

Bodyguard 3371

Chapter 3371 Yu Xiaoke's Power

"Ah!" Yu Xiaoke felt that Lin Yi's words made sense. Since she had this ability, why didn't she help Lin Yi? Especially after knowing that Lin Yi was the male thief, Yu Xiaoke had no reason to reject him.

However, Yu Xiaoke was a little hesitant about being by Lin Yi's side, "I want to be by your side all the time, but I can't let go of the orphanage ..."

"The orphanage is on the right track and there won't be any shortage of funds, so you should let go when you need to. Let Ken manage it. You can't stay with the orphanage forever." Lin Yi said. Since you've learned the house's Secret technique, there's naturally a higher level of difficulty you'll have to challenge!

"Yeah ... The orphanage is on the right track. I could manage the small orphanage in the past, but now, there are more and more welfare industries attached to the orphanage, and! 'M a little lacking in my abilities! "I've never been to school, and I'm not even as educated as Ken and the other kids. They're studying business management now, and although our orphanage is a welfare organization, we can't keep receiving donations from businesses. We need to set up a foundation and make money ourselves- that's the future direction of the orphanage, and my sneaky ways won't work anymore ..."Yu Xiaoke mocked herself as she said this. She couldn't help much with the construction of the orphanage anymore. Or rather, her dream had been realized and she had nothing to worry about now.

"You can't say that. You've contributed a lot. At least, without you, the orphanage wouldn't have existed. And without you, I wouldn't have been able to invest in the orphanage. So I suggested to fatty Lai that you set up a charity Foundation and call it the Xiaoke Foundation." Lin Yi said with a smile.

"Ah? "That's not good ..."Xiaoke jumped.

"Hehe, it's decided then. I think it's pretty good." Lin Yi waved his hand and changed the topic. He turned to Yu Dake, "Big ke, stop the car, I'm going to help you Xiaoke increase her strength ..."

Although Lin Yi didn't think that they would run into any danger on the way back, there was no harm in being careful. Since Yu Xiaoke could break through to Sky Class now, he would help her break through first. If they ran into any Masters, Lin Yi would be able to deal with them easily ...

The old Yu Xiaoke had fantasized that one day, the orphanage wouldn't need the money she stole to run. She fantasized that one day Xiao Ken and the other children would grow up. She fantasized that one day she would meet her family. She fantasized that one day she would be with the male thief ...

But he'd never imagined that he could become a Sky Class master-how far was that? He wasn't even her master, so how could she be?

But now, she really did become a Sky Class early phase, and in just a few hours, she completed this magnificent transformation! Although breaking through from Earth Class late phase peak to Sky Class early phase was extremely painful, the moment she became a Sky Class, it was as easy as a new life!

Yu Xiaoke was very happy-she was happy that she was going to help Lin Yi in the future, and she was happy that she was a Sky Class master now, so she didn't have to worry about aging before Lin Yi.

"Xiaoke, let's try it out." Lin Yi said as he turned to Yu Dake, "Big ke, attack me with all your might, and then I can use the Nuwa heaven patching art to defend myself. I'll see how it works."

"Ah? It's my first time using it-I may be Sky Class early phase, but I've never used it before. What if it doesn't work? wouldn't you be injured?" Yu Xiaoke jumped.

"It doesn't matter. With big ke's strength, he can't hurt me." Lin Yi waved his hand."Ke, go all out. Get ready!"

"Alright," he said. Yu Dake knew Lin Yi's strength. At the Hidden House Summit, Lin Yi was very good at taking hits. Yu Dake was almost killed by him, but Lin Yi was still fine. It was clear that Lin Yi wasn't bragging. He had real ability.

Among them, you Xiaoke was the most nervous. She had no confidence in herself at all-she was like a beginner in spiritual cultivation, and she couldn't guarantee that she'd be able to defend herself.

"Mr. Lin, I'm here!" Yu Dake took a deep breath and started channeling his practitioner's Arts, activating his strongest move. Of course, this strongest move was very normal to Lin Yi. The skills Lin Yi was dealing with now were all high level, and his enemies were all strong people like small one and Zhang naipao. No matter how strong Yu Dake was, he couldn't do anything to Lin Yi, not to mention that he was an Earth Class, and his skills weren't that strong.

"BOOM!"

Yu Dake's fists turned into palms and attacked Lin Yi's chest with all his might. He didn't drag things out at all. This was also the trust he had in Lin Yi. He knew that his moves couldn't cause too much damage to Lin Yi.

You Xiaoke was using the nüwa sky-patching scroll, and when she saw her brother's attack, she quickly used all her strength. Her hands kept changing, drawing a beautiful afterimage in the sky, as if she was weaving a huge net. Energy was released from her hands.

A huge net made of pure Qi instantly appeared in front of her and Lin Yi. Yu Dake's attack arrived just as expected. Yu Dake's palms attacked Lin Yi, but they hit the net in front of him with a loud bang. However, he suddenly stopped in front of the net. This net was like a wall that blocked his attack!

The net shook a couple of times, but it didn't split-you Xiaoke was a Sky Class now, and her practitioner's Arts at full power wasn't something an Earth Class could do!

Yu Dake didn't stop. He used his Arts again, but the result was the same. His palms hit the net again, but Lin Yi wasn't hurt at all!

"Amazing!" Lin Yi nodded, signaling for Yu Dake and Yu Xiaoke to stop.

"Xiaoke, your mental cultivation method is really as powerful as the legends say. When you're with Mr. Lin in the future, you'll really be invincible! One for attack and one for defense, kill whoever you see!" Yu Dake shouted in surprise.

Murloc's new book is released. It's called "top quality cultivation young master." Please add it to your collection and recommend it! There was a train on the page of the school Belle's book.

Chen mengyan said to Chu Mengyao,"I like Cheng Mengying in the new book the most. I have a good impression of her when I see her name!" Everyone, let's go and take a look!

Chapter 3372 Yu Xiaoke Fainted

"Kill whoever you see? That seems really powerful?" Yu Xiaoke didn't think that she would be able to help Lin Yi!

"Yeah, I'm reminded of the old legend of the king Kong duo. By the way, Mr. Lin, you're almost the same as them now ... Eh? Xiaoke, what's wrong?" Yu Dake was excited, but he suddenly realized that Yu Xiaoke's face was very pale. She was shaking and was about to fall to the ground. This made Yu Dake jump in shock.

"I ..." Yu Xiaoke only said the word "I" before she fell to the ground with a "plop".

Lin Yi was also quite scared-there was even Wang Xinyan who fainted at home, and Yu Xiaoke might have some weird disease too! Lin Yi quickly reached out his hand and felt Yu Xiaoke's pulse, checking her body's condition.

After checking, Lin Yi let out a breath of relief. Yu Xiaoke's body was fine, she just fainted because she used up too much energy. Lin Yi circulated the art of Dragon mastery and started to replenish her energy. After a while, Yu Xiaoke woke up.

"Xiaoke, what do you think?" Yu Dake let out a breath of relief as he saw Yu Xiaoke wake up.

"Nothing much. I just felt particularly tired before, so I fainted." Xiaoke said, shaking her head.

"The higher the level of defense and the longer the duration, the more energy and true Qi Xiaoke will consume. I'm afraid Xiaoke used the mantra based on the highest level of defense she could use, right?" Lin Yi had a rough idea. Yu Xiaoke's practitioner's Arts wasn't hard to understand. The higher the defense, the more Qi She needed to use. It was common sense, just like Lin Yi's raging fire Eight Trigram palm. So Yu Xiaoke fainted after she used up all her energy.

"Yes, I'm afraid I'll hurt you!" Yu Xiaoke nodded, "Lin Yi, you can still give me energy?" Doesn't that mean I can continue to use my defense in the future?"

"Yes, I am." Lin Yi nodded, "but, we'll have to face our enemies at any time during the battle. It'll be hard to find time to replenish your energy unless we're in a group battle."

"That's true," Xiaoke nodded, "looks like I still need to work hard!"

"Try hard ... Even if you try hard now, you won't be able to absorb the spiritual energy of heaven and earth. Your body's meridians have already received the pure energy of me and the Qi gathering pill, and have already produced antibodies to this thin spiritual energy of heaven and earth. It's completely useless." Lin Yi smiled bitterly and shook his head. "If you want to level up, you'll have to continue using Qi gathering pills or wait for me to step into Tian Dao ... But Tian Dao is an illusory realm. I don't know when I'll be able to step into Tian Dao, and I'm not even sure if this realm exists or not ..."

"Don't we still have energy stones? I can use the energy stone to cultivate on my own. " Yu Xiaoke said optimistically.

"That's right, how could I forget about the energy stone?" Lin Yi took out two energy stones from the Jade space, and to his surprise, they were fully charged. It'd only been a few days, and the energy was already full-it seemed like the Jade space's charging speed was quite fast, and it might even take a few days."Big ke, you're an Earth Class late phase peak now-without the Qi gathering pill, I can't help you

increase your strength. Here are two energy stones, one for you and one for Xiaoke. Use them for your cultivation first, and when you're done, you can exchange them with me."

"Thank you, Mr. Lin!" Yu Dake took the energy stone gratefully. He didn't reject it because he understood Lin Yi. He could only remember this favor in his heart.

"We're family, so let's not be so distant. Since my relationship with Xiaoke is clear, you're my big brother now." Lin Yi said with a smile.

"You're too kind, Mr. Lin is my Savior. " Yu Dake shook his head.

"Hehe, whatever you want. It's just a form of address." Lin Yi waved his hand nonchalantly,"Ke, how about you and Xiaoke go back and live in the villa? you can be considered my helper."

"Okay, Mr. Lin. I'll listen to your arrangements." Yu Dake nodded. In his heart, Lin Yi's kindness was something he couldn't repay in a lifetime. He had to repay it.

After the test, Lin Yi was ready to get into the car, but as soon as the three got in, he saw Kang Zhaoming's car come back. Lin Yi frowned. What was this kid doing back here?

Lin Yi appeared in front of Kang Zhaoming's car and stopped it.

"Oh my God, I was scared to death!" Zhaoming slammed on the brakes, almost hitting Lin Yi. He wasn't afraid of killing Lin Yi, but he was afraid that Lin Yi would kill him! With Lin Yi's strength, he could turn his car into a pile of scrap metal! He was also an Alchemist, so if his defense wasn't good, he might die as well! "Boss Lin Yi, what are you doing? Don't you know you almost killed me? If I die, who's going to concoct pills for you?"

"Why did you come back?" Lin Yi didn't bother with Zhaoming. With his Sky Class reflexes, it was easy for him to stop the car instantly. If they really hit him, it could only be said that Zhaoming was unlucky.

"Don't mention it. Small one's body is gone. I'll go back and look for it if it dropped somewhere!" Zhaoming said, his face full of bad luck.

"The corpse is gone?" Lin Yi closed his eyes and used his perception to scan the car. Small one's body wasn't in the car-Zhaoming wasn't lying.

"Yeah, I'll stop talking. I'll go back and look for him. Goodbye!" Zhaoming, naturally, didn't want to explain the details to Lin Yi-it was an internal matter of his sect, and there was no need to.

"Oh, then you go find it." Lin Yi nodded and got in the car, ignoring Kang Zhaoming. He could do whatever he wanted. Even if he returned to the Pao li race, it was fine. The Pao li race wouldn't betray him.

On the way back, they didn't run into anything unexpected-Yu Xiaoke didn't use her defense skill, but what surprised Lin Yi was the call from the Hidden House Yu!

The call was from the elder of house Yu, Yu Tianxing.

"Hello, Grandpa Yu!" Lin Yi picked up the phone, confused. With Lin Yi's current strength, he didn't need to respect Yu Tianxing anymore. Not to mention, Yu Tianxing didn't have a good attitude towards him in the past, and he even tried to cause trouble for him.

Chapter 3373 House Yu's Invitation

But no matter what, Yu Tianxing was Yu Ning's grandfather, and Lin Yi didn't want Yu Ning to be sad in the middle, so he maintained enough respect for Yu Tianxing.

"Young hero Lin, do you have time? Can you come to the Hidden House Yu? I have something to discuss with you ..."Yu Tianxing sighed. He didn't want to have anything to do with Lin Yi anymore, but he couldn't avoid Lin Yi for what was about to happen! Especially with Lin Yi's strength now, he was almost at the peak of the world of practicing. Even in the ancient level, there weren't many who dared to challenge Lin Yi!

Even Yu Tianxing's backer had an ambiguous attitude towards Lin Yi, leaving him with no choice but to face Lin Yi. What he was about to do next would never let Lin Yi off. If Lin Yi didn't agree, then everything would be in vain.

"Oh?" Lin Yi blinked, not expecting Yu Tianxing to invite him for a discussion. He was very eager to get home, however, and he wanted to give the energy stone to Xinyan."Is it important? Was he anxious? If it's not urgent, how about I wait for a while before visiting?"

"It's about ning ..." Yu Tianxing said.

"Xiaoning?!" Lin Yi took a deep breath. He couldn't reject Yu Tianxing's request. Although Wang Xinyan was unconscious, she wouldn't be in any life-threatening danger for a while. Who knew what would happen to Yu Ning?

"That's right, other than ning, there's another person related to you-Chen Yushu. " Yu Tianxing paused for a moment. "I'm sure you've heard about the connection between her and house Yu ..."

"Alright, I'll head over immediately after I get home!" Lin Yi's heart faintly realized something, but what did this have to do with Yu Ning? He felt that Chen Yushu's trip to the fiery mountain wasn't far away, and house Yu's call must be about this.

But Yu Ning, did she have anything to do with this?

At that thought, Lin Yi ordered Yu Dake to drive faster. The car had already entered the Dinghai city's Dinghai District, and they would reach the villa area in half an hour.

Lin Yi's car stopped in front of the villa, and Yushu and Jingjing walked out of the villa together.

"Jing Jing? You're here too?" Lin Yi was surprised-he didn't think that han Jingjing would be in the villa as well.

"Yeah, there's something I want to talk to Lin Yi bro about. There's nothing much going on at the company, so I'll wait for Lin Yi bro here." Han Jing Jing said.

"Oh? What's the matter?" Lin Yi asked.

"Kang Zhaoming's side has already launched a grade two automatic cauldron replica into the market. Since we've stopped selling our products, Kang Zhaoming's side is still selling quite well." "Of course, this is just the beginning. There won't be continuous sales in the future, because there's a limit to the number of second realm refiners. According to the practitioner's trade association, there's only about 40 to 50 of them in the entire practitioner world. We've already sold 30, which means that Kang Zhaoming's side will only be able to sell another 30 or so before the market is full. And that's even if some sects buy two to stock up."

"En, let's not care about him for now." Lin Yi knew that Zhaoming and the xuanchen ancestor had to come up with a way to fight back after he took care of them.

"What are we going to do next?" Han Jing Jing asked.

"I've already obtained the energy stones. We can launch the new tier one and two automatic medicinal cauldrons." "But, the energy of the cauldron needs to be replaced by a network connection," Lin Yi said. "Customers aren't allowed to open the cauldron and take out the energy stones without permission. This requires an encryption measure. If the customer opens the cauldron and takes out the energy stones without permission, they'll lose all the maintenance rights of the cauldron."

Lin Yi did this because he didn't want to use the energy stone for something else, like practicing. If he took it out by force, the medicine would lose its maintenance and repair, and he could only do it once. It was impossible to charge the medicine anymore.

If he wanted more energy stones, then he could only continue to spend a high price to buy a new medicinal cauldron. Otherwise, it was impossible to maintain it with energy stones without energy.

Of course, the official exchange price for energy stones wasn't cheap, either. Lin Yi's Jade space could be recharged, but he wasn't a good person. Earning money this way was also an development of the Jade space's function.

"I understand what Lin Yi bro means-this energy stone can only be used as a cauldron's energy source, it can't be used for practicing. If it's found, then we'll cancel its warranty and maintenance rights." Han Jing Jing nodded and said,"actually, this is also very easy to achieve. When the Tier 1 and Tier 2 automatic medicinal cauldrons refine pills, we can also use the server verification method. Every time the server records the remaining energy of the energy stones, if the energy stones do not match the energy of the energy stones recorded previously, the function of the Tier 1 and Tier 2 automatic medicinal cauldrons will be stopped, and their maintenance qualification will be revoked."

"En, just do as you see fit." Lin Yi nodded and took out a large number of energy stones from the Jade space in front of Yushu. Yu Dake and Yu Xiaoke had seen his abilities, but Yushu and han Jingjing didn't know about it yet, so Lin Yi didn't want to hide it from them.

Seeing so many energy stones appear out of thin air in the yard, han Jingjing and Chen Yushu jumped.

"Shield bro, where did you get this energy stone? Oh my God, did you make it appear?" Yushu's eyes went wide as she looked at the energy stone on the ground.

Han Jing Jing was surprised as well, looking at Lin Yi curiously.

"I have a way to store things. It's nothing." Lin Yi said,"Jing Jing, these energy stones are charged. The ones in my car aren't charged. You can take these charged ones for research first, or sell them on the market. I have other things to do here, so I'll be out for a while. I might be back in a few days!"

Lin Yi was a little apologetic. After all, han Jingjing had been waiting for him for a few days, but he just came back and left. But since it involved Yu Ning and Chen Yushu, Lin Yi didn't dare to be slow.

"Shield bro, where are you going now?" "You still haven't told Shu what's so fun about the hakunamarta desert?" Yushu asked.

"Just wait for me to come back ..." Lin Yi sighed.

Chapter 3374 House Yu's Attitude

In fact, Lin Yi could already guess that it wasn't anything good that Yu Tianxing was looking for him. It was about Chen Yushu, and if that was the case, it meant that Chen Yushu wasn't far from here.

Would she be leaving when he came back? If he still had time to tell her about his encounter in the hakunamarta desert, how could he explain it clearly in a few words?

However, Lin Yi couldn't tell this to Yushu. She was a girl with a lot of things on her mind, and Lin Yi wanted her to be happy in her last days at home. He didn't want her to be disturbed by the depression and worry of the future before she left.

This might be Shu's last days in the villa. There were some things Lin Yi could stop, but there were some things he couldn't and couldn't stop! Mengyao and the others had already walked down this path, and so did Yushu ... It was the best choice ...

"Xiaoke, Dake, you two come with me," Lin Yi said.

"Okay, Mr. Lin." Yu Dake didn't mind. Now that he had left the Hidden House you, he would go wherever Lin Yi told him to go. Yu Xiaoke, on the other hand, wanted to be with Lin Yi all the time after knowing that he was the male thief.

Lin Yi sighed helplessly after getting in the car. Yu Dake seemed to have noticed Lin Yi's bad mood, "Mister Lin, did something bad happen in the Hidden House Yu?"

"Maybe!" Lin Yi couldn't be sure, but it was his instinct. He was pretty close.

When he got in the car, Lin Yi put all the energy stones in the back of the car into the Jade space. With the energy stones from before, it was enough for han Jingjing to produce tier one and two automatic cauldrons for turnover sales. These energy stones could be used as substitutes. There was no need to rush to supply them to han Jingjing.

She could give it to han Jingjing after Lin Yi came back.

Yu Dake had been a member of the Hidden House you for a long time and was very familiar with the hidden level. He knew the address of the Hidden House Yu, so he quickly drove to the Hidden House Yu without Lin Yi telling him.

They came to the entrance of the Hidden House Yu, and one of the patrolling disciples wanted to stop them, but he saw Lin Yi in the front passenger seat and backed off immediately!

It was obvious that the Yu disciples knew Lin Yi, and they'd already received hints from the elder Yu Tianxing. It wasn't until Lin Yi drove into the Hidden House Yu's inner yard that one of them came up, but what surprised Lin Yi was that it was Yu Yi, who he'd met once before!

Yu Yi stood in front of Lin Yi's car and greeted respectfully, "Young hero Lin, please get out of the car. The old master has been waiting for you for a long time!"

Lin Yi gestured for Yu Dake to stop the car and got out. He didn't know what he was feeling towards Yu Yi. Last time, Yu Yi did help him out. Perhaps it was because of Chen Yushu, but at least she did help him out, so Lin Yi was still very polite to Yu Yi, "Mr. Yu Yi, please arrange for my friend to meet up with Grandpa Yu."

"Don't worry, Lin shaoxia. I'll make proper arrangements for your friends. We'll hold a banquet to welcome them later!" Yu Yi said with a smile.

Lin Yi nodded, "okay, let's cut the formalities. Let's go see Grandpa Yu."

"Alright, young hero Lin, please follow me!" Yu Yi nodded.

This was the second time Lin Yi came to the Hidden House Yu. The first time was an uninvited guest, and the second time was an invitation. The attitude was different between the two times-the first time was fear, the second time was respect!

Yu Tianxing's residence was at the peak of the mountain. Yu Yi led the way and Lin Yi followed behind. This was Lin Yi's first time on this mountain. The last time he came here, although house Yu respected him, they didn't let him come to such a secret place.

"The spiritual Qi here is not bad, but it's not particularly abundant." Lin Yi followed behind Yu Yi effortlessly, making Yu Yi sigh-things were different now! Yu Yi had seen Lin Yi when he first came to Songshan, but he was only a golden class master at the time, and he didn't even put him in his eyes. To him, Lin Yi was just a bodyguard Chu pengzhan hired from the common world, not even at the level of the noble houses. Why would the Butler of a hidden house pay attention to Lin Yi?

But now, Lin Yi's achievements had completely surpassed the Hidden House Yu 's. It could be said that no one in the Hidden House Yu could challenge Lin Yi, even the Hidden House Yu's backing didn't seem likely to have someone who could challenge Lin Yi ...

"Hehe, you've seen a lot, Mister Lin, but the Hidden House Yu's Qi is the most abundant in the hidden level, of course it's not as good as the ancient level," Yu Yi said with a smile, as if he never wanted to kill Lin Yi.

At Lin Yi's current level, he didn't want to lower himself to Yu Yi's level. After all, house Yu was Yu Ning's home, and Lin Yi didn't want to make things too awkward between them. Plus, he was the one who destroyed the common house Yu in the first place, and it was hard to say who was right and who was wrong.

"I'm just a wandering cultivator. " Lin Yi smiled faintly.

As they spoke, the two arrived at the peak of the mountain. In front of a cave, Yu Yi brought Lin Yi and opened the mechanism without hiding anything from Lin Yi. Of course, if Lin Yi wanted to force his way in, the mechanism couldn't stop him at all!

From Yu Yi's point of view, Lin Yi's strength was already at the peak of the realm-it was better to be generous than to be cautious.

"Yu Yi, you're here?" From inside the cave, elder Yu's voice came, ""Is young hero Lin here?"

"Old master, young hero Lin is here too." Said Yu Yi.

Footsteps came from the cave as soon as Yu Yi finished his sentence. Yu Tianxing walked out with quick steps and smiled at Lin Yi, "Young hero Lin, you're here! You're really giving this old man too much face ..."

"Elder Yu, you're Yu Ning's grandfather, you're being hypocritical. Just tell me what you want to say, you don't have to be so hypocritical. You know my personality." Lin Yi said, shaking his head.

"Alright, please come in, young hero Lin!" Yu Tianxing made an inviting gesture, letting Lin Yi in.

The inside of this mountain cave was even more luxurious and spacious than the Xuanyuan immortal cave in West Star Mountain.

Chapter 3375 Xiaoning Is A Prophet

But this was master Yu's place, not a cave where things were hidden, so Lin Yi didn't feel anything wrong with it. He didn't have the mood to care about these things, and he followed master Yu to a guest room, sitting down on the sofa naturally.

"Yu Yi, go get some tea!" Yu Tianxing said to Yu Yi and sat opposite Lin Yi, "Lin shaoxia, I asked you to come here to get your support ..."

"My support? What do you mean by that?" Lin Yi blinked, not understanding what Yu Tianxing meant.

"Before, I didn't agree to you and Yu Ning's relationship. In fact, it wasn't because I hated the conflict between us, I had my own difficulties ..." Yu Tianxing sighed, ""To be honest, Yu Ning is a water inheritor ..."

"What?" Lin Yi's eyes went wide as he stood up from the sofa. He knew that Yu Tianxing was looking for him because of the inheritor, but that was about Chen Yushu, not Yu Ning! Yu Ning was also an inheritor? And a Water-type inheritor at that?

"Lin shaoxia, I didn't mean to hide it from you. It's just that we're hiding the background of house Yu, and I'm not allowed to tell you ..." Yu Tianxing had no other choice. He couldn't offend the five elements sect, but Lin Yi was someone he couldn't offend!

Before this, Yu Tianxing was still hoping that the five elements sect would help him take care of Lin Yi's problem, but now that the five elements sect had kept their silence, what could he do?

It was the hardest to survive in the middle, and he could only choose to compromise and not offend anyone. He hoped that Lin Yi would forgive him!

"It's patriarch xuanchen from the five elements sect." Yu Tianxing quickly revealed his background, "The Hidden House Yu, being able to call the shots in the hidden level, becoming the leader of the hidden houses, and suppressing the alchemy houses, the Hidden House you, is actually because we have the

five elements sect behind us. Without the five elements sect's support, our hidden house Yu wouldn't have the strength we have now!"

"Five elements sect?" Lin Yi was a little surprised-no wonder the Hidden House you couldn't beat the Hidden House Yu. Even with the sky elixir sect's support, they weren't the Hidden House Yu's match. It seemed like the Hidden House Yu had even more powerful support! "But, I heard that the Hidden House Yu, which is your father and master Yu, found an ancient ruin and got some inheritance from it, that's why the Hidden House Yu is where it is now, right?"

"I made that up! What ancient ruins? how can ancient ruins be so easy to find?" "There are so many ancient noble houses that haven't found an ancient ruin to station themselves in," Yu Tianxing said with a bitter smile. "Do you think we can?" This is just a cover up. "

"So, because of the five elements sect, and because Yu Ning is the inheritor, you rejected me and her?" Lin Yi quickly realized that he was now the five elements sect's enemy.

"Not bad, young hero Lin is wise." Yu Tianxing nodded and said,"you should know that the inheritor must be a Virgin. I was afraid that there would be an accident, so I couldn't allow you to be with ning. However, the five elements sect didn't allow me to disclose the news that Yu Ning is an inheritor. I had to reject you last time. I hope you don't mind ..."

"I know that. I understand your difficulties." Lin Yi nodded slightly, forgiving Yu Tianxing for hiding the truth from him. After all, Rock Candy took this matter very seriously,"Then, why are you telling me the truth now?"

"Ahem!" Yu Tianxing coughed and blushed."Lin shaoxia, I'm in a bad position right now. Although the five elements sect has many restrictions on me, I can't afford to offend Lin shaoxia! Even ancestor

xuanchen doesn't dare to do anything to you now. If I hide anything from you, we'll be doomed when we're out of luck and have no one to back us up!"

"Patriarch xuanchen has dealt with me, but you just don't know. He just sent little one to kill me a few days ago." Lin Yi said with a smile.

"Uh ... What happened after that?" Yu Tianxing was taken aback. He did not know about this. It turned out that patriarch xuanchen did not ignore him. Instead, he had secretly taken action.

"Small one is dead." Lin Yi said.

"Pfft ..." Yu Tianxing was dumbfounded. Small one was dead? He subconsciously thought that small one was killed by Lin Yi! Because, other than Lin Yi, who else would help? When he thought of this, he was even more excited about the wise decision he had made! If he didn't please Lin Yi today and just sent Yu Ning and Yu Shu away, then Lin Yi would definitely blow up the temple, right? By then, the Hidden House Yu wouldn't even be enough for him to tear down.

"Let's talk business. " Lin Yi said with a wave of his hand, not wanting to dwell on it.

"Alright," he said. Yu Tianxing nodded, "as the inheritor, Xiaoning has to go to the endless West Sea to receive the water inheritance. It's already been arranged there. There'll be a master from the Tantra sect who'll give up all his strength to help Xiaoning with the head empowerment. She'll be forced to become Sky Class late phase peak ..."

"A tantra expert? Is there any danger?" Lin Yi blinked-he didn't think there'd be a skill like this that could level someone up. But thinking about it, how different was this from the art of Dragon mastery in the Jade space?

However, that person would lose his strength after the empowerment, but he still had it! It shouldn't be too dangerous, and so Lin Yi didn't get too excited.

"There's no danger. Even if there is, it's the other party. Xiaoning won't cause any trouble. The five elements sect values Xiaoning very much. They won't let anything happen to her!" "However, there's a flaw as well," Yu Tianxing said."Xiaoning received the purest form of pure energy for her upgrade. The end result is similar to the Qi-gathering pill. She can't adapt to the spiritual energy of the world to upgrade herself ..."

"I see ..." Lin Yi thought about it and asked,""Then, will it affect my advancement to the heavenly Dao?"

"There might be, because it's unknown. No one knows what the conditions are, but no one is willing to take the risk ..." Yu Tianxing said."If it's possible to cultivate on my own, I wouldn't have taken the Qi gathering pill."

"Then why can't Xiaoning cultivate on her own?" Lin Yi asked after some thought.

"Ning's mission is different from that of an ordinary inheritor. She played an important role in the plan." Yu Tianxing laughed bitterly, "That's the clairvoyant. We have to predict when the Sky Class Island will open, and then we can break out of it together. If there's a deviation in time, it'll seriously affect the plan! If we use it at the wrong time, our physical strength will be insufficient later on, and we won't be able to start the plan ..."

Chapter 3376 Yu Ning And Yu Shu

"What's the relationship between that and enlightenment?" Lin Yi didn't expect Yu Ning to be a prophet ... Did she have a talent in this area? Lin Yi would have believed that Yushu was a clairvoyant, since many of her predictions had come true.

"Yes, a prophet has the body's own talent, but that's just a feeling. He can't predict anything on purpose. The Tantra Master can activate and activate the talent in Xiaoning's body through enlightenment, which can't be done by self-cultivation, so he can only choose enlightenment to improve his strength." "Of course, it doesn't mean that you can't reach the level of the heavenly Dao with the abhisheka," Yu Tianxing said. "It's still unknown, so I hope that young hero Lin can agree to this request ..."

"Hehe, this request is not too much. I have no reason to refuse." Lin Yi shook his head. Yu Ning's situation was similar to the women and followers around Lin Yi. Lin Yi would eventually find a solution. Yu Ning's presence did not matter! These were the side effects of Lin Yi's level up, so he had to get rid of them.

"Ah? I didn't expect young hero Lin to be so open-minded. I'm relieved. Do you agree to let ning go to the endless West Sea?" Yu Tianxing hurriedly asked.

"Yes, I agree." Lin Yi nodded, his face serious. "Now, should we talk about Shu? I heard that you've imprisoned Shu's parents? And then you forced her to do something she didn't want to do? For example, trying to harm me? I can let bygones be bygones for the assassination attempt, but can you let her parents go?"

"Shu ..." Yu Tianxing suddenly sighed, his face filled with shame and desolation.

"Hmm?" Lin Yi frowned when he heard Yu Tianxing say "Shu" without saying anything. "Could it be that you don't want to let him go, Yu Tianxing?"

Lin Yi had changed the way he called elder Yu to his full name, which showed the anger he was feeling inside. He pitied Shu's tragic life, and he'd always kept it in mind-he was looking for a suitable time to lay his cards on the table with house Yu!

This time, house Yu's invitation was a great opportunity. As far as Lin Yi was concerned, with his current strength, there was no way Yu Tianxing would reject him. He didn't expect Yu Tianxing to be so hesitant, which made Lin Yi furious!

"Well ... Before we talk about this, there's something I don't want to hide anymore-I've been hiding it for too long, and it's putting a lot of pressure on me. All these years, other than Yu Yi and Chen, no one else in house Yu knew about it, not even Ning herself ..." Yu Tianxing's tone was heavy."But today, I'll tell you everything ... I hope you can understand my difficulties after listening to me!"

"What do you mean by this? Whether you release him or not, it's just a matter of a word. " Lin Yi's face was a bit cold. His Sky Class mid phase peak strength was suddenly revealed, and this gave Yu Tianxing an invisible pressure. Although Lin Yi wouldn't attack directly, after all, it was Yu Ning's face, but Lin Yi had to let Yu Tianxing know that he, Lin Yi, didn't have any temper just because Yu Ning was here!

"Lin shaoxia, listen to me first ..." Yu Tianxing sighed helplessly."Actually ... I didn't imprison Shu's parents ..."

"What? What about her parents? Could it be that you've already killed him?" Lin Yi's killing intent exploded.

"Her parents are still alive and well ..." Yu Tianxing smiled bitterly. "Not only are her parents fine, but her grandfather is also alive and well ..."

"Hmm?" Lin Yi blinked.

"Because ... Her grandfather is me!" Yu Tianxing let out a long sigh of relief, as if he had finally released all the pent-up emotions that he had been suppressing for years.

"What ... What?" Lin Yi's eyes were wide open as he looked at Yu Tianxing. "You're saying that Shu's your granddaughter?"

"That's right, her father is my son, Yu Xiaochen, and Yu Ning is her twin sister ..." Yu Tianxing nodded.

"Yuning, it's SHU's sister?!" Lin Yi froze as he looked at Yu Tianxing, speechless ...

Twin eggs-no wonder they didn't look so similar. Lin Yi had always overlooked this, but now that he thought about it, Ning and Shu did have some similarities ...

"Chen Yushu, her real name is actually Yushu. The Chen surname is just a cover up ..." Yu Tianxing continued slowly, "Actually, the common Chen family also knows about this. It's just that I've warned the common Chen family's old grandfather not to tell anyone!"

Yushu? Lin Yi understood-no wonder the "Yu" in Yushu's name was different from the "Yu" in Yutian's name. He thought it was because of the difference in gender, but it didn't seem to be the case! As for the correct pronunciation, it was just a coincidence.

"Then, what's with Shu's engagement?" Lin Yi continued.

"It's all made up. The person she's engaged to is the young master of the heavenly elixir sect, the heavenly silkworm transformation. It's all secretly arranged by the five elements sect, and only old master Chen knows about this." "The reason for this is probably because the inheritor can't lose his virginity. I don't want Yushu to get into a relationship too early ..." Yu Tianxing said.

"But, I don't understand-if Shu's from house Yu, why would you put her in the common world? And even forced her?" Lin Yi didn't understand. Yu Tianxing's words seemed to make sense, but Lin Yi still felt that there was something suspicious.

"Yu Ning is water, Yu Shu is fire. The inheritors of water and fire can't be together before receiving the inheritance. If they meet often, the water and fire will cancel each other out, and their bodies will change." "You should've heard that fire and water can't get along. We didn't tell Yushu the truth because we were afraid that she'd secretly meet with Yuning. If the two of them met, then everything we've planned would be for naught," Yu Tianxing said.

"Fire and water are incompatible? The five elements counter each other?" "If that's the case, then there should be some problems with the inheritors of Fire and Ice as well, right?" Lin Yi frowned.

"Not really, because Yu Ning and Yu Shu are twin sisters, they have a special kind of resonance, that's why water and fire counter each other. Other inheritors don't have this kind of situation." Yu Tianxing explained with a wave of his hand.

Chapter 3377 House Yu Banquet

"Oh?" Lin Yi blinked, not expecting that.

"This is also the tragedy of two inheritors appearing together. When we were young, ning wasn't in good health, and Shu was very healthy, so we could only choose to send her away ... Speaking of which, she's also a child with a hard life, and we didn't dare to tell her the truth ... If it wasn't for the fact that we had no choice now, I'd probably keep this secret forever! I wonder how much Shu will hate us after she finds out the truth. "

"So it's like this!" Lin Yi nodded, "Shu's a reasonable kid. She's always crazy, but that's not the case. If she knew that she's making sacrifices for her sister, she would understand!"

"I hope so. I hope young hero Lin can help explain ..." Yu Tianxing nodded his head in relief. "The other thing is that Yushu's going to the fiery mountain for the inheritance as well. I'm sure she told you about it, but she'll face the same fate as Xiaoning-a Tantra Master will be there to help her!"

"Why?" Lin Yi asked.

"Because Shu and ning are both diviners. After they receive the inheritance, they'll be able to connect their minds. In other words, they'll be able to share each other's thoughts and achieve precise calculations." Yu Tianxing said.

"What the hell!" Lin Yi jumped. Sharing thoughts like that? Then what would Yu Ning and Yu Shu's personalities become? Would they affect each other? Plus, these two were thinking the same thing ... So what was their relationship with Lin Yi?

Could it be that when he did it with one of them in the future, the other person would also be able to sense each other's thoughts? Isn't this too much? Lin Yi was speechless.

"Ahem ... There's nothing we can do about that." Yu Tianxing coughed dryly. "But it's a good thing that they both like you. There won't be any major conflicts of opinion in the future. It shouldn't be a big problem ..."

"..." Lin Yi was speechless at Yu Tianxing's words. He didn't know how to answer and changed the topic, ""You were looking for me ... Just for these two matters?"

"That's right, Lin shaoxia, since you've agreed, you'll be the most respected guest of our hidden house Yu. As for Shu, I hope you can help persuade her to go to the fiery mountain with all her heart!" Yu Tianxing said.

"Let's not talk about the guests. Since I'm here, I'll see ning. This might be the last time I'll see her before she leaves ..." Lin Yi sighed.

"Alright, I'll make the arrangements. No one will disturb you tonight! "However, you should know the importance of being an inheritor. I won't interfere with your kissing and cuddling, but you must remember to have a limit ..." Yu Tianxing instructed.

"Man ... You're thinking too much, our relationship is very pure ..." Lin Yi didn't know whether to laugh or cry.

That night, Yu Tianxing set up a banquet in the Hidden House Yu's biggest living room to welcome Lin Yi's arrival. However, other than Yu Yi and Yu Xiaochen who understood Yu Tianxing's intentions,

everyone else was confused. Didn't Yu Tianxing and Lin Yi not get along well before? Why did they suddenly have a meal together?

Yu Ning didn't know that Lin Yi would come today. As usual, she was learning some of the rules of the endless western sea. At this moment, she knew her mission and what she was carrying. Although she was very confused about the future, she had no choice.

She now knew why house Yu had these past few decades of glory, and she knew what it would mean if she rejected it. Of course, she couldn't reject it-she carried the hope of everyone in house Yu, and she finally knew why her Grandpa was so wary of her and Lin Yi. She also knew what her Grandpa was worried about.

These days, Yu Ning was a bit depressed. She didn't know if she could see Lin Yi again before she left, and she didn't know if she would have a chance to survive and come back to see Lin Yi.

Today, Yu Ning was informed that there was an important party at home, and the whole family had to attend. Of course, the so-called whole family was Yu Tianxing, Yu Yi, Yu Xiaochen, and Yu Ning!

As for Yu xiaozhong and Yu Shan, they'd already been blacklisted by Yu Tianxing, and he wouldn't ever mention them again.

Yu Ning just left the living room and came to the living room, but when Yu Ning stepped into the living room, she casually glanced and saw Lin Yi's figure. Her small mouth suddenly opened slightly, looking at the person sitting in the guest's main seat in disbelief!

Yu Ning looked at her grandfather sitting in the master's seat in shock, a little confused!

Of course, in the past, Yu Tianxing would always be the last to arrive because of his status and strength. But today was different, Lin Yi was already seated, and he couldn't show his superiority in front of Lin Yi, so he accompanied Lin Yi to his seat. Yu Ning, on the other hand, was further away, so she was the last to come in.

However, no one dared to scold her, for no other reason than the fact that Lin Yi was sitting there! If Lin Yi didn't open his mouth, who would?

"Ning, you're here. Sit beside me." Lin Yi smiled and waved at Yu Ning. There was no room for people to sit next to Lin Yi, but he made an exception and gave Yu Ning a chair. Of course, Lin Yi was the boss here, so whatever he said was the law.

"En ..." Yu Ning replied shyly. Seeing that her grandfather and father didn't object, and Yu Yi even got a chair for her, Yu Ning quickly sat down beside Lin Yi, but her face was a little strange. She didn't know what house Yu was doing today.

"Young hero Lin, why don't you say a few words?" Yu Tianxing said to Lin Yi after everyone was seated, showing his respect.

"I won't say it, but elder Yu, you're the host, you can say it." Lin Yi waved his hand.

"Alright, then." Yu Tianxing nodded, "I'm sure you're all familiar with Lin shaoxia-he's a top-tier practitioner in the world of practitioners, and the Savior of our hidden house Yu. He saved ning when she was kidnapped last time, and he protected her when she went abroad for training. You can say that they were destined to be together a long time ago!"

"Yeah, if ning wasn't an inheritor, I would have supported her and Lin shaoxia to be together. But ning's identity is special, I hope Lin shaoxia can understand." Xiaochen nodded in agreement-it was obvious that Yu Tianxing had already discussed this with him.

Chapter 3378 Preparation For The Heaven Class Trial

Yu Ning's mother was a beautiful woman, and what surprised Lin Yi was that Yu Ning looked very similar to Chen Yushu. It seemed that Yu Tianxing wasn't lying to him. Yu Ning, on the other hand, didn't look like her mother at all. If he looked closely, he could see that she looked like Yu Xiaochen and Yu Xiaojin.

Of course, Xiaochen was also handsome when he was young, and if Xiaojin didn't marry the wrong man, she would be here as well.

"Grandfather ..." Yu Ning was a little embarrassed.

Lin Yi didn't hide anything. Since Yu Tianxing had invited him here today, it meant that he had officially accepted him, so Lin Yi held Yu Ning's little hand ... This feeling made Lin Yi's heart beat faster, as if he had returned to that Valentine's Day night ...

The bonfire, the cave, the beasts outside ... A beautiful girl sitting by the fire, telling him her heart ... Everything came to Lin Yi's mind, as if it was a lifetime ago.

This time, they held hands and would never let go in this life. What they had missed in the past, they would not miss it again in the future!

"Ning, accept the inheritance in peace. For you, for Shu, Yaoyao, and Xiaoxiao, I'll be a part of the plan. No one can stop me." Lin Yi said seriously.

Chen Yushu, Chu Mengyao, and Feng Xiaoxiao's names, Yu Ning had heard Yu Bing mention them before. She knew that they were all Lin Yi's close female friends, so at this time, she wasn't jealous, she was only touched by Lin Yi's responsibility.

Of course, the reason why Yu Ning didn't reject her becoming an inheritor was because of these people. Lin Yi wouldn't give up on them, and similarly, Lin Yi wouldn't give up on her! However, because of house Yu, he didn't have a serious promise.

Today, Lin Yi promised, Yu Ning was also at ease. This time, no matter how many obstacles and thorns there were in front of her, she would face them with a smile!

At night.

In a cave behind house Yu's Mountain, Lin Yi took Yu Ning and started a bonfire.

The back mountain was the Hidden House Yu's forbidden area, and no one from house Yu, including Yu Yi and Yu Xiaochen, dared to stay there for no reason. However, Yu Tianxing ignored Lin Yi and Yu Ning's actions ...

That night, Yu Ning and Lin Yi quietly sat side by side at the entrance of the cave, looking at the burning bonfire in front of them. Although there were no wild beasts here, and there was no worry of war, but the two people's memories seemed to have returned to the past.

Yu Ning leaned her head on Lin Yi's shoulder. The two of them, snuggled up to each other, the thousands of words in their hearts were hidden in this long night ...

Lin Yi and Yu Ning, the two of them, communicated with each other through their hearts, as if they both knew what to say to each other. They didn't need to say anything, but they could feel each other's deep care ...

The next morning, Lin Yi said goodbye to Yu Ning and Yu Tianxing, and left the Hidden House Yu with Yu Xiaoke and Yu Dake.

Yu Ning, it's time to go.

Lin Yi needed to get home as soon as possible and talk to Shu, because after Yu Ning, it would be her!

.....

Kang Zhaoming didn't find little one's body in the end. He drove back to the five elements sect alone and immediately met with patriarch xuanchen.

"Zhaoming, you're back? Did you find little one's body?" The xuanchen ancestor looked at Zhaoming.

"No..." Kang Zhaoming shook his head. He also felt that it was quite scary. The body of a living person just disappeared like that? Wasn't that a little unrealistic? But so what if it was unrealistic?

"Then what's going on ..." Ancestor xuanchen frowned. Small one's soul Jade tablet only cracked but did not shatter. What did this mean? Could it be that there were still some uncertain factors in this?

"Father-in-law, I don't know ..." Zhaoming smiled bitterly, ""Anyway, it's so weird. If you didn't call me, I wouldn't have known that eldest senior brother's body was lost."

"Forget it. Let's not talk about this for now. Perhaps there was an accident." The xuanchen ancestor's scalp was a little numb, but he was a top-tier practitioner after all, so he could control his emotions well. He looked at Zhaoming and said, "You told me before that Lin Yi didn't have the strength to kill Sky Class late phase peak?"

"That should be the case. Otherwise, he wouldn't have asked the Paoli clan to help him. He would owe them such a huge favor!" Kang Zhaoming nodded.

"If that's the case ... This is a chance to kill Lin Yi!" Patriarch xuanchen clicked his tongue and pondered for a moment before saying, ""Right now, we can't do anything to Lin Yi-boss Bai's watching over him, and we're about to start the Sky Class Island Plan! I don't want to cause any more trouble! This time, we're borrowing the power of the Paoli clan, and we've also suffered losses. Perhaps boss Bai won't blame us, but if we were to attack him directly, I can't guarantee that he won't do anything in his desperation!"

"But, if we let Lin Yi go on like this, we might not even be able to carry out our Sky Class Island Plan!" Zhaoming knew a little about the Sky Class Island Plan from the xuanchen elder. "Most of those inheritors are Lin Yi's women. If he objects, all our efforts will go down the drain!"

"That's true ..." Patriarch xuanchen closed his eyes. A moment later, he opened them again, and a ray of light shot out. "It looks like the sky Class competition is our only chance to get rid of Lin Yi!"

"Father-in-law, is the five elements sect going to hold a trial?" Kang Zhaoming was shocked and asked.

"That's right, the five elements sect hasn't held a test in a long time. We should take advantage of the Tianjie Island Plan to hold one and kill Lin Yi here!" "Yes." Patriarch xuanchen nodded. "We can't pursue the deaths and injuries in the trial. Even if boss Bai is unwilling, there's nothing we can do!"

"But, who are we going to send to kill Lin Yi this time?" Kang Zhaoming asked.

"I'm preparing to let Xiao' er and the heavenly silkworm transformation work together to kill Lin Yi! I don't believe that two Sky Class late phase peak Masters can't beat Lin Yi in a two-on-one fight!" Patriarch xuanchen sneered and said, "Zhaoming, you should go train. You'll be participating in the heaven class test as well, and you'll need to experience it, but you have to be careful."

"Ugh ... But with my strength, what can a Sky Class mid phase refiner do to protect myself? "Don't go and never come back, that little eleven ..." Zhaoming jumped-the test was definitely fun, but it wasn't worth losing his life for fun.

Chapter 3379 Puppet Clone

"Don't worry, I've already talked to professor Benjamin the second-his and miss Lan's experiment is over, and he'll send house Zhao's Masters to be your bodyguards. These Masters are all Sky Class late phase peak, so you don't have to worry about your safety!" Said patriarch xuanchen.

"No way? Is it that awesome?" Zhaoming was overjoyed-three top-class Masters! However, he was a little confused,"since these people are so strong, why don't you let them kill Lin Yi?" Wouldn't that be easier?"

"The three of them have just completed their training, and they're still inexperienced. They're still not used to being Sky Class late phase peak. I'm afraid they'll be at a disadvantage if they go after Lin Yi. After all, Lin Yi's a cunning guy with some hidden cards up his sleeve. It's better to let the experienced Xiao er and heavenly silkworm transformation do it!" "Also, although these people from house Zhao have a grudge against Lin Yi, they're ultimately on miss Lan's side. Miss LAN didn't mention this, so we can't make our own decision!" Ancestor xuanchen said.

"If that's the case, then I'll be able to have some fun!" Kang Zhaoming nodded happily.

"We'll investigate small one's case further. How could a living person be gone just like that? Are you sure it's not Lin Yi?" Patriarch xuanchen was still concerned about small one.

"I don't think so. I left first, and Lin Yi left after me. When I left, there were dead bodies in the car. Besides, what's the point of Lin Yi going to a dead person?" Zhaoming said, shaking his head.

"That's true. However, I can't feel at ease until I find small one's body. Is there someone else hiding in the dark? "I don't believe in the existence of supernatural things ..." Ancestor xuanchen said.

"Then I'll investigate further." Zhaoming said, but he didn't take it to heart. As far as he was concerned, he was already dead, so who cared where his body went?

"Okay, but be careful." Zhaoming's heart warmed at the words of the xuanchen ancestor. It seemed like the xuanchen ancestor still cared about him.

.....

Lin Yi, along with Yu Dake and Yu Xiaoke, left the Hidden House Yu and returned to Eastern Sea city.

On the way, Lin Yi didn't seem to be in a good mood, his eyes closed as he pondered. Yu Dake could tell that Lin Yi wasn't in a good mood, so he didn't dare to ask. Yu Xiaoke, on the other hand, was a little unhappy. It was obvious that Lin Yi had an affair with Yu Ning from the Hidden House Yu. It could be seen from her eyes when she sent them off. Although Yu Xiaoke didn't say it, she was definitely not happy to see a girl appear out of nowhere.

But, it was only for a while-she knew where she stood, and she was glad that the "male thief" only liked her, and that was enough.

Yu Xiaoke's love for Lin Yi was still stuck in the tomb, on that gentle and caring male thief.

"I'm going to cultivate for a while. Call me if you need anything. " Lin Yi finally opened his mouth to speak. He had been too busy recently and couldn't calm down to cultivate properly. It had been a long time. Now, the inheritor's plan wasn't far away. Lin Yi had to raise his strength to another level as soon as possible. Otherwise, he wouldn't be able to deal with the unknown dangers in the future!

Yu Ning, Yu Shu, Chu Mengyao, Feng Xiaoxiao, little nine, these people needed Lin Yi to protect them, to protect their safety. Lin Yi needed to have the strength to look down on everyone, only then could he have absolute authority in the plan!

After entering the Jade space, Lin Yi was about to start practicing when he suddenly saw a corner of the space. He was so shocked that he almost cried out! It was a good thing they were in the Jade space, otherwise Yu Xiaoke and Yu Dake would be shocked.

"F * ck, elder Jiao, what are you doing? What the hell is this?" Lin Yi pointed at the corner of the Jade space. "Isn't this small one's corpse? Why are you in my space?"

Lin Yi wasn't afraid of dead people, but his Qiu family's body appearing in the Jade space out of nowhere still made him a little unsettled.

"It wasn't me, it was that guy who got it in." Elder Jiao said as he pointed at the ghostly thing in the corner.

"Senior ghost, you're awake?" Lin Yi asked after a pause.

"Yes, I'm awake. This corpse isn't bad-it's a Sky Class late phase peak full master, a bit stronger than normal full Masters. I'll make him into my puppet for fun for now-I've recovered quite a bit of my soul power here, too. The Qi of the world here is really abundant, haha!" "Hahahaha!" The demonic thing suddenly laughed. "Speaking of which, I have to thank you for giving me such a good toy!"

"A puppet clone?" Lin Yi blinked, not quite understanding what the thing was saying. "You brought this corpse in? How can you control the Jade space?"

"Haha, I'm like half an owner of the Jade space. If you can bring things in, I can too. You can ask elder Jiao, he can too!" "Of course, it's all thanks to the Jade space you created," the demonic thing laughed. "If you didn't create the Jade space, I wouldn't have been able to bring the body in."

"So that's how it is ..." Lin Yi shuddered. Luckily, he wasn't afraid of these things. Otherwise, he'd be scared to death! "Then are you done? What's the use of creating this so-called puppet clone?"

"Actually, it's not that useful. I just put a trace of my primordial spirit power into this corpse and turned it into my puppet avatar, which can move freely in the outside world. Of course, for me, my strength is still a bit low, so I'll just take it as I'm bored and want to go out and play!" "It's like another me," the demonic thing said. "I can be controlled by the me in the Jade space!"

"Oh? In other words, he's the same as a Sky Class late phase Peak Master when he's out of the Jade space, and he's being controlled by you, senior?" Lin Yi was pleasantly surprised. This ... Didn't this mean that he had an extra helper?

But, after the excitement, Lin Yi calmed down. This was a powerful fighter, but would a ghost be willing to work for him? He had ignored her when she had asked him for help a few times before. This time, he was probably even more unwilling to let his clone go out and be a hired thug, right?

"Yes, you can understand it that way!" The ghastly thing nodded and said with certainty.

Chapter 3380 Super Fighter

"Then ... Senior, can you send this puppet to help me?" "For example, when I'm in danger?" Lin Yi asked after some thought.

"Oh, sure." The damn thing didn't hesitate this time and agreed without thinking. This surprised Lin Yi, he thought he heard wrong!

"Senior ghost, did you just say you can?" Lin Yi asked in disbelief.

"That's right ..." The ghastly thing laughed and said, "Don't be surprised. In fact, I still need your help when I enter and leave the Jade space. Although I can control it, it will consume a lot of my primordial spirit power. I don't want to use my primordial spirit power in this place, so I will need your help!"

"Oh? However, if I help, won't this puppet clone enter another space? The one I made?" Lin Yi was referring to the space he used to store his stuff.

"That won't happen. This puppet clone has its own thoughts, and it keeps my thoughts. It will automatically choose the space it needs and won't enter the space next to it." The ghastly thing explained.

"I see!" "So this thing, is it Dead or Alive?" Lin Yi asked. How can he enter the space while other living things can 't?"

"Other things are possible too, but there's no air here and we can't breathe ..." Elder Jiao suddenly interrupted the ghost.

"Cough cough!" Elder Jiao coughed.

"Haha, I'll stop. Elder Jiao doesn't want me to tell you ..." The damn thing quickly stopped talking. It was obvious that the two of them talked when Lin Yi wasn't in the space, and Lin Yi was pissed off about it. It was obvious that they were hiding it from him.

"This puppet clone of his is not a living person. Of course, it can't be called a dead person either. It can only be called a Living Dead person. It doesn't need to breathe. It only needs to absorb the spiritual Qi of heaven and earth to replenish its physical strength and true Qi. As for its thoughts, they are under the control of the old ghost." "Other living people can't come in for now," elder Jiao explained.

"Alright," he said. Lin Yi could tell that it was temporary-did that mean he'd be able to come in in the future? But Lin Yi didn't want to ask anymore-he'd probably lose his memory if he did.

Plus, having a Sky Class late phase peak puppet to help him was already a very good thing. It seemed like he had gained a lot from this trip.

"If there were more Sky Class late phase peak corpses, would you be able to keep making more clones?" Lin Yi asked.

"I can, but it'll use up a lot of my spirit power-it's boring, and I'm only playing around with him because he's stronger than the others. The others are too weak, I'm not interested in them at all." "You're quite suitable," the ghastly thing said, "why don't I refine you?"

"Forget it then ..." Lin Yi knew that the thing was joking, but he still couldn't help but shiver. If he wanted to lay a hand on her, he would have done so long ago. He wouldn't have said it now. He was obviously trying to scare her.

"Hehe, I'll continue to sleep. My puppet clone is always awake. If you need anything, you can look for him!" After the ghastly thing finished speaking, there was no more movement.

"Senior ghost, you're dormant?" Lin Yi tried to ask.

"Yes," The clone suddenly spoke, giving Lin Yi a shock-it sounded exactly like little one!

"Uh, okay, you can go back to your work ..." Lin Yi felt weird. Having a small one in the Jade space made him feel really awkward! No wonder Zhaoming was looking everywhere for the body-it was brought here by some ghostly thing.

Lin Yi crossed his legs and started practicing. The car sped on the road, and it was already midnight when they arrived at Donghai city. The sound of the car still woke Yushu up from her sleep. Han Jingjing had already returned to her villa to do her experiments. The girl couldn't hear anything from the outside world when she was busy.

"Shield bro, you're back?" Chen Yushu's face looked Haggard, and Lin Yi's heart ached. Perhaps she had already heard from Yu Yi that she was going to the fiery mountain.

"Shu, let's talk inside," Lin Yi rubbed her forehead. "You didn't seem to rest before?"

"Yeah, I have something to tell you ... Before this, Yu Yi called me ..." Shu was a little down.

"I know, the place I went to before was the Hidden House Yu. Yu Tianxing, elder Yu, told me everything about you." "About the Huoyan Mountain, right?" Lin Yi asked.

"En ... I'm leaving, in a few days." Yushu sighed, "I knew this day would come, but I didn't think it'd come so soon. Yaoyao sis left, and so did I. Xinyan sis even fainted, I'm really worried about our family ... Lin Yi bro, don't think I look stupid, I'm actually ..."

"En, I know, but don't worry. After you go, it won't be long before I come to find you. I will participate in the plan and won't let anyone hurt you! I definitely won't." Lin Yi nodded seriously.

"Yes, I believe you. Shield bro will be very powerful then. Don't forget that I'm Prophet Shu ..." Chen Yushu smiled and clenched her fist.

"Prophet Shu ..." Lin Yi suddenly remembered Yu Tianxing's words. No wonder Shu's words always came true. He thought it was a coincidence, but it wasn't. It was Shu's innate talent!

However, her words gave Lin Yi more confidence in his future plan. If Shu really predicted that the future wouldn't go well, she would stop it at all costs, right?

Or maybe she didn't predict anything, and her words were just to comfort Lin Yi. No matter what, Lin Yi was full of courage and confidence now.

In the living room, Yu Dake and Yu Xiaoke were sitting on the sofa. Lin Yi didn't want to hide anything from them. Ever since he found out about Yu Xiaoke's ability, he planned to train her to be his most powerful assistant in battle. Yu Xiaoke's ability could save lives in critical moments!

Especially when Lin Yi used up all his strength and Qi to use his ultimate skill. As long as Yu Xiaowu could hold on for a while, Lin Yi would have a chance to recover!

"Eh? What's wrong?" Chen Yushu heard Lin Yi calling her and looked at him suspiciously.
