

## **Boss Is Reborn 360**

### Chapter 360. Exposure

Ding Shan didn't expect that in this life, after Wen Xiu failed to deceive her, he would turn around and deceive Chen Tong.

Wen Xiu did not know that Chen Tong was also a female celebrity who needed to rely on the capital behind her back. Although Chen Tong looked very popular, her entertainment industry foundation was unstable. The help that she could bring to Wen Xiu was minimal. Moreover, Chen Tong experienced a few blows from public opinion. She was now at the bottom of her career, and her future development path would only become more and more difficult.

Although Wen Xiu had the intelligence to speculate, he did not see far.

Ding Shan could almost guess how Wen Xiu had managed to hook up with Chen Tong.

Chen Tong's state of mind was terrible during this period. She had previously failed to frame Ding Shan, so her boss must have blamed her. Chen Tong's heart was weakest, and she needed someone to comfort and accompany her. At this time, Wen Xiu's fake gentleness quickly moved Chen Tong.

As for the matter between Chen Tong and Wen Xiu, Ding Shan had no intention of interfering. Even if she wanted to interfere, she couldn't. Chen Tong hated her so much. Even if she reminded Chen Tong, she would not believe her.

However, Ding Shan did not expect that just a week before the third public performance, Chen Tong and Wen Xiu's secret relationship was exposed.

Not only were they exposed, but the matter was also blown up. Many Weibo marketing accounts posted news of the two dating at the same time.

Ding Shan felt something was wrong as if someone was pulling the strings behind the scenes. Just as she was feeling suspicious, Yang Lu gave her a call. After Ding Shan picked up the call, the first thing Yang Lu said was, "How is it? Are you satisfied?"

"You're the one behind Chen Tong's incident?" Ding Shan was stunned for two seconds before asking.

It was indeed Yang Lu's doing. She often went to the hotel where Wen Xiu and Chen Tong stayed. That day, she saw the two of them when she went downstairs. Although both of them wore hats and masks tightly wrapped, Yang Lu could still recognize them.

Yang Lu asked her assistant, Nancy, to secretly pay attention to the movements of the two. Initially, Yang Lu thought the two were having an affair while recording a variety show. For privacy and safety, they should at least change hotels every time for their dates. However, she didn't expect that they would go to the same hotel four times in a row.

This made it easier for Yang Lu to get evidence. She got the paparazzi to take photos and sent them to several marketing accounts, which caused the sensation when Wen Xiu and Chen Zhao's relationship was announced.

Yang Lu had been fighting with her lousy company for so many years. She had some connections in the entertainment industry and often dealt with many marketing accounts. She was quite skilled in doing this kind of sneak attack.

“Do you have a grudge against Chen Tong? Such a ruthless move?” Ding Shan didn’t know whether to laugh or cry. “I told you to prepare for the exam. What have you been doing all day?”

“I don’t have any enmity with her, but didn’t she offend you before? I’m guessing a little fairy like you wouldn’t want to deal with someone like her, so let me do this kind of dirty work. It’s always right to please the future boss in advance, right?” Yang Lu said proudly.

“How’s your exam preparation going? How confident are you?” Ding Shan smiled helplessly and changed the topic.

“It’s alright. At first, I couldn’t remember anything and was so anxious that my hair fell out all day. Later, I found some tricks, and it became much easier. I can’t say that I’m 100% sure, but looking at the simulation test results, I still have a good chance if I work hard.” Yang Lu answered honestly, then sighed, “You’re amazing. You thought of this method to get me out of the company.”

When Ding Shan negotiated with Yang Lu last time, she said she had a way to help Yang Lu get out of the trashy company. The solution she thought of for Yang Lu was to take the civil service examination.

Exams had nothing to do with celebrities in the entertainment industry, so many didn’t even know there was such a way.

Few people knew about a loophole in the celebrity civil service examination. According to the relevant regulations, after a celebrity passes the examination to become a civil servant or a career editor, they could terminate their contract unconditionally. This was because the country’s special laws protected the rights and interests of civil servants. If Yang Lu could pass the examination to become a civil servant, her current predicament would be completely solved.

When Yang Lu heard about Ding Shan’s plan, she was shocked too. Ding Shan’s plan allowed Yang Lu to see a ray of hope. It just so happened that a role in a new movie she was going to film was snatched away. She had no other work arrangements, so Yang Lu canceled all her schedules and focused on preparing for her exams.
