

Bodyguard 6831

Chapter 6831 Guests On A Moonlit Night

"It would be great if I have the chance to go to the Yellow Sea to take a look."

Shangguan LAN 'er sighed. Lin Yi guessed that the girl was missing Beidao. Going to the Golden class Sea area would make it much easier to return to Beidao.

It was a pity that Shangguan LAN 'er was not qualified to leave the Academy yet. She could only choose missions within Feiyang Academy's sphere of influence. If she wanted to return to the North Island, she had to continue to work hard to improve herself.

Lin Yi could go back to the Golden class Sea area and take a look-as long as he asked, Liu Xiaoyu wouldn't stop him. In fact, he'd be happy if Lin Yi could go out and hide for a while.

But at this stage, there was no way Lin Yi would leave Feiyang school on his own accord, unless the fire incident was completely settled.

"Don't think about the Golden class Sea area anymore. Since min huichen and the others aren't here, let's just continue exploring. "

Lin Yi kept the envelope and thanked the manager with a smile before leaving the inn with Shangguan LAN 'er.

The two spent the rest of the day wandering around the market without any worries. No one came to disturb them, and there was no pressure from cultivating, much less any danger. Lin Yi and Shangguan LAN 'er were completely relaxed.

After a long period of tension, the two of them felt very happy to have such a chance to relax. It was not until dark that they returned to Earth Spirit peak together.

After they parted in front of Shangguan LAN 'er's cave, Lin Yi walked over to his own cave slowly and said indifferently, "Come out!"

"Hehe, Lin Yi Junior Brother sure is something. I thought I wouldn't be able to find you if I was hiding from you."

Li Xiaomeng walked out from the shadows. She had hidden her aura so normal people wouldn't be able to notice her, but Lin Yi's divine sense was very strong. Li Xiaomeng was still far from being able to avoid his detection.

"Why are you hiding in my cave abode so late at night? what are you trying to do?"

Lin Yi looked at Li Xiaomeng indifferently, his face full of impatience, ""Forget it. No matter what you want to do, I'm not interested in knowing. Just don't get in my way!"

"You're so heartless, Lin Yi Junior Brother. Am I not pretty?"

Li Xiaomeng was wearing a fiery red evening dress tonight. Her exquisite and curvaceous body, coupled with the bright color of the gift, was especially attractive under the moonlight. In the words of the secular world, Li Xiaomeng at this moment was like a socialite at a cocktail party!

He didn't expect things from the secular world to be so popular in the mystic Sea region.

"What does it have to do with me whether she's pretty or not? I'm not your fiancé! You have your fiancé, and I have my little Senior Sister LAN 'er. Her beauty has nothing to do with me, right?"

Lin Yi shrugged and laughed mockingly as he thought of her useless fiancé!

In terms of beauty, Li Xiaomeng was pretty, but when had Lin Yi ever lacked beautiful women?

So Li Xiaomeng wasn't much of a threat to Lin Yi.

"Shangguan LAN 'er is just a little girl. How can she be compared with Senior Sister?"

The smile on Li Xiaomeng's face froze and she was a little embarrassed. "Lin Yi-Shidi, listen to big sister-come to the advanced class, big sister will protect you!"

Lin Yi didn't know what to say-a Senior Sister became an older sister? It's scary to be familiar with each other, but we're still enemies in the day, okay? Besides, it's still uncertain who'll be covering for who in the advanced class!

"I'm not going. Please go back. I want to go back and rest!"

Lin Yi walked towards the cave with a cold face, but Li Xiaomeng stopped him again. This woman was turning into a plaster that he couldn't get rid of no matter what!

"Lin Yi junior, I'm here to talk to you, shouldn't I at least say a few more words? If you're still angry about the previous misunderstanding, big sister will at most apologize to you, okay?"

Li Xiaomeng started acting cute.

"Li Xiaomeng, what are you doing in the intermediate class's cave abode area so late at night? Are you preparing to return to the intermediate class?"

At this moment, Xu Xiaoyan suddenly appeared, causing Li Xiaomeng, who was about to move, to stiffen.

"Instructor Xu, I'm also very surprised to see you here so late at night,"

Li Xiaomeng quietly put away her coquettishness and looked at Xu Xiaoyan with a smile. "I wonder why instructor Xu is here so late at night?"

Li Xiaomeng thought that her performance was not bad, and she could beat him up instead of answering him directly.

Unfortunately, Xu Xiaoyan easily resolved it with a casual smile. "Lin Yi's fallen behind on a lot of work, I'll help him!"

It was only right for a teacher to guide a student. Li Xiaomeng was suddenly speechless, but she naturally wouldn't admit defeat. After organizing her words slightly, she began to talk again.

"Instructor Xu is really a good instructor. It's so late and you're still here to guide the students. Could it be that you have some selfish motives?"

Li Xiaomeng's mouth curved into a sneer, but her eyes were a bit ambiguous. She looked left and right at Lin Yi and Xu Xiaoyan, as if hinting that the two had some kind of unclear relationship.

"It's true that people have their own thoughts. Li Xiaomeng, although you're a student of the advanced class and I can't control you, as the student's mentor, I still hope that you can live well and not let your mind run wild all day."

Xu Xiaoyan smiled without a care, completely like a model of upright and unafraid of shadow. She paused for a moment and continued, "As a teacher, I'm here to guide the students. It's only right and proper. You're a female student from the advanced class. Don't you think it's a problem for you to look for a boy from the intermediate class in the middle of the night?"

"Is there a problem? There's some misunderstanding between Lin Yi and me, so I'm here to see him and explain the misunderstanding, can't I?"

Li Xiaomeng felt that she couldn't argue with Xu Xiaoyan, so she could only pretend to be tough and say, ""Is there a rule in the Academy that forbade such a situation?"

"The school doesn't have such a rule, but it's not a good time for you to visit Lin Yi at this time, especially in the middle of the night ... In such bright colors, don't you think it's a little inappropriate?"

Xu Xiaoyan pointed at Li Xiaomeng's evening dress. She wanted to say that she was sick, but in the end, she changed her words and said brightly!

In any case, she was a mentor, and Li Xiaomeng's dressing was not too excessive, so it was not appropriate to scold her directly.

However, Xu Xiaoyan really thought that there was something wrong with Li Xiaomeng's brain. If she wanted to seduce Lin Yi, why didn't she just dress a little sexier? why did she dress like a proud socialite? did she think Lin Yi liked that kind of girl?

"Why not? Who can stop me if I like to wear this? It's not like he's not wearing any clothes. Instructor Xu, aren't you being a little too nosy?"

Li Xiaomeng was a little embarrassed. If she didn't know that she wasn't his match, she might have turned hostile on the spot.

"Li Xiaomeng, you have a fiancé, and he was injured during the day. Even if you want to visit him, you should visit him, not Lin Yi!"

Xu Xiaoyan continued to attack.

Chapter 6832 Preparatory Class

Xu Xiaoyan was well aware of the relationship between Li Xiaomeng and nie Xiaohu. To be honest, Li Xiaomeng's behavior really disgusted her. "I don't care about what happens between you and di Xiaohu, but you know very well why di Xiaohu was injured. Logically, you should be on his side now."

Li Xiaomeng's face changed slightly. She knew that she wouldn't be able to gain any advantage if she continued to talk, especially now that she wanted to show off in front of Lin Yi. In the end, Xu Xiaoyan almost exposed all of her history.

"Lin Yi junior, since you're going to be under mentor Xu's tutelage today, I won't take up any more of your time. We'll talk again next time!"

Li Xiaomeng turned to Lin Yi and gave him a charming smile. She snorted at Xu Xiaoyan and left without waiting for Lin Yi to say anything.

"Instructor Xu, thank you for coming today. Otherwise, I don't know how long Li Xiaomeng would have been pestering me."

Lin Yi smiled as he cupped his hands at Xu Xiaoyan. Her arrival did help Lin Yi solve a problem.

"Looks like you're really popular with the girls. In the future, the girls in the Academy might even set you as a target."

Xu Xiaoyan laughed and teased him, then went straight to the point."Lin Yi, it wasn't convenient to talk during the day, but if you're free now, let's talk."

"It's my wish, but I don't dare ask! Teacher, please come in and have a seat. "

Lin Yi gestured for her to enter the cave,"Instructor Xu, which sect is behind our Feiyang college? Li Xiaomeng and di Xiaohu should be from this sect, right?"

"Lin Yi, I know you have some understanding of the sect, but to what extent? can you tell me more about it?"

Xu Xiaoyan didn't answer Lin Yi's question but threw out a question in return.

Lin Yi blinked, but didn't think too much about it. Xu Xiaoyan roughly knew what Lin Yi had gone through before, but she didn't know the details, nor the sects involved.

"Actually, I don't know much about sects. I only know that there's a heavenly spell formation sect and a mountain sect. The mountain sect is in charge of supervising the abandoned land. I'm not sure about the details."

Lin Yi told them everything he knew about the two sects, but that was all. He was still gathering more information.

"The sects are very secretive in the mystic division Sea area. It's not easy for you to come into contact with the two major sects. The strength of the sects behind Feiyang college is not inferior to the heavenly spell formation sect and the mountain sect. The name ... It doesn't matter if you don't know it for now."

Xu Xiaoyan wanted to say something but stopped. It seemed that it was not appropriate for her to say it when it involved the sect. "When you enter the preparatory class, you will be able to access the sect's information. At that time, you will naturally know everything. It won't do you any good to tell me now."

"I understand ... But what is the preparatory class? How come I've never heard of it?"

Lin Yi found it a little strange-he thought that there were only the new and old classes in the school before he came to the mystic division. He only found out later that there were still the low, intermediate, and advanced classes-and now there was a preparatory class?

"The preparatory class is the class for students who are preparing to enter the sect. It can be said to be the highest class in the Academy. Those who can enter it are all the Academy's elite students."

Xu Xiaoyan answered after a while. It wasn't convenient for her to say more about the sect behind Feiyang school, but she didn't care about the information related to the sect. She was prepared to tell Lin Yi when she came to him.

"Mentor, I asked you just now if Li Xiaomeng and di Xiaohu are from the sect. If that was the case, why did they still enter the academy to cultivate? Wouldn't it be better to do it directly in the sect?"

The students cultivated by the Academy would eventually become the new blood sent into the sect. Since that was the case, there was indeed no need for those who were originally in the sect to come from the finishing point to the starting point and then return to the finishing point again. It was meaningless!

"I won't hide it from you, these two are indeed disciples of the sect. It's not that the sect can't nurture its own students, but in the sect, there's a lack of a good competitive atmosphere, so they will send their outstanding disciples to the Academy to train."

Xu Xiaoyan only explained a little, and Lin Yi already understood.

A one-on-one elite education naturally had its benefits, but the competitive atmosphere in the Academy could also greatly promote the growth of geniuses, so it was not difficult to understand why the sects did this.

"Although Li Xiaomeng and di Xiaohu are both from the sect, the people behind them have very different statuses in the sect, so di Xiaohu can be said to be obedient to Li Xiaomeng. Even if he was beaten up by you today, I'm afraid he would only hate you and not blame Li Xiaomeng."

Lin Yi understood now. No wonder nie Xiaohu acted like a dog. He was a dog! He was a loyal dog raised by Li Xiaomeng!

The so-called fiancé was probably just a marriage arranged by the elders in the sect, and Li Xiaomeng herself was not satisfied with it.

In fact, nie Xiaohu's talent was also outstanding, at least among his peers in Feiyang college. However, Li Xiaomeng was not bad either, only slightly inferior.

Don't be fooled by the fact that nie Xiaohu could suppress Li Xiaomeng now. Once the two advanced to earth stage at the same time, the gap between them would be greatly reduced. Li Xiaomeng probably liked men who could completely suppress her, such as Lin Yi ...

No wonder Li Xiaomeng's attitude changed so drastically after seeing Lin Yi crush nie Xiaohu. So this was the cause!

"Mentor, who exactly is Li Xiaomeng? is the sect leader someone to her?"

Lin Yi was curious. He wanted to know why di Xiaohu was willing to endure this humiliation.

"I don't mind telling you, but you have to keep our conversation today a secret. You can't even tell LAN 'er."

Xu Xiaoyan took a deep breath and smiled, asking for Lin Yi's guarantee. After getting Lin Yi's confirmation, she continued, "Li Xiaomeng's grandfather is an elder of the sect and dotes on her a lot. Di Xiaohu's father is just an ordinary small leader in the sect. The two of them are worlds apart."

"Then how did they become fiancée and fiancée? By right, if Li Xiaomeng doesn't agree, no one will force her to marry. "

Lin Yi didn't really care about the concept of a match between two people of equal social status-he just thought it was weird.

If the two of them were truly in love, then everything would be fine. However, Li Xiaomeng didn't like nie Xiaohu, and her status was far higher than nie Xiaohu 's. There was no need to sacrifice her for a marriage alliance.

"It's probably because the elders in Li Xiaomeng's family are optimistic about nie Xiaohu's growth potential. After all, he's a genius of the sect. When he officially enters the sect in the future, he'll definitely take on an important position. "

Chapter 6833 Mountain Sect's People

Xu Xiaoyan made a guess and said,"All of this has nothing to do with us, so there's no need to look into it."

"That's true, I'm just casually saying. "

Lin Yi waved his hand with a smile, changing the topic."Instructor, by the way, is su Hao also a member of the sect?"

Looking at the guy's cocky face, Lin Yi thought that he was most likely right. Li Xiaomeng and nie Xiaohu's style of doing things seemed similar to su Hao 's. They should be from the same place.

"Yes, you're right! Su Hao is also a disciple of a sect. However, although the identity of the person behind him is not as high as Li Xiaomeng 's, he is slightly stronger than nie Xiaohu. He came to our college with special permission, so he was given a lot of convenience. "

Xu Xiaoyan didn't hide anything. Since she had already said so much, there was no point in hiding su Hao's identity.

"As expected, they are all jackals of the same tribe."

"There's quite a number of people from this sect in our school, after all!"Lin Yi shook his head with a smile.

"An Academy and a sect are like the construction of a ladder team. It's normal for sect disciples to enter an Academy."

Xu Xiaoyan said casually before reminding Lin Yi,"You must be careful. It's fine to fight with these people, but don't offend them too much. It will affect your future when you enter the sect."

"Why do I have to enter the sect?"

Lin Yi found it a little funny-Xu Xiaoyan thought that the only way to practition in the Academy was to enter a sect, but she didn't think that Lin Yi didn't even care about these sects.

"Why don't you enter the sect? The sect's cultivation resources, cultivation methods, and martial arts techniques are all better than the Academy 's, and each sect has its own unique inheritance. The benefits to you are self-evident. "

Xu Xiaoyan paused. In her eyes, a genius like Lin Yi would only soar once he entered a sect. "Lin Yi, listen to your mentor-don't fight with the sect disciples, it'll ruin your future."

Lin Yi nodded helplessly.

He couldn't tell Xu Xiaoyan that the cultivation methods and martial techniques of those sects were all trash in his eyes!

With the battle tactics of heaven's stolen fortune, Lin Yi didn't think he needed to learn any other sect's Arts and skills anymore. There was no better art that suited him better than the battle tactics of heaven's stolen fortune!

Xu Xiaoyan saw that Lin Yi was cooperating and relaxed a little. They chatted for a while more before she got up and left.

Although Lin Yi didn't think much of Xu Xiaoyan's wish for him to enter the sect, this was a master who truly cared for him. Naturally, he would be sincerely grateful to Xu Xiaoyan.

The next few days were peaceful again. Li Xiaomeng didn't come looking for Lin Yi again after being ridiculed by Xu Xiaoyan that night. Nie Xiaohu, Wang Jian, and the others also stopped looking for trouble.

Lin Yi and Shangguan LAN 'er were quietly training, and they had another chance to enter the training room. Unfortunately, Lin Yi still couldn't find the same state he was in last time. Although his spirit sense had improved, compared to last time, the improvement was negligible.

So this time, Lin Yi didn't stay in the training room for too long. He calculated the time and came out with Shangguan LAN 'er, but he didn't expect to see Zhang jinmiao waiting outside.

"Master! What are you doing here?"

"Auntie Zhang!"

Shangguan LAN 'er and Lin Yi greeted Zhang jinmiao at the same time, but they were guessing what had happened.

Otherwise, Zhang jinmiao wouldn't have waited for someone at the door of the cultivation room. She was the vice principal of Feiyang college and had a lot of things to do.

"LAN 'er, Lin Yi, how's your training this time?"

Zhang jinmiao smiled and nodded at the two of them. She didn't immediately explain her purpose for coming, but instead casually asked about cultivation. At the same time, she motioned for the two to leave.

"Master, I feel that I have gained a lot from this cultivation room. After a few more times, I may be able to prepare to open the mountain."

Shangguan LAN 'er held onto Zhang jinmiao's arm happily. Once she broke through to the mountain opening stage, she felt that the distance between her and Lin Yi would be shortened a lot. Perhaps she wouldn't be a burden to Lin Yi's junior Brother in the future?

"Not bad! However, the mountain-opening stage is a very important stage. This is the beginning of the Big Shot realm. Master hopes that you don't rush to break through. Only by accumulating enough will you be able to better lay a good foundation for the future. "

Zhang jinmiao seized the opportunity to teach Shangguan LAN 'er. This disciple was extremely talented, and she did not want Shangguan LAN' er to break through the mountain opening stage too quickly because of her anxiousness.

"I know, master, you've said it a few times, and Lin Yi junior said it to me too. Do you guys think I'm still a kid?"

Shangguan LAN 'er pouted, and Zhang jinmiao and Lin Yi couldn't help but laugh.

Aren't you just a child!

He really would never grow up!

Zhang jinmiao turned to Lin Yi after they were some distance away from the training room. "Lin Yi, I'm here to tell you to go to the Dean, someone's looking for you ..."

"Who is it this time? Are they from the Alliance of Academies or the aristocratic families?"

Lin Yi frowned-that Lu Yongming left in a fit of anger last time, perhaps he'd gathered some people here to interrogate them?

It wasn't a surprise-Lin Yi was prepared for it, and so he went to Liu Xiaoyu's place right away.

"None of them ... They're from the mountain sect!"

Zhang jinmiao's expression was a little serious as she lowered her voice and said, "It might be about the abandoned land. Although the mountain sect doesn't have much contact with our Feiyang college, we can't refute their words because of their reputation. So, you still have to go and take a look. If the situation doesn't look right, you should prioritize protecting yourself."

"So it's the mountain sect. Didn't Liu Zhanggong and the others tell you about the abandoned land? They don't know what happened after that. "

Lin Yi was a little surprised-he didn't expect it to be the mountain sect. "Aunt Zhang, don't worry. I even helped the mountain sect in the abandoned land. Maybe they're here to thank me."

"You're quite big-hearted! I hope so!"

Zhang jinmiao didn't know whether to laugh or cry as she looked at Lin Yi. Who was the mountain sect? why would they come and thank a small student like Lin Yi?

"Master, will Lin Yi be okay?"

Shangguan LAN 'er looked at Zhang jinmiao worriedly. This was something that even Zhang jinmiao could not interfere in, so of course, she would be nervous.

"It's fine, with Dean Liu there, the mountain sect won't make things difficult for Lin Yi. "

Zhang jinmiao was actually a little uncertain in her heart, but she comforted Shangguan LAN 'er with a relaxed expression.

"Senior Sister LAN 'er, don't worry. This is the Feiyang college. Dean Liu has the highest authority here!"

Lin Yi said with a smile before turning to Zhang Yingluo."Auntie Zhang, is there anything else you want to tell me?"

If she didn't have something to say, she wouldn't have to notify Lin Yi herself-she could've just sent someone else.

Chapter 6834 You Want Me To Take The Blame?

"I originally had some instructions to say, but you made me feel at ease, so I don't need to say too much."

Zhang jinmiao smiled and shook her head."Forget it. You can go now. Just be careful not to offend the mountain sect."

Lin Yi said yes, but he thought that he wouldn't offend people on his own initiative, but if someone wanted him to, then there was nothing he could do ... The mountain sect people came to Feiyang college, and he didn't think they came just to ask about the abandoned land.

Lin Yi didn't have to worry about Shangguan LAN 'er's safety since Zhang jinmiao was with her. He immediately set off for Liu Xiaoyu's Mountain peak.

A while later, Lin Yi came to Liu Xiaoyu's room-there was a blue-robed, short-bearded, thin old man sitting in Lu Yongming's seat. Other than that, there was only Liu Xiaoyu.

"Associate Hospital director Liu!"

Lin Yi cupped his hands at Liu Xiaoyu at the door.

"Lin Yi's here, come in. This is Gu Tiannan, an elder of the mountain sect, he's here to see you."

Liu Xiaoyu waved at Lin Yi gently and introduced the blue-robed elder to him, "You know about the mountain sect, so I won't say much."

"Lin Yi greets elder Gu. May I know what elder Gu is here for?"

Lin Yi also cupped his hands at Gu Tiannan. He felt that something was wrong when he heard that the old man's surname was Gu. The guy he taught a lesson to in the abandoned land was called master Gu, right?

Could these two people be related? Was Gu Tiannan here to question him?

"You're Lin Yi? You're indeed a man of striking appearance. It's only natural for this old man's grandson to be defeated by you. Do you know who this old man is talking about?"

Gu Tiannan looked at Lin Yi indifferently. Although he didn't have any intention to attack Lin Yi, the invisible pressure still covered Lin Yi.

Unfortunately, Lin Yi wasn't afraid of this kind of pressure, unless Gu Tiannan's consciousness was stronger. He even laughed casually, ""So it's young master Gu's grandfather. Did you come to Feiyang college today to make a scene?"

"Don't worry, I don't have the habit of bullying the younger generation, so I won't make a move on you. "

Gu Tiannan looked at Lin Yi calmly, putting on a noble and respected look, ""I'm not here to find trouble with you, but I need you to tell me what happened in the abandoned land. "

"Is that so? That's fine, I'll tell you again if you want to know. "

Lin Yi shrugged. He'd said it a couple of times already, so it wasn't like he'd say it again. He thought that the mountain sect was worried about the dark Demon beasts and came to ask for information.

However, that was not the case!

"You just need to tell me what happened when the mountain sect's base was attacked by the darkness magical beasts."

Gu Tiannan's reminder made Lin Yi a little unhappy. It turned out that the old man didn't care about what happened to the dark Demon beasts in the abandoned land, nor did he care how Lin Yi escaped from the abandoned land.

It seemed that everything in the abandoned land was not important to the mountain sect. The only important thing was things related to the mountain sect.

"No problem, I'll tell you whatever you want to know."

Lin Yi's tone was a little cold, but he still told him what happened when the mountain sect base was broken through for Liu Xiaoyu's sake.

"Are you telling the truth? How come what I heard is different from what you said?"

Gu Tiannan took a sip of tea and continued, ""Or maybe you should think again, did you remember something wrong?"

"Elder Gu, please advise me, what did I remember wrong?"

Lin Yi laughed coldly to himself. He didn't tell much about the abandoned land, but the part where the mountain sect was broken into was the truth no matter how many times he told him!

He didn't know what Gu Tiannan meant by that, but Lin Yi's instinct told him that it couldn't be anything good!

"For example, weren't you the one who opened the teleportation formation connecting our mountain sect's estate to the mystic class sea?"

Gu Tiannan put down his teacup and looked at Lin Yi calmly, "The situation was critical at the time. You opened the teleportation formation to the mystic class sea without permission and wanted to leave the abandoned land, but you were stopped by the mountain sect."

"Is it like this? How come I didn't know about it?"

Lin Yi almost laughed out loud-so this was the old man's goal! In order to clear his grandson's name!

"That's why I said that you've made some mistakes. The situation was urgent at that time, and you, a formation master, opened the transmission array. There's nothing to blame you for, and you couldn't leave the abandoned land at that time. On behalf of the mountain sect, I promise that I won't pursue your mistakes."

Gu Tiannan said as if he was doing Lin Yi a huge favor, "Do you understand? I should be able to recall these details now, and then we'll talk about it again. "

"I'm sorry, I don't understand what you're saying at all. When the passageway to the mountain sect's encampment was opened, I was still in the periphery of your mountain sect's encampment and hadn't entered yet. How could I have opened the passageway?"

Lin Yi almost spat on the old man's face, but he remembered Zhang jinmiao's words and held it in. "What I said just now is the whole truth. Whether you believe it or not has nothing to do with me, and don't use some inexplicable words to change the truth."

"Impudent! There are so many people and so many pairs of eyes in our mountain sect. How can what we see be fake? This old man is giving you a chance! Don't make a mistake!"

Gu Tiannan's face darkened, and his tone was threatening. He then placed the prepared paper and pen on the coffee table and said, "Write down the truth, sign it, and this matter will be written off."

"Heh ... Old man Gu, you're here to push the blame on behalf of your grandson, right? Is it because your mountain sect is going to hold the person who opened the passage accountable, so you're panicking and want me to take the blame for your grandson?"

Lin Yi laughed coldly. Gu Tiannan didn't even try to hide his actions, threatening Lin Yi right in front of Liu Xiaoyu!

One could imagine how arrogant and despotic the mountain sect was. They didn't even care about Feiyang Academy.

"Elder Gu, the way you're doing things isn't fair enough!"

Liu Xiaoyu couldn't continue to ignore him. After all, this was his territory. "The mountain sect is strong, but they wouldn't come here and bully a student of Feiyang school. If you have evidence, you don't need Lin Yi's testimony. Why do you have to do something like this?"

"Dean Liu, I'm just giving face to the Feiyang college, so I didn't do anything tough. It's just a student. I'm already being kind by not questioning him. Can't I even make him write a statement?"

Gu Tiannan looked at Liu Xiaoyu coldly, but his tone was not as arrogant as before, ""Although I'm only an elder of the mountain sect, I have quite a lot of authority in the mountain sect. Can't you give me some face, Dean Liu?"

Chapter 6835 Then Show Some Sincerity

"This isn't a matter of friendship. I believe in Lin Yi's words. We don't want to interfere in the mountain sect's internal affairs, and we don't have the ability to do so. Since elder Gu has the right to speak in the mountain sect, it shouldn't be a problem for you to solve this small problem,"

Liu Xiaoyu didn't back down at all, and went head to head with Gu Tiannan for Lin Yi's sake. Lin Yi was very touched.

"Liu Xiaoyu, this old man's patience is limited. Don't be unreasonable here!"

Gu Tiannan hmphed coldly and waved at Liu Xiaoyu. He turned to Lin Yi, "Lin Yi, I promise that after you write down this statement, the mountain sect won't look for trouble with you. I'll even give you some benefits as compensation."

"What benefits? Why don't you tell me!"

Lin Yi didn't want to put Liu Xiaoyu in a difficult position-Feiyang school was already at the heart of the storm because of the fire, and if they offended the mountain sect for Lin Yi, it'd be worse.

Lin Yi decided to listen to Gu Tiannan's conditions-it wouldn't affect him anyway, as long as he didn't drag the school down.

"I heard that you were originally a student of the new class of Feiyang college. You should be promoted to the intermediate class now, right? How about this, as long as you write down your testimony, this old man will help you pull some strings in the Alliance of Academies, and in the name of the Alliance of Academies, recommend you to enter the sect!"

Gu Tiannan thought that with this condition, Lin Yi would be grateful and agree to write the statement.

After all, every student's ultimate goal was to enter a sect. This kind of opportunity was something everyone else would want, but Lin Yi wasn't just anyone-he didn't even care about any sect.

"Of course, in the name of the college Alliance, I'll recommend you to join a sect, not our mountain sect, but another sect. After all, our mountain sect and Feiyang college have no such relationship."

Before Lin Yi could say anything, Gu Tiannan added, as if he was afraid that Lin Yi would choose the mountain sect ... To be honest, Lin Yi really had no feelings for the mountain sect. Even if Gu Tiannan knelt down and begged him, he wouldn't go.

"Just like this? What else?"

Lin Yi curled his lips in disdain. This was a benefit? Don't you have any sincerity?

Who the hell wants to enter a sect? To send away a beggar?

"Is this not enough? The quota to enter the sect isn't something that just anyone can obtain. Do you know what kind of sky-high price such a quota would fetch if it was put up for auction?"

Gu Tiannan looked at Lin Yi, stunned. This kid was probably a country bumpkin who didn't even know how precious a sect spot was.

Or could it be that this brat actually knew how precious the spots were, but he was deliberately acting dumb in order to get more?

"What's so great about a mere sect quota? If I want to enter the sect, I can go in at will. Why do I need your spot? Let's talk about the more practical benefits!"

Lin Yi really didn't care about the sect spots. With his strength, as long as no one stopped him, he could easily enter a sect, especially with his attainments in arrays and his reputation in alchemy. Which sect would reject someone like him?

As long as Lin Yi showed some of his abilities, the sects would probably come begging for Lin Yi to join them, right?

"Insatiable greed!"

Gu Tiannan snorted coldly. He felt that Lin Yi didn't know what was good for him, but he couldn't do anything about it, so he swallowed his anger and said, ""Then tell me, what do you want in order to agree to this?"

If Lin Yi wanted some spirit crystals or pills, Gu Tiannan wouldn't hesitate to give them to him, but if it was something else, he'd have to think about it.

"First of all, I don't need your recommendation to enter the sect, but other people do. Can you transfer this to them?"

Lin Yi thought that Gu Tiannan was right. Even if the spot was useless, it would be a great item to auction off. Maybe he could give it to Shangguan LAN 'er or someone else in the future.

Gu Tiannan almost vomited blood. Didn't you just ignore it? Why did he ask for it again in the blink of an eye?

Could he not be so shameless? You're almost catching up to me!

"Yes! However, the person who's transferring it must have outstanding talent and aptitude. The sect doesn't accept trash!"

Gu Tiannan secretly gritted his teeth. It didn't matter who entered the sect anyway, as long as it wasn't too embarrassing, he would be fine. "I'll make it clear in advance, if you want to find any trash to use the quota and are rejected by the sect, don't blame me. "

"Don't worry, they're all top-notch geniuses. If they're rejected, you'll definitely be the one who backstabbed them!"

Lin Yi's meaningful smile almost made Gu Tiannan puke blood. Was Lin Yi trying to cling onto him?

"What other conditions do you have? hurry up and say them all!"

Gu Tiannan didn't want to waste time on details like this. He needed to get Lin Yi's testimony as soon as possible!

"As for the rest, you can just give me a few hundred thousand spiritual crystals, a few treasures, and a thousand or eight hundred precious spiritual herbs. That'll be enough!"

Lin Yi was asking for too much-it was old Gu who'd asked for it, after all, so he'd be letting himself down if he didn't give him a good beating. "You're an elder of the mountain sect. You won't care about these petty thoughts, will you?"

Gu Tiannan's face darkened. Why don't you just Rob someone? You can't get so many even if you Rob, right?

If this was a small matter, then what was a big one?

Hundreds of thousands of spiritual crystals were equivalent to billions of spiritual jades. The mountain sect elders were rich, but not to this extent. They would usually exchange their spiritual crystals for cultivation resources that were suitable for them to improve their strength.

You also want a few treasures and thousands of precious medicinal herbs. Why don't you fly up to the sky and stand side by side with the sun?

"Lin Yi, don't be too greedy-I've already let you go, do you really want to die?"

Gu Tiannan's face darkened. Lin Yi's request was too ridiculous. Even if he had it, he wouldn't give it to him!

"Elder Gu, you're threatening a student of the Feiyang school right in front of me. You really don't have any respect for the Feiyang school and me!"

Liu Xiaoyu snorted unhappily and slammed his palm on the tea table, making a loud noise. Fortunately, he knew his limits and did not turn the tea table into powder.

"Liu Xiaoyu, Lin Yi injured my grandson. There are many witnesses to this. I'm going to hold Lin Yi responsible. Do you think the Feiyang school will protect him?"

Gu Tiannan laughed coldly and looked at Liu Xiaoyu with a dangerous glint in his eyes,""As long as you say the word" dare,"the mountain sect will immediately seek justice for my grandson!"

Liu Xiaoyu paused. Lin Yi injured Gu Tiannan's grandson, and it was a personal matter. He couldn't interfere, or else the relationship between the mountain sect and Feiyang college would be completely broken!

Chapter 6836 No Man Can Get Rich Without A Windfall

If he was in the right, Liu Xiaoyu would go against shanzong, but Lin Yi injured someone. No matter who was in the wrong, it was not something he could interfere with.

"Gu Tiannan, if you want revenge, come at me. Do you really think that I, Lin Yi, am afraid of you?"

Lin Yi, naturally, wouldn't make things difficult for Liu Xiaoyu. He stepped forward and faced Gu Tiannan head on, "What's the big deal about injuring your grandson? At that time, I already showed mercy and didn't cripple him or even directly kill him. Don't you think you should be happy?"

"Good boy, you really think this old man doesn't dare to make a move? Or do you think that with Liu Xiaoyu here, I can't touch you?"

Gu Tiannan stood up abruptly and released his aura. An invisible pressure instantly descended and tightly bound Lin Yi.

Of course, this was just what Gu Tiannan thought. In fact, Lin Yi didn't even need to resist his pressure.

"If you want to make a move, then try it. Don't say that I didn't warn you. If you bully the weak, you'll have to be responsible for the consequences!"

Lin Yi's face was cold as he held a few sea split attack talismans in his hand. These were all high-quality stuff that Wang shiqing gave him. Other than the direct descendants of the Wang family, no one in the branch could get their hands on them.

Using this type of attack talisman, combined with Lin Yi's own strength, it really wasn't a difficult thing to kill Gu Tiannan.

Liu Xiaoyu was stunned for a moment, but then he realized that Lin Yi was the disciple of Zhang Liju, the miracle doctor. If Gu Tiannan dared to bully the young, Zhang Liju would not let it go!

In the mystic class sea, even the pill God and medical Saint Zhang Liju was a legend, who was Gu Tiannan?

Although Lin Yi's trump card wasn't his master Zhang Liju, it didn't stop Liu Xiaoyu from guessing. He looked at Lin Yi and Gu Tiannan with confidence, knowing that nothing would happen today.

"Forget it, this old master fighting with a junior like you is really beneath my status. Just now, I said I won't touch you, so I won't touch you. This old master has always kept his promise!"

Gu Tiannan looked at him coldly. After a few minutes, he retracted his aura. "Lin Yi, I'm here to talk to you openly. If you're not sincere, then don't waste my time."

"Who's the one without sincerity now? You want me to state my conditions, so I state my conditions. If you don't agree, how can you blame me?"

Lin Yi shrugged nonchalantly. He didn't care what Gu Tiannan wanted to do.

" 10000 crystals! This old man's net worth is not that great, this is already my limit!"

Gu Tiannan didn't want to dwell on this issue. He knew that he would lose no matter what, so he directly stated the conditions that he could afford, ""I don't have any treasures, but I do have some spiritual herbs in reserve. I can give you ten of them!"

Asking for a sky-high price, paying back the money on the ground!

Gu Tiannan had cut it by more than 90% in one go, which was ruthless.

" 10000 crystals? You might not know this, but I'm a Mystic class refiner. I can make two pills and sell them for more than ten thousand crystals-are you trying to make me a beggar?"

Lin Yi looked at Gu Tiannan with disdain, a mocking smile on his face. "As an elder of the mountain sect, he said he could only take out 10000 spiritual crystals. What a pity."

Gu Tiannan's face twitched, feeling a little embarrassed. Ten thousand crystals wasn't a small amount, but he didn't know that Lin Yi was a Mystic. No wonder Lin Yi asked for the herb.

If Lin Yi wasn't lying, then 10000 crystals really wasn't a big deal to him. No matter where they were, being an Alchemist was a class of people who were extremely rich.

"Gu Tiannan, if you don't have any sincerity, you should go back now! At most, I'll give you 10000 spiritual crystals as the travel fee for your hard work. What do you think?"

If Lin Yi really gave him ten thousand crystals and he didn't have the face to take it, then he'd really be a beggar!

"Lin Yi, I'm not someone you can insult as you please-think before you speak, or even Liu Xiaoyu won't be able to save you!"

Gu Tiannan was a little embarrassed as he narrowed his eyes and glared at Lin Yi, "50000 spiritual crystals, 20 spiritual herbs that can be used to make Mystic elixirs, and don't forget that there's still a recommendation to enter the sect!"

Gu Tiannan was putting in a lot of effort for his grandson-he even endured Lin Yi's humiliation and continued to raise his conditions.

"100000 spiritual crystals and 50 spiritual herbs to refine Mystic-grade elixirs!"

Lin Yi raised his demands again-even if he didn't want anything, the two would still hate him to the core, and they'd kill him without hesitation if they had the chance.

Since that was the case, why not ask for more resources to strengthen himself and weaken the opponent at the same time?

" 80000 crystals! 30 spiritual herbs!"

Veins appeared on Gu Tiannan's forehead. He was really angry.

If Lin Yi still didn't agree, the old man would probably flip out immediately.

Lin Yi's lips curled up. "Deal!"

In fact, for the sake of Feiyang college and Liu Xiaoyu, Lin Yi would've cleared dummy Gu's name as long as he had a recommendation to a sect. Now that he had 80000 crystals and 30 herbs, it was a pleasant surprise.

Indeed, a horse can't get fat without grass at night, and a man can't get rich without a windfall!

Not to mention how many good things could be bought with 80000 spiritual crystals, just 30 spiritual herbs for Mystic elixirs could be used to refine many elixirs. The profit from selling them would probably not be less than 80000 spiritual crystals.

Gu Tiannan's face relaxed. He didn't even know how he would react if Lin Yi didn't agree. Now, his grandson's problem was finally solved.

Lin Yi took a pen and paper from the table and wrote down his testimony as Gu Tiannan asked. The general idea was that when the dark beasts attacked the mountain sect's base, he was just beside the tunnel formation. He saw the situation was critical, so he opened the tunnel.

As an outsider, Lin Yi didn't know the rules of the mountain sect and the abandoned land, so he didn't receive any extra punishment. He'd only be lectured by the mountain sect elder, Gu Tiannan, and the matter would be settled.

Gu Tiannan was satisfied with Lin Yi's work, and handed it over to Lin Yi since Liu Xiaoyu was there.

Other than the spiritual crystals and spiritual herbs, there was also a sign. With this sign, the Alliance of Academies could recommend a disciple to the sect.

"Elder Gu, we've already completed our transaction. I hope that we'll have nothing to do with each other in the future!"

Lin Yi put away the crystals and herbs and smiled at Gu Tiannan, "By the way, before I say goodbye, there's something I want to ask you. Before the passageway to the mountain sect's encampment was destroyed, some sun devouring rats and corpse demon bees followed in. I wonder if you've cleaned them up?"

Gu Tiannan was slightly stunned, ""Last time, a darkness magical beast came out? Don't you make irresponsible remarks!"

Chapter 6837 The Academy's Mission

Lin Yi was shocked. He thought that the mountain sect would have a strong defense outside the exit of the abandoned land, and the dark beasts that escaped would be annihilated.

However, from Gu Tiannan's words, it seemed that he had never heard of any news of the dark Demon beasts passing through the passage. Could it be that the mountain sect's people did not see the sun swallowing rats and corpse demon bees?

Or was it possible that the darkness magical beasts had already been annihilated when the passage collapsed?

"Have all the mountain sect members in the abandoned land come out?"

Lin Yi didn't feel at ease, so he wanted to get to the bottom of this. If the dark beasts died in the tunnel, the mountain sect people would be injured too.

"They're all out. Are you sure there are dark magical beasts following them?"

Gu Tiannan's expression was not too good. If this was true, the person who opened the passage would be in even greater trouble!

Fortunately, he had Lin Yi's testimony now, and his grandson should be able to get out of this mess.

"Of course I'm sure! If the people of your mountain sect are all here, then where did the darkness demon beasts that followed us go?"

Lin Yi felt like his head was starting to hurt-even if it was just one rat, there could be an endless rat tide in Mystic class.

If it wasn't for the fact that there were many people he cared about in the mystic division sea, he wouldn't care how big the rat tide was. But now, he couldn't help but worry.

"This old man really doesn't know much about this matter. Don't worry, after this old man returns, I will definitely investigate this matter thoroughly!"

Gu Tiannan promised seriously. If this matter was not resolved, he and his grandson would be in trouble. So, he said sincerely, ""It's already been a few months since the passage opened, so it's likely that the darkness magical beasts haven't left the passage yet. Otherwise, it's impossible for there to be no news after so long. "

Lin Yi didn't agree with what Gu Tiannan said. There were no signs before the rat tide erupted in the abandoned land, and it wasn't something that could happen overnight.

It took time for the sun-swallowing rats to grow and split. When their numbers were small, it was hard to notice. Once there was news, it was usually when a large scale outbreak occurred.

"The passage between the abandoned land and the mystic class sea has been destroyed. Can the mountain sect repair it?"

Lin Yi suppressed the uneasiness in his heart and changed the topic, "The rat tide and the bee colony inside have temporarily subsided. If the mountain sect wants to, you can go back and forth in the abandoned land and eliminate some of the other darkness magical beasts."

"The passageway is being rebuilt, but it won't be repaired so soon. You don't have to worry about the abandoned land. The mountain sect knows what to do."

Gu Tiannan hmphe coldly, clearly unhappy with Lin Yi's decision.

Then, he remembered something and looked at Lin Yi, confused. "I forgot to ask you. The only passage to the abandoned land was destroyed, and you didn't leave with them. How did you get out?"

Lin Yi had told Liu Xiaoyu about his experience, but Liu Xiaoyu had no reason to tell others about it, so Gu Tiannan didn't know about the grey hat.

"There are already many flaws in the formation of the abandoned land. I found one of the cracks and left through it before it disappeared. However, when I came out, the crack was already gone, so this is a process that can not be replicated."

Lin Yi said casually. He didn't want to waste time with Gu Tiannan. He didn't want Gu Tiannan to know about Central's people and matters.

"So that's how it is. It seems that the formations of the abandoned land also need to be repaired. Once the passage is completed, this old man will invite a formation master to enter and take a look."

Gu Tiannan's mouth twitched as he looked at Lin Yi. From Liu Zhanggong's description, Lin Yi should be very good at arrays. He was thinking if he could bring Lin Yi along so that he could do whatever he wanted to him after they went to the abandoned land.

"I think with the influence of the mountain sect, these small matters are not a problem. A small figure like me doesn't have to worry about you."

Lin Yi smiled and shrugged, cutting off the topic. "If there's nothing else, I'll take my leave. Associate Hospital director Liu, you guys take your time to chat!"

With that, Lin Yi cupped his hands at Liu Xiaoyu and waved at Gu Tiannan casually, angering old man Gu.

However, in Lin Yi's eyes, Gu Tiannan's status couldn't be compared to Liu Xiaoyu's. The two were worlds apart.

It was impossible for him and Gu Tiannan to be friends anyway, and Lin Yi didn't want to deal with people like that. As for what Liu Xiaoyu and Gu Tiannan were going to say, it was none of his business.

After returning to Earth Spirit peak, Lin Yi guessed that Zhang Jinmiao was still in Shangguan Lan'er's cave, so he went over to take a look. As expected, she was waiting for Lin Yi to return.

"Lin Yi, why did you come over this time?"

Zhang jinmiao gestured for Lin Yi to sit down before asking with concern, "I hope he didn't do anything to you?"

"Aunt Zhang, what are you talking about? do I look like I'm doing anything?"

Lin Yi smiled and spread his hands, showing that he was back unscathed. "He just asked me to go over and ask about the abandoned land. He didn't say much."

Lin Yi didn't want Shangguan LAN 'er to know about the deal with Gu Tiannan, so he just brushed it off.

"That's good! I'm just afraid that something will happen to you. "

Zhang jinmiao heaved a sigh of relief and didn't continue to ask. Instead, she changed the topic and said, ""There's a mission in a few days, and I need you to do it. "

"What mission?"

Lin Yi blinked and shook his head. "Aunty Zhang, I don't want to take on any missions for the time being. It's not bad to cultivate in the Academy."

"Don't be in a hurry to refuse. This is a mission arranged by the Academy. It's easy, energy-saving, safe, and you can earn a lot of mission points. It's very suitable for you to do. "

Zhang jinmiao smiled and raised a hand to stop Lin Yi, hoping that he'd listen to her first.

"Master, it's such a good mission, I want to go with Lin Yi as well."

Shangguan LAN 'er tugged at Zhang jinmiao's arm and said coquettishly, ""It's easy, energy-saving, and safe. Master, how can you not let me go?"

Zhang jinmiao immediately smiled. When her disciple acted coquettishly, she really couldn't resist it. It was a pity that Shangguan LAN 'er was destined not to participate in this mission.

"There's no other way. Who asked you to not open the mountain? The mission this time requires students who are at least in the mountain-opening stage to participate. You're still too weak, so continue to cultivate well. "

Zhang jinmiao patted Shangguan LAN 'er's hand and continued, ""You're already at the great circle of xuansheng and not far from the sect-opening stage. It's a critical time, so you don't need to participate in this kind of mission."

"Master, you said that I should be well-prepared and not open the mountain too soon. You also said that I can't participate in such a good mission because I haven't reached the opening period yet. What do you want me to do?"

Shangguan LAN 'er did not care and continued to shake Zhang jinmiao's arm like a spoiled child. Then she remembered that she had forgotten to ask what the mission was, ""Right, master, where's Lin Yi going?"

Chapter 6838 The Mystic Division's Recruitment Team

"It's very simple. We just need to go to the yellow-class Sea area."

Zhang jinmiao didn't hide anything, which could also divert Shangguan LAN 'er's attention, ""This year's recruitment is about to start. Lin Yi will be going to the Golden class sea with a few outstanding students to be a member of the recruitment team."

"Back to the Golden class Sea area?"

Lin Yi blinked-this wasn't a bad opportunity. He'd been thinking of going back to the Golden class sea to take a look, but why was he being asked to recruit students?

"Master, why do you want Lin Yi to go to the Golden class sea?"

Shangguan LAN 'er's question hit the nail on the head, and so he nodded to Zhang jinmiao, indicating that he wanted to know as well.

"Haha, this is actually the usual practice. Because this year is the enrollment year, we need more manpower to go to the various Academies to recruit students, so we will let the outstanding students of the academies follow and help."

Zhang jinmiao explained with a smile. The mission wasn't to take care of Lin Yi, "In the past, this mission was only for the advanced class, but this time it's different. Lin Yi's too outstanding, he'd be one of the top students even in the advanced class, so the Academy decided to let him join the recruitment team."

"You're right, master, Lin Yi Lil "bro is much stronger than those from the advanced class!"

Shangguan LAN 'er heard Lin Yi's praise and immediately nodded in agreement. Lin Yi was good!

"You little girl ... No matter what, there's no doubt that Lin Yi's going to the Golden class Sea area. As for you, you can only stay in the school and cultivate, and try to break open the mountain as soon as possible."

Zhang jinmiao stretched out her finger and gently touched the tip of Shangguan LAN 'er's nose, showing the intimacy between the two.

"Ah ... What a pity! I also want to go to the Golden class Sea area!"

Shangguan LAN 'er sighed, but she didn't really take it to heart. At this stage, it was indeed time for her to work hard and catch up to Lin Yi's pace!

"Lin Yi, what do you think? Do you want to participate in this mission?"

Zhang jinmiao smiled as she asked for Lin Yi's opinion. All the advanced class students would fight to get into the recruitment team, but Lin Yi might not be willing to do so. Zhang jinmiao wasn't sure.

From a selfish point of view, Zhang jinmiao hoped that Lin Yi could leave for a while, but if Lin Yi didn't want to, she couldn't force him.

"Auntie Zhang, is this director Liu's idea or yours?"

Lin Yi had already made up his mind to go to the Golden class Sea area. The thing he asked Hao Zili to do didn't come back with any news, and min huichen and feiyi rushed back. Lin Yi really should go and see what happened.

"It was decided at the Academy's meeting, not by Dean Liu or me. Of course, we did recommend your name, but the Academy doesn't have a say in this kind of thing."

Zhang jinmiao knew what Lin Yi was thinking, but she wouldn't go out of her way to explain. It was up to Lin Yi to decide anyway.

Lin Yi nodded. Liu Xiaoyu didn't mention this to him earlier probably because of Gu Tiannan's presence. However, Liu Xiaoyu always hoped that Lin Yi could find his body. How was he supposed to find a body in the Golden class sea?

Did Liu Xiaoyu mean for Lin Yi to leave halfway?

"Alright, I'll be happy to join the recruitment team and complete this mission at the Yellow Sea. When do we set off?"

Since both Liu Xiaoyu and Zhang jinmiao wanted him to go out, and Lin Yi himself wanted to return to the Golden class sea, he naturally had no reason to reject the mission. He only pondered for a bit before making his decision.

"It's good that you're willing to make this trip. The recruitment team will set off soon, probably the day after tomorrow. It won't be more than three days later at the latest. You should prepare yourself."

Zhang jinmiao smiled and stood up to receive it. "I should go back too. Rest early and come out of the cultivation room. Don't work too hard."

"Yes, Auntie Zhang, let's go out together!"

Lin Yi got up and walked out with Zhang jinmiao, while Shangguan LAN 'er walked them out with Zhang jinmiao.

The three went their separate ways after saying their goodbyes. Lin Yi only remembered that he forgot to ask how many people there were in the recruitment team, and who else was going to the Golden class sea with him.

From what Zhang Jinmiao was saying, there was no way he'd be alone. There were probably some advanced class students as well. Lin Yi didn't know many of them, but they were all enemies. He'd be in a lot of trouble along the way.

The next day, classes went on as usual, and Shangguan LAN 'er and the Murong siblings bid Lin Yi farewell. The four of them went to the intoxicating God residence for dinner, only to bump into Li Xiaomeng and Yan Xiaohu.

"Lin Yi Junior Brother, what a coincidence to meet you again, what a small world!"

Li Xiaomeng smiled coquettishly as soon as she saw Lin Yi, but she was a little unhappy when she saw Shangguan LAN 'er and Murong Feifei's beautiful faces.

"I'm so unlucky to meet you just for a meal!"

Lin Yi mocked faintly. He really didn't want to have anything to do with this woman. "We still have to eat, so we'll part here!"

"Lin Yi-we're about to eat too, why don't we eat together? Senior Sister will treat junior brothers and sisters to a meal. "

Li Xiaomeng didn't seem to notice Lin Yi's distancing and continued to smile warmly, "It's a rare opportunity, junior brothers and junior sisters, I believe you won't refuse Senior Sister?"

"I'm sorry, but we really know how to refuse!"

Lin Yi shook his head expressionlessly and looked at the upset nie Xiaohu, ""The four of us are not used to eating with outsiders!"

Li Xiaomeng saw Lin Yi's eyes on nie Xiaohu and thought he was talking about him. She turned to nie Xiaohu immediately, ""Nie Xiaohu, why don't you eat by yourself? I'll eat with Lin Yi and the others."

"Hehe, some people really don't consider themselves outsiders!"

Murong Fei Fei sneered a few times. She didn't know Li Xiaomeng and nie Xiaohu, but she had heard her best friend Shangguan LAN 'er mention them before. She knew who was in front of her when she saw their enchanting appearance in red and the disgust on Shangguan LAN' er's face.

"That's right. The four of us are eating together. The others are outsiders!"

Shangguan LAN 'er added before turning to Lin Yi, "Lin Yi junior, let's go to the room."

Lin Yi didn't say anything, but Zhen Xiaohu interjected, "Xiaomeng, others don't appreciate it, why ..."

"Shut up!"

Li Xiaomeng's expression changed and she immediately rebuked, "'I'm talking to Lin Yi junior, why are you interrupting?'"

Di Xiaohu's face was red, but he didn't dare to retort. He could only glare at Lin Yi. If the fire in his eyes could burn people to death, Lin Yi would've turned into ashes already.

Lin Yi was extremely pissed. As a fianc  , he was worse than a dog, and he still had the face to glare at others? What does it have to do with me?

"Let's go. There's no need to pay attention to these two. "

Lin Yi didn't want to talk to them anymore, so he signaled for the three to go upstairs with him.

Chapter 6839 All Companions Are Enemies

"Lin Yi Junior Brother sure is cold! But it's okay, we'll have plenty of opportunities to meet in the future, so I won't disturb your dinner today. "

Li Xiaomeng turned around and resumed her charming smile. "'I heard that Junior Brother Lin Yi is going to the Golden class sea to take part in the recruitment as well. It just so happens that Senior Sister is going as well, we can get to know each other better.'"

This time, Shangguan LAN 'er's face turned ugly. She wanted to go with Lin Yi but was rejected by Zhang jinmiao. She didn't expect that shameless woman Li Xiaomeng would go with Lin Yi.

Shangguan LAN 'er wouldn't be jealous if it were any other girl, but Li Xiaomeng was the type of girl who would stick to Lin Yi. She felt uncomfortable just thinking about it.

Lin Yi's face froze-why didn't he think of that?

Zhang jinmiao had mentioned before that most of the members of the recruitment team were from the advanced class, and the two most outstanding students in the advanced class were Yan Xiaohu and Li Xiaomeng!

It was really F * cking ghost! Is it too late to say that I won't go now?

Lin Yi cursed inside, but he knew that it was impossible to leave. The school had already made the list, and it'd be troublesome to leave at the last minute. He also needed to go and see what was going on in the Golden class sea.

"Xiaomeng's right, Lin Yi-we'll have plenty of chances to get along. I'll take good care of you when we go to the Golden class sea!"

Di Xiaohu couldn't help but smile hideously. He squinted his eyes and said, ""I'm sure Lin Yi junior will feel the love and care your senior brother has for you after a few months. "

Care and concern!

Lin Yi almost laughed out loud-did this idiot forget the pain after his wound healed? did he really think he wouldn't kill him?

Di Xiaohu was only at half-step earth splitter, but even if he was at half-step sea splitter, Lin Yi could still crush him as long as he wasn't in the sea-splitting stage!

"Well said. I'm really looking forward to the trip to the Golden class sea. I'll see how you perform then!"

Lin Yi's lips twitched as if he was smiling. He looked at nie Xiaohu as if he was looking at an idiot."With senior brother nie Xiaohu, I believe there will be a lot of things to relieve boredom during the journey."

Di Xiaohu was furious. 'You're the thing, I'm not ... No!' You're the one who's not a thing!

In that instant, di Xiaohu really wanted to kill Lin Yi, but he knew that he wasn't Lin Yi's match right now ...

"You're lucky, this young master's temper is still considered good in the drunken God residence. "

Nie Xiaohu tried to find a way out for himself, but he was scolded by Li Xiaomeng again for interrupting.

Therefore, nie Xiaohu took the opportunity to retreat and immediately returned to his submissive state, retreating behind Li Xiaomeng.

Lin Yi felt sad for nie Xiaohu. How was this her fiancé? He didn't even get the treatment of an ordinary follower!

A pair of idiots! It was indeed the combination of two swords, so it was appropriate!

"My honored guests, is there anything I can help you with?"

The waiter of the drunken God residence saw that there was a trend of conflict here and hurriedly came up to smooth things over. After all, there were a few familiar faces here. They had a history of conflict last time, so they couldn't be careless.

"Take us to the private room."

Lin Yi smiled and nodded at the waiter. He ignored nie Xiaohu and Li Xiaomeng and went upstairs with Shangguan LAN 'er and the other two.

"See you tomorrow, Lin Yi!"

Li Xiaomeng waved at Lin Yi from behind, not caring if he could see her or not.

After Lin Yi and the others went upstairs, Li Xiaomeng's smile disappeared and she looked at nie Xiaohu with a cold face, ""Trash! Incapable of accomplishing anything, but capable of ruining things! Let's go, we'll go back immediately! I'm not eating!"

"Xiaomeng, why did you change so much towards that Lin Yi kid? You know I ..."

Di Xiaohu bowed slightly and smiled apologetically, but he was interrupted before he could finish.

"What you, you, me, me! Do I need to report to you? As long as you obediently listen to this young lady's instructions, it'll be fine. If you speak any more nonsense, immediately get out of my sight!"

Li Xiaomeng didn't show any mercy to nie Xiaohu. She scolded him like a storm.

Di Xiaohu did not dare to show any dissatisfaction. He kept nodding and bowing in agreement, looking like he was even worse than a dog.

Lin Yi's spirit sense saw this scene and just laughed it off. It had nothing to do with him anyway, who cared if they liked to keep dogs or be dogs.

It was a pity that he had to face these two for a long period of time, and it really made him feel helpless. It seemed like this golden class sea trip wasn't going to be that peaceful after all.

The next morning, Lin Yi arrived at the gathering place for the student body. He'd already said goodbye to everyone, so no one came to see him off.

This time, the one leading the team was not Zhang Jinmiao, but the elder of the school, Guan Wenxuan.

It was the recruitment year. With such an expert at the sea splitting stage in charge of the recruitment team, he would not be inferior to anyone in terms of face or inside.

However, when they went to the Golden class Sea area, the masters of the sea shattering realm couldn't attack at will. Therefore, Guan Wenxuan was more like a mascot, and the other members of the recruitment team were left to do things.

When Lin Yi arrived, the others were almost all here. Other than the elder Guan Wenxuan, the school had sent two teachers at the earth stage, ten staff members, and five outstanding students, including Lin Yi.

It was a coincidence that he knew the other four students, except for Lin Yi. He knew Li Xiaomeng and Nie Xiaohu yesterday, and the other was Wang Jian, the Vice class monitor of the advanced class. It wasn't a surprise that he was in the recruitment team.

The one who surprised Lin Yi the most was the last one, Yang Dian!

He didn't expect this guy to be in the recruitment team, but it made sense. Although Yang Dian wasn't a member of the advanced class, he was the class monitor of the intermediate class, a first-rank reserved

student of the advanced class. Moreover, he was quite strong, so it wasn't surprising that he was selected.

Lin Yi couldn't help but facepalm at the sight-five students, and four of them were technically his enemies ...

Director Liu Xiaoyu, Auntie Zhang jinmiao, with this arrangement, will we still be able to have fun together in the future?

But after thinking about it carefully, Lin Yi found it funny. Wasn't he a little too unpopular? Why are there enemies everywhere?

"Alright, everyone's here, let's go!"

Guan Wenxuan, on the other hand, was kind. He smiled and nodded at Lin Yi, signaling for everyone to get on their flying spirit beasts and head to the teleportation formation from Mystic to golden.

Lin Yi would always return the kindness of others. After greeting Guan Wenxuan respectfully, he walked up to the large flying spirit beast.

Li Xiaomeng wanted to talk to Lin Yi, but the timing wasn't right.

Yang Dian nodded at Lin Yi. He didn't say anything, but his eyes flickered. Lin Yi couldn't tell what he was thinking, but he was probably thinking about how to kill Lin Yi.

Chapter 6840 A Little Green In The Midst Of A Thousand Flowers

Nie Xiaohu and Wang Jian also wanted to kill Lin Yi. This trip to the Golden class Sea area wasn't going to be easy.

The group of eighteen people rode on the large aerial spirit beast and soared into the sky. Next, they would meet up with the recruitment teams of the other Academies at the teleportation array and head to the yellow-class Sea area together.

The recruitment in the mystic division would be handled by someone else, so they didn't need to worry about it.

Some of the Academy's recruitment teams had already arrived at the teleportation array. Among them, a girl with a pure temperament and a fairy-like appearance attracted a lot of attention. People, whether they knew her or not, couldn't help but sneak a few glances at her.

"It's the recruitment team of the morning glory Women's Academy. Is that girl the legendary Huo yudie?"

"You have sharp eyes, kid, to be able to see it at a glance! That's right, she's Huo yudie. She was one of the three goddesses in the Yellow Sea region. Now that she's succeeded in her cultivation, she's even more beautiful. "

"Bah, it's blasphemy to say she's beautiful. She's a real fairy! Don't stare at her ..."

"You F * cking told others not to look, but you didn't even blink! Can you please wipe the drool off the corner of your mouth first?"

"Get out of my way! I'll protect fairy Huo yudie. All of you, get out of my way!"

.....

Huo yudie knew that she had become the center of attention, but she didn't know that some people were almost fighting for her. She was thinking about Lin Yi right now.

How long had it been since they last met? She'd heard that Lin Yi was a shining star in last year's new batch, going to the top school, flying school, but she couldn't go find him.

With Lin Yi's strength, Huo yudie believed that he would be able to quickly stand out in the Feiyang school. So ... Would she have the chance to meet Lin Yi this time?

Although she didn't dare to think about it, Huo yudie had a feeling that she would really meet Lin Yi.

At this moment, another large aerial spirit beast flew over quickly from the distance. Its huge wings flapped, creating a violent whirlwind. Fortunately, there was a large open space near the teleportation array for the large aerial spirit beast to land, so it would not affect others.

"There's another recruitment team from the Academy. I wonder which one it is this time."

"There seems to be quite a few Academies coming from that direction. Who knows ..."

"Stop guessing, it's the Feiyang college! I saw a familiar friend ..."

"It's Feiyang school indeed. They're the second-best school only second to the top three schools! I didn't expect them to come so early!"

The people who saw the large aerial spirit beast landing in the distance began to talk about the person who had just arrived. Huo yudie's heart suddenly began to beat faster.

Feiyang school ... It was Lin Yi's school! Would he come?

Excitement, nervousness, anticipation ... All sorts of emotions rushed into Huo yudie's heart. She could no longer hear what the people around her were saying as all her attention was focused on the large flying spirit beast that had just landed!

When she saw the tall figure on the large flying spirit beast, all the emotions in Huo yudie's heart disappeared instantly, leaving only a heart full of excitement.

It was Lin Yi!

It really was Lin Yi!

What to do? What should I do? Should she run up to welcome Lin Yi, or should she wait for him here?

Girls should act more reserved and wait for Lin Yi to come over, pretending that it was a coincidence.

To hell with being reserved!

Huo yudie's mind was in a mess. In the next moment, she found that she had already rushed towards the large flying spirit beast.

"Sister Yu die, what are you doing?"

The young man who had been accompanying Huo yudie was slightly startled. He wanted to grab hold of Huo yudie but he could not. He could only follow her.

At this time, Huo yudie's eyes were only filled with that figure. Everything else was automatically blocked out of her world.

Lin Yi scanned the area with his spirit sense before the flying spirit beast even landed. There were already eight or nine student groups gathered around the teleportation formation, and he wanted to see if he knew anyone.

When he saw Huo yudie running towards him, Lin Yi was overjoyed. He moved his body and flew a few dozen meters away. When he landed, he was just in time to meet Huo yudie.

Huo yudie's momentum didn't slow down as she ran into Lin Yi's arms.

"Ya! Lin Yi, you ..."

Huo yudie's face turned red instantly. There were so many people around, and no matter how much she wanted to stay in Lin Yi's arms, she would feel embarrassed. So, she quickly struggled and left the warm embrace.

"I really want to stay here for a while longer ..." This thought grew wildly in Huo yudie's mind like the weeds in spring. Her little face suddenly became redder and redder like blood.

"Huo yudie, long time no see. You are indeed one of the members of the recruitment team. I was just wondering if I would meet you."

Lin Yi, on the other hand, didn't seem to mind. He was really happy to see Huo yudie, and he didn't even care about the people who were talking about her.

"I was thinking the same thing. Sure enough, I saw you coming."

Huo yudie lowered her head and said softly, but her heart was as sweet as honey. So Lin Yi was thinking the same thing as me, is our hearts connected?

"Martial sister Yu die, who is this?"

The young man's face wasn't looking too good, and he glared at Lin Yi with undisguised hostility.

"Senior Zhang, this is Lin Yi, my ... Friend!"

Huo yudie introduced Lin Yi shyly. Even a blind person could tell that Lin Yi wasn't just a normal friend, "Lin Yi, this is a senior from our school, Zhang Jihua,"

After that, when he introduced Zhang Jihua, his tone was much calmer and more normal. The two of them were very clear about the difference.

So, the hostility in Zhang Jihua's eyes intensified, and there was a faint killing intent in them.

Lin Yi was speechless-was this another idiot? He wanted to kill her the first time they met. Did he think that he was invincible?

"Huo yudie, aren't you in the morning glory Women's Academy? Why are there male students?"

Lin Yi nodded at Zhang Jihua. He was doing this for Huo yudie's sake. Otherwise, he would've slapped Zhang Jihua in the face, ""Isn't the school of the morning Pride a women's school when we reach the mystic-class Sea area?"

"No, our school is still called the morning's pride Mystic class Women's Academy. It's basically all girls, but brother Zhang Jihua is an exception."

Huo yudie was a little embarrassed. It was indeed a little inappropriate for a male student to come from a women's college, but she had no choice. ""Senior brother Zhang is the grandson of our Dean. Because the Dean dotes on him, he has been specially permitted to stay in the Academy to cultivate and study."

Lin Yi was enlightened-so that was what happened. This kid was quite lucky-he was the only one who was loved by all!
