

Chapter 366 I Have A Crush On Jeffrey

It was 2 a.m. The whole villa was quiet.

A little noise suddenly disrupted this silence. With a crisp sound, the door to Jeffrey's bedroom was opened from the outside, and then, a fat figure walked in quietly. The intruder tried her best not to make a noise. Unfortunately for her, she was too heavy. Despite all her efforts to be as silent as possible, her heavy footsteps still made some noise. It was Grace! Her heart was beating fast at this moment.

In the middle of the night, she decided to slip into Jeffrey's room. His room was not far from hers. When she found out the door was not locked, she couldn't help but chuckle.

In the room, the curtains and windows were not drawn. The moonlight shone in through the glass windows. Thanks to that, Grace saw Jeffrey lying in the bed. His sleeping posture was as unruly as he was.

He was wearing black pajamas that covered his upper body. Despite the biting cold, he only covered his waist with the duvet. The first three buttons of the pajamas were open,

revealing his chest.

Grace began to feel hot. He was just so handsome even when he was sleeping. No wonder he was one of the most popular stars! 'How can he be so perfect?'

Grace swallowed hard, lost in admiration of the handsome man in front of her. Her eyes lit up as she stared at Jeffrey. He was so handsome! Everything about him was perfect. He had an amazing build and his body didn't have a single blemish. Sure enough, Brian couldn't compare with Jeffrey.

Grace almost drooled while looking at the man sleeping in the bed. She then walked quietly to the bedside. While she gazed lovingly at his sleeping face, she couldn't help stretching out her hand. She rested her hand on his broad, muscular chest. His muscles were firm!

A lustful smile soon appeared on Grace's face. Truth be told, she was very fat. As a result, when she laughed, all her features wrinkled together. The sight was extremely disgusting. Grace was about to move her hand lower when Jeffrey frowned and opened his eyes. Their eyes met.

"Ah!" Jeffrey screamed. The windows were open, so his scream was heard in the entire villa. It was particularly terrifying in the middle of the quiet night.

Five minutes later, rushing footsteps were heard outside the door. Nellie, Jaylen and Brian rushed into Jeffrey's room.

Jeffrey looked like he had seen a ghost. His eyes were wide and his face was pale. It was late in the night and everything was dark. And as soon as he opened his eyes, he saw a woman's grossly large face. It was so awful! He almost thought it was a ghost! Worse, it was a female ghost with a horrible appearance. His heart was still pounding.

However, Grace didn't seem to realize that she had nearly scared Jeffrey to death. She just sat on there on the edge of the bed, staring at Jeffrey without blinking. 'Even his scream is so sexy!' she thought. She felt that she had really fallen in love with him.

The fact that she looked at him like that with those obscene eyes made Jeffrey very uncomfortable. He felt like he had been stripped naked in front of her. When the rest of the family arrived, he took his clothes out of the closet and rushed to the bathroom to put them on.

"What the hell is going on?" Nellie asked in confusion. She came running as soon as she heard the screams. She wore nothing but pajamas and a coat. Seeing the scene in the room, she gritted her teeth and asked, "Grace, I think you should explain to me what's going on here."

Brian casually threw a coat to Grace and said curtly, "Put it on!" There was restrained anger in his voice.

Grace was wearing a pure black sling lace nightgown. Other

women might look sexy in such an outfit, but definitely not Grace. The sight of her in the dress was unbearable to the eye. Worse, this nightgown was customized. It was very tight, revealing her shoulders and every inch of her fat body. It was also very thin. Under the light, it could be seen clearly that she didn't put on any underwear. Simply put, it was extremely indecent.

After taking a glance at Grace, Jaylen immediately looked away.

Brian was different. After all, Grace was his fiancée. He felt ashamed that she behaved herself like this. He had been beaten by Jeffrey today, and there was nowhere for him to vent his anger. At this moment, he couldn't hold back his anger anymore. "Look at you! It's so indecent!" he shouted to Grace.

"It's none of your business." Grace rolled her eyes. She didn't want to listen to Brian. But when her eyes fell on the coat, she realized it was Jeffrey's coat. Yes, it was her charming prince's coat! She held the coat firmly in hands and buried her head in it. She took a deep breath. It seemed that the coat still had the smell of Jeffrey.

Grace decided to put on the coat. But there was a problem. No matter how much she tried, she couldn't put it on. She weighed almost twice as much as Jeffrey, so of course she

couldn't put on his coat. It was so embarrassing.

Seeing this, Brian gritted his teeth. He took out a clean bed sheet from the closet and put it on her. He didn't want her to look so ungraceful. Moreover, she must be feeling cold in such a thin nightgown.

Indeed, Grace was feeling cold. She quickly wrapped the bed sheet around her.

Two minutes later, Jeffrey had finished putting on his clothes. He finally walked out of the bathroom. The whole family were finally gathered.

The moment Jeffrey appeared in the room, Grace couldn't take her eyes off him.

'Fuck!' Jeffrey cursed inwardly. He was so disgusted that he almost vomited.

"Bruce, can you tell me what's going on?" Nellie asked in a serious voice.

"I am just as eager as you to know what's going on!" Jeffrey was a bit quick-tempered by nature. And now he couldn't restrain himself anymore. He glared at Grace and shouted, "Are you mad? Why on earth did you break into my room at midnight?"

Grace just looked at him with bright eyes. She was totally under his charm. 'His voice is so pleasant to hear even when he is cursing!' She looked at him with such obsession that

she forgot to answer him.

Nellie and Jaylen were utterly stunned.

Brian couldn't stand it anymore. He strode forward and stood in front of Grace.

Grace frowned as she couldn't see her prince charming any more. She craned and impatiently waved her hand at Brian.

"You are blocking my sight. Get out of my way!"

Brian didn't move.

"Brian!"

"Enough!" Brian said in a cold-thunderous voice. In such a situation, even the most patient man in the world would lose his temper. "Grace, tell me, why did you sneak into my brother's room in the middle of the night? Besides, why are you dressed like this?"

"It has nothing to do with you!"

"Damn it! You are my fiancée. Of course, it has everything to do with me!"

Grace snorted and curled her lips in disdain. "Let me correct you. I agree with you on one point. I'm your fiancée. But you ought to understand that I can call off the engagement anytime I want!"

Her words enraged Brian so much that he was shaking all over. 'Bitch! She is just a loathsome bitch! She couldn't even be compare with Eris. Hell no! Comparing this disgusting

thing with Eris would be an insult to Eris.'

The faces of Nellie and Jaylen darkened.

Before today, no matter how Grace and Brian got along with each other in private, it was their own business. Neither Nellie nor Jaylen intervened.

But now, Grace dared to embarrass Brian in front of them. And she did that in their own house. That was no different from slapping the Oliver family in the face!

Nellie said with a frosty face, "Grace, can you please tell me what is going on here?"

Grace shrugged her shoulders casually. "Isn't that clear enough?"

"What?" Nellie asked in confusion.

"I have a crush on Jeffrey. I don't want to get married to Brian!"
