

Boss Is Reborn After Everyone's Betrayal!

016. See you at 8:00

Accompanied by Xiao Zhao, Ding Shan returned to the dressing room to remove her makeup changing back into her casual clothes.

Ding Shan asked softly, "Is everything ready?"

Xiao Zhao nodded. "Don't worry, Sister Shan. Everything is ready."

After Xiao Zhao said that, she picked up a USB flash drive. "I've already uploaded the video from the mini camera. Just in case, I've saved a few copies."

Ding Shan nodded in satisfaction. "Well done."

Before the two of them arrived at the scene, they had already discussed everything.

Yang Hua's bad attitude towards Ding Shan was no longer just a brief matter. Any recording of it could become a powerful weapon for Ding Shan to change managers in the future.

However, what Ding Shan did not expect was that there was an unexpected gain today. Yang Hua had already started to talk about her and Ding Wan's adultery in front of her without any scruples.

From the looks of it, Ding Shan did not need to do anything. She just needed to watch from the sidelines.

Ding Shan turned her head and instructed Xiao Zhao, "Find a new phone card and pretend to be a paparazzi. Send the video to Wang Chun and negotiate a good price with her. Remember to use a voice changer."

Xiao Zhao nodded excitedly. "I know what to do!"

Then, she went out to contact Wang Chun.

Ding Shan calmly sat at the table and took off her jewelry, waiting for Wang Chun's reaction in her heart.

Wang Chun was indeed a brainless person, but she also loved money like her life and was selfish and snobbish.

If Wang Chun knew that her best friend, who she had known for twenty to thirty years, was secretly sleeping with her husband, and even schemed to take Ding Shan, this money-making tree, as her own, and wanted to kick Wang Chun out, what would she do?

Asking Xiao Zhao to pretend to be a paparazzi was also a ploy. Since Ding Shan could not reveal this matter, they could only think of a hidden and reasonable way to get some money back from Wang Chun.

All the money that Ding Shan had earned over the years was in the hands of Ding Wan and Wang Chun. Occasionally, Yang Hua would take a lot of it for herself. Ding Shan didn't get any money at all. This time, she had a chance to get some money for herself, though it was just a drop in the bucket.

Shortly, Yang Hua pushed the door open impatiently. "Are you done? Hurry up and finish. I'll send it back to you."

Ding Shan turned around. "Auntie Hua, can you please knock on the door next time?"

Yang Hua rolled his eyes. "What are you pretending to be? Don't use that big celebrity act on me."

Ding Shan shook her head self-deprecatingly. Big Celebrity? To Yang Hua, she wasn't even an ordinary person. They didn't respect Ding Shan as a person at all. She was just a tool that could be used to earn money.

The more Yang Hua did this, the more Ding Shan confirmed her inner thoughts. Evil people could not be repelled. You could only rely on the heavens.

Not too far away, Xiao Zhao found a remote place and used the voice changer software to call Wang Chun.

Wang Chun picked up the call. "Hello? Who is it?"

After the voice changer, Xiao Zhao said in a rough voice, "We filmed Ding Shan's secret today. You can enjoy it. If you don't call us back in ten minutes, we will expose it tonight at eight o'clock. You can think about it." After saying that, she quickly hung up the phone, and transmitted the video to Wang Chun.

Xiao Zhao gripped her phone nervously, afraid that Wang Chun would not take the bait, or that she would not care at all.

She did not expect that in less than five minutes, Wang Chun finished watching the video and called back.

As soon as Xiao Zhao picked up, she heard Wang Chun gasping in anger. She suppressed her sharp voice and asked fiercely, "How did you manage to capture all this? Name your price!"

Xiao Zhao pretended to smile sinisterly. "This news must be very explosive. I wonder how much money you can disburse for it?"

Wang Chun gritted her teeth and did not speak for a long time.

Wang Chun was reluctant to part with money, but if the paparazzi exposed it, it would inevitably be a little difficult, not to mention affecting Ding Shan's image. Just based on Yang Hua's few words... Wang Chun's scandals would be discussed as a joke by the entire nation's audience.

When the time came, everyone would know that they had mistreated Ding Shan daily, and they would also discuss that she, Wang Chun, was a big fool who had been betrayed by her best friend and husband.

Wang Chun was so angry that she almost fainted. She could not believe that Ding Wan actually dared to cheat on her with Yang Hua, and Yang Hua was still so smug behind her back!

Wang Chun was flustered. “Five million, quickly delete the video!”

Xiao Zhao could feel Wang Chun’s anger and knew her bottom line. She became bolder. “Ten million. If that’s not possible, we can simply meet at eight tonight.”
