

## Bodyguard 6771

### Chapter 6771 Goaded Successful

But how could Murong Fei Fei let Shangguan LAN 'er go up?

Although Shangguan LAN 'er's talent was amazing and she had made amazing progress in a short period of time, her Foundation was too low. Therefore, she had only entered the great circle of xuansheng realm, not even the mountain-splitting thought realm.

This kind of strength was enough to deal with Xue Peng, but to fight with su Hao ... Was he looking for a beating?

"LAN 'er! Don't be rash, su Hao is like a Mad Dog, he likes to bark. If you get serious with him, you will lose!"

Murong xuyan looked nervous. She took care of Murong xuyan with one hand and held Shangguan LAN 'er's hand with the other. "Calm down, calm down! We'll deal with him together later and let him be proud today!"

"Haha, let that dead Lin Yi take care of me? You really scared me to death!"

Su Hao pretended to be a little scared and further provoked Shangguan LAN 'er's nerves, ""Could it be that Lin Yi has turned into a ghost and is coming to kill me in the middle of the night?"

"Su Hao, that's enough!"

Xu Xiaoyan couldn't help but scold him in a deep voice.

Lin Yi was her most outstanding student, and it was for the mission that she left for the school. Hearing su Hao humiliate Lin Yi, her smile turned cold.

If not for the fact that she still remembered her identity as a mentor, Xu Xiaoyan would have already attacked su Hao!

Shangguan LAN 'er went completely berserk. Her aura burst out, and she shook off Murong Fei Fei's hand and jumped onto the ring instantly.

Murong Yanyan was stunned. Her strength was much stronger than Shangguan LAN 'er' s. Although she didn't use her full strength, Shangguan LAN 'er broke free too easily.

"Su Hao, I hate you! I hate you more than I hate Xue Peng!"

Shangguan LAN 'er really did not know how to express her anger. She had not scolded anyone since she was young, so she could only use Xue Peng as a comparison.

Xue Peng, who was innocently shot, was dumbfounded. Was this young master not transparent enough?

Yang diandu, who had been watching the show indifferently, couldn't help but twitch his mouth because of Shangguan LAN 'er's genius stroke. He looked at Xue Peng beside him teasingly, but he was glared at by Xue Peng.

"Shangguan LAN 'er, are you here to challenge me? Hahaha, don't worry, this young master is the most tender and protective towards women, I definitely won't ruthlessly destroy a flower!"

Su Hao had a smug look on his face.

For today's amazing feat, he had suppressed his true nature for a long time. He had not even provoked the two beauties, and now he finally had the chance to get what he wanted.

In his opinion, the best way to attract beautiful girls was to show off his strength!

The mystic class Sea area was a world where the strong ruled!

Shangguan LAN 'er's long hair fluttered rapidly under the fluctuation of her genuine Qi, and the anger in her heart was almost out of control.

Even if she had to die on stage today, she would make this bastard pay for insulting Lin Yi!

Although Shangguan LAN 'er's strength wasn't at the splitting mountain stage yet, but she was cultivating the arts that Lin Yi gave her, and with the help of the calming Pearl, her spiritual sense cultivation speed was even faster, and she had no problem dealing with normal splitting mountain Masters-this was where her confidence came from!

"LAN 'er, you're too impulsive now. I don't agree to your challenge. Go down and calm down!"

Xu Xiaoyan stood in front of Shangguan LAN 'er and tried to stop her from challenging su Hao,""Listen to your mentor and get down there. Lin Yi's strong, and he'll come back safe and sound. Don't mind those unrelated people's gossip,"

Shangguan LAN 'er looked at Xu Xiaoyan with red eyes, feeling wronged. Lin Yi must be fine, why did that bastard say he was dead?

"Be good, listen to the mentor and get down quickly!"

Xu Xiaoyan reached out to hold Shangguan LAN 'er and comforted her gently, trying to get her off the ring.

Unfortunately, su Hao did not agree!

"Instructor Xu, is the Academy's rule that the judging instructor has the right to stop students from going up the stage to challenge?"

Su Hao had finally managed to provoke Shangguan LAN 'er into going on stage. He was ready to show off his strength and take advantage of this little beauty. Of course, he would not let her go easily, "I don't remember there being such a rule. Instructor Xu, can you explain? Or should I go to the academy's higher-ups and ask around?"

Xu Xiaoyan's body stiffened. She was originally a person who valued rules and fairness. It was only because of her friendship with Lin Yi and the others and her heartache for Shangguan LAN 'er that she couldn't help but react like this. Now that she was being mocked by su Hao, she was suddenly speechless.

Moreover, su Hao seemed to have a strong background. From the fact that he could make an exception and have a bodyguard with him, it could be seen that if he really reported this to the higher-ups of the college, Xu Xiaoyan, who was already unreasonable, would definitely not have a good end.

"Instructor Xu, it doesn't matter. LAN 'er can handle it!"

Shangguan LAN 'er understood Xu Xiaoyan's good intentions. She gently pushed her away and did not forget to comfort her, ""If I really can't do it, I'll admit defeat. So, instructor Xu, you don't have to worry about me."

"Then be careful."

Xu Xiaoyan knew that she couldn't stop it, so she could only smile bitterly and retreat. ""I will pay close attention. If I feel that something is wrong, I will immediately admit defeat and stop the competition."

This was already the limit of Xu Xiaoyan's ability. With her strength, she could guarantee that Shangguan LAN 'er's life would not be in danger, but she could not stop su Hao from teasing and humiliating her.

Murong Fei Fei was secretly upset. She should have gone up first. It was better than Shangguan LAN 'er. Now she could only watch helplessly.

If Shangguan LAN 'er was wronged, Murong Feiyan swore that when Murong Feiyan recovered, she would kill su Hao at all costs!

"Shangguan LAN 'er is challenging su Hao, who is ranked first. Let the match begin!"

Xu Xiaoyan announced reluctantly, and then retreated to the side. She didn't even get off the ring, but was ready to help Shangguan LAN 'er at any time.

Even if the Academy wanted to punish her for this, she would accept it!

"Shangguan LAN 'er, I've always been graceful and tender to women. Don't say that I didn't give you a chance. I'll let you attack me three times first!"

Su Hao was not in a hurry to make a move. He looked at Shangguan LAN 'er up and down with a smile, his right index finger and thumb gently rubbing his chin, ""After three moves, if you agree to be this young master's woman, this young master will give you this first place, how about it?"

"Go to hell!"

Shangguan LAN 'er's words were simple. Her true energy suddenly exploded and rushed towards su Hao with the force of a Thunderbolt. At the same time, a spiritual sense collision was brazenly launched!

The current Shangguan LAN 'er was no longer a simple person. The strength of her divine sense was comparable to that of a late stage mountain-splitting master in the mystic division Sea area. However, it was still not in sync with the strength of her main body. Otherwise, it would be enough to crush ordinary mountain-splitting Masters in terms of divine sense!

Unfortunately, su Hao had a spiritual awareness defensive item on him, which easily dissolved Shangguan LAN 'er's spiritual awareness attack. As for the martial skill she released, it did not even touch the corner of his clothes.

It was not a battle on the same level at all!

Chapter 6772 A Magnificent Return

With just one move, those who could understand the situation already had a conclusion in their hearts. This competition could be said to have no suspense, but it was within expectations!

In the blink of an eye, three moves had passed. Su Hao casually reached out and grabbed Shangguan LAN 'er's wrist.

"Beauty Shangguan, the discount is over. Now you can decide whether you want to follow me or not."

Su Hao smiled proudly. At the same time, he reached out his other hand, wanting to touch Shangguan LAN 'er's cheek, ""Look at your pink and tender little face, this young master can't bear to hit you."

Xu Xiaoyan's expression changed drastically. She couldn't help but disregard the rules and make a move to stop it. However, before she could do anything, a lightning arc flashed in the distance!

Lightning bolts? What a familiar lightning arc!

Before Xu Xiaoyan could react, a familiar figure that she had not seen for a long time had already appeared in the ring, and then two crisp slaps sounded.

Everyone only felt a blur in front of their eyes, and then they saw a man holding Shangguan LAN 'er and retreating to the side of Xu Xiaoyan at the edge of the ring. As for su Hao, he was dumbly holding up his empty palm, with two clear palm prints on both sides of his face.

"Lin Yi!"

"Lin Yi! He didn't die ..."

"Lin Yi's back! This time, su Hao will be in trouble ..."

"This is going to be a good show. How many moves do you think su Hao can last?"

.....

The audience was in an uproar-Lin Yi had disappeared for so long, but his battle with yang Dian before he left had already cemented his position as the strongest in the new class!

Although he was not around, the legend had always been there!

The Murong siblings, yang Dian, and Xue Peng didn't say anything, but the way they looked at Lin Yi was different. The only thing they had in common was that it was complicated, and it was hard to put it together.

"Lin Yi junior! I knew you would come back safely!"

Shangguan LAN 'er felt a familiar aura and felt extremely at ease. She raised her head and looked at Lin Yi's face, tears pouring down her face like a flood, but her face was full of a happy smile.

"Lin Yi, you're fine! I knew you wouldn't die so easily!"

Xu Xiaoyan let out a breath of relief. She was extremely excited to see Lin Yi, "It's good that you're back! LAN 'er has suffered a lot during your absence!"

"Thank you for taking care of LAN 'er, instructor Xu! I won't say any more polite words, I'll have a chat with my mentor later. "

Lin Yi greeted Xu Xiaoyan with a smile before lowering his head and patting Shangguan LAN 'er's shoulder,"Little Senior Sister LAN 'er, Little Junior Brother is back. Why are you crying? You're about to turn into a big cat. "

"Just cry, just cry. Who asked you to not come back for so long? there wasn't even a message from you!"

Shangguan LAN 'er burst into laughter,""You're the big cat, I'm the little Senior Sister, how can you speak to a little Senior Sister like this?"

The two of them talked as if there was no one else around. Everyone was forced to show off their affection. However, no one expressed any opinion, except for su Hao who was ignored ...

Shangguan LAN 'er had been rescued out of the blue, but he had been slapped twice in the face without even reacting. This was simply a great humiliation!

Of course, su Hao didn't think that he was weaker than Lin Yi. He thought that it was because he was too focused on Shangguan LAN 'er and wasn't on guard. Lin Yi's speed was too fast, so he was hit by a sudden sneak attack.

If it were to happen again, under the circumstances where they were prepared, such a thing would definitely not happen!

"You're that Lin Yi? So you're not dead yet, you rat who only knows how to sneak attack, this young master will let you know what regret is today!"

Su Hao's face was a bit ferocious. The palm print on his face quickly disappeared under the circulation of true energy, but the two palm prints in his heart were not so easy to dissipate.

"Hey, Senior Sister LAN 'er, did you hear a dog barking?"

Lin Yi was confused as he turned to listen. "Where did this wild dog come from? how dare it bark in our Feiyang college!"

Although Lin Yi hadn't arrived yet, he had already seen everything that happened here with his divine sense. Therefore, he didn't have any good impression of su Hao.

The two slaps he had just given Shangguan LAN 'er were at most the interest for his frivolity with her. Now, he was treating him like a wild dog.

Su Hao's nose was almost crooked from anger. If it wasn't for Xu Xiaoyan, he would've directly hit Lin Yi.

Towards a man like Lin Yi, young master su Hao naturally didn't need to show any mercy. If he could kill him, he wouldn't cripple him!

"Lin Yi, that's Su Hao!"

Murong Fei Fei didn't care about su Hao at all. She immediately joined in the fun. Although she didn't say that su Hao was a wild dog, no one present didn't understand her meaning.

Su Hao gritted his teeth so hard that they almost broke, but he forced himself to endure it. A fierce look flashed in his eyes!

Just now, he had angered Murong Fei Fei and Shangguan LAN 'er. Now, he would naturally remind himself not to be angered by the same means.

"Oh, I see. It's Su Hao ..."

Lin Yi's face was full of realization, and everyone couldn't help but laugh. He was just short of writing a few big words on his face: "so the wild dog is su Hao!" "Little Senior Sister LAN 'er, what happened just now? Why did you go up the stage to challenge that so-called Hao Lai ..."

"It's Su Hao ..."

Shangguan LAN 'er tried to hold back her laughter and reminded him.

"Oh, su what?"

Lin Yi said as if he didn't hear her.

"It's Su Hao!"

Shangguan LAN 'er also understood that Lin Yi was doing this on purpose.

"Oh, who cares? many wild dogs don't have names either."

Lin Yi said with a nod.

What the hell? After all, su Hao was still a wild dog?

Everyone laughed and su Hao was mad!

Shangguan LAN 'er laughed as well, but as she laughed in Lin Yi's arms, there was inevitably some physical contact. Her chest accidentally rubbed against Lin Yi's arm, making Shangguan LAN' er very embarrassed.

She didn't want to leave Lin Yi's embrace, but there were so many people watching and laughing at her. Even if they weren't laughing at her, her thin face was still burning.

"It's like this, su Hao just challenged Murong xuyan ..."

Shangguan LAN 'er left Lin Yi's arms with some regret, and told him everything that had happened.

Lin Yi heard that Shangguan LAN 'er was willing to risk her life to challenge su Hao because of him. He was touched, but at the same time, his killing intent rose.

Su Hao! How dare you bully Lin Yi's little Senior Sister! You really know how to find an opportunity ... To die!

Lin Yi's hands were covered in blood during this period of time, especially in the abandoned land when he faced the rat tide and the swarm of bees. It was like killing a mountain of corpses and a sea of blood, and so his personality became more decisive.

With just a sharp gaze, su Hao felt his heart tighten. This was the aura that was naturally formed after a hundred battles. It was not something a young master like su Hao could understand.

"Instructor Xu, the competition just now doesn't count. Junior Sister LAN 'er was goaded by others, and the winner hasn't been decided yet. Do you think it's feasible?"

Lin Yi was lying through his teeth. Anyone with eyes could see that Shangguan LAN 'er had lost, and it was a clean defeat!

Chapter 6773 Must Participate From The Beginning

However, Shangguan LAN 'er did not admit defeat, nor did she fall to the ground or fall out of the ring, so it seemed reasonable to say that she did not lose.

Anyway, no one had a good impression of su Hao. Naturally, they would not stand up to object.

Even yang Dian and Xue Peng were watching the show quietly. They wanted to know if Lin Yi's strength had improved after leaving for so long, and su Hao was obviously a good Pathfinder.

"Well, you're right. Let's call it a tie. Shangguan LAN 'er still has one more chance to challenge me."

Xu Xiaoyan decided on the spot. As the teacher of the assessment, she still had some power. It didn't matter if su Hao reported it.

Su Hao sneered but didn't say anything to object. This man was quite shrewd. He was able to control his emotions and didn't let his anger get to his head.

Shangguan LAN 'er wasn't important. Right now, the only person su Hao cared about was Lin Yi!

"Mentor Xu is wise!"

Lin Yi smiled as he cupped his fists, a little bit of flattery coming from him before asking, "Instructor Xu, I'm also a member of the new student class. I should be able to participate in the assessment, right?!"

No one thought that Lin Yi was boasting-he wasn't the strongest in the new class for nothing. If he couldn't take the test, then no one else could!

"Of course. Although you're not here, your name has always been on the list of candidates. You can naturally participate."

Xu Xiaoyan nodded immediately. With Lin Yi's strength, it didn't matter if he didn't take the test. Especially since Lin Yi was working for the school this time, it wasn't too much to give him a special advancement spot.

But it was even better if Lin Yi wanted to participate-no one would say anything, and they'd even be able to confirm his position after he advanced.

"That's great. I was worried that I wouldn't be qualified. "

Lin Yi pretended to let out a breath of relief, as if he really did care about the test. "Instructor Xu, since I can participate in the assessment, I will challenge su Hao next!"

Bullying Shangguan LAN 'er, Lin Yi immediately wanted to take revenge. He was a very protective person, not to mention that Shangguan LAN' er was standing up for him!

"What a joke. Do you think your family owns Feiyang college? You can challenge and take the test whenever you want?"

Su Hao looked at Lin Yi in disdain and pointed at all the new students, "Who below doesn't have to pass a few foundation assessments before they can determine their challenge qualifications? What right did Lin Yi have to be special? Is this really fair?"

Everyone looked at su Hao without saying a word, as if they were looking at a fool.

Who was Lin Yi?

He was the strongest in the new student class. Could those basic assessments stump him?

If Lin Yi were to make a move, he'd probably be at the top of the leaderboard right away-what was the point of challenging him?

A sudden silence was the scariest ...

Su Hao's outstretched fingers froze for a moment before he quietly retracted them. He coughed twice and said, "Anyway, if Lin Yi wants to take part in the challenge, he should at least go through the foundational exams."

Although su Hao didn't think that Lin Yi's strength was that strong, his lightning-like speed still made him a little afraid. Especially Lin Yi's sharp eyes, which made him feel a little uneasy.

Therefore, su Hao decided to find out Lin Yi's background and weaken him to a certain extent! Only in this way could he guarantee a 100% chance of winning!

One had to admit that su Hao's mind was indeed deep. He was able to calm down from the edge of anger and quickly find the most beneficial countermeasure for himself. He could be considered a talent!

"No problem. It's just a basic assessment, no big deal!"

Lin Yi looked at su Hao disdainfully. In front of absolute strength, these little tricks were meaningless.

Moreover, if he participated in the foundational exams, Xu Xiaoyan wouldn't be in such a difficult position. It was just a delay in beating up su Hao. It was no big deal!

"Instructor Xu, what are the basic assessments about?"

Since he wanted to do it, he'd do it. Lin Yi got ready immediately. "Do you need me to make any preparations?"

"There's no need to prepare, but we'll need to go to a special venue,"

Xu Xiaoyan revealed her signature smile and gestured for Lin Yi to follow her, "There are three parts to the foundational exams: the spiritual sense test, the true Qi test, and the combat test. With your strength, you can pass them easily."

"Instructor Xu, you have so much confidence in me. If I don't perform well, wouldn't I be letting you down?"

Lin Yi smiled as he followed behind her. "Instructor Xu, don't be too disappointed if your results aren't good."

"I don't care about the others, but if your results aren't good, I'll beat you up."

Xu Xiaoyan was in an extremely good mood. She and Lin Yi had fought side by side before. They were teacher and student, but they were also comrades. In fact, she subconsciously treated Lin Yi as her little brother in her family, so she couldn't help but be happy to see him return safely.

"Haha, instructor Xu is going to beat me up. I can only ... Run away. I'm the best at running away!"

Lin Yi was talking and laughing with Xu Xiaoyan in a relaxed manner, and Shangguan LAN 'er followed behind with a smile on her face. As long as Lin Yi was back, her world would be back to its original color.

The others followed him to the test grounds. Lin Yi passed the basics test without a doubt, but everyone was still curious to see how strong he was.

Among them, the ones who were most concerned were naturally yang Dian, Xue Peng, the Murong siblings, and others. As for su Hao, when no one was paying attention, he secretly gave a look to his bodyguards.

The guard understood tacitly and nodded his head lightly to show his understanding!

Lin Yi, Xu Xiaoyan, and Shangguan LAN 'er arrived at the basic assessment venue as they chatted and laughed. The first test of the spiritual sense!

The group entered a spacious hall. In the center, there was a Circle of Nine bases made of Jade. On top of the bases, there was a foot-tall diamond-shaped transparent crystal.

"Lin Yi, go into the circle and release your spirit sense with all your might. The crystal on the base will light up when it senses your spirit sense,"

Xu Xiaoyan pointed at the center circle and explained, "As long as you can light up two crystals, you'll pass. Three crystals are excellent! Less than two is a failure!"

Lin Yi's lips curled up. His spiritual sense was his strongest part. It was too hard to fake it using the standard of the mystic Sea area's xuansheng and mountain opening stages.

He dared to bet that if he fully released his divine sense, the nine crystals might all light up!

Restrain, he had to restrain himself!

Lin Yi was an essence spirit now, and even if others couldn't tell, he had to be careful not to expose himself.

In that case, he would just light up three of them to avoid any accidents.

Lin Yi pondered as he smiled and nodded to the group, walking into the crystal ring.

At the same time, su Hao's bodyguard also moved closer to the circle, as if he was about to do something.

Chapter 6774 Invisible Contest

How much spiritual energy would it take to light up three crystals? Speaking of which, did the crystals light up one by one or all at once?

Lin Yi was a bit confused after standing still. He should've asked LAN 'er, or he'd give himself away.

It didn't seem like a good time to go out now, so Lin Yi gritted his teeth and decided to give it a try. There was no rush!

Seeing Lin Yi's lack of reaction after entering the room, su Hao suddenly sneered, "Lin Yi, why haven't you finished your spirit sense yet? You can't even light up a single crystal, it seems like you're really just an empty shell!"

"Shut up!"

Shangguan LAN 'er turned around and glared at su Hao. She couldn't stand anyone talking bad about Lin Yi in front of her.

Lin Yi frowned and glanced at su Hao. He didn't want to bother with this idiot.

I'm just afraid of scaring you! For your sake, I can only wrong myself. Do you think it's easy?

"What's wrong with Lin Yi? Why is there no reaction?"

"I heard that his divine sense is very powerful, there's no reason for him not to use any of them ..."

"Could he have been injured during this trip? It was rumored that he had already died, and it was very likely that his primordial spirit was injured ..."

"Could this be a fake Lin Yi?"

.....

The spectators were influenced by su Hao and began to discuss in low voices.

Lin Yi laughed to himself-he seemed to be too careful, releasing too little spiritual energy and causing the crystal to not react.

"Lin Yi kid, be careful, there's a guy over there trying to ambush you!"

The ghostly thing that had been studying in seclusion suddenly spoke up. The Jade space didn't alert him, meaning that it wasn't a threat to Lin Yi, but the ghostly thing still spoke. It was obvious that things weren't as simple as they seemed.

"Su Hao's follower? He's at the peak of the late stage of earth creation, and he wants to attack me in the dark when I'm releasing my divine sense?"

Lin Yi noticed the problem as well, and his eyes turned cold."You really don't know what's good for you. Do you think you can hurt my primordial spirit like this?"

No wonder su Hao insisted that Lin Yi participate in the foundational exams. He wanted to plot against Lin Yi so that Lin Yi wouldn't be able to use his full strength!

"It's not a threat to you, but don't forget what state you're in now!"

The demonic thing laughed evilly and attacked Lin Yi mercilessly, "Don't tell me you've lost your mind the moment you return to the Academy? Although your primordial spirit is extremely solid and doesn't look any different from when you have a physical body, when your divine sense is attacked, there might be fluctuations!"

F \* ck! It really was!

If there were any fluctuations in his Yuan spirit, everyone would notice that something was wrong with Lin Yi. This wasn't the result he wanted!

As for counterattacks, although they were a piece of cake, there would still be flaws!

"Senior ghost, why did you say it out loud? why didn't you just secretly help me get rid of him? he's only at the peak of the late stage of earth creation. I can kill him easily."

Lin Yi's lips twitched slightly. He couldn't fight back so easily, or he'd get entangled. It didn't matter what the hell it was-with the strength of this old man's spirit sense, no one would notice.

"Tsk, you only know how to order this old man around. Don't you have any traditional virtues of respecting the elderly?"

The ghost mumbled unwillingly. In fact, he had reminded Lin Yi because he wanted to help himself, and he was just joking with Lin Yi, "What's wrong? Do you want to kill that bastard?"

"It's not that bad. If you really kill him, it won't be easy for us to clean up the mess. We can't just say that he died because of a sudden epilepsy, right? That would be too casual!"

Lin Yi grinned. He didn't mind killing someone who was hostile to him, but the premise was that it couldn't cause trouble for himself or the people around him!

For example, Xu Xiaoyan. If someone died in her presence, she would definitely be punished.

"Up to you. I'm a busy old man, and I still have to help you with such a trivial matter. You have to remember to be filial to me in the future."

The demonic thing laughed and didn't interrupt Lin Yi's attempt to light the crystal.

The two exchanged words as fast as lightning, barely spending any time. Lin Yi only increased the output of his spirit sense after he finished.

Su Hao's follower, who had been hiding like a poisonous snake, immediately sent out his divine sense, trying to destroy Lin Yi's divine sense in one fell swoop. Unfortunately, before he could get close to Lin Yi's divine sense, another powerful divine sense suddenly descended from the sky and easily wiped out his divine sense.

All of this happened without a trace and disappeared without a sound. Other than the person himself, no one noticed anything unusual. Lin Yi didn't feel anything at all and continued to light up the crystal with difficulty.

Su Hao's Guard's face turned pale and he couldn't help but stagger back a few steps. At this time, huge waves were surging in his spiritual sea, as if it was the end of the world.

This was still the mercy of the ghostly thing. Otherwise, if it followed his spiritual sense and attacked his spiritual sea, he would become an idiot even if he didn't die!

Fortunately, everyone was happily discussing Lin Yi's failure to light up the crystal. Almost no one noticed su Hao's Guard's strange condition.

Only Xu Xiaoyan, who was more powerful, noticed the subtle movements here and took a casual look.

"Su BA, what happened? Lin Yi's spirit sense is stronger than yours?"

Su Hao reached out to support his guard. His face was extremely ugly. He whispered in su BA's ear, ""You lost to him in the fight?"

"Master Hao, it wasn't Lin Yi!"

Su BA held his forehead, his face pale. He tried his best to suppress the pain that felt like his head had been split open. He whispered, ""Lin Yi's spirit isn't that strong, but there's someone stronger than me helping him in the dark. I was caught off guard and suffered a huge loss ..."

Su Hao was relieved. As long as Lin Yi didn't hurt su BA, it shouldn't be a problem! Otherwise, he'd have to think twice before accepting Lin Yi's challenge.

A spiritual sense that could easily injure su BA ... Even if su Hao had a defensive tool, he wouldn't be able to defend against it. Fortunately, Lin Yi wasn't that crazy.

If Lin Yi knew su Hao's thoughts, he would have smiled and told him, "that's right!" I'm not that perverted, I'm even more perverted than that!

"It lit up, it lit up!"

"The first crystal lit up, and the second one lit up as well ..."

"The second one's all lit up, and the third one's lighting up as well-so fast! As expected of Lin Yi!"

"This is the strongest person in our new student class! Even his divine sense is so awesome!"

"An awesome person is awesome ..."

.....

Seeing the crystal Light up continuously, the onlookers were suddenly excited and began a new wave of discussion.

Lin Yi, on the other hand, jumped and quickly retracted his spirit sense to avoid lighting up the crystal.

Lin Yi was too careless just now-he'd been wondering if the crystals lit up in sequence or all at the same time, but he let out a breath of relief when he realized that it was in sequence. He'd accidentally released a bit too much, and now he was at the third crystal.

Chapter 6775 Digging A Pit To Bet

It was a good thing that Lin Yi stopped in time and gave her an "excellent"!

The two crystals shone brightly and were incomparably resplendent. The third crystal was slightly dimmer, but it was already close to the first two crystals. This was already the one with the best test results in the new student class.

In fact, the strength of Shangguan LAN 'er's spiritual awareness could also reach this level, but she had been absent-minded before and was perfunctory during the spiritual awareness test. In the end, she only lit up two crystals before she passed out.

It was because of this that Shangguan LAN 'er's final comprehensive assessment was only ranked tenth.

"Very good, Lin Yi's results on the spirit sense test are excellent. Let's test the strength of your pure energy."

Xu Xiaoyan wasn't surprised at the result at all. In her mind, it was normal for Lin Yi's spirit sense to be stronger.

The onlookers were talking at once, but Xu Xiaoyan didn't care about them. Su Hao took the opportunity to give su BA a look.

Su BA's spiritual sense had yet to fully recover from the damage, but he did not dare to delay su Hao's matter. He quickly nodded and left the room.

After su BA left, Xu Xiaoyan brought Lin Yi and the others to the next testing area.

This time, it was not in a room, but in an open space. In the middle of the open space, there was a long stone that was three people tall and three people wide.

Beside the stone was a Jade base that he had seen before. On it was a yellow diamond-shaped crystal. It was obviously different from the transparent crystal from before, but the shape was the same.

"Lin Yi, this stone is used to test your Qi, or rather, it's a tool to test the strength of your martial arts. There's a formation around the stone, and the result will be transmitted to the crystal. Use your best martial arts to hit the stone!"

Xu Xiaoyan explained as she pointed at the rock. After seeing Lin Yi's battle with yang Dian, she was quite confident in Lin Yi's strength and wanted to see how strong Lin Yi's attack power was.

Lin Yi chuckled to himself-was he sure he wanted to use his strongest skill? Aren't you afraid of shattering the stone?

"I understand! This test is simple!"

Lin Yi smiled and nodded at Xu Xiaoyan, but he turned to Shi TOU with a mocking look.

He's playing tricks again! How childish!

Lin Yi used his divine sense to scan and saw a faint smug smile on su Hao's face. He knew that su Hao was behind this.

In addition to reinforcing the stone from being destroyed, the array around the stone also converted and absorbed the attack power of the attacker, which was then transmitted to the yellow crystal.

And now that the formation had been tampered with, even if Lin Yi really did break the stone, the scale on the crystal would only show one grid!

This wouldn't do any harm to Lin Yi. Su Hao had probably given up on his plan to plot against Lin Yi. He just wanted to embarrass Lin Yi in front of everyone!

"By the way, instructor Xu, is there any explanation for the test results?"

Lin Yi thought about the test and knew that there had to be a grade system. For example, there were nine squares on the yellow crystal. He wanted to know which square he would go to and stop?

"Look at that yellow crystal, it's divided into nine boxes. The more you light up, the higher the score, so go ahead and fight!"

Xu Xiaoyan explained patiently with a smile. She didn't go into details about the others' scores as she wanted to see what Lin Yi could do.

"Thank you, instructor Xu. I understand."

Lin Yi nodded with a smile. He'd already studied the entire formation while they were talking, and as long as he found a chance to change it a little, he'd be able to completely reverse the other party's arrangement.

He didn't have as much knowledge as this thing, but after a long time of training, he'd made great progress in the field of formations. He could be called a formation master.

The formation in front of him wasn't complicated. It was indeed child's play, not a big deal.

"Lin Yi, you sure talk a lot of crap-just fight when I tell you to, what're you talking about?"

Su Hao pretended to be impatient and urged Lin Yi. He had received su BA's signal and knew that the formation had been changed. He was waiting to see Lin Yi embarrass himself, and he didn't want to waste any time.

"I'm not even in a hurry, so why are you? You're such a busybody!"

Lin Yi curled his lips in disdain and retorted. Maybe it would be more appropriate to say that the eunuchs were more anxious than the Emperor.

"Don't tell me you're afraid that you won't be able to get good results and lose face as the strongest in the new student class?"

Su Hao didn't mind and continued to mock Lin Yi. If he could make Lin Yi talk big, he would embarrass him even more later.

"You've already said that I'm the strongest in the new student class, so why would I be afraid of not having good results?"

Lin Yi looked at su Hao with a half-smile and raised his eyebrows, "Why don't we make a bet?"

Digging a hole and burying someone was really fun. If there was a chance, he would do it. Especially when the target was such a cheap guy like su Hao, there was no room for discussion!

Su Hao was overjoyed. He didn't expect Lin Yi to be so cooperative. A bet was great!

He'd be able to make Lin Yi's face drop dramatically, and he'd even be able to get some good stuff out of him!

One word, F \* ck!

"A bet is a bet, do you think this young master will be afraid of you?"

Su Hao suppressed the joy in his heart and pretended to be proud, ""What do you want to bet on? This young master will take it all!"

"Yo, so rich and imposing!"

Lin Yi pretended to think for a while before continuing, "Since you're not optimistic about me, then let's bet on what results I can achieve! You tell me this!"

I wanted you to say this!

Su Hao's heart was suddenly overjoyed, but his face still had to pretend to be calm, ""En, this young master sees that you're just a person who looks strong on the outside but is actually weak on the inside. However, to have a bit of reputation, you must at least have some strength, right? I'll bet that you can only get three squares at most!"

Su Hao actually wanted to say that Lin Yi could only get one square, but that would be too obvious and people would start to suspect him. So, he said three.

Anyway, when Lin Yi only got one tile, su Hao could still laugh at Lin Yi with the three-tile bet!

Lin Yi laughed coldly to himself.

"No problem. What if my score exceeds three squares? What are you going to bet on?"

Lin Yi continued to dig a hole and led su Hao to jump into it. Without a doubt, since he was given the chance, su Hao would make Lin Yi embarrass himself as much as he could. Then, he would realize that the feast that was originally prepared for Lin Yi would end up on his own head!

Lin Yi felt happy just thinking about the pain!

"Looking at your poor appearance, I don't think you have much spiritual Jade. How about this? I'll suffer a little loss and give you some hope."

Su Hao proudly looked at Lin Yi from the side.

Chapter 6776 Great Reversal Of The Array

He quickly thought of a way to embarrass Lin Yi even more, "If you win, I'll give you a hundred thousand spiritual jades. If you lose, I don't want you to pay either. I just want you to kneel on the ground and call yourself an idiot three times. Then, bark three times like a dog and climb three rounds around that rock. What do you think?"

I think you're an idiot!

Lin Yi thought that su Hao was a little calculative, but now the truth was revealed!

Did this idiot not know who Lin Yi was? Would a Mystic Alchemist lack spirit Jade? Just refining a few pills could be exchanged for a large amount of spirit Jade!

"Hehe ... Young master su Hao is really generous. I came from a small place and have never seen what 100000 spiritual Jade is like!"

Lin Yi said, making himself sound like a poor country bumpkin. He then took out a few spirit Jade cards, some blue and some purple ...

Su Hao's face instantly turned red. Like a duck that was being strangled, he could not say a word.

Because of the rumors that Lin Yi was already dead, su Hao didn't really pay much attention to Lin Yi's news. He only knew that Lin Yi was a kid from the North Island, and his main purpose was to accompany Shangguan LAN 'er.

What kind of wealth could he have with this identity of a study companion?

"Young master su Hao, I don't have a single piece of spiritual Jade with me. Let's use this card as the bet!"

Lin Yi really wasn't lying-he used all his spirit Jade to set up formations against the rat tide and bees, and then self-destructed without a single one left-he was so poor he only had the spirit Jade card left!

A purple spiritual Jade card was tossed onto the ground by Lin Yi, and the audience felt their hearts jump.

F \* ck! That was ten million spirit Jade! He just threw it on the ground?

They only wanted to know if they could pick it up.

"How about this? if young master su Hao wins, this spiritual Jade card will be yours. On the other hand, if I win, what did you say just now?"

Lin Yi frowned and looked up at the sky. "Oh right, kneel on the ground and say that you're an idiot three times, then bark three times like a dog and climb three rounds around that rock! How is it?"

Su Hao felt a fire burning in his heart. He was being looked down upon by Lin Yi! No, I have to calm down!

"I'm not short of money! We'll drop the bet on the spiritual Jade and use this condition to bet!"

After seeing Lin Yi's spiritual Jade card, su Hao wisely stopped using spiritual Jade as a bet and focused on the humiliating conditions, ""Kneel on the ground and say that you're an idiot three times, then bark like a dog three times and climb around the stone three times! Do you dare to do so?"

Su Hao continued to look at Lin Yi with disdain. Since he could guarantee that Lin Yi would only get one tile, what was there to be afraid of?

Unfortunately, su Hao didn't have too many spiritual jades with him. Otherwise, he would have raised the stakes and won all of Lin Yi's spiritual Jade cards.

In order not to expose the fact that he wasn't as rich as Lin Yi, su Hao had to give up on this tempting idea.

"Alright! Whatever young master su Hao says!"

Lin Yi's tone was full of mockery as he kept the spirit Jade card with a wave of his hand. He then looked around at the crowd, "Everyone here is a witness. Instructor Xu, our bet is not against the Academy's rules, is it?"

"If you don't, I won't interfere in your bet."

Xu Xiaoyan tried to hold back her laughter. She didn't really like su Hao, the transfer student, so she was happy to see Lin Yi teaching su Hao a lesson, especially since it was a harmless bet.

From Xu Xiaoyan's point of view, Lin Yi's score would easily exceed three squares. After all, his battle with yang Dian left a deep impression on Xu Xiaoyan!

With such strength, how could he only get three squares?

"Since instructor Xu also agrees, then it's a deal! Young master su Hao, I hope you won't go back on your word when you lose!"

Lin Yi looked at su Hao with a half-smile on his face. At first, he was the one who dug a hole for su Hao to jump into, and then su Hao dug a bigger and deeper hole for himself before jumping in.

Now, it's time to bury him. I hope that su Hao, who knows the truth, won't cry!

Su Hao's mouth twitched. Every time Lin Yi called him young master su Hao, he felt like he was being humiliated, but he couldn't say anything. This was so frustrating!

"What a joke. This young master is a man of his word. I'll definitely keep my word. You're the one who lost. Don't go back on your word!"

Su Hao was roaring in his heart. Lin Yi, you're going to lose for sure. When you kneel down and bark like a dog, I'll laugh at you!

"It's good that you won't go back on your word. I'm just a little worried because I see that young master su Hao has the habit of going back on his words."

Lin Yi shrugged and turned to big rock.

Su Hao almost vomited blood. You're the one who's used to reneging on debts. Your entire family is used to reneging on debts!

[This young master is handsome and handsome. I am absolutely handsome and elegant. I am so beautiful ... Wait, there seems to be a strange word mixed in ...]

While su Hao was thinking about some random things, Lin Yi had already walked to the side of the big rock. Using his body as a shield and his spiritual sense as a cover, he secretly inserted a formation flag into the formation around the rock.

No one noticed his movement, even Xu Xiaoyan who had been paying attention to Lin Yi.

"Since it's a pure energy test, then using a powerful martial art technique is cheating. I, Lin Yi, will never do that. Young master su Hao, I'm going all out to make you admit your defeat!"

After Lin Yi changed the formation, he turned around and said righteously, but then he turned back to Su Hao.

Su Hao was stunned for a second and then turned his nose up at Lin Yi's words. "You're just getting one tile no matter what you do, what's the point of acting cool now?" In the end, he turned from a pretentious prick into an idiot. That would be funny!

Lin Yi didn't even look back at the rock after he finished speaking. He just casually waved his hand and left a palm print on the rock!

There wasn't any earth-shaking explosion, just a slight crack, and there wasn't even a slight tremor.

Su Hao opened his mouth and pointed his finger at Lin Yi, ready to pour out his long-planned taunting. However, in the next moment, he could only open his mouth wide and his finger stopped in the air, staring at the yellow crystal with his mouth wide open.

Nine squares!

How the F \* ck could it be nine squares?

Do you still want to sneer at me? Laughing at Lin Yi for not getting the third square, but the ninth?

I'll wipe, wipe, wipe~!

Su Hao felt that there must be something wrong with his eyes. That's why he had such an illusion!

However, the exclamations around him and the gloating looks in their eyes told him that all of this was real and not an illusion!

At this moment, su Hao felt the deep malice of the whole world towards him!

"Impossible! How can it be nine squares just by playing?"

Chapter 6777 Who's A Liar?

Su Hao felt as if a hundred years had passed, but in fact, it had only been a moment. He quickly reacted to what had happened and immediately jumped out to question, ""Lin Yi, are you cheating? Speak, what did you do?"

It was a typical case of a thief crying out To Catch a Thief, and the wicked filed a lawsuit first! Su Hao's hand was really smooth!

Lin Yi said nonchalantly, "that's my strength!" Can't you see that I've always been full of confidence?"

The audience couldn't help but nod-Lin Yi was really full of confidence from the start to the end, this was something he only showed when he was sure!

Thus, they looked at su Hao with much more disdain.

Sure enough, su Hao was someone who was used to not paying up. Lin Yi didn't wrong him, he was ready to go back on his word!

Dozens of eyes that thought they had already seen through the truth stared at su Hao, making him feel like his heart was pierced by thousands of arrows!

Are you all F \* cking blind?! Lin Yi must have cheated!

"Lin Yi, your confidence is built on cheating, right? As expected, it was a good trap, you deliberately set me up, right?"

Su Hao finally understood what was going on. The damn bet was a trap set by Lin Yi!

If Lin Yi didn't cheat, then he'd only get one step!

But could he say that? What was su Hao's basis for making sure that Lin Yi cheated? Su Hao was the one who cheated first!

F \* ck! If he really said that, wouldn't he be ridiculed to death by the onlookers?

"Young master su Hao, a loss is a loss. You have to be magnanimous! There's no such thing as a loss in a bet. There's still a chance next time! You'll have to admit it this time!"

"Although you're used to going back on your word, I'm still willing to believe that you'll keep your word. After all, there are so many people watching. It wouldn't be nice if you didn't keep your word!" Lin Yi advised.

F \* ck that habitual face of reneging on debts!

Su Hao was about to go crazy, and su BA was also dumbfounded. He didn't know what went wrong, but he did move his body, and only Lin Yi was close to the rock.

And Lin Yi was able to do that in front of so many people?

That's impossible, right?

Su BA couldn't figure it out, but he knew that he had to make up for his mistake now. Otherwise, he wouldn't have a good life in front of su Hao.

"Master Hao, if Lin Yi cheated, anyone could get nine squares!"

Su BA felt that his IQ was off the charts today. At such a critical time, he had actually thought of such crucial information!

Su Hao's eyes suddenly lit up! That's right, wasn't this the best evidence for Lin Yi to cheat!

"Move, Lin Yi! If I say you're cheating, then you're cheating! I'm sure that anyone can get nine squares now!"

As if he had found a life-saving straw, su Hao rushed to the side of the big rock and pushed Lin Yi away. He smiled proudly, "Do you believe that I can also casually hit nine squares with a palm now?"

The onlookers shook their heads in unison. Even if they wanted to renege on their debt, they didn't have to be so obvious. Everyone understood!

Su Hao almost spat out a mouthful of blood!

"I do! Young master su Hao's strength is outstanding, and his potential is sky-high. It's only natural for him to get nine squares with a casual strike. What does this mean?"

Lin Yi spread out his hands and praised su Hao with a face full of sincerity, as if he really thought so!

Su Hao secretly sneered. This young master had caught his weak spot and wanted to hide it in advance? This young master will not be fooled!

"Do you think people will believe you? The public's eyes are sharp, they'll know your true colors soon!"

"No!" Su Hao shouted loudly, but immediately felt that something was wrong ... From the bright eyes of the audience, they were clearly saying that he, su Hao, had the face to renege on a debt!

F \* ck! It's better not to talk and just fight!

Su Hao felt deeply ashamed and resentful. He casually slapped on the big rock!

"See, that's how the scammer Lin Yi got nine squares!"

Su Hao laughed out loud, pleased with himself. Now that he had seen through Lin Yi's trick, the tables had turned!

All those who laughed at me, you are all idiots! While you're laughing at Lin Yi, you should laugh at yourself!

Su Hao, who was feeling good, had just laughed out loud when his throat seemed to be choked by someone, and his laughter stopped!

The yellow crystal clearly showed that su Hao's palm only had a score of one square!

This young master's eyes must be broken, how the F \* ck could it not be nine squares, but one square?

Lin Yi's face was calm, but he was actually laughing inside.

After the test, he had already kept his array flag. Now that su Hao was playing again, of course, he would only be able to get a score of one square.

"Young master su Hao, that's not how Lin Yi, the liar, gets his score!"

Lin Yi smacked his lips and finished the job off, leaving two holes in his body.

Su Hao's heart was bleeding! That bastard Lin Yi ... This was the big rock that su BA had tampered with!

"Young master su Hao? Did you not eat your fill? Why don't you eat some dry food, take a break, and try again?"

Lin Yi continued to add insult to injury. He even took out a piece of dried meat and passed it to su Hao, "This tastes good. Try it?"

Taste your mother!

Su Hao was so embarrassed that he regretted rushing over. Lin Yi's slyness was beyond his expectations!

If it was someone else, they might have seized the opportunity to let Lin Yi try again to see if he could get another nine squares, but su Hao would not do that!

He was sure that if Lin Yi were to make a move, it would still be a nine-grid!

I can't afford to lose this face!

"There's ... A problem with the formation!"

Su Hao's face turned pale as he gritted his teeth, ""Right, there must be something wrong with the formation, and that's why the results are unstable. Lin Yi can't get nine squares with one hit!"

"Oh, that makes sense. Why don't we have the Academy send someone to check and see if there's any problem?"

Lin Yi nodded in agreement and turned to Xu Xiaoyan, "Instructor Xu, what do you think?"

"If su Hao insists that there's a problem with the array, then get someone to check it out and confirm it!"

Xu Xiaoyan didn't mind at all. She really believed that Lin Yi could have such amazing results, so she didn't doubt it at all.

Su Hao's face turned even paler. He quickly shook his head, ""Forget it. I was just casually saying it. There's no need to waste time."

The Academy's people wouldn't be able to find Lin Yi's hands and feet, and su BA's formation flags would be found instead!

Rather than that, it was better to just let it go!

But what about the bet?

Kneel on the ground and say that you're an idiot three times, bark three times like a dog, and climb three rounds around the stone ...

He was supposed to humiliate Lin Yi, but now he had to bear the consequences. Just thinking about it made su Hao's life feel bleak ...

Chapter 6778 Habitual Face Of Reneging On Debts

"It's getting late, and we still have to continue the challenge later-let's get Lin Yi to the combat test!"

Su Hao forced himself to calm down and tried to change the topic without a sound.

"There's no rush for the combat test. Young master su Hao, shouldn't you pay back the bet you lost first?"

Lin Yi smiled and waved his hand. He stared at su Hao and pointed his chin at the ground, signaling for him to kneel. Then, he knew what to say and do.

Su Hao felt that his face was completely stiff. If he really accepted his loss, how could he continue to stay in Feiyang college?

But if he didn't pay up ... It seemed that he would be too embarrassed to continue staying in the Feiyang college!

What the f \* ck was he supposed to do?

The eyes of the audience were bright and clear as they waited to watch the show with great enthusiasm!

Of course, some people were secretly worried that this young master su Hao, who was used to reneging on his debt, would really renege on his debt. Then there would be no good show to watch!

That's not right. If he really wanted to renege on his debt, he might be able to see a big fight! Anyway, there's a show to watch, so I'm not picky!

"Young master su Hao ... Young master su Hao ..."

Lin Yi waved his hand in front of su Hao's face, as if he was already asleep, "Wake up, it's Not Dark Yet! Don't fall asleep!"

The onlookers immediately smiled and turned on the infinite comment mode!

"See, see, I told you he would go back on his word, and he's already starting his performance!"

"He's actually pretending to be asleep with his eyes open. No one else can do this. It's absolutely fresh and refined ..."

"You can never wake up a person who is pretending to be asleep, even if he is pretending to be asleep with his eyes open ..."

"Who wants to bet with me whether young master su Hao will fulfill his promise?"

"Bet on what? I'll do it, I'll ..."

"I'll come too, I'll come too ..."

.....

While the audience was having fun, su Hao's face was getting more and more livid!

If it was possible, su Hao really wanted to use a big move to kill all these damn flies. Unfortunately, he did not have the ability to do so, so he did not dare to do so!

"Lin Yi, don't go too far, we'll meet in the future!"

Su Hao would rather die than kneel down and say that he was an idiot. Then, he would have to pretend to bark and climb around the rocks ... Thinking about that scene, he might as well die!

"I'm sorry, I'm just a country bumpkin from a small town. I don't want to see you again, young master su Hao!"

Lin Yi pursed his lips, indicating that he wasn't worthy. "Let's have a good talk about the matter of honoring our bet!"

Su Hao's face began to turn red and white. He began to regret his decision to cause so much trouble!

Couldn't he have just killed Lin Yi? why did he have to resort to these little tricks? now he's digging his own grave!

Thinking of this, su Hao's eyes suddenly lit up and quickly said, ""Lin Yi, didn't you just say something?"

"I have said many things ... Which one are you referring to?"

Lin Yi looked at su Hao with some vigilance. Could it be that this kid has something to say about me? He didn't seem to have said anything wrong!

"You just said that Qianqian didn't lose a bet! Am I right?"

Su Hao's eyes became brighter and brighter as if he was grasping at a life-saving straw, ""You're absolutely right! Since there's no such thing as a loss in a bet, let's bet again. The bet will be doubled!"

Lin Yi's mouth twitched. He thought that su Hao had some good idea, but it turned out to be this.

"Not interested, hurry up and honor the bet!"

Lin Yi didn't want to bother-what was the difference between three and nine times? "Are you planning to go back on your word?"

"What do you mean? We haven't finished the bet yet, so of course, we can temporarily owe the bet and cash it in when it's over. "

Su Hao quickly retorted. This was his last chance, he had to fight for it,"You can't just run away after winning and not even give me a chance to turn the tables, right?"

"Not interested, hurry up and honor the bet!"

Lin Yi decided to just lower his eyes and end it with one cold sentence.

"Are you afraid that I'll lose again and use this excuse to delay? I swear, this is the last time, whether I win or lose, I'll honor it all! What do you think?"

"Not interested, hurry up and honor the bet!"

"Lin Yi, are you scared of me? Do you think you can't win against me, so you refuse to bet?"

Su Hao was so angry he wanted to puke blood, but he had to convince Lin Yi, "Lin Yi, don't make me look down on you. What do you think? one more bet, just one more time!"

"Not interested, hurry up and honor the bet!"

Lin Yi kept repeating the same sentence-you can't go back on your word if you want to!

The onlookers watched with great interest. This play didn't seem too bad either. It would be even better if they could see them being forced to honor their bet later!

Su BA's back was drenched in cold sweat. In the end, he might be the one to take the blame. If su Hao was unhappy, he would not be happy either.

Although su BA's strength far exceeded su Hao 's, he was only su Hao's follower. When su Hao was angry, he could only grit his teeth and bear it.

He had to find a way to make up for it, or else his future days would be difficult!

Su BA was in a hurry. Suddenly, he had an idea. He quickly pulled su Hao back and stood in front of Lin Yi. He raised his head arrogantly and said, ""Lin Yi! My family's young master Hao has always kept his word, if he says he'll honor the bet, he'll definitely honor the bet!"

Su Hao's heart was filled with hatred. Are you trying to betray your master for glory? What kind of follower would cheat the young master like you?

However, before he could berate her, su BA had already changed the topic, ""When you set up the bet just now, did you say that you would immediately honor the bet? I don't think so? If not, why are you so aggressive? Do you think you can do whatever you want here because your family owns Feiyang college?"

Lin Yi was stunned-this guy was a genius! Isn't it too much to be su Hao's follower?

Su BA's sophistry had turned the situation around. He immediately turned to su Hao with a smile and said, "Master Hao, you're right about me, right? Since Lin Yi won't give master Hao a chance to turn things around, then forget it. As for the bet, master Hao can come back and redeem it when he's in a good mood!"

Su Hao was overjoyed. He didn't expect su BA to have this ability! Was it because the bystanders could see more clearly? That's good!

"Hahahaha, you're absolutely right! This young master has never reneged on a debt. I lost the bet today and there's no chance to turn it around. This young master is in a bad mood. When I'm in a good mood, we can talk about redeeming the bet!"

Su Hao's face turned bright, and his mood soared. This young master is not going back on his words! No one could say anything wrong!

"As expected, you still want to renege on your debt ..."

"Are we considered to have won? Isn't it time to compensate?"

"Pfft, didn't young master su Hao say that this isn't reneging on the debt? it's just that he didn't agree to honor the bet. How did you guys win?"

"Hey, hey, are you trying to renege on your debt too?"

"F \* ck! Look at the shape of his face, doesn't it look like he's used to reneging on his debt?"

Chapter 6779 Can't Make An Exception

The onlookers began to boast again. Su Hao felt his face twitching. He simply waved his hand and turned around with su BA.

"Lin Yi, you still haven't gotten the right to challenge. I'll wait for you at the stage and see how you'll continue to shine in the exam."

Su Hao wanted to run away. He hoped that after moving to another place, everyone would quickly forget what happened here ...

"Instructor Xu, where did this su Hao come from? He was really shameless! In front of so many people, you actually have the nerve to renege on your debt!"

Lin Yi looked at Xu Xiaoyan helplessly, but he was just saying it. He didn't expect Xu Xiaoyan to seek justice for him.

"Haha, Lin Yi, don't push su Hao too hard. We're all students of the same school, it's best if we work together!"

Although Xu Xiaoyan didn't like su Hao either, she still tried to persuade Lin Yi to act like a good teacher. She then lowered her voice and whispered, "You can't be careless. Su Hao has a very strong background. He was directly arranged by the director. If you offend him too much, it won't do you any good."

"Thank you, instructor Xu. I'll be careful."

Lin Yi smiled and thanked Xu Xiaoyan, but he didn't really take it to heart.

He even dared to beat up the people of the mountain sect, so what was the big deal about a transfer student arranged by the Dean?

As they spoke, the group returned to the arena. The combat test naturally had to be done in the same place as the challenge Round.

"Lin Yi, the actual combat test is supposed to be done by drawing lots, but now that everyone's already done it, there's no need to do it again. Plus, you did well in the last two rounds, you're qualified to challenge!"

Xu Xiaoyan, as the instructor in charge of the test, naturally had the right to speak, and what she said made sense as well. She couldn't just pick a few students to fight Lin Yi just because he wanted to take the test.

"Mentor Xu, why does everyone else have to take the test but Lin Yi? Is this fair to the other students?"

Su Hao couldn't help but jump out and point his finger. Anyway, he had already lost enough face just now. Now, it didn't matter anymore!

Xu Xiaoyan smiled, but cursed in her heart. She just told Lin Yi to be lenient, was it too late to take back her words now?

"Su Hao, you're really warm-hearted. However, I don't think I need you to remind me about this. Even the class monitor of the new students didn't have any objections, so you don't have to worry about it."

Although Xu Xiaoyan was unhappy, she still spoke with a bright smile. However, yang Dian, who had been in a drama-watching mode, was a little inexplicable when he was suddenly dragged into this.

"Mentor Xu, it's not that I want to criticize you, but as a mentor, you seem to be too biased towards Lin Yi. It's not a happy thing for the rest of us."

Su Hao coldly snorted and indifferently said to Xu Xiaoyan.

It wasn't that his brain suddenly went haywire, but su BA had just reminded him that Lin Yi might have had someone helping him in the dark during the first two tests, and that person was most likely Xu Xiaoyan!

First of all, Xu Xiaoyan was the strongest among all the people here. Only she had the right to help Lin Yi!

Secondly, Xu Xiaoyan and Lin Yi's small group had a very good relationship, so it was reasonable for her to help.

The most important point was that during the previous spiritual sense assessment, su BA was injured by someone, and only Xu Xiaoyan turned to look at them. This clearly explained the problem!

In addition, during the true energy assessment, the array was tampered with, and it seemed that only Xu Xiaoyan, a teacher of the college, had the ability to secretly control it!

Lin Yi could get as many blocks as he wanted-how else would he have been able to pass two tests so easily?

Su BA's analysis had touched su Hao's heart, especially when su BA had just helped him out of a difficult situation. It was enough to show that su BA's wisdom was not ordinary.

Each and every analysis was clear and logical. Su Hao immediately started to hate Xu Xiaoyan!

The embarrassment just now was naturally on her head, so her words were a little impolite now.

"Oh, young master su Hao, you can express your opinion on behalf of the other students? Could it be that after Yang Dian, you became the class monitor of the new student class?"

Lin Yi's words immediately shut su Hao up. At the same time, yang Dian, who was in the middle of the show, was once again the center of attention.

"Lin Yi, of course you'd say that since you're the one with the benefit, but I'll never give in to your underhanded methods. If no one's taking the test with you, then you're not qualified to take part in the challenge!"

Su Hao thought that it was Xu Xiaoyan and Lin Yi who had secretly colluded to frame him, causing him to make a big fool of himself. So now, he would not let go of such a small matter. He had completely lost his previous calm mind.

He didn't think that if he didn't have such a devious idea and secretly play tricks, how could all these things happen?

This kind of person always liked to push his own mistakes onto others!

"You think I'm not qualified just because you say so? Your family owns the Feiyang college?"

Lin Yi looked at him with disdain-he looked down on people like this the most. Did they think they could do whatever they wanted with the Dean backing them up?

"I thought that your family owned Feiyang college! I'll break any rule for you, Lin Yi!"

Su Hao immediately retorted, "Don't say that I didn't give you a chance. You don't have a worthy opponent in the combat test, right? it just so happens that you mentioned the former class monitor of the new student class, yang Dian. I heard that you two have a lot of stories to tell. Why don't you continue your relationship today?"

Yang Dian was dumbfounded. I was just watching the show, why did I get shot again?

Was watching a show so dangerous now?

"Do you think I, yang Dian, can be used as a gun just because you want to? Even if I want to fight Lin Yi, it's not something a transfer student like you can say! Shut up, I'll challenge you right now if you keep talking!"

Yang Dian pointed at su Hao and threatened him. He wanted su Hao to be a Pathfinder for Lin Yi. How could he be used by su Hao?

Su Hao's eyes flashed. He didn't know how strong yang Dian was, but he knew that Lin Yi beat him up badly.

This kind of trash actually dares to threaten this young master in front of me? He simply didn't know his place!

Because he was sure that Lin Yi had gotten Xu Xiaoyan's Secret help, su Hao subconsciously thought that Lin Yi's strength was just average. After all, he had just broken through to the mountain opening stage less than a year ago. How could he be compared to him?

Naturally, su Hao didn't care about Lin Yi's defeated opponent, yang Dian. However, yang Dian was a new student from the previous intermediate class. Naturally, he had a place in the intermediate class and could take part in the new student exam at any time. Su Hao didn't want to mess with him now!

Chapter 6780 Lin Yi VS Su Hao

"If you don't dare to fight Lin Yi, then just pretend I didn't say anything!"

Su Hao snorted and glanced at yang Dian, ""This young master doesn't have time to bicker with you right now. If you want to challenge this young master, then come and try!"

Although he said that, su Hao didn't want to fight with yang Dian. The two of them didn't have any interactions at all. The best result would be to provoke Lin Yi and Yang Dian into fighting, but it seemed impossible now.

Yang Dian glared at su Hao but didn't continue to pester him. His thoughts were the same as su Hao 's- he wanted Lin Yi to fight someone and see how it went.

As for su Hao, yang Dian really didn't take him seriously. Even su BA, who was next to him, was nothing in yang Dian's eyes.

Yang Dian didn't dare to fight Lin Yi? What a joke! After Lin Yi taught su Hao a lesson, he would then kill Lin Yi with the attitude of a King and wash away the shame!

"Alright, su Hao, you've been nagging for so long. Are you afraid that I'll challenge you?"

Lin Yi glanced at yang Dian as he spoke to su Hao. He felt that there was something different about yang Dian, but he couldn't put his finger on it.

However, it was not the time to pay attention to yang Dian. He had to deal with su Hao first.

"What a joke. This young master can't wait for you to challenge me. I'll have the chance to teach you a lesson and let you know who the strongest in the new student class is!"

Su Hao looked at Lin Yi arrogantly, ""This young master is just an upright person, and I can't bear to see someone like you who doesn't follow the rules break the rules!"

Lin Yi was in awe of su Hao's shamelessness.

"Instructor Xu, I'm ranked seventh. I'm qualified to participate in the challenge!"

A new student suddenly raised his hand and waved at Xu Xiaoyan, "I'm willing to give this ranking to Lin Yi, and let him take the test!"

Xu Xiaoyan was stunned for a moment. This was a solution, but this student was a little wronged.

After all, even if the top ten students were to enter the lower class, they would still be given some resources. Moreover, they would also have the qualifications to challenge the intermediate class once a month.

Lin Yi was surprised as well. He didn't think too much about it. As long as he could challenge su Hao, he would naturally repay this student's favor.

"If I remember correctly, you're Yuan xinfei, right?"

Lin Yi tried to recall, remembering the name-they'd been in class together, after all, they'd never met before.

"That's right, that's right, I'm yuan xifei. I didn't expect you to remember my name, Lin Yi!"

Yuan xifei was a little excited. They were different from Lin Yi-they weren't geniuses who were in the spotlight, and they weren't even official disciples of the Feiyang school. It was natural for them to feel inferior, and so they didn't dare to make friends with a God's favorite like Lin Yi.

He didn't expect Lin Yi to know his name after disappearing for so long, and they'd never even talked before. No wonder he was so excited!

"We're all classmates, what's so strange about remembering your name?"

Lin Yi nodded at Yuan xifei with a smile and turned to Xu Xiaoyan, "Instructor Xu, is Yuan xifei okay with this?"

"No problem. He's willing to sacrifice his own interests to help you, and the Academy won't interfere."

Xu Xiaoyan smiled and looked at su Hao, "Su Hao, do you have anything else to say this time?"

"You're a teacher, so it's only natural that whatever you say goes!"

Su Hao coldly snorted and coldly glanced at Yuan xifei. He jumped onto the ring and began to twist his body, ""Since Lin Yi has the right to challenge me, then I'll wait for you to challenge me!"

Yuan xifei's heart turned cold when he saw su Hao's gaze. He knew that su Hao had a grudge against him. He wondered if su Hao would take revenge on him in the future.

But he didn't regret helping Lin Yi, because Lin Yi was his idol. He was strong, but he always kept a low profile and was friendly, unlike yang Dian who was arrogant.

Especially the mountain-opening battle between Lin Yi and Yang Dian, which shocked Yuan xifei!

He'd always wanted to look up to Lin Yi, but he didn't think that Lin Yi would disappear after that battle- there were even rumors that he'd died!

Fortunately, Lin Yi returned safely and could help out a little. Yuan xifei was very happy.

As for su Hao's possible revenge ... He was still a little afraid ... He could only hope that su Hao would not care about a small character like him.

"Yuan xifei, thank you for your help this time. If you need anything in the future, feel free to look for me. As long as it's within my means, I'll definitely do it!"

Lin Yi didn't forget to thank Yuan xifei and made a solemn promise.

Normally, Lin Yi would give some resources to Yuan xifei as a thank you gift, but now, su Hao would probably hate Yuan xifei. So, he might as well not give anything and treat Yuan xifei as a friend.

Since su Hao dared to touch Lin Yi's friend, Lin Yi would let him know what regret was!

After dealing with Yuan xifei's matter, Lin Yi jumped into the ring and was three steps away from su Hao.

"Young master su Hao, I'm here to challenge you. Please show mercy!"

Lin Yi's words sounded like he was showing weakness, but his tone and expression were full of mockery. Even a blind man could see that he was mocking su Hao, "Oh, I forgot that young master su Hao only knows how to treat beautiful women tenderly. I'm not qualified to ask young master su Hao to go easy on me!"

Lin Yi suddenly turned to the audience. "Little Senior Sister LAN 'er, did su Hao go easy on you just now?"

"Junior Lin Yi, my wrist was grabbed by su Hao just now, it hurts. You have to avenge your Junior Sister!"

Shangguan LAN 'er smiled and waved her fists. Thinking of her best friend, she quickly added, ""Also, take revenge for Murong xuyan!"

Murong yuanyan's injury had almost recovered. When she heard Shangguan LAN 'er's words, her face couldn't help but turn black. She wanted to say that she would take revenge herself, but everyone's attention was on the ring, so no one would listen to her even if she said it ...

Forget it, as long as I know ... Lin Yi, let me, Murong xuyan, see how big the gap between us is!

"Don't worry, Junior Sister LAN 'er. I'll definitely avenge you!"

Lin Yi smiled and waved at Shangguan LAN 'er, and also made a "don't worry "gesture to Murong xuyan.

Murong xuyan's eyebrows twitched. She didn't know how to react.

The smile on Lin Yi's face disappeared the moment he turned around, replaced by a cold killing intent!

"Su Hao, it turns out that you don't have any compassion for beautiful women! Did you do everything you could to provoke my little Senior Sister LAN 'er just to satisfy your perverted mentality of bullying girls?"

Lin Yi's tone was cold, as if he was a completely different person from before. His sharp eyes even gave su Hao a huge sense of pressure!

"You're talking nonsense!"

Su Hao subconsciously argued. Then, he felt that the pressure was getting bigger and bigger. If he didn't make a move now, he was afraid that he would fall into a disadvantageous position. Thus, he shouted and immediately activated his martial arts, "Lin Yi, go to hell!"
