

## Bodyguard 6821

### Chapter 6821 There's No Need To Enter The Ring

It would have been fine if Wang talong didn't say anything. Lin Yi's words were just a normal sentence, but now it had completely ignited Li Xiaomeng's anger!

"Lin Yi, I want to challenge you! Do you dare to accept it?"

Li Xiaomeng didn't say anything and pointed at Lin Yi, ready to challenge him. If no one saw it, Li Xiaomeng might've just attacked him.

It was a pity that there were too many people here, and the Academy staff was watching. No matter how arrogant Li Xiaomeng was, she couldn't do anything to Lin Yi.

That was a taboo. No matter how powerful her background was, she was still in the Feiyang college.

"You're the senior Sister of the advanced class. Don't you think it's laughable that you're here to challenge a new student who just entered the intermediate class?"

Lin Yi's lips curled into a mocking smile. He wasn't interested in accepting Li Xiaomeng's challenge, "Besides, I don't like to hit women, so you'd better save it."

Li Xiaomeng was almost going crazy. Lin Yi's first sentence seemed to be showing weakness, but the next one was contempt. Who said that she would be beaten by him if they fought? We'll talk about it again if you have the ability!

"You cowardly rat. If you don't dare to accept my challenge, just say it. Why are you looking for so many excuses?"

Li Xiaomeng suppressed her anger and put on a disdainful look, trying to anger Lin Yi so that he would accept her challenge. Only then would she be able to teach him a lesson, "Don't say that you don't hit women because you're afraid of being hit by women, right?"

Wang Jian and Wang talong, along with their follower Jia Liu, laughed out loud, displaying their disdain for Lin Yi to the fullest.

"Sure enough, he's as timid as a mouse. Senior Sister li, he's obviously afraid of you, why don't you give him some face and treat what he said as the truth?"

The mockery on Wang talong's face was exaggerated, but the onlookers felt that it was acceptable. They were just here to watch the show, after all. If Lin Yi didn't accept it, then what was the point of watching?

"That's right, Senior Sister li, what's the point of talking nonsense with this kind of person, we've already seen through him as a coward and since he doesn't dare to fight, let's just let him go!"

Wang Jian took the chance to mock Lin Yi as much as he wanted to humiliate him, but Lin Yi didn't care at all.

These two brothers had been beaten up by him before, so what was there to argue with them about?

"Whatever you think or say, I'm going to leave with my little Senior Sister now, hurry up and get out of the way!"

Lin Yi curled his lips, signaling for her to leave with him, "Junior Sister apprentice LAN 'er, let's go. We can't talk with these boring people!"

Shangguan LAN 'er agreed and followed Lin Yi to leave.

"Lin Yi, aren't you afraid that I'll teach you a lesson if you don't fight me?"

Li Xiaomeng squinted her eyes and stared at Lin Yi coldly. At the same time, she glanced at Shangguan LAN 'er threateningly, meaning that if Lin Yi was unlucky, Shangguan LAN 'er wouldn't be able to live well either.

Lin Yi wasn't very happy with that. He thought that he should accept the challenge and teach her a lesson in the ring, so she wouldn't come looking for trouble in the future.

"To tell you the truth, as long as you're still in Feiyang college, I have at least 10000 ways to deal with you. Don't think I'm joking. If you don't believe me, you can try!"

Li Xiaomeng didn't have any intention of stopping and continued to threaten Lin Yi coldly, "I'll give you one more chance. Do you want to have a showdown with me in the arena?"

"There's no need to go into the ring. You're female and I'm male. Anyone with eyes can tell!"

Lin Yi laughed awkwardly. He still didn't want to accept Li Xiaomeng's challenge. No matter how he thought about it, he wasn't interested in fighting a woman, "If you think you have ten thousand ways to deal with me, then quickly take out a few. These two also said the same thing to me, but unfortunately, they didn't manage to deal with me."

Wang Jian and Wang talong's lips twitched at the same time. When did I ever say I'm going to teach you a lesson? I'm just thinking about it, how can you tell?

"Don't be too pleased with yourself. I'll naturally keep my word. Don't come crying and begging for mercy when the time comes!"

Li Xiaomeng glanced at Wang Jian and Wang talong with dissatisfaction and continued, ""Lin Yi, remember this, the people from the advanced class have the right to use the practicing room, and I have the right to use it. Do you believe that you'll never be able to enter the room again?"

Lin Yi almost laughed out loud-was this Li really that stupid? Did she treat the Feiyang College's cultivation room as her own?

The F \* cking ruler of the advanced class? How come he wasn't killed?

"You really scared me to death. Then I'll wait to see the methods of the ruler of the advanced class. Don't disappoint me!"

Lin Yi shook his head, not wanting to talk to these people anymore. He pulled Shangguan LAN 'er and walked out.

Under the gazes of the school staff, Li Xiaomeng and the others couldn't force Lin Yi and Shangguan LAN 'er to stay. They could only watch the two leave with gritted teeth.

"Lin Yi, just you wait, this isn't over!"

Li Xiaomeng waved her fist at Lin Yi's back. She had to save some face no matter what, "Just you wait, this young miss will definitely make you regret!"

"Junior Brother Lin Yi, is that stupid li ... Really okay?"

Shangguan LAN 'er asked Lin Yi worriedly after walking a distance away. She was worried about Lin Yi, not herself.

Lin Yi was indeed strong, but it was easy to Dodge an attack in the open but hard to defend against an arrow in the dark. In the Academy, the advanced class students obviously had an advantage-after all, they'd built up their own network of connections over time.

"Junior Sister LAN 'er, you can rest assured. It's just a few advanced class students, they won't be able to cause any waves."

Lin Yi's smile was very relaxed, and Shangguan LAN 'er also slowly relaxed, "Not to mention aunt Zhang, this Vice President, I think President Liu is also a good person. If someone really wants to secretly break the rules of the Academy, I think President Liu will be the first to disagree."

"You're right. I'll talk to my master about this later. They've gone too far. Isn't it good for everyone to cultivate and learn?"

Shangguan LAN 'er felt that Lin Yi's words made sense, and nodded in agreement, "But, Lin Yi-you've offended quite a few people from the advanced class, wouldn't it be hard for you to get into the advanced class?"

The girl was always thinking for Lin Yi-she felt that with his strength, getting into the advanced class wouldn't be a problem at all, so he needed to plan ahead.

She'd forgotten that Lin Yi came to the school to accompany her!

If Shangguan LAN 'er didn't go to the advanced class, then Lin Yi naturally wouldn't go to the advanced class alone!

In that case, it would be more appropriate for him to choose to go out and travel.

## Chapter 6822 A Tightly-Guarded Background

"There's nothing difficult to do. Junior Sister apprentice LAN 'er, don't worry about it!"

Lin Yi smiled and waved his hand, changing the topic. "How was your cultivation in the cultivation room this time? Did you find anything?"

"Yes, yes, I've gained a lot! I feel that my spiritual energy has increased a lot. If I continue to cultivate a few more times, I might be able to break through!"

Shangguan LAN 'er became excited at the mention of cultivation, obviously having made great progress, "Lin Yi, Lil' bro, if I break through to the mountain opening stage, will I be able to catch up to you soon?"

"That's right. As long as you break through the mountain opening stage, you'll be able to catch up to me very quickly!"

Lin Yi smiled and nodded. He knew that Shangguan LAN 'er wanted strength, so he encouraged her seriously, "Little Senior Sister LAN 'er, your talent is better than mine. As long as you work hard, you'll improve much faster than me. However, when you break through to the mountain opening stage, it's best to accumulate enough. A breakthrough with good preparation will be more helpful in the future."

It was meaningless to simply pursue a higher level. Those normal mountain opening Masters might look strong, but many of them couldn't even beat a peak xuansheng cultivator. So Lin Yi had to remind Shangguan LAN 'er that she shouldn't rush things!

"I understand, master and mentor Xu told me about it, so don't worry, Lin Yi."

Shangguan LAN 'er patted Lin Yi's shoulder with a smile, acting like a little Senior Sister.

Lin Yi chuckled to himself, but he let her be.

The two of them chatted and laughed as they returned to their cave abode. They happened to meet Zhang jinmiao, who came to check on the situation, so they chatted for a while. They talked about the provocation of Li Xiaomeng and the others, but Zhang jinmiao didn't say much.

Zhang jinmiao didn't want to know where Li Xiaomeng came from, and Lin Yi didn't ask anymore after seeing her reaction.

"Lin Yi, LAN 'er, the advanced class students are basically the cream of the crop. If it's not something big, try not to get into a fight with them, but if someone bullies you, don't hold back. I'll take responsibility if anything happens."

Zhang jinmiao made a promise. Shangguan LAN 'er was her disciple, and Lin Yi was like her nephew. If someone bullied them, she wouldn't just sit by and do nothing.

Lin Yi and Shangguan LAN 'er were both touched. They knew that Zhang jinmiao wasn't just saying it for fun, and it was a real promise, so they thanked her seriously.

"That Li Xiaomeng's background is not simple. Although I'm not afraid of her, if you have an irreconcilable conflict, don't kill her!"

Zhang jinmiao hesitated for a while before calling Lin Yi out.

Li Xiaomeng's background wasn't simple. He could beat her up, but if she died, it wouldn't end well.

Lin Yi understood immediately and nodded, promising that he wouldn't kill her.

"Alright, I won't hold you up from your rest. You should recuperate today and consolidate what you've gained in the cultivation room."

Zhang jinmiao smiled and got up, ready to leave.

Cultivating one's divine sense in the cultivation room was a great burden for ordinary students. Shangguan LAN 'er only came out when she had reached her limit. She did feel quite tired and needed to rest.

Only a weirdo like Lin Yi didn't feel any discomfort at all. On the contrary, he felt refreshed and didn't even want to rest.

However, Lin Yi could see the fatigue on Shangguan LAN 'er's face, so he didn't stay any longer. He let her rest by herself, and left with Zhang jinmiao.

"Lin Yi, you need to keep a low profile in school for now. The shockwaves from the last operation are probably coming soon, remember not to cause trouble ... It's best if you can go out and avoid it!"

After coming out, Zhang jinmiao lowered her voice and whispered to Lin Yi, "LAN 'er will be happy if you stay in the Academy, but you'll be in danger if Dean Liu can't resist it."

This was a concern from the heart of an elder, and Lin Yi couldn't help but feel touched.

He knew that Zhang jinmiao was talking about the aftermath of the fire of heaven and earth operation. After Lu Yongming came last time, Lin Yi knew that things wouldn't end well.

Liu Xiaoyu did mention that he wanted Lin Yi to go out on a mission to find a body and avoid the storm, but Lin Yi felt that if he left, it would put the Feiyang school in a bad position, so he stayed.

On one hand, he wanted to spend more time with Shangguan LAN 'er, but on the other hand, he didn't want the blame to fall on him. He didn't want the Feiyang school to be involved, at least he had to be in the school when it happened!

"Auntie Zhang, don't worry. I know what I'm doing!"

Lin Yi was in his Yuan spirit form, so he didn't have to worry about his safety. He had many ways to escape.

"It's good that you know it in your heart!"

Zhang jinmiao nodded slightly. She could only stop at this point, saying too much would not help. "That's all for today. Go back and have a good rest. "

And so, the two of them said their goodbyes outside of Shangguan LAN 'er's cave, and Lin Yi returned to his own cave to continue consolidating the results of today's training.

The next morning, Shangguan LAN 'er came to find Lin Yi early. She didn't have any classes today, so she was planning to go to the market with Lin Yi.

"Lin Yi, Lil" bro, are you done resting?"

Shangguan LAN 'er herself was full of energy, but she was still worried that Lin Yi didn't rest well. After all, Lin Yi spent a lot more time in the training room than she did, but she didn't know that Lin Yi didn't even reach his limit yesterday.

"I'm well rested. Senior Sister LAN 'er, what are you going to do today?"

Lin Yi walked out of the cave with Shangguan LAN 'er, a faint smile on his face, "Are you still going to the market to sell pills?"

"We won't be selling pills today. Our mission points plus the ones master gave us are enough for now, so we don't need to continue selling pills to exchange for points."

The medicine expert, Guan LAN 'er, gave up on her hobby and gave Lin Yi a bright smile, "Let's go to the market to eat today! I heard that the intoxicating God restaurant is pretty good. They serve delicious food and the most famous intoxicating God brew. You must try it. "

They'd been to the market a few times before, but Lin Yi and Shangguan LAN 'er didn't even think about going out to eat. At their level, they didn't have much need for food, and they rarely ate outside unless they were trying to satisfy their appetite.

Of course, the food in the drunken God Lodge was rich in spiritual energy, which was beneficial to cultivators. Although the effect was not great, if it was eaten for a long time, the effect would still show.

"Sure, I've heard of the drunken God residence. The last time I saw it, I didn't think I would go in and try it."

Lin Yi naturally wouldn't reject Shangguan LAN 'er's offer. He smiled and followed her to the market.

Not far away, yang Dian had just come out of his cave and heard the conversation between Lin Yi and Lin Yi.

Chapter 6823 I'll Definitely Help You Vent Your Anger

That idiot Wang talong didn't succeed in taking down Lin Yi in the practicing room, and so yang Dian decided to give Wang talong another chance for revenge after learning of Lin Yi's whereabouts.

Didn't you want to know Lin Yi's whereabouts? Let's see how you're going to deal with Lin Yi!

Wang Ta long laughed coldly and turned around to find Jia Liu to inform him of this news.

After a short while, Jia Liu had already used his fastest speed to rush to the outer encampment of the advanced class. He then looked for someone to help him report the news while he himself was pacing around the entrance, anxiously waiting for Wang talong to come out.

"Lin Yi went to the market for lunch?"

Wang talong paused, not expecting Lin Yi to be this carefree, but he didn't really care. As long as he knew where Lin Yi was, he could plan his next move,""Alright, I know about this. You can go back first."

No fighting was allowed in the market, this was the Academy's rule. Wang talong didn't want to do it himself, but since he had Li Xiaomeng's spear, wouldn't it be a pity if he didn't use it?

After sending Jia Liu away, Wang talong immediately went to look for Li Xiaomeng. Yesterday, she had entered the cultivation room, and he didn't know if she had come out yet.

It was around twenty hours now, and other than Lin Yi, most people would've come out at this time.

Wang talong was thinking about whether he should wait for Li Xiaomeng at the entrance of the cultivation room. After some thought, he decided to go to Li Xiaomeng's cave. He didn't expect her to come back.

"Senior Sister li, it's great that you're here. I was thinking of going to the cultivation room to find you if you weren't here."

Wang Ta long cupped his fists and saluted with a smile on his face. Then, he cupped his hands to the young man beside Li Xiaomeng and said, ""Hello, senior brother nie Xiaohu! It's even better that you're here, senior brother. "

"What's better?"

Nie Xiaohu smiled reservedly and nodded at Wang talong as a greeting.

He was the class monitor of the advanced class and came from the same place as Li Xiaomeng. They were also engaged, but his background wasn't as strong as Li Xiaomeng 's, so he usually obeyed her every order.

It was because of this that Wang talong didn't call nie Xiaohu class monitor in front of Li Xiaomeng, but called him senior brother.

However, in terms of strength, nie Xiaohu was stronger than Li Xiaomeng. They were both at the half-step earth splitter level. If he really fought with Li Xiaomeng, she probably wouldn't be able to last more than a few moves.

"Wang Ta long is here to find me, what are you talking about?"

Li Xiaomeng glanced at Tong Xiaohu indifferently. He immediately smiled and waved his hand, indicating that he would not speak again.

Wang talong laughed to himself and couldn't help but feel a little disdainful. He felt that nie Xiaohu's powerful strength was wasted. He was actually suppressed by a woman.

"Senior Sister li and senior brother Huang are the same. The glory of the advanced class needs the two of you to protect it together."

Wang Ta long randomly made up a sentence and immediately went back to the main topic, ""I'm here today to discuss Lin Yi's matter with Li Shijie,"

"Xiaomeng, Lin Yi's the guy who humiliated you yesterday, right? It's not that I'm interrupting, but he offended you, so I must find him to avenge you!"

Nie Xiaohu immediately put on a look of indignation and turned to Wang talong, ""Where's Lin Yi? Do you have any confirmed information?"

"I'm sure that Lin Yi is bringing his girlfriend to the drunken God house for dinner, but you know that place, no fighting is allowed there!"

Wang talong kindly reminded Shao Xiaohu and turned to look at Li Xiaomeng, ""Senior Sister Li, I'm here to discuss with you on how to deal with this Lin Yi kid. I really can't take yesterday's anger!"

As soon as he said this, Li Xiaomeng suddenly had a feeling of sharing a common enemy. In fact, she was originally standing up for Wang Jian and Wang talong, but now she had become their companion and ally. It seemed that something was wrong.

"What's there to discuss? Just go and kill him!"

Di Xiaohu's previous reserved look was swept away, and he revealed a fierce expression. ""Xiao Meng, don't worry. I will definitely help you vent your anger!"

"Alright, alright. You don't have to keep talking about it. If you really have the heart, then take action!"

Li Xiaomeng waved her hand impatiently and snorted, ""Also, do you think I can't deal with that Lin Yi kid without your help?"

"How could I? Xiao Meng, if you want to make a move, it's naturally easy. I'm just feeling sorry for you! He's just a little B \* stard who just entered the intermediate class, why would he need your help?"

Di Xiaohu's face-changing skills were extremely profound. He instantly turned into a flattering smile. "Of course I'll do it for you. Otherwise, where would I put my face? don't you think so?"

"You're smart! Then I'll see how you perform today!"

Li Xiaomeng's face finally revealed a smile, and she waved at Wang talong, ""Go and get Wang Jian. We'll go to the market City together to settle the score with that brat!"

"Senior Sister li, there's no problem in calling Wang Jian senior brother, but fighting is not allowed in the market City, what are we going to do there?"

Wang Ta long wanted to confirm it first so that he wouldn't be overjoyed when the time came.

There were experts from the Academy standing guard in the market City, and they were at least earth formation stage and above. If the few of them from the advanced class went to find trouble, it would be no different from courting death.

And if there were any problems, Li Xiaomeng and nie Xiaohu might not be in trouble because they had a backer. Wang talong and Wang Jian didn't have that much ability. They might be the scapegoats if things went wrong.

This was completely different from the previous plan. Li Xiaomeng was to be used as a gun, not to find Shuai Guo to take the blame for him!

"I told you to go, so just go. Why are you talking so much nonsense? When we're there, I'll naturally make the decisions on what to do and how to do it ... No, Xiao Meng will naturally make the decisions, you don't need to worry!"

Nie Xiaohu's eyes widened as he once again displayed his terrifying ferocity. Wang talong shrunk his neck and quickly agreed with an apologetic smile. He quickly turned around and ran away, waiting to find Wang Jian to bear the pain together.

"Xiao Meng, is there any problem with what I'm saying?"

After Wang talong left, nie Xiaohu's face immediately turned into a flattering smile again. He bent over slightly and approached Li Xiaomeng. "Why don't we also go to the drunken God residence to eat something? I haven't been there for a while. "

"Sure, I'll eat and watch how you're going to take care of that Lin Yi kid. You have to let me watch a good show!"

Li Xiaomeng grinned, and Tong Xiaohu suddenly looked a little fascinated. As for whether it was true, only he knew in his heart.

After a while, Wang Jian came with Wang talong. He showed a strong interest when he heard that they were going to deal with Lin Yi, especially when Wang talong said that nie Xiaohu and Li Xiaomeng were going together.

This lineup was quite terrifying in the Feiyang Academy. The class monitor of the advanced class, the uncrowned king's big sister, Li Xiaomeng, and the previous class monitor of the intermediate class, Wang

talong, who had been promoted to the advanced class. Whether it was in terms of strength or power, they were all top existences among the students.

Chapter 6824 Are You Guys Ready?

The four of them quickly arrived at the drunken God residence, and immediately saw Lin Yi and Shangguan LAN 'er sitting by the window on the second floor, eating and looking at the scenery, chatting and laughing happily.

"It's really here! You seem to be in a good mood!"

Li Xiaomeng snorted coldly and walked into the drunken God residence first. The three men behind her quickly followed, and the aura of a big sister was suddenly revealed.

"Hey, if it isn't Miss Li and young master Lin, and young master Wang and young master Wang as well. Long time no see. Please come upstairs quickly. The private rooms have been reserved for you!"

When the waiter of the intoxicating God residence saw Li Xiaomeng and the others come in, he immediately went forward to greet them enthusiastically.

These few were all big families. Although they didn't come very often, every time they came, they would take great care of the drunken God residence's business, so it was necessary to be a little more enthusiastic.

"No need to trouble yourself. We'll have our meal in the hall on the second floor!"

Li Xiaomeng wouldn't go and chat with the waiter of the drunken God residence. It would only lower her status, so after saying this, she took the three people behind her to the second floor.

There was an empty seat by the window on the second floor. Li Xiaomeng walked over and sat down opposite Lin Yi without saying anything. She stared at Lin Yi coldly.

Lin Yi's head hurt-why did he have to meet this stupid li again, what a stupid woman! There wasn't any conflict at all, why did it have to be like this!

"Lin Yi, you don't have to worry about me taking care of you right now. Eat more when you can!"

Li Xiaomeng sat there coldly and arrogantly, raising her chin at Lin Yi,"Eat your fill, so you can accept my punishment!"

"Lin Yi, Lil" bro ..."

Shangguan LAN 'er was mumbling as she bit on a piece of meat. She looked at Lin Yi with puppy eyes, wondering what she should do now.

Lin Yi didn't even look at Li Xiaomeng and the others, he just ate and drank as he should and put another piece of food in front of Shangguan LAN 'er.

"Senior Sister LAN 'er, let's eat. Don't worry about those lunatics. This is the Feiyang college, a market!"

In other words, whoever caused trouble here would be the ones to die!

Shangguan LAN 'er nodded hard and really ignored the four people opposite her. She continued to gobble up the food elegantly and gracefully.

Yes, it was just elegantly and elegantly devouring the food-Lin Yi was impressed at how perfect she was!

"You're that Lin Yi? This kid is indeed very arrogant! Looks like I'll have to teach you a good lesson today!"

Di Xiaohu didn't sit down. Instead, she walked in front of Lin Yi, crossed her arms, and looked down at him. Even her posture and expression had a natural sense of disdain!

"Can I trouble you to get lost?"

Lin Yi reached out his hand to protect the food and wine on the table, his face full of disgust. "You'll spit on the food and wine on the table if you keep this up. How are we supposed to eat when your mouth stinks?"

Shangguan LAN 'er spurted out the food in her mouth. Nie Xiaohu was feeling embarrassed and angry. He did not notice and did not manage to Dodge, and there was a lot of food on his clothes.

"Little Senior Sister LAN 'er, are you alright? How could you be so careless?"

Lin Yi quickly stood up and patted Shangguan LAN 'er's back to calm her down. The little girl's face was red and she was coughing violently, most likely choking, ""You see, my little Senior Sister has been disgusted by you. Can't you be more tactful and get as far away as possible?"

Shangguan LAN 'er covered her mouth and coughed until tears came out. Well, it was mostly because she was out of breath from laughing. She thought to herself, "how is this disgusting? I'm obviously laughing because you made me laugh, okay?"

"Little brat, you're really tired of living. You dare to make fun of this young master?"

Di Xiaohu's expression was cold, and his gaze was as sharp as a knife. A violent rage burned in his heart, and he was ready to attack the next moment!

As long as they took Lin Yi down before the Masters from the school intervened, they'd just have to teach him a lesson. At most, they'd get a small punishment-what was that?

However, just as di Xiaohu moved, the waiter from the drunken God residence suddenly interrupted. He bowed to both sides with a smile and began to persuade them to make peace.

"Dear guests, our drunken God residence is a place to do business. We let everyone eat and drink well, and harmony breeds wealth!"

The waiter's posture was very low, and his words were also very humble, but his words were neither humble nor overbearing. "The fact that the distinguished guests have come to our drunken God Tavern shows that they trust us. Therefore, we have the obligation to ensure the safety of the distinguished guests while eating at the drunken God Tavern!"

No one present was a fool, so they naturally understood what the waiter meant. The drunken God Lodge forbade fighting, and whoever tried to affect the safety of other guests would be directly interfered with by the drunken God Lodge!

To be able to become the only food and beverage existence in this market, the drunken God residence's background in the Academy was undoubted. Since the waiter had already said so, Yan Xiaohu could only temporarily calm his anger.

"Count yourself lucky, this young master will not haggle with you for now!"

Di Xiaohu clenched his fist and turned to the shop assistant after saying that. ""Can't you see that this young master has been sprayed with something? hurry up and take this young master to clean up. "

The drunken God Lodge might have a deep background, but what did a small shop assistant of the drunken God Lodge count for? Di Xiaohu would not be polite to him.

The shop assistant wasn't angry. In this kind of place, what kind of people had he not seen? Di Xiaohu was considered to be more restrained.

When the smiling waiter led nie Xiaohu to clean up, Li Xiaomeng gave nie Xiaohu a look of disgust. It was a pity that nie Xiaohu didn't see it, or he would know that his performance didn't satisfy Li Xiaomeng.

"Little Senior Sister LAN 'er, let's not eat these, shall we? After being sprayed by that stinky saliva, I don't even have an appetite just looking at it!"

Lin Yi smiled as he spoke to Shangguan LAN 'er, who started coughing again.

Most of the food on the table had already been eaten. The two of them came early, so by the time Li Xiaomeng and the others arrived, they were almost full.

Lin Yi was just mocking them.

"Let's go, Lin Yi-those people really do affect our appetites!"

Shangguan LAN 'er tried her best to calm herself down before smiling mischievously and teasing Lin Yi, "If we keep seeing them when we eat in the future, we can save a lot of money on our meals."

"Lin Yi, Shangguan LAN 'er, are you feeling proud?"

Li Xiaomeng sneered and looked up at Lin Yi and Shangguan LAN 'er who had already stood up, ""I've said before that I have ten thousand ways to deal with you in the Academy. Are you two ready?"

Lin Yi's face darkened. If Li Xiaomeng was only targeting him, he wouldn't care at all. After all, a good man doesn't fight with women. But if Li Xiaomeng also made Shangguan LAN 'er a target, then he wouldn't be polite anymore!

Chapter 6825 Not Taken Seriously

When it was time to act, he would definitely act!

Let alone Li Xiaomeng, including the three who came today, none of them could escape!

"If you want to take care of me, bring it on! I, Lin Yi, am not a man even if I frown! But I'm warning you, if you dare to have any ideas about my Senior Sister LAN 'er, I'll definitely take revenge a hundred times, a thousand times, and ten thousand times!"

Lin Yi held Shangguan LAN 'er's hand and looked at the three girls coldly, ""Don't try to test my patience. You can't take it!"

Shangguan LAN 'er was very touched by Lin Yi's words, her eyes full of stars as she looked at him. She held Lin Yi's hand back and walked down the stairs with Lin Yi, ignoring the three of them.

Li Xiaomeng was not angry, but happy instead. She looked at the back of the two people with a profound meaning, and the corners of her mouth curled up into a light smile. "So Lin Yi's weakness is Shangguan LAN 'er. Since you don't want to fight me, then I'll find trouble with Shangguan LAN' er. Let's see how you're going to reject my challenge!"

"Senior Sister li, are you still planning to fight Lin Yi in the arena?"

Wang talong smiled unnaturally. He didn't spend so much effort just to see Li Xiaomeng and Lin Yi go up the stage, "Aren't we going to teach Lin Yi a lesson today?"

They couldn't just end things with a few words, could they? Where's the goods?

"What's the hurry? Today, nie Xiaohu is standing up for us, so we'll just watch. "

Li Xiaomeng's face was cold. She had no respect for her nominal fianc , nie Xiaohu.

Wang Jian and Wang talong both trembled and lowered their heads in unison. It was best for them to pretend that they didn't know about the relationship between these two big bosses from the advanced class. They definitely couldn't interfere.

No matter which one they offended, they would not be able to walk out of here alive!

"Why are you so slow? we're just clearing some things!"

Li Xiaomeng's beautiful brows furrowed slightly as she waved at Wang talong, ""Let's go see if nie Xiaohu is done. We'll follow Lin Yi and the others. If they leave the market, we'll find a chance to teach them a lesson,"

Wang talong loved to hear this, so he got up and went to find nie Xiaohu. He didn't expect nie Xiaohu to have already come in.

Looking at the clothes he was wearing, he probably changed into a set of clothes that had been prepared in his storage bag, so it didn't take him much time.

"Xiao Meng, have those two already left?"

When Yan Xiaohu faced Li Xiaomeng, she was naturally as happy as a spring breeze, but her eyes were shining with a fierce light, clearly not prepared to let Lin Yi and Shangguan LAN 'er go.

"He just left. Let's follow him!"

Li Xiaomeng went downstairs first. Nie Xiaohu didn't dare to say much and followed closely behind, followed by Wang Jian and Wang talong.

After seeing this, the waiter of the drunken God Lodge could only purse his lips and criticize these four people in his heart. They came here purely to cause trouble and didn't even eat anything. What a group of evil guests!

Lin Yi and Shangguan LAN 'er left the intoxicating God residence and didn't want to continue shopping. After all, they'd been here a few times in the past few days, and the novelty had worn off.

"Lin Yi, Lil" bro, let's go to the market outside the school?"

Shangguan LAN 'er thought for a moment, then smiled and made a new suggestion, ""Although the things in the market outside aren't as good as here, there are many kinds of things and changes are very fast. It's more interesting to go there. In any case, you haven't gone out since you came back. What do you think?"

"Alright! It's been a long time since I've been to the market outside. Since I'm free today, let's go together. "

Naturally, Lin Yi wouldn't reject Shangguan LAN 'er's request. He hadn't been to the market outside the school for a long time. He didn't know what happened when he sent Hao Zili back to the Golden class Sea area last time.

Since Hao Zili and the others had agreed to take turns coming, it should be min huichen and feiyi coming this time. Lin Yi wondered if the two of them were worried about him since he hadn't shown up for so long.

Lin Yi hadn't thought of checking if min huichen and feiyi had come to the school since he came back. They should've sent someone to report to him.

"Little Senior Sister LAN 'er, when I wasn't around, did min huichen and feiyi come to look for me?"

Lin Yi was a little surprised. If Shangguan LAN 'er hadn't mentioned the market outside the school, he wouldn't have thought of these guys from the blissful Valley.

"Oh, there is!"

Shangguan LAN 'er clapped her hands, as if she had just remembered this, ""Min huichen and feiyi came to the mystic division Sea area two or three months ago, but you weren't at the Academy and I was only focused on cultivating, so I didn't go see them."

There was no news about Lin Yi, or rather, most of the news about him was that he had died. Naturally, Shangguan LAN 'er couldn't accept it. She was immersed in her cultivation, using it to numb herself. How could she have the mood to see min huichen and the others?

After Lin Yi came back, Shangguan LAN 'er's mind was all on Lin Yi, and she didn't remember min huichen and feiyi coming to Feiyang school.

"I heard that after min huichen and feiyi came, they asked people to find out about you every day. Unfortunately, they came up empty. After that, there was no more news. They might have gone back to the yellow-class sea."

Shangguan LAN 'er was a little embarrassed. She felt that she should pay more attention to min huichen and the others' whereabouts. After all, they were Lin Yi's people. Now that Lin Yi was back, she couldn't help him.

"I don't think we'll go back to the Golden class sea, right? Unless they can stay longer than the time limit of the mystic class Sea area, but that's not very possible. "

Lin Yi shook his head, calculating the time in his mind. Min huichen and feiyi should be able to stay for at least two to three months."It doesn't matter. In any case, we're going to take a look at the market over there. Perhaps the two of them are waiting for me there."

While they were talking, the two of them had already walked out of the market. Li Xiaomeng and the others followed them from a distance, but they didn't intend to make a move immediately.

"Lin Yi, Lil" bro, those advanced class people are following us ... Will there be any problems?"

Shangguan LAN 'er turned around and saw Li Xiaomeng and the other three. She was a little worried."Why don't we go to my master first?"

Lin Yi's divine sense had already noticed Li Xiaomeng and the others following him, but he didn't care at all. These people were really annoying, and it was best if they didn't provoke him. Otherwise, he didn't mind teaching them a lesson.

"Why are you looking for Auntie Zhang? Are you worried that I'm not their match?"

Lin Yi smiled and shook his head."Junior Sister LAN 'er, don't worry. I don't care about them."

"I'm not worried that you're no match for them. I'm just worried that you'll beat them up badly and that'll cause trouble. So, I wanted to report to my master first so that she can help me deal with the aftermath."

Shangguan LAN 'er covered her mouth and laughed-she made a lot of sense, and Lin Yi didn't know what to say.

#### Chapter 6826 Actually So Powerful

Looking at Shangguan LAN 'er's confident face, Lin Yi's mood brightened up as well. The two ignored the people following them and continued to walk towards the market outside the school.

When they reached a more remote area, di Xiaohu finally couldn't help but rush over. There were almost no supervising experts in the Academy!

"Lin Yi kid, that's enough!"

Nie Xiaohu suddenly sped up and overtook Lin Yi and Shangguan LAN 'er. She sneered and opened her arms, blocking the two, ""Even if you kneel down and beg for mercy today, this young master will not show any mercy!"

"Senior brother Ying, don't talk to our Little Junior Brother like that. If he's willing to kneel down and beg for mercy, as his senior brothers, we have to give him some face. There's nothing wrong with showing some mercy."

Wang Jian stepped forward with a smile. He was the assistant class monitor of the advanced class and had a good relationship with nie Xiaohu, so he spoke more casually.

Wang talong, on the other hand, was a little lacking. He didn't dare to speak to nie Xiaohu like that. Who knew if the class monitor would bear a grudge against him?

"Junior Brother Wang's right. As a senior brother, I should give this Junior Brother some face. If that's the case, Lin Yi, you should kneel down and beg for mercy. Senior brother can go easy on you."

Pi Xiaohu nodded in agreement and pointed to the ground arrogantly, signaling Lin Yi to kneel.

"You two are talking to yourselves, are your brains alright?"

Lin Yi chuckled and looked at the four of them in disdain. "With just a few pieces of trash like you, you're just asking for a beating, right?"

"Good boy, this young master likes stubborn people like you. I hope you can continue to be stubborn later!"

Nie Xiaohu laughed sinisterly. He raised his hands and cracked his knuckles. He was ready to fight.

It was just that Lin Yi found this street gangster's methods laughable. Who was he trying to scare? It was as if no one could make a sound.

"Cut the crap. If you want to be beaten up, hurry up. Do you want a one-on-one fight or a group fight?"

Lin Yi had a mocking smile on his face as he looked at the four of them again, his voice relaxed, "If it's a one-on-one fight, I'll fight the four of you. If it's a group fight, I'll beat the four of you!"

F \* ck! What was the difference between a one-on-one fight and a group fight?

Wang Jian and Wang talong cursed in their hearts, but remembering Lin Yi's ghostly speed, they felt that the kid wasn't blind.

But this time, Lin Yi had to face the half-step earth opening nie Xiaohu and Li Xiaomeng, who was at the same level. Without the help of a spirit sense attack, could he really use that kind of terrifying power?

As the two were thinking, qu Xiaohu couldn't hold back her anger anymore. She pointed at Lin Yi and sneered, ""You can be arrogant while you can still talk. You won't have the chance to beg for mercy later!"

"You talk too much. If you want to fight, hurry up. My time is precious and I don't have time to waste on you!"

Lin Yi was getting impatient-it didn't make sense for him to make the first move, so he waited for nie Xiaohu to make the first move so that he could file a lawsuit later. It wouldn't put Zhang jinmiao and Liu Xiaoyu in too much trouble.

"Well said. This young master's time is more precious. It's a pity to waste it on you two trash!"

As nie Xiaohu spoke, he opened his arms and his aura surged. His violent true Qi rose instantly. "Since you're not willing to kneel and beg for mercy, then prepare to accept this young master's punishment! As for your little girlfriend, Junior Brother Wang seems to be quite interested. I believe he'll be willing to take good care of her!"

Wang Ta long thought, you know what I'm thinking? He didn't seem to have said it. Was it that obvious?

However, if Shangguan LAN 'er were to be given to him, he would be more than happy to accept it. After all, he had nie Xiaohu as a shield, so what was wrong with that?

Lin Yi squinted his eyes, a dangerous light flashing through them. He only wanted to teach nie Xiaohu a lesson, but he really wanted to kill her now.

He dared to have ideas about Shangguan LAN 'er? Did this idiot not know how to spell the word 'death'?

Di Xiaohu didn't know that he had successfully triggered Lin Yi's anger. He laughed maniacally as he activated his martial skill and charged at Lin Yi.

A head-on suppression!

Only in this way could he show off his power and momentum, and make Li Xiaomeng look at him in a new light!

However, it didn't seem like there was anything to be proud of when dealing with a little fellow at the peak of the initial stage of the mountain opening realm!

These random thoughts were still running through di Xiaohu's mind when Lin Yi disappeared like a ghost. When he reappeared, he was beside di Xiaohu. The distance between the two was only the space of a few strands of hair.

Lin Yi's fist hit nie Xiaohu's stomach with a loud boom. He grabbed nie Xiaohu's arm and swung it before he could fly away.

With a crisp sound, nie Xiaohu's body was pulled back, but his arm was broken into two.

Lin Yi's face was as cold as ice, emotionless. Using his left foot as a pivot, he turned his body slightly and went around from behind nie Xiaohu to the other side.

Another crisp sound of bones breaking was heard. Di Xiaohu's other arm was also bent in a strange way, completely losing the possibility of fighting.

It was only then that nie Xiaohu let out a shrill scream. The immense pain came in waves.

Lin Yi wouldn't pity nie Xiaohu-he brought this upon himself. Besides, breaking two arms wasn't a big deal.

So Lin Yi lifted his leg again and easily kicked the side of Chu Xiaohu's knee. With the third sound of bones breaking, Chu Xiaohu's body tilted and fell to the side.

All of this happened too quickly. Li Xiaomeng only felt a blur in front of her eyes. Then, because it happened too quickly, it sounded like three bone fractures and nie Xiaohu's scream!

Li Xiaomeng's heart started to turn cold-Lin Yi was that strong?

Nie Xiaohu didn't even have the strength to fight back. If she, Li Xiaomeng, went up, wouldn't she die even faster?

That damned Wang Jian and Wang talong, they were trying to set her up! I'll definitely take care of the two of them later!

In an instant, Li Xiaomeng thought about a lot of things. The only thing she didn't care about was nie Xiaohu's life and safety. Anyway, she never cared about nie Xiaohu, whether he was dead or not!

"This kind of asymmetrical feeling is driving OCD patients to their deaths. I've been suffering from OCD recently, so please bear with it!"

Lin Yi looked down at the fallen nie Xiaohu and laughed mockingly. He stomped down hard, breaking nie Xiaohu's only intact leg, ""It looks much better now, but it's a pity it's not perfect enough. What should I do next?"

The coldness in Lin Yi's eyes sent chills down Pi Xiaohu's spine. He was sure that Lin Yi really wanted to kill him. In the current situation, he had no way to resist at all!

Chapter 6827 The Cold Fiancée

"Lin Yi, stop!"

At this critical moment, a loud shout came from the distance. A figure quickly appeared and landed between the two sides in the blink of an eye. "You are all students of the Academy. You should be United. You can't kill each other at will!"

It was none other than Lin Yi and Shangguan LAN 'er's mentor, Xu Xiaoyan. No one knew why she suddenly appeared, but she stopped Lin Yi from killing nie Xiaohu!

Although Yan Xiaohu looked quite miserable with all her limbs broken, this kind of injury was really nothing. She would recover soon, and if Lin Yi continued, she might even lose her strength.

"Instructor Xu, why are you here?"

Lin Yi blinked, confused. "He couldn't have just happened to pass by, right?"

Lin Yi had more respect for Xu Xiaoyan, the teacher from the new to intermediate classes. Her appearance meant that nie Xiaohu would be able to escape.

"I heard ... So I came to take a look."

Xu Xiaoyan wanted to say something but stopped. She looked at Zhen Xiaohu on the ground and Li Xiaomeng and the others. Although she didn't explain in detail, Lin Yi understood.

It seemed like someone had informed Xu Xiaoyan that Lin Yi was being targeted by nie Xiaohu and the others. She was worried and rushed over immediately.

Xu Xiaoyan wasn't too sure about Lin Yi's strength, but she had a rough idea. He might not be at a disadvantage against nie Xiaohu and the others, but nie Xiaohu and Li Xiaomeng had strong backgrounds. Lin Yi would be a problem no matter who won or lost.

Xu Xiaoyan had such concerns, so she rushed to stop it, but she didn't expect that she was still one step too late.

"Don't worry, instructor Xu. We're just sparring. We won't cause any trouble for the Academy. "

Lin Yi shrugged with a smile, his eyes cold as he looked at nie Xiaohu and the others. If nie Xiaohu wanted to use this chance to get the school involved, Lin Yi didn't mind crippling him immediately!

"That's right, we were only sparring with Lin Yi. Nie Xiaohu fell down on her own and broke her arms and legs. What a piece of trash. "

Li Xiaomeng laughed as she went along with Lin Yi, but she didn't forget to mock her fiancé. Nie Xiaohu's heart was dead for a moment.

Nie Xiaohu came to Lin Yi this time for Li Xiaomeng's sake. Although he lost to Lin Yi, Li Xiaomeng's attitude was very hurtful.

"Yes, I was just sparring with Lin Yi Junior Brother, my injury was caused by a fall, it's nothing serious!"

Yan Xiaohu gritted his teeth and endured the pain. Cold sweat dripped down his forehead, but he could only go along with Li Xiaomeng's words. "Instructor Xu, we can handle the things here ourselves. There's no need to trouble you."

Lin Yi suddenly felt that Nie Xiaohu was quite pitiful. He didn't know that Nie Xiaohu and Li Xiaomeng were engaged. He just thought that this guy was really stupid to go this far for Li Xiaomeng.

"That's right, if you're busy, don't mind us. We still need to chat with Lin Yi, so we won't hold you up. "

Li Xiaomeng laughed and drove them away. This was clearly not to let Xu Xiaoyan stay, and it was indeed not convenient for Xu Xiaoyan to stay. Otherwise, this matter would inevitably involve the college level.

None of the people present wanted this to happen. As long as Xu Xiaoyan left, this matter would just be a small conflict between students, and it would be harmless.

"Lin Yi, are you okay?"

Xu Xiaoyan nodded at Li Xiaomeng and asked Lin Yi in a low voice. She was still worried about Lin Yi. Whether Lin Yi was injured or he injured someone else, it was not a good thing.

"It's fine. Don't worry, teacher. Senior Sister LAN 'er and I won't suffer any losses. You can go and do your own things."

Lin Yi's smile made Xu Xiaoyan let out a breath of relief. She felt that she was making a mountain out of a molehill. After all, Lin Yi was a reliable person.

What she didn't know was that if she'd come just a little later, nie Xiaohu would've been crippled by Lin Yi already!

There were many times when Lin Yi appeared to be soft-hearted and even a little soft-hearted, but once his bottom line was crossed, he would kill without hesitation.

The mountain of corpses and sea of blood tumbled countless times, and Lin Yi's killing intent grew stronger and stronger without him knowing.

"Since that's the case, I'll take my leave! Don't be rash!"

Xu Xiaoyan whispered again, then turned to look at Li Xiaomeng and the others. "I'll pretend that I didn't see what happened today. I hope that there won't be similar sparring in the future. Otherwise, none of you will be able to escape. No matter how strong your background is, it's the same in Feiyang college!"

Li Xiaomeng sneered to herself. How could it be the same? Even the Dean of the Feiyang college would have to be respectful if she brought out her backer. However, Li Xiaomeng would probably be punished for alarming the people behind her for such a small matter. The loss outweighed the gain!

Because she didn't think much of it, Li Xiaomeng just casually said a few words. Wang Jian and Wang talong, on the other hand, honestly agreed. Yingying had no choice but to agree!

Wang Jian and Wang talong almost peed their pants when they saw how Lin Yi dealt with nie Xiaohu. They didn't expect Lin Yi to be this strong!

In front of Lin Yi, the half-step earth splitter nie Xiaohu was no different from the two of them, getting beaten up without being able to fight back at all.

No, there was still a difference! Di Xiaohu was in an even worse state-all four of his limbs were broken. Thinking about it, Lin Yi really did go easy on them in the cultivation room-they only had some external injuries!

Wang Jian and Wang talong thought of the same question at the same time. The two of them sneakily exchanged glances and continued to use this method to communicate.

Lin Yi is so strong, he let us go in the cultivation room!

So what if he was Yingluo? He humiliated us like this, are we not going to take revenge?

Of course, Wufu wanted to take revenge, but next time, his plan had to be more precise and detailed. He had to kill in one strike!

.....

It was also difficult for these two brothers to rely on eye signals to transmit such a complicated message, and his eyes almost cramped!

Xu Xiaoyan didn't notice Wang Jian and Wang Yao's flirtatious looks. After she knocked on them with a few words, she felt that there should be no problem, so she turned around and left.

As for nie Xiaohu, who was injured on the ground, Xu Xiaoyan pretended to have forgotten and ignored him.

As soon as Xu Xiaoyan left, Wang talong quickly took out a healing pill and sneaked to nie Xiaohu's side. He carefully put it into his mouth.

Xu Xiaoyan and Li Xiaomeng could ignore nie Xiaohu, but Wang talong would never ignore him!

After all, he was the class monitor of the advanced class. He would be useful in many ways.

"Wang Ta long, why do you care about him? This kind of trash can't even defeat a Little Junior from the intermediate class. He's simply a disgrace!"

Li Xiaomeng looked coldly at nie Xiaohu on the ground. She didn't care about her fiancé at all. Not to mention comforting him, she was clearly hitting him when he was down!

Chapter 6828 Li Xiaomeng's Attitude

Even Lin Yi, an outsider, felt that it wasn't worth it for her.

For this kind of woman, what was the point?

"Lin Yi-Shidi, I didn't know you were this strong! Di Xiaohu doesn't even have half of your strength!"

Li Xiaomeng suddenly smiled and walked towards Lin Yi in admiration, "Everything that happened before was a misunderstanding. Now that we've cleared things up, it's all over. Senior Sister apologizes to you for now, please don't hold it against Senior Sister."

Lin Yi couldn't help but shiver. He didn't know if Li Xiaomeng had taken the wrong medicine, but she suddenly did a 180-degree turn. He couldn't take it!

"I'm Lin Yi Lil 'bro's Senior Sister, you're no Senior Sister!"

Shangguan LAN 'er pulled a long face, as if she felt threatened, and pulled Lin Yi's hand to declare her ownership, "Since it's a misunderstanding, you guys can leave. Lin Yi and I have something to do, we don't have time to talk to you guys."

"Junior Sister Shangguan, we're all students of the same Academy, so we're naturally from the same sect. You won't be at a disadvantage if you call me Senior Sister."

Li Xiaomeng still maintained her sweet smile and was very patient with Shangguan LAN 'er, but she didn't show any good attitude to nie Xiaohu, ""You guys carry nie Xiaohu to the side to heal, don't disturb me and Lin Yi Junior Brother."

His words were cold, and nie Xiaohu's expression was equally cold. Wang Jian and Wang talong, who knew their relationship, felt even more cold. They agreed with a dry laugh and quickly brought nie Xiaohu to the side.

However, they didn't know if the two big bosses, nie Xiaohu and Li Xiaomeng, would come to settle the score with them after today. They were quite worried!

"Today's matter ends here. I don't want to have any more disputes with you in the future!"

Lin Yi pulled Shangguan LAN 'er behind him and looked at Li Xiaomeng and the others with a calm face, "Don't say that I didn't warn you. If something similar happens again, my methods won't be so peaceful!"

Wang Jian and Wang talong's hearts skipped a beat-they were just thinking about what would happen if they failed to defeat Lin Yi.

Li Xiaomeng didn't care at all and was still showing her smile. ""Lin Yi-Shidi's still angry? I already said it was a misunderstanding, there won't be a next time!"

"It's best if you don 't. Goodbye!"

Lin Yi didn't want to waste time on them, and he wasn't in the mood to argue with them. He pulled Shangguan LAN 'er away after a casual sentence.

"Lin Yi Junior Brother, wait!"

Li Xiaomeng quickly reached out to stop the two, but she retracted her hand after seeing Lin Yi's unfriendly eyes. The smile on her face didn't fade at all,"Now that the misunderstanding has been cleared up, we can still be friends! Lin Yi, Shangguan, don't you agree? We're all in the same Academy, so we'll see each other often. One more friend means one more path!"

"What do you want?"

Lin Yi's face showed an impatient expression. If Li Xiaomeng continued to pester him, he would really fall out with her!

"Why are you being so fierce, Lin Yi! I'm just talking to you, can't you do that?"

Li Xiaomeng pouted and stomped her feet, acting cute. Lin Yi got goosebumps all over his body. He really couldn't appreciate this kind of coquettish style. If it were Shangguan LAN 'er, it would be a completely different experience.

"If you have something to say, just say it. We are in a hurry!"

Lin Yi raised his hand to his forehead, telling himself that he was only doing this because of Xu Xiaoyan's words just now. Otherwise, he wouldn't even bother with Li Xiaomeng!

"Lin Yi junior, nie Xiaohu is the class monitor of the advanced class. He's known as the strongest in the advanced class, but he couldn't even withstand a single blow from Lin Yi junior. With Lin Yi's strength, he's more than enough to enter the advanced class!"

Li Xiaomeng smiled charmingly, completely different from her previous arrogance. She was indeed a fickle woman. "Lin Yi, why don't you come to the advanced class? you can come and protect me, okay? Senior Sister will definitely not treat you badly!"

Lin Yi didn't know what to say-what the hell was this?

Was he trying to seduce her? What kind of person do you think I am?

"Are you scared silly ..."

Shangguan LAN 'er was even angrier, and was about to step out to scold Lin Yi, but Lin Yi didn't give her the chance. Even if she did, she probably wouldn't be able to do it.

"It seems that the advanced class is nothing more than this. I'm not interested. I'll say it again, today's matter ends here! Don't come and provoke me again!"

Lin Yi stopped Shangguan LAN 'er and turned to leave.

"There's no need to reject so quickly, Lin Yi-the advanced class has an advantage that the intermediate class can't compare to, and there's even more to it. You'll miss out on a lot of things if you keep your little girlfriend company. "

Li Xiaomeng didn't give up. She threw out conditions as she spoke, ""As long as you say the word, Lin Yi junior, I'll go get you a spot!"

The advanced class is currently full. If you want to enter the advanced class, you either have to challenge or quit.

Lin Yi could enter the advanced class at any time if he wanted to challenge them, but he had to wait for a while. Li Xiaomeng wanted her to get one of the advanced class people to give up her spot, and the recommendation for the intermediate class would be Lin Yi.

"You talk too much nonsense. I said I'm not interested, so I'm not interested!"

Lin Yi snorted coldly and ignored Li Xiaomeng. He turned around and left with Shangguan LAN 'er, "Little Senior Sister LAN 'er, don't bother with them. They're wasting our time."

"Lin Yi, we won't let this go just like this, just you wait!"

Nie Xiaohu, who had just recovered a little, was lying on the side, still saying those words. He had lost all his face today, and Li Xiaomeng's attitude made it hard for him not to hate Lin Yi.

Lin Yi glanced at nie Xiaohu on the ground and walked over.

Wang Jian and Wang talong were shocked and took a step back involuntarily. Then, they realized that it wasn't appropriate to leave nie Xiaohu alone ...

Before the two could pull nie Xiaohu away, Lin Yi was already in front of her, walking past her without stopping!

Nie Xiaohu struggled like a worm with his limbs broken, but he wasn't Lin Yi's match even when he was fine, let alone now.

Other than the footprint on her chest, nie Xiaohu's face was completely covered by Lin Yi's footprint as well. With her nose bleeding non-stop, she looked quite pitiful.

"I've already said that my patience is limited. I've let you off today, but it doesn't mean that I'll let you off next time! If you want to take revenge, bring it on!"

Lin Yi didn't stop and stepped on nie Xiaohu's body. He didn't even turn his head, "You're a dog, but you're acting like this. You've really lost all the face of dogs! In the future, open your eyes wide and take a good look. Even if you want to be a dog, you have to first see if it's worth it!"

Chapter 6829 Sect Background

Nie Xiaohu, with the shoe print on his face, was so embarrassed that he wanted to jump up and eat Lin Yi alive. Unfortunately, he had lost a few teeth and his nose was bleeding-he couldn't even speak.

Li Xiaomeng looked a little embarrassed, but it was only for a moment. She looked at nie Xiaohu with an increasingly cold gaze.

Trash!

Lin Yi and Shangguan LAN 'er quickly left. If it wasn't for Xu Xiaoyan's appearance, today's matter would definitely not be settled. Lin Yi really did have the intention to kill her just now.

He saw that Xu Xiaoyan was also heading towards the market outside the school, so he wanted to chase after her and ask how she got here in time.

Could it be that Lin Yi's actions were under the school's surveillance?

Lin Yi hadn't thought of this before, but he couldn't wait to verify it now that he had the idea.

The two didn't walk too far before they met Xu Xiaoyan, who seemed to have been waiting for Lin Yi from the start.

"Instructor Xu, were you waiting for us?"

Lin Yi was a little surprised-it seemed like Xu Xiaoyan had something to say.

"That's right. It wasn't convenient for me to say too much when Li Xiaomeng and the others were around. That's why I waited for you guys to come over and remind you again."

Xu Xiaoyan revealed her signature bright smile and nodded to the two, "Li Xiaomeng and di Xiaohu have powerful backgrounds. The Academy can't afford to offend them. So, it's fine for you to fight a little, but you must not cause a serious accident. Do you understand what I mean?"

"It's ... A sect?"

Lin Yi had a rough guess-only those mysterious sects could make even the Feiyang school afraid.

"Lin Yi, what's a sect?" he asked.

Shangguan LAN 'er was a little curious. She hadn't come into contact with this area yet, and Lin Yi didn't specifically mention it. As for the mountain sect in the abandoned land, Lin Yi only mentioned it briefly. Zhang jinmiao and the others could understand it, but Shangguan LAN' er didn 't.

"LAN 'er, the sect is one of the forces in the mystic Sea area. You don't need to know about it for the time being."

Xu Xiaoyan smiled and shook her head at Shangguan LAN 'er, but she didn't explain in detail.

Lin Yi knew about the sect, and so did Xu Xiaoyan. That was why she came to remind Lin Yi.

"Mentor, which family are they from?"

Lin Yi felt that he was quite unlucky as well. He was always offending people from his sect. First, it was the heavenly array sect. Then, it was the mountain sect. Now, it was the sect behind Li Xiaomeng and nie Xiaohu.

If this continued, Lin Yi would become The Public Enemy of all the sects in the mystic division!

"It's not convenient to talk about this in detail now. I'll talk to you when I have time!"

Xu Xiaoyan probably didn't want to talk about the sect in front of Shangguan LAN 'er, so she just gave an excuse.

Lin Yi didn't force her-she'd tell him when she needed to, and it was more important to solve his problem now.

"Instructor Xu, I wanted to ask you just now. How did you manage to come in time to stop the conflict between us? Who sent you this message?"

Xu Xiaoyan glanced at Lin Yi and smiled, "Are you worried about being monitored by the Academy? Then you're really thinking too much!"

Lin Yi didn't feel embarrassed at all after his thoughts were exposed by Xu Xiaoyan. He only shrugged with a smile. The two were teacher and friend, so there was no need to be too formal.

"Don't worry, the Academy isn't that free to monitor your actions. This time, it's because of Li Xiaomeng and di Xiaohu. I've already said that their identities are not simple!"

Xu Xiaoyan paused intentionally and looked at Lin Yi's expression before continuing, "You seem to understand now. It's because of their unusual identities that the Academy can't let anything happen to them here. So, Li Xiaomeng and Yan Xiaohu are the ones being monitored!"

Li Xiaomeng and di Xiaohu might not even know it themselves, but their every move in the Feiyang college was monitored by the college. As long as they didn't overstep their boundaries, no one would bother them.

As soon as there was a problem, someone would come out to solve it. For example, this time, when the two wanted to cause trouble for Lin Yi, Xu Xiaoyan immediately rushed over.

This wasn't to save Lin Yi, but to save Li Xiaomeng and nie Xiaohu. If they were killed by Lin Yi, Feiyang school would be in trouble.

If their opponent wasn't Lin Yi, the school wouldn't interfere. As long as they didn't kill anyone in school, no one would care.

"Ah ... I see. I knew I didn't have the right to be monitored 24/7 by the Academy."

Lin Yi smiled and shook his head. As long as he wasn't being monitored, it was fine. If Feiyang school really did that, Lin Yi would take Shangguan LAN 'er and leave this place without hesitation, even if it was out of good intentions.

"Alright, let's not talk about this for now. I still have some things to do. You guys continue playing. I'll find you when I have time."

Xu Xiaoyan smiled and waved at the two of them. After ending the conversation, she immediately turned around and left, looking as if she really had something urgent to do.

"Why does instructor Xu sound so unhappy today? it's not like her usual style at all."

Shangguan LAN 'er watched Xu Xiaoyan leave and couldn't help but Mutter, ""And he said that I don't need to know yet ... Lin Yi, what exactly is a sect?"

"A sect is one of the forces in the mystic Sea!"

Lin Yi couldn't help but laugh at Shangguan LAN 'er's curious face,"Well, it's not that instructor Xu didn't want to tell you on purpose. It's just that the sect has always been mysterious, and not many people outside know about it. For example, the mountain sect of the abandoned land is one of the sects."

"So the mountain sect is a sect!"

Shangguan LAN 'er exclaimed with her eyes wide open, but then she felt that there was nothing to be amazed about. After thinking for a while, she put the matter of the sect to the back of her mind.

Lin Yi didn't say much, and naturally changed the topic to something that Shangguan LAN 'er was interested in. The two chatted happily, and before they knew it, they had arrived at the market.

This market was located behind Feiyang college and had no restrictions. So in terms of liveliness, it was more than ten times more lively than the market inside. The flow of people was the same. Shangguan LAN 'er was quite satisfied with this. She liked this kind of shopping atmosphere.

There were many good things in the Academy's market, but it was too cold and boring. It was okay to stroll around occasionally, but it was boring when there were too many.

Lin Yi accompanied Shangguan LAN 'er as they strolled around. His spirit sense had already covered the entire market. The restrictions on spirit sense here were quite weak, and Lin Yi could easily check the situation of the entire market. Only some rooms with spirit sense-blocking formations could block Lin Yi's investigation.

Of course, it was easy for Lin Yi to break the shield by force, but he wouldn't do it on purpose.

Chapter 6830 Looking For Someone At The Inn

"Lin Yi, Lil" bro, why don't we go look for min huichen and feiyi first? they might still be waiting for you at the inn. "

After a while, Shangguan LAN 'er remembered that Lin Yi still had business to attend to, so she suggested looking for him,"If they didn't leave, they would be very happy to see you!"

There were rumors that Lin Yi had fallen, and Shangguan LAN 'er had to cultivate like crazy to survive. He wondered how min huichen and feiyi would react when they heard that.

"Then let's go look for them. I haven't seen them for a long time."

Lin Yi smiled as he nodded. His spirit sense didn't find any traces of min huichen and feiyi-they might be in their rooms, or they might've already left the market. There was no harm in checking out an Inn.

It just so happened that their current location was not far from the inn. In just two or three steps, they were already in front of the door. The hall of the inn also had food and beverages, and there were quite a number of people eating here now. Before they even entered, they could already feel the lively atmosphere.

"Are the two distinguished guests here for a meal or accommodation? This small shop has the best elegant seats and also the best rooms available, you can choose from them. "

The smiling shop assistant's eyes lit up when he saw the two of them. They were students of the Feiyang college!

The students from the Academy had always been generous, so perhaps he could even earn a generous tip today.

Especially for a male and female student out shopping, it was very normal to get a room.

Lin Yi and Shangguan LAN 'er didn't catch the meaning behind his words-they'd just eaten at the intoxicating God residence, and weren't in the mood to eat.

"I'm here to look for someone. Do you have these two guests here?"

Lin Yi pulled out a smartphone and showed the employee a photo of min huichen and feiyi.

Common goods had long been circulated around the islands. Although there weren't many things in the mystic Sea area, this shop assistant had obviously seen smartphones before, so he wasn't too surprised, but his expression was quite envious.

"These two aren't among the current guests. Perhaps they're not living in this small shop?"

The waiter looked at him carefully before answering with certainty, "There are two inns at the other end of the market. Perhaps you will stay there?"

Lin Yi scratched his chin, thinking that the possibility wasn't high. Hao Zili's courtyard was originally the most suitable place for min huichen and the others to stay, but now that there was someone else there, this Inn became min huichen and the others "first choice. It was closer to the college and more prosperous.

The prosperity meant that news spread faster, so either min huichen and her husband didn't come here, or they would choose to come here, or they would rent another courtyard to live in.

"I've seen these two before. They're our guests who stayed here before. "

Before Lin Yi could say anything, the other shop assistant came over. He only wanted to take a look at Lin Yi's smartphone, but he didn't expect to recognize min huichen and feiyi with one look.

As expected, he had lived here before!

Lin Yi's eyes lit up as he turned to the guy. "When did they move in? Are you still there?"

As he spoke, he took out a few pieces of spiritual Jade and gave them to the two workers. He'd exchanged these spiritual jades for them and brought them with him, ready to give them away at any time.

As expected, after the two of them received the spiritual jades, their attitudes became more and more respectful and polite.

"They moved in about two or three months ago, right? I stayed here for a month or two, and then I suddenly left. I don't know if there was an emergency, but I left in a hurry. "

The staff who didn't know what was going on took the spirit Jade and went to serve the other customers, while the staff who knew about min huichen and Lin Yi stayed behind to talk to Lin Yi, ""By the way, may I know your name, esteemed guest?"

Lin Yi blinked-he wasn't planning on staying here, was there a need to give his name?

"My surname is Lin, I'm a friend of those two."

Lin Yi didn't say the full name because he was worried.

He would hide the news of his return as long as he could to avoid affecting the body he had in the Wang family's Secret prison.

"Our manager seems to have the information left by those two customers. You might as well go and ask them."

The waiter thought for a moment before saying something that caught Lin Yi's interest. So min huichen and the others had left a message!

After thanking the waiter, Lin Yi went to look for the innkeeper. The chubby innkeeper's smile was like Maitreya Buddha-it was indeed a kind face.

"Those two guests did leave a letter and entrusted me to deliver it to the designated person. Please show me your identity Jade card!"

The shopkeeper's smile was gentle, but he didn't want to take out min huichen's letter. He wanted to verify Lin Yi's identity, "You should know that I can't give the letter to you unless it's the person the guest wants me to!"

"It should be. Shopkeeper is indeed a trustworthy person!"

Lin Yi nodded in approval, but he was thinking if he should test the manager with crystals. Maybe one crystal would be enough to buy him over?

But in the end, Lin Yi didn't do that. He just wanted to know the message that min huichen left behind as soon as possible, so he didn't want to cause more trouble!

Lin Yi took out his Jade card and let the manager look at it. He successfully received a thin envelope.

He tore open the seal and took out a letter. With a casual sweep, he read the words clearly.

"Lin Yi, lil bro, what did min huichen and feiyi say to you?"

Shangguan LAN 'er didn't read the letter, but asked Lin Yi directly. This was taboo, and she was very close to Lin Yi, making the shopkeeper sigh at Shangguan LAN' er for being a sensible girl.

"He didn't go into details, but he vaguely mentioned that the blissful Valley needed their help with something in the yellow region."

Lin Yi replied casually before passing the letter to her. "That's why they left in a hurry. However, they said that they would come back to find me after the matter was resolved."

The fact that he was back meant that min huichen and feiyi didn't think that Lin Yi had really died. They didn't leave because of Lin Yi's disappearance, but because of an emergency.

"I see. I wonder what happened to the blissful Valley that made min huichen and feiyi, who were in the mystic division sea, return to help?"

Shangguan LAN 'er glanced at the letter and folded it neatly, putting it back into the envelope and giving it to Lin Yi.

"We can't guess from here. I just don't know if they've resolved it."

Lin Yi thought about it, but he wasn't too worried. Hao Zili had broken through to earth formation stage here, and there should be a lot of things that could be done with him in the blissful Valley.

Even if there were some problems, Hao Zili could still ask for help from Zhuang Yifan and he Hao. Last time, Lin Yi asked him to look for these two people, and he thought that they would help out for Lin Yi's sake.
