

Bodyguard 6961

Chapter 6961 Fury Slash

"We thought you hooked up with some Big Shot, but it's just an unknown small character! You might as well come back with us! We brothers will take turns to serve you until you feel like dying!"

The so-called "Big Shot" was naturally Lin Yi. However, the powerful Master Lin was sitting below the stage. No matter how much courage Qi Dong had, he wouldn't dare to drag Lin Yi into this.

"I don't know who you are, and I'm not interested in getting to know you. Now, you're slandering me and insulting my wife, Jiang He hai! I want you to apologize immediately!"

Jiang He Hai's eyes were as cold as ice, but his tone remained absolutely calm, ""Kneel down!"

"Wuwuwuwu, you scared this young master to death. I don't know where this country boy came from, but he actually dares to shout and make this young master kneel! It's so funny!"

Qi Dong said that it was hilarious, but there was no smile on his face.

He could feel Jiang He Hai's killing intent and was already regretting that he had to use such a method against Qin Yue.

However, he immediately strengthened his confidence. It was worth it!

If they could beat Jiang He hai and Qin Yue, they would be able to enter a Morning Star Mystic division school!

According to the information he had, the combined might of Jiang He hai and Qin Yue was unparalleled. If they were alone, they might be able to defeat them if they fought two against one!

It was because of this that Qin Yue's combat strength had to be crippled!

"I'll say it again. Kneel down and apologize!"

Jiang He hai did not care about what the other party was saying, and merely stared coldly at Qi Dong and Chen Qiang.

At that moment, Jiang He hai knew that he had to be tough!

This was the only way to reduce the burden on Qin Yue's heart and divert the attention of others.

"Chen Qiang, what should we do? I was almost scared to death by him ..."

Qi Dong pretended to joke around with Chen Qiang, but he was actually a little afraid of the rivers and seas. ""What if he's really scared to death?"

"If I really scare them to death, the two of them will lose their qualification to take the test, and I will win without a fight! When the time comes, I'll set up a ranking for you and worship you day and night. "

Chen Qiang was also extremely nervous, but he still tried his best to cooperate with Qi Dong.

"Fuck! Are you still a brother? You actually want me to be your stepping stone after I die!"

Qi Dong cursed Chen Qiang, but he felt much more relaxed.

It was strictly forbidden to cause death in the assessment, otherwise, one would be disqualified. Chen Qiang had said that on purpose to remind Jiang He and hai Shui.

If he couldn't kill them, what was there to be afraid of? He continued to provoke this adulterous couple!

"I say, Jiang He and hai, we're both men who have had a qinyue relationship. Logically speaking, we should at least have some feelings for each other, even though you're picking up a pair of broken shoes that we don't want ..."

After Qi Dong finished scolding Chen Qiang, he turned to Jiang He and hai Shui, which served as a blow to Qin Yue.

It was just that he did not expect that this sentence would become the last straw that broke the camel's back!

"It's no use apologizing now!"

Jiang He hai cut Qi Dong off coldly and charged at Qi Dong and Chen Qiang like a ghost.

Super butterfly microstep!

This was the movement technique Lin Yi had taught him, derived from the butterfly microstep. Although he couldn't reach Lin Yi's super butterfly microstep in Jianghe sea, the Super butterfly microstep was enough for him!

Qi Dong was taken aback. He had not expected Jiang He and hai Shui to launch a surprise attack, and with such speed at that!

Caught off guard, his head was directly smashed by the other party's palm.

Red and white matter splattered everywhere, but there was no movement on the river and sea. He raised his leg and kicked Qi Dong's headless body away, then continued to attack the other living person, Chen Qiang!

Since he had already killed them, there was no difference between killing one or two. He only hoped that Qin Yue could retain her qualification!

Chen Qiang's face was pale. A part of Qi Dong's flesh and blood had splattered on his face, and he felt a little disgusted.

At the moment of life and death, he still had time to feel disgusted? Of course, apart from this, he felt even more fear!

How could Jiang He and hai Shui dare to kill? How could he dare to kill someone in the middle of an assessment?

Before the competition, they had specifically warned that no one was allowed to die! How could this person dare to ignore it?

This was Chen Qiang's trump card to save his life. However, everything was shattered the moment Qi Dong's head exploded!

Chen Qiang, who was in an extremely complicated mood, did not think about protecting his life. He only instinctively shouted, "Spare me, I vote ..."

It's too late to surrender!

The last thing he saw was Jiang He Hai's cold gaze and a palm that was ready to take his life!

And then there was no' and then '!

There were two more corpses on the stage, but the area below the stage was completely silent!

Most of the people present had taken lives, so it was not a big deal to kill someone. However, in the assessment site where killing was not allowed, it was really outrageous to make a move and break the heads of two people with extremely brutal means.

In fact, before Jiang He and hai Tianqing killed each other, the judge in charge of safety should have stepped up to stop them. However, for some reason, the judge did not do anything even after Qi Dong and Chen Qiang had died.

Looking at the judge's dazed face, people who didn't know better would think that he was scared silly!

Lin Yi laughed coldly to himself. The weakest judge was at least in the mountain opening stage, and they were all elites. How could they be shocked by a battle between xuansheng stage cultivators?

The only explanation was that the referee deliberately ignored the situation and allowed it to get worse!

"What are you doing? Who gave you the guts to actually kill someone in the entrance examination's arena?"

The judge, who was slow to react, was furious. He appeared on the stage in a flash and immediately rebuked Jiang He and hai, ""I'm telling you, you're in big trouble. If you surrender now, you might be given a lighter sentence!"

"Hehe ... How impressive! Why didn't you show up just now? after that, you made a big fuss. Do you think you can escape from your dereliction of duty?"

Lin Yi thought to himself-the judge really did have a problem, as expected."Everyone saw what happened in the arena! You didn't stop them in time. If we're talking about responsibility, it's no less than Jiang He and hai Shui! Jiang He hai, you don't have to worry. The other party was the one who picked a fight first, and they deserve to die!"

"Nonsense! This person's attack speed was too fast. I was momentarily shocked, so it's normal that I didn't have time to react!"

The judge's face was full of anger as he hurriedly tried to deny the relationship, ""Besides, the rules were clearly stated before the competition. No one is allowed to kill anyone. This man actually killed someone. Are you trying to cover up for him?"

Is this nonsense? Do I need you to tell me? Anyone with eyes could tell that Lin Yi was trying to cover up for him.

However, seeing it didn't mean that he had to say it out loud. Saying it out would be equivalent to directly falling out with them!

"When faced with such an unfair judgment, if I don't step forward to cover up for it, someone else will naturally step forward. Justice is in the hearts of the people, have you heard of that?"

Lin Yi laughed coldly.

Chapter 6962 Stepping Forward Bravely

Suddenly, Lin Yi's tone changed, "Who ordered you to target Qin Yue and Jiang He hai? Speak!"

As he shouted, Lin Yi activated a spirit sense collision.

The judge's body trembled and his sea of consciousness churned. He almost lost consciousness.

At this moment, Lu Yongming suddenly laughed out loud. "Lin Yi, this old man knows that Jiang He hai is your man, but jumping out with a pale face and accusing a fair judge of going against a student-isn't that a little too much?"

Lin Yi's eyes narrowed as a killing intent flashed across his eyes. So it was this old man behind all this!

The audience didn't think that there was anything wrong with the decision at first-it was just that they reacted too slowly and couldn't stop the tragedy in time, but Lin Yi's words made them realize that something was wrong.

Especially when Lu Yongming also jumped out, it made people even more suspicious!

If the judge was right, he should have stopped Qi Dong and Chen Qiang when they said those insulting words in the ring and urged the competition to start as soon as possible.

And the result? The ruling did not say anything about Qi Dong and Chen Qiang's actions, allowing the situation to develop to an irredeemable stage. Then, they forcefully accused Jiang He hai and wanted to take him down.

Thinking about it carefully, it was really thought-provoking ...

However, no one would speak up for now. After all, this involved Lu Yongming and Lin Yi. One was the Dean of the clear stream school, and the other was a friend of Huang Yuntian's President. They weren't easy people to get along with!

It's best to watch a show! It would be even better if there were melon seeds and a bench to serve him!

"Lu Yongming, you're so excited. Could it be that you're the one who arranged for this judge?"

Lin Yi looked at Lu Yongming from the corner of his eyes, a faint disdain on his lips. "Such a lowly method is indeed your style. Besides you, it seems that no one else would do such a boring thing!"

"Nonsense! Lin Yi, don't you slander me-I've always been a righteous man, I'm only speaking out because I don't like your arrogance!"

Naturally, Lu Yongming would not admit it. He immediately grasped the core of the problem and pointed his finger at Jiang He and hai."The fact that this person killed someone is clear. Everyone here is a witness. Even if you want to cover for him, can you deny the rules?"

The rules!

Since the rules had been set, they naturally had to be obeyed. If there was no punishment for breaking the rules, who would obey them?

Lu Yongming laughed coldly in his heart. He knew that Lin Yi valued Jiang He and Hai River, and that was why he wanted them dead!

As long as he could make Lin Yi suffer, it was worth it!

"That's right. No matter what you say, it's a fact that Jiang He and hai Shui killed people!"

The judge came back to his senses and held his forehead, ""According to the rules, Jiang He hai and Qin Yue's teams have to be disqualified at the very least! And because of the bad circumstances, they'll be blacklisted and won't be able to participate in the selection and assessment in the mystic division Sea area!"

Lin Yi's eyebrows twitched. He should've used more spiritual power to turn this guy into an idiot!

"I killed him! It has nothing to do with Qin Yue. It's fine for you to disqualify me, but why do you have to disqualify Qin Yue?"

Jiang He hai, who had been silent the entire time after the murder, was almost invisible. Even though he was the main point of their argument, he was basically just a decoration when they spoke.

Lu Yongming and the judge couldn't get used to this sudden opening-after all, they only thought of Lin Yi as their opponent!

"You and I are of one mind. If you are disqualified, of course I will go with you!"

Qin Yue held Jiang He Hai's hand. It was this hand that was willing to get angry and bleed for a woman like her!

With such a hand and such a person, what more could she ask for?

Only in this life, I will never leave you!

"Of course I don't want to leave you. I don't care about the other students, but you have the chance to get into Feiyang college. Boss Lin Yi spent a lot of effort to get us this chance. If we can't get in, how can we face boss Lin Yi?"

Holding Qin Yue's hand, Jiang He Hai's murderous aura instantly vanished, leaving behind only incomparable gentleness. He then whispered into Qin Yue's ear, ""Yue Yue, we can't let boss Lin Yi's efforts go to waste, so you have to get into Feiyang school! Don't worry, I'm just a little late. We'll meet again next time. You'll be my senior at that time, so you'll have to take good care of me. "

Although the two of them had tried to lower their voices as much as possible, there was no sound-proof shield. Everyone present was an expert, so they could naturally hear everything clearly.

Lu Yongming sneered. "Jiang hehai, stop dreaming. Since you're in the same team as Qin Yue, you killing people will naturally represent your team to kill people. So, according to the rules, both of you will be disqualified, and no one can help you!"

Everything must be done according to the rules!

As long as Lu Yongming grasped this point, he wouldn't have to worry about Lin Yi turning the world upside down!

"Heh ... Dean Lu, you're so cool, as if you set all the rules! Rules were dead, but people were alive! Even though Jiang He and hai did kill someone, there was a reason for it. Who asked those two to be so despicable?"

Lin Yi wasn't afraid of Lu Yongming at all, and there was no way he'd let Jiang He and Qin Yue go back to the Golden class Sea area. At most, he'd just kill this old man, and everything would be over."B * tches, they should be dealt with even if they're fine, not to mention that they're courting death, no one can stop them! Taking out his anger on two talented students because of two pieces of trash, such rules, there's no need to!"

"Hahahaha, who are you, Lin Yi? Although the rules weren't set by this old man, they are rules that everyone has to abide by. You say you don't want them and you don't want them?"

Lu Yongming laughed out loud. Everything would be fine if Lin Yi could stand on the opposite side of everyone,"Moreover, even if they are not qualified, would the Feiyang college dare to accept them?"

If Feiyang college accepted students, they would be breaking the rules. The other colleges would all be against the same enemy. Lu Yongming was killing two birds with one stone!

If they didn't accept it, they'd be inviting trouble to themselves. If they didn't accept it, Lin Yi might just hate the school.

Guan Wenxuan was still the most important person in the Feiyang school. The other higher-ups didn't come.

Guan Wenxuan was caught in a dilemma and did not know what to do.

If it was for Lin Yi's sake, he would've gritted his teeth and accepted the two immediately. After all, Lin Yi was someone the Dean had high hopes for.

However, the pressure that Feiyang college would have to bear was not something that an elder like him could handle. Therefore, Guan Wenxuan did not dare to express his opinion.

"Elder Guan, say something. Do you dare to accept these two people?"

Lu Yongming looked at Guan Wenxuan with a smile that was not a smile, looking confident.

Chapter 6963 President Huang Supports You

With that, Lu Yongming turned to Lin Yi. "Lin Yi, your elder didn't even say anything, Who Do You Think You Are? What right do you have to come up on stage and point fingers?"

Guan Wenxuan fell silent. He really couldn't answer this question!

Although he felt aggrieved, he could only endure it! It wasn't whether he dared to or not, but whether he could or could not!

His decision could destroy the entire Feiyang college!

Lin Yi's heart sank as he understood the situation. Qin Yue and Jianghe ocean were important, but he couldn't make things difficult for Feiyang college just because of them.

Lin Yi wasn't afraid of people like Lu Yongming, but he had to think for the school!

"Dean Lu, you're really impressive! Whether the Feiyang school accepts students or not, does it need to depend on the clear flow school's face? Are you thinking of doing this Lord's work?"

Huang Yuntian stood up with a smile. He had made the right decision not to go back and cultivate in seclusion! He had stayed here to wait for this opportunity to perform!

"Also, Lin Yi's a member of the student body-why can't he speak on stage? who made this rule? Is he also headmaster Lu? Do you think you're going to be the president soon?"

To be honest, even Huang Yuntian felt that he should thank Lu Yongming. Without this old man's cooperation, how could he give Lin Yi a favor?

"President Huang ... I didn't mean it that way, but the rules have been set ..."

Lu Yongming's face darkened. First there was Gu Tiannan, and now there was Huang Yuntian, why were they both so protective of Lin Yi?

"What's wrong? Dean Lu, do you think that I, as the president of the Alliance of Academies, have no right to deal with the recruitment assessment?"

Huang Yuntian's expression was calm, but his tone was not friendly, ""Or should I really call you President Lu?"

Lu Yongming was suddenly stunned. The college Alliance was the place that managed the matters of the college, and Huang Yuntian, as the president, was the one with the most power!

Rules? That was for the people below, and Huang Yuntian was the one who set the rules!

The most important point was that Huang Yuntian's fist was bigger than Lu Yongming 's. If they fought, he would be killed in minutes!

"President, you're too kind. I only feel that Jiang He and hai Shui have broken the rules. If ..."

Lu Yongming's voice lowered a few octaves as he bowed and cupped his fists, habitually admitting defeat. "Of course, President Huang has the right to deal with anything that happens in the mystic division! This old man naturally doesn't dare to replace you!"

Huang Yuntian snorted and ignored Lu Yongming. He turned to Jiang He hai and Qin Yue, ""I've seen everything that happened. Although it's true that he killed someone, it's excusable that the other party provoked me first!"

Although Lu Yongming had expected this outcome, his face still turned as black as the bottom of a pot when he heard Huang Yuntian exonerate Jiang He and hai.

Huang Yuntian continued, "I'm also quite dissatisfied with those two scumbags. Even if you don't kill them, Jiang He and hai, I'll teach them a lesson myself!" If you don't make a move, you're a person without any blood! A person like him isn't worth training in a Mystic division Ocean Academy, so you did well!"

Lu Yongming almost couldn't catch his breath, and his nose was almost crooked from anger!

Not only did he absolve himself of his crimes, but he also said that it was good to kill someone? Can't you be more shameless? But he didn't dare to say it.

Jiang He hai did not expect such a turn of events and was at a loss for words. Qin Yue reacted quickly and bowed in thanks, ""Thank you, President, for upholding justice for us!"

"No need to thank me. Just as Lin Yi said, justice is in the heart! I believe that my words are what all of you want to say, right?"

Huang Yuntian's eyes calmly swept across the crowd. Those who were caught by his gaze immediately cheered, saying that the president was wise and divine, and that he was impartial in handling matters. Such a decision could not have been better!

Only Lu Yongming almost vomited blood, but he had to go against his conscience and agree with Xuxu's grievance!

He couldn't bear it anymore, but he still had to bear it ...

"Since the two of you are not in the wrong, then the judge is naturally in the wrong. If the judge was competent, this situation would not have occurred!"

Huang Yuntian cleared Jiang He and Hai's name and conveniently poured the dirty water on the judge. He was also doing Lin Yi a favor, so wasn't it better to do more, ""You, the Alliance of schools doesn't need someone like you who shirks responsibility. I don't want to see you again!"

The judge's body swayed and his face turned pale. He opened his mouth to say something, but he was already pulled away by Huang Yuntian's men, not even giving him a chance to speak.

No one spoke. No one would plead for mercy for the unlucky judge at this time, lest they get into trouble!

Huang Yuntian dismissed the judge and said, ""Jiang hehai is brave, talented, and capable. He's a good seedling, and Qin Yue is no worse. Elder Guan Wenxuan, I think Feiyang college can consider taking them in. What do you think?"

Huang Yuntian had shifted all the pressure of Feiyang College's recruitment to himself!

Guan Wenxuan immediately relaxed and cupped his fists respectfully. ""President Huang is right. On behalf of the Feiyang college, I welcome these two students to join us!"

With Huang Yuntian's support, who would dare to question the Feiyang college? Guan Wenxuan heaved a sigh of relief, his respect for Lin Yi growing.

To be able to get the help of the president of the Alliance of Academies, he must have a lot of face! Feiyang college would have less trouble in the future!

Lin Yi smiled and cupped his hands, thanking Huang Yuntian. He didn't say anything more. They were already close enough to know each other.

But to be honest, Lin Yi really did admire Huang Yuntian. He didn't think that Huang Yuntian's control in the mystic class sea would be so strong. The way he handled this matter was so domineering and direct, even Lin Yi was amazed.

Compared to Zhuang Yifan in the Yellow Sea, Huang Yuntian's status in the mystic Sea was obviously higher!

After this incident was settled, the test continued without a hitch. Lin Yi wasn't with Jiang He and hai, but with Huang Yuntian.

She had just done a great job, so they had to bond together.

In the end, ni caiyue and mu Xiaoxiao entered Mystic division schools as well, and Lin Yi no longer had any pressure. He talked to Huang Yuntian while dealing with Gu Tiannan's urging.

The old man couldn't wait for Lin Yi to go back to the sect with him!

"Okay, okay, okay, I'll go with you, but at least let me go to the Feiyang college to say hello?"

Lin Yi was a little helpless-he had no choice but to follow through with the deal.

"Alright, this old master isn't an unreasonable person. I'll just go and say hello. We'll set off immediately!"

Gu Tiannan nodded reluctantly, as if he was giving Lin Yi a lot of face.

Lin Yi didn't want to argue with this old man. He cupped his fists to Huang Yuntian and Zhuang Yifan, "My two brothers, I will take my leave. I hope that when we meet again, brother Huang will have a breakthrough!"

"I'll wait for you to come back. Have a safe journey!"

Huang Yuntian laughed and returned the greeting. He also warned Gu Tiannan, ""Elder Gu, you have to take good care of my brother Lin. If he comes back with a single hair missing, I'll come to you for revenge!"

Chapter 6964 They Are The Class Monitor

Gu Tiannan's mouth twitched. Wasn't the president of the mystic division sea Academy Alliance a little too much to care about even Lin Yi's fur?

After some small talk, Lin Yi and Gu Tiannan returned to the Feiyang school's recruitment team.

Even though the recruitment mission had been completed perfectly, Jiang He hai and Qin Yue were not in a good situation.

Because the two of them were forcefully pushed in, the other freshmen felt that it was a little unfair and treated them coldly.

They were probably worried that Qin Yue and Jiang He hai would use their connections to snatch their resources, which was why they had spontaneously ostracized them.

Lin Yi saw Li Xiaomeng standing up for the two of them when he came over. "Do you think you're so great? I'll be Frank, it's not that I look down on any of you, but none of you are worthy of my respect, except for Jiang He hai and Qin Yue!"

The new students were a little indignant, but because they were not clear about Li Xiaomeng's identity, they did not dare to object for the time being.

Jiang He hai and Qin Yue were stunned as well, not knowing why this woman would protect them. Boss Lin Yi didn't seem to have any contact with this woman either.

"I propose that Jiang He hai will be the class monitor from now on, and Qin Yue will be the Vice class monitor. Do you have any objections? If you have any opinions, you better hold them back!"

Li Xiaomeng returned to her usual arrogant and overbearing manner. Although she had not returned to the Academy yet, she had already begun to make her own arrangements.

"Senior Sister, isn't it inappropriate for us to be the class monitor and vice class monitor?"

Jiang He hai had not panicked when he was killing people, but now he was a little frightened by Li Xiaomeng, not understanding what she was up to.

"Suitable! You're a seedling that President Huang thinks highly of. If you're not suitable, who is? Be at ease and be the class monitor. If there's anything you need, just say my name and I'll guarantee your safety in the Academy!"

At this point, Li Xiaomeng paused for a moment and lowered her voice mysteriously. "Lin Yi's your boss, right? I'll tell you guys a secret, I'm actually your sister-in-law!"

Jiang He hai and Qin Yue were stunned!

Since when did boss Lin Yi have a thing with this woman? I can't tell at all!

But it wasn't that hard to understand-it was boss Lin Yi, after all ... Well, that was normal!

If Lin Yi knew that this was the image he had in Jiang He Hai's and Qin Yue's hearts, he'd probably puke blood in anger. But when he heard Li Xiaomeng's nonsense, he found it both funny and infuriating!

Gu Tiannan looked at Lin Yi with a weird expression. His eyes clearly showed that Lin Yi was here to say goodbye to his lover!

Lin Yi rolled his eyes. Was the old man out of his mind to believe that woman?

At that moment, Guan Wenxuan walked over, and Gu Tiannan suddenly wanted to tease Lin Yi, so he raised his voice to Guan Wenxuan, ""Guan Wenxuan, I'll be taking Lin Yi away for a while. After I'm done, I'll send him back to Feiyang school. Go back and tell Liu Xiaoyu not to worry about Lin Yi."

Guan Wenxuan was slightly taken aback. He quickly cupped his hands and asked, ""Elder Gu, where are you taking Lin Yi? What's the matter ..."

Before he could finish, he saw Gu Tiannan pulling a surprised Lin Yi away, not letting Lin Yi speak.

"Hey, Gu Tiannan, I'm here to say goodbye. What do you mean by this?"

If Lin Yi resisted, Gu Tiannan couldn't force him, but before he could figure out what the old man was thinking, Lin Yi didn't resist.

As for saying goodbye, it didn't matter. It was fine as long as Jiang He and Qin Yue settled down.

The only thing was that Lin Yi didn't have the time to clarify Li Xiaomeng's misleading words to Jiang He hai and Qin Yue!

Even though it wasn't a big deal, it didn't seem like it was a big deal for Jiang He and the others to misunderstand him!

"This is an urgent matter, this old master's sect is already in a state of emergency. If we are late and there are serious consequences, wouldn't it be causing you to come here for nothing?"

Gu Tiannan made up an excuse and picked up his pace, pulling Lin Yi away.

Lin Yi didn't fully believe what Gu Tiannan said, but he didn't really care as he wanted to fulfill his promise as soon as possible so that he could go do other things.

On the other side, Li Xiaomeng saw Lin Yi's face and was dragged away by Gu Tiannan before she could even greet him. She was a little panicked, but also a little relieved. If Lin Yi exposed her just now, wouldn't she lose face?

Jiang He hai and Qin Yue, on the other hand, had different views. Since Lin Yi didn't deny it, Li Xiaomeng's status as his sister-in-law didn't seem fake!

Since that was the case, there was no need to hesitate to accept the appointment of class monitor and vice class monitor!

However, not all the freshmen were willing to listen to Li Xiaomeng's arrangements. When they saw Guan Wenxuan coming over, some of them couldn't help but mention it.

"Elder Guan, this Senior Sister here said that Jiang He hai and Qin Yue should be appointed as the class monitor and vice class monitor ... But from what I know, that's not how the class monitor and vice class monitor are appointed, right?"

"What do you mean? Do you have an opinion on my decision? Didn't I tell you to hold back your opinions?"

Li Xiaomeng's almond-shaped eyes widened and she stared at the freshman with an unfriendly expression. ""You haven't even entered Feiyang college and you dare to have a problem with me? are you tired of living?"

The freshman was flustered and could only look at Guan Wenxuan for help, hoping that the elder would step in and help him.

Unfortunately, Guan Wenxuan would not offend Li Xiaomeng over such a trivial matter!

If it involved the major Affairs of Feiyang college, would he still stand up for them? the class monitor and vice class monitor of the new student class? What was that?

Not to mention that other than Li Xiaomeng, Jiang He hai and Qin Yue were Lin Yi's people. No matter what, it was worth it to give Lin Yi face!

"I think Li Xiaomeng's arrangement is very good. You don't have to argue. This matter is decided for the time being. In the future, if anyone is not satisfied, they can challenge me through formal channels to fight for the position of class monitor!"

Guan Wenxuan cleared his throat and concluded the class monitor incident in a casual manner. Although it was mostly because of Lin Yi, it seemed like even an elder wouldn't dare to go against Li Xiaomeng.

In an instant, Li Xiaomeng's rude and fierce image was immediately implanted into the minds of all the freshmen. She was a female devil, and they would have to walk around her if they saw her in the future!

"Xiao Meng, what are you doing?"

Yan Xiaohu followed behind Guan Wenxuan and finally couldn't help but ask, ""We're from the advanced class. Why are we interfering with the new student class's matters?"

Chapter 6965 Heading To The Mountain Sect

"What does it have to do with you? Go away! Didn't I tell you that I don't want to see you?"

Li Xiaomeng's pretty face turned serious and she scolded him without any pretense, ""Do I need your permission to do anything? There's also a time when you have to point fingers, right?"

Di Xiaohu was stunned and pleaded,""Xiao Meng, don't do this to me ..."

Those who had heard of di Xiaohu's identity whispered to their new student companions,""This is the class monitor of the advanced class of Feiyang Academy, an expert of the half-step pioneer stage, nie Xiaohu! He's the representative of the students of Feiyang college!"

The representative had been scolded like a dog by Li Xiaomeng and was even begging her ... Li Xiaomeng's image suddenly became more and more magnificent!

The freshmen who had opposed her earlier had already shrunk their necks and hid behind the crowd like ostriches, hoping that Li Xiaomeng would forget about them.

Do you have nothing better to do! To go against such a female devil, was it really as she said, that he was tired of living?

啊啊啊.....还没入学,就想要退学了,怎么办?

Putting aside the freshmen who were roaring in their hearts, as well as Qin Yue and Jiang He, who had just found their footing, Gu Tiannan immediately used a teleportation talisman to hurry on his way after Lin Yi left-it seemed like he was in a hurry.

It was estimated that young master Gu's life in the mountain sect was not good, forcing the old man Gu Tiannan to rush back at full speed.

In the Great Hall of the mountain sect, Gu shaogu stood alone in the middle. On both sides stood more than ten senior executives of the mountain sect, but the sect master's seat at the top was empty.

"Gu Xiangdong, based on the confessions of the people in the abandoned land, we have reason to believe that your testimony is false. You'd better come clean on your own. Otherwise, once the truth is found, even your grandfather, Gu Tiannan, can't save you!"

Gu Xiangdong was master Gu's name. These people were all on the same level as Gu Tiannan, so they naturally couldn't address him as master Gu. The person who spoke was called Jing Hua, Gu Tiannan's enemy!

"My grandpa's already on his way to get Lin Yi. You can ask him directly and prove my innocence. It's meaningless to say anything now!"

Gu Xiangdong gritted his teeth and held on. As long as he could get through this tense period, he would be able to turn the big issue into a small one. He would be a fool to admit it now!

"You've taken advantage of the fact that my grandfather hasn't returned to force me to admit to false charges time and time again. What's your purpose?"

After going through so many interrogations, Gu Xiangdong, no matter how clueless he was, would understand some of the twists and turns of Xiang Zhuangwu's sword intent was in peigong!

Getting rid of Gu Xiangdong was just a pretext. In the end, he still had to rely on his grandfather, Gu Tiannan!

"Purpose? Of course, he had to find out the truth! If the darkness demon beast appeared in the mystic class sea, what kind of disaster would it cause? You opened the portal to the abandoned land without permission, and you still dare to deny your innocence?"

Jing Hua narrowed his eyes and smiled coldly. He had received news that Gu Tiannan had returned to the mystic division and would bring Lin Yi here to testify.

If he could not get rid of Gu Xiangdong before Gu Tiannan returned, he would not have another chance!

"Elder Liu! At that time, you were the highest person in charge of the abandoned land. It can't be that you still can't remember what happened, right?"

Liu Zhanggong, who was called out, laughed dryly and cupped his hands, ""Elder Jing, I've said this many times. When the passage opens, it'll be the most crucial time to resist the darkness magical beast tide. I really don't know what's going on."

Jing Hua and Gu Tiannan were at war, and Liu Zhanggong was neutral. If he wanted to side with either of them, Gu Xiangdong's matter would have been settled long ago.

"Elder Jing, I already said that Lin Yi opened the tunnel, but you're still holding on to me. The people in the sect know that you're targeting my Grandpa, but you can't be so shameless, can you?"

Gu Xiangdong seized the opportunity to mock him. As long as Liu Zhanggong did not tell the truth, the testimonies of the people below could not pin him down!

"In terms of shamelessness, who in the mountain sect can compare to your grandfather and grandson?"

Jing Hua retorted sarcastically, but in his heart, he was constantly plotting how to make Gu Xiangdong admit it.

As a last resort, he had no choice but to use torture! As long as he did not kill Gu Xiangdong, Gu Tiannan would not go crazy.

Unfortunately, before Jing Hua could carry out his torture plan, he found that Gu Tiannan had brought Lin Yi back to the mountain sect!

The opportunity ... Had been lost!

"Jing Hua, I'm not back yet, and you're already interrogating my grandson. You don't even have any respect for me!"

As soon as Gu Tiannan entered the hall, his aura burst out and he blocked Gu Xiangdong behind him.

"Grandpa, you're finally back. If you didn't come back soon, your grandson might not be able to see you again!"

Gu Xiangdong saw that his backer had returned and immediately put on a look of great grievance. He cried to Gu Tiannan, ""Jing Hua, that old man, interrogated my grandson like a criminal every few days, and couldn't wait to beat him up and make him confess! Grandfather, you must seek justice for your grandson!"

"What are you saying? How dare you call him Jing Hua? Do you still have any concept of hierarchy? You must call him elder Jing!"

Gu Tiannan lectured him, then looked at Jing Hua and said, ""Jing Hua, it must have been hard on you to take care of my unfilial grandson while I was away!"

"It's what I should do. No one can teach Gu Xiangdong. I can't just watch such an outstanding junior walk further and further on the wrong path, right?"

Jing Hua didn't back down, either, and taunted back. "Is this the Lin Yi you were talking about? Elder Gu must have spent a lot of effort to invite him here. Let's hear what he has to say first!"

Liu Zhanggong's eyes lit up when he saw Lin Yi. It felt weird, but Lin Yi's aura seemed to be stronger!

Naturally, Lin Yi had to stand up for her. "Actually, what I wanted to say has already been written in my testimony last time. There are no changes this time! I'm not a member of the mountain sect, so I don't know its rules ..."

"You think you'll be fine just because you don't know? You've broken the rules of our mountain sect, so how can we treat it as if nothing happened just because you don't know?"

Jing Hua's tone was as cold as ice as he glared at Lin Yi, his eyes filled with killing intent. "Young man, you'd better think clearly about what you're saying. Don't take the blame for others for some meaningless benefits. You won't even know how you'll die!"

A threat! It was a blatant threat!

"What do you mean, Jing Hua? Are you trying to intimidate the witness I brought?"

Gu Tiannan snorted and stepped forward to block Jing Hua's threat. "Do you think you can force the witness to change his testimony by using such lowly means? Why don't you be more straightforward and say what kind of testimony you want? just let the witness say it directly, okay?"

Chapter 6966 Elder Liu's Support

Lin Yi frowned. Threats were useless against him, but it made him unhappy!

If it weren't for Gu Xiangdong, Lin Yi might have retaliated. Now, he'd just let Gu Tiannan and Jing Hua fight each other while he watched from the side.

"Gu Tiannan, be careful with what you say. Are you saying that I'm abusing my power to take revenge?"

Jing Hua suddenly broke into a smile, looking rather honest. "You're wrong about that. I'm doing this for the sake of the public. If I can clear Gu Xiangdong's name, it'll be a good thing! Of course, the punishment for the perpetrator must also be carried out, or it won't be enough to serve as a warning for the future generations!"

Lin Yi hmped coldly in his heart. What the hell was this "honest" guy? this guy was a mountain donkey, he was a cunning bastard!

He actually retreated in order to advance and wanted to deal with him, using this to force him to change his testimony!

If he didn't do anything, he would have to face the revenge of the mountain sect and Jing Hua's faction. Moreover, they had the right to do so because he admitted that he had destroyed the transmission channel of the abandoned land!

"Jing Hua, don't go too far! Quit while you're ahead!"

Gu Tiannan frowned and snorted, "Lin Yi is a witness I personally invited. He's also under the watch of President Huang Yuntian. If you dare to touch him, the mystic Sea division's Alliance will fight back with all their might!"

The mountain sect's strength was indeed above all the other schools, but in the face of the entire Mystic division sea Academy Alliance, especially under the personal call of Huang Yuntian, they would have to think twice.

Jing Hua paused. From the news he received, Lin Yi and Huang Yuntian were indeed close friends. Perhaps Huang Yuntian would really help Lin Yi.

But so what?

"Gu Tiannan, you don't have to use Huang Yuntian to pressure me. Lin Yi broke the rules of our mountain sect, so it's reasonable for him to be punished by us. What right does Huang Yuntian have to seek revenge from us?"

Jing Hua smiled coldly as he looked at Lin Yi, "Therefore, I advise you not to use Huang Yuntian as your backing! Then, you'll be the scapegoat for some inexplicable people!"

"I've never treated President Huang as my source of confidence. If you want to make a move on me, then do it!"

Lin Yi's face was calm, not taking the threat to heart. "I'm still going to say the same thing. I opened the passage! But because of this, I've also saved so many of your mountain sect's lives. Are you trying to repay kindness with enmity?"

Jing Hua snorted disdainfully. What ingratitude? You actually want the mountain sect to thank you?

"Elder Jing, I don't think Lin Yi did anything wrong. From the results, he did save everyone from the abandoned land!"

Liu Zhanggong suddenly spoke up, clearly speaking up for Lin Yi, "Even if Lin Yi really did commit some crimes unknowingly, it's enough to make up for it-we shouldn't use this against him!"

"Elder Liu, why did you suddenly remember?"

A trace of anger flashed across Jing Hua's face. He obviously didn't expect the neutral Liu Zhanggong to suddenly side with his opponent. "Then can you tell me the truth?"

"Elder Jing, I don't remember anything. I'm not too sure what happened back then, but I don't think Lin Yi did anything wrong!"

Liu Zhanggong spoke carefully, indicating that he was only protecting Lin Yi and not supporting Gu Tiannan.

Although protecting Lin Yi was the same as supporting Gu Tiannan, the difference had to be made clear!

The neutral party will still be the neutral party. You guys can continue to fight however you want to, there's no need to hold back!

The rest of the mountain sect's higher-ups in the hall also joined in the debate. They divided into different camps and attacked each other according to the people they supported. If people who didn't know saw this, they would think that the mountain sect had already split!

Lin Yi was troubled, not understanding why Liu Zhanggong would protect him. Back in the abandoned land, she didn't have much of a relationship with him, but they did fight ...

Could it be that he felt that his talent was unparalleled and really wanted to take him in as a disciple?

He couldn't figure it out, so he decided not to guess and continued to watch the mountain sect fight.

After a while, the dust finally settled and the case of the abandoned land was closed. The previous sentence was maintained, Gu Xiangdong was not guilty and Lin Yi was no longer pursued!

This result was entirely due to the support of a lot of neutral forces, otherwise Lin Yi would really be targeted by Jing Hua!

"Good! Very good! You've all done well, just wait and see!"

Jing Hua's expression was extremely ugly. After leaving these words, he flicked his sleeves and left in a Huff.

The crowd dispersed, leaving only Gu Tiannan and his grandson, Liu Zhanggong, and Lin Yi in the hall.

"Lin Yi, you've done well. I like you, let's forget about the past and follow me from now on. I'll guarantee you a good life and endless glory!"

Gu Xiangdong regained his arrogance after the crisis was over. He even patted Lin Yi's shoulder and wanted to take Lin Yi as his follower.

Lin Yi slapped Gu Xiangdong's hand away, not giving him any face.

"Get lost! I'm only helping out of respect for your grandfather. Who Do You Think You Are? You still dare to ask me to work for you?"

Lin Yi said with a half-smile, his tone filled with disdain and mockery.

Who gave Gu Xiangdong the confidence to accept Lin Yi as his follower?

The corner of Gu Tiannan's mouth twitched. He was also embarrassed by his grandson's sudden idea ... Lin Yi was Huang Yuntian's brother, why would he be his follower?

After thinking about it, Gu Tiannan and Huang Yuntian were of the same generation, Lin Yi and Huang Yuntian were brothers, and Gu Xiangdong should be calling Lin Yi Grandpa ...

Of course, Gu Tiannan would never tell his grandson this. It would be too embarrassing!

"Kid, don't be so ungrateful! I'm talking to you nicely, but you're taking advantage of me, aren't you?"

Gu Xiangdong did not know the key point. He only felt a burning pain in his palm and was about to turn hostile on the spot!

Out of the blue, Gu Tiannan slapped him on the back of his head and growled, ""You brat, how can you talk to Lin Yi like that? Hurry up and go back to face the wall and reflect on your mistakes!"

Gu Tiannan was really afraid that his stupid grandson would offend Lin Yi. Jinghua had just left the house, and it wasn't long before he calmed down. What if something happened again?

Moreover, Lin Yi had Huang Yuntian's protection. If Gu Xiangdong really offended him, it wouldn't be a good thing for him!

Gu Xiangdong didn't know about this. He felt wronged after being slapped by his grandfather, but he didn't dare to resist. He could only glare at Lin Yi and leave.

"Lin Yi, don't stoop to the kid's level. It's all thanks to you this time. I hope we can get along well in the future, or at least be good business partners, right?"

Gu Tiannan laughed dryly and expressed his gratitude, ""This matter is over. If you want to leave the mountain sect, I can send you off first. By the way, is there anything that elder Liu needs?"

Chapter 6967 Request For Alchemy

Liu Zhanggong was standing at the side. Gu Tiannan was thinking about whether he could take this opportunity to pull him into his camp, so he spoke in a very gentle tone.

"Oh, elder Gu, you don't have to worry about me. I'm just an old friend of little friend Lin 's, so I just wanted to catch up with him. Elder Gu, if you have anything to do, go ahead. Just leave the matter of calling Master Lin to me!"

Liu Zhanggong's skinny face was full of smiles, as if he really was close to Lin Yi.

My young friend Lin?

Gu Tiannan's heart tightened as he looked at Lin Yi's face. He couldn't see anything wrong with Lin Yi's expression, so he left after saying a few irrelevant words.

"Elder Liu, thank you for speaking up for me just now. Let's not beat around the bush and get straight to the point!" The elder said.

After Gu Tiannan left, Lin Yi went straight to the point, ""If you want me to join the mountain sect, you don't have to say anything!"

This was to first eliminate Liu Zhanggong's idea of taking in a disciple and to show that he had no interest in the mountain sect.

As it turned out, Lin Yi was overthinking things. Liu Zhanggong no longer had any hopes of Lin Yi joining the mountain sect. What he was interested in was Lin Yi's ability!

"Master Lin, you're a straightforward person. I'll be direct then. I hope that Master Lin can help me refine a furnace of pills!"

Liu Zhanggong didn't waste any time. "There's nothing special about speaking up for me. It was just to show my sincerity. The payment for the pill refining will be paid separately!"

"So it's pill refining. No problem, what kind of pill does elder Liu want to refine? As long as I can make it, I won't refuse!"

Lin Yi smiled. This was giving him benefits! There's no reason to refuse!

He really didn't understand why Liu Zhanggong was so cautious. Do you think I'll think that there are too many benefits?

In fact, other than Lin Yi, the other refiners wouldn't just help people make elixirs for no reason, especially if they didn't have a good relationship with him. They wouldn't accept the difficult elixirs no matter how much they were paid-it'd ruin their reputation!

The reputation of an Alchemist was also very important!

An Alchemist with a high success rate would be sought after wherever he went, but an Alchemist with a low success rate would be a little embarrassed.

"Master Lin is indeed straightforward! This old man is deeply grateful!"

Liu Zhanggong was overjoyed. He quickly cupped his fists and said, "I heard that Master Lin can refine the void pill. What I want is just one void pill. I've already prepared all the ingredients, but there's only one set ..."

Speaking of this, Liu Zhanggong was a little nervous. He knew the difficulty of refining the void pill. It was really difficult to guarantee the success rate with one set of materials. The average Alchemist would probably refuse directly.

"Void pill? It's not that it can't be refined ..."

Lin Yi pinched his chin as he pondered. He couldn't hide the fact that he made the void pill in the Golden sea from people, so it wasn't strange for Liu Zhanggong to know. What he needed to think about now was how much he could get.

"However, elder Liu is still far from the time when he needs the void pill, right? Are you starting to prepare now?"

Liu Zhanggong's strength was at the middle stage of the sea Rift realm, which was five small levels away from the half-step heaven splitter. There was no need to rush to prepare the void pill.

Lin Yi asked casually, confirming Liu Zhanggong's urgent need for the void pill and deciding how much he wanted.

"To be honest, I don't need the void pill for myself. This is for an elder. I might have to trouble Master Lin in the future!"

Liu Zhanggong was honest-he felt that if he succeeded this time, Lin Yi wouldn't reject him if he asked again in the future, and the success rate would be higher.

"Ah ... So that's how it is. Elder Liu, you're really concerned about your elders."

Lin Yi smiled, wondering how much he should ask for in return.

Liu Zhanggong, naturally, wouldn't wait for Lin Yi to ask for compensation-that would be offending him! He pulled out a list and handed it to Lin Yi.

"Master Lin, please take a look. The items on this list are my gifts for you. I hope that they will be able to catch your eye."

On the list was a dazzling array of heavenly materials and earthly treasures. More than 90% of them were suitable for the mountain opening stage, and a small number were suitable for the earth opening stage. In addition, there were some spiritual crystals.

From this, it could be seen that Liu Zhanggong had anticipated Lin Yi's arrival at the mountain sect and had made full preparations.

Lin Yi nodded to himself, satisfied with the quality and quantity.

"What do you think, Master Lin? If you're not satisfied, we can still discuss!"

Liu zhangong was observing Lin Yi's expression, and couldn't see any change in it. He felt a little uneasy and asked carefully, "'I'm really not rich enough. I've neglected Master Lin ..."

"Elder Liu, you're too polite. We had a common enemy in the abandoned land and have some friendship. This will do!"

Lin Yi returned the list to Liu zhangong with a calm face. With these things, the mountain sect's trip was worth it!

Liu Zhanggong let out a breath of relief. He was really worried that Lin Yi wouldn't be satisfied with the reward-he'd be at a loss if that happened. There were some other things on the list, but giving him too much ... It'd hurt!

"It's good that Master Lin is satisfied. I wonder when it'll be convenient for Master Lin to refine pills?"

"As long as the materials are ready, we can start the furnace and refine the pills at any time!"

Lin Yi didn't have time to waste with Liu zhangong. He wanted to finish his business as soon as possible and go do what he needed to do. He didn't know when Ding Yi would suddenly appear in front of him.

"The ingredients have been prepared. If it's convenient for Master Lin, please move to the pill room that has been prepared for you to refine pills!"

Liu Zhanggong was happy-the sooner Lin Yi helped him with the pill, the more assured he was. He needed to have the pill in his hands to be at ease.

Lin Yi nodded, not objecting.

And so, Liu Zhanggong led Lin Yi to the elixir room he'd prepared. He was a mid-stage sea Rift master, but he was extremely humble and respectful at the moment, not much different from the waiter of a restaurant.

It couldn't be helped, a senior Alchemist was just that awesome!

Lin Yi's status alone was enough for him to be on the same level as most of the sea shattering Masters in the mystic division Sea area. He might even be more respected!

When they arrived, Liu Zhanggong gave Lin Yi all the materials and rewards he'd prepared. Whether the void pill was successfully made or not, it was all Lin Yi's now!

After Liu Zhanggong left, Lin Yi used his spirit sense to cover the entire room. After making sure there were no problems, he set up a defensive and shielding formation.

Lin Yi didn't feel at ease letting the news of his elixir refinement leak out in the mountain sect's territory, even though he didn't plan to refine any this time!

If he didn't refine pills, he also couldn't let others know!

Lin Yi still had five void pills left, so he just had to put on an act and delay for a bit.

There was only one set of materials. Although the Shennong cauldron could be used to refine the void pill, it would only produce one void pill at most. This was a huge waste. Once he gathered four sets of materials, he could refine another six void pills at once!

Chapter 6968 Wang Family Meeting

And so, in the time that followed, Lin Yi, who was pretending to be refining, calmed down and focused on his training. He also made some improvements to the Super alchemy bomb.

The power of the Super alchemy bomb was beyond doubt. Once it was condensed into a state beyond the control limit, it could easily kill an expert at the sea splitting stage. The only weakness was that it was too slow!

Lin Yi's super alchemy bombs now were either exploding in a single direction when he was close to them, or throwing them at mid-range like grenades. It was powerful, but in the eyes of Masters, the speed of grenades ... It was nothing!

Using this chance, Lin Yi tried to infuse the wind element into the Super pill fire bomb!

The Super pill fire bomb was originally a hodgepodge. The process of fusing wind into it was unexpectedly smooth. The fire borrowed the power of the wind, and the wind aided the fire. After it was completed, the power of the Super pill fire bomb actually increased by another level.

The most important part was not the increase in power, but the increase in speed!

After the Super pill fire bomb left Lin Yi's hand, it became tens of times faster with the help of the wind and Lin Yi's powerful spirit sense. The grenade was completely transformed into a guided missile with a precise guidance system!

This was an out-and-out super killing weapon!

The only small problem was that it took a little longer to condense. After all, he had to add the power of the wind into it, so he couldn't do anything by sacrificing some completion speed.

Fortunately, the increase in power was enough to offset this time. At most, it would only reduce the power a little quickly, but it was still more powerful than the original super alchemy fire bomb.

Lu Yongming didn't stop attacking Lin Yi even when he was pretending to be refining.

Gu Tiannan and Huang Yuntian both stood up for Lin Yi, and this made Lu Yongming extremely angry. He could only admit defeat, but he would never admit defeat!

Otherwise, as the principal of a top school, where would he put his face? How would people look at him when he went out in the future?

A Dean couldn't even handle a month's worth of students?

Since he couldn't deal with Lin Yi in the open, he would find a chance to deal with the people around Lin Yi in the dark, like Ning Xuefei!

Not only was the original God's favored daughter sent to the mine to mine, Lu Yongming also ordered people to cause trouble from time to time, not letting Ning Xuefei have any time to relax.

Other than that, Lu Yongming also sent people to investigate the relationship between Gu Tiannan, Huang Yuntian, and Lin Yi. In these two days, his people actually contacted the mountain sect, Jing Hua's faction!

"Dean, this is the news from the mountain sect!"

Lu Yongming was in the director's office, his confidant was reporting the information from Jing Hua.

"Hahahaha, so that's how it is. Lin Yi, that little bastard, only hooked up with the mountain sect people after he got abandoned!"

Lu Yongming laughed out loud, but his face was full of hatred. "Other than Lin Yi, did anyone else go to the abandoned land with him?"

Ordinary people in the mystic division Sea area might not have heard of the abandoned land, but the higher-ups of the major Academies and aristocratic families actually knew about it. It was similar to the existence of a sect.

Ordinary people did not know that the strength of the sect was above that of the aristocratic families in the Academy, but the middle and upper echelons of the various families were almost all clear about it. At that level, these were no secrets!

"Yes, there are indeed a few people with Lin Yi, and I heard that they're all students from the Wushuang school. One of them is the Wang family's Queen Shi Qing, and the other two are the brothers Yun hunyun and Yun mochen. But in the end, only Lin Yi and Wang shiqing left the abandoned land-the two Yun brothers didn't come out!"

Lu Yongming's confidant was very good at doing things and had already found out about these things, so Lu Yongming was very satisfied with this.

"The Wang clan, a formation clan?"

Lu Yongming furrowed his brows. This was a clan with a transcendent status. Even though he was the headmaster of The Clearwater School, he didn't want to rashly provoke the Wang clan. "Is that Wang shiqing in the Wushuang Academy or the Wang family?"

Lu Yongming didn't want to mess with either the Wang family or the peerless school, but he had to ask Wang shiqing about the situation in order to deal with Lin Yi.

With his status as the headmaster of the clear flow school, he should still be able to maintain his reputation!

"She should be in the Wang family. Something happened to the Wang family recently, and the disciples who were traveling have all returned to the family. Wang shiqing should be no exception, right?"

Although he wasn't too sure, this trusted brother of his was still very confident!

"Then let's make a trip to the Wang clan and pay a visit to the talismans clan!" Wang Chong said.

Lu Yongming pondered for a moment and immediately decided to go to the Wang family to find Wang shiqing!

When Lu Yongming arrived at the Wang family, Wang shiqing was being criticized by the elders!

The reason was naturally Lin Yi!

After Lin Yi's yuan spirit left house Wang, he did so many things and even went to the mystic division Sea area's entrance exam to confront Lu Yongming. If house Wang still didn't know about this, then they'd really be idiots!

"Xiao Qing, you've really disappointed us! How did Lin Yi escape? What's up with that Lin Yi who stayed with house Wang?"

The third elder tugged at his long beard, his face full of heartache. "Hurry up and tell us the truth, or things will get more and more troublesome!"

"But Xiao Qing really doesn't know!"

Wang shiqing had an innocent expression on her face. Her big eyes blinked and she looked like she was about to cry, which made people's hearts ache.

Unfortunately, she was facing the elders who had watched her grow up. This little trick was completely useless!

"Alright, since you don't know anything, we don't need to worry about it anymore. We'll just go and destroy Lin Yi completely, and get rid of all traces!"

The third elder's eyes flashed with ruthlessness as he grinned. "Everyone knows that Lin Yi just joined this year's student recruitment. If we get rid of him here, it'd be unreasonable for Feiyang school to come looking for us!"

The meaning of his words was that the dead could not testify! The whole world knows that Lin Yi is out there, and you're asking house Wang for him? Are you trying to bully our Wang family?

As far as he was concerned, the one Lin Yi left behind, whether it was a clone or some other trick, would be a heavy blow to Lin Yi if destroyed.

"No, no, no!"

Before Wang shiqing could object, the fourth elder of the elder Council spoke first, "No matter what Lin Yi did to escape, he'll definitely come back for the Lin Yi He left behind. We'll return him then and there's still room to turn things around, but if it's ruined ... Then we'll completely fall out with each other!"

House Wang wouldn't be afraid of Lin Yi alone, but the problem was that Lin Yi wasn't the same as he used to be. Not only did he have the Feiyang college, but he also had the president of the college Alliance, Huang Yuntian, and the mountain sect elder, Gu Tiannan!

None of them were inferior to the Wang family!

Chapter 6969 Dean Lu Visits

"Yes, yes, yes! Big brother Lin Yi is a good person, as long as we return his body to him, there won't be a problem. Plus, big brother Lin Yi is a good friend of big brother, and he's also a good friend of little Qing, he won't hold our family against us!"

Wang shiqing quickly nodded in agreement. She promised Lin Yi that she would take care of his body. If it was destroyed by the third elder, how could she face Lin Yi big brother in the future?

"Childish! Who do you think Lin Yi is? As far as I know, he's a cold and ruthless person who will seek revenge for the smallest grievance! We've already offended him, so it's impossible to shake hands and make peace with him!"

The 3rd elder glared at him and rebuked him, his expression somewhat agitated. "If Lin Yi was still a small student of the Feiyang school, our family's kindness might be of some use, but now that he has a strong backing, he'll definitely come for us without mercy if he's caught!"

The so-called pain was naturally Lin Yi's body that was left in house Wang!

"Therefore! The best option is to destroy our Lin Yi and deny everything-we can't let anyone know about this! This way, even if Lin Yi has the help of the Feiyang school, the Alliance of schools, and the mountain sect, he won't dare to do anything to house Wang. Otherwise, the entire Mystic division Sea area will become his enemy!"

The third elder's long beard fluttered in the wind as he spoke with fervor and assurance. What he said was quite reasonable. "If I listen to you and return Lin Yi to him, it wouldn't be a human, but an excuse! An excuse for the three great powers to besiege our Wang family! Do you want to be the sinners of the Wang clan?"

"You can't say that. Lin Yi knows what's going on. If we really do that, we'll have to fight to the death in the future. Not to mention the three forces, just Lin Yi himself, how many people have you seen such a genius?"

The fourth elder did not give up and continued to argue. "Even if the three forces don't make a move this time, with Lin Yi's potential, he could destroy the entire Wang family in the future!"

"That's right, that's right, fourth elder is right, big brother Lin Yi's potential is really strong. When he grows up, he'll definitely be a terrifying existence. It'd be best if we could become friends with him, at least not enemies. "

Wang shiqing nodded in support of the fourth elder's words, hoping to save Lin Yi's body, "Don't worry, everyone. Lin Yi big brother holds grudges against his enemies, but he's very kind to his friends. Xiao Qing and big brother are both his friends, so I'll make him a friend of our family!"

"Shut up. Do you have the right to speak here? This is all your fault, you little brat! If it weren't for your help, how could Lin Yi have escaped from house Wang?"

The third elder berated Wang shiqing without any trace of politeness, completely losing the pampering he had shown to the little princess of the Wang family, "One of the main purposes of today is to criticize you. You have to correct your attitude too!"

Wang shiqing pouted and didn't dare to argue.

Wang shiqing had rich experience in this, and she knew that it was better not to add fuel to the fire. She didn't want the third elder to destroy Lin Yi's body now.

However, just because Wang shiqing didn't say anything didn't mean that the criticism was over. Some of the higher-ups who supported the third elder started to criticize Wang shiqing.

If it was in the past, any mistake Wang shiqing made would at most be labeled as a troublemaker, but now, it was more of a crime!

If things didn't go well, Wang shiqing would be the sinner of the Wang family!

Even Wang dingtian, the master of the family, could only frown and let it go. He couldn't argue for his daughter.

Only in this way could he be given a lighter sentence when he was finally convicted.

As for the fourth elder's faction, which Wang shiqing supported, they wanted to return Lin Yi's body and get back together with him, but they were in the same position as the others when it came to criticizing Wang shiqing!

At this time, Lu Yongming came to visit Wang shiqing and said that he wanted to see her, temporarily putting an end to the criticism.

Wang shiqing let out a sigh of relief, feeling as if she had been revived from drowning in her own saliva. She even had a good impression of Lu Yongming, who had saved her, but unfortunately, this good impression quickly disappeared!

Lu Yongming's status was clear for all to see, the Dean of clear flow school!

It was only right for Wang dingtian to welcome him in person when he visited. Therefore, he was soon led to the guest hall of the Wang family, accompanied by Wang dingtian and the third elder.

Of course, Wang shiqing, who was called out to meet him, also followed him and stood obediently to the side.

After a few polite words, they went straight to the main topic.

"Brother dingtian, I'm here to ask your daughter a few questions. I'm really sorry to have troubled your mansion!"

Lu Yongming's words were still quite polite. After all, he had a request to ask. "If there's anything that's inconvenient for you to answer, please speak frankly!"

"You're too kind, Dean Lu. Please don't hesitate to speak your mind. Although Xiaoqing is a mischievous girl, she'll definitely tell you everything she knows!"

Wang dingtian said with a smile, "For Dean Lu to personally come, it must not be a small matter, right?"

"It's not a big deal. I'm sure brother dingtian and third elder have heard about The Grudge between me and Lin Yi, right?"

Wang dingtian and the others immediately understood when Lu Yongming mentioned Lin Yi.

Of course, they knew that The Clearwater School had colluded with other schools to deal with the Feiyang school. In fact, the Wang family was also on Lu Yongming's list of allies.

It was just that house Wang didn't know that Lin Yi had returned to Feiyang school at the time. They thought that Lin Yi was still under their control, so they didn't join the school because they thought that they would be looking for trouble if they went to Feiyang school.

"I've heard of it! Could it be that Dean Lu is here for the matter from last time?"

The third elder pondered for a moment and slowly said, ""But from what I know, Gu Tiannan from the mountain sect already proved Lin Yi's innocence in the last operation, right?"

Because of Lin Yi's escape, house Wang had put in a lot of effort in gathering information, so they had a pretty comprehensive understanding of the situation.

"That's right, there is such a thing!"

Lu Yongming didn't want to deny it, "but I thought that Lin Yi bribed Gu Tiannan to get it. It's not the truth, so I came to your house to find the Miss to confirm some things."

The third elder's mind moved like lightning-Lu Yongming's hatred towards Lin Yi was undeniable. Even with Gu Tiannan and Huang Yuntian stepping in, he still wanted to deal with Lin Yi without backing down.

This was good news for house Wang-having one more powerful ally was better than house Wang taking on Lin Yi's revenge on their own!

Chapter 6970 Just Wanted To Say Hello

Apparently, Wang dingtian had thought of this as well. He said to Wang shiqing, ""Xiao Qing, if Dean Lu has any questions, just answer them truthfully and don't hide anything, understand?"

After that, Wang dingtian winked at the third elder. The two of them communicated with each other through their eyes and expressions.

Wanwan dragged Lu Yongming from the clear stream Academy into the water and made him the Wang family's shield?

Yingluo should be like this, you decide how to operate it!

Lu Yongming didn't know that he had become the target of the Wang family's scheme, and he was trying to speak to Wang shiqing with a gentle expression.

As cunning as Wang shiqing was, she didn't know that Gu Tiannan was trying to get Lin Yi out of the situation, so she could only briefly explain her encounter with Lin Yi.

Of course, it was under the premise that Lu Yongming asked a question. Wang shiqing would answer whatever he asked, and she would never say anything more.

Even so, it was enough for Lu Yongming to be sure that Gu Tiannan was lying!

Lin Yi didn't go to the mountain sect after he left the fire's dimension, but to the heavenly formation sect!

Since Gu Tiannan was lying, Lin Yi was still the biggest suspect for killing his grandson. He couldn't let him go!

"Thank you, miss Wang, for clearing up my doubts. I can finally confirm once again that Lin Yi is my grandson's murderer! This hatred is absolutely irreconcilable!"

Lu Yongming gritted his teeth and barely suppressed the anger in his heart. After all, this was the Wang family's territory, and it wasn't appropriate to be too irritable.

"Dean Lu, there's something that I find a little strange."

The third elder casually mentioned Lin Yi's body, "Have you really seen Lin Yi recently?"

"Third elder, what do you mean? How could this be fake? Didn't you all receive the news as well? what's so strange about that?"

Lu Yongming slightly raised his eyebrows and looked at the third elder in confusion. ""Could it be that I shouldn't have seen Lin Yi?"

"It really shouldn't be! Because Lin Yi has always been with house Wang!"

The third elder looked puzzled, as if he really couldn't understand it. "After leaving the abandoned land and sending Xiao Qing back to house Wang, Lin Yi's injuries broke out and he's been in a coma. He hasn't woken up until now, why would Dean Lu meet him?"

Wang dingtian praised him in his heart, thinking that the third elder was really good at making up lies!

He told Lu Yongming that house Wang had Lin Yi in their hands, but also made the relationship between house Wang and Lin Yi unclear, making Lu Yongming unable to tell if they were friends or enemies.

"How is that possible? Lin Yi was a member of the recruitment team, and he even went to the Golden class Sea area, where he created a storm. How could he be unconscious in your house?"

Lu Yongming laughed. His first reaction was to shake his head in disbelief. But after seeing the serious look of Wang dingtian and the third elder, he wavered. "What third elder said ... Is it true?"

"Naturally, there is such a thing! If Dean Lu doesn't believe me, you can see it for yourself!"

After the third elder finished speaking, he stood up and walked to the door. "Someone, bring Lin Yi here, be careful!"

Lu Yongming was suddenly bewildered and confused. He didn't understand what was going on.

Why were there two Lin Yis? One was unconscious in the Wang family, while the other was wandering around outside!

Wang shiqing's face was pale, and she couldn't help but say, ""Why did you guys bring Lin Yi bro here?"

Lu Yongming clearly didn't have any good intentions towards Lin Yi-what good would it do if he saw Lin Yi's body?

The third elder's intention was obvious now. He wanted to kill with a borrowed knife!

If Lu Yongming did it, Lin Yi would have an explanation when he came looking for him!

"Xiao Qing, there's nothing for you to do here. Go back to your room and don't be so stubborn. Otherwise, father will teach you a lesson!"

Wang dingtian waved his hand to let Wang shiqing leave with a stern face.

Of course, Wang shiqing wouldn't listen to him, so she started to argue with Wang dingtian.

The father and daughter didn't even have time to explain when Lin Yi's body was sent over. Lu Yongming saw it and immediately pounced on it with a ferocious face!

"Lin Yi, you little bastard! It's you!"

At the same time, a palm with the force of a Thunderbolt slammed towards Lin Yi, wanting to kill him in one blow!

"Hey, calm down, Dean Lu. I'm asking you to take a look at Lin Yi, not to kill him to vent your anger!"

The third elder blocked Lu Yongming in time. Although he was using a borrowed knife to kill someone, he still had to show some attitude so that Lu Yongming wouldn't notice something was wrong afterwards.

"My apologies, third elder! This old man was too impetuous!"

Lu Yongming secretly felt that it was a pity, but in the face of the Wang family's third elder, he could only stop. "It's indeed Lin Yi, and his aura is the same. Third elder said he's been unconscious the whole time?"

"That's right. The strangest thing is that although he has been in a coma for a few months, there is no abnormality at all. If he was an ordinary person, his body would have shrunk a little."

The third elder moved aside so Lu Yongming could see Lin Yi's condition, "Dean Lu, you're very knowledgeable. Do you know the key to this?"

"Why are there two Lin Yis? Two Lin Yi's ..."

Lu Yongming suppressed the killing intent in his heart and thought hard. Suddenly, an idea flashed through his mind, and he excitedly exclaimed, "I understand! The Lin Yi they met earlier was still Lin Yi, but he was in Yuan spirit form! No wonder I felt that something was wrong!"

In fact, the Wangs had their own guesses as well. Wang shiqing didn't say it out loud, but when she heard that Lin Yi was out there, she understood a little.

However, no one could believe that Lin Yi's essence spirit was this strong, able to pass off as the real one and travel the world in an essence spirit form, even using the strength of his original body!

Lu Yongming, who'd seen Lin Yi's soul before, didn't want to believe it when he saw Lin Yi's body, but he had to admit that this was the only explanation!

"Can Dean Lu be sure? Lin Yi's yuan spirit is that strong?"

The third elder didn't believe it, and turned to look at Lin Yi's body. "Even so, what's the point of Lin Yi leaving his body behind to pretend to be unconscious in our house? Could it be that they are plotting something against our Wang family?"

Wang dingtian was a bit embarrassed when he heard this. The third elder was indeed shameless. He could easily distort the truth!

Wang shiqing felt that something was wrong. She wanted to get closer to Lin Yi and take his body, but Wang dingtian came to her and lifted her up by the collar.

"Little Qing girl, are you not listening to your father's words anymore? How many times do I need to tell you to go back to your room?"

Wang shiqing immediately put on an innocent smile. "Father, I'm just going back to say hi to Lin Yi bro. I can't do this, can I? It won't take much time!"
