Chapter 3181 The Shy Young Miss

"This ... The names are a little weird, but they're all good stuff!" The Grand Elder smiled. "Elder li and I suggest that you practice this art of breeding silkworms. It's better than the Golden Rooster crowing heaven incantation. It's the best incantation in the dark Palace and the one that's most compatible with the inheritor!"

"Oh? What did this incantation mean? What are the benefits?" Chu Mengyao thought about it. The name of Lin Yi's practitioner's Arts was also very old-fashioned, so she picked up the art and asked.

"It's said that this mantra was created in ancient times by the ancestors. Our patriarch found that this mantra was very compatible with our Dark Phoenix body, and she was very powerful after cultivating it! It's just that we don't have the Dark Phoenix Constitution, so we didn't manage to successfully cultivate this mantra. " The Grand Elder explained.

"Xian can? Who is that?" Mengyao blinked.

"Xiancan was Emperor Xuanyuan's wife in ancient times. Emperor Xuanyuan had four concubines and ten concubines. Xiancan was his first wife ..." Grand Elder explained.

"Ah? Xian can is Xuanyuan's wife?" The eldest young lady's face turned red without any warning. She was a little shy and a little sweet. This made the Grand Elder and elder li dumbfounded. Palace Master, what's going on?

Mengyao, on the other hand, knew how to make connections. Lin Yi's practitioner's art was called the art of Dragon mastery, and her was called the art of the silkworm's Phoenix. Xuanyuan and the silkworm, dragon and phoenix, all corresponded to each other. Didn't that mean that she and Lin Yi corresponded to each other?

Thinking of this, the young miss became shy! Xian can was Xuanyuan's first wife? Then what about me? Yes, yes, it should be. She had kissed him before, so it meant that they were in love ... The young miss began to let her thoughts run wild ...

"Ahem ... Palace Master, what's wrong?" Elder li finally couldn't help but ask.

"Argh! It's nothing!" Mengyao, of course, couldn't say what she was thinking. She shook her head, "I'll cultivate this [silkworm exorcizing Phoenix Art]. It's quite good and has a nice name!"

"That's good!" The Grand Elder was a little confused as well-Mengyao was just saying that the name sounded weird, and now it sounded nice? However, the Grand Elder didn't want to know about these things. It was enough for Chu Mengyao to practice this high quality art! "Yaoyao, we've never cultivated this mantra before, so you'll have to figure it out yourself. If there's anything you don't understand, you can look for us to discuss it together!"

"Alright, I got it." Mengyao returned to normal and nodded.

"Then elder li and I will go back first!" "You've successfully received the inheritance. This is important news. I'm going to inform the sect's disciples and celebrate!" The Grand Elder said.

"Alright!" Chu Mengyao stood up and sent the Grand Elder and elder Li off. She then returned to her seat and smiled sweetly as she looked at the art of the first silkworm exorcizing Phoenix in her hand.

Although she left and wasn't by Lin Yi's side for the time being, the Miss believed that the next time she came back, she would be able to become very strong and become Lin Yi's assistant!

With that in mind, Mengyao opened the [art of the first silkworm, Exorcist Phoenix] and started reading the chant.

"Art of first silkworm exorcizing Phoenix", this was a line of large words, and below the words was the main text of the mental cultivation method!

"The first stage is the mayfly heavenly silkworm. Mortals are like ants. How can they change the great Dao and control the common people ..."

Mengyao frowned at the way the practitioner's Arts was so boisterous, but she still continued reading. The first stage of the art was divided into three levels-early, middle, and late. Of course, there wasn't a clear boundary, and there weren't any barriers between levels. All one had to do was to keep on learning and practicing, and one could reach the great circle of the first stage!

After the first step, there was still the second and third ... But Mengyao didn't look at them. To her, the first step was the most important.

She'd always wanted to become a practitioner when she was in the common world, and now that she had the chance, she didn't rest and started cultivating day and night!

Cultivation knew no time. In the blink of an eye, Chu Mengyao had spent half a month in the dark Phoenix Mountain range!

Maybe it was because the Dark Phoenix Mountain range had an abundance of Qi, and it was suitable for Chu Mengyao's body, plus she was an inheritor, so her cultivation speed was a thousand miles a day. The art of the first silkworm exorcizing the Phoenix wasn't easy to cultivate, but the miss's perseverance was amazing. She didn't sleep and cultivated every day, and she had some of Lin Yi's perseverance when he first started on the path of cultivation!

It was this godly speed and hardworking attitude that made the Grand Elder value Chu Mengyao even more!

She saw Chu Mengyao as the hope of her sect-in such a short time, Chu Mengyao was able to rush from a normal person to golden class late phase peak. The inheritors who successfully received the inheritance didn't have any level barriers, so Chu Mengyao's cultivation wasn't only fast, but there were also no hindrances. As long as she broke through to the next level, she could easily reach Sky Class!

However, the Dark Phoenix Arts of the Dark Palace wasn't that easy to learn. Although Chu Mengyao was already a golden class late phase Peak Master, she was still stuck at the first level of the arts, not breaking through to the second level!

Because of this, Mengyao's cultivation speed slowed down as well-the speed at which the first level absorbed and transformed the Qi of the world wasn't enough for the amount of Qi She needed to break through from golden class late phase peak to Mystic early phase, so she chose to rest for now.

Ever since Chu Mengyao started cultivating, she finally took control of the Dark Palace. The Grand Elder no longer interfered with Chu Mengyao's matters, and Chu Mengyao could start talking to the outside world as she pleased!

The first thing Mengyao wanted to do after she was done with her training was to call her family. As for who to call first, she didn't even think about it before she called the villa! In fact, Chu Mengyao wanted to call Chu pengzhan and ask how her mother, ye Wan 'er, was doing, but when she picked up the phone, she couldn't help but dial the villa's number!

If it was before, the Miss would've leaned on Shu and thought that she called the villa because she missed Shu, but now, the Miss was sure of her feelings. She was sure that she was calling Lin Yi!

Chapter 3182 A Warm Phone Call

Although she'd been training day and night in the dark Palace, and sometimes she'd regret not understanding her feelings earlier when she returned to the real world, only saying it when they were separated, she'd still be glad. If it weren't for this separation, she wouldn't have been able to understand her feelings!

The phone rang a few times, but no one picked up. After a while, it became an automatic answer. "Hello, this is the home of the Super cute genius Prophet spy Shu 007. If you want to leave a message for Shu, please press 1. If you want to leave a message for shield bro, please press 2. If you want to leave a message for Yaoyao sis, please hang up. She's on a long journey ..."

"Pfft ..." Chu Mengyao almost burst out laughing when she heard the last sentence. She knew the first few sentences of the automatic answer since she had it at home. The last sentence was obviously changed by Chen Yushu.

But then, Chu Mengyao was confused. Where did the people in the villa go? Why didn't anyone pick up the phone? Chu Mengyao subconsciously looked at the time and realized that it was already early in the

morning. She cultivated day and night and didn't care about the time at all. In the dark Palace, there were disciples on duty both day and night. The master cultivators also used cultivation as a substitute for sleep.

But, even if it was midnight, Lin Yi should still be picking up the phone. Plus, if it was midnight, shouldn't there be someone in the house?

Chu Mengyao was confused as she called Lin Yi's phone to ask where he was.

Lin Yi had just gotten Chentian and sanhuang to deal with the bodies of celestial master pure Yin and Eastern Silverstar when his phone rang.

Lin Yi's heart skipped a beat when he saw the familiar caller ID! This was ... The young miss calling?

"Yaoyao?" Lin Yi picked up the phone, a little surprised.

"Yeah, it's me, Lin Yi. Are you okay?" Mengyao's voice was calm, just like every time she called Lin Yi. There was a natural warmth in her voice.

"I'm alright, how about you?" Lin Yi didn't tell her about the Sky Class late phase peak-he didn't want Mengyao to be worried. It was over anyway, and it didn't matter if he told her or not.

"I'm fine too-my position in the dark Palace is even higher than Xiaoxiao's in the Ice Palace. The Grand Elder doesn't really care about me now, so I'm pretty free. " Mengyao was a little proud as she spoke-it seemed like she wasn't the most useless one after all. At least, she was one of the better ones among Lin Yi's women!

"That's good. " Lin Yi nodded. This was what he was most worried about-if Chu Mengyao was safe and sound in the dark Palace, then he wouldn't have to worry anymore. "You've already started cultivating, right? How's the progress?"

"It's pretty good. The cultivation method I'm cultivating is called the art of the first silkworm exorcising Phoenix. It has a strange reputation. It's similar to your cultivation method's pithy formula. They're both strange!" Chu Mengyao didn't mention the connection between the two. She believed that with Lin Yi's intelligence, it would be easy for him to connect the dots. The Miss would also be hinting at it now.

"The art of first silkworm exorcizing Phoenix?" Lin Yi blinked. She knew who Xian can was-she was Emperor Xuanyuan's wife, and the name of Chu Mengyao's practitioner's Arts was very similar to his own. Lin Yi didn't believe that Chu Mengyao didn't notice it. He felt that the Miss was probably hinting at something, so he smiled, "Yes, it's similar to my heart cultivation chant. Maybe it's a part of the same heart cultivation chant, and it can even be dual cultivation!"

"Go to hell!" The Miss blushed-she'd confessed her feelings to Lin Yi, but it was only a confession, and they didn't get together after that. They'd had some flirtatious moments in their lives before, but they weren't really in a relationship yet, so she was still quite shy and wasn't used to Lin Yi's teasing, "I'm just saying-I'm a golden class late phase peak now, about the same as when you first came to Songshan!"

"Oh? That's fast!" Lin Yi asked, surprised.

"It's alright!" "Right, where's SHU?" the Miss said, pleased with herself. Why didn't you pick up the phone just now?"

"Oh, we were doing something in the villa's yard just now. We're not in the villa." Lin Yi said vaguely.

"You? With Shu? In the villa's yard in the middle of the night?" "Lin Yi, you didn't have sex with Shu, did you?" Mengyao asked, her tone strange.

"Ugh ..." Lin Yi froze, not knowing whether to laugh or cry! However, Mengyao couldn't be blamed for being suspicious-Lin Yi's tone was suspicious indeed. He smiled and asked, ""Yaoyao, are you jealous?"

"What's there to be jealous about? if you were, you'd be dead already. What did Xiaoxiao, Xinyan, and Jing Jing say?" "Plus, it's not a big deal if it's SHU," Mengyao said, annoyed."She's always wanted to be the second wife anyway, I'm used to it ..."

"Man, it's just two guests. Let's go out and take a look." Lin Yi smiled bitterly,"if Shu and I wanted something to happen, it would've happened a long time ago. We don't need to wait for you to leave. You know Shu, she doesn't need to hide anything from you!"

"That's true," Mengyao nodded, thinking that she might be overthinking things. "It's good that you're fine! I'll call my dad, and then I'll call Shu. Text me if you need me, I always turn off my phone when I'm cultivating, but I'll call you when I'm done after I see the text!"

"Alright, Yaoyao, take care!" Lin Yi said.

"Alright, I'm fine here, don't worry!" Mengyao said with a smile.

After hanging up, Lin Yi relaxed a little. It seemed that Chu Mengyao was doing well in the dark Palace. Lin Yi had to admire the Miss. Her aura was strong, and she could control the situation.

Chu Mengyao's second call was to Chu pengzhan.

"Yaoyao?" Chu pengzhan was a businessman and his phone was always on 24/7. He was surprised and happy to receive a call from Chu Mengyao! Ever since Chu Mengyao left, there was no news from her. Although Chu pengzhan was worried, there was nothing he could do. After all, he knew the Dark Palace better than anyone else. If they could contact her, then they could. If they couldn't, then there was no point in doing so!

After so many years, there was no news of ye Wan 'er. Chu Mengyao had just left, so how could he expect her to have any news? Pengzhan was prepared to never see his daughter again in ten years.

However, he did not expect that his daughter would call him after only half a month!

Chapter 3183 Missing Ye Wan 'Er

"It's me, daddy, I missed you ..." Chu Mengyao heard Chu pengzhan's voice and felt a lot of emotions.

"I missed you too, Yaoyao. How are you doing in the dark Palace? How can you call me now? The Grand Elder allowed you to contact the outside world? Did you contact Lin Yi?" Chu pengzhan asked a long list of questions.

"I'm the palace master of the palace of Darkness now. No one can interfere with what I want to do in the Palace of Darkness!" Mengyao was very proud when she said this. "Daddy, don't worry about me. I'm fine here. The Grand Elder won't ask me for anything!"

"Ah?" Chu pengzhan was shocked. He didn't expect Chu Mengyao to be this strong! Wan 'er was the palace Master of the Dark Palace, but she didn't have much power. Mengyao, on the other hand, was different. She'd just entered the Dark Palace, and she'd already gotten the status she deserved!

"Yes, dad. I've successfully received the inheritance and am now a golden class late phase peak. The Supreme elder is very happy." "Right," Mengyao explained, "did you see mommy?" Are you guys alright?"

"Your mother?" Pengzhan was taken aback and quickly asked, "Yaoyao, did you say that your mom is back?"

"That's right, did you not see her?" Mengyao's heart skipped a beat. Could there be a problem? Ye Wan 'er had already gone back half a month ago. Why was she still not home?

"No, did your mother come back?" Chu pengzhan was shocked as well, suddenly realizing that something was wrong.

"Daddy, please wait. I'll contact you later!" Chu Mengyao was a little worried. Logically speaking, with ye Wan 'er's strength as a Sky Class early phase, there shouldn't be any danger, but ye Wan' er did go back, but she didn't go home. Where could she have gone?

Even if it was a Sky Class early phase, Chu Mengyao was still worried. After all, the people from the Dongfang family were all Sky Class Masters, and ye Wan 'er really wasn't a match for them! Therefore, Chu Mengyao had to find ye Wan 'er's traces as soon as possible.

"Alright, if you have news of your mother, tell me immediately!" Chu pengzhan was also very anxious and quickly said.

"En!" Chu Mengyao hung up and went to find the Grand Elder.

Now, Chu Mengyao had a lot of authority in the dark Palace. She could go anywhere she wanted. This was a power that ye Wan 'er never had before. She could even go to the Grand elder's residence without telling anyone. This was also the Grand elder's convenience for Chu Mengyao to consult her whenever she encountered a problem in cultivation!

And so, the disciples of the Dark Palace could see that Chu Mengyao was the real palace Master now, different from when ye Wan 'er was still in power. The era of the Grand elder's word was over!

No one dared to disobey Chu Mengyao's words. Whatever she said, it was the same as what the Grand Elder said! This was authority.

"Greetings, Palace Master!" The Grand elder's maidservants used to be very powerful and didn't even bother with ye Wan 'er, but towards Chu Mengyao, they were extremely respectful! They knew that the Grand Elder wouldn't even hesitate if Mengyao wanted them dead.

"Yaoyao, you're here!" The Grand Elder came out to welcome them, too. She smiled when she saw Chu Mengyao, pleased the more she looked at her.

"Yes, Grand Elder. I just called my father. He said that my mother didn't go back to Eastern Sea city. Didn't our people escort her back?" Mengyao asked directly.

"What? Wan-er didn't go back? It's impossible, our people accompanied her all the way to Chu pengzhan's company before leaving. How could they not go back?" The Grand Elder was taken aback and asked in a strange tone.

"All the way to the company? Then my father said he didn't see it!" Mengyao's heart skipped a beat. Did something really happen?

"Yaoyao, don't worry. I'll call the dark shadow group right away. We still have people in Eastern Sea city, especially after Wan 'er returned. I asked elder li to send more people. They didn't report any bad news, which means Wan' er is fine!" As the Grand Elder spoke, he called for elder li.

Elder li had regained control of the dark shadow group because of Chu Mengyao, and his power in the dark Palace was at its peak! When elder li arrived, the Grand Elder explained ye Wan 'er's situation to him, then said, ""Elder li, go and ask the members of the dark shadow group in Eastern Sea city where Wan 'er is!"

"Alright, I'll go and ask now!" With that, elder li went to make the call. After about ten minutes, he came back with a weird expression on his face. He said to Chu Mengyao and the Grand Elder, "Supreme elder, Palace Master, the people from the dark shadow group said that elder ye is currently staying in a hotel opposite pengzhan industries. She's been staying in the hotel since she came to Donghai city. She would go out occasionally to Chu pengzhan's place, but she wouldn't stay overnight. She would still come back at night."

"You're staying in a hotel nearby? So, my mom didn't meet my dad? When she goes home at night, she's only outside?" Chu Mengyao also felt that it was a little strange.

"Yes, but we can't be sure-after all, the shadow group can't be too close, and elder ye is a Sky Class master-they'll find out if they get too close!" Elder Li said.

"Then ... Do you have any way to contact my mother?" Mengyao asked.

"Yes, but you have to ask the dark shadow group to go to the hotel room to find her because elder ye didn't bring his mobile phone or other communication tools." Elder li suddenly thought of something, "There's another way. We can find the number in her hotel room and call her directly."

"Then let's go with the second method. Elder li, go and check it out now." Mengyao ordered.

"Alright, I'll go ask them now." Elder li nodded and said.

After a while, elder li came back and handed a set of paper notes with a phone number on it to ye Wan 'er. Then he said, ""Palace Master, this is the phone in elder ye's room!"

Chu Mengyao let out a breath of relief and nodded. She took the phone and walked out of the room. She called her mother, ye Wan 'er. The Grand Elder and elder li didn't follow either-they didn't want to eavesdrop on Mengyao's privacy.

The call was picked up very quickly. Ye Wan 'er thought that it was a service call from the hotel, as she reserved her three meals at the hotel's restaurant every day, so she didn't think much about it and said directly, ""Hello, may I know who you are looking for?"

Chapter 3184 Excited Chu Pengzhan

"Mom ..." Chu Mengyao's heart ached when she heard the voice. She couldn't understand why her mother would hide in the hotel and not meet with her father.

"Yaoyao?" Ye Wan 'er froze for a moment. She didn't think that Chu Mengyao would call her in her hotel room. However, after a moment of shock, she understood. The dark shadow group of the Dark Palace must be nearby watching her, so it wasn't surprising that Chu Mengyao could get the number here, ""You got my number from the dark shadow group?"

"En, elder li just checked and gave it to me." Mengyao said.

"Yaoyao, mommy is very happy. It looks like you've really established yourself in the dark night Palace and even obtained the power of the palace Master ..." Ye Wan 'er sighed. She had been in the dark night Palace for so many years, so how would she dare to call home? But Chu Mengyao dared, and not only that, elder li also regained his power, and all of this was probably brought by Chu Mengyao!

Ye Wan 'er could not quite understand her daughter. Although they looked similar, her daughter was much stronger than her.

"Yeah, mom, let's not talk about this. Why don't you meet with dad? He really misses you!" Mengyao asked.

"Yaoyao ..." At this point, ye Wan 'er became silent. She returned to Donghai city, but didn't go see Chu pengzhan immediately because she was a little excited and worried. After not seeing Chu pengzhan for so many years, how could she not be excited?

However, her return was exchanged for her daughter's life. Chu pengzhan lost his daughter in exchange for a wife, so ye Wan 'er didn't dare to face Chu pengzhan. All these years, she didn't fulfill her responsibilities and duties as a wife, and Chu pengzhan never found another woman, not even a lover. This made ye Wan 'er feel very guilty!

She felt like she owed Chu pengzhan and didn't know how to face him, so she hid in the hotel and watched Chu pengzhan in the dark, not daring to meet him.

"Mom, what's wrong? Is there something you can't tell me?" Mengyao asked, confused.

"I don't know how to face your dad. It's been so many years, and I can't even be by his side. I can't even call him. Now that I'm back, I'm a little scared to go and find him ..." Ye Wan 'er smiled bitterly and told Chu Mengyao her worries.

Ye Wan 'er's words made Chu Mengyao not know whether to laugh or cry! She could only comfort her. "Mom, it's a good thing that you're back. It's not your fault. It's the rules of the Dark Palace. Isn't everything fine now?"

"Now that I think about it, your mother was too weak ... What rules? Yaoyao, you can ignore these rules, but I ... Can't ..." Ye Wan 'er felt a little guilty.

"Actually, it's not the same." Mengyao smiled and comforted her, "mom, I accepted the inheritance. That's why I can keep my word in the dark Palace. But you didn't accept it. It's not your fault!"

"Ah? You've already accepted the inheritance?" Ye Wan 'er was a bit surprised. She didn't think that Chu Mengyao would be able to accept the inheritance so quickly.

"En, that's why the Grand Elder gave me the greatest amount of support and freedom. But you're different, so you don't need to feel guilty! He already knows that you're back. If you don't go now, he'll definitely come out to find you!" Mengyao said.

"Ah? You've already told him?" Ye Wan 'er was shocked. She naturally knew how much Chu pengzhan cared about her. This could be seen from the fact that Chu pengzhan hadn't had anything with other women for many years. So when Chu Mengyao said that Chu pengzhan would come to her, it was possible!

"Yes, so you have to make a decision as soon as possible." Mengyao said.

"How about this, Yaoyao? give me a few more days to get used to it. I haven't been to the secular world for a long time since I left the Dark Palace. I want to calm down for a few more days ..." Ye Wan 'er said.

"Then ... Alright." Chu Mengyao didn't force ye Wan 'er anymore. Chu Mengyao knew that she and her mother were both people with a lot on their minds. They were always hesitant, just like how she was with Lin Yi.

However, after hanging up, Chu Mengyao called Chu pengzhan's number again! Sometimes, people with this kind of personality needed someone to push them to the side, and Mengyao herself was the same. If it weren't for Shu, she wouldn't have been able to confess to Lin Yi so smoothly!

So this time, she wanted to be the one to add fuel to the fire.

"Yaoyao, how did it go? did you find your mom?" Chu pengzhan had been guarding his phone the whole time. When he saw Chu Mengyao's call, he quickly picked up and asked.

"Dad, go to the xxx business hotel opposite your company now. Room 2901. Don't tell anyone that I told you to go!" Mengyao said.

"To the hotel?" Chu pengzhan was stunned but he immediately understood and laughed, "Okay, Yaoyao, I'll go over now. I won't tell your mom. You were the one who told me she was at the hotel."

"Haha ..." Chu Mengyao laughed. Actually, ye Wan 'er could guess whether Chu pengzhan said it or not.

After hanging up, Chu Mengyao let out a breath of relief. After all this was done, she had to go back and call Shu. It would probably take the whole night. This was one of the reasons why she called Shu last.

Chu pengzhan quickly washed up and changed into a decent suit. Then, he stood in front of the mirror and tidied his hair. In the past, Chu pengzhan had always placed a lot of importance on his image, and he would always style his hair properly when he went to business meetings, but he had never been as serious as he was today. He combed his hair over and over again, but when he saw the White hair on his temples in the mirror, he couldn't help but sigh!

No matter what, he was already old. In the blink of an eye, he had become a middle-aged man. He wondered what ye Wan 'er looked like at this moment. Although his impression of Wan 'er was still the same as Chu Mengyao, Chu pengzhan knew that Wan' er must be old now!

However, no matter what ye Wan 'er looked like, Chu pengzhan's heart had never changed. He couldn't wait to see her again!

Finally, Chu pengzhan was satisfied with his image in the mirror. He rushed out of the door and drove to the hotel opposite the company. However, when he passed by a vending machine on the side of the road, he hesitated for a moment and stopped the car. He fiddled with the vending machine for a while and got a small box.

Mengyao was already twenty years old, and pengzhan didn't want her to have a younger brother or sister ... He wasn't young anymore, after all, and he didn't have the energy to raise a child.

Chapter 3185 Song Lingshan's Admirer

Chu pengzhan had already thought it through. He was going to hand over the business to uncle Fu or sun Jingyi to manage, and then he would take ye Wan 'er on a trip to Las Vegas, to visit the old place and reminisce about the days of his youth.

Mr. Yang had disappeared for a long time, but pengzhan still couldn't forget those days.

He parked the car in front of the hotel, and since pengzhan's car was very high-end, the security didn't question him. He took the elevator up to the 29th floor and arrived at Room 2901. He was so excited that his breathing quickened. He reached out his hand, wanting to knock on the door, but he couldn't bring himself to do it ...

Ye Wan 'er was a Sky Class early phase master, so she could sense it immediately when someone was approaching her room. She thought it was a waiter, but after waiting for a long time, no one knocked and the person at the door didn't leave. Ye Wan 'er suspected that the person at the door might be from the Dark Palace, so she didn't think much about it and walked to the door, opening it suddenly to see who was following her!

If it was the old ye Wan 'er, she wouldn't have done this. Although she was the palace Master in name, her subordinates didn't listen to her at all. If they found out that someone was following them, they wouldn't care. But it was different now. Chu Mengyao had a firm foothold in the dark Palace, and these people had to respect ye Wan 'er. Otherwise, if they angered Chu Mengyao, they would end up like Zhao Qibing, the toilet cleaner.

However, when the door opened and ye Wan 'er saw the person at the door, she was stunned!

Chu pengzhan didn't expect the door to open so suddenly and jumped in shock. But when he saw ye Wan 'er in the room, he was dumbfounded! Ye Wan 'er's current appearance was the same as when she left. She didn't change much, just like the young woman who had just given birth to Chu Mengyao!

Although ye Wan 'er had seen Chu pengzhan from afar before, it was her first time seeing him up close. Looking at his white sideburns, ye Wan 'er felt sad. She had been gone for so many years, leaving Chu pengzhan alone at home without even calling him ...

For a moment, ye Wan 'er's tears fell like rain, ""Pengzhan, you're getting old ..."

"Haha, it's fine if I'm old, but you're not. An old couple and a young wife, people will be envious ..." Chu pengzhan laughed, ""But you won't despise me, right?"

Ye Wan 'er shook her head. "I'm sorry ..." She said. "For so many years, I've left you and Yaoyao here ..."

"I understand that you didn't have a choice. But our daughter is very capable. That Grand Elder, other than being treated by Mr. Yang, only Yaoyao can suppress her now!" Chu pengzhan sighed.

"En ..." Ye Wan 'er finally couldn't take it anymore and jumped into Chu pengzhan's arms ...

The two people who had been separated for more than ten years were finally reunited. Chu pengzhan held ye Wan 'er and entered the room, closing the door behind him ...

.....

Song Lingshan had been very troubled recently. The reason was that Tang Yuqi's pursuit was becoming more and more obvious, and song Lingshan felt helpless! On one hand, Tang Yuqi was one of the best crime solving experts. With him on the team, song Lingshan's pressure decreased a lot. Many cases could be solved with just one look from Tang Yuqi.

On the other hand, Tang Yuqi's salary was very low. It was the same as the salary of the assistant police in the police force. This made the police very satisfied with Tang Yuqi. Who wouldn't want a cheap and capable employee?

So, it was impossible for song Lingshan to fire him even if she wanted to. She could only face Tang Yuqi's pursuit and pretend that she didn't know.

"Lingshan, let's have dinner together after work?" Tang Yuqi finished what she was doing and walked over with a smile! Last night, Tang Yuqi had just taken a Qi gathering pill and successfully reached the early stage of Sky Class.

In fact, Tang Yuqi didn't want to use the pills to level up before, but for song Lingshan, for song Lingshan to think that he was strong, he had to take the pills frequently.

The overseas cultivators Association had a lot of resources. Tang Yuqi was a core member of the overseas cultivators Association, so he had a lot of stock.

Tang Yuqi heard from other people that song Lingshan's criteria for a partner was to be stronger than her and better than her. That was why Tang Yuqi was so anxious to level up, to put an absolute distance between them!

Lingshan was at the early phase of the earth Class, and if he wanted to pull a huge gap between them, he had to be at the early phase of the Sky Class.

"I'm not going, I still have things to do. " Lingshan didn't even raise her head to look at the case file.

"I just broke through to Sky Class yesterday. As a friend and colleague, aren't you going to celebrate for me?" Tang Yuqi said.

"You broke through?" Lingshan paused, surprised. Tang Yuqi had been breaking through so many times recently, and was now a Sky Class? Wasn't this speed a little too fast?

"Yeah, so, how about we celebrate?" Tang Yuqi asked with a smile.

"I really have something to do today. Let's check the time after we're done." Even so, song Lingshan didn't want to go out alone with Tang Yuqi anymore. When she saw Tang Yuqi's goal, she didn't eat alone with him anymore. There was already someone in her heart, and she couldn't accept Tang Yuqi anymore.

"I see. I'll wait for you then." "Is there anything I can help you with?" Tang Yuqi asked.

"These cases were previously piled up. Recently, the family members of the victims came to ask about the progress. I want to reorganize these cases and see if there are any clues." "If you don't have anything else to do, I'll give you half of it, you can take a look!" Lingshan said.

"Ah ... Okay ..." Tang Yuqi was speechless. Many of these cases that had been pushed aside in the past had been there for several years. Now, it was difficult to even find a clue in one of them, let alone so many cases. How long would it take to sort out the clues and clues? How could this be completed in one night?

However, since song Lingshan said so, Tang Yuqi couldn't do anything about it. Since he could be with song Lingshan, he didn't mind doing more work. With that thought, Tang Yuqi picked up a few files and started reading ...

Time flew by, and in the blink of an eye, it was already seven in the evening. Tang Yuqi saw that song Lingshan was still looking at the files and didn't go to eat. He finally couldn't take it anymore. He put down the files in his hand and walked over. "Lingshan, it's already seven, you have to eat! Why don't we go eat first and then come back to read the file? You can't skip meals at work, can you?"

Chapter 3186 Challenging Lin Yi

"I'm not going. I'll just order a takeaway. " Lingshan said.

"Lingshan, why do you always avoid me?" Tang Yuqi finally asked the question that he had been holding back for a long time! He'd always tried his best to maintain his image in front of song Lingshan, and he'd heard about her standards when it came to finding a partner. He felt that he fit the criteria perfectly, so he didn't understand why song Lingshan didn't accept him.

He and Lingshan were in the same profession, and they had plenty of common topics to talk about. They were both practitioners, and they had the same secrets. He was stronger than Lingshan, too, and all of that fit her criteria for a partner. But why did she reject him time and time again?

Tang Yuqi didn't think that he wasn't good enough. He felt that the problem was with song Lingshan, so he finally gathered his courage and wanted to ask.

"Tang Yuqi, what do you want to say?" Lingshan frowned. She knew that Tang Yuqi liked her, but this was the first time they'd talked about this so openly.

"Lingshan, I want to know why you always reject me. Don't you understand what I'm thinking? I like you!" "I'm staying here for you," Tang Yuqi said loudly. "I think we're in the same profession and we're all cultivators. I've also heard that your criteria for a partner is that the man must be stronger than you! I'm already satisfied with all of this. I don't understand why you've never responded to my pursuit?"

"Tang Yuqi, I'm sure you can tell that I've been avoiding this question ever since I found out about your feelings. You should understand what I mean." "I didn't say it out loud because we're colleagues, and I hoped you'd back off, but I didn't expect you to get braver!" Lingshan said. But since you've said it out loud, I might as well tell you that it's impossible between us!"

"Why? There must be a reason, right? Lingshan, you have to have a reason for rejecting me, right? I think we're a good match, there's nothing wrong with that!" Tang Yuqi was very unreconciled and confused.

"If I have to give you a reason, it's that I have someone I like." Song Lingshan looked at Tang Yuqi and said firmly, "I like him. Is this reason enough?"

"But I've never seen him before. Lingshan, are you lying to me?" Tang Yuqi didn't believe Song Lingshan's words. "If there's really such a person, I've been in the police force for a long time. It's impossible that I've never seen him before, right?"

"He's very busy and has a lot of things to do. I didn't disturb him." "Tang Yuqi, I can't deny that you're very good, but from a fair point of view, he's much better than you. So, please let go of this. It's for the best for all of us ..." Lingshan said.

"No, I don't believe it!" "I'm a Sky Class master, an expert in solving cases," Tang Yuqi said unwillingly. "How could he be better than me?" Lingshan, don't lie to me, there's no such person, right?"

"I'm sorry, I have no need to lie to you." Lingshan shrugged. "Tang Yuqi, believe it or not, this person really exists."

"Good! Lingshan, since you say he's stronger than me, then I'll challenge him to a duel. We'll use a man's way to see who's stronger!" "If he's stronger than me, then I'll admit defeat. But if he's not as good as me, Lingshan, I hope you can reconsider!" Tang Yuqi said.

"Tang Yuqi, why are you so stubborn?" Song Lingshan was helpless, but Tang Yuqi's actions were gentlemanly. He wanted to compete with Lin Yi, and he won, but song Lingshan could consider him. Song Lingshan couldn't say anything harsh.

"I hope you can give me this chance!" Tang Yuqi said firmly.

"I can't promise you that. If you really want to challenge him, I can find time to talk to him, but I can't guarantee whether he will accept it or not." Lingshan said.

"Alright, if he's really a great hero like you said, then he'll definitely accept my challenge and won't be a coward!" Tang Yuqi knew how to goad him, and Lingshan could tell what he was thinking. She just smiled and didn't take it to heart.

In fact, song Lingshan herself hadn't seen Lin Yi for a long time, and she missed him a lot. However, she heard that Lin Yi was very busy these days as a bodyguard for the superstar Xu Shihan, and the company's new product was launched, so she didn't want to disturb him.

She didn't come across any difficult cases that she couldn't solve, either. Tang Yuqi could handle normal cases, and Lin Yi didn't have to do anything. There was no reason for her to look for Lin Yi.

This was a chance-Tang Yuqi wanted to challenge him, and Lingshan could use this to ask Lin Yi out and meet him! This was also the reason why song Lingshan agreed to help Tang Yuqi.

"I will tell him." Lingshan said.

"Good! In that case, I won't pester you anymore. I'll take the case file back to read. If you're willing to stay in the office, then continue. I'll go back first. " After Tang Yuqi achieved her goal, she didn't pester him anymore. She was very free and easy.

Lingshan nodded, surprised. "I'll watch for a while longer. "

"Alright, see you tomorrow." Tang Yuqi didn't say much and left the office with the case files.

After Tang Yuqi left, song Lingshan sighed and dialed Lin Yi's number.

"Lingshan?" Lin Yi picked up, surprised that Lingshan hadn't contacted him in a while."Is there another case that can't be solved?"

"I didn 't." Lingshan felt a little embarrassed at Lin Yi's words-he made it sound like she was useless, always solving cases! "It's like this ... In our police station, a colleague is pursuing me ..."He quickly said.

"Colleagues? To pursue you?" "Oh?" Lin Yi blinked,"you called just to tell me this?"

"I rejected him and told him that I already have someone I like, but ... He wants to challenge you ..."
Song Lingshan said.

"Pfff ..." Lin Yi didn't know whether to laugh or cry, "'I'm a practitioner, and a Sky Class at that-he's challenging me?"

"Actually ... He's also a practitioner, a Sky Class master ..." Lingshan smiled bitterly.

"What? Your colleague is a Sky Class master?" Lin Yi's eyes widened, "really?" Since when did the police station have so many hidden talents?"

Chapter 3187 Mother Tang Is Back

"It's like this ..." Lingshan didn't mention Tang Yin, "He's actually a famous detective who came back from overseas. He came to our police station and only received a salary as an auxiliary police officer, but he was working as an International Detective. We were all quite happy at first, but who knew that his real purpose was to pursue me ..."

"A Sky Class master from overseas?" "Sky Class overseas?" Lin Yi asked, confused. And this Sky Class master, he's here?"

"That's right. He belongs to an organization called the overseas cultivators Association. His name is Tang Yuqi. I don't know if you've heard of him?" Lingshan said.

"Tang Yuqi?" Lin Yi blinked-this name was really familiar. He tried to recall who this person was, but it didn't take long! Back then, he went to the movies with Chu Mengyao and the others, and Zhong pinliang went as well. In the movie theater, they met a man called Tang Yuqi, an overseas detective!

Lin Yi's impression of this person was not too bad. Could this person be the antagonist?

"Yes, but he's not bad. Although he's wooing me, he doesn't go overboard, and he doesn't have any bad intentions ..." Song Lingshan said,""Just teach him a proper lesson and let him back off."

"Ha, why would I teach him a lesson?" Lin Yi asked.

"Ah?" Lingshan blinked, annoyed."Then I'll agree to his request!"

"What I mean is to back off in the face of difficulties. You don't have to teach him a lesson." Lin Yi said with a smile.

"You're a bad person!" "The little dumbass girl doesn't want to do practitioner-pair with you anymore!" Lingshan said.

"Haha ..." Lin Yi laughed,""If Xu Shihan goes out one day, ask him out with her. She has a lot of enemies, and although it's peaceful now, I can't guarantee that there won't be more. I can't just leave her behind."

"Alright, I don't want him to become my boyfriend when I'm the bodyguard!" "Just like Chu Mengyao," Lingshan said, a little jealous.

"Yaoyao's gone ..." Lin Yi sighed.

"What? He left? What did that mean? She's dead?" Lingshan asked, shocked. Usually, people would say someone had passed away in a heavy tone, and Lin Yi's tone wasn't very nice-Lingshan couldn't be blamed for overthinking.

"Pfff ..." Lin Yi didn't know whether to laugh or cry, ""No, I went to an ancient sect and became its inheritor. I have to go ... I'll tell you in detail when I have time."

"She ... Is also an inheritor? He's gone too?" "Okay, tell me when you have time." Lingshan said, surprised. Then, give me a call when you go out. "

"Alright," he said. Lin Yi nodded.

The next morning, song Lingshan told Tang Yuqi the news. Otherwise, Tang Yuqi would come and bother her again. She might as well give him a promise and let him wait.

"He agreed? I ... I didn't think he'd be a bodyguard of a superstar. This means that this guy's not bad, but I'm a Sky Class now-is he that confident in beating me?" Tang Yuqi said to himself.

Song Lingshan told him that Lin Yi was Xu Shihan's bodyguard. He was busy these days, so he didn't come to look for her. This way, Tang Yuqi believed her. After all, when celebrities went out, bodyguards had to follow them around 24/7.

"Yes, but you'd better not have any hope. Although you're powerful, he's even more powerful." Song Lingshan poured a bucket of cold water on Tang Yuqi's head.

"It doesn't matter. I will prove myself." Tang Yuqi, on the other hand, was full of confidence. After Lin Yi agreed, he didn't pester Lin Yi anymore and went straight to the case file.

Lingshan's phone rang just as she sat down. It was an unknown number, so she picked it up politely, "Hello, I'm song Lingshan from the Donghai Police Department!"

Her phone calls might be from the victims' families or other helpful citizens, so she didn't want to miss any of them.

"Officer song, Hello, I'm tang Yin's mother, Wang Yujie. Chu Mengyao gave me your number and told me to contact you directly!" Mrs. Tang's voice came through the phone.

"Ah, Hello, aunty Wang, you're welcome, just call me Lingshan!" Wang Yujie was Tang Yun's mother, so song Lingshan naturally didn't dare to act arrogantly. She also treated Wang Yujie as her elder.

"Haha, alright, I'll call you Lingshan then." "Oh right, Lingshan, your uncle Tang and I have arrived in Donghai city. We're going to meet his nephew!" Mrs. Tang said.

"Ah, you've arrived? That's great, where are you? I'll come and pick you up!" Song Lingshan was surprised and happy. Tang Yuqi's reason for staying in Donghai city was to see Tang Jucheng. Now that Tang Jucheng was here, he had no reason to stay.

"No need, someone will drive us back. You tell us the place and we'll go there directly!" Mrs. Tang was a pretty powerful figure in the valley, no worse than Chu Mengyao in the dark Palace. She had a disciple to escort her when she went out.

"Let's go to the home of six tastes restaurant in Eastern Sea city. It's one of the more famous restaurants in Eastern Sea city. I'll make a reservation. How about we meet there later?" Song Lingshan thought that Tang Jucheng's family was from Songshan city, and it was probably his first time in Donghai city. So she chose a more famous restaurant.

"Alright, then the home of six tastes it is!" Mrs. Tang said as she turned to the driver. "Hey, turn on the GPS and go to the home of six tastes!"

"Yes, aunty Wang!" The disciple quickly nodded in response.

After hanging up the phone, song Lingshan told Tang Yuqi the news. Although Tang Yuqi wanted to stay in Donghai city for a while to pursue song Lingshan, he didn't forget his real purpose. His real purpose of coming back this time was to find his second uncle!

He was a filial person. Although the major events of his life were important, it was more important to fulfill his father's wish. So he quickly said, ""Lingshan, thank you! Shall we set off now?"

"En, you pack up, we're going to the home of six tastes." Song Lingshan nodded. She couldn't refuse to go out with Tang Yuqi today.

However, Tang Yuqi had clearly thrown the excitement of being able to travel with Song Lingshan to the back of his mind. What he was thinking now was that he could tell his father now that he had met his second uncle Tang Jucheng. His father could come to Donghai city now. It was finally time for him to return to his roots!

Chapter 3188 Feng Shanshan Begs For Mercy

Therefore, the two of them packed up and drove to the house of six tastes.

At the entrance of the home of six tastes, there was a Grand Cherokee. Mrs. Tang had asked Xue Gu to buy it for her, but she bought the same one as Lin Yi's because she thought it looked good.

The snowy valley had plenty of money, so naturally, they wouldn't offend Mrs. Tang over such a small matter.

"Lingshan!" Mrs. Tang had seen Song Lingshan before and had some impression of her. She saw a pretty girl walking over with a young man who looked like Tang Jucheng-it was probably Tang Yuqi.

Tang Jucheng followed his mother out of the car. Song Lingshan didn't feel anything, but Tang Yuqi beside her was very excited. When he saw Tang Jucheng, he quickly ran over because he saw the outline of his father on Tang Jucheng's face. This person was his second uncle without a doubt, and it made Tang Jucheng feel a natural sense of closeness.

"Second uncle!" Tang Yuqi called out subconsciously.

"You ... Must be Yu Qi!" Tang Jucheng was also emotional. "My big brother, your father, is he alright?"

"Second uncle, my father's still healthy, but he's getting old, and he's starting to reminisce about his hometown and you. I was just about to go back to China to look for him, but with Lingshan's help, I actually found him!" "Second uncle," said Tang Yuqi, "what are you ... Doing now?" I heard from Lingshan that it's a secret?"

"This ... Let's go in and talk!" Tang Jucheng glanced at his mother, not knowing how to answer.

"That's right, second uncle, second aunt. Look at me, I forgot that we're at the entrance of the restaurant. Please come in!" Tang Yuqi made a gesture of invitation, a little embarrassed.

The home of six tastes was one of the most popular restaurants in Eastern Sea city. Although it was large, there were no private rooms. Only guests with VIP cards could make a reservation. Ordinary people could not make a reservation and could only wait.

The good thing was that Lingshan was from the song family, a big family in the common world. It wasn't hard to get a membership card.

The few of them entered the home of six tastes, but the disciple who was driving the car did not follow them in. He knew his own limits. In front of aunty Wang, how could he dare to be presumptuous? Who in the snow Valley didn't know that aunty Wang was the boss?

After ordering the dishes, Tang Jucheng and Tang Yuqi started to chat again. Although the two had never met before, Tang Yuqi knew a lot about his father's childhood because of his father's Commission. When he told Tang Jucheng about it, Tang Jucheng couldn't help but feel emotional!

Song Lingshan and Wang Yujie didn't interject, letting the two of them talk about family matters.

After that, Tang Yuqi told him a lot about him and his father's overseas life. The relationship between the two families instantly became closer. At this time, the food was served. Everyone ate and chatted, and the atmosphere was very harmonious.

.....

The news of Lin Yi killing two Sky Class late phase peak Masters in an instant spread quietly in the ancient world, and all the factions that were against Lin Yi were all in danger. The factions that had no relationship with Lin Yi were hesitating whether they should extend an olive branch to him, while the factions that were on good terms with Lin Yi were all very happy!

However, as Lin Yi's follower, Feng Shasha wasn't very happy! Dongfang xiaocui told Feng Shanshan all of her schemes, hoping that he could ask Lin Yi to let her go.

To be honest, Feng Shangshi was very angry with Dongfang xiaocui's actions. She actually wanted to kill her half-sister, and this sister was not a threat to her or her position at all, yet she wanted to assassinate her. This made Feng Shangshi feel that her mother was very brainless!

So he only gave a vague response and didn't agree to help. He didn't know how to ask Lin Yi! He was Lin Yi's follower, yes, but he didn't think it was appropriate to ask for his mother's forgiveness after her mistake!

After all, it was his father and him who begged Lin Yi to protect Xu Shihan, and now he was asking Lin Yi to forgive the enemies who were targeting Xu Shihan. Wasn't this a rush?

But, in the end, Dongfang xiaocui was Feng Shangguan's mother, and Feng Shangguan was a very kind person. Since she was willing to help nitian get the medicine, he couldn't bear to do it to his own mother.

So, he decided to call Lin Yi.

"How is it, poem? any new information?" Lin Yi picked up and asked.

"Boss ... It's not that there's new information, but ... There's something that I don't know how to tell you ..." Feng Shanshan was hesitant.

"What's wrong? Is there anything you can't say?" "What's there to be polite about?" Lin Yi asked, confused. If you have something to say, just say it. "

"It's like this, boss. The assassination against my sister was actually directed by my mother ..." Feng shangxin said carefully.

"I know. Isn't your grandfather Dongfang Badao of the Dongfang family?" "But, I'm sorry, I killed your uncle ..." Lin Yi said, aware of the situation.

"Man ... I don't have any feelings for them, and we've never lived together since we were young. We rarely see each other." "What I mean is ... Can you forgive my mother and not kill her?" Feng shangxin said.

"Why would I kill her?" Lin Yi was stunned.

"The thing that happened to my sister was done by my mother-it's all over the ancient world now, saying that you were able to kill two Sky Class late phase peak Masters in seconds, so she's afraid that you'll take revenge on her ..." Feng Shanshan explained.

"I'm just Han's bodyguard, Shangping. I'm only protecting her from harm. As for who's targeting her, I don't have to take the initiative to get even with them. My purpose is to intimidate them so that they don't come looking for trouble with han." "Plus, even if I were to look for trouble, I'd go to the Dongfang family, not her!" Lin Yi said.

In fact, protecting Xu Shihan was just Lin Yi's job. The real enemy was the Dongfang family, and it was Lin Yi who killed Dongfang Jian. As for Dongfang xiaocui, she was a poor woman without the Dongfang family.

"Then I'm relieved. Thank you, boss!" Feng Shasha said, sighing in relief.

"It's nothing. Does that mean that han is not in danger for the time being?" Lin Yi asked.

"At the moment, my third uncle and my mother are afraid, and so is the Dongfang family. They think that it's good enough that you don't cause them trouble, so they won't cause you trouble for the time being." "But no one can guarantee that they won't do anything in the future. Boss, you're not thinking of finishing your job as a bodyguard, are you?" Feng Shangshi nodded.

Chapter 3189 Unexpected Encounter

"No, I'm not. I'm good friends with her, I can't just ignore her safety." "I can just relax for a bit," Lin Yi said.

"That's good. I'll let you know if there's anything new on my side." Feng Shanshan said.

After hanging up, Lin Yi told the news to Xu Shihan, who was surprised and happy, "So, I'm not in danger for the time being, and I can go out for a walk?"

"Naturally." Lin Yi nodded. He could tell that Xu Shihan had been staying in the villa all this time. She must be bored out of her mind. It was a good thing to be able to relax now.

"Then ... Why don't you go out with me? I've been in Eastern Sea city for so long, but I haven't gone out for a walk yet!" "Last time I came to Eastern Sea city, there was a restaurant called home of six tastes. The food was delicious. How about you take me there?"

Xu Shihan had been to Donghai city when she was a spokesperson for fatty Lai's company. She had eaten at the house of six tastes once and it made her forget about leaving. This time, she had to stay at home because someone wanted to deal with her. Now that the danger was over, the house of six tastes was the first place she thought of.

"Alright," he said. Lin Yi knew about the house of six tastes, but he'd never been there before. Uncle Fu, on the other hand, had bought takeaways from the house of six tastes and brought them here before. The food was really good! Normally, the house of six tastes wasn't brought outside, but Chu pengzhan was the chairman of the Chamber of Commerce. His status was naturally different. The house of six tastes was a business in Donghai city. No matter how many rules there were, they couldn't be inflexible.

However, Lin Yi heard that there was a long queue at the home of six tastes, and they couldn't make a reservation in advance. It was almost noon, and they'd have to line up if they went at this time. Lin Yi had no choice but to call han xiaopo and ask him to make a reservation for them.

After the fall of the Hidden House Zhao, the Hidden House han had become the biggest family in Eastern Sea city, second to none. Therefore, the Han family's power in Eastern Sea city was very strong, and it was not a big deal for them to have a place in the six tastes.

Very quickly, han xiaopo called back and told Lin Yi the number of the dining table! In the home of six tastes, there were two tables dedicated to VIP guests in case of emergency. These two tables could not be used no matter how many people there were, but were specially provided for VIP guests.

Of course, there was a limit to the number of VIP cards given out by the home of six tastes. Two tables were enough, and it was very rare for the seats to be fully occupied! But today, the owner of the home of six tastes had a big headache. Early in the morning, two VIP tables had been reserved. If another VIP table came, there would be no seats left.

Although this kind of situation was very rare, the owner of the house of six tastes couldn't not be prepared in case of an emergency. He still reserved an ordinary seat nearby. Even if no one else made a reservation, the reputation of the house of six tastes could not be lost.

Lin Yi drove Xu Shihan, Cheng Yiyi, and Chen Yushu to the home of six tastes. Perhaps Chen Yushu knew her own fate, so she wasn't as enthusiastic about school as before. She went to school when she had nothing to do, and she didn't go when she had something to do.

Lin Yi parked the car in front of the house of six tastes and walked straight into the restaurant, but he was stopped by a waiter, ""Sir, please take your number and line up at the automatic number machine over there. Thank you!"

"I have an appointment. The person is han xiaopo!" Lin Yi said.

"Ah, Mr. Han made an appointment! Please come in!" The waiter had obviously received instructions from his boss, and when he heard that Lin Yi had reserved it for han xiaopo, he immediately welcomed Lin Yi in enthusiastically.

Lin Yi brought Xu Shihan, Cheng Yiyi, and Chen Yushu to the second VIP table under the guidance of a waiter. However, as soon as he walked over, Lin Yi froze-he saw three familiar faces at the first VIP table!

One of them was song Lingshan, the other was Tang Yuqi, the one he met at the movie theater. The last one really shocked Lin Yi, because he was from Snow Valley!

At this moment, song Lingshan and the others also saw Lin Yi walking in, and song Lingshan was a little dumbfounded! Normally, she'd be very happy to see Lin Yi, but the person she didn't want to see the most today was Lin Yi. Mengyao had told her to keep Tang Yun's matter a secret, but Lin Yi had bumped into her!

Tang Yuqi, on the other hand, clearly didn't realize that Lin Yi was song Lingshan's sweetheart. He was a detective and had a good memory. Naturally, he had an impression of Lin Yi. He knew that they had met at the cinema before, so he nodded politely to Lin Yi.

Mrs. Tang and Tang Jucheng, on the other hand, were a little awkward and nervous. Tang Jucheng didn't have a mind of his own, so he looked to Mrs. Tang for help, hoping that she could help him out!

"Lingshan, you there? Auntie Wang, what are you doing here? Aren't you the patrol monitor?" Lin Yi was confused, but he didn't mention anything about the valley. He didn't know if Mrs. Tang told Lingshan and Tang Yuqi about her identity, so he only mentioned her strange position.

Mrs. Tang was a smart person, after all, and she figured it out in an instant. Lin Yi didn't remember Tang Yin or anything related to her, and Tang Yin was always by her side when she interacted with Lin Yi. There was basically nothing that left a deep impression on her and Lin Yi alone, so it was impossible for Lin Yi to know her and wouldn't think of Tang Yin, so Mrs. Tang wasn't nervous anymore.

"Oh, it's Lin Yi. Auntie Wang came out from the valley this time for some personal matters. Your auntie Wang's husband's nephew came back from overseas, and with the help of officer song, we got in touch, so we're having a meal together." Mrs. Tang said.

Lin Yi nodded. He was a little confused as to how Lingshan found out that Mrs. Tang was from Snow Valley, but it wasn't the right time to ask. "I'm here to eat with my friends too, so I won't disturb auntie Wang any longer. I'm indebted to auntie Wang for taking care of me in the snow Valley, so today's meal is on me!"

"No, Auntie can reimburse you!" Mrs. Tang waved her hand. "I've invited your Auntie as well. She's in the snow Valley, she has this much power!"

Mrs. Tang knew that she'd be a fool not to take advantage of Xue Gu, so she didn't hold back when Xue Gu was trying to please her.

"This ... Alright." Lin Yi treated aunty Wang as an elder, so he didn't reject her anymore. He nodded and sat down with Xu Shihan, Cheng Yiyi, and Chen Yushu at table two.

Chapter 3190 An Angry Tang Yuqi

Chen Yushu recognized her mother and gave her a look but didn't greet her.

"Lingshan, aunty, you guys seem to know that person?" Tang Yuqi was suspicious of Lin Yi's identity.

"He's the one I told you about ..." Song Lingshan said, "Didn't you notice? the girl with sunglasses and the pink coat is Xu Shihan ... Oh, right, you came back from overseas, it's normal that you don't know her. "

"Xu Shihan? "I've heard of him. He's very famous ..."Tang Yuqi suddenly frowned. "He's your boyfriend?"

Lingshan was a little embarrassed to admit that she had a relationship with Lin Yi in front of Mrs. Tang. Mrs. Tang's face turned weird. Lin Yi might not remember her anymore, but she still liked him! And so, Mrs. Tang paid special attention to the people around Lin Yi.

At this time, Mrs. Tang finally understood why song Lingshan was so polite to her. It seemed that song Lingshan was treating her like a junior.

"I'm not his boyfriend, I just like him and haven't confessed to him yet. He actually has a girlfriend, but she's gone. I'm just a mistress at most ..." Song Lingshan said.

Lingshan's words made Mrs. Tang happy. It seemed like Lingshan knew her place! Mrs. Tang wasn't afraid of Lin Yi finding mistresses-after all, it was Tang Yin's silent consent. She was afraid that some women didn't know their place and wanted to replace Lin Yi.

Mrs. Tang was very satisfied with Lingshan's performance. She liked her more now, but she couldn't help her nephew, Tang Yuqi.

"What? You're only a third party?" Tang Yuqi suddenly became very angry. ""This person is so good? I can't take it anymore, I want to challenge him now! Lingshan, I'll let you see that there are still people better than him!"

Tang Yuqi couldn't be blamed for being so excited-he heard that song Lingshan was willing to be a mistress. Just how outstanding was this Lin Yi? He didn't even pay attention to his aunt and uncle-all he wanted was to get a higher position than Lin Yi!

"We have to finish the meal first, right?" Song Lingshan didn't stop him. She knew that if she didn't let Tang Yuqi challenge Lin Yi, he wouldn't give up. He would only give up if she made him accept his defeat!

It was a good thing to challenge Lin Yi as soon as possible, but he was having dinner with Mrs. Tang's family right now-how could he challenge Lin Yi halfway?

"I'm sorry, second uncle, second aunt, I lost my composure ..." Tang Yuqi was woken up by song Lingshan's words and immediately felt embarrassed. He just remembered that he was meeting his family. Why did he have to go and challenge them while eating?

"It's okay. Although I've just met you, I want to say that some things are a matter of fate. If we're not fated to be together, there's no use forcing it." Mrs. Tang said to Tang Yuqi.

"Ah ..." Tang Yuqi froze. He looked at song Lingshan and his heart ached. He swore in his heart that he would prove that he was stronger than Lin Yi!

Tang Yuqi didn't continue on this topic. Instead, he changed the topic and asked, ""Second uncle, second aunt, I heard you say that you are now People of the Snow Valley? What is this snowy valley?"

"Yuqi, I heard from Lingshan that you're a practitioner too, right? You're from the overseas cultivators Association, so you must have heard of the ancient sects, right?" Mrs. Tang asked.

"That's right. I've heard that we have some ancient sects here. Could the snow Valley be one of them?" Tang Yuqi wasn't stupid. Although he didn't know what ancient sects there were around the area, since mother Tang said so, it must be the snow Valley.

"Yes, I am the daughter of your second uncle and I. I am the elder of the snow Valley. I can be considered as the housekeeper of the snow Valley. I am usually there with your uncle Tang to accompany your cousin." Mrs. Tang said.

"Is that so? doesn't that mean that you can't leave the snowy valley as you please?" Tang Yuqi was a little disappointed. If that was the case, even if his father came back, he wouldn't be able to see Tang

Jucheng's family all the time. He would still have to live alone. He didn't know anyone here. What was the point?

However, Tang Yuqi also knew that these big sects all had strict rules. It wasn't something that could be changed by one person. It was probably very rare to meet them this time.

"I can leave." Mrs. Tang saw Tang Yuqi's worry and smiled. "But we just want to keep your cousin company. After all, she's a girl and has no one to rely on over there. But the best way is to let big brother stay in the snow Valley when he comes back. That way, you can visit us in the snow Valley whenever you miss us. You can also busy yourself with your own business."

"That's fine!" Tang Yuqi was both surprised and happy. Even when he was abroad, he didn't see his father often. After all, he was a famous detective. He was commissioned to go to crime scenes all over the country and rarely spent time at home. This was also why his father was bored and wanted to find his younger brother. Old people were lonely without company.

Tang Yuqi also knew his weakness of not coming home for a month or two, so he actively came here to find his family. "However, the snow Valley is a big sect with many rules. Can my father live there?"

"Of course you can. Don't look down on your cousin. She is the only great elder in the sect besides the Grand Elder. She is on equal footing with the valley master. Your second aunt also has an extraordinary status in the snow Valley. Most people have to act according to your second aunt's wishes. So, you can rest assured that after big brother goes there, it will not be a problem to live there. It just so happens that we have a companion!" Mrs. Tang said.

"That's great. I'll ask my father to come back and go to the snow Valley with you. This time, the old man won't be lonely. I'll visit you when I have time, so I don't have to worry about anything. " Tang Yuqi quickly said.

"Sure, you can contact Big brother. We'll wait for him here." Mrs. Tang said.

Tang Yuqi didn't expect things to be resolved so smoothly. The huge stone in his heart was finally put down.

.....

On Lin Yi's side, Xu Shihan and Cheng Yiyi didn't ask about Mrs. Tang's situation. Xu Shihan received a look from Shu and knew that things were a little complicated, so she didn't ask too much and focused on the food in front of her.

Yushu, on the other hand, was feasting on the food-this made Lin Yi a little confused! Shu was quite a gossip, and she should've asked him what was going on by now, but she didn't. Could it be that the food in front of her was more attractive?
