyang, quickly kill him!" Lin Yi sat on the ground with a plop after using the hell fire Fist. He had used up all the energy in his body and couldn't use any moves anymore. He couldn't even stand up.

Vice guild leader Ouyang was taken aback. Although he didn't understand what was going on with Dongfang hard, he still followed Lin Yi's instructions and slashed at Dongfang hard's head!

However, vice guild leader Ouyang was still a step too slow and missed the best opportunity. Dongfang Qian had already woken up from the Hellfire and returned to reality. He often used these demonic realms and illusions to trick people. After being tricked by Lin Yi, he quickly woke up, but his heart was already filled with shock!

He finally knew that his brother's death was not unjust. Even he himself had almost been finished!

"Swish!"

The sharp blue broadsword cut down along the right side of Dongfang hard's head, directly cutting off half of his eye, the entire ear, and the side of his skull!

"You ... Are a member of the everyday and every day sect!" Dongfang Qiang glared at Lin Yi with hatred, but he didn't want to fight anymore. He flew out of vice guild leader Ouyang's office and quickly disappeared!

Although Dongfang Qiang was heavily injured-one of his eyes was disabled, and his head was also severely injured-it wasn't enough to kill a Sky Class mid phase peak. He just couldn't fight anymore, and he was scared of Lin Yi.

If Lin Yi used another "hell demon fist" and made him lose focus for even a second, he would be dead for sure.

Therefore, Dongfang ran away. Revenge, he had to take revenge, but that was only against the everyday and every day sect. He no longer cared about the man in front of him. The monk could run away, but the temple couldn't. Most importantly, the Dongfang family had a deep hatred for the everyday and every day sect. Dongfang Jian might not be a big deal, but Dongfang Busu was the most outstanding member of the younger generation in the Dongfang family. Now that he had died in the hands of the everyday and every day sect, would the Dongfang family let this go?

Dongfang hard, on the other hand, didn't doubt Lin Yi's "hell fist" at all-it wasn't a secret that Dongfang busheng died to naipao's "hell fist," and he was a practitioner of a similar evil art as well, so he'd studied the effects of the "hell fist" before-it was very similar to what he'd seen just now, and that was why he'd decided that Lin Yi was from the everyday and every day sect.

Of course, Lin Yi did it on purpose-it was supposed to be the hell fire Fist, but he said it was the hell demon fist, just to buy himself some time!

Chapter 3119 The Arrogant Young Miss

He wanted the Dongfang family to pin Dongfang Jian's death on the everyday and every day sect.

"Mr. Ling, this Dongfang Qian is not a simple person. He has many tricks up his sleeve. Even when you and I joined forces, we were unable to stop him. Now that he has escaped, I'm afraid that the matter has been exposed!" Vice guild leader Ouyang said worriedly.

"I'm fine, he thinks I'm from the everyday and every day sect, but I'm a little worried about you. " Lin Yi said.

"Hehe, Mr. Ling, you don't have to worry about me. He's only here this time. When he returns, he'll understand that I'm just being pressured by the everyday and every day sect to not tell the truth. The Dongfang family still doesn't dare to have a conflict with our cultivator trading Association. It's not like I don't have a backer." Vice guild leader Ouyang said indifferently.

"That's good," Lin Yi nodded, "I'll take my leave then, I need to go back and prepare."

"Alright, Mr. Ling. You be careful too." Vice guild leader Ouyang and Lin Yi had formed a friendship through the battle, and the two were now on the same side. Vice guild leader Ouyang was afraid of Lin Yi at first, but now, it was more like concern between friends.

"Many thanks!" Lin Yi nodded gratefully. He felt that this vice guild leader Ouyang was a good person. If there was a chance in the future, he would like to work with him.

Lin Yi left Ouyang's office without saying anything else, preparing to return to the villa. Dongfang Qian's arrival gave Lin Yi a sense of danger. If the opponent didn't use a heaven-grade weapon, then Lin Yi's chances of winning were very high, but once the opponent used a heaven-grade weapon, Lin Yi's advantage would be gone.

Lin Yi swore that he'd become a forger as soon as possible-he believed that he'd only be able to regain his former advantages if he successfully made a weapon that came with the art of Dragon mastery.

However, the sky elixir sect had cut off Lin Yi's elixir income, and that pissed him off a lot. This Kang Zhaoming really was like a ghost that wouldn't leave, always coming out to mess things up!

At that thought, Lin Yi dialed Kang Zhaoming's number.

"Oh? Wasn't this Lin Yi? Why did you suddenly think of calling me?" Kang Zhaoming pretended to be curious. In fact, he knew that Lin Yi would definitely call to question him if he knew that the Association would no longer buy his pills.

"Kang Zhaoming, do you have too much free time? If you have the time, why don't you help me refine the Qi gathering pill? You're making first and second grade pills? it seems like you're full of energy, right?" "When are you going to give me my Qi gathering pill?" Lin Yi asked coldly.

"This ... You're talking about the practitioner's trade association? I didn't make it, it's just that our sky elixir sect's business has been adjusted to what it is now, and I'm just a spokesperson." "We're doing this to train up a new batch of pill Masters," Zhaoming said. "We can't just throw away the first and second grade pills they make, can we?" "We found the practitioner's trade association to work with, and because the supply price was lower, we requested to be the exclusive supplier. You can't blame me for this, this is how the market is like, just like how our miracle doctor Kang's medical company went bankrupt because of your miracle doctor Guan's medical company, we couldn't do anything about it, right?"

Lin Yi didn't know what to say to Zhaoming-it was obviously unreasonable, but Lin Yi couldn't do anything to Zhaoming about it. After all, this was a normal competition, and if Lin Yi wanted to turn the tables, he had to use a similar method. At least, he couldn't go against the sky elixir sect on the surface.

After all, the young master of the sky elixir sect had helped him once with the heavenly silkworm transformation, and Lin Yi couldn't be ungrateful, could he?

Even Lin Yi was suspicious-what was his relationship with the sky elixir sect's young master? why would he suddenly help him?

But no matter what, he had to find other ways to earn money-selling pills was out of the question. He brought the pills back to the living room, where Xu Shihan was practicing her song, and Chen Yushu was sitting on the sofa, not as happy as she usually was.

"Shu, what are you doing?" Lin Yi walked into the living room, confused.

"Oh, shield bro, you're back. I was worried. I don't know how Yaoyao sis is doing at the Dark Palace. She didn't even call home ..." Chen Yushu sighed and said in a depressed tone.

"It should be fine. He didn't make any calls. Maybe he hasn't finished handing over his work. Let's wait for a while." Lin Yi consoled. In fact, Lin Yi was very worried.

"Alright," he said. Yushu nodded. "Shihan and I are recording a song for Yaoyao sis. Shihan especially sang an album for Yaoyao sis. We're going to send it to her."

"En, then you guys can continue. I'm going back to cultivate." Lin Yi's Qi had just recovered, and he still needed to think of a way to deal with it. Just Dongfang han was enough to catch him off guard, and he really didn't know what to do if a few more stronger Masters from the Dongfang family came out.

Just as Lin Yi had guessed, Mengyao had arrived at the Dark Palace today, but she had many things to do as a newcomer. However, when the Grand Elder asked her when the ceremony was going to be held, the Miss replied with a question, "Where's my mother?"

"Uh ... This ..." The Grand Elder didn't expect Mengyao to ask this as soon as she arrived at the Dark Palace, but she still answered, ""Palace Master Wan 'er is currently in a courtyard at the back of the mountain. It's also where you'll be staying in the future."

"Then why aren't you taking me there? In a moment this young lady will be unhappy, so I will return to the residence. " Mengyao said.

"This ... Please ..." The Grand Elder was helpless and could only bring Chu Mengyao to see ye Wan 'er first. As for the inheritor's reception on her way back, she had already arranged for the black-robed elder to pass on a message and delay the inauguration ceremony!

The Grand Elder had seen through Mengyao's personality on the way here-she was a girl with a temper, and she wouldn't argue or talk to anyone when things didn't go her way. The Grand Elder had no choice but to compromise and regret his decision. If he'd brought Mengyao back when she was young, this wouldn't have happened. Now that Mengyao's Missy temper was out, how could he expect her to work for the Dark Palace without any regrets? It was obviously unlikely!

Chu Mengyao and the Grand Elder arrived at the back mountain where ye Wan 'er used to cultivate. However, to the Grand elder's surprise, there was no one there!

Chapter 3120 Zhao Qibing Was Scared Out Of His Wits

"Where did that B * tch ye Wan 'er go?" The Grand Elder was a bit annoyed. She grabbed a disciple on duty and asked. She wanted Chu Mengyao to see ye Wan 'er as soon as possible and go to the

welcoming and inauguration ceremony. But now, the more anxious she was, the more she didn't see ye Wan' er. Naturally, she was angry.

"This ... Elder ye has gone to attend the welcome ceremony of the new palace Master. He is not here ..."
The disciple quickly said.

"Oh ..." The Grand Elder nodded. He was about to tell Mengyao that her mother was going to the ceremony and that she should go too, but he was shocked by Mengyao's murderous look. "Little great aunt, what's wrong with you again?"

The Grand Elder was a little scared along the way, but for the future of the dark night Palace, she could only bear with it. This inheritor was disobedient, so she could only coax him.

"Who are you calling a bitch? You old bitch!" Mengyao glared at the elder.

"Uh ... This ... What I meant was, why didn't ye Wan 'er come out to meet people? it' s 'meeting people', not 'slut'!" The Grand Elder explained.

"Hmph!" "Hmph," Mengyao hmphed coldly, "lead the way."

"Alright," he said. The Grand Elder wiped the cold sweat off his forehead. It was a good thing Mengyao didn't make a fuss about it, or things would've been endless.

Ye Wan 'er's current mood was extremely complicated and nervous. She didn't know that the new palace Master was her daughter, Chu Mengyao. She was still worried about Chu Mengyao because when the Grand Elder left, he said that he would kill Chu Mengyao, but he didn't say who the successor he brought back was. How could she not be nervous?

"Miss Wan 'er, don't worry. The little Miss is blessed by the heavens. She should be fine. Perhaps the Grand Elder will be so happy that he'll let the little Miss Go after finding an inheritor!" Elder Li said.

"Really ..." Wan 'er sighed. Although elder li had said so, she was still very worried. She knew the Grand elder's temper. He would do what he said ...

However, just as ye Wan 'er was feeling extremely nervous and worried, a burst of cheers suddenly came from the surroundings. It was obvious that the new palace Master, who was also the inheritor of the Dark Palace, had arrived. Everyone followed the previously rehearsed actions and began to clap, shouting, ""The Dark Palace welcomes the new palace Master!"

Ye Wan 'er raised her head in a daze. However, when she saw the face of the trusted Palace Master, she was completely dumbfounded! Wasn't this person ... Chu Mengyao? Although ye Wan 'er had never seen Chu Mengyao before, when the black-clothed elder was still in charge of the dark shadow group, he had brought her a picture of Chu Mengyao. She looked exactly the same as ye Wan' er when she was young. She didn't expect Chu Mengyao to come to the Dark Palace, and to be the new palace Master!

So, Yaoyao didn't die! If she was not killed by the Grand Elder, she would be the inheritor and the new palace Master of the dark night Palace! However, while ye Wan 'er was happy for Chu Mengyao, she was also worried. It was a good thing that Chu Mengyao didn't die, but it wasn't a good thing for her to enter the Dark Palace!

Without freedom, even though he was the palace Master, he was restricted by the Grand Elder. He was not even as powerful as an ordinary elder ...

However, in general, Ye Wan 'er was still somewhat happy.

Mengyao followed the Grand Elder up the stage, but she didn't give any speech or say anything else. She just looked at the Grand Elder and asked, ""Where's my mother?"

"This ... Palace Master Yao Yao, let's start with the inauguration ceremony first. After the ceremony, you'll have plenty of time to reunite with your mother. Look, there are so many elders and whatnot waiting for you down there!" The Grand Elder quickly said.

"I'm asking you, where's my mother?" Mengyao's voice turned cold. "Am I the palace Master or are they the palace Master? Is there a problem with the palace Master asking the elder to wait a little longer?"

"This ... Of course, no problem! In this Dark Palace, you're the one with the highest authority, aside from me!" The Grand Elder said hurriedly, "that ... Ye Wan 'er, what are you still standing there for? hurry up and get on the stage!"

"Can't you be a little more polite?" Mengyao hmped, displeased.

"My Little Miss, my ... Attitude is good enough ..." The Grand Elder was speechless, but luckily she was the leader of the Dark Palace, so no matter what she said, the elders wouldn't dare to say anything. Since Chu Mengyao wanted to acknowledge her family first, then so be it!

Below the stage, ye Wan 'er's eyes were wide open in shock, filled with disbelief! Chu Mengyao dared to go against the Grand Elder? And he actually used such a tone to speak to the Grand Elder?

The most mysterious thing was that the Grand Elder wasn't angry at all, and even called Mengyao "Little Miss." What was going on?

Beside ye Wan 'er, elder Li's eyes also flashed with hope. It seemed that the little Miss's personality was completely different from the little Miss! It looked like he had the Grand Elder in the palm of his hand!

The other elders also understood one thing. The previous Palace Master was just a decoration, but from today on, the new palace Master was the most powerful existence besides the Supreme elder. They didn't doubt that the Supreme elder would agree with Chu Mengyao if she wanted to kill someone!

"Let my mother go on stage to look for me. Do you have any respect for the elders? I should be going down to look for my mother!" With that, Chu Mengyao got off the stage and walked towards ye Wan 'er! Chu Mengyao also saw ye Wan 'er at this time, and her eyes flickered with tears of excitement!

Although Chu Mengyao had never seen her mother since she was young, she could confirm that this was her mother the moment she saw ye Wan 'er! Because her appearance was very, very similar to his!

"Mom ..." Chu Mengyao couldn't help but run over and threw herself into ye Wan 'er's arms. Her tears couldn't stop flowing. For so many years, Chu Mengyao had dreamed of being able to reunite with her mother one day, but she didn't expect that after reuniting, they would have to face separation!

Ye Wan 'er was leaving, and Chu Mengyao was staying!

"Yaoyao ... My daughter, I finally get to see you!" Ye Wan 'er also cried. She cried tears of joy for the sake of reuniting with Chu Mengyao, for Chu Mengyao's power!

She knew that Mengyao wouldn't be at a disadvantage in the dark Palace in the future, and she would be the true Palace Master! He was completely different from him, a puppet Palace Master.

"Mom, no one will bully you in the future. You can go back and reunite with dad. If anyone dares to stop you, I'll be the first to kill him!" Mengyao said.

This sentence sent chills down everyone's spine, and Qibing almost peed in his pants!
