

Bodyguard 3241

Chapter 3241 Consecutive Breakthroughs

At the blood-robed elder's command, elder netherworld and elder ghastly also sped up the circulation of their mental cultivation methods. At the same time, the genuine Qi around their bodies rose to a very powerful level!

"Pfff ..." Lin Yi spat out another mouthful of blood. The pressure squeezed his meridians, almost paralyzing them. However, the Qi in his meridians made them expand and expand continuously. Lin Yi almost exploded from the pressure and spat out blood.

However, at this moment, the meridians in Lin Yi's body started to shake violently, and Lin Yi's entire body also exploded like a flood breaking through a dam. The pure Qi in his body seemed to have broken through some barrier and quickly filled every corner of Lin Yi's body ...

He had broken through! Lin Yi took a deep breath and quickly circulated the art of Dragon mastery to stabilize the Qi in his body. That was because he could feel that there was an even greater pressure coming!

Lin Yi had just broken through to Sky Class early phase peak, but the blood-robed elder, yellow spring elder, and ghastly elder were all attacking at the same time-it wasn't a joke. Lin Yi didn't want to be killed by the aftershock of their attacks right after he broke through-that would be as tragic as it could get!

However, it was too late for Lin Yi to run away. All of this happened in a split second. The three elders made their move, unleashing their ultimate skills at the same time, hitting the great elder!

"BOOM!"

The great elder closed his eyes, blood dripping from his mouth. He was dead, but he was still a Sky Class late phase peak-his body wasn't torn apart.

Lin Yi, on the other hand, was the unlucky one-he had just broken through, and he had to use his Arts to resist the pressure!

In an instant, Lin Yi's resistance was raised to the limit! He had no choice but to use his most powerful true Qi to protect himself from the aftermath of this pressure!

Even so, Lin Yi was still sent flying out of the window by the force, falling from the top of the building to the bottom of the building. He landed heavily on the concrete floor with a loud thud.

Lin Yi was in a daze from the fall-all his organs had shifted positions, and his bones and meridians were pretty much all broken! If it was someone else, they would have died very quickly!

The pressure from three Sky Class late phase peak Masters wasn't something to joke about, not to mention that two of them were full Masters.

However, Lin Yi was about to die, and yet a smile of surprise and joy appeared on his face!

Lin Yi ... He'd actually touched the barrier to Sky Class mid phase! How was that possible? Although, Lin Yi didn't believe that he was able to stabilize his Sky Class early phase peak in an instant and touch the barrier to the middle phase, but that feeling couldn't be wrong-it was the barrier!

It turned out that a practitioner's potential was limitless-facing the pressure from three top class Masters, Lin Yi successfully surpassed himself and broke through. Not only did he stabilize his strength in an instant, but he also accumulated his Qi in an instant and touched the barrier of Sky Class mid phase!

Although he still needed some time or an opportunity to reach the mid phase of the Sky Class, he had already touched the wall. Would it be any further?

Of course, only Lin Yi would dare to use this method of surpassing himself. Any other practitioner would've died already. What was the point of surpassing himself? Only Lin Yi himself could heal this kind of injury. Even the recover pill was useless!

After the excitement, Lin Yi quickly circulated the third stage of the art of Dragon mastery and started repairing his damaged body, meridians, and bones! This wasn't a problem for Lin Yi, and he started meditating on the concrete floor.

However, Lin Yi being pushed out of the window by the pure energy scared the blood-robed, yellow spring, and ghastly forefathers!

Oh my God, they were too focused on killing the Grand Elder just now and forgot about Lin Yi. Now that Lin Yi was dead, they were going to die soon! Would Lin Dongfang be able to get around them? Can Yang Ming bypass them?

If any one of these two came, the three of them would have to bear the consequences!

"Hurry and see how Master Lin Yi is doing!" The ghastly patriarch was the first to react. He couldn't care less about the Grand elder's body and jumped out of the window, followed by the blood-robed patriarch and the netherworld patriarch.

They were nervous as well-they were here to please Lin Yi, but now they didn't get what they wanted, and Lin Yi was dead.

However, the old man let out a breath of relief when he saw Lin Yi meditating downstairs.

He could feel that Lin Yi was channeling his practitioner's Arts, and his strength was at Sky Class early phase peak. It seemed like Lin Yi was fine.

The blood-robed and yellow spring ancestors could feel what the ghastly old master could, so they decided to be Lin Yi's guards and stationed themselves beside him, waiting for him to come out of meditation.

Lin Yi was cultivating, but he could feel the three coming. They were even protecting him, which surprised him. He thought they'd leave after killing. He didn't expect them to be so loyal.

The third stage of the art of Dragon mastery healed very quickly. Lin Yi was heavily injured, but he recovered very quickly. He opened his eyes and stood up. He cupped his fists to the three old ancestors beside him, "Thank you for protecting me, patriarchs!"

"Ah, Mr. Lin Yi, you're fine?" The ghastly old ancestor saw Lin Yi standing in front of him, full of energy. He was suddenly relieved, but his heart was full of admiration. No wonder he was Lin Dongfang's grandson, Mr. Yang Ming's disciple. This guy could break through under pressure and even heal himself!

But thinking about it, how could these two juniors that he valued be bad?

"Of course I'm fine. I still have to thank the three great ancestors for giving me an opportunity to break through." Lin Yi knew that the three of them could tell that he'd broken through just now-he'd rather tell them the truth than hide it from them! Of course, Lin Yi didn't know what these three were really thinking! If Lin Yi didn't tell them, they wouldn't dare to ask.

Chapter 3242 Another Good Treasure

"Haha, what kind of thanks is this? we didn't contribute at all." The old man waved his hand."But Mister Lin Yi, you're pretty good. This is the first time I've seen you level up like this!"

"You're too kind ..." Lin Yi saw that the old man wasn't curious at all and couldn't help but be confused. Did they not have curiosity? However, when he thought about the three of them being assassins, he immediately felt relieved!

Assassins generally wouldn't inquire about things that had nothing to do with them. If they took someone's money to help them get rid of disasters, why would they inquire so much useless information? Curiosity killed the cat!

"It's all thanks to Mr. Lin Yi this time. If you didn't use the inescapable net to cover this old man, we wouldn't have dared to make a move so easily. This time, it's really convenient for us. We didn't have to waste any effort and completed the mission!" "Shall we go up and take a look together?" the ghastly forefather asked.

"Good! I just happened to be there. I really have to thank the three of you for your help, otherwise I really wouldn't have been able to deal with it. " Lin Yi couldn't be impolite. After all, they were helping each other out. Lin Yi felt that the people from yellow spring sect were very loyal, but he didn't dare to go too far.

After all, he didn't owe him anything. He was a businessman, and it was already very good that he could do this!

The four of them went up and saw the old yard, Xu Shihan, Cheng Yiyi, Yu Xiaoke, and Xiao Ken at the entrance. They had seen Lin Yi meditating, but they didn't go over to disturb him.

When the three old ancestors of yellow spring sect appeared, there was no need for them to disturb them anymore. They just stood in the distance and looked at Lin Yi quietly.

The Dean and the others let out a breath of relief when they saw that Lin Yi was fine. Xu Shihan and Cheng Yiyi's eyes flashed with excitement and relief, but Yu Xiaoke's feelings were very complicated.

In fact, if Lin Yi was dead, it would be a good thing for Yu Xiaoke. She didn't have to worry about Lin Yi's future troubles, and she didn't have to worry about any obstacles between her and the male thief. But Yu Xiaoke didn't want anything to happen to Lin Yi!

She didn't like Lin Yi, but she knew that he was a good person. Lin Yi died because of the Dean, and Yu Xiaoke would never be happy for the rest of her life. She even thought that she might become a widow for him. Since she promised him, she had to keep her promise. She didn't think of herself as a good girl, but she wasn't a person who went back on her words.

Seeing that Lin Yi was fine, Yu Xiaoke let out a breath of relief. This guy was strong, he was really lucky.

"Lin Yi, you're fine?" Xu Shihan saw Lin Yi walking over and couldn't help but ask. Her eyes were full of concern and she didn't hide it at all. Xu Shihan had been with Lin Yi every day during this period of time, and Lin Yi had saved her so many times. It was impossible to say that she didn't have a good impression of Lin Yi. Xu Shihan's heart had been with him for a long time, and now that she had found her mother, Xu Shihan didn't have too many concerns.

She became a star to look for her mother, and now that she found her mother, she decided to give up. She didn't care about the gossip anymore-she liked Lin Yi, and she liked him, there was nothing to hide.

However, Xu Shihan didn't know if she still had a chance! She was a big star, after all, but Lin Yi didn't seem to see her as a star at all. In Lin Yi's heart, she was probably just a normal good friend.

"Lin Yi, thank you ..." Cheng Yiyi looked at Lin Yi guiltily, not knowing what to say ... Lin Yi knew that she was an Earth Class? Did Lin Yi know about the things she did to him?

Did he know? did he not? Cheng Yiyi didn't know, but she did feel terrible. However, most of the time, people didn't have a choice, did they?

Lin Yi nodded, but his eyes didn't stay on Cheng Yiyi for long. He didn't want Xu Shihan to notice anything, and he planned to talk to Cheng Yiyi when there was no one around. He turned to the Dean and said, "Principal, it's fine now. Take them to rest. The Grand Elder of the dark horse gang was invited by Feng Tianhu of the ancient Feng family. I don't think I need to explain why he's looking for you ... As

for Feng Tianhu, I'll settle the score with him. However, I hope you can keep the details of what happened last night a secret."

Lin Yi didn't say it out loud, but everyone knew what he was talking about-his true strength! The rumors about Lin Yi killing Sky Class late phase peak in seconds were true-Lin Yi wasn't that strong.

If it wasn't for the people from yellow spring sect, Lin Yi would be at his wit's end.

"I understand," "We won't say anything, right, Xiaohan?" the old principal nodded her head solemnly.

"Yes, I am." Xu Shihan nodded.

"Then let's go upstairs and deal with the body. As for the other things, we'll talk about it tomorrow, okay?" Lin Yi said with a nod.

"Alright," he said. The principal was tired as well, so she nodded and brought Xu Shihan and the others to rest ...

Yu Xiaoke stood at the side, not saying anything until Lin Yi turned around to leave. Yu Xiaoke suddenly opened her mouth, "Lin Yi ... I'll keep my promise to you!"

At this moment, Yu Xiaoke made a decision-she was going to tell the male thief that she had made up her mind! Lin Yi was a good person, and Xiaoke didn't want to lie to him anymore.

"What?" Lin Yi blinked.

"It's ... It's nothing ..." Yu Xiaoke was a little discouraged. Did Lin Yi really not hear what she said?

Lin Yi, the blood-robed elders, the netherworld elders, and the ghastly grandmasters went up the stairs and came to the broken room. The Grand elder's body lay quietly in the room.

This was a hero of a generation, a top-notch cultivator. It was really sad that he had died here.

"Inescapable net ... Unfortunately, it's a one-time use and can't be used again." Lin Yi couldn't help but sigh as he looked at the net around the Grand Elder.

"However, this guy has a good treasure in his hands. Compared to your inescapable net, it's not bad!" The ghastly old ancestor pointed at the Supreme elder of the Black Horse gang. The divine weapons of these top experts were all known in the ancient era. Naturally, the ghastly old ancestor of the blood-clad netherworld sect was well aware of this.

"Oh?" Lin Yi blinked, remembering how his energy bomb had disappeared in front of the Grand Elder without any warning!

Chapter 3243 The True Energy Ring

Lin Yi thought it was weird-even if his attack didn't work on the guy, it couldn't just disappear, could it? Even if he couldn't kill him, he should at least be able to make him stagger, right?

However, after the true energy bomb was released, there was no sound at all. His true energy bomb was gone just like that!

But the Grand Elder said he had a trump card, but he didn't tell Lin Yi what it was. Could it be the treasure the elder was talking about? Was it his trump card?

Lin Yi's heart skipped a beat as he asked, "Ghastly old ancestor, what kind of treasure is it?"

"This thing is called a true Energy Ring!" With that, the old man cut off an unassuming black ring from the Grand elder's hand and raised it to Lin Yi. "This thing can absorb the enemy's true Qi attack and store it in this ring! Then, when you want to release it, you can turn the true Qi inside into a technique and release it, and the power of the absorption will be stronger than before!"

"Ah!" Lin Yi looked at the ring in shock. No wonder his energy bomb was absorbed by this thing, and the great elder's casual pointing of the finger sent the energy back to him!

No wonder it was so powerful. Even when he was dodging and protecting his body with true energy, it could still blow up half of his arm! This was even more powerful than the power he had released before!

However, this was a good thing. Not only could it save one's life at a critical moment, but it could also borrow strength to fight against strength. It was really a good thing that was hard to come by!

Of course, Lin Yi didn't have any thoughts of taking it for himself even though he thought it was a good item. After all, these three were top-class Masters, and they were his saviors too. He had a good relationship with them, and he couldn't just take it away from them.

However, what Lin Yi didn't expect was that the blood ancestor handed the ring to Lin Yi after taking it, ""You can have this. Our blood-clad yellow spring sect doesn't like to owe others too many favors! I already owe you a favor for the matter with Eastern silver Star and heavenly venerate pure Yin. Including this one, I owe you two favors in total. How about I return one to you first?"

It was a pleading tone, but Lin Yi didn't dare to say no. It was a great thing, and giving him a piece of junk was a favor he'd returned-Lin Yi didn't mind!

After all, no matter what, the bloody-clothed yellow spring sect had helped him twice. It was normal for him to owe them a favor even if they didn't tell him that they had a mission, let alone the fact that they would tell him the truth.

So Lin Yi was surprised and happy at the same time as he accepted the ring, "This thing ... Isn't it a little too expensive?"

It wasn't that Lin Yi was being polite, but he was speaking the truth. Lin Yi didn't think that the favor he owed them was worth a heaven-grade weapon. Although it seemed like it was only a support weapon, its value couldn't be underestimated!

He'd already seen how valuable a heaven-grade weapon was when he'd made the trade with the snow Valley, so Lin Yi didn't want to take advantage of the blood-clad sect.

"Since it's a favor, then there's no need to care about the value of the item. A favor has no value." The blood-robed elder waved his hand and said,""It's decided then?"

"This ..." Lin Yi pondered for a while and made a decision. He took out the lightning Gale boots from the Jade space and placed it in front of the blood-robed elder,""Blood-robed patriarch, it's not good for me to take such a big advantage for nothing. This is a pair of Gale lightning-chasing boots. I believe you are familiar with it because it belongs to the blood-robed yellow spring sect. I'll return it to its original owner now!"

To tell the truth, the lightning-chasing Gale boots were good stuff, but he'd snatched it from the blood-clad yellow spring sect after all. Besides, Lin Yi didn't know how to use it, so there was no point in keeping it. He couldn't ask the people from the sect how to use it either!

The thing was supposed to be hers, and Lin Yi didn't have the nerve to ask her how to use it. Wasn't this the same as slapping his face? After snatching someone else's things, he still asked how to use them. This was simply too much!

Especially since Lin Yi's relationship with the blood-clad yellow spring sect was pretty good, it was even more inappropriate to ask. Now was the right time to return it to the sect. Lin Yi wouldn't feel that he owed the sect too much.

However, what surprised Lin Yi even more was that old ancestor yellow spring only took one look at the lightning Gale boots and said,"Oh, this thing, since it's your loot, it's yours. Yin Sen, go and make a copy of the chant for Mister Lin Yi!"

"Ah?" Lin Yi was completely dumbfounded. This ... The people from yellow spring sect were too kind. Or did they value friendship too much? They actually didn't want the things he gave them? Why did it feel so unreal to Lin Yi?

The old man didn't know what to say as he looked at Lin Yi's stunned face. The two old men didn't know much about the world-wasn't this a little too direct? It was obvious that she was biased towards Lin Yi. How could Lin Yi not overthink?

However, he was a sly person and quickly found an explanation. "Mr. Lin Yi, you don't have to think too much about it-this is how the ancient level works. You go and kill someone, but you fail, and you get killed instead. Naturally, the things on you belong to them-this is the rule of the ancient level, and we have no reason to ask for them back. It's unreasonable!"

In fact, the old man's rules were the truth, but only the normal ancient sects would follow them. The stronger ancient sects wouldn't, and they would still seek revenge.

But there was no need to explain that to Lin Yi, and so the old man only explained it to Lin Yi to make him feel like it was only natural.

"I see ..." Lin Yi nodded, "Then I'll accept your invitation. No matter what, I still have to thank everyone."

"We're helping each other!" The ghastly forefather waved his hand. He had already written down the incantation to use the lightning-chasing Gale boots. The item was not complicated to begin with, and there were only a few incantations.

Lin Yi took it and looked at it, realizing how easy it was to use the boots. He nodded and put it away carefully, but he thought about the energy Ring and was confused, "By the way, great ancestors, how do I use my true Energy Ring?"

Chapter 3244 Probing

"A true Energy Ring is actually very easy to use. You just need to drip a drop of blood on it to make it recognize you as its owner. This way, the true Energy Ring can be activated according to your thoughts and thoughts." The ghastly forefather did not hide anything and told him everything he knew."Of course, this thing can only recognize its master once. Unless its original owner dies, it can't be used even if it's taken away by someone else."

"So that's how it is!" Lin Yi didn't want to show off his wealth, but what if someone else wanted it? After all, he wasn't a top-tier cultivator yet. Although he had a fierce reputation, he was still clear of his own strength.

But this way, he didn't have to worry about people coming after him-they'd have to kill him if they wanted to take the ring, and he didn't have to worry about people threatening him with other conditions.

"Yes, Mr. Lin Yi, we'll be taking the Dark Horse's Grand elder's body with us first. Same old condition, please keep it a secret! This mission was carried out in secret, and the person who hired us is also a member of the Black Horse gang. He naturally doesn't want this matter to be exposed, as that would do him no good. " "So, we can only put the blame on Mister Lin Yi-you're the one who killed him!" The elder said.

"I understand." Lin Yi nodded. This was exactly what he wanted to see. He didn't doubt the old man's words. After all, it would be a huge scandal if the news got out that the old man hired a killer to kill a Grand Elder. It was better to keep it a secret.

The ghastly patriarch said nothing more. He picked up the Grand elder's body and disappeared into the night with the blood-robed patriarch and elder netherworld.

Lin Yi shook his head with a bitter smile and went back to his room to continue his training ...

He'd just touched the barrier of Sky Class mid phase, and he needed to work harder-if he did, then he'd really have the power to kill Sky Class late phase peak in seconds!

On the other floor of the dormitory building, the principal and Xu Shihan were sharing a room. After going through such a storm, the mother and daughter must have a lot to talk about. Cheng Yiyi, on the other hand, was staying in a room by herself!

Although Lin Yi had already healed most of her injuries, there were still some superficial injuries that weren't healed yet. So, Cheng Yiyi was still in a lot of pain, but she couldn't care about the pain anymore. Her heart was filled with torment!

He didn't know how to face Lin Yi and Xu Shihan in the future! She wanted to be honest with Xu Shihan, but she didn't have the chance. Xu Shihan was with the principal the whole time, and didn't give Cheng Yiyi the chance to be alone.

Just as Cheng Yiyi was hesitating, her phone rang.

Cheng Yiyi picked up her phone and glanced at the caller ID. She couldn't help but sigh deeply, but still picked up the call. "Boss ..."

The man Cheng Yiyi referred to as "boss" was Feng Tianhu of the ancient house Feng. It turned out that Cheng Yiyi was a spy he had placed by Xu Shihan's side, or rather, Cheng Yiyi was just a tool for Feng Tianhu to make money in the secular world.

"Yiyi, how did it go? Is that old woman dead?" Feng Tianhu had actually received Cheng Yiyi's text message earlier! Xu Shihan decided to stay at the orphanage tonight, and so did Lin Yi. This made Feng Tianhu feel a little uneasy!

Lin Yi was staying here? Then how would the Grand Elder of the Black Horse gang make a move? However, Cheng Yiyi had tried to persuade them, but they refused to listen. Feng Tianhu had no other choice! What Feng Tianhu was most afraid of was the Supreme elder of the Black Horse gang dying here.

But thinking about it, the Grand Elder of the Black Horse was a Sky Class late phase peak full master-Lin Yi could kill a Sky Class late phase Peak Master in seconds, but he might not be able to beat a Sky Class full master!

After all, these were two different levels, and the difference was quite big. Feng Tianhu didn't think that Lin Yi had the ability to do this! Because if Lin Yi really had that kind of ability, wouldn't he just kill his way to house Feng and cause trouble in the ancient world?

"No, the Killer is Dead ..." Cheng Yiyi said after taking a deep breath.

"What?" Feng Tianhu was really shocked! It was really what he was afraid of! He could not believe his ears. "Yiyi, what did you say? The great elder of the Black Horse, a Sky Class late phase peak full master, died? How did he die?"

"How else could he have died ..." Cheng Yiyi's heart skipped a beat, and a determined and determined look appeared on her face. However, her tone was a little helpless. "I don't know the details, but Xu Shihan, the Dean, and I all ran away, leaving only Lin Yi and the Grand Elder in the room ..."

"Only the two of them are left? Lin Yi killed him?" Feng Tianhu's eyelids twitched. Although he had already guessed this possibility, he still couldn't help but feel a little scared and disappointed after confirming it! Oh my God, Lin Yi could really kill Sky Class late phase peak, a peak practitioner that was like a nuclear bomb? Isn't this too amazing?

"I don't know ... Maybe ..." Cheng Yiyi didn't say it out loud, but it was clear that Lin Yi was the one who did it! Feng Tianhu naturally thought so too.

"Then ... That idiot from the dark horse gang didn't reveal my identity, right? Lin Yi doesn't know that I'm the one who sent them, right?" After Feng Tianhu's disbelief, it was a deep fear! If Lin Yi could even kill Sky Class late phase peak, then killing him, Feng Tianhu, would be a piece of cake ... What was he supposed to do?

Tianhu regretted his decision-he shouldn't have touched Lin Yi's people. After all, the Dean was Xu Shihan's mother. If Lin Yi had interfered, he wouldn't have had a good time.

If Lin Yi knew about this, he would never let him go ... Wasn't he just asking for death?

"I'm not sure, because I wasn't there either. Han and I were both injured, and Lin Yi healed us before we came out ..." Cheng Yiyi said.

"Oh? He didn't suspect you?" Feng Tianhu heaved a sigh of relief and said,"that's good!" How about this, you go ask Lin Yi for me tonight, test his words and see if he knows that I'm the mastermind behind this. If he does, tell me! So that I can prepare countermeasures, do you hear me?"

Chapter 3245 Cheng Yiyi, Are You Crazy?

Feng Tianhu was panicking. If Lin Yi really found out that he was the mastermind, and he provoked Lin Yi again and again, Lin Yi would definitely get even with him, so Feng Tianhu was ready to run.

"I ... How can I ask ..." Cheng Yiyi didn't really want to work for Feng Tianhu anymore. She already felt sorry for Xu Shihan, so she naturally didn't want to listen to Feng Tianhu anymore! At first, she thought that Feng Tianhu was a very powerful person, and that she was destined to never be able to fight against him, but after hearing his flustered tone, without his usual dignity, he was just a paper tiger, nothing in front of Lin Yi!

"Hmph! You're a celebrity, don't tell me you don't have any tricks up your sleeve! Lin Yi had so many beautiful women around him, and he was trying so hard to protect Xu Shihan. You know what he's trying to do! I'm also a man, and I know all of this. Go to his room tonight, and I don't care what you do, but you have to give me a definite answer! Let's see if he knows anything about me. Most importantly, let's see if he has any plans to deal with me!" "Cheng Yiyi, I'm warning you," Feng Tianhu ordered. "Don't get lucky!" Once you're done with this, I'll show you a photo of your brother! If you don't do it well, you won't be able to see your brother again in this lifetime, you hear me?"

"Okay ..." Cheng Yiyi nodded helplessly and sighed. Her brother was being held hostage in Feng Tianhu's hands, so what could she do? She and her brother were both orphans adopted by Feng Tianhu since they were young. In the name of helping her brother cultivate, Feng Tianhu had sent her brother somewhere and made her a celebrity to earn money for him. Cheng Yiyi was worried about her brother's safety and had no choice but to let Feng Tianhu do as he pleased ...

"Hmph, I'm telling you, don't play any tricks! Don't think that I'm afraid of Lin Yi and you're backing out. I'm telling you, if I'm done for, your brother won't be able to live well either!" Feng Tianhu threatened. He was really afraid that Cheng Yiyi would just run away and quit. After all, Lin Yi's strength was too terrifying. Anyone would be afraid to go against Lin Yi.

"I understand, boss!" Cheng Yiyi hurriedly said.

"It's good that you know. " Feng Tianhu snorted again and hung up.

Cheng Yiyi looked at the phone and couldn't help but sigh. However, she had already made her decision, and there was no turning back. She knew that she couldn't back down this time. She couldn't keep making mistakes!

As long as he could get Lin Yi's help, then forcing Feng Tianhu to hand over his brother wasn't an impossible thing to do! Of course, that was if Lin Yi forgave her ... Forgave her for all the bad things she did to Xu Shihan.

Gritting her teeth, Cheng Yiyi made up her mind and walked to the door. She quietly went upstairs and walked to Lin Yi's room.

Cheng Yiyi was an Earth Class early phase, and while the Dean was an Earth Class late phase peak, he'd only just leveled up. Cheng Yiyi was good at disguising herself, so it was easy for her to fool the Dean.

However, it was impossible to hide it from Lin Yi. When someone came upstairs, Lin Yi immediately noticed it, but he wasn't too nervous. From the sound of the footsteps, it should be Cheng Yiyi.

After spending so much time with her, Lin Yi could already recognize her voice.

It seemed that this little girl was planning to confess to him? Lin Yi shook his head. He didn't kill Cheng Yiyi right away, but saved her because she took a hit for Xu Shihan.

From this, one could tell that Cheng Yiyi wasn't a bad person. Perhaps she was repenting, or perhaps she had her own difficulties.

Cheng Yiyi walked to the door of Lin Yi's room and took a deep breath. She clenched her teeth and slowly unbuttoned her pajamas, revealing her healthy, wheat-colored skin.

Although this skin color looked a little dark, it was still a popular color at the moment. It looked sexier and healthier, and Cheng Yiyi had always been on this path.

Because she was a practitioner, her figure was very good, and it was even more tight and elastic than Xu Shihan's soft skin. This was a body that could make men go crazy.

Although Cheng Yiyi didn't think that Lin Yi was a pervert, after thinking about it, the only thing she could get Lin Yi's forgiveness from was this body. Fortunately, she was innocent! Otherwise, why would Lin Yi go to Feng Tianhu and ask for her? Why would Lin Yi listen to a spy?

Lin Yi's room wasn't locked, so Cheng Yiyi pushed the door open and walked in. The moment Cheng Yiyi walked in, Lin Yi opened his eyes and returned to reality from his training. However, when he saw Cheng Yiyi naked, he was stunned. The beautiful scenery in front of him made his heart beat faster.

He couldn't deny that Cheng Yiyi was the first girl he'd ever met with skin color like that. She was full of wild beauty, but Lin Yi was a strong-willed person. He was still a little perverted, but he could control himself and not let himself get lost.

"Cheng Yiyi, what do you mean by this?" Lin Yi frowned and asked faintly.

"Lin Yi ... Want me to ..." Cheng Yiyi didn't give Lin Yi an explanation. Instead, she went up and hugged Lin Yi, her delicate body squeezing into Lin Yi's arms!

Lin Yi's shirt had a hole in it from the fight, and there was quite a bit of blood on it, so he took it off while practicing, leaving his upper body bare. It wasn't too cold as a practitioner anyway.

Now that Cheng Yiyi was sticking close to him naked, and even used her two points on her chest to rub against Lin Yi's chest, it made Lin Yi's mouth dry up.

However, Lin Yi was still very calm. Although Cheng Yiyi was a beauty, and pushing her down would definitely give him a sense of accomplishment, Lin Yi didn't have any emotional Foundation with her. There was Feng Xiaoxiao, the Miss, and Shu at home, and he hadn't even pushed them yet. Pushing Cheng Yiyi first?

Lin Yi wasn't that cheap. If it was the Miss, Shu, Wang Xinyan, or Feng Xiaoxiao, he would've gone with the flow. Even if it was Han Jingjing, Song Lingshan, or Sun Jingyi, he would've been fine with it. But Cheng Yiyi ...

There wasn't any emotional Foundation for this at all, and it was obvious that superstar Cheng was a spy. Lin Yi didn't even know what she was here for, and if they really did push each other down, he wouldn't be able to understand. Was she here to harm Xu Shihan, or was she here to kill her?

Even Lin Yi would be in a difficult position, so she might as well push Cheng Yiyi away.

"Cheng Yiyi, are you crazy? If there's anything, put on your clothes first. Otherwise, get out. " Lin Yi said faintly as he pushed Cheng Yiyi away.

Chapter 3246 Cheng Yiyi's Difficulties

"Ah ..." Cheng Yiyi sniffed at Lin Yi's manly scent. She was a little moved, but she didn't expect Lin Yi to not want to touch her at all. She was disappointed. To be honest, Xu Shihan had a crush on Lin Yi after spending so much time with him, and Cheng Yiyi had a good impression of Lin Yi as well.

It was just that the pressure on her body would sometimes cover up her feelings for Lin Yi, and when Cheng Yiyi wanted to push away the pressure, her feelings for Lin Yi would burst out, just like when Xu Shihan found her mother.

Cheng Yiyi didn't say anything. She quietly turned around and walked to the door. Bending down, she picked up her pajamas from the ground ...

However, Lin Yi swallowed his saliva. The moment Cheng Yiyi bent down, the mysterious area under her body was right in front of Lin Yi's eyes, making Lin Yi's blood boil.

Lin Yi wondered if Cheng Yiyi was doing this on purpose. Yes, Cheng Yiyi did it on purpose! She was a little unconvinced! Before, she wanted to give her body to Lin Yi because she had no other choice, but Lin Yi rejected her. This made Cheng Yiyi feel very hurt. Wasn't she pretty? Wasn't it sexy? Her figure wasn't good? What right did Lin Yi have to reject her?

And so, Cheng Yiyi thought of ways to seduce Lin Yi again. When she quickly turned around and saw Lin Yi's Red face, she smiled. It seemed that Lin Yi wasn't really that calm when he was pregnant, he just had better self-control ...

He definitely still had some thoughts about her! At this thought, Cheng Yiyi felt a little better.

Although Cheng Yiyi was already dressed in her pajamas, it was only a sleeping robe. There was nothing below or above it, and only a belt was fastened around her waist. If Cheng Yiyi sat down, her upper body would be faintly visible ...

Cheng Yiyi was like a little wild cat, smiling sneakily as she sat in front of Lin Yi. From Lin Yi's angle, he could see her chest from her collar ...

Lin Yi coughed helplessly and "determinedly" turned his eyes away from Cheng Yiyi. "Tell me, why are you looking for me?"

"Make ... Love." Cheng Yiyi said.

"Pfff ... Cough, cough, cough ..." Lin Yi started coughing.

"I'm serious. You saw it just now. It's true. " Cheng Yiyi shrugged her shoulders innocently, and her collar instantly opened up to reveal a huge gap.

"..." Lin Yi's eyes were drawn back by the word "make ... Love". He didn't expect to see something he shouldn't see, and was speechless.

"Okay ... Actually, I'm here to be honest with you." Cheng Yiyi knew when to stop. If she continued to tease Lin Yi, he might find it interesting at first, but after a while, he might kick her out. That would be a tragedy.

"Earth Class early phase? Actually, I already knew. " Lin Yi put away his awkward smile as they got down to business.

"How did you know? When did you find out? Or did you already know ... My identity?" Cheng Yiyi asked in surprise.

"I knew it the first time I saw you." "I was already suspicious of you when Xu Shihan was in danger with us, but ... I wasn't sure," Lin Yi said.

"You already suspected me at that time?" Cheng Yiyi was stunned. She didn't expect to be exposed so early, so she couldn't help but feel a little discouraged."Lin Yi, I'm a Star, after all, and acting is my specialty. You're already suspecting me the first time we met? Am I that bad?"

"It has nothing to do with your performance." Lin Yi waved his hand,"I have an ability that allows me to see someone's strength level. As long as it's a spiritual practitioner, I don't even need to chant to know his strength level!" Of course, you can also repay your master behind the scenes, Feng Tianhu, for this ability. "

"You ... You know everything?" Cheng Yiyi's eyes widened, not expecting Lin Yi to be able to guess that she was Feng Tianhu's woman. She couldn't help but feel a little awkward,""Don't worry ... I won't tell anyone. I didn't tell Feng Tianhu that the blood-clad yellow spring sect helped kill the Grand Elder of the Black Horse gang. I only said that Xiaohan and I left, leaving you in the room. The Grand Elder of the Black Horse gang died after that."

"Haha ..." Lin Yi smiled, not denying it. Since Cheng Yiyi had decided to be honest, she naturally wouldn't be on Feng Tianhu's side anymore, so this was reasonable.

"Then why don't you say that you're suspicious of me because you can tell that I'm a cultivator?" Cheng Yiyi didn't dwell on the previous topic. Lin Yi didn't say anything, which meant that he didn't want to pursue the matter. This also meant that she had hope of getting Lin Yi's understanding!

"I can tell, that's why I'm not sure." Lin Yi shook his head and explained,"with your strength, killing Feng sanhuang and then Xu Shihan is a very easy thing. You don't need to rely on outsiders at all. So, although I suspect that you lured us into a dark alley that day, there are too many things that can't be explained, so I'm not sure."

"So that's how it is ..." Stunned, Cheng Yiyi shook her head with a bitter smile."Actually, Feng Tianhu told me to do it myself, but ... Han and I are fellow disciples, and even though I approached her with ulterior motives ... As time passed, our relationship grew deeper and deeper. When I was sure that han was Feng Tianlin's illegitimate daughter, I couldn't do it anymore ..."

"It seems like ... You're not a stone-hearted person. This means that you can still be saved." Lin Yi nodded. This was also the reason why he kept Cheng Yiyi alive and didn't kill her. Cheng Yiyi was a loyal person,""How are you going to explain this to Feng Tianhu?"

"I said, I'm A Celebrity, a public figure. After all, I'm just making a living in the secular world. If I kill someone myself, it's fine if I don't get caught. But if I leave any traces and get caught, I can only run away." Cheng Yiyi said, "I can't be like the other practitioners, running back to my family and sect. My status is there, and Feng Tianhu needs me to make money for him in the mortal world. So, he didn't hesitate and agreed to my suggestion. He sent someone else to kill Xu Shihan, and I worked with him from the inside."

"You're pretty smart. " Lin Yi didn't think that Cheng Yiyi would be so smart to come up with such an excuse. "Why do you work for Feng Tianhu?"

"My younger brother and I ... Were adopted by Feng Tianhu since we were young ..." Cheng Yiyi said slowly after a moment of silence.

Chapter 3247 Can't Find Her

"Oh?" Lin Yi blinked, not expecting Cheng Yiyi to have a little brother.

"Then, he taught us how to cultivate. When I was ten, Feng Tianhu took my brother away and separated him. I was forced to go through a celebrity's training course, and my brother never appeared in front of me again ..." Cheng Yiyi couldn't help but sigh at this point.

"Feng Tianhu used your brother as a threat to force you to work for him?" Lin Yi understood immediately-Cheng Yiyi must have her own reasons. She had to struggle between her brother and sister, and couldn't bear to give up either one of them.

It seemed that he was lucky that he didn't kill her. It turned out that she had such an unknown pain.

"Yes, I am." Cheng Yiyi nodded. "Every once in a while, Feng Tianhu would send me a picture of my brother's life. He would tell me that he's living well and that he's still cultivating. However, the more he did that, the more uneasy I felt. If I betrayed him, Feng Tianhu would definitely do something bad to my brother ..."

"Then why did you choose to be honest with me?" Lin Yi asked.

"Because ... I can't let Xiaohan shelter me from the wind and rain just because of my mistake. I don't want to hide it anymore. It's too painful for me ..." Cheng Yiyi shook her head, then blinked her big, lively eyes. "And ... Feng Tianhu is afraid of you!"

"You're afraid of me? "You know the truth ..." Lin Yi smiled bitterly. As expected, Cheng Yiyi had something to ask of him, or else she wouldn't be seducing him ... It seemed like Cheng Yiyi was willing to give it her all for her brother.

"But Feng Tianhu doesn't know!" Cheng Yiyi said matter-of-factly.

"I'll help you ask what's going on. " Lin Yi sighed. "Your situation is a little troublesome. Feng Tianhu might not let him go so easily."

"What do you mean?" Cheng Yiyi was slightly taken aback.

"Feng Tianhu is a sinister and vicious person. You don't know him." Lin Yi waved his hand and explained, "and he's someone who would do anything to get what he wants. If he could kill his own son to frame Feng Shangyi, you can imagine what kind of person he is. What I'm afraid of is that if I don't ask, Feng Tianhu will have a hostage in his hands, and he won't be afraid of me doing anything to him!"

"Ah!" Cheng Yiyi was surprised. Lin Yi's analysis was very reasonable, and he had a very accurate grasp of Feng Tianhu's personality and characteristics. In other words, if Lin Yi asked about this, it meant that she and Lin Yi had reached some kind of tacit understanding, and Feng Tianhu could use her brother to threaten Lin Yi without any restraint, so that Lin Yi wouldn't dare to lay a hand on him ...

"That's why I can only ask Feng Shangshi about this and see if he knows. If I ask Feng Tianhu, I'm afraid that not only will he not return your brother, but he'll also use it to threaten you and do even more outrageous things." Lin Yi said.

"I'm sorry, I was too naive!" Cheng Yiyi's mind was in a mess. She only thought that Feng Tianhu was afraid of Lin Yi, but she didn't think that if Feng Tianhu had a hostage in his hands, it would be equivalent to having a life-saving amulet. Would he let go so easily? Obviously, he would not.

"I'll ask Feng Shanshan first. " Lin Yi said.

"En, en!" Cheng Yiyi hurriedly nodded.

Lin Yi dialed Feng Shasha's number.

"Boss?" Feng Shasha was already asleep when her phone rang. She saw that it was Lin Yi's number and immediately picked it up, "What's the matter?"

"Shangshi, the first thing is that you can tell your father that Han's mother has been found, but don't let anyone else know. Do you understand what I mean?" Lin Yi said.

"Ah? You've found it?" Feng Shitan was shocked-she didn't think that Xu Shihan's mother, who was also her father's old lover, would be found. This was good news, and it could also resolve one of his father's worries! As for telling the others, Feng Shasha wasn't stupid,""Don't worry, boss. I won't say anything. If my mom finds out, she might cause a scene. "

"It's good that you know. " Lin Yi nodded. In fact, Feng Tianhu already knew about this. The one Lin Yi wanted to hide was Dongfang xiaocui. He didn't want the people from the Dongfang family to get involved again. After all, Lin Yi's strength wasn't his real strength. If too many people came, it would be exposed sooner or later! Of course, there was no need to tell Feng Shasha this. He continued,""She's the Dean of Songshan orphanage, but it's good that your father knows. Don't do anything for now, or else it'll be exposed. "

"I understand." Feng Shanshan nodded.

"There's one more thing. Just now, Feng Tianhu asked a Grand Elder of the Black Horse gang to assassinate the old Dean of the orphanage." Lin Yi said.

"My third uncle? Did he find someone from the Black Horse gang again? The great elder of the Black Horse ... Wasn't that Sky Class late phase peak? What's the matter?" Feng Shitan was shocked and quickly asked.

"He's dead," "The Dean's fine, don't worry," Lin Yi said.

"That's good. The boss is awesome!" Feng Shasha was surprised how a Sky Class late phase Peak Master died, but the ancient rumors that Lin Yi could kill Sky Class late phase peak Masters in seconds were true!

"One last thing, do you know Cheng Yiyi?" Lin Yi asked.

"Cheng Yiyi? "Of course I know her, she's my sister's junior ..." Ever since Feng Shasha found out that Xu Shihan was his sister, he'd been following news about her. Naturally, he'd also heard about Cheng Yiyi.

No, I'm referring to Cheng Yiyi's other identities." Lin Yi said.

"What other identity does Cheng Yiyi have?" Feng Shanshan froze, not understanding what Lin Yi meant.

"She's one of Feng Tianhu's pawns ..." Lin Yi could tell that Feng Shanshan didn't know about Cheng Yiyi's situation, so he explained, ""Although Cheng Yiyi has forsaken the dark side and joined the light, her brother is in Feng Tianhu's hands. Can you help me find out?"

"Her brother? Sure, what's her brother's name? If he's in our ancient Feng clan, then there's hope, but if he's not, then I'm afraid I can't do anything. " Feng Shanshan said.

"Yeah, what's your brother's name?" Lin Yi turned to Cheng Yiyi and asked.

"Cheng Yiran." "He's two years younger than me, probably sixteen this year. I heard he's just broken through to Sky Class early phase ..."

"His name is Cheng Yiran, sixteen years old, Sky Class early phase ..." Lin Yi said.

"What?" Feng Shangxin's eyes widened as she said in disbelief, ""Then there's no need to ask, it's definitely not in the ancient Feng family's village!"

Chapter 3248 Inferno

"Why?" Lin Yi blinked.

"I'm the only sky Class in the ancient house Feng's younger generation, sixteen years old ... Younger than me, how could I not know?" Feng Shanshan explained with a bitter smile.

"I see ... Okay, help me keep an eye out for him." Lin Yi furrowed his brows. It seemed like Feng Tianhu had hidden Cheng Yiran! But Lin Yi was a little puzzled, how did Feng Tianhu control Cheng Yiran?

Logically speaking, with Cheng Yiran's strength, she was already very impressive. She could totally run out and not be under Feng Tianhu's control.

"No problem, I'll definitely keep an eye out for you, boss." Feng Shanshan said.

"If I were to go straight to the ancient Feng family and kill Feng Tianhu, do you have the confidence to find that Cheng Yiran?" Lin Yi asked after some thought.

"Don't ..." Feng Shasha quickly said.

"You don't want it? Why?" Lin Yi blinked.

"Boss, there is no such thing as competition within the Feng family. This is something that my grandfather has agreed to. Now that everyone knows that you are my boss, if you come to the Feng family and kill my third uncle, it will be very difficult for me ... If I collude with an outsider to assassinate a member of the family, I will be kicked out of the ancient Feng family ..." Feng Shanshan said with a bitter smile.

"Feng Tianhu only needs to find someone to assassinate Xu Shihan?" Lin Yi asked.

"That was done in secret, and to be honest, the ancient Feng family never acknowledged my sister's identity. My grandfather wouldn't say anything if she died, but boss, you coming to the family directly ... That's different ..." Feng shangxin was a kind person, and he would never do such a thing.

"Then we'll talk about it later." Lin Yi said, shaking his head.

In fact, even if Lin Yi went to find Feng Tianhu, with his ruthlessness, he might not be able to tell him where Cheng Yiran was hiding. Lin Yi was just saying it casually. He didn't have absolute confidence that he could stand proudly in the ancient level. If he attacked the ancient Feng family, it would cause the ancient Eastern family and the everyday and every day sect to be afraid. If the three families joined forces, he would be finished.

After hanging up, Lin Yi looked at the disappointed Cheng Yiyi and consoled her, ""Yiyi, don't be anxious. You have to take things one step at a time. Your brother shouldn't be in any danger in Feng Tianhu's hands. Just pretend to be nice to him for now. Whatever he asks you to do, discuss it with me. I'll tell you what to do."

"Alright," he said. Cheng Yiyi thought about it and agreed. It had been so many years, it wouldn't be too late to wait a little longer. Lin Yi was right, as long as she was still working for Feng Tianhu, Feng Tianhu had no reason to lay a hand on Feng Shasha. It wouldn't be too late for Lin Yi to make a move after Feng Shasha found out where she was! "Just now, Feng Tianhu called and asked me to ... Seduce you and test your attitude," she said. "See if you have any intention of making a move on Feng Tianhu ..."

"Oh?" Lin Yi paused-he didn't think that Tianhu was behind all this! From the looks of it, Cheng Yiyi had taken half of Feng Tianhu's advice. "Then tell him that you weren't too successful. I was injured today and I just broke through, so I didn't ... Do that with you. But you've already gained my favor, so I won't do anything to him for now. I've asked Feng Shanshan for his opinion, so tell him what he said."

"Alright, I understand ..." Cheng Yiyi nodded, blushing.

"Alright, go home. Call Feng Tianhu and rest early. Don't think too much." Lin Yi consoled.

"En!" Cheng Yiyi nodded and stood up, but she didn't leave. After hesitating for a while, she suddenly bent down and pecked Lin Yi on the forehead like a chicken pecking at rice. The view of his chest once again entered Lin Yi's eyes ...

Actually, with Lin Yi's strength, he could've dodged it, but Cheng Yiyi didn't have any bad intentions, and Lin Yi ... He was still a little hesitant, so he accepted it ...

Cheng Yiyi was happy that Lin Yi didn't move away from her, but she didn't dare to take another step, afraid that Lin Yi would kick her out. So, she ran out of Lin Yi's room first ...

Lin Yi shook his head as he watched Cheng Yiyi leave. She wasn't a scheming girl.

After Cheng Yiyi returned to her room, she dialed Feng Tianhu's number.

"So fast?" Feng Tianhu held his phone the whole time, waiting for Cheng Yiyi's news. Otherwise, he wouldn't be able to sleep at all. If Lin Yi really wanted to deal with him, he would have to think of a way to escape.

"Yeah ... I took off all my clothes. Lin Yi was interested in my body, but he was injured today and he just broke through. He needed to stabilize his strength, so he only hugged me and talked to me." Cheng Yiyi and Feng Tianhu didn't try to cover up their reports and spoke in a narrative tone.

"Oh? Lin Yi's injured, and he's broken through?" Feng Tianhu was stunned and a little surprised.

"Yes, Lin Yi was injured from the fight with the Grand Elder of the dark horse, but he broke through to Sky Class early phase peak." Cheng Yiyi said.

"Numbing next door!" "Sky Class early phase can take out Sky Class late phase peak, and now that he's leveled up, doesn't that mean he can instantly kill Sky Class late phase peak?" Tianhu cursed, depressed.

"I don't know about that. First of all, Lin Yi's only interested in my body, he doesn't really like me. Even if he did, he wouldn't tell me his true strength." Cheng Yiyi said. What she said was reasonable, and it made Feng Tianhu even more suspicious.

"That's true ..." Feng Tianhu nodded. "That Lin Yi, does he know that I'm the one dealing with him?"

"I know. The Grand Elder of the Black Horse gang betrayed you before he died." Cheng Yiyi said.

"What? This old bastard, Grand Elder? he's not reliable at all, what the hell!" Feng Tianhu was so angry that he cursed. Why did he have to drag someone down with him? "So, did Lin Yi have any intention of causing trouble for me?" he asked quickly.

"He did, but he called Feng Shasha. Lin Yi said that he was going to kill his way to you, but Feng Shasha stopped him ..." Cheng Yiyi said.

"Why?" Feng Tianhu was a little puzzled. This nephew of his actually wanted to protect him?

"Feng Shasha said that there's no rule against competition within the house, and that was something his Grandpa allowed. Now that everyone knows that Lin Yi is his boss, he'll be in trouble if Lin Yi comes to the house and kills his third uncle!" Cheng Yiyi repeated Feng Shanshan's words to Feng Tianhu.

Chapter 3249 Grade Two Automatic Medicinal Cauldron

"That's right, our ancient Feng clan was indeed like this!" Feng Tianhu nodded.

"Therefore, those who collude with outsiders to assassinate family members will be chased out of the ancient Feng family!" Cheng Yiyi agreed.

"Hahaha!" "So Lin Yi agreed?" Tianhu laughed.

"He agreed. He made the call in front of me!" Cheng Yiyi said.

"That's good, that's good!" Tianhu heaved a sigh of relief. "Yiyi, you did well. Don't worry. I'll send you some of Yiyi's recent photos!" You stay by Lin Yi's side and be a good spy-if he does anything, you have to tell me immediately, especially about me!"

"Okay, thank you, boss!" Cheng Yiyi said, pretending to be grateful.

"There's no need to thank me. I know you actually hate me. Let's just take what we need. " "Plus, Lin Yi's a young man, so it's not a loss for you to follow him. It'll be pretty cool!" Tianhu said calmly. To be honest, there's no way out for me. If I knew that Lin Yi would have this day, I would've made defiantly call him boss long ago, not Feng Shasha!"

Cheng Yiyi didn't say anything and hung up.

The night passed in silence, and the next morning, Cheng Yiyi went to find Xu Shihan for breakfast. Obviously, Xu Shihan didn't know Cheng Yiyi's identity as a spy. Cheng Yiyi wanted to say something a few times, but just as she was about to speak, she saw Lin Yi walk into the cafeteria of the orphanage

and shake his head at her, telling her not to say anything for the time being. Cheng Yiyi couldn't help but blush as she remembered what happened last night. However, she would listen to Lin Yi. If Lin Yi said to wait, then she would wait.

The misunderstanding between Cheng Yiyi and Xu Shihan could be easily resolved by just talking to each other, but it wasn't good with the principal around. She would definitely get angry because she didn't understand the relationship between Cheng Yiyi and Xu Shihan.

So, it was better to wait until they got back. It was better to be happy in the orphanage.

"Principal, I gave Feng Shasha a call yesterday. He'll tell uncle Tianlin who you are, but he'll probably only make a phone call, so he can't come over right now." Lin Yi said.

"I understand ... It's already good enough that we made a phone call." The old principal appeared to be very calm and not very excited. After so many years, it was obvious that she had already gotten over it.

Lin Yi nodded and didn't say anything else. After all, it was her family's business.

After breakfast, Lin Yi bade farewell to the Dean, Yu Xiaoke, and the others with Xu Shihan and Cheng Yiyi, and returned to Donghai city.

After they got home, Cheng Yiyi dragged Xu Shihan upstairs to talk, while Chen Yushu and Han Jingjing sat on the living room sofa and chatted. When Lin Yi came back, Chen Yushu pulled him to ask about the interesting things that happened in Songshan.

Lin Yi explained the whole situation, including the Grand Elder of the Black Horse gang and the blood-clad yellow spring sect. He didn't need to hide anything from Shu and Jing Jing. The shocking news made them feel lucky!

After that, Shu went to watch TV, while Han Jingjing went to talk to Lin Yi about the automatic medicine cauldron.

"Lin Yi bro, I'm almost done with my tier two automatic medicine cauldron, but the only problem is that only a tier two refiner can use it ..." Han Jingjing said as she took out a medicine cauldron from Lin Yi's cabinet. She had taken over Lin Yi's room when he wasn't around and started studying the medicine cauldron, waiting for him to come back.

"Oh? A grade two automatic medicinal cauldron, wasn't it for a grade two Alchemist to use? Could it be that it could also be used by a first grade Alchemist? This doesn't match!" Lin Yi looked at Han Jingjing, confused. He didn't understand what she meant.

"It's not like that, Lin Yi bro. You have to know that our automatic first grade cauldrons are selling well because they have a low threshold. As long as you can form a pill fire, you can use it with the automatic first grade cauldrons to make first grade pills. But automatic second grade cauldrons are different. The person who uses them is a second grade refiner, and the threshold to become a second grade refiner is much higher than forming a pill fire!" Han Jingjing said, "It's impossible to become a second grade Alchemist if you only know how to condense the pill fire. Second grade alchemists are all cultivators with fire and wood attributes. Most of these people's alchemy skills are not low. Although it can't be said that they have a 100% success rate, they definitely don't rely on a second grade automatic cauldron as much as a first grade automatic cauldron. It's impossible for them to have any more sales, unless the medicinal cauldron in their hands is broken. "

"That's true. " Lin Yi was enlightened-Jingjing's words made sense. Under her cute appearance was Liu Jinghan's business genius brain, and she'd analyzed all these things. Lin Yi wasn't good at business, so he didn't think as much as Jingjing.

"So, if our grade two automatic medicinal cauldrons can be given to grade one alchemists, even if it's for ordinary cultivators to use, the sales will definitely increase!" Han Jing Jing said.

"That's true, but it's probably very difficult to realize!" Lin Yi shook his head."Not everyone is Han Jing Jing 'S. Do you mean to let those who refine their pill fire reach level two pill fire and use this cauldron?"

"That's a good idea!" Han Jingjing's eyes lit up,"Lin Yi bro is more thoughtful than Jingjing!" It's not very difficult for them to cultivate up to this level. They don't need to have a success rate in alchemy either. It's enough for them to be able to condense a grade two pill fire!"

"Jingjing ... I'm a little ashamed of what you've said!" Lin Yi smiled bitterly,"if I didn't know that you're Liu Jinghan, I'd really think that you were complimenting me with your personality. But you're Liu Jinghan. How could I think of you?"

"Jing Jing isn't perfect. Of course, there are things she can't think of." Han Jingjing said matter-of-factly,""Lin Yi bro, this is something that I didn't think of before. I made a mistake in my thinking-I wanted to make those who could refine their fire use a grade two automatic cauldron to turn their fire into a grade two refinement fire, but the process was too complicated and difficult to achieve. If it could be done, then I'd be able to make a grade three pill in no time! That's why I've been quietly thinking about how to use cauldrons to raise the level of my alchemy fire, but I didn't think about raising the level of the alchemy fire of the cultivators!"

Chapter 3250 Back To School Again

Lin Yi saw that Han Jingjing was being serious and couldn't help but be surprised. In the end, he nodded and said, "Maybe I'm thinking from the perspective of a cultivator, and you're thinking from the perspective of a businessman. That's why we think differently."

"That's right. In this case, we can give you the simplest guide to condensing a grade two pill fire. As long as these alchemists who can condense a grade one pill fire slightly improve their grade of pill fire, they can use a grade two automatic cauldron!" Han Jing Jing nodded.

"Then ..." Lin Yi was about to say that he'd continue with the research when his phone rang. It was Xiaobo. Lin Yi gestured for Jingjing to wait a moment before picking up the phone. "What's the matter, Xiaobo?"

"Boss, little peach has brought me some important news. The heavenly elixir sect is preparing to mass-produce tier one automatic medicinal cauldrons." "The sky elixir sect's Tier one automatic medicine cauldrons aren't cheap to make, but our own can be reduced at any time. Kang Zhaoming is worried that we can't beat them by upgrading our medicine cauldrons, so he's prepared to beat them with a price war. He's planning to mass-produce automatic medicine cauldrons to lower the cost!"

"Oh?" Lin Yi blinked. He didn't think that Zhaoming would be so smart. However, this cleverness didn't work in the right place. Lin Yi's side had basically given up on the tier one automatic medicine cauldron market. After all, the market was going to be saturated soon. Even if there were new practitioners and disciples buying, there wouldn't be too many. Like Kang Zhaoming's mass production and price reduction, it would indeed stimulate sales. After all, the price was cheaper, and some sects might buy a few and store them in case of an emergency.

However, it was almost impossible to sell it all at once. It would take a long time to digest.

"Xiaobo, why don't you tell little peach to spread the news that we're indeed offering a discount for our grade one automatic medicinal cauldrons?" Lin Yi said after some thought.

Last time, Zhaoming used Liu Tianli as a hostage to mess with him, and that pissed Lin Yi off a lot. But because of Han Jingjing, Lin Yi couldn't just leave Liu Tianli be, so he had to suffer in silence. But now that Zhaoming had come to his door, Lin Yi had to make him suffer in silence!

The heavenly pill sect earned quite a bit from selling automatic first class cauldrons-it wasn't any less than Lin Yi's. After all, Kang Zhaoming's cauldrons followed the trend very quickly, and these fake cauldrons with authentic services would naturally sell very well, taking up half of the market.

However, no matter how much he earned, Lin Yi would make him lose!

"I know." Xiaobo didn't ask why, and only nodded, ready to carry out Lin Yi's plan. After all, the automatic Grade one cauldrons weren't sold from the medicine company's channels, and there was no need for Xiaobo to ask too much.

After ending the call, Lin Yi turned to Jingjing. "For now, don't develop too intelligent functions for the Tier 2 automatic medicinal cauldrons. It'll be the same as the original Tier 1 automatic medicinal cauldrons. Only a Tier 2 Alchemist can skillfully control and change the temperature of the pill fire. The automatic change version will be put on hold for now."

"Ah? Alright." Han Jing Jing blinked and nodded, understanding what Lin Yi meant. "Lin Yi bro, you don't want the grade two automatic medicine cauldron to affect the sales of the grade one automatic medicine cauldron, right?"

"Not bad! If an Alchemist who can ignite a grade one pill fire can refine a grade two pill with just a little practice, then who would refine a grade one pill with such poor effects?" Lin Yi nodded. "After the tier two automatic medicine cauldron is released, we'll sell tier one automatic medicine cauldrons at a discount. As for tier two automatic medicine cauldrons, we don't have to worry about them for now. We'll use a hunger marketing strategy. We'll only sell them at the auction, not in the company."

"Alright," he said. Han Jing Jing listened to Lin Yi's orders. "That way, Kang Zhaoming won't be on guard against the Tier 2 automatic cauldrons. He won't think that it's hard for us to make them, and with less sales and more demand, it'll give him enough time to spend a lot of money on researching the Tier 2 automatic cauldrons. After he's almost done, we'll just replace them?"

"That's right. Just change the chip circuit board inside and let him crack it for nothing." Lin Yi said.

"Alright, Jing Jing understands!" Han Jing replied.

In the days that followed, han Jingjing returned to Yanjing as Liu Jinghan and busied herself with the release of the automatic Grade two Medicine cauldron, while Lin Yi welcomed his first final exam of his university days.

However, Lin Yi was a special person who didn't need to take the final exam, and even though the other people were envious of him, he still took the exam. It was just that he hadn't seen Xinyan in a long time, and he wanted to see her during the final exam.

To be honest, it'd been a while since he'd been separated from Xinyan, and he missed her quite a bit. After all, they'd shared a bed for so many days and nights, and he had feelings for her. However, he didn't have any reason to let Xinyan go back to his villa now.

At the entrance, Lin Yi saw Panhu and Zhaolong, who were walking over. The two avoided Lin Yi's eyes. After all, Lin Yi's name was famous in the entire ancient rank, and the Hidden House you was no match for him at all.

However, he couldn't just not greet Lin Yi when he saw him. He knew that he wouldn't be able to touch Lin Yi for the rest of his life. Even Zhaolong's big brother, Kang Zhaoming, had a headache when he saw Lin Yi, let alone him. What was there to be cocky about? he might as well act like a coward.

"Ah, isn't this boss Lin Yi? It's been a long time since we last met, you're trying to kill this little brother!" You Pan Hu greeted him with a smile.

"Oh, right coiling Tiger, what are you looking for me for? Don't tell me you're going to give me something good?" Lin Yi's heart moved as he thought of an idea.

"Ah? It's good stuff ... I don't have anything that you'd want, boss Lin Yi!" Youpan Hu's heart went cold- did he show off too much earlier, and now Lin Yi's strong enough?

It was possible-Lin Yi had always wanted a third grade medicine cauldron, but house you didn't have two! Of course, if Lin Yi wanted to take it by force, he wouldn't be able to do anything about it. He'd have to push the blame on the sky elixir sect and let them think of a way ...
