

## Chapter 355 I Will Be His Wife

Ten minutes later, a satisfied Eris came out from the Oliver family's villa. Brian left with her.

Of course, now that Nellie had given Eris so much money as well as the treasured bracelet, she had to make sure Eris had an abortion. She ordered Brian to take Eris to a private hospital for the medical procedure.

Before the two left, Nellie instructed Brian, "You must accompany her to the hospital and make sure she gets an abortion!" Nellie didn't trust Eris at all. What if Eris leave Ywood in secret and give birth to the child after taking the money? If that happened, it would be a huge trouble in the future.

What if Eris leave Ywood in secret and give birth to the child after taking the money? If that happened, it would be a huge trouble in the future.

Soon, the two were already on their way to the hospital. Eris sat in the passenger seat as Brian drove. Both of them were quiet the whole duration of the ride.

After a while, the car pulled over in front of a private hospital.

"Get out of the car."

Pressing her lips together, Eris got out of the car.

Brian entered the hospital first, followed by Eris.

silently.

Eris would have an operation under general anesthesia. Before the operation, Eris sat on the cold bench, which was as cold as ice. She looked at Brian with a trace of expectation in her eyes while stroking her belly with one hand. "Are you sure you don't want to touch it?"

Brian's eyes were instantly filled with disgust. He didn't even say a word.

His expression surely hurt Eris. "Brian!"

"Don't act as if you care about the child! You exchanged it for money! Obviously, you don't have any feelings for it. Why are you pretending to be reluctant now?"

Refraining herself to talk back, Eris gritted her teeth.

Brian looked at her with eyes full of contempt.

The reason why he brought her to a private hospital was that they didn't have to wait for a long time to be assisted. Therefore, Eris was scheduled to have operation in the afternoon.

When Eris was brought to the operation room, Brian was asked to wait outside. The procedure of abortion only needed a short time to be done.

It only took about fifteen minutes from the time the anesthesia was administered to the time the operation was completed.

After the operation, Eris was wheeled to the observation ward so she could rest until the effect of anesthesia dissipated. All the while, she was stroking her belly in silence. The baby was gone. A tear escaped from the corner of Eris' eye as she closed her eyes.

Half an hour later, a nurse knocked on the door of the observation room. "Miss, you can leave now."

"Thank you."

With the help of the nurse, Eris climbed down the bed and walked out of the observation room. She peeked out the door as if searching for someone.

Noticing this, the nurse looked at her with pity. "Are you looking for your boyfriend?"

"Where is he?"

"He has left after the operation," the nurse replied.

It felt as though Eris was stabbed by a sharp dagger in her chest. She clenched her fists in

anger. Tears welled up in her eyes until they were bloodshot. 'He was so eager to leave, huh. He didn't even bother to check how I was.' The pain in her heart gradually turned into hatred.

What she felt reflected in her eyes, which made the nurse worry. "Are you okay?"

"I'm fine." She straightened up and got rid of the hands of the nurse. "I'm fine. Thank you." Then, she slowly walked along the dark corridor all by herself.

At this moment, Eris finally gave up on Brian.

With the completion of post-production of the Story of Concubine Ivanka, Wendy's schedule had been hectic. She had to do this because according to the contract, she needed to help with the promotion of the show.

Fortunately, Raymond had been recovering well, and Ryan was there to take care of him. Otherwise, Wendy wouldn't be able to focus on her work.

In line with her job, she accompanied the main cast and the director to all kinds of entertainment shows to promote the upcoming show.

To her surprise, Jeffrey was also there.

In the backstage, everyone was busy with the preparations.

As Wendy was not famous, the emcee mainly explained the major process to Odette and other famous actors.

It had been a long time since Wendy last saw Jeffrey, so it took a while for her to recover from shock. "Why are you here?"

Jeffrey, whose hair was dyed in striking green, sat on the sofa casually and shook his legs. As if he heard a stupid question, he rolled his eyes at Wendy. "Am I not allowed to come here?"

The excitement on Wendy's face turned into a frown. "What's wrong with you? Damn you, Jeffrey! We haven't seen each other for such a long time. Why are you being so mean to me? Do you want to fight?"

Jeffrey let out a snort before he turned his head away, ignoring Wendy.

Wendy didn't want to let it pass. Therefore, she kicked him hard under the table.

"Ouch!" Jeffrey screamed in pain and his brows furrowed in agony.

Everyone's attention was diverted to him.

As soon as Jeffrey noticed the eyes looking at him, he forced a smile. "I accidentally kicked the leg of the tea table."

Some people told him to be careful before they went back to what they were doing.

Jeffrey cast a furious glance at Wendy and said between gritted teeth, "Wendy, you are such a vicious woman."

"It's you who were being mean to me!"

In the end, Jeffrey cursed under his breath and admitted defeat.

'Shit! God knows how hard it has been for me to forget you!'

No matter how much he missed Wendy, Jeffrey tried his best not to contact her for such a long time because he wanted to get rid of his feelings for her. However, his efforts went in vain at the sight of her.

'Damn it! You are such a loser!' Jeffrey cursed himself in his head.

"Jeffrey!" Wendy called out.

"What do you want?" Jeffrey asked sullenly.

"I heard that you are in love with someone now."

The corner of Jeffrey's mouth twitched. "Who told you that?"

"Ryan."

Speechless, Jeffrey just clenched his jaw. 'Shit! I'm aware that I don't stand a chance. But how could Uncle Ryan mislead Wendy like this? What a despicable man! He's playing dirty!'

After a while, he said with a snort, "Since when did he become interested in spreading rumors? Tsk."

"He just cares about you so much."

At that moment, Jeffrey didn't know whether to laugh or cry. 'Bullshit! Wendy must be kidding! How could Uncle Ryan care about me? I will be grateful if he doesn't make trouble for me!'

Out of frustration, Jeffrey rubbed his stiff face. These past few days had been the worse days of his life.

Last time, when he had dinner somewhere with Mia, they were photographed by some paparazzi. It sparked countless rumors about his love life. Since the dating rumor started, more and more paparazzi had been following him around recently.

Just by thinking about it made Jeffrey so irritable that he messed with his hair. He felt guilty that he dragged Mia in this mess.

The girl was just kind enough to help him by pretending to be his girlfriend in front of his parents, but now she was being bothered by his fans.

Fortunately, the Andrade family did everything they could to protect Mia so her personal information had not been exposed to the public until now.

One of the things that made his head ache was his bank account. For some reason, he couldn't withdraw any money from his bank account! Therefore, when his parents asked him for money, he had nothing to give. His mother was naturally pissed off. She thought he was just making up excuses to not give her money.

'What the hell?! Is someone behind all this?'

Jeffrey straightened his back and looked at Wendy with serious eyes. "Wendy..."

"What is it?" Wendy spat.

"Why do you have to be so rude all the time? I'm telling you, men like gentle women. If you

continued to behave this way, Ryan will dump you sooner or later."

Hearing this, Wendy almost spat out the water in her mouth. To Jeffrey's surprise, she raised her chin proudly after wiping her mouth. "Then watch until I become his wife!"

Jealousy flashed in Jeffrey's eyes. "Are you that confident that he won't leave you?"

"Of course!" Like a teenager in love, Wendy hummed a song. Well, she couldn't be blamed. After all, she had been getting along well with Ryan recently. Perhaps it was because she had learned to open her heart again that she had grown fond of Ryan. The only problem now was Raymond's attitude towards Ryan. Wendy could tell that it might be hard for the boy to accept their relationship. Therefore, she still hadn't given Ryan a firm answer until now.

Looking at her flushed face, Jeffrey felt bitter. 'Damn it!' Now he regretted being nosy. It was like he was asking for a headache. "Wendy..."

"What else do you want to say?"

"You've been staying with Uncle Ryan every day. Have you noticed anything strange about him

Frowning, Wendy asked, "What do you mean?"

"Well... Is he plotting anything against me?"
