

Bodyguard 3351

Chapter 3351 Two More People Appeared

"Hahaha! Since you're here today, you definitely can't leave. I'm not afraid to tell you that your Yu family was destroyed by my master!" Old man Gu didn't hide anything and sneered, "Since you're a remnant of the past, then, die!"

"You ..." Yu Dake wanted to ask more, but old man Gu threw a punch at him!

Lin Yi frowned. He wanted to get more information from Yu Dake before killing this old man Gu, but he didn't expect him to attack after just a few words. Lin Yi was helpless, but he made a quick decision and used the eleventh style of the raging fire Eight Trigrams palm, attacking old man Gu from the side!

Old man Gu's attention was all on Yu Dake, so he didn't pay much attention to Lin Yi and Yu Xiaoke. He thought that they were Yu Dake's friends. In his opinion, if they were Yu Dake's friends, they wouldn't be that strong. After all, if they were invited to help, they would be very proud, not two young people.

Besides, Yu Dake obviously didn't know that he and his master were his enemies. He only found out from old man Gu after he arrived here, so it was impossible for him to come here for revenge.

Hence, old man Gu didn't care about Lin Yi at all, which was why Lin Yi's sudden attack caught him off guard! Before old man Gu could hit Yu Dake, Lin Yi sent him flying away!

Old man Gu was just about to hit someone, so why would he use his true Qi to protect himself? Lin Yi, on the other hand, had a 50-50 chance of killing a Sky Class late phase peak with the eleventh form of the palm, but killing a Sky Class late phase peak was still easy.

Even without the Jade, Lin Yi could still kill old man Gu in an instant!

At the same time, when Lin Yi sent old man Gu flying, the people of the Gu family had just walked out of the manor. They were here to cheer for Lin Yi, but what they saw stunned them!

They watched as the Almighty old man Gu was sent flying, spitting out blood. However, none of them dared to act rashly! They knew that they couldn't afford to offend someone who had beaten old master Gu to this state.

"You ... You guys ..." The guard leader had wanted to see old man Gu get back at them for him. Who knew that before he could get back at them, old man Gu had made the same mistake as him and was sent flying with blood spurting out of his mouth!

However, old man Gu was even more miserable than him. After he flew out, he twitched twice and stopped moving. It was obvious that he had stopped breathing.

"Father!" Two men who looked similar to old master Gu ran to old master Gu's corpse and cried out in sorrow.

"Who is your father's master? Who was the one who destroyed the Yu family back then? Did you guys participate in this?" Lin Yi asked the two men.

"We ... We don't know ..." The two men were obviously cowards, or rather, they were scared of Lin Yi. "How can our family participate? My father ... He just found a big backer from the Central Plains. We're just their eyes here ... As for the master's identity, we don't know. Please don't kill us, hero, I'm sorry. This is your place, we'll move right away, just don't kill us ..."

It seemed that the two sons were both cowards-they'd been scared out of their wits by Lin Yi, spilling everything they knew without hiding a single thing.

"Oh? Do you know the name of your master?" Lin Yi asked with a frown.

"We don't know about this. Our master didn't tell me ..." Son Gu said with a bitter face, "Our Gu family was just a small family back then. Perhaps young master Yu doesn't even have an impression of us. When the master exterminated the Yu family, our family just happened to move here. My father was smart enough to get close to them, so he became their spy and received some cultivation resources from them regularly. As for who they are, we don't dare to ask ..."

"Like this? Don't you have any clues at all?" "Then how did you guys contact each other?" Lin Yi asked with a frown.

"They were the ones who took the initiative to contact us. We don't have their contact information. As for the cultivation resources, they were also mailed over ..." Son Gu said.

"What you've said is all nonsense, it's not enough to save your lives!" Lin Yi knew that if he didn't pressure them, they wouldn't be able to get any useful information out of him.

"Don't ... Don't ... There's still one more important thing!" At this time, son Gu went all out. Although the other party asked them to keep this matter a secret, they could not keep it a secret anymore! Anyway, they would leave this place as soon as they finished talking, and it was impossible for them to have any more interactions with those people. It was more important to stay alive!

"Speak," he said. Lin Yi said coldly.

"It's like this. Master sent two messengers a few days ago. They stayed here for a night and left ..." "We don't know what their names are. Furthermore, these two were personally received by my father, so we weren't able to speak to them. We don't even know what they look like. However, we do know that they asked my father about the location of the Pao li race. If I'm not wrong, they should have gone to the Pao li race ... If you can find these two, you might be able to find some clues ..."

In the beginning, these two people had threatened the Gu family that they couldn't reveal their whereabouts and the fact that they had been here. Otherwise, they would destroy the Gu family. However, even if they didn't say it now, the other party still wanted to destroy the Gu family. It was better to say it first. At least, it would delay their death.

So, he vomited everything out.

"Oh? Two people came? Go to the Li clan?" Lin Yi was a very calm person, but at this moment, his face couldn't help but flash with surprise and disbelief! He didn't expect things to be so coincidental.

However, what did these two people have to do with the Paoli clan? Was it a close relationship, or ...? This made Lin Yi a little confused. He was going to trade with the Pao Li family this time, and to put it bluntly, he was asking for their help. But now, two of Yu Dake's enemies appeared ...

However, Lin Yi realized that this wasn't the case. These two were looking for old man Gu to ask about the location of the Pao li race-this meant that they weren't familiar with the race! He could've just gone there if he didn't want to. Lin Yi let out a breath of relief at the thought.

Chapter 3352 The Nuwa Heaven Mending Skill

"Yes ... But we don't know what they're doing ... Our family is just a relatively remote servant. We only joined them at the right time, so ... Please don't make things difficult for us. My father is the mastermind. He's dead, and we juniors don't know anything ..." Gu zidao begged with a sad face.

"Oh, leave behind the map of the Jilu clan and then get lost. You're not allowed to take a single thing from here." Lin Yi said, waving his hand.

"Yes ... We won't take it. We'll just take our lives!" "I have the Paoli tribe's coordinates, you just have to input it into the GPS ..."

When these people saw that old master Gu was dead, they naturally had no backbone to resist. They all ran away in fear, and the originally bustling Manor was suddenly empty.

After they left, Lin Yi turned to Yu Dake and said,"You don't blame me for letting these people go on my own, right? Many of these people are minor characters, so there's no point in killing them. "

"No, what happened back then had nothing to do with them. These people are just lackeys who suck up to the powerful. Old man Gu's death can be considered as venting his anger for them occupying the ancestral house." Yu Dake shook his head and said,"besides, I have to thank you for what happened today, Mr. Lin. If you didn't help, I'm afraid I would be the one lying on the ground!" But, it looks like the rumors are true-Mister Lin can kill Sky Class late phase peak in seconds!"

"Haha ..." Lin Yi laughed and didn't say much, ""Once we find what you need, we'll head to the Paoli clan. If we can meet those two, we might be able to take revenge. Otherwise, if we're late and they leave, we'll have no more clues."

"Ah!" Yu Dake was surprised and happy at the same time. Lin Yi's words meant that he would take care of this. If Lin Yi was involved, then it shouldn't be hard to solve this. After all, Lin Yi just made a move and a Sky Class late phase master died. What kind of strength was that? "Thank you, Mr. Lin!" Yu Dake quickly said.

Seeing her brother like this, Yu Xiaoke frowned but didn't say anything. Why was Lin Yi trying to please her family? Yu Xiaoke felt a little uneasy. In fact, she was overthinking it. Lin Yi helped a lot of people before, and sometimes he didn't do it for any purpose.

However, Yu Xiaoke's first impression was that Lin Yi was trying to please her! But even so, you Xiaoke was helpless. Lin Yi was getting stronger and stronger, and she had to rely on Lin Yi to take revenge for her family!

However, now that he had gotten his revenge, how should he choose? Yu Xiaoke's head was hurting more and more ...

Yu Dake led the way. He didn't even look at the antiques, calligraphy, and paintings in the castle. These things were priceless in the eyes of the people of the secular world, but they were dispensable to cultivators. They only cared about cultivation resources and their own strength.

Under Yu Dake's lead, the three of them came to the basement of the castle. After going down, they found that the basement was full of junk. They were all useless things.

This place used to be the Yu family's warehouse. After the Gu family took over, they treated it as a warehouse and didn't develop it. Thus, Yu Dake was relieved to see this.

Yu Dake came to a corner of the warehouse. On the wall, there was a very tattered mural. After seeing the mural, Yu Dake's face became a little serious. He walked forward and carefully took it down.

Behind the wall painting was a mechanism that looked like a password. There was a group of strange characters on it that formed the password area. Each character could be pressed. It seemed that they had to press in order to unlock the mechanism!

This was an unremarkable corner, and it was in the warehouse. It seemed that no one in the Gu family had studied this place carefully. They might not even have bothered to touch these broken murals.

Yu Dake carefully entered a set of passwords. The password was very long, and no one knew how Yu Dake remembered it. One had to know that he was only a few years old when the accident happened! However, perhaps he had obtained some kind of log or something.

"Boom boom boom ..."

After the password was entered correctly, the mechanism started to activate. The originally flat ground suddenly began to sink. It turned out that this was an elevator, just like the stone coffin he had encountered in the ancient tomb.

The three of them descended and landed on the floor below the basement! It turned out that there was a secret space under the basement!

"It seems that the Gu family didn't find this place ..." Yu Dake looked at the things in front of him with joy.

On the lower floor, there was a large storage room. It was like a supermarket with rows of shelves. On top of them were probably some cultivation resources and books from the Yu family!

Yu Dake walked to the innermost bookshelf with great familiarity. He reached out and took out a thin booklet. The corner of his mouth revealed a smile. "Xiaoke, it's done. It's here!"

"Oh?" You Xiaoke was happy as well-she was looking forward to getting stronger as well, after all-she was still weak, and had been in danger many times already. If it wasn't for the male thief's help, she wouldn't be standing here alive, "The Nuwa heaven patching art?"

You Xiaoke was shocked by the name of the practitioner's Arts-it was a powerful name, and it sounded very domineering. She didn't know if it was just bragging or if it was the truth.

"Yes, this is our Yu family's Secret technique. However, only girls can cultivate it. I can't." Yu Dake said.

"Then ... I can cultivate?" Yu Xiaoke opened the chant in anticipation, but she was a physical practitioner before, and had never been in contact with spiritual practitioners before. No house or sect had taught her anything about spiritual practitioners, so she didn't know where to start, "But ... I don't know anything about spiritual Qi ..."

"It's not that hard ..." Yu Dake explained the spiritual master's cultivation to her.

"That's troublesome ..." Yu Xiaoke felt a headache coming on. He couldn't sleep at night? They all had to meditate? Wasn't it tiring? it would be great if Lin Yi could increase his strength ...

Yu Xiaoke knew some things about Lin Yi. After all, the old Dean of the orphanage was an example, and Yu Xiaoke was moved. But how could she beg Lin Yi?

Chapter 3353 You Should Consider It

She could pretend that the donation wasn't a big deal since it was business, but if Lin Yi helped her level up, it would be a personal matter. She'd owe him a huge favor then.

"However, everything is difficult at the beginning. If you want to successfully enter the path of spiritual practice, this mantra must be practiced at home. This is an ancestral rule, so Xiaoke, you can start practicing later!" Yu Dake ordered.

"Okay ..." Yu Xiaoke nodded and started looking at the chant, but as time passed, you Xiaoke's eyebrows started to furrow! "Brother, this chant doesn't look like a chant that can be used to fight. Why does it look like a defensive chant?"

"A defensive type? What did that mean? Xiaoke, you know that I'm a man, so I can't practice this mantra. I Was Young When I Left Home, so I didn't hear the elders talk about it, so I don't really understand. What do you mean by it's a defensive type?" Yu Dake asked.

"It says here that the Nuwa sky-patching scroll is actually a practitioner's art that can defend against an attack. For example, when I was golden class, I could defend against a golden class master's attack. Of course, the amount of time I can defend against it has a lot to do with my strength level." "For example, if I'm at the early stage of the Golden class, I can block a full-powered attack from a late phase Peak Master, but the number of times I can block it and the time it takes to block it is relatively short. But if I'm at the late phase peak, I can be immune to it for a long time!" Xiaoke explained.

"Oh? What kind of mental cultivation method was this? It seemed to be of little value? You might as well run away instead of standing there and defending!" Yu Dake was stunned. If that was the case, it might sound powerful, but it was just a way to take a beating. You couldn't attack, so you had to stand there and take the beating. What was the point of that?

"That's not the case. For example, if the three of us are together, I can defend together." Xiaoke shook her head, "this chant should be a support type."

"Oh? It can help others defend?" Lin Yi was shocked. If that was really the case, then it was really a heaven-defying incantation. No wonder it was a family heirloom! It didn't sound like much, but Lin Yi knew how powerful this was!

For example, Lin Yi could kill Sky Class late phase peak in seconds, but that was only when the opponent was caught off guard. If the two were to fight together, Lin Yi would be the one who would be killed. After all, Lin Yi's strength level was there!

But with Yu Xiaoke's chant, it was different. Yu Xiaoke could just use defense, and if others couldn't hit him, Lin Yi could attack others. Whoever he hit would die.

"Yes, if it's a team battle, it should be very useful." Yu Xiaoke clearly saw the benefits of the chant, but it wouldn't be of much use if it was for "traveling the world."

"Xiaoke, you should start cultivating! Get to Sky Class as soon as possible-then you can help me!" Lin Yi was excited just thinking about it. His own strength had always been his weakness, and with Yu Xiaoke's help, he could make up for it.

"Who wants to be your helper?" Yu Xiaoke hmphed and ignored Lin Yi. She took the chant and went to find a place to practice.

Yu Dake looked at Lin Yi apologetically and shrugged, "Mr. Lin, I'll tell Xiaoke to help you in the future ..."

"We'll talk about it later. " Lin Yi smiled nonchalantly. If Yu Xiaoke wanted to help him, she had to become a Sky Class master. It was impossible for her to do so now.

Yu Xiaoke was still a smart girl. Although she had just started practicing spiritual arts, with the help of Yu Dake's method, Yu Xiaoke could easily form Qi. Although she was still far from being a golden class master, she was at least on the path of spiritual arts!

"Brother, I've already cultivated my true Qi. Can we leave now?" Although Yu Xiaoke looked at Lin Yi with hostility on the surface, she knew that Lin Yi was here for serious business. She didn't want to waste his time.

"En, it's done." Yu Dake was surprised-he didn't expect Yu Xiaoke to be this talented in the path of cultivation. When he was cultivating, it took him half a month to generate Qi, and that was already considered fast, but Yu Xiaoke was even faster!

Lin Yi, on the other hand, was a little surprised at Yu Xiaoke's speed. Although he was seen as a cultivation genius by many people outside, and could even fight opponents above his level, Lin Yi knew that without the Jade space, his improvement wouldn't be this fast.

"Xiaoke, I have something to tell you." Lin Yi suddenly said in the car.

"What is it?" Yu Xiaoke asked.

"You should know about the old principal, right? If you agree, I can raise your strength to Earth Class late phase peak, just like your brother. " "This way, it'll save you the trouble of training," Lin Yi said.

"Hmm?" Yu Xiaoke heard Lin Yi's words and was a little moved, but she was suspicious of Lin Yi's purpose,""You're trying to curry favor for no reason. You're either up to no good or you're up to no good. What do you want?"

"You're either a thief or a thief? You're the thief, okay? The flying Sparrow sect's flying Sparrow?" Lin Yi couldn't help but smile bitterly after hearing her words.

"The flying Sparrow?" Yu Xiaoke paused and looked at Lin Yi with a weird expression,"How do you know my name is the flying Sparrow?"

To be honest, Yu Xiaoke found it very strange. The flying Sparrow was just a name she used for the mission. She never told Lin Yi about it, not even her brother, Yu Dake, knew about it. How did Lin Yi know? Could it be that the old principal told him?

Only the Dean knew about it, but why was she telling Lin Yi this?

"Don't interrupt me. I'm just asking for your opinion. If you're not willing, then forget it." Lin Yi said faintly. He looked calm on the surface, but he was actually smiling bitterly inside. He accidentally said something wrong again!

"I ..." Yu Xiaoke wanted to say no, but was she really not willing? She indeed wanted to reach the sky in a single step. Which cultivator didn't want to directly possess a higher level of strength? However, she couldn't just say she was willing.

"How about this, you can consider it." Lin Yi paused.

Chapter 3354 Trapped

This method of leveling up had its disadvantages, so Lin Yi had to remind her. He continued, "This method of leveling up quickly has its drawbacks. After I helped you level up, the spiritual Qi in the secular world has no effect on your cultivation. If you want to level up again, you can only rely on me or pills like the Qi gathering pill."

"Ah ..." Yu Xiaoke didn't think that there would be side effects. She really needed to think about it.

The first time he went to the Paoli family, Yu Dake was just a blind man, aimlessly searching for an elephant, so he failed. But this time, it was different. This time, he had the detailed coordinates given by son Gu, so he just had to drive there. There was no need to take any detours.

And so, in just a day's time, Lin Yi was already close to the Paoli, and the castle in the desert came into view.

"I didn't expect to find this place so easily this time!" Yu Dake said with emotion.

"Be more vigilant. After all, he's an outsider. We have to be more careful." Lin Yi said.

"I understand!" Yu Dake nodded.

The car slowly drove toward the castle. As the car was approaching, a man with sharp ears and triangular eyes in a totem suit suddenly appeared in front of the Grand Cherokee and blocked the way of Yu Dake and the others!

This man was Tortu—he'd been waiting here for Lin Yi these past few days, so he could take care of him.

"Stop the car. What are you guys doing here?" Tortu shouted.

Yu Dake quickly stopped the car and looked at the person in front of the car with a strange look. This person's appearance was too different from an ordinary human, which gave Yu Dake a shock.

"You are a friend of the Paoli clan, right? We're from the five-elements sect in the Central Plains, and my master is the current sect leader of the five-elements sect, ancestor Xuan Tian, boss Bai. We're here to do business with you!" Lin Yi said in a tone that was neither humble nor overbearing. This was what boss

Bai had suggested before. After all, the Paoli clan and the five elements sect had a relationship, so Lin Yi directly revealed his identity to make the other party feel good about him so that they could continue to discuss the cooperation.

Lin Yi's words, however, stunned him! He looked at Lin Yi in disbelief. He didn't expect Lin Yi to be from the five-elements sect as well, and he was the disciple of boss Bai. Didn't this mean that the five-elements sect had split into two sects? one was led by ancestor Xuan Tian, and the other was led by ancestor Xuan Chen?

No wonder Zhaoming said he couldn't do it himself-he was from the same sect! Thinking up to this point, tortu started to have a headache. After all, the Paoli clan had a really good relationship with the five elements sect!

It was true that Kang Zhaoming was from the five elements sect, but so was this Lin Yi. Killing Lin Yi for Kang Zhaoming meant that Lin Yi was involved in the sect's internal conflict, but ... Tortu thought about Kang Zhaoming's promise and the fact that ancestor Xuan Tian had been crippled. He made his decision!

"According to what I heard, wasn't patriarch Xuan Tian crippled? Why is he still the sect leader?" Torto asked calmly.

Lin Yi blinked, not expecting tortu to know about boss Bai's condition. He frowned, but still said, ""Yes, but my master is still the sect leader!"

"Oh ... Is that so? Then you can die!" Tortu launched an attack without any warning! He threw a punch at Lin Yi who was in the car!

Yu Dake was also shocked by the sudden attack, but he stepped on the gas subconsciously. The engine of the Grand Cherokee hadn't died yet, so the Grand Cherokee shot out with a whoosh.

But even so, Lin Yi was still hit in the shoulder by tortu's fist! However, Yu Dake had attacked Lin Yi's head. If it wasn't for Yu Dake's quick decision, Lin Yi would've been seriously injured!

He wouldn't die, since he'd used Qi to protect himself and had the necklace's defense-he wasn't worried about dying! But the problem was the heavily injured Lin Yi. How should they deal with him?

Lin Yi pushed open the door and jumped out of the car. While tortu was still in shock, Lin Yi started channeling the eleventh stance of the flaming Eight Trigrams palm! Before, when he was attacking old man Gu, Lin Yi's fist didn't have the necklace's enhancement, so this time, it was even more powerful with the necklace!

"BOOM!"

Lin Yi's attack sent tortu flying, and it wasn't his fault for not being prepared. He was confident in his strength, thinking that he could kill Lin Yi with one punch!

If a Sky Class late phase peak couldn't kill a Sky Class mid phase with one punch, then he wouldn't be able to survive! Of course, common sense didn't apply to Lin Yi.

Tortu, of course, didn't know that Lin Yi had the necklace of essence and the art of Dragon mastery's third stage healing ability. He also didn't know that Yu Dake would drive!

The momentary shock also caused irreparable damage to tortu. Lin Yi's attack didn't kill him, but it did break all his meridians and made him suffer serious internal injuries.

Tortu's eyes were filled with shock and hatred. He didn't think that he'd go for wool and come home shorn. He wanted to please Kang Zhaoming to kill Lin Yi so that his father could recover, but he didn't think that Lin Yi wouldn't be killed. Instead, he was crippled by Lin Yi, becoming a cripple like his father!

It wouldn't be worth it if Lin Yi ran away now-he'd be getting nothing out of this! Tortu didn't believe that Kang Zhaoming would keep his promise if he didn't make Lin Yi stay. He had no choice but to activate the Paoli's defense mechanism!

An ancient family might have a way out in order to defend against an invasion, and the Paoli clan happened to be in this situation. In front of the Paoli clan's city gate, there was a trap. Once it was activated, the people on the trap would instantly fall into it.

As for tortu, he was the son of torriyue, a direct descendant of the Paoli clan. Naturally, he knew how to activate the mechanism! He immediately activated the mechanism. At the same time, Lin Yi quickly returned to the car, ready to let Yu Dake drive away from here!

Chapter 3355 Extremely Puzzled

Lin Yi didn't understand why the Paoli would attack him right from the start. Was there a problem? For Xinyan's sake, Lin Yi didn't want to get on the bad side of the Paoli, and so he only injured this one, not killing him. He wanted to leave some room for himself!

After all, even if this person was crippled, or even if he was in a vegetative state, Lin Yi could still use the art of Dragon mastery to heal him. But if he died, Lin Yi couldn't do anything.

This was why Lin Yi wanted to leave this place first, and then think of a way to negotiate with the Paoli clan. After all, this wasn't the time to negotiate. If the Paoli clan saw Lin Yi injuring their clansmen, they would definitely gang up on him. By then, Lin Yi wouldn't be able to explain even if he wanted to. It would be better to wait until both of them had calmed down.

What Lin Yi didn't expect was that as soon as he got into the car, he heard a loud boom. A huge crack appeared on the ground, and their car rolled down the crack!

At this time, if Lin Yi wanted to do something, it was possible for him to fly out of the car. After all, he was a Sky Class master, but if he ran, what would happen to Yu Xiaoke and Yu Dake? The two of them wouldn't be able to escape, so Lin Yi decided to just sit in the car and see what they were going to do next.

The cracks on the surface closed as quickly as they opened. The cracks closed up before Lin Yi's car even reached the bottom, and the space below became dark.

"Ah ..." Yu Xiaoke screamed in shock and subconsciously grabbed onto the seat belt.

Yu Dake was rather bold, but his expression was also very serious. He didn't know what he would encounter next, nor what he would face next.

Lin Yi, on the other hand, was as calm as ever. He'd already closed his eyes and used the Jade's sensory ability to check the bottom of the crack. There wasn't anything dangerous there, only a pool. They wouldn't be in too much danger if the car fell into the pool.

Most likely, the purpose of this mechanism was not to kill the person, but to imprison him! As long as they could lock these people down here, wouldn't they be at the mercy of the Pao li race?

Lin Yi's guess should be right-this crack was surrounded by cliffs, just like the one in the five demons mountain range. There was no place to land at all, and even a Sky Class late phase peak wouldn't be able to get up from this height!

Besides, so what if he went up? The crack above had already closed. Even if you could jump so high, you couldn't possibly break out of the ground, right? Even if a Sky Class late phase Peak's practitioner's Arts were extremely powerful, you'd have to use the practitioner's Arts to get that high up in the air. And after you jumped up, you'd have to use the practitioner's Arts-there wouldn't be enough time, not to mention that the practitioner's Arts wouldn't be able to pierce through the ground this thick!

"Don't worry, there's a pool down there. You won't die. " Lin Yi said faintly.

"Ah? How do you know?" Yu Xiaoke froze.

"I saw it." Lin Yi said.

"You saw it? That's impossible, right? I saw it too, but it was so deep that I couldn't see the bottom. How did I see it?" Yu Xiaoke didn't really believe it.

"Haha ..." Lin Yi smiled but didn't explain. After all, things like this were hard to explain. He might as well pretend to be mysterious.

However, with Lin Yi's laughter, a "plop" sound was heard-the car fell into the pool, and Lin Yi's words were confirmed.

Yu Xiaoke and Yu Dake were both shocked. They didn't think that Lin Yi would have such accurate judgment in a situation like this. He was too powerful!

"Let's go down," Lin Yi opened the door and jumped out.

To be honest, Lin Yi could walk in the dark as if he was walking on flat ground, but Yu Dake and Yu Xiaoke couldn't. Yu Dake quickly turned on the lights before climbing out of the car with Yu Xiaoke.

The pool wasn't too deep. The car slowly sank to the bottom, but the reflection of the car lights on the surface of the water was still very clear.

The car was specially modified by Feng Tianlong's supernatural Investigation Bureau, so even if it was flooded, the circuit system would not be damaged for a while, so the headlights were still on.

"Phew ... Mr. Lin, you're really amazing. You were able to determine the terrain so quickly. What should we do here?" Yu Dake felt that following Lin Yi gave him more confidence. Even if he fell into an abyss, he didn't have to worry too much, "This place is so big, let's take a look around?"

"I don't know yet. Look over there." Lin Yi said, pointing at a car's headlights.

Yu Dake and Yu Xiaoke subconsciously looked up and were shocked! That was because there was a warning written in many languages on the big sign: "There's danger ahead. There's only one way to survive. Don't wander around, or you'll have to bear the consequences!"

And near the sign, there were five passages, and it was unknown which one was correct and which one was wrong.

"Uh ..." Yu Dake was speechless. He didn't expect this place to be so complicated. There were actually other hidden mechanisms.

Yu Xiaoke was surprised as well, but she was still a member of the Steal sect, after all. She was very calm, "If I'm not wrong, there's a path here that leads to the Paoli clan's Castle, and it's a path that their own people take. The others are all dead ends. We're imprisoned here, so we can either go and die or wait for them to send people here! This is similar to some ancient tombs!"

"Then ... Should we wait here or ..." Yu Dake heard Yu Xiaoke's words and asked with uncertainty, "From what I can see, it seems like the Paoli clan is trying to kill us. Something's not right. Could it be that the Gu clan has leaked the information and ordered the people here to wait for us to be killed?"

Lin Yi found it strange as well-why did the Paoli start off with a killing move? they'd never met before, and there was no enmity between them-why was there so much hatred between them?

It wasn't impossible for someone from the Gu family to leak the information, but the possibility was too small. After all, from the Gu family's attitude at that time, they could tell that he was a very timid person and wouldn't dare to lie. Therefore, they didn't have the contact information of the two people who had left. They also leaked the whereabouts and matters of the two people. They would also be punished for leaking the information, so it wasn't particularly realistic.

Chapter 3356 Hidden Story

Lin Yi really couldn't think of the other reason.

"I'm not sure for now. Let's walk forward and see. Staying here is not a solution. " With that, Lin Yi started walking towards the sign.

"Oh, okay." Yu Dake didn't know why, but he trusted Lin Yi so much that he didn't even think about it when Lin Yi left.

Yu Xiaoke, on the other hand, panicked when she saw Lin Yi walking forward, ""Lin Yi, what are you doing? If you want to die, don't drag us down with you! There's only one way in here, and even my Feiyan sect can't say which one is the right one. Don't walk around!"

Some of the traps in the tomb were dangerous as well, but most of them had a pattern to them. This Paoli's thing in front of her didn't have any pattern at all-all five of them were the same, without any signs or signs. You Xiaoke couldn't tell which one was the right one.

"That proves that your standard is too low!" "Didn't I tell you not to show off with your amateur skills? if it wasn't for your brother, I wouldn't have brought you to this dangerous place!" Lin Yi said faintly.

"Hmm?" You Xiaoke froze and frowned. Lin Yi's words gave her a strange feeling. This dark place was very similar to the tomb. You Xiaoke felt like the person walking in front of her wasn't Lin Yi but the male thief!

Yu Xiaoke didn't know why she had this feeling, but at that moment, Lin Yi's voice and the way he spoke made Yu Xiaoke think of the male thief.

However, when she wanted to calm down and think about it, Lin Yi had already chosen a path and went in. She didn't have time to think anymore and saw her brother following him. She gritted her teeth and followed him ...

In fact, Yu Dake was thinking too much. Son Gu had already taken the Gu family and fled to a remote mountain area. Although they wanted to take revenge, they knew that they couldn't do it with their strength!

However, halfway through his journey, his son's phone suddenly rang! His phone was a satellite phone, so he didn't have to worry about signal problems.

After hesitating for a moment, he picked up the phone. He didn't know who was calling. "Hello, I'm gu zixian ..."

"Xiaogu, it's me ..." Patriarch xuanchen's voice rang out from the other side. It turned out that patriarch xuanchen was the master of the Gu family!

"M-master, Hello ..." Son Gu was shocked and subconsciously wanted to hang up the phone, but he didn't dare.

"Did my two men go to your place? Please receive them well. When they come back, they will come to your place!" Said patriarch xuanchen.

"This ..." Son Gu didn't know what to say when he heard that Zhaoming and the others were going to stay at his place. He was already on the run, why would he stay there?

"What's wrong? Did something happen?" How shrewd was patriarch xuanchen? Hearing son Gu's stammering, he suddenly felt that something was wrong.

"This ..." Son Gu was a coward to begin with, and he almost peed his pants after being frightened by patriarch xuanchen's stern voice. Under the influence he had accumulated over the years, he could not care about anything else and recounted everything that had happened to patriarch xuanchen. "Master, you have to take revenge for our Gu family. Our Gu family has been at your beck and call for so many years. Now that my father has been beaten to death, you can't just leave him be! Do you think you can send someone ..."

At this point, son Gu could not care too much. What he thought was that it would be best if patriarch xuanchen could help him take revenge.

"What?" When ancestor xuanchen heard that, wasn't it Lin Yi who drove a Grand Cherokee and was with that Yu guy? When he heard this, ancestor xuanchen could not help but curse. F * ck you, if I could kill Lin Yi, I would've done it a long time ago. Why would I need the people of the Ryu clan to do it? At the thought of this, patriarch xuanchen said angrily, ""If I can't get my revenge, you guys can run. If there's nothing else, I'm hanging up!"

With that said, patriarch xuanchen hung up the phone and ignored son Gu. In his eyes, he was an abandoned pawn. Who cared if they lived or died?

"Hello? Master? Hey, hey? Moses, Moses?" Son Gu held the phone with a look of despair ...

.....

Tortu was heavily injured, but he was still a Sky Class late phase peak, after all-he wasn't completely immobilized. Although he was in a bad mood, he still endured it and went to his father, torriyue!

"Tortu, what's wrong with you? You're injured?" Seeing tortu's appearance, tuo er riyue was suddenly shocked and quickly asked.

"Father, I'm crippled ... Just like you ..." Tortu had already checked his meridians before. He knew that he was just like his father, a cripple.

"What? What's going on? What the hell happened?" Tuo er riyue was shocked, he suddenly stood up and asked.

"It's that Lin Yi guy ... I didn't think that a Sky Class mid phase could Dodge my attack, and even counterattack, seriously injuring me ..." Tortu was very depressed-he'd gone for wool and came home shorn!

"What? That Lin Yi is that strong?" Thor riyue's face darkened as he glared at Zhaoming and small one.

Kang Zhaoming wasn't worried about tortu's life. He was worried about Lin Yi's death. He sighed, "I've already said that this person can fight enemies above his level and is very powerful. What about you? He only sent one person to kill him? Then who could he blame?"

"This ..." Thor riyue froze at Zhaoming's words. He was at a loss for words. That's right, he said it before- this guy can fight enemies above his level! He told you to be careful! It's not that I didn't tell you, but you didn't care at all!

"Tortu, what's going on? Is there a hidden story behind this?" Tuo er riyue asked in a deep voice after entering the room. He was in an extremely bad mood at the moment. His injuries had yet to recover, and instead, tuo er tu was crippled. This was truly an unlucky year!

"Father, this matter ... We really shouldn't have gotten involved!" Tortu sighed helplessly, "Do you know who Kang Zhaoming is trying to kill?"

"Who is it?" Thor riyue was stunned.

Chapter 3357 Additional Conditions

"The disciple of the five elements sect's ancestor Xuan Tian!" As tortu spoke, he told torriyue what had happened.

"Bastard! This Kang Zhaoming is messing with us! He's dragging his sect's grudge into our Paoli family!" Thor riyue roared in anger.

"Father, you can't really blame Kang Zhaoming for this. He's a jerk, but we agreed to it, it was a deal! If we don't want to do it, does Kang Zhaoming have the right to order us around?" Tortu shook his head

and smiled bitterly. ""We have no way out now. We can only walk this path to the end. If we cancel this deal now, not only will I get injured for nothing, but your injury will also be hopeless!"

"But, using your injuries to exchange for a Supreme-grade great recovery pill for me, this business ..." Tuo riyue's expression was very ugly. This business didn't seem worthwhile no matter how he looked at it.

"Then what can we do?" "Who would've thought that ancestor Xuan Tian's disciple would be so powerful that he could fight an enemy above his level?" tortu had no other choice.

"No, this is too much of a loss, too much of a loss! I need to talk to Kang Zhaoming about this. " Thor riyue had already made a decision.

"Father, you mean ..." Tortu's heart trembled as he quickly asked.

"Kang Zhaoming tricked us and didn't tell us the truth. He won't get away with it!" Tuo er riyue stood up and strode out of tuo er tu's room, heading straight for Kang Zhaoming's room.

Zhaoming and small one went back to their room-he was just getting excited over the fact that he'd successfully pissed off the Paoli and made them Lin Yi's enemy, but he didn't expect tuo riyue to come looking for him!

"Old master, why are you here again?" Kang Zhaoming heard the knock and opened the door. He was surprised.

"Kang Zhaoming, you're pretty good at scheming, aren't you?" As soon as tuo er riyue entered the door, he sneered, ""You're toying with our Paoli clan in the palm of your hand!"

"This ... Elderly head, what do you mean by this?" Zhaoming's heart skipped a beat. Did this old thing know something?

"That Lin Yi, he's clearly a disciple of ancestor Xuan Tian, and he's also a member of the five-elements sect. This is a conflict between the five-elements sect, why didn't you say anything? Are you trying to kill me with a borrowed knife?" Thor riyue asked with a cold smile.

"So it's this matter!" Zhaoming relaxed after hearing that. He smiled nonchalantly, "Old master, you're right. I just want to kill someone with a borrowed knife!"

"Eh? What do you mean by that?" A flame flashed in Thor riyue's eyes as he said angrily.

"I don't mean anything. Didn't we agree before that this is a deal? it's not convenient for me to make a move, so I'll ask you to help me kill this person. This is basically killing someone with a borrowed knife, so there's no problem." Zhaoming said as if it was only natural, "Of course, as for what I didn't tell you, I don't think I need to tell you, right? This is an internal conflict in our sect. Besides, ancestor Xuan Tian has stepped down, and my master, ancestor xuanchen, is now in charge of the five elements sect. I've told you about this before, but you just didn't ask in detail! My goal is very simple-to kill Lin Yi. You don't need to know who he is, just kill him and I'll remember you guys a peak-grade fourth-grade great recovery pill. "

"You ..." Thor riyue wasn't as sharp-tongued as Kang Zhaoming, but what Kang Zhaoming said was the truth, and he couldn't refute it. He was right, too. He didn't ask in detail, and he was blaming him for not telling? Besides, even if he didn't say anything, you would still make this deal?

He was blinded by greed! Tuo riyue was starting to regret his decision. The Paoli clan was a very neutral clan, and had never had any enmity with any other sects. Now, they were actually involved in the internal disputes of the five elements sect!

"Fine, but my son tortu was crippled while helping you guys kill Lin Yi. You guys have to give me an explanation for his injuries, right? How about we add another top grade great recovery pill?" Thor riyue was actually trying to gain some benefits for himself by making such a scene. Since he couldn't argue, he directly said his purpose, ""This is my bottom line!"

"Old head, it's not that I'm being unreasonable, but a deal is a deal. We've already made a deal, you can't say that I'll give you an extra great cyclic pellet for every injured one of you, right? If another one of you is injured in a few days, do I have to give you three Supreme-grade great recovery pills?" Zhaoming, naturally, couldn't just agree to it right away. Making a fourth ranked pill wasn't something he could guarantee, but it wasn't impossible.

If patriarch xuanzhen succeeded in the future, he would be in deep debt. How could a fourth-grade pill be so easy to make? Plus, Kang Zhaoming had his own considerations. If he agreed to tuo riyue's request right away, it would be a bit fake. Tuo riyue knew how precious a fourth class pill was. If Kang Zhaoming agreed to it without even blinking, he would really suspect that Kang Zhaoming was just bluffing.

"Of course, it won't happen again. These two are my bottom line." Tuo riyue felt at ease after seeing Kang Zhaoming's attitude. It was just as Kang Zhaoming had thought-if he agreed right away, tuo riyue would definitely think that the five elements sect couldn't make any Tier 4 pills and start making promises.

"Old clan head, this is a fair trade that you and I have both agreed to. If in the future, whoever deals with our five elements sect changes the conditions casually, what are we going to do in the future?" Kang Zhaoming had to consider the five elements sect's face.

"Alright, since that's the case, I'll change the deal! That Lin Yi is still in our Paoli clan's dungeon, and since his master is Xuan Tian, he might be proficient in alchemy as well. He'll probably be happy to trade with me if I go to him, right?" Tuo riyue didn't expect Kang Zhaoming to be so tough. He thought that Kang Zhaoming would agree to it after some hesitation, but who knew that Kang Zhaoming would be so tough? Left with no choice, Thor riyue could only continue to coerce and bribe.

But as far as he was concerned, it wouldn't have much of an effect-after all, tortu said it himself, and Lin Yi confirmed it-his master, boss Bai, was crippled, and was no longer the sect leader.

Of course, tuo riyue didn't know that although Zhaoming was the son-in-law of the xuanchen patriarch and seemed to have a high position in the five elements sect, the xuanchen patriarch was a special existence. Even the xuanchen patriarch didn't dare to order him to refine pills at will and had to discuss it with him. How could Zhaoming make the decision?

Chapter 3358 Thor's Moon's Thoughts

Ancestor xuanchen had acquiesced to the one superior-grade fourth-grade great cyclic pill previously. However, it was not the case for two pills.

"Don't ... Don't go to him!" The speaker didn't mean it, but Zhaoming really did jump in shock! If he asked er riyue to trade with Lin Yi, what would he have to do? Although he knew that Lin Yi might not be able to make any top quality great recovery pill, Lin Yi was a very special person!

Lin Yi and his lackeys had been crippled more than once or twice, right? However, he was perfectly fine every time. He didn't look like he was crippled at all, and this made Zhaoming very worried. If Lin Yi really did have a way to heal tuo er riyue and tuo er tu's injuries, then he would be the Paoli family's Savior. The Paoli family wouldn't even have time to protect them, and they'd still kill them? It was clearly impossible.

"Oh?" Thor riyue was just saying it casually, but Zhaoming's answer moved him! But he was an old fox- he didn't show anything on his face, only looking at Zhaoming with a smile that wasn't a smile. "So, Mr Kang has agreed to this?"

"This ... Actually, it's not that I can't consider it." "The main thing is, I'm afraid that you'll go to Lin Yi and get killed by him. You know that you don't have much strength right now. If something happens to you, who am I going to trade with?" Zhaoming said quickly.

Zhaoming realized that he was panicking as well, but he had to. If he didn't stop tuo riyue now, it'd be too late when he found Lin Yi.

"So, Mr Kang, you agree?" Thor riyue started calling Zhaoming "Mister Kang" as well, but he was just brushing him off. How could he not notice the difference?

Afraid that he would die? Was Kang Zhaoming that kind? If he was really that kind, he would have patiently persuaded tortu not to fight alone from the start.

"It shouldn't be a problem, right? I'll talk to father-in-law ..." Zhaoming couldn't agree to it before, but he had to do it now because he was afraid that tuo riyue would look for Lin Yi. He believed that the xuanchen ancestor wouldn't say anything if he found out.

"Alright then, I'll head back first. If there's any news about elder Kang, call the disciples patrolling outside to inform me!" Thor riyue said.

"Okay, I'll call my father-in-law now!" Kang Zhaoming quickly replied.

After Thor riyue left, small one frowned slightly. ""Junior Brother Kang, this old thing is insatiable. If you agree to his request, master ..."

"If I don't agree, he'll go to Lin Yi, and that'll be even worse!" Kang Zhaoming waved his hand helplessly, "I should call father-in-law!"

"Al, that's true." Little one nodded his head.

Zhaoming picked up his phone and called the xuanchen ancestor. He hadn't reported the progress to the xuanchen ancestor yet when Thor riyue came looking for him.

"Zhaoming, how's it going? is it done?" "What's wrong?" patriarch xuanchen asked after picking up the call.

"Father-in-law, things went quite smoothly, but there's a bit of trouble ..." With that, Zhaoming told him about tortu's injury and how torriyue came to his door.

"Your starting point is good ..." After hearing that, ancestor xuanchen pondered for a moment and said, ""Getting tortu injured and increasing the Paoli's hatred towards Lin Yi isn't a problem-it's a very evil move, but that old bastard Torii Yue isn't a good person either, he's using this to raise his stakes. It's understandable that you agreed to his request, though, but it'd be troublesome if he really went to Lin Yi ..."

Elder xuanchen's thoughts were not as simple as Kang Zhaoming 'S. He thought that if tuo riyue went to Lin Yi, he would not work with Kang Zhaoming. What he was thinking was that if he really went to Lin Yi, not only would he not work with Kang Zhaoming, but what if he changed his mind?

"Then I'll agree to Thor riyue's request?" Kang Zhaoming asked.

"En, we can agree to this!" "It's not worth it." Ancestor xuanchen sighed."When the time comes, these two debts will still be our five elements sect's debts in the future, even if we don't have to pay them back for now ... But it's worth it to deal with Lin Yi!"

"Alright, I'll give him a reply!" Zhaoming nodded and hung up the phone. He opened the door and called for a Paoli disciple who was on patrol nearby, telling him to pass on his reply to tuo riyue.

Tuo riyue had just returned to his room when he received a reply from Kang Zhaoming. It didn't strengthen his confidence in working with Kang Zhaoming, it only made him more suspicious!

Kang Zhaoming could just put it on display. How could something that was easily obtained be anything good? But Kang Zhaoming gave him an answer in a rush, he didn't even wait for dinner time. What did this mean? It meant that Kang Zhaoming was afraid that she would look for Lin Yi to work with!

Could it be that Lin Yi had something to surprise her with? With that thought, toshiya decided that he shouldn't rush to kill Lin Yi-he needed to investigate more!

Thinking of this, toshiyu waved his hand. An old Butler immediately stood in front of toshiyu. ""Clan leader, do you have any orders?"

"Who's in charge of the news from the Central Plains?" Thor riyue asked.

"It's the eldest young Master's Men who are in charge. " The old Butler quickly said.

"Oh? Tell Thor Dragon to come see me. " Thor riyue said.

"Yes, chief!" The old Butler quickly nodded and left the room.

After a while, a strong man who looked very similar to tortu walked into the room and said respectfully, ""Father, you asked me to come ..."

"Get me some news from the Central Plains right now. Get me some information on a guy called Lin Yi. Gather all of his information, preferably everything related to him, and send it to me. I need it urgently!" Thor riyue said.

"Father, isn't this the person who injured my third brother?" Why did they investigate him? Could it be that this person has a powerful background? why don't we just kill him?"

"I have my own reasons for investigating him! Also, pass down my order, tell everyone in the Paoli clan that no one is allowed to touch that Lin Yi without my permission!" Thor riyue's expression turned serious as he solemnly ordered, ""Alright, torrone, go and investigate. Hurry up and give me the results!"

"This ... OK ... Father, I know, I'll go now!" Although torrone was puzzled by his father's reaction, he still did what he was told.

Chapter 3359 Lin Yi In A Rage

Lin Yi and the others had been trapped in the trap for ten hours. Lin Yi knew that they couldn't go on like this! He did not know what the Pao li race was up to, but one thing was for sure. If they were looking for him, they would have made contact with him long ago. And for no one to come after such a long time, they were probably thinking of starving him to death!

Of course, Lin Yi's guess was right. That was what tortu and torriyue had planned before, but after getting to know Zhaoming, they changed their mind and started investigating Lin Yi. But was it that easy for an outsider to investigate the Central Plains? That was obviously not possible.

So not long after Lin Yi came in, he decisively brought Yu Dake and Yu Xiaoke forward to test the waters! At first, Xiaoke was still suspicious-the words at the entrance were too scary, it was like four deaths and one chance of survival! It wasn't as scary as nine deaths and one wrong step would mean death!

However, Lin Yi walked forward with determination, and his brother Yu Dake followed him with determination. Yu Xiaoke couldn't do anything about it. She couldn't stay here, could she? Therefore, he could only brace himself and follow.

However, after walking for a while, you Xiaoke was a little confused. The path they were taking wasn't a straight path, but there were Five Forks at regular intervals. The signs on the road also said that there was a 4-in-1 chance of survival, but Lin Yi didn't seem to have time to stop and judge. He just walked around and entered one of the forks!

Xiaohe didn't understand-you knew which way to go after walking around? It was obviously impossible! Do you think you're a prophet? even those ancient tomb trap experts need a long time to judge, right?

Plus, the five paths were all the same-there was no pattern at all, so how did Lin Yi Do it? However, Lin Yi wasn't that lucky. He didn't always follow the same path. Sometimes he took the right, sometimes he took the left, and sometimes he took the middle.

"Wait a moment!" At the next intersection, Yu Xiaohe couldn't take it anymore,""Lin Yi, are you just walking around? Can you really tell which path is the right one?"

Lin Yi stopped. He knew that his actions were suspicious. After all, he relied on the Jade to sense danger. He walked around the five passages and knew which one was dangerous and which one wasn 't. But he couldn't tell Yu Dake and Yu Xiaohe about this.

If it was any other day, Lin Yi would've pretended to investigate, but he really wasn't in the mood today. They'd finished all the food they brought along, and they'd calculated the distance before heading to the Pao li race. They came from far away to do business, and the people should be responsible for their food and lodging, right?

But there was an accident-they didn't have any food on them. Lin Yi didn't mind, but Yu Dake and Yu Xiaohe had to eat. They could practice, but the Qi they absorbed in this prison wasn't enough to make up for the energy they used.

"Not bad." Lin Yi nodded. He had more than one special ability anyway. Those abilities that helped people increase their strength and heal were even stronger. In comparison, his ability to judge danger wasn't that obvious.

"Are you walking around randomly? is this place really dangerous? Are you trying to scare me?" Yu Xiaoke didn't like Lin Yi. She thought that Lin Yi was trying to show off in front of her. She thought that Lin Yi knew that she was from the thief sect and wanted to beat her in something she was good at so that she would admire him ...

One had to admit that Yu Xiaoke was overthinking things ...

"Randomly walking around?" "What are you trying to say?" Lin Yi frowned.

"I can even walk like this. Don't think that I'll admire you just because you're walking around like a ghost!" Yu Xiaoke hmphe, "that's impossible. I know you've noticed something, but you're just putting on an act. The person I like is much better than you. He can even make the right judgment in a dangerous tomb. You can't compare to him ..."

"..." Lin Yi was speechless. What was Yu Xiaoke thinking about at a time like this? "Yu Xiaoke, what are you trying to say?"

"It's nothing. Come with me, I can leave too!" Xiaoke said as she stepped into one of the passageways ...

"Xiaoke, don't be willful!" Yu Dake was shocked, but his voice was still a step too slow. As soon as Yu Xiaoke stepped into the tunnel, a sharp arrow was shot at her!

Lin Yi was pissed. You like the male thief, but you can't use your own life to look down on Lin Yi, right?

Luckily, Lin Yi's strength was there-a Sky Class mid-phase, and he was very agile. He raised his hand and pulled Yu Xiaoke out of the tunnel, but in order to make sure that Yu Xiaoke wasn't hit, Lin Yi didn't dare to Dodge, and one of the arrows still pierced a hole in his arm ...

There weren't any lights here anymore, but there was a night-luminescent Pearl at the entrance to every trap. There was still some faint light. Lin Yi looked at his wound-luckily, the color of the blood was normal. The arrow wasn't poisoned.

"Yu Xiaoke! Are you done being crazy?" Lin Yi used to give in to her because he liked her and was touched by her contribution to the orphanage, but he didn't think that Yu Xiaoke would act on impulse now!

Yu Xiaoke was also scared at this moment. She thought that all the passages were safe, and Lin Yi could take any one of them. She thought that he was just pretending to walk around the passage, but now, Yu Xiaoke finally understood how stupid she was!

"I ..." Yu Xiaoke's heart was palpitating. If it wasn't for Lin Yi, he would've been killed by the arrow! Looking at the arrows scattered on the ground near the tunnel entrance, Yu Xiaoke felt scared.

"You what you!" Lin Yi was really angry now. He was a calm person, but a lot of unreasonable things had happened today. Even if the Paoli didn't want to trade with him, they wouldn't have thrown him into a dungeon, right? He even looked like an enemy and wanted to kill him! So Lin Yi was a little angry, "Yu Xiaoke, How many times do I have to tell you? You dare to come out and embarrass yourself with your

mediocre martial arts? You said that you were almost crushed to death in the ancient tomb for the sake of those treasures. I saved you once, but you did it for the children in the orphanage, so I'll let it go. Tell me, What did you do today?"

Chapter 3360 Recognized Him

"I ... I ... I ..." Yu Xiaoke didn't expect Lin Yi to be so angry. She was in the wrong and was very scared, so she didn't dare to argue with Lin Yi.

"Alright! Yu Dake, hold Xiaoke back and don't let her walk around. Let's find a way to leave this place first!" Lin Yi was panicking. He didn't mind scolding Yu Xiaoke, but he was worried about the attitude of the Paoli family!

Right now, the Pao li race was clearly not on friendly terms with them, and so Lin Yi didn't know what they would do next after locking them up here. It was best to leave this place first!

"Okay, Mr. Lin, don't be angry ... I'll keep an eye on her and won't let her go anywhere!" Yu Dake was also sweating. If it wasn't for Lin Yi's strength, he wouldn't have been able to see his sister!

Lin Yi nodded and walked to the path that Xiaoke took earlier. There was no danger this time, which surprised Xiaoke! It seemed that Lin Yi really wasn't walking around randomly, and the life and death situation here was real!

Yu Xiaoke was silent this time as Yu Dake pulled her along.

But to be honest, Yu Xiaoke was still quite sad! Identifying traps in ancient tombs was Xiaoke's strength- she rarely respected others in this area, and the only person she respected was the male thief! But now, Lin Yi had this kind of ability!

To be honest, if she didn't look at Lin Yi with those colored glasses, there really wasn't much difference between Lin Yi and the male thief, right? The two of them were so strong, and they were so supportive of the orphanage. If she had met Lin Yi first, then now ...

Even Yu Xiaoke herself was shocked at the thought! She didn't think that Lin Yi would be this outstanding in her heart! Perhaps, it was because of Lin Yi's excellence that Yu Xiaoke became more and more confused and acted so rashly!

She didn't want Lin Yi to replace the male thief in her heart-he was irreplaceable!

In a daze, she felt like she had returned to the time in the tomb, remembering how the male thief saved her from the line of life and death ...

Eh? It was wrong! Yu Xiaoke suddenly stopped in her tracks, a flash of disbelief in her eyes!

Remembering the words Lin Yi said when she dropped the trap, Yu Xiaoke's heart jumped and almost jumped out of her mouth!

Yu Xiaoke didn't want to leave, and Yu Dake's steps were also slowed down by her. He was about to ask her what was wrong when he heard her blurt out, ""Male thief, wait a moment ..."

Lin Yi was thinking about the Pao li race-this trip was a complete failure. Even if he could escape the trap, it would still be a failure. After all, his goal was to trade with the Pao li race, and it seemed like the chances were slim.

At this time, Yu Xiaoke asked him to wait. Lin Yi subconsciously frowned and stopped, "What's wrong with you now?"

"You ... Y-y-y-you ... You're really a male thief?" Yu Xiaoke's eyes widened in disbelief. She didn't expect Lin Yi to agree to it!

"I ..." Lin Yi paused, remembering that he was admitting to his identity. He was really pissed off, and he was the same person as the male thief, facing Yu Xiaoke. They were both in this dark environment, and Lin Yi subconsciously treated the male thief as the same person. Who knew that Yu Xiaoke saw through him, ""You're thinking too much,"

Yu Xiaoke frowned-was she overthinking things? She'd seen the male thief's face in the practitioner's trade association before-he didn't look like Lin Yi, but how did Lin Yi know about the tomb?

Plus, Yu Xiaoke had been rejecting Lin Yi before, but now, listening carefully, his voice really did sound like the male thief 's! She didn't think much about it before, but today, she really felt that Lin Yi and the male thief were one and the same.

However, Yu Xiaoke thought about it and felt that Lin Yi was very suspicious, so she asked, "You're not the male thief, why are you helping me?"

"I ... Like you, so I'm helping you." Lin Yi wanted to find a chance to confess to Yu Xiaoke, but he didn't want to do it in this kind of environment. He didn't even know if he could get out of this place, and he didn't want to waste time.

"You like me?" Yu Xiaoke thought for a moment and turned to her brother, Yu Dake, "Brother, did you see any pets when you went to Lin Yi's house?"

"A pet?" Yu Dake was also confused by Yu Xiaoke and Lin Yi. How did Lin Yi become a male thief? Xiaoke's question startled him, "I don't know about the pets, but I do have a few spirit beasts ..."

"Spirit beast? What spirit beast?" Yu Xiaoke's eyes lit up.

"It's a purple lightning Beast, a dog, and a little pig ..." Lin Yi got the purple lightning Beast from the Hidden House Summit. Yu Dake went to take a look when he came and saw general Weiwu and the Skybolt pig.

Lin Yi knew that things weren't looking good after hearing Yu Dake's answer. Yu Xiaoke swore that she would use these two characteristics to find him when she left the tomb. Now ... He couldn't deny it even if he wanted to, could he?

"That little pig, does it only know how to chirp?" Yu Xiaoke's body shook as she asked subconsciously.

"Yup!" Yu Dake nodded and said, "I think it's called Skybolt pig or something!"

"F * ck!" Yu Xiaoke heard this and immediately ran over to Lin Yi, pulling him back and turning him around, "Y-y-you ... You're lying to me for fun, right?"

Yu Xiaoke had been looking for a master with a dog and a pig, but it wasn't easy to find them. She didn't like Lin Yi, and she'd never been to his house, so she didn't know that Lin Yi had general Weiwu and Skybolt pig.

Now that her brother Yu Dake had confirmed Lin Yi's identity, Yu Xiaoke was both surprised and happy, but at the same time, she was furious! She felt like Lin Yi had played her!

"Xiaoke, this ... You see, you like the male thief, but you hate my real identity. I'm afraid that if I tell you, you won't like me anymore ..." Lin Yi smiled bitterly. It was impossible for him to deny it now. He was a dog and a pig.
