

## Chapter 335 I Want A Girlfriend

'Odette is going to marry Mr. Oliver?' They exchanged glances at each other upon hearing these words.

"What did she say to you?" Kane asked.

"Odette called me this afternoon and asked for help. How dare I refuse her? Without a second thought, I drove to the film set immediately. She gave me the room card and asked me to put it in your pocket without getting noticed. Mr. Evans, I had no choice..."

"What else did she say?" Kane asked in a cold tone.

"She..."

"Answer me!"

The man flinched and answered Kane's question at once.

"Odette said that you liked Wendy and that if I did as she said, you'd be grateful to me." ↻

"What else?"

The man swallowed hard. "That's all."

"You should know how I doing things. If you don't tell me everything, I'll go to Odette right now and ask her myself. If I find out something else from her, you know the consequences."

"I...I..." The man was hesitant if he should say everything.

After a while, he made up his mind. "Odette told me that she'd be grateful to me if I helped her. She said she would make me the director of the PR department when she married Mr. Oliver. Mr. Evans, I know what I did was wrong. Please forgive—" ⑧

Kane interrupted him. "On this day onwards, you don't have to go to the company anymore." ①

"Mr. Evans, please give me another chance!"

Unfortunately for him, Kane hung up the call without another word. He looked at Ryan, whose eyes were narrowed in annoyance.

"Why does she think I'll marry her?" Ryan scoffed. ①

Luke and the others also looked at Kane in confusion. Seeing this, Kane sighed and explained, "Here's the thing. Didn't you ask me to look after Odette five years ago? Just a heads-up. I have no idea who spread the rumor. You showed no interest in women, but you treated Odette differently. Many people in the company think that you like Odette and believe she'll be your wife in the future. As a media company, we hear a variety of gossips every day. This wasn't new, so I didn't bother to delve into it."

Ryan's face darkened.

Meanwhile, Luke was dumbfounded. He slapped his thigh and exclaimed, "That's ridiculous! Just because Ryan has

asked you to look after Odette, people think she has something to do with him? What makes it more ridiculous is that Odette regards herself as his future wife too! The audacity! Is she out of her mind?" 12

Both Roger and Leo were speechless.

But unlike them, Ryan was more concerned about something else. He looked at Kane with narrowed eyes and asked, "Do you like Wendy?" 12

"Odette probably believes that I'm supporting Wendy because she landed on a good role when her career just started. That's the most logical explanation why she thinks I'm after Wendy," Kane concluded.

He was the president of HX Media, after all. It only made sense that Odette wanted to please him. 2

Ryan accepted Kane's explanation. 2

But something dawned on Luke. "I have a question. Nobody breaks the law just to please their boss, right? Isn't it too risky for her to do that?" 2

Ryan frowned and fell into a deep thought. He recalled Odette's reaction when she saw him, and something occurred to him.

"Ryan, what's wrong?"

"She and Wendy stay in the same hotel," Ryan answered.

Luke immediately understood what Ryan meant by that.

"Are you saying that Odette saw you behave intimately with Wendy, so she came up with such a plan? In that way, she could not only flatter Kane but also ruin Wendy. She must think that she has hit two birds with one stone. This Odette isn't as simple as she looks. She knows that you have a good relationship with Kane, and she took advantage of it. If things went on according to her plan and something indeed happened between Kane and Wendy, as Kane's good friend, you wouldn't fight him for Wendy. What's more, she's certain that Wendy wouldn't dare to call the police. Even if Wendy did, Kane would definitely keep the matter a secret. Wendy has just solved her family issues. If a scandal between her and Kane arose at this time, people would think that she slept her way to success. I can't believe it! What a vicious and cunning woman!" 🗨️

The others fell silent.

Ryan had not said a word for a while now and just kept a cold face.

"Ryan, that woman is evil. You have to teach her a lesson. Think about it. If I hadn't shown up in time a while ago, something could've happened to Wendy!" Luke urged. Of course, he did not forget to ask for credit while he was at it. ➕

Ryan glanced at him with a piercing gaze. 'Right. You saw

Wendy's naked body. I'll settle accounts with you soon. Just you wait.' ⑧

A chill ran down Luke's spine, and he shrank his neck in fear.

"Ryan, are you thinking of replacing Odette in the Story of Concubine Ivanka and banishing her?" Kane asked.

"No," Ryan answered right away.

They were stunned, especially Luke. They all knew that that was not Ryan's style of doing things.

"Ryan..."

"If we replaced her, many scenes would have to be reshot."

The corner of Luke's mouth twitched. 'That's right!' He understood what was on Ryan's mind.

If the drama were to be reshot, Wendy would have to redo many scenes. ②

They had been staying in the hotel for about two weeks. Ryan saw how Wendy would go out early in the morning for shooting and come back late at night every single day. He felt sorry for her.

Ryan showed his affection for her again. To be frank, Luke was tired of it. "Are you going to let Odette go easily?" ②

Ryan let out a brittle laugh. He glanced at Luke as though he was looking at an idiot.

Luke knew that look in Ryan's eyes. Flustered, he wiped the sweat off his forehead. He knew Ryan had always been the man who would not let anyone who had wronged him get away. ③

"How will you deal with her then?" Luke clasped his hands and rubbed them in excitement.

Ryan might be a gentleman, but he knew when to stand up against women. In his mind, there were only two kinds of people in the world; the living and the dead. ④

"Ryan?"

"Don't do anything for now," Ryan said coldly.

"What?"

"Wait until the shooting is over."

Luke had no idea what to say. It was a display of his affection yet again. 'Shit!'

Ryan did not have to explain for Luke to understand.

Wendy had worked so hard in the Story of Concubine Ivanka. Ryan did not want her painstaking efforts to go in vain. If he dealt with Odette right now, it would definitely affect the drama. In other words, Wendy's efforts would be all for nothing. ⑤

Ryan was the kind of person who immediately gave people the taste of their own medicine. But for Wendy, he chose not to do it right away. ⑥

Luke was so touched that his eyes brimmed with tears.

"Ryan, you can't do this to me. I'm your brother. You can't just show off your love for Wendy again and again.

I'll die with jealousy!" ⑧

The other men in the room also gave Ryan a reproachful look. ⑨

Luke thumped his chest exaggeratedly and shouted, "Ah! I want to be in love. I want a girlfriend!" ⑩
