Chapter 3221 Heading To The Orphanage

"It's like this, it says here that first grade weapons are for golden class practitioners, and second grade weapons are for Mystic class practitioners, so on and so forth ..." Lin Yi stopped here and continued, ""What I want to know is, from what we know, isn't it only sky Class Masters who can use God weapons? Golden, Mystic, and earth Class Masters don't have any weapons they can use!"

"Oh? Boss, you don't know about this?" After han xiaopo heard Lin Yi's question, she was very confused. She didn't understand why Lin Yi would ask this question.

"What's wrong? does everyone know about this?" Lin Yi blinked, a bitter smile on his face. "Xiao po, it's not like you don't know that I'm a loose cultivator. I don't even know these things that everyone knows ..."

"Yes ..." Han xiaopo heard Lin Yi's words and immediately remembered Lin Yi's identity. "I'm sorry, boss. I didn't mean to make fun of you. I really thought you knew about this!"

"It's okay, I know. Tell me what's going on. " Lin Yi said casually.

"Actually, it's very simple. Indeed, a long time ago, all cultivators had divine weapons, such as yellow, black, and earth-grade, but the quality of these people's divine weapons was obviously not as good as heaven-grade divine weapons. Just like first-grade and second-grade cauldrons, these things have a lifespan!" Han xiaopo explained, "the blacksmith profession has disappeared for a long time, and the forger has never appeared again. The divine weapons used by the Golden, Mystic, and even Earth Class Masters have basically all been damaged and submerged in the long river of history. What's left now are only some very good quality heaven-grade divine weapons. Most of the heaven-grade divine weapons have also been damaged. This is also the reason why heaven-grade divine weapons are so precious now!"

As for earth-grade weapons, you might find some damaged remains in the treasure vaults of some sects, but they're no longer usable. "

"So that's how it is!" Lin Yi suddenly understood-so practitioners could use weapons, but without the forgers and forgers, the Golden, Mystic, and earth Class Masters couldn't use their weapons anymore!

Heaven-grade divine weapons had been preserved until now because they were of better quality. Of course, only those of better quality had been preserved. Most of them had been damaged.

"Xiao po, then for example, what grade is an ancient divine weapon? What kind of cultivator is it?" Lin Yi asked.

"An ancient artifact? "This kind of godly weapon can be used by Sky Class Masters, but it's said that even sky path Masters can use it. As for the replica, it can only be used by Sky Class Masters. It can't withstand the strength of the true Qi of a sky path master. Of course, these are all legends, and I haven't seen it before ..." Han xiaopo explained.

"I know, Xiao po." "How's the Han family doing?" Lin Yi nodded.

"Pretty good. House Zhao is done for. We've taken over their territory and heritage. They don't have much money, but they do have some treasures. After combining them with our han family's Treasury, house han is not weak among all the hidden houses!" "By the way," han xiaopo said happily,"Grandpa said that you can come and pick these things when you have time. See if there's anything that you can use."

"I only have a few things that I can use, you know that." "I'm not really interested in the others, you guys can keep them for yourselves." Lin Yi smiled.

"That's fine. Boss, if you need anything, just tell me." Han xiaopo said.

After hanging up the phone, Lin Yi looked at the incomplete scroll of the path of artifact repair in his hand and sighed. According to the classification, Grade 1 cauldrons were also considered Grade 1 divine weapons, Grade 2 cauldrons were Grade 2 divine weapons, and so on. As for the Shennong cauldron, it was an ancient divine weapon. If this was the case, even a heaven-grade repair master would have a hard time repairing it. This thing should be a Grade 5 divine weapon, right?

Lin Yi wasn't even a first class golden class repair master yet, and it was unrealistic for him to repair the Shennong cauldron! Let's not even talk about whether Lin Yi could become a tier four sky repair master. Even if he did, he probably wouldn't be able to repair the Shennong cauldron!

From the looks of it, he'd have to find a way to get one from the sky elixir sect! Lin Yi put the incomplete volume of the path of artifact repair into the Jade space as well. He had a lot of things to do recently, so he mainly focused on training. As for artifact repair, he didn't have any divine weapons that needed repair yet, so he didn't need to waste his energy on it. He'd look into it when he had free time.

In fact, Lin Yi was thinking if he could let han Jingjing learn this. Could she come up with a scientific supplement? If he could make up for it in a scientific way, he wouldn't have to learn it himself! Even Lin Yi found the idea funny-he was getting more and more reliant on the little girl.

.....

Today was the day Lin Yi was bringing Xu Shihan and Cheng Yiyi to the orphanage in Songshan. Lin Yi had already made plans with Yu Xiaoke and Xiao Ken to bring the two celebrities to the orphanage for rehearsal!

The orphanage had changed a lot. Although it had moved to the suburbs, the orphanage had its own school and auditorium. The auditorium was built to enrich the learning life of the orphans. There were parties, art festivals, and movies here!

This was the venue for the donation drive, and the stadium near the hall was a place for the orphans to exercise and hold a sports meeting, but a concert could be held! Although these facilities looked luxurious, since Yu Xiaoke wanted to build a top-tier charity base, Lin Yi had already given her permission.

In fact, Lin Yi didn't need much money. He just needed enough money to use. There were two reasons why he donated most of his money to Yu Xiaoke. One was because of his identity as the male thief, and the other was more important!

Lin Yi told the public that he was an orphan too, but that was only one part of the reason. The deeper reason was because of old Lin, who donated all of his rewards for every mission he completed to charity. As his adopted grandson, Lin Yi inherited old Lin's wishes and donated his own income as well.

Chapter 3222 The Old Principal Isn't Here?

To be honest, Lin Yi's master had unimaginable wealth, and he didn't need to earn money himself. It was just that his master wasn't here, and he didn't want to borrow money from her, so he started his own company.

Of course, Lin Yi didn't tell anyone about this. Fatty Lai and Jinghan only thought that they donated because they liked it. They didn't know the deeper reason.

But that wasn't important, and Lin Yi didn't plan on telling her.

Yu Xiaoke looked at the man who had helped her a lot, and her heart was filled with emotions. She felt that she was pregnant with a girl, and she couldn't be with Lin Yi, but she couldn't resist the temptation of money from him time and time again!

Sometimes, Yu Xiaoke would think that she was really evil. She took so much of Lin Yi's money, but did she really think that Lin Yi was a fool? Was he the same as the wallet thieves he had stolen before? Of course, it was different. Yu Xiaoke wasn't a heartless person, but for the sake of the orphanage and the children, Yu Xiaoke would rather be punished by Lin Yi in the future. Even if he killed her, Yu Xiaoke would accept it.

Lin Yi naturally didn't know what Yu Xiaoke was thinking. He looked at Yu Xiaoke and saw that she was still wearing the clothes that he first met her. He couldn't help but sigh. The orphanage was so rich now, but Yu Xiaoke was still dressed like this. It was obvious that she didn't spend a single cent of the donation on him. This made Lin Yi admire this girl very much!

This was also the reason why Lin Yi, as a male thief, gradually fell in love with Yu Xiaoke-she was a strong girl! Of course, Lin Yi didn't mind Yu Xiaoke's attitude towards him as long as he knew the truth!

If he didn't know that he was a male thief, Lin Yi wouldn't have been so focused on donating to Yu Xiaoke's orphanage. Although old Lin donated as well, Lin Yi could have just donated to other orphanages or charity organizations.

"Xiaoke, if you have the chance, you should buy some clothes for yourself. You don't have to wear very well, but you don't have to be so shabby. At least you're the manager of the orphanage. If you wear such poor clothes, it won't be easy for you to get sponsors in the future." Lin Yi said.

"I don't have the money, and you're buying it for me?" Yu Xiaoke wanted to save as much as she could, but when the words came out of her mouth, they became words that could be misunderstood. Yu Xiaoke was a little depressed. Did she not know how to speak properly? wasn't she hinting at Lin Yi?

As expected, Lin Yi blinked. "That's fine. How about this, I'll take you to buy some clothes later! Tomorrow is the official day of the charity event and concert. You can't be talking on stage in this outfit, can you?"

Yu Xiaoke wanted to reject him, but after hearing Lin Yi's words, she felt that something was wrong. She was speaking on behalf of the orphanage tomorrow, it didn't seem right to be dressed so shabbily!

Those who knew would understand that Yu Xiaoke really wanted to save money, but those who didn't know would think that Yu Xiaoke was putting on a show, which would make the donors feel disgusted! After all, the skyscraper, the hall, and the stadium were all very Grand, but Yu Xiaoke was the manager of a charity organization, wearing torn and tattered clothes. If this wasn't a show, what was?

And so, Yu Xiaoke hesitated. She didn't want to agree, but she felt bad about spending money. If she agreed, she would have to get closer to Lin Yi, which made it difficult for a stingy girl like Yu Xiaoke. In the end, she made up her mind. She was a bad girl anyway, so Lin Yi could think whatever he wanted!

"Alright, you said it." Yu Xiaoke nodded.

Lin Yi was surprised-he didn't think that Yu Xiaoke would really agree to it. Wasn't this girl always avoiding him? Why did she change her mind today? But Lin Yi couldn't really ask in front of so many people. He only nodded in agreement.

"By the way, where's the old principal?" Lin Yi looked around, and aside from Ken, there was no sign of the Dean. It was only natural for the Dean to show up for something as big as this-after all, Xu Shihan and Chen Yiyi were celebrities, and they were here to help the orphanage. As the Dean, there was no way she could avoid them, right?

"The old principal isn't feeling well, so she's resting in her room." Xiaoke was curious as to why the Dean wasn't here-she'd been against the concert and the charity for some reason, but today, she suddenly said she wasn't feeling well!

"Oh? What's wrong with the principal? Do you need me to go and take a look?" Lin Yi asked, a little worried.

"I don't know ... Why don't we just go and take a look?" Yu Xiaoke was also curious about the Dean's condition. Lin Yi was a doctor and it was a good thing for him to see the Dean.

"Then let's go." Lin Yi waved at the car behind them, signaling for Shihan and Yiyi to get off. The two were celebrities, and they didn't get off the car right away. They were planning to take the car to the hall and Stadium to practice. After all, there were a lot of places under construction in the orphanage, and there were a lot of outsiders. If the two celebrities showed up, it would attract the attention of the workers, and it would cause some unnecessary trouble,"Han, we're going to see the principal. Are you going to rehearse directly or do you want to come with me? If you're going directly, then Xiao Ken will follow you. If you're not going, then we'll go see the old principal! The principal is sick, I'm going to visit her. "

"Then we'll go with you to see the old principal." Xu Shihan was a kind-hearted person. She heard that the old principal of the orphanage was sick, and since she knew, she would definitely go and see.

And so, Lin Yi brought Xiaoke and Ken to the car. It was Feng sanhuang's car, so it was very spacious. Xiaoke and Ken didn't feel crowded in the car.

Lin Yi didn't recognize the orphanage anymore, so he had to rely on Ken to lead the way. Sanhuang made a few turns and finally stopped in front of a dormitory building! Lin Yi had been to this dormitory building before, but it was a lot different from before.

The few of them alighted from the car and entered the dormitory building. They arrived at the door of the old principal's room.

Yu Xiaoke knocked on the door, and the Dean's voice came from inside, "Who is it? is it Xiaoke?"

"It's me, master. " Yu Xiaoke said.

The Dean wasn't on guard and opened the door to see Lin Yi and the others standing there! However, it was unrealistic to close the door now. Although she was a little helpless, she could only say, ""Mr. Lin Yi, you're here. Are these the stars Xu Shihan and Cheng Yiyi? I'm ill, so I didn't go to welcome you personally. Please forgive me!"

Chapter 3223 A Very Familiar Person

The old principal was not lying. There was indeed something wrong with her body and she felt that she did not have much time left! Although he couldn't say that he would die immediately, it would only be a matter of one or two years!

The injuries she had suffered when she was young were too severe. After she was injured, she forced herself to cultivate and her meridians were always in a damaged state. However, she continued to cultivate. In this way, although she had recovered a part of her strength, it had also caused her meridians to overload. This had accelerated the aging of the old principal and her body functions had entered old age ahead of time.

Hence, the old principal did not lie!

Lin Yi! On the other hand, was shocked when he saw the Dean. This was because the old principal did look much older than the last time they met! In the past, although he was also very old, his spirit was very hale and hearty. But now, he seemed to be in his last years.

Lin Yi frowned at this and quickly asked, "Old principal, I heard you were sick? What's going on? You don't look well?"

"It's nothing, just an old illness. " The Dean smiled, evidently not willing to talk too much with Lin Yi. She only wanted to send them away, "I'll be fine after I rest ..."

The Dean's words were clear-she wanted to rest, and as long as Lin Yi and the others weren't stupid, they could tell that the Dean was sending them off!

Lin Yi didn't have any intention of leaving. He entered the Dean's room and pondered for a moment, "Old principal, let me take a look for you!"

In fact, when he was healing boss Bai, Yu Xiaoke asked him a similar question, asking him to save Yu Xiaoke's master. But at that time, Lin Yi had a lot of concerns, because he wasn't strong at that time. He

was afraid that if he cured Yu Xiaoke's master, he would invite the revenge of Yu Xiaoke's master's enemies!

After all, Lin Yi had heard that Yu Xiaoke's master was Mystic class or even Earth class, so the person who injured her must be at least Earth Class or Sky Class. Lin Yi was no match for this enemy at that time!

But it was different now-Lin Yi's name was out there, and there were even rumors in the ancient sects that he could kill Sky Class late phase peak in seconds. With that kind of power, who would dare to mess with him? Unless they didn't want to live and wanted to die!

So now that the Dean's injury was cured, theoretically speaking, not only would the enemy not take revenge, he wouldn't dare to come and cause trouble for the Dean after knowing that Lin Yi was the one who cured her!

Even the everyday and every day sect and the Dongfang family had disappeared without a trace, would anyone else think that they were stronger than them? It was obviously impossible!

Yu Xiaoke was surprised. She had begged Lin Yi to treat the Dean's injuries before, but Lin Yi just brushed her off. What was wrong with Lin Yi today? Changed? Why did he have to treat the old principal's injuries?

"Ah!" Was it because she agreed to accept Lin Yi's clothes that he misunderstood her as his girlfriend? Yes, that had to be the case. Why else would Lin Yi be so active?

At that thought, Yu Xiaoke felt depressed. She wanted to explain, but then she remembered that the Dean's injuries could be healed, so what was this? Whatever, she'd just follow Lin Yi! The old principal was her master and she had raised her up. She had to repay her!

Yu Xiaoke had been living for others for the past ten years, she had never thought about herself. She finally met the male thief, but she couldn't choose her love. Yu Xiaoke didn't regret it, she was just that kind of person.

"Lin Yi, are you planning to help master heal?" Yu Xiaoke asked, making it impossible for Lin Yi to reject.

"En, let's take a look first." Lin Yi nodded.

"Then ... You cured the Dean, I ... I will be grateful to you ..." Yu Xiaoke wanted to say that she would listen to Lin Yi, but she couldn't say it. What if Lin Yi didn't mean it that way? Although Yu Xiaoke felt that Lin Yi couldn't possibly not mean it that way, she still said it ambiguously.

"Oh." Lin Yi didn't think too much about it-he focused all his attention on the Dean.

Seeing Lin Yi's indifferent face, Yu Xiaoke felt a little discouraged. Did he not care about her anymore if she agreed to his request? Yu Xiaoke felt depressed again.

Shihan's brows were locked together as she looked at the head of the orphanage. She felt that the head of the orphanage was someone from her memory, but she couldn't remember where she'd seen him before. This feeling of familiarity made Shihan want to figure it out, but she couldn't put her finger on it.

However, the more it was like this, the more curious Xu Shihan was. After all, when a person saw a familiar face, they would always rack their brains to think about the person's background. Even if they couldn't figure it out, they would continue to think about it ...

"My head hurts ..." Shihan's head started hurting all of a sudden. The pain came from nowhere, and cold sweat started dripping down her forehead. Luckily, she didn't put on any makeup, or her makeup would have been ruined.

Lin Yi was just about to check on the Dean's injuries when he heard Xu Shihan's groan. He jumped in surprise. Xu Shihan was fine at home for so many days, why did she have a headache the moment she left the house?

But he didn't dare to be slow-after all, Shihan was a guest he invited to the charity show. He quickly apologized,"Old principal, I'll take a look at her first, please wait a moment ..."

"Alright, hurry up and take a look at her. What's wrong with her?" The principal didn't care about her own health anymore-she knew her body well, it was the after-effect of the injuries she sustained when she was young, she wouldn't die for a while. Xu Shihan, on the other hand, had a terrible headache, and it made the principal worried.

Lin Yi saw the panic in the principal's eyes and was a little confused. Why was she so concerned about Xu Shihan all of a sudden? but she was a guest of the orphanage, and she was having a headache in the orphanage. The principal would definitely care about her, right?

Cheng Yiyi had already taken out the painkiller for Xu Shihan to use, but Lin Yi waved his hand and massaged her forehead and chest, relieving her headache,""Although this potion doesn't have any side effects, you'll develop resistance to it after taking it for a long time. So, don't use it if you can."

Cheng Yiyi was shocked to see Lin Yi heal Xu Shihan in two moves, but Yu Xiaoke was even more confident that Lin Yi could heal the Dean's injuries!

Chapter 3224 Parting In Life And Death?

"Han, what's wrong? Why do you suddenly have a headache?" Lin Yi asked, confused.

"I don't know, maybe I overused my brain ..." Xu Shihan shook her head. She thought that the principal looked familiar, and she couldn't stop thinking that it might have triggered a memory from her childhood and caused the headache, but she didn't want to give up. "Principal, have we ... Met before?"

The principal's face froze as she looked up at Xu Shihan. "You've seen her? Miss Xu, have you been to the orphanage before?"

"No, but I think you look familiar." "I think I've seen him somewhere before, but I can't remember ..." Shihan said.

"Is that so ..." The Dean didn't continue the topic. "Mr. Lin Yi, I'm fine. Why don't you take miss Xu and miss Cheng to practice? Don't delay tomorrow's important matters?"

"There's no need to delay. We've already rehearsed at home. We're just familiarizing ourselves with the venue today. We'll just watch. " "Lin Yi, why don't you take a look at the Dean?" Xu Shihan waved her hand.

"Yeah." Lin Yi nodded and sat down beside the Dean. He grabbed her arm and took her pulse.

The Dean was helpless and let Lin Yi Do the check. After all, Lin Yi was doing it out of kindness, what could she say? She'd only raise Lin Yi's suspicions if she said more.

"Lin Yi, how's my master?" Yu Xiaoke saw that Lin Yi didn't say anything and couldn't help but ask.

"He's seriously injured," Lin Yi frowned, "from the looks of it, the Dean's going to leave in a year or two ..."

"Ah? Is that true? Lin Yi, what are you talking about?" Yu Xiaoke jumped in shock.

The Dean was a little surprised. She knew that Lin Yi's medical skills were superb, but how did he know all this with just a simple examination? Isn't this too magical? The Dean knew about her, and she'd calculated her rate of aging-how could she not be surprised when Lin Yi said it out loud?

"Ke, Mister Lin Yi is right, I'm really going to be gone in a year or two." The Dean sighed, "I wanted to keep this a secret for a while, but since Mr. Lin Yi has seen through it, I'll tell you now!"

"Dean ..." Yu Xiaoke's eyes reddened. Lin Yi was a godly doctor, but he couldn't change his fate, could he? So when the principal said those words, Yu Xiaoke really thought that the principal was going to leave her! She felt terrible and did not know what to say for a moment.

Xu Shihan and Cheng Yiyi couldn't help but fall silent. They didn't expect to encounter such a thing as soon as they arrived. Although it was normal for people to be separated from each other in life and death, no one would feel good when they encountered such a thing!

Especially Xu Shihan-she felt a bit sad when she heard that the principal only had one or two years left. She didn't know why, but she had a special feeling towards this old principal that she'd never met before-she was going to die soon, and she was going to feel sad too.

"Old principal, your illness is caused by the meridians that were injured in your early years. Later on, in order to cultivate, you forcefully attacked your meridians. Although you have a part of your strength, the uninjured part of your meridians could not withstand such a strong true energy and became sick. Now, it can't hold on any longer and is heading towards decline." Lin Yi said.

"Not bad, Mr. Lin Yi, you really are a miracle doctor." The Dean nodded, full of admiration for Lin Yi's medical skills. "You've put in a lot of effort. I know my body. It's not as simple as an ordinary illness, so you don't have to be so troubled!"

"Principal, I told you to just call me Yi, you don't have to be so polite," Lin Yi waved his hand, "plus, it's not hard for me to cure you!" Shall we start now?"

"It's not difficult?" The Dean was taken aback by Lin Yi's words, "I can call you Yi, but you've cured me ... Really?"

Yu Xiaoke heard Lin Yi's explanation of the cause of the Dean's illness and she wasn't sad anymore! She knew that boss Bai's problem was the same as the Dean's, and since it was caused by damaged meridians, Lin Yi would definitely have a way to save him!

Besides, she knew that Lin Yi was a man of his word-he wouldn't say anything he wasn't confident in. If he said he could cure her, then he really could! With that thought, Yu Xiaoke became excited, "Dean, if Lin Yi says that, it means he's confident!"

"Oh?" The old principal's eyes flashed with a strange light. In fact, who would be willing to die if they could live? Even though the old principal had already gotten over it, she still felt hopeful when she saw the hope. "Lin Yi, will it be too much trouble for you to treat me? Wouldn't that waste a lot of energy?"

"It's definitely a waste of energy, but it won't be too troublesome!" Lin Yi smiled and shook his head. "Shall we start now?"

"We can do it now? How do I need to cooperate with you?" The old principal quickly asked.

"You don't have to do anything." Lin Yi smiled and took the Dean's pulse again. He started circulating the third stage of the art of Dragon mastery and started repairing the Dean's meridians!

The speed of the third stage of the art of Dragon mastery was incomparable to the past, and so the time Lin Yi took to heal was much shorter than boss Bai 's. Anyone could see that the Dean's face was still lifeless one moment, but the next moment it was full of life!

The changes that followed were visible to the naked eye. The old principal's meridians had recovered, and her organs had regained their vitality. Just like granny sun, she immediately displayed the beauty of her youth!

It was the same for the old principal. Her skin was dry and wrinkled, but after Lin Yi's treatment, the wrinkles on her face were getting less and less, and she had the bright and clean skin of a young woman! The old principal was a cultivator and had always taken good care of herself. It was only after she was injured that she became old. Although she was only in her early forties, she looked like she was in her sixties or seventies. However, she was gradually becoming younger!

60 years old, 50 years old ... 40 years old ... 30 years old!

The Dean's face was getting younger-she was actually 40 years old, and if she returned to her practitioner's state, she'd look around 30 years old. After all, she'd been a Mystic or even an Earth Class!

Chapter 3225 Mother ...

Although the principal was getting younger, everyone was excited because this was a miracle. Yu Xiaoke clenched her fist-she knew that the principal was going to be fine this time. She only realized now that the principal was so beautiful when she was young!

However, Xu Shihan's eyes were filled with disbelief and shock, and this expression was getting more and more intense. She wanted to scream, but she was afraid of interrupting Lin Yi's treatment. She could only suppress the excitement and shock in her heart and stare at the Dean's face!

Cheng Yiyi was also in disbelief. She looked at the old courtyard, then at Xu Shihan. She wanted to say something, but she held it in.

The old principal did not know that her appearance had changed. All she could feel was the changes in her body. Her broken and damaged meridians were recovering at an extremely fast speed!

The Dean was shocked by the recovery. She didn't expect Lin Yi to have such a magical ability. Although Lin Yi had treated Yu Xiaoke before, the Dean didn't think much of it. After all, Yu Xiaoke just got injured, unlike her old injuries.

"Phew ..." Finally, Lin Yi let out a long breath and turned to the Dean, ""It's done, ol 'President. Give it a try. Now that your meridians have been repaired, what was your previous strength?"

"You've recovered just like that?" The Dean was a little shocked. She felt that her injuries had completely recovered, but Lin Yi's words woke her up from a dream. She realized that this wasn't a dream, but reality!

"Yes, can you please check?" Lin Yi nodded.

The Dean was very excited, "there's no need to check. I can feel it-I was an Earth Class early phase before I got injured ... But now I'm only golden class. Even if my meridians are recovered, the highest level I can reach now is golden class late phase peak. With my age and talent, not to mention returning to Earth Class, even Mystic will be very difficult!"

At this point, the old principal could not help but sigh. "Without the support of heavenly materials and earthly treasures, it is impossible for me to return to my previous peak state!

"Hehe, since that's the case, I'll help you recover your strength while I'm at it!" Lin Yi smiled and took the Dean's pulse again! The Lin Yi now didn't need to hide these things-the more he showed his strength, the more his opponents would fear him!

Of course, when they found out that Lin Yi wasn't that strong, he wouldn't have anything to hide, and they'd still kill him! Kang Zhaoming and an Jianwen probably wanted to do this a long time ago, and Zhong pinliang was watching them like a tiger watching its prey.

His three opponents had never thought of making up with him! As for Zhao Qibing, he was no longer a threat. He was just a stray dog.

So Lin Yi didn't really mind exposing his special abilities.

"Recover my strength?" The old principal was slightly taken aback and shocked.

"Yes ..." Lin Yi nodded, but when he looked at the Dean, he frowned. Why did the old principal look so familiar? Where had he seen it before? It wasn't that she looked similar to the old principal. After all, the old principal's current appearance was completely different from the old principal 's.

Just like granny sun in the past and now, there was no comparison at all. Even the people she was familiar with couldn't tell that she was the same person.

"Mom ..." Xu Shihan couldn't hold it in anymore as Lin Yi was still in shock. The word "mom" came out of her mouth, and her tears started to flow down her beautiful face like beads.

Xu Shihan's sudden call of "mom" made everyone at the scene dumbfounded. Yu Xiaoke, Cheng Yiyi, and Lin Yi were all stunned! However, Cheng Yiyi had already guessed something, so she wasn't that calm.

Yu Xiaoke, on the other hand, looked at Xu Shihan in disbelief. She then looked at the Dean, her face was full of disbelief.

Lin Yi, on the other hand, frowned. He'd thought that the Dean looked like someone before, but now that he looked at Xu Shihan, he realized that the Dean was the mature version of Xu Shihan.

The two of them were too similar! Her face and features were exactly the same ... Could it be that the principal was Xu Shihan's mother? Lin Yi felt that it was very possible as soon as he thought about it!

Xu Shihan's mother was injured when she was a child, and she went missing. The principal was injured when she was young, and she hid in an orphanage under a different name. These two people had a lot in common, and now it seemed like they were the same person.

The principal's body shook-she didn't know how Xu Shihan recognized her! Lin Yi's guess was right-the principal was Xu Shihan's mother, Feng Tianlin's ex-lover, who was beaten up by Dongfang xiaocui and the Dongfang family, and was now on the run!

Although she was separated from her daughter, she didn't dare to look for her openly, in case the Dongfang family had their eyes on her. So, she opened an orphanage, hoping to find Xu Shihan among the orphans!

Of course, the result was disappointing. In the vast sea of people, how could it be so easy to meet? Furthermore, there was more than one orphanage, and the old principal could not find her daughter in the end ...

Until one day, the old principal suddenly saw an article about the popular star Xu Shihan in the newspaper, and she couldn't help but burst into tears! Because Shihan was her daughter! Feng Tianlin was the one who had given her this name!

Xu Shihan's real name was Feng Shihan, and the surname 'Xu' was the old principal's surname! Of course, the name didn't mean anything-what the principal was sure of was that Xu Shihan's face was exactly the same as when she was young!

She was one hundred percent sure that Xu Shihan was her long lost daughter! However, even after knowing this, the Dean didn't dare to contact Xu Shihan and acknowledge her! This was because she knew that Dongfang xiaocui was a jealous person. Back then, she had led her brother's four great guardian deities to challenge Dongfang Jian, Dongfang hard, Dongfang Cha, and Dongfang song, almost killing her!

Any one of these four people could kill her. If Feng Tianlin hadn't rushed over to protect her, she wouldn't have been able to escape at all! However, Xu Shihan was missing-Feng Tianlin must've secretly protected and raised her after the incident!

The old principal was glad to know that Feng Tianlin was a loyal person. As long as she could see that her daughter was fine, she would be at ease! I

Chapter 3226 The Old Principal's Worry

In fact, no one knew that the reason Shihan became a star was to find her mother! She didn't know the truth of what happened back then. She hoped that her frequent appearances would let her mother see her and one day, her mother would come to find her!

And so, when the principal found out that Xu Shihan was coming to the orphanage for a charity performance, she was both excited and worried-she was afraid that getting in touch with Xu Shihan would not only bring her harm, but also Xu Shihan and the orphanage!

Would that jealous woman let Xu Shihan go? Would they let him go? At that time, the children in the orphanage might be implicated! Although the principal's original intention was to find Xu Shihan, after so many years, she had fallen in love with the children in the orphanage. She was afraid that these children would meet with danger and trouble!

However, what she didn't expect was that Xu Shihan still recognized her!

"Miss Xu ... What are you saying? Is your mother ... Here?" The old principal pretended to be calm as she asked. She did not want to reveal her identity, so she asked with a hopeful heart.

"Mistress!" Feng sanhuang, who had been standing at the door, quickly walked over and bowed. "'I've finally found you!"

"Arid triad?" The old principal knew that she couldn't hide it anymore. She knew Feng sanhuang. When she was dating Feng Tianlin in the past, Feng sanhuang was his follower!

However, she was born into the thief clan, and the Feng family looked down on a little girl like her who only stole. In addition, the eldest son of the Feng family had run away from the marriage, so someone in the Feng family had to marry into the Dongfang family. Otherwise, it would attract the revenge of the Dongfang family!

After all, it was the Feng family who begged the Dongfang family for a marriage alliance, but now the Feng family ran away from the marriage. Where was the Dongfang family's face? In order to appease the Dongfang family's anger, the Feng family would definitely acknowledge the marriage, so Feng Tianlin replaced his elder brother and got married to Dongfang xiaochui!

Feng Tianlin was a good man with a weak personality, so he couldn't reject his father's hopeful gaze. After Dongfang xiaochui from the Dongfang family saw the photos of the other members of the Feng family, she also chose Feng Tianlin. She felt that Feng Tianlin was more elegant and not like Feng Tianhu who was sneaky and sneaky, so the Dongfang family decided to let Dongfang Xiaochi marry Feng Tianlin!

Under such circumstances, Feng Tianlin had no choice but to make a difficult decision-to marry Dongfang xiaocui. The old principal actually understood Feng Tianlin's situation. She knew that it was impossible for her to officially marry into the Feng family with her identity, but she could still be his concubine.

After all, in the cultivation world, it was common to have three wives and four concubines, but she didn't expect Dongfang xiaocui to be such a jealous person, to bring people to assassinate her and Xu Shihan!

Thinking of all these, it was just like yesterday when the old principal finally acknowledged her identity after seeing Feng sanhuang. She was just a little curious,""How did you recognize me, arid triad? You and han ... Shouldn't know me, right?"

"Mistress ... Look at your face ..." Feng sanhuang was taken aback. He finally understood why the old principal would ask this question. He had also recognized the old principal as Feng Tianlin's lover from the change in her face.

The old principal was stunned when she heard sanhuang's words. She turned to look at the mirror in the room and was stunned. Wasn't this how he looked like when he was young? No wonder Xu Shihan and Feng sanhuang could recognize him!

He was too similar to Xu Shihan now! The old principal could not help but sigh to herself. It seemed like she had no choice but to admit it!

Since she couldn't hide it anymore, the old principal's long-hidden thoughts burst out. She hugged Xu Shihan and cried, "Shihan ... My child ..."

Xu Shihan couldn't stop herself from crying after the principal admitted to it ... She hugged the principal and cried ...

Lin Yi, Yu Xiaoke, Cheng Yiyi, and Feng sanhuang all stood aside in silence. The shock they received from this was too great, the principal was actually Xu Shihan's mother ...

After Shihan and the principal finished crying, the principal sighed and smiled bitterly. "Han, you really shouldn't have come. You've exposed your identity by coming! My identity will be exposed as well ... You don't know how hateful and jealous that woman from the Dongfang family is! She can't wait to get rid of us! We ... Are not her match ..."

"Is it Dongfang xiaocui?" Xu Shihan was startled, she could guess what was going on-it was this woman, Dongfang xiaocui, who separated her from her mother, and they even beat her up ...

"You know her?" The Dean was surprised-she didn't expect Shihan to know this! However, after thinking about it, he felt relieved. "It was Tian Lin who raised you, right? Tianlin should have told you this already, right? It looks like that woman Dongfang xiaocui hasn't completely exterminated you yet ..."

"No..." Shihan shook her head, "I've always been concerned about my father. Brother sanhuang was secretly sent by my father to protect me, and I've always grown up under his protection ... But I only found out about this recently because Dongfang xiaocui attacked me ..."

"What? Did she attack you?" The old principal was shocked, "after so many years, you still don't want to let us go?" Sigh, but what should I do ..."

At this point, the old principal suddenly seemed to have made a huge decision. She said, "Lin Yi, I'll leave Xiao Ke in your care from now on. I want to go back and find Dongfang xiaocui. As long as I die, the orphanage will be safe! As for Xiaohan, under the protection of the celestial Qilin, she shouldn't be in much danger! Since nothing has happened all these years, I'm guessing that Dongfang xiaocui's target is only me!"

The principal understood that she wanted to use her death to exchange for Xu Shihan and the orphanage's safety.

"Ah? Why?" "Lin Yi's protecting us, we don't have to be afraid"

"Han, you don't know this, but the Dongfang family is an ancient family, and the most powerful one at that! It's not just Dongfang xiaocui's two big Brothers, but her second brother, Dongfang Yinxing, is already Sky Class late phase peak! He's an Overlord in the world of practicing!" The Dean didn't know about Lin Yi's relationship with the ancient sect. After all, she didn't have any sources of information, and Yu Xiaoke hadn't been in contact with Lin Yi recently, so she didn't know what happened.

Chapter 3227 All These People Are Dead

So she continued, "let's not talk about that. There are four powerful elders under Dongfang xiaocui's big brother, Dongfang jinxing. They're called the four King Kongs, Dongfang Jian, Dongfang hard, Dongfang Cha, and Dongfang song. They're all Sky Class Masters. We're no match for them at all ..."

"Pfft ..." Feng sanhuang burst out laughing when he heard the names of the four great Guardian Warriors and Eastern silver Star. The Dongfang family was really unlucky. These ruthless people were all dead! This was probably their retribution for what they did to their mother and Xu Shihan.

"Arid triad, what are you laughing at?" The old lady frowned. Although she hadn't been by Feng Tianlin's side for many years, she was still his ex-lover. How dare Feng sanhuang laugh at her when he called her mistress? "Arid triad, you don't know how powerful these people are, do you?" the old principal was a little angry.

"Um ... Mom ..." Shihan knew that sanhuang wasn't making fun of the Dean-he was laughing at the bad luck of the Dongfang family. She quickly explained, ""Brother sanhuang is not laughing at you. I'm laughing at the Dongfang family ..."

"Laughing at the Dongfang family?" The old principal was stunned for a moment before she furrowed her brows, "Arid triad, what's the meaning of this?"

"Mom ... Those people you were talking about ... They're all dead ..." Shihan quickly explained.

"Dead ... What dead ... Han, you said the Dongfang family is dead?" The Dean's eyes went wide as she looked at Xu Shihan in disbelief! How could he have died? Although she did not have any immediate sources of information, she could still find out news about the Dongfang family from some small channels every once in a while! The Dongfang family was like the sun in the sky. How did these people die?

"Dongfang Yinxing, Dongfang Jian, Dongfang hard, Dongfang Cha, and Dongfang song ... They were all here to kill me, but Lin Yi ... Killed them all ..." Xu Shihan thought about it and found it a little unbelievable. Any one of these ruthless people would be a nightmare for her and her mother, but Lin Yi

killed them like he was slaughtering chickens and cows. He killed one if one came, and two if two came, he killed a pair. Even Dongfang xiaocui had to beg Lin Yi for mercy through Feng Shanshan!

The Dongfang family had also disappeared without a trace, and there was no movement at all.

"Lin Yi ... You're ... A practitioner of the heavenly path?" The Dean was shocked-Eastern silver Star was Sky Class late phase peak, one of the top practitioners in the world of practicing. If Lin Yi could kill him, then how strong was he? Wouldn't he be a heavenly path expert?

"No..." Lin Yi smiled bitterly, ""Brother Feng, why don't you say it!"

Feng sanhuang nodded and told the Dean about Lin Yi's ability to fight enemies above his level, as well as the Feng family's Dongfang xiaocui sending people to assassinate Xu Shihan!

The more the old principal listened, the more excited she became! She didn't expect the Dongfang family to kill every single one of them, not only not daring to even make a sound, but Dongfang xiaocui even begged Lin Yi for mercy through her son!

She felt that she could finally hold her head high! There really was a mountain higher than the one before-these people were nothing in front of Lin Yi, after all!

So, her and Shihan's crisis was over? This made her let out a long sigh of relief! Finally ... He was fine! The dark clouds parted to reveal the clear sky, and he could finally appear in his previous identity.

"Lin Yi! Thank you, you're not only the benefactor of the orphanage, you're also the benefactor of our family! Thank you!" The Dean looked at Lin Yi and said sincerely.

"Alright, let's not talk about this anymore. Whether it's because of you Xiaoke or Xu Shihan, I can't just leave you be!" Lin Yi waved his hand, not really bothered, "Now, I'll help you recover your strength!"

"Alright!" "Then what should I do now?" the old principal quickly nodded.

"Just use your cultivation method and chant, leave the rest to me!" Lin Yi said.

"Now? Alright!" The Dean responded and started channeling her practitioner's Arts-she felt a continuous stream of pure energy flowing into her meridians from where Lin Yi was holding her ...

The Dean was extremely shocked, but she didn't dare to make a sound. She quickly continued with her practice and soon, she realized that her strength had reached the peak late phase of the Golden class!

The Dean had been an Earth Class before, so there wasn't any level barrier-as long as she had enough Qi, she could naturally level up all the way, and so it was a lot easier for her to break through from golden class late phase peak to Mystic early phase than other practitioners ...

In front of Xu Shihan, Cheng Yiyi, and Feng sanhuang, Lin Yi didn't even try to hide the fact that he wanted to level up the Dean. On the other hand, Yu Xiaoke's eyes were filled with suspicion! This was the first time she heard that Lin Yi could level someone up, but she didn't know why, but she thought of the time in the tomb!

At that time, the male thief seemed to have the ability to level up others. At least, the female thief and her follower's strength seemed to have suddenly increased in the ancient tomb. But she wasn't too sure, so the thought only flashed through her mind!

Feng sanhuang, on the other hand, had some understanding of Lin Yi before. He knew that Lin Yi leveled up quickly, and so did his followers. However, Feng sanhuang wasn't too familiar with Lin Yi, so he didn't ask much. It seemed that Lin Yi was the one who leveled up his followers!

At that thought, Feng sanhuang was a little envious. Lin Yi could actually help people increase their strength? How many other superpowers did Lin Yi have?

Cheng Yiyi's beautiful eyes were also filled with shock! She knew about practitioners and how difficult it was to level up, but it didn't seem to be a problem for Lin Yi at all.

Soon, the Dean's strength rose from golden class to Earth Class ... Even exceeding the Dean's original strength, which was at the early phase of Earth Class! The Dean was shocked to find that his strength had already surpassed the initial stage of Earth Class, and was rising all the way to the peak of the late stage of Earth Class before stopping!

Lin Yi absorbed the energy from the space directly, so he didn't use up any of his own energy. He didn't feel tired even after helping the Dean reach Earth Class late phase peak. He only pulled his hand back under everyone's shocked gazes and smiled, "Dean, now that you're an Earth Class late phase peak, normal practitioners wouldn't be able to cause you any trouble. But the Dongfang family is peaceful now, I don't think they'll cause you any trouble. I think Eastern Sea city is their nightmare and forbidden area."

Chapter 3228 What Did You Just Say?

"Really? Did I really level up? I'm an Earth Class late phase peak?" The Dean had sensed that she'd reached Earth Class late phase peak, but Lin Yi's words still made her feel like she was in a dream!

What she was experiencing at this moment had subverted her decades of understanding! Even in an ancient sect, there shouldn't be someone as capable as Lin Yi, right? Not only could it repair the damaged meridians of others, but it could also help others increase their strength?

Of course, that wasn't all-just Lin Yi's ability to kill Sky Class late phase peak in seconds was something that other practitioners couldn't even hope to achieve! At the thought of this, the old principal could not help but sigh. Her disciple and daughter were really lucky to have met such a magical master!

If it wasn't for Lin Yi, the orphanage would've been destroyed by Zhao Qibing already. You Xiaoke might have to take on a dangerous job like tomb raiding, and she might've already died in the traps of the tomb!

And his daughter Xu Shihan was the same-she was probably killed by the Dongfang family already. But with Lin Yi here, everything was different. Lin Yi was like her Savior, saving her daughter and disciple. These were the two most important people to the Dean!

"Master, you're really an Earth Class late phase peak now!" Yu Xiaoke was envious.

"Xiaoke, didn't your brother say that he would give you an ancestral mantra? You don't have to be so anxious. " Lin Yi looked at Yu Xiaoke's face and smiled,"Did he give it to you?"

"He's in the Hidden House you, but it's not good to just resign. He's looking for an opportunity ..." Yu Xiaoke said.

"House you ..." Lin Yi used to be afraid of them, but now, they were nothing to him. With his true strength, he could easily destroy them, but they were related to the heavenly elixir sect, and he didn't want to make things too hard!

After all, the heavenly silkworm transformation had helped him many times. Lin Yi really didn't know if the heavenly silkworm transformation was one of his own or an enemy.

"Thank you, Yi!" "I thought that I wouldn't be able to live for more than two years. I didn't expect that not only have I recovered from my injuries, but my strength has also increased," the old principal said sincerely.

"It's no trouble at all. " Lin Yi waved his hand, "Dean, you and han just got to know each other, you must have a lot to say, right?" Why don't you talk to Xiaohan first, I'll take Xiaohe to buy some clothes. "

"That's good too. You can bring Xiaohe there. " The Dean nodded. She had a good impression of Lin Yi, so she reminded Yu Xiaohe, "Xiaohe, don't always look so sad. Be happy!"

"Yes ... Master ..." Yu Xiaohe didn't have to listen to other people, but she cared about the Dean's words. She nodded and said to Lin Yi, ""Then ... Let's go."

This was what she agreed to before, and he couldn't reject her now. Lin Yi looked at Cheng Yiyi and asked, "Do you want to come along, Yiyi?"

"I'm not going, I'll go look around the auditorium and Stadium myself. " Cheng Yiyi said.

"Alright, contact me by phone if you need anything." Lin Yi said as he prepared to leave with Xiaoke.

Xu Shihan looked at Lin Yi with a complicated expression. This was a man who had helped her so many times, she was very grateful! In the past, she was just grateful to Lin Yi, but with the trauma from her childhood, she never thought about love or anything like that. Now that she found her mother, she could finally let go of the stone in her heart and let out all the feelings she'd been suppressing for years. She suddenly realized that she was a little moved by Lin Yi ...

Yes, Xu Shihan was a normal girl too. Lin Yi saved the damsel in distress time and time again, and even helped her find her mother. Although it was a coincidence, Lin Yi cured her mother's injuries and even increased her strength. Xu Shihan couldn't help but be grateful.

However, Xu Shihan realized that Lin Yi treated Yu Xiaoke in a special way. Did Lin Yi like Yu Xiaoke? At that thought, Xu Shihan couldn't help but back off. Lin Yi had other girlfriends, she didn't mind, but Yu Xiaoke was her mother's disciple. She was trying to steal her mother's disciple's man?

Xu Shihan shook her head slightly, suppressing the emotions in her heart for the time being, and started to talk to the principal about the things that happened after they separated ...

Lin Yi brought Yu Xiaoke out of the orphanage. On the way, Yu Xiaoke was silent. Lin Yi knew what she was thinking and couldn't help but find it funny, "Are we driving or walking?"

"Anything is fine ..." Yu Xiaoke was a little distracted. From her point of view, her relationship with Lin Yi was probably going to be complicated in the future. She'd been receiving more and more gifts from him, and she'd even given Lin Yi a hint just now-did he take it seriously?

"Then let's walk, just take it as a walk." Lin Yi hadn't been able to stroll on the streets like this in a long time.

As time went on, he'd been in Songshan and Donghai for almost a year now. He'd been busy with his practicing and company stuff, too, and hadn't been out on the streets for a long time.

Returning to Songshan once more, Lin Yi was filled with emotions-he couldn't help but think back to the first time he met Xinyan, Mengyao, and Yushu ...

Lin Yi walked in front, and Yu Xiaoke followed behind like a punching bag. She waited for a while, but Lin Yi didn't say anything. Yu Xiaoke didn't know what Lin Yi meant. Yu Xiaoke was already nervous, and now that Lin Yi didn't say anything, she couldn't wait anymore.

" Hey ... Lin Yi, if you want me ... To be your lover, just tell me, I'll agree ..." Yu Xiaoke hesitated for a long time before saying, " I know that in your eyes, I may be a bad girl. I took so much money from you, but I never gave you a clear answer, as if you were a big, rich man. Actually ... In my heart, I'm really grateful to you. I didn't say yes to you because I already have someone I like, but you saved my master and helped the orphanage with all your heart. No matter how bad I am, I can't let this drag on any longer ..."

Yu Xiaoke said this with determination. After all, she felt that what she did was unfair to Lin Yi. After thinking about it, she decided to accept her fate. As for her love with the male thief, she could only continue it in her next life. For the orphanage, for the Dean, she was willing to give up on her.

"What did you just say?" Lin Yi was thinking about something and wasn't paying attention, so he didn't hear what she said.

Chapter 3229 School Beauty Tang Yin

"You ..." Yu Xiaoke finally made up her mind and said this, but this guy didn't seem to care at all? Did he really not hear it, or did he hear it and was deliberately playing with her?

"Xiaoke, you have to take care of your image now. Of course, I won't ask you to wear expensive clothes. Just casual clothes will do." Lin Yi didn't ask what Yu Xiaoke said and continued talking to himself.

"Oh ..." Yu Xiaoke didn't have the courage to repeat what she just said. She stomped her feet in anger and thought, 'you can't hear it yourself, so don't blame me. I'll just go and like the male thief. If you want to be a sucker, do as you please!' Hmph Hmph!

Yu Xiaoke finally found a reason to continue being bad-who told Lin Yi not to hear?

Lin Yi brought Xiaoke to the shopping street, but they didn't go to the expensive shopping malls. They went to the night market. The clothes there were pretty nice, but they weren't expensive.

He brought Xiaoke to a stall and was about to pick out clothes for her when the stall owner looked at him and said, "Brother, you're here again?"

"?" Lin Yi blinked. Could this be a common tactic used by this store? Therefore, he didn't pay much attention to it. After all, many hotels were like this. It was obviously the first time, but the waiter said that he was here again. It was also a marketing tactic.

"I say, brother, have you forgotten about me?" The stall owner saw that Lin Yi didn't respond, but continued, "You forgot? Did you buy a dress from me last year?"

"Me?" "I bought a dress from you before?" Lin Yi pointed at himself, stunned.

"Yup! Did you forget? you said that we were still loading the goods together the year before. It's at old Zhang 's! You said you used to have a stall in the night market near the bridge!" The stall owner nodded his head with certainty. ""You even told me that sister-in-law is about to give birth!"

"Boss ... Did you get the wrong person?" Lin Yi really couldn't recall any interactions he had with this night market Street's stall owner. Besides, when did Lin Yi set up a stall near the bridge?

"How is that possible?" The stall owner was also bored of practicing his stall all day long. He finally met an acquaintance and wanted to chat with him to relieve his boredom, so he continued to say, ""Have you forgotten that there was a pretty girl in school uniform next to us? she said she was from the food street?"

"A stall in the snack Street?" Lin Yi was even more confused.

"Yeah, she's a pretty girl. I asked around, and her name is Tang Yin, the school beauty of Songshan's first school ... Oh, you wouldn't know her even if I told you. I mean, you still don't remember?" The stall owner kept on nagging.

Tang Yin? Lin Yi's heart skipped a beat when he heard the name. It was as if something in his memory had been stabbed, and some fragmented images appeared!

It seemed like ... He was indeed squatting in front of this stall and haggling with the stall owner, and there really seemed to be a young girl standing beside him ... But his impression was very vague. He couldn't remember the young girl's appearance, and he wasn't even sure if he was really haggling!

It was just a fragment of memory, but it made Lin Yi's breathing speed up.

He ... Really came here? Did he really say something to this stall owner? However, how could he not remember? And, Tang Yin was the school beauty of Songshan's first school? He was from Songshan's first school ... How come he didn't remember a girl called Tang Yin?

Did a part of his memory disappear, or did the stall owner really get the wrong person? Lin Yi wasn't sure anymore!

After all, that fragment of a memory that flashed in his mind didn't mean anything! This was because, according to a survey, many people, in a strange place that they had never been to before, would sometimes suddenly have the thought of being here before flash in their minds! It was as if he had seen it in a dream.

He didn't know what caused this feeling, but he knew it existed. He wasn't sure yet ...

Yu Xiaoke was on the side and didn't know the truth. She thought that the boss was trying to get close to her! After all, she knew that Lin Yi didn't have children. How could Lin Yi have a wife who was about to give birth?

Lin Yi shook his head, stood up, and went into deep thought ... Memory loss ... It seemed that at some point, he would also suddenly have some things that he couldn't remember!

It was after waking up from the fire poison that Lin Yi had this feeling. Could this be the side effect of the fire poison?

However, to confirm, Lin Yi still called Chen Yushu.

"Shield bro, didn't you go to the orphanage? Why was he calling Shu? Shu's at home, chatting with han Jingjing!" Chen Yushu quickly picked up.

Although Lin Yi's enemies were all hiding now, Chen Yushu didn't go out and cause trouble like before. After Chu Mengyao left, she seemed to have matured a lot overnight. Lin Yi rarely saw the naughty and lively Chen Yushu again.

The way she addressed him didn't change at all, but Lin Yi could feel that she'd changed.

"Now? Alright!" The Dean responded and started channeling her practitioner's Arts-she felt an endless stream of pure Qi flowing from Lin Yi's hand to her pulse.

"Oh right, Shu, let me ask you something, is there a girl called Tang Yin among the school beauties of Songshan?" Lin Yi asked.

Yushu's heart skipped a beat, but she didn't show it on her face. "Aren't Yaoyao sis and I the prettiest girls in our school? What Tang Yin?"

"Oh, I don't remember ..." Lin Yi relaxed after hearing that. The owner probably got the wrong person, or he wanted to get closer to Lin Yi and make him buy something. Lin Yi didn't say anything and just randomly picked two clothes for Yu Xiaoke, paid and left.

The stall owner could tell that Lin Yi wasn't interested in talking to him-did he get the wrong person? Why else would Lin Yi be so clueless?

Yu Xiaoke didn't say a word as she picked up the clothes. Lin Yi's choice to buy clothes in the night market was exactly what Yu Xiaoke wanted!

Chapter 3230 An Unspeakable Identity

Otherwise, she would've asked Lin Yi to give her the money even if he wanted to buy it. She would've bought it herself at the night market and earn some money from Lin Yi to help with the orphanage.

Lin Yi could tell that Yu Xiaoke was uninterested. She probably couldn't do anything about coming out with him. Firstly, it was because someone was paying for her clothes, and secondly, it was because the Dean was feeling better now, and she was very grateful to him.

Lin Yi didn't want Yu Xiaoke to be unhappy, so he smiled, ""Xiaoke, I have something to do. Here's a thousand Yuan. You can walk around on your own. I'll go first."

"Oh ... Okay!" Yu Xiaoke didn't expect Lin Yi to suddenly say this, but she still happily took the thousand Yuan! She only needed two to three hundred Kuai to buy her own clothes, and the remaining seven to eight hundred could still be used to subsidize the orphanage. Of course, Yu Xiaoke was happy!

Plus, walking with Lin Yi was a bit awkward. Yu Xiaoke didn't know what to say, but now that Lin Yi was gone, she let out a breath of relief! She didn't expect Lin Yi to leave so quickly, disappearing in the blink of an eye.

Yu Xiaoke shook her head and started to walk around the night market aimlessly. In fact, Yu Xiaoke rarely went shopping before. Even if she went shopping, she would look for a target to steal from. She never thought about buying anything for herself. This was the first time she went shopping for her own sake.

"Beauty, are you alone? Do you need someone to accompany you?" Yu Xiaoke was walking around aimlessly when a voice suddenly came into her ears. Her heart jumped, but there was no disgust from being teased. Instead, there was a sense of surprise!

You Xiaoke turned her head around, "male thief, it's you?" What are you doing here?"

Lin Yi had put on the mask, and this was the "real" face he had when he first met Yu Xiaoke.

"I went to do something, but I suddenly saw you, so I came over to say hello and see if you needed someone to accompany you." Lin Yi said.

"Alright!" Yu Xiaoke nodded happily but shyly. After nodding, her heart sank a little. She just laid her cards on the table with Lin Yi and was ready to be his mistress. It wouldn't be good if she did anything to the male thief now.

She thought that she was pregnant with a girl and always took Lin Yi's money, but she was a woman of her word. Since she made a promise to Lin Yi, it didn't matter if Lin Yi heard her or didn't agree to it. She had to end things with the male thief.

Even though she really wanted to go shopping with the male thief, she had to tell him the truth. "Right, male thief, I have something to tell you!"

"What is it?" Lin Yi froze, confused by Yu Xiaoke's serious face.

"I ... I told you before, right? "There's a guy called Lin Yi who's funding our orphanage, and he seems to be interested in me ..."Xiaoke said after some hesitation.

"Oh? What's wrong?" Lin Yi was even more confused-why would Yu Xiaoke bring this up?

"I ... Agreed to be his lover. Although he didn't seem to hear me clearly before, I did say it. Also, he cured the old principal's illness and has been helping me and the orphanage. I can't lie to him anymore, so ... This is the only way to repay him." Yu Xiaoke was a little embarrassed and sighed, "I'm sorry, male thief, we're ... Not meant to be together. In my next life, I'll be my own, and I'll be with you ..."

Lin Yi was a little surprised. He didn't think that Yu Xiaoke would think so much. Yu Xiaoke's words made him feel apologetic. He was trying to keep it a secret at first, but he just wanted to play along. Now, he couldn't clear this fact.

He didn't know how to tell Xiaoke that he was the male thief, so he only sighed, ""Lin Yi ... Should I talk to him?"

"It's no use, my brother seems to be on his side too, and I owe him so much. I don't believe that there's such a good thing in the world, giving for no reason and not asking for anything in return. So, I think it's useless to talk to him ..." Yu Xiaoke said helplessly.

"Hehe, how do you know it won't work if you've never talked to him?" Lin Yi smiled bitterly. He didn't expect Yu Xiaoke to be so prejudiced against him!

"Then ... Alright." Out of her trust in the male thief, she nodded, but this time, she didn't have the happiness she had before. She looked like she had a lot on her mind.

Lin Yi wanted to find a suitable time to tell her everything, but he didn't know where to start. He could only accompany her and walk around the night market ...

.....鱼人 **yuren22

In the Feng residence, Feng Tianhu was on the phone with someone in his room.

"What? You're saying that not only can Lin Yi repair the meridians of the injured, he can also help people level up? How is this possible?" Feng Tianhu held the phone in his hand and was beyond shocked!

The news he received today was too shocking-the principal of the orphanage was Xu Shihan's mother? Why didn't Dongfang xiaocui and her men kill her? He had really been found?

And that wasn't all-wasn't Lin Yi's performance a little too overpowered? Thinking about nitian, Feng Tianhu was reminded of Feng nitian ... He was starting to regret it now. If he and Feng nitian didn't go against Lin Yi and Feng Shanshan, then with Feng Shanshan and Xu Shihan's relationship, it shouldn't be too hard for Lin Yi to treat Feng nitian, right?

At that time, nitian would be able to recover his meridians and start cultivating again-that would be the best! But there was no use regretting it now-there was no turning back. He and Lin Yi were mortal enemies, and he would kill Lin Yi if there was a chance.

But, thinking about how Lin Yi could fight people above his level and kill Sky Class late phase peak in seconds, it didn't matter if Lin Yi could heal people's meridians and increase their strength. Feng Tianhu was a little numb to Lin Yi's miracles.

However, the most exciting news for him today was that the old principal of the orphanage was Feng Tianlin's old lover! He didn't dare to go against Lin Yi anymore, but he never gave up on the fight for the Head of House Feng.

Nitian was already dead, and there was no way out for him. He had to take over the position of head of the house, and so he came up with a cruel idea, which was to kill the Dean of the orphanage. This way, Feng Tianlin would be heartbroken, and Feng Shasha would follow Feng Tianlin to Songshan city. As long as he did it well, he could make Feng Tianlin and Feng Shasha stay in Songshan forever!
