

## **Boss Is Reborn After Everyone's Betrayal!**

### 007. Blood Relation 1

Xiao Zhao anxiously shouted on the other end of the phone, "Sister Shan! Are you alright? I couldn't get in touch with you last night!"

As she spoke, she even choked up a little. "That Jin is famous in the circle for being playful. I'm really afraid that something will happen to you if you go. Why on earth would they insist on you going to such a place?"

Ding Shan's heart warmed. "I'm really fine. Help me bring a set of clothes. Come and pick me up. Don't cry."

Xiao Zhao was relieved. Last night, she was worried about Ding Shan's safety, but she could not contact her. She could only stay in the car and wait nearby for the entire night. After hearing what Ding Shan said, she was afraid that she would be exposed, so she hurriedly came and picked Ding Shan up.

Ding Shan took the sunglasses and hat that Little Zhao handed over. She was touched in her heart. "Thank you for your hard work, Xiao Zhao."

Xiao Zhao looked at Ding Shan's surprised face and blushed. Sister Shan had always been doing well, but for some reason, she had an extra gentle and calm temperament today, which made her even more charming.

Xiao Zhao pursed her lips in grievance and said tentatively, "Sister Shan, last night was too dangerous. I know it's inappropriate for me to say these things, but uncle Ding and aunt Wang... how could they let you go to such a place?"

Ding Shan smiled self-deprecatingly. "Yeah, how could they do that?"

Xiao Zhao did not dare to say much. After all, they were Ding Shan's parents. She could only comfort Ding Shan. "That's your parents, after all, Sister Shan. Maybe they didn't mean it."

Xiao Zhao looked at Ding Shan's expression, and continued, "But Aunt Yang is only your manager. I can't stand her usual attitude. Sister Shan, even if you're angry with me, I have to say it. You mustn't be sold by her and still count the money for her!"

Ding Shan's eyes behind her sunglasses were ice-cold. She only said indifferently, "In the past, I might have been blinded. It won't happen again in the future. She won't be my manager for long."

Xiao Zhao was delighted. It was great that Sister Shan could understand!

Then, Ding Shan thought for a while and instructed, "It's my parents, Little Zhao. I still need your help with this matter. Help me keep an eye out and think of a way to find out our blood relationship. It'll be useful in the future."

Xiao Zhao's mouth was agape in shock. "Sister Shan, you mean...?"

Then, she understood a little. There were many celebrities with tragic backgrounds in the entertainment industry. They had also heard that there were people who entered the industry to pay off their father's debts. However, there were also very few people who were as excessive as Ding Wan and Wang Chun. No wonder sister Shan would be suspicious of this.

Xiao Zhao replied, "Sister Shan, don't worry. I will handle it well."

Ding Shan nodded. She had to thank Ding Yuan for telling the truth before she died. If she wanted to cut ties with these scums in the future and not let them make a fuss about it, she had to settle this matter.

As the two of them were talking, Ding Wan called.

Ding Shan sneered. She had not settled the score with them yet, but she was in a hurry to contact her.

As soon as the call went through, Ding Wan used his rough voice to shout, "You money-losing piece of shit! Where did you run off to? Didn't I

ask you to accompany CEO Jin last night? Are you trying to play tricks on me?"

Ding Shan was not in a hurry to fall out with them. After all, her career had plummeted. She needed to slowly regain the initiative from them.

Ding Shan replied calmly, "What trick? I drank too much last night and didn't know anything. Did something happen?"

Ding Wan was cursing on the other end. "Your sister got into an accident last night. Isn't this all your fault? Hurry up and get your ass to the hospital!"

Ding Shan hung up the phone and curled her lips. My sister got into an accident and is blaming me? This was just the beginning. There would probably be more good shows in the future, but it wouldn't be my fault.

Xiao Zhao looked at Ding Shan carefully. "Sister Shan, what should we do next?"

Ding Shan gestured for Xiao Zhao to drive. "Let's go to the hospital. I have to go see my sister who got into trouble."

Xiao Zhao was still a little hesitant. "Are we going? There are quite a lot of people at the hospital. If they recognize you..."

Ding Shan shook her head. "I didn't do anything wrong. I'm not afraid that others will see me. Besides... Some scenes are better seen by the audience. Let's go!"

Little Zhao felt that Ding Shan was different after last night.

Although Xiao Zhao was Ding Shan's assistant, she was also a fan of Ding Shan. She had long been heartbroken to see a talented female star being dragged down to this point by her family, but she could not change anything.

However, looking at Ding Shan's attitude today, Xiao Zhao felt that Ding Shan's confident and charming temperament from work had returned. In her life, Ding Shan was finally not so passive anymore!

Xiao Zhao subconsciously believed that the current Ding Shan would be able to return to her peak. She then followed Ding Shan's instructions and drove Ding Shan to the hospital.
