

Boss Is Reborn After Everyone's Betrayal!

017. Payback 1

Wang Chun was furious, but there was nothing she could do. Usually, she didn't understand these things and would discuss everything with Ding Wan. She even goes to ask Yang Hua for her opinion on many things. But now that she understood about the things that Yang Hua and Ding Wan had done behind her back, how could she still ask them?

Wang Chun couldn't wait to kill Ding Wan and Yang Hua right now.

Wang Chun gritted her teeth and agreed. "I'll transfer the money to you in a while. You have to promise to delete all of it. Otherwise, I'll risk my life to catch you!"

Xiao Zhao did not say any nonsense. She hung up the phone and sent a message to Wang Chun. It was an overseas account, so it could not be traced.

After a while, she received the transfer message. Xiao Zhao quickly took out the sim card and broke it, throwing it into the trash can.

Xiao Zhao thought disdainfully, Wang Chun is stupid. With her brain, she probably won't be able to find anyone no matter how hard she tries. Ten million just like that, she's generous.

Thinking about how sister Shan's hard-earned money was squandered by them, Xiao Zhao was furious. She only hated herself for not asking for more just now.

In the house, Yang Hua impatiently urged, "What are you doing? Hurry up and leave!"

Ding Shan was still sitting on the chair, tidying up at a leisurely pace.

It was not until she saw Xiao Zhao walk into the house and nod vaguely at Ding Shan that Ding Shan smiled. "Alright, let's go."

Yang Hua complained, "Following you is tiring. If I wasn't afraid that you would cause trouble, I wouldn't have bothered to take you back!"

Ding Shan did not say anything. She knew in her heart that Yang Hua was not helping her, but just like she said, she was afraid that she would cause trouble so she watched over her. It was no different from escorting a prisoner.

However, it did not matter. They would be able to witness a good show when they returned together.

Ding Shan smiled and unconsciously quickened her pace.

Yang Hua cursed, "I don't know what's wrong with you. You were just dawdling with a gloomy face, and now you're in a good mood. Are you in a hurry to be reincarnated?"

Ding Shan let Yang Hua scold her. She did not refute her. Someone would deal with her in a while anyway.

The few of them got into the car and drove to the Ding family home.

When they arrived at the underground parking lot, Ding Shan saw Wang Chun waiting there aggressively from afar.

Yang Hua also looked at Ding Shan in puzzlement. "Why is she here? Did you complain to her?"

Ding Shan shook her head. "I didn't. I don't know what it is either."

Yang Hua did not doubt her. "I don't think you would dare. It's useless even if you disagree. I have wanted to tell her about your performance today."

The car stopped and they got out of the car.

"Pa!" Wang Chun dashed in front of Yang Hua and slapped her.

Yang Hua covered her face and stood rooted to the ground. After a while, she screamed, "Wang Chun! Are you crazy? You hit me!"

Wang Chun had a bloated belly. Perhaps because she was too angry, her movements were very agile. She quickly attacked and hit Yang Hua's face a few more times. "I hit you today! I think you're crazy! You stole my man!"

Yang Hua screamed and retreated. She looked at Ding Shan fiercely. "What nonsense did you say to your mother!"

Then, she avoided Wang Chun's punches and tried to defend herself. "Wang Chun, don't listen to that little bastard's nonsense. We've been best friends for so many years. Don't you believe me?"

It would have been better if Yang Hua didn't mention it. The more she said, the angrier Wang Chun became.

Wang Chun grabbed Yang Hua's hair with one hand and took out her phone with the other to play the video.

Seeing that her conversation with Ding Shan was recorded in the video, Yang Hua was completely dumbfounded.

Wang Chun stared at Yang Hua. "What else do you have to quibble about? If not for the paparazzi recording it, would I have been deceived by you for the rest of my life? I spent ten million to buy the video. Tell me, how should I settle the score with you?"

Yang Hua felt that something was wrong. "You sent the money over?"

Wang Chun punched Yang Hua again, she knocked Yang Hua to the ground. "That's my money too. What does it have to do with you? Do you think that you can replace me just because you've been a manager for a few years? I'll always be Ding Shan's mother, and all her money is mine. Who are you to tell me what to do?"

Ding Shan pretended to be scared and covered her mouth as she cried. She let the two elderly women fight in the empty underground parking lot.
