

Bodyguard 3171

Chapter 3171 Guests At Midnight

"Oh, wind Saint is here. Please come in." The door was opened, and the three of them were invited in.

"Sacred Wind bird greets ancestor netherworld, blood-robed ancestor, and ghastly ancestor!" After entering the room, the wind Saint bird and the other two quickly saluted.

"No need to be so polite, Sacred Wind bird. Yin Sen has already told you the purpose of his visit, right?" Old ancestor yellow spring waved his hand.

"I did!" The wind Saint bird nodded and said, ""The old man told us to investigate Lin Yi, but we saw something weird just now-it's related to Lin Yi!"

"You have to call me master! Lin Yi, you'll be the master of yellow spring sect from now on, you hear me?" The ghastly forefather frowned and rebuked, ""Tell me, what news do you have about master?"

"Ah? Yes!" Although the wind Saint bird was suspicious of how Lin Yi became the master of the blood-clad yellow spring sect, he didn't dare to ask! Seeing that the three old ancestors in front of him had discussed and acquiesced to this matter, how could he still dare to have any opinions? "It's like this-I saw the everyday and every day sect's pure Yin celestial master and the Dongfang family's Dongfang Yinxing, two Sky Class late phase peak Masters, outside the hotel. In the elevator, they mentioned Lin Yi ..."

As it spoke, the wind Saint bird told the three of them what it had heard in the elevator.

"Oh? So you're saying that the two of them are here to deal with Lin Yi?" The blood-robed patriarch asked with a serious expression.

"In theory, that should be the case. I didn't dare to ask about the details for fear of alerting the enemy. However, the two of them appearing here should be about the same." "Why don't I go and check it out again?" the wind Saint bird analyzed.

"You're too weak, don't go. " "No!" The blood-robed patriarch waved his hand and said, "I'll go and find out myself!"

In fact, the sacred Wind bird wasn't weak either-he was Sky Class mid phase, but he was still a lot weaker than the blood-robed elder and the yellow spring elder. Eastern silver Star and celestial master Chun Yin were stronger than him, too, so he'd be easily discovered if he went there. However, it wouldn't be the case if the blood-robed elder went there himself. After all, Sky Class late phase peak Masters couldn't hide their strength and presence unless they had a cheat like Lin Yi. Otherwise, people who were weaker than him wouldn't have been able to discover it.

After saying that, the blood-robed elder pushed open the window and flew out. Since he was on the side of the hotel building, there was no one outside, so no one saw him!

The blood-robed patriarch easily found the room where heavenly venerate chunyin and Eastern Silverstar were. He was like a Spiderman, lying on the outside of the wall. He could hear everything that was going on inside the room!

However, to the blood-robed elder's disappointment, he could only hear the sound of the television and the laughter of heavenly venerate Chunyang and Silverstar of the East for half an hour. He did not hear anything useful!

After listening for another half an hour, there was still no sound in the room except for laughter and the sound of the TV. The blood-robed elder had to go back first! But it wasn't surprising-these two were Sky Class late phase peak Masters, and they didn't even need to discuss anything with Lin Yi, who was only sky Class early phase-they just needed to go out at night and do it. Right now, it was just waiting for something boring-the common world was a place with little spiritual Qi, and if they couldn't train, what else could they do other than watch TV?

Thinking of this, the blood-robed elder could not wait any longer and returned to his room.

"How is it, blood robes? did you manage to get any information?" "What's going on?" old ancestor yellow spring asked when he saw blood-robed old ancestor.

"They've been watching TV in their room the whole time," the blood-robed elder shook his head."They didn't say anything else. Let's watch at night and see what we can do!"

"I guess that's the only way." Old ancestor yellow spring nodded.

"Old ancestor yellow spring, blood-robed old ancestor, ghastly old ancestor, what should I do next?" The wind Saint bird asked.

"Next, you should rest for a while. You don't have to participate in the matter at night." "The three of us will be enough tonight," the blood-robed elder said after some thought.

"Alright, then this subordinate will take his leave first." As the wind Saint bird spoke, it left with its two subordinates.

Meanwhile, the three patriarchs were waiting for the evening in their rooms.

At nine, ten, eleven, and twelve o'clock in the evening, Eastern silver Star and celestial master pure Yin did not move. The blood-robed elder observed them a few times. They were all watching TV in their rooms until one in the morning. Finally, they moved!

Eastern silver Star and heavenly venerate pure Yin walked out of the room and took the elevator out of the hotel. They went to the parking lot and got into their car, slowly leaving the xueshang business hotel!

Of course, with their strength levels, they didn't need to take a car to find Lin Yi on such a short journey. Their purpose of taking the car was probably to hide it from people.

Otherwise, it would be strange for two people to walk outside in the middle of the night!

However, the three patriarchs did not drive or take the elevator. Instead, they jumped out of the hotel's window and over the side wall. They followed Silverstar of the East and heavenly venerate chunyin's car, slowly trailing behind.

The car stopped in front of Lin Yi's Villa, and the three hid not far away.

"Ding-dong ..." The Silver Star rang the doorbell. He didn't force his way in, afraid of alarming the people around. After all, they were from the ancient world, and it didn't make sense for them to meddle in the common world!

Dongfang clan barely had a reason to arrest the murderer of Dongfang clan's people; however, the people of everyday and every day sect had no suitable reason to do so. Therefore, he kept a low profile.

Although the new elder of the everyday and every day sect, Zhong pinliang, didn't play by the rules and relied on the power of the sect to ignore the rules of the ancient era, that was Zhong pinliang. Celestial master pure Yin kept a low profile as much as possible.

It was one in the morning, and someone was still ringing the doorbell? Lin Yi returned to reality from his training and walked out of his room to the villa's entrance.

Lin Yi's heart skipped a beat when he saw who was outside the door! Two Sky Class late phase peak Masters!

Chapter 3172 The Two People Who Died With Their Eyes Wide Open

Although Lin Yi had seen the three top-class Masters of yellow spring sect before, he was still a little shocked at this time!

Lin Yi could clearly feel the unkind aura from these two! They were different from the people of the blood-clad yellow spring sect. Their expressions and cold attitude clearly showed that they were enemies and not friends!

"Is there anything I can help you with?" Lin Yi didn't go over to the door-the Jade was already giving off a weak signal. If he went over, the Jade would probably give him a strong warning.

So Lin Yi just stood at the gate, looking at the two Celestials.

Lin Yi had already decided that if anything happened, he'd run to the backyard and get on the purple lightning Beast. Chen Yushu had the five elements sect behind her, so these two wouldn't dare to touch her no matter how strong they were. As for Xu Shihan, Lin Yi could only pray that they didn't go upstairs to find her. Otherwise, he'd have to come back and waste the only trap he had to save her.

"You're Lin Yi, aren't you?" Dongfang Yinxing was not in a hurry to make a move. He had to make sure he was sure, in case he made a mistake and the person would be screwed. Just like Dongfang song and the others, they wanted to attack the inheritor of the Dark Palace, but were killed by the great elder of the Dark Palace.

"And you are?" Lin Yi asked.

"Eastern silver Star!" "You've killed many of my Dongfang family's men," Dongfang Yinxing said arrogantly. "Today, I'll make you pay with your blood!"

"The Silver Star of the East?" Lin Yi frowned and looked at celestial master Chun Yin. "How about you? Don't tell me he's also from the Dongfang family?"

"Celestial pure Yin, I'm here on the orders of the patriarch crazed Dragon to take your life!" Celestial master chunyin didn't explain much and simply stated the purpose of their trip.

Were they all here to kill him? Lin Yi took a deep breath and turned to run. He had no choice but to run- he was no match for two Sky Class late phase peak Masters! He wouldn't be able to handle one, let alone two!

"Open the door and accept your death. I'll let you die a quick death." "Don't even think about running- you won't be able to escape from two Sky Class late phase peak!"

What to do? Lin Yi muttered to himself, thinking of turning around and running away. After all, it would be too late if he didn't run now!

At this moment of daggers drawn, not far away, the blood-robed elder and elder netherworld looked at each other and said at the same time, ""Let's go, don't leave anyone behind!"

As they spoke, the two of them flew to the back of Eastern silver Star and celestial master Chun Yin. The ghastly patriarch did not move, as he was waiting for an opportunity to strike!

Eastern silver Star and celestial master pure Yin were about to kill Lin Yi when they felt danger coming from behind them. Their hearts froze, and they quickly turned around to see two Men in Black coming at them!

What the f * ck, what kind of person was this? The two of them were scared out of their wits-the two Sky Class late phase peak full Masters were fully revealed, and they had to be careful!

This Lin Yi had helpers? Heavenly venerate chunyin and Eastern Silverstar were shocked. Although they were puzzled, they had no choice but to take out their heaven-grade divine weapons at the same time

to deal with the attack. Otherwise, the two of them would definitely die when faced with the two black iron swords that were shining with a cold light!

In the blink of an eye, the four divine weapons were intertwined, two on two, and it was difficult to tell who was winning! Although the blood-robed elder and elder netherworld were both Sky Class late phase peak Masters, stronger than the pure Yin Holy master and Eastern Silverstar, it was still impossible for them to kill each other in an instant. After all, at this level, both of them had rich battle experience. It was unrealistic to say who could kill the other directly.

However, if they fought for some time, they were confident that they would win!

Both Eastern silver Star and heavenly venerate pure Yin were half a step away from the realm of perfection. Although the two of them had yet to advance to that level, they had touched the threshold after years of cultivation. They only lacked an opportunity, so their combat experience was not weak at all.

However, what shocked them was that the moves of the two people in front of them were very strange. Every move was a big killing move, and every move was fatal. None of them only wanted to hurt people but not kill them. This gave the two of them a headache. Every move had to be carefully countered, or else there would be a bloody hole in their bodies!

As a result, the two of them could only defend and could not attack! Just as the blood-robed patriarch was about to attack Eastern silver Star, he suddenly felt danger behind him!

However, he could not turn around to look because the blood-robed patriarch's Black iron sword was already coming at him. If he did not deal with it properly, he would be stabbed to death.

This put him in a difficult position, hesitating, but helpless. He could only brace himself and hope that the person behind him was just Lin Yi!

His thoughts were good, but reality was cruel. When he felt that the person behind him was Sky Class late phase peak, it was too late. The arrow had pierced his heart, and he died with his eyes wide open!

Heavenly venerate chunyin was shocked, but he didn't dare to be distracted. However, it was his turn to suffer the next moment. Another arrow pierced his heart and he died. However, before he died, he suddenly recalled the identity of the three people in front of him. "You ... You're from the blood-clad yellow spring sect ... And you're the old ancestor ... Why ... Why do you want to kill me ..."

Even as he died, he still couldn't understand why the three old ancestors of the blood-clad yellow spring sect wanted to kill them. Why would they help Lin Yi when it had nothing to do with them?

In fact, the fight between these people was just a matter of a flash. The fight ended in the blink of an eye because there was a distance between each villa in the villa area, so it did not alarm others.

Lin Yi was about to run away, but he was dumbfounded when he saw the three from yellow spring sect jump out and kill celestial master pure Yin and Eastern silver Star! What were these three people trying to do? Why did he help me?

"Thank you for helping me ... May I ask if you're returning the favor?" Duan Ling Tian asked. Lin Yi really couldn't figure out why these three would attack him. The only thing he could think of was what old ancestor yellow spring said-they'd owe him a favor if he told Chu Mengyao to torture Zhao Qibing!

And so, that was the only possibility Lin Yi could think of.

"Naturally not." The ghastly forefather was a quick-witted person. He rejected the offer with a smile, having already thought of a reason before coming. "Mister Lin, these two are the targets that someone paid us a high price to assassinate!"

Chapter 3173 Benefits Delivered To The Door

"Oh? Assassination target?" Lin Yi blinked.

"Yes, I'm really sorry that I didn't explain it to you earlier, Mr. Lin! Perhaps you've been wondering why we sent three great ancestors to make peace with you. Isn't that a bit too much?" The ghastly forefather asked.

"Indeed. I've been curious about it before, but I didn't have the nerve to ask." "Could it be that you're really after these two?" Lin Yi nodded.

"Not bad!" The ghastly forefather nodded and said, ""If we wanted to kill these two Sky Class late phase peak, we'd need the three of us to do it, but we didn't want to alert the enemy, so we didn't tell you, Mr. Lin. Plus, the mission was confidential, and we didn't know that you had a grudge against these two. We were also afraid that you'd leak the information, so we didn't tell you, Mr. Lin. You wouldn't be unhappy, would you?"

"Of course I won't!" Lin Yi shook his head in surprise and joy. He was wondering when he had the honor to let three blood-clad old ancestors come to his door to make peace. Wasn't this too much? From the looks of it, he was here on a mission!

As for why they killed celestial master Chun Yin and Eastern Silverstar, Lin Yi couldn't be bothered to ask. It was simple-someone paid them to kill, and they would do it without any reason! It was the same reason why they came to kill Lin Yi for no reason.

Besides, this matter didn't have much to do with Lin Yi. As long as the sect didn't come to kill him, it was fine. As for the employer, he didn't need to ask. There were rules in the industry. Lin Yi used to be an assassin in the secular world, so he couldn't just tell the employer to others.

"Then the three of us will take our leave first. You must keep the fact that the three of us have been here a secret. Don't tell anyone," The blood-robed elder pondered for a moment and said,""However, I'll have to trouble you to take care of these two bodies, Mr. Lin. You might even have to be responsible for the cause of death."

"Oh?" Lin Yi paused for a second, but was immediately overjoyed! It wasn't a bad thing to be the scapegoat for the three old ancestors, it was a great thing for Lin Yi! Even if the Dongfang family and the everyday and every day sect found out that Eastern silver Star and celestial master pure Yin were killed by the blood-clad yellow spring sect, it wouldn't do Lin Yi any good. Their hatred for Lin Yi wouldn't be reduced because of that. On the contrary, they might even think that Lin Yi hired the blood-clad yellow spring sect to kill them if they died in front of Lin Yi's house!

Therefore, they probably wouldn't go to the blood-clad yellow spring sect for revenge, but Lin Yi!

But what if they thought that Lin Yi was the one who killed them? That would be different!

Killing two Sky Class late phase peak Masters wasn't something a normal person could do, but Lin Yi did it! This way, be it the Dongfang family or the everyday and every day sect, they'd have to re-evaluate Lin Yi's capabilities. If they wanted to deal with Lin Yi, they'd have to send someone even stronger!

Who was the more powerful expert? That must be a Sky Class late phase peak! But here came the problem-if Lin Yi could kill two Sky Class late phase peak Masters, why couldn't he kill a Sky Class late phase Peak Master?

It wasn't impossible, it was very possible! Plus, even a Sky Class late phase peak wouldn't be able to kill two Sky Class late phase peak so easily, right? It was possible to kill one, but with two of them together, perhaps the one who would suffer in the end would still be the consummate level expert! This was already a 50 - 50 chance.

Of course, if it was anyone else, no one would believe that a Sky Class early phase could kill two Sky Class late phase peak Masters-they might even think that he was crazy!

But when it came to Lin Yi, everyone felt that it was normal! Ever since Lin Yi stepped out of the sect, he'd been fighting people above his level-quite a few Masters from the Dongfang family had died at his hands, and even the everyday and every day sect's naipao, who'd always been the strongest under a certain level, lost to Lin Yi every single time!

If naipao could kill a Sky Class late phase peak like Dongfang Busu, then why couldn't Lin Yi, who was even more powerful than naipao, kill two Sky Class late phase peak as well?

And so, other than surprise, no one would suspect anything-this was Lin Yi's advantage! When Lin Yi realized this, he was extremely happy to get this benefit for no reason!

He couldn't guarantee that the Dongfang family and the everyday and every day sect wouldn't react in the future and come looking for him for revenge, but it was impossible for them to come looking for trouble with Lin Yi in the short term!

Two Sky Class late phase peak Masters died without even knowing how, who would dare to come? Are you here to die?

After thinking it through, Lin Yi cupped his fists to the three. "Alright, I'll keep it a secret. No matter what, thank you for helping me kill my enemies!"

"We've taken someone's money to help them get rid of disaster, we'll be leaving first!" With that, patriarch blood-robed nodded and quickly left with the other two.

The sounds of fighting in the yard alerted the people in the villa-the first to come out were Wu Chengtian and Feng sanhuang. They didn't see the fight, but they did see two dead bodies!

"What happened? Who are these two people?" Chentian and sanhuang were taken aback-they'd thought that the Dongfang family had let this go after the peaceful days, and wouldn't come looking for trouble anymore, but it didn't seem like that was the case tonight!

Both of them were holding heaven-grade weapons, so they were obviously cultivators, and they were heaven-grade cultivators at that. They were probably related to the Dongfang family.

"One of them is called Silver Star of the East, and the other is called celestial master Chun Yin." "They're both Sky Class late phase peak-Chentian, Feng bro, you guys take care of their bodies and don't alert the neighbors," Lin Yi said.

"Eastern silver Star? Celestial master chunyin?" Chentian didn't mind, but sanhuang's face turned pale-he knew who these two were, of course, they were both top-tier practitioners, but they were dead? He was killed by Lin Yi just like that?

Wu Chengtian was only shocked at Lin Yi's strength-he was able to kill Sky Class late phase peak now! He didn't lose his composure like Feng sanhuang-he only nodded,"okay!"

Chapter 3174 The News Spreads

Sanhuang, on the other hand, came back to his senses."Mister Lin, you're amazing. You took out two Sky Class late phase peak Masters?"

At this time, Xu Shihan and Cheng Yiyi also came downstairs. They came out of the yard and saw the two bodies in front of the villa. They were also shocked when they heard that the two people were Sky Class late phase peak, and they were killed by Lin Yi.

"I used some secret techniques, but I also paid a price." Lin Yi explained vaguely. He'd already promised yellow spring sect that he'd keep it a secret, so he couldn't tell anyone, even if it was someone close to him.

Plus, this was the effect Lin Yi wanted-it'd be good for his name if word got out!

Since Lin Yi said so, Chentian and sanhuang didn't ask any more questions and quickly went to deal with the body. Shihan, on the other hand, came over with a lingering fear,""Lin Yi, this guy is ..."

"It's the Dongfang family's Eastern silver Star. It looks like the Dongfang family has really put in a lot of effort this time. " "I heard that there's still one called Dongfang jinxing and Dongfang Badao left," Lin Yi

said. "I wonder when they'll come." When they come, I'll kill them all and you can leave this place without worry. "

Lin Yi's words were meant to be spread through his own people as well, and he had another purpose.

"Ah?" Xu Shihan was extremely shocked. Lin Yi was really ruthless, he was going to annihilate the whole family!

"What about the other person?" Cheng Yiyi asked curiously.

"This guy's from the everyday and every day sect, something like celestial pure Yin-we're sworn enemies, anyway. I heard they have a Sky Class late phase Peak Master, too-I don't know if my secret technique can kill him, but if he's here by himself, I can give it a try-it shouldn't be a problem," Lin Yi said.

"Oh my God ... So powerful!" Cheng Yiyi stuck out her tongue."Xiaohan, since there's nothing else, I'll go upstairs and rest. I'm so tired!"

"You can go first, I'll wait for brother Feng here." Xu Shihan had something to tell Feng sanhuang-she had to tell her father Feng Tianlin about what happened today.

"Okay, I'm going to sleep now. I'm so sleepy ... Yawning ..." Cheng Yiyi turned around and walked back to the villa in a daze.

"Oh my God, I seem to have missed something fun!" Yushu ran out of the villa in her pajamas with her hands on her chest, looking at the body in the car with sleepy eyes. "Shield bro, who are these two idiots?"

Lin Yi couldn't help but smile bitterly as he looked at Yushu, "Shu, can't you just drink less papaya milk? Are your breasts tired? You're holding it with your hands now?"

"Uh ... I've been drinking that since I was young. I'm used to it and can't change it." "Shield bro, why don't you treat me? I heard you can suck my fat?" Yushu said as she let go.

"When you cultivate in the future, you can make your skin tighten, and when it's a little stronger, you won't need to hold it with your hands." Lin Yi was using voice-it was something he'd learned in the Ice Palace, and he wasn't that familiar with it back when he was Mystic-but now that he was a Sky Class, he could use it with ease!

Yushu becoming an inheritor was still a secret, and Lin Yi didn't want anyone to know about it! Plus, it was a private conversation-Lin Yi and Shu were so close that they didn't need to hide anything from each other, but Xu Shihan was there with them, and even Feng sanhuang and Wu Chengtian were nearby. Lin Yi couldn't just say it out loud.

"Oh ..." Chen Yushu nodded happily, ""I finally don't have to hold it up anymore."

Lin Yi told Yushu what happened last night and led her into the house, while Xu Shihan went to call Feng Tianlin. The father and daughter didn't contact each other often, and they always had a lot to talk about, sometimes it would last the whole night!

However, other than Xu Shihan and Feng Tianlin, it was destined to be a sleepless night for many of the others!

Feng Tianhu was the first to hear about the death of Dongfang jinxing and heavenly venerate chunyin. He was dumbfounded. He held the phone in his hand as if he had been struck by lightning. He couldn't believe his ears! Two Sky Class late phase peak, dead just like that?

When did Lin Yi become this strong? Now, he could actually kill top-tier cultivators? Feng Tianhu was shocked, but at the same time, he felt a deep fear! He regretted it now-why did he have to kill Xu Shihan for no reason? now, he had a strong enemy!

If this Lin Yi wanted to come to the Feng family and take Feng Tianhu's life, it would be as easy as turning his hand over. Old master Feng wouldn't even help him! That was because old master Feng was no match for him!

For a moment, Feng Tianhu was extremely frustrated! He felt that his biggest failure was to team up with Dongfang xiaocui to deal with Xu Shihan. It was a stupid move. No, he couldn't just sit around and wait for death! He had to hurry and find Dongfang xiaocui to discuss a strategy!

Just then, Feng Tianlin went to pick up Xu Shihan's call, and Dongfang xiaochui had the chance to come out. After receiving Feng Tianhu's text, she quickly came to the agreed meeting place and saw Feng Tianlin with a frown on his face. She couldn't help but ask, ""Heavenly Tiger? What are you doing? It's so late, what's the matter? Don't be misunderstood by your second brother!"

"Sister-in-law, let's not talk about this anymore. Something has happened, something big has happened!" Feng Tianhu waved his hand and ignored Dongfang xiaocui's words. He said hurriedly, ""Eastern silver Star is dead!"

"What? My second brother is dead?" Dongfang xiaocui's eyes widened as she looked at Feng Tianhu in disbelief,""Feng Tianhu, are you joking? Your joke is not funny at all! My second brother is a Sky Class late phase peak, half a step into completion, and you're saying he's dead?"

"Sister-in-law, I'm not in the mood to joke with you!" Feng Tianhu frowned and said,"The one who died with him was the everyday and every day sect's celestial chunyin, a Sky Class late phase Peak Master!"

"What? How did they die? What are they doing?" "What's going on?" Dongfang xiaocui asked anxiously as she realized that Feng Tianhu might be telling the truth.

"They teamed up to kill Lin Yi, but Lin Yi was fine, but they were killed by him!" "I don't believe it either, but it's the truth!" Feng Tianhu said helplessly. I'm afraid that the news will spread out tomorrow ..."

Chapter 3175 Impossible Nightmare

"What? That Lin Yi, he was this strong? Wasn't he just a Sky Class early phase bodyguard? How did you kill two Sky Class late phase peak?" Dongfang xiaocui asked in disbelief.

"That Lin Yi, he's very capable, he can fight enemies above his level! He also killed the Sky Class mid phase from the Dongfang family in seconds, and now he's able to kill two Sky Class late phase peak in seconds. I heard that he used some sort of secret technique, but no matter what, he was still hiding his strength!" "We don't know if killing two Sky Class late phase peak is his limit right now, but maybe he can even kill Sky Class late phase peak!" Tianhu said.

"Then ... What should we do?" Dongfang xiaocui was shocked,""Does he know that this is our secret plan? Will they come and find trouble with us? If he comes, we'll all die! Tianhu, quickly think of a way, what do we do?"

Dongfang xiaocui was panicking. For the first time, she felt helpless and scared. The Dongfang family couldn't be her backing anymore, because even Sky Class late phase peak could be killed by Lin Yi. She was afraid that Lin Yi would take revenge on her!

"Don't worry, Lin Yi definitely knows. After all, he's a bodyguard my second brother hired. My second brother will definitely tell him about us, so there's no point in panicking. We have to think of a plan. " Feng Tianhu was also a little upset.

"Why don't we go to him and beg for mercy? don't kill us, I won't do it again. I won't do it to Xu Shihan anymore. How about we ask him to forgive us?" "Yes, that's it!" Dongfang xiaocui was a little anxious. I knelt down and begged for mercy. I heard that he was the boss of poem, and I was poem's mother. Even if he didn't want to let me go, he should at least give his little brother Poem some face, right? I'll tell the poem to ask for his help!"

Feng Tianhu was very unhappy. He thought to himself, "when Lin Yi doesn't blame you anymore, he'll definitely vent his anger on me. What should I do then?" It seemed that this kind of brainless woman just couldn't work. Cooperating with her was simply asking for trouble!

However, Feng Tianhu had no other choice. Dongfang xiaocui could rely on Feng Shangshi, but he couldn't. Feng Shangshi hated him to death, so why would she help him? Feng Tianhu hesitated for a moment. Whether it was a blessing or a curse, he couldn't avoid it. He could only try his best to think of a way.

"Then you go, I'll think of another way." Feng Tianhu said helplessly.

Dongfang xiaocui went to beg her son, Feng Shangshi, to intercede for her. Feng Tianhu didn't give up after he went back, but called Dongfang jinxing! He and Dongfang jinxing had done this together. Even if he were to die, he had to take someone with him!

Dongfang jinxing was actually waiting for news from the Silver Star as well. The Silver Star had spoken to him today, deciding to kill Lin Yi at night. The agreed time was around midnight, but it was almost dawn now, and there was still no news. This gave Dongfang jinxing a bad feeling!

Logically speaking, two Sky Class late phase peak Masters killing Lin Yi, an early phase Sky Class master, should be a matter of minutes-it shouldn't take too much time at all, but it'd been a few hours already, and there was still no news-how could Dongfang jinxing not be worried?

"Jin Xing, you're now the young master of the Dongfang family. Why are you so agitated?" Dongfang Badao raised his eyes to look at Dongfang jinxing. He had confidence in Dongfang Yinxing. Sky Class late phase peak was a top existence in the current world of practitioners. Even Sky Class late phase peak couldn't be killed easily, let alone Lin Yi.

"Father, should I call Silverstar and ask?" Dongfang jinxing was feeling a little uneasy. He would be restless if he could not be sure of the Silver Star's safety.

"If you make the call, I'm afraid that Silverstar will be in the middle of an assassination mission, and that might affect him. Why don't you send him a text message? once he sees the message, he'll reply to you." Dongfang Badao said after some thought.

"Alright!" Dongfang jinxing nodded and picked up his phone. However, before he could send a message, his phone rang. Dongfang jinxing took a look at the caller ID and saw that it was Feng Tianhu!

It's already so late, what's Feng Tianhu calling for? Although Dongfang jinxing was a little puzzled, he still picked up the phone since they were in a cooperative relationship. ""Feng Tianhu, what's the matter?"

"Big brother Dongfang, bad news! Mister Silver Star of the East and celestial master chunyin have both fallen!" Feng Tianhu said anxiously.

"What? What did you just say? What's wrong with Silverstar?" Dongfang jinxing was shocked. He could not believe his ears. "I didn't hear wrong, did you? can you repeat that?"

"Big brother Dongfang, you didn't hear wrong ... We just received news that these two were killed by Lin Yi in front of his house with a secret technique!" Feng Tianhu sighed. He could understand Dongfang jinxing's feelings. When he first received the news, wasn't he also extremely shocked?

"What? Lin Yi instakilled them? How was this possible? The two of them were Sky Class late phase peak- Lin Yi was just a Sky Class early phase, how could he kill them in seconds? You're lying, aren't you?" Dongfang jinxing didn't want to believe Feng Tianhu's words. Although he knew that Feng Tianhu wouldn't have the guts to joke about such a thing, he still hoped that he would be lucky.

"Al!" "Big brother Dongfang, Lin Yi can kill Sky Class mid phase Masters in seconds, why can't he kill Sky Class late phase peak?" Tianhu said helplessly. Didn't Zhang naipao from the everyday and every day sect also take out a Sky Class late phase peak like Dongfang Busu?"

"That's just a trick. If we weren't in the five evils Savage Land and there weren't so many spirit beasts, how could we have died if we didn't lose? At most, you'll just temporarily lose your mind!" Dongfang jinxing argued.

"That Lin Yi also used some sort of secret technique, and I heard that he paid a certain price to kill a Sky Class late phase peak in seconds!" "I don't know what price Lin Yi paid, but at least he's fine as if nothing

happened. Who knows, he might even be able to kill Sky Class late phase peak Masters in seconds ..." Tianhu said.

"No... This is impossible! How could he be so powerful? How could there be such a person? He's a rogue cultivator, not a disciple of a sect!" Dongfang jinxing roared in a somewhat emotional state!

Chapter 3176 The Shocked Pinliang

He couldn't accept this reality. The successive deaths of the Dongfang family had already put him on the verge of a mental breakdown, and today, his own brother, Dongfang Yinxing, had also died. Dongfang jinxing had suddenly lost control ...

"Jin Xing, calm down!" Although Dongfang Badao had a vague sense that things were not looking good, and that Dongfang Yinxing was most likely in danger, he could not afford to lose his composure. He slapped Dongfang jinxing's face, waking him up!

Without waiting for Dongfang jinxing to say anything, Dongfang Badao immediately grabbed the phone and said, ""Feng Tianhu, right? I'm Dongfang Badao. Tell me everything you know in detail. What's going on?"

"Ah ... It's master Dongfang ... Actually, I don't know much either. I only know a rough idea from my informants over there ..." Feng Tianhu said as he told Dongfang Badao what he knew. Actually, he didn't know the details either. It was just a conclusion.

"So that means that Lin Yi not only has the ability to kill two Sky Class late phase peak Masters in seconds, but he can even fight Sky Class late phase peak Masters?" Dongfang Badao quickly asked.

"Not bad!" Feng Tianhu nodded. "Old master Dongfang, now that the incident has happened and the evidence is conclusive, those two people are really dead. Our next step should be to discuss how to protect ourselves! This was planned by our two families, and if Lin Yi really comes looking for us, we won't be able to stop him. You, the Dongfang family, are also Lin Yi's lackeys!"

"This ..." Dongfang Badao's expression was extremely unsightly. Although Feng Tianhu's words were extremely unpleasant, he had to admit that Feng Tianhu was right! Lin Yi was able to kill two Sky Class late phase peak Masters at the same time without any injuries-that was how strong he was!

So, it was obvious now that Lin Yi wanted revenge, and no one could stop him. The Dongfang family would be in trouble, and so would the ancient house Feng! It wasn't about revenge anymore, it was about preventing Lin Yi from doing so!

However, master Dongfang was a wise man and did not panic for no reason. Instead, after a moment of silence, he said, "As far as I know, Lin Yi has a lot of enemies, but he rarely takes the initiative to cause trouble for others. He only attacks when he's forced to! The few times we've made a move, Lin Yi has always been on the defensive, and that proves this point. I've also investigated Lin Yi before, and unless it's absolutely necessary, he wouldn't make a move on anyone. After so long, he's only touched the common house Yu and the Hidden House Zhao ..."

"That's true, but master Dongfang, do you have any fresh fruit? what do the common house Yu and the Hidden House Zhao represent? One of them is from the common world and the other is from the hidden world-Lin Yi's killing the chicken to warn the monkeys! Who knows, maybe the next one will be our ancient house Feng or the Dongfang family!" Feng Tianhu had studied Lin Yi before and came to this conclusion.

"That's because he's been pushed too far! Right now, Lin Yi's people are all alive and well, but a few of our Dongfang family's Masters have died. I don't think he'll come looking for trouble with us, so we just have to endure it and not provoke him. " "Just bear with it," Dongfang Badao replied indifferently. "It's nothing."

Hearing Dongfang Badao's tone, Feng Tianhu gritted his teeth in anger, but he couldn't do anything! At the end of the day, the Dongfang family was just a hired thug. This whole thing started because of him, Feng Tianhu. If Lin Yi wanted revenge, he'd definitely target him first. As for the Dongfang family, they'd just have to lower their heads and admit their mistakes, and everything would be fine. After all, Lin Yi didn't lose anything.

But Feng Tianhu was different. Make Feng Tianhu lower his head? Didn't that mean he'd acknowledge Xu Shihan's identity, and he'd have to lower his head to Feng Tianlin? Then, would he still be competing for the position of the clan head? Wouldn't nitian's death be in vain then?

He was not willing to give up! But now that the Dongfang family had obviously backed off, and he himself was no match for Lin Yi, Feng Tianhu had no choice. His face darkened, but his voice didn't change, "Alright, master Dongfang. If that's the case, I'm relieved."

After hanging up, Tianhu stomped his feet and walked towards the hall where nitian's memorial tablet was. He needed to calm down and think of a better way to deal with Lin Yi and Xu Shihan. He wouldn't give up until Lin Yi was dead!

Tianhu swore to himself as he looked at nitian's tablet-he was going to teach Lin Yi a lesson! But now, he didn't have a helper. With his own strength, he couldn't do anything to Lin Yi. He needed to find a new helper. Who would it be?

That's right! The everyday and every day sect! Nitian suddenly remembered that the everyday and every day sect had lost an important disciple as well-the sect leader's junior, celestial master pure Yin! If this person died, the everyday and every day sect would definitely be angry, right?

Hmph, that was a Sky Class late phase Peak Master! Tianhu knew that there was danger in every step, but it was too late to regret or be afraid. He'd give up if nitian wasn't dead, but now that nitian was dead, he had to keep going!

For himself, for his dead son, Feng Tianhu's face flashed with a sinister madness.

The everyday and every day sect and the five elements sect were both great sects that had descended from the primordial era. The important figures of their sects all had soul Jade tokens that would only shatter after their deaths. Now that heavenly venerate pure Yin's Jade token had shattered, the disciples in charge of patrolling were shocked and hurriedly reported this to heavenly venerate pure yang!

"What? Junior Brother chunyin is dead?" Celestial master Chunyang was also shocked. He couldn't care about anything else and quickly went to report to Zhong pinliang.

Pinliang's face darkened. He knew about the soul Jade tablet. When he died, his soul Jade tablet was also broken. He had a secret technique to preserve his primordial spirit for future possession. However, celestial venerate chunyin didn't have any secret techniques. He was dead. The soul Jade tablet wouldn't lie.

"Check how he died, did he die in Lin Yi's hands?" Pinliang's face darkened. He couldn't believe that Lin Yi was this strong-he could even kill a Sky Class late phase peak like the pure Yin celestial! What level was Lin Yi at?

Chapter 3177 Giving Up

"I'll go ask the Dongfang family now and see if they have any news! If the people of the Dongfang family run away and use pure Yin as cannon fodder, I will definitely not let them off!" Heavenly venerate Chunyang nodded and was about to give Dongfang jinxing a call. However, before he could make the call, he received a call from an unknown number!

Heavenly venerate Chunyang didn't think too much about it. He thought it was someone from the Dongfang family, so he picked up the phone. "Hello, I'm Chunyang!"

"Heavenly venerate Chunyang, I'm Feng Tianhu from the ancient Feng family. Have you heard of my name?" Feng Tianhu asked carefully. The everyday and every day sect was a giant existence, so he had to be careful.

"The ancient Feng clan? I know that, but I don't know Feng Tianhu. " Heavenly venerate Chunyang frowned. He didn't know why the Feng family was calling him.

"I'm Feng nitian's father, the Father of the Feng nitian who was crippled by Lin Yi!" Feng Tianhu quickly introduced himself.

"Oh? Feng nitian?" Heavenly venerate Chunyang suddenly recalled something. "I have an impression of that. What's the matter, Feng Tianhu?"

"It's like this ... Lin Yi has already killed the master from your side, celestial master pure Yin, and the master from the Dongfang family, Eastern silver Star. I'm here to report this to you. " Feng Tianhu said.

"What? Even the Dongfang family's Dongfang Silverstar is dead?" Heavenly venerate pure yang was taken aback. He had originally guessed that the Silver Star of the East had used heavenly venerate pure Yin as cannon fodder. However, it seemed that that was not the case. Both of them were dead!

"Yes, they were all killed by Lin Yi." Feng Tianhu said.

"Oh? Then how did you know about this? This doesn't seem to have anything to do with your ancient Feng clan, right? What role do you play in this?" Heavenly venerate Chunyang's tone turned cold.

"Celestial master Chunyang, I'll tell you the truth. I'm the one who started the Dongfang family's mess ..." Tianhu decided not to hide anything and told celestial master Chunyang about his plan to touch Xu Shihan. He also told him about his enmity with Lin Yi. These things were no longer a secret, so he wasn't afraid of anything.

"Oh? So, the Dongfang family died because of you?" "What's the meaning of this call?" heavenly venerate Chunyang frowned. Could it be that you just want to inform me that chunyin has also fallen?"

Heavenly venerate pure yang was a little confused about Feng Tianhu's intentions. Even if the Dongfang family had died because of Feng Tianhu, there was no need to inform the everyday and every day sect. What was this man's intention?

"He didn't die because of that-before, when the whole thing was exposed, Dongfang xiaocui told Dongfang jinxing to stop, and it's all between house Dongfang and Lin Yi now." Feng Tianhu said.

"If that's the case, then there's even less reason for you to tell me all this. What are you trying to say?" The more heavenly venerate Chunyang heard, the more confused he became.

"What I'm trying to say is that we have a common enemy, and that's Lin Yi!" "Now that the Dongfang family has suffered a great loss, they don't want to get involved anymore, but your sect definitely won't let this go, right?" Feng Tianhu said. At that time, you and I will work together to deal with Lin Yi!"

"You and I join hands? Are you representing yourself or the ancient Feng family?" Heavenly venerate Chunyang asked indifferently. After all, even the ancient Feng family wasn't a very powerful existence in his eyes.

"This ... Of course it's me ..." Feng Tianhu said awkwardly.

"Alright, I got it. I'll talk to my master, patriarch mad dragon, about this. I'll give you a reply when the time comes. If there's nothing else, I'm hanging up." Heavenly venerate Chunyang hung up after he finished speaking.

"Why are the Feng family looking for you?" Pinliang asked after celestial Chunyang hung up.

"They wanted to work with me. This is what happened ..." Heavenly venerate pure yang told him what Feng Tianhu had said.

"Oh? With his level of strength, he wanted to get even with Lin Yi? Is he an idiot?" Pinliang said with a Hmph. "I know Lin Yi all too well-he's got a lot of hidden cards up his sleeves, and it's a piece of cake for him to fight someone of a higher level than him. The main thing is that he's very cunning, and he's very good at pretending to be a pig to eat the Tiger. I've suffered a few losses in his hands in the past, even my kidney was cut off! So, before we figure out how much strength and trump cards he has, we shouldn't mess with him. Otherwise, we'll just be sending ourselves to death!"

"Master, then we won't participate in this matter? Chunyin's death is over just like that?" Celestial master Chunyang thought that pinliang was right, but giving up like this would be too easy on Lin Yi.

"Of course we can 't, but we'll have to bear with it for a while. Otherwise, you'll just be sending yourself to your death. Do you think you can handle Lin Yi?" Pinliang asked.

"This ... That's true!" "I'll tell Feng Tianhu that we're not going to get involved, then. "Heavenly venerate Chunyang nodded.

"Tell him that we won't get involved, but if he wants to deal with Lin Yi, that's fine too." "Isn't there a blood-clad yellow spring sect in the ancient level that specializes in assassinating practitioners? I think you can remind Feng Tianhu to hire people from the sect to kill Lin Yi!"Pinliang said after some thought.

"That's a good idea. If it works, then it works. If it doesn 't, we won't lose anything. " "You're overthinking things, master!"Heavenly venerate Chunyang agreed.

"It's not that I'm overthinking it, but I'm holding a grudge too, and I can't take it anymore!" "But, because I know Lin Yi better than anyone else, I know that this isn't something that can be taken in a short while. He's been holding it in for so long, it doesn't matter if it's just a short while!"

"I see, but I believe that once master regains his strength, killing Lin Yi will be a piece of cake!" Said heavenly venerate Chunyang.

"I hope so!" "Right," pinliang said with a nod,"help me find someone and kill him."

"Oh? Master, who do you want to kill?" "You have other enemies aside from Lin Yi?" celestial master Chunyang asked, surprised.

"This person's name is Tang Yuqi. When I was in Donghai city, I wasn't the elder of the everyday and every day sect yet. I was only a disciple in name. This kid looked down on me and even beat me up. It's just that a lot of things happened a while ago. I became the kuanglong patriarch, and we were fighting Lin Yi, so I didn't have time to find trouble with him. But now, I can't let out my anger, so I can only vent it on him. " Pinliang said.

Chapter 3178 Naipao Awakens

"Oh, alright. Master, is this person also a cultivator? What level of strength?" Asked heavenly venerable Chunyang.

"This guy's an Earth class-I don't know how strong he is now, but I'm sure he's not Sky Class." "Send someone to kill him, just a Sky Class, right?" pinliang said.

"Okay, but just to be safe, we should send a Sky Class late phase peak-after Lin Yi's lesson, we'll have to be more careful!" Heavenly venerable Chunyang suggested.

"You're right. Find the person and I'll explain to him. " Pinliang muttered to himself before nodding.

The everyday and every day sect had quite a number of experts. After the death of a celestial venerable Chun Yin, a Junior Brother of celestial venerable Chun Yang's generation, celestial venerable Chun Leng, had come. In this generation, anyone who had reached the Sky Class would be given the title of celestial venerable!

"Chunleng greets Grand Supreme sect leader, patriarch frenzied Dragon!" Celestial master chunleng greeted him with great respect.

"Chunleng, this time, I want you to help me kill a person. Chunyang has already told you, right?" Pinliang asked.

"I already know, patriarch crazed Dragon! The person he killed was called Tang Yuqi, a detective who had just returned from overseas. " Celestial master chunleng nodded and said.

"Okay, the purpose of your trip is to kill this Tang Yuqi. Don't get involved in anything else, understand? Especially when it comes to Lin Yi-you know about the pure Yin thing, right?" Pinliang asked after a pause.

"I know, don't worry, master kuanglong-I'll hide from Lin Yi. I've heard about what happened to him-I'm no match for him at all. He could kill two Sky Class late phase peak Masters in seconds, so it'd be easy for him to deal with me. I'm not stupid enough to go die." Celestial master chunleng said.

"That's good. I don't wish for our everyday and every day sect to suffer any more losses!" "If you see Lin Yi, you have to stay as far away as possible. Don't mess with him, or you'll die in vain! I can't help you right now!" Pinliang warned.

"Yes, I understand. I'll be careful, patriarch. I'll hide as far away as I can when I see Lin Yi!" Celestial master chunleng was scared as well. Even if Zhong pinliang didn't say anything, he wouldn't dare to mess with Lin Yi. Lin Yi wasn't a normal person. Whoever messed with him would die. He didn't want to die yet!

"Alright, you can go. Do it after you're done with your investigation." Pinliang waved his hand, signaling for celestial master chunleng to leave.

"Alright," he said. Celestial master chunleng cupped her fists and left.

Only celestial master Chun Yang and pinliang were left. Pinliang stood up and said, "Let's go, we'll go see Pao. If Lin Yi doesn't die, we don't know if he'll be able to get out of his heart's demon!"

"Yeah, naipao's our sect's hope-we can't let him go on like this!" Heavenly venerate Chunyang said worriedly.

"Then what should we do?" Pinliang said with a frown.

"There's another way to cut off all means of retreat!" "Master, this method is dangerous, but it can still work!" Heavenly venerate Chunyang said after some thought.

"Oh? What method? tell me!" Pinliang's interest was piqued-as long as naipao could recover, it'd be worth the risk!

"The only thing we can do now is to stimulate him again and hit him hard. If we hit him too hard, it might stimulate his desire for revenge. This way, we can get rid of the demon in his heart." Said heavenly venerate Chunyang.

"What are the consequences?" Pinliang asked.

"If he doesn't succeed, then he'll only sink deeper and deeper, and it'll be even harder for him to walk out of this shadow of failure, forever trapped in his heart's demon." Said heavenly venerate Chunyang.

"This ... If it's not good, it'll be worse at most. But the current situation is not much better than worse. There's no harm in trying!" Pinliang said after a moment of silence.

"Alright, let's go and try it now! As long as we exaggerate Lin Yi's capabilities and tell naipao about chunyin's death, it should be enough. " Celestial master Chunyang said quickly. He wanted to give it a try as well, but he was afraid that pinliang wouldn't agree! Now that pinliang had agreed, there was no problem.

As they spoke, the two arrived at naipao's room-they pushed the door open, and the first thing they saw was naipao, still sitting on his bed with a blank look on his face! It seemed like naipao was still trapped in his own heart's devil.

"Paozi, I'm here to see you!" Pinliang sighed, "I wanted to kill Lin Yi to get revenge for you and help you walk out of your heart's demon, but I didn't think that he'd be so strong. Even celestial pure Yin died in his hands. Now, he can kill two Sky Class late phase peak Masters in seconds! I really can't do anything to him!"

"Yeah, naipao-Lin Yi's a very talented person, and his practitioner's Arts are very mysterious-he can fight people above his level, and he's the number one in every level! He was like this in Mystic, earth, and even sky! We normal practitioners aren't the strongest of a certain level, and our only hope is you-you're the strongest of a certain level, and we're all putting our hopes on you. Only when you grow up can you kill Lin Yi, or else we're no match for him!" Heavenly venerate Chunyang said helplessly.

"Ah ... No..." Naipao suddenly yelped as he stood up, covering his head, ""I don't want this! I want to kill Lin Yi! I want to work hard for Liang bro!"

With that, Naipao looked like he was in a lot of pain as he rolled around on the ground, crying out.

Pinliang and celestial master Chunyang looked at each other, a look of relief in each other's eyes. Naipao had finally walked out-as long as he could regain his confidence, his desire to practice, and his hatred for Lin Yi, everything would be fine!

As expected, after a while, Naipao's eyes returned to normal-they weren't as dark as before anymore, they were filled with determination!

"Liang bro, master, I'll work hard! I'll work hard on my cultivation and kill Lin Yi! Take revenge for Shishu chunyang, for Liang bro, kill Lin Yi!" Naipao said firmly.

"Good, that's great, Pao, you've finally recovered. I'm relieved!" "We're no match for Lin Yi now," Pinliang said happily. "Our only hope is you-you're the only one who can kill him!"

Chapter 3179 Scolded

"Don't worry, Liang bro, I don't know what happened to me before, but it was like I was possessed, but I woke up very quickly! I know my weakness now-I was too careless before, and couldn't kill Lin Yi directly-he always dragged me around, unlike Lin Yi, who always ambushed me or tried to stall for time. I, on the other hand, have become a little arrogant and self-satisfied, and after this incident, I've learned that everything is fake, and that defeating the enemy is the real thing. So, there's no need to say anything more, the most important thing is to fight!" Naipao said.

"That's great, Naipao, you've finally understood the true nature of your enemies! However, who didn't have a time when they were young and frivolous? I have one, so do pure Yin and pure Leng, but we're just lucky that we didn't run into a monster like Lin Yi. We can suppress him with our strength, but now,

we have Lin Yi, the number one who's no weaker than you, so we can only place our hopes on you!" Said heavenly venerable Chunyang.

"That's right, Paozi. You have to work hard, only then will we have hope!" Pinliang smiled as he patted naipao's shoulder.

Although chunyin was dead, naipao had recovered from his inner demon-this was something worth celebrating. Celestial master Chunyang, on the other hand, went to call Tianhu.

"How was it, celestial venerable Chunyang? What did the ancestors say?" While Feng Tianhu was anxiously waiting, he finally received a call from heavenly venerable Chunyang.

"Feng Tianhu, the grandmasters said that we shouldn't get involved in this for now. After all, the pure Yin Holy master just died and we don't have anyone to deal with Lin Yi. We'll be sending ourselves to our deaths if we act rashly without understanding Lin Yi's situation! So, you'd better think of a way yourself." Said heavenly venerable Chunyang.

"Ah? I'll think of a way?" Feng Tianhu sighed. Actually, he had also guessed this outcome. After all, the everyday and every day sect was not stupid. They would continue to attack after someone had just died? Wasn't this sending himself to his death?

"However, I can tell you that there's a blood-clad yellow spring sect in the ancient level. It's an assassin group. I think you know about it. If you don't have anyone you can use, you can hire them to help you!" Heavenly venerable Chunyang didn't say anything else."Alright, that's all I have to say,"

"Blood-clad yellow spring sect?" Feng Tianhu's eyes lit up. That's right, why didn't he think of it before? it would save him a lot of trouble if he asked the blood-clad yellow spring sect to deal with Lin Yi!

"I understand," Feng Tianhu said. "Thank you for your advice, heavenly venerate Chunyang!"

"En, I wish you good luck." Heavenly venerate Chunyang hung up the phone and didn't say anything else. He was afraid that this matter would bring him trouble.

After hanging up the phone, Feng Tianhu immediately found the contact method of the blood-clad yellow spring sect and called the sinister old ancestor, who was in charge of the sect.

At this moment, the ghastly old man was on the phone, reporting what had happened. He told Lin Dongfang about how celestial master pure Yin and Eastern silver Star had teamed up to deal with Lin Yi. "Old master, you don't blame us for not returning the favor and acting on our own accord, right?"

"You guys did nothing wrong, don't blame yourself." Lin Dongfang broke out in a cold sweat! If two Sky Class late phase peak were to go after Lin Yi, how was he going to deal with them? Wouldn't that mean he was dead?

But why didn't kongwen figure it out earlier? Why didn't he make a move? This made Lin Dongfang very confused! 'That's right ... Could it be that kongwen has already figured out the reason behind this?'

Lin Dongfang thought that it was possible. After all, kongwen could predict the future of inheritors, and it came true. Under some kind of coincidence, with the right place and identity, Lin Yi could establish a relationship with all the inheritors. Thinking about it now, Lin Dongfang felt that it was unbelievable.

This fortune-telling skill that could change one's fate was not just fortune-telling anymore. It was like the skill of a God.

"After we kill it, we'll ask master to help us keep it a secret. Actually, we want to give the credit to master so that master can be safe for a while." The ghastly forefather said.

"You guys did well." "But don't interfere too much," Lin Dongfang said, "the right amount of danger is good for Yi's growth."

"We understand. We were forced to do this. As long as master can handle it, we will not interfere!" The ghastly forefather said.

On the other side, the ghastly Grandmaster had just ended his call with Lin Dongfang when his phone rang again. Those who had his number were all from the ancient order. If it was an assassination mission from another order, they would have contacted someone else in the sect.

"Hey, I'm ghastly." The ghastly ancestor picked up the phone.

"Ghastly patriarch, I'm Feng Tianhu from the ancient Feng clan. I want to do business with your sect!" Feng Tianhu went straight to the point after picking up the phone. Since the Feng family and the blood-clad yellow spring sect didn't have any relationship, he might as well get straight to the point.

"Oh? Who do you want to kill? Do you still need us to deal with the ancient Feng family?" The ghastly forefather asked in confusion.

"It's me who wants to kill a person, it has nothing to do with the Feng family. " "That's why I'd like to ask your sect to help," Feng Tianhu said.

"Oh? What's this person's strength?" The ghastly forefather asked.

"Sky Class early phase." Feng Tianhu replied.

"One billion." The ghastly forefather gave a price. Of course, it was a fair price. It was basically a friendly price among the ancient factions.

"Alright, I'll send this person's information to your phone!" Feng Tianhu didn't mention that Lin Yi was fighting someone of a higher level. If he did, it would only increase the price of the assassination! Feng Tianhu didn't lie to the blood-clad yellow spring sect, after all. Lin Yi was a Sky Class early phase master.

Soon, he received an email in his mobile mailbox. However, his expression changed when he saw the information. He was so angry that he directly dialed Feng Tianhu's phone again!

"Ghastly old ancestor, how is it? when can we start the mission?" Feng Tianhu thought that the ghastly master was calling to confirm the mission, so he didn't think much about it and asked directly.

"Execute your mother's leg!" "You're playing with me, aren't you?" the ghastly patriarch said angrily. When I asked you who you were dealing with, you only told me that it was a Sky Class early phase- you're pretty good at this, aren't you?"

Chapter 3180 The Recent Situation Of Big Miss Chu

"Ah?" Feng Tianhu was instantly stunned!

"Ah what! Don't you know that Lin Yi can fight people above his level? Even our Sky Class middle phase died in Lin Yi's hands, and I heard that two Sky Class late phase peak also died in his hands-do you want us to be cannon fodder or what?" The ghastly forefather didn't give Feng Tianhu a chance to interject.

"But ... But Lin Yi is a Sky Class early phase ..." Feng Tianhu's forehead was covered in cold sweat. So the blood-clad yellow spring sect had already tried to assassinate Lin Yi? He still didn't succeed? They were well-informed too-Lin Yi had just killed two Sky Class late phase peak, and the blood-clad yellow spring sect already knew?

Although he knew that the news would spread after he told the Dongfang family, he did not expect it to be so fast! It seemed that the intelligence Agency of the blood-clad yellow spring sect couldn't be underestimated!

"Feng Tianhu, I'm telling you, we're not taking this business! Not only that, but you're also not welcome in our sect. You'd better be careful and stay at home. Otherwise, I'll definitely kill you if I see you!" "You dare to trick us?" the ghastly patriarch threatened. If you said it was Lin Yi, we wouldn't have accepted this mission even if it was ten billion, let alone one billion!"

"Yes ... Yes, I'm really sorry. It was my negligence ..." Feng Tianhu was depressed. He didn't kill Lin Yi and offended the blood-clad yellow spring sect instead. It was all his fault for being smart and trying to save some money. Now, the blood-clad yellow spring sect wanted to kill him instead!

"Hmph!" The ghastly ancestor hung up the phone! He threatened Feng Tianhu to stop targeting Lin Yi, but he couldn't make it too obvious. He could only threaten him like this.

.....

Dark night Palace.

After Chu Mengyao officially became the head of the Dark Palace, she settled in the house that ye Wan'er used to live in the dark Phoenix Mountain range.

This was because Chu Mengyao had accidentally consumed a Dark Phoenix before, and the Dark Phoenix had changed her Constitution, making her the same Constitution as the dark night Palace's ancestral master. Hence, on the first night she lived in the dark Phoenix Mountain range, Chu Mengyao successfully received the inheritance!

On this night, the Dark Phoenix Mountain range shone with a dazzling golden light, illuminating the Galaxy. All the disciples of the dark night Palace felt this strange phenomenon. Under the lead of the Grand Elder, they gathered in the training field of the dark night Palace to watch the strange phenomenon in the dark Phoenix Mountain range!

"I've received the inheritance! Elder li, Yaoyao's physique is truly unparalleled. She actually accepted the inheritance on the first day!" The Supreme elder was extremely excited. At this moment, tears were flowing down her face. Although she was a snobbish and mean person, it had to be said that she did not have any selfish motives. It could be said that she had dedicated her entire life to the sect.

Of course, he couldn't say that this was right. Elder li didn't agree with the Grand elder's character, but there was nothing he could do. Everyone had their own way of life and he couldn't ask the Grand Elder to change it!

Luckily, now that Mengyao had accepted the inheritance, her position in the dark Palace was truly one of the highest. Besides, this was just a saying-with the miss's current status, the Grand Elder wouldn't dare to go against her words! The two of them were on equal footing in the dark Palace!

Elder Li's status had also risen. He was ye Wan 'er's supporter, so naturally he was Chu Mengyao's supporter. The Grand Elder had also re-employed him, and his position in the dark Palace was now second only to the Grand Elder and Chu Mengyao.

"Grand Elder, let's go get the Dark Palace's mantras and let Yaoyao choose one to cultivate?" Elder Li reminded. After receiving the inheritance, one could officially start cultivating, and the speed of cultivation was also very fast.

"Alright, we'll go now!" The Grand Elder nodded and went to the library Pavilion with elder li! In fact, the Dark Palace only had two high-class metal attribute mental cultivation methods. One was called the Golden Rooster's cry, and the other was called the art of the silkworms expelling the Phoenix. The Grand Elder and ye Wan 'er both cultivated the Golden Rooster's cry, and the art of the silkworms expelling the Phoenix could only be cultivated by the inheritor. Ye Wan' er was cultivating while waiting to receive the inheritance, so naturally, she also chose the Golden Rooster's cry.

"I wonder if Yaoyao can cultivate the art of the first silkworm exorcising Phoenix?" Elder Li said hesitantly as he looked at the two mantras the Grand Elder had taken out.

"I hope so!" The Grand Elder wanted Mengyao to learn the art of the first silkworm, too-it was stronger than the Golden Rooster's cry, and while both could help her reach Sky Class late phase peak, the art of the first silkworm had more benefits!

However, not everyone could cultivate this mantra. So far, among the ancestors of the dark night Palace, only the one who had been changed to the Dark Phoenix physique for the first time could cultivate it. No one else could.

Chu Mengyao's physique was the same as the Grandmaster 's, and the way she accepted the changes was the same. She was also an inheritor, so the Grand Elder was looking forward to Chu Mengyao learning this art.

After the two of them had chosen their mental cultivation methods, they went up the Dark Phoenix Mountain range. At this moment, the golden light in the dark Phoenix Mountain range had already begun to dim, and the sky was gradually turning white. Morning was about to arrive.

When the golden light completely disappeared, Grand Elder and elder li looked at each other. They knew that the inheritance had ended!

And so, the two of them pushed open the door and walked into Chu Mengyao's room. They saw Chu Mengyao sitting cross-legged on the mat, resting. It was obvious that she hadn't returned to reality from the illusion of the inheritance! The two of them were not in a hurry, nor did they disturb him. They just stood aside and waited quietly.

After another two hours or so, Chu Mengyao slowly woke up. She opened her eyes and saw the Grand Elder and elder li, but she didn't get up to greet them! She was currently the palace Master, so she didn't need to greet the Grand Elder.

"Grand Elder, elder Li, you've come?" "I've already received the inheritance,"Mengyao said," and it feels exactly the same as in my dream. It's the same as what's recorded in the dark Palace's records. It's a mysterious feeling!" Can I start cultivating now?"

"Not bad!" The Grand Elder was both surprised and happy. "Elder li and I are here to prepare a mantra for you. I have two mantras here. You can choose one!"

With that, the Grand Elder handed the two mantras to Mengyao.

"Golden Rooster crowing the heavens? The art of first silkworm exorcizing Phoenix?" Chu Mengyao took the chant and read out the name, "What kind of mental cultivation methods are these? what strange names!"
