

Bodyguard 6941

Chapter 6941 Who Gave You The Guts?

As he spoke, his gaze swept across everyone behind Lu Yongming. ""Do you all have the same idea as this old thing? No matter what I, Lin Yi, say, you'll just put the blame on me?"

The people behind Lu Yongming didn't say a word as they looked at Lin Yi with cold eyes.

In fact, these people didn't really think that Lin Yi had the ability to kill all the disciples who participated in the operation, but each of them had their own losses. Why would Feiyang college keep a super genius like Lin Yi?

It's better to be happy together than to be happy alone. Why can't you be sad with me?

Perhaps this was the true mentality of these people, and also the reason why Lu Yongming's call for action had attracted so many followers.

"Hahaha, Lin Yi, you're starting to argue now? Don't waste your time, this old man has long seen through your little tricks! Since you're not going to confess, I won't waste my breath on you. I'll kill you and offer you as a sacrifice to my poor grandson!"

Lu Yongming laughed wildly three times, raised his palms, and true Qi surged all over his body. He was actually about to start a fight!

With Lu Yongming's status and strength, he was going to attack a junior like Lin Yi without even giving him a chance to explain. He was extremely shameless.

"Dean Lu! Please conduct yourself with dignity! This is the Alliance of Academies in the Yellow Sea region, not your Clearwater school!"

Zhuang Yifan instantly appeared in front of Lin Yi, staring at Lu Yongming with a serious face. Putting aside Huang Yuntian's respect for Lin Yi, Zhuang Yifan himself had to step up at this time with his friendship with Lin Yi!

Even though he knew that he wasn't as strong as Lu Yongming, Zhuang Yifan still stood in front of Lin Yi without hesitation, taking on Lu Yongming's attack with one shoulder!

"Zhuang Yifan, you're nothing in front of me even if you're the president of the Golden class sea Academy Alliance. Since you're protecting that Lin Yi bastard, then you'll die with him! At least I have a companion on the road!"

Lu Yongming grinned hideously and took a step forward. As he spoke, he rushed forward with the momentum of ten thousand galloping horses!

Lin Yi's heart felt like ten thousand mud crabs were running through it-did this old fool really think he could do whatever he wanted? It wouldn't be difficult for him to kill an old fool like you if you angered him!

Zhuang Yifan was intimidated by Lu Yongming's imposing manner, and his whole body was stiff and numb, but at the last moment, he couldn't take a step back!

"Lu Yongming! Today, I'll fight you to the death!"

Zhuang Yifan shouted, running all his genuine Qi and activating his most powerful martial arts technique at the same time. He was ready to fight Lu Yongming to the death!

"I'm just afraid that the net won't break when the fish dies! Hahahaha!"

Lu Yongming laughed wildly and waved his palm. He didn't take Zhuang Yifan seriously at all. In order to establish his might, he forcibly increased his power by 20%, trying to kill Zhuang Yifan with one strike!

Lin Yi's eyebrows twitched. He felt that Lu Yongming's killing intent was almost tangible, and he didn't have any intention of holding back!

In this way, after Zhuang Yifan and Lu Yongming fought, Zhuang Yifan would only be in a miserable state, while Lu Yongming would be completely fine!

Lin Yi didn't know what to say to Zhuang Yifan, who was willing to sacrifice his life to protect him!

Lin Yi, on the other hand, saw Zhuang Yifan as his own brother. How could he just watch him get killed?

Lightning escape technique!

In the nick of time, Lin Yi activated his pure Qi and turned into a lightning arc. He was one step ahead and pushed Zhuang Yifan away before the two of them clashed. Then, he used the three appearances of Cloud Dragon, leaving a shadow behind as he dodged Lu Yongming's attack.

In fact, Lin Yi wasn't sure if he really did avoid it, since he used his Yuan spirit body's invisibility at the same time. Even if he was hit, it was no different from hitting an illusion.

Of course, this was just a cover for the sake of deceiving people.

"Lu Yongming! You old man! He had vented his anger on an irrelevant person for no reason, and again and again! Don't you feel embarrassed?"

Lin Yi appeared beside Zhuang Yifan and pulled him back quickly. He lectured Lu Yongming, "I've never seen such a shameless old man like you. It's fine if you're angry at me, but you're also angry at the president of the Yellow Sea region's Alliance of Academies? Who gave you the guts to do that?"

"Don't worry, lil bro Lin, I'll stick with you for this, no matter who Lu Yongming is! Do we brothers need to be afraid of him?"

Zhuang Yifan was indeed a little scared after being pulled back by Lin Yi ... Lu Yongming's thunderous attack just now was something that people who didn't face directly wouldn't be able to understand!

Once they hit each other, Zhuang Yifan was sure that he would die, while Lu Yongming might not even be injured! As expected, the net did not break when the fish died ...

But even so, Zhuang Yifan didn't change his mind and stood firmly on Lin Yi's side. He wouldn't let Lu Yongming target Lin Yi no matter what!

"Brother Zhuang ... You and I are brothers, so we naturally have to work together to face the enemy! But this old thing isn't that powerful, I can handle him myself. Brother Zhuang, you can protect me from the side first, and if you really can't handle him, you can go!"

Lin Yi's heart warmed up. He didn't want to get Zhuang Yifan involved in this, so he comforted him first.

"Since you've said so, lil bro Lin ... Then big bro will just watch from the side! As long as there's a need, big brother will go and help at any time!"

Zhuang Yifan pondered for a while and agreed to it to a certain extent!

He could tell that Lin Yi really didn't think much of Lu Yongming, and while he was at ease, he wanted to see how amazing Lin Yi was.

At the same time, Zhuang Yifan was still thinking about whether or not he should ask Huang Yuntian to come out. Although he didn't want to disturb him, this matter concerned Lin Yi and he couldn't afford to be careless.

With Huang Yuntian's help, Lu Yongming wouldn't dare to make a scene no matter how arrogant he was, unless their clear stream school no longer wanted to stay in the mystic division!

"Thank you, brother Zhuang. I will deal with this old thing first. After that, we will go back for a drink!"

Lin Yi smiled casually and nodded at Zhuang Yifan before turning to Lu Yongming. "Old thing, don't you just want to fight? Who's afraid of who! Come on, do you want a one-on-one fight or a group fight? Forget it, you're all old. Come at me together, in case they say I'm bullying an old man and don't know how to respect the elderly!"

Lu Yongming's nose was almost crooked from anger. Who the F * ck dared to say that he was old? Those who dared to say that would definitely have grass growing on their graves three feet tall the next year! It seemed that there would be another grave today!

"Lin Yi, you little bastard! Since you can't wait to court death, this old master will fulfill your wish!"

Lu Yongming suppressed his anger and charged at Lin Yi with a sinister smile!

Lu Yongming didn't mind that his attack missed-it wasn't a secret that Lin Yi's movement was outstanding, but so what? Lin Yi was still in the mountain opening stage, and no matter how good his movement technique was, it couldn't fill the huge gap between the two.

Chapter 6942 If You Want To Fight, Then Come At Me Together

No, that couldn't even be called a chasm, but a heavenly chasm! An insurmountable heavenly chasm!

With that thought, Lu Yongming's violent aura shot up into the sky and locked onto the area. He had a good plan-no matter how good Lin Yi's movement technique was, he couldn't escape this cage! "Little thief, obediently accept your death!"

In the next moment, Lin Yi felt as if he'd fallen into a deep swamp. This old man had some real skills, but did he really think that this would work on him?

The cloud Dragon's three appearances flashed continuously, leaving behind one illusory image after another. In the small space, it was constantly shattered and then reappeared again, dazzling the eyes of the people watching on the side, and they were amazed!

To be able to use movement techniques to such an extent, it could simply be said to have reached perfection! Lin Yi was still in the mountain opening stage, if he broke through to the sea splitting stage ... Even if it was only the earth opening stage, how terrifying would he be?

At this time, the higher-ups of the schools and Noble houses behind Lu Yongming were even more determined-they had to get rid of Lin Yi!

Otherwise, when he grew up, wouldn't Feiyang college dominate the mystic class Sea area? Even the Super geniuses from the top three schools weren't Lin Yi's match!

"Dean Lu, don't be polite to this junior. Just kill him!"

Someone couldn't help but cheer for Lu Yongming. If they could use Lu Yongming to get rid of Lin Yi, it would be the best result for them. They wouldn't have to offend the Feiyang school and they could achieve their goal. It was too great!

Lu Yongming couldn't help but roll his eyes. When did you and this old man see me being nice to Lin Yi? Who wouldn't want to kill this little bastard? Is it fun to fight for half a day?

Unfortunately, Lu Yongming couldn't say these words out loud. He could only continue to pressure Lin Yi, hoping that he could force Lin Yi to completely collapse from his pure energy!

"Lin Yi! If you obediently surrender and allow yourself to be captured, this old master will only deal with you. If you continue to be stubborn and resist to the end, after killing you, this old master will investigate everyone close to you and kill them all to accompany you in death!"

After Lu Yongming passed through another shadow, he suddenly became a little anxious and actually shouted out such an embarrassing threat!

Even Lu Yongming's allies looked down on him in their hearts! What kind of nonsense was the headmaster of the clear flow school spouting?

There was a rule in the pugilistic world that killing shouldn't involve one's family. Only a real blood feud would kill an entire family. Even so, no one would say that they would kill every person close to the other party!

What was this? Kill nine generations? No, it was simply a double punishment!

Lin Yi's eyes were filled with killing intent-the thing he hated the most was people using the people around him to threaten him!

Because this was Lin Yi's weak spot, and his true reverse scale!

"Lu Yongming! I, Lin Yi, swear that if you dare to touch the people around me, as long as I'm still alive, your Lu family will be destroyed because of you!"

Lin Yi decided to go all out. It wasn't hard to destroy the Lu family-he might not be strong enough yet, but he'd be able to assassinate them easily once he reached earth-opening stage.

Don't forget, in terms of assassination, he was the King of Assassins. Even those idiots from hidden death sect were not his match, let alone the Lu family.

As for earth splitter, it wasn't difficult for Lin Yi at all. He was already in the middle stage of mountain splitter.

"Hahahaha! Just you? This old man is dying of laughter! You'd better think about how to save your little life first!"

Lu Yongming laughed madly, the hostility on his face getting thicker and thicker-it was as if he wanted to eat Lin Yi alive!

Lin Yi didn't say anything else, but seriously calculated in his heart if he had a chance to kill Lu Yongming!

It was a pity that he had already used up all the sea Rift stage talismans that Wang shiqing had given him to deal with hidden death sect. The only thing that could pose a threat to Lu Yongming was the black bead.

He had to find the right opportunity to kill him in one blow!

Otherwise, he wouldn't be able to threaten Lu Yongming in a short period of time, and the people around Lin Yi might really get his revenge!

"Stop!"

Just as Lin Yi was deep in his thoughts, a cold and authoritative voice came from the Alliance of schools! The next to arrive was the great elder Gu, Gu Tiannan!

"Lu Yongming, you're the Dean of a sub-top school, a respected senior in the mystic division, and you have the nerve to bully a kid in front of so many masters. Do you have any shame?"

Gu Tiannan instantly cut into the battle and separated the two. He then rebuked Lu Yongming without any politeness,""The most ridiculous thing is that they couldn't do anything to the younger generation, so they used words to threaten them. They've completely lost the face of the mystic division sea Academy Alliance!"

With Gu Tiannan's status, whether it was an elder of the mountain sect or the Alliance of Academies, it was not inappropriate for him to berate Lu Yongming.

The problem was that Gu Tiannan wasn't in a good mood-he was happy to see Lu Yongming picking on Lin Yi! Unfortunately, in order to get Lin Yi to the mountain sect to help his grandson, he could only pinch his nose and stand up for Lin Yi.

This was also the condition that Gu Tiannan had proposed before. He had no choice but to accept it!

"Elder Gu, are you trying to stand up for Lin Yi by force?"

Lu Yongming's expression was very ugly. Whether it was status or strength, Gu Tiannan was above him. He couldn't win!

"What a joke! I've always been righteous and have no shame for heaven and earth, why should I fight? It's just a roar when I see injustice!"

Gu Tiannan's shamelessness did not lose to Lu Yongming's, and his righteous look at the moment really had the demeanor of a Senior Master,""I know a little about the conflict between you and Lin Yi-it's all your fault for looking for trouble!"

Lin Yi's face was expressionless, but he was secretly laughing inside. It was rare for this old man to be pleasing to the eye.

"Elder Gu! This old man respects you, but not because I'm afraid of you! My grandson's death is unknown, and Lin Yi is the biggest suspect! What do you mean you're looking for trouble?"

Lu Yongming's anger flared up, and no one knew if it was real or just an act. "I've decided on Lin Yi for this matter. Elder Gu, if you really want to make a move, I'll give you face today, but after today, you can't protect Lin Yi forever, can you?"

He was pretending! This rage was completely fake!

Lin Yi understood immediately-this old fool wasn't as simple as he seemed. He was pretending to be angry, but he was retreating to advance. He was using his words to hold Gu Tiannan back. He would take revenge on Lin Yi after today, and Gu Tiannan wouldn't be able to talk to him anymore!

Gu Tiannan wanted to say that Lu, you did a great job. After today, after Lin Yi went to the mountain sect, you can do whatever you want!

Chapter 6943 Clear Stream Surrenders

Unfortunately, Gu Tiannan and Lin Yi's agreement was that he had to settle this before he could invite Lin Yi to the mountain sect. If there were any hidden dangers, Lin Yi would never agree!

"Lu Yongming! This old master originally has no obligation to explain, but you're stubborn and stubborn. This old master can't bear to see you suffer like this, so I'll tell you the truth!"

Gu Tiannan suppressed the annoyance in his heart and spoke up for Lin Yi against his will, "Lin Yi really had nothing to do with your grandson's death! Everything that happened during the operation of the spiritual fire of heaven and earth is true!"

"Elder Gu, you're really just trying to help Lin Yi get away with this! What did Lin Yi or Feiyang school give you? You're actually protecting them?"

Lu Yongming wanted to admit defeat, but his mouth couldn't help but say tough words. However, he regretted it a little after saying it. The person in front of him was the mountain sect's elder, Gu Tiannan!

Gu Tiannan's face darkened as he glared at Lu Yongming. This old man knew that he gave Lin Yi a benefit, and he said it in public. Should he kill him?

"Lu Yongming, you'd better think before you speak. Are you questioning my character? Or do you think that I'm not worth trusting?"

Gu Tiannan swore that if Lu Yongming dared to say yes, he would kill this old man at the first moment!

"Hehe ... Of course not. Elder Gu's character is well-known. I was too impatient!"

Lu Yongming's mouth twitched twice, and he decisively admitted defeat. "Since elder Gu said that Lin Yi is innocent, can you explain in detail? After all, my grandson ..."

"Alright, alright! Even if you don't tell me, this old man will tell you!"

Gu Tiannan waved his hand impatiently to interrupt Lu Yongming, but he was relieved in his heart. "Lin Yi was teleported out of that area during the heaven and earth Spirit Fire operation, and he was randomly teleported to our mountain sect, and met me!"

Lin Yi's eyelid twitched. This old man was so good at lying ... He'd never been to the mountain sect before!

However, the abandoned land was guarded by the mountain sect. Strictly speaking, it was also considered the mountain sect's territory, so it made sense to say so!

However, Lin Yi was randomly teleported to the heavenly formation sect. What if he was exposed?

Of course, Lin Yi wouldn't raise any objections in this situation-he just needed to keep quiet. It was fine if he agreed, or if he didn't dare to argue with Gu Tiannan!

"Lin Yi ... He teleported to the mountain sect and met you, elder Gu?"

Lu Yongming was a little dumbfounded. Was this a story? And it was a story without any meaning!

"That's right, he did run into me, but for some reason, I ordered Lin Yi not to tell anyone about this, so he could only hide this part!"

Gu Tiannan was quite thoughtful, even arranging the reasons that Lin Yi didn't mention earlier.

The most amazing thing is that I don't want to tell outsiders the reason. I already said that I don't want to tell outsiders. If you have the nerve to ask, I'll have the nerve to slap you!

Lu Yongming, who had already admitted defeat, was completely terrified. Although he didn't believe it and had 100000 whys in his heart, he didn't dare to raise any doubts!

"I see, if I knew this would happen, I wouldn't have made things difficult for Lin Yi!"

Lu Yongming was expressionless as he said dryly. He then cupped his fists listlessly and said, ""Since elder Gu can prove it, then let's just forget about this matter!"

He definitely couldn't forget it! Lu Yongming didn't believe a single word that Gu Tiannan had said. He was sure that Lin Yi killed his grandson, but under Gu Tiannan's strong pressure, he could only admit defeat for now. He would find a chance to strike in the future!

"Forget it? You're dreaming!"

Lin Yi only laughed coldly as he stood out. "You're talking nonsense. You're trying to threaten Feiyang school and force the mystic division Sea area School Alliance to kill me, and you're going to let it go with just one sentence? You can just forget about it? I think we need to settle our scores properly!"

Lu Yongming was extremely aggrieved. 'I won't let this go. You little bastard, you're just a Fox exploiting a Tiger's might. One day, you'll fall into my hands!'

"Then what do you want?"

Lu Yongming suppressed the anger in his heart and looked at Gu Tiannan's indifferent expression. He squeezed out a few words from between his teeth, ""While elder Gu is here, you can make things clear!"

What he meant was that Lin Yi, the little bastard, only dared to be so arrogant because Gu Tiannan was here. Once Gu Tiannan left, they'd see who would get even with who!

Lin Yi naturally understood what Lu Yongming meant, but he just smiled in disdain. One had to be strong to forge iron, and Lin Yi would always rely on himself!

He had the confidence that once he left this house, Lu Yongming would be nothing!

"Lu Yongming, I'm giving elder Gu face. He lowered his status to be the peacemaker. Of course, I can't be ungrateful. So, if you lower your head and admit your mistake in front of me, this matter will be considered over!"

Lower your head ... And admit your mistake?

Lu Yongming was furious. This little bastard really dared to say that. He was simply taking advantage of him. If he didn't teach him a lesson, he wouldn't know why the flowers were so red!

But when Lu Yongming turned around and saw Gu Tiannan's expressionless face, he instantly cowered ... He couldn't take it anymore, but he still had to!

A little impatience spoils a great plan!

"This is just a misunderstanding. We can't say who's right or wrong. Since the misunderstanding has been cleared up, there's nothing more to say. How about we meet and smile?"

Lu Yongming's face was a little twisted, but he still finished his words, ""Now that no one has lost anything, this is the best result. Why don't we go for a meal? I'll treat you to a few drinks, and we'll be friends in the future ..."

How many people in the mystic division Sea area could befriend the headmaster of The Clearwater School?

Any other student would've been moved to tears if they heard this, but Lin Yi didn't like Lu Yongming at all-he didn't have the potential to be friends with him!

"I can 't! Old man, you should just lower your head and admit your mistake!"

Lin Yi raised an eyebrow and looked at Lu Yongming from the corner of his eyes, his words full of undisguised mockery!

Gu Tiannan was getting more and more annoyed. Why was Lin Yi, this little bastard, so troublesome? hurry up and solve this and go to the mountain sect with me! Then, you guys can do whatever you want!

"Old Lu, what's so difficult about admitting your mistake? You're the one in the wrong. A man should be responsible for his actions and change for the better! It was great to know one's mistake and change for the better! Am I right?"

Gu Tiannan was afraid that Lin Yi would cause more trouble, so he could only suppress his annoyance and put more pressure on Lu Yongming.

He had to deal with this unlucky task as soon as possible and not cause any more trouble!

Lu Yongming gritted his teeth and looked back at the Allies he had brought over. These people's eyes suddenly wandered. Some were focused on studying their nails, some were looking up at the sky at a 45-degree angle, lost in their thoughts, and some were completely out of focus, completely lost in their thoughts ...

Chapter 6944 Set Off In A Month

Anyway, no one stood up to support Lu Yongming. They all looked like they were not involved!

It was obvious that they were happy that Lin Yi was in trouble, and they were happy that Lu Yongming was in trouble!

Lu Yongming immediately cursed these people's ancestors and 18 generations of women in his heart! Only then did he feel much calmer!

A little impatience spoils a great plan! If he couldn't bear it, he still had to bear it!

Lu Yongming once again reminded himself that today's humiliation must be paid back double in the future!

"This old master acted rashly, this time it was this old master's fault!"

Lu Yongming's face was red as he lowered his head and said to Lin Yi before turning around to leave!

He didn't have the face to stay any longer! But Lin Yi, you little bastard, just you wait! I'll make you regret ever being born! I swear I'm not a man if I don't take revenge!

Lu Yongming cursed in his heart as he walked. 'Since I can't do it in the open, I'll do it in the dark. With my connections and strength, I'll kill you, you little bastard!'

Lin Yi watched Lu Yongming leave indifferently. The reason he let him go was because he wasn't 100% confident in beating him!

But there was still time, and Lin Yi decided to get stronger as soon as possible. Lu Yongming wouldn't be so lucky next time, especially when he used someone close to him as a name-he was already on the list of people to die!

As soon as Lu Yongming left, the people he'd brought with him all left as well, their faces calm as if nothing had happened. They said their goodbyes to Gu Tiannan and Lin Yi.

"Brother Lin, although Lu Yongming has admitted defeat, I can see that he's still angry. I'm afraid he'll come looking for trouble again in the future. You have to be careful and don't give him a chance!"

Zhuang Yifan looked worried and reminded him in a low voice, ""Lu Yongming is the Dean of clear flow school, after all. His status and strength are both top notch in the mystic division Sea area. We can't be careless!"

"Don't worry, brother Zhuang. Even if he doesn't come looking for me, I'll still get back at him in the future!"

Lin Yi was touched, but he remained calm, "But I still have to thank brother Zhuang-it's my fortune to have a brother like you!"

"Why are you suddenly saying this? I'm so embarrassed ..."

Zhuang Yifan was taken aback. He waved his hand and was about to say something to comfort Lin Yi when he saw Gu Tiannan's anxious expression. It seemed like he had something to say to Lin Yi. "It's all

thanks to elder Gu's righteous words this time. Younger brother Lin, you have to thank elder Gu well. I still have something to deal with here. You guys chat. I'll take my leave first!"

With that, Zhuang Yifan quickly left. Lin Yi wanted to ask him about the island, but since Gu Tiannan was waiting for him, he didn't say anything more.

"Lin Yi, I've fulfilled my promise, are you satisfied?"

After everyone had left, Gu Tiannan stroked his beard and looked at Lin Yi arrogantly, "Regarding this matter, President Huang Yuntian can't possibly handle it so beautifully, right? At most, he'll order Lu Yongming to leave. He won't completely solve the problem like I did!"

Lin Yi laughed coldly to himself. Solved my ass, he was really shameless to the extreme.

When Lu Yongming left, even a blind man could see that he was just temporarily avoiding the sharp edge and enduring the anger for a moment. He would definitely find a chance to come back in the future, so how could he let him go so easily?

But Lin Yi didn't bother to argue, "Elder Gu, Lu Yongming doesn't seem to believe your testimony. It's still too early to completely resolve this! But I won't force you. Let's just say you've completed it. If you have time, I don't mind accompanying you!"

Lin Yi knew that if he rejected, Gu Tiannan would probably keep pestering him, but he didn't have the time right now, so he just brushed it off, "There's one more thing. I have to decide when I want to go to your mountain sect! If you don't agree, then we'll forget about it!"

"No problem, but you can't waste time. You must leave within a month after we return to the mystic division!"

Gu Tiannan hesitated for a while before agreeing to Lin Yi's request, "You should understand that if you don't add this condition and never want to set off, I won't be able to do anything, right?"

The first half of his sentence was very strong, but the second half exposed Gu Tiannan's lack of confidence.

Lin Yi's lips curled up. He thought to himself, "you have a plan for me not to go back to Mystic division?"

"Alright! Since you're so sincere, it's a deal. I'll go to the mountain sect with you within a month after I return to the mystic division!"

As for when he would return to the mystic division Sea area, that would depend on whether the matters here had been resolved.

Gu Tiannan was very satisfied. He thought that Lin Yi would go back with the group since there was still the test in the mystic division after the Golden Division test. He didn't think that Lin Yi would still go to the sea to look for clues ...

After making the promise, Lin Yi turned around and left. Zhuang Yifan hadn't gone far yet, and Lin Yi had to catch up with him and ask him about the island.

With Lin Yi's speed, he caught up to Zhuang Yifan in the blink of an eye. "Brother Zhuang, I have something to ask you."

"Brother Lin, may I ask why you're being so polite with me?"

Zhuang Yifan heard the call and immediately turned around with a smile.

"It's like this. When I went out to sea, I found a small island. There were some traces on it. They were probably preparing to build a base, but they didn't continue. So, I want to ask brother Zhuang if you have any information on similar islands in the deep sea?"

Lin Yi didn't beat around the bush and got straight to the point, "The environment of the island is like this ..."

After listening to Lin Yi's simple description, Zhuang Yifan had a rough idea of what was going on. "Brother Lin, are you saying that the island could be the backup plan of the mastermind behind the blissful Valley incident? So you want to go to the deep sea to find a similar Island?"

"It should be, I think so!"

Lin Yi wasn't 100% sure, so he didn't make it a definite. "Maybe the traces I found have nothing to do with the blissful Valley incident. There is only a glimmer of hope, so I have to try."

Zhuang Yifan nodded and said, "What we're doing now is like looking for a needle in a haystack. It's useless no matter how we look. It'll be better if we have clues. However, I definitely don't have any information on the islands in the deep sea ... You should ask President he Hao. After all, that's the territory of the sailing route management Association!"

"Alright, but it doesn't matter. I'll ask he Hao about it later!"

Lin Yi wasn't too disappointed. After all, he was just trying. He knew that Zhuang Yifan couldn't interfere with the sea area's matters.

"However, you don't have to rush to find he Hao. I'll send someone to ask around first. Maybe the other teams have brought back other clues, and they don't have to go to the deep sea to search."

If there were any clues in the sea, it was better not to go to the deep sea. After all, it was too dangerous there, and Zhuang Yifan didn't want Lin Yi to take the risk.

Chapter 6945 Targeting Plan

"Alright, let's wait for a few days then."

Lin Yi nodded in agreement. He didn't know where to find he Hao.

At the same time, Lu Yongming, who had left in a Huff, arrived at the encampment of The Clearwater School's recruitment team and flew into a rage in the hall.

Everyone from the clear flow school could only stand on both sides and shiver. No one dared to speak at this time, in case they were unlucky and became Lu Yongming's target to vent his anger.

After smashing a few teacups and shattering the coffee table and chair beside him, Lu Yongming finally caught his breath.

"Lin Yi, you little bastard, you can be proud for now. I'll take care of you when I have the chance!"

Lu Yongming calmed himself down, and then his cold eyes swept over the members of the recruitment team in front of him. "Get me some information on Lin Yi these few days, what's his background? who's close to him? the more detailed, the better, understand?"

If it wasn't for Gu Tiannan's interference, Lu Yongming felt that he could definitely kill Lin Yi!

He still didn't understand why Gu Tiannan would help Lin Yi, and in order to avoid this from happening again, Lu Yongming decided to do his homework!

"Understood!"

Everyone shouted in unison, and no one dared to be negligent. It was obvious that Lu Yongming was in a fit of anger, and whoever was lazy would definitely be in trouble!

"If you understand, then hurry up and get to work. What are you all standing here for? Are you waiting for me to personally bring you there?"

Lu Yongming wanted to sit down, but he was embarrassed to find that the chair had been completely broken by him, so he glared and flew into a rage!

Don't you know how to bring a chair over?

The innocent clear stream school's recruitment team was dumbfounded, but no one dared to refute. They noisily bowed and left, ready to go out and gather information.

At this time, someone said, ""Lu Jun, you've been traveling with Lin Yi, right? any news?"

Lu Yongming's eyes flashed and he said in a deep voice, ""Lu Jun? You stay here and tell me about Lin Yi. The others, carry on with your work. You, go get some chairs!"

A bunch of trash, you still need this Lord to personally instruct you on such a small matter!

The person who was called out by Lu Yongming suddenly felt a chill. What about me? Did I offend the Dean? Why was the director's gaze so fierce?

'It's a good thing that the director doesn't remember who I am ... I should be fine, right?'

The person went to find a chair in fear. Lu Jun was also in fear.

"Dean ... I ... I don't know Lin Yi that well, so I don't know much about him!"

Lu Jun's heart was filled with apprehension. He wasn't good with words, and under Lu Yongming's gaze, his forehead was covered in cold sweat. He even stuttered as he spoke, "I'm afraid ... I'll ... I'll have to disappoint the Dean ..."

"Don't worry, tell me everything about you and Lin Yi, don't miss out on any details. "

Lu Yongming's expression softened a little. He could also see Lu Jun's nervousness, so he tried to ease this mood. "We're just having a casual chat. We'll say whatever comes to mind. We don't have to do it in order."

Lu Yongming had some understanding of Lu Jun. He was a more honest student. After all, he was an outstanding disciple in the Academy. As the Dean, he would know a little about him.

Lu Jun relaxed slightly. The student who happened to be looking for a chair had brought two chairs over, and with some buffer time, he was finally able to calm down.

"Come, sit down and talk slowly. Don't worry, we have a lot of time!"

Lu Yongming's tone also became gentler, but his expression was still somewhat frightening. After Lu Jun expressed his thanks, he only dared to sit on the chair with half of his butt on the chair, ready to get up at any time.

In the following time, Lu Jun told them everything that happened in the temporary recruitment team. He didn't talk much, but he liked to observe, so he could remember a lot.

"Wait, you're saying Lin Yi's the Fuma?"

Lu Yongming suddenly interrupted Lu Jun, and his expression became somewhat playful, "You're sure?"

"Dean ... I only heard this news ... Lin Yi didn't say it himself!"

Lu Jun's forehead began to sweat again, deeply regretting what he had said. "When I was at ding City Academy, I heard the students there mention it, but I didn't verify it ... Because the principal said that it was more detailed, so I ..."

"No, no, no, you did very well. That's what I have to say so that I can get more detailed information!"

Lu Yongming stroked his beard, a hint of ruthlessness flashing in his eyes. "The Fuma of the West Island ... Interesting! If I'm not mistaken, there's only one little princess on the Western part of the island, right?"

"Yes ... There's only one little princess on the Western Island ... And that's junior Sister ning Xuefei!"

Lu Jun subconsciously wiped the sweat from his forehead. He knew that he had tricked ning Xuefei."But Dean, after sister ning Xuefei came to our school, she hasn't contacted Lin Yi at all. This might not be true! Perhaps it's just a rumor!"

Lu Jun's last sentence was said smoothly. He was probably trying to make up for it, but it was too late!

"Is it a rumor? Since the students of ding City Academy know about this, I believe that there are many people who know about this in the Yellow Sea region!"

Lu Yongming smiled coldly and immediately said,""Men!"

The person who had moved the chair didn't go too far away because he was afraid that Lu Yongming would hate him, so he had been wandering around, hoping to find an opportunity to show off. Now, the opportunity had come!

"Principal, what are your orders?"

"Go and find the people in the Golden class sea and ask them about Lin Yi being the Fuma of the West Island!"

Lu Yongming gave a simple and direct order, and the man immediately bowed and left without a word.

In fact, Lu Yongming's men should've found out about Lin Yi's identity very quickly, but he had no patience to wait.

The little princess of the West Island, ning Xuefei!

Lu Yongming obviously knew that he was one of the genius students of clear flow Academy, and a genius that was heavily nurtured at that. However, that was all he knew!

Compared to his own grandson, what was a mere genius student? What was the little princess of the Western Island? Since she was Lin Yi's woman, how could he let her go so easily in his hands?

Lu Jun continued to wipe the cold sweat off his forehead. He really didn't know what to say. Director Lu wouldn't really want to deal with Junior Sister ning Xuefei, would he?

"Lu Jun, you're very good! Go on, say whatever you think of, don't miss anything!"

Lu Yongming adjusted his emotions and nodded to Lu Jun with a pleasant expression. "Think about it, who else is related to Lin Yi?"

"I ... I don't remember anyone else ..."

Lu Jun quickly shook his head. Although he didn't know Lin Yi very well, he had betrayed Ning Xuefei once and he couldn't say anything else!

Chapter 6946 The Second Round Of Assessment

"Alright then, you go out and help me find out about Lin Yi. If there's anything new, report to me at any time. When you return to the Academy, I'll naturally reward you!"

Lu Yongming casually drew a big cake for Lu Jun and then sent him out to do something.

After Lu Jun left, the person who had gone to find out news about the Fuma of the West Island returned and confirmed the news!

"Hahaha! Very good! Lin Yi, you little bastard, you killed my grandson and you dare to let your woman stay in my clear stream school? do you think I won't kill her?"

Lu Yongming's face revealed a ferocious expression, and he immediately shouted, ""Pass on my orders immediately!"

"Yes!"

A figure suddenly appeared in front of Lu Yongming, bowing and cupping his fists, waiting for Lu Yongming's instructions.

This was Lu Yongming's personal guard, who usually hid in the dark and was his absolute confidant!

"Order the college to make arrangements for Ning Xuefei to go to the spiritual crystal mine to mine. Her daily task will be three times the normal one. If she can't complete the task, she will be severely punished!"

Lu Yongming laughed coldly, like a venomous snake baring its fangs. "Also, tell the others to stop all of Ning Xuefei's resources. Tell her to find her own way to earn resources for cultivation! Get someone to keep an eye on her and forbid her from coming into contact with any outsiders. Don't let her leave the mine! Do you understand?"

"I understand! This subordinate will immediately pass down the order!"

The man didn't say anything. He bowed slightly and disappeared in an instant!

Lu Yongming really wanted to kill Ning Xuefei to vent his anger, but he felt that it would be too easy on Lin Yi. He wanted to torture Ning Xuefei and send the news to Lin Yi secretly!

First, he could make Lin Yi suffer, and second, he could lure Lin Yi to cause trouble at Clear Stream School!

"Hahaha, Lin Yi you little bastard, I don't believe you'll be able to sit still when you know your woman is suffering! As long as you dare to come to the clear stream school, not even the heavens can save you, let alone Gu Tiannan!"

Lu Yongming was extremely pleased with himself, excited that he had such a good card in his hand. He didn't plan to inform Lin Yi too soon-he had to torture ning Xuefei for a while first!

She could vent her anger and make Lin Yi suffer more, why not?

Lin Yi didn't know that ning Xuefei was being targeted by Lu Yongming because of him. In fact, Lin Yi had already forgotten about Lu Yongming, because the blissful Valley was much more important than Lu Yongming!

It was a pity that only a handful of students had returned from their explorations-it was still just Jiang He and Qin Yue. Lin Yi could only continue waiting.

A few days passed just like that, and there were students coming back from missions one after another. Lin Yi would go and see if there were any clues every time, but it was always a disappointment.

The deadline was approaching, and other than two or three teams, the rest of the students had all returned. Lin Yi could only turn his attention back to the deep sea region.

If he really couldn't find a suitable Island, he'd have to ask Xiao Yan for help from the sea beast race in the Golden class Sea area.

The reason why he did not contact Xiao Yan at the start was because Xiao Yan was not at the Yellow Sea region. He had to take a big detour and it might not be useful. He would also owe a favor.

Today was the start of the second round of the selections. Lin Yi wasn't paying attention, but he still had to attend as a member of the recruitment team.

"Dear students, the results of the first round are out. Most of you have completed the task of collecting the points and obtained the basic points. There are also a small number of people who didn't even obtain a single task item and only went out to sea for a round!"

Zhuang Yifan was speaking on the stage that had been temporarily built. Many students below could not help but chuckle when they heard this.

They were all people with quest items, so they naturally had the right to mock those idiots who didn't find a single item.

"Very unfortunate news, all the students who didn't obtain a single item, as well as the few students who didn't return within the stipulated time, have all lost the qualifications to continue participating in the assessment. You can pack up and go home! Let's do it again next time!"

Zhuang Yifan did not care about the laughter. Although this was just an assessment method decided by Huang Yuntian, it was still serious and effective. It also applied to the elimination rules of the selection.

No one had any objections to this, and those who were eliminated were already mentally prepared!

A few hundred people had died in the cloudsmoke swampland, and another thousand had been eliminated this time. The number of participants had been reduced by more than half, but there were still a little more than a thousand.

Lin Yi was dozing off in his seat, bored. He already knew what the second round was about-it was a battle between teams.

On the other hand, Jiang He hai and Qin Yue's strength was not a problem, and their cooperation was even more outstanding, so there was no need to worry at all.

This time, the host was Zhuang Yifan. Huang Yuntian didn't even show his face, and Lin Yi didn't see him these days either. He didn't know what he was busy with.

"The second round of the selection will be a battle between two-man teams. Everyone will be divided into ten groups and will fight against each other. The top ten teams of each group will obtain points. After that, there will be no points. Combining the results of the two rounds, the two-man teams with the top 100 points can enter the third round of the selection. The rest will be eliminated!"

Zhuang Yifan briefly explained the rules, which made everyone's heart tremble.

Out of a thousand or so people, only two hundred people would be able to enter the third round of the selection. The elimination rate was already considered rather high.

As for those whose partners weren't too strong, they were already regretting it and wondering if they could change partners at the last minute.

"President Zhuang," someone asked directly. "If one person is strong enough to get into the top 100, but the partner is weak and gets eliminated in the end, wouldn't that be unfair?"

In other words, it was easy to miss out on geniuses in the mystic division Sea area!

However, Zhuang Yifan said, "if he can't win with his companions, it only means that he's not strong enough!" What right did such a person have to say that he was strong? And what qualifications do they have to pass the selection?"

The person who spoke earlier was speechless. It seemed like he could only blame himself for not being strong enough ...

Lin Yi sighed. In the practitioner's world, strength was everything!

And this team battle rule was suggested by Lin Yi, and Huang Yuntian and Zhuang Yifan accepted it!

One could say that Lin Yi made this rule so that Qin Yue and Jiang He could level up together. As for the others, Lin Yi couldn't care less.

"Anyone else have any questions? If you have any questions, ask them quickly. If not, we're going to start grouping! Each two-man team will send a representative to draw their team's number and go to the corresponding field according to the number to start the battle!"

After Zhuang Yifan finished his speech, he glanced at the crowd of people and waited for a while before he continued, "It seems that no one has any questions. Then, I shall announce that the second round of the selection has officially begun!"

Chapter 6947 Ni Caiyue's Battle

At this moment, a row of staff members from the Alliance of Academies walked out with wooden boxes in their hands. They signaled all the student representatives to line up and draw lots!

Jiang He and Qin Yue's team had drawn the seventh group. There were 118 teams in this group, and even if they were to fight in different teams, it would take a long time.

Of course, Lin Yi only paid a little attention to it before going back to sleeping.

Jiang He and hai Yunhe were already the top of this batch of yellow-class sea students, and they had no problem dealing with a battle of this level.

Ni caiyue, on the other hand, was a little worrying-the girl's marriage to Chang laiting had made her master forbid her from getting close to Lin Yi, and so her previous missions were only so-so.

Now that she had to fight with real weapons, she was in danger!

"Little brother Lin, are you worried about ni caiyue?"

Zhuang Yifan finished his work and sat down beside Lin Yi, just in time to see Lin Yi's eyes on ni caiyue in the crowd. He immediately smiled, "One of the three goddesses of our Yellow Sea region, brother Lin, you have good eyes."

"Brother Zhuang, you're making fun of me. I'm indeed a little worried. I wonder how strong her partner is?"

Lin Yi didn't try to hide it, admitting his thoughts openly, "Ni caiyue's combat strength is very weak, and if she doesn't have a good partner, I'm afraid it'll be very difficult for her to pass the selection!"

"Ni caiyue is an outstanding disciple of Dong Hua Academy, but her partner is a girl from Ding City Academy. I heard that her combat strength is not ordinary."

Zhuang Yifan looked around, then pointed in the direction of a girl. "It's that girl. I think her name is mu Xiaoxiao. Even though she's not famous, she's a pretty good rising star!"

Lin Yi's mouth twitched. What girl? She was clearly a tomboy!

If Zhuang Yifan had not mentioned that he had a bear-like waist and a Tiger-like back, he would have thought that he was a burly man!

No wonder she was called mu Xiaoxiao ... He hoped that she would get what she wanted ...

Lin Yi released his divine sense and could tell that mu Xiaoxiao was at the mid-stage of the mysterious Ascension realm. She wasn't the best, but she wasn't weak either. However, strength levels didn't equate to combat power. Lin Yi himself, who was only at the mid-stage of the mountain split realm, could fight with a master of the sea splitting realm!

"I have never heard of her before. I didn't see her when I went to ding City Academy. I didn't expect there to be such a talent!"

With mu Xiaoxiao and Ni caiyue as partners, Lin Yi felt that there was still hope, ""Brother Zhuang, how do you know mu Xiaoxiao's name? Could it be that she's someone you're focusing on?"

"No, I just heard about it by chance! However, this girl is indeed a good seedling. It's a pity that her body is a little too big, which will easily affect her speed, reaction, etc. If she was a little more petite ..."

Zhuang Yifan's face was filled with regret, and he immediately put it aside. "Let's not talk about her anymore. The drawing of lots has ended, and the battle is about to begin. Let's see how many young talents will appear this year!"

Lin Yi, on the other hand, didn't think much of it-a genius wasn't some random cabbage you could just pick up!

As they spoke, the ten groups each went to their designated areas and went on stage in order to compete. A moment later, ni caiyue and mu Xiaoxiao welcomed their first battle.

The rules were very simple. In a battle between two teams, surrendering, losing the ability to resist, leaving the ring, or causing death would be considered a loss. The losing side would be immediately eliminated, and the winner would advance to the next round of battle.

Under such circumstances, no one would hold back. Holding back was equivalent to joking with their own future!

Therefore, ni caiyue was especially nervous when she went on stage.

"Ni caiyue, relax and believe in yourself. You can do it!"

As a member of the recruitment team, Lin Yi naturally had the authority to patrol around. He strolled to ni caiyue's ring and smiled as he cheered her on, "The opponent is very weak. You can win with your eyes closed!"

"Lin Yi!"

Ni caiyue was overjoyed when she saw Lin Yi, and most of her nervousness disappeared, "I ... I can't close my eyes!"

Lin Yi couldn't help but smile-this girl sure was cute, after all. Who told her to close her eyes and fight? It was just an exaggeration.

"Don't be distracted! The battle is about to begin!"

Mu Xiaoxiao pulled ni caiyue, her big eyes glaring at Lin Yi!

Since you know that ni caiyue is nervous, why are you still talking nonsense to provoke her? are you deliberately looking for trouble? Was he sent by the opponent to deliberately cause trouble?

Lin Yi's mouth twitched. He was cheering for ni caiyue, so why was she staring at him? Could it be that she was blaming him for not cheering for her?

Cai Yue, these two guys 'strength are average. I can deal with them alone. You just pay attention and help me contain them!

After mu Xiaoxiao glared at Lin Yi, she immediately whispered into ni caiyue's ear, ""I think they will concentrate their forces on me. If you find an opportunity, sneak attack. If you can't find an opportunity, protect yourself, understand?"

"I understand! But Xiaoxiao, why did they gather their forces to deal with you?"

Ni caiyue nodded slightly, but her small face was filled with doubt. "I should be weaker. Isn't it better to defeat me first and then deal with you?"

Mu Xiaoxiao secretly rolled her eyes. This had nothing to do with strength. Beauty was justice!

Looking at the two idiots who were secretly swallowing their saliva, who couldn't tell what they were up to? He would first get rid of him, an eyesore, before he had the chance to interact with ni caiyue, one of the three fairies, and finally politely ask her to get off the stage.

Unfortunately, they didn't know that not only was he an eyesore, he was also an extreme hindrance!

Mu Xiaoxiao had already read the enemy's mind.

"Just trust me! In any case, you have to protect yourself first. When you have the chance, don't hold back and attack when you need to!"

Mu Xiaoxiao didn't explain further and continued to urge, ""If you don't think you have a chance, don't force yourself. Protecting yourself is the key to scoring!"

"Mm! Xiaoxiao, it's a good thing I have you. Otherwise, I really don't know what to do!"

Ni caiyue nodded solemnly, and her little face was filled with determination. "Don't worry, I'll definitely work hard!"

Plus, Lin Yi was right there, and she had to work hard for his encouragement!

As they spoke, the judge announced the start of the competition. The two young men opposite them showed what they thought were handsome smiles and cupped their fists politely. ""Fairy ni, we're ..."

"What nonsense! If you want to fight, then fight. If you don 't, then get lost! Who doesn't know that you're called passerby a and passerby B?"

Mu Xiaoxiao shouted, rubbed her body, and pounced forward, raising her palm to hit!

The two young men were furious. Who the hell called passerby a and passerby B?

We're talking to ni caiyue. Why did you come out to block the bullet? He simply didn't know his place! Do you think we'll be nice to you?

Chapter 6948 You Can Fight With Your Eyes Closed

Of course, mu Xiaoxiao knew that they wouldn't have any tender feelings for her. It didn't matter since she was prepared to ruthlessly destroy the flower anyway.

However, opposite him were two greasy-headed boys, which should be called spicy fresh meat.

While ni caiyue was still in a daze, mu Xiaoxiao had already crashed into the two young men with an imposing aura!

The three of them were instantly entangled together. True Qi surged, and martial arts techniques were unleashed. The battle actually instantly entered a state of white heat.

On the other hand, ni caiyue was at a loss. She finally calmed down after Lin Yi's appearance, and she didn't know what to do.

He had heard Xiaoxiao say that he should protect himself first ... But no one was coming to attack him, and it seemed like he didn't need protection ... Then he would find an opportunity to sneak attack them!

Ni caiyue raised her hand, but she felt that she didn't have a chance. She lifted her leg, but it didn't seem right ... What should she do? It's so difficult to find an opportunity to sneak attack!

Lin Yi couldn't help but smile as he watched from below the stage. This girl was strong, but her combat strength was really trash!

If it were him, even if they were of the same strength, without using any trump cards or martial skills, he would be able to seize at least seven or eight flaws in this short period of time. Any opportunity, he could end the battle in an instant!

It was a good thing that his previous suggestion had been passed, allowing these students to form teams of two. Otherwise, it would have been even more difficult for ni caiyue to pass the selection with her combat strength!

On the stage, ni caiyue still hadn't found a chance to attack, but fortunately, mu Xiaoxiao was valiant enough to fight against two people alone without being at a disadvantage!

But after all, mu Xiaoxiao's true Qi consumption was much higher than her opponent 's. She would probably be able to hold on for a short time, but she would probably be countered after a while.

"Ni caiyue, don't be nervous! Listen to me, I said you can win even with your eyes closed, so you can win!"

Ni caiyue was his friend, after all, and Lin Yi didn't want to see her go home after the first round, so he sent her a message."Listen to me. Close your eyes, take a deep breath, and circulate your zhenqi!"

Ni caiyue heard Lin Yi's voice ringing in her ears. It was so close that she instantly relaxed. Out of her trust in Lin Yi, she closed her eyes without hesitation.

Take a deep breath! Not being able to see the battle, his nervous mood immediately eased a lot.

Circulating his pure Qi ... He didn't know why, but since Lin Yi said so, he'd just do it without holding back!

"Very good, now move two steps sideways, and then take one and a half steps forward! Straight punch with your right fist!"

Lin Yi spoke very quickly, pointing out ni caiyue's actions in detail, or rather, directing her actions, "Pull back your fist and perform a roundhouse kick!"

At the same time, the people below the stage were surprised to see ni caiyue, who was initially at a loss, suddenly close her eyes, then move two steps nimbly and gracefully, and punch the empty space outside the battle!

When everyone thought that ni caiyue was messing around, an accident happened!

One of the young men in the battle happened to take a step back while dodging mu Xiaoxiao's attack, sending his heart directly to ni caiyue's fist.

"What?"

The young man was shocked. His slanted eyebrows flew up and turned into an inverted slanted shape!

In the nick of time, the young man with the slanted eyebrows forcibly stopped his momentum and twisted his body, almost breaking his small waist. Only then did he manage to avoid ni caiyue's fist that seemed to be able to predict the future.

Ni caiyue, who had her eyes closed, didn't know that she almost finished off her opponent with one punch. She simply listened to Lin Yi's command, and it didn't matter if her punch missed. She continued with her next move.

He jumped on the spot and did a roundhouse kick!

Simple and direct, they were all the most basic movements, not even martial arts techniques!

A long and straight white leg crossed the sky. The slanted eyebrows youth's eyes were full of despair. He was already exhausted. The previous dodging was his limit. At this time, he could no longer react.

Originally, the slanted eyebrows young man liked ni caiyue's long legs the most. He always felt that he could play with her legs for a year, but now he had a huge shadow over her long legs!

There was a crisp slap!

Ni caiyue accurately swept the slanted eyebrows young man's cheek. Although she didn't really use much strength, it was enough to deal with an opponent who had exhausted all his strength and had yet to recover!

Half of the slanted eyebrows youth's face was swollen, and the other half was dumbfounded. He flew out of the ring with a blank look in his eyes!

He was defeated just like that? How could he be defeated so mysteriously?

Before he could figure it out, he fell to the ground with his butt flat on the sand, and rolled a few times in an unsightly manner before stopping.

"Very good! KO one!"

Lin Yi didn't expect the girl to be so obedient, and continued to encourage her, "Now, take three steps back, open your eyes, and watch how your partner deals with his opponent!"

The young man with the slanted eyebrows had been knocked off the ring, and the remaining one was no match for mu Xiaoxiao. Lin Yi naturally didn't need ni caiyue to fight anymore, and he just let her watch the show from the side!

"Don't turn around and look at me, and don't show any strange signs! And don't tell him that I've sent you a message!"

Lin Yi reminded her worriedly, afraid that the honest girl would accidentally spill the beans and get disqualified.

Ni caiyue stepped back and opened her eyes. She had only felt that she had kicked something earlier, but when she opened her eyes, she realized that it was the young man with slanted eyebrows who was groaning and groaning under the ring!

Did I do all this? Just because of a few words of advice from Lin Yi?

It was truly unbelievable!

Hearing Lin Yi's warning, ni caiyue resisted the urge to look back and bit her lip lightly, nodding slightly to show that she understood.

As for watching mu Xiaoxiao fight, ni caiyue really wasn't in the mood. Her mind was filled with Lin Yi's magical commands, and she couldn't care less about her best friend fighting with another person!

Lin Yi smiled. He might be able to help ni caiyue pass the second round easily with this method. As long as she didn't meet a particularly strong opponent, it wouldn't be a problem.

Of course, there probably wouldn't be an opponent that Lin Yi thought was strong in the Golden Division sea. No matter how talented a xuansheng was, he wasn't even worth mentioning in front of Lin Yi, a mid mountain split!

After a short while, mu Xiaoxiao successfully dealt with her opponent. She came to ni caiyue's side without blushing or panting, her face full of doubt.

"Cai Yue, what's the matter with you? That move just now was really beautiful! You suddenly opened your aperture?"

Mu Xiaoxiao looked left and right, but she couldn't see any difference in ni caiyue. It wasn't that there was nothing different, but she seemed to have lost her soul. "Hey, hey, what's wrong? Could it be the legendary epiphany?"

"No, I didn't! Let's hurry down, there are still people waiting to compete!"

Ni caiyue's pretty face blushed.

Chapter 6949 Triumphant Progress

She definitely couldn't tell mu Xiaoxiao about Lin Yi's matters, but she felt guilty towards her best friend, so she quickly pulled her away from the ring.

In her panic, ni caiyue actually tripped over her own heel and almost rolled down from the ring. Fortunately, she was holding onto mu Xiaoxiao, so it wasn't that easy to fall with this tough woman around!

Everyone below the stage was dumbfounded, especially the young man with slanted eyebrows who had been kicked away by ni caiyue ...'Am I f*cking defeated by this kind of person? Was there a mistake somewhere?

Lin Yi was about to go up and talk to her, but a few people from Donghua Academy and ding City Academy had already surrounded ni caiyue as if they were guarding against a thief. They all stared at Lin Yi with full vigilance, not letting him get close to ni caiyue.

"Heh ... I just wanted to say a few words to ni caiyue. What are you guys doing?"

Lin Yi didn't know whether to laugh or cry, but he didn't want to fall out with these people in front of ni caiyue. "Can't I even congratulate him?"

"No! Don't think that just because you're a member of the recruitment team, you can do whatever you want! We don't welcome you here, so you should leave!"

The leading girl from Donghua Academy blocked Lin Yi's way, her face as cold as ice. "Besides, this area is not under the jurisdiction of the Feiyang college. Please don't make things difficult for us!"

Ni caiyue opened her mouth to speak, but mu Xiaoxiao pulled her back. This tomboy was meticulous despite her rough attitude, and she knew that ni caiyue would only make the situation more difficult if she spoke now.

This was her best friend's advice, and Ni caiyue couldn't ignore it. She could only look at Lin Yi apologetically, her mouth opening and closing slightly as she silently apologized.

Lin Yi nodded-what did it have to do with him if the others were having a hard time or not? However, he could not make things difficult for ni caiyue!

Of course, Lin Yi was just saying that as an old friend. He didn't mean anything else, so he smiled casually, "Forget it, I don't want to make things difficult for ni caiyue, so I can't be bothered to lower myself to your level. I'll take my leave now!"

As he turned around, he didn't forget to tell ni caiyue that they'd talk about it another time.

It wasn't too far away ... Lin Yi had to come and watch ni caiyue when she went on stage for the second time, and continue to direct her if necessary.

After leaving ni caiyue's side, it just so happened that Jiang He hai and Qin Yue's side were about to enter the stage. Lin Yi strode over to them in a few steps and found an empty spot to stand.

After the battle on the stage ended, there was another round of crushing competition, and Jiang He hai and Qin Yue finally went up the stage.

Their opponents were a man and a woman, and Lin Yi didn't want to know which school they were from. They weren't a match anyway, since they were only at the peak of the early stage of mysterious Ascension, far weaker than Jiang He and Qin Yue.

There was already a difference in strength level, and combat strength was even more obvious. Jiang He hai and Qin Yue had been with Lin Yi before, after all, and had received his guidance.

As expected, Jiang He hai and Qin Yue obtained their first victory with a crushing force, ending the battle before they could even warm up.

"Boss Lin Yi, we're pretty lucky. There's no strong opponent in this group!"

Jiang He hai and Qin Yue came to Lin Yi's side as soon as they got off the stage, excited, ""If nothing unexpected happens, we won't encounter any trouble before we enter the top ten! Once he successfully enters the top 10, it's likely that he'll be in the top 3. "

"That's good. I'm not worried about you two! "As long as you get into the top three in the second round, in addition to the points from the first round, there's no doubt that you'll be able to stand out in the

selection! If you maintain your standard in the third round, you'll definitely get extra points in the mystic Sea area test!"

Lin Yi was pleased-the top three in each group was a conservative estimate, after all. With Qin Yue and Jiang He's strength, it wouldn't be hard for them to win.

"Thank you, boss Lin Yi. If it weren't for your support, we wouldn't be where we are today!"

Jiang He cupped his fists and bowed, expressing his sincere gratitude.

"Alright, don't say such things in the future! We're all family, you're too polite!"

"Alright." Lin Yi nodded, "you guys go rest and recharge your batteries. The opponents aren't strong, but don't let your guard down!" I'll go to the other areas and see. I'll come back to see your battles when you guys enter the top 10. "

After giving a few meaningful instructions, Lin Yi started to wander around, and he went to ni caiyue's group area on time.

Ni caiyue's second Battle was about to begin. This time, her opponent was slightly stronger than the previous one, and mu Xiaoxiao would probably have a hard time dealing with her alone.

Lin Yi, of course, wouldn't just sit by and do nothing. He used the same technique again, commanding ni caiyue from a distance with a telepathic message and making a simple attack with her eyes closed at the critical moment!

There were no fancy martial techniques, but they had amazing effects.

When things are done, one will brush one's clothes and leave, hiding one's achievements and fame!

Using this method, ni caiyue and mu Xiaoxiao's team advanced smoothly and triumphantly, directly reaching the top 18!

The final 18 teams would fight in pairs to determine the top nine. The nine teams that lost would fight for the last spot in the top 10. The top nine would then fight for the ranking battle to determine the number of points they would obtain.

As long as they won one more round, ni caiyue and mu Xiaoxiao would be qualified to participate in the third round of the selection!

At the same time, Jiang He hai and Qin Yue were about to enter the crucial battle for the top 10. This time, their opponent was one of the strongest teams in the group area!

Lin Yi said he'd go back and take a look, and he couldn't go back on his word. He decided to go back before ni caiyue and mu Xiaoxiao continued their competition.

Lin Yi arrived just in time to see Qin Yue and Jiang He hai on stage. Their opponents were two men in white, who looked similar-they were probably brothers.

However, one of them had a white face and no beard, while the other had a mustache.

"I'm Bai Wushang, this is my brother Bai you's request, the two of you are very polite!"

The man with the pale face and no beard was actually called Bai Wusheng, which was rather amusing. Jiang He hai held back his laughter and cupped his hands in greeting.

"I'm Jiang He hai, and this is my wife, Qin Yue. Greetings, brother whites!"

Since the other party was well-mannered, Jiang He and hai naturally had to treat them with respect as well.

"Our brothers and the virtuous couple hit it off the first time we met. It's a pity that only one group will enter the top ten later. At that time, you two must not hold back."

Bai wunee was a good gentleman, and he always spoke with a smile, which made people unable to hate him."Of course, we brothers will also do our best. After today, I hope to become friends with you and your wife!"

"The two white brothers are also Dragons among men, it's naturally good that we can become friends! If there's a chance in the future, we should get closer!"

Jiang He hai smiled and cupped his fists, unwittingly losing some of the sharpness he had before the big battle.

Chapter 6950 You're Using The Same Old Trick Again!

Lin Yi, on the other hand, frowned as he laughed coldly to himself. He was still too inexperienced with Jiang He and hai Shui!

When did central not mention Crown Hall? But how did he actually do it?

Similarly, Bai did not need to speak and did things in a seemingly upright manner, which imperceptibly gave Jiang He and hai a good impression of him, and naturally caused him to lose his hostility towards him.

If Bai Wubei was really like that, then there was nothing much to say. But the key was that Bai Wubei's eyes flickered when he spoke, which was a little intriguing!

Lin Yi interrogated prisoners a lot when he was the king of the Army in the common world, so he was very familiar with these kinds of unintentional little tricks! Of course, there were very few people on Sky Class islands who studied this, and strength was King.

Of course, Lin Yi didn't interrupt. It was good to let Jiang He hai suffer a little, in case they would suffer more in the future!

On the other side, Qin Yue frowned slightly, but then smiled and said, ""Let's talk about this later. Right now, we still have to hurry up and compete. Everyone is waiting! Don't worry, we'll do our best to show our respect!"

That simple sentence immediately caused Jiang He and hai Shui's fighting spirit to surge. "That's right, only by going all out can we show our sincerity! Come on!"

Lin Yi nodded to himself-compared to Jiang He and hai, Qin Yue was clearly more shrewd. She was indeed a woman who'd suffered before-she wouldn't let herself be taken advantage of so easily.

With a woman who was devoted to Jiang He and hai Shui by his side, Jiang He and hai Shui would not be at a disadvantage!

The few people on the stage said a few more words and then got into a fighting stance, ready to fight.

Jiang He hai and Qin Yue had a tacit understanding of each other, while Bai Wuqiu and Bai youqiu had the same understanding of each other, so they responded to each other with ease. The four of them moved like a revolving lantern, and in the blink of an eye, they had already exchanged more than ten moves!

"Good! The Bai brothers are not bad, they are two talents!"

A loud shout came from below the stage, and Lin Yi's face changed instantly!

The one who spoke was none other than Lu Yongming, the Dean of the clear flow school. He didn't expect old Deng to appear here and suddenly let out such a loud shout!

On the stage, Bai wunee and Bai youqiu were not affected in the slightest, but Jiang He hai and Qin Yue's movements were halted by the loud shout!

In a battle between experts, a slight difference could lead to a huge difference. The originally evenly-matched situation instantly took a turn for the worse, with Bai Wuqiu and Bai youqiu suppressing Jiang He hai and Qin Yue.

Lin Yi's heart was filled with anger-that old fart Lu Yongming was secretly targeting Qin Yue and Jiang He hai! That shout was clearly directed at the two!

It didn't need to be too obvious. As long as it affected the two of them slightly, it would produce an unexpected effect!

"Lu Yongming, what are you waiting for? As the principal of the clear flow school, don't you find it embarrassing to do such a thing?"

Lin Yi's eyes were cold as he looked at Lu Yongming."Remember your status and don't embarrass the clear flow school!"

Lu Yongming's little tricks were unnoticeable and unpresentable, so Lin Yi could only give him a subtle warning.

This level of obstruction wouldn't cause Jiang He hai to lose for the time being, and Lin Yi decided to just watch and see it as training for the two.

As for Lu Yongming, Lin Yi wasn't going to let him go so easily-he'd calculate everything with interest when the time came!

"Lin Yi, don't forget who you are just because you have Gu Tiannan's support! I'm just praising an outstanding junior, do I need your approval?"

Lu Yongming sneered and said,""A mere student from the Feiyang school dares to talk to me like this! Even your Dean isn't that bold! Who Do You Think You Are?"

The audience didn't know what was going on, but they all felt that Lin Yi had crossed the line. What did the cheers have to do with him?

Lu Yongming's little trick was very well hidden, and only Lin Yi's spirit was strong enough to notice it.

"Heh ... When it comes to shamelessness, no one here is a match for you. Only you, Dean Lu, are worthy of being the number one in the world!"

Lin Yi smiled coldly, not giving him any face at all,"It doesn't matter if you don't admit it. The heavens are watching what you do. You should know what you're doing!"

"Lin Yi, are you looking for trouble? Do you think I'm afraid of you? So, how do you want to play? Should I call elder Gu Tiannan out?"

Lu Yongming provoked Lin Yi on purpose. If he could make Lin Yi attack first, then it would be easy for him to deal with Lin Yi. Even Gu Tiannan wouldn't be able to interfere again!

"Lu Yongming, I advise you not to overdo it. Don't think I'm really afraid of you!"

Lin Yi's face went cold. This old man was too cocky. So what if he killed him after he got stronger?

"What do you mean by" enough "? Do I need to stop cheering? It's so funny!"

Lu Yongming laughed awkwardly after seeing that Lin Yi wasn't taking the bait. He yelled again, "Good! Beautiful!"

The invisible sound wave was stronger than last time. Lin Yi was prepared, but he couldn't help block it.

On the stage, Jiang He hai and Qin Yue's movements became sluggish once more. The Bai brothers had already gained the upper hand, and now that they had the opportunity, they were even more aggressive, instantly becoming a one-sided battle!

Lin Yi's face turned cold-this old man didn't want to give him face at all!

Divine sense attack!

One wave was attacking Lu Yongming, and the other was attacking the Bai brothers on the stage!

Who didn't know how to play around?

Lu Yongming didn't expect Lin Yi to attack him without saying a word. He was caught off guard and dodged to the side even with his spirit sense item.

This was an instinctive reaction after being attacked. By the time he reacted, it was already too late to stop!

He wasn't injured, but he was in a sorry state!

The Bai brothers on stage, however, weren't as rich as Lu Yongming and couldn't afford high-level spirit sense items. Fortunately, Lin Yi didn't want to kill them, and he only touched them once, taking away their advantage.

Jiang He hai and Qin Yue seized the opportunity to counterattack, instantly turning the tables. The situation on both sides had been completely reversed, and as long as no one continued to interfere, their victory was almost irreversible!

"Lin Yi, you dare attack me! You even interfered with the competition on stage?"

Lu Yongming was furious, but he was secretly happy inside. He hoped that Lin Yi would continue to fight back and not back down, "Who gave you the guts? You attacked me and cheated in the selection! Do you believe that I'll immediately find someone to disqualify those two from the selection?"

"What a joke! You think I'll attack you just because you say so? I cheated just because you say so? Where's the evidence? You were the one who interfered in the competition, but you actually called me a thief and made a false accusation!"

Lin Yi was calm and composed, his lips curled up in undisguisable mockery. "Who doesn't know that you, Lu Yongming, are better at framing people than thieves? you accused me of killing your grandson and brought a group of people you've swindled to cause trouble, and now you want to play this trick? Can you change your approach?"
