

BOOT CAMP 2243

### **Chapter 2243: How Do I Dare Bully You?**

Xia Jinyuan, who was jealous, said in a low voice, "That's what I said too. Don't shoulder everything alone. Leave it to us men."

With that, he raised his eyebrows slightly and said with a faint smile in his eyes, "Little Fox, you have me and my cousin-in-law in the future. Don't face difficulties alone without telling us."

"He's right. Your matter is my matter. I won't allow you to hide anything from me." Li Jinnian agreed. He looked at Ye Jian, who was sitting on the sofa in the middle and being watched by them. He said seriously and solemnly, "I will be a very competent brother. In the future, I will protect you and not let you suffer any grievances! I won't let you be bullied."

His gaze moved away from Ye Jian and landed on Xia Jinyuan, who was sitting opposite him. He looked straight at him coldly. "Including him."

"I can't bear to let my lover suffer. If my cousin-in-law makes my sister suffer one day, I'm afraid I'll have to offend the Demon King," Xia Jinyuan replied immediately and stabbed back.

"You do have a great chance of offending me," Li Jinnian replied bluntly. His voice was even colder than before. "I don't object to my cousin choosing you, but if you dare to let her down, Xia Jinyuan, don't even think about having a good life."

In the past, he thought that Xia Jinyuan was a good soldier, but that was as a comrade. Now, as a cousin, he was much pickier!

In the past, he thought that he was worthy of Ye Jian. Now, he had to observe him!

At the thought of handing his only cousin to him in the future, Li Jinnian's eyes turned even colder. He couldn't let him marry his cousin so easily. At the very least, he had to observe him more.

But in the end, it depended on what his cousin wanted to do. He would respect all her wishes.

"Don't worry. I'm stuck with my little fox for the rest of my life. She's the only one who doesn't want me." He had made up his mind about Little Fox. He was looking forward to the two of them getting married and having a few babies. Oh, if they couldn't have a few babies... They would only have one baby. But how could he bear letting Little Fox go through that?

It was simply impossible!

Xia Jinyuan had always been confident in himself.

He had pursued his lover for several years and only wanted to hide her at home. No one was allowed to look at her. How could he betray her? That would never happen in a few lifetimes!

Ye Jian finally understood why the two men were filled with hostility. It was undeniable that it felt good to be doted on.

She had a cousin who doted on her, a grandfather who adored her, a lover who loved her... and a father who still did not know of her existence. The hardships of her previous life had been exchanged for this reunion. It was worth it. It was really worth it!

He pursed his lips and said with a smile, "If any of you bully me, I'll tell Grandpa. I'll get him to come out and deal with the two of you."

Her eyes were bright and lively, and her beautiful face was at the peak of its beauty. "If Captain Xia bullies me, I can tell the commander-in-chief. The commander-in-chief told me personally that if you dare to bully me, he'll whip you."

"How would I dare to bully you? Old Xia dotes on you as if you're his own daughter and dotes on me as if I'm his adopted son." Xia Jinyuan saw that she was smiling brightly. Her eyes were as bright as stars without a trace of haze. The smile on his handsome face became gentler.
