

Bodyguard 5841

Chapter 5841 Rejection

Li Zao Yi said indifferently, "who the pill Hall's enemy is isn't something you can decide!" Not to mention that you're only vice Hall Master Zheng's grandnephew, even vice Hall Master Zheng can't represent the pill Hall's position!"

These two sentences could be said to be quite heavy. Not only did Zheng Tianqing's expression change, but even Zheng dongjue felt ashamed.

Lin Yi couldn't be bothered with a small fry like Zheng Tianqing. He came out to make the yin and yang pill to save Shang Wanyi. He had the two main ingredients, so as long as he had the recipe, his Shennong cauldron would be able to make the yin and yang pill.

"Why do you want to concoct pills with me?" Lin Yi was curious about her suggestion as well, so he asked.

Li Zao Yi said expressionlessly, "a person who says he's going to refine pills with his eyes closed definitely won't have his mind on refining pills. Even if he really closes his eyes, his mind will only fall on me. Besides, I don't think he'll really close his eyes!" Since I'm going to refine the pill, I'll definitely refine the yin and yang pill with a hundred percent success rate and save Vice President Shang. I'm afraid that a person with such distracting thoughts like him has never thought about successfully refining the yin and yang pill. He's just taking advantage of me!"

It was rare for the girl to talk so much, and Lin Yi really did admire her. No wonder she was so rude to Zheng Tianqing and Zheng dongjue. She wasn't stupid, after all. She knew what that idiot Zheng Tianqing was thinking.

It was not wrong to say that Zheng Tianqing did not care if he could refine the yin and yang pill. This kid was only thinking about how to take the opportunity to get Li Zao Yi. Whether Shang Wanyi was Dead or Alive, it was none of his business!

"You said that I'm going to concoct the yin and yang pill with you, so you should have the formula for the yin and yang pill, right?" Lin Yi smiled, not planning on responding to her words.

Li Zao Yi nodded. "Of course I have the recipe for the yin and yang pill. Although this pill is relatively unpopular, I like to collect all kinds of recipes. The recipe for the yin and yang pill is one of them. If you agree, we'll start making the yin and yang pill immediately."

Shang Yuhua subconsciously grabbed Wei Shenjin's hand, but she didn't notice it at all. She only looked at Lin Yi nervously. This damn Yin Yang pill was really driving her crazy. It was full of ups and downs, and now, as long as Lin Yi agreed, her father would be saved!

"Let me see the pill recipe first!" Lin Yi didn't say yes or no, he just asked Li Zao Yi to show him the recipe first. Speaking of which, last time this girl came to ask Shi Jun about the recovery method or the recipe, maybe it was because she liked to collect the recipe?

Li Zao Yi didn't suspect anything and took out a small piece of parchment from her bag, "This is the recipe for the yin and yang pill. It's the right thing to do if you take a closer look at it. If you don't do this, I'll also think that you're not qualified to concoct pills with me."

Lin Yi smiled faintly—this girl was quite prideful, testing the guy's expertise secretly when she asked him to make elixirs. Unfortunately, she didn't know that Lin Yi had never planned to make elixirs with her.

After a few quick glances, Lin Yi memorized the recipe. Other than the yin core fruit and yang extreme grass, the other supplementary herbs were indeed very common-Lin Yi had a lot of them in his own storage.

He gave the recipe back to Li Zao Yi and smiled, "I'm sorry, but I won't be refining the yin and yang pill with you!"

Shang Yuhua's fingers clenched so tightly that she didn't even feel her nails digging into Wei Shenjin's palm. Wei Shenjin's expression didn't change at all, as if it wasn't even his palm.

Li Zao Yi looked at Lin Yi, confused, "Why? Do you think you can't refine the yin and yang pill? But other than the special conditions, the Yin Yang pill is only a golden class level Seven pill. It shouldn't be difficult for you, right?"

"Master Li Zao, since Lin Yi doesn't want to help Vice President Shang, you should go with my grandson and make the yin and yang pill." Zheng Dongsheng said. To be honest, putting aside Lin Yi's hostility towards the pill Hall, his chemistry with Master Li Zao is also a problem. Besides, Tian Qing can be considered a member of the pill Hall, so this kind of pill refining should be done with his own people. "

"You shut up! It's not up to you, an Alchemist from a famous medicine sect, to meddle in the affairs of the pill Hall. Don't think that just because you're Vice Hall Master Zheng's cousin, you can order the pill Hall around!" Li Zao Yi really didn't have a good impression of the Zheng family. Even Zheng Dongsheng was so merciless that he rebuked them.

Ignoring Zheng Dongsheng's ugly face, Li Zao Yi frowned and asked Lin Yi, "Lin Yi, you're not thinking that you'll be at a disadvantage if you work with me, are you?"

Lizao Yi wouldn't believe that Lin Yi thought that he couldn't make the yin and yang pill, but he might be at a disadvantage.

But if he were to make the yin and yang pill, what loss would he have to suffer? Yi didn't even care that she'd be at a disadvantage, but Lin Yi? To be honest, Li Zao Yi didn't understand what he was thinking at all.

Shang Yuhua anxiously pulled Wei shenjin and whispered in his ear, ""Brother Wei, please help me beg your boss. As long as he can help me refine pills, I will agree to any request he has! Also, if my father can wake up, I ... I'm willing to marry you!"

Thinking back to how Lin Yi had expressed his intention to set her up with Wei shenjin many times, Shang Yuhua felt like she understood something. Perhaps Lin Yi wanted to use this matter to make her willingly marry his follower?

To be honest, after spending some time with Wei shenjin, Shang Yuhua's impression of him had changed. After she said that she was willing to marry Wei shenjin, she did not have any negative emotions. Instead, she had a faint thought that it was a good idea.

Originally, Shang Yuhua thought that Wei shenjin would be overjoyed after hearing this. After all, his love for her was obvious to anyone who was not blind. However, to her surprise, Wei shenjin did not seem happy at all. Instead, his expression changed slightly.

When Wei shenjin quietly pulled his hand away from Shang Yuhua, she realized that she had been holding his hand the whole time. When their hands separated, she felt an inexplicable sense of loss.

"Miss Shang, my boss isn't someone who likes to be threatened. If he can save Chairman Shang, he definitely won't stand by and do nothing. And I hope you know that I like you as a person, not a commodity that can be used for trade!" Wei shenjin whispered in Shang Yuhua's ear. This was the first time he had clearly said that he liked her, but perhaps after he said that, they would never be together again.

Chapter 5842 I Didn't Say I'll Refine It With You

But Wei shenjin didn't regret it-the Shang Yuhua he wanted wasn't from a trade, and she thought that Lin Yi was threatening her, which was unforgivable.

Shang Yuhua's face turned pale. She felt that she was really stupid. Wei shenjin had clearly shown his sense of responsibility and his principles. How could she still say such things?

She really wanted to tell Wei shenjin that she was too anxious and spoke without thinking, but in the end, she just opened her mouth and couldn't say a word because Wei shenjin had already bowed to Lin Yi and made a request.

"Boss, Vice President Shang is in an emergency. Please make a yin and yang pill to save Vice President Shang!" Wei shenjin requested respectfully. He didn't even ask if Lin Yi could make the Yin Yang pill because there was no need to ask. Even that idiot Zheng Tianqing said he could make it, so how could boss not?

Li Zao Yi's opinion of Lin Yi had changed drastically. Although Shang Yuhua and Wei shenjin's conversation was soft, she could still hear some of it. With her intelligence, she could naturally imagine what she didn't hear clearly.

So now, Li Zao Yi was sure that Lin Yi was using the Yin Yang pill to force Shang Yuhua to marry Wei Shenjin. This kind of scam didn't have the right to refine pills with her!

Lin Yi smiled faintly and turned to Wei Shenjin, "Of course I'll refine the yin and yang pill, but I can't give you this favor. Otherwise, people will really think that we're colluding to make her suffer."

Shang Yuhua took a deep breath and calmed herself down before bowing to Lin Yi, "Master Lin, it's Yuhua's fault. He's judged a gentleman with his own mean measure! Big brother Wei was such a responsible man, how could the boss he acknowledged be inferior to him? However, Yuhua's promise to marry big brother Wei isn't a deal, but a sincere one. No matter how this ends, I have to make this clear!"

Lin Yi smiled and patted his shoulder. "Miss Shang is a good girl. Cherish her in the future and don't let her down!"

"Boss!" Wei Shenjin's face was slightly red, but he knew that this was not the time to talk about this, so he could only lower his head and remain silent.

"Give me the yin core fruit and yang extreme grass, I'll make the Yin Yang pill," Lin Yi said, waving his hand.

"I've changed my mind," Li Zao Yi said coldly. "You're not a good person either. I don't want to work with you anymore!"

Lin Yi shrugged and said nonchalantly, "I'm sorry. I've already said that I don't want to concoct pills with you. It's just a yin and yang pill. I can concoct it myself."

Li Zao Yi frowned and said,"that's impossible. Even if you have fire and water dual spiritual roots and can condense the fire of the fire and water dual attributes, it's impossible to refine the yin and yang pill!" There's only one Yin core fruit and one yang extreme grass each. If you mess around like this, Shang Wanyi will really be dead!"

Zheng Tianqing finally found a chance to step on Lin Yi, and he couldn't wait any longer."Lin Yi, don't play with people's lives when you're bragging! Master Li Zao's alchemy skills are far above yours, so how could he not know the difficulty of refining the yin and yang pill? Besides, you didn't even have the recipe for the yin and yang pill, and after peeking at Master Li Zao's recipe, you said that you could refine it by yourself. Did you really think that this was a joke?"

Lin Yi glanced at him in disdain, his face full of mockery,"Summer insects can't talk about ice. If you can't do it yourself, does that mean no one else in the world can do it? I'm already praising you for being a frog in a well. You'd better go back and read a few more books to improve your knowledge. Otherwise, you'll only be embarrassing the Zheng family if you come out and talk nonsense!"

Zheng Dongsheng sneered."The offspring of my Zheng family doesn't need a person with a mouth full of nonsense like you to talk about them. Instead of letting you waste spiritual medicine, it's better to let my grandson and master lizao refine the yin and yang pill together!"

Li Zao Yi didn't say anything this time and just looked at Lin Yi coldly. He wanted to see how Lin Yi was going to end this. As for Shang Wanyi's life and death, if he could save him, li Zao Yi would, of course. But in this situation, he might not be able to save him.

Lin Yi ignored the Zheng family's idiots and turned to Shang Yuhua."Miss Shang, do you believe me if I say I can refine the yin and yang pill? If you believe me, then give me the thing. If you don't believe me, then just pretend I didn't say anything. "

He saved Shang Wanyi because they had a pretty good relationship, and they had just agreed on a small collaboration. He also did it for Wei shenjin, but if Shang Yuhua didn't believe him, he would just leave. He didn't need to beg her to make pills for him.

Shang Yuhua didn't hesitate at all this time. She'd heard too much about Lin Yi from her father, and she admired him a lot. Besides, this was Wei shenjin's boss, and out of her trust in Wei shenjin, she would choose to believe in Lin Yi as well.

Lin Yi was a little surprised to see Shang Yuhua handing him the two main ingredients without hesitation. He thought that she would at least think about it.

Zheng Dongsheng's face was extremely ugly. He snorted coldly and said,""The yin core fruit belongs to me-it's for saving people, not for you to waste. If you're really going to make the Yin Yang pill by yourself, then I'm sorry, but I'm not selling it!"

Lin Yi laughed out loud and looked at Zheng Dongsheng with a mocking face,"Zheng Dongsheng, you're really shameless! How could he overturn a deal that was cleared of money and goods? No wonder you look so much like a dog. It turns out that you like to eat the things you poop. "

The people around them chuckled, obviously disdainful of Zheng Dongsheng's actions. On Sky Class Island, you could steal or Rob, but you couldn't go back on your word after the deal was completed. That would attract everyone's disdain. Because of this, Cai Zhongyang was so hesitant when he took out the Yang extreme grass.

Zheng Dongsheng regretted it too. He was too anxious, so he didn't think carefully before speaking. Lin Yi caught him off guard.

However, once the words were spoken, it was hard to take them back. If he were to go back on his words, he would only be laughed at even more.

Shang Yuhua was very sensible this time. She immediately took out a yellow spiritual Jade card and handed it to Zheng Dongsheng, ""Master Zheng, I know you sold the yin core fruit at a low price, but a deal is a deal. Since it's done, there's nothing more to say. To thank master Zheng for your help to our Chamber of Commerce, these spiritual jades are a small token of appreciation. Please accept them. When my father wakes up, he'll definitely pay you a visit!"

Chapter 5843 Refining It Alone

After all, he was from the Wantong Chamber of Commerce. After he had calmed down, he was very good at dealing with things. His words were watertight. Not only did he remind them that the deal for the yin core fruit had been completed, but he also showed that the new spiritual Jade card was just a token of appreciation and not related to the previous deal. He didn't want to be entangled with them again.

Lin Yi didn't care if Zheng Dongsheng would accept the spiritual Jade card or not. He just sneered at him and turned around to leave. The refining of the yin and yang pill had to be done as soon as possible. Although Shang Wanyi was fine for now, there would be problems as time went on.

Li Zao Yi watched Lin Yi leave coldly and didn't say anything else. Since Shang Yuhua chose to believe Lin Yi, she wouldn't fight for this alchemy job.

"Master lizao, those people from the Shang family are idiots," Zheng Tianqing said unhappily, "they actually believed that Lin Yi, that liar, could make the Yin Yang pill by himself. What a waste of the yin core fruit and yang extreme grass!"

Li Zao Yi didn't even want to pay attention to him. He had just scolded their Zheng family, but this guy still shamelessly approached them. No one could be so shameless!

In fact, Zheng Tianqing had no other choice. Taking Li Zao Yi down was something he had to do. It was crucial to the Zheng family's control of the pill Hall. Not to mention that Li Zao Yi had only scolded them, even if Li Zao Yi had slapped him, he would have to move his other side to let her slap him.

Shang Yuhua watched as Lin Yi left, but she was still a little nervous. She might have given the things to Lin Yi so easily, but it was about Shang Wanyi's life. She would be lying if she said she wasn't nervous.

Unconsciously, she once again subconsciously held Wei Shenjin's hand as if this could give her a sense of security. Wei Shenjin felt her uneasiness and comforted her softly, "Don't worry, boss never does anything he's not confident in. As long as he makes a promise, he'll definitely do it!"

Only then did Shang Yuhua realize that her hand was holding Wei Shenjin's again. Hearing his soft words, her heart instantly calmed down. After a soft "en", she didn't say anything else.

After returning to his room, Lin Yi turned on the restrictions and took out the Shennong cauldron, inserting the recipe into it.

Just as he had expected, the automatic alchemy system didn't require any male and female partners. As long as true Qi or spiritual sense was inputted and converted into a suitable alchemy fire, the process of alchemy could be easily completed.

After the analysis of the system, the most suitable script for the yin and yang pill was created. Lin Yi followed the instructions step by step, and after four hours, he finally made the yin and yang pill.

In terms of refining time, the yin and yang pill was indeed longer than the spirit tempering pill and even the mountain gaze pill. It could be seen that the difficulty of this pill was higher, but it didn't matter. It was enough as long as he could succeed.

Lin Yi opened the Shennong cauldron and got two yin and yang pills-this was a pleasant surprise. The automatic refining system only predicted that there would be one. After all, there was only one set of materials, and putting all of them in would only give him a little extra. He didn't think that he'd be able to make one yin and yang pill with that.

Moreover, these two yin and yang pills were of Supreme-grade and unique-grade, so if they were to be auctioned off, they would at least have a starting price of over 100000 spirit Jade each.

After packing his things, Lin Yi opened the door and went to the deck. Most of the people who wanted to watch the show had left. After all, Shang Wanyi's death wasn't worth staying here to wait for the results. Only those related to him were still here. For example, the Zheng family wanted to see Lin Yi make a fool of himself, and Yi wanted to teach him a lesson.

So when Lin Yi appeared on the deck, Zheng Tianqing laughed mockingly before Lin Yi could say anything, "Look, Master Lin is here. He actually used more than four hours to destroy the pill. I wonder how he's going to wake up Vice-President Shang. Master Lin's alchemy skills are really earth-shattering!"

Zheng Dongsheng also sneered, "ignorant brat. Do you think that you can refine all the medicinal pills just because you can refine a few difficult medicinal pills? Miss Shang, you'd better hurry and prepare for your father's funeral! It's extremely difficult to make the yin and yang pill. It might not even be

successful in 24 hours. This kid doesn't know the immensity of heaven and earth. I don't even need to ask to know that he must have failed. "

Shang Yuhua's face was pale and her body shook slightly. Wei shenjin clenched his fist and said softly, ""Boss won't let us down. Before boss speaks, we don't need to care about any gossip!"

After hearing Wei shenjin's words, Shang Yuhua took a deep breath and looked at him as she nodded her head. At this point, she could only believe that Lin Yi could bring a miracle!

Li Zao Yi frowned as well, looking at Lin Yi unhappily, waiting for him to speak.

Lin Yi didn't care about the two's provocation at all. He walked to Shang Yuhua and handed her a Jade bottle."The yin and yang pill is done. Hurry up and give it to your father!"

"Impossible!" Zheng Tianqing cried out. Lin Yi really took out the Yin Yang pill? A single yin and yang pill concocted in four hours? If he didn't know that Lin Yi wasn't someone he could mess with, he would've rushed over to take the Jade bottle.

However, Li Zao Yi didn't have such concerns. He directly walked over to Shang Yu Hua and said, ""Let me see the Jade bottle, I want to know if Lin Yi really made the Yin Yang pill."

Shang Yuhua didn't even have the chance to thank Lin Yi when she received the Jade bottle. She looked at Lin Yi hesitantly, not sure if he would mind.

Of course, Shang Yuhua was actually very mindful of it. She only wanted Shang Wanyi to consume the Yin Yang pill immediately. Who would be happy to let someone else research such a life-saving item? What if an accident happened? At that time, he would not have a second set of alchemy materials to refine the yin and yang pill.

Lin Yi glanced at Li Zao Yi indifferently and nodded to Shang Yuhua. He was just showing it to her, it was no big deal. Even if Li Zao Yi did something to the pill, he still had another one on him, so he didn't need to worry about Shang Wanyi not having any Yin Yang pills.

Seeing Lin Yi nod, Shang Yuhua carefully passed the Jade bottle to Li Zao Yi. Li Zao Yi opened the Jade bottle with a serious expression. There was a black and white elixir with a Tai Chi pattern inside. There were also three faint auras surrounding it. It was definitely a yin and yang elixir!

Even an alchemy Grandmaster like Li Zao Yi couldn't help but gasp when he saw the yin and yang pill. He exclaimed in a low voice, "It really is a Yin Yang pill, and it's a special grade one! How is that possible?"

Chapter 5844 Everything I Said Is True

Zheng Tianqing suddenly looked like a duck that had its neck grabbed. He stretched his neck and looked over with a red face. After a while, he called out, "Master Li Zao, don't be fooled by this scammer. How could the yin and yang pill be concocted in such a short period of time? and it was concocted by one person at that. He must have prepared this pill a long time ago, and now he's using it to show off."

Li Zao Yi suppressed the shock in his heart and looked at Zheng Tian Qing with a cold expression, "Are you doubting my judgment? Whether it's a newly refined pill or not, how could I not tell?"

Zheng Tianqing was at a loss for words. He was an Alchemist himself, and he knew that there was a huge difference between a freshly made pill and a pill that had been stored for a long time. However, it was too difficult for him to believe that Lin Yi had just made the Yin Yang pill by himself!

Li Zao Yi snorted and ignored Zheng Tian Qing. She returned the Jade bottle to Shang Yu Hua and said, "This is indeed the yin and yang pill. Your father can be saved. Hurry up and feed him this!"

"Thank you, Master Lin. Thank you, Master Li Zao!" Shang Yuhua quickly thanked him and took the Jade bottle, feeding the Yin Yang pill into Shang Wanyi's mouth.

The yin and yang pill melted as soon as it entered Shang Wanyi's mouth and quickly harmonized the water and fire true Qi in his body. In a short span of a dozen breaths, his body stopped twitching, and the situation where half of his body was red and half of his body was pale slowly disappeared. The hot and cold Qi gradually blended and slowly returned to his normal body temperature.

Shang Yuhua was extremely excited. She covered her mouth and did not dare to make a sound, afraid that it would affect Shang Wanyi's recovery. After a while, Shang Wanyi woke up. Other than being a little dispirited, he was basically fine.

"Father, you're finally awake! You really scared your daughter to death!" When Shang Yuhua saw Shang Wanyi sit up, she immediately threw herself into his arms, and the tears that she had been holding back for a long time burst out.

The Zheng family had left quietly, too embarrassed to stay. Only the people from Wantong Chamber of Commerce, Lin Yi, Hou Guanqi, Cai Zhongyang, and the others were left on the deck.

Hou Guanqi and Cai Zhongyang weren't surprised that Lin Yi was able to make the yin and yang pill. Seeing that Shang Wanyi had woken up, they didn't stay any longer and quietly greeted Lin Yi before leaving.

"Father, it's all thanks to Lin Yi, Master Lin, that we were able to save you. There's also President Cai of the five elements Chamber of Commerce. Without his yang extreme grass, we wouldn't be able to make the Yin Yang pill ..." Shang Yuhua remembered that she should thank these benefactors now, so she quickly stood up and wanted to tell Shang Wanyi what had just happened.

Shang Wanyi waved his hand. "Yuhua, you don't have to say anything. Although I've been possessed by the devil, I'm still conscious. I know everything that happened here."

He stood up and walked to Lin Yi, cupping his fists and bowing, "Master Lin, it's all thanks to Master Lin that I'm able to keep my life. From now on, if you need any help, I, Shang Wanyi, will definitely do my best!"

Lin Yi waved his hand, "Chairman Shang, you're too kind. We're friends, after all. How can I just sit by and do nothing when a friend is in trouble? don't mention this again, or you're not treating me as a friend!"

"Alright, since Master Lin has said so, I won't say anything more!" Shang Wanyi laughed and patted his chest, "I can't thank you enough for your great kindness. I'll keep everything in my heart!"

After talking to Lin Yi, Shang Wanyi thanked Li Zao Yi again. Although she didn't refine the elixir directly, she did try to refine the elixir for him at the cost of her reputation. She also showed Lin Yi the recipe of the yin and yang elixir, so it was only right for her to thank him.

However, Li Zao Yi didn't really care about Shang Wanyi's thanks. She was more concerned about Lin Yi's alchemy, so she just said a few words and thought about how to ask Lin Yi.

Shang Yuhua, who was at the side, wiped the tears from her face and smiled sweetly at Wei shenjin, ""Brother Wei, you're right. Your boss is indeed a man of his word. He would never lie!"

Wei shenjin said proudly in a low voice, ""Of course, my eyes are very good now. I can't be wrong about people!"

His words made Shang Yuhua blush slightly, her heart feeling a little sweet. She then whispered, ""My taste is not as good as yours, but I won't lie either. What I said just now ... Was all true ..."

"What?" Wei shenjin was startled.

Shang Yuhua reached out her finger in embarrassment and pinched Wei shenjin's arm lightly, ""Do you want me to say it again? Don't even think about it! If you don't remember, then forget it!"

Wei shenjin suddenly came to a realization, and his heart was naturally overjoyed. However, in front of his father, he did not dare to have any overly intimate actions. For a moment, he scratched his ears and cheeks, not knowing what to do.

Shang Wanyi was talking to Lin Yi, "Master Lin, you've worked hard today. When you're free, I'll pay you a visit. Regarding my Qi deviation, I still have some things I want to ask Master Lin."

"Chairman Shang can come over at any time. You need to rest well today, so I'll take my leave first. Also, if Chairman Shang sees me as a friend, please don't call me Master Lin anymore, just call me Lin Yi. " Lin Yi said with a smile. Shang Wanyi seemed like a nice guy, and Wantong Chamber of Commerce was pretty influential in central island. It was always good to have one more friend.

Shang Wanyi laughed. "That's good. I'll follow President Cai Zhongyang and the others and call you brother Lin. Brother Lin, you don't have to call me President Shang anymore. That's too formal."

"Brother Shang!" Lin Yi smiled and nodded.

While the two of them were chatting, Li Zao Yi was already a little impatient. She said indifferently, "Chairman Shang needs to recuperate. It's best for you to go back and rest!"

Shang Wanyi was a veteran in the business world. He knew that Lin Yi was annoyed at him for being in the way. After all, he had helped Lin Yi before, so he couldn't not give him face. He greeted Lin Yi with a smile and said goodbye to Li Zao Yi.

Seeing that her father was about to leave, Shang Yuhua quickly whispered to Wei Shenjin, "Let's go to the dining room for breakfast tomorrow morning!"

Without waiting for Wei Shenjin's reply, she shyly turned around and walked away with Shang Wanyi.

Wei Shenjin laughed as he watched Shang Yuhua leave, amused by Lin Yi's reaction. He patted his shoulder, "Let's go back to sleep. Otherwise, we won't be able to wake up for breakfast tomorrow!"

Chapter 5845 My Master Is Zhang Liju

"Boss, do you want to have breakfast together?" Wei Shenjin scratched his head as he smiled, but Lin Yi guessed that the guy probably didn't want a third wheel like him to go with them.

Before Lin Yi could reply, she turned to him, "Lin Yi, wait!"

"What is it?" Lin Yi thought that he should at least give her some face after seeing her recipe, so his tone was still gentle.

In fact, Lin Yi felt a little friendlier towards her after seeing her attitude towards the Zheng family. They weren't friends yet, but at least she wasn't an enemy.

"Did you really refine the Yin Yang pill by yourself, and it's even a unique grade Yin Yang pill?" Even though the truth was right in front of her, Li Zao Yi still couldn't help but ask.

Lin Yi shrugged and smiled faintly, "What's so strange about that? You've seen it yourself, do you still need to ask me?"

Li Zao Yi frowned slightly and muttered to himself, "This is impossible! Why did it turn out like this? How can a single person concoct the Yin Yang pill?"

Lin Yi thought that with the automatic refining system, there was no pill that couldn't be made. Of course, he wouldn't tell this to the girl.

"Nothing is impossible in this world. You think it's impossible only because you haven't found the way to make it possible!" Lin Yi said casually as he prepared to leave. If that was the only question she asked, then he really didn't have much to say.

Li Zao Yi's eyes lit up and she repeated in a low voice, "Nothing is impossible in this world. You think it's impossible only because you haven't found the way to make it possible!"

It sounded normal, but the more he thought about it, the more he felt like it made sense. The way Lizao Yi looked at Lin Yi changed-this guy was really unfathomable!

"Alright, if there's nothing else, I'll be leaving!" Lin Yi waved his hand, gesturing for Wei shenjin to leave.

"Wait a minute, Lin Yi, can you teach me how to make the yin and yang pill?" Li Zhaoyi quickly extended her hand. I can use pill formulas, spiritual herbs, and so on to exchange with you!"

As for spiritual jades, Li Zao Yi didn't mention them at all. She didn't think that an Alchemist would lack spiritual jades. Only those precious pill recipes and spiritual medicines would arouse the other party's interest.

Lin Yi was quite interested in Li Zao Yi's conditions, but he couldn't tell her the method he used to make the elixir, so he gave up on it.

"I'm sorry, my method is only suitable for me. No one else can copy it." Lin Yi shook his head-it was the truth. "So you don't have to worry about it. No matter what you bring out, I can't teach you."

A trace of disappointment appeared on Li Zao Yi's face, and she immediately asked, ""Lin Yi, can you tell me who your master is?"

Lin Yi thought that this weird girl didn't take the usual path-this was someone else's privacy, wasn't it? Even if you want to ask, you should at least be tactful. How can you ask so directly?

"Can you tell me?" Li Zao Yi asked again, her eyes full of expectation.

Lin Yi shook his head and chuckled,"Shangguan Tianhua!"

Li Zao Yi was obviously startled, and then she slightly frowned and said,"That can't be right. Shangguan Tianhua shouldn't know how to refine pills, right? How did he manage to produce such an alchemy Grandmaster like you?"

Don't tell me you really believed it? Lin Yi was speechless-this was obviously bullsh * t, but this girl didn't even suspect a thing, and even seriously considered how Shangguan Tianhua had taught Lin Yi alchemy. He really couldn't believe it.

After this period of interaction, Lin Yi could tell that lizao Yi was a little girl who didn't know much about the world. She was pure and kind, but because she didn't interact much with people, she wasn't very sophisticated. She was actually a good person.

If lizao Yi didn't get the right answer, she'd probably come back and pester him again. Lin Yi didn't want to trouble her anymore, so he decided to tell her the truth.

"Come here, I'll tell you a secret!" Lin Yi waved at Fang Zao Yi and waited for her to come closer. He moved closer to her and whispered, ""Actually, you know my master as well. He's the head of your Hall of alchemy, the God of alchemy, Zhang Liju!"

"Ah?" Li Zao Yi stood up and looked at Lin Yi with an adorable face. She opened her mouth and asked after a while, "Really?"

"Guess!" Lin Yi smiled faintly.

Then, without waiting for Li Zao Yi to say anything more, he directly brought Wei shenjin back.

Zheng Tianqing, who was peeking from a distance, gritted his teeth in anger. Lin Yi almost put his mouth to Li Zao Yi's ear just now. He had been trying to please Li Zao Yi for the past few days, but he still couldn't get this intimate with Li Zao Yi. What right did Lin Yi have?

Li Zao Yi was still standing there in a daze. She wanted to guess that Lin Yi was lying, but it felt like he was telling the truth. Other than Zhang Liju, who else on Sky Class Island had the ability to raise a disciple like Lin Yi?

Wei shenjin was very excited the whole way, but Lin Yi didn't bother with him. He sent him back to his room to sleep and went back to his room.

He'd been making elixirs the past two days, but he didn't want to do that anymore-he wanted to train.

When he was leveling up, he was just a little bit away from the peak of the mystic Ascension realm, but he stopped at the peak of the late stage of Mystic Ascension. He wanted to see if he could find an opportunity to break through.

After knowing that there was a limit to using spiritual roots and spiritual fruits, Lin Yi gave up on the idea of using spiritual sense to level up. Even if he wanted to use it, he'd have to wait until he entered the mountain opening stage.

After entering the Jade space, Lin Yi started using the heaven's stolen fortune to train. The damn thing was still in seclusion, and no one would disturb him. It was the best time to train.

However, Lin Yi estimated that he wouldn't have the chance to reach the peak of Mystic Ascension in a short period of time. He needed to consolidate his previous progress and wait for the opportunity to break through.

Time flew by as Lin Yi cultivated-it was already noon after a few large circulations. He didn't know how Wei shenjin and Shang Yuhua were doing for breakfast, perhaps they'd even have lunch or dinner.

After leaving the Jade space, Lin Yi's spirit sense went through the restrictions on the door and found Shang Wanyi standing there alone. He didn't know how long he had been waiting for, but Lin Yi quickly opened the restrictions and invited him in.

"Lil bro Lin, sorry for disturbing you!" Shang Wanyi saw Lin Yi open the door and immediately cupped his fists with a smile,""I hope I'm not disturbing you?"

"You're too kind, brother Shang,"Lin Yi gestured." Come in and let's talk. "

Chapter 5846 The Zheng Family's Failure

Shang Wanyi replied politely before following Lin Yi into his room. After he sat down, he took out a green spirit Jade card and placed it on the coffee table, "Younger brother Lin, if it weren't for your help this time, I'm afraid I wouldn't have been able to survive today. These spirit jades are not gifts of thanks, they're just for the cost of younger brother Lin's alchemy. You must not reject them. Although my life isn't worth much, it's not something that can be bought with a few spirit jades."

Lin Yi didn't argue. Five hundred thousand spirit jades for a chance to refine pills was indeed not low, but it was nothing compared to the life of the Vice President of Wantong Chamber of Commerce, Shang Wanyi. Shang Wanyi's meaning was clear-Lin Yi's favor of saving him wasn't something these spirit jades could make up for. In the future cooperation with the heavenly pill Pavilion, the profit from a few high-class pills could earn back this sum of spirit Jade.

Since Shang Wanyi had already taken it out, it would only make their relationship seem more distant if Lin Yi didn't accept it. He only nodded indifferently and thanked him before keeping the spirit Jade card.

Shang Wanyi's face revealed a happy expression. He chatted with Lin Yi for a while longer before turning serious, "Lil bro Lin, the reason I'm here today is actually to talk to you about my Qi deviation."

"Brother Shang," Lin Yi nodded, "do you feel that your Qi deviation this time is a bit sudden, and that's why you're feeling weird?"

"Not bad! That's exactly the case!" Shang Wanyi looked at Lin Yi in surprise, ""Could it be that you've already noticed something wrong with me, lil bro Lin?"

"No, I didn't," Lin Yi shook his head and said after some thought, "I just feel that brother Shang's cultivation of the fire and water dual spiritual roots is no longer in the dangerous period at the beginning. In general, this kind of cultivation is the easiest to cause Qi deviation in the early stages, but at your current stage, it is extremely stable and safe. If it is not for the bottleneck of a large level, there will basically be no danger."

Shang Wanyi nodded in realization. "Brother Lin, you're really sharp. I'm indeed still a long way from breaking through the bottleneck of a major level. It's unlikely that I'll go berserk." I didn't think of that. "

"Brother Shang, are you saying that something abnormal happened to your body before you fell into Qi deviation? so you're guessing that this crisis wasn't spontaneous?" Lin Yi came to this conclusion after listening to Shang Wanyi's words. In fact, it was easy to come to this conclusion if one were to reverse the results.

"That's right, and I suspect that they were poisoned!" Shang Wanyi's expression darkened. He was also one of the important figures in Nakajima. If he could verify this, he would definitely not show any mercy in his revenge. "This time, I've just started cultivating. I've only circulated my Zhen Qi for less than a third of a day when a strange Zhen Qi suddenly appeared in my dantian. It rushed into my Zhen Qi and broke the balance of the water and fire attributes. Although I tried my best to control it, I still couldn't stop this strange Zhen Qi. In the end, I could only barely maintain my consciousness when I was possessed by the devil."

Lin Yi's face turned serious. He didn't find any signs of poisoning when he used his divine sense, but Shang Wanyi wouldn't make a mistake. If there was such a poison, it must be hidden very well and not easy to detect.

To be honest, when Lin Yi heard Shang Wanyi say that he was poisoned, the first thought in his mind was that Zheng Tianqing did it! However, Shang Wanyi and Zheng Tianqing did not seem to have any enmity, so why would he attack Shang Wanyi?

Although he couldn't find any solid evidence or reason at the moment, Lin Yi still had some confidence in his intuition. Putting everything else aside, after Shang Wanyi's Qi deviation, Zheng Dongsheng and Zheng Tianqing's behavior were somewhat unusual. At that time, he had a very strange feeling, so when Shang Wanyi was poisoned, the Zheng family was the number one suspect.

"Brother Shang, who did you make enemies with recently, and who did you come into contact with before you were poisoned?" Lin Yi's thoughts weren't too clear, so he decided to ask Shang Wanyi first to see if he could find any clues.

Shang Wanyi shook his head. "Brother Lin, you know that we're businessmen. Amiability breeds wealth. How could we possibly make enemies?" Even if there were a few competitors, everyone was competing fairly. There was no need to secretly poison them, right? As for the people who came into contact with him before he was poisoned, there are too many of them. As I said before, we do business and we have to be on good terms with everyone. "

Lin Yi shook his head with a bitter smile. There was no point in saying all this, but he remembered that Zheng Tianqing had been urging Li Zao Yi to make the yin and yang pill. Could it be that this idiot wanted to pursue Li Zao Yi, so he set up Shang Wanyi to create this opportunity?

Actually, when he thought about it, what he said did make some sense ...

At the same time, crouching Tong disguised himself to avoid any possible attention and entered the room where Zheng Dongjue was.

If possible, he didn't want to meet with the Zheng family on the ship. However, Zheng Dongjue had asked him to come through the secret code, so he had to come.

As soon as he entered the room, Zheng Tianqing stood up and pointed at Tong wozhui, shouting, "Didn't you say that I would definitely be able to get li Zao Yi this time? What was the result? You actually helped that bastard Lin Yi! Are you a spy sent by Lin Yi or not?"

"Tian Qing! Don't be rude!" Zheng Dongsheng scolded indifferently, but there was not much strictness in it. It was obviously just for show.

Tong wozian bowed to the three of them, but a trace of disdain flashed in his eyes. A person like Zheng Tianqing was not worthy of his attention if he did not have a good background.

"I'm sorry, I miscalculated this time!" Tong wozian said calmly, but he didn't think his plan had failed.

Helping Zheng Tianqing to take down li Zao Yi was just a small matter in this plan. Tong wo Xin only needed to achieve his real purpose.

Zheng dongjue looked at Zheng Tianqing indifferently and said, "Tian Qing, you've already done a good job. We can only say that li Zao Yi was too stubborn and didn't want to cooperate with you. This is not something we can control,"

"Second Grandpa, do you mean that li Zao Yi doesn't care about me at all? Am I really that bad?" Zheng Tianqing said angrily. He was a genius from the East continent. Who in the middle Island could be compared to him?

As for Lin Yi, who made the Yin Yang pill on his own, he was assigned to the North Island by Zheng Tianqing. This bastard wasn't from the middle Island at all!

Chapter 5847 The Zheng Family's Conspiracy

Only then did Zheng Dongsheng become a little more severe. He reprimanded in a low voice, ""Tian Qing, how can you speak to your second Grandpa like that? Sit still!"

Zheng Tianqing did not have the courage to refute his grandfather. He could only snort and turn back to sit in his chair, but his eyes were still staring at Tong wo fiercely.

Zheng dongjue smiled and said to wooshan, ""Breathe in, you don't have to worry about Tian Qing. You're a young man after all. It's normal for you to be angry because you didn't get what you wanted. Now, tell us, what plans and arrangements do you have?"

Crouching Tong bowed and cupped his fists, respectfully saying, ""You're too kind, vice Hall Master. We'll still act according to our plan. Since Cai Zhongyang has fallen for our trap and taken out the Yang extreme grass, he'll have a good time when we reach the northernmost Island. Compared to the reputation of the five elements Chamber of Commerce, what is his position as the Vice President? At that time, it would be easy to get him off the stage. After losing this identity, his support for Lin Yi would be almost zero. "

Zheng dongjue nodded. "Cai Zhongyang is indeed not a cause for concern. It's a pity that your brilliant plan of killing three birds with one stone only worked out this way."

At this point, Zheng dongjue glanced at Zheng Tianqing, intentionally or unintentionally, to see if he could understand.

Only Zheng Dongsheng and Zheng Dongsheng knew all the details of the plan that Tong wuhui had secretly sent to him. Zheng Tianqing was only involved as an executor. Of course, he always thought that this whole thing was just to help him get the morning memory as soon as possible.

After hearing the words of Tong wuzhui and Zheng dongjue, Zheng Tianqing was slightly stunned. After all, he was not an idiot. After thinking carefully, he understood."Second Grandpa, are you saying that this matter is not as simple as it seems?"

Tong wooshan despised Zheng Tianqing in his heart, but as a subordinate of the Zheng family, he could not show it. He could only respectfully say,""Young master Qing, this matter isn't that simple. If you're interested, I can tell you more about it."

Zheng Tianqing looked at his grandfather and saw that Zheng Dongsheng didn't say anything. He immediately nodded and said,"Speak!"

"First of all, this plan's initial target was Cai Zhongyang. I knew that the five elements Chamber of Commerce had accepted a reservation from the northernmost Island, which was the Yang extreme grass, so I wanted to ruin this deal. It just so happens that Shang Wanyi and Lin Yi have been very close these past two days, and he has both fire and water spiritual roots. As long as we can make him go crazy, we'll need the Yin Yang pill to save him. This way, we'll have a chance to use up the Yang extreme grass. " Tong wohui explained calmly. He felt that it was a pity that his plan had not been successful, and the key to the failure was Zheng Tianqing, this waste.

Killing three birds with one stone-the first was to get rid of Shang Wanyi, as he would become someone like Cai Zhongyang in the future if he got close to Lin Yi. Getting rid of him now was much easier than later.

With the difficulty of making the yin and yang pill, even if li Zao Yi and Zheng Tianqing worked together, it would be difficult to make it in 24 hours. If it wasn't for Lin Yi, Shang Wanyi would definitely be dead. Because if li Zao Yi really cooperated with Zheng Tianqing, this kid's mind wouldn't be on the alchemy, but would take the opportunity to take li Zao Yi away. The yin and yang pill would be declared a failure soon.

Letting Zheng Tianqing take down li Zao Yi was naturally the second Eagle, and the last and third was the most important Cai Zhongyang. In fact, the difficulty was the lowest. It was just like now that the other goals had failed, but the most important goal, Cai Zhongyang, had succeeded. Tong woken didn't feel that the plan had failed.

After listening to Tong wuhui's explanation, Zheng Tianqing realized that he had underestimated this ordinary-looking guy. In terms of strength, Tong wuhui was not as good as him, but in terms of scheming, he had to admit defeat. However, Zheng Tianqing, who thought he was a genius, would never admit this.

"Vice head, master Zheng, we'll know what happened to Cai Zhongyang when we reach the northernmost Island. As for hou guanqi, according to my investigation, he exchanged for a mountain gaze stone before he left the island. There's no evidence, but I'm guessing that hou guanqi exchanged for it for Lin Yi." After talking about Cai Zhongyang, he changed the topic to hou guanqi.

"You mean we can use this as an excuse to kick hou guanqi out of the hall of alchemy?" Zheng dongjue's eyes lit up. No, no, we have to make sure that Lin Yi took the mountain gaze stone before we can convict guanqi. Do you have any way to confirm it?"

"Vice Hall Master, I heard that Lin Yi is going to the northernmost Island for the spirit gathering branch. I guess he's going to collect a large amount of spirit Jade to get the branch. When we pass by the northernmost Island in two days, I heard that there will be a small trade fair on this ancient battleship. We can find someone to buy mountain-gazing stones or mountain-gazing pills. We'll know if Lin Yi has any."

"Good! Although it's a simple method, it's very practical. It's decided!" Zheng Dongjue laughed as he made the decision. Then, he asked, "By the way, didn't you say that you were going to deal with Ao Tianba and then involve the AO Tianzhou? Do you have any ideas in this regard?"

Tong Wolai shook his head and said, "Not yet. Ao Tianba is the most powerful person on this ancient battleship. It won't be easy to deal with him. I think this matter can be put on hold for a while. After all, there is still the AO Tian family behind Ao Tianba. It is safer for us to take things one step at a time."

"En," Zheng Dongsheng said, "that's good too. Keep looking for opportunities. As long as you can cut off these wings around Lin Yi, it'll be much easier to deal with him."

Although he said that, Zheng Dongsheng wanted to kill Lin Yi right now. This kid could make the yin and yang pill by himself. If he let him grow, how terrifying would he become? It was a pity that to deal with him, crouching Tong's plan was already the best and most secure, and Zheng Dongsheng had no way to do it.

"Yes, master," Tong Wuhui replied respectfully. He didn't mention that he had other thoughts because the Zheng family people wouldn't remember how much you've contributed even if you succeeded, but if you failed, you would have to bear all the responsibility. So, it was better not to let them know about things that were uncertain and uncertain.

Lin Yi didn't know that everything that happened to Shang Wanyi was ultimately caused by him. After sending Shang Wanyi off, he lost interest in going out and went back to strengthening his cultivation. A day later, the fleet stopped at the port of the North Island. Some goods would be loaded and unloaded on the North Island, and some of the important figures would board the ship as well. Everyone on the ship had an entire day to move freely on the North Island. The fleet would not stop and wait.

Chapter 5848 The Brothers Of The North Island

When they set off again, a small trade fair would be held on the ancient warship. Of course, it was free to participate as a warm-up for the auction on the northernmost Island. Different from the regular auction, this private trade fair was where one person would take out what he wanted to exchange and explain what he wanted to exchange. If someone was interested, they would make a deal, and then the next person would do the same.

But Lin Yi didn't care about that for now. He couldn't wait to go down and see how things were on the North Island after leaving for so long. Are my brothers and friends still doing well? Why was Shangguan LAN 'er suddenly brought back to the North Island by Gongyang Jie?

This time, Wei shenjin came over before Lin Yi could open the door. Lin Yi had told him before that he had to go down when he reached Beidao, and that he should remind him when he was on alert. It was rare that the guy didn't forget about it when he was busy hitting on girls.

"Boss, we're about to reach the shore on the North Island. We have a day and a night's time. Let's go quickly. I can't wait to see your 'hometown', boss!" Wei shenjin's face lit up as he smiled at Lin Yi before pulling Shang Yuhua over, ""Yuhua is coming too. The two of us will just freeload a meal with boss!"

Shang Yuhua blushed and rolled her eyes at Wei shenjin before bowing to Lin Yi, ""Lin ... Boss, big brother Wei and I will follow boss to the North Island to see what's going on,"

Lin Yi couldn't help but smile. Shang Yuhua was already calling Wei shenjin "boss" like he did. It seemed that the two's development was quite fast. If it was really Zheng Tianqing who poisoned Shang Wanyi, Lin Yi felt that he could thank that idiot. Otherwise, how could Wei shenjin and Shang Wanyi's development be so smooth?

"When we reach the North Island, of course I'll be the host. Don't worry and follow me. I'll definitely leave a deep impression on you!" Lin Yi said with a smile before bringing the two to the deck.

Lin Yi was the first to leave when the ancient ship docked. As the honorary vice-captain, he had the right to leave.

"Boss, where do we go first?" Wei shenjin asked as he ran behind Lin Yi with Shang Yuhua.

Lin Yi didn't even turn his head, "of course it's the Qingyun Pavilion. Come with me, let's go see if the place I used to live in is still there. The last time I was away for a while, there was an idiot who took over my house and even dared to touch my friend. I don't think there's any this time, right?"

"Who's so bold to provoke you, boss? that's too bold!" Wei shenjin sighed. The guy probably didn't have a good ending. It was fine if he took Lin Yi's house, as Lin Yi probably wouldn't be too calculative with his personality, but touching his friend was suicide.

After being with Lin Yi for so long, Wei shenjin knew how protective Lin Yi was-he wouldn't allow anyone to bully anyone who followed him! This was one of the main reasons why Wei shenjin was so loyal to Lin Yi.

Lin Yi smiled faintly and didn't say much. That newbie King or whatever seemed to be a distant memory-he'd probably forget about it if he didn't mention it.

Naturally, Lin Yi wouldn't waste too much time thinking about this kind of trash. His thoughts had already turned to Shangguan LAN 'er. He wanted to go to the Qingyun Pavilion first, and then go to the

skyward Pavilion to find her. Although they had only been apart for a few days, Lin Yi was still very happy to see LAN'er.

With that in mind, he extended his spirit sense out first. With Lin Yi's current strength, he couldn't cover the entire North Island yet, but he could extend it from the port to the Qingyun Pavilion.

To Lin Yi's surprise, there were a lot of people gathered at the entrance of the pavilion. He recognized a few of them-Xiao ran, Qiao hongcai, and Lu bianren, the ones he was on very good terms with. There was also Xu lingchong and Meng Tong, his two old rivals, and a middle-aged man he didn't know.

"Shopkeeper Xu, don't worry. I will definitely give you an explanation for this matter!" Lin Yi hadn't arrived yet, but his spirit sense was able to relay everything that happened to him. This was what the middle-aged man he didn't know told lingchong Xu.

Xu lingchong snorted. Her face was full of arrogance as she looked at Xiao ran and the other two coldly, without any intention to speak.

The middle-aged man turned his head and wiped the smile off his face. He said to Xiao ran coldly, ""Xiao ran, you've stolen something from the central Chamber of Commerce, and now they've come to find you. What else do you have to say? The face of the GreenCloud Pavilion has been completely thrown away by you! Hurry up and admit your guilt and apologize properly. Perhaps you can still have a place in the GreenCloud Pavilion. Otherwise, you'd better go back to where you came from!"

"Eldest senior brother, how can you side with an outsider like this?" Lu bianren said indignantly. They didn't even investigate and just insisted that Xiao ran was the thief. Don't tell me that the disciples of our GreenCloud Pavilion don't even have a backbone?"

The middle-aged senior brother's eyebrows twitched slightly. He didn't know whether Lu bianren was saying that Xiao ran had no backbone or he had no backbone. No matter which one it was, it made him unhappy!

Lin Yi was confused. Why wasn't first senior brother Jia mufan? Where did this guy come from? Speaking of which, Lin Yi had a good impression of Jia mufan. This senior brother in charge of giving out missions took care of Lin Yi, and now that his position was taken away, he couldn't help but feel sad.

The problem was that Jia mufan was no longer the eldest senior brother in charge of the inner sect, so why didn't lu bianren get promoted? What did this fellow rely on?

Xu lingchong glanced at Lu bianren in disdain."The selfie cameras of our central Chamber of Commerce all have a unique serial number. The serial number of your camera is the lost item of our central Chamber of Commerce. If you don't believe me, you can have a look!"

He pointed at the serial numbers on the selfie camera. Meng Tong took out a printed book, opened it, and read out the serial numbers that had been crossed. He compared them and found that they were exactly the same.

Moreover, this series of serial numbers was continuous with the serial numbers on the book. It seemed that it was indeed from the central Chamber of Commerce. Xiao ran was also speechless after seeing this. He did not know how to explain himself.

The middle-aged eldest senior brother said coldly,""Xiao ran, what else do you have to say? If there's nothing else to say, then there's nothing we can do. In order to protect the reputation of the GreenCloud Pavilion, even if you're the second senior brother in charge of the outer sect, you'll still have to go with him. "

Chapter 5849 Are You Blocking The Door?

Qiao hongcai flew into a rage. He had been holding it in for a long time and was about to burst out, but Xiao ran stopped him and advised him in a low voice, ""Junior Brother Qiao, don't be rash. You can't help. Quickly inform senior brother ku and ask him to think of a way!"

Lu bianren smiled bitterly and didn't say anything. He didn't know what to do, and it was the same for him to go and find trouble. Xiao ran was just trying to divert Qiao hongcai's attention.

The few of them were considered to be gentlemen. As the saying goes, gentlemen can be deceived with proper methods. Xu lingchong and the others had precisely calculated that they were relatively weaker in this aspect, which was why they were so righteous. If it were a more rascally person, not to mention that they did not steal anything, even if they did, they would be able to deny it completely, leaving you helpless.

The middle-aged eldest senior brother sneered and said, "are you counting on the welcome Pavilion's punks to save you?" You think too highly of him. If he had that ability, would he be suffering?"

Xu lingchong and Meng Tong chuckled evilly. The surrounding disciples did not dare to voice their anger, but only a few of them agreed with them.

The middle-aged senior brother turned around and said to Xu lingchong with a big smile, "Shopkeeper Xu, I'm really sorry for what happened this time. For such a disgraceful thing to appear in the GreenCloud Pavilion, it has caused you trouble. Today, I'll just take it as cleaning up the house!"

Xiao ran sneered, "with someone like you as the eldest senior brother of the inner sect's manager, it's truly an embarrassment to the extreme. If my boss was here, how would a clown like you even have the chance to come out and cause trouble?"

Meng Tong snorted and reached out to grab Xiao ran. At this moment, a long-lost voice rang out from outside the crowd, "What is this? Blocking the door? Are you prohibited from entering and leaving today?"

Xiao ran, Qiao hongcai, and Lu bianren's eyes brightened at the same time-they were just talking about Lin Yi, and he was here? Did it have to be so magical?

Meng Tong's hand, which was about to grab Xiao ran, also stopped in the air and slowly retracted.

"Senior brother Lin! Senior brother Lin is back!" The disciples at the periphery turned around and saw who it was, and immediately cried out in surprise.

In the pavilion, Lin Yi was definitely a legend. The only people who didn't know him were the new disciples who had joined in the past two years. No matter where they went, they would hear of Lin Yi's legend, and as a result, they had all become Lin Yi's loyal fans. When they heard someone call him senior brother, they immediately knew who they were.

Xu lingchong's face didn't look too good. He didn't expect Lin Yi to appear here, but he immediately understood that Lin Yi probably came back on the ancient warship. What a mistake!

"Boss!" Xiao ran and Qiao hongcai were overjoyed. They didn't care about Xu lingchong and the others anymore. They broke through their encirclement and walked towards Lin Yi. Xu lingchong and Meng Tong didn't stop them because of Lin Yi's sudden appearance.

"Long time no see! Are you guys alright?" Lin Yi greeted them with a smile before turning to Lu bianren. "Senior brother Lu, thank you for taking care of my brothers when I wasn't around."

Lu bianren cupped his fists and smiled bitterly. "Junior Brother Lin, you're being too serious. It's good that you're back. I'm weak, and I couldn't help much."

"Senior brother Lu has already helped!" "If it wasn't for senior brother Lu, my brothers would've been stepped on in the face already!" Lin Yi said with a wave of his hand.

Xiao ran lowered his head and said guiltily, "boss, we're useless. We've embarrassed you. Today's incident was deliberately caused by them. Xu lingchong and Meng Tong were targeting me ..."

Lin Yi waved his hand, "I know what happened just now, tell me where you got it from?"

If he had bought it from the central Chamber of Commerce, Xu lingchong probably wouldn't have come to find trouble with him so brazenly. There must be something fishy going on.

Xiao ran said in a low voice, "the central Chamber of Commerce is too expensive. I bought it from a disciple of the rising Sky Pavilion. He specializes in selling some things from the secular world. I heard that he has connections in the central Chamber of Commerce and can get goods at a low price. Many disciples of the three pavilions in the North Island like to buy high-tech products from him."

Lin Yi hmped coldly. That disciple from the rising Sky Pavilion was able to get his hands on low-priced goods, so he naturally had the backing of a central Chamber of Commerce. Xiao ran buying things from such a person was simply giving him a handle. If Xu lingchong and the others wanted to find trouble, they could come at any time.

Perhaps this was a plan to target Lin Yi's underlings. If no one fell for it, they would just sell a batch of secular world products at a low price. Compared to the cost price, the low price here was already a huge profit, and there was no loss to the central Chamber of Commerce. If someone fell for it, like Xiao Ran, Xu lingchong and the others could come to find trouble with them openly.

"I can't believe you're from the secular world. It's not like you haven't seen these things before. Besides, you're a man, what's the use of this camera? Do you want to take selfies and refresh your moments?" Lin Yi scolded in a low voice. He could talk to his people, but he would never allow people like Xu lingchong to bully him. He had to get back at them immediately!

Xiao ran's face turned red at Lin Yi's words, but he didn't say anything to refute him. He really didn't know what to say.

Qiao hongcai whispered to Lin Yi, "Boss, Xiao ran didn't want this camera for himself. He fell in love with a female disciple of the rising Sky Pavilion and has been pursuing her recently. I heard that the junior Sister likes technological products very much. It's her birthday soon, so this guy wants to buy a camera for her as a birthday gift!"

Lin Yi understood immediately-Xiao ran was starting to get enlightened and wanted to chase girls, and he needed some encouragement.

Wei shenjin and Shang Yuhua, who were following behind Lin Yi, smiled at each other when they heard this. They had a better impression of Xiao ran after meeting him for the first time. People who had just fallen in love would always hope that everyone around them could be as happy as them.

Xu lingchong, along with Meng Tong and the middle-aged eldest senior brother, walked over and sneered, "Lin Yi, you're not dead yet? However, it doesn't matter whether you die or not today. You've been caught red-handed, so you have to come with me. Otherwise, I'll represent the central Chamber of Commerce and Sue you to the three pavilions of the North Island. If you're smart, stand aside. I'll settle the score with you later. "

Lin Yi glanced at Xu lingchong in disdain. He was very clear about what happened today. This idiot probably couldn't hold back his urge to attack his lackeys after seeing that he hadn't been back for a long time. Xiao ran was in an important position, so he became the first target of this idiot.

Chapter 5850 Caught Red-Handed

After getting rid of Xiao ran and arranging for his own person to become the second senior brother of the outer sect manager of the GreenCloud Pavilion, his next target might be Lu bianren or that wretched man.

After understanding all this, Lin Yi wasn't going to let Xu lingchong go just like that. He laughed sarcastically, "If you want to settle the score with me, why wait until I come back? Let's settle it now, I should collect some interest for what you owe me. "

Xu lingchong laughed and said, "you're the pretentious leader. You really don't forget to act pretentious no matter where you go. Do you think that you can still call the shots here after leaving for two years?" Alright, I'll see how you're going to collect interest from this young master today!"

"Lin Yi, let's not talk about other things first. Xiao ran has stolen the goods of the central Chamber of Commerce, and he's caught red-handed now. If you don't hand him over to us, perhaps the people from

the law enforcement Hall will be more than happy to come and take him away." Meng Tong smiled sinisterly.

"Caught red-handed? Are you joking?" Lin Yi snorted and pointed at the printed book in Meng Tong's hand, "With a computer and a printer, you can have as many of these as you want. Just because you know the serial number of Xiao ran's camera, you can say that it's yours? I also know that one of you is called Xu lingchong and the other is called Meng Tong. Could it be that you two are my spirit beasts?"

"Lin Yi, stop twisting the facts!" Xu lingchong raged. "Knowing the name and the serial number is not the same thing!"

Lin Yi shrugged and looked at lingchong, "Why don't you tell me what's different?"

Lingchong paused-he'd always been a smart guy, but he'd lost his mind when it came to Lin Yi! He couldn't think of an answer at all.

The middle-aged eldest senior brother beside him shouted, ""Impudent! Lin Yi, don't be so unreasonable here-you're going to throw all the face of the GreenCloud Pavilion! Hurry up and retreat to the side, otherwise, I will definitely punish you according to the sect's rules!"

Lin Yi looked at the guy from the corner of his eyes, "What are you? Could it be that because I don't know your name, you're not afraid that I'll take you in as a spirit beast?"

The middle-aged senior disciple almost vomited blood. He thought to himself, "when did I ever fear you taking me in as your spirit beast?" Do you think I'm afraid of this? It was wrong! You're the F * cking spirit beast!

The guy was a little confused-he didn't even know what Lin Yi was angry about!

"Lin Yi, don't be so cocky. Do you think I'm still afraid of you?" Xu lingchong laughed. To tell you the truth, this is the entrance of the GreenCloud Pavilion, so I don't want to talk to you. However, if you don't know what's good for you, I'll kill you in a matter of minutes. I don't believe that the GreenCloud Pavilion will still stand up for you when this young master is in the right!"

Meng Tong also sneered,"why are you talking nonsense with him? just kill him!" Who told him to obstruct us from capturing the thief!"

The strength of these two guys had already reached the great circle of the nascent Soul Stage. It could even be said that they were half a step into the mysterious Ascension stage. Once the center developed a stable mysterious Ascension stage medicine, they would be able to advance immediately.

So when they faced Lin Yi, Xu lingchong and Meng Tong were very confident. To them, no matter what Lin Yi did, there was no way he could improve faster than them. Not to mention, if the two of them worked together, even a normal early or peak early stage mysterious Ascension cultivator might not be their match. What was there to worry about?

Xiao ran couldn't help but interject,"do you guys really think you're that great?" Don't you know that an awesome person can become an idiot if he's not careful?"

Xu lingchong couldn't be bothered with Xiao ran anymore. In his eyes, Lin Yi was his only opponent. Lin Yi could still kill time before he came back, but now that he was back, these small characters were nothing.

Meng Tong and Xu lingchong were now telepathically connected. They immediately gave the middle-aged eldest senior brother a look, signaling him to take down Xiao ran.

The middle-aged eldest senior brother immediately understood. He took a step forward and said, ""Xiao ran, as the senior disciple of the inner sect's manager, I now order you to surrender immediately and go to the central Chamber of Commerce with shopkeeper Xu to cooperate with the investigation. If you continue to disobey, I will report this to the pavilion master and have you expelled from the GreenCloud Pavilion!"

"So impressive. Is the GreenCloud Pavilion owned by your family? You can expel people just because you want to?" Lin Yi glanced at him in disdain and turned to Xu lingchong, "You're using this kind of idiot to deal with my brother? Birds of a Feather really flock together!"

Xu lingchong smiled coldly and said to the middle-aged senior brother, ""Senior brother Wang, it seems like the people of your GreenCloud Pavilion aren't very willing to listen to us. Why don't you just stay out of this and let us solve this matter ourselves?"

"Lin Yi!" Wang Shixiong raged. Who Do You Think You Are? How dare you talk to me like this? Do you know who you are? Did a has-been newcomer King think that he could act like a tyrant in the GreenCloud Pavilion? Get out of my way, there's no place for you to speak here!"

Lin Yi smiled and glared. "Who Do You Think You Are! I already said I don't know you, so why are you still here? You shouldn't play cheap like this!"

Wang Shixiong was pissed, but he was still thinking that he wasn't using a sword. What was Lin Yi doing? Could it be a secret signal?

Seeing that the Wang guy didn't say anything else, Lin Yi turned to lingchong, "Alright, we all know what's going on. I've just come back and I don't want to waste my time with you. Get out of here, lest you blame me for not warning you when you're unlucky."

"Oh my, the acting tough leader is really good at acting tough, you almost scared me! It's a pity that I'm not someone who's easily scared. This matter isn't over yet!" Xu lingchong was confident that he had Lin Yi in the palm of his hand, laughing coldly as he thought about how to incite that Wang Shixiong to attack Lin Yi, while he reaped the benefits.

"I can't help it if you want to be beaten!" Lin Yi shrugged helplessly as he pointed at lingchong, "Alright then, you stole my medicinal pill, aren't you going to give me an explanation today?"

Xu lingchong was stunned for a moment before he burst out laughing. "Lin Yi, are you out of ideas? I thought you were just being unreasonable, but I didn't expect you to even know how to make irresponsible remarks! I'm the manager of the central Chamber of Commerce. Why would I steal your pills?"

"If you don't believe me, you can check your pockets. If I say you stole it, then you must have stolen it. Do you think I'm wrong?" Lin Yi said faintly, his eyes on the bag on lingchong's waist.
