

## Bodyguard 3461

### Chapter 3461 Waiting For The Door

"Mm ... Not bad!" Kun-cun thought to himself-if Piao huotai wasn't your disciple and was just a normal disciple, it wouldn't be impossible for Lin Yi to come up with a good deal!

After settling er goudan and Yu Yuanyuan down, Lin Yi called er goudan to his room alone. He was going to tell him about the kun inch, but he didn't want Yu Yuanyuan to get involved. It was better not to tell her about the battle of the world of cultivation.

"Boss, what's the matter?" Goudan asked as he walked in. He could already feel that Lin Yi had something to do in Southeast Asia, but Lin Yi didn't say it, and he didn't ask on the way.

"En, it's like this, my classmate was captured by the youmiao faction ..." Lin Yi explained Bai Weitao's incident, as well as his grudges with Piao huotai ...

"Boss Lin Yi, what's the difference between this Piao huotai and fighter li? If I were him, I would also kill him with one punch!" Goudan was furious-that fighter li had tried to take Yuanyuan by force!

"Tonight, he might come to find me. When that time comes, don't be impulsive. Find an opportunity and do something underhanded, understand? With your current physical strength, you can only use it three times, so don't use it rashly. Save as much as you can, understand?" Lin Yi ordered.

"Don't worry, boss, I know!" Goudan nodded,"I won't do anything stupid-I still want to play with Yuanyuan!" If he's sick, he'll have to go back directly!"

Lin Yi nodded and started talking about other things. Yuanyuan knew that Goudan had something to say to Lin Yi, and so she went to sleep first.

At night.

Just as Lin Yi had guessed, Kun-cun brought PU Nimei to the sapling hotel. With PU Nimei's impatient personality, she couldn't wait any longer.

"They're here!" Lin Yi's face changed as he spoke.

Lin Yi's super-strong spiritual sense told him that Kun-cun and PU Nimei were coming. He wasn't sure if one of them was Kun-cun, but he could tell that they weren't holding him in a friendly manner!

"Boss, I'm ready. It's just a sneak attack!" Goudan had learned to be more tactful as well—he was always getting bullied by Yuanyuan for being too stupid, so he had to be smarter.

"Yeah." Lin Yi nodded and sat on the sofa, waiting.

Sure enough, it didn't take long before there was an urgent knock on the door!

"You should have a room card for your own hotel, right? Open the door yourself, I'm quite tired. " Lin Yi said faintly.

"Hmm?" Kun-cun froze, not expecting Lin Yi to say that! Out of courtesy, he knocked on the door, but Lin Yi was still so shameless! He was a little angry and really wanted to kick the door to pieces, but after thinking about it, this hotel belonged to his family. If he kicked the door to pieces, he would have to pay for it to be repaired, so kun cun tolerated it!

However, when he and PU Nimei went upstairs, they didn't consider this problem at all. They didn't have a room card either! He was the sect master of the right Miaomiao sect. It was unrealistic that he would not carry a room card with him as he walked around!

"I didn't bring my room card. Open it." Kun-cun said, suppressing his anger.

"Then you can kick it open yourself. You're a cultivator anyway, so it's easy for you." Lin Yi said indifferently.

"You ... Very well!" Kun-cun took a deep breath. He knew that Lin Yi was messing with him on purpose, but even so, there was nothing he could do. He'd have to think of a way to get back at Lin Yi even more ruthlessly.

PU Nimei, on the other hand, was a little anxious. She said to kun-cun, "Sect master kun, why don't we break in? It's just a door ..."

"Breaking in is a small matter, but ... This is a five-star hotel. If other guests see this, and some nosy guests take photos and post it on the internet, our hotel's reputation will be ruined." "Forget it, let the waiter bring the key up," kun-cun waved his hand.

PU Nimei also agreed with kun-cun's words. After all, this was the foundation of their sect's survival! Although the main focus of a sect was cultivation, in this era, it was impossible to do without money. They couldn't possibly Rob and Rob like in ancient times, right? You're not realistic at all!

They could only rely on the advantages of their own sects to earn money!

Soon, the waiter brought over the universal room card, which was used to clean the room. Kun cun opened the door and strode in.

When he saw Lin Yi sitting on the sofa and chatting with someone, he was a little annoyed, but didn't know whether to laugh or cry! Did this Lin Yi really think he was here for a vacation? He'd heard from the front desk that Lin Yi didn't come alone, but with a couple!

It looked like he was here on vacation with his friends. This guy was really big-hearted. Did he not know that he would lose his life here? Or did he have the confidence to convince himself to exchange his life for a condition?

"You're Lin Yi?" Kuncun locked his eyes on Lin Yi immediately-goudan was just too ordinary, just like a village boy, simple and honest, with no aura at all. One look and you could tell that he had that kind of stupid, strong build.

"The sect master of the kuncun sect, right?" Lin Yi said faintly as he looked at the kuncun. "I didn't expect you to have the courage to show your face. I didn't expect you to invite me over. I really don't know what to say about you."

"What do you mean by that?" Kun-cun was slightly stunned.

"Let me introduce myself, I'm Lin Yi, I work at the special Investigation Bureau, and the Deputy Director is my girlfriend. Kun cun, you're a wanted criminal, if you know what's good for you, come back with me, or I'll have to arrest you!" Lin Yi said.

"You're from the supernatural Investigation Bureau?" Kun-cun froze, not expecting Lin Yi's identity to be so troublesome! He wouldn't have let Lin Yi come over so easily if he'd known-it wasn't a good thing to be targeted by the supernatural Investigation Bureau again!

However, he couldn't back down now. He had to keep Lin Yi here so that the news wouldn't get out. He sneered, "So what if you're from the supernatural Investigation Bureau? It doesn't have anything to do with Southeast Asia! Vice sect leader Park, you can avenge your disciple Park huotai!"

"Lin Yi, come on, let's exchange a few moves!" PU Nimei stood up and said, following the plan.

Lin Yi took a look at Piao Nimei's strength. This person was a little weird, just like Piao huotai, making Lin Yi unable to see his true strength!

Chapter 3462 Kun-Cun's Shock

However, according to Lin Yi's previous understanding of Piao huotai, this person was very likely to be similar to the Golden Bell sect's Golden Bell Shield Master. The master had to be better than the disciple, right?

So, Lin Yi decided to test it out first. He didn't say anything and just used the sixteenth style of the wild fire Fist! Lin Yi didn't want to kill puny sis in one hit-this guy might have a strong defense, so he didn't use his strongest fist.

"BOOM!"

The wild fire Fist landed on PU Nimei, but she only took half a step back. It didn't look like she was injured at all, so Lin Yi understood what was going on after a moment of surprise! As expected!

This puny sister's defensive ability was frighteningly high. Even if he used his most powerful martial arts technique, he might not be able to kill her! He wasn't a normal practitioner anymore-he was a different version of a practitioner, and Lin Yi couldn't use practitioner's knowledge and common sense to judge a person.

"It's just so-so. " PU Nimei looked at Lin Yi and laughed coldly, "With this level of skill, don't even think about leaving this place alive!"

PU Nimei didn't know that Lin Yi was just testing the waters. As far as she was concerned, Lin Yi was a Sky Class mid phase peak, and it was already very impressive that he could use the seventeenth move! In his eyes, the power of the sixteenth form of wild fire Fist was about the same as the seventeenth form of an ordinary martial technique.

"Sect master of the kuncun sect, let's exchange a few moves first." Lin Yi said faintly as he turned to the kun-cun sword, giving up on attacking PU Nimei. Although, if Lin Yi used his strongest move, he might be able to kill PU Nimei, but it was just a possibility, not a guarantee!

If Lin Yi didn't kill PU Nimei, then he would be in danger after using up all his pure Qi! So Lin Yi changed his target to the kun inch!

"Ah?" Kun was taken aback-what was this Lin Yi doing, messing up his plans? This was not scientific!

Generally speaking, in a battle between cultivators, whoever started the fight first would have to fight until the winner was determined. Who would stop halfway and ask for a change of person? Do you think this is an arena match? There's even a substitution?

"What? is sect master kun too weak to fight me?" Lin Yi said sarcastically as he looked at the kun-cun.

"How is this possible?" Kun-cun's face immediately turned red! Lin Yi was right-his attack was strong, but his defense was weak. He didn't dare fight Lin Yi face to face, only sneak attacking! "It's just that this sect master disdains to personally deal with a small fish like you!"

"Since you're here, it's not up to you to make a move." Lin Yi smiled coldly before giving goudan a look.

"Aiya, this place is too scary. I have to leave this place quickly!" Goudan shouted as he ran out.

PU Nimei was standing not far from the door, and kun cun frowned. If this Lin Yi really wanted to fight him, he didn't have much of a chance of winning. He had to force Lin Yi to give in and let him fight with PU Nimei while he sneaked in from the side!

Kun's eyes turned and saw er goudan running away. He laughed and thought of a plan, "Vice sect Master Park, Catch That Kid, don't let him run!"

"Alright!" Piao Nimei nodded and reached for goudan!

"Lin Yi, if you fight with vice sect Master Park according to the rules, I'll let your friend and the students go. Otherwise, I'll have to offend your friend!" Kun cun threatened Lin Yi coldly. After all, Lin Yi was a Sky Class mid phase peak-he wasn't weak at all. Even if kun cun was an evil practitioner, he didn't know if he could beat Lin Yi in terms of strength!

If Lin Yi wasn't on guard, a sneak attack was still possible, but a direct fight would be dangerous.

"Aiya, don't grab me. I'm telling you, if I get angry, I'll kill you with one punch!" Er goudan was stopped by Piao Nimei, and he yelled, "Get out of my way, or I won't be polite!"

"Hey, not being polite?" PU Nimei was instantly amused, "you'll kill me with one punch?" Alright, then I'll stand here and let you hit me. If you can kill me, I'll let you leave. If you can 't, then you'll have to stay here!"

Goudan didn't have any Qi on him-he didn't look like a practitioner at all! And even if he was a physical master, that puny sister was confident! The devilish version of the Vajra scepter that he cultivated was a rather awesome existence!

Although he wasn't as powerful as the high priest's Vajra scepter, he still had a considerable advantage over those who had reached the great success of Golden Bell shield and iron cloth. He was like an unkillable cockroach, which was why he was so confident!

He said in a teasing tone-in his eyes, er goudan was just a toy! He was looking for fun to relieve his bad mood from losing his disciple.

"Then I have no choice. I can only kill you with one punch!" Goudan sighed helplessly and threw a punch ...

With a "bang," it hit Piao Nimei in the chest.

As for Piao Nimei, her expression had changed from one of mockery to one of shock and disbelief! However, at this moment, he could no longer speak. His entire body flew in the direction of the door and smashed against it. This did not stop. He continued to fly out, directly hitting the wall of the corridor, and then broke through the wall!

Because Lin Yi was staying in a top class Presidential Suite, there were only rooms on one side of the corridor, and the other side was the wall. Otherwise, they'd crash into someone else's room!

"The complete version of the Hercules armor!" Kun cun's eyes flashed with shock as he looked at er goudan and Lin Yi,"Who are you people? How could you possibly have the complete version of the Hercules armor? How is this possible?"

"Oh? You actually know about the Hercules armor? You even know that it's the complete version?" It was Lin Yi's turn to be surprised! Er goudan did indeed consume the vigor divine Gu's cultivation fluid by mistake when he was young, and he ended up like this!

And it was precisely because of the side effects of the vigor divine armor that one could not leave the West Star Mountain village for a long period of time. After using the full version of the vigor divine armor three times, one had to return to the West Star Mountain to drink the spiritual spring water. Otherwise, one's body would be extremely weak.

"It's the complete version of the Hercules armor! Who are you? Who are your teachers?" At this point, kun cun suddenly thought of something and said in horror, "Your surname is Lin? What's your relationship with Lin Dongfang?"

"Oh? You know quite a lot?" Lin Yi only knew that kun cun was a wanted criminal from the supernatural Investigation Bureau, but he didn't know what happened back then!

Chapter 3463 Something Of Interest

So, Lin Yi blinked and asked, "My master's name is Yang Ming, and Lin Dongfang is my grandfather. Do you know them?"

Kun-cun seemed to have lost all his strength after hearing Lin Yi's words, and he knelt on the ground, his face extremely pale, "So you're the descendant of Mr. Lin and Mr. Yang ... I'm really blind. Sorry to offend you ... Please don't kill me ... I can ... I can be your subordinate ... As long as you don't kill me ..."

Even after so many years, kun cun's mental defense still crumbled at the thought of Lin Dongfang and Yang Ming's power back then. He couldn't even think about going against Lin Yi and ER goudan anymore.

When a person knew that his strength was far from being the opponent's opponent, then he would not make any meaningless resistance.

Therefore, kun-cun chose to surrender. He had no choice but to surrender! Piao Nimei was so powerful, she was definitely dead now. There was no need to think about it. Although the diamond armor was powerful, it was nothing in front of the complete Hercules armor!

Besides, what PU Nimei was practicing wasn't the complete version of the Hercules armor, but the modified version that was obviously less powerful ...

"So you do know them ..." Lin Yi wasn't too surprised. His master was from the supernatural Investigation Bureau back then, and without that connection, Lin Yi wouldn't have been able to enter the supernatural Investigation Bureau so early on, and he wouldn't even be connected to them now.

As for Lin Dongfang, he lived in the miaojiang area, so it was not surprising that he knew kun cun.

"But what's the point of keeping you alive?" "I don't need underlings. There are a lot of families and sects in the whole of China that are under me. I have a lot of underlings, I don't need you!" Lin Yi said faintly.

"But not in Southeast Asia! Our right Miaomiao sect can also become Lin shaoxia's vassal and follow your lead. I'll do whatever you ask me to do in the future!" Kun cun was a person who knew how to adapt to the situation. In order to survive, he was shameless.

"I still don't feel like it's of any use. You're so far away from me, I'm completely useless!" Lin Yi said, shaking his head.

"I ... I know the big secret! I can surrender and be a spy!" Kun-cun suddenly shouted.

"Oh? What do you mean by that?" Lin Yi's interest was piqued-big secret? What big secret did kun-cun know? What would he use to surrender? As for the spy he was talking about, what was going on?

"What do you know? Surrender to what?" Lin Yi looked at the kun inch and asked faintly, "If I'm satisfied with what you say, I'll consider letting you go."

In fact, what kun cun said before was right. He was already a sect in Southeast Asia. In theory, he was no longer under the jurisdiction of the supernatural Investigation Bureau. If the supernatural Investigation Bureau really wanted to exterminate the youmiao sect, they were bound to offend the local sects and cultivators here. Although the sects and cultivators here were not particularly strong, only at the level of hidden houses, it was not a good thing in the end.

So it wasn't impossible for kun-cun to save his life. Lin Yi was a person who always wanted to make use of people. For example, Lin Yi was very good at using Dafeng bro. If it weren't for him, Lin Yi wouldn't be able to find the pangolin, so he could use a person like kun-cun after he was convinced!

"It's like this. In the past, the central base that your master, Mr. Yang Ming, killed was not a complete central base. Behind them, there is a boss behind the scenes!" Kun-cun was afraid that Lin Yi would kill him.

"The center?" This was the second time Lin Yi had heard of Central's name-it was back in the common house song, but he didn't expect his master to have fought with central before. Lin Yi was only a supernumerary personnel in the supernatural Investigation Bureau.

There were some things that Lin Yi wouldn't know if Lin Dongfang didn't tell him. Plus, everything about central back then was top secret. Other than song Lingshan, it was hard for anyone else to access it!

"That's right. You should know this place, right? Back then, only one of the bases in central was destroyed. The person in charge there, professor ban Jieming, was just a puppet! As far as I know, their real leader is a person called professor li, and now the center is under the charge of his girlfriend Luan xiaoru, currently nicknamed miss LAN!" Kun-cun said.

"What does this have to do with me?" Lin Yi blinked. He didn't have any grudges with central-they just had some conflict back in house song. He didn't understand why kun cun would bring this up.

"Young hero Lin, this central is a disaster. They specialize in doing things that harm people. Your master has been fighting with them. Aren't you interested?" Kuncun blinked-he didn't think that Lin Yi would be this indifferent!

"No, I didn't," Lin Yi shook his head,"he didn't do anything to me. I killed four of their Masters, and my friend stole their stuff. They're the ones who are in trouble. What does it have to do with me?"

"This ..." The kun-cun was using this as a life-saving token, but he didn't expect Lin Yi to be so nonchalant about it. "Lin shaoxia, they are your master's enemies. I heard that your master has been fighting with them, even now ..."

"Oh?" Lin Yi raised an eyebrow. And now? He looked at the kun-cun with some suspicion and said,""Now? Do you know where my master is?"

"This ..." Kun-cun obviously didn't know."However, I heard that when your master left, it seemed to be related to central ..."

"How did you know?" Lin Yi asked.

Lin Yi didn't really care if it was central or not, but he couldn't ignore news about his master.

"You should know that our right Miaomiao sect ... Oh, that's the right Miaomiao sect in miaojiang. At that time, we had cooperation with central, and now we often have some business dealings. Once, I vaguely heard miss LAN mention your master on the phone, so I said this." Kun-cun said.

"Very good, you've moved me. In the future, if you help me investigate more about that miss LAN and my master, I can keep you!" Lin Yi nodded faintly,"you know that if I wanted to kill you, it'd be a piece of cake!" You can go ask miss LAN-I killed all four of his Sky Class late phase peak Masters! You've really miscalculated by asking me to come here this time. If you hadn't told me what I'm interested in, your right Miaomiao sect would have ceased to exist!"

Chapter 3464 A Strange Attitude

"Ah!" Kun-cun was shocked-he could kill four Sky Class full Masters? How awesome was his strength! She really made a mistake, not investigating Lin Yi further! From their previous investigation, Lin Yi was just a wandering practitioner without any background. How strong could a wandering practitioner be?

This was why kun-cun didn't hesitate to drag Bai Weitao and the others here to kill Lin Yi! But now, it seemed that it was not certain who would get rid of who!

"Thank you for sparing my life, young hero Lin. Don't worry, I'll be your pawn from now on. I'll do whatever you tell me to do and will definitely listen to you!" "The only good thing about me is that he who understands the times is a wise man," kun-cun quickly said. "I know my own strength."

"That's enough. Get someone to fix your hotel. I need to rest. I don't want to see my classmates get hurt. I hope you can bring them over tomorrow morning. Otherwise, you know the consequences." Lin Yi said as he looked at the kuncun.

"Don't worry, young hero Lin, I know what to do!" Kun-cun quickly nodded and left the room respectfully.

He was very efficient. It didn't take long for the staff to come and change the door of the room and repair the hole in the corridor. As for puny sister's body, it had already been taken away!

Kun cun came and left in a hurry, and the hotel quickly returned to peace. No one noticed that such a big incident had happened in the hotel!

"Er goudan, thank you for your help!" "If it was just me, I really wouldn't be able to do anything to that vice sect Master Park-he's invulnerable!" Lin Yi said to goudan.

"It's nothing! Besides, I'm so happy to be able to help boss! I finally have a place to use my skills, or else I'll have to go up the mountain to kill monsters every day. It's so annoying. " Goudan said.

"Haha, that's good. You can go and rest. Is Roly Poly worried?" "I'm going to rest too," Lin Yi smiled, "I'll get kun-cun to play with us tomorrow. It'll be a vacation!"

"Alright!" Goudan nodded and went back to rest.

The night was quiet. The next morning, kun-cun took Bai Weitao and the others to youmiao hotel!

However, kun-cun's attitude made Bai Weitao and the others very puzzled! How did he change from being so fierce to being so respectful now? What was going on?

Outside the casino, Bai Weitao and the others were arranged to get into a luxurious RV. Kun cun let the four of them sit on the luxurious sofa facing each other, but he sat on the seat next to them, which made everyone even more puzzled. What game was this man playing?

As for tu fenglian, he sat behind kun-cun.

"Four young masters and young ladies, please take a seat!" After getting on the car, tu Feng still said politely.

"Bro, don't mess with us. Are you guys going to feed me to the fish if Lin Yi didn't come?" Zhang duopan's face was green. The more the other party acted this way, the more he felt afraid and uneasy.

"Haha, don't mind me. I was just joking with you guys before! In fact, our boss, kun, really does know Mister Lin Yi-not only that, he's Mister Lin Yi's subordinate!" "We're here to bring you to Mister Lin Yi!" Tu Feng said quickly.

"Big brother, can you stop teasing me? I know that you and that idiot Lin Yi are mortal enemies-there's really a grudge between us! That Bai Weitao is Lin Yi's follower, we're not! Please let me go, I really don't want to die!" Zhang duopan begged for mercy with a bitter face.

"So you're saying that you're really Mister Lin Yi's enemy, and not his follower or friend?" Kun-cun turned his head and suddenly asked.

"No, it really isn't! If you don't believe me, ask him!" Zhang duopan then pointed at Bai Weitao and said, ""Bai Weitao, don't lie to me! It's all because of your stupid boss! Tell me the truth, what's my relationship with Lin Yi?!"

"He's right, he's the enemy of boss Lin Yi and me. We both like he meiyue, and he's always going against us," "Yes!" Bai Weitao nodded,"since this happened because of boss Lin Yi, it has nothing to do with him. Let him go!"

Kuncun frowned and nodded. He picked up his phone and dialed a number-it was the number of Lin Yi's hotel room.

"Hey, kun-cun, you're here?" Lin Yi asked.

"That ... It's like this, may I ask if there's a person called Zhang duopan, is he your enemy or ... And that Bai Weitao ..." Kun-cun asked carefully! If he brought all four of them, what if Lin Yi's enemies were inside and he blamed the kun cun sect for it? So he had to ask clearly.

"Oh, Bai Weitao is my little brother. He's the same as you." "But he entered the sect earlier than you, so you can call him Bai bro!" Lin Yi said. As for that Zhang duopan and fan ganhe, find a place to throw them away. I don't want to see them!"

Lin Yi knew that this whole thing was caused by that Zhang duopan's bullsh \* t, and had nothing to do with Bai Weitao. He didn't have a good impression of this person, and he didn't want to see him.

"Alright, I understand! Boss!" Kun cun hung up the phone after he finished speaking, but the way he looked at Zhang duopan was a little off!

Zhang duopan was also a little confused, but he also felt that it was rather impressive. Who was kun-cun calling? Why did he call him boss? How did the other party recognize him and Bai Weitao? What was going on? Wait a minute ... Could it be that their boss was really Lin Yi? And what he said just now was also true, and he wasn't playing with him?

At the thought of this, Zhang duopan immediately shuddered! "Big brother ... I was just joking, I'm actually boss Lin Yi's follower ..." He looked at the kun cun carefully.

"Tu Feng, find a place and bury these two! Boss Lin Yi said he doesn't want to see them anymore. " Kun-cun clearly misunderstood Lin Yi's words-Lin Yi said he'd throw them somewhere and didn't want to see them, and kun-cun thought that he wanted him to kill them!

He'd seen Lin Yi's ruthlessness yesterday-he'd killed PU Nimei just like that, and the four Sky Class full Masters at the center as well! These two were like small shrimps, and he'd just kill them like that!

In fact, Lin Yi didn't mean to do that. Throwing them away was just letting them get off the car and let them go back by themselves. With Lin Yi's current level of strength, he didn't have the time to care about these two people's lives.

#### Chapter 3465 The Unlucky Zhang Duopan

These two weren't much, but they were at the same level as Bai Weitao. If Lin Yi were to make a move, it'd be like shooting a mosquito with a cannon.

But if the kun cun sect did it, Lin Yi wouldn't say anything even if he found out. It had nothing to do with him, and he hated the two of them to begin with.

"Yes, brother kun!" Tu Feng chuckled and pressed a button on his hand. After the RV's driver received the message, he found a place to park the car!

There were not many people on the road early in the morning. Tu Feng carried Zhang duopan and fan ganhe out of the car with one in each hand as they screamed!

This scene made Bai Weitao and he meiyue extremely surprised and a little dumbfounded! The two of them couldn't figure out why things would suddenly change like this!

Was tu Feng really going to kill Zhang duopan and fan ganhe?

However, although Bai Weitao pitied them, he didn't ask kun cun and tu Feng to stop. After all, kun cun was calling Lin Yi, so the person who wanted Zhang duopan and fan ganhe dead should be Lin Yi as well. How could Bai Weitao refute Lin Yi's words?

Therefore, Bai Weitao didn't say anything in the end and let tu Feng take Zhang duopan and fan ganhe away!

"Big brother, let us go, we're just joking. I'm actually Lin Yi's follower! I said that because I was afraid of death, but I'll tell you the truth now, I'm really Lin Yi's follower ... Don't kill me!" Zhang duopan wailed loudly.

"Oh? Is that so?" Tu Feng stopped in his tracks, and looked at Zhang duopan indifferently as he asked, ""You're Lin Yi's follower?"

"Not bad! I'm Lin Yi's follower, please don't kill me!" Zhang duopan nodded repeatedly.

"Do you know why I brought you out of the car?" Tu Feng asked.

"Why?" Zhang duopan was stunned, "didn't you want to kill me?" Are you going to let me go if you take me out of the car?"

"You're right, I'm going to let you go. " Tu Feng nodded. "What I said to brother kun in the car was just a lie to Bai Weitao. I brought you down because I was going to let you go!"

"Ah? Is that true?" Zhang duopan was a little confused. He didn't have to die?

"It's true!" "But I'm planning to kill you now," tu Feng said, nodding.

"Why?" Zhang duopan was stunned.

"Because you said you're Lin Yi's follower, didn't you already know that Lin Yi and I have a grudge against each other?" Tu Feng said.

"F \* ck!" Zhang duopan's eyes widened, "there's really a grudge?" Then why did you say that Lin Yi was kun bro's boss? Aren't you playing with us?"

"It's just to mess with people, to see who's Lin Yi's follower and who's not!" "Since you've admitted that you're Lin Yi's follower, you can die now!" Tu Feng said.

In fact, tu Feng also wanted to see if Zhang duopan was Lin Yi's follower or not, so that he wouldn't kill the wrong person. However, after a few tests, he found out that this person was lying without blinking his eyes. It was obvious that he wasn't Lin Yi's follower. In order to survive, he would say anything!

On the other hand, Bai Weitaο was much more normal. From the beginning to the end, whether he killed Lin Yi or not, he always said that he was Lin Yi's follower. This kind of person was definitely Lin Yi's follower, not a fake.

"Don't ... Don 't! I'm not, I'm really not!" Zhang duopan quickly changed his words. He looked at fan ganhe, who was beside him, and said, ""Fan ganhe, tell me, are we Lin Yi's lackeys or not?"

"No, we're definitely not! We've always planned to harm Lin Yi and Bai Weitao!" Fan ganhe also said hurriedly.

"Oh? Hehe, let me tell you guys-our kun bro really is Lin Yi's follower, I just got to know him yesterday, and after a few tests, I realized that you guys really aren't boss Lin Yi's followers!" "Of course, even if you really are, I don't need you guys to go back on your words. You can die now." Tu Feng laughed.

"What? You're playing with us again?" This time, Zhang duopan was in complete despair. It could still be explained if he went back on his words once or twice, but if he kept going back on his words, then it was impossible to believe.

"Alright, stop barking. I need to quickly take care of you guys and then go back to report my mission." Tu Feng dragged the two of them to a dense forest ...

On the other side of the car, Bai Weitao was holding he meiyue's hand nervously. Things were getting weird-Lin Yi's enemies, tu Feng and kun cun, had suddenly become Lin Yi's lackeys.

The reason they detained them was to lure Lin Yi here and take revenge for their sect members, but now that their roles had suddenly changed, Bai Weitao was still on guard!

"Um ... Kun bro, are you really boss Lin Yi's follower?" Bai Weitao finally couldn't help but ask.

"Haha, Bai bro, of course I'm boss Lin Yi's follower. You're boss Lin Yi's follower too, but you entered the sect before me, so I'll call you Bai bro!" Kun cun laughed,"there were two annoying people in the car just now. There are some things I can't say, so let me introduce myself. My name is kun cun, the leader of

youmiao faction. I'm currently boss Lin Yi's follower!" I hope brother Bai can forgive me for my previous offense!"

"Not really ... I'm just wondering, didn't you have a grudge against boss Lin Yi before?" Bai Weitao felt a little dizzy. The change before and after was too fast.

"I do, but boss Lin Yi has me under his control, so that bit of hatred is nothing." Kun-cun explained with a smile.

"So it's like this!" Bai Weitao nodded. He finally understood. It turned out that he was afraid of being beaten!

Kun cun brought Bai Weitao and he meiyue to the hotel and went up to Lin Yi's room. Bai Weitao only let out a breath of relief when he saw Lin Yi!

It turned out that what kun-cun said was true! He meiyue looked at Lin Yi with surprise in her eyes. No matter where Lin Yi went, there seemed to be nothing he couldn't solve. This really surprised he meiyue!

Take what happened this time for example-it was supposed to be a death trap, but Lin Yi solved it so easily, and even took in a follower! Lin Yi seemed to have a lot of followers already?

"Kun-cun, it seems that you're very honest. My classmate is really fine." With Lin Yi's strength, he could tell that Bai Weitao wasn't hurt at all. This made Lin Yi believe that kun cun had surrendered.

"Of course, I'm a man of my word. What's done is done, and I won't lie!" Kun-cun was overjoyed and quickly said.

Chapter 3466 Heavy Heart

"Where are the other two?" Lin Yi asked.

"I've sent tu Feng to kill them," Kun-cun said.

"It's dead?" "Who told you to?" Lin Yi blinked.

"Boss Lin Yi, didn't you say you didn't want to see them again and threw them away?" Kun-cun was also stunned and said.

"Oh?" Lin Yi thought about it and smiled bitterly, "I just want you to let them go. You don't have to care about them anymore. But since you've already killed them, then so be it. These two are quite evil people. It's troublesome to keep them alive ..."

At this time, Bai Weitao also felt a little sympathy for Zhang duopan. This guy's death was really not worth it. He didn't expect that he would die because of his words. It was really a disaster that came from the mouth!

"I'm really sorry ... I thought ..." The kun-cun was also a little embarrassed.

"Forget it, it's nothing. Oh right, do you have anything on today?" Lin Yi asked.

"No, what did boss Lin Yi say?" Kun-cun asked quickly. Even if there was something, he had to push it away. What could be more important than helping boss Lin Yi?

"It's nothing, just bring Bai Weitao and ER goudan around to have some fun. They don't know the place well, and they don't know where to go. With you around, it'll be much easier," Lin Yi said.

"No problem!" "I've been here since I came to Southeast Asia, and I've had some fun before. Boss Lin Yi really gave me a good chance!" Kun cun said.

Lin Yi shook his head. This kun-cun was a flatterer!

As for sightseeing, Lin Yi decided not to go himself. He planned to cultivate in his room. He didn't have much time left, and he needed to get stronger as soon as possible!

Bai Weitao and ER goudan had kun-cun as a tour guide, and that was a very impressive thing to do. Almost all the security guards at the entertainment places knew kun-cun, and they were surprised at the same time. Since when did kun-cun become a tour guide?

Where did these two masters or young masters come from that the kun-cun would treat them so politely?

However, no one would ask him about it. For a week, they went to all the fun places in the area, and kuncun sent them on the return plane. Lin Yi had to go to Island X, too, so he couldn't go with them.

Under his mentor's development back in the day, Island X had become a famous tourist destination. There were many flights to and from there every day, and so Lin Yi arrived at the airport without any trouble.

Just like the last time he came back, a car with a butterfly logo was parked not far from the tarmac outside the airport.

Lin Yi smiled. Only Qiqi and xiaojiu's cars could get into the airport without any trouble. The two of them were like princesses on Island X, and no one dared to stop their car.

Lin Yi walked to the car after getting off the plane, and the people in the car saw him as well. Qiqi jumped down from the driver's seat excitedly and ran over to Lin Yi, and xiaojiu was waving at him with a smile on her face as she rolled down the window!

"Lin Yi bro!" Qiqi ran over and hung onto Lin Yi, not letting him go.

At this moment, Lin Yi felt like he was back in his childhood. At that time, every time he came back from a mission, Qiqi would be like this. After the confession and unraveling the knot in her heart, Qiqi returned to her old self!

But this time, when Lin Yi saw little 9th, his feelings were a little complicated. The last time they met, he didn't dare to face her feelings, but this time, it was because little 9th was leaving soon!

During this period of time, Lin Yi had almost become a specialist in sending inheritors to their sects. His daily job was to send inheritors to their sects!

"Little Jiu, why are you here?" Lin Yi said after adjusting his mood and getting into the car with Qiqi.

"It's time to leave. Let's take a look at this Island where the three of us lived together for many years when we were young ... I don't know when I'll be able to come back after leaving! "Even if I come back, my family might not let me stay on Island X. I might still stay in the yellow Earth high sect ..." A hint of sadness flashed in little 9th's eyes.

Little Nine's words made Lin Yi sigh. Yes, little Nine's rejection of the Huang tu Gao sect was like Yu Ning's rejection of the Hidden House Yu! However, it was still their home. Although they said that they hated it, they still hoped to go back in the future!

Lin Yi laughed dryly, not continuing the topic. He turned to Qiqi. "Qiqi, did the overseas cultivators Association cause you any trouble again?"

Lin Yi was now enemies with the overseas practitioner's Association, and he was worried that they'd contact Qiqi.

"No, I haven't been back for a while, and they didn't take the initiative to find me." Qiqi said, shaking her head.

"That's good ..." Lin Yi nodded.

There was a limit to Happy Days, after all. Lin Yi had brought Qiqi and nine on a trip to their old places these past few days, going around the entire Island and making them a lot of childhood food like clay fish ...

And the day of little 9th's departure was also approaching! The earth Overlord flew to Island X, and Lin Yi and the others saw him at the airport!

The earth Overlord was very excited to see Lin Yi, "Boss, brother-in-law, Hello! I'm so happy to see you, I've missed you so much. I heard that you went to the red fiery mountain a few days ago and cured yang shuizhen?"

The Overlord's words were like a cannonball, containing a huge amount of information, Lin Yi didn't even have time to reply!

"Little Jiu, you're so pretty. You're indeed the little sister of my tyrant, wahahahaha!" When the Overlord saw little nine, he looked to the left and to the right. He was very close to her and was very happy.

"..." Little nine rolled his eyes helplessly. How did he end up with a mentally ill brother! Your boss Lin Yi is so normal, can't you be more normal?

"Wow, you can even roll your eyes. So cool!" The Overlord didn't notice that little nine was annoyed with him and thought that he was playing with him, so he continued to chatter on and on ...

And so, Lin Yi and nine got on the plane amidst the endless chatter of the earth Overlord, heading towards the yellow Earth sect ...

The plane slowly rose into the air. Lin Yi didn't know when he'd be able to return to this Island again. That new journey was getting closer and closer, and all the preparations he'd made seemed to be for the sake of that illusory Sky Class Island!

Although Lin Yi and xiaojiu were both warmly received in the yellow Earth Gao sect, especially Lin Yi, who treated them like distinguished guests. The whole Yellow Earth Gao sect, including the Overlord's father, tu Qingsong, were extremely polite to Lin Yi. However, Lin Yi's mood was still very heavy.

After spending a few days in the Huang tu Gao faction, Lin Yi received a call from Guan Xin. Her father had arranged a blind date for her, and Lin Yi had to go back

Chapter 3467 Lin Yi's Marriage

"Lin Yi, what should we do? My dad told me that this weekend, he'll arrange a blind date for me and my pre-arranged marriage partner. I don't even know him, what should I do?" Guan Xin sounded worried.

"Xinxin, don't worry. I'll help you deal with it when I get back!" Lin Yi hadn't thought of a good solution yet, but he had to agree first so Guan Xin wouldn't have to worry. "If it really doesn't work, then just do as I said. Although it's a little self-deprecating, it's the only way!"

Lin Yi had actually come across this move in a novel called so pure and so flirtatious, and he'd decided to put it to good use at the last minute.

"Yeah, that's the only way, but dad and Grandpa ... They'll die of anger!" Guan Xin sighed. She was an obedient child, and although Guan Xiaoxiang had been trying to stop her from being with Lin Yi, he was still good to her.

Lin Yi didn't know what to do. He couldn't Treat House Guan and Guan Xiaoxiang the way he treated kun-cun and the others, could he? That wasn't realistic, so Lin Yi had to resort to this. "In comparison, this is the only move that can make the other party give up. Otherwise, even if you don't agree, the other party will keep urging you, and it will be difficult for you to get rid of it."

"That's true!" Guan Xin nodded, convinced. "Lin Yi, I've decided, I'll do as you say! When the time comes, you have to come too. I'll tell that person and my father that I'm pregnant with your child and let them give up!"

"Alright, since this idea is mine, I'll definitely accompany you to the end!" Lin Yi said.

"En, then I'll plan what to say when the time comes!" Guan Xin said.

Lin Yi's phone rang again as soon as he hung up on Guan Xin. This time, it was from Island X!

"Hello, how are you?" Lin Yi picked up the phone politely, his tone full of respect. After all, many of the people on Island X were his elders and childhood instructors-Lin Yi had to be respectful!

"Xiao Yi, I'm your master's wife, Shen Yuxi." A pleasant voice came from the other side of the phone. Shen Yuxi was one of the wives of Lin Yi's master, Yang Ming. Lin Yi naturally knew her, but Shen Yuxi wasn't good at Kung Fu or some assassin specialties, so she didn't have much contact with Lin Yi before.

"Hello, master's wife Shen, is there anything you need from me?" Lin Yi thought it was weird-he thought it was miss Zhou calling to ask about 9th!

"Yi, it's like this-your master arranged a marriage for you when he was young! Now that you're old enough and the girl in the other party's family has grown up, I'm going to play matchmaker for you!" "After all, this is what your master specifically told me to do before he left!" Shen Yuxi said.

Lin Yi was just about to reject her when he heard the last part of her sentence. Lin Yi couldn't disobey his master's orders, so he decided to drag it out."Mrs. Shen, I know you're doing this for my own good, but I'm not In the Mood for Love right now. Xiaojie's become an inheritor, and I need to get stronger as soon as possible so that I can escort them to the Sky Class Island ..."

Lin Yi didn't think that he'd be involved in something like this after he'd just helped Guan Xin out! He didn't know what to say! He could still reject Guan Xin's offer, but he ... He had to follow his master's orders!

"There's no conflict. " Shen Yuxi smiled."The two things can be carried out at the same time. Moreover, it is because of the inheritor that the other party wants to settle the marriage as soon as possible. Because the other party is also an inheritor."

"What?" "An inheritor?" Lin Yi was stunned.

Now, the only inheritors that Lin Yi wasn't familiar with were the People of the Snow Valley. Could they be from the snow Valley? Wait a minute ..... Something's not right, Guan Xin was an inheritor, and she had a marriage contract with her, and now he had a marriage contract with an inheritor, didn't that mean .....

Lin Yi didn't know whether to laugh or cry when he thought of this possibility! It can't be such a coincidence, right?

"That's right, so if you're protecting little 9th, it's the same as protecting her, so you can protect her together! I think that your master's arrangement back then probably had such a deep meaning!" Shen Yuxi said with a smile.

If it was before, Lin Yi would've thought that it was just a coincidence, but now, there were too many coincidences around him. Lin Yi didn't believe that it was a coincidence at all. This was probably all predicted by someone.

"Master's wife Shen, I would like to ask, who is this inheritor?" Lin Yi asked the obvious, but he wasn't too sure.

"This inheritor is called Guan Xin. Her father is a good friend of your master. Her grandfather and your grandfather, Lin Dongfang, also have some connections ..." Shen Yuxi explained.

Lin Yi didn't doubt it anymore! Guan Xin, it really was Guan Xin! Lin Yi sighed in relief, but at the same time, he found it funny. If Guan Xin knew that he was her blind date, what kind of expression would she have?

Suddenly, Lin Yi's interest was piqued. What if he didn't tell Guan Xin first and gave her a surprise later? wouldn't that be fun?

"Madam Shen, does he know my name?" Lin Yi asked.

"I don't know. You have a lot of names, and I'm not sure what name you're using now." "Why? do you have any ideas?" Shen Yuxi asked.

"It's like this, I already know Guan Xin, so I wanted to give her a surprise. Please don't tell her yet, I'll only appear on the day we meet ..." Lin Yi had been too bored recently, so this kind of thing aroused the interest of someone his age.

"Hehe, of course you can!" Shen Yuxi smiled and said,"that's fine. I'll leave for Songshan in a few days. I didn't tell you about this when little Jiu was here. I was afraid that you would be distracted, so I'll tell you after you send her away."

"Alright, thank you, Madam!" Lin Yi quickly thanked her and let out a breath of relief. He didn't expect her to be so easy to talk to, agreeing to his request right away!

The plane was about to take off, and Lin Yi ended the call, preparing to return to Donghai city.

On the other side, after Shen Yuxi hung up the phone, she asked someone to arrange for the flight tickets. She was ready to leave for Donghai city, but before that, she still had to call Guan Xiaoxiang.

Chapter 3468 3466-Guan Xin's Date

Shen Yuxi and Guan Xiaoxiang had been friends for many years. She used to live at Guan Xuemin's house for a period of time to treat her illness. At that time, she met Guan Xiaoxiang and his girlfriend, Xiaolan. However, after they settled on Island X, they rarely met.

However, during the holidays, they still frequently exchanged phone calls.

"Sister-in-law Yuxi, how did things go? Does that mean that the successor of the boss can be engaged to our Xin Xin?" Guan Xiaoxiang was also very angry-Guan Xin was already engaged, and yet she was still hanging out with Lin Yi!

He wasn't saying that Lin Yi wasn't a good person, but he was a man of his word. His benefactor had helped him so much back then, and he couldn't just go back on his word!

In his opinion, a promise was more important than anything else. Although his benefactor had left to do something important, it didn't mean that he could break the promise just because he left. Guan Xiaoxiang was not that kind of person!

"Yes, I've already finished talking. I'm just waiting for you." Shen Yuxi said, "I have already booked a flight ticket. I will arrive in Songshan city about the day after tomorrow. At that time, my disciple will also be there. You are familiar with the place. You can book a hotel. I will let him go over!"

"Alright, no problem!" Guan Xiaoxiang let out a sigh of relief. Now that the matter was settled, he didn't have to worry about Guan Xin's feelings anymore. It was already set in stone anyway, and there was nothing Guan Xin could do to object to it!

He knew that Guan Xin could throw a tantrum sometimes, but when it came to the bigger picture, she would still give him some face. So after he hung up the phone, he started to make arrangements ...

Guan Xin was helpless when her father called, but she knew that this was going to happen sooner or later, so she agreed. She'd already thought of a plan, anyway-she'd ordered an unconventional outfit and makeup online!

On the morning of the blind date, Guan Xiaoxiang made a reservation at the most high-end hotel in Songshan, the brilliant Starlight Hotel.

Guan Xin wasn't stupid enough to leave the house in a non-mainstream outfit-she was wearing a normal casual outfit today. It didn't have too many decorations, but it looked clean and neat, and Guan Xiaoxiang was very satisfied with it.

He liked this style, and that person's disciple must be a master, probably someone with very high standards. The more effort they put in, the more they would rather return to their original state. So Guan Xiaoxiang was very satisfied with this and took Guan Xin to Starlight!

After entering the private room, Shen Yuxi and her disciple had not arrived yet. Guan Xiaoxiang had arrived a little earlier. As the host, he naturally could not wait for the guests to arrive before he arrived. It was impolite!

"Dad, I'll go to the bathroom to touch up my makeup and see if there's anything wrong." Guan Xin stood up. There was a private washroom in the room, so it was convenient for her to change.

"Alright, you can go!" Guan Xiaoxiang was very happy. He thought that Guan Xin's mind had been opened after she agreed to the marriage. He was prepared to give her a good image. Why else would she be so concerned?

However, Guan Xin changed her clothes right after she went to the bathroom. It wasn't that revealing, but it was still a weird outfit!

Guan Xin, on the other hand, started doing her makeup and dyeing her hair-she'd bought a hair dye spray from the internet.

Guan Xin didn't know how to dress up normally, but she'd spent a lot of time at home practicing. She'd turned into a real gangster now!

After everything was done, Guan Xin called Lin Yi.

"Lin Yi, where are you?" "My dad's taking me to Starlight Hotel for a blind date. We're at the cherishing fate Hall on the third floor. When are you coming?"

There was a reason why Guan Xiaoxiang chose the cherishing fate Hall as the blind date location. He wanted them to cherish their fate.

"I'm already on my way, I'll be there soon. " "I'll give you a surprise later!" Lin Yi said.

"En ... I'll give you a surprise too!" Guan Xin's outfit today was a little too exaggerated-she almost couldn't recognize herself!

The surprise Lin Yi was talking about was that she would find out that her blind date was Lin Yi! Guan Xin's surprise, on the other hand, was that she was too successful in her makeup.

Lin Yi and Shen Yuxi didn't come together. They split up. Shen Yuxi had arrived in Songshan last night and stayed at the Starlight Hotel. She just had to come downstairs.

Therefore, not long after Guan Xiaoxiang arrived, Shen Yuxi came to the private room.

"Sister-in-law Yuxi, how are you? I haven't seen you for many years, but you're still so beautiful! No wonder brother yang was head over heels in love with her!" Guan Xiaoxiang quickly stood up and greeted Shen Yuxi with familiarity.

Shen Yuxi's face blushed slightly. She knew that Guan Xiaoxiang was just being polite. She was beautiful, but not to the extent of making Yang Ming fall head over heels for her. She was the one who pursued Yang Ming in the first place!

Thinking about what happened in the past, Shen Yuxi was also a little embarrassed. She glared at Guan Xiaoxiang and said, ""There's a junior here, so don't talk nonsense!"

"Let's not talk about it ..." Guan Xiaoxiang heard Shen Yuxi say 'junior' and then remembered that Guan Xin was still in the bathroom. She had been in there for so long. Why hadn't she come out yet? He suddenly became a little anxious and shouted in the direction of the bathroom, ""Xinxin, how's it going on your side? Your aunty Shen is here, why aren't you coming out?"

"Dad, I'm going out now ... I'm going to smoke in the bathroom!" "I'm smoking again, I'm afraid I'll smoke aunty Shen if I go out!" Guan Xin said from the bathroom.

Guan Xin said as she pulled out the cigarettes she'd bought online. The cigarettes looked like real ones, but there wasn't a single cigarette in them-they were just for TV.

"What?" Guan Xiaoxiang's face changed, he was stunned. Smoking? Why was Guan Xin smoking? When had she ever smoked? She'd been a good girl since she was little, and she'd never smoked or drank-did she learn to smoke from studying medicine?

But that didn't make sense-the guy was a respected professor at a University in Eastern Sea city, how could he have taught Guan Xin how to smoke?

Shen Yuxi was also stunned. Her previous understanding of Guan Xin was completely from Guan Xiaoxiang's one-sided information. But today, when she came, she heard that Guan Xin was smoking. It really made Shen Yuxi completely shocked!

She stared at the washroom in disbelief. Lin Yi didn't smoke as far as she could remember, right? If Guan Xin were to smoke, would Lin Yi stop liking her? But didn't he say that he knew her before?

Chapter 3469 Pretending To Be Her Boyfriend

"Guan Xin! Come out!" Guan Xiaoxiang was furious, like an enraged Lion! He felt extremely embarrassed!

Guan Xin wasn't afraid at all as she listened to her father's angry roars. If her father didn't get angry, then she wouldn't have achieved her goal!

She proudly looked at her current outfit. Her originally neatly combed hair had become a perky punk head with purple spray paint. She had thick Smokey-eye makeup and big earrings. She was dressed exactly like those non-mainstream delinquent girls on the street!

Hmph Hmph, even if you don't let me cook at home, I, Guan Xin, can still scare off my blind date!

"Oh, my stomach isn't feeling well. What's the hurry? I didn't have my period this month. Let me see what's going on!" Guan Xin said as she walked out of the bathroom.

"What nonsense is this?" Guan Xiaoxiang's face darkened. He hadn't seen his daughter in a while, so why was Guan Xin so bold and unrestrained? Could it be a side effect of being a nurse?

Guan Xiaoxiang was one of the shareholders of the hospital, so he naturally knew that the nurses and doctors were in contact with the patients every day, so he didn't feel embarrassed at all. He could say anything he wanted to say, but ... Wasn't Guan Xin studying medicine at someone else's house? Why was he still ...

However, he didn't have time to think about it. When Guan Xiaoxiang saw Guan Xin's current appearance, he was shocked, "Xinxin, what's with your outfit, go wash it off! Are you attending a masquerade party?"

"Wash it off? Why? I'm always like this, why do I have to wash it off?" Guan Xin's lips curled up into a smile, but it was well hidden. "Dad, didn't you say that blind dates are meant to show your truest side? I can't deliberately change my mind for the sake of a blind date, right?"

"You ..." Guan Xiaoxiang finally understood what Guan Xin was up to! The so-called smoking, those bold and unrestrained words, and the current punk outfit were probably all to resist this blind date!

Otherwise, if Guan Xin really was like this, why didn't she just dress like this at home and put on makeup like this? why did she have to do this in the bathroom?

Guan Xiaoxiang knew that he had fallen for Guan Xin's trap. No wonder Guan Xin was so cooperative with him during the blind date. She had planned it all out!

"This must be aunty Shen, right?" Guan Xin took a puff of the cigarette and blew the smoke in front of Shen Yuxi's eyes, "Ah ... I'm sorry, Auntie, do you want one?"

"I don't want it anymore ..." Shen Yuxi looked at Guan Xin with a strange expression, but she didn't say anything.

"Guan Xin! "Stop fooling around, quickly apologize to aunty Shen and go back to your normal appearance," Guan Xiaoxiang was so angry that he shouted at Guan Xin. He then turned to Shen Yuxi and said awkwardly, "Sister-in-law Yuxi, I'm really sorry. Xinxin ... She's not like this usually ..."

"Oh ... It's nothing. That disciple of mine has the same character. They're quite similar. Maybe they'll make a pair!" Shen Yuxi suddenly said, "since you've dressed up, don't change it. Xinxin is right. It's the real side!"

"This ... Alright!" Guan Xiaoxiang's head was starting to hurt. He had really screwed up at the most crucial moment! However, since Shen Yuxi had said so, he could only respond,""Alright, let's hope that this marriage can happen ..."

At this moment, there was a knock on the door.

"Please enter!" Guan Xiaoxiang and Shen Yuxi said at the same time.

Lin Yi pushed the door open and walked in. He came from Donghai city, so he was a bit slow.

"Lin Yi? What are you doing here?" Guan Xiaoxiang's face turned even uglier! It seemed that Guan Xin didn't just dress herself up as a non-mainstream girl, she even dragged Lin Yi along with her!

Guan Xiaoxiang didn't even need to think to know that he was here to act as her boyfriend! He had to stop Lin Yi. He had to drive him away before Shen Yuxi's disciples came!

After listening to this, Shen Yuxi's expression was a little strange! So, Guan Xiaoxiang knew Lin Yi, and their relationship didn't seem to be very good?

However, Lin Yi knew Guan Xin. What would he do if he saw her in this outfit?

"I'm here to find someone, of course. " Lin Yi smiled faintly and quickly walked towards Guan Xin.

Guan Xin's face lit up when she saw Lin Yi. She quickly stood up and jumped into Lin Yi's arms."My dear, you're finally here. I've missed you so much!"

Guan Xin's words weren't entirely true-she didn't know she'd say something so bold, but it was half an act and half her voice!

After hearing Guan Xin's words, Shen Yuxi's expression became even weirder, while Guan Xiaoxiang was furious. He didn't care about Shen Yuxi's presence anymore. He slammed the table, stared at Lin Yi, and shouted,""Lin Yi, you're not welcome here, get out of here!"

However, Guan Xin acted as if she didn't hear him. She leaned into Lin Yi's arms and looked at Shen Yuxi,""Aunty Shen, let me introduce you to my boyfriend, Lin Yi."

"Oh, hello, Yi!" Shen Yuxi nodded and said.

Guan Xin was curious why Shen Yuxi wasn't angry, but maybe it was because she had information about the blind date. She knew that her disciple would be engaged.

Guan Xiaoxiang felt embarrassed,"Xinxin, stop it, Lin Yi. I know that Xinxin hired you to act in this movie, so stop it. How about you do it for the sake of my father, Guan Xuemin?"

However, before Lin Yi could speak, Guan Xin was unwilling, "Dad, I'm free to love, you can't interfere with me! Besides ... Besides ... Aiya, the little guy kicked me again ..."

As she spoke, Guan Xin's hand touched her stomach, her face full of excitement and enjoyment ...

"What did you say?" Guan Xiaoxiang was stunned by Guan Xin's words. After a while, his body couldn't stop shaking. He pointed at Guan Xin and was so angry that he couldn't speak, "You ..... You ..... Good, good, very good ..... Guan Xin, you've already gotten to this point with him, you ..... You ..... You're trying to piss me off!"

"Oh, really? Let's give our children a name. I say, how about Lin Xiaoxin or Lin Xiaoguan?" Lin Yi said with a smile, completely ignoring Guan Xiaoxiang.

In fact, Lin Yi didn't like Guan Xiaoxiang very much. From the moment he started working with Guan Xuemin, Guan Xiaoxiang had been trying to stop him. It was the same with his relationship with Guan Xin. Lin Yi only respected Guan Xiaoxiang a little for the sake of Guan Xuemin and Guan Xin.

Chapter 3470-Lin Yi Is Back

Lin Yi wanted to use this opportunity to make Guan Xiaoxiang suffer. He thought that Xuemin would be very happy to know about this! This son of his, he really had no choice. He didn't listen to others' words, but he had to listen to his benefactor!

The only thing that made Lin Yi laugh was that Guan Xiaoxiang's benefactor was actually his master, Yang Ming!

"Okay, hubby, if it's a boy, let's call him Lin Xiaoguan. If it's a girl, let's call her Lin Xiaoxin!" Guan Xin held Lin Yi's hand as she lay in his arms.

This was a bold move for Guan Xin-she'd never thought that she'd do something like this in front of so many people, but since it was an act, she'd let it go.

In fact, she was a little excited because of what she had done. It turned out that sometimes, when an obedient girl was rebellious, it was also very refreshing!

"It's really unfortunate for our family. Sister-in-law Yuxi, I'm sorry to have let you see this ..." Guan Xiaoxiang really didn't know what to say. He really had nothing to say.

"No, I think it's pretty good. They're in love with each other, and it's really not bad." Shen Yuxi covered her mouth and chuckled.

However, in Guan Xiaoxiang's eyes, that smile turned into a sneer, making him feel a little embarrassed. He took a deep breath and said, "Lin Yi, I'm begging you now, can you please leave? Xinxin's blind date is coming soon! If you give me face and let the blind date go on smoothly, I won't care about the outcome, okay? When the time comes, I won't care what you and Xin Xin want to do, okay?"

Guan Xiaoxiang had no other choice, so he chose to compromise! No matter what, she had to live with today's matter. She couldn't let the disciple of her benefactor see her daughter in this state. That would be too rude!

Now that Lin Yi was gone, he didn't want to care anymore after today. A grown girl shouldn't be kept in the family.

"Then ..." Lin Yi turned to Guan Xin.

"Lin Yi ... Why don't you listen to my dad ..." Guan Xin was a good girl after all. Although she was fighting for her love before, she felt that it was too much. Now that her father gave in, she achieved her goal and didn't want to go too far.

"Okay, I'll be going then ... Call me if you need anything." Lin Yi nodded and turned to Guan Xiaoxiang, "Uncle Guan, since you're so insistent, I'll take my leave first. See you later!"

"Alright!" Guan Xiaoxiang snorted, thinking, "see you later, not later at all. Wait for me to leave before you appear again, don't let me see you again!"

Lin Yi smiled and didn't say anything else. He got up and walked out of the room.

Shen Yuxi found it a little funny, but she did not say anything to persuade him to stay. She was happy to watch this farce!

After Lin Yi left, Guan Xiaoxiang finally let out a breath of relief and said to Shen Yuxi, ""Sister-in-law Yuxi, you see ... This Xin Xin is also disobedient. I'm afraid this marriage ... AI!"

"Oh? I think Xinxin is a good girl and I'm quite satisfied with her!" With Shen Yuxi's shrewdness, how could she not see the problem between Guan Xin and Lin Yi? Besides, although she didn't smoke, Yang Ming smoked. How could she not know the smell of smoke if she hadn't smoked?

Guan Xin's smoke didn't smell like tobacco at all-it was just a tasteless prop, and she wasn't even smoking! Even when the smoke was sucked into the mouth and then exhaled after a while, it did not pass through the lungs. This was not smoking at all!

It was just that Guan Xiaoxiang was so concerned that he didn't notice these details.

Plus, if guanxin really was pregnant with Lin Yi's child, would he not tell her? It was Guan Xin's resistance to the engagement that caused all this trouble!

"Ah? Are you satisfied?" "But, Guan Xin ..... She's pregnant, this blind date ....."

"That's just right, we're getting married!" Shen Yuxi smiled and said, "that's good."

"Ah?" Guan Xiaoxiang didn't understand Shen Yuxi's intention at all. Was she so angry that she was confused? A shotgun wedding? This was clearly the rhythm of becoming a father! Would her disciple be able to accept it? However, since Shen Yuxi had said so, he had to say, ""Then ... Sister-in-law Yuxi, can you ask when our benefactor's disciple will arrive? let's meet first and talk ..."

Guan Xin's face was a little pale. She thought that after doing so many things, Shen Yuxi would give up on her directly. She didn't expect that Shen Yuxi would still want to have a shotgun marriage? Could it be that their family members had some sort of special fetish? Or ... Did I give myself away somewhere?

"Alright, I'll make the call now." Shen Yuxi took out her phone with a smile and dialed Lin Yi's number, ""Where are you? Your uncle Guan is looking for you! Oh ... You're in the hotel, come in quickly!"

Lin Yi didn't leave at all. He just went out for a walk and came back. He knocked on the door and Shen Yuxi's voice came from inside, ""Please enter!"

And so, Lin Yi pushed the door open and walked in.

"Lin Yi?!" Guan Xiaoxiang was just about to stand up to welcome them when he saw Lin Yi walking in. He panicked, "You again? What are you doing here?"

"Master's wife Shen, uncle Guan, how are you?" Lin Yi smiled at Shen Yuxi and Guan Xiaoxiang before turning to Guan Xin, ""This must be my blind date, Guan Xin. She's really pretty, I really like her!"

"? !"Guan Xiaoxiang was stunned, but he immediately understood what was going on,"Lin Yi, stop it! I've already said that after the blind date is over, you can do whatever you want. But what's the point of pretending to be sister-in-law Yuxi's disciple when you come back? Do you think this is funny?"

"Xiao Yi, master's wife is also very satisfied with Xinxin. I have also seen it. Although the dress is a little different, and she likes to smoke fake cigarettes for fun, but ... Overall, it is good. There are no shortcomings. Young people love to play ... When I was young, I did a lot of ridiculous things ..." Shen Yuxi spoke at this time!

"Ah?" This time, it was Guan Xiaoxiang's turn to be dumbfounded, and Guan Xin was also somewhat dumbfounded looking at Shen Yuxi!

What was the meaning of this? Did she mean that Lin Yi was her disciple? Was she also the blind date this time?

This 180-degree turn from front to back was something that the two of them really couldn't accept!

"Sis-in-law Yuxi, you mean ... Lin Yi is ..." Guan Xiaoxiang said after a while.

"Yeah, Lin Yi is Yang Ming's disciple!" Shen Yuxi nodded.

"What?" Guan Xiaoxiang looked at Shen Yuxi in shock, his face full of disbelief! This ... This was Lin Yi? Guan Xiaoxiang suddenly felt his face burning!
