

Boss Is Reborn After Everyone's Betrayal!

014. Found You

Ding Shan finished dealing with the marks on her face and walked out of the dressing room with a radiant face.

The staff looked at Ding Shan's exquisite face and sighed. She was indeed a natural beauty. Just her light makeup alone gave off an extraordinary glow.

Ding Shan had a faint smile on the corner of her mouth as she walked toward the stage. The makeup artist who followed behind her had a worried look on her face. She was heartbroken, but no one paid too much attention to her.

Under everyone's gaze, Ding Shan calmly walked to the center of the stage. After exchanging a few words with the host, she sat down and officially began the interview.

Coincidentally, the brand that invited Ding Shan to do an event today made the diamond bracelet that Ding Shan was wearing the day before.

This brand was one of the few that had some value in Ding Shan's endorsement. Back then, it was the CEO of the brand who saw Ding Shan's movie and felt that Ding Shan's performance in the movie was just like his own brand philosophy, she was dazzling and unique, and he had pushed aside all opposition to sign the endorsement deal with Ding Shan.

However, he had heard that Yang Hua had recently wanted to raise the price, and she wanted to make a fuss over the renewal of the contract. She was in a stalemate with the brand, so the attitude of the staff present today was a little vague at the beginning.

However, now they had seen Ding Shan on stage, speaking with courtesy and assurance. Her words seemed to be like a warm current passing through their hearts, everyone could naturally guess that it was most likely that the mean agent had done something behind the scenes.

The goddess was the goddess, she didn't seem like someone who would burn bridges after crossing the river.

At this moment, in the director's office, a man in a designer suit was leaning on the sofa, looking a little lazy.

The person next to him leaned over and whispered, "Young Master Xiang, this is the female celebrity. Her name is Ding Shan. That bracelet is a new product of this brand that hasn't been released yet. It's only given to their brand spokesperson." After he finished speaking, he passed a stack of documents to the man.

The man narrowed his eyes slightly and looked at the woman who was smiling on the monitor. He could not help but smile as well. He muttered softly, "I've found you."

He recalled the woman who took the initiative to be hot last night. She was so charming, like a passionate wild cat. However, at this moment, this woman was wearing a dignified gown. She wore light makeup and appeared especially gentle and shy in front of the camera. She was like a shy little white rabbit.

This contrast made the man even more interested. He kept rubbing his fingertips, staring at the monitor and occasionally looking down at the information.

The people in the director's office all held their breaths. They did not understand what had happened that made the famous young master Xiang suddenly appear here today.

The man on the sofa was the man who had a one-night stand with Ding Shan last night. He was the current rising star in the financial world, Xiang Hong.

There were rumors in the industry that Xiang Hong's background was not ordinary. However, no matter how privileged his background and family background was, they could not conceal Xiang Hong's ability. Someone once said that..., Xiang Hong's sensitivity to finance and investment talent could only be that of a genius. In just a few years, he

had started his own company from nothing. He had conquered a place in the world market like a hot knife through butter.

The door was pushed open at this moment, and a man with a sad face walked in. “Big Brother! Big Brother! Big Brother Hong! It was my mistake!”

Xiang Hong glanced at him coldly. “Yin Hui, I said I don’t want to see you.”

The man called Yin Hui pitifully continued to plead with Xiang Hong. “I didn’t do it on purpose. That Little Card was a good place I found. I wanted to tell you that the man inside was pretty decent looking and wanted to sign as a trainee. I didn’t expect him to come to your place!”

Xiang Hong looked at Yin Hui with disdain. “Don’t you think you’ve lost enough? Signing a professional to be a trainee. Shouldn’t fans order a few more fruit platters to support them?”

Some people in the room who understood what he meant laughed and turned around awkwardly.

This Yin Hui could be considered a legend in the entertainment industry. His wealth is second generation, and people usually addressed him as director Yin, but he didn’t have much talent in the business. He opened several entertainment companies that all went bankrupt within a few months, but he loved to cause trouble. He had strange ideas every day and was easy to talk to. He was the type of person who was stupid and had a lot of money. He did not put on any airs, therefore, everyone was relatively close to him.

When Yin Hui heard someone laughing, he was not angry. He greeted the others with a cheeky smile, then, he continued to pester Xiang Hong. “When I heard that you were here, I rushed over to apologize. I’ll do whatever you say! Help me come up with an idea. I’m going to plan a talent show. I can’t fail this time!”
