

## Bodyguard 7381

### Chapter 7381 Something's Indeed Wrong

Using his soul consciousness to check, he found nothing in front of him. "I'm going to the other side. You four go together. Be careful!" Don't be careless!"

Lin Yi was still worried, but there wasn't much he could do other than let the four of them huddle together for warmth. "If there's anything wrong, retreat immediately and we'll discuss it!"

Ling Hanxue and the others nodded in agreement. Only Chen Zhisheng snorted and said, "With me here, no one can hurt little Xue! You should be careful!"

Lin Yi looked at Chen Zhisheng strangely. This guy's confidence was off the charts!

It seemed like he had gone all out to pursue Ling Hanxue!

Without saying anything, Lin Yi waved his hand and passed through the city, running to the tunnel on the other side. After a while, everyone was in their positions, waving and saying hello from afar, and rushing into the tunnel at the same time.

According to what Cai lingying said, Lin Yi should have met Ling Hanxue and the others along the way. The tunnel was only about ten kilometers long, but Lin Yi could see the light ahead. The exit was just ahead!

Where was he?

Lin Yi's heart skipped a beat-he panicked! Could it be that Ling Hanxue and the other three had also disappeared?

The thought flashed through Lin Yi's mind before he rushed out of the tunnel. The city was still in front of him!

The position they were at was the passageway that Ling Hanxue and the others had entered from!

Cai lingying was right-Lin Yi did come here from the opposite tunnel, but where were Ling Hanxue and the others?

Lin Yi subconsciously wanted to go back into the tunnel, but he forced himself to stop.

Because he was worried about Ling Hanxue and the others, Lin Yi knew that his speed was faster. Perhaps Ling Hanxue and the others were still in the tunnel and would come out soon?

Although he didn't know the reason, there was still a possibility that he had been staggered by the formation!

Lin Yi was panicking, but he forced himself to calm down and wait patiently at the entrance. At the same time, he thought about all the possible situations that might happen and tried to find a solution.

Not long after, two people rushed out from the right side of the cave-it was lingying and chongtian. They were quite a distance away, but Lin Yi could still feel the surprise on lingying's face.

Half a minute later, there were silhouettes flashing at the other end of the tunnel. Lin Yi relaxed, thinking that Ling Hanxue and the others had come out. He didn't expect that only two people came out, Cao Yunqing and the other azure water sect disciple!

It was not Ling Hanxue and the other three?

Lin Yi turned his head to the only empty entrance, the one where lingying and chongtian had entered.

Would Ling Hanxue and the others come out from there?

Lin Yi didn't wait any longer and rushed over. Cai lingying and Cao Yunqing also started moving to the same location.

When Lin Yi got close to the entrance, Ling Hanxue and the others finally rushed out, unscathed!

With that, Lin Yi was finally at ease, and a faint smile appeared on his face. He didn't find the way out, but as long as the person was fine, everything was fine.

"Senior Sister Cai, these passages are very strange. What do you think?"

After everyone had gathered, Lin Yi looked at lingying calmly. "Now we've confirmed that no matter which path we enter from, we will still end up returning to this city, but we definitely won't encounter people who enter from other directions."

"It's indeed very strange. I'm also at a loss on what to do!"

"Maybe there's some kind of trap. If we don't crack it, it'll be hard for us to get out!" Cai lingying shook her head helplessly.

Lin Yi frowned-it wasn't an illusion this time, it was more like a spatial distortion.

He didn't notice it when he was running in the tunnel, but now that he thought about it, if there was a small misdirection in the space, it would cause the current outcome.

"Junior Brother Sima, do you want to try again? This time, everyone, slow down and check carefully if there are any abnormalities in the passage. "

Cai lingying didn't have a better idea, so she could only suggest.

"It's good to try again! However, this time, our people from the sword spring sect will act together and will only enter one passage. As for the rest, Senior Sister Cai, you guys can do as you see fit!"

Since Lin Yi suspected that the space had been tampered with, there was no need for him to separate from Ling Hanxue and the others.

It wasn't an overstatement to say that apart from him and that damn thing, no one else present had the ability to crack spatial techniques.

Since that was the case, it was naturally better to bring Ling Hanxue and the other three along. They could leave at any time once they found the exit.

Cai lingying opened her mouth slightly, wanting to say something, but in the end, she didn't say anything. She could only nod and agree.

In the end, Lin Yi's group of five entered the tunnel, while Cai lingying and Cao Yunqing, the two early-stage nascent soul cultivators, each took one entrance. Chongtian Huang and the other two entered the last one.

Lin Yi led Ling Hanxue and the others into the tunnel.

This time, Lin Yi intentionally slowed down his speed and used his spirit sense to cover the entire tunnel, searching for any possible abnormalities.

After searching for two hours and walking for nine kilometers, Lin Yi still didn't find anything.

However, according to his experience, the tunnel should be ending soon, and Lin Yi's spirit was a little tired.

It would be very difficult for a normal person to maintain such a detailed search method. It would be good if there was a discovery, but the key was that there was nothing. People with weak willpower might collapse if they did this.

Luckily, it was Lin Yi-anyone else would've crumbled a long time ago.

Ling Hanxue and the others didn't know that Lin Yi was using his spirit sense to explore. They were carefully observing every corner of the tunnel, afraid that they would leave any valuable clues behind.

During this process, only Chen Zhisheng seemed to be disapproving, occasionally showing a trace of disdain and gloating expression, as if he thought that Lin Yi as the leader was useless and lost face in front of Ling Hanxue.

Lin Yi's spirit sense naturally caught Chen Zhisheng's expression, but he didn't care. Chen Zhisheng's brain circuit was strange enough anyway, there was no point in fussing over this!

He was about to reach the exit when he suddenly stopped!

"Senior brother, what's wrong? What did you find?"

Ling Hanxue wasn't paying attention and almost bumped into Lin Yi's back. She quickly stopped and changed her position, looking around carefully, ""What's wrong with this place?"

"Something is indeed wrong!"

Lin Yi's lips curled into a smile. "Perhaps this is the answer we're looking for!"

In the center, there was a space the size of a fingernail. It was truly empty!

Chapter 7382 Su Yumo Who Turned Into Ice

In the surrounding space, there was dust that was invisible to the naked eye floating and moving. Only that fingernail-sized space was like a vacuum, without a trace of dust!

If it wasn't for Lin Yi's spirit sense, no one would have noticed this.

Even if Lin Yi used his spirit sense to scan it, he wouldn't pay much attention to it.

Because the dust in the air was not static, it was not strange for a dust-free vacuum to appear occasionally!

Space scale!

Lin Yi didn't hesitate to use the ghostly thing's spirit power to activate the spatial scale, forcibly expanding it out from that point.

The space in front of them started to shake and shatter. Ling Hanxue and the others stared at everything that was happening in front of them with their mouths agape. They could not imagine what had happened!

If it was an illusion, then this time it was more real than the previous illusionary realm shattering. Every shattered space fragment had a terrifying fluctuation!

Ling Hanxue had no doubt that if she touched it, she would most likely be cut in half without any resistance, like tofu coming into contact with a blade!

Chen Zhisheng's expression was serious as he secretly sized Lin Yi up. No one knew what he was thinking, but his eyes flickered as if he was annoyed at Lin Yi for being in the limelight.

This change seemed complicated, but in fact, in the time it took for a spark to fly off a Flint, the passage in front of them had undergone a huge change!

The originally straight passage had turned into a three-way fork.

"Senior brother, what's going on? Why did the other two passages suddenly appear?"

Zhang Yiming exclaimed in surprise, ""Could it be a new illusion? But it doesn't feel like an illusion!"

"An illusion that can be sensed by you is not an illusion!"

Jin Yuan Bao scoffed at Zhang Yiming's words, ""This must be eldest senior brother's unparalleled skill. He used his will to open up the exit here."

Lin Yi's mouth twitched. Young man, you're pretty full of ideas! It was such a waste of talent not to write web novels!

"Actually, the passage here has always existed. It's just that there's a layer of camouflage."

Lin Yi explained casually. He didn't need to tell them about something as profound as space folding since they wouldn't understand it anyway, "Of these three passages, one is for us to go around in circles in the other cities. The other two should have a path to the ghost Yin mountain range. As for the last one ... I'm not sure!"

Lin Yi turned to Ling Hanxue. "Sister Xue, which path do you think we should take?"

In other words, it was time to show your womanly instincts again!

Ling Hanxue's brows furrowed slightly as her eyes darted back and forth between the three passageways. To be honest, she could not tell which one was going in circles, let alone the real way out.

He really had to rely on his intuition!

"I think ... We should try this one!"

In the end, Ling Hanxue chose the path in the middle, but she did not have much confidence. ""If it doesn't work, we'll try something else later ..."

Lin Yi couldn't help but smile-was he going to have to resort to this stupid method of testing things one by one?

"Good! Then we'll take the middle one! I believe that sister Xue's intuition must be very accurate!"

Lin Yi knew that the left side was the one that had been going in circles the whole time, and Ling Hanxue's decision to not choose the left side was proof enough that a woman's intuition was quite reliable!

Zhang Yiming and Jin Yuan Bao had no problem with that. As long as it was Lin Yi's decision, they would support it unconditionally.

Only Chen Zhisheng secretly pouted, seemingly disapproving.

The five of them walked along the passageway in the middle, and before long, they arrived at a huge Rocky space.

This place should be in the belly of a mountain. The dome inside was covered with stalactites hanging upside down, and the ground was also scattered with strange rocks. There were also some puddles formed by water droplets.

The most eye-catching thing was the silver-white ice on a huge rock in the middle!

"Su Yumo!"

"Su Yumo!" Lin Yi exclaimed. He didn't expect su Yumo, who he couldn't find, to be here, sealed in ice.

What was going on?

"Be careful, everyone!"

Lin Yi reminded in a low voice, then carefully spread out his divine sense. He sped up and jumped through the rocks, quickly approaching su Yumo who had turned into ice.

With his divine perception, he could still sense su Yumo's heartbeat and pulse. However, the rate was extremely low, as if she had fallen into hibernation. However, this at least meant that she was still alive.

Lin Yi felt a lot more at ease now that he knew this.

Just as Lin Yi was about to reach the rock, a familiar chirping sound rang out, followed by a few invisible waves.

The Jade space sent out a warning signal, and Lin Yi didn't have time to think. He pulled out the demonic devour sword and pushed the green Devil sword technique to its limit, barely blocking the invisible attacks.

Even so, Lin Yi couldn't help but break out in cold sweat!

If it wasn't for his quick reaction, someone in this team would have died if he was just a little slower!

"Who's there? Come out!"

Zhang Yiming couldn't help but shout, "what's the point of hiding?" If you have the guts, come out and fight me one-on-one!"

"Zhang xiaopang, just forget it. He's out. If you go up, you won't be fighting one-on-one. You'll be sending yourself to death!"

Jin Yuan Bao didn't forget to mock Lin Yi-from the sound of the sneak attack, the enemy wasn't weak at all. They might even be stronger than Lin Yi! Zhang Yiming's so-called 1v1 was just a piece of cake!

"You two, shut up!"

Ling Hanxue was nervous, and she could not help but berate him in a low voice, ""You're still in the mood to joke at a time like this!"

Lin Yi raised the demonic blade in his hand and locked his eyes on a certain spot on the rock.

The space on the other side suddenly twisted slightly, and then slowly calmed down.

If one didn't pay attention, no one would notice the abnormality.

"Be careful, there's a powerful spirit Beast of Darkness here!"

Lin Yi reminded in a low voice as he locked his eyes and spirit sense on the target, not daring to be careless at all."Pay attention to your surroundings. It seems to have some spatial abilities."

Hearing Lin Yi's words, Ling Hanxue and the others automatically formed a small circle, back to back, defending.

This way, there was no danger of being ambushed from behind.

"Eldest senior brother, a spirit Beast of Darkness that has spatial abilities? Are you sure?"

Ling Hanxue had goosebumps all over her body-this was her reaction when she felt extreme danger. Although she was asking Lin Yi, she already had some confirmation in her heart.

Lin Yi replied softly, not daring to let his attention wander.

"Senior brother Sima, darkness spirit beasts usually don't have any particularly powerful abilities. Space ... Could there be a mistake somewhere?"

Zhang Yiming's back was facing Lin Yi, still in disbelief.

Chapter 7383 Chen Zhisheng Jumping Up And Down

Under normal circumstances, the darkness spirit beast's physical body was relatively strong, and it was enough to crush human cultivators of the same level. However, it was very difficult for it to have the ability to release its anger, let alone the mysterious spatial ability!

Lin Yi knew this as well-so this dark spirit beast in front of him was one of the special types?

Could it be related to the darkness magical beasts?

"Lin Yi, be careful. The dark spirit beast you're facing is similar to the illusionary night demonic cat and the black wind beast you've met before. Those two may not be the strongest in direct combat, but they're very good at using their special abilities."

The ghostly thing's voice confirmed Lin Yi's guess."If I'm not wrong, it can create illusions and has spatial abilities. It's a weaker combination of the illusionary night demonic cat and the black-scaled wind beast. If you're not careful, you might fall for it."

"Thank you, senior ghost, I understand!"

Lin Yi nodded to himself. He finally understood why they were sent into the tunnel on the cliff and fell into the illusion in the city. The culprit was right in front of them.

"It's useless to just understand. If you want to deal with this guy, you can't be soft-hearted! You must go all out and pursue a one-hit kill!"

The thing wasn't trying to educate Lin Yi, it was reminding him to use his full strength."You can borrow a part of this old man's spiritual energy first, then use the spatial scale to lock it down, and then use the soul snatching hand to deal with it! This is the safest plan, but it will be a big burden on your primordial spirit. Whether to carry it out or not, it's up to you!"

Lin Yi's essence spirit hadn't recovered yet, and using the space scale once was already very uncomfortable. If he had to use it again with the soul-hooking hand, it would be too much of a burden!

The demonic thing's spirit sense was strong, but Lin Yi couldn't use it all in his current situation!

Because Lin Yi's essence spirit was damaged, if he borrowed too much spirit power, it would exceed the limit of his incomplete essence spirit and his essence spirit might collapse!

So when it wasn't necessary, Lin Yi didn't want to use the ghostly thing's spirit power. The ghostly thing would also restrict Lin Yi from using its power.

However, in the face of this darkness spirit beast that had the ability to create illusions and space, the ghost had no other way.

Lin Yi used his spirit sense to scan the ice on the rock and made a decision!

Su Yumo might have sealed herself in ice to avoid the attacks of the darkness spirit beasts. However, no matter how much of an ice-attribute she had, her core would be damaged if she stayed in the ice for too long!

He had to save su Yumo as soon as possible!

A quick battle! Go all out!

"Senior ghost, I'll have to borrow your spiritual energy for a bit more!"

Lin Yi said in his sea of consciousness and activated his spatial scale, wrapping up the location that his consciousness had locked on to.

A large pile of folded fragments suddenly appeared in that space, and at the same time, the spirit Beast of Darkness was revealed.

A Black owl-like animal let out a cry and spread its wings, trying to break through the space scale to escape, but Lin Yi didn't give it any chance!

The soul-snatching hand was activated, and a huge invisible hand descended. In an instant, it appeared above the Black Owl.

The Black Owl seemed to have sensed danger, and its cry became more and more shrill. Unfortunately, it tried its best to break through, but it could not break through the spatial scales.

Although it had the ability to manipulate space, it was still too weak compared to the spatial scales that Lin Yi and the damn thing created!

If it was a Dark Beast, the black-scaled wind beast, it could easily tear through Lin Yi's space scales, but the owl wasn't a Dark Beast!

However, at this critical moment, Chen Zhisheng, who was behind Lin Yi, suddenly shouted and rushed out with his sword, ""Evil beast, how dare you be so arrogant here. Watch how I'll deal with you!"

Chen Zhisheng bumped into Lin Yi as he rushed out!

Lin Yi's attention was completely focused on the Black Owl, and he didn't expect Chen Zhisheng to be so active. Caught off guard, Lin Yi's body suddenly tilted to one side, and the soul-seizing hand was also diverted a little, sliding past the Black Owl's body!

It missed!

Lin Yi almost vomited blood, but he couldn't blame Chen Zhisheng.

The hand was invisible, and no one knew what Lin Yi was doing-how could they blame him for interrupting?

Chen Zhisheng didn't know that he'd interrupted Lin Yi's killing move. He flashed and appeared next to the Black Owl. He let out a loud cry and slashed down with his long blade.

Pig-like teammate!

Lin Yi cursed in his heart, but it was too late to stop him!

Just now, when he had activated the soul snatching hand, in order to use his spiritual energy to attack, he had slackened the maintenance of the spatial scales.

However, if there were no accidents, it would not affect the overall situation, because the Black Owl was already dead.

But then, something unexpected happened-the hook missed, and Lin Yi's body slanted to the side as his control over the spatial scale loosened up again. The Black Owl's constant ramming into the spatial scale was wearing it down, and it was on the verge of collapse.

Chen Zhisheng's seemingly powerful blade would not have any effect on the space scale under normal circumstances, but at this time, under the effect of many factors, it became the last straw that broke the camel's back!

The space scale was shattered!

The Black Owl let out a sharp cry, flapped its wings, and disappeared!

Lin Yi's spirit sense could still catch its movement, but he lost the chance to kill it in one hit.

After this darkness spirit beast suffered a loss, it did not stop at all. It did not even have any thoughts of revenge and directly fled a thousand miles away!

"Where are you running to? Come out!"

Chen Zhisheng's long knife slashed in succession. His movements were as fierce as a Tiger, but unfortunately, they were only dancing in the air!

"It has already run away! What are you cutting?"

Lin Yi glared at Chen Zhisheng. He paid such a big price and almost overexerted his spirit to activate his sure-kill chain skills, but Chen Zhisheng ruined it!

Yet, this guy didn't know anything about it ... There was no place to reason with him!

"He ran away? You're indeed a cowardly rat!"

Chen Zhisheng snorted twice and put his saber back into its sheath with satisfaction. He raised his chin at Ling Hanxue and said, ""Xiaoxue, did you see that? That spirit Beast of Darkness was afraid of me. It didn't even dare to fight me and directly ran away!"

Ling Hanxue's mouth twitched, and she did not want to bother with him!

Zhang Yiming, a bystander who didn't know the truth, praised Chen Zhisheng from the bottom of his heart. Unfortunately, Chen Zhisheng ignored him ... Chen Zhisheng only had Ling Hanxue in his eyes!

Lin Yi sighed in his heart-who knew what trouble he'd get into if he let that dark spirit beast go!

Chapter 7384 The Real Exit

If this little thing followed behind their team and attacked them from time to time, it would be a great deal of trouble!

It could create illusions and even had spatial abilities. A sneak attack was a natural disaster!

Lin Yi could be on guard for a while, but he couldn't always be on guard.

It's a pity that there's nothing we can do now. The Black Owl has escaped, and even if we can catch it, we'll have to use the spatial scales and the soul-snatching hand again. How are we going to save her?"

Ling Hanxue ignored Chen Zhisheng, and it was a bit difficult for Lin Yi.

"Eldest senior brother, Senior Sister su was looking at su Yumo in the ice block with a worried expression."If we break the ice directly, will Senior Sister su be broken as well?"

"Indeed ... Let's go over and take a look!"

With that, Lin Yi flew up to the rock and touched the ice.

He definitely couldn't break it. If he wanted to save su Yumo, he could melt the ice with his fire Qi or penetrate it with his ice Qi to stimulate su Yumo to wake up.

Lin Yi guessed that su Yumo must have sealed herself in the ice because her aura was clearly contained in the ice.

Su Yumo was afraid that she had encountered the Black Owl and was unable to deal with its strange ability. Hence, she could only resort to this stupid method of sealing herself to avoid the Black Owl.

"Senior brother, have you thought of a way to save Senior Sister su?"

Ling Hanxue saw that Lin Yi's hand had stopped moving after touching the ice and was worried,""Do you need my help?"

Although su Yumo always had a cold expression on her face, Ling Hanxue, as an outstanding woman who was extremely similar to su Yumo, had already developed a sisterly relationship with her. Therefore, su Yumo's current state made Ling Hanxue a little worried.

"No need, I can do it alone!"

Lin Yi shook his head, a smile on his lips. "I'll release some ice Qi first. Perhaps su Yumo will come out on her own!"

As he spoke, Lin Yi started channeling the ice Qi in his body, slowly seeping into the ice.

His ice-attribute physique was only able to be initiated rapidly under su Yumo's stimulation. Hence, their ice Qi could be said to come from the same source. The process of seeping into the ice block was extremely smooth, and it came into contact with su Yumo, who was inside the ice block, very easily.

Su Yumo's eyes twitched slightly as she felt an ice Qi that did not belong to her but was extremely similar to her enter her meridians.

Just as Lin Yi expected, she sealed herself in the ice and entered a state of suspended animation. If no one woke her up, she'd probably be asleep for a year or two.

However, after being stimulated, his body immediately began to move, and the ice Energy that was dormant in his muscles, bones, bones, five viscera, and six organs quickly condensed.

The huge block of ice melted at a speed visible to the naked eye, but there was no trace of water on the ground. All the ice had been turned into icy Qi and returned to su Yumo's body.

Lin Yi smiled as he retracted his hand. He knew that su Yumo was no longer in danger and would wake up soon.

After a while, su Yumo opened her eyes. Her face was slightly pale, but she was unscathed. She looked at Lin Yi with a complicated expression, but she didn't speak.

"Senior Sister su, are you alright? Are you hurt?"

Ling Hanxue stepped forward to help su Yumo up and asked with concern, ""What's going on? Why are you in the ice?"

"I'm fine ... I encountered a strange spirit Beast of Darkness earlier, and I wasn't its match ... I could only use this to defend myself!"

Su Yumo smiled at Ling Hanxue and shook her head gently. ""I don't have any other choice. This move's defensive power is amazing, but its drawbacks are also obvious. If you hadn't come quickly, I would have been broken into pieces by that spirit Beast of Darkness sooner or later!"

"Did you appear here from the beginning?"

Lin Yi scratched his head, not sure if that was a question of concern.

"Well ... A moment ago, I was on the cliff with you guys. The next moment, I was here alone, and then I sealed myself in ice ..."

Su Yumo paused for a moment before she thought of a question. ""How long have I been here? Didn't you encounter that darkness spirit beast?"

The concept of time was very faint after the ice seal-it felt like Lin Yi and the others had arrived right after the ice seal.

"Not too long ago. That spirit Beast of Darkness ..."

Lin Yi's cold knife-like eyes shot towards Chen Zhisheng as he gritted his teeth, "He was beaten away by Chen Zhisheng!"

Su Yumo opened her mouth in shock and looked at Chen Zhisheng in surprise. ""Junior Brother Chen ... You're really amazing! So he's a hidden expert!"

"Senior Sister su, you're too kind!"

Chen Zhisheng felt that su Yumo's praise was sincere, so he cupped his hands and smiled sincerely as well. ""I'm not exactly hiding my abilities. I've just been keeping a low profile!"

Lin Yi's mouth twitched. Why didn't he realize before that Chen Zhisheng was a poser?

She really wanted to go up and kick him! He actually had the face to say that he wanted to keep a low profile? He wondered who had scared the Black Owl away.

Alright, he really did not know ...

Lin Yi took a closer look and found that this space was similar to the city. There were four entrances and exits, four passages.

If he was not wrong, there should be a three-way fork in each of the previous four passages after removing the camouflage of the spatial distortion. One led to the city in a circle, one led to the belly of the mountain, and the last one unknown.

Of course, the unknown was most likely the passage to leave the remains of the great witch of ghost Yin.

After finding su Yumo, Lin Yi's team was finally organized again. There were no valuable items left in the mountainside, so the six of them only stopped for a short while before returning to the path they came from, walking into the last passage at the three-forked road.

As expected, the last tunnel was the exit. Lin Yi walked to the end and realized that the exit was under the cliff, about forty meters away from where they went down.

It was just that Lin Yi didn't notice it earlier because of the mist and the dark spirit beasts.

But this time, the thick mist had dissipated a lot, and Lin Yi could use his senses to detect Li Yingjian and the others.

"So smooth? Why do I feel that this is a little unreal!"

Zhang Yiming looked out of the exit and couldn't help but sigh. "Although we didn't encounter any life-and-death crisis this time, it hasn't been so smooth either. Why didn't anything happen when we left?"

"Bah, bah, bah, you jinx! You're still not satisfied that I came out safely? It's not easy to get some accidents. Come, come, come, stick your butt up. Big brother will give you a free kick and let you go down to play with monkeys and rhinos. "

Jin Yuan Bao was in a good mood, so he immediately turned on his mocking mode. "Perhaps they find you, Zhang Xiaopang, rather pleasing to the eye. That's why they recommended you to be their King!"

Chapter 7385 Distribution Of Benefits

"Little fatty Jin, that's enough. If we're talking about being the King of the Mountain, you're more like a monkey than I am! Only if you go will there be hope!"

Zhang Yiming was not to be outdone and started to fight back. "Maybe after you become the King of the Mountain, they will choose 72 concubines for you, and you can enjoy your life down there!"

Jin Yuan Bao suddenly felt a chill down his spine. He thought of his three palaces and six courtyards, his seventy-two concubines, all black female monkeys ...

PAH! Are you crazy? Why was he thinking about this?

"That's a Youtong steel-armed ape, not a monkey!"

Ling Hanxue, who was at the side, said faintly, ""They're much stronger than monkeys. Jin Yuan Bao probably can't handle the 72 concubines ..."

Lin Yi couldn't help but smile-he didn't think that Ling Hanxue would have a sharp tongue!

However, to be honest, the passage out of the ruins was indeed a little too calm. No matter how he thought about it, there shouldn't be any danger or obstacles.

Could it be that after the Black Owl escaped, all the traps in the tunnel had been rendered useless?

He thought about it for a bit, but couldn't come up with anything. He decided to shake his head and put everything aside for now, calling for Li Yingjian to get him some rope.

Under Lin Yi's command, Li Yingjian quickly got the rope to the right position, and Lin Yi led the way up.

"Senior brother Sima, what's the situation down there? You've been gone for almost a day. If you didn't come up, I would've gone down to find you. "

Li Yingjian let out a sigh of relief." "However, I know that eldest senior brother's strength is extraordinary, and he will definitely be fine. As expected, everyone has returned safe and sound! Did you guys find anything?"

"We've gained something. Let's get ready to return to the sect!"

Lin Yi smiled-the fact that no one died on this mission was the most satisfying thing."We have found the ruins of the great witch of ghost Yin. Our mission has been completed. Let's go back and get our reward."

"You found it?"

Li Yingjian's eyes widened in disbelief."This, this, this ... How long have you been in the ghost Yin mountain? Senior brother, are you sure that the ruins are the remains of the great witch of ghost Yin?"

It was no wonder that he was so shocked. The legendary ruins of the great witch of ghost Yin were mysterious and unpredictable. For many years, countless people had come to the ghost Yin mountain to search for them, but they had not found any news.

To be honest, li Yingjian was prepared to fail the mission and go back to claim the points for failure when he came, but now Lin Yi said he completed the mission?

That was why his first reaction was that it was impossible!

"We can confirm that these are the remains of the great witch of ghost Yin. We also found some objects to prove it. When we return and hand it over to the sect, someone will naturally be able to distinguish the authenticity!"

Lin Yi glanced at the five men and smiled, "We were lucky this time. Everyone contributed. When we go back, I'll distribute the points equally to everyone in the team."

"Eldest senior brother, that won't do! We didn't even put in any effort, how can we distribute the rewards equally?"

Li Yingjian's face turned red. He didn't have time to think about whether the remains of the great witch of ghost Yin were real or fake. He waved his hands and said, "Eldest senior brother, let's not talk about the fact that we were only left behind to look after the ruins and made no contributions in the process of searching for the ruins. Even before this, we didn't perform well. We can't split the rewards equally!"

In most teams, unless the distribution plan was set in advance, the income obtained during the process of the mission would be distributed according to the individual's contribution. There was no such thing as equal treatment.

They were clearly spoils of war that he had obtained with his own strength, yet he still had to share them with other people who had made no contributions. Why? When a grassroots team encountered such a situation, they would most likely immediately fall apart.

"Nonsense. As long as you join my team, you are one of us. In the process of the mission, there is no such thing as contributing more or less. Everyone just has their own duties!"

Lin Yi shook his head indifferently.

Lin Yi admired Li Yingjian to some extent, and naturally wouldn't be stingy with the mission rewards.

As for the others, they weren't quite sure, but since they'd decided to follow him, Lin Yi didn't mind treating them as his own. As long as they didn't betray him, he wouldn't mistreat them.

"Many thanks, eldest senior brother Sima!"

The other new disciples weren't as polite as Li Yingjian-they all smiled and cupped their hands at Lin Yi after hearing that he wanted to split the rewards,"Eldest senior brother is indeed broad-minded and his strength is outstanding. It's our great fortune to be able to follow eldest senior brother!"

"Three lifetimes of good fortune isn't enough to describe it! The others thought that we came to the ghost Yin mountain to die for this mission. They thought that the best result would be to return to the sect and fail the mission, but what happened? Not only did we not suffer any losses, but we also completed the mission so quickly! Hahahaha!"

"This is eldest senior brother's strength! I'll see who dares to question eldest senior brother when I return this time! Whoever dares to speak nonsense, I will be the first to not spare him!"

.....

A few of the new disciples started to speak up, most of them praising Lin Yi. It wasn't too late to kiss his ass, after all, and it was up to Lin Yi whether he wanted soup or meat in the future!

Only one of the new disciples put on a fake guilty expression and bowed to Lin Yi, "Eldest senior brother, it's just as senior brother Li said. We didn't put in much effort. Although what you said is right, it's a little unfair to the senior brothers and sisters who went on the adventure if we just split the rewards like this ..."

At this point, he carefully observed the expressions of Ling Hanxue, su Yumo, and the others. Seeing that there was no special expression, he continued, ""Why don't we take a smaller share? it's just a token of our appreciation, and we'll let the senior brothers and sisters take more ..."

It wasn't that he didn't want the points and rewards-Lin Yi had given the order, but splitting the rewards just like that would make him worried about Ling Hanxue and the others.

Points were a good thing, but it wasn't good if it was too hot!

If he wanted to hug Lin Yi's leg tightly, he couldn't offend Ling Hanxue and the others.

"Don't worry, they won't have any thoughts. We're all on the same side, so it's fine as long as everyone is happy!"

Lin Yi waved his hand nonchalantly, "plus, these points aren't that big of a deal. We'll have plenty of chances to do missions together in the future. You guys won't care about these points then."

Ling Hanxue nodded. She didn't really care about the points or rewards. As long as she followed Lin Yi, she had nothing to worry about. Lin Yi wouldn't treat her badly!

Jin Yuan Bao and Zhang Yiming, the two little fatties, were used to being arrogant, so they didn't care.

Su Yumo had a cold personality and didn't put the reward too much into her mind, so they all agreed to Lin Yi's suggestion.

Chapter 7386 I Hid My Strength In The Past

The new disciples were relieved and thanked Lin Yi and Ling Hanxue happily, warming up the atmosphere.

After a simple packing, everyone set off on their return journey.

"Eldest senior brother ..."

Ling Hanxue followed Lin Yi on her horse and suddenly whispered, ""I miss big sister Wu a little. Do you miss her? Ever since she entered the inner sect, we've lost contact with each other. I don't know how she's doing now. "

It was probably because she had completed her mission and was in a relaxed mood. Moreover, being in such an adventurous environment that was quite similar to before, Ling Hanxue naturally thought of her companion and leader, Wu yucao.

At a time like this, the only person she could talk to other than Lin Yi was Chen Zhisheng. She didn't want to talk to Chen Zhisheng, so she talked to Lin Yi.

"That's true. It's been so long, but there's still no news at all!"

"To be honest, I miss her too. I'll go to the inner sect and ask around about her when I get back!" Lin Yi nodded.

The eldest senior brother in charge of the outer sect had the right to enter the inner sect area, so it was convenient for him to ask about Wu yucao. He could even find her directly.

"But there's no news of big sister Wu, so she's most likely in closed door cultivation. After she comes out, she should take the initiative to find us, so I don't need to go to the inner sect."

Lin Yi smiled after a pause. "The inner sect's cultivation must be stricter than ours, so it's normal for them to stay in seclusion for a longer time. No matter what, we'll definitely have a chance to meet again when we return."

"That's true! Senior brother, I actually miss the times when we hunted together. Although you just joined our team, you were already the strongest ... It's still the same now. If big sister Wu were here, it would be perfect!"

Ling Hanxue smiled as she reminisced about the past. She was in a good mood as she talked to Lin Yi about the past in Luling city.

Chen Zhi Sheng followed behind with a cold expression and said, ""Don't think that everything will be fine just because you have completed the mission! He couldn't relax before he returned! He had to be vigilant at all times! Some people need to be careful. Don't casually chat in the team. If there's any danger, you won't even have time to react. "

"Chen Zhisheng, what do you mean? Are you deliberately targeting me?"

Ling Hanxue's face darkened. She turned and looked at Chen Zhisheng coldly. "I'm just talking to eldest senior brother, is it a problem for you?"

"It's not my problem, but it will affect the safety of our team. I'm doing this for the team, so don't take it as a personal matter!"

Chen Zhisheng had probably eaten a bear's heart and a leopard's gall to actually dare to talk back to Ling Hanxue. If it was in the past, he would definitely admit defeat obediently after being spoken to by Ling Hanxue.

"Well said! Since you're so concerned about the team's safety, why don't you go ahead and explore?"

Ling Hanxue's happy mood had been completely destroyed by Chen Zhisheng. She snorted coldly and said, ""Don't forget, eldest senior brother is the leader of this team. You're not going to explore the way, but pointing fingers here and there, what's the meaning of this?"

When they came, Ling Hanxue was the main Scout and Chen Zhisheng was the support. Now, they were going back the same way they came, so Ling Hanxue did not go to explore.

"I'll go then, what's the big deal!"

Chen Zhisheng pursed his lips and snorted, ""To tell you the truth, I'm actually very powerful. It's not difficult for me to find the way. With me here, you can do whatever you want in the ghost Yin mountain!"

"Did you have a fever and burn your brain? Do you think I don't know your strength? Without eldest senior brother, you wouldn't even have the qualifications to enter the sword spring sect!"

Ling Hanxue was a little unhappy, so her words were not very polite.

After all, Chen Zhisheng had always been a partner in the team. They had been through life and death together for so long, so he should not have been so mean.

Unexpectedly, Chen Zhisheng didn't care at all and sneered, ""I was hiding my strength just to accommodate you! 'Ling Hanxue, you should know very well how I've treated you!' For you, I've worked so hard for so long and have been playing the weakest role. Do you understand my intentions?"

Ling Hanxue did not want to say anything mean, so she shook her head with a cold face, indicating that she did not understand and did not want to understand Chen Zhisheng's intentions.

Chen Zhisheng hmped and suddenly changed the topic to Lin Yi, "And you, Sima Yi, I've had enough of you! You're a son of the Hongshang Commandery's Sima family. Why do you have to come to this small place to play the game of hiding your identity? It's fine if you want to hide your identity, but you have to affect the life of our team! I'll tell you today that I'm actually much more powerful than you!"

All in all, he was just saying that Lin Yi flirted with Ling Hanxue for no reason, causing him to be disliked!

"Ha ..."

Lin Yi didn't have any expression on his face, only letting out a light chuckle with an unknown meaning. Chen Zhisheng felt that Lin Yi was looking down on him!

The rest of the people, including su Yumo, were in an uproar. No one believed that Chen Zhisheng was actually a hidden expert!

This was only secondary. The more important thing was the information that Chen Zhisheng had revealed. Sima Yi had disdained the Sima clan of Hongshang Commandery?

Other than Jin Yuan Bao, who was feeling proud of himself and thought that he had already known that it was amazing, the rest of the people were in disbelief. But after some thought, they felt that it was normal!

It would only make sense if the Sima clansmen were such geniuses!

Furthermore, there was a reason why Sima Yi was not afraid of Feng Zhi Peng at all. The Sima clan might be afraid of the Feng clan, but they would definitely not be afraid of them!

"Sima Yi, why aren't you saying anything? You're used to acting cool, So You Think this is awesome?"

Chen Zhisheng felt that Lin Yi was looking down on him and was getting angrier, "You don't believe me? If you don't believe me, let's have a fight. I'll let you see how powerful I am!"

"Chen Zhisheng, there's no need to fight. Even if you really hide your strength, don't you think that if people hide their identity to show off, you'll show off even more by hiding your strength?"

Lin Yi didn't want to argue with Chen Zhisheng-he was acting weird today, maybe he was jealous of Shi Lezhi? Then, it wouldn't be good to argue with him!

"I'm really awesome. I didn't hide my strength to show off! Why are we wasting our breath on you? just tell me, do you dare to come and fight?"

Chen Zhisheng had an arrogant look on his face as he made up his mind to fight Lin Yi, "If you don't dare, it's fine. Just admit defeat and I won't make things difficult for you! After all, you're still the leader of the team in name!"

"Chen Zhisheng, that's enough! Don't mess around!"

Ling Hanxue could not stand it anymore and shouted, ""Did you take the wrong medicine today? Hurry up and Scout the way, we'll talk about the rest after we return to the sect!"

Chapter 7387 Completely Beaten Up

"Ling Hanxue, you still don't understand my feelings for you! Everything I've done is for you! What do you think is good about Sima Yi? Strong? Deep background? Bah! You're nothing in my eyes!"

Chen Zhisheng did not care, and also shouted: "I want you to see today that I, Chen Zhisheng, am not inferior to Sima Yi at all! I'll let you know that Sima Yi is actually a weakling!"

"Chen Zhisheng, you're too much. Senior brother Sima is magnanimous and won't argue with you, but I can't stand it!"

Li Yingjian didn't want to offend Chen Zhisheng since he was Lin Yi's direct disciple, but the situation now made him feel like it was a chance to kick Chen Zhisheng out and become Lin Yi's direct disciple!

Therefore, Li Yingjian directly jumped out and directly confronted Chen Zhisheng, ""You want to compete with eldest senior brother? Why don't you take a look at yourself and see if you're qualified to do so? come, let me teach you a good lesson first. I'll let you know that you don't need a sledgehammer to crack a nut!"

From li Yingjian's point of view, Chen Zhisheng's strength level was there. No matter how much he bragged and hid his strength, it was impossible for him to break through the gap between levels.

Perfected Foundation establishment, he was still a perfected Foundation establishment cultivator. He was definitely not a golden core stage cultivator!

The muscles, bones, and bones of a golden core stage martial artist were very different from that of a Foundation establishment stage martial artist.

An ancient martial art practitioner in the great circle of the Golden elixir realm might be able to hide his strength and pretend to be an ancient martial art practitioner in the beginning stage of the Golden elixir realm. However, it was absolutely impossible for an ancient martial art practitioner in the beginning stage of the Golden elixir realm to pretend to be an ancient martial art practitioner in the great circle of the foundation establishment realm!

Therefore, no matter how much Chen Zhisheng, who was at the perfected Foundation establishment stage, hid his strength, it was impossible for him to suddenly become a golden core stage martial artist. Moreover, Chen Zhisheng had always appeared to be good at defense, so li Yingjian was even less worried that he would not be a match for him.

"You're just a clown, and you dare to show off in front of me? Forget it, since you want to die, it's my fault if I don't fulfill your wish! Before I teach Sima Yi a lesson, it's not a bad idea to use you as an appetizer!"

Chen Zhisheng coldly snorted and glanced at li Yingjian with disdain. He then stretched out his right index finger and beckoned at him, "Come, be prepared to welcome despair!"

Li Yingjian was furious, but at the same time, he was overjoyed. If he could grab this chance, he might really become Lin Yi's trusted general!

When he first left the sword spring sect, Li Yingjian wasn't sure if following Lin Yi would give him a bright future, but after this trip to the ghost Yin Mountains, he was one hundred percent sure that clinging onto Lin Yi's thick leg was the best choice!

Make your move! Kill Chen Zhisheng!

Li Yingjian had already made up his mind to use the most magnificent trick to show himself and win beautifully!

But he needed to confirm Lin Yi's intentions before he made a move. If Lin Yi didn't want him to deal with Chen Zhisheng, he wouldn't go against him.

Luckily, Lin Yi didn't say anything. He didn't try to stop her, so he agreed, right?

A thought flashed through Li Yingjian's mind and he immediately laughed, "We don't know who is in despair yet! Chen Zhisheng, make your move!"

If he wanted to win beautifully, he definitely couldn't make the first move. Instead, he had to wait for Chen Zhisheng to take out his unique skill and then break it in one fell swoop. Only by counterattacking and winning would the effect be perfect.

"Are you sure you want me to make the first move?" Chen Zhisheng sneered. I'm afraid you won't even have the chance to make a move!"

Before he could finish his words, he waved his right hand casually and a Saber Light suddenly appeared, heading straight for Li Yingjian's face.

Li Yingjian was taken aback, and cold sweat instantly drenched his clothes. He couldn't block this blade!

Hurry up! It was too fast!

It was clearly Chen Zhisheng who attacked after he finished speaking, but the blade light seemed to reach Li Yingjian one step ahead of the voice, not even giving him time to react!

At that moment, Li Yingjian's heart was filled with despair ...

However, the knife light didn't really cut down, but swayed in front of Li Yingjian, and then turned into a beautiful knife flower, and was taken back by Chen Zhisheng!

Li Yingjian's forehead was covered in cold sweat. He had just come back from the gates of hell. His heart was beating like a drum, and his hands and feet were weak.

However, as an early-stage golden elixir realm ancient martial art practitioner, his instincts still existed. He had subconsciously pulled out his sword when faced with the saber Light just now. It was only after the saber Light had retreated that he had used it to block in front of him!

If Chen Zhisheng did not take the knife, he would not even have the chance to pull out the sword.

Li Yingjian didn't have time to speak, and he didn't even have time to organize his thoughts before Chen Zhisheng's second slash came!

He still didn't have time to react ... But Li Yingjian's long sword was drawn to block the first blade. After being two beats slower, it was just enough to block Chen Zhisheng's second blade.

In other words, Chen Zhisheng was actually aiming for Li Yingjian's long sword!

The blade light rolled and waved, and Li Yingjian's hand felt numb. He felt a strong force coming at him, and he could no longer hold the hilt of the sword. He had no choice but to open his palm.

The long sword let out a sad cry and was shattered by the saber Light in the air, turning into a few broken pieces and falling to the ground.

The blade in Chen Zhisheng's hand spread out and flickered around Li Yingjian. Li Yingjian's eyes were in a mess, and he subconsciously wanted to Dodge, but he didn't know how to dodge!

Hang and beat!

Chen Zhisheng was completely beating li Yingjian up, and it was like a cat toying with a mouse, completely humiliating li Yingjian!

The strength of both sides was like an early nascent soul realm ancient martial art practitioner against an early golden elixir realm ancient martial art practitioner. There was no comparison at all!

The surrounding people were all dumbfounded. They couldn't believe what they had just seen!

Chen Zhisheng was really that powerful? Wasn't he hiding it too deeply?

No matter what, li Yingjian was still an early-stage golden elixir realm ancient martial art practitioner. He was beaten so badly that he didn't even have the power to fight back or defend!

However, Chen Zhisheng's strength had always been at the perfected Foundation establishment realm!

It was unbelievable!

"Enough!"

"Chen Zhisheng, you can stop now!" Lin Yi said faintly.

The blade light that filled the sky instantly dissipated. Chen Zhisheng's blade had already returned to its sheath, leaving only a slightly trembling Li Yingjian.

Although he wasn't injured, his clothes and armor were full of holes. Even a real beggar wouldn't look good on him.

"Sima Yi, are you going to do it yourself? You finally couldn't take it anymore after beating up your little brother, right? Come, come, come, let's decide the winner today!"

Chen Zhisheng was extremely pleased with himself as he hooked his finger at Lin Yi. "Do you dare? If you don't dare to make a move, then stay away from Ling Hanxue in the future!"

"Chen Zhi wins! What do you want? You want to fight? I'll fight with you!"

Ling Hanxue's face was as cold as ice. She drew her short sword and pointed it at Chen Zhisheng. "If you have the ability, then kill me. Otherwise, don't keep using me as an excuse!"

Chen Zhisheng was slightly stunned. Since they were fighting for Ling Hanxue in the name of Ling Hanxue, he could not do anything to her. In the face of the Furious Ling Hanxue, he could only smile and say, "Little Xue, why would I fight you? I'm just letting you know that I've been hiding my strength for you!"

## Chapter 7388 The Brother-In-Law Of The Chief

He glanced at Lin Yi as he spoke, "Forget it, since you've spoken, then we won't fight today! I'll go Scout, I'll Scout ..."

With that, Chen Zhisheng hmped at Lin Yi and charged out.

Lin Yi raised an eyebrow as he rubbed his chin, lost in thought. Chen Zhisheng's sudden display of strength was indeed shocking, but it was precisely because of this that it made people feel strange.

Did Chen Zhisheng really hide his strength in the past?

With that in mind, Lin Yi comforted Li Yingjian a little more before continuing on with the team.

After this incident, the joy of successfully completing the task was greatly diluted. The team moved forward quickly in silence and returned to the courier station before night fell.

The yard he'd stayed in before wasn't occupied, and he'd chosen this one again-it wasn't long after he settled down that he found the yard surrounded again!

The inn owner knocked on the door with a bitter face and quickly bowed when he saw Lin Yi, "Young heroes, today's matter has nothing to do with the store. This is the brother-in-law of the five tigers stronghold's leader. He is here to settle the score with you. No matter what happens, don't cause us any trouble!"

After he finished speaking, the courier station's boss simply turned around and slipped away. He had made up his mind not to get involved in this muddy water!

In fact, Lin Yi knew very well that the brother-in-law of the leader of the five tigers camp had surrounded the yard not long after they moved in. It would be a miracle if the innkeeper didn't do this!

If no one had disclosed the news, would the brother-in-law of the five tigers camp's leader have come so quickly?

Lin Yi raised his eyes and looked at the group of people in front of him. The man at the front was as strong as a bear. It was the brother-in-law of the five tigers stronghold's leader that the courier station owner introduced!

"Brat, you killed my brother-in-law? You caused my sister to become a widow?"

The bear-like man's voice was as rough as his appearance. "There's no need to say anything today. I'll give you two choices. One is to let me kill you and feed you to the dogs!"

She paused for a moment, her bell-like eyes sizing Lin Yi up. "There's still another way ... Your skin is fine and your flesh is not bad. Since you were able to kill the five tigers of the five Tiger bastion, you must have some ability. Why don't you stay and marry my sister and become my brother-in-law? You killed one of my brother-in-law, so you should compensate me, right?"

Lin Yi didn't know what to think-what the hell was going on? There's such an operation?

Looking at her bear-like appearance, was his sister also a female bear?

Perhaps the leader of the five tigers camp would feel relieved when he died? Perhaps he was already smiling in the netherworld ...

"Brat, don't think that being my brother-in-law is an insult to you. In the ghost Yin mountain range, the five tigers stronghold is only my subordinate stronghold. You being this father's brother-in-law is a blessing!"

The bear-like man probably thought that Lin Yi didn't know him, so he introduced himself proudly, "If you follow me in the future, I will let you do whatever you want in the ghostly Yin mountain!"

Lin Yi only curled his lips in disdain. Where did a Bandit get the confidence to talk like that?

Although they were indeed stronger than the five tigers stronghold, they didn't find it strange that the five tigers stronghold was wiped out here.

Did they think that they would be able to take revenge successfully by relying on this slightly stronger lineup?

"Ha ... That ... Brother-in-law of the five tigers stronghold's leader ... You can't even defeat my underlings with just a few people. How can you have the nerve to talk big here?"

Lin Yi chuckled and turned to Chen Zhisheng, "Didn't you say you were stronger than me? I'll leave these people to you! Do it beautifully. Don't lose to my performance in the battle against the five tigers stronghold!"

Didn't Chen Zhisheng say that he had hidden his strength, but was actually stronger than him? Lin Yi went with the flow and let Chen Zhisheng deal with these thieves, at least he could get a better understanding of the situation.

"Just these clowns? Fine, I'll let you all open your eyes!"

Chen Zhisheng didn't refuse. He glanced around arrogantly and said, ""It can't be too easy to get rid of them. Open your eyes wide and take a good look. See how I'll get rid of the enemies more perfectly than Sima Yi!"

Lin Yi's face was calm as he smiled and snapped his fingers. "Close the door! Let Chen Zhi win!"

Chen Zhisheng obviously didn't know that Lin Yi's words were the same as closing the door and letting the dog out. If he did, he would've scratched Lin Yi to death!

"Interesting! These little brats didn't know the immensity of the heavens and earth! Little ones, kill one of them first to teach them a lesson!"

A few golden core stage bandits agreed loudly and surrounded Chen Zhisheng with a sinister smile.

Chen Zhisheng walked over with his head held high, the long saber in his hand unsheathed. The saber Light flickered continuously, and screams rose and fell one after another, instantly filling the air.

In the blink of an eye, the five golden core stage Warriors who had rushed out were all lying on the ground. Without exception, they were all killed by Chen Zhisheng.

That brutal method immediately stunned the bandits.

Even the bear-like man who was leading the group couldn't help but be shocked. Five golden core stage ancient martial art practitioners!

Moreover, they had rich experience in working together against enemies. Even black bear himself might not be able to win against these five underlings, let alone kill them in an instant!

"Hahahaha! I'm sorry for disturbing you today, but we'll meet again if fate permits!"

The bear-like man laughed a few times and decisively admitted defeat. As he spoke, he turned around and wanted to escape!

F \* ck! It's just a brother-in-law who died, why did he have to come and provoke these fiends?

They only sent out a little brother and instantly killed five of my golden core stage little brothers. If the boss of the other side makes a move, wouldn't he kill all of us in seconds?

With this thought in mind, the bear-like man hated his parents for not having a few more legs. Now, he wanted to run as far as he could!

"Since you dare to come, then you can all stay! Don't even think about running away!"

Chen Zhisheng laughed complacently. The light of his blade bloomed like a flower in spring. It flashed and rolled into the group of bandits. For a time, screams rang out again. No one could withstand his blade!

Li Yingjian felt a chill down his spine. He finally realized that he had been at death's door countless times!

If Chen Zhisheng wanted to kill him, he would probably be dead by now!

In fact, he was wrong. If Chen Zhisheng really wanted to kill Li Yingjian, Lin Yi wouldn't just stand by and watch.

It was also because Lin Yi saw that Chen Zhisheng didn't have any killing intent at that time that he let him show off.

The bear-like man's heart turned cold. He felt that the blade light behind him was like a ghost, always aimed at his neck. No matter how he dodged, he could not avoid it.

In order to save his own life, he couldn't care about anything else. He grabbed a few of his men and threw them back as his meat shields!

Chapter 7389 This Is My True Combat Power

Unfortunately, this method did not save his life. In the end, after all his subordinates died, his eyes widened in disbelief and he fell to the ground!

Chen Zhisheng's lips curved into an evil smile. With a shake of his wrist, the blade trembled slightly, and the blood on it scattered in all directions. Then, he slowly sheathed the blade in a very pretentious manner.

"Xiaoxue, did you see that? This is my true combat power! No, these are all weaklings. They can't show my true strength at all. So what you saw just now was just the tip of the iceberg!"

Chen Zhisheng proudly boasted about himself, but with his previous performance, no one questioned him for a while.

"You ... You really hid your strength? Then what level are you?"

Ling Hanxue was extremely shocked. After calming herself down, she asked with a strange expression, ""No matter how I look at you, you're only at the perfected foundation building realm. Is your level hidden, or is your combat power hidden?"

"Hahaha, that's not important. The level on the surface doesn't mean anything. You just need to know that I didn't show my true strength for you. But when you need it, I'll be your most solid support!"

Chen Zhisheng was vague about the topic of his own strength, and then said, ""Little Xue, now that you know how I feel about you, will you live a good life with me in the future?"

Ling Hanxue rolled her eyes secretly. What did he mean by having a good life? What did hiding one's strength have to do with emotional problems?

"Chen Zhisheng, I don't want to hear you say this again. We are teammates of a team, and we are life-and-death friends who can entrust each other's backs to each other. However, you are not the lifelong partner I want, so I am very grateful for your feelings for me, but I can't accept it. I am sorry!"

This time, Ling Hanxue rejected him directly, ""Since you've hidden your strength, it means that with your qualifications, you'll definitely be able to find a woman who's better suited for you. For an ordinary person like me, I'd better not waste your time, right?"

In the past, although Ling Hanxue did not like Chen Zhisheng, she had never rejected him directly. Of course, that was also because Chen Zhisheng had never confessed to her in a proper manner. Otherwise, he would have been rejected long ago.

However, it was different this time. This time, Chen Zhisheng had revealed his extraordinary combat power and confessed to Ling Hanxue with the might of a great victory. He was at least 70 to 80 percent confident that he could make Ling Hanxue agree to date him shyly.

Chen Zhisheng did not expect Ling Hanxue to not play by the rules and was one of the few chances of failure. The flesh on Chen Zhisheng's face twitched slightly, and his expression was a little stiff.

"Haha.....It's fine! I can understand that you can't accept the fact that I'm so powerful. We're still young anyway, so there's no hurry!"

Chen Zhisheng laughed drily and tried to find a way out,"How about this, we'll keep things the same for now. I believe that after spending more time together, you'll definitely change your impression of me! I'm confident, so I'll wait for you to change your mind!"

This attitude could be said to be quite humble, but when Chen Zhisheng said such sad words, the expression on his face was still asking for a beating, so Ling Hanxue was not moved at all!

"Alright, everyone, help me pack up and rest early. We still have to continue our journey tomorrow!"

Lin Yi could tell that Ling Hanxue didn't want to talk to Chen Zhisheng, so he changed the topic,""Just throw these corpses out and make the courtyard a little cleaner."

Li Yingjian and the others all agreed and started to clean up the yard.

Chen Zhisheng still wanted to say something to Ling Hanxue, but the atmosphere had been completely disrupted. In the end, he could only snort and go back to his room.

The enemies were all killed by Chen Zhisheng, so Li Yingjian and the other new disciples naturally took the initiative to clean up the battlefield. They would not ask Chen Zhisheng for help.

The inn owner was involved in this incident, but Lin Yi didn't bother to look for trouble with him. He only leaked the information, and at least he didn't come out to look for trouble.

He'd just sat down in his room when Li Yingjian knocked on Lin Yi's door.

After getting permission, Li Yingjian sneaked into the room and closed the door.

"Junior Brother Li, what's the matter?"

Lin Yi found it funny how careful he was being. "Aren't you going to rest after cleaning up?"

"Senior brother Sima, there's something that I've been suppressing in my heart and I can't help but say it!"

Li Yingjian quickly walked to Lin Yi's side and whispered, "Senior brother, don't you think senior brother Chen Zhisheng's performance tonight was strange? I'm not saying this because he defeated me, but because I really think there's something wrong with him!"

Taking revenge and backstabbing were taboo, so Li Yingjian had to make his attitude clear first, in case Lin Yi disliked him.

"Sit down and talk!"

Lin Yi smiled noncommittally and gestured for Li Yingjian to sit beside him. "You think there's a problem with Chen Zhisheng hiding his strength?"

"That's right, this is indeed a big suspicious point. A person who has never shown his strength before suddenly erupting with amazing combat power is definitely something worthy of suspicion!"

Li Yingjian nodded seriously and continued, ""Not only that, but I feel that senior brother Chen Zhisheng seems to be a little different from before. I can't say that he's completely changed, but I have a strange feeling!"

On the way here, the two didn't have much interaction, but they were in the same team, so they were familiar with each other. Chen Zhisheng's current performance was really unacceptable to Li Yingjian.

Lin Yi muttered to himself before smiling, "Perhaps you're not used to hiding your strength before and now that it's been fully revealed? I'm fine, I should be fine in two days!"

"What senior brother Sima said makes sense. A person who hides his strength will indeed be different from his nature. Perhaps it is because of this that senior brother Chen is like a different person."

Li Yingjian nodded in agreement before hesitating, "But I feel like there's something wrong with him ... With his strength, he can even be an inner court disciple. Why should he stay in the outer court?"

"Didn't Chen Zhisheng say that everything was for Ling Hanxue? It's not a big deal to stay in the outer sect with Ling Hanxue. "

Lin Yi, of course, wouldn't say what he was thinking. He was still finding excuses for Chen Zhisheng, "I've done this kind of thing before. It's understandable to stay in a place that doesn't suit you in order to be with someone."

"I understand what you mean, eldest senior brother. If that's all, it's indeed reasonable. But there's one thing, don't you think it's strange?"

Li Yingjian was actually hesitating whether he should continue or not.

Chapter 7390 Senior Brother Chen Is A Little Abnormal

Chen Zhisheng would hate Lin Yi to death if his words were to be leaked, and Lin Yi might not even appreciate it. He decided to continue after thinking about it, ""The sect's test didn't test senior brother Chen's strength at all ... Is this normal?"

Lin Yi raised an eyebrow-he wasn't sure how accurate the sword spring sect's tests were, to be honest. He was a special existence himself, and those tests wouldn't be of much use on him.

But Chen Zhisheng couldn't be another Lin Yi-if he could hide his strength from the sect's test, then the sect was too weak!

"Junior Brother Li, what do you mean? Was this Chen Zhisheng actually a fake? Chen Zhisheng really didn't come back?"

Lin Yi thought as he continued to talk to Li Yingjian,"In the remains of the great witch of ghost Yin under the broken cliff, most of us were separated for a period of time. Do you think Chen Zhisheng would have been replaced during that time?"

It was definitely impossible to be replaced. Chen Zhisheng's aura hadn't changed much, so he couldn't be another person, but there were some changes!

In Chen Zhisheng's own words, he no longer hid his strength, so there was such a change.

"Uh ... Senior brother, in fact, I don't have any evidence to prove it, so I can't tell what happened. I just feel that senior brother Chen Zhisheng is very suspicious, and I want to remind you to pay more attention to him!"

Li Yingjian scratched his head and smiled awkwardly."It's mainly because his combat power is too amazing. He could kill a perfected golden core cultivator in seconds, but his strength is at the perfected Foundation establishment realm. Big brother, can you see his true level?"

"Perhaps his true level is the foundation building perfected stage, and he just has some secret technique that can burst out Super Combat power."

Lin Yi smiled and waved his hand, "no matter what, Li Shidi's concerns are very reasonable. I'll keep a close eye on Chen Zhisheng. If there's any problem, I'll deal with it immediately!" If Junior Brother Li has any new discoveries, you can come to me and we can discuss it again. "

Lin Yi felt as if he was throwing out an official's voice!

In the current situation, it didn't matter if Chen Zhisheng was suspicious or not, Lin Yi couldn't point it out unless he had enough evidence!

Otherwise, he could only do what he was doing now, comforting Li Yingjian to prevent the team from falling into chaos.

Li Yingjian felt that Lin Yi was complimenting him, and so he chatted a bit more before leaving to rest.

Lin Yi sat down and thought about Chen Zhisheng for a while. Ling Hanxue was the most suitable person for discussion. After all, she was the one who had spent the most time with Chen Zhisheng and understood him the most!

But Lin Yi didn't need to get to the bottom of it-everyone had their own secrets, and so did Lin Yi!

Lin Yi didn't want others to find out about his secret either, so he always kept it a secret.

The next morning, everyone set off to leave the relay. The guilty relay boss did not dare to delay. Not only did he waive the accommodation fee, but he also took the initiative to give a generous gift!

In fact, Lin Yi didn't plan to do anything to him in the first place, and now that he got the benefits for no reason, he wouldn't do anything to him!

When Lin Yi returned to the sword spring sect, donggepi and Al fan had already completed their mission.

The two of them had accepted rank three missions, so they were able to complete the missions rather quickly with the new disciples.

The two couldn't help but talk about Lin Yi when they met-after all, Lin Yi was their common enemy.

"Junior Brother Al, do you think that brat Sima Yi died in the ghost Yin mountain range? If that's the case, then we don't have to worry anymore!"

Dongge bi pulled Al fan to talk with a smile. "I heard that the black magic Commandery's canglan sect also sent a team of disciples to the ghost Yin mountain for a mission. They are all inner disciples and are definitely the elites of the sect. If they encounter Sima Yi, how do you think that kid will die?"

"How do I die? I'm guessing it's a fate worse than death? Hahaha!"

Al fan joined in the fun and laughed a few times before asking, "Second senior brother, you are really well-informed. You even know the missions and the members of the black charm Commandery's azure water sect?"

"Haha ... I just heard about it when I was doing a mission. It might not be true!"

Dongge bi laughed drily, only then did he realize that he shouldn't have spread such news!

After all, the relationship between the Hongshang Commandery and the black charm Commandery was not good. The jianchun sect and the canglan sect were also not very friendly.

If what he said just now was spread out, there might be rumors of donggepi colluding with the Azure billow sect. Then, his position as the outer sect's second senior brother would really be over.

"Junior Brother Al, I'm just saying this to you. You can just listen to it!"

Dongge Pi was still worried and reminded him in a low voice. Fortunately, the new disciples around him were far away. Most of them were still discussing the rewards and points they had obtained, so no one noticed him.

After getting Al fan's confirmation, donggepi relaxed a little. He continued with a smile, ""There's no need to talk about all these rumors. However, this time, Sima Yi is trying to please the public by doing a rank five mission. He definitely won't have a good ending!"

"I think so too. Even though a rank five mission has a reward for failure, it's a pity that I think Sima Yi won't have the chance to come back and receive the reward for failure."

Al fan's lips curled into a sinister smile. He immediately changed the topic. "Second brother, do you know anything about the ghost Yin mountain? it's said that it's extremely dangerous there. There are death traps everywhere and extremely powerful dark spirit beasts. Even a Yuanying stage warrior might not be able to come out alive."

Dongge did not doubt him. He smiled and nodded. "That's right, the ghost Yin mountain range is not a good place. Many original infant stage cultivators died there. Sima Yi tried to act cool but ended up being an idiot. It's a pity that su Yumo's brain went haywire too and went to do stupid things with Sima Yi ..."

At the mention of su Yumo, Dongge Pi sighed regretfully and did not say anything else.

After all, su Yumo was the woman that Feng Zhipeng had his eyes on. It was best not to speak of her for no reason, lest she offended him.

"Second senior brother, third senior brother, thank you so much for bringing us to carry out this mission. Not only did we gain a lot, but we also gained a lot of knowledge. We are really grateful!"

The new disciples who were doing the mission with them counted their gains and came over to thank donggepi and Al fan.

In fact, they had not been allocated many rewards and points. Most of them had gone to donggepi and Al fan.

After all, they were the team leaders, and they had played a big role in the process of carrying out the mission, so it was only natural that they would take the majority of the rewards.
