

Boss Is Reborn 368

Chapter 368. Break up?

However, there were still some passers-by who sighed at times.

“Sigh, I liked X then and hoped he could step up. He was like a superstar in my heart. It’s a pity that he wasn’t interested in the entertainment industry. Moreover, he was still Mysterious X and didn’t announce his name. Later, there were rumors that his identity was not ordinary, but we did not know if it was true. The second season of ‘Idol Creation Camp’ is about to start. I will probably continue to follow it, but I will never see a contestant like Mysterious X again.”

Later on, there were some speculations about the identity of the Mysterious X on the internet, but there was no way to verify them.

Mysterious Person X was like a dream. He appeared in the entertainment industry for a moment, leaving behind a beautiful romantic love story like a fairy tale that disappeared overnight.

The second year after ‘Idol Creation Camp’ was broadcast, the domestic A-list female star Ding Shan suddenly posted a link to a song with the caption: Mysterious Person X’s new single. ‘Welcome to the show.’

The number of comments under this post increased rapidly.

“Oh my God, Mysterious Project X greed to release one song yearly? Back then, I pulled everyone in the dormitory to vote for him. It’s such a pity that he didn’t make a comeback in the end, but if I could hear his songs every year, I think it wouldn’t be bad. I’ll go and listen to them now!”

“Didn’t you guys notice that Ding Shan released Mysterious X’s new song? What does that mean?”

“What else can it mean? It just means that the couple is still sweet. Don’t you see that this song is a love song? I didn’t even hear it, but I knew it was written for Ding Shan or to commemorate their love.” Sigh, “I ate dog food last year, and I’m going to eat it again this year!”

“I’m back after listening to the song. It was such a sweet song. I’m sure their relationship is perfect now.”

In the many comments, Ding Shan’s fans also expressed their blessings. Seeing that the girl they had liked for so many years had finally found her love, they felt a sense of relief, as if their daughter had been married off.

Ding Shan’s mysterious boyfriend would write a love song for her every year for the next two years. However, the song was not released on time in the third year.

In the past, the songs were always released on the anniversary of ‘Idol Creation Camp,’ so the netizens who were waiting for the new song as promised suddenly felt a little nervous.

Some people guessed that Ding Shan and her boyfriend had broken up.

Ding Shan’s Weibo hadn’t been updated for half a year. The released drama was shot last year, and there was no news of her schedule for the year.

Could it be that because the two of them had broken up, Ding Shan was depressed and no longer had the heart to work?

Ding Shan and Mysterious Person X were the most legendary couple in the entertainment industry in the past few years. The couple's fans were increasing and accounted for many Ding Shan fans. If the news of Ding Shan breaking up with her boyfriend was to spread at this moment, many netizens would be heartbroken.

In reality, love was a luxury. It was not easy for them to see a fairytale-like couple, and they had been looking forward to their being together.

Some people denied this statement, while others asked on Ding Shan's Weibo.

A month later, Ding Shan's Weibo, which had been silent for over half a year, finally updated.

"I'm sorry to keep everyone waiting. The link to this year's new song has already been posted in the comments section. At the same time, I would like to share some good news with everyone. My wife, Ding Shan, safely gave birth to a pair of twins last night. To commemorate this special day, a new song has been chosen to be released today. I appreciate your support."

The picture attached to the Weibo post was of four hands stacked together, two of which were small, and it was obvious that they were the hands of newborn babies.

Evidently, this Weibo post was not posted by Ding Shan but by Mysterious X.

After the Weibo was sent out, the whole internet was shocked. Entertainment marketing accounts immediately reposted it crazily.

"The top actress Ding Shan gave birth to twins last night " quickly occupied the headlines of the entertainment list.

The current Ding Shan could be said to be one of the most popular female stars in the country. She had transformed from an idol to a capable actress in just three years.

In the first year, Xu Zhen, the desperate and crazy housewife in 'White fireworks,' showed the audience Ding Shan's superb acting skills. Her performance had levels of explosiveness and was full of spirit. She gave a character that was not easy to be an outstanding soul. Not only did she make the audience sigh with emotion at this hateful and pitiful woman, but she also showed the psychological difficulties of modern women in marriage and family.

'White fireworks' broke one billion at the box office and became the most famous literary film of the year.
